(“**En Cadre**”) (collectively, the “**Debtors**”) by order of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) dated October 13, 2020 (the “**Interim Receivership Order**”). Copies of the Interim Receivership Order and the Endorsement of the Honourable Madam Justice Gilmore are attached hereto as **Appendix “1”**.
2. Background information pertaining to the Debtors, including the circumstances leading to the appointment of the Interim Receiver, are contained in the affidavits of Martin Rees, Sandy Kanishis and Glenn Peterson, each sworn October 9, 2020 (the “**Clearflow Affidavits**”) in support of Clearflow Commercial Finance Corp.’s (“**Clearflow**”) application for the appointment of the Interim Receiver. A copy of the Clearflow Affidavits without appendices are attached hereto as **Appendix “2”**. Clearflow is the primary secured creditor of the Debtors.
3. The Interim Receiver filed its first report to Court dated October 21, 2020 (the “**Interim Receiver’s Report**”) in support of Clearflow’s application to convert the Interim Receivership Order, to a national receiver, pursuant to subsection 243(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3 (the “**BIA**”). A copy of the Interim Receiver’s Report is attached hereto as **Appendix “3”** without appendices.
4. Pursuant to an order of the Honourable Mr. Justice McEwen dated October 22, 2020, GTL was appointed as the Receiver (the “**Receiver**”) over the assets, undertakings and properties of the Debtors, as well as certain real property owned by each of Jaimak Real Properties Inc. (“**Jaimak**”) or Jaimee Lynn Gdak (“**J. Gdak**”), pursuant to subsection 243(1) of the BIA and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c. 6. On December 1, 2020, the Court issued an order providing, amongst other things, the relief requested by the Receiver in the First Report (the "**Baker Road Approval and Vesting Order**"). A copy of the Baker Road Approval and Vesting Order along with the Endorsement of Justice Dietrich is attached hereto as **Appendix "6"**.
7. In accordance with the Court's e-service protocol all materials filed with the Court in this matter are available on the Receiver's case website at www.GrantThornton.ca/TWI .

BACKGROUND

12. The Debtors are incorporated in Ontario and were in the business of importing and distributing firearms, particularly shotguns, and associated ammunition to customers throughout Canada. The Debtors’ customers allegedly included Canadian Tire and Home Hardware, as well as many small gun shops, outdoor stores, the military and police forces. The registered address for the Debtors is 588 Colby Drive, Suite #1, Waterloo, Ontario (the “**Premises**”). The directors of Trigger are Mark Gdak (“**Mr. Gdak**”), Jaimee Lynn Gdak (“**Mrs. Gdak**”) and Brian Richard Kelly (“**Brian Kelly**”). Brian Kelly also acted as the Debtors’ legal counsel. Brian Kelly resigned as director of the Trigger shortly after the Interim Receiver was appointed.
13. Clearflow provided accounts receivable (“**AR**”) factoring services to Trigger. Trigger provided Clearflow with a listing of AR that qualified for factoring and Clearflow would transfer funding to a bank account at Bank of Montreal (“**BMO**”) (the “**Clearflow Funding Account**”). Trigger would then transfer the funding to its operating account at BMO (the “**Trigger Operating Account**”). When customers paid their account, the amount was deposited to a blocked account from which Clearflow would sweep funds in repayment of its advances to Trigger (the “**Trigger Blocked Account**”). Trigger would provide Clearflow with a list of receivables that were collected such that Clearflow could maintain a record of outstanding AR that remained eligible for factoring.

Fictitious Accounts Receivable

14. As noted above, Clearflow factored Trigger's AR and advises the Receiver that it had factored Trigger AR totalling \$64,074,258 (the "**Factored AR**"), as at the date the Interim Receiver was appointed.
15. Mr. Gdak provided the Interim Receiver with an alternative AR listing totalling \$1,411,812 of which \$467,738 represents inventory held at customers on consignment. The actual amount owing from customers according to Mr. Gdak is therefore \$944,073. This AR was not included in the Factored AR. Mr. Gdak advised that all the Factored AR was fictitious, as the inventory detailed on these invoices had never been shipped to customers.
16. Trigger reported significant sales to Canadian Tire and Home Hardware. When Clearflow requested to Mr. Gdak that it be permitted to communicate directly with these customers to verify sales and outstanding AR, Mr. Gdak created fictitious email accounts for Canadian Tire and Home Hardware employees as follows:
 - matt.mcguire@cdntops.com;
 - c.shulist@hhdist.ca; and
 - r.egan@hhdist.ca.
17. The Interim Receiver located two laptop computers in Mr. Gdak and Mrs. Gdak's shared office that were logged into the email accounts for r.egan@hhdist.ca and matt.mcguire@cdntops.com. It would appear that Mr. Gdak and/or Mrs. Gdak were using these computers and email accounts to impersonate Canadian Tire and Home Hardware employees in order to respond to Clearflow inquiries and avoid detection of the fictitious activity.
18. In order to demonstrate that the fictitious AR was being collected, Trigger would write cheques from the Trigger Operating account in the amounts of fictitious AR invoices and would deposit those cheques into the Trigger Blocked Account.
19. In August 2020 Clearflow required that Trigger provide copies of customer cheques that were being deposited to the Blocked Account. Trigger thereafter printed fictitious blank cheque stock for Bank of Nova Scotia, Royal Bank of Canada and Canadian Imperial Bank of Commerce, on which fictitious customer payment details were printed. Copies of these cheques were then provided to Clearflow to correspond with the cheques drawn on the Trigger Operating Account that were being deposited to the Trigger Blocked Account.

Chief Firearms Office

20. In the Interim Receiver's Report the Interim Receiver advised that its discussions with the Chief Firearms Office ("**CFO**") revealed that Trigger had altered a letter from the CFO in respect of its inventory audit in December 2019 and that Trigger had created an entirely fictitious letter from the CFO in respect of a 2020 audit that never occurred.

Trigger Operations Summary

21. Mr. Gdak created an elaborate system to mislead Clearflow into believing that the Trigger business was much larger than it actually was in order to obtain financing far in excess of what would have been available based on Trigger's actual sales.

ACTIVIES OF THE RECEIVER

The BMO Overdraft

22. Trigger's banking facilities were with BMO. Beginning on July 31, 2020 Trigger began running an overdraft in the Trigger Operating Account such that by August 19, 2020 the overdraft had reached \$3,500,260.53 (the "**Overdraft**").
23. BMO does not have security over the assets, properties and undertaking of Trigger, nor does it have a registration against Trigger under the *Personal Property Security Act* (the "**PPSA**"). A copy of the Enquiry Response Certificate with a file currency of November 2, 2020, with respect to registrations made against Trigger under the PPSA is attached hereto as **Appendix "7"**.
24. In light of the foregoing, the Receiver made an enquiry with BMO as to the nature of any security held which would support an overdraft of this magnitude. BMO advised that it held no security and that the Overdraft was unauthorized. BMO further advised that it had requested that the Overdraft be repaid immediately, but did not take action against Trigger since Mr. Gdak provided copies of email correspondence between Trigger and Clearflow indicating that funding was imminently being provided by Clearflow. BMO provided this correspondence to the Receiver.
25. The Receiver reviewed this correspondence with Clearflow, who advised that the email communications were from email accounts that were similar to actual

Clearflow accounts, but were in fact fictitious. The email correspondence was from SandyK@clearflowfinanceinc.com. The real email address of the Clearflow employee being impersonated is SandyK@clearflowfinance.com. Additionally, the contact phone number provided to BMO was 647-284-2622. Clearflow has advised that this phone number is incorrect. The Receiver called this number and it is no longer in service. Copies of this email correspondence is attached hereto as **Appendix “8”**.

26. It appears that the fictitious email accounts were created to convince BMO that Clearflow was providing funding to clear the Overdraft. The correspondence provided to BMO seems to have provided comfort to BMO that the overdraft was a result of a funding delay from Clearflow.
27. Trigger advised Clearflow that this funding was needed to complete the prepayment of inventory. Clearflow advises that it was unaware that Trigger was in overdraft with BMO.
28. Clearflow provided funding in the amount of \$4,068,155 on August 20, 2020, which funds were deployed to clear the Overdraft with BMO. By August 24, 2020, Trigger was again in overdraft with BMO by \$3,319,383.93 (the “**Second Overdraft**”), after which Clearflow provided additional funding of \$4,000,000 between August 24 and 25, 2020, which funds were deployed to clear the Second Overdraft with BMO.

THE PERSONAL PROPERTY ASSETS

29. Since being appointed, the Receiver has undertaken a review of Trigger’s bank accounts, having regard to the allegations set out in the Clearflow Affidavits. The Receiver’s review of various transactions from Trigger’s bank account has uncovered payments to purchase numerous personal property assets. The Receiver was able to contact the various sellers of each of these assets and has learned that each asset was sold to and/or registered in the name of Mr. Gdak or Mrs. Gdak. The following is a listing of these assets:
 - a) 2018 Sea Ray SLX400 (the “**Sea Ray**”);
 - b) 2018 Scarab 255 Impulse boat with 2018 Karavan 255 trailer (the “**Scarab**”);
 - c) Two 2018 Can Am Outlander 850 XMR all terrain vehicles (the “**ATVs**”);

- d) Two 2018 Sea Doo GTI SE155 personal watercraft with 2018 Sea Doo Move II trailer (the “**Sea Doos**”);
- e) 2019 CTC 7X9 Black and Red Trailer (the “**Trailer**”);
- f) 2017 Land Rover Range Rover Sport (the “**Range Rover**”); and
- g) Rolex Diamond Dial Watch, Rolex Datejust Diamond Watch, Breitling Watch, Omega Watch, and a ladies 18 Karat Paladium Diamond Necklace (collectively, the “**Jewelry**”);

(all collectively herein referred to as the “**Personal Property Assets**”).

30. The Receiver conducted an examination of Mrs. Gdak on November 16, 2020, in accordance with paragraph 8 of the Receivership Order, at which time counsel for the Receiver questioned Mrs. Gdak about, *inter alia*, the purchase of certain of the Personal Property Assets (the “**Examination**”). A copy of the transcript of the Examination (the “**Examination Transcript**”) is attached hereto at **Appendix “9”**. A number of undertakings were provided at the Examination. On February 5, 2021, Benjamin Blay, a partner with Cohen Highley LLP, counsel to Mrs. Gdak, sent an email to Borden Ladner Gervais LLP (“**BLG**”), counsel to the Receiver, attaching a letter and various documents, providing various answers to the undertakings. A copy of Mr. Blay’s correspondence of February 5, 2021, together with the documents provided, is attached hereto as **Appendix “10”**.

The Sea Ray

31. On or about November 10, 2020 the Receiver learned that Mr. Gdak or Mrs. Gdak owned the Sea Ray, which was stored at Pride Marine Group Limited (“**Pride Marine**”) in Orillia, Ontario and that Mr. Gdak may have been attempting to sell the Sea Ray. The Receiver therefore contacted Pride Marine and advised them of the Mareva provisions included in both the Interim Receivership Order and the Receivership Order and advised that the Sea Ray was not to be sold without Court authorization.
32. Pride Marine confirmed that they were in possession of the Sea Ray, that there were interested purchasers, and that Mr. Gdak was in the process of negotiating the sale of the Sea Ray. Pride Marine however advised that they would not complete a sale without the Receiver’s authorization.

33. On January 8, 2021, Pride Marine contacted the Receiver and advised that Mr. Gdak had advised that his legal issues were about to be resolved and that he wished to complete the sale of the Sea Ray. The Receiver advised that this was not accurate and that the Sea Ray could still not be sold.
34. During the Examination, Mrs. Gdak advised that the Sea Ray was registered in her name (question 237 of the Examination Transcript) and had been purchased using funds from her and Mr. Gdak's personal bank account and investments (see questions 236 and 247 of the Examination Transcript).
35. The Receiver asked Pride Marine to provide a copy of the original bill of sale for when the Sea Ray was purchased (the "**Sea Ray Marine Purchase Contract**") which confirms that, contrary to the statement made by Mrs. Gdak during the Examination, the purchaser was Mr. Gdak. The Sea Ray Marine Purchase Contract was also provided by Mr. Blay, as an attachment to his correspondence to BLG of February 5, 2021, as noted above. Pride Marine also provided the Sea Ray registration showing the Sea Ray is registered to Mr. Gdak (the "**Sea Ray Registration**"). The payment schedule provided by Pride Marine (the "**Sea Ray Payment Schedule**") details that the purchase price of \$797,094.75 was paid as follows:
 - a) January 26, 2019 - \$5,000.00 (AMEX);
 - b) March 26, 2019 – 250,000.00 (transfer);
 - c) March 28, 2019 – 250,000.00 (transfer); and
 - d) March 29, 2019 – 292,094.75 (transfer).
36. The Receiver reviewed the Trigger Operating Account details and noted that transfers were made in these exact amounts on March 26, 28 and 29, 2019 to a bank account which Pride Marine has confirmed is their account number.
37. Just prior to each payment to Pride Marine, there is a transfer from the Clearflow Funding Account. The Receiver has reviewed the Clearflow Funding Account details and notes that funds were advanced from Clearflow just prior to the transfers being made from the Clearflow Funding Account to the Trigger Operating Account.
38. The flow of funds was therefore as follows:
 - a) Clearflow to Clearflow Funding Account;
 - b) Clearflow Funding Account to Trigger Operating Account; and
 - c) Trigger Operating Account to Pride Marine.

39. Copies of the Sea Ray Marine Purchase Contract, the Sea Ray Registration, the Sea Ray Payment Schedule, the Trigger Operating Account details and the Clearflow Funding Account details are attached hereto together as **Appendix “11”**.
40. While Mrs. Gdak advised during the Examination that the Sea Ray was purchased with funds from Mr. Gdak and Mrs. Gdak’s personal bank account or investments, it is clear that payment for the Sea Ray came from Trigger’s bank account, using funds obtained from Clearflow.

Sale of the Sea Ray

41. On February 8, 2021, Mr. Justice Hainey issued a consent Endorsement (the **“Sea Ray Endorsement”**) authorizing the Receiver to market the Sea Ray for sale and enter into any agreements for a sale of the Sea Ray, but that any sale of the Sea Ray would be subject to Court approval. A copy of the Sea Ray Endorsement is attached hereto as **Appendix “12”**.
42. Pride Marine advises that Mr. Gdak signed a listing agreement for the Sea Ray on October 23, 2020 (the **“Sea Ray Listing Agreement”**). Pride Marine also advises that it has been approached by four different purchasers for the Sea Ray and has identified Scott R. Boldt as the purchaser with the highest offer (the **“Sea Ray Purchaser”**).
43. In accordance with the Sea Ray Endorsement, the Receiver has negotiated a proposed transaction and a form of agreement of purchase and sale with the Sea Ray Purchaser, for a price that appears reasonable to both Pride Marine and the Receiver (the **“Sea Ray APS”**). The Sea Ray APS is subject to Court approval. A copy of the Sea Ray APS, along with a schedule detailing the original purchase price, the listing price and all offers received by Pride Marine are provided in **Confidential Appendix “1”**. A copy of the Sea Ray APS which has been redacted to remove certain sensitive information is attached as **Appendix “13”**.
44. If the Court authorizes the Receiver to complete the sale of the Sea Ray, the Receiver proposes to complete the sale to the Sea Ray Purchaser in accordance with the Sea Ray APS (the **“Sea Ray Transaction”**).
45. Pride Marine has exposed the Sea Ray to the market and the proposed purchase price is reasonable given the original purchase price of the Sea Ray and the other offers obtained by Pride Marine.

46. Given the foregoing, the Receiver respectfully requests that this Court issue an order authorizing and directing the Receiver to complete the Sea Ray Transaction and vesting the Debtors', Mrs. Gdak's and Mr. Gdak's right, title and interest in and to the Sea Ray in the Sea Ray Purchaser, free and clear of all claims and encumbrances.
47. Upon completion of the sale, the Receiver intends to pay to Pride Marine the 10% selling commission, as specified in the Sea Ray Listing Agreement.

The Scarab

48. The Receiver became aware of the Scarab which is located in the garage of the property located at Saugeen Beach Road (as defined below).
49. In the Examination, Mrs. Gdak advised that the Scarab had been purchased from Team Vincent in 2017 and that the Scarab may be registered in her name. She also advised that the Scarab was purchased using funds from her and Mr. Gdak's personal bank account (see questions 256 to 262 of the Examination Transcript).
50. The Receiver located a bank draft payable to Team Vincent in the amount of \$95,264.00 dated August 2, 2018 (the "**Scarab Bank Draft**") paid from the Trigger Operating Account.
51. Immediately prior to this payment, \$300,000 was transferred from the Clearflow Funding Account to the Trigger Operating Account, and immediately prior to this transfer, Clearflow transferred \$276,262.14 to the Clearflow Funding Account.
52. The Receiver contacted Team Vincent and obtained a copy of the invoice for the Scarab, which is dated July 31, 2018 and shows Mr. Gdak as the purchaser (the "**Scarab Invoice**").
53. Copies of the Scarab Invoice, the Scarab Bank Draft, along with the transfer details from the Trigger Operating Account and the Clearflow Funding Account are attached hereto as **Appendix "14"**.
54. While Mrs. Gdak advised during the Examination that the Scarab was purchased with funds from Mr. Gdak and Mrs. Gdak's personal bank account, it is clear that payment for the Scarab came from Trigger's bank account using funds obtained from Clearflow.

The ATVs

55. The Receiver became aware of the ATVs which were located in the garage of Saugeen Beach Road.
56. The Receiver located a cheque payable to Team Vincent in the amount of \$32,336.07 dated October 26, 2018 (the “**ATVs Cheque**”) which cleared Trigger’s Operating Account on October 30, 2018.
57. Immediately prior to this payment, Clearflow transferred \$161,063.87 to the Clearflow Funding Account, from which \$175,396.25 was transferred to the Trigger Operating Account. Without this funding from Clearflow, there would have been insufficient funds in the Trigger Operating Account for the ATV Cheque to clear.
58. The Receiver contacted Team Vincent and obtained a copy of the invoice for the ATVs which is dated October 22, 2018 and shows Mr. Gdak as the purchaser (the “**ATVs Invoice**”).
59. Copies of the ATVs Invoice, ATVs Cheque along with the transfer details from the Trigger Operating Account and the Clearflow Funding Account are attached hereto as **Appendix “15”**.
60. It is clear that payment for the ATVs came from Trigger’s bank account using funds obtained from Clearflow.

The Sea Doos

61. During the Receiver’s discussions with Team Vincent, the Receiver became aware that Mr. Gdak had also purchased the Sea Doos. The Receiver does not know the current location of the Sea Doos. Team Vincent provided the Receiver with a copy of the invoice for the Sea Doos, which is dated May 2, 2018 in the amount of \$34,897.77 and shows Mr. Gdak as the purchaser (the “**Sea Doos Invoice**”).
62. During the Examination, Mrs. Gdak advised that other than the Sea Ray, the Scarab, the Range Rover and the ATVs, she and Mr. Gdak did not own any other vehicles (see paragraphs 280 and 281 of the Examination Transcript).
63. The Receiver reviewed Trigger’s bank account transactions and located a bank draft payable to Team Vincent in the amount of \$33,897.77 dated May 16, 2018 (the “**Sea Doos Bank Draft**”) paid directly from the Clearflow Funding Account.

The amount of the Sea Doo Bank Draft is \$1,000.00 less than the amount of the Sea Doo Invoices, which likely represents a deposit.

64. Copies of the Sea Doos Invoice, Sea Doos Bank Draft along with the bank account details for the Clearflow Funding Account are attached hereto as **Appendix “16”**.
65. It is clear that payment for the Sea Doos came from Trigger’s bank account using funds obtained from Clearflow.

The Trailer

66. Upon taking possession of the Premises, the Receiver noticed the Trailer in the parking lot. The Receiver asked Mr. Gdak if the Trailer was an asset of Trigger, to which Mr. Gdak replied that it was. The Receiver therefore took possession of the Trailer and made arrangements for its sale through a liquidator.
67. The liquidator subsequently learned that the Trailer was in fact registered to Mr. Gdak. Therefore, the Receiver made arrangements for Mr. Gdak to retrieve the Trailer.
68. The Receiver’s subsequent review of Trigger’s bank account transactions located two transfers to Troy’s Toys in the amounts of \$2,500.00 and \$9,413.59 on December 17, 2018 and January 28, 2019, respectively, from the Clearflow Funding Account totalling \$11,913.59 (the **“Trailer Payments”**).
69. The Receiver obtained a Used Vehicle Information Package from Service Ontario which states that the Trailer was registered to Mr. Gdak on January 25, 2019 (the **“UVIP”**).
70. The Receiver conducted an internet search on Troy’s Toys and located the website for this trailer dealer. The accounting department at Troy’s Toys provided the Receiver with a copy of the invoice for the Trailer dated January 26, 2019 in the amount of \$11,913.59 (the **“Trailer Invoice”**) and confirmed that payment was received as detailed above.
71. Copies of the Trailer Invoice, the UVIP and the Trailer Payments are attached hereto as **Appendix “17”**.
72. It is clear that payment for the Trailer came from Trigger’s bank account using funds obtained from Clearflow.

The Range Rover

73. The Receiver was aware that Mrs. Gdak drives the Range Rover.
74. During the Receiver's review of Trigger's bank account transactions, the Receiver located a bank draft payable to Landrover Waterloo in the amount of \$127,000.00 dated November 22, 2017 (the "**Range Rover Bank Draft**") paid directly from the Clearflow Funding Account.
75. The Receiver contacted Landrover Waterloo and obtained a copy of the invoice for the Range Rover which is dated November 21, 2017 and is in the amount of \$127,000.00 and shows Trigger as the purchaser (the "**Range Rover Invoice**").
76. The Receiver conducted a registration search with the Ontario Ministry of Transportation, which revealed that despite the Range Rover being purchased by Trigger and paid for by Trigger, the Range Rover is registered to Mrs. Gdak (the "**Range Rover Registration**").
77. Copies of the Range Rover Bank Draft, the Range Rover Invoice along with the bank account details for the Clearflow Funding Account are attached hereto as **Appendix "18"**.
78. It is clear that payment for the Range Rover came from Trigger's bank account using funds obtained from Clearflow.

The Jewelry

79. During the Receiver's review of Trigger's bank account transactions the Receiver located the following bank drafts payable to Raffi Jewelers:
 - a) \$54,240.00 dated December 27, 2017;
 - b) \$32,770.00 dated January 1, 2018;
 - c) \$7,684.00 dated January 9, 2018;
 - d) \$18,645.00 dated February 2, 2018; and
 - e) \$25,850.00 dated November 1, 2018(collectively, the "**Jewelry Bank Drafts**"). The Jewelry Bank Drafts identified in items a) through d) above were all drawn on the Clearflow Funding Account. The bank draft identified in item e) above was drawn on the Trigger Operating Account.
80. The Receiver contacted Raffi Jewelers and obtained copies of the invoices (the "**Jewelry Invoices**") for the Jewelry related to each of the Jewelry Bank Drafts.

Each of the Jewelry Invoices disclose Mr. Gdak and Mrs. Gdak as the purchasers.

81. The significant items detailed on each of the Jewelry Invoices, respectively, are described as:
 - a) Rolex Watch Diamond Dial Watch - \$54,240.00;
 - b) Breitling Watch - \$32,770.00;
 - c) Omega Watch - \$7,684.00;
 - d) Ladies 18 Karat Paladium Diamond Necklace - \$18,645.00; and
 - e) Rolex Datejust Diamount Dial Watch - \$25,850.00.
82. The Receiver has asked counsel for Mr. and Mrs. Gdak to confirm that Mr. and Mrs. Gdak remain in possession of the Jewelry and are aware the Jewelry may not be sold due to the Mareva provisions in the Receivership Order. Counsel has replied acknowledging the Mareva provisions but has not confirmed that Mr. and Mrs. Gdak remain in possession of the jewelry. A copy of the BLG email dated January 31, 2021 and the response from counsel to Mr. Gdak on February 1, 2021 is attached hereto as **Appendix "19"**.
83. Copies of the Jewelry Bank Drafts, the Jewelry Invoices along with the bank account details for the Clearflow Funding Account are attached hereto as **Appendix "20"**.
84. It is clear that payment for the Jewelry came from Trigger's bank account using funds obtained from Clearflow.

Personal Property Assets Conclusion

85. The Receiver's investigation into the purchase of the Personal Property Assets revealed that while the registered owner of the Personal Property Assets is either Mr. Gdak or Mrs. Gdak, all of the funds used to purchase the Personal Property Assets came from the Trigger bank accounts using funds advanced by Clearflow.
86. The Receiver requests that the Court declare that the Personal Property Assets are property of Trigger free and clear of any interests or claims of the other Respondents; are Transfers at Undervalue in accordance with the BIA and void as against the Receiver; or alternatively, are held by Mr. Gdak and Mrs. Gdak, as applicable, in a constructive trust for the sole benefit of Trigger.

87. The Receiver requests that the Court authorize the Receiver to sell the Personal Property Assets (subject to the provisions of the Appointment Order), free of any claims by Mr. Gdak and Mrs. Gdak and declare that the proceeds from the sale of the Personal Property Assets are the property of Trigger.

THE REAL PROPERTY ASSETS

88. The Receivership Order appointed GTL as Receiver over the Property, as defined in the Receivership Order. Property was defined to include the following real property, owned by Mrs. Gdak or Jaimak, as noted on Schedule A to the Receivership Order:
- a) 250 Lions Court, Waterloo, Ontario (“**Lions Court**”);
 - b) Baker Road, located at 52 Baker Road, Waterloo, Ontario;
 - c) Colby Drive, located at 652 Colby Drive, Waterloo, Ontario;
 - d) Old Post Road, located at 265 Old Post Road, Waterloo, Ontario; and
 - e) Saugeen Beach Road, located at 157 Saugeen Beach Rd., Port Elgin, Ontario
- (collectively, referred to as the “**Real Property Assets**”).
89. The Receivership Order also authorized the Receiver to sell the Property (as defined in the Receivership Order), subject to certain sale limits, as provided for in the Receivership Order.

Baker Road

90. Baker Road was registered in the name of Mrs. Gdak and was subject to a sale agreement when the Receiver was appointed, as detailed in the First Report.
91. The Receiver completed the sale of Baker Road, as directed by the Baker Road Approval and Vesting Order. The sale was completed on December 14, 2020, with adjusted sale proceeds of \$580,141.18 being paid to the Receiver. A copy of the Statement of Adjustments is attached hereto as **Appendix “21”**.
92. During the Examination, Mrs. Gdak stated that she assumes that the funds used to purchase Baker Road came from her and Mr. Gdak’s investments.
93. The Receiver’s review of Trigger’s banking records revealed that Clearflow advanced \$508,020.89 to the Clearflow Funding Account on October 31, 2019. On November 1, 2019 Trigger transferred \$700,000 from the Clearflow Funding

Account to the Trigger Operating Account, from which it issued a bank draft payable to Kelly & Co. dated November 1, 2019 in the amount of \$448,750.00 (the “**Baker Road Bank Draft**”). Without the transfer from the Clearflow Funding Account there would not have been sufficient funds in the Trigger Operating Account to draw the Baker Road Bank Draft.

94. Brian Kelly of Kelly & Co (“**Kelly & Co.**”) appears to have acted for Mrs. Gdak and registered the transfer. The Receiver requested that Kelly & Co. provide its trust ledger (the “**Baker Road Trust Ledger**”) showing the receipt and disposition of the funds received from Trigger. Kelly & Co. has provided a copy of the Baker Road Trust Ledger showing that the funds advanced by Trigger were used to complete the purchase of Baker Road.
95. Copies of the Baker Road Bank Draft, the Baker Road Trust Ledger as well as the Clearflow Funding Account and the Trigger Operating Account statements showing the flow of funds are attached hereto as **Appendix “22”**.
96. Contrary to Mrs. Gdak’s assumption that the funds used to purchase Baker Road came from her and Mr. Gdak’s investments, it is clear that Trigger funds were used to purchase Baker Road, using funding obtained from Clearflow.

Lions Court

97. Lions Court is the matrimonial home of Mr. Gdak and Mrs. Gdak. The Receiver obtained a copy of the Parcel Register from the Ontario Land Registry Office (the “**Parcel Register**”) on February 10, 2021, which confirms that Mr. Gdak and Mrs. Gdak acquired Lions Court on December 16, 2005. A copy of the Parcel Register is attached hereto as **Appendix “23”**.
98. The Parcel Register discloses that Lions Court was the subject of a transfer from Mr. Gdak to Mrs. Gdak on July 2, 2019, for natural love and affection. A copy of the Transfer dated July 2, 2019 is attached hereto as **Appendix “24”**.
99. The Receiver’s review of Trigger’s banking records revealed that Clearflow advanced \$578,369.25 to the Clearflow Funding Account on March 21, 2018. On the same day Trigger obtained a bank draft payable to Kelly & Co. in the amount of \$136,320.00 (the “**Lions Court Bank Draft**”). Without funding from Clearflow, there would not have been sufficient funds the Clearflow Funding Account to draw the Lions Court Bank Draft.

100. The Receiver requested that Kelly & Co. provide its trust ledger (the “**Lions Court Trust Ledger**”) showing the receipt and disposition of the funds received from Trigger. Kelly & Co. has provided a copy of the Lions Court Trust Ledger showing that the funds advanced by Trigger were used to repay a mortgage on Lions Court held by Pedro Cuesta (the “**Cuesta Mortgage**”). Kelly & Co. provided the Receiver with a copy of the mortgage discharge statement in respect of the Cuesta Mortgage (the “**Cuesta Mortgage Discharge Statement**”).
101. Copies of the Lions Court Bank Draft, the Cuesta Mortgage Discharge Statement as well as the Clearflow Funding Account statement showing the flow of funds are attached hereto as **Appendix “25”**. The Receiver continues to investigate this matter and the activities preceding the Receiver’s appointment with respect to Lions Court.

Sale of Lions Court

102. The Receiver obtained an appraisal on Lions Court from a local realtor (the “**Lions Court Appraisal**”), as well as an email from BMO advising of the current mortgage balance (the “**Lions Court Mortgage Statement**”). There appears to be significant equity in Lions Court. A calculation of the equity, along with the Lions Court Appraisal and Lions Court Mortgage Statement, are attached hereto in **Confidential Appendix “2”**.
103. The Receiver was previously advised that Clearflow, Mr. Gdak and Mrs. Gdak are in settlement discussions. As a result, an agreement was reached whereby the following was agreed to, to facilitate the settlement discussions:
- “Counsel for ClearFlow, each of the Respondents in these proceedings and the Receiver agree that no steps will be taken in connection with the marketing or sale of the matrimonial home at 250 Lions Court, Waterloo, Ontario until the earlier of the discontinuation of settlement discussions or March 17, 2021.”
- (the “**Lions Court Agreement**”).
104. The Receiver has not been advised that settlement discussions have been discontinued, therefore the Receiver has not taken any steps in connection with the marketing and sale of Lions Court.
105. The Receivership Order authorizes the Receiver to market the Property for sale, which includes Lions Court. The Receiver therefore requests that the Court

authorize the Receiver to list Lions Court for sale, subsequent to March 17, 2021, in accordance with Lions Court Agreement.

106. The Receiver has received notice of a lien registration against Lions Court. The Receiver continues to investigate the validity of this lien and will report thereon in a subsequent report to the Court.

Colby Drive

107. The Receiver obtained a copy of the Transfer for Colby Drive from the Ontario Land Registry Office, which confirms that Colby Drive was transferred to Jaimak on June 30, 2020 and that the reported transaction price was \$2,695,000 (the **“Colby Drive Transfer”**).
108. The Receiver obtained a Corporate Profile Report for Jaimak, which discloses that Mrs. Gdak is the sole officer and director of Jaimak (the **“Jaimak Corporate Profile”**). A copy of the Jaimak Corporate Profile is attached hereto as **Appendix “26”**.
109. During the Examination, Mrs. Gdak stated that she believes that Jaimak obtained a loan from Trigger to purchase Colby Drive (the **“Jaimak Loan”**), however Mr. Gdak was responsible for all the paperwork related to the purchase. Mrs. Gdak undertook to make best efforts to obtain the documentation related to the Jaimak Loan (see questions 160 to 164 of the Examination Transcript).
110. As noted above, on February 5, 2021, counsel for Mrs. Gdak provided the Receiver with responses to the undertakings (see Appendix “10”) from the Examination, which included:
 - a) an undated loan agreement between Trigger and Jaimak for \$3,000,000; and
 - b) a lease agreement between Trigger and Jaimak effective July 2, 2020.
111. The Receiver has reviewed Trigger’s electronic accounting records and has found no evidence of the Jaimak Loan.
112. The Receiver’s investigation into the purchase of Colby Drive revealed that Clearflow advanced \$5,850,000 to the Clearflow Funding Account on June 30, 2020. On the same day, Trigger transferred \$5,750,000 from the Clearflow Funding Account to the Trigger Operating Account from which it issued a bank draft payable to Kelly & Co. dated June 30, 2020 in the amount of \$2,620,000

(the “**Colby Drive Bank Draft**”). Without the advance from Clearflow, there would have been insufficient funds in Trigger’s bank accounts to fund the purchase of Colby Drive.

113. Brian Kelly of Kelly & Co appears to have acted for Jaimak and registered the transfer. As noted above, the Receiver requested that Kelly & Co. provide its trust ledger (the “**Colby Drive Trust Ledger**”) showing the receipt and disposition of the funds received from Trigger. Kelly & Co. has provided a copy of the Colby Drive Trust Ledger showing that the funds advanced by Trigger were used to complete the purchase of Colby Drive.
114. Copies of the Colby Drive Bank Draft, the Colby Drive Trust Ledger, as well as the Clearflow Funding Account and the Trigger Operating Account statements showing the flow of funds are attached hereto as **Appendix “27”**.
115. It is clear that Trigger funds were used to purchase Colby Drive, using funding obtained from Clearflow.
116. The Receiver has received notice of a lien registration against Colby Drive. The Receiver continues to investigate the validity of this lien and will report thereon in a subsequent report to the Court.

Sale of Colby Drive

117. The Receiver has obtained an appraisal of Colby Drive (the “**Colby Drive Appraisal**”).
118. The Receiver also obtained listing proposals from four reputable commercial realtors. Three of the realtors provided suggested listing prices based on comparable sales, however one realtor provided the highest suggested listing price, but it was not supported by comparable sales. The Receiver has therefore disregarded the unsupported proposal.
119. Colliers International (“**Colliers**”) advised they have an interested purchaser who wished to perform a roof inspection on Colby Drive. The Receiver permitted the inspection to occur, after which Colliers provided the Receiver with a copy of the inspection report and authorized the Receiver to share this report with any other prospective purchasers. Colliers is aware that the Receiver is not currently marketing Colby Drive for sale, however their prospective purchaser submitted an offer to the Receiver to indicate their interest in the property.

120. The Receiver believes that Colliers provided a reasonable proposal, has saved the Receiver time and funds in providing the roof inspection report free of charge, and have a serious prospective purchaser. Therefore, the Receiver proposes to enter into a listing agreement with Colliers.
121. Attached hereto as **Confidential Appendix “3”** is the Colby Drive Appraisal together with a summary of the appraised value, the material terms of each listing proposal, their suggested listing prices, estimated selling price, and the Receiver's proposed listing price.

Old Post Road

122. During the Examination, Mrs. Gdak advised that she purchased Old Post Road using funds from her and Mr. Gdak's personal bank account. However, she did not know where the funds came from before they were deposited in their personal bank account (see questions 82 and 83 of the Examination Transcript).
123. The Receiver has obtained a copy of the Parcel Register from the Ontario Land Registry Office for Old Post Road which discloses that Old Post Road was transferred to Mrs. Gdak on September 21, 2018 for \$437,500 (the “**Old Post Road Register**”).
124. The Receiver's investigation into the purchase of Old Post Road revealed that Clearflow advanced \$774,555.72 to the Clearflow Funding Account on September 21, 2018. On the same day, Trigger transferred \$800,000.00 to the Trigger Operating Account, from which Trigger then issued a bank draft payable to Kelly & Co. dated September 21, 2018 in the amount of \$421,350.00. Without the advance from Clearflow, there would have been insufficient funds in Trigger's bank accounts to fund the purchase of Old Post Road.
125. Brian Kelly of Kelly & Co appears to have acted for Mrs. Gdak and registered the transfer. The Receiver requested that Kelly & Co provide its trust ledger (the “**Old Post Road Trust Ledger**”) showing the receipt and disposition of the funds received from Trigger. Kelly & Co has provided a copy of the Old Post Road Trust Ledger showing that the funds advanced by Trigger were used to complete the purchase of Old Post Road.

126. Copies of the Old Post Road Bank Draft, the Old Post Road Trust Ledger, as well as the Clearflow Funding Account and the Trigger Operating Account statements showing the flow of funds are attached hereto as **Appendix “28”**.
127. Contrary to Mrs. Gdak’s statement that Old Post Road was purchased with funds from her and Mr. Gdak’s personal bank account, it is clear that Trigger funds were used to purchase Old Post Road using funding obtained from Clearflow.
128. The Receiver has received notice of a lien registration against Old Post Road. The Receiver continues to investigate the validity of this lien and will report thereon in a subsequent report to Court.

Sale of Old Post Road

129. The Receiver understands that Old Post Road is currently occupied by Mrs. Gdak’s parents, William and Kathryn Clayton (the “**Claytons**”). In the Interim Receiver’s Report, the Interim Receiver reported that Mr. Gdak had advised Clearflow that Mrs. Gdak’s mother had passed away. During the Examination, Mrs. Gdak advised that the Claytons are both currently occupying Old Post Road.
130. Shortly after the Receiver’s appointment, Mr. Gdak advised the Receiver that there was a sale agreement for Old Post Road (the “**Clayton Sale Agreement**”). Despite the Receiver’s repeated requests to be provided with the Clayton Sale Agreement, Mr. Gdak did not provide a copy Clayton Sale Agreement until November 10, 2020.
131. In addition to the Old Post Road Sale Agreement, Mr. Gdak’s provided the Receiver with a Letter of Intent from the Claytons dated August 5, 2020 (the “**Clayton LOI**”) and a License Agreement with the Claytons dated April 18, 2020 (the “**Clayton License Agreement**”), with respect to the occupancy by the Claytons at Old Post Road.
132. The Clayton LOI simply states that the Claytons wish to purchase the Old Post Road, however, no sale price is stated therein.
133. The Clayton Sale Agreement states that the Claytons are permitted to occupy Old Post Road and are only responsible for payment of utilities, property taxes and condominium fees. No rent is payable under the Clayton License Agreement. There is also a requirement that Mrs. Gdak must give 180 days notice of cancellation of the Clayton License Agreement.

134. The Clayton Sale Agreement is dated September 1, 2020. The purchaser is not identified, however the agreement appears to be signed by the Claytons and Mrs. Gdak. A deposit of \$10,000.00 was required to be paid to Kelly & Co. However, the name of Kelly & Co. has been stricken out and no replacement has been named. The Receiver is not aware of any deposit having been paid by the Claytons.
135. The Receiver has obtained an appraisal of Old Post Road (the “**Old Post Road Appraisal**”) which values Old Post Road at a much higher price than the price set in the Clayton Sale Agreement.
136. The Receiver does not believe that the consideration provided for in the Clayton Sale Agreement is adequate or commercially reasonable. Accordingly, the Receiver is seeking relief from the Court that the Receiver be free to market and sell Old Post Road, free and clear of any existing agreements or license agreements, such as the Clayton Sale Agreement and the Clayton License Agreement.
137. On February 5, 2021, counsel for Mrs. Gdak provided the Receiver with an email from Jim Clayton to Mr. Gdak advising that the Claytons would be vacating Old Post Road by July 31, 2021. A copy of this email is attached hereto as **Appendix “29”**.
138. The Receiver contacted numerous realtors about providing proposals to list Old Post Road for sale, however, several realtors declined to submit a proposal after reading about the Gdak’s activities in the Interim Receiver’s Report.
139. Three realtors provided listing proposals. The Receiver believes that RE/Max TwinCity provided a superior proposal. The Receiver proposes to list Old Post Road for sale with RE/Max TwinCity, free of clear of the Clayton Sale Agreement and the Clayton License Agreement, although the Receiver recommends that the closing of any sale occur after July 31, 2021 to allow the Claytons time to vacate Old Post Road.
140. Attached hereto as **Confidential Appendix “4”** is the Old Post Road Appraisal, Clayton Sale Agreement, and the Clayton License Agreement together with a summary of the appraised value, the material terms of each listing proposal, their suggested listing prices and the Receiver’s proposed listing price.

Saugeen Beach Road

141. In the Examination, Mrs. Gdak advised that she purchased Saugeen Beach Road using funds she thought came from her and Mr. Gdak's personal bank account (see questions 216 and 217 of the Examination Transcript).
142. The Receiver has obtained a copy of the Parcel Register from the Ontario Land Registry Office, which discloses that Saugeen Beach Road was transferred to Mrs. Gdak on April 12, 2018 for \$600,000.00 (the "**Saugeen Beach Road Register**").
143. The Receiver's investigation into the purchase of Saugeen Beach Road revealed that Clearflow advanced \$209,629.62, \$253,961.11 and \$223,389.38 to the Clearflow Funding Account on April 5, 10 and 11, 2018, respectively. On each of April 6, 10 and 11, 2018, Trigger transferred \$250,000.00 to a Trigger bank account at CIBC (the "**CIBC Account**") from which it issued a bank draft payable to Kelly & Co. dated April 11, 2018 in the amount of \$605,900.00. Without the advance from Clearflow, there would have been insufficient funds in Trigger's bank accounts to fund the purchase of Saugeen Beach Road.
144. Brian Kelly of Kelly & Co appears to have acted for Mrs. Gdak and registered the transfer. The Receiver requested that Kelly & Co provide its trust ledger (the "**Saugeen Beach Road Trust Ledger**") showing the receipt and disposition of the funds received from Trigger. Kelly & Co has provided a copy of the Saugeen Beach Road Trust Ledger showing that the funds advanced by Trigger were used to complete the purchase of Saugeen Beach Road.
145. Copies of the Saugeen Beach Road Bank Draft, the Saugeen Beach Road Trust Ledger, as well as the Clearflow Funding Account and the CIBC Account statements showing the flow of funds are attached hereto as **Appendix "30"**.
146. Contrary to Mrs. Gdak's statement that Saugeen Beach Road was purchased with funds from her and Mr. Gdak's personal bank account, it is clear that Trigger funds were used to purchase Saugeen Beach Road, using funding obtained from Clearflow.
147. The Receiver has received two notices of liens registered against Saugeen Beach Road. The Receiver continues to investigate the validity of these liens and will report thereon in a subsequent report to the Court.

Sale of Saugeen Beach Road

148. The Receiver has obtained an appraisal for Saugeen Beach Road (the “**Saugeen Beach Road Appraisal**”).
149. The Receiver contacted numerous realtors about providing proposals to list Saugeen Beach Road for sale and three realtors provided listing proposals.
150. The two best listing proposals contain similar terms, however RE/Max Land Exchange was very helpful to the Receiver in taking possession of Saugeen Beach Road and Baker Road. Therefore, the Receiver proposes to list Saugeen Beach Road for sale with RE/Max Land Exchange.
151. Attached hereto as **Confidential Appendix “5”** is the Saugeen Beach Road Appraisal together with a summary of the appraised value, the material terms of each listing proposal their suggested listing prices, and the Receiver’s proposed listing price.

Real Property Conclusion

152. The Receiver’s investigation into the purchase of Baker Road, Colby Drive, Old Post Road and Saugeen Beach Road (collectively, the “**Trigger Real Property**”) revealed that while each of the Trigger Real Property is registered to either Mrs. Gdak or Jaimak, all of the funds used to purchase the Trigger Real Property came from Trigger bank accounts, using funds advanced by Clearflow.
153. The Receiver requests that the Court declare that the Trigger Real Property are property of Trigger; are Transfers at Undervalue in accordance with the BIA and void as against the Receiver; or alternatively, are held by Mrs. Gdak and Jaimak, as applicable, pursuant to a constructive trust, for sole benefit of Trigger.
154. As canvassed above, the Receiver has now become aware of the existence of two parties claiming liens for work done to the Trigger Real Property.
155. By letter dated December 16, 2020, the Receiver was advised by counsel for Ace Lawn Care Services Inc. (“**Ace Lawn Care**”) that Ace Lawn Care had registered construction liens against each of Saugeen Beach Road, Old Post Road, Colby Drive and Lions Court.
156. By letter dated December 17, 2020, the Receiver was advised by counsel for J.B. Construction Inc. (“**J.B. Construction**”) that J.B. Construction had registered a construction lien against Saugeen Beach Road. By letters dated December 21,

2020, BLG responded to each of counsel for Ace Lawn Care and J.B. Construction, to advise that while the Receiver consents to a lifting of the stay of proceedings provided for in the Receivership Order, solely for the purpose of permitting each of Ace Lawn Care and J.B. Construction to perfect their lien claims. The Receiver did not consent to such parties taking any further steps without the consent of the Receiver or Order of the Court. The BLG correspondence of December 21, 2020 to counsel to each of Ace Lawn Care and J.B. Construction indicated that by providing the limited consent, the Receiver did not acknowledge the validity or quantum of any of the liens and that the Receiver reserved its rights and remedies to contest each of these liens, including without limitation, the validity and quantum of such liens. Attached hereto as **Appendix “31”** are copies of the letters dated December 16 and 17, 2020 from counsel to each of Ace Lawn Care and J.B. Construction, respectively, as well as the two letters dated December 21, 2020 delivered by BLG to counsel for each of Ace Lawn Care and J.B. Construction.

OTHER TRANSFERS

157. During the Receiver’s review of Trigger’s banking activity the Receiver identified the following three transactions whereby funds totalling \$130,000.00 appear to have been paid directly or indirectly to the Claytons:

01/13/2017	E-TRANSFER000000265619 JimClayton 4506*****671	3,000.00
01/16/2017	E-TRANSFER000000263261 JimClayton 4506*****671	2,000.00
06/30/2020	Bank Draft payable to Jim Clayton	125,000.00
		130,000.00

158. The Receiver continues to investigate these payments.

THE TRIGGER INVENTORY

159. In the Interim Receiver’s Report, the Interim Receiver advised that it took possession of all the Debtors’ assets located at 588 Colby Drive, Waterloo, Ontario (the “**Premises**”).
160. The Receiver obtained an inventory listing from Trigger’s electronic accounting records (“**Quickbooks**”) which disclosed Trigger’s inventory value at \$77,746,176.36.

161. Mr. Gdak previously advised the Receiver that Trigger did not properly maintain the inventory records in Quickbooks and provided the Receiver with an inventory schedule prepared in Excel which totalled \$1,999,058.22.
162. Mr. Gdak also advised the Receiver that there was a shipment of inventory arriving at Toronto Pearson Airport, for which Trigger had already paid (the **"Prepaid Inventory"**). In order to obtain delivery of this shipment, duties, taxes and shipping costs would need to be paid. These costs were estimated to be approximately \$74,800.39 (the **"Import Costs"**). The invoice price of the Prepaid Inventory was \$140,110.50 US Dollars. Therefore, it appeared reasonable to pay the Import Costs as the value of the Prepaid Inventory greatly exceeded the Import Costs.
163. The Receiver did not have the funds required to pay the Import Costs. After the Receiver explained the economics of this transaction to Clearflow, it agreed to provide the funding to the Receiver to pay the Import Costs and obtain possession of the Prepaid Inventory. After receiving funding from Clearflow, the Receiver paid the Import Costs and arranged for the Prepaid Inventory to be delivered to the Premises. Accordingly, to date, the Receiver has issued one Receiver's Certificate on October 26, 2020, in the amount of \$70,983.74 to Clearflow, pursuant to the Receivership Order.
164. Upon receipt of the Prepaid Inventory, the Receiver conducted an inventory count of the Prepaid Inventory to ensure that what was received matched what Trigger had paid to the supplier. The Receiver did not note any discrepancies.
165. Mr. Gdak advised that there were numerous other significant prepaid orders from other suppliers, however despite the Receiver's numerous requests for Mr. Gdak to provide details of the other prepaid orders, no further information has been provided by Mr. Gdak to the Receiver.
166. The Receiver made arrangements with the Chief Firearms Office to attend at the Premises to conduct a full inventory count of all restricted firearms. While certain discrepancies were initially noted, they were subsequently cleared.
167. The Receiver thereafter engaged an expert in firearms inventory counts to assist the Receiver in conducting a full inventory count of all non restricted firearms. The inventory listing provided by Mr. Gdak was updated to reflect the actual inventory at the Premises.

The Inventory Sales Process

168. The Receivership Order authorizes the Receiver to market for sale the Property, which includes inventory owned by Trigger (the “**Inventory**”). Therefore, the Receiver conducted a sales process to identify qualified purchasers for the inventory (the “**Sale Process**”).
169. The Receiver first requested that a liquidator provide a proposal to liquidate the inventory by selling it to Trigger’s existing customers. After reviewing the inventory and the customers list and consulting with former Trigger sale persons, the liquidator submitted a proposal which contemplated a three-month liquidation sale from the Premises and provided estimated gross and net proceeds from the sale.
170. After considering the proposal and consulting with Clearflow, the Receiver determined that it would not proceed with the proposal, as a better outcome could likely be obtained by selling the inventory en bloc. Clearflow supported the Receiver’s decision to reject the liquidator’s proposal.
171. The Receiver separated Trigger’s inventory into the following parcels (the “**Parcels**” and individually a “**Parcel**”):
 - a) ammunition;
 - b) archery;
 - c) handguns;
 - d) rifles;
 - e) surplus handguns and rifles;
 - f) parts; and
 - g) equipment.
172. The Receiver prepared a list of potential purchasers including:
 - a) parties who had participated in sale processes previously conducted by GTL in other receivership mandates;
 - b) parties that had contacted the Receiver to express an interest in the Inventory; and
 - c) the Debtors’ previous customers.
173. The Receiver prepared the following documents to support and advertise the Inventory and to advance the Sale Process:

- a) a notice of the Sale Process, which was published in the *National Post* on December 30, 2020 (the “**Notice of Sales Process**”);
- b) an introduction email highlighting the assets for sale, outlining the Sale Process and inviting recipients to express their interest in participating in the Sale Process (the “**Solicitation Email**”);
- c) an information memorandum (the “**Information Memorandum**”) describing the Inventory and the Sale Process in greater detail, which was made available to Prospective Bidders (as defined below);
- d) a form agreement of purchase and sale (the “**Template Sale Agreement**”); and
- e) an offer form (the “**Offer Form**”).

Copies of the Notice of Sale Process, the Solicitation Email, the Information Memorandum with the Offer Form and the Template Sale Agreement are attached hereto as **Appendix “32”**.

- 174. On December 22, 2020, the Receiver began contacting approximately 212 parties identified as potential purchasers, of which 105 requested a copy of the Information Memorandum (the “**Prospective Bidders**”).
- 175. The Sales Process allowed for Prospective Bidders to conduct due diligence over almost four weeks (the “**Due Diligence Period**”), with a deadline to submit offers on January 15, 2021 (the “**Offer Deadline**”).
- 176. The Receiver provided all Prospective Bidders with the opportunity to schedule a site visit to allow for the Prospective Bidders to tour the Premises and inspect the Inventory during the Due Diligence Period. Site visits were conducted by eleven Prospective Bidders.
- 177. The Receiver received twenty offers by the Offer Deadline. The Receiver allowed Prospective Bidders to submit offers for any single Parcel, or all Parcels. Offer submissions included the following:
 - a) seven offers for all of the Parcels;
 - b) twelve offers for a combination of Parcels; and
 - c) one offer to conduct a retail sale of the Parcels with on a commission basis;(collectively, the “**Offers**” and individually, an “**Offer**”). A summary of the Prospective Bidders and Offers are attached hereto as **Confidential Appendix “6”**.

178. The highest overall offer was for all of the Parcels made by Bullets & Broadheads Shooting Center Ltd. (the “**Inventory Purchaser**”). The Receiver contacted the Inventory Purchaser and requested to exclude certain Parcels, as there were other Prospective Bidders with higher offers on those Parcels. The Inventory Purchaser was however unwilling to allow the Receiver to remove any Parcels from their offer. The Receiver therefore negotiated an overall price increase with the Inventory Purchaser (the “**Purchase Price**”), which the Receiver believes is the highest price that can be obtained for the Inventory.
179. The Receiver and the Inventory Purchaser have entered into an Agreement of Purchase and Sale (the “**Inventory APS**”), which is subject to Court approval, a copy of which, redacted to remove the selling price, is attached hereto as **Appendix “33”**. An unredacted copy of the Sale Agreement is attached hereto as **Confidential Appendix “7”**. If the Court approves the proposed Inventory sale, the Receiver proposes to complete the sale to the Inventory Purchaser in accordance with the Inventory APS (the “**Inventory Transaction**”).
180. As part of its dealings with the Inventory Purchaser, the Receiver ascertained that the Inventory Purchaser currently owes the Debtors the aggregate amount of \$12,000 (the “**Inventory Purchaser AR**”). In connection with the Inventory Transaction as contemplated in the Inventory APS, the Inventory Purchaser requested that the Inventory Purchaser AR be released upon the completion of the Inventory Transaction in exchange for the Inventory Purchaser releasing and discharging the Receiver and the Debtors from any and all claims, demands or obligations which the Inventory Purchaser has or hereafter may have against the Receiver or the Debtors. On account of the value to be obtained from the Inventory Transaction, the Receiver has agreed to such release of the Inventory Purchaser AR.
181. The Sale Process conducted by the Receiver has been robust with an extensive reach to the primary industry players. The Purchase Price is substantially higher than any other bid received and the Inventory Transaction contemplates the sale of all of the Inventory and not only specific and isolated Parcels.
182. The Receiver has advised Clearflow, which is the Debtors’ primary secured creditor, of the Purchase Price and Clearflow supports the Inventory Transaction.
183. Given the foregoing, the Receiver respectfully requests that this Court issue an order approving the Inventory Transaction and authorizing and directing the

Receiver to complete the Inventory Transaction and vesting the Debtors' right, title and interest in and to the Inventory, in the Inventory Purchaser, free and clear of all claims and encumbrances.

ACCOUNTS RECEIVABLE COLLECTIONS

184. The Receiver obtained an accounts receivable ("**AR**") listing from Quickbooks which shows amounts owing to Trigger from customers totalling \$1,510,458.14.
185. Mr. Gdak advised the Receiver that Trigger did not maintain accurate accounting records in Quickbooks and that the AR in Quickbooks was not accurate.
186. The Receiver also obtained an AR listing from Clearflow totalling \$64,074,2258.69 (the "**Clearflow AR Listing**"), which Clearflow advised represented the accounts receivable that Clearflow had factored.
187. Mr. Gdak advised the Receiver that none of the AR on the Clearflow AR Listing were owing from customers.
188. Mr. Gdak provided the Receiver with an AR listing which was prepared in Excel showing \$1,411,812.20 owing from customers, of which \$467,738.44 was identified as being on consignment. Mr. Gdak advised that these were the only amounts owing from customers. It therefore appears that the actual amount owing from Trigger customers is \$944,073.76 from 196 customers (the "**Trigger AR**").
189. The Receiver obtained invoices in support of the Trigger AR from Quickbooks, sent letters to all customers signifying the AR balances and requiring that customers remit payment to the Receiver.
190. Clearflow offered to assist the Receiver in responding to responses from customers. Therefore, the Receiver directed the customers to contact Clearflow with any questions. While Clearflow was authorized by the Receiver to speak with customers, the Receiver retained all decision making authority.
191. Many customers have disputed the amount owing according to the Trigger AR for reasons including, invoices having already been paid and inventory being on consignment. The Receiver has investigated each dispute and has adjusted the Trigger AR where appropriate.

192. As of January 31, 2021, the Receiver has collected AR totalling \$274,294.71 and approximately \$669,779.05 remains outstanding. The Receiver's continues its efforts to collect these outstanding amounts.

ACTIVITIES OF THE RECEIVER

193. Since its appointment, the Receiver's activities have included matters not otherwise described in the First Report and the Second Report, including, but not limited to:
- a) Preparing the First Report and Second Report to Court;
 - b) Securing and insuring the Property, as defined in the Receivership Order;
 - c) Freezing bank accounts of the Debtors and reviewing the bank account activity;
 - d) Collecting the AR balance from customers;
 - e) Making arrangements with Ford Canada to sell two leased Ford-150 pickup trucks;
 - f) Selling a 2004 GMC T6500 truck VIN 1GDJ6F1394F507895 owned by Trigger for \$4,670 net of selling costs; and
 - g) Corresponding with the Chief Firearms Office on regulations relating to the firearms.

APPROVAL OF PROFESSIONAL FEES

194. The Receiver and its counsel have maintained detailed records of their professional fees.
195. Pursuant to paragraph 27 of the Receivership Order, the Receiver and its counsel shall be paid their reasonable fees and disbursements and a charge was granted on the Property (as defined in the Receivership Order), as security for such fees and disbursements.
196. The total fees and disbursements of the Receiver from November 1, 2020 to January 31, 2021 amount to \$336,008.87 inclusive of disbursements and HST and are more particularly described in the affidavit of Jacob Wiebe sworn February 12, 2021, a copy of which is attached hereto as **Appendix "34"**.
197. The total fees and disbursements of the Receiver's counsel, BLG, from November 1, 2020 to January 31, 2021 amount to \$229,791.31 inclusive of

disbursements and HST and are more particularly described in the affidavit of Christine Mason sworn February 4, 2021, a copy of which is attached hereto as **Appendix “35”**.

198. The Receiver believes that the fees described in the fee affidavits are fair and reasonable and respectfully requests that the Court approve same.

RECEIPTS AND DISBURSEMENTS OF THE RECEIVERSHIP

199. The interim statement of receipts and disbursements of the Interim Receiver and Receiver as at February 11, 2021 (the “**SRD**”, is attached hereto as **Appendix “36”**.

CONFIDENTIAL APPENDICES

200. The Receiver believes that the Confidential Appendices should remain sealed until further order of the Court, as the information contained therein is commercially sensitive and could prejudice the sale of the Sea Ray and the Inventory. In the absence of a sealing order, potential purchasers would have access to information obtained by the Receiver, which may impact the price that interested purchasers are willing to offer for the Sea Ray and the Inventory, should a transaction not close. Further, certain information is of a personal nature, which in the Receiver’s view, should not be disclosed.
201. The Receiver does not believe that any party will suffer prejudice if the information in Confidential Appendices are sealed in this manner.

SUMMARY AND RECOMMENDATION

202. Based on the foregoing, the Receiver respectfully requests that this Honourable Court grant the Orders sought, in respect of the relief set out in paragraph 11 of this Second Report.

All of which is respectfully submitted.

AFFIDAVIT OF MARTIN NICHOLAS REES

I, Martin Nicholas Rees, of the City of Port Colborne, in the Province of Ontario, MAKE
OATH AND SAY:

1. I am a shareholder and employee of the Applicant (“**Clearflow**”) in this proceeding, and as such, have knowledge of the following matters, either through my direct knowledge or by informing myself in respect thereof, in which case I indicate the source of my information and belief.

-2-

INTRODUCTION

The Parties

2. Clearflow is a federally-incorporated Canadian company that has been in business for the past five years of providing financing to medium-sized businesses in Ontario, typically through factoring of accounts receivable, although as will be seen below, Clearflow occasionally extends other types of credit facilities to its customers in addition to factoring of accounts receivable.

3. The Respondent Trigger Wholesale, Inc. (“**Trigger**”) is one of Clearflow’s customers pursuant to three separate credit facilities, summarized in the Affidavit of Sandy Kanichis filed in support of this Application. The total amount owed by Trigger in favour of Clearflow was, as of October 6, 2020, \$48,625,279.75.¹

4. The Respondents The En Cadre Group Inc. (“**En Cadre**”) Mark Gdak (“**Gdak**”) and Jaimee Gdak (“**Jaimee**”) have each executed continuing and unlimited guarantees of the indebtedness of Trigger in favour of Clearflow. Clearflow holds security against all of the personal property and assets of Trigger and En Cadre in the form of separate General Security Agreements over each company.

Attached hereto as Exhibit “A” are true copies of the guarantees referred to above

Attached hereto as Exhibit “B” are true copies of the General Security Agreements in favour of Clearflow executed by Trigger and En Cadre

¹ The total amount of indebtedness shown on the Demands for Repayment to be served by Clearflow does not include additional amounts due and owing to Clearflow pursuant to the Royalty Agreement, defined below, as a result of the termination of Clearflow’s credit facilities with Trigger.

-3-

**Attached hereto as Exhibit “C” are copies of an Ontario
Personal Property Security Act searches on Trigger and En
Cadre**

5. Trigger is an Ontario-incorporated company that is allegedly in the business of importing and distributing firearms, particularly shotguns, and associated ammunition to customers throughout Canada. Trigger did also sell certain other weapons until banned by recent federal legislation. Trigger’s customers allegedly include small gun shops, the military, police forces and large retailers, specifically, Canadian Tire and Home Hardware. I attach as an Exhibit hereto a copy of the Home page of Trigger’s website, which will provide the Court with additional details regarding the business and operations of Trigger.

**Attached hereto as Exhibit “D” is a copy of the Home Page
from Trigger’s website**

6. Trigger and/or En Cadre’s assets consist of:
- (a) accounts receivable due and owing from customers of Trigger;
 - (b) firearms and ammunition inventory owned by Trigger allegedly stored in a secured and licensed facility in Waterloo, Ontario;
 - (c) an alleged interest in real property located in Waterloo, Ontario, purportedly owned by the Respondent En Cadre, with a purported value of \$48 million, pursuant to an as-of-yet uncompleted, executed Agreement of Purchase and Sale provided to Clearflow by Trigger as evidence of the asset owned by the Respondents; and
 - (d) miscellaneous assets including office equipment and computers, a large and sophisticated 3D printer, goodwill, and customer lists.

-4-

7. The Respondents Jaimee and Jaimak Real Properties Inc. (“**Jaimak**”) own certain real property located in Waterloo Ontario, and in Huron County, Ontario that I believe may have been acquired with the proceeds of the fraudulent activity perpetrated by the Gdaks. There is good reason to believe that title to these properties has been placed in the names of Jaimee or Jaimak in an effort to shield assets from the reach of Clearflow and other creditors in the event that the fraudulent scheme was discovered.

8. The directors and officers of Trigger include both Gdak and his spouse Jaimee. Jaimee has been actively involved in Trigger’s business and has served in a senior accounts receivable collection capacity. I believe that, as a result of her position with Trigger and her involvement with the day-to-day affairs of Trigger, Jaimee was at all material times aware of and participated in the fraudulent action described below. Jamiee is the sole officer and director of Jaimak Real Properties Inc..

Attached hereto as Exhibit “E” is a true copy of a Corporation Profile Report in respect of Trigger

Attached hereto as Exhibit “F” is a true copy of a Corporation Profile Report in respect of En Cadre

Attached hereto as Exhibit “G” is a true copy of a Corporation Profile Report in respect of Jaimak Real Properties Inc.

9. Although I hold no formal title in this regard, I am essentially the “account manager” and main contact person at Clearflow in respect of the Trigger account. I have over 35 years of experience in the banking and lending industries in Canada and in the United Kingdom. I have been a partner at Clearflow since it was incorporated in 2014.

Nature of this Proceeding and Allegations of Fraudulent Activity

10. This Application has become necessary as a result of:
- (a) the occurrence of certain events of default on the part of Trigger pursuant to the relevant credit facilities between Clearflow and Trigger. Copies of the Demand Letters (the “**Demands**”) and the Notice of Intention to Enforce Security (the “**NITES**”) that are about to be sent to Trigger and its guarantors are attached hereto as Exhibits. The Demands and NITES indicate to the Court the nature of the events of default on the part of Trigger that give rise to the Demands, as well as the total indebtedness owed by Trigger in favour of Clearflow, which as stated above, is nearly \$50 million; and
 - (b) a long-standing, organized pattern of fraud on the part of Trigger and Gdak that has come to the attention of Clearflow very recently, based on multiple instances of clear and convincing evidence from different and independent sources. Clearflow is not aware of the extent of its losses resulting from this fraud, except that it is in the millions and possibly tens of millions of dollars. The fraud consists of knowingly-false misrepresentations made by Gdak and Trigger to Clearflow, assisted by Jaimee, backed up by falsified invoices, a forged transfer of real property, fake email addresses, a falsified Real Property Agreement of Purchase and Sale, impersonations of executives employed by Canadian Tire and Home Hardware stores, and phony cheques. I believe that the evidence supports the conclusion that Gdak personally has orchestrated the fraud in an effort to induce Clearflow to advance millions of dollars to Trigger, which it has done in good faith

-6-

reliance on the truthfulness of the representations made, and documentation supplied, by Gdak.

Attached as Exhibit “H” are true copies of the Demands and NITES that are about to be sent by Clearflow

11. As a result of the events of default summarized in the Demands, Clearflow is hereby applying, in this Application, for the appointment of a Court-Appointed Receiver over the assets and undertaking of Trigger and En Cadre.

12. The recently-discovered evidence of a massive fraud, however, makes the normal receivership procedure inappropriate in this case. Given the previous conduct of the Respondents summarized herein and in the other Affidavit sworn in support of this Application, I believe that it is not only possible, but likely, that the Gdaks will destroy or alter evidence, remove assets from the jurisdiction and conceal the existence of assets during the 10-day period after service of the Demands and NITES. Presumably Trigger will wish to respond to this Application for the appointment of a Receiver, which could result in a delay significantly longer than the statutorily-required ten days between service of the Demands and NITES and the hearing of the Application.

13. Clearflow is of the view that its security position will significantly erode if the Gdaks are permitted to remain in control of the assets, premises, inventory, books and records, computers and other property of Trigger, En Cadre, Jaimak or owned personally, during that period.

14. Any indication that Clearflow is about to enforce its security or seek the appointment of a receiver will likely result in the spoliation of evidence, and concealment of assets by Gdak.

-7-

15. Accordingly, in addition to the usual receivership Order appointing Grant Thornton as receiver over the assets of the Respondents, Clearflow is also applying to the Court for an interim Order, without notice to the Respondents, appointing Grant Thornton as Interim Receiver over Trigger, En Cadre and Gdak personally, with immediate effect. The purpose of the requested interim receivership is to preserve evidence and assets pending a full hearing, on notice to the affected parties, with respect to the appointment of a receiver over the asset of these three parties, on the usual terms. I believe that the Interim Receivership is necessary in order to protect the interests of Clearflow and preserve the estate of the Respondents.

16. Clearflow's plan is to arrange for the Receiver, without advance notice to Gdak or Trigger, to attend at all the Trigger business premises and the Gdak's personal residence, immediately after the issuance of the requested interim receivership Order, for the purpose of taking control of such assets, books and records, bank accounts, computers, and other property that the Interim Receiver may deem necessary.

17. The Demands and NITES will be served on Trigger and the guarantors at that time, and will not be served in advance so as not to tip off Gdak that Clearflow is aware of his fraudulent activities and is taking action as a result.

18. The overall purpose of the requested receivership herein is for the Receiver to undertake an investigation into the fraud committed by Gdak and Trigger with a view to determining the actual financial position of Clearflow and other stakeholders, if any, with respect to Trigger and to realize on the assets of Trigger and the other Respondents for the purpose of recovering the debt owed to Clearflow.

-8-

19. Jaimee, Gdak and En Cadre each executed separate continuing and unlimited guarantees of the indebtedness of Trigger in favour of Clearflow, and accordingly Clearflow is requesting judgment against those parties in this proceeding in connection with those guarantees.

BACKGROUND

20. In 2014, I was introduced to Gdak by a common contact person who was familiar with Trigger's business potential. Gdak subsequently discussed with me the possibility of Clearflow extending credit facilities to Trigger, partly to retire prior indebtedness of Trigger in favour of another lender.

21. I took the lead in conducting due diligence in respect of Trigger on behalf of Clearflow. I learned that Gdak had commenced the business as a sole proprietorship in 2012 and incorporated 2014. I also learned that it typically takes a 2-year period to acquire and establish the necessary licenses, distribution agreements and delivery channels before one can commence business as a firearms distributor in Canada.

22. I also learned that the firearms distribution business in Canada is heavily regulated, as one might expect. Below is a summary of the regulatory measures in place:

- (a) DFAIT (Department of Foreign Affairs & International Trade) verify every transaction;
- (b) DFAIT issues IIC's (International Import Certificate) which are required to import firearms into Canada;
- (c) DFAIT works with the RCMP to ensure that all licensees, including Trigger, hold appropriate Licenses
- (d) All firearms are registered and approved on the FRT (Firearms Reference Table), a table of approved firearms for importation;
- (e) Each model of firearm is assigned unique FRT reference number;

-9-

- (f) Trigger lists the FRT numbers on all TWI Import permits;
- (g) CBSA (Canadian Border Services Agency) requires advance notice of all shipments of firearms;
- (h) Any Distributor needs to hold a BFL (Business Firearms License) issued by Chief Firearms Office (CFO) and BFL's are managed and supervised by RCMP
- (i) Each firearm (unit with corresponding serial number) is inputted into the online RCMP firearms control systems a Trigger's facility upon arrival
- (j) All transfers to Trigger's customers are required to be completed through RCMP online systems; and
- (k) Trigger is required to keep records for 7 years.

23. Given the specialized and heavily-regulated nature of this business, Clearflow was attracted to Trigger on the basis that the barriers to entry in this industry are considerable, and Trigger had spent the time and money to gain the required licenses, approvals relationships and experience necessary to rapidly become a profitable company with positive long term prospects. A committee consisting of all partners of Clearflow decided to put forward an offer of financing to Trigger.

24. These credit facilities were summarized in an Offer letter dated April 5, 2015 (the "**Offer Letter**") and are set out in more detail in the Affidavit of Sandy Kanichis filed in support of this Application.

GROWTH IN TRIGGER'S BUSINESS

25. For the initial 12 months of the relationship between Trigger and Clearflow, Trigger's sales remained relatively flat. Over the next four years, however, Trigger's business appeared to take off. Sales started expanding at a rapid rate.

-10-

26. As a result of this phenomenal growth, the amount of AR factored by Clearflow increased exponentially. Although some customers appeared to be late in paying, prior to fall, 2020, Clearflow did not encounter major difficulties in collecting accounts receivable.

27. Contrary to usual practice in the factoring industry and contrary to the provisions of the MPSA, at the request of Gdak, Trigger handled its own cash, including receipt of cheques from its customers, and made payment to Clearflow as required. Typically, Clearflow would control those cheques, which would be sent by customers directly to Clearflow. In addition, Trigger was perennially late in making its required financial reporting and Gdak always seemed to have an excuse as to why he could not provide required information and documentation to verify the accounts receivable. We believed that there were legitimate reasons for all of these unusual items, including the rapid growth of Trigger's business and a lack of experienced management..

28. Clearflow maintains industry-standard account verification measures to ensure that the accounts receivable that it is purchasing are true and accurate. This process involves periodic field audits conducted by an independent field auditor. I also personally visited the Trigger firearms warehouse in Waterloo and I can verify that there existed a real warehouse, with real firearms, and that a small number of employees, including the sons of Trigger's legal counsel, Brian Kelly, worked in the business. I kept in close contact with Gdak through this period, and I can verify that I persisted in requesting that he provide all required back up to Clearflow as part of its usual verification procedures. I attended firearms trade shows with Gdak (always at the expense of Clearflow, not Trigger) in Canada and in the US and can confirm that he appeared to be a well-known player in the firearms importation and distribution business.

-11-

ANOMALIES DISCOVERED IN FIELD AUDIT

29. Gdak was never particularly preoccupied with providing financial reporting to Clearflow in a timely manner and by 2020 this was starting to become a problem for Clearflow. Clearflow's field auditor, Steven Adler reported certain anomalies in Trigger's financial reporting to Clearflow, particularly an inability to provide verification of information provided to Clearflow. As just one example among many, Gdak was asked to produce the vendor number for Home Hardware, which he never did produce to Mr. Adler. This number would normally appear on every Home Hardware purchase order and would be easy for Gdak to obtain. Mr. Adler later advised us that, in fact, Trigger had "failed" the field audit, meaning Trigger had failed to supply sufficient evidence to Clearflow to support the existence of the accounts receivable against which Clearflow had lent Trigger tens of millions of dollars.

PHONY EMAIL ADDRESSES AND IMPERSONATIONS OF EXECUTIVE OF CANADIAN TIRE AND HOME HARDWARE

30. By early 2020, the amount of over 90-day accounts receivable owed by Canadian Tire and Home Hardware had increased dramatically. Accounts outstanding after 90 days are a source of great concern to Clearflow (or to any factoring lender) and Gdak was unable to provide satisfactory responses to the question of why the over – 90 AR had suddenly spiked. Pursuant to the MPSA, over-90 day AR is considered "ineligible" for factoring and Clearflow is permitted to require Trigger to re-purchase this AR from Clearflow, with the purchase price payable immediately.

31. As a result, we sought direct contact with representatives of Canadian Tire and Home Hardware in order to confirm the total amounts owing by these alleged Trigger customers and to ascertain the reason for the bulge in over-90 day AR.

-12-

32. In July, 2020, Gdak provided Clearflow with the names of two senior managers: Matthew Maguire of Canadian Tire and Cathy Shulist of Home Hardware, whom I understand to be actual senior executives of these companies. We have no basis to suspect that either of these individuals is involved in the fraudulent scheme perpetrated by Gdak.

33. Unfortunately, the email address for Mr. Maguire and Ms. Shulist by Gdak are phony. The email address provided for Mr. Maguire is matt.mcquire@cdntops.com. This is neither the correct spelling of Mr. Maguire's name nor is this actually a Canadian Tire email address. Canadian Tire's email addresses use the URL @canadiantire.com. The email address provided for Ms. Shulist is c.shulist@hhdist.ca. This is not a Home Hardware email address. Home Hardware's email addresses use the URL @homehardware.ca.

34. Mr. Adler has advised me and I verily believe that inquiries of the Canadian Internet Registration Authority (CIRA) indicate that "cdntops.ca" was created on July 12, 2020 with an expiry date of 8/12/21 and "hhdist.ca" was created on July 13, 2020 with an expiry date of 8/13/21. Both Registrant names are "Redacted for privacy purposes".

35. We duly engaged in email contact with the individuals in control of the "Cdntops" and "HHDist" email addresses, as well as conference calls, with individuals who purported to be Mr. Maguire and Ms. Shulist. I attach hereto two emails sent from these phony email addresses that purport to allay Clearflow's concerns over Trigger's escalating over-90 day AR. These two supposedly completely-separate emails sent by different individuals with no ostensible relationship to each other are remarkably similar in their structure and wording used, right down to the numbering of the points made by each of the alleged senders. Clearly, the senders of these emails were neither of Mr. Maguire nor Ms. Shulist and whomever did write and send these emails

-13-

is impersonating these individuals. We believe that the retailers involved may be very interested in this information.

Attached hereto as Exhibit "I" are the two emails described above from the phone email addresses

DISCOVERY OF THE FAKE INVOICES

36. By September, 2020, the amount of over 90 day AR owed to Trigger by its customers had escalated sharply to a total of \$21,644,485.76. Corresponding deposits from customers had shrunk dramatically.

37. As a result, we asked Mr. Adler to contact a statistically-significant sample of Canadian Tire stores taken from across Canada and to ask the simple question: do you carry firearms, and if so, do you have in stock or carry certain models of firearms (being the models of firearms allegedly sold by Trigger to these particular stores)? Each store that was contacted had, according to invoices provided to Clearflow by Trigger, ordered significant volumes of firearms in the preceding month (typically with a value of over \$20,000 and often much more in the preceding month).

38. Mr. Adler contacted 40 stores which had collectively ordered, according to the invoices provided by Trigger, \$1,347,246 worth of firearms from Trigger in the previous month. 28 of those stores, representing \$939,321 of the total value of firearms alleged to have been ordered by Canadian Tire in the preceding month, do not sell firearms at all.

39. Twelve stores confirmed that they do carry firearms, but none carry the makes of firearms indicated in the invoices, namely, The Hunt Group or Balikili shotguns. Although they do carry shotgun ammunition, in many cases the representative of the particular store gave a consistent

-14-

response: this type of firearm and ammunition are too “tactical” (to use the word that Mr. Adler advises was used by at least one representative of one particular Canadian Tire store), and are not consistent with Canadian Tire’s corporate image. Mr. Adler was told that only ammunition commonly know to be used by recreational hunters in Canada is carried by any Canadian Tire stores.

**Attached hereto as Exhibit “J” is a copy of a summary of
Mr. Adler’s report dated October 7, 2020**

40. Mr. Adler has also advised me and I verily believe that as part of his investigation, which focused mainly on Canadian Tire and Home Hardware, he contacted one small firearms shop located in Thunder Bay, Ontario. The proprietor of this store told Mr. Adler that although he had ordered products from Trigger in the past, he had not ordered any product from Trigger in a considerable period of time. Trigger had provided Clearflow with an invoice showing that this particular small store had ordered a number of shotguns and ammunition within the past month. The proprietor of this shop indicated to Mr. Adler that this was simply impossible. He had not ordered nor been invoiced for those products.

41. Mr. Adler has terminated his engagement with Clearflow, and an Affidavit is not available from him on an immediate basis. He is aware very specifically of Clearflow’s intention to bring this proceeding and has been advised that Clearflow will be including the results of his investigations in the evidence before the Court. My personal belief is that at least part of the reason Mr. Adler is unwilling to proceed further with investigations into Trigger’s affairs may be his concern for his own personal safety. The fact is that Clearflow’s records indicate that \$306,357,777.75 has been deposited into Trigger’s bank account since 2015. The evidence seems to suggest that a large portion of these funds may not have originated with customers of Trigger. If

-15-

indeed I am correct in assessing Mr. Adler's fears, those fears may not be overly-dramatic given all of the circumstances. It should be noted by the Court that Gdak is a firearms enthusiast who personally owns a number of firearms and is, or was at one time, one of the few non-peace officers in Canada to hold a license to carry a concealed firearm.

THE FICTITIOUS REAL ESTATE TRANSACTION AND THE FORGED TRANSFER OF REAL PROPERTY

42. In or about the first week of September, 2020, Clearflow requested yet again that Trigger catch up on providing required financial disclosures, and that Gdak advise how Trigger proposed to retire at least a portion of Clearflow's indebtedness,

43. In response, Gdak forged documents to make it appear that En Cadre owned real estate located in Waterloo, with a substantial value, that it was in the process of selling.

44. Specifically, Gdak advised me that Trigger owned a large parcel of land located in Waterloo that had received a special designation from the RCMP that permitted the storage of firearms, which Gdak claimed added enormously to its value. The alleged municipal address of the property was 1343 Martin Grove Rd., Township Road 43, consisting of some 90.0003 acres of land (the "**Martin Grove Property**").

45. Mr. Gdak advised that En Cadre held title to the Martin Grove Property and was in the process of selling same to two purchasers. Gdak provided me with a copy of the Transfer allegedly registered in the Waterloo Land Titles Office confirming that he personally was the owner of the Martin Grove Property in trust for En Cadre.

Attached hereto as Exhibit "K" is a copy of the forged Transfer referenced above

-16-

46. Gdak also provided me with an alleged Amended Agreement of Purchase and Sale in respect of the Martin Grove Property. The purchase price was shown as \$48 million and the transaction was set to close at the end of September, 2020 (later extended to the end of November, 2020). The purchasers are shown as Abina Holdings Inc and Paul Dietrich Developments Inc.

Attached hereto as Exhibit “L” is a copy of the Agreement of Purchase and Sale referenced above

47. Gdak advised me that the sale of the Martin Grove Property his was to be the source of repayment of the \$5.6 million in non-factoring loans outstanding from Trigger in favour of Clearflow. He also advised that Trigger owed a significant amount, in excess of \$15 million in taxes to CRA, which also needed to be paid from the proceeds of the sale. Gdak indicated that he was prepared to execute a direction to the purchasers such that the non-factoring debt owed to Clearflow would be paid in full from the proceeds of the sale.

48. In fact, we went to the trouble of having our real estate financing counsel at Torkin Manes, Jeffrey Alpert, prepare the directions for signature and send them to counsel acting for En Cadre in connection with the sale of the Martin Grove Property. The directions have never been signed, nor would they be of any use in any event since the entire transaction is a fraud.

49. Both the Transfer produced by Gdak and the Agreement of Purchase and Sale are forgeries/fakes. I am advised by Mr. Alpert, and verily believe that:

Transfer

- (a) Torkin Manes pulled from title the real instrument number WR1267136, which is the registration number shown on the alleged transfer of the Martin Grove Property to Gdak. The actual Instrument number WR1267136 is the Transfer pursuant to

-17-

which the Respondent Jaimee Gdak took title to an entirely different property located at 652 Colby Dr., Waterloo, Ontario.

- (b) The municipal address shown on the forged Transfer/Deed of land, namely 1343 Martin Grove, Waterloo, does not match the legal description or the PIN identifier of the property, which is 22281-0110. That PIN identifier corresponds with 652 Colby Dr. which is a property owned by either Jaimee or Jaimak Properties
- (c) 1343 Martin Grove Rd. is not owned by En Cadre or any other related company to Trigger and consists of raw land located in an agricultural area;
- (d) the names of the vendor and purchaser are entered on the document are incorrect. The name of the Transferor is shown as “Mr. Cleason Martin” and the name of the Transferee is shown as “Mr. Mark W. Gdak”. In the Ontario land titles system the title “Mr.” is never used, and the names of individuals always appear last name first, followed by a comma, followed by the first name. I am advised by Mr. Alpert that the land titles system will not accept entry of the names of vendors and purchasers in this way, so it is impossible that this is an actual, valid Transfer. It would not have been accepted for registration by the land titles computer system.

The Fake Agreement of Purchase and Sale

50. The Agreement of Purchase and Sale provided to me by Gdak is also a forgery or a fake. Corporate searches conducted in every jurisdiction in Canada on the two alleged purchasers indicate that these alleged corporations do not exist. Further, the land described therein, namely, 1343 Martin Grove Rd., Township Rd 43, is not owned by En Cadre or any entity or individual

-18-

related to it. There is no evidence that the real owner of this property has any connection with En Cadre or Gdak.

Attached hereto as Exhibit "M" is a copy of the parcel page relating to the true property known municipally as 1343 Martin Grove

51. I believe that these documents were provided to me in a fraudulent effort on the part of Gdak to induce Clearflow to continue the business relationship and to advance additional funds to Trigger.

MEETING WITH GDAK

52. On September 28, 2020, my Clearflow partners Sandy Kanichis and Glenn Petersen and I met with Gdak and his accounts receivable manager Mike Nero. Without disclosing all that we knew to Gdak, we advised that Trigger had failed the field audit and that we needed Trigger's cooperation in a continued investigation by Mr. Adler. Gdak responded that he was very busy trying to complete his tax filing by the end of that date or he faced penalties of over \$1 million. On behalf of Clearflow, I then demanded that Trigger permit Clearflow to take over the cash management of Trigger's business as required pursuant to the MPSA. The cash management system, as we understand it, consists of a post office box to which cheques are sent by customers of Trigger. We demanded access to the post office box or that a second post office box be opened that we would have access to, so that we could take over processing cheques from customers.

53. This request was refused, on the basis that at times the post office box contains firearms and the regulator would not permit any party other than a duly authorized representative of Trigger to have access to same. This strains credulity. In the ordinary course, firearms would not be sent in the mail to a post office box for any reason.

-19-

FULL DISCLOSURE OF ALL RELEVANT FACTS

54. I am advised by Clearflow counsel in this case, Jeffrey Simpson of Torkin Manes LLP that because we are moving without notice to Trigger, we are required to disclose to the Court all relevant facts, even those that do not support our theory of the case, and to present to the Court any facts or arguments that Trigger and Gdak would make if they were given the chance to respond. In compliance with that requirement:

- (a) Trigger has a high visibility in the industry, and it does indeed operate a real firearms warehouse, which I have personally attended at. I have seen many government/regulatory documents over the years that I do not believe are forgeries all of which suggests that Trigger does indeed exist as a business and does import and distribute firearms in Canada.
- (b) Trigger has detailed information about executives working at Canadian Tire and Home Hardware, suggesting that there is exists a real business relationship;
- (c) Although it seems impossible that this could be the case given the circumstances of this case, it is theoretically possible that Gdak could take the position that Clearflow won't suffer any loss at all if it can collect all outstanding accounts receivable, assuming that they do indeed exist;
- (d) Trigger has always benefitted from the assistance of professional chartered accountants and reputable legal counsel in the Waterloo area.
- (e) Trigger and Gdak hold the required licenses and designations from, as well as the trust of, the various regulatory authorities, whom I understand conduct exhaustive

-20-

background checks into individuals involved in this business. These authorities are presumably aware of the sale of every firearm in Canada and keep careful track of the shipping, purchase and handling of every firearm sold.

- (f) There does not appear to be any obvious motive for Gdak and Trigger to engage in such a massive fraud in circumstances where his business appears to be growing exponentially.
- (g) There is no direct evidence that Gdak himself has personally benefitted from the fraud. There is no direct evidence that proceeds of fraud were utilized to acquire the real properties in Waterloo and Port Elgin.

55. Despite all of the above factors, my partners at Clearflow and I remain convinced that the preponderance of evidence of fraud is too overwhelming in this case. While we admit that we don't at this time have all the answers, there can be no reasonable explanation for the forged purchase orders, fake email addresses, the impersonation of others in emails and on conference calls, the forged transfer of real property, the phony agreement of purchase and sale and the indisputable massive exaggeration of accounts receivable by way of fabrication of invoices. Simply put, I cannot think of any way in which these items can be explained away by Mr. Gdak.

56. In any event, the unacceptable levels of over-90 day AR and constant default in providing required financial reporting would, in any event, have resulted in Clearflow terminating the credit facilities, issuing the Demands and NITES, and moving for the appointment of a Receiver even in the absence of evidence of fraud. While the evidence of the fraud demonstrates the need for the Court to appoint an Interim Receiver on an immediate basis for the protection of Trigger's estate

-21-

and to protect the interests of Clearflow, Clearflow would in all likelihood be taking steps to place some or all of the Respondents into receivership within a short period of time anyway. It appears to Clearflow that Trigger may actually be insolvent. In these circumstances, I do not believe that it is possible that the Respondents will suffer any actual damages as a result of the interim Orders requested on this Application.

UNDERTAKING AS TO DAMAGES

57. In the event that the Court grants the interim receivership appointment as requested, and the Court subsequently decides that such order ought not to have been made as a result of material misrepresentations by Clearflow in its Court materials, and it is proven that Trigger or any of the Respondents have suffered damages as a result, I am authorized by Clearflow solely in my capacity as a representative of Clearflow, and not in my personal capacity, to undertake on behalf of Clearflow to be responsible for any such damages incurred.

AFFIDAVIT OF ALEXANDRA (SANDY) KANICHIS

I, Alexandra (Sandy) Kanichis, of the Town of Woodbridge, in the Province of Ontario,
MAKE OATH AND SAY:

1. I am the Director of Operations of the Applicant in this proceeding, and as such, have knowledge of the following matters, either through my direct knowledge or by informing myself in respect thereof, in which case I indicate the source of my information and belief.

2. I have read the draft Affidavit of Martin Rees to be filed in support of this Application and to the extent I have personal knowledge of the facts set out therein, I agree with his evidence.

-2-

3. I am the partner at Clearflow who supervises the day to day administration of the Trigger credit facilities. I swear this Affidavit for the following purposes:

- (a) To supply additional details regarding the Trigger credit facilities;
- (b) To provide additional details regarding the growth in over-90 day AR with respect to Trigger's accounts receivable and other details regarding the growth in Trigger's business over the years;
- (c) To provide details with respect to Clearflow's suspicions that certain cheques allegedly issued by Trigger customers are forgeries;
- (d) To provide details of measures taken by Clearflow in response to Gdak's chronic lack of financial reporting; and
- (e) To provide additional details as to the involvement of Jaimee Gdak in the business operations of Trigger.

DETAILS OF THE CREDIT FACILITIES

4. The total amount owed by Trigger in favour of Clearflow was, as of October 6, 2020, \$48,625,279.75. The credit facilities extended by Clearflow to Trigger were summarized in an Offer letter dated April 23, 2015 (the "**Offer Letter**"), and consisted of:

- (a) a Master Purchase and Sale Agreement dated April 30, 2015 (the "**MPSA**");
- (b) a Master Purchase Order Financing Agreement dated April 30, 2015 (the "**PO Financing Agreement**"); and

-3-

- (c) a Royalty Agreement dated April 30, 2015 (the “**Royalty Agreement**”).

Attached hereto as Exhibits “A”, “B” and “C” respectively are copies of the Offer Letter, the MPSA, the PO Financing Agreement and the Royalty Agreement.

THE MPSA

5. Pursuant to the terms of the MPSA and the standard terms which form part thereof, Trigger is required to provide Clearflow with a monthly list of all outstanding invoices issued by it to its customers. Clearflow then has the option to purchase all or a portion of these accounts receivable based on a payment to Trigger of 85% of the amounts shown as due and outstanding.
6. Clearflow then collects those receivables in the ordinary course as they are paid by Trigger’s customers, which are typically retail stores ranging from small, “mom and pop” shops to, as indicated above, national chains such as Canadian Tire and Home Hardware. These customers remit payment to Trigger on 30-60 day payment terms from the invoice date in respect of products ordered and delivered. Unless and until Clearflow receives payment in respect of its financed purchase orders, any funds advanced to Trigger are considered loans outstanding from Clearflow to Trigger.
7. As of October 6, 2020, Clearflow had purchased accounts from Trigger with a total value of \$43,025,279.75, based on total accounts receivable allegedly due to Trigger by all of its customers collectively of \$64,074,258.69.
8. At the request of Gdak, Clearflow has not followed its usual procedure for collection of accounts receivable, provided for in the MPSA, Gdak’s stated reason for this request is that the

-4-

regulations imposed by the RCMP and other federal agencies, require that only Gdak could collect and handle the payments received from customers in respect of sales of firearms.

9. In addition to the accounts receivable financing described above, Clearflow also advanced the sum of \$10,284,932.38 in the form of purchase order financing pursuant to the PO Financing Agreement. This amount is included in the total indebtedness indicated in my Affidavit above.

10. In addition to the financing summarized above, Clearflow has made occasional advances to Trigger based on discrete requests for specific financing for various business purposes. The aggregate total of these various one-time loans advanced by Clearflow to Trigger is \$5,600,000.00. This amount is included in the total indebtedness owed to Clearflow set out above.

RAPID EXPANSION OF TRIGGER'S BUSINESS

11. As stated by Mr. Rees in his Affidavit, for the initial 12 months of the relationship between Trigger and Clearflow, Trigger's sales remained relatively flat. Over the next four years, however, Trigger's business appeared to take off. Sales started expanding at a rapid rate. I attach hereto review engagement financial statements for Trigger for the financial years ending March 31, 2019 and March 31, 2020. The 2019 statement, for example, shows sales in 2018 of \$19,482,802, which increased to \$60,980,735 in 2019. The internal statement for the year ended March 31, 2020 showed that annual sales had increased to \$151,310,849.30. Gross profits for the same period increased from \$7,509,508 in 2018 to \$59,017,623.91 in 2020.

Attached hereto as Exhibit "D" are the draft review engagement financial statements for Trigger for the year ended March 31, 2019 and the draft, internal financial statement for the year ended March 31, 2020

-5-

12. In particular, over the years, it appeared that the largest growth in Trigger's business was with the major retail channels, specifically Canadian Tire and Home Hardware, which were allegedly purchasing from Trigger a large volume of firearms. As of October 6, 2020, Clearflow has purchased, since the beginning of the relationship with Trigger, Canadian Tire accounts receivable with a total value of \$131,390,049 of which \$84,744,429.38 has been collected, and \$35,637,636.27 remains outstanding. The corresponding figures for Home Hardware are \$58,083,426 of purchases of which \$41,716,118.67 has paid and \$16,367,307.58 remains outstanding respectively.

13. According to information furnished by Gdak, in December 2015, Trigger's sales started increasing from approximately \$100k per month to over approximately \$1 million per month by the end of June, 2017. This was accompanied by increases in the balance of AR owed to Trigger by its customers.

14. By June 2018 sales had increased to \$5.1 million per month and the accounts receivable ending balance as of the end of June, 2018 was \$13.45 million. Two years later, by the end of June, 2020, those figures had increased to sales of \$16.31 million per month with an Ending AR Balance of \$58.75 million.

15. By September, 2020, the amount of over 90 day AR owed to Trigger by its customers had escalated sharply to a total of \$21,644,485.76. Corresponding deposits from customers had shrunk dramatically.

-6-

REQUIREMENTS IMPOSED ON TRIGGER AFTER THE SEPT. 28/20 MEETING WITH GDAK

16. After the September 28th, 2020 meeting between Gdak and Clearflow, Mr. Rees was temporarily unavailable and Mr. Petersen subsequently dealt with Gdak. Glenn and I had one additional meeting with Mr. Gdak on October 1, 2020, and I have spoken to Gdak a number of times since then.

17. In addition to demanding that Trigger allow Clearflow to control its cash management and cheque deposits, we subsequently demanded that Trigger agree to install at Trigger's premises a cheque deposit machine that will electronically provide Clearflow with notice of all cheques in favour of Trigger that pass through the Canadian cheque clearing system. Gdak agreed to this request, and since installing the machine, activity in Trigger's accounts has dropped to almost nothing and Trigger has never used the machine. A small fraction of the deposits that would historically have been made into Trigger's bank account are now being made.

FORGED CHEQUES

18. We then obtained and examined a series of Canadian Tire and Home Hardware cheques allegedly deposited into Trigger's bank account during the months of July and August, 2020. These cheques are obviously suspicious:

- (a) The bottoms of each cheque have been cut off in the photocopy provided by Gdak, such that account numbers and other information is not visible;
- (b) The cheques are stamped on the front with the name of an "attention of" person, namely Mr. Maguire and Ms. Shulist. I have never seen business cheques in my

-7-

years of banking that would include an “attention of” name of an individual. There would be no reason for same;

- (c) These cheques, if they had been negotiated, would have stamps on the front or the back. The front sides of the cheques have no endorsement stamps and the backs of the cheques were not included in the copies sent by Gdak;
- (d) Finally, and perhaps most conspicuous is the fact that Mr. Maguire’s name is spelled differently (“Matt Maguire”) on the face of the supposed Canadian Tire cheques than the spelling of his name in the fake email address supplied by Gdak (“Matt Mcguire”). At the very least, this confirms that one or the other, if not both, of the cheques or the email addresses are faked.

INVOLVEMENT OF JAIMEE GDAK IN TRIGGER’S BUSINESS

19. The Respondents Jaimee and Jaimak Real Properties Inc. (“**Jaimak**”) own certain real property located in Waterloo, Ontario, and in Huron County, Ontario that I believe may have been acquired with the proceeds of the fraudulent activity perpetrated by the Gdaks. It appears to me that it is entirely possible that title to these properties has been placed in the names of Jaimee or Jaimak in an effort to shield assets from the reach of Clearflow and other creditors in the event that the fraudulent scheme was discovered.

Attached hereto as Exhibit “E” are copies of parcel pages showing that Jaimee or Jaimak hold title to the following real properties:

265 Old Post Road, Waterloo ON

250 Lion’s Court, Warterloo, ON

-8-

652 Colby Dr., Waterloo ON

47 Baker Rd., Port Elgin ON

157 Saugeen Beach Road, Port Elgin, ON

20. Jaimee Gdak is involved with daily accounting operations of Trigger Wholesale, Inc. Literally hundreds of emails have been exchanged between Jaimee, myself and the Clearflow admin Team with respect to:

- (a) processing credit card payments;
- (b) deposits made into the Trigger Ops Account and the Trigger Blocked Account;
- (c) deposits made into BMO Bank Trigger Ops Account that consisted of non factored payments.

21. The last email that she sent us was August 13, 2020 for credit card processing. After that date a new email address was created called Accounting@triggerwholesale.com, which I believe is another email for Jaimee Gdak and the admin team at Trigger. We also have an email from February 21, 2018 in which Jaimee submitted a schedule for funding. In a September 11, 2018 email Jaimee advised that she physically went to BMO Bank to make a deposit, and we have an email confirmation that she completed that day's deposit.

Attached hereto as Exhibit "F" are copies of all of the above-noted emails

22. In addition, at our meeting at Trigger Wholesale, Inc., on October 1, 2020, in attendance was Mark Gdak, Mike Nero from Trigger and Glenn Petersen and myself from Clearflow. Mark

-9-

stated that Jaimee was working from home due to the Corona Virus Pandemic but that she was making collection calls on all the past due accounts of Independent Stores.

23. Lastly, I conducted a Google search against "Jaimee Gdak". One of the first entries that comes up on that search is a Zoom info page in the name of Trigger. In other words, if one Googles Jaimee, a Trigger Zoom info page comes up as one of the first entries.

24. Jamie is deeply involved in the day to day financial administration of Trigger, and takes an active part in managing the financial and accounts receivable side of Trigger's business. She is one of individuals at Trigger whom I would describe as part of the senior management team. It is impossible that she could not be aware of, and most likely actively participating in, fraud on such a massive scale.

25. I make this Affidavit in support of Clearflow's application for the appointment of a Receiver and for no other or improper purpose.

AFFIDAVIT OF GLENN PETERSEN

I, Glenn Petersen, of the City of Surrey, in the Province of British Columbia, MAKE
OATH AND SAY:

1. I am a director and one of the four partners of the Applicant in this proceeding, and as such, have knowledge of the following matters, either through my direct knowledge or by informing myself in respect thereof, in which case I indicate the source of my information and belief.
2. I have reviewed the draft Affidavits of Martin Rees and Sandy Kanichis, both of which were prepared in support of this Application. To the extent I have personal knowledge of the contents of those Affidavits, I confirm and agree with the evidence contained therein (other than

-2-

evidence that is specific to Mr. Rees or Ms. Kanichis, such as conversations at which I was not present, in which case I verily believe their evidence to be true). All capitalized terms herein have the same meaning ascribed to them in Mr. Rees' Affidavit.

3. In Mr. Rees' Affidavit, he testifies as to fraudulent invoices allegedly rendered to Canadian Tire by Trigger. I wish to add to Mr. Rees' testimony the following evidence that has very recently come to my attention with respect to Home Hardware.

4. On October 7, 2020, I was able to obtain from a third party (i.e., not connected in any way to Trigger) a standard form purchase order dated "06/20" (the "**Home Hardware P.O.**") issued by Home Hardware to one of its vendors. I understand that the issuance of a purchase order is the usual method by which Home Hardware procures stock from its vendors. This is an example of the format of purchase order that I believe is used by Home Hardware's in respect of goods ordered for the St. Jacob's location to be delivered by the vendor to the Home Hardware distribution centre.

Attached as Exhibit "A" is a copy of the legitimate Home Hardware purchase order referenced above

5. I also attach for comparison a copy of a purchase order sent to Clearflow by Trigger as evidence of an order for a large quantity of ammunition allegedly placed by Home Hardware on July 6, 2020 (the "**Forged P.O.**") to be delivered to the St. Jacobs location. I believe that this is not a legitimate Home Hardware purchase order. I believe that this is a falsified document that did not originate with Home Hardware. I believe that Gdak forged this purchase order in order to create the impression that Home Hardware had actually ordered the products listed thereon in order to induce Clearflow to make further advances to Trigger.

Attached as Exhibit "B" is a true copy of the Forged P.O.

-3-

6. A cursory review of the Home Hardware P.O. compared to the Forged P.O. reveals that the two documents are very different in design, format and tone of language used. In addition, the Forged P.O. contains at least three fairly-egregious spelling errors. While this is not determinative, in my experience, the presence of spelling errors in purchase orders of this type is not common.

7. Most importantly, the Home Hardware P.O. contains a significant amount of information that is missing from the Forged P.O. The legitimate purchase order sets out the delivery method, "routing" information, UPC codes for the products being ordered, the store number and the vendor number. None of this information appears on the Forged P.O. In addition, the Home Hardware PO identifies a specific "buyer" in relation to the products involved and does not contain a reference to a department. Based on my experience, information such as the vendor number and store number are absolutely critical information that are always set out in this type of purchase order.

8. Finally, I attach hereto a document that I believe to be a forged purchased order created by Gdak in respect of Canadian Tire. The design, format and type of language used in this document are so remarkably similar to the Forged Home Hardware P.O. that I cannot come to any other conclusion that they were prepared by the same person. I note as well that the forged Canadian Tire P.O. is missing the exact same information that is notably missing from the Forged Home Hardware P.O., specifically, delivery method, "routing" information, UPC codes for the products being ordered, the store number and the vendor number, all of which, as stated above, are almost always specified in purchase orders such as these.

9. I swear this Affidavit in support of Clearflow's Application for the appointment of a receiver over Trigger and for no improper purpose.

INTRODUCTION

1. Grant Thornton Limited (“**GTL**”) was appointed as Interim Receiver (the “**IR**”) of Trigger Wholesale Inc. (“**Trigger**”) and The En Cadre Group Inc. (“**En Cadre**”) (collectively, the “**Debtors**”) by order of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) dated October 13, 2020 (the “**Interim Receivership Order**”). Copies of the Interim Receivership Order and the Endorsement of the Honourable Madam Justice Gilmore are attached hereto as **Appendix “1”**.
2. Background information pertaining to the Debtors, including the circumstances leading to the appointment of the IR, are contained in the affidavits of Martin Rees, Sandy Kanishis and Glenn Peterson, each sworn October 9, 2020 (the “**Clearflow Affidavits**”) in support of Clearflow Commercial Finance Corp.’s (“**Clearflow**”) application for the appointment of the IR. A copy of the Clearflow Affidavits without appendices is attached hereto as **Appendix “2”** and are accessible on the IR’s case website at www.GrantThornton.ca/TWI. Clearflow is the primary secured creditor of the Debtors.
3. The Debtors are both companies that are incorporated in Ontario and are allegedly in the business of importing and distributing firearms, particularly shotguns, and associated ammunition to customers throughout Canada. The Debtor’s customers allegedly include Canadian Tire and Home Hardware, as well as small gun shops, outdoor stores, the military and police forces. The registered address for Trigger is 588 Colby Drive, Suite #1, Waterloo, Ontario. The directors of Trigger are Mark Gdak, Jaimee Lynn Gdak and Brian Richard Kelly. Although the IR understands that recently Mr. Kelly has resigned as a director of Trigger.
4. The IR does not have any knowledge at this time as to the precise nature of the business that En Cadre was engaged in prior to the granting of the Interim Receivership Order. The registered address for En Cadre is 588 Colby Drive, Suite #1, Waterloo, Ontario. The directors of En Cadre are Mark Gdak and Jaimee Lynn Gdak. The Debtor’s assets consist of:
 - a) accounts receivable due and owing from customers of the Debtor’s (“**AR**”);

- b) firearms and ammunition inventory owned by the Debtor's and stored in a secure facility located at 588 Colby Drive, Suite #1, Waterloo, Ontario (the "**Premises**"); and
- c) miscellaneous assets, including office equipment and computers, goodwill, and customer lists.

DISCLAIMER

- 5. In preparing this report, the IR has reviewed certain unaudited financial information and certain financial information related to the Debtors. While the IR has performed a preliminary review of available books and records of the Debtors, such review does not constitute an audit or verification of such information for accuracy, completeness or compliance with Generally Accepted Auditing Standards ("**GAAS**") or International Financial Reporting Standards ("**IFRS**"). Accordingly, the IR expresses no opinion or other form of assurance pursuant to GAAS or IFRS with respect to such information.
- 6. This report has been prepared for the use of this Court as general information to assist the Court in making a determination of whether to approve the relief sought by Clearflow, in respect of motion that is scheduled to be heard by the Court on October 22, 2020. Accordingly, the reader is cautioned that this report may not be appropriate for any other purpose.
- 7. All references to dollars in this report are in Canadian currency, unless otherwise noted.

PURPOSE OF FIRST REPORT

- 8. The purpose of this, the IR's first report to Court (the "**IR's First Report**") is to advise the Court on the IR's activities since its appointment and to provide information to the Court pertaining to Clearflow's request for an Order, *inter alia*,
 - (a) converting the Interim Receivership Order into a Receivership Order (the "**National Receivership Proceedings**") pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the "**BIA**") and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c. C.43,

as amended (the "**CJA**"), and appointing GTL as receiver (in such capacity the "**Receiver**") without security, of all of the assets, undertakings and properties of Trigger, En Cadre and certain real property owned by each of Jaimak Real Properties Inc. ("**Jaimak**") or Jaimee Lynn Gdak, (collectively, the "**Property**"), as specified in the draft Order included in the Clearflow Motion Record (collectively the "**Debtors**");

- (b) continuing the Mareva injunction relief set out in paragraphs 8, 9 and 10 of the Interim Receivership Order, subject to such amendments and additional terms, as set out in the draft Order included in the Clearflow Motion Record;
- (c) authorizing, but not obligating, GTL to file assignments in bankruptcy for each of Trigger and En Cadre under the BIA;
- (d) authorizing GTL to act as trustee in bankruptcy for each of Trigger and En Cadre;
- (e) authorizing GTL to transfer \$30,000 from the National Receivership Proceedings to GTL, in its capacity as proposed trustee in bankruptcy, to fund the administration of the proposed bankruptcy proceedings of Trigger;
- (f) authorizing GTL to transfer \$30,000 from the National Receivership Proceedings to GTL, in its capacity as proposed trustee in bankruptcy, to fund the administration of the proposed bankruptcy proceedings of En Cadre;

- (g) requiring Brian Kelly to provide information or documents to the Receiver, to aid in the Receiver's efforts to take control of the Property and discharge its duties under the National Receivership Proceedings;
- (h) authorizing the Receiver to conduct examinations of each of Mark Gdak, Jamiee Lynn Gdak, Brian Kelly, Mike Nero and Phil Searles, in respect of the Property that pertains to the National Receivership Proceedings; and
- (i) granting certain other ancillary relief, as detailed in the draft Order included in the Clearflow Motion Record.

TAKING POSSESSION

- 9. Prior to the IR's appointment, Clearflow management advised GTL that the Premises contained a large number of non-restricted, restricted and prohibited firearms, as well as ammunition and that the principal of Trigger, Mr. Gdak, had a permit to carry a concealed firearm.
- 10. In anticipation of being appointed as IR, GTL contacted the Chief Firearms Office for Ontario (the "**CFO**") to enquire if it was possible for a civilian to have a permit to carry a concealed firearm. The CFO advised that while such permits were very rarely granted, they did exist.
- 11. Upon its appointment, the IR attended at the Waterloo Police North Division station and sought assistance from the Waterloo Police Department in gaining entry to the Premises, due to the Premises containing firearms and ammunition.
- 12. There was no one present at the Premises when the IR arrived at approximately 6:00PM on October 13, 2020. Therefore, the IR called Mr. Gdak, notified him of the appointment of the IR, and asked that he attend the Premises to allow the IR to take possession thereof.
- 13. Mr. Gdak cooperated and attended at the Premises, provided the IR with the keys to the Premises, as well as the passcodes to the alarm system, names of the security monitoring company and Information Technology ("**IT**") consultant

used by the Debtors. Mr. Gdak also provided the IR with a tour of the Premises prior to departing after advising that he was not prepared to answer any additional questions without speaking with his counsel. Mr. Gdak agreed to meet the IR at the Premises at 9:30AM the next day, October 14, 2020, to assist the IR with fulfilling its duties.

14. The CFO has advised that pursuant to section 91 of the Criminal Code (R.S.C., 1985, c. C-46) (the “**Criminal Code**”):

- a) anyone with access to non-restricted firearms must either hold a Non-Restricted Possession and Acquisition License (“**NRPAL**”), or be under the direct and immediate supervision of someone with an NRPAL; and
- b) anyone with access to restricted firearms must either hold a Restricted Possession and Acquisition License (“**RPAL**”) or be under the direct and immediate supervision of someone with an RPAL license.

15. Pursuant to Section 91 of the Criminal Code:

Unauthorized possession of firearm

91 (1) Subject to subsection (4), every person commits an offence who possesses a prohibited firearm, a restricted firearm or a non-restricted firearm without being the holder of

- (a) a licence under which the person may possess it; and
- (b) in the case of a prohibited firearm or a restricted firearm, a registration certificate for it.

Exceptions

(4) Subsections (1) and (2) do not apply to

- (a) a person who possesses a prohibited firearm, a restricted firearm, a non-restricted firearm, a prohibited weapon, a restricted weapon, a prohibited device or any prohibited ammunition while the person is under the direct and immediate supervision of a person who may lawfully possess it, for the purpose of using it in a manner in which the supervising person may lawfully use it; or
- (b) a person who comes into possession of a prohibited firearm, a restricted firearm, a non-restricted firearm, a prohibited weapon, a restricted weapon, a prohibited device or any prohibited ammunition by the operation of law and who, within a reasonable period after acquiring possession of it,
 - (i) lawfully disposes of it; or

16. The IR’s representative responsible for taking possession of the Premises holds the appropriate licenses to possess restricted and non-restricted firearms and provides direct and immediate supervision of anyone that entered the warehouse at the Premises where the firearms are stored in accordance with Section 91(4)(a).

17. The IR has also confirmed with the CFO that since the IR has come into possession of the firearms as a result of the Interim Receivership Order the exception provided in Section 91(4)(b) applies.
18. The IR has arranged for a security consultant, locksmith, security camera consultant and IT consultant to attend the Premises and proceeded to take possession of the Premises, which included:
 - a) changing the locks on the Premises;
 - b) reviewing the internal security of firearms and ammunition;
 - c) reviewing the setup of security cameras; and
 - d) reviewing the IT setup, backing up email and accounting data and disconnecting remote access to the Debtor's computer server.
19. The IR was unable to make arrangements to change access to the alarm system on the evening of October 13, 2020, therefore a security guard was posted outside the Premises, with instructions not to allow anyone to enter the Premises, other than the IR and its consultants.
20. At approximately 9:00AM on October 14, 2020, Mr. Gdak called the IR and advised that he would be unable to attend the Premises to assist the IR, as he would be meeting with his counsel. The IR requested that Mr. Gdak provide usernames and passwords to Trigger's accounting software ("**Quickbooks**"), so that an inventory and AR listing could be obtained. Mr. Gdak said that he could not remember the passwords and would provide them later in the day along with the inventory and AR listings.
21. On October 14, 2020, the IR spoke with The Waterloo Networking Company ("**TWNC**") which managed the Debtor's IT and arranged for only the IR to have access to Trigger's physical and virtual servers. The IR also spoke with the Summit Group, which hosts Trigger's Quickbooks and arranged for only the IR to have access to Quickbooks.
22. In addition, on its appointment, the IR notified Bank of Montreal, where the Debtors held certain bank accounts, to freeze the existing accounts for withdrawals, and make them for deposit only. At the time of the Interim Receivership Order, there was approximately \$16,000 in aggregate in the bank

accounts. In parallel with this, the IR opened new trust accounts for Trigger and En Cadre, as required by paragraph 17 of the Interim Receivership Order.

23. The IR has also confirmed that insurance is currently in place, however the policy was renewed in June, 2020 and no premiums have been paid. Premium arrears are currently \$71,668 and are \$14,343 per month going forward. The IR is investigating other more economical insurance options.
24. As required by the Interim Receivership Order, the IR set up and is maintaining a case website containing all publicly available information in these proceedings.

ASSETS

Accounts Receivable

25. Clearflow advises that it has currently factored Trigger's outstanding AR totalling \$64,074,258 and provided the IR with a listing of this AR (the "**Clearflow AR Listing**"). A copy of the Clearflow AR Listing is attached here to as **Appendix "3"**.
26. The IR has accessed Trigger's Quickbooks records and was able to print a report detailing amounts outstanding from customers, as at October 13, 2020 (the "**Trigger AR Listing**"). The Trigger AR Listing details amounts owing from customers totalling \$1,510,458. A copy of the Trigger AR Listing is attached hereto as **Appendix "4"**.
27. The IR asked Mr. Gdak to confirm that the Trigger AR Listing was correct, to which Mr. Gdak provided an alternative AR listing totalling \$1,411,812 (the "**Mr. Gdak AR Listing**"), of which \$467,738 represents inventory held at customers on consignment and based on the typical terms of consignment, has likely not been sold to the customer. The actual amount owing from customers according to Mr. Gdak is therefore \$944,073. A copy of the Mr. Gdak AR Listing is attached hereto as **Appendix "5"**.
28. The invoices listed on the Trigger AR Listing and the Mr. Gdak AR Listing are mostly less than \$10,000 each. Clearflow advises that they did not factor invoices under \$10,000. The IR has confirmed that none of the AR included on the Trigger AR Listing and the Mr. Gdak AR Listing is included on the Clearflow AR Listing.

29. On October 19, 2020 the IR asked Mr. Gdak if any of the AR on the Clearflow AR Listing were collectible to which Mr. Gdak replied that Trigger's only AR are those listed on the Mr. Gdak AR Listing. Based upon the IR's initial findings, it is concerned that all of the invoices factored by Clearflow totalling \$64,074,258 may not be real, but further investigation is required with respect to this matter.
30. The IR is in the process of contacting all customers and requesting that they verify the amounts owing to Trigger.

Inventory

31. Clearflow advised the IR that on September 28, 2020 Trigger told Clearflow that the inventory at the Premises had a cost value of approximately \$6 million.
32. While there were firearms and ammunition at the Premises, it was apparent to the IR, based on the quantity onsite, that the value was significantly less than \$6 million.
33. The IR opened numerous boxes of handguns, which are restricted firearms, and noted that they were all in disrepair and rusted. These firearms are unusable in their current condition and have very little value.
34. The IR also opened numerous boxes of rifles, which are non-restricted firearms, and noted that they appeared to be in new condition.
35. On the afternoon of October 14, 2020, Mr. Gdak emailed the IR an inventory listing which states the cost value of the inventory at the Premises is \$1,999,058 (the "**Inventory Listing**"). The Inventory Listing appears to be prepared in Excel rather than a printout from Quickbooks. A copy of the Inventory Listing is attached hereto as **Appendix "6"**. The IR has not been able to generate a similar listing in Quickbooks, therefore it appears that Trigger may not have maintained its inventory records in Quickbooks.

IR'S PRELIMINARY FINDINGS TO SUPPORT CLEARFLOW'S CONCERNS

Discussion with Mr. Gdak

36. On October 19, 2020, the IR received a call from Mr. Gdak in which he advised that he was preparing a plan to repay part of the funds advanced by Clearflow. This plan included handing over five properties with equity of approximately \$7

million to Clearflow, two of which were under contract to be sold. Clearflow is aware of the following five properties that are owned by either Jaimak or Mrs. Gdak:

- a) 652 Colby Dr, Waterloo, ON N2V 1A2;
- b) 250 Lions Ct, Waterloo, ON N2L 6M8;
- c) 157 Saugeen Beach Rd, Port Elgin, ON N0H 2C5;
- d) 43 Baker Rd, Port Elgin, ON N0H 2C5; and
- e) 265 Old Post Road, Waterloo

The IR believes that Mr. Gdak was referring to these five properties.

CFO Audit Letter

- 37. The IR contacted the CFO and has requested that an inventory audit be completed to ensure that all restricted firearms registered to Trigger are located at the Premises. The CFO has acknowledged the IR's request and advises it will schedule an audit as soon as possible.
- 38. The CFO also advised that the last audit was completed in December 2019. Clearflow has provided the IR with copies of the CFO audit letters it obtained from Trigger dated March 5, 2020 and May 11, 2020. The IR has provided these letters to the CFO, who has advised that while a letter dated March 5, 2020 was issued to Trigger in respect of the December 2019 audit, the letter provided by Clearflow has been substantially altered from the original letter issued by the CFO. Examples of alternations include:
 - a) changing the number of restricted firearms located at the Premises from 1,114 to 31,114, the number of self audited items from 200 to 3000 and the number of CFO audited items from 162 to 3162; and
 - b) changing the number of reported cameras on the premises from 16 to 32;
 - c) changing the number of motion sensors in the warehouse from 11 to 14;
 - d) removing a sentence that advised the panic alarms were not in use at the time of inspection;
 - e) stating that an audit of Trigger's service ledge was completed finding no issues to report when there is no mention of such an audit in the original letter; and

- f) adding a statement that this is the 24th inspection without issue and continuous advancements in security and operations when there is no such statement in the original letter.

The CFO also advised that the letter dated May 11, 2020 was not issued by the CFO and the audit referred to therein never occurred. Copies of the letters provided to Clearflow by Trigger and the actual letters provided to Trigger by the CFO are attached hereto as **Appendices “7”** and **“8”** respectively.

Customer Email Accounts

39. The Clearflow Affidavits state that Trigger created fake email addresses for supposed Canadian Tire and Home Hardware employees, which Trigger used to provide false sales and AR information to Clearflow.
40. The Receiver located emails from Phil Searles (“**Mr. Searles**”), a Trigger employee, to TWNC requesting that the following new domains be created on August 12 and 13, 2020:
- @hhdist.on.ca
 - @cdntops.com
41. The Receiver also located emails from Mr. Searles and Mr. Gdak to TWNC dated August 12, 13 and 18, 2020, requesting that the following email addresses be urgently created:
- matt.mcguire@cdntops.com
 - c.shulist@hhdist.ca
 - r.egan@hhdist.ca

Copies of the August 12, 13 and 18, 2020 emails are attached hereto as **Appendix “9”**. An excerpt from one of the emails is provided below.

From: Mark Gdak <Mark@triggerwholesale.com>
Sent: August 12, 2020 1:49 PM
To: Phil Searles <Phil@triggerwholesale.com>; twnc.ucr <ucr@twnc.com>
Cc: Scott Downing <SDowning@twnc.com>
Subject: RE: NEW DOMAIN AND NEW EMAIL USER REQUEST

Here is the user that needs to be set up:
Name: Matthew McGuire
Email: matt.mcguire@cdntops.com

42. The IR also located two laptop computers in Mr. Gdak and his spouse, Jaimee Gdak's ("**Mrs. Gdak**") office. These computers were logged into the email accounts for r.egan@hhdist.ca and matt.mcguire@cdntops.com. Print screens of these two email account pages are attached hereto as **Appendix "10"**.
43. It would appear that Mr. Gdak and/or Mrs. Gdak were using these computers to impersonate Canadian Tire and Home Hardware employees.

Cheques Located Onsite

44. The IR located 27 uncashed cheques from what appear to be Trigger customers totalling \$1,654,693.75 (the "**Uncashed Cheques**"), including the following two cheques from what appear to be Home Hardware Building Centre:
- a) cheque number 350015 dated August 18, 2020 in the amount of \$696,150.00; and
 - b) cheque number 336201 dated July 24, 2019 in the amount of \$382,222.50.
45. The Uncashed Cheques were all drawn on accounts from either Canadian Imperial Bank of Commerce ("**CIBC**"), Bank of Nova Scotia ("**BNS**") or Royal Bank of Canada ("**RBC**"). It appeared that all cheques drawn on accounts from each financial institution used the exact same background and same font. Copies of Uncashed Cheques with a schedule summarizing same are attached hereto as **Appendix "11"**.
46. The IR also located boxes of paper printed with the exact same cheque stock for each of CIBC, BNS and RBC. The cheque stock paper was located in the office of Mr. Gdak and Mrs. Gdak.
47. Clearflow has advised that in early August 2020, it requested that Trigger provide scanned copies of cheques it was depositing into the Clearflow blocked account at BMO (the "**Blocked Account**"). While 5 of the Uncashed Cheques are dated in July 2019, the remaining 22 cheques are dated in August 2020. Therefore, it appears that Trigger created cheques in the names of certain customers to provide to Clearflow in support of deposits it was making to the Blocked Account.

The IR continues to investigate the true source of funds being deposited into the Blocked Account.

Accounting Entries

48. Quickbooks maintains a log of all entries made by each user (the “**Audit History**”). The IR has reviewed this Audit History which shows that entries for what appear to be false sales were largely made by Mr. Searles. Numerous AR collections were recorded by Mrs. Gdak. It therefore appears that both Mr. Searles and Mrs. Gdak may have participated in manipulating the accounting records.

SUMMARY AND RECOMMENDATION

49. The preliminary investigation conducted by the IR has revealed that Trigger’s management, specifically, Mr. Gdak, Mrs. Gdak and Mr. Searles, appears to have been involved in the following activity:
- a) entering false customer sales and payments in Trigger’s accounting records;
 - b) creating email accounts to impersonate Canadian Tire and Home Hardware employees;
 - c) preparing false customer cheques on false CIBC, BNS and RBC accounts and providing same to Clearflow, as evidence of customer payments;
 - d) providing false AR information to Clearflow; and
 - e) falsifying letters from the CFO and providing such falsified letters to Clearflow.
50. The IR is of the view that in order to understand what happened to Clearflow’s advances and the use of those funds, a more extensive investigation will be required, including, but not limited to, a full review of the Debtor’s banking activity and reconciliation of customer balances.

51. Based on the foregoing, the IR respectfully requests that this Honourable Court grant an Order, in respect of the relief sought by Clearflow, as detailed in paragraph 8 of the IR's First Report.

All of which is respectfully submitted.

Each prospective purchaser or bidder to

whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtors, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

25. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "Possession") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the "Environmental Legislation"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

26. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. 30. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$300,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and

31. **THIS COURT ORDERS** that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

32. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "B" hereto (the "Receiver's Certificates") for any amount borrowed by it pursuant to this Order.

33. **THIS COURT ORDERS** that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.

SERVICE AND NOTICE

34. **THIS COURT ORDERS** that the E-Service Protocol of the Commercial List (the "Protocol") is approved and adopted by reference herein and, in this proceeding, the service of documents made in accordance with the Protocol (which can be found on the Commercial List website at <http://www.ontariocourts.ca/scj/practice/practice-directions/toronto/e-service-protocol/>) shall be valid and effective service. This Court further orders that a Case Website shall be established in accordance with the Protocol with the following URL www.grantthornton.ca/twi.

35. **THIS COURT ORDERS** that if the service or distribution of documents in accordance with the Protocol is not practicable, the Receiver is at liberty to serve or distribute this Order, any

other materials and orders in these proceedings, any notices or other correspondence, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery or facsimile transmission to the Debtors' creditors or other interested parties at their respective addresses as last shown on the records of the Debtors and that any such service or distribution by courier, personal delivery or facsimile transmission shall be deemed to be received on the next business day following the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.

39. **THIS COURT ORDERS** that the Applicant shall have its costs of this motion, up to and including entry and service of this Order, provided for by the terms of the Applicant's security or, if not so provided by the Applicant's security, then on a substantial indemnity basis to be paid by the Receiver from the Debtors' estate with such priority and at such time as this Court may determine.

40. **THIS COURT ORDERS** that any interested party may apply to this Court to vary or amend this Order on not less than seven (7) days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

INTRODUCTION

1. Grant Thornton Limited (“**GTL**”) was appointed as Interim Receiver (the “**IR**”) of Trigger Wholesale Inc. (“**Trigger**”) and The En Cadre Group Inc. (“**En Cadre**”) (collectively, the “**Debtors**”) by order of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) dated October 13, 2020 (the “**Interim Receivership Order**”). Copies of the Interim Receivership Order and the Endorsement of the Honourable Madam Justice Gilmore are attached hereto as **Appendix “1”**.
2. Background information pertaining to the Debtors, including the circumstances leading to the appointment of the IR, are contained in the affidavits of Martin Rees, Sandy Kanishis and Glenn Peterson, each sworn October 9, 2020 (the “**Clearflow Affidavits**”) in support of Clearflow Commercial Finance Corp.’s (“**Clearflow**”) application for the appointment of the IR. A copy of the Clearflow Affidavits without appendices are attached hereto as **Appendix “2”** and are accessible on the case website at www.GrantThornton.ca/TWI. Clearflow is the primary secured creditor of the Debtors.
3. The Interim Receiver filed its first report to Court dated October 21, 2020 (the “**IR’s First Report**”) in support of Clearflow’s application to convert the Interim Receivership Order, to a national receiver, pursuant to subsection 243(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3 (the “**BIA**”). A copy of the IR’s First Report is attached hereto as **Appendix “3”** without appendices.
4. Pursuant an order of the Honourable Mr. Justice McEwen dated October 22, 2020, GTL was appointed as the Receiver (the “**Receiver**”) over the assets, undertakings and properties of the Debtors, as well as certain real property owned by each of Jaimak Real Properties Inc. or Jaimee Lynn Gdak (“**J. Gdak**”), pursuant to subsection 243(1) of the BIA and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c. C.43, as amended (the “**Receivership Order**”). A copy of the Receivership Order is attached hereto as **Appendix “4”**.

DISCLAIMER

5. In preparing this report, the Receiver has reviewed certain unaudited financial information and certain financial information related to the Debtors. While the Receiver has performed a preliminary review of available books and records of the Debtors, such review does not constitute an audit or verification of such information for accuracy, completeness or compliance with Generally Accepted Auditing Standards (“**GAAS**”) or International Financial Reporting Standards (“**IFRS**”). Accordingly, the Receiver expresses no opinion or other form of assurance pursuant to GAAS or IFRS with respect to such information.
6. This report has been prepared for the use of this Court as general information to assist the Court in making a determination of whether to approve the relief sought by the Receiver, in respect of motion that is scheduled to be heard by the Court on December 1, 2020. Accordingly, the reader is cautioned that this report may not be appropriate for any other purpose.
7. All references to dollars in this report are in Canadian currency, unless otherwise noted.

PURPOSE OF FIRST REPORT

8. The purpose of this, the Receiver’s first report to Court (the “**First Report**”) is to advise the Court on the Receiver’s activities since its appointment and to provide information to the Court pertaining to the Receiver’s request for an Order, *inter alia*,
 - a) approving the IR’s First Report and the activities of the IR described therein;
 - b) approving the First Report and the activities of the Receiver described therein;
 - c) approving the sale transaction (the “**Transaction**”) contemplated by an agreement of purchase and sale dated October 9, 2020 between J. Gdak, as vendor, and Paul German and Julie German (collectively, the “**Purchasers**”), as purchasers, as amended by an amending agreement dated October 30, 2020 between the Receiver and the Purchasers, and as further amended by a second amending agreement dated November 6, 2020 between the Receiver and the Purchasers for the purchase and sale of a property located at 43 Baker Rd., Port Elgin, Ontario (the “**Purchased Property**”) (the “**Sale**

Agreement") and authorizing the Receiver to take such steps and execute such documents as may be necessary or desirable for the completion of the Transaction;

- d) vesting in the Purchasers all of J. Gdak's right, title and interest in and to the Purchased Property, free and clear of all encumbrances, except certain permitted encumbrances;
- e) sealing certain Confidential Appendices to the First Report;
- f) approving the fees and disbursements of the IR and the Receiver for the period from October 8, 2020 to October 31, 2020, as set out in the affidavit of Jacob Wiebe, sworn November 20, 2020; and
- g) approving the fees and disbursements of Borden Ladner Gervais LLP ("**BLG**"), legal counsel to the IR and the Receiver for the period from October 9, 2020 to October 31, 2020, as set out in the Affidavit of Christine Mason, sworn November 20, 2020.

Sale of 43 Baker Road, Port Elgin, Ontario

- 9. Prior to the appointment of the IR and the Receiver, J. Gdak entered into an agreement of purchase and sale dated October 9, 2020 with the Purchasers for the Purchased Property. The closing date stated in the Sale Agreement was October 30, 2020. A copy of the redacted agreement of purchase and sale dated October 9, 2020 is attached hereto as **Appendix "5"**. A copy of the unredacted Sale Agreement is attached hereto as **Confidential Appendix "1"**.
- 10. On October 30, 2020, the Receiver and the Purchasers executed an amendment to the Sale Agreement to extend the closing date to November 6, 2020, to allow the Receiver to obtain a valuation of the Purchased Property (the "**October 30 Amendment**").
- 11. The Receiver engaged a realtor to provide an opinion of value on the Purchased Property (the "**Opinion of Value**"), in order to assess the reasonableness of the proposed selling price. A copy of the Opinion of Value is attached hereto as **Confidential Appendix "2"**. The Opinion of Value verified that the proposed selling price in the Sale Agreement is reasonable.
- 12. On November 6, 2020 the Receiver and the Purchasers executed a further amendment to the Sale Agreement (the "**November 6 Amendment**"). The

Transaction is subject to Court approval, since the amount of the selling price exceeds the Receiver's limit to sell assets, as specified in the Receivership Order. Copies of the October 30 Amendment and the November 6 Amendment are attached hereto as **Confidential Appendices "3" and "4"**.

13. The Receiver reviewed the Sale Agreement and the Opinion of Value with Clearflow, who supports the proposed Transaction.
14. The Receiver recommends that the Transaction be approved by the Court for the following reasons:
 - a) the Transaction was originally entered into by J. Gdak;
 - b) the Receiver has obtained an Opinion of Value which supports the economics of the proposed Transaction; and
 - c) the Transaction is in the best interests of the stakeholders in the within receivership proceedings.

Confidentiality

15. The Receiver believes that the Confidential Appendices should remain sealed until the closing of the Transaction as the information contained therein is commercially sensitive and could prejudice the sale of the Purchased Property. In the absence of a sealing order, potential purchasers would have access to information obtained by the Receiver, which may impact the price that interested purchasers are willing to offer for the Purchased Property, should the proposed Transaction not close.
16. The Receiver does not believe that any party will suffer prejudice if the information in Confidential Appendices are sealed in this manner.

APPROVAL OF PROFESSIONAL FEES

17. The IR, the Receiver and its counsel have maintained detailed records of their professional fees.
18. Pursuant to paragraph 22 of the IR Order and paragraph 27 of the Receivership Order, the IR and the Receiver and its counsel shall be paid their reasonable fees and disbursements and a charge was granted on the Property (as defined in the Receivership Order), as security for such fees and disbursements.

19. The total fees and disbursements of the IR and the Receiver from October 8, 2020 to October 31, 2020 amount to \$138,262.97 inclusive of disbursements and HST and are more particularly describe in the affidavit of Jacob Wiebe sworn November 20, 2020, a copy of which is attached hereto as **Appendix "6"**.
20. The total fees and disbursements of the Receiver's counsel, BLG, from October 9, 2020 to October 31, 2020 amount to \$46,400.06 inclusive of disbursements and HST and are more particularly describe in the affidavit of Christine Mason sworn November 20, 2020, a copy of which is attached hereto as **Appendix "7"**.
21. The Receiver believes that the fees described in the fee affidavits are fair and reasonable and respectfully requests that the Court approve same.

SUMMARY AND RECOMMENDATION

22. Based on the foregoing, the IR and the Receiver respectfully request that this Honourable Court grant an Order, in respect of the relief sought, as detailed in paragraph 8 of the First Report.

All of which is respectfully submitted.

TO: THE SERVICE LIST

Further to my email below, here is the endorsement of Justice Dietrich dated December 1st, 2020:

Endorsement

The Receiver brings the first motion seeking approval of the sale transaction of one of five real properties owned by the respondent Jaimee Lynn Gdak. The property is municipally known as 43 Baker Road, Port Elgin, Ontario (the "Property"). Ms. Gdak was served on the motion and is now represented by counsel. The motion is unopposed.

Ms. Gdak had entered into an agreement of purchase and sale with the purchasers and the Receiver will complete that transaction. The Receiver's report states that it obtained an opinion of value that supports the transaction and that the transaction is in the best interests of the stakeholders in these receivership proceedings. I am satisfied that the *Soundair* principles have been met in this case and that the transaction should be approved.

I have reviewed the First Report of the interim Receiver and the First Report of the Receiver, and the Receiver's activities as described in its respective reports should be approved. The fees and disbursements of the interim Receiver, the Receiver and its counsel, as set out in the First Report, appear to be in order and should be approved.

Approval and Vesting Order to go in the form attached hereto and signed by me. The Order is effective as of today's date and does not need to be entered.

The Approval and Vesting Order contains a sealing order with respect to the Confidential Appendices. I am satisfied that the *Sierra Club* test has been met for these materials. **On the resumption of regular court operations, it will be the responsibility of counsel for the Receiver to ensure that the subject materials are properly identified and protected under seal in the court file.**

Ms. Gdak brings the second motion for an order that the Receiver be authorized to pay her counsel the sum of \$30,000 as a retainer when any one of the five real properties owned by her or Jaimak Real Properties Inc., which are included in the receivership assets, is sold and the Receiver is in possession of sale proceeds.

There is no opposition to this order. A similar order was made by Justice McEwen on October 22, 2020, when the Receiver was appointed, with respect to the respondent Mark Gdak. At the time of Justice McEwen's order, Ms. Gdak had not yet retained counsel. Mr. Gdak and Ms. Gdak are subject to a Mareva injunction.

James,

Do you want to speak to Clearflow with me quickly so they can confirm the funds?

I cannot have this payment bounce and I am begging you to go to bat for me.

There are no cheques running through the account tomorrow and If there is an issue, Clearflow will guarantee the transfer the second the bank opens tomorrow.

I am still pushing them for the transfer right now though and it is my goal. Im frantically trying to reach them and so is Sandy

I can also have them reach out to you?

I believe it is 5pm.

Can you have the BMO person contact Matt and I and we can confirm that we are sending the funds. Have them call my desk at 647-284-2622

We may have a different problem. I called to see if I could override the wire approval and they suggested my transfer limit to you is set at \$7-million. We have already sent \$3.5+ plus the \$5 that was just released. Matt is on the phone trying to verify. I can confirm that tomorrow, we would wire \$5.5 million in one shot to make up the \$6 million that we have reconciled our accounts to. This was not done deliberately and we do not want to burn a bridge.

Sandy,

This needs to happen ASAP. Im starting to take this personally and it is no way to finish what was a good partnership. Is 4pm the wire cut-off time?

I have just set up a second wire for \$500,000.00 as requested.

You will have these funds within 15 minutes.

I am still tacking down Martin and Glenn for the larger wire. Glenn is in Vancouver right now.

As discussed, I am in the process of releasing \$4,500,000.00 today and the balance tomorrow.
The wire is setup now in TD and I just need approval from Martin and Glenn

I apologize for the shortage today. We can reconcile in the morning and close out early tomorrow

Let me know if either of you have any questions.

5 EXAMINATION BY MR. SMITH:

6 1. MR. SMITH: Mr. Blay, I understand
7 you have a presentation before we start?
8 MR. BLAY: Just a few quick comments.
9 First of all, I just wanted to confirm,
10 Mr. Smith, that my witness is here...or
11 rather, my client is here today in her
12 individual capacity. She is here to
13 answer questions pursuant to an order of
14 the Ontario Superior Court of Justice
15 compelling her to do so.

16 To the extent necessary, Ms. Gdak
17 asserts her rights under section 5 of
18 the *Canada Evidence Act* and/or section 9
19 of the *Ontario Evidence Act*, and objects
20 to answering any questions that may tend
21 to incriminate her, understanding that
22 she is, nonetheless, required, by law,
23 to answer such questions. Rather than
24 asserting the protection after each such
25 questions, she asserts the objection

1 globally.

2 Ms. Gdak, also, asserts any further
3 or residual protections available to her
4 under the Charter of Rights and
5 Freedoms, the *Federal* and *Provincial*
6 *Evidence Acts*, or at common law. Ms.
7 Gdak has been, and will continue to be,
8 completely cooperative with the
9 Receiver. Reliance on privilege today
10 is simply for purposes of protecting her
11 rights today, and in the future, and
12 should not be taken as intending to
13 obstruct the Receiver in exercise of his
14 duties.

15 2. MR. SMITH: Thank you, Mr. Blay.
16 Understood and acknowledged.

17
18 BY MR. SMITH:

19 3. Q. Ms. Gdak, before we start, could
20 you confirm that you are alone in the room in
21 which you are currently situate?

22 A. Yes, I am.

23 4. Q. And can you confirm that you
24 don't have any other applications running on the
25 computer that you're using?

1 A. No, I do not.

2 5. Q. Okay, and can you also confirm
3 that you're not recording this examination in any
4 way?

5 A. No, I am not.

6 6. Q. Okay, thank you. Could you
7 please give me your date of birth?

8 A. [REDACTED]

9 7. Q. I understand your name before you
10 married Mark Gdak was Clayton, your last name?

11 A. Yes, correct.

12 8. Q. And that's C-L-A-Y-T-O-N?

13 A. Yes.

14 9. Q. You are married to your co-
15 respondent, Mark Gdak?

16 A. Yes.

17 10. Q. I understand you have two
18 children?

19 A. Yes.

20 11. Q. Do you have any siblings?

21 A. Yes, I do.

22 12. Q. How many and who are they?

23 A. I have one sibling, and her name
24 is Christa Bate.

25 13. Q. Christa...sorry, what's the last

1 name?

2 A. Bate, B-A-T-E.

3 14. Q. Okay, and where does Ms. Bate
4 live?

5 A. In Kitchener.

6 15. MR. SMITH: Okay. Mr. Blay, if
7 required, can we have contact
8 information for Ms. Bate?

9 MR. BLAY: I'm not sure I understand
10 its relevance. We'll take it under
11 advisement. U/A

12 16. MR. SMITH: Thank you.

13

14 BY MR. SMITH:

15 17. Q. Ms. Gdak, I understand you
16 currently reside at [REDACTED] in Waterloo?

17 A. Yes.

18 18. Q. And that's a house?

19 A. Yes.

20 19. Q. You've lived there since 2005?

21 A. Yes.

22 20. Q. Is that correct?

23 A. Yes.

24 21. Q. Can you give me an idea of your
25 education background?

1 A. I did not go to university or
2 college, and I did not finish high school.

3 22. Q. Okay, have you worked outside of
4 the home since being married to Mark Gdak?

5 A. Yes.

6 23. Q. And where have you worked?

7 A. At Rogers Communications.

8 24. Q. Okay, from when to when did you
9 work at Rogers?

10 A. I'm trying to think. I would
11 have ended working there in 2008.

12 25. Q. Okay.

13 A. And I worked there for about 14
14 years.

15 26. Q. And then after Rogers, did you
16 start working at Trigger Wholesale?

17 A. I was home with the kids, and
18 then I did work with Trigger Wholesale.

19 27. Q. Okay, we'll get to that in a bit.
20 We have an email address for you,

21 [REDACTED]; is that still a valid
22 email address for you?

23 A. It's an email address that Rogers
24 required at the time of setting up Internet 15
25 years ago. So...

1 28. Q. Okay.

2 A. ...it's not actively being used.

3 It's a junk mail collector.

4 29. Q. Understood.

5 A. So it does exist, but it's not
6 used.

7 30. MR. SMITH: Okay. I want to ask you
8 a few questions about the Respondent,
9 Trigger Wholesale Inc., and I'm going to
10 refer you to the original application
11 record. And Mr. Blay, perhaps we could
12 have that marked as Exhibit 1.

13 MR. BLAY: That's fine, Mr. Smith. I
14 asked my client what files she has
15 physically, what documents she has
16 physically, and she only has the motion
17 record and the factum from the motion
18 for the permanent Receiver.

19 31. MR. SMITH: Okay.

20 MR. BLAY: So what I would suggest is
21 that if you have a document to put to
22 her that you could do so by way of
23 screen share through Zoom.

24 32. MR. SMITH: That's the plan.

25 MR. BLAY: Okay.

1 33. MR. SMITH: And, Mr. Reporter, we'll
2 send you the documents to be marked, if
3 that's okay. Thank you.
4

5 --- EXHIBIT NO. 1: Original Application Record,
6 dated October 9, 2020
7

8 BY MR. SMITH:

9 34. Q. So I'm going to refer you to
10 Exhibit E of the Affidavit of Martin Rees. We
11 seem to have an issue with our screen sharing
12 capability. Could we just go off for a second.
13

14 --- DISCUSSION OFF THE RECORD
15

16 BY MR. SMITH:

17 35. Q. All right, I'm going to show you
18 Exhibit E to the Affidavit of Martin Rees, which
19 is at page 103 of the record and 116 of the PDF.
20 Are you able to see that, Ms. Gdak?

21 A. Yes.

22 36. Q. Okay, this is a corporation
23 profile report for Trigger Wholesale Inc., and I
24 take it that you are familiar with Trigger
25 Wholesale Inc. as a company that is owned and

1 operated by yourself and your husband; is that
2 correct?

3 A. By my husband, not myself.

4 37. Q. Okay, in any event, you'll
5 see...if you can see where my cursor is, there's
6 an address of 588 Colby Drive; do you see that?

7 A. Yes.

8 38. Q. And that's in Waterloo, Ontario?

9 A. Yes.

10 39. Q. And I'm just going to scroll down
11 a bit, and you'll see that your husband, Mark
12 Gdak, is listed as a director; do you see that?

13 A. Yes.

14 40. Q. And I'm going to scroll down a
15 little bit more and it says that you, Jaimee Lynn
16 Gdak, are also a director; isn't that correct?

17 A. I see that, yes.

18 41. Q. Were you not...

19 A. In 2014?

20 42. Q. ...aware. Sorry, what did you
21 say?

22 A. It's showing that's from 2014.

23 43. Q. Well, that's the date that it
24 began.

25 A. Right.

1 44. Q. Were you not aware that you're a
2 director of Trigger Wholesale?

3 A. No.

4 45. Q. Okay, you are listed...and I'm
5 referring to page 4 of the Corporation Profile
6 Report...you're listed as a secretary of the
7 corporation.

8 A. Okay.

9 46. Q. And your evidence is you weren't
10 aware of that?

11 A. No.

12 47. Q. Okay, I understand that you have
13 worked from time to time with Trigger Wholesale;
14 is that correct?

15 A. Yes.

16 48. Q. I understand that you have an
17 office at...a designated office for yourself at
18 the premises of Trigger Wholesale; is that
19 correct?

20 A. No.

21 49. Q. There's no office...

22 MR. BLAY: Mr. Smith, sorry for
23 interrupting, but...

24 50. MR. SMITH: No, please.

25 MR. BLAY: This is an examination

1 pursuant to a court order...

2 51. MR. SMITH: Yes.

3 MR. BLAY: ...that is within the four
4 corners of a receivership that attaches
5 to Trigger Wholesale, En Cadre, and some
6 specific real property that is
7 purportedly owned by Ms. Gdak, or a
8 corporation controlled by Ms. Gdak. So
9 how do questions with respect to the
10 day-to-day operations of Trigger bear on
11 the four corners of the receivership?

12 52. MR. SMITH: Excellent question, Mr.
13 Blay. As you know, the goal of this
14 receivership is to recover as much money
15 that has gone missing as possible for
16 the benefit of the creditors of Trigger
17 Wholesale. The purpose of the
18 examination of this witness is to see
19 what evidence the Receiver can obtain
20 from this witness as to the day-to-day
21 operations of Trigger and En Cadre in
22 order to further those goals to see if
23 we can find out where the money went.
24 So, to the extent that this witness is
25 knowledgeable about the day-to-day

1 operations of Trigger, that is going to
2 assist the Receiver and the Receiver's
3 mandate.

4 MR. BLAY: The problem, as I see
5 it...and I don't mean to be obstructive,
6 but the problem as I see it is that the
7 receivership order that you have is not
8 an investigatory receivership. There's
9 no judgment in favour of ClearFlow at
10 this point. There is no tracing remedy
11 pursued by ClearFlow. So I'm happy to
12 have Ms. Gdak answer questions with
13 respect to the property, with a capital
14 P, the property that is in the
15 receivership order, but anything beyond
16 that scope, it appears to me, is simply
17 not relevant to the current examination.

18 53.

19 MR. SMITH: Well, it's our position
20 that her activities with Trigger is
21 going to be important background
22 information as to her knowledge of the
23 property, with or without a capital P.

24 MR. BLAY: Well, I think the capital
25 or lowercase P is a pretty significant
issue here.

1 54. MR. SMITH: Well, I think you and I
2 can agree to disagree on that, and if
3 you want to refuse the questions, then
4 we can take them up in a different
5 forum.

6 MR. BLAY: All right, well, for the
7 moment, without conceding their
8 relevance, I'm content to have Ms. Gdak
9 continue, but I would suggest that to
10 make best use of the time available to
11 us, you may want to start with the
12 property with the capital P, and then
13 expand your scope at that point. But
14 I'll leave that to you.

15 55. MR. SMITH: Thank you.

16
17 BY MR. SMITH:

18 56. Q. If we can refer...still in the
19 application record, I'm going to refer you to the
20 Affidavit of Mr. Rees, and paragraph 8 of that
21 Affidavit. So, Ms. Gdak, you see I've got
22 paragraph 8 of the Affidavit of Mr. Rees on the
23 screen; can you see that?

24 A. Yes.

25 57. Q. And Mr. Rees says that,

1 "...Jaimee has been actively involved in
2 Trigger's business and served in a
3 senior accounts receivable collection
4 capacity..."

5 Do you see that?

6 A. Yes.

7 58. Q. And do you agree or disagree with
8 that statement?

9 A. I disagree.

10 59. Q. Mr. Rees says,
11 "...As a result of her position with
12 Trigger and her involvement with the
13 day-to-day affairs of Trigger, Jaimee
14 was at all material times aware of and
15 participated in the fraudulent actions
16 described below..."

17 Do you see that statement?

18 A. I do.

19 60. Q. And do you agree or disagree with
20 that?

21 A. I disagree.

22 61. Q. Do you hold any specific position
23 with Trigger?

24 A. I didn't have a specific title.

25 I did administrative roles.

1 62. Q. Can you give me an idea of the
2 administrative roles that you did with Trigger?

3 A. I would take photography, do
4 photos of product, built a website, filed papers,
5 entered receipts that were provided by Mark.

6 63. Q. Okay.

7 A. Sent credit card payments.

8 64. Q. Would you make deposits into
9 various Trigger accounts?

10 A. I would make a deposit into the
11 account if Mark needed me to make a deposit, yes.

12 65. Q. Okay. And I'm showing you, up on
13 the screen if it's working, paragraph 21 from the
14 application record of the Affidavit of Mr.
15 Kanchis, K-A-N-C-H-I-S. And Mr. Kanchis says, at
16 paragraph 21, that...he refers to certain emails
17 that were sent from you to ClearFlow. Did you,
18 from time to time, communicate with ClearFlow?

19 A. Yes, for credit card payments.

20 66. Q. Okay, any other reasons that you
21 would communicate with ClearFlow?

22 A. If there was a deposit going
23 through, I would send a deposit if Mark needed me
24 to send the email for him.

25 67. Q. Okay, I've got paragraph 20 up on

1 the screen now of Mr. Kanchis' Affidavit. He
2 says, in paragraph 20, that you have
3 sent...literally hundreds of emails have been
4 exchanged between yourself and ClearFlow. Is
5 that accurate or inaccurate?

6 A. It could be accurate. It's for
7 dealers making credit card payments. Yes.

8 68. Q. Okay, in the last two years, how
9 many hours a week would you spend at the Trigger
10 premises?

11 A. Removing the last year, I haven't
12 been there very much the last year. I've been
13 home with the kids.

14 69. Q. Okay.

15 A. Before that, it could be four to
16 five hours a day depending on what errands needed
17 to be done during the day.

18 70. Q. All right, and did you have any
19 involvement on the what I'll call the buy-side of
20 the business. Did you go to any trade shows or
21 speak to any dealers or suppliers?

22 A. I have been to trade shows, yes,
23 but never to...in it for meetings. It was for
24 the social aspect.

25 71. Q. What do you mean by that?

1 A. To go with my husband. And the
2 manufacturers liked to see a husband and wife,
3 and I would just go, but never for the meetings.

4 72. Q. Okay, did you have any
5 involvement on the sales side of Trigger
6 Wholesale?

7 A. No.

8 73. Q. Did you ever meet with clients of
9 Trigger Wholesale in order to discuss the sale of
10 firearms to various clients?

11 A. No.

12 MR. BLAY: Mr. Smith, sorry, I'm
13 going to have to interrupt. I think we
14 either need to...you and I to agree on
15 the scope of this, or we're going to
16 have to get a judge to intervene and set
17 out what the scope of this is, because
18 I...the questions you're asking, to me,
19 are appropriate for an investigative
20 receiver, but not a receiver in its
21 current capacity. And, as I say, I'm
22 not trying to be obstructive, but I do
23 want to make sure that the examination
24 that Ms. Gdak is subject to today stays
25 within the four corners of the existing

1 receivership orders, and I think this
2 strays beyond it. The property...

3 MR. SIMPSON: Mr. Blay, can I ask, as
4 the person who obtained the order, I've
5 heard this term "investigative
6 receivership" before. What would...
7 what's the difference between the order
8 that was obtained that specifically
9 permits the Receiver to investigate
10 these issues by its terms and what you
11 would need to be an investigative
12 receiver.

13 MR. BLAY: Well, for one thing, it's
14 not a legal argument I'm intending to
15 get into in the context of this
16 examination, but, I think in broad
17 strokes, we're looking at something
18 along the lines of that Akagi case
19 from...you know, was it last year or the
20 year before that, where you've got a
21 receiver who is overreaching. I mean,
22 it's trite law to say that the receiver
23 is bound by the four corners of that
24 order, and there is a difference in the
25 form of an order between what we have

1 and what an investigative receiver would
2 have available to it through the court
3 order. It's a different kind of court
4 order. So it could very well be that
5 you can convince a judge that these
6 kinds of questions are suitable for an
7 examination pursuant to whatever it was,
8 was it paragraph 8 or paragraph 9 of the
9 second Receiver's order, but I'm not
10 convinced of it, and I don't think my
11 client should be answering those
12 questions until a judge has intervened.

13 74. MR. SMITH: Well, this is, as you
14 know, a national receivership. The
15 Receiver was appointed both under the IA
16 in section 101, and the Receiver has
17 wide powers to investigate in order to
18 find the money. I don't see anything
19 limiting the scope of the Receiver's
20 powers to investigate.

21 MR. BLAY: But you're certainly not
22 suggesting that the Receiver's powers
23 are unlimited? And so...

24 75. MR. SMITH: I'm suggesting that the
25 Receiver's powers are only limited to

1 the extent that the order sets out
2 limitations.

3 MR. BLAY: Well, I don't think
4 there's any point in continuing to have
5 the argument here. What I would
6 suggest, Mr. Smith, is that you and
7 I...we adjourn today. Unless you have
8 specific questions about capital-P
9 property today, we adjourn. You and I
10 can discuss the next steps, and we'll
11 take it from there.

12 76. MR. SMITH: Well, why don't we do
13 this. Why don't I talk about...why
14 don't I ask my questions about the
15 property, and then we can agree to
16 disagree on the remaining questions that
17 I want to ask and the scope of the
18 Receiver's powers to conduct an
19 investigation...sorry, conduct an
20 examination, such as this, and we can
21 pick it up at a later time.

22 MR. BLAY: That's fine. And
23 I'll...just let me add one thing. The
24 Receiver's order does, I fully concede,
25 have a section that permits it to engage

1 in discussions and meeting with affected
2 persons, and a lot of the questions
3 you're asking here could be dealt with
4 in that context, as well, which may be
5 the way that you and I want to address
6 this. But, I think, the best use of
7 your time and all of our time right now
8 is, in fact, as you've set out, let's
9 deal with the property and then you and
10 I can deal with the remainder in due
11 course.

12 77. MR. SMITH: That's fine. Just for
13 the record, I disagree with your
14 position. I think that the Receiver has
15 very broad powers to conduct these
16 examinations. I don't see any limit on
17 the Receiver's powers to ask relevant
18 questions under the appointment order,
19 and we're certainly not foreclosing any
20 of the Receiver's rights to ask those
21 questions.

22 MR. BLAY: Understood.

23
24 BY MR. SMITH:

25 78. Q. Okay, Ms. Gdak, to your

1 knowledge, does Trigger own a large parcel of
2 land located at 1343 Martingrove Road in
3 Waterloo?

4 A. Not to my knowledge.

5 79. Q. Okay, do you own, to your
6 knowledge, a property at 265 Old Post Road in
7 Waterloo?

8 A. Yes.

9 80. Q. And I understand that's a
10 condominium property?

11 A. Yes.

12 81. Q. Was purchased in 2018, I
13 understand, for \$437,000?

14 A. Yes.

15 82. Q. Where did the purchase money come
16 from?

17 A. Our bank account.

18 83. Q. Okay. Do you know where the
19 money came from before it went into your bank
20 account?

21 A. I didn't have access to our bank
22 accounts, so I don't...I do not know the answer.
23 I was told it was our investment money.

24 84. Q. Told by whom?

25 MR. BLAY: Don't answer that.

/R

1 85. MR. SMITH: Why not?

2 MR. BLAY: Well, it's spousal
3 privilege, or what I anticipate the
4 answer is is spousal privilege, and, in
5 fact, we got to the answer before we got
6 to the source.

7
8 BY MR. SMITH:

9 86. Q. Okay, who currently lives in that
10 address?

11 A. My mom and...my parents do.

12 87. Q. All right, and I'm going to show
13 you what is called a Licence Agreement; do you
14 see that?

15 A. Yes.

16 88. Q. And this is an agreement, dated
17 18 April, 2020, between yourself as one party and
18 William Clayton and Kathy Clayton as the
19 counterparties; do you see that?

20 A. Yes.

21 89. Q. And William and Kathy are your
22 parents; is that right?

23 A. Yes.

24 90. Q. Okay, why is it that you have
25 this Licence Agreement with your parents?

1 A. Because the Licence Agreement,
2 this would be for renting, for staying there.

3 91. Q. Okay, the agreement says,
4 "...The parties hereto expressly agree
5 that this is not a lease..."

6 Do you see that?

7 A. Right, so forgive me in my
8 verbiage. It's our property, but they are living
9 there. So I imagine it was because they can't
10 assume that it would be theirs, or assume
11 ownership, if that's the right word.

12 92. Q. Okay, so I understand that
13 they're living there. They're not paying any
14 money by way of rent; is that correct?

15 A. Correct.

16 93. MR. SMITH: And if we can, Mr.
17 Reporter, refer to this Licence
18 Agreement as the next exhibit, please.
19 Is that all right, Mr. Blay?

20 MR. BLAY: Sorry?

21 94. MR. SMITH: Is that okay; this is the
22 next exhibit?

23 MR. BLAY: Yes.

6 95. Q. I'm next going to show you, Ms.
7 Gdak, a document entitled letter of intent. Do
8 you see that?

9 A. Yes.

10 96. Q. And it seems to be dated August
11 5, 2020?

12 A. Yes.

13 97. Q. Can you tell me what this
14 document is?

15 A. My parents wanted to purchase the
16 property.

17 98. Q. Okay, and what is the status of
18 that potential transaction?

19 A. I don't know the status. They're
20 waiting to purchase the property.

21 99. Q. Okay, so this document, this
22 letter of intent, says that they agree to abide
23 by the conditions of the lease agreement. Is
24 that the Licence Agreement that we referred to
25 earlier?

1 A. I believe so.

2 100. MR. SMITH: Okay, could this be the
3 next exhibit, please. And I'll send
4 that to you, Mr. Reporter.

10 101. Q. The next document I want to show
11 you is a document entitled, "Agreement of
12 Purchase and Sale, Condominium Resale"; do you
13 see that?

14 A. Yes.

15 102. Q. And it has got your name on it as
16 seller; is that correct?

17 A. Yes.

18 103. Q. And it is in respect of 265 Post
19 Road?

20 A. Old Post, yes.

21 104. Q. Old Post Road, my apologies.
22 There is a purchase price of [REDACTED]; do you see
23 that?

24 A. Yes.

25 105. Q. And is that the purchase price

1 that was agreed to between yourself and your
2 parents...

3 A. Yes.

4 106. Q. ...with respect to the purchase
5 of this condominium?

6 A. Yes.

7 107. Q. Was there any kind of an
8 appraisal performed in order to arrive at that
9 purchase price?

10 A. I believe that there has been an
11 appraisal, yes.

12 108. Q. Can you produce that appraisal to
13 me, or appraisals?

14 A. I don't have the documentation.

15 109. Q. Are you able to obtain the
16 appraisals?

17 A. I can ask, yes.

18 110. MR. SMITH: Mr. Blay, is that okay?

19 MR. BLAY: We can make best efforts
20 to obtain a copy for you. Well,
21 rather... U/T

22 111. MR. SMITH: Are you...

23 MR. BLAY: ...that the witness can.

24
25 BY MR. SMITH:

1 112. Q. All right, Ms. Gdak, who has the
2 appraisals?

3 A. I don't know. I have to...I
4 don't know if my...if Mark has them or if my
5 parents have them.

6 113. Q. Do you know if there was more
7 than one appraisal?

8 A. I believe so. I don't know.

9 114. Q. Okay, so just to be clear, if
10 there's more than one appraisal, I would ask you
11 to make best efforts to obtain however many
12 appraisals there are. Is that okay?

13 A. Yes.

U/T

14 115. Q. Thank you. And in respect of the
15 payment terms, it says there was a deposit due in
16 the amount of [REDACTED] payable to Kelly & Company
17 In Trust, and then that is struck out. Do you
18 see that?

19 A. Yes.

20 116. Q. Who is Kelly & Company; do you
21 know?

22 A. That would have been our lawyers.

23 117. Q. Okay, and at the bottom of the
24 page, page 1, the initials of the seller, is
25 that...are those your initials?

1 A. I can't see that part of the
2 screen, because everything is covering it.

3 118. Q. Can you see it now if I move it
4 up?

5 A. Oh, yes, I just have to
6 move...yes, that's mine.

7 119. Q. Okay, and I'm going to refer you
8 to page 5. Is that your signature on the bottom
9 of page 5?

10 A. Yes.

11 120. Q. Above the word "Seller"?

12 A. Yes.

13 121. Q. And is that date correct,
14 September 1, 2020?

15 A. Yes.

16 122. Q. Do you recognize the signatures
17 of your parents above "Buyer" to the right of
18 your signature?

19 A. Yes.

20 123. Q. Okay, now, when I asked you what
21 the status was of this sale, you said that your
22 parents were waiting to purchase this property.
23 Have your parents been made aware of the
24 receivership order?

25 A. Yes.

1 124. Q. Okay. My understanding is that
2 the Receiver has asked for the keys to 265 Old
3 Post Road. Who has the keys, currently?

4 A. My parents.

5 125. Q. Okay, can you tell me why the
6 keys have not been provided to the Receiver?

7 A. I have not been asked. My
8 parents live there.

9 MR. BLAY: This is the first time
10 hearing of it, by the way.

11 126. MR. SMITH: Okay. I think that
12 request has been made, but we can circle
13 back with Mr. Blay in that respect.

14 127. MR. SMITH: And can we have an
15 undertaking that nothing proceed in
16 respect of the proposed sale of 265 Old
17 Post Road without the consent of the
18 Receiver?

19 MR. BLAY: I don't...yes, although I
20 don't think you need the undertaking.
21 There is already an order out there that
22 precludes it.

U/T

23 128. MR. SMITH: I think you're right, but
24 it's good to be cautious.

2 129. Q. Ms. Gdak, do you also own a
3 property located at 250 Lion's Court in Waterloo?

4 A. Yes.

5 130. Q. And do you know when that was
6 purchased by you?

7 A. I believe 2005.

8 131. Q. Okay, do you know who the
9 registered owner is of that?

10 A. Myself.

11 132. Q. Let me just try and pull up the
12 real estate sub search. Okay, so I've got here a
13 printout from Service Ontario with respect to 250
14 Lion's Court, Waterloo. It looks as if, if you
15 can see on the screen, in December of 2005...

16 A. Yes.

17 133. Q. ...the property was purchased by
18 both yourself and Mark; do you see that?

19 A. Yes.

20 134. Q. And the purchase price, I
21 believe, was [REDACTED]; does that seem correct?

22 A. It seems correct.

23 MR. BLAY: I might have to interject
24 there, and not to be argumentative...

25 135. MR. SMITH: Oh, sorry, that's the...

1 MR. BLAY: ...that's the charge, not
2 the transfer.

3 136. MR. SMITH: That's the charge, I
4 apologize.

5
6 BY MR. SMITH:

7 137. Q. Do you know what the purchase
8 price was?

9 A. I do not know.

10 138. Q. And it looks as if...do you know
11 if there's a current charge on the property?

12 A. Can you clarify? I don't know
13 what a "current charge"...

14 139. Q. Is the property mortgaged? Is
15 there a mortgage that you're paying off?

16 A. Yes. Yes, there is.

17 140. Q. And what's the current extent of
18 the mortgage?

19 A. I don't understand. What
20 does...what do you mean?

21 141. Q. How much is left outstanding on
22 the mortgage?

23 A. I believe [REDACTED]
24 something...[REDACTED] maybe.

25 142. Q. Okay, and is the mortgage with

1 Bank of Montreal?

2 A. Yes.

3 143. Q. Can I get, by way of undertaking,
4 can I get you to request from the Bank of
5 Montreal a payout statement from them?

6 MR. BLAY: Yes.

U/T

7 144. MR. SMITH: Thank you.

8
9 BY MR. SMITH:

10 145. Q. And in July of 2019, it looks as
11 if the property was transferred to you alone.
12 Let me just try and find that. Do you see that?

13 A. Yes.

14 146. Q. July of 2019, transferred from
15 Mark and Jaimee to Jaimee alone; do you see that?

16 A. Yes.

17 147. Q. Why was that done?

18 A. I was told that everything
19 personal should be in my name and business should
20 be separate.

21 148. Q. Okay, by whom were you told?

22 MR. BLAY: Okay, so don't answer that
23 question. Again, Doug, I'm not trying
24 to be obstructive and nor is my client,
25 but I think her best answer here in a

1 way that is cooperative with the
2 Receiver but also doesn't prejudice her
3 own position is to say that...and I'll
4 ask Ms. Gdak to confirm or deny this
5 once I've said it.

6 But I think the best way to say this
7 is that her belief was that this was
8 done to separate corporate and personal
9 finances, and that belief came from...
10 that belief arose from something she was
11 told by her husband, Mark. Is that
12 correct, Jaimee?

13 THE DEPONENT: Yes.

14
15 BY MR. SMITH:

16 149. Q. Okay. Other than your self, your
17 husband, and your children, does anyone else live
18 at [REDACTED]

19 A. No.

20 150. Q. There's nobody renting out any
21 other aspect of the residence?

22 A. No.

23 151. Q. Okay. 652 Colby Drive in
24 Waterloo, are you familiar with that address?

25 A. Yes.

1 152. Q. All right, I'm showing you on the
2 screen a printout from Service Ontario in respect
3 of that property, and it looks as if that
4 property was purchased by you in November of
5 2019; is that correct?

6 A. Yes.

7 153. Q. And it looks as if the current
8 registered owner is Jaimak; is that right?

9 A. Yes.

10 154. Q. Or, sorry, I misspoke. It was
11 purchased by Jaimak in June of 2020?

12 A. Yes.

13 155. Q. It looks like the purchase price
14 was [REDACTED] million; is that right?

15 A. Correct.

16 156. Q. What is Jaimak Real Properties
17 Inc.?

18 A. It was going to own the property
19 and then rent it to Trigger for expansion...more
20 space.

21 157. Q. Okay, does Jaimak conduct any
22 other business than owning the property located
23 at 652 Colby Drive?

24 A. No.

25 158. Q. Is there any mortgage on the

1 property at 652 Colby Drive?

2 A. No.

3 159. Q. Have you had that property
4 appraised recently?

5 A. Not to my knowledge, no.

6 160. Q. Where did the purchase money, the
7 [REDACTED] million almost, come from?

8 A. That was a loan from Trigger
9 Wholesale.

10 161. Q. It was a loan from Trigger?

11 A. I imagine. I didn't...I wasn't
12 involved in that, in the paperwork. I don't
13 know.

14 162. Q. Who was involved in the
15 paperwork; was it Mark?

16 A. Yes.

17 163. Q. And can you produce, by way of
18 undertaking, any paperwork associated with the
19 loan from Trigger to Jaimak in order to obtain
20 the purchase money for 652 Colby Drive?

21 MR. BLAY: We will make inquiries
22 with those parties that may have that
23 documentation. As far as I know, Ms.
24 Gdak doesn't have it.

U/T

25 164. MR. SMITH: Okay, if you can make

1 best efforts to obtain those loan
2 documents, I'd appreciate it.
3

4 BY MR. SMITH:

5 165. Q. What kind of a property is 652
6 Colby; is it commercial, is it residential?

7 A. Commercial.

8 166. Q. And what...is it currently vacant
9 or does it have any tenants?

10 A. It's vacant.

11 167. Q. If I went into 652 Colby Drive,
12 what would I see in that address right now?

13 A. I don't know, specifically. I
14 haven't been there. I believe it's a
15 construction site for offices. It has been torn
16 down to make offices, and the warehouse portion
17 is being...at the time, it was being modified to
18 house the business.

19 168. Q. Okay, who tore it down? I
20 mean...

21 MR. BLAY: What do you mean?

22 169. MR. SMITH: I don't need to know the
23 construction company, but who gave the
24 orders to have it torn down? Was that
25 Mark?

1 THE DEPONENT: Yes.

2
3 BY MR. SMITH:

4 170. Q. And when did that construction
5 start?

6 A. I don't know.

7 171. Q. You are the registered...well,
8 you are the...I take it that you are the
9 controlling mind behind Jaimak; that's a company
10 that's controlled by you?

11 A. I didn't have...I don't know
12 anything about the construction.

13 172. Q. No, I know, but going back to
14 Jaimak, that's your company; correct?

15 A. Yes.

16 173. Q. You are the sole officer and
17 director of Jaimak?

18 A. Yes.

19 174. Q. Okay, so as the sole officer and
20 director of Jaimak, can I ask you to obtain and
21 produce any contract that exists in respect of
22 the construction that you've described that's
23 ongoing at 652 Colby Drive?

24 MR. BLAY: Ms. Gdak will make best
25 efforts.

U/T

1 175. MR. SMITH: Thank you.

2
3 BY MR. SMITH:

4 176. Q. Has Jaimak, or anyone on Jaimak's
5 behalf, entered into any rental agreements in
6 respect of that property at 652 Colby Drive?

7 A. I believe there was a rental
8 agreement that was provided.

9 177. Q. To whom?

10 A. I would have to ask. I don't
11 have the documents. I would have to ask Mark.

12 178. Q. Okay, do you understand that it
13 was to be rented out to Trigger?

14 A. Yes.

15 179. Q. And do you understand that there
16 was an agreement actually consummated between
17 Jaimak and Trigger in respect of the rental of
18 that property?

19 A. Yes, there was an agreement. I
20 don't have a copy of the agreement.

21 180. MR. SMITH: Okay, fair enough. Mr.
22 Blay, can we get that by way of
23 undertaking, please?

24 MR. BLAY: Yes. Rather, Ms. Gdak
25 will make that inquiry.

U/T

1 181. MR. SMITH: Thank you.

2
3 BY MR. SMITH:

4 182. Q. What's the status of the
5 construction now; do you know? Is it still
6 ongoing?

7 A. It's still ongoing as far as I'm
8 aware. I don't know anything about the processes
9 or the status.

10 183. Q. Okay, who has been paying for the
11 construction; is it Trigger, is it Jaimak, is it
12 you personally, Mark personally, do you know?

13 A. It was Trigger, to my belief.

14 184. Q. Okay. And who has the keys to
15 that property, currently?

16 A. I believe the Receiver has keys.

17 185. Q. To 652 Colby?

18 A. Yes.

19 186. Q. Okay, if the Receiver doesn't
20 have keys, will you deliver up the keys to that
21 property to the Receiver?

22 MR. BLAY: Do you have the keys,
23 Jaimee?

24 THE DEPONENT: No, I do not have the
25 keys. I believe they were given to the

Receiver.

187. MR. SMITH: So, Mr. Blay, I'm not 100 percent sure if that's accurate or not...

MR. BLAY: Well, we do have the Receiver here. I don't know if Mr. Wiebe wants to go on the record or not, but he could resolve the question.

188. MR. SMITH: Why don't we just go off for a second.

--- DISCUSSION OFF THE RECORD

189. MR. SMITH: Thank you, Mr. Blay, for your suggestion. Off the record we spoke to Mr. Wiebe, and he confirmed that the Receiver does have the keys. So I retract that last question.

BY MR. SMITH:

190. Q. Ms. Gdak, are you familiar with a property located at 43 Baker Road in Port Elgin?

A. Yes.

191. Q. I understand that you are the registered owner of that property; is that

1 correct?

2 A. I was.

3 192. Q. Okay, who is the registered
4 owner, currently?

5 A. I don't know their name.

6 193. Q. Was it sold recently?

7 A. Yes.

8 194. Q. When was it sold?

9 A. I believe it went through in
10 October or the beginning of November.

11 195. Q. Of this year, 2020?

12 A. Yes.

13 196. Q. And was it sold pursuant to an
14 agreement of purchase and sale?

15 A. Pardon?

16 197. Q. Was there an agreement of
17 purchase and sale that...

18 A. Yes.

19 198. Q. ...documented this transaction?

20 A. Yes.

21 199. Q. Can I get a copy of the agreement
22 of purchase and sale, please?

23 MR. BLAY: Do you have it in your
24 possession, Jaimee?

25 THE DEPONENT: I don't have it, no.

1 MR. BLAY: So it will be, again, best
2 efforts to make inquiries and obtain...
3 Doug, do you mind if we go off for just
4 a second? U/T

5 200. MR. SMITH: Yes, no problem.
6

7 --- DISCUSSION OFF THE RECORD
8

9 BY MR. SMITH:

10 201. Q. Ms. Gdak, off the record we had
11 some discussions involving the Receiver. It's
12 our understanding, and correct us if we're wrong,
13 that the sale of 43 Baker is contemplated but has
14 not yet occurred. Is that your understanding, as
15 well?

16 A. That's correct.

17 202. Q. Okay. My understanding is that
18 you purchased this property in November of 2019;
19 is that correct?

20 A. Correct.

21 203. Q. And the purchase price was
22 \$[REDACTED].

23 A. Correct.

24 204. Q. Do you know where that money came
25 from?

1 A. I assumed it was from our
2 investments.

3 205. Q. "Our" being yours and Mark?

4 A. Yes.

5 206. Q. Is there a current mortgage on
6 that property?

7 A. No.

8 207. MR. SMITH: Okay, and I think that
9 there has been a survey that has been
10 requested. Do you know, Mr. Blay, if
11 that has been provided?

12 MR. BLAY: I do not.

13 208. MR. SMITH: If it hasn't been
14 provided, will you undertake to provide
15 it?

16 MR. BLAY: I guess I'm completely in
17 the dark here. Are you suggesting that
18 Ms. Gdak requested a survey?

19 209. MR. SMITH: My understanding is that
20 there is an existing survey in respect
21 of the property. I believe the Receiver
22 asked Mr. Gdak for the production of the
23 survey, and it has not yet been
24 provided. So...

25 THE DEPONENT: I believe it was

1 provided.

2 210. MR. SMITH: Okay. So that may be
3 correct. If it hasn't been provided,
4 will you, please, provide it?

5 MR. BLAY: We'll make best efforts.

U/T

6 211. MR. SMITH: Okay.

7
8 BY MR. SMITH:

9 212. Q. The last piece of real property I
10 want to ask you about is a property located at
11 157 Saugeen Beach Road in Port Elgin. Are you
12 familiar with that property?

13 A. Yes.

14 213. Q. My understanding is that you are
15 the registered owner?

16 A. Yes.

17 214. Q. And you purchased that property,
18 it looks like, in April of 2018; is that correct?

19 A. Correct.

20 215. Q. For [REDACTED]?

21 A. It could be correct. I don't
22 recall.

23 216. Q. All right, do you know where that
24 money came from, \$[REDACTED]?

25 A. From our bank account is what I

1 thought.

2 217. Q. Okay, "our" being yours and
3 Mark's?

4 A. Yes.

5 218. Q. Is that property mortgaged at
6 all?

7 A. No.

8 219. Q. What kind of property is that; is
9 it a cottage property?

10 A. Yes.

11 220. Q. And is it for use by your family
12 only, or does somebody else rent or use that
13 property?

14 A. It would be for our family only.

15 221. Q. Is it ever rented out from time
16 to time?

17 A. No.

18 222. Q. Is that property currently being
19 marketed for sale in any way?

20 A. There was somebody who wanted to
21 purchase it. I don't have any information.

22 223. Q. Do you know if any purchase
23 agreement has been drafted up?

24 A. I don't know.

25 224. Q. Do you know if you've received an

1 offer to purchase that house from anyone?

2 A. I believe so, but I don't know
3 the details or the...any paperwork.

4 225. Q. Okay, can I ask you...I take it
5 that Mark would know that?

6 A. Yes.

7 226. Q. Can you, please, obtain from Mark
8 any paperwork respecting any offers to purchase
9 made on that property?

10 A. Yes.

11 227. Q. Thank you.

12 MR. BLAY: We'll make inquiries and
13 best efforts to produce it. Anything
14 that has not already been produced to
15 the Receiver, because I know that
16 through his counsel, Mark has produced
17 some of this documentation already.

U/T

18 228. MR. SMITH: Okay.

19
20 BY MR. SMITH:

21 229. Q. Ms. Gdak, we've discussed five
22 properties either owned by yourself or by Jaimak.
23 Are there any other real estate properties that
24 you own or that Jaimak owns?

25 A. No.

1 230. Q. Other than 588 Colby Drive in
2 Waterloo, are you aware of any other real estate
3 properties that Trigger Wholesale owns?

4 A. No.

5 231. Q. Are you aware of any property
6 that Mark owns?

7 A. No.

8 232. MR. SMITH: And Mr. Blay, you've
9 provided, I think, a list of insurance
10 policies in respect of those five
11 properties?

12 MR. BLAY: No, I don't think I have.
13 If you have them, it may have...

14 233. MR. SMITH: Or maybe it was...

15 MR. BLAY: ...come through Mark.

16 234. MR. SMITH: Maybe it was Lerner's who
17 provided that. Could we get, please,
18 the declaration pages for all policies
19 of property insurance in respect of
20 those five properties that we just
21 discussed?

22 MR. BLAY: Anything that Ms. Gdak
23 has, she will produce, and those that
24 she doesn't, she'll make inquiries of
25 those who she believes have that

information.

U/T

235. MR. SMITH: Thank you.

BY MR. SMITH:

236. Q. My understanding is that you
and/or Mark own a boat, a 2018 Sea Ray boat; is
that correct?

A. Yes.

237. Q. Do you know who the registered
owner of that boat is?

A. Myself.

238. Q. When was that boat purchased?

A. I believe 2018.

239. Q. Okay, was it purchased new or was
it purchased from a previous owner?

A. It was new. I believe it was
new.

240. Q. And from where was it purchased?

A. From Pride Marine.

241. Q. Okay, I am showing you a document
from Pride Marine entitled "Offer to Purchase";
do you see that up on the screen?

A. Yes.

242. Q. Okay, and the vendors are listed
as yourself and Mark.

1 A. Yes.

2 243. Q. Do you see that?

3 A. Yes.

4 244. Q. How much did you buy this Sea Ray
5 boat for? Do you remember what the purchase
6 price was?

7 A. I don't know.

8 245. Q. Are you able to produce to me by
9 way of undertaking a copy of any purchase
10 agreement or invoice relating to the purchase of
11 the Sea Ray boat from Pride Marine?

12 A. Yes, I can ask for the document. U/T

13 246. Q. Thank you. Where did the
14 purchase money come from?

15 A. Our account.

16 247. Q. And when you...you said "our
17 account" a few times. I take it that that's your
18 personal account, yours and Mark's personal
19 account; is that correct?

20 A. Yes, that's our...whether...like,
21 our bank account and investments that we had.

22 248. Q. So I've shown you this Offer to
23 Purchase on Pride Marine letterhead, and this is
24 in the amount of [REDACTED]. Do you see that?

25 A. Yes.

1 249. MR. SMITH: And if we can mark this
2 as the next exhibit, please.

3
4 --- EXHIBIT NO. 4: Offer to Purchase from Pride
5 Marine, re Sea Ray boat
6

7 BY MR. SMITH:

8 250. Q. There's another offer, I
9 understand, on the Sea Ray boat and that's on
10 letterhead from Massey Yacht Sales and Service;
11 do you see that?

12 A. Yes.

13 251. Q. Have you seen this document
14 before?

15 A. No.

16 252. Q. This offer is in the amount of
17 [REDACTED] US dollars; do you see that?

18 A. Yes, I do.

19 253. Q. Okay, do you know the current
20 status of this proposed sale of this Sea Ray?

21 A. No, it's...when the offer came
22 in, it was immediately...I didn't open the offer,
23 and it was sent to Mark's lawyers to send to the
24 Receiver so that they could look it over and
25 discuss it.

1 254. Q. Okay, and can we get whatever
2 copies of declaration pages in respect of any
3 insurance that is placed on the Sea Ray boat?

4 MR. BLAY: Ms. Gdak will make
5 appropriate inquiries.

U/T

6 255. MR. SMITH: Okay.

7
8 BY MR. SMITH:

9 256. Q. I understand that you and/or you
10 and Mark also own another boat, a Scarab 255
11 Impulse?

12 A. Yes.

13 257. Q. And when was that boat purchased?

14 A. I don't recall. 2017 or so.

15 258. Q. Who is the registered owner of
16 that boat?

17 A. It could be in my name.

18 259. Q. Do you know what the purchase
19 price was?

20 A. I don't recall.

21 260. Q. Do you remember where it was
22 purchased?

23 A. Yes, from Team Vincent.

24 261. Q. Can you spell that for me?

25 A. T-E-A-M. I believe Vincent is

1 just V-I-N-C-E-N-T.

2 262. Q. Okay, and where did the money
3 come from to buy the boat?

4 A. I believe it would have been our
5 account, our bank account.

6 263. Q. Can you produce to me anything
7 that exists by way of a sales agreement or
8 invoice from Team Vincent in respect of the sale
9 of the boat...the purchase of the boat?

10 A. Yes, I can ask for one.

U/T

11 264. Q. Do you own any other boats?

12 A. No.

13 265. Q. So just the two boats?

14 A. Yes.

15 266. Q. Where are the boats located,
16 currently?

17 A. One is at Pride Marine.

18 267. Q. Okay, that's the Sea Ray?

19 A. Yes. And the other one is in
20 Port Elgin.

21 268. Q. Okay, whereabouts?

22 A. It would be in the garage at 157.

23 269. Q. Okay, so you're storing the
24 Scarab privately on your own cottage property; is
25 that correct?

1 A. Yes.

2 270. Q. And are you paying wharfing fees
3 to store the 2018 Sea Ray?

4 A. I don't know.

5 271. Q. Can I ask you to obtain any
6 agreement that you have with Pride Marine in
7 respect of the storage of the Sea Ray?

8 A. Yes.

U/T

9 MR. BLAY: Do you have that in your
10 possession or will you have to make an
11 inquiry of others?

12 THE DEPONENT: I would have to ask.
13 I don't have any...

14 MR. BLAY: So that qualifies the...

15 THE DEPONENT: ...documentation.

16 MR. BLAY: ...undertaking.

17 272. MR. SMITH: Okay.

18
19 BY MR. SMITH:

20 273. Q. Do you own a car, currently?

21 A. Yes, I do.

22 274. Q. What kind of car is it?

23 A. It's a Range Rover.

24 275. Q. And are you the registered owner?

25 A. Yes, I am.

1 276. Q. When was that purchased?

2 A. I believe 2016/2017.

3 277. Q. And can you provide to me any
4 documents that exist in respect of the purchase
5 of the Range Rover?

6 A. Yes. U/T

7 278. Q. Do you own that car free and
8 clear, or is there some sort of a charge on that
9 car? Is it financed?

10 A. No.

11 279. Q. Not financed?

12 A. It's not financed.

13 280. Q. Okay, do you own any other
14 vehicles, other than the two boats and the Range
15 Rover?

16 A. There's a quadrunner, an ATV.

17 281. Q. Okay.

18 A. There's two ATVs.

19 282. Q. And when were they purchased?

20 A. I guess 2016. It's a guess.

21 283. Q. Okay, are you the registered
22 owners of the ATVs; do you know?

23 A. I'm not sure. I don't know who
24 they're registered to.

25 284. Q. Can you, by way of undertaking,

1 produce any documents associated with the
2 purchase of the ATVs?

3 MR. BLAY: We can make...Ms. Gdak
4 will make that inquiry.

U/T

5
6 BY MR. SMITH:

7 285. Q. Okay, do you have any...the
8 Receiver knows of certain bank accounts that you
9 hold. Do you have any investment accounts? Any
10 mutual funds, investment accounts, GICs, anything
11 of that nature?

12 A. I have RSPs.

13 286. Q. Where are they?

14 A. Bank of Montreal.

15 287. Q. And can you provide us with
16 account statements by way of an undertaking?

17 MR. BLAY: No.

/R

18 288. MR. SMITH: Why not?

19 MR. BLAY: Again, it's outside the
20 scope of the receivership. The
21 receivership is specifically directed to
22 the real property that is listed in
23 Schedule A, and any liability of Ms.
24 Gdak in her personal capacity has yet to
25 be established, and, in fact, is

1 disputed for the reasons set out in the
2 affidavit that was served last Friday.

3 289. MR. SMITH: Okay. So, Mr. Blay, I
4 have a number of other questions, as you
5 can probably anticipate, but I think the
6 nature of those questions are such that
7 you and I should either attempt to
8 resolve our differences or get direction
9 from the court. And so why don't we
10 adjourn for today and we can discuss our
11 differences and how to resolve them.
12 And I see it is quarter-after-three
13 anyway, and Ms. Gdak has to go and pick
14 up the children.

15 MR. BLAY: That's fine by me.

16
17 --- upon adjourning at 3:15 p.m.

FIXED RATE CLOSED TERM

This section of your annual statement describes the options set out in your mortgage documents for paying off your fixed rate closed mortgage faster.

Prepayment Options

Increasing Your Payment Frequency

In order to pay off your mortgage faster, you can switch to accelerated payments. To learn more, please contact us at 1-855-284-1766 or visit a BMO branch.

Lump Sum Partial Prepayment

You can prepay up to 20% of the original amount of your mortgage without a prepayment charge at any time during the calendar year provided your mortgage is in good standing. This prepayment option can be exercised in minimum amounts of \$100. You can't exercise this option if you have obtained a payout statement and it hasn't expired or been cancelled. If you don't use this option (or you don't use all of it), you can't save it (or the rest of it) for another year. This means that you can prepay up to \$108,187.13 of your mortgage without a prepayment charge. You don't have to tell us in advance that you want to prepay.

Increasing Your Payment

You can prepay by asking us to increase the amount of your payment by up to 20% of your current payment once in each calendar year without a prepayment charge provided your mortgage is in good standing. If you don't use this option in one calendar year (or you don't use all of it), you can't save it (or the rest of it) for another year. Based on your current payment, you can increase your payment from \$1,980.48 to a maximum of \$2,376.57. If you have increased your payment, you can ask us to decrease the payment at any time but we don't have to decrease the payment if it extends the life of your mortgage beyond your original amortization period.

Prepayment With a Prepayment Charge

You can prepay your entire mortgage or prepay more than your prepayment options allow at any time during the term of your mortgage if you pay us a prepayment charge. The prepayment charge will be the higher of three months' interest at your existing interest rate or the interest rate differential charge except in the following circumstances:

- If the term of your mortgage is longer than 5 years and you prepay all or part of what is owed after the fifth anniversary of the date of the mortgage, the prepayment charge will be three months' interest.
- If you prepay within the last three months of the term, the prepayment charge will be the interest on the amount you're prepaying until the end of the term of the mortgage.

What is the interest rate differential charge?

The interest rate differential charge is the present value of:

- The instalments of principal and interest that you would have paid on your mortgage from the date you prepay to the end of the term of your mortgage, and
- The principal balance that you would have owed at the end of the term of your mortgage,

minus the present value of:

- The instalments that would be due on a new mortgage if the principal balance, the term and the amortization period of the new mortgage were the same as the remaining principal balance, the remaining term and the remaining actual amortization period of your mortgage but the interest rate on the new mortgage was the comparison rate, and
- The principal balance that would be due on the new mortgage at the end of the term of this mortgage.

To calculate the present value of the amounts described above we use a formula that credits you for the fact that we will receive the interest rate differential charge immediately instead of receiving payments over the term of the mortgage.

We work out the comparison rate used in the calculation of the interest rate differential charge described above as follows:

- We start with our posted fixed interest rate, when you prepay, for a fixed rate closed term that is closest in length to the time remaining in the existing term of your mortgage.
- If you received a discount when you began the existing term of your mortgage, we subtract this discount from the posted interest rate.
- To check if you received a discount, we compare your existing fixed interest rate to the posted fixed interest rate for your existing mortgage product when you entered into your existing term. If our posted interest rate was more than your interest rate, the difference is your discount. If you have a blended fixed interest rate because we agreed to replace a prior mortgage with a new mortgage with an increased mortgage amount, the discount is a blend of any discount you received on the prior mortgage and any discount you received on the additional mortgage amount. If an amount was paid to us to buy down your interest rate, the rate buy down is not included in the discount.

For any inquiries about this statement or to learn more about your mortgage features, please visit your BMO branch or call our mortgage experts at 1-855-284-1766.

How you can estimate the prepayment charge

You can work through the steps below to estimate your prepayment charge other than a prepayment charge for a prepayment within the last three months of the term. You can also estimate your prepayment charge by using our prepayment calculator at www.bmo.com/mortgages. If you have any questions or you intend to prepay within the last three months of the term of your mortgage, please visit your BMO branch or contact us at 1-855-284-1766.

Before you prepay any portion of your mortgage to which a prepayment charge would apply, you can take advantage of any prepayment options described in this statement to reduce the principal amount on which the prepayment charge would be calculated provided those options are still available.

How you can estimate the prepayment charge of three months' interest.

A. What is your fixed interest rate? _____%

B. How much do you want to prepay? \$ _____

Three months' interest equals A _____% times B \$ _____, divided by 4. Next proceed to calculate the estimated interest rate differential charge unless you have a term longer than 5 years and are prepaying after the fifth anniversary of the date of the mortgage, in which case your prepayment charge is three months' interest.

How can you estimate the interest rate differential charge.

Step 1 - You will need the following information in addition to A and B above.

C. What is our posted interest rate when you prepay for a fixed rate closed term that is closest in length to the time remaining in the existing term of the mortgage? _____%. You can find this information on our website at www.bmo.com/prepaymentstable. If the time remaining in the existing term of the mortgage is half-way between two terms we offer, use the higher of the two posted rates.

D. What was your rate discount? _____%. Please see the Mortgage Account Details section on the first page of this annual statement to determine your rate discount. It is important that you include your rate discount in this calculation, otherwise your estimate may be incorrect.

E. How many months are left in the term of your mortgage? _____months

Step 2 - What is the comparison rate?

C _____% minus D _____% = F _____%

Step 3 - What is the difference between your interest rate and the comparison rate?

- (c) The Tenant hereby protects, indemnifies and covenants to save the Landlord absolutely harmless from and against all liability, claims, damages or expenses due to or arising out of any act or neglect by the Tenant or its servants, employees, agents, customers, invitees or licensees on and about the demised premises, the building, the lands and the common areas or due to or arising out of any breach by the Tenant of any provision of this Lease, including liability for injury or damages to the persons or property of the Tenant's servants, employees, agents, customers, invitees or licensees.

51. FIRE

If during the term hereby demised or any renewal thereof the demised premises or the building or any part or parts thereof shall be damaged by fire, steam, explosion, lightning, tempest, or acts of God or the Queen's enemies or other such casualty, then the following provisions shall have effect:

- (a) In the event that the building shall be so badly injured as to be unfit for occupancy and be incapable of being repaired with reasonable diligence within one hundred eighty (180) days of the happening of such injury, then the term hereby granted shall cease and be at an end for all intent and purposes from the date of such damage or destruction and the Tenant shall immediately surrender the same and yield up possession of the demised premises to the Landlord, and no rent shall be payable from the time of such surrender;
- (b) In the event that the demised premises shall be capable, with reasonable diligence, of being repaired and rendered fit for occupancy within one hundred eighty (180) days from the happening of such injury as aforesaid and should the damage be such as to render the demised premises wholly unfit for occupancy during the process of such repairs, then the rent hereby reserved shall not run or accrue after such injury, or while such repairs are in progress and the Landlord shall repair the same with all reasonable diligence and the rental shall re-commence immediately after such repairs shall be completed;
- (c) In the event that the demised premises can be repaired within one hundred eighty (180) days as aforesaid, and if the damage is such that the demised premises are capable of being partially used, then until such damage shall have been repaired the rent shall abate in the proportion that the part of the demised premises rendered unfit for occupancy bears to the whole of the demised premises, and the amount of the abatement shall, in the event the Landlord and the Tenant are unable to agree upon the same, be determined by arbitration in accordance with provincial arbitration legislation;
- (d) If the building shall, in the sole and exclusive opinion of the Landlord, be damaged to the extent that greater than Fifty (50%) per cent of the building requires repair or reconstruction (and whether or not there shall be any damage to the demised premises) then, at the Landlord's option exercisable upon written notice to the Tenant, the said term hereby granted shall cease and be at an end for all intents and purposes from the date of such damage or destruction, and the Tenant shall surrender and yield up possession of the demised premises to the Landlord in accordance with the said notice and the rent shall be adjusted to the time of such surrender;
- (e) If during the said term the building or the demised premises are destroyed or damaged by fire, steam, explosion, lightning, tempest, or acts of God or the Queen's enemies, or other such casualty so as to render the same wholly unfit for occupancy and this Lease shall be determined in accordance with the preceding paragraphs, the Tenant shall, at the option of the Landlord exercisable upon written notice to the Tenant, forthwith remove from the demised premises all goods, merchandise, fixtures, machinery, fittings and other chattels or the ruins or remains thereof, or any part or parts thereof, or pay the Landlord the cost of such removal; and in the event of the demised premises being only partially damaged or destroyed and it being possible to repair the same within the period aforesaid, the Tenant shall remove its goods, merchandise, fixtures, machinery, fittings and other chattels or the ruins or remains thereof, or any part or parts thereof, as far as is necessary to enable the Landlord to proceed expeditiously with the carrying out of the repairs.

Provided however, if any such damage is due to the negligence or overt acts of the Tenant or its agents or servants then notwithstanding anything to the contrary herein contained the cost to repair such

damage, whether such damage is repaired or not, shall be paid by the Tenant and there shall be no abatement of rent.

52. LANDLORD'S RIGHT TO PAY TENANT'S OBLIGATIONS

If the Tenant fails to pay any charges which it has herein covenanted to pay, the Landlord may pay them and charge the sums paid back to the Tenant.

53. PROFESSIONAL FEES

If the Landlord at any time is compelled or elects to incur any expense whatsoever, including any professional fees of any nature whatsoever related to any matter or thing whatsoever respecting this Lease or any renewals hereof, including without limitation, in obtaining the approval of the Landlord's architects or engineers respecting improvements or alterations to the demised premises by the Tenant, in appealing any tax assessment levied by municipalities or other governmental bodies, or in instituting, prosecuting or defending any action or proceeding based upon any default of the Tenant under this Lease (including any action or proceedings against the Tenant), including without limitation, any legal fees on a solicitor and his own client basis paid, or payable, by the Landlord, then such expenses together with all interest and damages shall be payable by the Tenant on demand as additional rent.

54. OVERHOLDING TENANT

In the event of the Tenant holding over beyond the term hereby granted, with or without the consent of the Landlord and without any further written agreement, the tenancy resulting shall be a monthly tenancy only at a monthly rental calculated at two (2) times the greatest base minimum yearly rental payable by the Tenant during the currency of this Lease, including any renewals hereof; and the Tenant shall pay all additional rental payable hereunder on a monthly basis as estimated by the Landlord, including without limitation, the Tenant's proportionate share of all other sums which by the terms hereof are deemed to be rent or arise to be payable by the Tenant, and subject to termination at the election of the Landlord or the Tenant upon one (1) month's notice in writing, and subject also to the terms, conditions and covenants herein set out so far as the same are applicable to a tenancy from month to month, it being understood that the acceptance of rent or any implied condition in no way renews this Lease as a yearly tenancy.

55. IMPOSSIBILITY OF PERFORMANCE

Whenever and to the extent that the Landlord shall be unable to fulfil any obligation hereunder for the supply or provision of any service or utility or the doing of any work or the making of any repairs because it is unable to obtain the material, goods, equipment, service, utility or labour required to enable it to fulfil such obligation or by reason of any statute, law or order-in-council or any regulation or order passed or made pursuant thereto or by reason of the order or direction of any administrator, controller or board, or any government department or officer or other authority, or by reason of not being able to obtain any permission or authority required thereby, or by reason of any other cause beyond its control, whereby of the foregoing character or not, the Landlord shall be relieved from the fulfillment of such obligation, or alternatively to exclusively extend any time periods for the fulfillment of such obligation, and the Tenant shall not be entitled to compensation for any inconvenience, nuisance or discomfort thereby caused.

56. LANDLORD

The term "Landlord" as used herein shall be deemed to mean only the owner for the time being of the lands and building so that in the event of any sale or sales, the Landlord shall be and is hereby relieved of all covenants and obligations of the Landlord hereunder and it shall be deemed and construed without further agreement between the parties, or their successors in interest, or between the parties and the purchaser at any such sale, that the purchaser has assumed and agreed to carry out any and all of the covenants and obligations of the Landlord hereunder to the Landlord's exoneration.

57. NOTICES

Any notice, statement or request herein requested or permitted to be given by either party to the other shall be in writing, and shall be deemed to have been sufficiently and effectually given if signed by or on behalf of the party giving the notice and may be mailed by registered prepaid post, or delivered, in the case of the Landlord to it or its agent at the address at which rental payments due hereunder are then being made, and in the case of the Tenant, to it addressed to the demised premises with a copy to or as either party in writing may direct. Any such notice given as aforesaid shall be conclusively deemed to have been given and received, if delivered, on the date of such delivery, or if mailed, forty-eight (48) hours after such mailing. In the event of existing or impending postal interruption affecting either of the

JS *nef.*

parties hereto, any such notice, statement or request shall be delivered to the addresses as hereinbefore set forth rather than mailed as aforesaid.

58. NO REGISTRATION

The Tenant shall have the right only to file a Notice of this Lease or Caveat respecting this Lease in the appropriate Land Titles Office in which the lands are situate and under no circumstances whatsoever shall file or register this Lease at the said Land Titles Office or elsewhere, this Lease being a confidential document between the Landlord and the Tenant. Accordingly, the Tenant shall make no use whatsoever of this Lease or any provision hereof or information delivered to the Tenant, save and except only in connection with the tenancy created hereunder.

59. TIME OF ESSENCE

Time shall be of the essence of this Lease save as herein otherwise expressly specified.

60. CAPTIONS

The captions appearing in this Lease have been inserted as a matter of convenience and for reference only, and in no way define, limit or enlarge the scope or meaning of this Lease, nor of any provision hereof.

61. TERMS, COVENANTS AND CONDITIONS INVALID

If any term, covenant or condition of this Lease or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease or application of such term, covenant or condition to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby, and each term, covenant or condition of this Lease not invalid or unenforceable shall be valid and enforceable to the fullest extent permitted by law.

62. GOVERNMENTAL REGULATIONS

The Tenant shall abide by all laws, by-laws, legislative and regulatory requirements of any governmental or other competent authority relating to the business conducted on the demised premises and shall indemnify, protect and save the Landlord harmless from all costs or charges incidental thereto, or damages or penalties by reason of breach thereof.

63. FIRE REGULATIONS

The Tenant shall not store or bring on the demised premises any articles of an inflammable, combustible or dangerous nature and shall at all times keep the demised premises in such condition as to comply with the regulations and requirements of any appropriate fire underwriter's association and of the fire department of local and competent jurisdiction. The Tenant shall keep and maintain on the demised premises all safety applications required by any authority for the use of the demised premises. The Tenant shall not do or permit to be done or omit or permit to be omitted upon the demised premises anything which shall cause any insurance policy insuring the lands or any part thereof or the Landlord or the Tenants of the lands to be cancelled or effected in any manner whatsoever.

64. CUMULATIVE REMEDIES

All rights and remedies of the Landlord enumerated in this Lease are cumulative and, save and except as expressly set forth herein, none will exclude any other right or remedy allowed by law.

65. FORBEARANCE

No condonation or waiver by the Landlord of any non-observance or non-performance by the Tenant of any of the provisions hereunder will operate as a waiver or estoppel by or against the Landlord in respect of any subsequent non-observance or non-performance by the Tenant of the same or any other provision hereunder.

66. ACCORD AND SATISFACTION

No payment by the Tenant or receipt by the Landlord of a lesser amount than the payment of Base Minimum Yearly Rent pursuant to Clause 3 or other payments herein stipulated shall be deemed to be other than on account of the earliest stipulated sum due, unless the Landlord elects in its sole and absolute discretion to acknowledge in writing that any cheque or payment be deemed on accord and

satisfaction, provided further that the Landlord may accept any such cheque or payment without prejudice to the Landlord's right to recover the balance due or pursue any other remedy in this Lease.

67. GENERAL

This Lease contains the entire agreement between the Landlord and the Tenant and it is admitted so that they shall forever be estopped from asserting that there is any condition precedent or warranty of any nature whatsoever or collateral warranty or covenant whatsoever to the within Lease.

The Tenant hereby grants to the Landlord a security interest (the "Security Interest") in all inventory, fixtures, equipment, furniture and chattels of the Tenant situate on or about the demised premises from time to time (the "Collateral") to secure the payment of all rent payable pursuant to this Lease and the fulfillment of the other obligations of the Tenant under this Lease. The Tenant confirms and agrees that the Security Interest is complete and valid without the necessity of any other or further documentation in respect thereof and is intended to constitute a security agreement as defined in any applicable provincial or federal legislation. This security agreement is separate from and shall survive the termination, expiry, repudiation, disaffirmance or disclaimer of this Lease. Upon default by the Tenant of its obligations pursuant to this Lease, the Landlord shall be entitled at its sole option (and without any obligation so to do), to exercise any remedies available to it as a secured party in respect of the Collateral. The Security Interest is given in addition to, and not as an alternative to, the rights and remedies afforded to the Landlord thereunder may be exercised by the Landlord without prejudice to any of the Landlord's other rights and remedies under this Lease and at law including, without limitation, the Landlord's right of distress. The Tenant covenants and agrees that all Collateral located on the demised premises from time to time shall be owned by the Tenant and except in the ordinary course of the Tenant's business, the Tenant shall not at any time without the prior written consent of the Landlord, such consent not to be unreasonably withheld, dispose of all or any part of the Collateral.

Wherever the singular and gender neuter is used throughout this Lease, the same shall be construed as meaning the plural or masculine or feminine or a body corporate where the context or the parties hereto so require, and where there are two (2) or more parties forming the Tenant the covenants by the Tenant herein contained shall be at all times joint and several covenants of the parties forming the Tenant.

This Lease shall enure to the benefit of and be binding upon the Landlord, its heirs, executors, administrators, successors and assigns, and upon the Tenant, its heirs, executors, administrators, successors and assigns.

68. ACCEPTANCE

The Tenant hereby accepts this Lease of the demised premises to be held by it as the Tenant, and subject to the conditions, restrictions and covenants above set forth.

IN WITNESS WHEREOF THE PARTIES have hereunto affixed their respective names [and corporate seals] attested to by their properly authorized officers, all as of the day and year first above written.

ADDITIONAL TERMS AND CONDITIONS

It is further agreed by and between the parties as follows:

1. The following terms and conditions are part of the Agreement described on the reverse side hereof, and have been mutually agreed upon by and between the parties.
2. Title to the Purchased Equipment shall be retained by Dealer until the Purchase Price has been paid in full and Buyer agrees that Dealer shall have a security interest, as defined in the Personal Property Security Act of Ontario (the "PPSA") in respect of the same until the Purchase Price is paid in full and shall be entitled to register under the PPSA to protect its interest. Upon payment in full, Dealer shall transfer title to the Purchased Equipment to Buyer and discharge all PPSA registrations. Notwithstanding the foregoing it shall be the purchaser's responsibility to obtain insurance coverage from the date of delivery of the purchased equipment.

NEW EQUIPMENT

3. Buyer acknowledges that, where the Purchased Equipment is new equipment, Dealer is a dealer in the equipment of the Manufacturer. The Manufacturer reserves the right to change the price to its dealers and Dealer therefore reserves the right to change the Purchase Price. Where the change in the Purchase Price results in an increase to the Purchase Price, Buyer may cancel his order, unless the increase is solely attributable to a fluctuation or variation in any international money exchange rate and / or customs and excise duties and taxes and / or any applicable tax. Where Buyer cancels his order subsequent to having transferred title to the Trade-In Equipment, if unsold by Dealer, shall be reconveyed to Buyer upon Buyer paying all reasonable charges incurred by Dealer for any storage and repairs; if the Trade-In Equipment has been sold to Dealer, Dealer shall pay Buyer all sale proceeds in respect of it less a selling commissions of 15% on the gross sale price and any expenses incurred by Dealer in storing, insuring, reconditioning, repairing or advertising the Trade-In Equipment. The reconveyance of the Trade-In Equipment or the payment of the sale proceeds from it, as provided above, shall be a full discharge of all Buyer's claims in respect of the Trade-In Equipment.

4. The Manufacturer of any equipment in which Dealer trades has the right to make changes to model, design, parts or accessory as it, in its sole discretion, sees fit. Buyer agrees to accept the Purchased Equipment, subject to all such changes made by the Manufacturer, provided these changes shall not affect the quality, integrity or value of the Purchased Equipment. In no case shall Buyer require Dealer or the Manufacturer to provide any of the Purchased Equipment, with any optional model, design, parts or accessory changes.

5. Dealer shall not be liable for any loss or damage by the delay of the Manufacturer in supplying the Purchased Equipment or any accident, strike, fire or any other cause beyond Dealer's control which might affect delivery and / or supply of the Purchased Equipment

6 Dealer agrees to assign the benefit of any warranties received in respect of the Purchased Equipment from the Manufacturer to Buyer upon completion. Dealer agrees to provide to Buyer copies of the Manufacturer's warranty material and documentation. Buyer acknowledges having inspected the Purchased Equipment and has satisfied himself that the Purchased Equipment is of a quality and kind satisfactory to him and is fit for his purposes.

7. Buyer fully understands that any Manufacturer's warranties which may be provided may not provide for service calls and the full responsibility of transporting the Purchased Equipment for repairs shall be that of Buyer.

TRADE-IN EQUIPMENT

8. Buyer shall be responsible for delivering to Dealer the Trade-In Equipment along with all relevant title documents. Buyer warrants that he is now rightfully and absolutely possessed of and entitled to the Trade-In Equipment and has good right to assign and transfer the same unto the Dealer, free and clear from all former and other interests whatsoever and that he will at all times hereinafter do or cause to be done all such further acts to ensure the free transfer of the Trade-In Equipment to Dealer in the manner aforesaid. Buyer warrants that all taxes levied on the Trade-In Equipment have been paid in full.

Buyer further represents and warrants that any boat delivered to Dealer as Trade-In Equipment is seaworthy and that its accessories and equipment are in good working order and, without limitation, that the engine block, manifolds and cylinderhead on any boat engine delivered as or part of the Trade-In Equipment are not cracked or otherwise defective, and is the year, make and model as described on the reverse side.

9. If it is discovered that the Trade-In Equipment is subject to a charge, lien or encumbrance or claim of any kind (other than as disclosed herein) Dealer shall have the option of:

- (b) Adding the amount of the claim plus the costs of settling such claim to the Purchase Price and collecting it as such.

ACCEPTANCE OF DELIVERY The purchaser acknowledges having delivery of the marine vehicle and optional equipment described in this contract and declares being totally satisfied with it in all respects and agrees to pay for it in full upon delivery. The purchaser further agrees that he has received a full demonstration of all products and items described on this contract and is fully aware of all operational aspects of each and every item, appliance, and unit supplied with this purchase.

10. If the Trade-In Equipment is not licenced and registered in the Province where this agreement is executed, Buyer shall immediately licence and register it in the said Province, failing which Dealer shall be entitled to so licence and register it, and the expenses incurred in respect thereof will be for the account of Buyer or, at the option of Dealer, may be added to the Purchase Price and collected as such.

11. It is acknowledged by Buyer that the trade-in allowance for the Trade-In Equipment is based on appraisals and / or representations and warranties made by Buyer to Dealer. Dealer shall have the right to inspect and / or re-appraise the Trade-In Equipment within 30 days of its delivery to Dealer. If in Dealer's opinion the Trade-In is found to be improperly appraised or defective or in unacceptable condition. Dealer shall, within this 30 day period, have the option of:
- (a) rescinding this Agreement; or
- (b) making all necessary repairs to put the Trade-In Equipment into marketable condition and billing directly therefore or adding the repair cost to the Purchase Price and collecting it as such; or
- (c) charging the trade-in allowance allowed to the Buyer.

In the event that Buyer has not taken delivery of the Equipment AND the trade-in allowance is decreased by more than 10%. Buyer shall have all the right to rescind this agreement provided Buyer pays Dealer's reasonable cost incurred in respect of the agreement and any expenses incurred by Dealer in storing, insuring, reconditioning, repairing or advertising any of the Trade-In Equipment. In the event that Buyer has taken delivery of the Purchased Equipment, Buyer agrees to accept the new trade-in allowance as determined by Dealer.

12. The Trade-In Equipment shall become Dealer's property upon;
- (a) execution of this agreement, and
- (b) delivery to Dealer of Trade-In Equipment

14. EXCEPT AS IMPLIED BY PROVINCIAL LAW, DEALER EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IN RESPECT OF ANY OF EQUIPMENT SOLD HEREUNDER.

15. Unless otherwise provided herein Dealer is not responsible for providing transportation to Buyer for any reason whatsoever, whether for the transportation of Trade-In Equipment to Dealer or the transportation of the Purchased Equipment to the Buyer.

16. Unless otherwise agreed in writing, the parties hereto agree that this Agreement shall be completed within 30 days of the date hereof, failing which Dealer, at its sole option, shall be entitled to rescind the Agreement. In such event, Buyer shall be required to pay all reasonable cost of Dealer incurred in repairing any Trade-In Equipment or purchased Equipment and in pursuing completion o this transaction, failing which Buyer hereby irrevocably constitutes and appoints Dealer his attorney to sell any Trade-In Equipment in Dealer's possession and deduct from the proceeds, all reasonable accounts of Dealer.

17. Where Dealer is in possession of the Purchased Equipment (once title has passed to Buyer) or the Trade-In Equipment, Dealer shall not be deemed to be a bailee of those goods; rather shall be a licensee of the space, from time to time designated by Dealer, where the Purchased Equipment or Trade-In is parked, stored or displayed. Dealer assumes no duty to care for the Purchased Equipment or Trade-In Equipment or to prevent loss or damage thereto except when actually conducting repairs thereon.

18. This Agreement and the affairs of the parties shall be governed by the laws of the Province in which agreement is executed and the venue for any legal dispute shall be the jurisdiction in which Dealer is located.

19. This Agreement shall constitute the entire agreement between the parties and there is no representation, warranty, condition or collateral agreement affecting this Agreement other than as expressed herein.

20. Buyer further agrees to pay 2% per month (24% per annum) on any balance left owing after the boat has been delivered.

Unless otherwise indicated on the Declaration Page, for all vessels under fifteen years old, it is hereby understood and agreed that the insured vessel, including all the property insured under Section A of this policy, shall be valued as the amount stated on the Declaration Page.

All claims arising from a covered loss will be paid without deduction for depreciation provided;

- a) the insured vessel has been maintained in good and workable condition;
- b) you repair or replace the insured vessel, or part thereof, with materials of similar kind and quality within a reasonable time after the damage. If you choose not to repair or replace your insured vessel, or part thereof, or due to obsolescence repair or replacement is not possible, payment will be made on an actual cash value basis, and
- c) in the event of a Total or Constructive Total Loss, there shall be no recovery unless all said property is lost absolutely or unless the expense of recovering and repairing the insured vessel shall exceed the amount stated on the Declaration Page. In the event of a Total or Constructive Total Loss our liability will be the lesser of:
 - i) the amount indicated on the Declaration Page;
 - or
 - ii) the actual amount necessary to repair or replace the vessel.

Under no circumstances will our liability exceed the amount indicated on the Declaration Page.

We reserve the right to repair or replace the vessel with similar kind and quality.

OBSOLESCENCE CLAUSE

We do not cover any increased cost of loss or damage resulting from or in consequence of obsolescence. In no event shall there be any liability under this policy for the cost and expense of repairing or replacing any items which fail to recognize correctly the date change to the year 2000 or any other date change.

ACTUAL CASH VALUE

The actual cash value will take into account such things as the cost of the replacement less any depreciation or obsolescence, and in determining depreciation, the condition immediately before the damage, the resale value, and the normal life expectancy. We will pay the lesser of:

- i) the cost to repair or replace the vessel with material of like kind and quality;
- ii) the actual cash value of the vessel at the time of loss;
- iii) the amount indicated on the Declaration Page.

We reserve the right to repair or replace the vessel.

No coverage is provided for these items unless specifically described on the policy declarations page.

REPAIR CLAUSE

We reserve the right to repair or replace the vessel or any part thereof. Repairs may be made by applying suitable patches to the damaged hull area in accordance with good repair practice. These principles shall also rule in determining whether or not an insured vessel is a constructive total loss. Should you have unrepaired damage to your vessel and later suffer a total loss, whether covered by this policy or not, then we will not pay for the unrepaired damage.

PARTS CLAUSE

In the case of loss or damage to any part of the insured property, consisting, when complete for use, of several parts, we are not liable for more than the value of the part lost or damaged, including the cost of installation.

PAIRS AND SETS CLAUSE

In the event of loss or damage to any item, which is part of a set, the measure of loss or damage to such item shall be a reasonable and fair proportion of the total value of the set, but in no event shall such loss or damage be construed to mean total loss of set.

DEDUCTIBLE CLAUSE

Unless otherwise stated on the Declaration page, we are liable only for the amount by which the loss or damage caused by any of the perils insured against under this policy exceeds 1% of the amount insured for the hull in any one occurrence. On vessels other than sailboats where the loss involves underwater machinery and equipment the deductible shall be 2% and where the loss involves only the dinghy or tender, electronic navigation equipment, auxiliary motor, or personal property the deductible shall be \$250. We will waive the deductible in the case of a loss which is caused in whole or in part by another party that is liable for the damage.

LOSS FREE RENEWAL CREDIT

Each continuous year of loss free experience will reduce the deductible by 10% to a maximum of 50%.

SECTION B - PROTECTION AND INDEMNITY

U.S.A. LONGSHOREMEN'S AND HARBOUR WORKERS' COMPENSATION ACT

- (1) If a premium is shown for B, C, and D on the Declaration Page of this policy, the Company then agrees to insure for the term of the policy and liability of the Insured in respect of the insured vessel which shall arise under the U.S.A. Longshoreman's and Harbour Workers' Compensation Act, being Public Act No. 803 of the 69th Congress, approved March 4th, 1972, and all laws amendatory thereof or supplementary thereto which may be or become effective while this Section of the policy is in force.
- (2) Coverage under this Section may be cancelled at the Insured's request or by the Company, but cancellation shall not become effective prior to the date specified herein for the policy expiration, unless and until at least 30 days have elapsed after a notice of cancellation has been sent to the Deputy Commissioner and to the Employer Insured.
- (3) The Company will carry out the provisions of Section 35 of said Act. Insolvency and bankruptcy of the Employer and/or discharge therein shall not relieve the Company from payment of compensation and other benefits lawfully due for disability or death sustained by an employee during the life of this policy.

It is understood and agreed that this insurance fully covers the liability of the Insured under said Act but in no case does this insurance extend beyond the provisions of said Act.

It is agreed that upon payment of any loss, damage, or expense the Company is to be subrogated to all the rights of the Insured to the extent of such payment.

The coverage under this Section of the policy is not assignable without the previous consent in writing of the Company.

SECTION B-2 - POLLUTION /SPILL LIABILITY

We agree to pay up to the amount indicated on the Declarations Page for Spill Liability, for the containment, clean-up, property damage and assessments related to any sudden and accidental spillage or leakage of petroleum products, chemicals or other substances of any kind, from the Insured Property for which the Insured Person becomes legally liable through the ownership, maintenance or use of the Insured Vessel. We will settle or defend any claim or suit

which asks for these covered expenses or damages. However, this cover is void if an insured fails or refuses to provide all reasonable cooperation and assistance requested by an official in connection with the containment and clean-up activities. Our duty to settle and defend ends when the limit indicated on the Declarations Page is exhausted. This cover does not apply to the following:

- (2) liability for those portions of such expenses recoverable under any Workers' Compensation Law or under any medical, surgical or hospitalization plan or law or under any other insurance policy or certificate issued to or for the benefit of any person for whom indemnity is provided under this policy.

The limit of \$5,000 applies to any one accident regardless of the number of persons injured or killed in the accident. You shall arrange for the insured person, if requested, to:

- (1) give us, as soon as possible, written proof of claim, under oath if required;
- (2) submit to physical examination at our expense by doctors we select as often as we may reasonably require;

You shall not bring suit against us until the amount of our obligation to pay has been finally determined either by judgement against you or by an agreement which has our consent.

SECTION D - ACCIDENTAL DEATH BENEFITS

If, as a direct result of the vessel insured hereunder stranding, sinking, burning or being in collision, the owner, spouse, or any minor children lose their lives, we shall pay in the event of such occurrence:

\$ 10,000 for the death of the owner;

\$ 5,000 for the death of the spouse;

\$ 1,000 for the death of each minor child;

Such payments shall be made to the estate of the demised.

SECTION E - LOSS OF USE

SECTION F- VESSEL TRAILER INSURANCE

This policy, subject to all of its terms and conditions except as otherwise provided in this section, insures the Vessel Trailer described on the Declaration Page of the policy for all risks of direct physical loss. We shall not pay more than the actual cash value of the property at the time any loss or damage occurs and the amount of loss or damage shall be ascertained or estimated according to such actual cash value with proper deduction for depreciation, however caused, and shall in no event exceed what it would then cost to repair the same with material of like kind and quality.

SECTION "G" - UNINSURED BOATER

If an amount is indicated on the Declarations Page for "Uninsured Boater Coverage", we will pay up to that amount for damages, which, because of bodily injury received aboard your Insured Vessel, you are legally entitled to recover from the Uninsured Boater.

We do not provide Uninsured Boater coverage:

- 1) for claims settled without our written consent;
- 2) if the Uninsured Boater is owned or operated by a government body or agency or employee or any contractor/subcontractor of any governmental body or agency or employee of such contractor/subcontractor;
- 3) for boats owned by or furnished for regular use by any one falling under the definition of Insured Person for the purposes of this policy; or,
- 4) for anyone using the Insured Property without the permission of the Insured Person. This coverage will not apply directly or indirectly to the benefit of any insurer under any provincial or federal compensation law or act.

Payment under this coverage shall be reduced by:

- a) all sums paid by or on behalf of those legally responsible;
- b) all sums paid by any provincial or federal compensation law or act; or,
- c) all sums paid under the Liability or Medical Payments coverages of this policy.

The amount on the Declarations Page is the maximum we will pay, regardless of the number of Insured Persons, claims made, or boats involved in any one accident, or series of accidents arising out of same event.

COVERAGE EXTENSION – NEWLY ACQUIRED VESSEL

If you purchase a vessel of similar size and kind during the policy period, either in addition to or to replace the existing vessel and trailer, we will automatically provide coverage under Section A, B, B-2, C, D, E, F and G of this policy, subject to all other terms and conditions as expressed in the complete policy. Coverage for the new vessel and trailer will be for a period of 10 calendar days from the date of purchase, upon which coverage expires unless agreed by us in writing in the form of a new or revised Declarations Page noting the new vessel. During the 10 day automatic coverage period, all limits will remain as per the existing Declarations Page with the exception of Section A and F, wherein we will provide additional coverage for the newly acquired vessel and trailer up to an amount equal to the existing limit for Section A and F. In no event will our liability exceed the purchase price of the newly acquired vessel and trailer. We must insure all your owned vessels for this coverage extension to be available. This clause does not provide coverage for the acquisition of any jet drive personal watercraft and will not provide coverage for any vessel with a maximum capable speed of in excess of 55 miles per hour.

The breach of any Warranty contained in the policy or on the Declarations Page, will void the policy and discharge the insurer from all liability under the policy regardless of whether or not the breach is material to the loss.

5. QUALIFIED OPERATORS WARRANTY

It is hereby understood and agreed that all operators must be in compliance with all government regulations and licensing requirements.

DUTIES AFTER A LOSS OCCURS

In the event of any loss, damage or occurrence that is covered by this policy, any person presenting a claim must:

CONTINUATION: Should your vessel, at expiration date (not by cancellation), be at sea or in distress, or at port of refuge, we shall continue to hold covered until landed and after 24 hours in a safe berth.

CHANGES: This policy and the application submitted for insurance contains all the agreements between you and us. No changes may be effected unless they are in writing and signed by us.

TRANSFER OF INTEREST: If you sell, transfer, mortgage or pledge your vessel or this policy, all coverages herein will cease without further notice to you unless such change is accepted by us in writing.

SEVERABILITY CLAUSE: If any clause, word, phrase, provision or portion of this Policy shall be found to be unenforceable or invalid for any reason whatsoever, by any court of competent jurisdiction or by any arbitration panel, such determination shall not affect any other clauses, word, phrase, provision or portion of this Policy, and each shall remain in full force and effect.

RIGHT TO RECOVERY: If we make a payment under this policy and the person to or for whom payment was made has a right to recover damages from another, we shall be subrogated to that right. CANCELLATION: You may cancel this policy at any time. We may cancel this policy by giving you fifteen (15) days notice of termination by registered mail or five (5) days written notice of termination personally delivered.

SUBMISSION OF CLAIM: We will not pay for any claim presented after one year from the date the loss or damage occurs.

PREMIUMS EARNED: If payment is made for a total loss or constructive total loss then all premiums are deemed to be earned on the date of loss.

CANCELLATION IN EVENT OF A TOTAL OR CONSTRUCTIVE TOTAL LOSS: In the event of a total loss or declaration by us of a constructive total loss, this policy will automatically terminate immediately thereafter. ****NOTE:**

As a seller, you are required by law to remove your licence plates. The vehicle will remain registered in the seller's name until the vehicle is transferred. Seller may be pursued legally as the vehicle owner in the event of an infraction involving the vehicle. Seller should retain proof of the vehicle transfer and follow up with the buyer to ensure the transfer is completed. For record purposes only, seller may visit a ServiceOntario centre to notify the the ministry that the vehicle has been "Sold".

As a buyer, you are required by law to transfer the vehicle within six days. Buyer is required to obtain the vehicle permit from the seller to transfer the vehicle.

****NOTE:**

Le vendeur est tenu par la loi d'enlever les plaques d'immatriculation du véhicule qu'il a vendu. Le véhicule reste enregistré au nom du vendeur tant que le transfert de son droit de propriété n'a pas été enregistré officiellement. Si le transfert du droit de propriété du véhicule n'a pas été fait officiellement, le vendeur est toujours juridiquement le propriétaire du véhicule et des poursuites pourraient être engagées contre lui si le véhicule était impliqué dans une infraction. Le vendeur devrait faire un suivi auprès de l'acheteur pour vérifier si le transfert a bel et bien été fait. Il devrait aussi obtenir une preuve du transfert et la garder. Uniquement à des fins administratives, le vendeur pourrait se rendre à un centre ServiceOntario pour informer le ministère que le véhicule a été « vendu ».

L'acheteur est tenu par la loi de transférer le droit du propriété du véhicule dans un délai de six jours. Pour transférer le droit de propriété du véhicule, l'acheteur doit obtenir, du vendeur, le certificat d'immatriculation du véhicule.

Roger,

I do not understand the purpose of your email (or the deadline you have set), or why the receiver considers that it has a role with respect to the Mareva provisions. However, in any event, Lerner's clients are aware of the terms of the Orders. Strange that anyone would ask, given our role to date and the pending issues as to legal fees and expenses provided for in those Mareva terms. If you mean to be getting at something else, I would ask you to explain.

Subject: *EXT*-Trigger
Importance: High

Dear Jason and Ben,

I write to you in connection with our conference call of last week, wherein I advised you that the Receiver is continuing its review of the Trigger records and to gather more information. In connection therewith, the Receiver has uncovered more information that pertains to various items that have been purchased before the commencement of the receivership proceedings. In connection therewith, some of those assets include, but may not be limited to, the following:

- 1) 2017 Land Range Rover Sport (see the attached Purchase Agreement).
- 2) Various jewellery that was purchased at Raffi Jewellers (please see the attached Receipts).
- 3) Two ATV's.
- 4) Two Seadoos.
- 5) 2018 Sea Ray boat bearing Serial No. SERV2597D818.
- 6) 2018 Scarab 255 Impulse bearing Serial Number PSBSD018F718.
- 7) 2018 Karavan bearing Serial No. 566S7BY23J2000014.

The Order of Justice Gilmore dated October 13, 2020 provides for a Mareva over the assets of the Respondents, Mark Gdak, Jaimee Gdak and Jaimak Real Properties Inc. I am writing to each of Lerner's (as counsel to Mark Gdak and Jaimak Real Properties Inc.) and Cohen Highley (as counsel to Jaimee Gdak) to request written confirmation by the close of business on Tuesday, February 2, 2021 that for the above noted assets that are in the possession or control of Mark Gdak or Jaimee Gdak, namely the 2017 Land Range Rover Sport and the jewellery, same will not be disposed of, pending further Order of the Court. I would also ask counsel for the Respondents to each confirm that their respective clients are aware of the existence of the Mareva and to confirm that no assets (either from the above noted list that might be in their possession, or otherwise) have been disposed of since Justice Gilmore's Order was made on October 13, 2020, nor will any assets be disposed of by any of the Respondents, pending further Order of the Court. I look forward to hearing from you by the date set out herein on the matters set out in this email. Many thanks.

Regards,

Roger

Hello Jim,

Thank you for notifying Jaimee and I about your notice to vacate the property at 265 Old Post on July 31, 2021. This date coincides with, and is slightly less than, the required 120-day notice in the lease agreement but we are satisfied that it meets the requirements of both parties and we acknowledge and accept said notice. We will consider that the agreement has been sufficiently satisfied and terminated on that date.

Sincerely,

Mark W. Gdak

Dear Mr. Heimpel:

Re:	Our Client:	Grant Thornton Limited (“Receiver”)
	Your Client:	Ace Lawn Care Services Inc. (“Ace”)
	Claims for Lien:	BR162705, WR1301358, WR1301363, WR1301369 (“Liens”)
	Receivership:	Trigger Wholesale Inc. and the En Cadre Group Inc.

We are counsel for the Receiver in respect of the above-noted receivership.

We have reviewed and considered your letter dated December 16, 2020 and the request to commence and prosecute actions related to the Liens in accordance with paragraph 19 of the Order of Justice McEwen dated October 22, 2020 (the “**Appointment Order**”). Paragraphs 17 through to 20 of the Appointment Order provides for a broad stay of proceedings and suspension of all rights and remedies (the “**Stay**”) against the Debtors, the Receiver or affecting the Property (as defined in the Appointment Order).

The Receiver consents to the lifting of the Stay solely for the purpose of Ace perfecting its Liens, being that Ace may issue and serve a Statement of Claim, or Statements of Claim, as required (the “**Lien Action(s)**”), and register on title to the applicable properties any applicable Certificate(s) of Action. However, the Receiver does not consent to Ace taking any further steps in the Lien Action(s), without further consent of the Receiver or Order of the Court. In addition, the Receiver does not, by providing this consent, acknowledge the validity or quantum of any of the Liens, and the Receiver’s consent made herein is made with a full reservation of the Receiver’s rights and remedies to contest the Liens and Lien Action(s), including, without limitation, the validity and quantum of the Liens.

We are available if you wish to discuss further.

Yours very truly,

Attention: Roger Jaipargas, Mahnaz Shariati

Dear Counsel:

Re: Trigger Wholesale, Inc. Receivership

We are counsel for Ace Lawn Care Services Inc. ("Ace Lawn Care"). We understand that you are counsel for Grant Thornton Limited, the court-appointed receiver in the above-noted matter.

Ace Lawn Care is owed significant amounts by Mark & Jaimee Gdak and a related corporate entity on account of labour and materials it supplied to the follow personal and corporate properties which we understand are subject to the Order of Justice McEwen dated October 22, 2020:

157 Saugeen Beach Road, Port Elgin

265 Old Post Road, Waterloo

250 Lion's Court, Waterloo

652 Colby Drive, Waterloo

We have registered construction liens against each of the subject properties on account of the amounts owing to Ace in respect of each property. Enclosed are copies of each construction lien. We are now required to perfect these liens by commencing an action in respect of each claim.

We are writing to request your client's consent for Ace to commence and prosecute these actions in accordance with paragraph 19 of Justice Mc Ewen's Order. Please confirm your client's position and provide the necessary consent as soon as possible. If such consent is not forthcoming, we will be required to bring a motion before Justice McEwen to obtain such relief which would involve unnecessary time and expense.

We look forward to hearing from you.

Sincerely,

SORBARA, SCHUMACHER, McCANN LLP

Re: Our Client: Grant Thornton Limited (“Receiver”)
Your Client: J.B. Construction Inc. (“JB Construction”)
Claim for Lien: BR163349 (the “Lien”)
Receivership: Trigger Wholesale Inc. and the En Cadre Group Inc.

We are counsel for the Receiver in respect of the above-noted receivership. We have reviewed and considered your letter dated December 17, 2020 and the request for payment with our client.

The Receiver is not at liberty to remit any payment to JB Construction at this time. Rather, JB Construction’s claim will be considered in the context of the pending receivership proceedings.

With respect to the commencement of litigation and perfection of the Lien, we direct you to paragraphs 17 through to 20 of the Order of Justice McEwen dated October 22, 2020 (the “**Appointment Order**”) which provides for a broad stay of proceedings and suspension of all rights and remedies (the “**Stay**”) against the Debtors, the Receiver or affecting the Property (as defined in the Appointment Order). However, at this time, the Receiver consents to the lifting of the Stay solely for the purpose of JB Construction perfecting its Lien, being that JB Construction may issue and serve a Statement of Claim (the “**Lien Action**”), and register on title to the applicable property any applicable Certificate of Action. However, the Receiver does not consent to JB Construction taking any further steps in the Lien Action without further consent of the Receiver or Order of the Court. In addition, the Receiver does not, by providing this consent, acknowledge the validity or quantum of the Lien, and the Receiver’s consent made herein is made with a full reservation of the Receiver’s rights and remedies to contest the Lien and Lien Action, including, without limitation, the validity and quantum of the Lien.

We are available if you wish to discuss further.

REAL ESTATE OPTIMISM BLOWS PAST PRE-VIRUS LEVELS

'Other countries are going to be much better prepared'

AIRLINES
Continued from FP1

McNaney, whose association represents some of the country's largest airlines including Air Canada and WestJet Airlines Ltd., said Canada has not only been an "outlier" when it comes to direct financial aid to airlines, but also lags other countries in the rollout of government-funded rapid testing and adjustments to quarantine restrictions that have severely curtailed business travel.

"We are now losing market share," he said, adding this is going to put Canada "at a disadvantage" as vaccination becomes more widespread and recovery gets under way in global aviation.

In 2019, the Canadian airline industry was flying high, carrying some 80 million passengers and employing around 630,000 people, according to McNaney, who worked at WestJet for 14 years before taking the job at the trade association.

"None of these numbers reflect our current reality," he said. In the June-to-August period, usually the industry's strongest season, air passenger traffic was down nearly 90 per cent compared to the same period in 2019. "As we look to 2021, it's not just about recovery now for the sector — it's about ensuring permanent damage isn't inflicted," McNaney said.

Added pain is coming from fee increases, as ancillary businesses from airports to flight navigation providers try to make up for their revenue shortfalls.

NAV Canada, which provides air traffic control and navigation services to private carriers, increased its fees by an average of 29.5 per cent in September, a move that caused WestJet to add between \$4 and \$7 to ticket prices, despite concerns it would further crimp travel.

Daniel-Robert Gooch, president of the Canadian Airports Council, said despite all the measures taken including loading on additional debt and taking advantage of all rent relief and some deferrals offered by the government, airports won't be able to offset losses expected in 2020 and 2021.

In September, the airports informed the federal government they anticipate \$4.5 billion in lost revenue by the end of 2021, with debt levels increasing to \$2.8 billion. That forecast represented a 30-per-cent deterioration from earlier expectations.

"With fewer travellers, the model's not working right now," said Gooch.

The downturn has led to the suspension of some regional routes, particularly to and from eastern Canada, while Porter Airlines has temporary suspended all

flights until at least Feb. 11.

Kokonis said possible scenarios include: the crisis forcing airlines to merge in order to survive; some airports restructuring or going out of business; and hotels sitting empty so long their owners convert them into apartments. Then, when people start flying again, the domestic industry will be too small and uncompetitive to fill the demand.

Aviation in the United States and Europe "has not contracted as much as Canada," said Gooch. "Other countries are going to be much better prepared to meet that pent-up demand."

For months, industry watchers have been calling for more direct government aid for the sector. In addition, they say, a government-funded, co-ordinated rollout of rapid testing in airports across the country that could be used to reduce quarantine times would be a shot in the arm for the aviation industry and particularly business travel.

There is also talk of creating a uniform COVID-19 "passport" of sorts — most likely electronic or touchless — to ensure passengers boarding planes have been vaccinated or tested for the virus.

The Canadian industry is already co-ordinating with international counterparts through The International Air Transport Association's "travel pass" initiative, which aims to create a digital platform for passengers.

"One common standard ... that's crucial to get people going again," said Kokonis.

Mark Agnew, senior director of international policy at The Canadian Chamber of Commerce, said governments also have a role to play in creating common standards for data storage of testing and ultimately vaccination information.

"Going it alone on a data platform for travellers will only create headaches," he said, adding the International Chamber of Commerce and the World Economic Forum have already begun work to develop such platforms and help reopen borders.

While it isn't clear to what extent business travel will recover, Agnew said more co-ordination and consistency at Canadian border points, such as who is exempt from local quarantine rules, would give companies more confidence in making decisions about how, when, and where employees travel.

"Differing interpretations are creating challenges," he said. "The company may have been told in advance that a certain thing should happen, but then the border officials will instead execute a different decision."

Financial Post

Canadians are the most confident in more than three years that real estate prices will continue to rise, according to weekly telephone polling, a positive signal for the recovery. About half of respondents, or 49.2 per cent, see home prices climbing over the next six months, the highest share since May 2017. That helped lift the Bloomberg Nanos Canadian Confidence Index to 55.1 last week,

levels last seen in early March. It's been nine months since Canada first shut down its economy to contain the spread of COVID-19, leading to a record plunge in consumer confidence. Real estate optimism has continued to climb, however, with only 12.7 per cent of respondents saying they believe home prices in their neighbourhood will decrease in the next six months. *Bloomberg*

American Airlines flight 718 — the first U.S. Boeing 737 Max commercial flight since regulators lifted a 20-month grounding in November — lands Tuesday at LaGuardia airport in New York.

737 Max back in service in U.S.

GROUNDING LIFTED

Carrier, Boeing work to reassure passengers

**DAVID SHEPARDSON
AND TRACY RUCINSKI**

WASHINGTON/CHICAGO • **Boeing Co.'s 737 Max** resumed passenger flights in the United States for the first time on Tuesday after a 20-month safety ban was lifted last month.

American Airlines Flight 718 landed at New York's LaGuardia Airport at around 1:08 p.m. after departing Miami about 2½ hours earlier. A CNBC reporter said the wife of the flight captain and the first officer's mother were both on board for the almost 1,900-kilometre flight.

American and plane maker Boeing have sought to reassure the public over the plane's safety after it was cleared by U.S. regulators in November to resume flights.

A Reuters/IPSOS poll shows that more than half of passengers are wary of taking the jet when reminded of two fatal crashes that led to the grounding.

"This aircraft is ready to go," American president Robert Isom said at a media briefing in Miami before the flight. The airline is confident in the safety of the 737 Max, he added.

The Max was grounded in March 2019 for 20 months after two fatal crashes in five months killed 346 people. The grounding was lifted by the U.S. Federal Aviation Administration (FAA) last month after Boeing agreed to software upgrades and new safeguards on a key flight control system linked to both fatal crashes.

American's first flight between Miami and LaGuardia follows flight control updates, maintenance work, fresh pilot training and town hall meetings with flight crews to walk them through Boeing's changes and address concerns.

American is the third carrier globally to resume flights following Gol Linhas Aereas Inteligentes and Grupo Aeromexico earlier this month. Between those two airlines, the updated 737 Max has flown about 250 commercial flights, according to Cirium, the aviation data firm.

American Airlines currently has 31 of the 737 Max aircraft after taking delivery of seven more jets since the FAA lifted its safety ban, including one on Monday, and plans to gradually reintroduce the plane to its fleet.

The Max's return comes at a time when COVID-19 has thrust the industry into its worst crisis, with airlines parking hundreds of jets as demand hovers around 30 per cent of 2019 levels.

When the 737 Max was grounded, U.S. airlines cancelled flights because they lacked aircraft to meet demand, adding to Boeing's financial liability.

Now airlines are deferring jet deliveries and do not expect a robust rebound until COVID-19 vaccines are widely available.

Relatives of 737 Max crash victims oppose its return.

"I call on anyone looking to book a flight in the future to understand when they buy their ticket what type of airplane will be used so they can make an informed decision for themselves and their loved ones," said Yalena Lopez-Lewis, whose husband Antoine Lewis died on the Ethiopian Airlines crash.

Transport Canada has taken the first step toward

clearing the Boeing 737 Max to fly again by approving design changes to the aircraft.

Earlier this month, the department said pilots can start training flights in January, a sign the plane could return to service early in the new year.

In a letter obtained recently by CBC News, Transport Canada said it informed its U.S. counterpart that it has validated a number of changes to the aircraft with "some unique Canadian differences."

Last week, an Air Canada Boeing 737-8 Max on a test flight suffered engine issues that forced the crew to shut down one of the plane's engines and make an emergency landing in Tucson, Ariz., Aviation24.be reported.

Shortly after takeoff, the crew received an indication of hydraulic low pressure in the left engine, the website said. The three-member crew of the empty plane initially decided to continue the flight to Montreal, but shut down the engine and diverted to Tucson after receiving an indication of a fuel imbalance from the left-hand wing, Aviation24.be said.

More drilling, more production foreseen

GAS

Continued from FP1

Some analysts had also expected millions of additional people working from home through the COVID-19 pandemic — and heating their homes all hours of the day

— to partially offset the drop in industrial demand for natural gas but, CIBC analysts said, "the data we have seen so far would suggest the shift to work-from-home had little impact on demand dynamics."

"With many North Americans spending more time than usual in their homes, the past nine months have been an interesting experiment in natural gas consumption," CIBC World Markets analysts wrote in a Dec. 15 research note.

Having thrived in an unsupportive environment, natural gas producers are now poised to see an improved 2021 as the market normalizes with the return of industrial demand and new gas pipelines being built out of Western Canada.

CIBC analysts believe the combination of higher oil prices, and the resultant increase in gas demand from oil sands operations, as well as Alberta power plants switching from coal-fired generation to natural gas, will boost prices. The electricity sector in Alberta alone

could add 100 million cubic feet per day to 500 mcf to the province's natural gas demand alone.

The bank lists two natural gas-focused producers, ARC Resources Ltd. and Seven Generations Energy Ltd., among its "top ideas" for 2021. The bank also has Canadian Natural Resources Ltd., which is both the largest oil producer in the country and the second-largest gas producer, among its top picks for 2021.

Stifel FirstEnergy estimates capital spending by Canadian natural gas companies to increase by 10 per cent in 2021, with potential for larger increases from ConocoPhillips and Canadian Natural.

Scotiabank expects a slight uptick in natural gas prices next year with the Henry Hub U.S. benchmark expected to average US\$2.70 per mcf in 2021, up 27 per cent from an average of US\$2.12 per mcf in 2020.

In Alberta, where much of the natural gas in Canada is produced, the AECO benchmark price is expected to

average roughly 70 U.S. cents per mcf lower than that price (equivalent to \$2.56 per mcf in today's exchange rate), according to Cameron Gingrich, managing partner, markets and strategy at In-corrays Information System, a Calgary-based gas consultancy.

"I think that certainly 2021 is going to be a positive year in our view," Gingrich said. "We see the AECO basis, instead of that \$1.50 horrendous (discount compared to U.S. benchmarks) that we saw in 2019, we see a 70 cent (discount) in 2021."

Gingrich said the combination of oil sands projects running at full capacity for longer periods, natural gas production in the U.S. continuing to decline and new gas pipeline options out of Western Canada will lead to more capital spending and more drilling for gas in Western Canada.

"I think in our base case that we'd see production in Western Canada grow about 300 million cubic feet per day," said Gingrich, adding that improved prices will help producers that have been struggling for years to repair their balance sheets.

16.02 Time shall be of the essence of this Agreement.

16.03 This Agreement constitutes the entire Agreement between the Parties, and supersedes all prior oral or written agreements, understandings, representations and warranties, and courses of conduct in dealing between the Parties on the subject matter hereof. This Agreement may only be amended, modified or supplemented by an instrument in writing executed by both of the Parties.

16.04 This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada in force in the Province of Ontario, without regard to conflict of laws principles.

16.05 Each of the Parties will be responsible for and shall pay all costs and expenses (including fees and expenses of legal counsel and any other advisors) each party incurs in connection with the negotiation, preparation and execution of this Agreement.

16.06 Subject to the Approval & Vesting Order being issued by the Court, this Agreement is intended to create binding obligations on the part of the Receiver as set forth herein and, on acceptance by the Purchaser, is intended to create binding obligations on the part of the Purchaser as set out herein.

16.11 Each Party acknowledges that it and its legal counsel has reviewed and participated in settling the terms of this Agreement and the Parties hereby agree that any rule of construction to the effect that any ambiguity is to be resolved against the drafting party shall not be applicable in the interpretation of this Agreement.

16.12 Except as required by Applicable Law, all public announcements concerning the Transactions shall be jointly approved as to form, substance and timing by the Parties, acting reasonably, after consultation.

16.13 This Agreement shall be considered properly executed and delivered by any Party if executed in counterpart and transmitted by facsimile to the other party.
