Tony,

I act for Sandra Ebersole. Further to the exchange of e-mails I assume you are aware of the pending motion involving the assets and proceeds thereof for Ebersole Excavating and D&S Railway as well as Sandra Ebersole and Darrell Ebersole. The primary participants dealing with the current litigation are Trisura Guarantee Insurance Company and Maynards for whom Josh Freeman acts. CRA has an interest with respect to their priority and the disposition of the proceeds paid to Ebersole and D&S. BMO held security which was discharged after payment of some of the proceeds of sale. At the request of Mr. Freeman my client as the officer and director of both companies has consented to BMO providing whatever information the bank has regarding the security which it registered against the company with respect to the assets of the company.

If there is anything further you require with respect to both your e-mail and Mr. Freeman's e-mail you can advise me as time is sensitive for the bank to provide that information with the consent of the companies.

Please see below. We have sought some information from BMO's counsel in respect of BMO's security over the assets of the companies and/or principals (now discharged). As a result of privacy concerns, counsel is reluctant to provide same to us. However, as you act for Sandra Ebersole, a principal of each corp, we would appreciate if you, on Sandra's behalf, would please authorize Tony to disclose/produce the requested info/docs to us. As with everything in this file, the tight timelines have created some urgency. Thanks.

Josh, while I would like to assist and provide you with the information you have requested, I cannot find any basis to do

so. The Bank no longer has any interest in the assets at issue. The Bank's duty of confidentiality and PIPEDA do not allow it to provide the information you have requested.

As discussed, we act for Maynards, who has an interest in assets of D&S Railway Construction Inc., Ebersole Excavating Inc. and/or Darrel Ebersole, as a result of Maynards' purchase of same in or around Oct, 2014. As you will recall, your client, BMO, was paid out from the proceeds of this transaction and its security over this collateral was discharged. We understand that BMO held GSAs over the assets of the two corporations (no security in the assets of Darrel personally). At your earliest convenience, please confirm that our understanding is accurate and provide to us copies of the underlying security agreement(s). Thanks in advance for your assistance.

For the purposes of this Security Agreement, the equipment, inventory, intangibles, undertaking and all other property and assets of the Debtor referred to in this clause 2 are hereinafter sometimes collectively called the "Collateral". There shall also be excluded from the security created by this Security Agreement any property of the Debtor that constitutes consumer goods for the personal use of the Debtor.

5. The Debtor shall not without the prior written consent of the Bank sell or dispose of any of the Collateral other than that described in sub-clause (b) of clause 2 above which may be sold only in the ordinary course of business and for the purpose of carrying on the same; and if the amounts of any of the intangibles referred to in sub-clause (c) of clause 2 above or any proceeds arising from the Collateral described in sub-clauses (a) and (b) of clause 2 above shall be paid to the Debtor, the Debtor shall receive the same as agent of the Bank and forthwith pay over the same to the Bank. The Debtor shall not without the prior written consent of the Bank create any liens upon or assign or transfer as security or pledge or hypothecate as security or create a security interest in the Collateral except to the Bank. 6. The Debtor shall at all times do, execute, acknowledge and deliver or cause to be done, executed, acknowledged or delivered all and singular every such further acts, deeds, transfers, assignments, security agreements and assurances as the Bank may reasonably require for the better granting, transferring, assigning, charging, setting over, assuring and confirming unto the Bank the property and assets hereby mortgaged and charged or subjected to security interests or intended so to be or which the Debtor may hereafter become bound to mortgage, charge, transfer, assign or subject to a security interest in favour of the Bank and for the better accomplishing and effectuating of this Security Agreement.

7. The Debtor shall at all times have and maintain insurance over the Collateral against risks of fire (including so-called extended coverage), theft, and such other risks as the Bank may reasonably require in writing, containing such terms, in such form, for such periods and written by such companies as may be reasonably satisfactory to the Bank. The Debtor shall duly and seasonably pay all premiums and other sums payable for maintaining such insurance and shall cause the insurance money thereunder to be payable to the Bank as its interest hereunder may appear and shall, if required, furnish the Bank with certificates or other evidence satisfactory to the Bank of compliance with the foregoing insurance provisions.

8. The Debtor shall at all times upon request by the Bank furnish the Bank with such information concerning the Collateral and the Debtor's affairs and business as the Bank may reasonably request, including lists of inventory and equipment and lists of accounts and accounts receivable showing the amounts owing upon each account and securities therefor and copies of all financial statements, books and accounts, invoices, letters, papers and other documents in any way evidencing or relating to the account.

9. The Debtor shall be in default under this Security Agreement upon the occurrence of any one of the following events:

- (a) the Debtor shall default under any of the Obligations;
- (b) the Debtor shall default in the due observance or performance of any covenant, undertaking or agreement heretofore or hereafter given to the Bank, whether contained herein or not and including any covenant or undertaking set out in any Schedule to this Security Agreement;
- (c) an execution or any other process of any court shall become enforceable against the Debtor or a distress or analogous process shall be levied upon the property of the Debtor or any part thereof;
- (d) the Debtor shall become insolvent or commit an act of bankruptcy, or make an assignment in bankruptcy or a bulk sale of its assets or a bankruptcy petition shall be filed or presented against the Debtor and not be bona fide opposed by the Debtor;
- (e) the Debtor shall cease to carry on business.

10. Upon any default under this Security Agreement, the Bank may declare any or all of the Obligations to be immediately due and payable and may proceed to realize the security hereby constituted and to enforce its rights by entry; or by the appointment by instrument in writing of a receiver or receivers of the subject matter of such security or any part thereof and such receiver or receivers may be any person or persons, whether an officer or officers or employee or employees of the Bank or not, and the Bank may remove any receiver or receivers so appointed and appoint another or others in his or their stead; or by proceedings in any court of competent jurisdiction for the appointment of a receiver or receivers or for sale of the Collateral or any part thereof; or by any other action, suit, remedy or proceeding authorized or permitted hereby or by law or by equity; and may file such proofs of claim and other documents as may be necessary or advisable in order to have its claim lodged in any bankruptcy, winding-up or other judicial proceedings relative to the Debtor. Any such receiver or receivers so appointed shall have power to take possession of the Collateral or any part thereof and to carry on the business of the Debtor, and to borrow money required for the

maintenance, preservation or protection of the Collateral or any part thereof or the carrying on of the business of the Debtor, and to further charge the Collateral in priority to the security constituted by this Security Agreement as security for money so borrowed, and to sell, lease or otherwise dispose of the whole or any part of the Collateral on such terms and conditions and in such manner as he shall determine. In exercising any powers any such receiver or receivers shall act as agent or agents for the Debtor and the Bank shall not be responsible for his or their actions.

In addition, the Bank may enter upon the applicable premises and lease or sell the whole or any part or parts of the Collateral. The Debtor agrees that considering the nature of that part of the Collateral that is not perishable it will be commercially reasonable to sell such part of the Collateral:

- (a) as a whole or in various lots;
- (b) by a public sale or call for tenders by advertising such sale once in a local daily newspaper at least seven (7) days before such sale; and
- (c) by private sale after the receipt by the Bank of at least two offers from prospective purchasers who may include persons related to or affiliated with the Debtor or other customers of the Bank.

Any such sale shall be on such terms and conditions as to credit or otherwise and as to upset or reserve bid or price as to the Bank in its sole discretion may seem advantageous and such sale may take place whether or not the Bank has taken possession of such property and assets.

No remedy for the realization of the security hereof or for the enforcement of the rights of the Bank shall be exclusive of or dependent on any other such remedy, but any one or more of such remedies may from time to time be exercised independently or in combination. The term "receiver" as used in this Security Agreement includes a receiver and manager.

11. Any and all payments made in respect of the Obligations from time to time and moneys realized from any securities held therefor (including moneys realized on any enforcement of this Security Agreement) may be applied to such part or parts of the Obligations as the Bank may see fit, and the Bank shall at all times and from time to time have the right to change any appropriation as the Bank may see fit.

12. The Debtor agrees to pay all reasonable expenses, including solicitor's fees and disbursements and the remuneration of any receiver appointed hereunder, incurred by the Bank in the preparation, perfection and enforcement of this Security Agreement, including all expenses incurred by the Bank and its agents to put into place and confirm the priority of any security interest in this Security Agreement and the payment of such expenses shall be secured hereby.

13. The Bank may waive any default herein referred to; provided always that no act or omission by the Bank in the premises shall extend to or be taken in any manner whatsoever to affect any subsequent default or the rights resulting therefrom.

14. The Debtor acknowledges that value has been given, that the Debtor has rights in the Collateral and that the parties have not agreed to postpone the time for attachment of any security interest in this Security Agreement.

15. The security hereof is in addition to and not in substitution for any other security now or hereafter held by the Bank and shall be general and continuing security notwithstanding that the Obligations of the Debtor shall at any time or from time to time be fully satisfied or paid.

16. Nothing herein shall obligate the Bank to make any advance or loan or further advance or loan or to renew any note or extend any time for payment of any indebtedness or liability of the Debtor to the Bank.

17. This Security Agreement shall enure to the benefit of and be binding upon the respective heirs, executors, administrators, successors and assigns of the Debtor and the Bank.

18. This Security Agreement is a security agreement within the meaning of the Personal Property Security Act (Ontario) and does not constitute an acknowledgement of any particular indebtedness or liability of the Debtor to the Bank.

19. In construing this Security Agreement, terms herein shall have the same meaning as defined in the Personal Property Security Act (Ontario), unless the context otherwise requires. The word "Debtor", the personal pronoun "it" or "its" and any verb relating thereto and used therewith shall be read and construed as required by and in accordance with the context in which such words are used depending upon whether the Debtor is one or more individuals, corporations or partnerships and, if more than one, shall apply and be binding upon each of them severally. The term "successors" shall include, without limiting its meaning, any corporation resulting from the amalgamation of a cor-

poration with another corporation and, where the Debtor is a partnership, any new partnership resulting from the admission of new partners or any other change in the Debtor, including, without limiting the generality of the foregoing, the death of any or all of the partners.
