 - (i) the Tailored Brands Group's headquarters and corporate offices are located in Houston, Texas, U.S., where Tailored Brands, the ultimate shareholder of the Tailored Brands Group is incorporated;

 - (xii) while Moores Suit and Moores Retail has local management and employees located at its executive offices in Etobicoke, Ontario, Canada, such local management reports back to the members of the Company's senior management who, once again, is predominantly based in the U.S.
- (g) In addition,

- (ii) based on the total amount of employees employed by the Company, its Canadian employees also represent less than 10% of all of its employees, with more than 90% of its employees being located in the U.S.

The Tailored Brands Group's Financial Situation

- (h) The Chapter 11 Debtors, recognizing the need to address certain business inefficiencies and to preserve liquidity, worked to develop and implement a comprehensive operational turnaround to simplify their business and build on their core strengths;
- (i) The turnaround initiative includes processes to: (a) modify the leadership structure; (b) sell non-core operations; (c) right-size the physical store footprint; (d) refocus on product assortment; (e) enhance the customer experience and (f) grow the e-commerce offering;
- (j) A number of factors, both macro and micro, however contributed to the Chapter 11 Debtors' financial difficulties and the need for them to commence the Chapter 11 Proceedings;
- (k) As evidenced by the positive results the Chapter 11 Debtors saw in January and February, they have made significant progress in reshaping their assortment, strengthening their omni-channel offering and evolving their marketing channel and creative mix. However, the unprecedented impact of COVID-19 required the Chapter 11 Debtors to further undertake this restructuring process;
- (l) The continuing impact associated with COVID-19 store closures and the slow re-opening recovery of store sales has put pressure on the Chapter 11 Debtors' overall liquidity position;
- (m) Rather than continuing to operate stores which are no longer profitable in this business climate, the Chapter 11 Debtors are seeking to utilize this process to further accelerate their turnaround efforts by closing unprofitable stores, right sizing their cost structure and restructuring their balance sheet to fit the go-forward business.

The Tailored Brands Group's Financing Initiatives

- (n) In light of the COVID-19 pandemic and the related uncertainty as to the return to normal operations, impending interest payments, a substantial store footprint that needs to be rightsized in order to create a leaner and more profitable enterprise, and productive discussions with secured lenders regarding not only the DIP Facility (as defined herein) but also the terms of a plan of reorganization, the Chapter 11 Debtors worked with a number of advisors, including: PJT Partners, Inc. ("**PJT**") as investment bankers, AlixPartners, LLP as financial advisors, and Kirkland & Ellis LLP as counsel, to focus their efforts on negotiating a comprehensive restructuring to be consummated on an expeditious timeline;
- (o) The Company negotiated the terms of a Restructuring Support Agreement ensuring the Chapter 11 Debtors have adequate liquidity to support go-forward operations following emergence;
- (p) In connection with a chapter 11 filing, the Chapter 11 Debtors, with the assistance of PJT, initiated a process for identifying sources of capital on the best available terms. Specifically, with the assistance of PJT, the Chapter 11 Debtors began soliciting indications of interest in July 2020 from potential debtor-in-possession lenders (including specialty lenders and those that routinely provide debtor in possession financing) to gauge their interest in providing debtor in possession financing (the "**DIP Financing**");
- (q) these efforts culminated in the Company executing a *Senior Secured Super-Priority Debtor-in-Possession Credit Agreement* (the "**DIP Financing Agreement**") with the same lender parties as under the ABL Credit Agreement;
- (r) The DIP Financing Agreement contemplates postpetition financing in the form of a US\$500 million senior secured superpriority ABL revolving credit facility (the "**DIP Facility**"), which includes a US\$150 million sublimit for the issuance of letters of credit;

The Chapter 11 Proceedings

- (s) In light of their financial situation described above, following the execution of the DIP Financing Agreement, on August 2, 2020, each of the Chapter 11 Debtors,

including Moores Suit and Moores Retail, commenced the Chapter 11 Proceedings by filing voluntary petitions for relief under Chapter 11 of the U.S. Bankruptcy Code;

- (t) More specifically, in the context of the Chapter 11 Proceedings, the Chapter 11 Debtors have sought relief through a number of *First Day Motions* (the “**First Day Motions**”) that they believe are necessary to enable them to efficiently administer their estates with minimal disruption and loss of value during the pendency of the Chapter 11 Proceedings. The Chapter 11 Debtors have requested that the relief requested in each of the First Day Motions be granted as critical elements in ensuring the maximization of value of their estates;

Canadian Recognition of Chapter 11 Proceedings

- (u) The Chapter 11 Debtors have filed a motion before the U.S. Bankruptcy Court for an order appointing Moores Suit as the foreign representative for the Chapter 11 Debtors and, if such motion is granted, Moores Suit will fall within the definition of “*foreign representative*” found in subsection 45(1) of the CCAA;
- (v) Pursuant to section 46 of the CCAA, Moores Suit, as “*foreign representative*”, may apply to this Court for recognition of the Chapter 11 Proceedings;
- (w) The Chapter 11 Proceedings constitute “*foreign proceedings*” pursuant to subsection 45(1) of the CCAA;
- (x) Pursuant to subsection 47(1) of the CCAA, this Court shall make an order recognizing the Chapter 11 Proceedings if it is satisfied that the application relates to “*foreign proceedings*” and that the Applicant is a “*foreign representative*”;
- (y) Pursuant to subsection 47(2) of the CCAA, this Court shall specify in the order recognizing the Chapter 11 Proceedings whether those proceedings are “*foreign main proceedings*” or “*foreign non-main proceedings*”;
- (z) Since the centre of main interest of all Chapter 11 Debtors, including Moores, is located in the United States, the Chapter 11 Proceedings are therefore “*foreign main proceedings*” as defined in subsection 45(1) of the CCAA;

Recognition of First Day Orders

- (aa) In order to ensure that the Chapter 11 Proceedings are given full effect in Canada, Moores Suit, as foreign representative to the Chapter 11 Debtors, also seeks, as part of the Supplemental Orders, the recognition of the First Day Orders rendered in respect of the following First Day Motions;

Stay of Proceedings

- (bb) Pursuant to section 48 of the CCAA, this Court shall, in the case of a foreign main proceeding, exercise its jurisdiction to prohibit the commencement or continuance of any action, suit or proceeding against the Chapter 11 Debtors, subject to any terms and conditions that this Court considers appropriate;
- (cc) Pursuant to section 49 of the CCAA, if an order recognizing a foreign proceeding is made, the court may, if it is satisfied that it is necessary for the protection of the Chapter 11 Debtors' property or the interests of a creditor or creditors, make any order that it considers appropriate;
- (dd) Given their operations and assets located in Canada, the Chapter 11 Debtors, and more specifically, Moores, require a stay of proceedings and other relief requested in Canada in order to continue their operations in the ordinary course thereby preserving the confidence and support of key constituencies as well as the value of their estates for the benefit of all stakeholders;
- (ee) A stay of proceedings in Canada will also assist the Chapter 11 Debtors in conducting its proposed restructuring process;

Appointment of Information Officer

- (ff) The appointment of an Information Officer will assist both the Court and any Canadian stakeholders of the Chapter 11 Debtors throughout the restructuring process;
- (gg) GT has consented to act as Information Officer in these proceedings;

Administration Charge

- (hh) In order to secure the professional fees and disbursements of GT as Information Officer and its counsel (if GT is appointed as Information Officer), Moores Suit, in its capacity as foreign representative, also seeks from this Court the granting of a \$600 administrative charge over the property of the Chapter 11 Debtors in Canada (i.e. the Administration Charge)
- (ii) The Administration Charge is required to protect the proposed Information Officer and its counsel in the event that their reasonable fees and expenses are unpaid, and therefore would rank in priority to any other security interests, trust, liens, charges and encumbrances on the Chapter 11 Debtors' property in Canada, including the DIP Lenders' Charge;
- (jj) Moores Suit agrees with the Administration Charge and believes that such priority charge is necessary and appropriate, as well as reasonable, under the circumstances;

DIP Lenders' Charge

- (kk) The DIP Financing Agreement also requires Moores Suit, as foreign representative, to seek a super-priority charge (i.e. the DIP Lenders' Charge) over the Canadian assets of the Chapter 11 Debtors in favour of the Administrative Agent and the Canadian Administrative Agent (as defined in the DIP Financing Agreement), for and on behalf of themselves and the lender parties under the DIP Financing Agreement so as to secure the Chapter 11 Debtors' obligations thereunder;
- (ll) The proposed DIP Lenders' Charge will constitute a charge on the property of the Chapter 11 Debtors in Canada and will rank in priority to all claims of any nature or kind against the Chapter 11 Debtors, subject only to the Administration Charge;
- (mm) The DIP Lenders' Charge is necessary in order for the Chapter 11 Debtors to obtain the financing pursuant to the DIP Financing Agreement to finance their restructuring proceedings;

General

- (nn) Such other grounds set forth in the Lathi Affidavit;
 - (oo) Sections 11, 11.02, 11.03, 38, 46, 47, 48, 49, and 50 of the CCAA;
 - (pp) Rules 2.03, 3.02 and 16 of the Rules of Civil Procedure;
 - (qq) Section 106 of the Courts of Justice Act, R.S.O. 1990, c. C-43; and
 - (rr) Such further and other grounds as counsel may advise and this Court may permit.
3. The following documentary evidence will be used at the hearings of the application:
- (a) The Affidavit of Holly Etlin sworn on August 4, 2020, together with the exhibits attached thereto;
 - (b) The pre-filing report of the proposed Information Officer;

7. The Tailored Brands Group is a leading specialty retailer of men’s tailored clothing and is today the largest men’s formalwear provider in the U.S. and in Canada.

8. As appears from the organization chart attached hereto as **Exhibit “G”**, the entities forming part of Tailored Brands Group are ultimately held and controlled by Tailored Brands, a publicly traded company based in Texas, U.S.

9. In addition to its online operations, the Tailored Brands Group also operates a total of 1,399 stores across the U.S. and Canada.

A. The Tailored Brands Group’s US Operations

10. As at the date of the commencement of the Chapter 11 Proceedings, the Tailored Brands Group operated 1,274 stores across the United States, through a network of 3 retail brands:

- (a) Men’s Wearhouse;
- (b) Jos. A. Bank; and
- (c) K&G Fashion Superstore.

11. All of these brands are further described below.

i. Men's Wearhouse Brand

12. Founded in 1973, Men's Wearhouse has been an all-occasion apparel retailer that strives to empower men to look and feel their best. Men's Wearhouse is one of the largest specialty retailers of men's apparel and providers of tuxedo rental products in the United States. For more than forty years, Men's Wearhouse has been supplying men with high-quality and affordable designer apparel for all occasions, with a focus on personalized service.

13. Men's Wearhouse targets male consumers (eighteen to sixty-five years old) by providing superior, personalized customer service and offering a broad selection of exclusive and non-exclusive merchandise brands at regular and sale prices that are competitive with specialty retailers and traditional department stores.

14. Merchandise includes suits, suit separates, sport coats, slacks, formalwear, business casual, denim, sportswear, outerwear, dress shirts, shoes, and accessories in classic, modern, slim and ultra-slim fits and in a wide range of sizes including a selection of "Big and Tall" products.

15. Stores carry clothing and accessories from designers including Joseph Abboud, Calvin Klein, Tommy Hilfiger, and Lucky Brand Jeans, as well as exclusive offerings from JOE by Joseph Abboud, AWEARNESS Kenneth Cole, and BLACK by Vera Wang. The Company also offers a full selection of special occasion offerings including tuxedo and suit rental products under the Men's Wearhouse and Tux brand, which broadens the customer base by drawing first-time and younger customers into the stores.

16. The Company's campaign "*Good on You*" celebrates the everyday moments in a man's life, big and small, and having confidence that comes with knowing he looks his best in moments that matter.

17. As a brand that has always supplied men with confidence by guiding them to look good and feel their best, it is now also taking a much broader approach by encouraging men to be their best, standing up and setting a good example each and every day.

ii. The Jos. A. Bank Brand

18. In June 2014, Jos. A. Bank was acquired by the Company. From its inception in Baltimore, Maryland in 1905, Jos. A. Bank has become a leader in the menswear retail sphere. With a heritage of quality tailoring and excellent service, Jos. A. Bank is a leading provider of classically styled, expertly tailored business and casual menswear.

19. Jos. A. Bank targets male consumers (twenty-five to sixty-five years old), emphasizing superior, personalized customer service and offering high quality, business formalwear and business casual merchandise, substantially all of which are Jos. A. Bank branded products including the exclusive Reserve and 1905 labels. Merchandise consists of suits, suit separates, sport coats, slacks, formalwear, business casual, denim, sportswear, outerwear, dress shirts, shoes, and accessories in classic, modern, slim, and ultra-slim fits and in a wide range of sizes including a selection of “*Big and Tall*” products.

20. Although the target gender and age of the Jos. A. Bank customer are similar to Men’s Wearhouse, Jos. A. Bank customers and the Men’s Wearhouse customers are distinct in their style preferences and, based on information from loyalty programs, the Company believes that there is minimal overlap between the Jos. A. Bank customer and the Men’s Wearhouse customer.

21. Jos. A. Bank also offers a full selection of special occasion rental products and, similar to the Men’s Wearhouse rental offering, believes the rental product offering draws first-time and younger customers into the stores.

22. As is the case at Men's Wearhouse, the Company believes Jos. A. Bank is well-positioned to meet its customers' special occasion needs, through retail clothing offerings, rental products, or custom offerings.

iii. The K&G Fashion Superstore Brand

23. K&G was founded in 1989 in Atlanta, Georgia.

24. In 1999, with thirty-five stores, K&G was acquired by Men's Wearhouse and was rebranded from K&G Men's Superstore to K&G Fashion Superstore.

25. K&G Fashion Superstore is a one-stop shopping experience for men, women, and kids who are looking for clothing that allows them to express their individual style at a price they can afford.

26. From career wear to the latest trends, K&G offers incredible value to families that want fashionable, designer brand apparel, footwear, and accessories. K&G stores offer a value-oriented superstore approach that appeals to the more price-sensitive customer in the apparel market. K&G offers first-quality, current-season apparel and accessories comparable in quality to that of value-oriented department stores, at prices that are typically up to 60% below the regular prices charged by such stores.

27. K&G's merchandising strategy emphasizes broad assortments across all major categories of both men's and women's career and casual apparel in a wide range of sizes including "Big and Tall" and "Women's plus sizes", as well as tailored clothing, dress furnishings, sportswear, accessories, shoes, and children's apparel. This merchandise selection, which includes exclusive and non-exclusive merchandise brands, positions K&G to attract a wide range of customers in each of its markets.

B. The Tailored Brands Group's Canadian Operations: The Moores Clothing for Men Brand

28. In 1999, Moores was acquired by the Company.

29. Moores began in 1980 with a single, family-owned store in Mississauga, Ontario. Today, with stores in every major city in Canada, Moores features a wide selection of designer styles and a commitment to quality and customer service. Designer brands represent a key offering, including Joseph Abboud, JOE by Joseph Abboud, AWEARNESS Kenneth Cole, and Calvin Klein.

30. Moores targets the same consumer and provides the same broad merchandise offerings as Men's Wearhouse but is based in Canada whereas the Men's Wearhouse footprint is in the United States.

31. Today, Moores has become one of Canada's leading menswear retailers, with 125 stores across the following Canadian Provinces:

- (a) Ontario (54);
- (b) Québec (25);
- (c) British Columbia (16);
- (d) Alberta (15);
- (e) Manitoba (4);
- (f) Nova Scotia (4);
- (g) New Brunswick (3)
- (h) Saskatchewan (2);
- (i) Newfoundland and Labrador (1); and
- (j) Prince Edward Island (1)

32. As at the date of the commencement of the Chapter 11 Proceedings, Moores employed approximately 1,200 employees, either located:

- (a) at one of its Canadian stores;
- (b) at its executive offices located in Etobicoke, Ontario; or
- (c) at its Canadian distribution center in Cambridge, Ontario.

33. As will be further discussed below, Moores Suit is a borrower under the ABL Credit Agreement and has provided security over all of its assets to secure its obligations thereunder.

2.3 DESCRIPTION OF THE TAILORED BRANDS GROUP OPERATIONS

A. The Company's Omni-Channel Operations

34. Brick-and-Mortar Presence. The Company maintains both a substantial domestic and international presence, operating approximately 1,274 stores in the United States and 125 stores in Canada. The U.S. retail stores operate under the Men's Wearhouse (including Men's Wearhouse and Tux), Jos. A. Bank, and K&G brand names and are located in all fifty states and the District of Columbia. The Canadian stores operate under the Moores brand name and are located in ten Canadian provinces.

35. The stores are typically located in lifestyle centers, shopping malls, and street level shops.

36. The E-Commerce Platform. The Company's branded websites include www.menswearhouse.com and www.josbank.com. Jos. A. Bank and Men's Wearhouse first launched their websites in 1998 and 2000, respectively.

37. The current ecommerce capabilities include '*virtualized inventory*' that enables customers to order items through the website when not available at the store. In addition, it offers a guided shopping experience called "*Look Finder*" that provides customers with product recommendations.

38. In 2019, the Company continued to build on delivering personalized, high-tech, high-touch service online including critical investments in technologies, business processes, and personnel, such as improvements in website speed, navigation, and visual merchandising.

39. The Company expects to continue to shift the marketing mix into broad reach digital channels that are more relevant, more easily personalized, and whose performance is more easily measured.

B. The Critical Components of the Company's Cost Structure

i. Supply Chain

40. Delivering quality merchandise at reasonable prices is the essence of the Company's business. For the Men's Wearhouse, Jos. A. Bank, and Moores Brand, and, to a lesser extent, the K&G brand, a vertical direct sourcing model with third-party manufacturers covers design, product development, manufacturing, testing, quality control, and all necessary logistics required to get merchandise from the factory to the sales floor.

41. The Company purchases merchandise and rental product from a broad base of manufacturers. The Company has no material long-term merchandise manufacturing contracts and typically transacts business on an order-by-order basis either directly with manufacturers and fabric mills or trading companies, or through that certain sourcing agreement with Tailored Brands Worldwide Purchasing Co. ("**WPC**"), a subsidiary of Tailored Brands.

42. Pursuant to that sourcing agreement, WPC is responsible for developing and expanding a reliable network of third-party suppliers, negotiating and contracting with suppliers, maintaining on-the-ground relationships with local suppliers and monitoring their manufacturing activities, ensuring that the product quality standards are met, arranging for the transportation of goods to the Company, and purchasing the finished goods from the suppliers and selling the finished goods to the Company. Each of the Company's business units places orders to and through

WPC, which in turn places orders to, and pays, third-party vendors on behalf of the Company. To facilitate such purchases, the Company transfers funds to WPC on an as-needed basis.

43. The Company has developed long-term and reliable relationships with most of its direct manufacturers and fabric mills, which the Company believes provides stability, quality, and price leverage.

44. Furthermore, the Company works with trading companies that support its relationships with manufacturers for direct-sourced merchandise and contract agent offices that provide administrative functions on the its behalf. The agent offices provide all quality-control inspections and ensure that operating procedures manuals are adhered to by the manufacturers.

45. Not only is the Company relying heavily on its vendors to deliver outstanding orders, the Company is also relying on its vendors to provide future deliveries, namely those set to occur during the pendency of the Chapter 11 Proceedings and these recognition proceedings.

46. Because of substantial production lead-time and the transport time necessary to receive goods, the Company orders merchandise well in advance of the applicable selling season. Accordingly, it is required to forecast future demand when placing such orders. Failure to manage lead times appropriately could impact the business.

47. Regarding customized clothing, the Company has supply chain advantages with its owned factory that manufactures premium custom clothing in the United States and strong relationships and scale advantages with foreign manufacturers for entry-level custom clothing, along with a wide assortment of custom suit fabrics to create high-quality and unique products for customers.

48. The Company uses a regional distribution center approach to leverage the geographic locations of the main distribution centers in Texas and Maryland, as well as hub facilities.

Merchandise received into these regional distribution centers is either placed in back-stock or allocated to a store for shipping. In the majority of the larger markets, the Company also has separate hub distribution facilities or space within certain stores used as redistribution facilities for their respective areas.

49. Merchandise for Moores is distributed to the stores from the distribution center in Cambridge, Ontario.

50. The majority of merchandise for K&G stores is direct shipped by suppliers to the stores with the remainder of K&G merchandise being managed via a third-party logistics firm.

ii. Employee Compensation and Benefits

51. The Chapter 11 Debtors employ approximately 18,000 employees, including approximately 13,000 full-time employees and approximately 5,000 part-time and seasonal employees. The Chapter 11 Debtors also typically retain approximately 750 independent contractors and temporary workers at any given time.

52. Of all of these employees, approximately 1,200 are employed by Moores and are located in Canada.

53. The Chapter 11 Debtors offer their employees the opportunity to participate in a number of insurance and benefits programs, including, among other programs, dental, medical and vision plans, workers' compensation, 401Ks, customary commission bonuses, vacation time, non-insider incentive programs, paid time off, disability benefits, and other employee benefit plans.

iii. Real Estate Obligations

54. The Chapter 11 Debtors, including Moores, lease almost all of their stores and offices. The aggregate annual occupancy cost of the Chapter 11 Debtors' current stores is

approximately US\$416 million, of which US\$21,379 million is attributable to Moores' operations in Canada.

55. The Chapter 11 Debtors lease retail business locations, office and warehouse facilities, and equipment under various non-cancelable operating leases expiring in various years through 2029.

56. As of the date of the commencement of the Chapter 11 Proceedings, the Chapter 11 Debtors operated 1,274 retail apparel and rental stores in all fifty states and the District of Columbia, and 125 retail apparel stores across ten Canadian provinces, amounting to approximately 9 million square feet in store front. Almost all of these stores are leased, generally for five to ten year initial terms with one or more renewal options after the initial term.

57. The Chapter 11 Debtors also own or lease properties in various parts of the U.S. and Canada to facilitate the distribution of retail and rental product to the stores. Total owned and leased property for distribution is approximately 6 million square feet and 1.8 million square feet, respectively.

58. In addition, the Chapter 11 Debtors have primary office locations in Houston, Texas, Fremont, California, New York, New York, and Hampstead, Maryland with additional satellite offices in other parts of the United States and Canada. The Debtors lease approximately 240,000 square feet and own approximately 120,000 square feet of office space.

59. Prior to the Petition Date, the Chapter 11 Debtors hired A&G Realty Partners ("**A&G**") to assist with their real estate negotiation strategy, including potential rent concessions, rental deferment and other relief. As a result, the Chapter 11 Debtors have successfully secured rental deferments with approximately 60% of go-forward landlords for the months of April and May in relation to the COVID-19 pandemic. Further, following the Petition Date, the Chapter 11 Debtors

and A&G intend to negotiate rent reductions with landlords in the base rent for the go-forward fleet and will be announcing that process shortly.

C. The Chapter 11 Debtors' Corporate and Capital Structure

60. As of the commencement of the Chapter 11 Proceedings, the Company' capital structure consisted of outstanding funded debt obligations in the aggregate principal amount of approximately US\$1.4 billion, including the ABL Facility, the Term Loan, and the Senior Notes (as such terms will be defined below). The following table summarizes the Debtors' outstanding funded-debt obligations as of the Petition Date:

Funded Debt	Maturity	Interests Rates	Principal Amount Outstanding
ABL Facility	October 25, 2022 ¹	1.7%	US\$375 million line balance and US\$ 22.9 million L/C balance
Term Loan	April 9, 2025 ²	5.53% ³	US\$877.4 million
Senior Notes	July 1, 2022	7.0%	US\$173.8 million
TOTAL			US\$1.4 billion

i. The ABL Revolving Credit Facility

61. The Chapter 11 Debtors are party to that certain credit agreement, dated as of June 18, 2014 (as amended by that certain amendment no. 1 dated as of July 28, 2014, amendment no. 2, dated as of October 25, 2017, amendment no. 3 dated as of April 30, 2019, and as may be

¹ Subject to a springing maturity (a) on April 1, 2022, if any Senior Notes remain outstanding on that date, or (b) on the date that is the 91st day prior to the final maturity date of any class or tranche of term loans under the Prepetition Term Credit Agreement.

² Subject to a springing maturity provision that would accelerate the maturity of the Prepetition Term Loans to April 1, 2022 if any of the Debtors' obligations under their Senior Notes remain outstanding as of April 1, 2022.

³ Based on 1-month LIBOR, which was 2.51% at February 2, 2019, plus the applicable margin of 3.25%, resulting in total interest rate of 5.76%. Interest swap agreements converted 80% of loan to a fixed rate resulting in weighted rate of 5.77%.

further amended, restated, modified or supplemented from time to time, the “**ABL Credit Agreement**”), by and among The Men’s Wearhouse, Inc., each of the U.S. subsidiary borrowers from time to time party thereto, Moores Suit, the Canadian guarantors party thereto, the lenders party thereto (the “**Prepetition ABL Lenders**”), and JPMorgan Chase Bank, N.A., as administrative agent (the “**Prepetition ABL Agent**”), and JPMorgan Chase Bank, N.A. Toronto branch, as Canadian administrative agent.

62. The ABL Credit Agreement provides for a US\$550 million facility with possible future increases to US\$650 million (subject to a borrowing base composed primarily of receivables, credit card receivables and inventory) with a maturity date of October 25, 2022 (the “**ABL Facility**”)⁴. The October 25, 2022 maturity date is subject to a springing maturity (a) on April 1, 2022, if any Senior Notes (as defined below) remain outstanding on that date, or (b) on the date that is the 91st day prior to the final maturity date of any class or tranche of term loans under the Term Loan Credit Agreement (as defined below).

63. The obligations under the ABL Facility are secured on a senior basis by a first priority lien on substantially all of the assets of Tailored Brands, certain U.S. subsidiaries, and Moores Suit, including, without limitation, accounts (including receivables), inventory, deposit accounts, security accounts, cash, and cash equivalents. Certain of the Chapter 11 Debtors have jointly and severally guaranteed all U.S. borrowing obligations under the ABL Facility. Due to ongoing liquidity constraints, the aggregate availability under the ABL Facility has been constrained for many months preceding the commencement of the Chapter 11 Proceedings, including due to a US\$260 million draw on March 16, 2020 as a proactive measure in response COVID-19.

⁴ The ABL Facility has several borrowing and interest rate options including the following indices: (a) adjusted LIBOR, (b) Canadian Dollar Offered Rate rate, (c) Canadian prime rate, or (d) an alternate base rate (equal to the greater of the prime rate, the New York Federal Reserve Bank rate plus 0.5% or adjusted LIBOR for a one-month interest period plus 1.0%). Advances under the ABL Facility bear interest at a rate per annum using the applicable indices plus a varying interest rate margin of up to 1.75%. The ABL Facility also provides for fees applicable to amounts available to be drawn under outstanding letters of credit which range from 1.25% to 1.75%, and a fee on unused commitments of 0.25%.

64. As of the commencement of the Chapter 11 Proceedings, there was approximately US\$65 million of availability under the ABL Facility and approximately US\$100 million in cash and cash equivalents.

ii. The Term Loan

65. The Men's Wearhouse, Inc. is party to that certain term credit agreement, dated as of June 8, 2014 (as amended by that certain amendment no. 1, dated June 26, 2014, as further amended by that certain incremental facility agreement no. 1, dated as of April 7, 2015, as further amended by that certain amendment no. 2, dated as of April 9, 2018, as further amended by that certain amendment no. 3, dated as of October 10, 2018, and as may be further amended, restated, amended and restated, modified, or supplemented from time to time, the "**Term Loan Credit Agreement**," and the loans provided thereunder, the "**Term Loan**"), with the lender from time to time party thereto (the "**Prepetition Term Loan Lenders**") and JPMorgan Chase, N.A. as administrative agent (the "**Prepetition Term Loan Agent**").

66. The Term Loan Credit Agreement has a commitment level of US\$900 million⁵ and provides for an interest rate of 5.53%,⁶ with a maturity date of April 9, 2025.⁷ The obligations are secured on a senior basis by a first priority lien on substantially all of the assets of the Chapter 11 Debtors, including Moores Suit, subject to certain exceptions and limitations set forth in the Prepetition Term Loan Documents.

⁵ In addition to this commitment level, the Term Loan Credit Agreement provides for the ability to request additional term loans or incremental equivalent debt borrowings, all of which uncommitted, in an aggregate amount up to the greater of (a) \$250 million and (b) an aggregate principal amount such that, on a pro forma basis (giving effect to such borrowings), the senior secured leverage ratio will not exceed 2.5 to 1.0.

⁶ The interest rate on the Term Loan is based on 1-month LIBOR, which was 0.30% at May 2, 2020. However, the Term Loan interest rate is subject to a LIBOR floor of 1%, plus the applicable margin of 3.25%, results in a total interest rate of 4.25%. We have two interest rate swap agreements where the variable rates due under the Term Loan have been exchanged for a fixed rate. At May 2, 2020, the total notional amount under these interest rate swaps is \$705.0 million. As a result of our interest rate swaps, 80% of the variable interest rate under the Term Loan has been converted to a fixed rate and, as of May 2, 2020, the Term Loan had a weighted average interest rate of 5.62%.

⁷ The April 9, 2025 maturity date is subject to a springing maturity provision that would accelerate the maturity of the Term Loans to April 1, 2022 if any of the Debtors' obligations under their Senior Notes remain outstanding as of April 1, 2022.

67. As of the commencement of the Chapter 11 Proceedings, the Chapter 11 Debtors had approximately US\$877.4 million of aggregate principal outstanding under the Term Loan Credit Agreement.

iii. Senior Notes

68. The Men's Wearhouse, Inc. issued 7.00% senior notes (the "**Senior Notes**") in the aggregate amount of US\$600 million under that certain indenture dated as of June 18, 2014 (the "**Indenture**"). The Senior Notes are guaranteed, jointly and severally, on an unsecured basis by all other U.S. Chapter 11 Debtors. The Senior Notes and the related guarantees are senior unsecured obligations of The Men's Wearhouse, Inc. and the guarantors, respectively, and will rank equally with all of The Men's Wearhouse, Inc.'s and each guarantor's present and future senior indebtedness.

69. The Senior Notes will mature on July 1, 2022⁸.

70. As of the commencement of the Chapter 11 Proceedings, there was approximately US\$173.8 million outstanding under the Senior Notes.

iv. Equity Interests

71. Tailored Brands' common stock is traded on the New York Stock Exchange under the symbol "*TLRD*."

72. As of the commencement of the Chapter 11 Proceedings, there were approximately 48.9 million shares outstanding.

⁸ The Debtors may redeem some or all of the Senior Notes at any time on or after July 1, 2017 at the redemption prices set forth in the Indenture. As of February 1, 2020, the redemption price is 101.75% of the face value and steps down to 100% of the face value on July 1, 2020. Upon the occurrence of certain specific changes of control, they may be required to offer to purchase the Senior Notes at 101% of their aggregate principal amount plus accrued and unpaid interest thereon to the date of purchase.

2.4 PRE-PETITION STRATEGIC TURNAROUND INITIATIVES

73. The Chapter 11 Debtors, recognizing the need to address certain business inefficiencies and to preserve liquidity, worked to develop and implement a comprehensive operational turnaround to simplify their business and build on their core strengths.

74. The turnaround initiative includes processes to: (a) modify the leadership structure; (b) sell non-core operations; (c) right-size the physical store footprint; (d) refocus on product assortment; (e) enhance the customer experience and (f) grow the e-commerce offering. In addition, the Chapter 11 Debtors took certain steps in response to COVID-19 including draw-down of their ABL Facility and taking substantial steps to reduce cash outflow including furloughing employees and deferring all non-essential expenses.

75. The Chapter 11 Debtors have undertaken certain of these processes and will continue to implement the remainder through its restructuring process which will be implemented as part of the Chapter 11 Proceedings.

A. Operational Initiatives

i. Change in Leadership

76. The first component of the Chapter 11 Debtors' turnaround initiative was to modify the leadership structure.

77. On December 11, 2019, the Chapter 11 Debtors announced the creation of a new Chief Customer Officer role providing common leadership for the Men's Wearhouse, Jos. A. Bank, and Moores brands, and eliminated the brand president position for these brands.

78. Carrie Ask, then brand president of Men's Wearhouse and Moores, was appointed as the Chief Customer Officer.

79. The Chapter 11 Debtors believe this new structure heightens their focus and ability to unlock value across their brand portfolio and will enable them to show up for customers in more effective and efficient ways.

80. Additionally, on July 21, 2020, the Chapter 11 Debtors also appointed me as Chief Restructuring Officer of Tailored Brands to help lead the Chapter 11 Debtors' turnaround efforts and evaluate restructuring and refinancing alternatives.

ii. Sale of Non-Core Operations

81. Prior to recent events, the Chapter 11 Debtors identified certain segments of their operations that could be eliminated to increase overall net revenue and provide opportunities to generate increased liquidity through sales of those same segments. The Chapter 11 Debtors took the following actions intended to accelerate debt reduction and provide additional financial flexibility to invest in the customer-facing transformation strategies.

82. First, on February 28, 2018, the Chapter 11 Debtors entered into a definitive agreement to divest their MW Cleaners business for approximately US\$18 million, subject to certain adjustments, and the transaction closed on March 3, 2018.

83. Second, on August 16, 2019, the Chapter 11 Debtors completed the sale of MWUK Limited ("**MWUK**"), the UK corporate apparel operations, to Project Dart Bidco Limited. The Chapter 11 Debtors also completed the sale of Twin Hill Acquisition Company, Inc. ("**Twin Hill**"), the U.S. corporate apparel operation, to TH Holdco Inc.

84. The aggregate consideration for all of the outstanding equity of MWUK Limited and Twin Hill was approximately US\$62 million, subject to certain working capital adjustments.

85. The Chapter 11 Debtors determined that the sale of these corporate apparel business segments represented a strategic shift that will have a major effect on the results of operations.

86. Finally, on January 16, 2020, certain of the Chapter 11 Debtors entered into an agreement with WHP Global to sell the Joseph Abboud trademarks for a total of US\$115 million in cash consideration. The proceeds of such sale were deposited into a blocked account and used to fund certain capital expenditures and purchase of rental products. Upon closing of this transaction in March 2020, certain of the Chapter 11 Debtors and their non-Debtor affiliates entered into a license agreement with WHP Global granting the Chapter 11 Debtors the exclusive right and license to sell and rent Joseph Abboud branded apparel and related merchandise in the United States and Canada.

iii. Right Sizing Physical Store Footprint

87. The third component of the turnaround initiative focuses on streamlining the Chapter 11 Debtors' real estate footprint.

88. The Chapter 11 Debtors have continued the process of exiting unprofitable stores and analyzing optimal markets in which to maintain a physical presence on a go-forward basis, including the closure of seventeen retail locations in fiscal year 2019.

89. Following the sale of its U.K. corporate apparel operations, the Chapter 11 Debtors only maintain storefronts located in the United States and Canada. During the current fiscal year and up to the Petition date, the Chapter 11 Debtors have closed approximately fifty stores either with expired leases or stores which are subject to the Chapter 11 Debtors' lease rejection motion, filed in the Chapter 11 Proceedings.

90. In parallel with the store closings, with the assistance of certain advisors—specifically A&G—the Chapter 11 Debtors commenced rent deferral negotiations in approximately 900 with landlords. These deferrals negotiations focused on April and May rent for the period of the COVID-19 closures. These efforts remain ongoing as of the commencement of the Chapter 11

Proceedings. Approximately 470 landlords had agreed to rent deferrals as of the commencement of the Chapter 11 Proceedings.

91. Pursuant to the *Debtors' Omnibus Motion Seeking Entry of an Order Authorizing (I) the Rejection of Certain Unexpired Leases and (II) Abandonment of Certain Personal Property, if any, Each Effective Nunc Pro Tunc to the Petition Date*, filed in the course of the Chapter 11 Proceedings, the Chapter 11 Debtors intend to quickly wind-down their unprofitable, domestic stores.

92. In conjunction such wind-downs, the Chapter 11 Debtors also intend to commence a broad-based program with A&G focused on reducing rent and achieving additional rent abatements for their go-forward fleet of stores.

iv. Refocusing on Product Assortment

93. The fourth component of the Chapter 11 Debtors' turnaround initiative has been focused on adjusting their merchandise to meet customer preferences. Based upon detailed analysis which was undertaken in 2018-2019, the Chapter 11 Debtors commenced their merchandise assortment shift in late 2019.

94. Given the continuing trend in casualization of workplace and special occasion attire, the Chapter 11 Debtors have accelerated and plan to continue to accelerate the evolution of their assortments to a mix that better reflects the way men dress for moments that matter.

95. The merchandise initiatives also include rationalizing core assortments and integrating more innovative products, for example 4-way stretch dress shirts.

v. Enhancing the Customer Experience

96. The customer focus continues with the core initiatives around selection, convenience, service and value. Store personnel focus on pulling together the right look so the customer can find his preferred fit, style, and look his best at moments that matter.

97. Further, the Chapter 11 Debtors will continue to offer their “Perfect Fit” loyalty program to the Men’s Wearhouse, Men’s Wearhouse and Tux, and Moores customers, and the “Bank Account” loyalty program for Jos. A. Bank customers. Under these loyalty programs, customers receive points for purchases. Points are generally equivalent to dollars spent on a one-for-one basis. Upon reaching 500 points, customers are issued a US\$50 rewards certificate that they may use to make purchases at stores or online. All customers who register for these loyalty programs are eligible to participate and earn points for purchases. The Chapter 11 Debtors believe these loyalty programs facilitate their ability to cultivate long-term relationships with customers

vi. Growing the Debtors’ E-commerce Offering

98. The sixth component of the turnaround initiative seeks to improve the pre-existing e-commerce platform in key customer-facing areas. The Chapter 11 Debtors believe that e-commerce augments the *brick-and-mortar* model and solidifies the seamless customer experience. The Chapter 11 Debtors have a strong online presence that can be made even more effective with simple initiatives, such as improved site merchandising and layout, personalization and clear product badging.

99. The Chapter 11 Debtors continue to invest in initiatives that support their omni-channel strategies. They have implemented ‘virtualized inventory’ that enables customers to order items online when not available at the store. They also ship online purchases from stores to further enhance customer’s online shopping experience and reduce delivery times.

100. In 2019, the Chapter 11 Debtors focused on growing e-commerce sales through a combination of traffic gains, feature enhancements, and elevated merchandising, and the Chapter 11 Debtors saw accelerating growth throughout the year as a result.

101. The Chapter 11 Debtors plan to build on that success in 2020 with continued focus on improving the customer experience, elevating the assortment, and leveraging marketing to drive more visitors to the websites. The Chapter 11 Debtors have the potential to significantly increase their online penetration, which is well below the general apparel industry.

vii. Response to the COVID-19 Pandemic

102. In response to the COVID-19 pandemic, the Chapter 11 Debtors took other measures to increase liquidity by eliminating or deferring most discretionary spending. For example, the Chapter Debtors significantly reduced inventory purchases, capital expenditures, advertising spend, and store and other general and administrative costs.

103. In response to the government's restrictions on business activities, the Chapter 11 Debtors also temporarily furloughed approximately 97% of the employees and temporary staff and instituted salary reductions in both the United States and Canada.

104. However, the Chapter 11 Debtors brought back certain furloughed employees to make 50,000 masks for healthcare workers fighting COVID-19 and will continue to look for additional opportunities to help frontline healthcare workers and bring its employees back to work.

105. As of the date of commencement of the Chapter 11 Proceedings, the Chapter 11 Debtors have re-opened substantially all their stores and are gradually recalling furloughed employees as circumstances permit.

106. Furthermore, in light of the store closures, the Chapter 11 Debtors have taken certain actions with respect to existing leases, including engaging with landlords to discuss rent reductions and deferrals of April and May rent.

107. On March 16, 2020, the Chapter 11 Debtors drew down US\$260 million under the ABL Facility. After assessing the remaining availability under the ABL Facility and determining that additional borrowings were prudent to maximize cash on hand, on March 19, 2020 and on March

31, 2020, respectively, the Chapter 11 Debtors borrowed an additional US\$25 million under the ABL Facility. These borrowings under the ABL Facility are proactive measures in order to increase the Debtors' cash position and preserve financial flexibility in light of current uncertainty in the global markets resulting from COVID-19.

2.5 EVENTS LEADING TO THE CHAPTER 11 PROCEEDINGS

108. A number of factors, both macro and micro, contributed to the need to commence the Chapter 11 Proceedings. As evidenced by the positive results the Chapter 11 Debtors saw in January and February, they have made significant progress in reshaping their assortment, strengthening their omni-channel offering and evolving their marketing channel and creative mix. However, the unprecedented impact of COVID-19 required the Chapter 11 Debtors to further undertake this restructuring process.

109. The continuing impact associated with COVID-19 store closures and the slow re-opening recovery of store sales has put pressure on the Chapter 11 Debtors' overall liquidity position. Rather than continuing to operate stores which are no longer profitable in this business climate, the Chapter 11 Debtors are seeking to utilize this process to further accelerate their turnaround efforts by closing unprofitable stores, right sizing their cost structure and restructuring their balance sheet to fit the go-forward business.

B. The Restructuring Support Agreement and Financing Initiatives

110. In light of the COVID-19 pandemic and the related uncertainty as to the return to normal operations, impending interest payments, a substantial store footprint that needs to be rightsized in order to create a leaner and more profitable enterprise, and productive discussions with secured lenders regarding not only the DIP Facility (as defined herein) but also the terms of a plan of reorganization, the Chapter 11 Debtors worked with a number of advisors, including: PJT Partners, Inc. ("**PJT**") as investment bankers, AlixPartners, LLP as financial advisors, and

Kirkland & Ellis LLP as counsel, to focus their efforts on negotiating a comprehensive restructuring to be consummated on an expeditious timeline.

i. The Restructuring Support Agreement

111. The Restructuring Support Agreement (the “**RSA**”), attached as Exhibit “A” to the First Day Etlin Declaration, contemplates a comprehensive reorganization that will result in a substantial deleveraging of the Chapter 11 Debtors’ balance sheet through the reduction in the Chapter 11 Debtors’ funded indebtedness by between approximately US\$455 million and US\$555 million and allow the Chapter 11 Debtors to move expeditiously through these restructuring proceedings. Importantly, the Exit ABL Facility (as defined below) contemplated by the RSA will provide the Chapter 11 Debtors with a committed financing source, ensuring the Chapter 11 Debtors have adequate liquidity to support go-forward operations following emergence. The key components of the RSA are as follows⁹:

- (a) the provision of liquidity to fund the Chapter 11 Debtors’ operations and the administration of these restructuring proceedings through the entry into a new debtor-in-possession asset-based financing facility (the “**DIP Facility**”) with a principal amount of \$500 million, including a refinancing of all obligations under the Prepetition ABL Facility and a “roll-up” of the letters of credit issued thereunder;
- (b) the Consenting Term Loan Lenders’ consent to the Chapter 11 Debtors’ use of cash collateral (as defined in section 363(a) of the Bankruptcy Code) securing the Term Loan Credit Agreement to pay down outstanding obligations under the DIP Facility, on the terms set forth on the proposed form of interim order authorizing the Debtors’ use of cash collateral and approving the DIP Facility, attached as Annex 5 to the RSA;

⁹ Capitalized terms used but not otherwise defined in this summary shall have the meanings ascribed to such terms in the RSA.

(c) on the Plan Effective Date:

- i. the reorganized Chapter 11 Debtors or affiliates thereof (the “**Reorganized Debtors**”) shall enter into the following exit facilities:
(a) a new senior secured, first lien term loan facility in the aggregate principal amount of between \$325 million and \$425 million (the “**Exit Term Loan Facility**”), and (b) a new asset-based exit financing facility with aggregate total commitments of US\$400 million (the “**Exit ABL Facility**”);
- ii. holders of allowed claims under the DIP Facility shall receive a pro rata share of principal and interest in the Exit ABL Facility;
- iii. holders of allowed claims under the Prepetition Term Loan Credit Agreement shall receive a pro rata share and interest in (i) the Exit Term Loan Facility and (ii) 100% of the new common stock to be issued by the Reorganized Debtors (subject to dilution by the Management Incentive Plan); and
- iv. holders of allowed claims on account of the Chapter 11 Debtors’ swap agreements secured under the ABL Credit Agreement shall receive payment in full in cash from the proceeds of the DIP ABL Priority Collateral.

112. Importantly, speed is key for a successful retail reorganization. As a result, the RSA and DIP financing facilities contain a number of key milestones to ensure the Chapter 11 Debtors do not languish in chapter 11.

ii. The Proposed DIP Financing

113. The Chapter 11 Debtors’ negotiations with their funded debtholders and third parties, which ultimately culminated in the DIP Facility and access to cash collateral, were guided by two key considerations. **First**, speed is key. Given the potential business disruption and costs associated with a chapter 11 filing, it is crucial that the Chapter 11 Debtors emerge from chapter 11 as quickly as possible. **Second**, a fresh liquidity infusion is critical to making good on the

Chapter 11 Debtors' long-standing positive relationships with its vendors, and enable it to dedicate the resources necessary to match its product mix with customer demand. Liquidity is also essential as the Chapter 11 Debtors continue to recover from the COVID-19 disruptions.

114. In connection with a chapter 11 filing, the Chapter 11 Debtors, with the assistance of PJT, initiated a process for identifying sources of capital on the best available terms. Specifically, with the assistance of PJT, the Chapter 11 Debtors began soliciting indications of interest in July 2020 from potential debtor-in-possession lenders (including specialty lenders and those that routinely provide debtor in possession financing) to gauge their interest in providing debtor in possession financing (the "**DIP Financing**").

115. In total, 28 parties were contacted and 15 non-disclosure agreements were executed. Fourteen parties subject to NDAs were granted access to a virtual data room containing detailed information regarding the Chapter 11 Debtors and received access to non-public information. As a result of these efforts, seven potential lenders engaged in negotiations with the Chapter 11 Debtors, and two potential lenders requested further diligence materials that were promptly provided and /or held diligence calls with the Chapter 11 Debtors and their advisors and discussed the terms of potential DIP financing. The Chapter 11 Debtors ultimately received one indication of interest from a party outside of the Chapter 11 Debtors' existing capital structure for a DIP facility. Such indication of interest did not provide better economic terms to the Chapter 11 Debtors compared to the DIP Facility. In addition, PJT discussed potential DIP financing with certain holders of the Unsecured Notes and no party was willing to provide financing to the Chapter 11 Debtors on a junior lien or an unsecured or administrative priority basis. As a result, leading up to the commencement of the Chapter 11 Proceedings, it became clear to the Chapter 11 Debtors that their best path to financing their restructuring proceedings was through a financing from the Prepetition ABL Lenders.

116. As further set out in the Supplemental Etlin Declaration and the Baird Declaration, these efforts culminated in the Company executing a *Senior Secured Super-Priority Debtor-in-Possession Credit Agreement* (the “**DIP Financing Agreement**”) with the same lender parties as under the ABL Credit Agreement. A copy of the DIP Financing Agreement is attached hereto as **Exhibit “H”**.

117. The DIP Financing Agreement contemplates postpetition financing in the form of a US\$500 million senior secured superpriority ABL revolving credit facility provided by the Prepetition ABL Lenders (the “**DIP Facility**”), as well as a US\$150 million sublimit for the issuance of letters of credit.

118. Under the DIP Financing Agreement, Moores and the U.S. Chapter 11 Debtors are respectively guarantors of (i) the obligations of the U.S. Chapter 11 Debtors (relating to the U.S. portion of the DIP Facility) and (ii) the obligations of Moores (relating to the Canadian portion of the DIP Facility).

119. Because the prepetition ABL Facility is being refinanced in full, the DIP Facility does not effectuate any priming of the Prepetition ABL Lenders’ liens on their collateral under the Prepetition ABL Facility. Therefore, the Chapter 11 Debtors avoid the need to engage in a priming fight at the outset of these restructuring proceedings. Moreover, the DIP Agreement provides for the conversion of the DIP Facility to an Exit Facility upon emergence from chapter 11, subject to the Chapter 11 Debtors meeting certain conditions. This conversion provides the Chapter 11 Debtors with a clear path to emergence, setting the stage for a successful restructuring and minimizing costs associated with potential business disruption if no clear path to emergence existed. This conversion would also avoid additional costs that would be incurred on account of an exit financing marketing process and other costs that would otherwise be due if the Chapter 11 Debtors separately sought exit financing at a later date. In connection with entry into such DIP Facility, the Prepetition Secured Parties have also consented to the

immediate access by the Chapter 11 Debtors to their Cash Collateral upon entry of the Interim DIP Order, which will be used to pay down outstanding obligations under the DIP Facility and increase availabilities thereunder.

2.6 THE CHAPTER 11 PROCEEDINGS

120. In light of their financial situation described above, following the execution of the DIP Financing Agreement, on August 2, 2020, each of the Chapter 11 Debtors, including Moores Suit and Moores Retail, commenced the Chapter 11 Proceedings by filing voluntary petitions for relief under Chapter 11 of the U.S. Bankruptcy Code.

121. More specifically, in the context of the Chapter 11 Proceedings, the Chapter 11 Debtors have sought relief through a number of *First Day Motions* (the “**First Day Motions**”) that they believe are necessary to enable them to efficiently administer their estates with minimal disruption and loss of value during the pendency of the Chapter 11 Proceedings. The Chapter 11 Debtors have requested that the relief requested in each of the First Day Motions be granted as critical elements in ensuring the maximization of value of their estates. 122. On August 3, 2020, the U.S. Bankruptcy Court rendered First Day Orders in respect of each of the First Day Motions. A copy of the First Day Orders were previously attached to this Affidavit as Exhibit "F".

PART III - RELIEF SOUGHT

A. Declaration that Moores is a "Foreign Representative"

123. Moores Suit was authorized by the U.S. Bankruptcy Court to act as a "foreign representative" in respect of the present proceedings.

124. Accordingly, Moores Suit seeks a declaration from this Court that it is a “*foreign representative*” as defined in s. 45 of the CCAA in respect of the Chapter 11 Proceedings and is entitled to bring this Application pursuant to s. 46 of the CCAA.

B. Declaration of Center of Main Interest and Recognition of Foreign Proceedings

125. Moores Suit, in its capacity as foreign representative, also seeks recognition of the Chapter 11 Proceedings as a “*foreign main proceeding*” pursuant to Part IV of the CCAA.

126. In the matter at-hand, the center of main interest (COMI) of the Tailored Brands Group, including the Chapter 11 Debtors (which, in turn, includes Moores Suit and Moores Retail), is located in the United States:

- (a) the Tailored Brands Group’s headquarters and corporate offices are located in Houston, Texas, U.S., where Tailored Brands, the ultimate shareholder of the Tailored Brands Group is incorporated;
- (b) the Tailored Brands Group’s North American operations are overseen by it’s the members of its senior management who are predominantly based in the U.S.;
- (c) all creative, strategic and key operating decisions and key policy decisions are made by and/or are subject to the approval of the members of its senior management who are predominantly based in the U.S.;
- (d) key human resources decisions pertaining to, *inter alia*, payroll budgets and augmentation or reduction of employee headcount as per the approved budgets, are subject to the approval of the members of its senior management who are predominantly based in the U.S.;
- (e) key accounting decisions and all plans, budgets and financial projections are subject to the approval of the members of its senior management who are predominantly based in the U.S.;

- (f) planning, budgeting, management of tax, treasury and cash management and preparation of financial projections for the Tailored Brands Group is subject to the approval of the members of its senior management who are predominantly based in the U.S.;
- (g) all materials and/or long-term contracts and expenses are subject to the approval of the members of its senior management who are predominantly based in the U.S.;
- (h) marketing and business development initiatives are overseen from the Tailored Brands Group's headquarters located in the U.S.;
- (i) corporate governance and regulatory compliance for the Tailored brands Group is overseen by the members of its senior management who are predominantly based in the U.S.;
- (j) meetings for management and senior staff of the Tailored Brands Group, including board meetings, are regularly held at the Tailored Brands Group's headquarters located in Houston, Texas, U.S.;
- (k) all directors of the Canadian entities forming part of the Tailored Brands Group, Moores Suit and Moores Retail (which are both incorporated under the *Companies Act*, R.S.N.S. 1989, c. 81), are residents of the U.S.; and
- (l) while Moores Suit and Moores Retail has local management and employees located at its executive offices in Etobicoke, Ontario, Canada such local management reports back to the members of the Tailored Brands Group's senior management who, once again, are predominantly based in the U.S.

127. In addition,

- (a) based on the total amount of stores operated by the Tailored Brands Group, its Canadian stores represent less than 10% of all its stores, with more than 90% of its stores being located in the U.S.;
- (b) based on the total amount of employees employed by the Tailored Brands Group, its Canadian employees also represent less than 10% of all of its employees, with more than 90% of its employees being located in the U.S.

128. For these reasons, while Moores Suit and Moores Retail are incorporated under Canadian laws, the Chapter 11 Debtors believed and continue to believe that it was appropriate to include all of the Chapter 11 Debtors, including the aforementioned Canadian entities, as part of the Chapter 11 Proceedings and to commence thereafter ancillary proceedings under Part IV of the CCAA.

C. Recognition of the First Day Orders

129. In order to ensure that the Chapter 11 Proceedings are given full effect in Canada, Moores Suit, as foreign representative to the Chapter 11 Debtors, also seeks, as part of the Supplemental Orders, the recognition of the First Day Orders rendered in respect of the following First Day Motions on August 3, 2020:

- (a) the Interim Cash Management Order;
- (b) the Interim Customer Programs Order;
- (c) the Interim DIP Order;
- (d) the Insurance Order;
- (e) the Joint Administration Order;
- (f) the Interim NOL Order;

- (g) the Prime Clerk Retention Order;
- (h) the Surety Bond Order;
- (i) the Prepetition Taxes Order;
- (j) the Utilities Order; and
- (k) the Prepetition Wages Order.

130. Moores Suit will also seek recognition of the other orders made pursuant to the First Day Motions in due course.

D. Stay of Proceedings

131. Should the Court make an order recognizing the Chapter 11 Proceedings to be a “*foreign main proceeding*”, section 48(1) of the CCAA provides that the Court shall make an order subject to any terms and conditions it considers appropriate:

- (a) staying, until otherwise ordered by the court, for any period that the court considers necessary, all proceedings taken or that might be taken against the Chapter 11 Debtors under the *Bankruptcy and Insolvency Act* or the *Winding-up and Restructuring Act*;
- (b) restraining, until otherwise ordered by the court, further proceedings in any action, suit or proceeding against the Chapter 11 Debtors;
- (c) prohibiting, until otherwise ordered by the court, the commencement of any action, suit or proceeding against the Chapter 11 Debtors; and
- (d) prohibiting the Chapter 11 Debtors from selling or otherwise disposing of, outside the ordinary course of its business, any of the Chapter 11 Debtors’ property in Canada that relates to the business and prohibiting the Chapter 11 Debtors from selling or otherwise disposing of any of their other property in Canada.

E. Appointment of the Information Officer

132. Moores Suit also seeks the appointment of GT as Information Officer, to serve as an officer of this Court.

133. If appointed as such, GT will facilitate cooperation between this Court and the U.S. Bankruptcy Court. GT will also provide information to the Court, creditors and stakeholders as is necessary in a cross-border restructuring.

134. GT will file reports with this Court prior to each hearing, informing this Court of, *inter alia*, matters affecting the Canadian stakeholders and of any material developments in the Chapter 11 Debtors' Chapter 11 Proceedings.

135. GT is a certified trustee in bankruptcy in Canada and its principals have acted as information officers in several previous ancillary proceedings.

136. GT has consented to act as the Information Officer and a copy of the consent is attached and marked as **Exhibit "I"**.

F. Administration Charge

137. In order to secure the professional fees and disbursements of GT as Information Officer and its counsel (if GT is appointed as Information Officer), Moores Suit, in its capacity as foreign representative, also seeks from this Court the granting of a \$600 administrative charge over the property of the Chapter 11 Debtors in Canada (i.e. the Administration Charge).

138. The Administration Charge is required to protect the proposed Information Officer and its counsel in the event that their reasonable fees and expenses are unpaid, and therefore would rank in priority to any other security interests, trust, liens, charges and encumbrances on the Chapter 11 Debtors' property in Canada, including the DIP Lenders' Charge.

139. Moores Suit agrees with the Administration Charge and believes that such priority charge is necessary and appropriate, as well as reasonable, under the circumstances.

140. I am informed by Stikeman Elliott LLP that all creditors of the Chapter 11 Debtors with security interests registered against their Canadian assets and which may be affected by the Administration Charge will be receiving service of the Chapter 11 Debtors' Application.

G. Interim DIP Financing and DIP Charge

i. Recognition of the Interim DIP Order

141. As described above, after having conducted a process supervised by PJT, the Chapter 11 Debtors have entered into the DIP Financing Agreement which will provide them with the DIP Facility.

142. Immediate access to liquidity pursuant to the DIP Facility is critical to maximizing value and facilitating a going-concern restructuring. Without immediate access to the DIP Facility, the Chapter 11 Debtors, including Moores, would face significant near term liquidity challenges and their ability to operate their business in the normal course would be undermined, thereby harming the Chapter 11 Debtors' ability to preserve and maximize value for the benefit of their stakeholders, including the stakeholders of Moores. The DIP Facility represents the best available option for the Chapter 11 Debtors to address their short-term liquidity challenges and will maximize value in the circumstances.

143. It is a requirement pursuant to the DIP Financing Agreement that the proposed Initial Recognition Order and Supplemental Order be granted, so as to recognize and give full force and effect in Canada to the Interim DIP Order rendered by the U.S. Bankruptcy Court.

ii. The DIP Lenders' Charge

144. The DIP Financing Agreement also requires Moores Suit, as foreign representative, to seek a super-priority charge (i.e. the DIP Lenders' Charge) over the Canadian assets of the Chapter 11 Debtors in favour of the Administrative Agent and the Canadian Administrative Agent (as defined in the DIP Financing Agreement), for and on behalf of themselves and the lender

parties under the DIP Financing Agreement so as to secure the Chapter 11 Debtors' obligations thereunder.

145. The proposed DIP Lenders' Charge will constitute a charge on the property of the Chapter 11 Debtors in Canada and will rank in priority to all claims of any nature or kind against the Chapter 11 Debtors, subject only to the Administration Charge.

146. The DIP Lenders' Charge is necessary in order for the Chapter 11 Debtors to obtain the financing pursuant to the DIP Financing Agreement to finance their restructuring proceedings.

147. Ultimately, the Chapter 11 Debtors believe that immediate access to the DIP Facility is essential for at least two reasons.

- (a) **First**, as of the date of commencement of the Chapter 11 Proceedings, the Chapter 11 Debtors effectively have little to no access to liquidity under their prepetition ABL Facility. Any further borrowings under their existing facility would trigger the prepetition ABL Lenders' cash dominion over any accounts payable and other cash receipts of the Chapter 11 Debtors, effectively preventing the Chapter 11 Debtors from satisfying their obligations to landlords, employees, customers, suppliers, and vendors as well as from paying the expenses of the Chapter 11 Proceedings. Further, substantially all of the Chapter 11 Debtors' cash balance constitutes Cash Collateral, and the Prepetition Secured Parties have indicated that they would not provide access to such Cash Collateral absent entry into the DIP Facility. Additionally, based on the Chapter 11 Debtors' liquidity forecast, they do not expect to be able to generate sufficient levels of operating cash flow in the ordinary course of business to cover their operating needs and the projected costs of the Chapter 11 Proceedings during the interim period. The best way to accomplish this task is making payments as they come due. As such,

the Chapter 11 Debtors have an immediate need to access incremental liquidity under the DIP Facility and to Cash Collateral.

- (b) **Second**, the Chapter 11 Debtors believe that access to financing upon entry of the Interim DIP Order will help quell uncertainty among the Chapter 11 Debtors' customers, employees, vendors, and landlords by providing immediate assurance that the Chapter 11 Debtors will have the necessary funding to bridge them to the comprehensive restructuring and exit from chapter 11. The Chapter 11 Debtors believe that they will materially benefit from the strong message this provides to the Chapter 11 Debtors' key stakeholders that (a) operations are appropriately funded—and will continue to be throughout the pendency of the Chapter 11 Proceedings, and (b) the bankruptcy filing will not affect the postpetition ordinary course operation of Chapter 11 Debtors' business.

148. Ultimately, absent access to the DIP Financing, even for a limited period of time, the Company ability to continue operating its businesses will be significantly impaired, which may cause irreparable harm to the Chapter 11 Debtors and their stakeholders.

149. I am informed by Stikeman Elliott LLP that all creditors of the Chapter 11 Debtors with security interests registered against their Canadian assets and which may be affected by the DIP Lenders' Charge will be receiving service of the Chapter 11 Debtors' Application.

PART IV - CONCLUSION

For the reasons set out above, Moores Suit, in its capacity as foreign representative, respectfully requests that the relief sought in this Application be granted.

the operations of Moores Suit (and indirectly its shareholder, Moores Retail), are significantly integrated with those of its U.S. affiliates and, to a certain extent, is dependent on their continued operations as a going-concern.

149. Ultimately, absent access to the DIP Financing, even for a limited period of time, the Company ability to continue operating its businesses will be significantly impaired, which may cause irreparable harm to the Chapter 11 Debtors (including Moores Suit and Moores Retail) and their stakeholders.

150. I am informed by Stikeman Elliott LLP that all creditors of the Chapter 11 Debtors with security interests registered against their Canadian assets and which may be affected by the DIP Lenders' Charge will be receiving service of the Chapter 11 Debtors' Application.

PART IV - CONCLUSION

For the reasons set out above, Moores Suit, in its capacity as foreign representative, respectfully requests that the relief sought in this Application be granted.

Lawyers for the Applicant

This is Exhibit "C"
to the affidavit of Holly Etlin,
sworn before me on the 4 day
of August, 2020

Commissioner for Taking Affidavits

**IN THE UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION**

In re:	)	
	)	Chapter 11
	)	
TAILORED BRANDS, INC., <i>et al.</i> , ¹	)	Case No. 20-33900 (MI)
	)	
Debtors.	)	(Joint Administration Requested)
	)	(Emergency Hearing Requested)

**DECLARATION OF HOLLY ETLIN,
CHIEF RESTRUCTURING OFFICER OF TAILORED BRANDS, INC.,
IN SUPPORT OF CHAPTER 11 PETITIONS AND FIRST DAY MOTIONS**

I, Holly Etlin, hereby declare under penalty of perjury:²

1. I am the Chief Restructuring Officer of Tailored Brands, Inc. ("Tailored Brands"),³ having served in that role since July 2020. I am also a Managing Director of the financial advisor to the Debtors, AlixPartners, LLP, where I have worked in various positions since 2007. I have more than 30 years of experience in providing turnaround services for companies in the retail industry and have frequently been appointed as Interim CEO, Interim CFO and Chief Restructuring Officer of these businesses. I am admitted to the American College of Bankruptcy and the International Insolvency Institute and am a Certified Turnaround Professional.

2. I am familiar with the Debtors' day-to-day operations, business and financial affairs, and books and records. I submit this declaration to assist the Court and parties in interest

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' proposed claims and noticing agent at <http://cases.primeclerk.com/TailoredBrands>. The location of the Debtors' service address in these chapter 11 cases is: 6100 Stevenson Boulevard, Fremont, California 94538.

² Capitalized terms used but not immediately defined herein shall have the meanings ascribed to them elsewhere in this declaration.

³ Tailored Brands, together with the above-captioned debtors and debtors in possession, collectively, the "Debtors", and, together with Tailored Brands' non-Debtor affiliates, collectively, the "Company".

in understanding the circumstances that resulted in the commencement of these chapter 11 cases and in support of (a) the Debtors' chapter 11 petitions for relief under chapter 11 of title 11 of the United States Code filed on the date hereof (the "Petition Date") and (b) the emergency relief that the Debtors have requested pursuant to the motions and applications described herein (the "First Day Motions").

3. All facts in this declaration are based upon my personal knowledge, my discussions with the management team and advisors, my review of relevant documents and information concerning the Debtors' operations, financial affairs, and restructuring initiatives, or my opinions based upon my experience and knowledge. I am over the age of eighteen and authorized to submit this declaration on behalf of the Debtors. If called upon to testify, I could and would testify competently to the facts set forth in this declaration.

A Founding Tailored for Success

4. The novel coronavirus ("COVID-19") pandemic has negatively impacted all retail businesses. But unlike many similarly-situated companies, the Debtors began taking proactive steps to evaluate and address long-term liquidity challenges and debt maturities well before the full impact of the COVID-19 pandemic was felt across the retail industry.

5. The Debtors will use these proceedings to implement the terms of their go-forward plan, which reflects a holistic, consensual, and significant deleveraging, all supported by the Debtors' senior and secured lenders. Thus, the goal of these chapter 11 cases is clear: emerge with a viable and feasible business that preserves approximately 15,500 jobs and thousands of customer, vendor and landlord relationships.

6. George Zimmer opened the first Men's Wearhouse store in a strip shopping center on the west side of Houston in 1973. To open his first store, Mr. Zimmer

used \$30,000 in credit from his father, \$7,000 of his own money, and help from a college friend, Harry Levy. The first Men's Wearhouse store sold \$10 slacks and \$25 polyester sport coats.

7. Selling apparel was a natural choice for Mr. Zimmer. His father first worked for a

discount clothier and later started a raincoat manufacturing company. Mr. Zimmer grew up hiding in the clothes racks as his father visited stores around New York City and spent summers packing raincoats in the

warehouse of his father's company.

8. Mr. Zimmer was a natural and hardworking salesman. And he was in high demand. Immediately before opening his first Men's Wearhouse store, Mr. Zimmer spent six months in Hong Kong working as a salesman for his father's raincoat manufacturing company. When he turned his attention to getting Men's Wearhouse off the ground, it took his father's business more than six months to find a replacement for him.

As a result, during the time Mr. Zimmer continued to work for his father from Monday

The only thing better than a friend in the business is a father in the business.

through Thursday, and on Friday and Saturday he would travel back to Houston to be on the sales floor of Men's Wearhouse.

9. The Company emphasized integrity and service. Employees, trained in customer service skills, were also treated as family, with everyone on a first-name basis and most hired full time. Mr. Zimmer began donating a percentage of pre-tax profits to charities, establishing the

Company's socially responsible reputation. Vendors were also treated well; the Company had the reputation of never cancelling an order.

10. Capitalizing on the reputation that the Company had developed through its

conscious business decisions, the Company shifted its marketing campaign to capture this corporate culture. In 1986, Mr. Zimmer starred in his first television commercial, in which the famous tagline “*I guarantee it*” was born. Mr. Zimmer wanted the nation to know that he

personally stood behind his suits. In later years, the Company's advertising emphasized service and expertise, in contrast to earlier price-centered pitches.

An Expansion Suited for Growth

11. In the ten years following the first store opening, Mr. Zimmer opened one store per year in the Houston area. By 1980, there were 12 Men's Wearhouse locations in Houston, and, in 1981, Men's Wearhouse expanded to San Francisco.

12. Like the decade before, the Company intentionally expanded in the 1990s, capitalizing on its early success. 17 new stores were opened in 1990 and 19 the following year. In April 1992, Mr. Zimmer took the Company public. That year, new store openings jumped to 31. In 1998, revenue exceeded \$1 billion for the first time. The Company was growing at an average of fifty stores each year—an average of one per week—reaching 500 stores by 2000. By 2011, one in five suits in the United States was bought from the Company, making it one of the largest specialty retailers of men's apparel in the country with more than 1,200 stores.

13. A key to the Company's rapid growth and success throughout its nearly 50-year history is its ability to adapt to changing customer preferences. In the 1990s, a major factor in the

decreasing sales of tailored clothing was the move towards more casual business dress. The Company responded to this trend by slightly increasing its stores' selection of sport coats and slacks, replacing about sixty suits with an equal number of sport coats. At the same time, the Company increased the training employees received, stressing all aspects of a customer's business attire needs.

14. The Company also sought to capitalize on the highly fragmented formal wear business, testing tuxedo rentals at a dozen Seattle stores in the spring of 1999. The formal wear customer was younger than the Company's traditional customer base. In 2007, the Company bought 509 Afterhours Formalwear and Mr. Tux rental stores and converted them into Men's Wearhouse locations, cementing its position as the leading tuxedo rental company in the United States. Similarly, in 2014, the Company launched a custom clothing service after identifying the market potential for such services.

15. The Company also used acquisitions to expand and diversify. In 1999, the Company acquired (a) K&G Men's Superstore, which became K&G Fashion Superstore ("K&G"), a discount retailer, and (b) the Canadian menswear chain Moores the Suit People (now known as Moores Clothing for Men ("Moores")), representing the Company's first look beyond the borders of the United States. The Company then acquired Twin Hill, a corporate clothing and uniform company, in 2002 and purchased two dry cleaning chains in 2003 and 2004 and rebranded them as MW Cleaners. In 2013, the Company also purchased the American clothing brand Joseph Abboud, which offers authentic American designer clothing manufactured in the United States. Most recently, the Company acquired competitor Jos. A. Bank in 2014. The umbrella of Men's Wearhouse's acquisitions is what we now know today as Tailored Brands. The Company

continues to focus its operations in the United States and Canada, with Canadian retail sales comprising approximately seven percent of total retail sales in fiscal year 2019.

16. Although the Company's ability to adapt to the market is an important factor in its viability over the past fifty years, the Company's success is also attributable to standing by its core values: offering personalized, quality products and service at a below-market price. This balance has been one of the Company's main customer draws.

A Recent Unravelling

17. Despite its dominant position within the market, the Company has faced certain struggles, with revenue declining by approximately 5.6 percent over the past two years alone. The Company has been impacted by the continuing decline in the brick-and-mortar retail industry generally, recently exacerbated by the impact of the COVID-19 pandemic.

18. Further, COVID-19 has adversely impacted, and will continue to impact, Company operations in a number of ways, including through supply chain disruptions, reduced store traffic, cancellations of large gatherings such as proms and weddings, temporary store closures, and disruptions to employees working across the corporate structure. More generally, the business depends heavily on consumer discretionary spending, and, as such, sales are particularly sensitive to economic conditions and consumer confidence, which have been significantly affected by COVID-19.

Ironing Creases: Operational and Financial Improvements

19. The challenging retail environment encouraged the Debtors to focus on transformational strategic initiatives. As such, the Debtors have taken a number of actions starting in 2019. Specifically, the Debtors permanently closed seventeen retail locations, revised their capital allocation strategy to suspend the quarterly cash dividend and redeploy it for accelerated debt reduction, sold their corporate apparel division and the Joseph Abboud trademarks. The

Debtors also engaged in a focused view of their merchandise and marketing, and created a new cross-brand Chief Customer Officer role. Each of these initiatives is explained in further detail in Part III of this declaration.

20. The key to successfully effectuating this restructuring is speed and cooperation. Access to new capital is not endless. The Debtors' DIP Facility is highly conditioned on moving quickly through these cases with support from all major stakeholders, including lenders, trade vendors, and landlords. In an ever-shifting retail landscape that has seen dozens of casualties over the last several years, the traits that initially led to the success of the Debtors are the same traits that will propel the Debtors through these chapter 11 cases successfully, but only so long as all parties in interest work collaboratively to ensure that these cases stay on track.

21. To familiarize the Court with the Debtors, their business, the circumstances leading to these chapter 11 cases, and the relief they are seeking in those certain motions and applications filed contemporaneously herewith, I have organized this declaration as follows:

- **Part I** provides a general overview of the Company's current operations;
- **Part II** provides an overview of the Debtors' prepetition capital structure;
- **Part III** describes the Debtors' prepetition strategic turnaround initiatives;
- **Part IV** describes the circumstances leading to these chapter 11 cases;
- **Part V** describes the Debtors' proposed debtor-in-possession financing and the RSA; and
- **Part VI** sets forth the evidentiary basis for the relief requested in each of the first day pleadings.

I. The Company's Current Operations.

A. The Tailored Brands Companies.

22. On January 31, 2016, the new holding company Tailored Brands, replaced Men's Wearhouse as the publicly held corporation. Former Chief Executive Officer Doug Ewert noted,

“We believe the holding company structure will allow us to support, nurture and augment our family of brands as we further leverage our shared services platform.” The Company offers products and services through its four retail brands—Men’s Wearhouse (including Men’s Wearhouse and Tux), Jos. A. Bank, K&G, and Moores—and online. Men’s Wearhouse, Moores and K&G each operate as a house of brands carrying a wide selection of exclusive and non-exclusive merchandise brands. Jos. A. Bank is a branded house where substantially all merchandise is sold under the exclusive Jos. A. Bank label.

1. The Men’s Wearhouse Brand.

23. Founded in 1973, Men’s Wearhouse has been an all-occasion apparel retailer that strives to empower men to look and feel their best. Men’s Wearhouse is one of the largest specialty retailers of men’s apparel and providers of tuxedo rental products in the United States. For more than forty years, Men’s Wearhouse has been supplying men with high-quality and affordable designer apparel for all occasions, with a focus on personalized service.

24. Men’s Wearhouse targets male consumers (eighteen to sixty-five years old) by providing superior, personalized customer service and offering a broad selection of exclusive and non-exclusive merchandise brands at regular and sale prices that are competitive with specialty retailers and traditional department stores. Merchandise includes suits, suit separates, sport coats, slacks, formalwear, business casual, denim, sportswear, outerwear, dress shirts, shoes, and accessories in classic, modern, slim and ultra-slim fits and in a wide range of sizes including a selection of “Big and Tall” products. Stores carry clothing and accessories from designers including Joseph Abboud, Calvin Klein, Tommy Hilfiger, and Lucky Brand Jeans, as well as exclusive offerings from JOE by Joseph Abboud, AWEARNESS Kenneth Cole, and BLACK by Vera Wang. The Company also offers a full selection of special occasion offerings including

tuxedo and suit rental products under the Men's Wearhouse and Tux brand, which broadens the customer base by drawing first-time and younger customers into the stores.

25. The Company's campaign "Good on You" celebrates the everyday moments in a man's life, big and small, and having confidence that comes with knowing he looks his best in moments that matter. As a brand that has always supplied men with confidence by guiding them to look good and feel their best, it is now also taking a much broader approach by encouraging men to be their best, standing up and setting a good example each and every day.

2. The Jos. A. Bank Brand.

26. In June 2014, Jos. A. Bank was acquired by the Company. From its inception in Baltimore, Maryland in 1905, Jos. A. Bank has become a leader in the menswear retail sphere. With a heritage of quality tailoring and excellent service, Jos. A. Bank is a leading provider of classically styled, expertly tailored business and casual menswear.

27. Jos. A. Bank targets male consumers (twenty-five to sixty-five years old), emphasizing superior, personalized customer service and offering high quality, business formalwear and business casual merchandise, substantially all of which are Jos. A. Bank branded products including the exclusive Reserve and 1905 labels. Merchandise consists of suits, suit separates, sport coats, slacks, formalwear, business casual, denim, sportswear, outerwear, dress shirts, shoes, and accessories in classic, modern, slim, and ultra-slim fits and in a wide range of sizes including a selection of "Big and Tall" products.

28. Although the target gender and age of the Jos. A. Bank customer are similar to Men's Wearhouse, Jos. A. Bank customers and the Men's Wearhouse customers are distinct in their style preferences and, based on information from loyalty programs, the Company believes that there is minimal overlap between the Jos. A. Bank customer and the Men's Wearhouse customer. Jos. A. Bank also offers a full selection of special occasion rental products and, similar

to the Men's Wearhouse rental offering, believes the rental product offering draws first-time and younger customers into the stores. As is the case at Men's Wearhouse, the Company believes Jos. A. Bank is well-positioned to meet its customers' special occasion needs, through retail clothing offerings, rental products, or custom offerings.

3. The Moores Clothing for Men Brand.

29. In 1999, Moores was acquired by the Company. One of Canada's leading menswear retailers, Moores features a wide selection of designer styles and a commitment to quality and customer service. Moores began in 1980 with a single, family-owned store in Mississauga, Ontario. Today, with stores in more than one hundred locations, including every major city in Canada, Moores employs over 1,200 people in a culture of "servant leadership" focusing on customer satisfaction and building lasting relationships. Designer brands represent a key offering, including Joseph Abboud, JOE by Joseph Abboud, AWEARNESS Kenneth Cole, and Calvin Klein. Moores targets the same consumer and provides the same broad merchandise offerings as Men's Wearhouse but is based in Canada whereas the Men's Wearhouse footprint is in the United States.

4. The K&G Fashion Superstore Brand.

30. K&G was founded in 1989 in Atlanta, Georgia. In 1999, with thirty-five stores, K&G was acquired by Men's Wearhouse and was rebranded from K&G Men's Superstore to K&G Fashion Superstore. K&G Fashion Superstore is a one-stop shopping experience for men, women, and kids who are looking for clothing that allows them to express their individual style at a price they can afford.

31. From career wear to the latest trends, K&G offers incredible value to families that want fashionable, designer brand apparel, footwear, and accessories. K&G stores offer a value-oriented superstore approach that appeals to the more price-sensitive customer in the apparel

market. K&G offers first-quality, current-season apparel and accessories comparable in quality to that of value-oriented department stores, at prices that are typically up to 60% below the regular prices charged by such stores. K&G's merchandising strategy emphasizes broad assortments across all major categories of both men's and women's career and casual apparel in a wide range of sizes including "Big and Tall" and "Women's plus sizes," as well as tailored clothing, dress furnishings, sportswear, accessories, shoes, and children's apparel. This merchandise selection, which includes exclusive and non-exclusive merchandise brands, positions K&G to attract a wide range of customers in each of its markets.

B. The Company's Omni-Channel Operations.

32. ***Brick-and-Mortar Presence.*** The Company maintains both a substantial domestic and international presence, operating approximately 1,274 stores in the United States and 125 stores in Canada. The U.S. retail stores operate under the Men's Wearhouse (including Men's Wearhouse and Tux), Jos. A. Bank, and K&G brand names and are located in all fifty states and the District of Columbia. The Canadian stores operate under the Moores brand name and are located in ten Canadian provinces. The stores are typically located in lifestyle centers, shopping malls, and street level shops.

33. ***The E-Commerce Platform.*** The Company's branded websites include www.menswearhouse.com and www.josbank.com. Jos. A. Bank and Men's Wearhouse first

launched their websites in 1998 and 2000, respectively. The current ecommerce capabilities include ‘virtualized inventory’ that enables customers to order items through the website when not available at the store. In addition, it offers a guided shopping experience called “Look Finder” that provides customers with product recommendations. In 2019, the Company continued to build on delivering personalized, high-tech, high-touch service online including critical investments in technologies, business processes, and personnel, such as improvements in website speed, navigation, and visual merchandising. The Company expects to continue to shift the marketing mix into broad reach digital channels that are more relevant, more easily personalized, and whose performance is more easily measured.

C. Critical Components of the Company’s Cost Structure.

1. Supply Chain.

34. Delivering quality merchandise at reasonable prices is the essence of the Company’s business. For the Men’s Wearhouse, Jos. A. Bank, and Moores Brand, and, to a lesser extent, the K&G brand, a vertical direct sourcing model with third-party manufacturers covers design, product development, manufacturing, testing, quality control, and all necessary logistics required to get merchandise from the factory to the sales floor.

35. The Company purchases merchandise and rental product from a broad base of manufacturers. The Company has no material long-term merchandise manufacturing contracts and typically transacts business on an order-by-order basis either directly with manufacturers and fabric mills or trading companies, or through that certain sourcing agreement with Debtor Tailored Brands Worldwide Purchasing Co. (“WPC”), a subsidiary of Tailored Brands. Pursuant to that sourcing agreement, WPC is responsible for developing and expanding a reliable network of third-party suppliers, negotiating and contracting with suppliers, maintaining on-the-ground relationships with local suppliers and monitoring their manufacturing activities, ensuring that the

product quality standards are met, arranging for the transportation of goods to the Company, and purchasing the finished goods from the suppliers and selling the finished goods to the Company. Each of the Company's business units places orders to and through WPC, which in turn places orders to, and pays, third-party vendors on behalf of the Company. To facilitate such purchases, the Company transfers funds to WPC on an as-needed basis. The Company has developed long-term and reliable relationships with most of its direct manufacturers and fabric mills, which the Company believes provides stability, quality, and price leverage. Furthermore, the Company works with trading companies that support the Company's relationships with manufacturers for direct-sourced merchandise and contract agent offices that provide administrative functions on the Company's behalf. The agent offices provide all quality-control inspections and ensure that operating procedures manuals are adhered to by the manufacturers.

36. Not only is the Company relying heavily on its vendors to deliver outstanding orders, the Company is also relying on its vendors to provide future deliveries, namely those set to occur during the pendency of these chapter 11 cases. Because of substantial production lead-time and the transport time necessary to receive goods, the Company orders merchandise well in advance of the applicable selling season. Accordingly, it is required to forecast future demand when placing such orders. Failure to manage lead times appropriately could impact the business.

37. Regarding customized clothing, the Company has supply chain advantages with its owned factory that manufactures premium custom clothing in the United States and strong relationships and scale advantages with foreign manufacturers for entry-level custom clothing, along with a wide assortment of custom suit fabrics to create high-quality and unique products for customers.

38. The Company uses a regional distribution center approach to leverage the geographic locations of the main distribution centers in Texas and Maryland, as well as hub facilities. Merchandise received into these regional distribution centers is either placed in back-stock or allocated to a store for shipping. In the majority of the larger markets, the Company also has separate hub distribution facilities or space within certain stores used as redistribution facilities for their respective areas. Merchandise for Moores is distributed to the stores from the distribution center in Canada. The majority of merchandise for K&G stores is direct shipped by suppliers to the stores with the remainder of K&G merchandise being managed via a third-party logistics firm.

2. Employee Compensation and Benefits.

39. The Debtors employ approximately 18,000 employees, including approximately 13,000 full-time employees and approximately 5,000 part-time and seasonal employees. The Debtors also typically retain approximately 750 independent contractors and temporary workers at any given time. The Debtors offer their employees the opportunity to participate in a number of insurance and benefits programs, including, among other programs, dental, medical and vision plans, workers' compensation, 401Ks, customary commission bonuses, vacation time, non-insider incentive programs, paid time off, disability benefits, and other employee benefit plans.

3. Real Estate Obligations.

40. The Debtors lease almost all of their stores and offices. The aggregate annual occupancy cost of the Debtors' current stores is approximately \$416 million. The Debtors lease retail business locations, office and warehouse facilities, and equipment under various non-cancelable operating leases expiring in various years through 2029. As of the Petition Date, the Debtors operated 1,274 retail apparel and rental stores in all fifty states and the District of Columbia, and 125 retail apparel stores across ten Canadian provinces, amounting to

approximately 9.0 million square feet in store front. Almost all of these stores are leased, generally for five to ten year initial terms with one or more renewal options after the initial term.

41. The Debtors also own or lease properties in various parts of the United States and Canada to facilitate the distribution of retail and rental product to the stores. Total owned and leased property for distribution is approximately 6 million square feet and 1.8 million square feet, respectively.

42. In addition, the Debtors have primary office locations in Houston, Texas, Fremont, California, New York, New York, and Hampstead, Maryland with additional satellite offices in other parts of the United States and Canada. The Debtors lease approximately 240,000 square feet and own approximately 120,000 square feet of office space.

43. Prior to the Petition Date, the Debtors hired A&G Realty Partners ("A&G") to assist with their real estate negotiation strategy, including potential rent concessions, rental deferment and other relief. As a result, the Debtors have successfully secured rental deferments with approximately 60% of go-forward landlords for the months of April and May in relation to the COVID-19 pandemic. Further, following the Petition Date, the Debtors and A&G intend to negotiate rent reductions with landlords in the base rent for the go-forward fleet and will be announcing that process shortly.

II. The Debtors' Prepetition Corporate and Capital Structure.

44. As of the Petition Date, the Debtors' capital structure consists of outstanding funded debt obligations in the aggregate principal amount of approximately \$1.4 billion, including the ABL Facility, the Term Loan, and the Senior Notes. The following table summarizes the Debtors' outstanding funded-debt obligations as of the Petition Date:

Funded Debt	Maturity	Interest Rates	Principal Amount Outstanding
ABL Facility	October 25, 2022 ⁴	1.7%	\$375 million line balance and \$22.9 million L/C balance
Term Loan	April 9, 2025 ⁵	5.53% ⁶	\$877.4 million
Senior Notes	July 1, 2022	7.0%	\$173.8 million
TOTAL			\$1.4 billion

A. The ABL Revolving Credit Facility.

45. The Debtors are party to that certain credit agreement, dated as of June 18, 2014 (as amended by that certain amendment no. 1 dated as of July 28, 2014, amendment no. 2, dated as of October 25, 2017, amendment no. 3 dated as of April 30, 2019, and as may be further amended, restated, modified or supplemented from time to time, the “ABL Credit Agreement”), by and among The Men’s Wearhouse, Inc., each of the U.S. subsidiary borrowers from time to time party thereto, Moores the Suit People Corp., the Canadian guarantors party thereto, the lenders party thereto (the “Prepetition ABL Lenders”), and JPMorgan Chase Bank, N.A., as administrative agent (the “Prepetition ABL Agent”), and JPMorgan Chase Bank, N.A. Toronto branch, as Canadian administrative agent.

46. The ABL Credit Agreement provides for a \$550 million facility with possible future increases to \$650 million (subject to a borrowing base composed primarily of receivables, credit

card receivables and inventory) with a maturity date of October 25, 2022 (the “ABL Facility”).⁷ The October 25, 2022 maturity date is subject to a springing maturity (a) on April 1, 2022, if any Senior Notes remain outstanding on that date, or (b) on the date that is the 91st day prior to the final maturity date of any class or tranche of term loans under the Term Credit Agreement.

47. The obligations under the ABL Facility are secured on a senior basis by a first priority lien on substantially all of the assets of Tailored Brands, certain U.S. subsidiaries, and Moores The Suit People Corp., including, without limitation, accounts (including receivables), inventory, deposit accounts, security accounts, cash, and cash equivalents. Certain of the Debtors have jointly and severally guaranteed all U.S. borrowing obligations under the ABL Facility. Due to ongoing liquidity constraints, the aggregate availability under the ABL Facility has been constrained for many months preceding the Petition Date, including due to a \$260 million draw on March 16, 2020 as a proactive measure in response to COVID-19. As of the Petition Date, there is approximately \$65 million of availability under the ABL Facility and approximately \$100 million in cash and cash equivalents.

B. The Term Loan.

48. The Men’s Wearhouse, Inc. is party to that certain term credit agreement, dated as of June 8, 2014 (as amended by that certain amendment no. 1, dated June 26, 2014, as further amended by that certain incremental facility agreement no. 1, dated as of April 7, 2015, as further amended by that certain amendment no. 2, dated as of April 9, 2018, as further amended by that

⁷ The ABL Facility has several borrowing and interest rate options including the following indices: (a) adjusted LIBOR, (b) Canadian Dollar Offered Rate rate, (c) Canadian prime rate, or (d) an alternate base rate (equal to the greater of the prime rate, the New York Federal Reserve Bank rate plus 0.5% or adjusted LIBOR for a one-month interest period plus 1.0%). Advances under the ABL Facility bear interest at a rate per annum using the applicable indices plus a varying interest rate margin of up to 1.75%. The ABL Facility also provides for fees applicable to amounts available to be drawn under outstanding letters of credit which range from 1.25% to 1.75%, and a fee on unused commitments of 0.25%.

certain amendment no. 3, dated as of October 10, 2018, and as may be further amended, restated, amended and restated, modified, or supplemented from time to time, the “Term Loan Credit Agreement,” and the loans provided thereunder, the “Term Loan”), with the lender from time to time party thereto (the “Prepetition Term Loan Lenders”) and JPMorgan Chase, N.A. as administrative agent (the “Prepetition Term Loan Agent”).

49. The Term Loan Credit Agreement has a commitment level of \$900 million⁸ and provides for an interest rate of 5.53%,⁹ with a maturity date of April 9, 2025.¹⁰ The obligations are secured on a senior basis by a first priority lien on substantially all of the assets of the Debtors, subject to certain exceptions and limitations set forth in the Prepetition Term Loan Documents. As of the Petition Date, the Debtors have approximately \$877.4 million of aggregate principal outstanding under the Term Loan Credit Agreement.

C. Senior Notes.

50. The Men’s Wearhouse, Inc. issued 7.00% senior notes (the “Senior Notes”) in the aggregate amount of \$600 million under that certain indenture dated as of June 18, 2014 (the “Indenture”). The Senior Notes are guaranteed, jointly and severally, on an unsecured basis by all other U.S. Debtors. The Senior Notes and the related guarantees are senior unsecured

⁸ In addition to this commitment level, the Term Loan Credit Agreement provides for the ability to request additional term loans or incremental equivalent debt borrowings, all of which uncommitted, in an aggregate amount up to the greater of (a) \$250 million and (b) an aggregate principal amount such that, on a pro forma basis (giving effect to such borrowings), the senior secured leverage ratio will not exceed 2.5 to 1.0.

⁹ The interest rate on the Term Loan is based on 1-month LIBOR, which was 0.30% at May 2, 2020. However, the Term Loan interest rate is subject to a LIBOR floor of 1%, plus the applicable margin of 3.25%, results in a total interest rate of 4.25%. There are two interest rate swap agreements where the variable rates due under the Term Loan have been exchanged for a fixed rate. As a result of the interest rate swaps, 80% of the variable interest rate under the Term Loan has been converted to a fixed rate and, as of May 2, 2020, the Term Loan had a weighted average interest rate of 5.62%.

¹⁰ The April 9, 2025 maturity date is subject to a springing maturity provision that would accelerate the maturity of the Term Loans to April 1, 2022 if any of the Debtors’ obligations under their Senior Notes remain outstanding as of April 1, 2022.

obligations of The Men's Wearhouse, Inc. and the guarantors, respectively, and will rank equally with all of The Men's Wearhouse, Inc.'s and each guarantor's present and future senior indebtedness. The Senior Notes will mature on July 1, 2022.¹¹ As of the Petition Date, there is approximately \$173.8 million outstanding under the Senior Notes.

D. Equity Interests.

51. Tailored Brands's common stock is traded on the New York Stock Exchange ("NYSE") under the symbol "TLRD." As of the Petition Date, there were approximately 48.9 million shares outstanding.

III. Prepetition Strategic Turnaround Initiatives.

52. The Debtors, recognizing the need to address certain business inefficiencies and to preserve liquidity, worked to develop and implement a comprehensive operational turnaround to simplify their business and build on their core strengths. The turnaround initiative includes processes to: (a) modify the leadership structure; (b) sell non-core operations; (c) right-size the physical store footprint; (d) refocus on product assortment; (e) enhance the customer experience; and (f) grow the e-commerce offering. In addition, the Debtors took certain steps in response to COVID-19 including draw-down of their ABL Facility and taking substantial steps to reduce cash outflow including furloughing employees and deferring all non-essential expenses. The Debtors

¹¹ The Debtors may redeem some or all of the Senior Notes at any time on or after July 1, 2017 at the redemption prices set forth in the Indenture. As of February 1, 2020, the redemption price is 101.75% of the face value and steps down to 100% of the face value on July 1, 2020. Upon the occurrence of certain specific changes of control, they may be required to offer to purchase the Senior Notes at 101% of their aggregate principal amount plus accrued and unpaid interest thereon to the date of purchase.

have undertaken certain of these processes and will continue to implement the remainder through these chapter 11 cases.

A. Operational Initiatives.

1. Change in Leadership.

53. The first component of the Debtors' turnaround initiative was to modify the leadership structure. On December 11, 2019, the Debtors announced the creation of a new Chief Customer Officer role providing common leadership for the Men's Wearhouse, Jos. A. Bank, and Moores brands, and eliminated the brand president position for these brands. Carrie Ask, then brand president of Men's Wearhouse and Moores, was appointed as the Chief Customer Officer. The Debtors believe this new structure heightens their focus and ability to unlock value across their brand portfolio and will enable them to show up for customers in more effective and efficient ways.

54. Additionally, on July 21, 2020, the Debtors also appointed me as Chief Restructuring Officer of Tailored Brands to help lead the Debtors' turnaround efforts and evaluate restructuring and refinancing alternatives.

2. Sale of Non-Core Operations.

55. Prior to recent events, the Debtors identified certain segments of their operations that could be eliminated to increase overall net revenue and provide opportunities to generate increased liquidity through sales of those same segments. The Debtors took the following actions intended to accelerate debt reduction and provide additional financial flexibility to invest in the customer-facing transformation strategies.

56. **First**, on February 28, 2018, the Debtors entered into a definitive agreement to divest their MW Cleaners business for approximately \$18 million, subject to certain adjustments, and the transaction closed on March 3, 2018.

57. **Second**, on August 16, 2019, the Debtors completed the sale of MWUK Limited (“MWUK”), the UK corporate apparel operations, to Project Dart Bidco Limited. The Debtors also completed the sale of Twin Hill Acquisition Company, Inc. (“Twin Hill”), the U.S. corporate apparel operation, to TH Holdco Inc. The aggregate consideration for all of the outstanding equity of MWUK Limited and Twin Hill was approximately \$62 million, subject to certain working capital adjustments. The Debtors determined that the sale of these corporate apparel business segments represented a strategic shift that will have a major effect on the results of operations.

58. Finally, on January 16, 2020, certain of the Debtors entered into an agreement with WHP Global to sell the Joseph Abboud trademarks for a total of \$115 million in cash consideration. The proceeds of such sale were deposited into a blocked account and used to fund certain capital expenditures and purchase of rental products. Upon closing of this transaction in March 2020, certain of the Debtors and their non-Debtor affiliates entered into a license agreement with WHP Global granting the Debtors the exclusive right and license to sell and rent Joseph Abboud branded apparel and related merchandise in the United States and Canada.

3. Right Sizing Physical Store Footprint.

59. The third component of the turnaround initiative focuses on streamlining the Debtors’ real estate footprint.

(a) Prepetition Store Closures.

60. The Debtors have continued the process of exiting unprofitable stores and analyzing optimal markets in which to maintain a physical presence on a go-forward basis, including the closure of seventeen retail locations in fiscal year 2019. Following the sale of its U.K. corporate apparel operations, the Debtors only maintain storefronts located in the United States and Canada. During the current fiscal year and up to the Petition date, the Debtors have closed approximately

fifty stores either with expired leases or stores which are subject to the Debtors' lease rejection motion, filed concurrently herewith.

61. In parallel with the store closings, with the assistance of certain advisors—specifically A&G—the Debtors commenced rent deferral negotiations with approximately 900 landlords. These deferrals negotiations focused on April and May rent for the period of the COVID-19 closures. These efforts remain ongoing as of the Petition Date. Approximately 470 landlords have agreed to rent deferrals as of the Petition Date.

(b) Postpetition Store Closures.

62. Pursuant to the *Debtors' Omnibus Motion Seeking Entry of an Order Authorizing (I) the Rejection of Certain Unexpired Leases and (II) Abandonment of Certain Personal Property, if any, Each Effective Nunc Pro Tunc to the Petition Date*, filed concurrently herewith, the Debtors intend to quickly wind-down their unprofitable, domestic stores.

63. In conjunction such wind-downs, the Debtors also intend to commence a broad-based program with A&G focused on reducing rent and achieving additional rent abatements for their go-forward fleet of stores.

4. Refocusing on Product Assortment.

64. The fourth component of the Debtors' turnaround initiative has been focused on adjusting its merchandise to better meet customer preferences. Based upon detailed analysis which was undertaken in 2018-2019, the Debtors commenced their merchandise assortment shift in late 2019. Given the continuing trend in casualization of workplace and special occasion attire, the Debtors have accelerated and plan to continue to accelerate the evolution of their assortments to a mix that better reflects the way men dress for moments that matter. The merchandise initiatives also include rationalizing core assortments and integrating more innovative products, for example 4-way stretch dress shirts.

5. Enhancing the Customer Experience.

65. The customer focus continues with the core initiatives around selection, convenience, service and value. Store personnel focus on pulling together the right look so the customer can find his preferred fit, style, and look his best at moments that matter.

66. Further, the Debtors will continue to offer their “Perfect Fit” loyalty program to the Men’s Wearhouse, Men’s Wearhouse and Tux, and Moores customers, and the “Bank Account” loyalty program for Jos. A. Bank customers. Under these loyalty programs, customers receive points for purchases. Points are generally equivalent to dollars spent on a one-for-one basis. Upon reaching 500 points, customers are issued a \$50 rewards certificate that they may use to make purchases at stores or online. All customers who register for these loyalty programs are eligible to participate and earn points for purchases. The Debtors believe these loyalty programs facilitate their ability to cultivate long-term relationships with customers.

6. Growing the Debtors’ E-commerce Offering.

67. The sixth component of the turnaround initiative seeks to improve the pre-existing e-commerce platform in key customer-facing areas. The Debtors believe that e-commerce augments the brick-and-mortar model and solidifies the seamless customer experience. The Debtors have a strong online presence that can be made even more effective with simple initiatives, such as improved site merchandising and layout, personalization and clear product badging.

68. The Debtors continue to invest in initiatives that support their omni-channel strategies. The Debtors have implemented ‘virtualized inventory’ that enables customers to order items online when not available at the store. They also ship online purchases from stores to further enhance customer’s online shopping experience and reduce delivery times. In 2019, they focused on growing e-commerce sales through a combination of traffic gains, feature enhancements, and

elevated merchandising, and the Debtors saw accelerating growth throughout the year as a result. They plan to build on that success in 2020 with continued focus on improving the customer experience, elevating the assortment, and leveraging marketing to drive more visitors to the websites. The Debtors have the potential to significantly increase their online penetration, which is well below the general apparel industry.

7. Response to the COVID-19 Pandemic.

69. In response to the COVID-19 pandemic, the Debtors took other measures to increase liquidity by eliminating or deferring most discretionary spending. For example, the Debtors significantly reduced inventory purchases, capital expenditures, advertising spend, and store and other general and administrative costs.

70. In response to the government's restrictions on business activities, the Debtors also temporarily furloughed approximately 97% of the employees and temporary staff and instituted salary reductions in both the United States and Canada. However, the Debtors brought back certain furloughed employees to make 50,000 masks for healthcare workers fighting COVID-19 and will continue to look for additional opportunities to help frontline healthcare workers and bring its employees back to work. As of the date of this filing the Debtors have re-opened substantially all their stores and are gradually recalling furloughed employees as circumstances permit.

71. Furthermore, in light of the store closures, the Debtors have taken certain actions with respect to existing leases, including engaging with landlords to discuss rent reductions and deferrals of April and May rent.

72. On March 16, 2020, the Debtors drew down \$260 million under the ABL Facility. After assessing the remaining availability under the ABL Facility and determining that additional borrowings were prudent to maximize cash on hand, on March 19, 2020 and on March 31, 2020, respectively, the Debtors borrowed an additional \$25 million under the ABL Facility. These

borrowings under the ABL Facility are proactive measures in order to increase the Debtors' cash position and preserve financial flexibility in light of current uncertainty in the global markets resulting from COVID-19.

IV. Events Leading to these Chapter 11 Cases.

73. A number of factors, both macro and micro, contributed to the need to commence these chapter 11 cases. As evidenced by the positive results the Debtors saw in January and February, they have made significant progress in reshaping their assortment, strengthening their omni-channel offering and evolving their marketing channel and creative mix. However, the unprecedented impact of COVID-19 required the Debtors to further undertake this restructuring process. The continuing impact associated with COVID-19 store closures and the slow re-opening recovery of store sales has put pressure on the Debtors' overall liquidity position. Rather than continuing to operate stores which are no longer profitable in this business climate, the Debtors are seeking to utilize this process to further accelerate their turnaround efforts by closing unprofitable stores, right sizing their cost structure and restructuring their balance sheet to fit the go-forward business.

V. The RSA and the Proposed DIP Financing.

74. In light of the COVID-19 pandemic and the related uncertainty as to the return to normal operations, impending interest payments, a substantial store footprint that needs to be rightsized in order to create a leaner and more profitable enterprise, and productive discussions with secured lenders regarding not only the DIP Facility (as defined herein) but also the terms of a plan of reorganization, the Debtors worked with a number of advisors, including: PJT Partners, Inc. ("PJT") as investment bankers, AlixPartners, LLP as financial advisors, and Kirkland & Ellis LLP ("K&E") as counsel, to focus their efforts on negotiating a comprehensive restructuring to be consummated on an expeditious timeline.

75. By motion filed contemporaneously herewith, the Debtors seek authorization from the Court to enter into a postpetition financing agreement for an immediate infusion of capital and access to cash collateral on an expedited timeline.

A. The Restructuring Support Agreement.

76. The Restructuring Support Agreement (the “RSA”), attached hereto as **Exhibit A**, contemplates a comprehensive reorganization that will result in a substantial deleveraging of the Debtors’ balance sheet through the reduction in the Debtors’ funded indebtedness by between approximately \$455 million and \$555 million and allow the Debtors to move expeditiously through these chapter 11 cases. Importantly, the Exit ABL Facility (as defined below) contemplated by the RSA will provide the Debtors with a committed financing source, ensuring the Debtors have adequate liquidity to support go-forward operations following emergence. The key components of the RSA are as follows:¹²

- the provision of liquidity to fund the Debtors’ operations and the administration of these chapter 11 cases through the entry into a new debtor-in-possession asset-based financing facility (the “DIP Facility”) with a principal amount of \$500 million, including a refinancing of all obligations under the Prepetition ABL Facility and a “roll-up” of the letters of credit issued thereunder;
- the Consenting Term Loan Lenders’ consent to the Debtors’ use of cash collateral (as defined in section 363(a) of the Bankruptcy Code) securing the Term Loan Credit Agreement to pay down outstanding obligations under the DIP Facility, on the terms set forth on the proposed form of interim order authorizing the Debtors’ use of cash collateral and approving the DIP Facility, attached as Annex 5 to the RSA.
- on the Plan Effective Date:
 - the reorganized Debtors or affiliates thereof (the “Reorganized Debtors”) shall enter into the following exit facilities: (a) a new senior secured, first lien term loan facility in the aggregate principal amount of between \$325 million and \$425 million (the “Exit Term Loan Facility”), and (b) a new asset-based exit

¹² Capitalized terms used but not otherwise defined in this summary shall have the meanings ascribed to such terms in the RSA.

financing facility with aggregate total commitments of \$400-430 million (the “Exit ABL Facility”);

- holders of allowed claims under the DIP Facility shall receive a pro rata share of and interest in the Exit ABL Facility
- holders of allowed claims under the Prepetition Term Loan Credit Agreement shall receive a pro rata share and interest in: (i) the Exit Term Loan Facility, and (ii) 100% of the new common stock to be issued by the Reorganized Debtors (subject to dilution by the Management Incentive Plan);
- holders of allowed claims on account of the Debtors’ swap agreements secured under the ABL Credit Agreement shall receive payment in full in cash from the proceeds of the DIP ABL Priority Collateral;

77. Importantly, speed is key for a successful retail reorganization. As a result, the RSA and DIP financing facilities contain a number of key milestones to ensure the Debtors do not languish in chapter 11.

B. Foreign Proceedings.

78. The Debtors will also commence, concurrently or shortly after the Petition Date, proceedings in the foreign jurisdictions of Canada and the Cayman Islands in order to, inter alia, have these chapter 11 cases recognized in the aforementioned foreign jurisdiction. In Canada, the Debtors will be filing an application under section 46 of the Companies’ Creditor Arrangement Act, R.S.C. 1985, c. C-86, as amended, for recognition of these chapter 11 cases as foreign main proceedings of the Debtors. This recognition proceeding is seeking to extend the relief granted in the United States to the Debtors’ assets and operations in Canada, including the benefit of the stay, to allow the Debtors to successfully implement their restructuring across all operations. In the Cayman Islands, Debtor WPC is filing an insolvency proceeding for the purpose of obtaining the benefit of an automatic statutory moratorium on claims (analogous to the automatic stay provided by the Bankruptcy Code), with a view to allowing the substance of WPC’s reorganization and the administration of its estate to take place through these chapter 11 cases. The Debtors and their advisors intend to coordinate such foreign proceedings with these chapter 11 cases, to the extent

practicable, in order to reduce the costs of administering these cases, ensure minimal disruption to operations, and maximize the value of the Debtors' estates for the benefit of all parties in interest.

C. The Proposed DIP Financing.

79. The Debtors' negotiations with their funded debtholders and third parties, which ultimately culminated in the DIP Facility and access to cash collateral, were guided by two key considerations. **First**, speed is key. Given the potential business disruption and costs associated with a chapter 11 filing, it is crucial that the Debtors emerge from chapter 11 as quickly as possible. **Second**, a fresh liquidity infusion is critical to making good on the Debtors' long-standing positive relationships with its vendors, and enable it to dedicate the resources necessary to match its product mix with customer demand. Liquidity is also essential as the Debtors continue to recover from the COVID-19 disruptions.

80. In connection with a chapter 11 filing, the Debtors, with the assistance of PJT, initiated a process for identifying sources of capital on the best available terms. Specifically, with the assistance of PJT, the Debtors began soliciting indications of interest in July 2020 from potential debtor-in-possession lenders (including specialty lenders and those that routinely provide debtor in possession financing) to gauge their interest in providing debtor in possession financing ("DIP Financing").

81. In total, 28 parties were contacted and 15 non-disclosure agreements were executed. Fourteen parties subject to NDAs were granted access to a virtual data room containing detailed information regarding the Debtors and received access to non-public information. As a result of these efforts, seven potential lenders engaged in negotiations with the Debtors, and two potential lenders requested further diligence materials that were promptly provided and /or held diligence calls with the Debtors and their advisors and discussed the terms of potential DIP financing. The

Debtors ultimately received one indication of interest from a party outside of the Debtors' existing capital structure for a DIP facility. Such indication of interest did not provide better economic terms to the Debtors compared to the DIP Facility. In addition, PJT discussed potential DIP financing with certain holders of the Unsecured Notes and no party was willing to provide financing to the Debtors on a junior lien or an unsecured or administrative priority basis. As a result, leading up to the Petition Date, it became clear to the Debtors that their best path to financing their chapter 11 cases was through a financing from the Prepetition ABL Lenders.

82. As set forth in greater detail in the *Declaration of Jamie H. Baird in Support of the Debtors' Emergency Motion Seeking Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Obtain Exit Financing, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection to the Prepetition ABL Secured Parties, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing, and (VIII) Granting Related Relief*, and the *Declaration of Holly Etlin in Support of the Debtors' Emergency Motion Seeking Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Obtain Exit Financing, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection to the Prepetition ABL Secured Parties, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing, and (VIII) Granting Related Relief*, (collectively, the "DIP Declarations"), these efforts culminated in the DIP Facility. The DIP Facility will fund the working capital needs and the chapter 11 process.

83. The DIP Facility contemplates postpetition financing in the form of a \$500 million senior secured ABL revolving credit facility provided by the Prepetition ABL Lenders, as well as

a \$150 million sublimit for the issuance of letters of credit. Because the Prepetition ABL Facility is being refinanced in full, the DIP Facility does not effectuate any priming of the Prepetition ABL Lenders' liens on their collateral under the Prepetition ABL Facility. Therefore, the Debtors avoid the need to engage in a priming fight at the outset of these chapter 11 cases. Moreover, the DIP Agreement provides for the conversion of the DIP Facility to an Exit Facility upon emergence from chapter 11, subject to the Debtors meeting certain conditions. This conversion provides the Debtors with a clear path to emergence, setting the stage for a successful restructuring and minimizing costs associated with potential business disruption if no clear path to emergence existed. The conversion would also avoid additional costs that would be incurred on account of an exit financing marketing process and other costs that would otherwise be due if the Debtors separately sought exit financing at a later date. In connection with entry into such DIP Facility, the Prepetition Secured Parties have also consented to the immediate access by the Debtors to their Cash Collateral upon entry of the Interim Order, which will be used to pay down outstanding obligations under the DIP Facility and increase availabilities thereunder.

VI. First Day Motions.

84. Contemporaneously herewith, the Debtors have sought relief through a number of First Day Motions that they believe are necessary to enable them to efficiently administer their estates with minimal disruption and loss of value during the pendency of these chapter 11 cases. The Debtors have requested that the relief requested in each of the First Day Motions be granted as critical elements in ensuring the maximization of value of the Debtors' estates. 85. I have reviewed each of the First Day Motions filed contemporaneously herewith, and the facts set forth in each First Day Motions are true and correct to the best of my knowledge and belief with appropriate reliance on corporate officers and advisors and each such factual statement is incorporated herein by reference. I further believe that the relief requested in the First Day Motions is necessary to allow the Debtors to operate with minimal disruption during the pendency of these chapter 11 cases and constitutes a critical element in successfully implementing the Debtors' chapter 11 strategy.

This Agreement shall in no way be construed to preclude the Consenting Term Loan Lenders from acquiring additional Term Loan Claims; provided, however, that (a) such additional Term Loan Claims shall automatically and immediately upon acquisition by a Consenting Term Loan Lender be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the Company Parties or Gibson Dunn) and (b) such Consenting Term Loan Lender must provide notice of such acquisition (including the amount of Term Loan Claims acquired) to counsel to the Company Parties and Gibson Dunn within five (5) Business Days of such acquisition.

7.04. This Section 7 shall not impose any obligation on any Company Party to issue any “cleansing letter” or otherwise publicly disclose information for the purpose of enabling a Consenting Term Loan Lender to Transfer any of its Term Loan Claims. Notwithstanding anything to the contrary herein, to the extent a Company Party and another Party have entered into a Confidentiality Agreement, the terms of such Confidentiality Agreement shall continue to apply and remain in full force and effect according to its terms, and this Agreement does not supersede any rights or obligations otherwise arising under such Confidentiality Agreement.

7.05. Notwithstanding Section 7.01, a Qualified Marketmaker that acquires any Claims or Interests (including Term Loan Claims) with the purpose and intent of acting as a Qualified Marketmaker for such Claims or Interests shall not be required to execute and deliver a Transfer Agreement in respect of such Claims or Interests if such Qualified Marketmaker subsequently transfers such Claims or Interests (by purchase, sale assignment, participation, or otherwise) within five (5) Business Days of its acquisition to a transferee that is an entity that is not an affiliate, affiliated fund, or affiliated entity with a common investment advisor. To the extent that a Consenting Term Loan Lender is acting in its capacity as a Qualified Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title, or interests in Claims or Interests (including Term Loan Claims) that the Qualified Marketmaker acquires from a holder of the Claims or Interests who is not a Consenting Term Loan Lender without the requirement that the transferee be a Permitted Transferee. A Consenting Term Loan Lender that is a Qualified Marketmaker with respect to the Term Loan Claims or Interests on or before the date hereof shall be a Consenting Term Loan Lender hereunder solely with respect to the Term Loan Claims listed on such signature pages and shall not be required to comply with this Agreement for any other Claims and/or Interests (including Term Loan Claims) it may hold from time to time in its role as a Qualified Marketmaker.

7.06. The Company Parties understand that the Consenting Term Loan Lenders are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, the Company Parties acknowledge and agree that the obligations set forth in this Agreement shall only apply to the trading desk(s) and/or business group(s) of the Consenting Term Loan Lender that principally manage and/or supervise the Consenting Term Loan Lender's investment in the Company Parties, and shall not apply to any other trading desk or business group of the Consenting Term Loan Lender, so long as they are not acting at the direction or for the benefit of such Consenting Term Loan Lender or in connection with such Consenting Term Loan Lender's investment in the Company Parties.

7.07. Notwithstanding anything to the contrary in this Section 7, the restrictions on Transfer set forth in this Section 7 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

Section 8. *Representations and Warranties of Consenting Term Loan Lenders.* Each Consenting Term Loan Lender severally, and not jointly, represents and warrants that, as of the date such Consenting Term Loan Lender executes and delivers this Agreement and as of the Effective Date:

(a) it is the beneficial or record owner of the face amount of the Term Loan Claims, or is the nominee, investment manager, or advisor for beneficial holders of the Term Loan Claims reflected in, and it is not the beneficial or record owner of any Term Loan Claims other than those reflected in such Consenting Term Loan Lender's signature page to this Agreement, a Joinder, or a Transfer Agreement, as applicable (as may be updated pursuant to Section 7);

(b) it has the full power and authority to act on behalf of, vote and consent to matters concerning, such Term Loan Claims;

(c) such Term Loan Claims are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Term Loan Lender's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed; and

(d) it has the full power to vote, approve changes to, and transfer all of its Term Loan Claims referable to it as contemplated by this Agreement subject to applicable Law.

Section 9. *Representations and Warranties of Company Parties.* Each Company Party jointly and severally, represents and warrants that as of the date such Company Party executes and delivers this Agreement and as of the Effective Date:

(a) to the best of its knowledge having made all reasonable inquiries, no order has been made, petition presented, or resolution passed for the winding up of or appointment of a liquidator, receiver, administrative receiver, administrator, compulsory manager, or other similar officer in respect of it or any other Company Party or affiliate or subsidiary of any Company Party, and no analogous procedure has been commenced in any jurisdiction; provided, however, that this Section 9 does not apply to any proceeding commenced in connection with filing the Chapter 11 Cases; and

(b) except as expressly provided for in this Agreement, it has not entered into any arrangement (including with any individual creditor thereunder, irrespective of whether it is or is to become a Consenting Term Loan Lender) on terms that are not reflected in the Restructuring Term Sheet.

Section 10. *Mutual Representations, Warranties, and Covenants; Further Assurances.* Each of the Parties represents, warrants, and covenants to each other Party, as of the date such Party executed and delivers this Agreement:

(a) it is validly existing and in good standing (or the equivalent thereof) under the Laws of the jurisdiction of its organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable Laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(b) except as expressly provided in this Agreement, the Plan, the Restructuring Term Sheet, and the Bankruptcy Code (or as reasonably determined by the Company Parties and the Required Consenting Term Loan Lenders upon advice of counsel), no consent or approval is required by a governmental authority, banking, taxation, supervisory, or regulatory body or any stock exchange, third party, or any other person or entity in order for it to effectuate the Restructuring Transactions contemplated by, or perform its respective obligations under, this Agreement other than any such consent or approval which has been obtained, provided, or otherwise satisfied prior to the Agreement Effective Date and which consent or approval has not been subsequently revoked;

(c) the entry into and performance by it of, and the transactions contemplated by, this Agreement do not, and will not, conflict in any material respect with any Law or regulation

applicable to it or with any of its articles of association, memorandum of association or other constitutional documents;

(d) except as expressly provided in this Agreement, it has (or will have, at the relevant time) all requisite corporate or other power and authority to enter into, execute, and deliver this Agreement and to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement; and

(e) except as expressly provided by this Agreement, it is not party to any restructuring or similar agreements or arrangements with the other Parties to this Agreement that have not been disclosed to all Parties to this Agreement.

Section 11. *Termination Events.*

11.01. Consenting Term Loan Lender Termination Events. This Agreement may be terminated as to all Parties by the Required Consenting Term Loan Lenders, by the delivery to the Company Parties of a written notice in accordance with Section 13.10 hereof, upon the occurrence and continuation of any of the following events, in each case, other than as contemplated by the Restructuring Transactions:

(e) the failure to meet a Milestone, which has not been waived or extended with the prior written consent of the Required Consenting Term Loan Lenders;

(f) the entry of an order by the Bankruptcy Court, or the filing of a motion or application by any Company Party seeking an order (without the prior written consent of the Required Consenting Term Loan Lenders), (i) converting one or more of the Chapter 11 Cases of a Company Party to a case under chapter 7 of the Bankruptcy Code, (ii) appointing an examiner with expanded powers beyond those set forth in sections 1106(a)(3) and (4) of the Bankruptcy Code or a trustee under section 1104 of the Bankruptcy Code in one or more of the Chapter 11 Cases of a Company Party, (iii) dismissing one or more of the Chapter 11 Cases, (iv) terminating exclusivity under Bankruptcy Code section 1121, or (v) rejecting this Agreement;

(h) an order is entered by the Bankruptcy Court granting relief from the automatic stay imposed by section 362 of the Bankruptcy Code authorizing any party to proceed against any material asset of the Company Parties or that would materially and adversely affect any Company Party's ability to operate its business in the ordinary course or implement the Restructuring;

(i) upon the occurrence of a termination event in Section 11.02 of this Agreement.

(j) failure by the Company Parties to pay the fees and expenses set forth in Section 13.22 of this Agreement as and when required, subject to applicable Law including any order approving the use of cash collateral; provided, however, that the Effective Date shall not occur until and unless the fees and expenses set forth in Section 13.22 have been paid in full;

(k) any Company Party files any motion or pleading with the Bankruptcy Court that is not consistent in all material respects with this Agreement and such motion has not been withdrawn within five (5) Business Days of receipt by the Company Parties of written notice from the Required Consenting Term Loan Lenders that such motion or pleading is inconsistent with this Agreement;

(l) a Company Party files any motion, application, or adversary proceeding challenging the validity, enforceability, perfection, or priority of, or seeking avoidance or subordination of, any portion of the Consenting Term Loan Lenders' Claims or asserts any other cause of action against the Consenting Term Loan Lenders or with respect or relating to such Claims, the Term Loan Credit Agreement or any Loan Document (as defined therein) or the prepetition liens securing the Term Loan Claims;

(m) the termination of the consensual use of cash collateral under any order approving the use of cash collateral or post-petition debtor-in-possession financing; and

(n) the Bankruptcy Court enters an order denying confirmation of the Plan pursuant to a final non-appealable order.

11.02. Company Party Termination Events. Any Company Party may terminate this Agreement as to all Parties upon prior written notice to all Parties in accordance with Section 13.10 hereof upon the occurrence of any of the following events:

(a) the breach in any respect by Consenting Term Loan Lenders holding an amount of Term Loans that would result in non-breaching Consenting Term Loan Lenders holding less than two-thirds (66.7%) of the aggregate principal amount of the Term Loans of their undertakings, representations, warranties, or covenants set forth in this Agreement that remains uncured for a period of five (5) Business Days after the receipt by the Company Parties of notice of such breach;

(b) the board of directors, board of managers, or such similar governing body of any Company Party determines, after consulting with internal and external counsel, (i) that proceeding with any of the Restructuring Transactions would be inconsistent with the exercise of its fiduciary duties or applicable Law or (ii) in the exercise of its fiduciary duties, to pursue an Alternative Restructuring Proposal; *provided*, that notwithstanding anything to the contrary herein, each Consenting Term Loan Lender reserves its rights to challenge any action taken in the exercise of such fiduciary duties by filing a motion or other pleading with the Bankruptcy Court;

(c) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order that (i) enjoins the consummation of a material portion of the Restructuring Transactions and (ii) remains in effect for five (5) Business Days after such terminating Company Party transmits a written notice in accordance with Section 13.10 hereof detailing any such issuance; provided that this termination right shall not apply to or be exercised to the extent a Company Party sought or requested such ruling or order in contravention of any obligation or restriction set out in this Agreement; or

(d) the Bankruptcy Court enters an order denying confirmation of the Plan pursuant to a final non-appealable order.

11.03. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among all of the following: (a) the Required Consenting Term Loan Lenders; and (b) each Company Party.

11.04. Automatic Termination. This Agreement shall terminate automatically without any further required action or notice immediately upon consummation of the Plan on the Effective Date.

11.05. Effect of Termination. Except as set forth in Section 13.17, upon the occurrence of a Termination Date as to a Party, this Agreement shall be of no further force and effect as to such Party and each Party subject to such termination shall be released from its commitments, undertakings, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to

take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all Claims or Causes of Action. Upon the occurrence of a Termination Date prior to the Confirmation Order being entered by the Bankruptcy Court, any and all consents, agreements, undertakings, tenders, waivers, forbearances, ballots, and votes delivered by a Party subject to such termination before a Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions and this Agreement or otherwise; provided, however, any Consenting Term Loan Lender withdrawing or changing its vote pursuant to this Section 11.05 shall promptly provide written notice of such withdrawal or change to each other Party to this Agreement and, if such withdrawal or change occurs on or after the Petition Date, file notice of such withdrawal or change with the Bankruptcy Court. Notwithstanding anything to the contrary in this Agreement, the foregoing shall not be construed to prohibit a Company Party or any of the Consenting Term Loan Lenders from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner, waive, limit, impair, or restrict (a) any right of any Company Party or the ability of any Company Party to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Consenting Term Loan Lenders, and (b) any right of any Consenting Term Loan Lender, or the ability of any Consenting Term Loan Lender, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or Consenting Term Loan Lenders. No purported termination of this Agreement shall be effective under this Section 11.05 or otherwise if the Party seeking to terminate this Agreement is in material breach of this Agreement, except a termination pursuant to Section 11.02(b) or Section 11.02(d). Nothing in this Section 11.05 shall restrict any Company Party's right to terminate this Agreement in accordance with Section 11.02(b).

11.06. The Company Parties acknowledge that after the Petition Date, the giving of notice of termination by any Party pursuant to this Agreement shall not be considered a violation of the automatic stay of section 362 of the Bankruptcy Code; provided, that nothing herein shall prejudice any Party's right to argue that the giving of notice of termination was not proper under the terms of this Agreement.

Section 12. *Amendments and Waivers.*

(a) This Agreement and any exhibits or schedules hereto (including but not limited to the Restructuring Term Sheet and the Definitive Documents) may not be modified, amended, or supplemented, and no condition or requirement of this Agreement may be waived, in any manner except in accordance with this Section 12.

(b) This Agreement may be modified, amended, or supplemented, or a condition or requirement of this Agreement may be waived, in a writing signed by (i) each Company Party and (ii) the Required Consenting Term Loan Lenders (email being sufficient); provided, however, that (A) any modification, amendment or supplement to the Restructuring Term Sheet shall require the consent of the Super-Majority Consenting Term Loan Lenders (email being sufficient), and (B) if the proposed modification, amendment, waiver, or supplement has a material, disproportionate (as

compared to other Consenting Term Loan Lenders holding claims within the same class as provided for in the Restructuring Term Sheet), and adverse effect on any of the Term Loan Claims held by such Consenting Term Loan Lenders, as applicable, then the consent of each such affected Consenting Term Loan Lender shall also be required to effectuate such modification, amendment, waiver or supplement.

(c) Any proposed modification, amendment, waiver, or supplement that does not comply with this Section 12 shall be ineffective and void *ab initio*.

(d) The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver of any such right, power or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Section 13. *Miscellaneous.*

13.01. Acknowledgement. Notwithstanding any other provision herein, this Agreement is not and shall not be deemed to be an offer with respect to any securities or solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Any such offer or solicitation will be made only in compliance with all applicable securities Laws, provisions of the Bankruptcy Code, and/or other applicable Law.

13.02. Exhibits Incorporated by Reference; Conflicts. Each of the exhibits, annexes, signatures pages, and schedules attached hereto is expressly incorporated herein and made a part of this Agreement, and all references to this Agreement shall include such exhibits, annexes, and schedules. In the event of any inconsistency between this Agreement (without reference to the exhibits, annexes, and schedules hereto) and the exhibits, annexes, and schedules hereto, this Agreement (without reference to the exhibits, annexes, and schedules thereto) shall govern.

13.03. Further Assurances. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be reasonably appropriate or necessary, or as may be required by order of the Bankruptcy Court, from time to time, to effectuate the Restructuring Transactions, as applicable; provided however that this Section 13.03 shall not limit the right of any party hereto to exercise any right or remedy provided for in this Agreement (including the approval rights set forth in Section 2.03).

13.04. Complete Agreement. Except as otherwise explicitly provided herein, this Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, among the Parties with respect thereto, other than any Confidentiality Agreement.

13.05. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF. Notwithstanding the foregoing consent to jurisdiction in either a state or federal court of competent jurisdiction in the State and County of New York, upon the commencement of the Chapter 11 Cases, each of the Parties hereby agrees that, if the Chapter 11 Cases are pending, the Bankruptcy Court shall have exclusive jurisdiction over all matters arising out of or in connection with this Agreement. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement, to the extent possible, in the Bankruptcy Court, and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court; (b) waives any objection to laying venue in any such action or proceeding in the Bankruptcy Court; and (c) waives any objection that the Bankruptcy Court is an inconvenient forum or does not have jurisdiction over any Party hereto.

13.06. TRIAL BY JURY WAIVER. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

13.07. Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

13.08. Rules of Construction. This Agreement is the product of negotiations among the Company Parties and the Consenting Term Loan Lenders, and in the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof. The Company Parties and the Ad Hoc Group were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel.

13.09. Successors and Assigns; Third Parties. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns, as applicable. There are no third-party beneficiaries under this Agreement, and the rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other person or entity.

13.11. Independent Due Diligence and Decision Making. Each Consenting Term Loan Lender hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions, and prospects of the Company Parties.

13.12. Enforceability of Agreement. The Parties hereby acknowledge and agree: (a) that the provision of any notice or exercise of termination rights under this Agreement is not prohibited by the automatic stay provisions of the Bankruptcy Code; (b) that they waive any right to assert that the exercise of any notice or termination rights under this Agreement is subject to the

automatic stay provisions of the Bankruptcy Code and expressly stipulates and consents hereunder to the prospective modification of the automatic stay provisions of the Bankruptcy Code for purposes of exercising notice and termination rights under this Agreement, to the extent the Bankruptcy Court determines that such relief is required; (c) that they shall not take a position to the contrary of this Section 13.12 in the Bankruptcy Court or any other court of competent jurisdiction; and (d) they will not initiate, or assert in, any litigation or other legal proceeding that this Section 13.12 is illegal, invalid, or unenforceable, in whole or in part.

13.13. Waiver. If the Restructuring Transactions are not consummated, or if this Agreement is terminated for any reason other than pursuant to Section 11.04 hereof, the Parties fully reserve any and all of their rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

13.14. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party, and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

13.15. Several, Not Joint, Claims. Except where otherwise specified, the agreements, representations, warranties, and obligations of the Parties under this Agreement are, in all respects, several and not joint.

13.16. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

13.17. Survival. Notwithstanding (a) any Transfer of any Term Loan Claims in accordance with Section 7 or (b) the termination of this Agreement in accordance with its terms, the agreements and obligations of the Parties in Section 11.05, Section 13 (except for Section 13.22 with respect to fees and expenses incurred after the termination of this Agreement (other than with respect to fees and expenses incurred after the termination of this Agreement due to the consummation of the Plan on the Effective Date)), and any Confidentiality Agreement shall survive such Transfer and/or termination and shall continue in full force and effect.

13.18. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

13.19. Capacities of Consenting Term Loan Lenders. Except as set forth in Sections 7.05 and 7.06 each Consenting Term Loan Lender has entered into this agreement on account of all Term Loan Claims that it holds (directly or through discretionary accounts that it manages or

advises) and, except where otherwise specified in this Agreement, shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Term Loan Claims.

13.20. Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, pursuant to Section 12 or otherwise, including a written approval by the Company Parties or the Required Consenting Term Loan Lenders, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

13.21. Confidentiality and Publicity. Other than as may be required by applicable Law and regulation or by any governmental or regulatory authority, no Party shall disclose to any person (including, for the avoidance of doubt, any other Consenting Term Loan Lender), other than legal, accounting, financial, and other advisors to the Company Parties and Consenting Term Loan Lenders (who are under obligations of confidentiality to the Company Parties with respect to such disclosure, and, with respect to the advisors to the Company Parties, whose compliance with such obligations the Company Parties shall be responsible for), the name of, or the principal amount or percentage of the Term Loan Claims held by, any Consenting Term Loan Lender or any of its respective subsidiaries (including, for the avoidance of doubt, any Term Loan Claims acquired pursuant to any Transfer); provided, however, that the Company Parties shall be permitted to disclose at any time the aggregate principal amount of, and aggregate percentage of, any class of the Term Loan Claims held by the Consenting Term Loan Lender collectively; and, provided, further, that if requested by the Bankruptcy Court, the Company Parties may disclose the names of any Consenting Term Loan Lender (at the institution level) at a hearing in connection with the Chapter 11 Cases, but not the principal amount or percentage of the Term Loan Claims held by any such Consenting Term Loan Lender or any of its respective subsidiaries (including, for the avoidance of doubt, any Term Loan Claims acquired pursuant to any Transfer). Notwithstanding the foregoing, the Consenting Term Loan Lenders hereby consent to the disclosure of the fact that the Company Parties executed this Agreement and the terms, and contents thereof this Agreement by the Company Parties in the Definitive Documents or as otherwise required by law or regulation; provided, however, that (a) if any of the Company Parties determines that it is required by the Definitive Documents or otherwise required by law or regulation to attach a copy of this Agreement, any Joinder or Transfer Agreement to any Definitive Documents or any other filing or similar document relating to the transactions contemplated hereby, it will redact any reference to or identifying information concerning a specific Consenting Term Loan Lender and such Consenting Term Loan Lender's holdings (including before filing any pleading with the Bankruptcy Court) and (ii) if disclosure of additional identifying information of any Consenting Term Loan Lenders is required by applicable Law, advance notice of the intent to disclose such information, if permitted by applicable Law, shall be given by the disclosing Party to each Consenting Term Loan Lender (who shall have the right to seek a protective order prior to disclosure). The Company Parties further agree that such information shall be redacted from "closing sets" or other representations of the fully executed Agreement, any Joinder or Transfer Agreement. Notwithstanding the foregoing, the Company Parties will submit to counsel for the Consenting Term Loan Lenders all press releases, public filings, public announcements, or other communications with any news media, in each case, to be made by the Company Parties relating

to this Agreement or the transactions contemplated hereby and any amendments thereof at least two (2) Business Days (it being understood that such period may be shortened to the extent there are exigent circumstances that require such public communication to be made to comply with applicable Law) in advance of release, will take such counsel's view with respect to such communications into account and shall not disseminate to any news media any press releases, public filings, public announcements, or other communications relating to this Agreement or the transactions contemplated hereby and any amendments thereof without first receiving the prior written consent of the Required Consenting Term Loan Lenders, with such consent not to be unreasonably delayed, conditioned, or withheld. Nothing contained herein shall be deemed to waive, amend or modify the terms of any Confidentiality Agreement.

13.22. Fees and Expenses. All rights under this Agreement are separately granted to each Consenting Term Loan Lender by the Company and vice versa, and

the use of a single document is for the convenience of the Company. The decision to commit to enter into the transactions contemplated by this Agreement has been made independently.

The use of Cash Collateral shall in all cases be in accordance with the Budget (including any Permitted Variances).

Carve-Out:

The liens and claims of the Prepetition Secured Parties shall be subject to the following Carve-Out (the “Carve-Out”):

- fees payable to the U.S. Trustee and Bankruptcy Court clerk;
- \$50,000 of fees payable to chapter 7 trustee if case is converted;
- all professional fees and expenses of estate professionals whether or not paid or allowed at the time delivery of a notice triggering the Carve-Out; and

- all professional fees and expenses of estate professionals after the date of service of the notice triggering the Carve-Out in an aggregate amount not to exceed \$2,000,000.

Interim and Final Orders:

The order approving the use of Cash Collateral on an interim basis, which shall be satisfactory in form and substance to the Prepetition Agent and the Requisite Lenders (the “Interim Order”), shall authorize and approve (i) the Debtors’ consensual use of Cash Collateral on the terms set forth herein and in accordance with the Budget (including any Permitted Variances), (ii) the granting of Adequate Protection (defined below) to the Prepetition Secured Parties as set forth herein, and (iii) other customary terms that are acceptable to the Requisite Lenders. The order approving the use of Cash Collateral on a final basis shall be in form and substance satisfactory to the Prepetition Agent and the Requisite Lenders and shall also include the Waivers (defined below) (the “Final Order” and, together with the Interim Order, the “Cash Collateral Orders”).

Budget:

Prior to the Petition Date, the Prepetition Secured Parties shall have received a 13-week cash forecast in form and substance satisfactory to the Super-Majority Lenders (defined below), which reflects, on a line-item basis, the Debtors’ weekly (i) projected cash receipts, (ii) projected cash disbursements (including ordinary course operating expenses, capital expenditures, and bankruptcy-related expenses, and certain other fees and expenses), (iii) net cash flows, (iv) total liquidity and (v) professional fees and disbursements with respect to the Debtors’ and other estate professionals (the “Budget”). The individual line items in the Budget shall be satisfactory to the Super-Majority Lenders. On a weekly basis, the Debtors will deliver to the advisors to the Prepetition Secured Parties a line-item by line-item variance report, setting forth, in reasonable detail any variances between actual amounts for each line item in the Budget for the Variance Testing Period (defined below) versus projected amounts set forth in the applicable Budget for each line item included therein on a cumulative basis for such Variance Testing Period (for the avoidance of doubt, to be prepared by comparing the sum of the four (4) figures (or less, if the applicable Variance Testing Period has less than four weeks) for each relevant fiscal week for such corresponding line item in the relevant Budget that was in effect in respect of each relevant week at the time).

The variance report shall also provide a reasonably detailed explanation (including whether such variance is permanent or temporary in nature or timing related) for any negative variance in such variance report in excess of 10% in actual receipts and any positive variance in such variance report in excess of 10% in actual operating disbursements during the Variance Testing Period (unless the dollar amount corresponding to such percentage variance is less than \$1,000,000) as compared to projections for such corresponding line items during the Variance Testing Period as set forth in the Budget.

“Variance Testing Period” means the four-fiscal week calendar period up to and through the Saturday of the fiscal week most recently ended prior to the applicable date of delivery of such variance report (provided that, if less

than four-fiscal weeks have transpired since the Petition Date, the Variance Testing Period shall include the entire period from the Petition Date through the Saturday of the fiscal week most recently ended prior to the applicable Variance Testing Period).

The Budget shall be updated by the Debtors on a fiscal monthly basis in writing transmitted to the advisors to the Prepetition Secured Parties and publicly posted on the Prepetition Agent's website to all holders of Term Loans (any such proposed updated budget, the "Proposed Budget"). Each Proposed Budget shall be substantially in the form of the initial approved Budget and otherwise satisfactory to the Steerco-Super Majority Lenders, and no such Proposed Budget shall be effective unless acceptable to the Steerco-Super Majority Lenders (which acceptance may be communicated via an email from the advisors to the Steerco-Super Majority Lenders); and upon delivery of such acceptance by the Steerco-Super Majority Lenders, such Proposed Budget shall be deemed the newly approved Budget; provided, however, that in the event the Steerco-Super Majority Lenders, on the one hand, and the Debtors, on the other hand, cannot agree as to an updated budget within three (3) business days of such Proposed Budget's delivery, such disagreement shall constitute an immediate Event of Default (defined below) once the period covered by the prior approved Budget has terminated (and at all times thereafter such then-current approved Budget shall remain in effect unless and until a new Budget is approved by the Steerco-Super Majority Lenders).

Events of Default:

The Cash Collateral Orders will contain events of default customarily found in such orders, including but not limited to the following (collectively, the "Events of Default"):

- Any Event of Default under the DIP ABL;
- The failure by the Debtors to comply with any material provision of the Cash Collateral Orders;

- The Debtors' filing of an application, motion or other pleading seeking authorization to obtain post-petition financing without the consent of the Prepetition Secured Parties;
- The entry of an order approving post-petition financing that is not acceptable to the Prepetition Secured Parties;
- The Debtors taking any action against any of the Prepetition Secured Parties challenging the validity, enforceability, perfection, or priority of their liens or claims;

- The termination of the restructuring support agreement executed by the Debtors, the Prepetition Agent and Requisite Lenders (the “RSA”), or the RSA otherwise ceases to be in full force and effect;
- In respect of the Budget, (i) actual aggregate operating cash receipts for any four-fiscal week period up to and through the Saturday of the fiscal week most recently ended prior to the applicable variance report delivery date (“Four Week Period”) shall be less than 90% of aggregate budgeted cash receipts for any such Four Week Period or (ii) the actual aggregate cash disbursements (excluding professional fees) for any Four Week Period shall be greater than 110% of the budgeted aggregate cash disbursements for any such Four Week Period; provided, that any variance from a prior period as tested against a cumulative budget shall carry forward in the succeeding Four Week Period for purposes of the Budget;
- Any default arises under any material prepetition indebtedness of the Debtors that is not stayed by the automatic stay in these Chapter 11 Cases;
- Any motion is filed seeking to terminate any Debtor’s exclusive right to file a chapter 11 plan (unless actively contested by the Debtors), or the expiration of any Debtor’s exclusive right to file a chapter 11 plan;
- The payment of, or application by the Debtors for authority to pay, any prepetition claim unless (i) in accordance with the Budget, and (ii) with the consent of the Requisite Lenders, which consent shall be deemed to have been provided with respect to relief set forth in the “first day” and “second day” orders;
- The Debtors shall have entered into, or made any payment in respect of, any critical vendor agreements or otherwise entered into the agreement to pay, or made on a postpetition basis, any payment in respect of critical vendor trade obligations, in each instance for an amount in excess of \$100,000 to any one vendor (in one or multiple payments), except with the written consent of the Requisite Lenders;
- The existence of any claim or charges, or the entry of any order of the Bankruptcy Court authorizing any claims or charges, entitled to superpriority administrative expense claim status in any of the Chapter 11 Cases pursuant to section 364(c)(1) of the Bankruptcy Code *pari passu* with or senior to the claims of the Prepetition Secured Parties under the Cash Collateral Orders, or there shall arise or be granted by the Bankruptcy Court (i) any claim having priority over any or all administrative expenses of the kind specified in clause (b) of section 503 or clause (b) of section 507 of the Bankruptcy Code or (ii) any lien on the Prepetition Collateral (defined below) having a priority senior to or *pari passu* with the liens and security interests granted to the Prepetition Secured Parties under the Cash Collateral Orders, except as provided in the Cash Collateral Orders;

- The automatic stay shall be modified, reversed, revoked or vacated in a manner that has a material adverse impact on the rights and interests of the Prepetition Secured Parties;
- The Debtors (A) shall have filed a motion with the Bankruptcy Court seeking entry of an order avoiding, disallowing, subordinating or recharacterizing any claim, lien or interest held by any Prepetition Secured Party arising under the Prepetition Term Loan Agreement (a “Challenge Motion”) or (B) shall fail to contest any Challenge Motion filed by a third party (including any committee), unless, in either case, the Prepetition Agent has consented to such motion; or
- The failure to satisfy any of the milestones set forth on Schedule 2 attached hereto (the “Milestones”).

Remedies:

Upon an Event of Default, the Prepetition Agent may declare (in the form of a written notice (a “Termination Notice”) that is delivered to the Debtors and filed with the Bankruptcy Court (using a CM/ECF emergency code, seeking emergency relief from the automatic stay) that the right to use Cash Collateral has been terminated; provided, however, that for the five business day period following the delivery of the Termination Notice, the Debtors shall be entitled to (i) continue to use Cash Collateral strictly in accordance with the Budget, and (ii) seek an emergency hearing with the Bankruptcy Court. The automatic stay will be automatically lifted for purposes of allowing the Prepetition Agent to deliver (and file) a Termination Notice upon an Event of Default.

Adequate Protection:

As adequate protection for the diminution in value of the liens securing the obligations under the Prepetition Term Loan Agreement (the “Prepetition Collateral”) the Prepetition Secured Parties shall, during the pendency of the Chapter 11 Cases, receive (collectively, the “Adequate Protection”) (i) the grant of additional and replacement liens on all property of the Debtors’ estates, including but not limited to any unencumbered property of the Debtors and, subject to entry of the Final Order, the proceeds of avoidance actions, subject only to the Carve-Out, (ii) a super-priority claim pursuant to section 507(b) of the Bankruptcy Code payable from all property of the Debtors’ estates, including but not limited to any unencumbered property of the Debtors and, subject to entry of the Final Order, the proceeds of avoidance actions, subject only to the Carve-Out, (iii) the payment of post-petition interest on the Term Loans at the non-default contract rate set forth in the Prepetition Term Loan Agreement, (iv) the payment of the reasonable and documented fees and expenses of the Prepetition Secured Parties (including outside counsel and financial advisors of the Prepetition Agent and the Requisite Lenders), (v) provide continued periodic reporting under the Prepetition Term Loan Credit Agreement, as well as the following enhanced reporting (on a professionals’ eyes only or non-cleansing basis) (A) a listing of permanently open store counts (i.e. stores not designated for permanent closure) by banner, updated on a weekly basis, (B) comp sales by banner, updated on a weekly basis, (C) a lease-by-lease summary report describing the status of negotiations and or proposed sales for any leased properties, updated on a weekly basis, (D) inventory and borrowing base, updated on a weekly basis, and (E) any additional

reporting delivered to either the agent or lenders (or their respective advisors), under any post-petition debtor-in-possession financing, and (vi) provide access to management (including but not limited to the chief restructuring officer) of the Debtors no less frequently than once every week. Notwithstanding the foregoing, the Prepetition Secured Parties shall be entitled to seek additional forms of adequate protection for any reason, including due to any extension of the Milestones or any failure to satisfy any of them and all parties' rights are reserved with respect to such requests.

Stipulations:

The Cash Collateral Orders shall contain customary stipulations as to, among other things, the amount and priority of the secured indebtedness under the Prepetition Term Loan Agreement.

Waivers:

The Final Order will provide (i) a waiver of the "equities of the case" exception to section 552(b) of the Bankruptcy Code, (ii) a waiver of the ability to surcharge the Prepetition Collateral, including under section 506(c) of the Bankruptcy Code, and (iii) a waiver of the equitable doctrine of "marshaling" with respect to the Prepetition Collateral, in each case, with respect to collateral securing the Prepetition Term Loan Agreement, and the Prepetition Secured Parties and the Prepetition Agent (collectively, the "Waivers"). The Interim Order will include a statement that the Waivers will take effect in the Final Order.

Proof of Claim

The Prepetition Agent and the other Prepetition Secured Parties will not be required to file a proof of claim in connection with the Chapter 11 Cases.

1. I submit this declaration (this "Declaration") in support of the *Debtors' Emergency Motion Seeking Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Obtain Exit Financing, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection to the Prepetition Secured Parties, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing, and (VIII) Granting*

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' proposed claims and noticing agent at <http://cases.primeclerk.com/TailoredBrands>. The location of the Debtors' service address in these chapter 11 cases is: 6100 Stevenson Boulevard, Fremont, California 94538.

Related Relief (the “Motion”),² filed contemporaneously herewith, which seeks (a) approval of the DIP Facility, (b) authorization for (i) the immediate use of the Prepetition ABL Cash Collateral and (ii) the use of the Prepetition Term Loan Collateral in accordance with the milestones set forth in the Interim Order, and (c) authorizing the conversion of the DIP Facility into the Exit Facility upon emergence from chapter 11, subject to the Debtors meeting certain conditions.³

2. The statements in this Declaration are, except where specifically noted, based on my personal knowledge or opinion, on information that I have obtained from the above-captioned debtors and debtors in possession’s (collectively, the “Debtors”) advisors, the Debtors’ books and records, and employees of AlixPartners, LLP (“AlixPartners”) working directly with me and under my supervision, direction, or control. Specifically, I have overseen an AlixPartners team which, since March, has been one of the principal advisors for the Debtors, and, in that capacity, I have been directly involved in the matters leading up to the Debtors’ chapter 11 filings. I am over 18 years of age and authorized to submit this declaration on behalf of the Debtors. If I were called upon to testify, I could and would competently testify to the facts set forth herein.

Background and Qualifications

3. I am the Chief Restructuring Officer of Tailored Brands, Inc., a corporation organized under the laws of Texas and one of the above-captioned debtors and debtors in possession.

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlín, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on August 2, 2020 (the “Petition Date”). Capitalized terms used but not otherwise defined in this Declaration shall have the meanings given to them in the First Day Declaration or in the Motion, as applicable.

³ Any description of the proposed terms of the DIP Facility herein or in the Motion is qualified in its entirety by reference to the DIP Agreement.

4. As a Managing Director at AlixPartners, I have been advising Tailored Brands on its restructuring and deleveraging efforts since March 2020. I have more than 30 years of experience in providing turnaround services for companies in the retail industry and have frequently been appointed as Interim CEO, Interim CFO and Chief Restructuring Officer of these businesses. I am admitted to the American College of Bankruptcy and the International Insolvency Institute and am a Certified Turnaround Professional.

5. I have been employed by AlixPartners since 2007. AlixPartners is a global independent restructuring consulting firm that has a wealth of experience in providing restructuring advisory services, and has assisted, advised, and provided strategic advice to debtors, creditors, bondholders, investors, and other entities in numerous chapter 11 cases of similar size and complexity to these chapter 11 cases. Since its inception in 1981, AlixPartners, its predecessor entities, and its affiliate, AP Services, LLC, have provided restructuring or crisis management services in numerous large cases. Some notable, publicly-disclosed restructuring assignments that I have personally led include Barneys New York, Inc., BCBG Max Azria Group, LLC, Bon Tron Stores, Inc., Pier 1 Imports, Inc., Borders Group, Inc., Toys “R” Us, Inc., The Gymboree Corporation, and New Century Financial Corp.

6. I am generally familiar with the Debtors’ day-to-day operations, business and financial affairs, and books and records. I am also familiar with the Debtors’ supply chain and the status of the Debtors’ relationships with various vendors, suppliers, and service-providers.

7. Specifically, in my role as Chief Restructuring Officer to the Debtors, AlixPartners, among other advisory services: (a) assisted the Debtors with its cash management and cash forecasting efforts; (b) assisted the Debtors with their detailed business plan and turnaround initiatives; (c) assisted the Debtors with their contingency planning efforts in preparing for a

potential chapter 11 filing; (d) assisted the Debtors in negotiating the proposed Interim Order and Final Order; and (e) assisted the Debtors with constituency due diligence efforts.

AlixPartners Retention

8. The Debtors engaged AlixPartners in late March of 2020, to serve as their restructuring advisor. The Debtors sought AlixPartners' services to commence contingency preparations in the event a chapter 11 filing became necessary and to advise the Debtors with respect to strategic and business alternatives. Since commencing its engagement, AlixPartners has evaluated the Debtors' operations and cash requirements to operate their businesses during these chapter 11 cases, including by assisting in the development of the Debtors' 13-week and long-term cash flow forecasts. In addition, AlixPartners has assisted in the Debtors' in the development of the Debtors detailed business plan, strategic alternatives and financing-related workstreams. AlixPartners has worked closely with the Debtors' management and other restructuring professionals and has become well-acquainted with the Debtors' capital structure, liquidity needs, and business operations.

9. In late March 2020, AlixPartners began obtaining diligence from the Debtors and evaluating the Company's operations and cash requirements for the restructuring and debtor-in-possession financing process. We worked with key members of the Company, including, but not limited to, members of the finance, merchandise planning, store operations, treasury, and financial planning and analysis organizations, to evaluate and understand the Debtors' cash flows, borrowing base reporting, inventory management, and operations.

10. As part of an evaluation of the Debtors' liquidity position, AlixPartners assisted in the development of the Debtors' 13-week and long-term cash flow forecasts. These forecasts take into account anticipated cash receipts and disbursements during the projected period, and consider the effects of the chapter 11 filing, including incremental administrative costs of a complex

chapter 11 filing with a larger number of stakeholders; required operational payments and cost-saving initiatives already undertaken and contemplated to be undertaken.

11. AlixPartners also considered the unprecedented, adverse market conditions facing the retail industry during the COVID-19 pandemic. AlixPartners ran a series of analyses to assess the Debtors' potential liquidity needs both during and following these chapter 11 cases. These cash-flow analyses assumed store reopening plans developed by the Debtors and accounted for brand partners' and landlords' forecasts during and after the COVID-19 pandemic.

12. Pursuant to the Motion, the Debtors seek entry of the Interim Order and the Final Order approving the Debtors' entry into the DIP Facility and consensual use of Cash Collateral. As explained below, the Debtors have an immediate need to access liquidity.

**The Debtors Will Benefit from Postpetition Financing
and Continued Access to Cash Collateral**

13. The Debtors require immediate access to the DIP Facility and to Cash Collateral. As of the Petition Date, the Debtors do not believe they have sufficient liquidity to responsibly operate their business and satisfy their obligations to their landlords, employees, customers, suppliers, and vendors that arise from such ordinary course operations, as well as to pay the expenses of these Chapter 11 Cases. As such, the Debtors require immediate access to postpetition financing and the use of Cash Collateral to operate their businesses, preserve value, and avoid irreparable harm.

14. Over the last several months, myself and other Alix professionals have had a substantial number of discussions and meetings with the Debtors' management team and advisors regarding potential postpetition financing and continued access to Cash Collateral. I am also generally familiar with the Debtors' current liquidity and liquidity forecast. Based on those discussions and meetings, my experience in restructuring, and my familiarity with the Debtors, I

believe that the Debtors' estates would benefit by entering into a new postpetition financing agreement and receiving access to Cash Collateral. The Debtors will be provided with critical liquidity and flexibility necessary to operate their business during their Chapter 11 Cases as well as with material cost savings. In particular, the DIP Facility will provide the Debtors with sufficient liquidity to continue the operation of their businesses, maintain business relationships with vendors, suppliers and customers, make payroll, make capital expenditures permitted by the DIP Credit Agreement, and satisfy other working capital and operational needs. Access to Cash Collateral, which will be used to pay down indebtedness under the DIP Facility, subject to the terms of the Interim Order and the Budget, will substantially increase the Debtors' availability under their DIP Facility.

15. In addition to the Debtors having access to \$147 million of total liquidity (as of the end of the week beginning August 3rd, on a pro forma basis after accounting for entry of the Interim Order) to operate their business following access to the DIP Facility, the DIP Facility will also be used to refinance outstanding indebtedness under the Prepetition ABL Facility in full. The letters of credit issued under the Prepetition ABL Facility will also be fully rolled-up under the DIP Facility, which avoids the need for the Debtors to cash collateralize or otherwise replace, backstop, or adequately protect those obligations at a time when the price for liquidity is at a premium. Additionally, and importantly, the DIP Credit Agreement includes a commitment by the DIP Lenders to convert the DIP Facility to an exit facility upon emergence from chapter 11, subject to the Debtors meeting certain conditions. Importantly, the Debtors' ability secure an exit facility at the front end of these Chapter 11 Cases provides the Debtors with a clear path to emergence, setting the stage for a successful restructuring and minimizing costs associated with potential business disruption if no clear path to emergence existed. This conversion would obviate

the need to run what may be an uncertain exit financing marketing process if COVID-19 persists and the incurrence of related costs that would otherwise be due if the Debtors separately sought exit financing at a later date, thereby providing the potential for additional cost savings for the Debtors' estates at the conclusion of these chapter 11 cases.

16. Based on my familiarity with the Debtors' operations and my experience as a restructuring professional, I believe the Debtors will be detrimentally affected if they continue to operate their business without the benefits provided by the DIP Facility. The Debtors' proposed DIP Facility will provide liquidity and incremental flexibility not available on a "cash collateral" basis alone, including the ability to pay down revolving balances with excess cash to reduce costs. I therefore believe that approval of the DIP Facility is in the best interests of the Debtors' estates.

The Terms of the DIP Facility Are Fair and Reasonable

17. As Chief Restructuring Officer, I have been actively involved in reviewing and negotiating the terms of the proposed DIP Facility, which includes a postpetition debtor-in-possession financing consisting of a \$500 million senior secured ABL revolving credit facility provided by the Prepetition ABL Lenders, including a \$150 million sublimit for the issuance of letters of credit and a "roll-up" of the existing letters of credit issued under the Prepetition ABL Facility. Additionally, the DIP Facility contains a mechanism to convert into a \$400 million exit senior secured asset-based revolving credit facility at emergence upon the satisfaction or waiver of certain conditions.

18. These terms reflect the product of negotiations around the Debtors' proposed DIP Facility that extended for more than a month. During this time, the Debtors were represented by experienced bankers and financial advisors and sophisticated restructuring counsel, and ran in parallel a comprehensive and robust marketing process. Accordingly, and based on my experience with similar debtor-in-possession and exit financing packages, and my review of the Debtors'

financial position, I believe the terms contemplated in the DIP Credit Agreement are competitive, reasonable, and in the best interests of the Debtors and their estates. In addition, if the DIP Facility converts to the Exit Facility, the DIP Facility will obviate the need to run an exit financing marketing process, which will reduce the Debtors' costs, and will allow the Debtors' management to focus on other key aspects of emerging from chapter 11. Importantly, the conversion to an exit facility also provides certainty at the outset of these Chapter 11 Cases as to the Debtors' adequate access to liquidity upon emergence.

The Debtors' Need for Interim Relief

19. Without the access to the DIP Facility and Cash Collateral, the Debtors lack sufficient funds to operate their enterprise and continue paying their debts as they come due. Specifically, I understand that the Debtors have reopened substantially all of their retail locations; however, due to COVID-19 disruptions, the sales levels do not currently cover the Debtors' operating expenses. The Debtors thus believe that immediate access to the DIP Facility and Cash Collateral is essential for at least two reasons:

20. **First**, as of the Petition Date, the Debtors effectively have little to no access to liquidity under their Prepetition ABL Facility. Any further borrowings under their existing facility would trigger the Prepetition ABL Lenders' cash dominion over any accounts payable and other cash receipts of the Debtors, effectively preventing the Debtors from satisfying their obligations to landlords, employees, customers, suppliers, and vendors as well as from paying the expenses of these Chapter 11 Cases. Further, substantially all of the Debtors' cash balance constitutes Cash Collateral, and the Prepetition Secured Parties have indicated that they would not provide access to such Cash Collateral absent entry into the DIP Facility. Additionally, based on the Debtors' liquidity forecast, they do not expect to be able to generate sufficient levels of operating cash flow in the ordinary course of business to cover their operating needs and the projected costs of these

chapter 11 cases during the interim period. The best way to accomplish this task is making payments as they come due. As such, the Debtors have an immediate need to access incremental liquidity under the DIP Facility and to Cash Collateral.

21. **Second**, the Debtors believe that access to financing upon entry of the Interim Order today will help quell uncertainty among the Debtors' customers, employees, vendors, and landlords by providing immediate assurance that the Debtors will have the necessary funding to bridge them to the comprehensive restructuring and exit from chapter 11. The Debtors believe that they will materially benefit from the strong message this provides to the Debtors' key stakeholders that (a) operations are appropriately funded—and will continue to be throughout the pendency of these chapter 11 cases, and (b) the bankruptcy filing will not affect the postpetition ordinary course operation of Debtors' business.

The Debtors' Proposed Adequate Protection Is Fair and Appropriate

22. The Debtors have negotiated a reasonable adequate protection package (the "Adequate Protection") for the benefit of the Prepetition Secured Parties and with their consent. The Adequate Protection proposed for and agreed to by the Prepetition Secured Parties includes, among other things, liens on existing and new cash, inventory, and other real and personal property of the Debtors (other than the Term Loan Segregated Cash prior to its release) and superpriority claims due to any diminution in value of their collateral.

23. Based on my experience as a restructuring professional, this proposed package is consistent with adequate protection regularly accepted by secured lenders in similar circumstances. Moreover, I believe that the DIP Facility, in and of itself, provides adequate protection to the Prepetition Secured Parties by providing greater flexibility in the Debtors' ability to effectively

manage their ongoing business operations and thereby maximize value during these chapter 11 cases.

The DIP Facility Should Be Approved

24. In light of the foregoing, and based on my experience in general and my specific involvement in the marketing and negotiation of the DIP Facility, I believe that entering into the DIP Credit Agreement is a sound exercise of the Debtors' business judgment following a thorough process and evaluation of alternatives. The DIP Facility will result in cost savings during these chapter 11 cases, will provide continued access to liquidity to fund the Debtors' businesses, and will allow for the prospect of completing a restructuring transaction with more attractive postpetition financing than any alternative available to the Debtors at this time (including maintaining the status quo).

Conclusion

25. I believe that access to the DIP Facility and Cash Collateral will ensure the Debtors have sufficient funds to preserve and maximize the value of their estates, pursue their restructuring goals in the interim period, and responsibly administer these chapter 11 cases throughout the period that the Debtors expect will be necessary to implement and effectuate their restructuring efforts.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

6. I have a Masters of Business Administration with a concentration in finance from Columbia Business School and an A.B. from Bowdoin College. I have over 18 years of experience working with distressed companies, including advising both debtors and creditors in chapter 11 cases and in out-of-court restructurings. During the past 18 years, I have worked on numerous financings for troubled companies, including debtor-in-possession financings. In addition, as a finance and restructuring professional, I closely follow developments in the financial markets and, in particular, the credit markets and keep abreast of the terms of current financing transactions in distressed and bankruptcy situations.

PJT Retention

7. In March 2020, the Debtors engaged PJT to act as the Debtors' investment banker with respect to any restructuring transaction, financing transaction, and/or sale transaction. Since the beginning of its engagement, PJT has worked closely with the Debtors' management and other professionals retained by the Debtors with respect to the Debtors' restructuring efforts and has

become well-acquainted with the Debtors' capital structure, financing needs, and business operations.

The Debtors' Prepetition Capital Structure

8. As noted in the First Day Declaration, as of the Petition Date, the Debtors had approximately \$1.4 billion in total principal funded obligations, consisting of approximately \$375 million under the Prepetition ABL Facility (plus approximately \$23 million of outstanding letters of credit), approximately \$877 million under the Prepetition Term Loan, and approximately \$174 million under the Senior Notes.

9. As noted in the First Day Declaration, the obligations under the Prepetition ABL Facility are secured by all or substantially all of each of the Debtors' working capital assets, including, without limitation, by a first priority lien on the Debtors' accounts (including receivables), inventory, deposit accounts, security accounts, cash and cash equivalents.⁵ I also understand that certain of the Debtors have jointly and severally guaranteed all U.S. borrowing obligations under the Prepetition ABL Facility.⁶ My understanding is that the obligations under the Prepetition Term Loan are secured on a senior basis by a first priority lien on a significant portion of the assets of the Debtors, subject to certain exceptions and limitations set forth in the Prepetition Term Loan Documents.

The DIP Marketing Process

10. In July 2020, the Debtors directed PJT to begin contacting parties regarding the terms of potential debtor-in-possession financing facilities that would provide the Debtors with

⁵ See First Day Decl. ¶ 47.

⁶ See *id.*

sufficient liquidity to stabilize operations, protect their supply chain, and position the Debtors for a successful comprehensive restructuring process.

11. PJT recognized that it would be particularly difficult to secure the DIP financing required to fund these chapter 11 cases and ongoing operations during the COVID-19 pandemic. Uncertainty related to store re-openings, customer traffic, continuation of professional office closures and regulations prohibiting large group gatherings such as weddings increased the difficulty of seeking new capital. Moreover, although economic activity in certain states showed signs of recovery, the ultimate progression of COVID-19 was (and remains) uncertain, which would leave any lender vulnerable to another full or partial shutdown at an unpredictable time in the future.

12. Notwithstanding these obstacles, in the weeks prior to the Petition Date, the Debtors, with the assistance of PJT, undertook a competitive marketing process for the DIP and exit facilities that involved both parties within as well as parties outside of the Debtors' existing capital structure. In particular, the Debtors prioritized a senior, asset based revolving DIP facility that refinanced the Debtors' Prepetition ABL Obligations using the same collateral as the Debtors' Prepetition ABL Obligations. With this in mind, and in parallel with discussions with the Prepetition ABL Agent, in July, at the direction of the Debtors, PJT began reaching out to parties with the requisite experience and sophistication to participate in such a facility. In my experience, potential providers of asset-based revolving DIP facilities are generally traditional banks and credit funds, among other financial institutions, who are familiar with the chapter 11 process and who can move quickly to close a transaction.

13. In total, 28 independent third-party capital providers were contacted and 15 non-disclosure agreements were executed. 14 parties subject to NDAs were granted access to a

virtual data room containing detailed information regarding the Debtors and received access to non-public information. As a result of these efforts, seven potential lenders engaged in discussions and two potential lenders requested further diligence materials that were promptly provided and/or held diligence calls with the Debtors and their advisors and discussed the terms of potential DIP financing. The Debtors ultimately received one indication of interest from a party outside of the Debtors existing capital structure for an asset-based revolving DIP facility. Such indication of interest did not provide better economic terms to the Debtors compared to the DIP Facility.

14. In addition, PJT discussed the release of the Term Loan Segregated Cash with the Term Loan Lenders to minimize costs to the estate and enhance the Debtors' liquidity. After a lengthy negotiating process, the Term Loan Lenders consented to the release of the Term Loan Segregated Cash which is subject to the Cash Collateral Motion. PJT also continued to explore options by discussing potential DIP financing with certain holders of the Unsecured Notes on a junior basis to the existing liens on the ABL Collateral and Term Loan Collateral. These holders did not express an interest in providing junior financing. In addition, no other party was willing to provide financing to the Debtors on a junior lien or an unsecured basis.

15. As a result, leading up to the Petition Date, it became clear to the Debtors that their best path to financing their chapter 11 cases was through a financing facility from the Prepetition ABL Lenders. As noted in the Motion, the DIP Facility contemplates postpetition financing in the form of a \$500 million senior secured ABL revolving credit facility provided by the Prepetition ABL Lenders, as well as a \$150 million sublimit for the issuance of letters of credit. Because the Prepetition ABL Facility is being refinanced in full, the DIP Facility does not prime the Prepetition ABL Lenders' liens on their collateral under the Prepetition ABL Facility. Therefore, the Debtors avoid any need to engage in a priming fight at the outset of these chapter 11 cases. Moreover, the

DIP Agreement provides for the conversion of the DIP Facility to an Exit ABL Facility upon emergence from chapter 11, subject to the Debtors meeting certain conditions. This conversion provides the Debtors with a clear path to emergence, setting the stage for a successful restructuring and minimizing costs associated with potential business disruption due to a lack of exit financing. The conversion would also avoid the incurrence of additional costs that would be incurred on account of an exit financing marketing process that would otherwise be due if the Debtors separately sought exit financing at a later date. In connection with entry into such DIP Facility, the Prepetition ABL Secured Parties have also consented to the immediate access by the Debtors to their Cash Collateral upon entry of the Interim Order.

16. The DIP Facility will be used to refinance the outstanding indebtedness under the Prepetition ABL Facility in full and contemplates a “roll up” of the letters of credit issued thereunder, each upon entry of the Interim Order. Specifically, among other uses, the Debtors intend to make borrowings under the DIP Facility to pay down any outstanding obligations under the Prepetition ABL Facility and then make borrowings under the DIP Facility to support their ongoing restructuring and operational needs. In my experience, such refinancing and “roll-ups” of letters of credit are not unusual in the distressed retail space, and in this case, the refinancing of the Prepetition ABL Facility and roll-up of letters of credit issued thereunder provides certain benefits to the Debtors and their estates. Upon approval of the interim order, the Debtors are expected to have approximately \$147 million of total liquidity at the end of the week beginning August 3, 2020. Moreover, the letters of credit that were issued under the Prepetition ABL Facility will be rolled-up under the DIP Facility, which avoids the need for the Debtors to cash collateralize or otherwise replace, backstop, or adequately protect those obligations at a time when liquidity is at a premium. In addition, because the Prepetition ABL Secured Parties have agreed to support

the Debtors by participating in the DIP Facility and to consent to the use of their cash collateral in connection with this postpetition financing, the Debtors will be able to avoid litigation at the outset of these cases when their efforts are focused on working toward a consensual and constructive reorganization to maximize the recoveries to all creditors. Given these considerations as well as the Debtors' liquidity concerns and the case timeline, I believe that reducing litigation and entering the chapter 11 cases with collaboration between and among the Prepetition Secured Parties and the Debtors is critical to a smooth transition into chapter 11.

17. In addition, I believe that it is in the best interests of the Debtors and the estates to obtain the flexibility provided by the ability of the DIP Facility to potentially convert into an Exit ABL Facility upon emergence from chapter 11. If the DIP Facility converts to the Exit ABL Facility, the DIP Facility will obviate the need to run another exit financing marketing process prior to emergence and, more importantly, provide a greater degree of certainty to the Debtors' employees, creditors, and suppliers. This mechanism will not only reduce the Debtors' costs but will also allow the Debtors' management to focus on other key aspects of emerging from chapter 11.

18. In light of the marketing process described herein, I believe that the DIP Facility, including its potential conversion into the Exit ABL Facility, and access to Cash Collateral represents the best available financing package currently available to the Debtors that (a) provides the Debtors liquidity to refinance the indebtedness under the Prepetition ABL Facility; (b) provides the Debtors liquidity to fund these chapter 11 cases, while simultaneously providing flexibility to implement the restructuring; (c) gives the Debtors a timeline to complete their restructuring that the Debtors believe is reasonable under the circumstances; and (d) foregoes the need for a "priming" fight with the Prepetition ABL Secured Parties. I also believe that, given the

circumstances of these cases, the economic terms of the proposed DIP Facility are competitive and within the range of other postpetition financing facilities that I have observed or been involved with recently. The DIP Orders also contain certain milestones (the “Case Milestones”) that the Debtors must meet throughout their chapter 11 cases. The Case Milestones were negotiated by the Prepetition Term Loan Lenders and the DIP Agent on behalf of the DIP Lenders as a condition to providing the DIP Facility and access to Cash Collateral and are anticipated to provide the Debtors with adequate time to implement a value-maximizing restructuring. Accordingly, I believe the Case Milestones are reasonable and appropriate under the circumstances and are consistent with other milestones that I have observed or been involved in recently.

19. I further believe the DIP Facility is the product of arm’s-length, good-faith negotiations by the Debtors with the DIP Agent on behalf of the DIP Lenders. Based on the results of the marketing process described herein and PJT’s conversations with potential lenders, I do not believe that workable alternative sources of financing with terms better than those of the DIP Facility, taken as a whole, are presently available to the Debtors.

Fees in Connection with the DIP Facility

20. I understand that the Debtors have agreed, subject to Court approval, to pay certain interests and fees to the DIP Lenders. In particular, as noted in the DIP Motion, the Debtors have agreed to pay interests and fees consisting of the following:⁷

- a. **Interest Rate.** The Borrowers shall pay interest at a rate, at the DIP Borrower’s option, equal to the Base Rate or Canadian Prime Rate, as applicable, plus 1.50% per annum, or LIBOR or CDOR (in each case subject to a 0.75% floor), as applicable, plus 2.50% per annum, compounded monthly and payable monthly in cash in arrears.

⁷ The summaries contained in this Declaration are qualified in their entirety by the provisions of the documents referenced. To the extent anything in this Declaration is inconsistent with such documents, the terms of the applicable documents shall control. Capitalized terms used in this summary but not otherwise defined have the meanings ascribed to them in the Motion or in the DIP Documents, as applicable.

- b. **Unused Commitment Fee.** The Borrowers shall pay to the DIP Lenders a commitment fee equal to 0.30% on the average daily unused portions of the commitments under the \$500 million DIP Facility, payable quarterly in cash in arrears.

21. I understand that the Fee Letters identifying certain fees negotiated with the DIP Agent on behalf of the DIP Lenders have also been filed under seal pending approval of the *Debtors' Emergency Motion Seeking Entry of an Order Authorizing the Debtors to File the Fee Letters Under Seal*, filed contemporaneously herewith. By their terms, the Fee Letters require the Debtors to keep the description of fees contained therein confidential. I understand that the DIP Agent and the DIP Lenders treat this information as highly sensitive and confidential. It is my understanding that it is of critical importance to the DIP Agent and the DIP Lenders that the details of the fee structures set forth in the Fee Letters be kept confidential so that competitors may not use the information contained therein to gain a strategic advantage over the DIP Agent and DIP Lenders in the marketplace.

22. These interest rates and fees were the subject of arms'-length and good-faith negotiations between the Debtors and the DIP Agent on behalf of the DIP Lenders, are integral components of the overall terms of the DIP Facility, and were required by the proposed DIP Agent on behalf of the DIP Lenders as consideration for the extension of postpetition financing. The Debtors exchanged numerous term sheets with the DIP Agent throughout the process, including several proposals to lower interest rates and fees. I believe the interest rates and fees are reasonable and appropriate under the circumstances and are within the range of other postpetition financing fees that I have observed or been involved in recently. Particularly, because the DIP Facility also provides for the potential conversion upon the Debtors' emergence from chapter 11 into the Exit ABL Facility, the fee structure is paid in consideration of financing extended not only during these Chapter 11 Cases but also for the period that is four years after the Petition Date.

23. I believe that the benefits provided by the DIP Facility significantly outweigh the fees incurred by the Debtors. In light of the marketing and negotiation process described herein, it is my view that the proposed DIP Facility represent the best presently available financing option for the Debtors under the circumstances.

Conclusion

24. In sum, based on my experience and my involvement in assisting the Debtors with the marketing and negotiation of the DIP Facility in this matter, it is my view that the DIP Facility represents the best presently available postpetition financing option for the Debtors and contains terms that, taken as a whole, are reasonable given the circumstances. Further, I believe that the negotiation process was conducted at arm's-length and in good faith. The Debtors' marketing efforts, with the assistance of PJT, lead me to believe that there is no other potential financing option that would satisfy the Debtors' objectives on better terms.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true correct.

The Cash Management Systems

I. Overview.

8. In the ordinary course of business, the Debtors maintain two integrated, centralized cash management systems; one for its operations in the United States (the “U.S. Cash Management”

System”) and one for its operations in Canada (the “Canadian Cash Management System” and, collectively with the U.S. Cash Management System, the “Cash Management Systems”), both of which are comparable to the cash management systems used by similarly situated companies to manage the cash of operating units in a cost effective, efficient manner. Aside from certain intercompany transactions and the repatriation of funds on an as-needed basis, there are no regular interactions between the U.S. Cash Management System and the Canadian Cash Management System. The Cash Management Systems are summarized on Annex 1 annexed to the Interim Order and the Final Order and are collectively comprised of 78 active bank accounts (collectively, the “Bank Accounts”).³ The Debtors do not maintain any inactive Bank Accounts. The Bank Accounts are identified on Annex 2 annexed to the Interim Order and the Final Order.⁴

9. The U.S. Cash Management System is centralized around a master collection account (ending in 4942) (the “U.S. Master Concentration Account”) and a master operating account (ending in 0835) (the “U.S. Master Operating Account”), both of which are at Bank of America, N.A. (“BofA”) and maintained by Debtor The Men’s Wearhouse, Inc. (“TMW”). The Canadian Cash Management System is centralized around a master collection account (ending in 2817) (the “Canadian Master Concentration Account”), which is at Bank of Nova Scotia (“Scotiabank”) and maintained by Debtor Moores the Suit People Corp. (“MSP”). The Debtors maintain approximately 40 accounts at BofA. The remaining Bank Accounts are held at the

³ Certain of the Bank Accounts, including the U.S. Master Concentration Account, are subject to deposit account control agreements (“DACAs”) by and among the applicable Debtor holding the account and the corresponding Cash Management Bank (as defined herein) and as noted on Annex 2 annexed to the Interim Order and the Final Order.

⁴ Although, as of the Petition Date, the Cash Management Systems include 78 Bank Accounts, in the ordinary course, the Debtors may close existing accounts or open new accounts.

following banking institutions (together with BofA, collectively, the “Cash Management Banks”):⁵

- 1 Bank Account at Bank of Montreal (“BMO”);
- 8 Bank Accounts at Scotiabank;
- 1 Bank Account at Canadian Imperial Bank of Commerce (“CIBC”);
- 1 Bank Account at Royal Bank of Canada (“RBC”); and
- 1 Bank Account at TD Canada Trust.

⁵ The Debtors’ non-Debtor foreign affiliates also maintain three non-Debtor accounts in Canada.

10. The following chart⁶ summarizes the roles of the Bank Accounts.⁷

Account	Account Description
U.S. Master Concentration Account (4942)	The U.S. Master Concentration Account is the Debtors' central deposit account in the U.S. used to aggregate all funds by the Debtors' various U.S. business segments. The U.S. Master Concentration Account is funded by the U.S.-based (i) Receipts Accounts, (ii) Store Depository Accounts, (iii) KNG Operating Account; and (iv) the Merchant Services Accounts. With the exception of the Charitable Accounts, the Standalone Accounts, the Restricted Accounts (ending in 9762 and 9722), and the Interest-Bearing Account, all non-BofA Bank Accounts in the U.S. Cash Management System are automatically swept to the U.S. Master Concentration Account at the end of each day and all BofA Bank Accounts in the U.S. Cash Management System are manually transferred to the U.S. Master Concentration Account on an as-needed basis.
Canadian Master Concentration Account (2817)	The Canadian Master Concentration Account is the Debtors' central deposit and disbursement account in Canada used to aggregate all funds by the Debtors' MSP and MRG business units. The Canadian Master Concentration Account is funded by (i) the Store Depository Accounts (ending in 2612, 0521, 7119, and 6253), and (ii) the Merchant Services Account ending in 8815. The Bank Accounts in the Canadian Cash Management System are not swept automatically to the Canadian Master Concentration Account and are instead swept manually on an as-needed basis. The Store Depository Accounts (ending in 2612, 0521, 7119, and 6253) are manually transferred to the Canadian Master Concentration Account weekly. The Canadian Master Concentration Account also functions as the primary operating account for the MSP and MRG business units to fund (i) certain of the Disbursement Accounts for the payment of accounts payable, payroll, payroll taxes, and employee reimbursements (accounts ending in 9912, 2418, 5914, and 6015), and (ii) MSP's corporate tax payments (accounts ending in 3655 and 5914 (for EFT corporate tax payments, only)). Any unused funds remaining in the above-mentioned Disbursement Accounts do not automatically sweep to the Canadian Master Concentration Account at the end of each day.

⁶ Capitalized terms used but not immediately defined in the chart shall have the meaning given to them elsewhere in this Motion.

⁷ The Debtors also maintain certain Standalone Accounts (ending in (3590), (1882), and (5907)). The accounts ending in 1882 and 5907 are maintained by Debtor JA Apparel Corp. The account ending in 1882 functions akin to an escrow account for a tenant in JA Apparel Corp.'s Massachusetts factory. The account ending in 5907 historically held balances relating to the Debtors' New York offices. Neither of these accounts require regular funding, and the Debtors do not expect to make any transfers to these accounts during these chapter 11 proceedings.

Account	Account Description
Merchant Services Accounts (1110), (1178), (9028), (6780), (1123), (8815)	The Debtors maintain separate Merchant Services Accounts for each of their business units and TMW's PLCC program (which is in the process of being wound down). The Merchant Services Accounts are funded by all credit card sales and returns from in-store and e-commerce transactions (as opposed to cash and checks, which fund the Store Depository Accounts), net of Chargebacks and processing and other related fees, as well as PayPal e-commerce transactions for the U.S. Merchant Services Accounts. The Merchant Services Accounts (ending in 1110, 1178, 9028, 6780, and 1123) are manually transferred to the U.S. Master Concentration Account on an as-needed basis. The Merchant Services Account (ending in 8815) is manually transferred to the Canadian Master Concentration Account on at least a weekly basis.
Store Depository Accounts See <u>Annex 2</u> .	Cash and check receipts from sales at the Debtors' brick and mortar stores are deposited into twenty-nine (29) Store Depository Accounts. Store managers typically deposit cash and checks directly into the respective Store Depository Account, as determined by the bank and/or branch assigned to their store location, once per day. The non-BofA U.S. Store Depository Accounts are automatically swept to the U.S. Master Concentration Account at the end of each day and the BofA U.S. Store Depository Accounts are manually transferred to the U.S. Master Concentration Account on an as-needed basis. The Canadian Store Depository Accounts (ending in 2612, 0521, 7119, and 6253) are manually transferred to the Canadian Master Concentration Account on at least a weekly basis.
Receipts Accounts (3600), (9031), (5961), (6241), (0414)	The Debtors maintain separate Receipts Accounts for their TMW, JBC, TBI, SSU, and MSP business units. The Receipts Accounts are funded by lockbox and accounts receivable payments and miscellaneous receipts and check deposits. The TMW Receipts Account (ending in 3600) and the JBC Receipts Account (ending in 9031) also collect TMW and JBC non-BofA store depository receipts, respectively, as the funds are swept to the U.S. Master Concentration Account. The MSP Receipts Account (ending in 0414) also collects certain MSP store depository receipts as the funds are swept to the Canadian Master Concentration Account. The U.S. Receipts Accounts are manually transferred to the U.S. Master Concentration Account on an as-needed basis. The MSP Receipts Account is manually transferred to the Canadian Master Concentration Account on at least a weekly basis.
KNG Operating Account (4984)	The KNG Operating Account functions, in part, as both an operating and receipts account. It (i) collects smart safe receipts from the KNG Store Depository Account (ending in 6978) and other miscellaneous deposits, and (ii) satisfies wire payments for KNG operations, U.S. customs payments, and county tax payments. The KNG Operating Account is manually transferred to the U.S. Master Concentration Account on an as-needed basis.

Account	Account Description
U.S. Master Operating Account (0835)	The U.S. Master Operating Account is the Debtors' primary operating account for their U.S. operations. The U.S. Master Operating Account is funded by the U.S. Master Concentration Account on an as-needed basis to fund (i) certain of the Disbursement Accounts for the payment of the Debtors' accounts payable, payroll, and payroll taxes across the Debtors' brands (accounts ending in 4463, 2871, 4447, 2905, and 4450); (ii) TMW's corporate tax payments; (iii) the Charitable Accounts (accounts ending in 2559, 7755, 4102, and 3689); and (iv) WPC's Operating Account (ending in 5381). Any funds remaining in the U.S. Master Operating Account are manually transferred to the U.S. Master Concentration Account on an as-needed basis.
Operating Accounts (9015), (0812), (5974), (5958), (1262), (5381)	The Debtors maintain separate Operating Accounts for their Renwick, JAA, JBC, TBI, SSU, and WPC business units. The Operating Accounts ending in 9015, 0812, 5974, and 5958 are funded on an as-needed basis by the U.S. Master Concentration Account for necessary disbursements, including: (i) sales and use tax, (ii) corporate tax, (iii) estimated tax, and (iv) other disbursements, such as wire and ACH payments. The Operating Account ending in 5381 is maintained by Debtor WPC and funded on an as-needed basis by the U.S. Master Operating Account (for the Debtors' U.S. operations) or the Canadian Disbursement Account (ending in 3655) (for the Debtors' Canadian operations) for necessary disbursements to WPC pursuant to the Sourcing Agreement. The account ending in 1262 is maintained by Debtor Renwick Technologies, Inc. and funded by the U.S. Master Concentration Account for information technology-related purchases. Any funds remaining in the Operating Accounts ending in 9015, 0812, 5974, 5958, and 1262 are manually transferred to the U.S. Master Concentration Account on an as-needed basis. Any funds remaining in the Operating Account ending in 5381 remain in that account and are not swept to the U.S. Master Concentration Account.
Multicurrency Operating Account (6010)	The Multicurrency Operating Account is maintained by Debtor TMW for foreign currency-dominated payments. This account is funded by the U.S. Master Concentration Account on an as-needed basis and is not swept to the U.S. Master Concentration Account, should any unused funds remain in the account.
KNG Sub-Concentration Account (3284)	The KNG Sub-Concentration Account is funded by the U.S. Master Concentration Account to satisfy (i) KNG corporate tax payments, (ii) KNG accounts payable, and (iii) payroll obligations relating to the KNG business unit (accounts ending in 5103, 3297, 5111, and 3307). Any funds remaining in the KNG Sub-Concentration Account are manually transferred to the U.S. Master Concentration Account on an as-needed basis.

Account	Account Description
Disbursement Accounts (4463), (2871), (4447), (2905), (4450), (5103), (3297), (5111), (3307), (9912), (2418), (5914), (6015), (3655)	Certain of the Disbursement Accounts (ending in 4463, 2871, 4447, 2905, and 4450) are funded by the U.S. Master Operating Account to satisfy certain of the Debtors' accounts payable, payroll, and payroll taxes. The Disbursement Accounts (ending in 5103, 3297, 5111, and 3307) are funded by the KNG Sub-Concentration Account (ending in 3284), as described above, to satisfy (i) KNG corporate tax payments, (ii) KNG accounts payable, and (iii) payroll obligations relating to the KNG business unit (accounts ending in 5103, 3297, 5111, and 3307). The Disbursement Accounts (ending in 4463, 2871, 4447, 2905, 4450, 5103, 3297, 5111, and 3307) are manually transferred to the U.S. Master Concentration Account on an as-needed basis, should any unused funds remain in the account. The remaining Disbursement Accounts (ending in 9912, 2418, 5914, 6015, and 3655) are funded by the Canadian Master Concentration Account to satisfy certain accounts payable, payroll, payroll taxes, corporate tax payments, employee reimbursements, and the repatriation of funds, as needed, to the U.S. on behalf of the Debtors' MSP business unit (accounts ending in 9912, 2418, 5914, and 6015). Any unused funds remaining in the MSP Disbursement Accounts do not automatically sweep to the Canadian Master Concentration Account at the end of each day.
Restricted Accounts⁸ (9722), (9762), (0751)	The Restricted Account ending in 9722 is a blocked account within the U.S. Cash Management System and was established in March 2020 in connection with the Debtors' sale of certain Joseph Abboud assets (the "<u>Joseph Abboud Sale</u>"). The net profit from the Joseph Abboud Sale was deposited into this account. The Restricted Account ending in 9722, which is within the U.S. Cash Management System, facilitates the Debtors' ability to use funds from the Joseph Abboud Sale to acquire property and equipment. The Restricted Account ending in 9762 is another blocked account within the U.S. Cash Management System and would fund the Debtors' standalone account (ending in 3590) to fund any U.S. Disbursement Accounts on an as-needed basis in the event of a default under the ABL Facility. The Restricted Accounts (ending in 9722 and 9762) are not swept to the U.S. Master Concentration Account. Prior to the Petition Date, the Restricted Account ending in 0751 was a blocked account within the Canadian Cash Management System. Pursuant to the Debtors' <u>Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Obtain Exit Financing, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection to the Prepetition Secured Parties, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing, and (VIII) Granting Related Relief</u>, the Debtors are requesting access to the Restricted Account ending in 0751 and the cash collateral therein with the consent of the term loan lenders and part of the consensual use of cash collateral.

Account	Account Description
Interest Bearing Account⁹ (7313)	The Interest-Bearing Account holds funds advanced from the Debtors' ABL Facility and accrues interest thereon. The Interest-Bearing Account is currently unfunded. Funds are transferred between the U.S. Master Concentration Account and the Interest-Bearing Account on a discretionary basis. The Debtors do not make any investments from the Interest-Bearing Account.
Charitable Accounts (2559), (7755), (4102), (3689)	Certain of the Charitable Accounts are employee-administered and funded with discretionary contributions from the Debtors. The Debtors make contributions to the Charitable Accounts from the U.S. Master Operating Account on a discretionary basis. The accounts ending in 2559, 7755, and 4102 are maintained by Debtor TMW for the Willie Lopez Emergency Assistance Fund, which is a nonprofit organization administered and funded by the Debtors' employees to assist other employees in financial emergencies. The account ending in 3689 is maintained by Debtor TMW for the Tailored Brands Family Educational Foundation, which provides scholarships to certain Tailored Brands employees.
Foreign Tax Account (5802)	The Foreign Tax Account is maintained by Debtor TB UK Holding Limited and was established for tax-related purposes. Funds are transferred to the Foreign Tax Account on an as-needed basis from the U.S. Master Concentration Account.

11. As of the Petition Date, the Debtors have approximately \$100 million in cash on hand available and approximately \$65 million available under the Debtors' asset-based revolving credit facility (the "ABL Facility"), for which JPMorgan serves as the administrative agent (in such capacity, the "Prepetition ABL Agent").

⁸ As a condition to entry into the DIP ABL Credit Agreement, the extension of credit under the DIP ABL Facility, and authorization to use Cash Collateral, the Debtors are requesting access to the Restricted Accounts ending in 9762 and 9722 pursuant to certain milestones, as is set forth in greater detail in the Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Obtain Exit Financing, (IV) Granting Liens and Providing Superpriority Administrative Expense Status, (V) Granting Adequate Protection to the Prepetition Secured Parties, (VI) Modifying the Automatic Stay, (VII) Scheduling a Final Hearing, and (VIII) Granting Related Relief.

⁹ Postpetition, the Debtors intend to use the Interest Bearing Account to fund adequate assurance payments for their utility providers pursuant to the Debtors' Emergency Motion Seeking Entry of an Order (I) Approving the Debtors' Proposed Adequate Assurance of Payment for Future Utility Services, (II) Prohibiting Utility Providers From Altering, Refusing, or Discontinuing Utility Services, (III) Establishing Procedures for Determining Adequate Assurance of Payment, (IV) Authorizing Certain Fee Payments for Services Performed, and (V) Requiring Utility Providers to Return Deposits for Utility Services No Longer in Use.

II. The Cash Management Systems.

12. The Debtors propose to continue using the Bank Accounts described above and hereinafter and listed on Annex 2 annexed to the Interim Order and Final Order after the Petition Date, subject to their right to close certain accounts and open new accounts in the ordinary course of business.

13. In the ordinary course of business, the Debtors collect funds from their operations through cash purchases, check purchases, credit card transactions, debit card transactions, gift cards, and PayPal. Cash and check collections from sales at each of the Debtors' brick-and-mortar locations are generally deposited daily at local branches of the Cash Management Banks (collectively, the "Store Depository Accounts"). In K&G Men's Company Inc. ("KNG") and certain TMW, Joseph A. Bank Clothiers, Inc. ("JBC"), and MSP retail locations, employees deposit cash daily into a smart safe located within the store. Such credit is electronically communicated to the applicable Cash Management Bank and deposited into the applicable Store Depository Account approximately every two weeks, depending on the store. The funds in each business unit's Store Depository Accounts are then transferred directly into the U.S. Master Concentration Account, the Canadian Master Concentration Account, or into an intermediary account.

14. In the ordinary course of business, the Debtors manually transfer funds on an as-needed basis from the U.S. Master Concentration Account or the Canadian Master Concentration Account to various accounts to fund the Debtors' disbursements. Such disbursements are funded either (a) directly, in the U.S. Cash Management System, by transferring funds to the business unit-specific Operating Accounts (ending in 1262, 0812, 9015, 5974, and 5958), (b) directly, in the Canadian Cash Management System, by transferring funds to the MSP and Moores Retail Group Corp. ("MRC") Disbursement Accounts (ending in 9912, 2418, 5914,

6015, and 3655) and WPC Operating Account (ending in 5381), or (c) through the U.S. Master Operating Account (ending in 0835) or the KNG Sub-Concentration Account (ending in 3284), which transfers funds to the TMW Disbursement Accounts and WPC Operating Account (ending in 5381) and KNG Disbursement Accounts, as applicable. The U.S. Master Operating Account funds (a) certain of the Disbursement Accounts for the payment of the Debtors' accounts payable, payroll, and payroll taxes across the Debtors' brands (accounts ending in 4463, 2871, 4447, 2905, and 4450); (b) TMW's corporate tax payments; (c) payments to WPC pursuant to the Sourcing Agreement; and (d) certain Charitable Accounts (ending in 2559, 7755, 4102, and 3689). The Operating Accounts pay for necessary disbursements for their respective business segments, including sales and use tax, corporate tax, estimated tax, and other disbursements, such as wire and ACH payments.

15. The Debtors' Cash Management Systems are similar to the centralized cash management systems used by other comparably sized companies to manage cash flow. The Debtors use their Cash Management Systems in the ordinary course to transfer and distribute funds and to facilitate cash monitoring, forecasting, and reporting. The Debtors' treasury department maintains daily oversight over the Cash Management Systems using a centralized structure for each of its U.S. and Canada operations and implements cash management controls for entering, processing, and releasing funds. Additionally, the Debtors' corporate accounting, treasury, and internal audit departments regularly reconcile the Debtors' books and records to ensure that all transfers are accounted for properly.

16. The Debtors' Cash Management Systems facilitate the timely and efficient collection, management, and disbursement of funds. The Debtors estimate that total disbursements will average approximately \$41 million per week during these chapter 11 cases. Because of the

nature of the Debtors' business and the disruption that would result if the Debtors were forced to close their existing Bank Accounts, it is critical that the existing Cash Management Systems remain in place.

III. Intercompany Transactions.

17. In the ordinary course of business, the Debtors engage in routine business relationships with each other and certain non-Debtor affiliates (the "Intercompany Transactions"), resulting in intercompany receivables and payables (the "Intercompany Balances"). Accordingly, at any given time there may be Intercompany Balances owing by one Debtor to another Debtor, by a non-Debtor affiliate to a Debtor, or by a Debtor to a non-Debtor affiliate. Such Intercompany Transactions are typically conducted pursuant to intercompany trade arrangements and joint use of certain shared service platforms, among others. Notwithstanding the Debtors' continuing provision of the Shared Services (as defined herein and described below), ***the Debtors will not provide funds to any non-Debtor entities during the course of these chapter 11 cases that fall outside the scope of these Intercompany Transactions.***

18. Debtor to Debtor Intercompany Transactions are the most common. For example, Debtor TMW regularly transfers funds from the U.S. Master Concentration Account to the U.S. Master Operating Account and to certain Operating Accounts necessary for other Debtor entities to undertake transactions necessary for their day-to-day operations, such as satisfying accounts payable, payroll, and other disbursements. By way of another example, Tailored Shared Services, LLC ("SSU") provides cash management services for the benefit of Tailored Brands, Inc. ("TBI"), in exchange for which TBI pays SSU (and vice versa) net balances owed each other in exchange for such services pursuant to reciprocal revolving promissory notes in the amount of \$1 billion plus monthly interest at the federal rate on unpaid average net balances at the close of each fiscal month. In addition, Debtor TMW Merchants LLC ("MWB") provides merchandising

services for the benefit of MSP in exchange for a fee equal to six percent of the cost of all direct goods negotiated by Debtor MWB on behalf of MSP (the “Merchandising Services Agreement”). Pursuant to the Merchandising Services Agreement, Debtor MWB provides, among other services, selection of third-party manufacturers and raw materials for manufacturer use, quality check controls, and all other support services deemed reasonably necessary related or ancillary to the preceding services. Separately, there is a license agreement between the MSP and certain other Debtors for the use of certain intellectual property rights (the “License Agreement”). In relation to that License Agreement, the Debtors are responsible for a certain guaranteed minimum royalty and applicable true-up. Other such Debtor to Debtor Intercompany Transactions include: (a) a tax sharing agreement, which establishes the method for allocating the consolidated federal income tax liability among each such Debtor entity; (b) a distribution agreement, which provides certain Debtors with merchandise transportation, receipt, sorting, and handling services in exchange for a markup of any Debtor entity’s pro rata share of services charged by a 1.08 multiple; (c) a gift certificate program agreement, which provides the Debtors with gift certificates for sale and use in exchange for a two percent service fee of the value of the gift certificates; (d) a purchasing agreement, which provides the Debtors’ stores with all necessary merchandise in exchange for a markup equal to ten percent of the cost of goods; and (e) a tuxedo rental and services agreement, which permits Debtor TMW to provide Debtor JBC with all tuxedos necessary for rentals in exchange for a fee equal to five percent of the gross rental charge. The Debtors expect that such Debtor entities will continue to receive the benefits of these historical Debtor to Debtor services and transactions as needed on a go-forward basis.

19. Significant Intercompany Balances regularly arise from the Debtors’ purchase of merchandise and other goods (the “Goods”) from Tailored Brands Worldwide Purchasing Co.

(“WPC”). WPC is a foreign Debtor subsidiary of Debtors TBI and TMW that serves as the Debtors’ provider of certain sourcing services under that certain sourcing agreement (the “Sourcing Agreement”). Pursuant to the Sourcing Agreement, WPC is responsible for (a) developing and expanding a reliable network of third-party suppliers, (b) negotiating and contracting with suppliers, (c) maintaining on-the-ground relationships with local suppliers and monitoring their manufacturing activities, (d) ensuring that the product quality standards are met, (e) arranging for the transportation of Goods to the Debtors, and (f) purchasing the finished Goods from the suppliers and selling the finished Goods to the Debtors. Each of the Debtors’ business units place orders to and through WPC, which in turn places orders to, and pays, third-party vendors on behalf of the Debtors. To facilitate such purchases, the Debtors transfer funds on an as-needed basis from the U.S. Master Operating Account or, on behalf of MSP, from the Canadian Disbursement Account (ending in 3655), to WPC’s operating account. The Debtors receive the Goods from WPC in exchange for payment of the cost of such Goods (which includes the product cost, duty, freight, insurance, fees paid to agents that source and procure the Goods, and other taxes, among others fees and expenses) plus an applicable markup. The applicable markup (as calculated pursuant to a third party transfer pricing analysis) amounts to eight percent of the total freight on board costs of the products sold by WPC to the Debtors. In connection with the Sourcing Agreement, TMW and MSP also entered into separate revolving promissory notes with WPC (the “Revolving Promissory Notes”), whereby TMW and MSP separately agreed to advance WPC up to \$350 million at such times and in the amounts requested by WPC before the maturity date. The balances advanced to WPC by TMW and MSP under the Revolving Promissory Notes are settled via WPC’s transfers of inventory on a quarterly basis. As of the Petition Date, there are no amounts due and owing by either TMW or MSP to WPC under the Revolving Promissory Notes.

Given the Debtors' intention to pursue their operations in the normal course of business during these chapter 11 cases, the Debtors intend to continue paying WPC under and pursuant to the Sourcing Agreement and settling applicable Intercompany Balances under the Revolving Promissory Notes on a go-forward basis.

20. In addition to continuing to provide the above-described Intercompany Transactions, the Debtors also intend to continue to provide Debtor entities and non-Debtor affiliates with continued access to certain shared, administrative, and management services (collectively, the "Shared Services") consistent with past practice and in the ordinary course of business. Specifically, Debtor SSU provides certain Shared Services for the benefit of the majority of the foreign Debtor and non-Debtor affiliates in exchange for a fee. These Shared Services include: (a) administrative, management, and support services necessary for proper operations, including, but not limited to: (i) internal accounting, tax, and auditing services; (ii) financial planning and preparation of annual business and strategic plans and budgets; (iii) management support; (iv) payroll services; (v) human resources services; (vi) legal support; (vii) real estate planning and support services; (viii) risk management services; (ix) the design and implementation of local and national public relations; and (x) maintenance and repair services for facilities or equipment; (b) all necessary or appropriate information systems services, including use of SSU's personnel, facilities, and systems and the lease or purchase of equipment; and (c) use of applicable facilities, equipment, and personnel for other services, whether or not such agreement is in writing. In exchange for such Shared Services, SSU charges the applicable entity for the costs that it anticipates will be incurred in connection with the Shared Services plus a five percent markup for certain costs that are not eligible to be charged at cost. SSU's markup is calculated at arm's-length, is comparable to the fee that would be charged by a third-party provider, and is based on an

independent transfer pricing analysis. The estimated costs charged to each entity are allocated in proportion to the benefit received by the service recipient and the time spent and actual costs incurred in providing the Shared Services. SSU charges non-Debtor affiliates quarterly and at each year-end for the difference between the actual costs incurred to the initially anticipated costs (*i.e.*, a “true-up”) in the provision of the Shared Services. Intercompany Balances in connection with the Shared Services are not settled but, instead, interest is accrued at the applicable federal rate.¹⁰

21. The Debtors intend to continue to provide the above-described services on a go-forward basis. Access to these services consistent with historical practice will allow the Debtors’ operations to continue in the ordinary course during the Debtors’ reorganization, thereby protecting the Debtors’ overall brand integrity and ultimately serving as a benefit to all of the Debtors’ stakeholders.

22. Conversely, any interruption of the Intercompany Transactions would severely disrupt the Debtors’ operations and result in great harm to the Debtors’ estates and their stakeholders. Further, notwithstanding the Debtors’ continuing provision of the Shared Services described above, ***the Debtors will not provide funds to any non-Debtor entities during the course of these chapter 11 cases that fall outside the scope of these Intercompany Transactions.*** Accordingly, the Debtors seek the authority to continue the Intercompany Transactions in the ordinary course of business, in a manner consistent with prepetition practice.

¹⁰ Likewise, TMW entered into an agreement with MSP for the provision of comparable administrative, management, and support services in exchange for a fee determined at arm’s length based on the estimated time spent for each service and the benefit received.

IV. Compliance with U.S. Trustee Guidelines.

23. Section 345 of the Bankruptcy Code governs a debtor's cash deposits during a chapter 11 case and authorizes deposits of money as "will yield the maximum reasonable net return on such money, taking into account the safety of such deposit or investment." For deposits or investments that are not "insured or guaranteed by the United States or by a department, agency, or instrumentality of the United States or backed by the full faith and credit of the United States," section 345(b) of the Bankruptcy Code requires the estate to obtain, from the entity with which the money is deposited, a bond in favor of the United States and secured by the undertaking of an adequate corporate surety, or "the deposit of securities of the kind specified in section 9303 of title 31," unless the Court "for cause" orders otherwise. 11 U.S.C. § 345(a)-(b).¹¹

24. 66 of the Bank Accounts comply with the requirements of section 345(b) of the Bankruptcy Code. All but 22 of the Debtors' 78 Bank Accounts are maintained at banks that have executed a Uniform Depository Agreement ("UDA") with, and are designated as authorized depositories by, the United States Trustee for the Southern District of Texas (the "U.S. Trustee"), pursuant to the *Operating Guidelines and Reporting Requirements for Debtors in Possession and Trustees* (the "U.S. Trustee Operating Guidelines"). 66 of the Bank Accounts are located in the United States and are insured by the Federal Deposit Insurance Corporation ("FDIC"). Ten of the Bank Accounts located in the United States are not maintained with an authorized depository, but hold a daily balance that does not exceed the applicable FDIC-insured amount. The remaining twelve accounts are located in Canada at five different banks, all of which are highly-rated, global

¹¹ Strict compliance with the requirement of section 345(b) of the Bankruptcy Code would, in a case such as this, be inconsistent with section 345(a), which permits a debtor in possession to make such investments of money of the estate "as will yield the maximum reasonable net return on such money." Thus, in 1994, to avoid "needlessly handcuff[ing] larger, more sophisticated debtors," Congress amended 345(b) of the Bankruptcy Code to provide that its strict investment requirements may be waived or modified if the Court so orders "for cause." 140 Cong. Rec. H. 10,767 (Oct. 4, 1994), 1994 WL 54773.

financial institutions that are widely recognized as well-capitalized and financially stable. In fact, all twelve accounts are held in Canada and are insured by the Canada Deposit Insurance Corporation (“CDIC”). These Bank Accounts are held in a jurisdiction where the Debtors must maintain Bank Accounts for regulatory and/or operational reasons. The Debtors believe that these financial institutions are well positioned to perform the depository and cash management functions during the chapter 11 cases and, accordingly, respectfully submit that cause exists to allow the Debtors to continue utilizing the existing Bank Accounts consistent with historical practices. Given the global scope of the Debtors’ operations and cash management requirements, it is not feasible to consolidate all cash activities to the narrow group of financial institutions approved in the U.S. Trustee Operating Guidelines.

25. Of those 22 accounts, fourteen are Store Depository Accounts that are swept at least weekly to either the U.S. Master Concentration Account or the Canadian Master Concentration Account, as applicable. The banks at which the Store Depository Accounts are maintained are typically the closest or most convenient bank to the applicable stores, and if the Debtors are not permitted to maintain these store level accounts, the stores that make daily deposits into such accounts will likely have to submit their required deposits by other means, creating additional operational and administrative burdens and expenses to the detriment of the Debtors’ business and their estate, to the extent that any alternative means are even available. The remaining eight accounts include a Merchant Services Account, a Receipts Account, the Canadian Master Concentration Account, and five Disbursement Accounts, which, when combined with the four Store Depository Accounts mentioned directly above, comprise the vast majority of the Canadian Cash Management System. The operational and administrative burdens and expenses of moving

all accounts comprising the Canadian Cash Management System would be to the detriment of the Debtors' business and their estate.

26. To the extent that the Bank Accounts do not strictly comply with section 345 of the Bankruptcy Code or any other requirements of the U.S. Trustee, the Debtors request that the Court waive any such noncompliance. Cause exists for a waiver because, among other things, (a) the banks in which the Bank Accounts are held are highly rated and are federally chartered banks subject to supervision by federal banking regulators in the United States, (b) the Debtors retain the right to remove funds held at the Banks and establish new bank accounts as needed, (c) the cost associated with satisfying the requirements of section 345 is burdensome, and (d) the process of satisfying those requirements would lead to needless inefficiencies in the management of the Debtors' business.

27. Moreover, the U.S. Bank Accounts that are deposit accounts are already required to be bond-insured by the FDIC. Requiring the Debtors to comply with section 345 of the Bankruptcy Code with respect to such Bank Accounts would amount to requiring the Banks to post a second bond to secure the Debtors' deposits. Further, because (a) 56 Bank Accounts have been designated as authorized depositories by the U.S. Trustee, (b) the 22 Bank Accounts not maintained with an authorized depository are FDIC insured or CDIC insured, (c) the Debtors never hold a balance in excess of the amount insured by the FDIC in such U.S. Bank Accounts; and (d) the Canadian Bank Accounts are maintained at highly-rated, global financial institutions that do not comply with the U.S. Trustee Operating Guidelines due to location, not financial soundness or stability. Requiring the Debtors to close the 22 Bank Accounts not maintained with an authorized depository and reopen them at a designated authorized depository would place an unnecessary

administrative burden on the Debtors, and there is no meaningful risk to the cash that passes through each. Cause exists to continue to allow the Debtors to utilize their existing Bank Accounts.

V. Bank and Processor Fees.

28. **Bank Fees.** In the ordinary course of business, the Debtors incur periodic service charges, credit card, check, and other fees in connection with maintaining and operating the Cash Management Systems (collectively, the “Bank Fees”). The Debtors incur approximately \$300,000 per month on account of the Bank Fees in the aggregate. As of the Petition Date, the Debtors estimate that they do not owe any prepetition unpaid Bank Fees, the entirety of which is expected to become due and payable within 21 days of the Petition Date. The Debtors seek authority to continue paying the Bank Fees, including the prepetition Bank Fees, in the ordinary course on a postpetition basis, consistent with historical practice.

29. **Processor Fees.** The Debtors incur daily processor fees (the “Processor Fees”) in connection with their agreement with SunTrust Merchant Services (“SunTrust”) for merchant services in the U.S. and their agreement with Chase Paymentech Solutions (together, with Suntrust, the “Payment Processing Providers”) for merchant services in Canada. Processor Fees are netted out of funds deposited to the Debtors’ Merchant Services Accounts. On March 30, 2020, the Debtors received a notice from SunTrust regarding a required reserve in the amount of \$2.2 million to cover Chargebacks, which was to be funded by withholding 50 percent of all TMW e-commerce credit card proceeds up to the agreed-upon amount generated between April 3, 2020 and April 30, 2020. The required reserve remained unmet as of April 30, 2020; thus, SunTrust continued withholdings beyond the initial April 30, 2020 deadline. On June 2, 2020, the Debtors received written confirmation from SunTrust that the reserve had been met; however, on July 10, 2020, the Debtors received an additional letter from SunTrust regarding increasing the reserve to \$4.2 million due to contingent liability concerns. Thus, SunTrust imposed an additional

reserve beginning on July 15, 2020, which is to be funded by withholding 50 percent of all of the TMW and JAB e-commerce credit card proceeds up to the agreed-amount amount until the reserve is fully funded. As of the Petition Date, the Debtors estimate that they do not owe any prepetition amounts on account of unpaid Processor Fees. The Debtors seek authority to continue paying the Processor Fees, including the prepetition Processor Fees, in the ordinary course on a postpetition basis, consistent with historical practices.

VI. Business Forms.

30. The Debtors utilize certain, limited preprinted correspondence and business forms, such as letterhead, checks, purchase orders, and invoices (the “Business Forms”), in the ordinary course of their businesses. The Debtors also maintain books and records to document, among other things, their profits and expenses (the “Books and Records”). To minimize unnecessary additional expenses to their estates, the Debtors request that the Court authorize their continued use of their Business Forms to the limited extent they are preprinted, all as such forms were in existence immediately before the Petition Date, without reference to the Debtors’ status as debtors in possession, rather than requiring the Debtors to incur the unnecessary expense, nuisance, and delay of ordering entirely new forms as required under the U.S. Trustee Operating Guidelines.

Basis for Relief

I. Maintaining the Existing Cash Management Systems Is Essential to Maximizing the Value of the Debtors’ Estates.

31. The U.S. Trustee Guidelines require debtors in possession to, among other things: (a) close all existing bank accounts and open new debtor in possession bank accounts; (b) establish one debtor in possession account for all estate monies required for payment of taxes including payroll taxes; (c) physically set aside all monies required by law to be withheld from employees or collected from others for taxes; (d) open a new set of Books and Records as of the

commencement date of the case; (e) use new business forms indicating the debtor in possession status of the chapter 11 debtor, including checks that bear the designation “debtor in possession” and reference the bankruptcy case number and type of account on such checks; and (f) make all disbursements of estate funds by check with a notation representing the reason for the disbursement. *See Region 7 Guidelines for Debtors-in-Possession.* These requirements are designed to provide a clear line of demarcation between prepetition and postpetition claims and payments and help protect against the inadvertent payment of prepetition claims by preventing banks from honoring checks drawn before the Petition Date.

32. Considering, however, the complex Cash Management Systems that the Debtors have in place for the transfer and distribution of funds, which ties into the Debtors’ existing corporate accounting and cash forecasting reporting, enforcement of this provision of the U.S. Trustee Operating Guidelines during these chapter 11 cases would disrupt the Debtors’ ability to efficiently administer these chapter 11 cases. Accordingly, the Debtors request that the Court allow them to operate each of the Bank Accounts listed on Annex 2 annexed to the Interim Order and Final Order attached hereto as they were maintained in the ordinary course before the Petition Date.

33. Continuation of the Cash Management Systems is permitted pursuant to section 363 of the Bankruptcy Code, which authorizes the debtor in possession to “use property of the estate in the ordinary course without notice or a hearing.” 11 U.S.C. § 363(c)(1). Bankruptcy courts routinely treat requests for authority to continue utilizing existing cash management systems as a relatively “simple matter.” *In re Baldwin-United Corp.*, 79 B.R. 321, 327 (Bankr. S.D. Ohio 1987). Bankruptcy courts have observed that an integrated cash management system “allows efficient utilization of cash resources and recognizes the impracticalities of maintaining separate

cash accounts for the many different purposes that require cash.” *In re Columbia Gas Sys. Inc.*, 136 B.R. 930, 934 (Bankr. D. Del. 1992), *aff’d in part and rev’d in part*, 997 F.2d 1039 (3d Cir. 1993). As a result, courts have concluded that the requirement to maintain all accounts separately “would be a huge administrative burden and economically inefficient.” *Columbia Gas*, 997 F.2d at 1061; *see also In re Southmark Corp.*, 49 F.3d 1111, 1114 (5th Cir. 1995) (noting that maintaining an existing cash management system allows debtor “to administer more efficiently and effectively its financial operations and assets”).

34. Here, requiring the Debtors to adopt new, segmented cash management systems during these chapter 11 cases would be expensive, burdensome, and unnecessarily disruptive to the Debtors’ operations. Importantly, the Cash Management Systems provide the Debtors with the ability to, among other things, quickly assess the location and amount of funds, which, in turn, allows management to track and control such funds, ensure cash availability throughout the Debtors’ corporate structure, and reduce administrative costs through a centralized method of coordinating the collection and movement of funds.¹² In light of the size and complexity of the Debtors’ operations, any disruption of the Cash Management Systems could have a severe adverse effect on the Debtors’ restructuring efforts, the cost of which would ultimately be borne by the Debtors’ creditors and other stakeholders. By contrast, maintaining the current Cash Management Systems will facilitate the Debtors’ smooth transition into chapter 11 by, among other things, minimizing delays in paying postpetition debts and eliminating administrative inefficiencies. Finally, maintaining the current Cash Management Systems will allow the Debtors’ treasury and

accounting employees to focus on their daily responsibilities as opposed to the non-accretive task of reconstructing the Cash Management Systems.

II. Maintaining the Existing Cash Management Systems Will Not Harm Parties in Interest.

35. The Debtors' continued use of their Cash Management Systems will facilitate the Debtors' transition into chapter 11 by, among other things, avoiding administrative inefficiencies, expenses, and distraction associated with disrupting this system and minimizing delays in the payment of postpetition obligations. The Debtors respectfully submit that parties in interest will not be harmed by the Debtors' maintenance of their existing Cash Management Systems, including maintenance of the Bank Accounts, because the Debtors have implemented appropriate mechanisms to ensure that unauthorized payments will not be made on account of obligations incurred before the Petition Date.

36. Specifically, with the assistance of their advisors, the Debtors have implemented internal control procedures that prohibit payments on account of prepetition debts without the prior approval of the Debtors' treasury department. In light of such protective measures, maintaining the Cash Management Systems is in the best interests of the Debtors' estates and creditors.

III. Authorizing the Banks to Continue to Maintain, Service, and Administer the Bank Accounts in the Ordinary Course Is Warranted.

37. The Debtors request that the Court authorize the banks to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession, without interruption and in the ordinary course. In this regard, the banks should be authorized to receive, process, honor, and pay any and all checks, ACH transfers, and other instructions and drafts payable through, drawn, or directed on such Bank Accounts after the Petition Date by holders, makers, or other parties entitled to issue instructions with respect thereto; *provided* that any check, draft, or other notification that the Debtors advise the banks to have been drawn, issued,

or otherwise presented before the Petition Date may be honored by the banks only to the extent authorized by order of the Court.

38. The Debtors further request that the Court authorize the banks to accept and honor all representations from the Debtors as to which checks, drafts, wires, or ACH transfers should be honored or dishonored consistent with any order of the Court and governing law, whether such checks, drafts, wires, or ACH transfers are dated before or after the Petition Date. The Debtors also request that, to the extent a bank honors a prepetition check or other item drawn on any account either (a) at the direction of the Debtors, (b) in a good-faith belief that the Court has authorized such prepetition check or item to be honored, or (c) as a result of an innocent mistake made despite implementation of customary item handling procedures, such bank will not be deemed to be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item honored postpetition. Such relief is reasonable and appropriate because the banks are not in a position to independently verify or audit whether a particular item may be paid in accordance with a Court order or otherwise.

39. Moreover, the Debtors request that the Court authorize the Debtors to pay any prepetition Bank Fees and Processor Fees on account of prepetition transactions that are charged postpetition, and authorize the banks to: (a) continue to charge the Debtors the Bank Fees and the Processor Fees; and (b) charge-back returned items to the Bank Accounts, whether such items are dated before, on, or subsequent to the Petition Date, in the ordinary course.

IV. Waiver of the Requirements of Section 345(b) of the Bankruptcy Code Is Warranted.

40. As discussed above, section 345(a) of the Bankruptcy Code authorizes deposits of money as “will yield the maximum reasonable net return on such money, taking into account the safety of such deposit or investment.” For deposits or investments that are not “insured or guaranteed by the United States or by a department, agency, or instrumentality of the United States

or backed by the full faith and credit of the United States,” section 345 of the Bankruptcy Code requires debtors to obtain, from the entity with which the money is deposited, a bond in favor of the United States and secured by the undertaking of an adequate corporate surety, or “the deposit of securities of the kind specified in section 9303 of title 31,” unless the court “for cause” orders otherwise. 11 U.S.C. § 345(a)–(b).

41. Courts may waive compliance with section 345 of the Bankruptcy Code and the U.S. Trustee Guidelines for “cause.” In evaluating whether “cause” exists, courts have considered a number of factors such as:

- i. the sophistication of the debtor’s business;
- ii. the size of the debtor’s business operations;
- iii. the amount of the investments involved;
- iv. the bank ratings (Moody’s and Standard & Poor) of the financial institutions where the debtor in possession funds are held;
- v. the complexity of the case;
- vi. the safeguards in place within the debtor’s own business for ensuring the safety of the funds;
- vii. the debtor’s ability to reorganize in the face of a failure of one or more of the financial institutions;
- viii. the benefit to the debtor;
- ix. the harm, if any, to the debtor;
- x. the harm, if any, to the estate; and
- xi. the reasonableness of the debtor’s request for relief from section 345(b) requirements in light of the overall circumstances of the case.

See In re Serv. Merch. Co., Inc., 240 B.R. at 896.

42. Because the Bank Accounts are vital to the Cash Management Systems, requiring the Debtors to transfer funds to other banks would be unduly burdensome to the Debtors' operations, which span multiple jurisdictions and currencies, and could potentially cause severe tax consequences to the detriment of the Debtors' estates. The vast majority of the Bank Accounts are maintained at well-capitalized, highly-rated banks, hold cash under the FDIC or similar CDIC limits, and/or are otherwise necessary for the Debtors to transact in certain jurisdictions. Therefore, cause exists to waive the U.S. Trustee Guidelines and section 345(b) of the Bankruptcy Code and allow the Debtors to continue to maintain the Bank Accounts in the ordinary course of business.

43. Accordingly, the Debtors request a waiver of the deposit requirements of section 345 of the Bankruptcy Code to permit the Debtors to continue to use their existing Bank Accounts in the ordinary course of business.

V. The Court Should Authorize the Debtors to Continue Using Their Existing Business Forms.

44. To avoid disruption of the Cash Management Systems and unnecessary expense, the Debtors request that they be authorized to continue to use their Business Forms, substantially in the form existing immediately before the Petition Date, without reference to their status as debtors in possession. Given the limited nature of the preprinted Business Forms, parties in interest will not be prejudiced if the Debtors are authorized to continue to use their Business Forms substantially in the forms existing immediately before the Petition Date. Parties doing business with the Debtors undoubtedly will be aware of their status as debtors in possession and, thus, changing forms such as letterhead would be an unnecessary additional expense and unduly burdensome.

VI. The Court Should Authorize the Debtors to Continue Conducting Intercompany Transactions in the Ordinary Course and Grant Administrative Expense Status to Postpetition Intercompany Balances Between Debtors.

45. The Debtors' funds move through the Cash Management Systems as described above. At any given time, there may be Intercompany Balances owing by one Debtor to another Debtor or by a non-Debtor affiliate to a Debtor or by a Debtor to a non-Debtor affiliate. Intercompany Transactions are made between and among Debtor and non-Debtor affiliates in the ordinary course as part of the Cash Management Systems.¹³ The Debtors track all fund transfers in their accounting system and can ascertain, trace, and account for all Intercompany Transactions previously described. The Debtors, moreover, will continue to maintain records of such Intercompany Transactions. If the Intercompany Transactions were to be discontinued, the Cash Management Systems and related administrative controls and business operations could be disrupted to the Debtors' and their estates' detriment. Because these transactions represent extensions of intercompany credit made in the ordinary course of business that are an essential component of the Cash Management Systems, the Debtors respectfully request the authority to continue conducting the Intercompany Transactions in the ordinary course of business without need for further Court order.

46. To ensure each individual Debtor will not, at the expense of its creditors, fund the operations of another entity, the Debtors respectfully request, pursuant to section 503(b)(1) of the Bankruptcy Code, that all postpetition payments between or among a Debtor and another Debtor

¹³ Because the Debtors engage in Intercompany Transactions on a regular basis and such transactions are common among enterprises like that of the Debtors, the Debtors submit that the Intercompany Transactions are ordinary course transactions within the meaning of section 363(c)(1) of the Bankruptcy Code and, thus, do not require this Court's approval. Nonetheless, out of an abundance of caution, the Debtors are seeking express authority to engage in such transactions on a postpetition basis. Moreover, the continued performance of the ordinary course Intercompany Transactions is integral to ensure the Debtors' ability to operate their businesses as debtors in possession.

on account of an Intercompany Transaction be accorded administrative expense status.¹⁴ This relief will ensure that each entity receiving payments from a Debtor will continue to bear ultimate repayment responsibility for such ordinary course transactions, thereby reducing the risk that these transactions would jeopardize the recoveries available to each Debtor's respective creditors.

Emergency Consideration

47. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case "to the extent that relief is necessary to avoid immediate and irreparable harm." An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors' operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors' operations at this critical juncture and imperil the Debtors' restructuring. The Debtors have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis.

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

48. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

¹⁴ Notwithstanding the administrative expense status requested for the Intercompany Transactions, all Debtors reserve their rights to dispute any Intercompany Transaction (or payment made on account of an Intercompany Transaction) on any ground, including the methodology for calculation of such transaction or payment, and to claw back or avoid such transactions and/or payments.

Reservation of Rights

49. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Notice

50. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the

Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; (l) the Cash Management Banks; (m) the Payment Processing Providers; and (n) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request entry of the Interim Order and Final Order, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

2. Except as otherwise set forth herein, the Debtors are authorized, but not directed, on an interim basis, to: (a) continue operating the Cash Management Systems in the ordinary course of business, substantially as identified on **Annex 1** attached hereto and as described in the Motion, and in accordance with the Bank Account Agreements (as defined below); (b) honor their prepetition obligations related thereto; (c) maintain existing Business Forms; and (d) continue to perform Intercompany Transactions consistent with historical practice.

3. The Debtors are further authorized, but not directed to, on an interim basis, and subject to any interim or final DIP Order (as defined below): (a) continue to use, with the same account numbers, the Bank Accounts in existence as of the Petition Date, identified on **Annex 2** attached hereto; (b) maintain and use, in their present form, all preprinted correspondence and Business Forms (including letterhead) without reference to the Debtors' status as debtors in possession, and maintain and continue using, in their present form, the Books and Records; *provided* that once the Debtors' existing check stock has been exhausted, the Debtors shall include, or direct others to include, the designation "Debtor-in-Possession" and the corresponding bankruptcy case number on all checks as soon as it is reasonably practicable to do so; *provided further* that with respect to any Business Forms that exist or are generated electronically, the Debtors shall ensure that such electronic Business Forms are clearly labeled "Debtor-in-Possession" within 10 business days; (c) continue operating the Cash Management Systems in the ordinary course of business, substantially as identified on **Annex 1** attached hereto and as described in the Motion; (d) honor their prepetition obligations related thereto; (e) treat the

Bank Accounts for all purposes as accounts of the Debtors as debtors in possession; (f) deposit funds in and withdraw funds from the Bank Accounts by all usual means, including checks, wire transfers, and other debits; (g) pay the Bank Fees and Processor Fees (including any prepetition amounts); and (h) pay any ordinary course Bank Fees or Processor Fees incurred in connection with the Bank Accounts, irrespective of whether such fees arose prior to the Petition Date, and to otherwise perform their obligations under the documents governing the Bank Accounts (the “Bank Account Agreements”). Any postpetition fees, costs, charges, and expenses, including Bank Fees, Process Fees, or charge-backs payable to the banks that are not so paid shall be entitled to priority as administrative expenses pursuant to section 503(b)(1) of the Bankruptcy Code.

4. To the extent any of the Debtors’ Bank Accounts are not in compliance with section 345(b) of the Bankruptcy Code or any of the U.S. Trustee’s requirements or guidelines, the Debtors are hereby granted an extension of time to comply with the requirements of 11 U.S.C. § 345(b) for a period of forty-five (45) days from the Petition Date, without prejudice to the Debtors’ rights to seek a further extension; provided that nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached. The Debtors may obtain a further extension of the 45-day time period referenced above by entering into a written stipulation with the U.S. Trustee and filing such stipulation on the Court’s docket without the need for further Court order.

5. The Cash Management Banks are authorized to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession, without interruption and in the ordinary course, and to receive, process, honor, and pay, to the extent of available funds, any and all checks, drafts, wires, credit card payments, and ACH transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the

case may be; *provided* that (a) those certain existing deposit agreements between the Debtors and the Cash Management Banks shall continue to govern the postpetition cash management relationship between the Debtors and the respective Cash Management Bank, and all of the provisions of such agreements, including the termination and fee provisions and any provisions relating to offset or charge-back rights with respect to returned items, shall remain in full force and effect, and (b) the Debtors and the Cash Management Banks may, without further order of this Court, agree to and implement changes to the Cash Management System and procedures related thereto in the ordinary course of business pursuant to terms of those certain existing deposit agreements, including the closing of Bank Accounts or the opening of new bank accounts.

6. The relief granted in this Interim Order is extended to any new bank account opened by the Debtors after the date hereof, which account shall be deemed a Bank Account, and to the bank at which such account is opened, which bank shall be deemed a Cash Management Bank. As required herein, to the extent the Debtors intend to open a new bank account, they shall provide reasonable prior written notice to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases.

7. All banks, including the Cash Management Banks, maintaining any of the Bank Accounts and provided with notice of this Interim Order shall not honor or pay any bank payments drawn on the listed Bank Accounts, or otherwise issued before the Petition Date, unless otherwise provided for herein or absent further direction from the Debtors.

8. The Debtors will maintain records in the ordinary course reflecting transfers of cash, if any, so as to permit all such transactions to be ascertainable.

9. In the course of providing cash management services to the Debtors, each of the Cash Management Banks is authorized, without further order of this Court, to deduct the applicable

fees and expenses associated with the nature of the deposit and cash management services rendered to the Debtors, whether arising prepetition or postpetition, from the appropriate accounts of the Debtors, and further, to charge-back to the appropriate accounts of the Debtors any amounts resulting from returned checks or other returned items, including returned items that result from wire transfers, ACH transactions, or other electronic transfers of any kind, regardless of whether such items were deposited or transferred prepetition or postpetition and regardless of whether the returned items relate to prepetition or postpetition items or transfers.

10. Each of the Cash Management Banks is authorized to debit the Debtors' accounts in the ordinary course and without further order of this Court on account of: (a) all checks drawn on the Debtors' accounts that have been cashed at such banks' counters or exchanged for cashier's or official checks by the payees thereof prior to the Petition Date; (b) all bank fees and costs in connection with any checks or other items deposited in one of the Debtors' accounts with such bank prior to the Petition Date, which have been dishonored or returned unpaid for any reason, to the same extent the Debtors were responsible for such items prior to the Petition Date; and (c) all undisputed prepetition amounts outstanding as of the date hereof, if any, owed to any bank as to service charges for the maintenance of the Cash Management Systems.

11. Any bank, including a Cash Management Bank, may rely upon the representations of the Debtors with respect to whether any check, draft, wire, or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to any order of this Court, and no bank that honors a prepetition check or other item drawn on any account that is the subject of this Interim Order (a) at the direction of the Debtors, (b) in a good-faith belief that this Court has authorized such prepetition check or item to be honored, or (c) as a result of an innocent mistake made despite implementation of customary item handling procedures, shall be deemed to be nor

shall be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Interim Order.

12. Any and all banks, including the Cash Management Banks, are further authorized to (a) honor the Debtors' directions with respect to the opening and closing of any Bank Account and (b) accept and hold the Debtors' funds in accordance with the Debtors' instructions; *provided* that the Cash Management Banks shall not have any liability to any party for relying on such representations to the extent such reliance otherwise complies with applicable law.

13. The Debtors are authorized to open any new Bank Accounts or close any existing Bank Accounts as they may deem necessary and appropriate, *provided* that: (a) any new account is with a bank that is (i) insured with the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, (ii) designated as an authorized depository by the U.S. Trustee pursuant to the U.S. Trustee's Operating Guidelines and Reporting Requirements for Debtors in Possession and Trustees, (iii) not prohibited by any DIP Order, with respect to opening any new bank accounts, and (iv) the Debtors obtain the prior written consent of the agents under the prepetition secured facilities and the DIP Agent; and (b) the Debtors provide notice to the U.S. Trustee, counsel to the agents under the Debtors' prepetition secured facilities, and counsel to the DIP Agent, of the opening or closing of any such account, or any changes in Cash Management Systems.

14. Nothing contained herein shall permit any Cash Management Bank to terminate any cash management services without 30 days prior written notice to the Debtors, U.S. Trustee, counsel to the Prepetition ABL Agent and the DIP Agent, and any official committee appointed in these chapter 11 cases.

15. The requirement to establish separate accounts for cash collateral and/or tax payments is hereby waived.

16. Notwithstanding anything to the contrary set forth herein, the Debtors are authorized, but not directed, to enter into and engage in the Intercompany Transactions and to take any actions related thereto on the same terms as, and materially consistent with, the Debtors' operation of the business in the ordinary course, and *provided* that they are not prohibited or restricted by the terms of any interim or final DIP Order (as defined below).

17. All postpetition Intercompany Transactions between Debtors are hereby accorded administrative expense priority status, subject to paragraph 17 hereof. The Debtors shall continue to maintain current records with respect to all transfers, including but not limited to, all Intercompany Transactions, so that all transactions may be readily ascertained, traced, and properly recorded on intercompany accounts, and shall provide such records upon request to the U.S. Trustee, any statutory committee appointed in these chapter 11 cases, the agents under the Debtors' prepetition secured facilities, the DIP Agent, and each counsel thereto; *provided* that such records shall distinguish between prepetition and postpetition transactions. For the avoidance of doubt, the relief granted in this Interim Order with respect to the postpetition Intercompany Transactions and the Intercompany Balances resulting therefrom shall not constitute a finding as to the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen, the Debtors stipulate that they do not take a position with regard to the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen, and the right of any party to contest the validity, priority, or status of

any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen is expressly reserved.

18. Nothing contained in the Motion or this Interim Order shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist as of the Petition Date or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

19. Notwithstanding the Debtors' use of consolidated cash management systems, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursements of each Debtor, regardless of which entity pays those disbursements.

20. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Interim Order.

21. Notwithstanding anything to the contrary in this Interim Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Interim Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Interim Order, the terms of the DIP Order shall control.

22. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Interim Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Interim Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

23. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any amounts to be paid hereunder.

24. As soon as practicable after entry of this Interim Order, the Debtors shall serve a copy of this Interim Order on the Cash Management Banks.

25. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

26. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

27. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order are immediately effective and enforceable upon its entry.

28. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Interim Order in accordance with the Motion.

29. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth herein.
2. The Debtors are authorized, but not directed, on a final basis, to: (a) continue operating the Cash Management Systems, substantially as identified on Annex 1 attached hereto and as described in the Motion, in accordance with the Bank Account Agreements (as defined below); (b) honor their prepetition obligations related thereto; (c) maintain existing Business Forms; and (d) continue to perform Intercompany Transactions consistent with historical practice.
3. Except as otherwise set forth herein, the Debtors are further authorized, but not directed to, on a final basis, and subject to any interim or final DIP Order (as defined below): (a) continue to use, with the same account numbers, the Bank Accounts in existence as of the Petition Date identified on Annex 2 attached hereto; (b) maintain and use, in their present form, all preprinted correspondence and Business Forms (including letterhead) and maintain and continue using, in their present form, the Books and Records; (c) continue operating the Cash

Management Systems in the ordinary course of business, substantially as identified on Annex 1 attached hereto and as described in the Motion; (c) honor their prepetition obligations related thereto; (d) treat the Bank Accounts for all purposes as accounts of the Debtors as debtors in possession; (e) deposit funds in and withdraw funds from the Bank Accounts by all usual means, including checks, wire transfers, and other debits; (f) pay the Bank Fees and Processor Fees (including any prepetition amounts); and (g) pay any ordinary course Bank Fees and Processor Fees incurred in connection with the Bank Accounts, irrespective of whether such fees arose prior to the Petition Date, and to otherwise perform their obligations under the documents governing the Bank Accounts (the “Bank Account Agreements”). Any postpetition fees, costs, charges, and expenses, including Bank Fees, or charge-backs payable to the banks that are not so paid shall be entitled to priority as administrative expenses pursuant to section 503(b)(1) of the Bankruptcy Code.

4. To the extent any of the Debtors’ Bank Accounts are not in compliance with section 345(b) of the Bankruptcy Code or any of the U.S. Trustee’s requirements or guidelines, the Debtors are hereby granted an extension of time to comply with the requirements of 11 U.S.C. § 345(b) for a period of forty-five (45) days from the Petition Date, without prejudice to the Debtors’ rights to seek a further extension; provided that nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached. The Debtors may obtain a further extension of the 45-day time period referenced above by entering into a written stipulation with the U.S. Trustee and filing such stipulation on the Court’s docket without the need for further Court order.

5. The Cash Management Banks are authorized to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession, without

interruption and in the ordinary course, and to receive, process, honor, and pay, to the extent of available funds, any and all checks, drafts, wires, credit card payments, and ACH transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the case may be; *provided* that (a) those certain existing deposit agreements between the Debtors and the Cash Management Banks shall continue to govern the postpetition cash management relationship between the Debtors and the respective Cash Management Bank, and all of the provisions of such agreements, including the termination and fee provisions and any provisions relating to offset or charge-back rights with respect to returned items, shall remain in full force and effect, and (b) the Debtors and the Cash Management Banks may, without further order of this Court, agree to and implement changes to the Cash Management System and procedures related thereto in the ordinary course of business pursuant to terms of those certain existing deposit agreements, including the closing of Bank Accounts or the opening of new bank accounts in accordance with the terms of the final order approving debtor in possession financing and any definitive documents related to such debtor in possession financing.

6. The relief granted in this Final Order is extended to any new bank account opened by the Debtors after the date hereof, which account shall be deemed a Bank Account, and to the bank at which such account is opened, which bank shall be deemed a Cash Management Bank. As required herein, to the extent the Debtors intend to open a new bank account, they shall provide reasonable prior written notice to the U.S. Trustee, any statutory committee appointed in these chapter 11 cases, counsel to the Prepetition ABL Agent, and the DIP Agent.

7. All banks, including the Cash Management Banks, maintaining any of the Bank Accounts and provided with notice of this Final Order shall not honor or pay any bank payments

drawn on the listed Bank Accounts, or otherwise issued before the Petition Date, unless otherwise provided for herein or absent further direction from the Debtors.

8. The Debtors will maintain records in the ordinary course reflecting transfers of cash, if any, so as to permit all such transactions to be ascertainable.

9. In the course of providing cash management services to the Debtors, each of the Cash Management Banks is authorized, without further order of this Court, to deduct the applicable fees and expenses associated with the nature of the deposit and cash management services rendered to the Debtors, whether arising prepetition or postpetition, from the appropriate accounts of the Debtors, and, further, to charge-back to the appropriate accounts of the Debtors any amounts resulting from returned checks or other returned items, including returned items that result from wire transfers, ACH transactions, or other electronic transfers of any kind, regardless of whether such items were deposited or transferred prepetition or postpetition and regardless of whether the returned items relate to prepetition or postpetition items or transfers.

10. Each of the Cash Management Banks is authorized to debit the Debtors' accounts in the ordinary course and without further order of this Court on account of: (a) all checks drawn on the Debtors' accounts that have been cashed at such banks' counters or exchanged for cashier's or official checks by the payees thereof prior to the Petition Date; (b) all bank fees and costs in connection with any checks or other items deposited in one of the Debtors' accounts with such bank prior to the Petition Date, which have been dishonored or returned unpaid for any reason, to the same extent the Debtors were responsible for such items prior to the Petition Date; and (c) all undisputed prepetition amounts outstanding as of the date hereof, if any, owned to any bank as to service charges for the maintenance of the Cash Management Systems.

11. Any bank, including a Cash Management Bank, may rely upon the representations of the Debtors with respect to whether any check, draft, wire, or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to any order of this Court, and no bank that honors a prepetition check or other item drawn on any account that is the subject of this Final Order (a) at the direction of the Debtors, (b) in a good-faith belief that this Court has authorized such prepetition check or item to be honored, or (c) as a result of an innocent mistake made despite implementation of customary item handling procedures, shall be deemed to be nor shall be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Final Order.

12. Any and all banks, including the Cash Management Banks, are further authorized to (a) honor the Debtors' directions with respect to the opening and closing of any Bank Account and (b) accept and hold the Debtors' funds in accordance with the Debtors' instructions; *provided* that the Cash Management Banks shall not have any liability to any party for relying on such representations to the extent such reliance otherwise complies with applicable law.

13. The Debtors are authorized to open any new Bank Accounts or close any existing Bank Accounts as they may deem necessary and appropriate, *provided* that: (a) any new account is with a bank that is (i) insured with the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, (ii) designated as an authorized depository by the U.S. Trustee pursuant to the U.S. Trustee's Operating Guidelines and Reporting Requirements for Debtors in Possession and Trustees, (iii) not prohibited by any DIP Order, with respect to opening any new bank accounts, and (iv) the Debtors obtain the prior written consent of the agents under the prepetition secured facilities and the DIP Agent; and (b) the Debtors provide notice to the U.S. Trustee, counsel to the agents under the Debtors' prepetition secured facilities, and counsel to the

DIP Agent, of the opening or closing of any such account, or any changes in Cash Management Systems.

14. Nothing contained herein shall permit any Cash Management Bank to terminate any cash management services without 30 days prior written notice to the Debtors, U.S. Trustee, counsel to the Prepetition ABL Agent and the DIP Agent, and any official committee appointed in these chapter 11 cases.

15. The requirement to establish separate accounts for cash collateral and/or tax payments is hereby waived.

16. Notwithstanding anything to the contrary set forth herein, the Debtors are authorized, but not directed, to enter into and engage in the Intercompany Transactions and to take any actions related thereto on the same terms as, and materially consistent with, the Debtors' operations of the business in the ordinary course and *provided* that they are not prohibited or restricted by the terms of any interim or final DIP Order (as defined below).

17. All postpetition Intercompany Transactions between Debtors are hereby accorded administrative expense priority status, subject to paragraph 16 hereof. The Debtors shall maintain accurate, detailed, and current records with respect to all transfers, including but not limited to, all Intercompany Transactions, so that all transactions may be readily ascertained, traced, and properly recorded on intercompany accounts, and shall provide such records upon request to the U.S. Trustee, any statutory committee appointed in these chapter 11 cases, the agents under the Debtors' prepetition secured facilities, the DIP Agent, and each counsel thereto; *provided* that such records shall distinguish between prepetition and postpetition transactions. For the avoidance of doubt, the relief granted in this Final Order with respect to the postpetition Intercompany Transactions and the Intercompany Balances resulting therefrom shall not constitute a finding as

to the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen, the Debtors stipulate that they do not take a position with regard to the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen, and the right of any party to contest the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen is expressly reserved.

18. Nothing contained in the Motion or this Final Order shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist as of the Petition Date or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

19. Notwithstanding the Debtors' use of consolidated cash management systems, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursement of each Debtor, regardless of which entity pays those disbursements.

20. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Final Order.

21. Notwithstanding anything to the contrary in this Final Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Final Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use

of cash collateral and/or any postpetition financing facility (in either case, the “DIP Order”); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Final Order, the terms of the DIP Order shall control.

22. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors’ or any other party in interest’s right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Final Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors’ estates; (g) a waiver or limitation of the Debtors’ or any other party in interest’s rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Final Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

23. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored

as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any amounts paid hereunder.

24. As soon as practicable after entry of this Final Order, the Debtors shall serve a copy of this Final Order on the Cash Management Banks.

in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The final hearing (the "Final Hearing") on the Motion shall be held on August 27, 2020 at 3:30 p.m. prevailing Central Time. Any objections or responses to entry of a final order on the Motion shall be filed on or before 4:00 p.m., prevailing Central Time, on August 24, 2020. In the event no objections to entry of the Final Order on the Motion are timely received, this Court may enter such Final Order without need for the Final Hearing.

2. Except as otherwise set forth herein, the Debtors are authorized, but not directed, on an interim basis, to: (a) continue operating the Cash Management Systems in the ordinary course of business, substantially as identified on **Annex 1** attached hereto and as described in the Motion, and in accordance with the Bank Account Agreements (as defined below); (b) honor their prepetition obligations related thereto; (c) maintain existing Business Forms; and (d) continue to perform Intercompany Transactions consistent with historical practice.

3. The Debtors are further authorized, but not directed to, on an interim basis, and subject to any interim or final DIP Order (as defined below): (a) continue to use, with the same account numbers, the Bank Accounts in existence as of the Petition Date, identified on **Annex 2** attached hereto; (b) maintain and use, in their present form, all preprinted correspondence and Business Forms (including letterhead) without reference to the Debtors' status as debtors in possession, and maintain and continue using, in their present form, the Books and Records; *provided* that once the Debtors' existing check stock has been exhausted, the Debtors shall include, or direct others to include, the designation "Debtor-in-Possession" and the corresponding bankruptcy case number on all checks as soon as it is reasonably practicable to do so; *provided further* that with respect to any Business Forms that exist or are generated electronically, the Debtors shall ensure that such electronic Business Forms are clearly labeled "Debtor-in-Possession" within 10 business days; (c) continue operating the Cash Management Systems in the ordinary course of business, substantially as identified on **Annex 1** attached hereto and as described in the Motion; (d) honor their prepetition obligations related thereto; (e) treat the

Bank Accounts for all purposes as accounts of the Debtors as debtors in possession; (f) deposit funds in and withdraw funds from the Bank Accounts by all usual means, including checks, wire transfers, and other debits; (g) pay the Bank Fees and Processor Fees (including any prepetition amounts); and (h) pay any ordinary course Bank Fees or Processor Fees incurred in connection with the Bank Accounts, irrespective of whether such fees arose prior to the Petition Date, and to otherwise perform their obligations under the documents governing the Bank Accounts (the “Bank Account Agreements”). Any postpetition fees, costs, charges, and expenses, including Bank Fees, Process Fees, or charge-backs payable to the banks that are not so paid shall be entitled to priority as administrative expenses pursuant to section 503(b)(1) of the Bankruptcy Code.

4. To the extent any of the Debtors’ Bank Accounts are not in compliance with section 345(b) of the Bankruptcy Code or any of the U.S. Trustee’s requirements or guidelines, the Debtors are hereby granted an extension of time to comply with the requirements of 11 U.S.C. § 345(b) for a period of forty-five (45) days from the Petition Date, without prejudice to the Debtors’ rights to seek a further extension; provided that nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached. The Debtors may obtain a further extension of the 45-day time period referenced above by entering into a written stipulation with the U.S. Trustee and filing such stipulation on the Court’s docket without the need for further Court order.

5. The Cash Management Banks are authorized to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession, without interruption and in the ordinary course, and to receive, process, honor, and pay, to the extent of available funds, any and all checks, drafts, wires, credit card payments, and ACH transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the

case may be; *provided* that (a) those certain existing deposit agreements between the Debtors and the Cash Management Banks shall continue to govern the postpetition cash management relationship between the Debtors and the respective Cash Management Bank, and all of the provisions of such agreements, including the termination and fee provisions and any provisions relating to offset or charge-back rights with respect to returned items, shall remain in full force and effect, and (b) the Debtors and the Cash Management Banks may, without further order of this Court, agree to and implement changes to the Cash Management System and procedures related thereto in the ordinary course of business pursuant to terms of those certain existing deposit agreements, including the closing of Bank Accounts or the opening of new bank accounts; *provided* that the Debtors provide reasonable notice to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases of material changes to the Cash Management System and procedures.

6. The relief granted in this Interim Order is extended to any new bank account opened by the Debtors after the date hereof, which account shall be deemed a Bank Account, and to the bank at which such account is opened, which bank shall be deemed a Cash Management Bank. As required herein, to the extent the Debtors intend to open a new bank account, they shall provide reasonable prior written notice to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases.

7. All banks, including the Cash Management Banks, maintaining any of the Bank Accounts and provided with notice of this Interim Order shall not honor or pay any bank payments drawn on the listed Bank Accounts, or otherwise issued before the Petition Date, unless otherwise provided for herein or absent further direction from the Debtors.

8. The Debtors will maintain records in the ordinary course reflecting transfers of cash, if any, so as to permit all such transactions to be readily ascertained, traced, and properly recorded in the Debtors' books.

9. In the course of providing cash management services to the Debtors, each of the Cash Management Banks is authorized, without further order of this Court, to deduct the applicable fees and expenses associated with the nature of the deposit and cash management services rendered to the Debtors, whether arising prepetition or postpetition, from the appropriate accounts of the Debtors, and further, to charge-back to the appropriate accounts of the Debtors any amounts resulting from returned checks or other returned items, including returned items that result from wire transfers, ACH transactions, or other electronic transfers of any kind, regardless of whether such items were deposited or transferred prepetition or postpetition and regardless of whether the returned items relate to prepetition or postpetition items or transfers.

10. Each of the Cash Management Banks is authorized to debit the Debtors' accounts in the ordinary course and without further order of this Court on account of: (a) all checks drawn on the Debtors' accounts that have been cashed at such banks' counters or exchanged for cashier's or official checks by the payees thereof prior to the Petition Date; (b) all bank fees and costs in connection with any checks or other items deposited in one of the Debtors' accounts with such bank prior to the Petition Date, which have been dishonored or returned unpaid for any reason, to the same extent the Debtors were responsible for such items prior to the Petition Date; and (c) all undisputed prepetition amounts outstanding as of the date hereof, if any, owned to any bank as to service charges for the maintenance of the Cash Management Systems.

11. Any bank, including a Cash Management Bank, may rely upon the representations of the Debtors with respect to whether any check, draft, wire, or other transfer drawn or issued by

the Debtors prior to the Petition Date should be honored pursuant to any order of this Court, and no bank that honors a prepetition check or other item drawn on any account that is the subject of this Interim Order (a) at the direction of the Debtors, (b) in a good-faith belief that this Court has authorized such prepetition check or item to be honored, or (c) as a result of an innocent mistake made despite implementation of customary item handling procedures, shall be deemed to be nor shall be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Interim Order.

12. Any and all banks, including the Cash Management Banks, are further authorized to (a) honor the Debtors' directions with respect to the opening and closing of any Bank Account and (b) accept and hold the Debtors' funds in accordance with the Debtors' instructions; *provided* that the Cash Management Banks shall not have any liability to any party for relying on such representations to the extent such reliance otherwise complies with applicable law.

13. The Debtors are authorized to open any new Bank Accounts or close any existing Bank Accounts as they may deem necessary and appropriate, *provided* that: (a) any new account is with a bank that (i) is insured with the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, (ii) is designated as an authorized depository by the U.S. Trustee pursuant to the U.S. Trustee's Operating Guidelines and Reporting Requirements for Debtors in Possession and Trustees, (iii) is not prohibited by any DIP Order, with respect to opening any new bank accounts, and (iv) any such bank agrees to be bound by the terms of this Interim Order; (b) the Debtors obtain the prior written consent of the agents under the prepetition secured facilities and the DIP Agent; and (c) the Debtors provide notice to the U.S. Trustee, any statutory committee appointed in these cases, counsel to the agents under the Debtors' prepetition

secured facilities, and counsel to the DIP Agent, of the opening or closing of any such account, or any changes in Cash Management Systems.

14. Nothing contained herein shall permit any Cash Management Bank to terminate any cash management services without 30 days prior written notice to the Debtors, U.S. Trustee, counsel to the Prepetition ABL Agent and the DIP Agent, and any official committee appointed in these chapter 11 cases.

15. The requirement to establish a separate account for tax payments is hereby waived.

16. Notwithstanding anything to the contrary set forth herein, the Debtors are authorized, but not directed, to enter into and engage in the Intercompany Transactions and to take any actions related thereto on the same terms as, and materially consistent with, the Debtors' operation of the business in the ordinary course, and *provided* that they are not prohibited or restricted by the terms of any interim or final DIP Order (as defined below).

17. All postpetition Intercompany Transactions between Debtors are hereby accorded administrative expense priority status, subject to paragraph 17 hereof. The Debtors shall continue to maintain current records with respect to all transfers, including but not limited to, all Intercompany Transactions, so that all transactions may be readily ascertained, traced, and properly recorded on intercompany accounts, and shall provide such records upon request to the U.S. Trustee, any statutory committee appointed in these chapter 11 cases, the agents under the Debtors' prepetition secured facilities, the DIP Agent, and each counsel thereto; *provided* that such records shall distinguish between prepetition and postpetition transactions. For the avoidance of doubt, the relief granted in this Interim Order with respect to the postpetition Intercompany Transactions and the Intercompany Balances resulting therefrom shall not constitute a finding as to the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany

Transaction(s) from which such Intercompany Balance may have arisen, the Debtors stipulate that they do not take a position with regard to the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen, and the right of any party to contest the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen is expressly reserved.

18. Nothing contained in the Motion or this Interim Order shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist as of the Petition Date or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

19. Notwithstanding the Debtors' use of consolidated cash management systems, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursements of each Debtor, regardless of which entity pays those disbursements.

20. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Interim Order.

21. Notwithstanding anything to the contrary in this Interim Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Interim Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order");

(ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Interim Order, the terms of the DIP Order shall control.

22. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Interim Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Interim Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

23. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored

as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any amounts to be paid hereunder.

24. As soon as practicable after entry of this Interim Order, the Debtors shall serve a copy of this Interim Order on the Cash Management Banks.

25. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

26. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

27. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order are immediately effective and enforceable upon its entry.

28. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Interim Order in accordance with the Motion.

29. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

The above-captioned debtors and debtors in possession (collectively, the “Debtors”)² state as follows in support of this motion (this “Motion”):

Relief Requested

1. The Debtors seek entry of interim and final orders, substantially in the forms attached hereto (respectively, the “Interim Order” and “Final Order”): (a) authorizing the Debtors to maintain and administer their customer-related programs (collectively and as described herein, the “Customer Programs”) as described in this Motion and honor certain prepetition obligations related thereto; and (b) granting related relief.

2. The Debtors also request that the Court schedule a final hearing within 21 days of the commencement of these chapter 11 cases, or as soon thereafter as is convenient for the Court, to consider approval of this Motion on a final basis.

Jurisdiction and Venue

3. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on August 2, 2020 (the “Petition Date”). Capitalized terms used but not otherwise defined in this Motion shall have the meanings given to them in the First Day Declaration.

5. The bases for the relief requested herein are sections 105(a) and 363(b) of the Bankruptcy Code, Bankruptcy Rule 6003, and rule 9013-1(b) of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

6. The Debtors are a leading specialty retailer of men’s tailored clothing and the largest men’s formalwear provider in the United States and Canada. The Debtors operate approximately 1,400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men’s Wearhouse, Men’s Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

7. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

Description of Customer Programs³

8. The Debtors have historically provided certain incentives, coupons, discounts, and accommodations to their customers to attract and maintain positive customer relationships. The Customer Programs promote customer satisfaction and inure to the goodwill of the Debtors’

³ Although this Motion is intended to be comprehensive, the Debtors may have inadvertently omitted some Customer Programs. The Debtors request relief with respect to all Customer Programs, regardless of whether such Customer Program is specifically identified herein.

business and the value of their brands. Maintaining the goodwill of their customers is critical to the Debtors' ongoing operations in these chapter 11 cases and is necessary to maximize value for the benefit of all of the Debtors' stakeholders.

9. From time to time, the Debtors issue credits, adjustments, discounts, or other similar obligations to their customers, the vast majority of which *do not* entail the expenditure of cash. The Debtors do not accrue these amounts in their books and records but, rather, issue them as the need may arise in the ordinary course of business.

10. Although the vast majority of the Debtors' obligations to customers do not entail the expenditure of cash, the COVID-19 pandemic has necessitated certain cash deposit returns (the "Cash Deposit Returns") upon the reopening of the Debtors' retail store locations related to custom and rental product cancellations. As of the Petition Date, the Debtors estimate approximately \$24.5 million in Cash Deposit Returns outstanding as a result of COVID-19 cancellations.

I. The Refund and Exchange Program.

11. Pursuant to the Debtors' refund and exchange program (the "Refund and Exchange Program"), the Debtors allow their customers to return or exchange purchased merchandise at (i) The Men's Wearhouse, Inc. ("Men's Wearhouse"), Jos. A. Bank Clothiers, Inc. ("Jos. A. Banks"), and Moores the Suit People, Inc. ("Moores") within 90 days from the original date of purchase, and (ii) K&G Men's Company Inc. ("K&G") within 30 days from the original date of purchase, so long as it is returned in saleable condition, with tags attached and accompanied by the original receipt or packing slip, as applicable.⁴ Pursuant to the Refund and Exchange

⁴ Select items, including sale merchandise, clearance items, and gift cards and e-gift cards are final sale items that cannot be returned or exchanged, unless required by law. Returns of custom orders may be subject to separate terms, provided at the time of such custom order placement.

Program, customers are typically refunded the full purchase price of a returned item in the manner in which they purchased it.⁵ Further, the Refund and Exchange Policy may be modified on a case-by-case basis at the store level to ensure customer satisfaction. Programs like the Refund and Exchange Policy are common in the retail industry, and similar programs are used by the Debtors' competitors.

12. Maintaining the Refund and Exchange Program is critical to maintaining the goodwill of the Debtors' customer base. Without the Refund and Exchange Program, current and potential customers may be unwilling to shop at the Debtors' stores or on their e-commerce platform, which may lead to a potentially significant decline in revenues to the ultimate detriment of the Debtors' estates. The Debtors desire to continue honoring their prepetition and postpetition obligations in connection with the Refund and Exchange Program in a manner consistent with their past practices.

II. The Credit Card Program.

13. Historically, the Debtors offered their customers an opportunity to participate in a branded credit card program (the "Credit Card Program"), which entitled holders of the credit cards (the "Credit Cards") to receive rewards points through the Perfect Fit Program (as defined herein) and through their use of the Credit Cards.⁶ Credit Cards could be used, and accrued points, at any of the Debtors' Men's Wearhouse, Men's Wearhouse and Tux, and Men's Wearhouse Outlet (collectively, the "Men's Wearhouse Brands") brick and mortar locations and e-commerce

⁵ Any refunds over \$100 for checks and \$200 for cash or debit purchases at K&G which could not be refunded to the original card are paid via a check issued from the Debtors' corporate offices. Any refunds over \$50 for non-credit or debit card purchases at Moores which could not be refunded to the original card are paid via a check issued from the Debtors' corporate offices.

⁶ Holders of Credit Cards are automatically enrolled in the Men's Wearhouse Perfect Fit Program, which is discussed in further detail below.

websites. In fiscal year 2019, the Debtors generated \$14 million in revenue through the proprietary Credit Card Program. In order to administer the Credit Card Program, the Debtors contracted with Synchrony Bank (“Synchrony”) to provide services for the Credit Card Program. Synchrony made payments to the Debtors based on the sales transacted through the Credit Card Program and for marketing and servicing activities that the Debtors provide to Synchrony.

14. Beginning in February 2020, the Debtors began the process of winding down the Credit Card Program and all Credit Card use ceased as of July 5, 2020. Accordingly, the Debtors seek authorization to continue to wind down the Credit Card Program and to honor all of the Debtors’ obligations related thereto in a manner consistent with past practices.

III. Customer Rewards Programs.

A. The Perfect Fit Program and Bank Account Program.

15. The Debtors offer customers the opportunity to participate in the Customer Rewards Programs (as defined herein). Customers may enroll in the Customer Rewards Programs online or in any store. Customers receive discounts, special promotions, and other benefits pursuant to the Debtors’ “Perfect Fit” rewards program at Men’s Wearhouse, The Men’s Wearhouse and Tux, and Moores (the “Perfect Fit Program”) and the Debtors’ “Bank Account” rewards program at Jos. A. Bank (the “Bank Account Program”). Perfect Fit Program and Bank Account Program members earn one rewards point for every dollar spent in store or online, regardless of the method of payment, on the purchase of merchandise, layaways, alterations, and tuxedo rentals. For every 500 rewards points earned, members receive a \$50 rewards certificate (the “Rewards Certificates”). Subject to certain exclusions, Rewards Certificates may be redeemed in store or online. Rewards Certificates expire six months after issuance. As of the Petition Date, there is approximately \$23 million in Rewards Certificates currently outstanding.

16. The Debtors also give Perfect Fit Program and Bank Account Program members birthday coupons, tuxedo rental discounts, free shipping on all online orders, double point shopping days during specific periods throughout the year, and other Perfect Fit Program and Bank Account Program member exclusive offers.⁷

B. The KNG Program.

17. Customers also receive discounts, special promotions, and other benefits pursuant to the Debtors' rewards program at K&G (the "KNG Program" and, collectively with the Perfect Fit Program and Bank Account Program, the "Customer Rewards Programs"). KNG Program members receive: (a) a twenty percent discount after the first purchase; (b) a fifteen percent discount after the second purchase; and (c) a \$10 discount off of purchases of \$75 or more after three or more purchases (the "Discount Certificates").

18. The Debtors believe that continuing the Customer Rewards Programs is essential to maintaining customer relationships, driving sales, and is critically important to the Debtors' reputation. The Debtors seek approval to continue the Customer Rewards Programs and to honor all prepetition and postpetition customer obligations related thereto in a manner consistent with their past practices.

IV. The Gift Card Program.

19. The Debtors maintain a program (the "Gift Card Program") pursuant to which their customers can purchase physical, pre-paid, non-expiring gift cards in various denominations, between \$25 and \$1,000 (collectively, the "Gift Cards"). The Gift Cards can then be redeemed in store or across the Debtors' e-commerce platform for merchandise at a later date. The Debtors sell the Gift Cards to their customers in their retail stores and online.

⁷ Moores Perfect Fit Customer Program members do not receive free shipping or double point shopping days.

20. The Debtors estimate that as of the Petition Date, approximately \$72 million in issued Gift Cards are outstanding. Based on historical redemption rates and breakage, however, the Debtors estimate the value of outstanding Gift Cards to be approximately \$27 million as of the Petition Date. By this Motion, the Debtors seek authorization, but not direction, to, in a manner consistent with their past practices, (a) honor all Gift Cards purchased by or issued to customers prior to the Petition Date and (b) continue the Gift Cards Program in the ordinary course of business after the Petition Date.

V. The Sales Promotions, Coupons, and Free Shipping.

21. The Debtors occasionally conduct sales promotions both online and at selected stores (the “Sales Promotions”). The Sales Promotions consist of clearance discounts, seasonal discounts, and other promotions. The Debtors also issue coupons for discounts on future purchases (the “Coupons”) which can be presented by customers at the time of purchase of goods at the Debtors’ retail stores or online on the Debtors’ e-commerce platform. A customer does not need to be a member of any of the Debtors’ loyalty programs to utilize the Coupons. The Debtors also provide free shipping for: (a) e-commerce purchases of \$50 or more at Jos. A. Bank; (b) e-commerce purchases of \$99 or more at Men’s Wearhouse; and (c) certain Customer Rewards Program members with no minimum purchase requirement (collectively, the “Free Shipping”).⁸ Importantly, the Sales Promotions, Coupons, and Free Shipping programs involve no cash outlay. By this Motion, the Debtors seek authorization, but not direction, to honor the Sales Promotions, Coupons, and Free Shipping in a manner consistent with their past practices and to honor all customer obligations related thereto in the ordinary course of business.

⁸ Moores Perfect Fit and KNG Customer Program members do not receive free shipping.

VI. Charity Donation Programs.

22. In the ordinary course of business, the Debtors participate in four charity donation programs (collectively, the “Charity Donation Programs”). **First**, once a year, the Debtors accept charitable donations from customers at the point of sale at stores on behalf of various charitable organizations. The Debtors then contribute these collected customer donations to the applicable charity. **Second**, the Debtors routinely donate certain inventory to various 501(c)(3) nonprofit organizations. **Third**, the Debtors contribute a percentage of sales revenue from certain clothing lines to Hire Heroes USA, a nonprofit partner. **Fourth**, the Debtors contribute the sales revenue from certain sample sales held throughout the year to the Willie Lopez Foundation, a nonprofit organization administered and funded primarily by the Debtors’ employees to assist other employees in financial emergencies.

23. Pursuant to certain licensing agreements with (i) Kenneth Cole Productions (LIC), LLC and Kenneth Cole Productions, Inc. and (ii) NHL Enterprises, L.P. and NHL Enterprises Canada, L.P. (collectively, the “Licensing Agreements”), the Debtors are required to remit certain amounts as and for charitable donations. As of the Petition Date, the Debtors owe approximately \$535,000 in connection with such required charitable donations.

24. By this Motion, the Debtors request authorization, but not direction, to continue the Charity Donation Programs and to honor all customer and Debtor obligations related thereto, including the collection and distribution of the donations in the ordinary course of business.

VII. Credit Card and Other Payment Processors.

25. In addition to cash, the Debtors accept the following methods of payment from customers at in-store and online points of sale: (i) checks; (ii) debit cards; (iii) Visa, MasterCard, Discover, and American Express credit cards; (iv) PayPal; and (v) Apple Pay

(collectively, the “Non-Cash Payments”).⁹ To process the Non-Cash Payments, the Debtors are party to an agreement with SunTrust Merchant Services (“SunTrust”) for merchant services in the U.S. (the “SunTrust Agreement”) and an agreement with Chase Paymentech Solutions (together, with Suntrust, the “Payment Processing Providers”) for merchant services in Canada (the “Chase Agreement and, together with the SunTrust Agreement, the “Payment Processing Agreements”). Pursuant to the Payment Processing Agreements, the Debtors generally receive the net customer sales less any Chargebacks (as defined herein), returns, and processing fees charged. The processing fees charged by each company vary but are in the range of 0.02 to 2.61 percent (the “Processing Fees”). The fees owing to the Payment Processing Providers are set off from the funds that are remitted to the Debtors on account of the Non-Cash Payments on a daily basis.

26. When customers either return merchandise to the Debtors following a purchase made by Non-Cash Payment or dispute charges with the Payment Processing Providers, the Debtors may be obligated to refund to the applicable Payment Processing Provider the purchase price of the returned or disputed merchandise, subject to certain adjustments (collectively, “Chargebacks,” and, together with the Processing Fees, the “Processing Obligations”). Generally, Chargebacks are satisfied by netting the amount charged against pending payments owed by a Payment Processing Provider to the Debtors. On March 30, 2020, the Debtors received a notice from SunTrust regarding a required reserve in the amount of \$2.2 million to cover Chargebacks, which was to be funded by withholding 50 percent of all Men’s Wearhouse e-commerce credit card proceeds up to the agreed-upon amount generated between April 3, 2020 and April 30, 2020. On June 2, 2020, the Debtors received written confirmation from SunTrust that the reserve had been met; however, on July 10, 2020, the Debtors received an additional letter from SunTrust

⁹ Acceptable forms of Non-Cash Payments differ between the Debtors’ brands.

regarding increasing the reserve to \$4.2 million due to contingent liability concerns. Thus, SunTrust imposed an additional reserve beginning on July 15, 2020, which is to be funded by withholding 50 percent of all of the Men's Wearhouse and Jos A. Bank e-commerce credit card proceeds up to the agreed-amount amount until the reserve is fully funded. It is possible that certain Processing Obligations incurred by the Debtors immediately prior to the Petition Date may not have been fully netted out against any pending payments received by the Debtors prior to the Petition Date.

27. The Debtors' continued acceptance of Non-Cash Payments is essential to the operation of the Debtors' business because the majority of the Debtors' sales—indeed, the majority of all retail sales—are made using Non-Cash Payments. Requiring all purchases to be made in cash would have a severe negative effect on the Debtors' ongoing operations and effectively eliminate the Debtors' ability to continue and expand their vital e-commerce platform, the cost of which would be borne by their estates. To avoid disrupting these vital payment processing services, the Debtors seek authority to continue paying the Processing Obligations in the ordinary course of their business pursuant to the terms of the Payment Agreements and request that the Court authorize the Payment Processing Providers to continue to set off the Processing Obligations against amounts remitted to the Debtors, whether arising before or after the Petition Date, in a manner consistent with past practices.

Basis for Relief

I. Continuing to Honor Customer Programs in the Ordinary Course Is Warranted Under Sections 105(a), 363(b), and 363(c) of the Bankruptcy Code.

28. Section 363(c) of the Bankruptcy Code authorizes a debtor in possession to use property of the estate in the ordinary course of business without notice or a hearing. Consequently, the postpetition continuation, renewal, and replacement of obligations under the Customer

Programs in the ordinary course of business is likely permitted by sections 363(c), 1107(a), and 1108 of the Bankruptcy Code, without further application to the Court. Out of an abundance of caution, however, the Debtors request the relief described herein.

29. Payment of prepetition obligations is appropriate where necessary to protect and preserve the estate, including an operating business's going-concern value. *See, e.g., In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002); *see also In re Scotia Development, LLC*, No. 07-20027, 2007 WL 2788840, at *1 (Bankr. S.D. Tex. Sept. 21, 2007) (acknowledging the existence of the doctrine of necessity); *In re Ionosphere Clubs, Inc.*, 98 B.R. 174, 175 (Bankr. S.D.N.Y. 1989) ("The ability of a Bankruptcy Court to authorize the payment of pre-petition debt when such payment is needed to facilitate the rehabilitation of the debtor is not a novel concept."). In so doing, these courts acknowledge that several legal theories rooted in sections 105(a) and 363(b) of the Bankruptcy Code support the payment of prepetition claims as provided herein.

30. Pursuant to section 363(b) of the Bankruptcy Code, courts may authorize payment of prepetition obligations where a sound business purpose exists for doing so. *See Ionosphere Clubs*, 98 B.R. at 175 (noting that section 363(b) provides "broad flexibility" to authorize a debtor to honor prepetition claims where supported by an appropriate business justification). Indeed, courts have recognized that there are instances when a debtor's fiduciary duty can "only be fulfilled by the pre-plan satisfaction of a prepetition claim." *CoServ*, 273 B.R. at 497.

31. In addition, courts may authorize payment of prepetition claims in appropriate circumstances based on section 105(a) of the Bankruptcy Code. Section 105(a) codifies the Court's inherent equitable powers to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." Under section 105(a), courts may authorize

pre-plan payments of prepetition obligations when essential to the continued operation of a debtor's business. See *In re Just for Feet, Inc.*, 242 B.R. 821, 824 (D. Del. 1999); see also *In re Fin. News Network Inc.*, 134 B.R. 732, 735–36 (Bankr. S.D.N.Y. 1991) (holding that the “doctrine of necessity” stands for the principle that a bankruptcy court may allow pre-plan payments of prepetition obligations where such payments are critical to the debtor's reorganization). Specifically, the Court may use its power under section 105(a) of the Bankruptcy Code to authorize payment of prepetition obligations pursuant to the “necessity of payment” rule (also referred to as the “doctrine of necessity”). *Ionosphere Clubs*, 98 B.R. at 176.

32. The Court can authorize the Debtors to continue the Customer Programs and satisfy prepetition obligations related thereto pursuant to sections 363(b) and 105(a) of the Bankruptcy Code. There can be no doubt that continuing to administer the Customer Programs without interruption during the pendency of these chapter 11 cases is critical to preserve the value of the Debtors' estates. Customers expect and rely on the Customer Programs and may not continue supporting the Debtors' business if the Customer Programs are discontinued. It is incontrovertible that support from the Debtors' customers is essential for go-forward operations.

33. Where, as here, retaining the loyalty and patronage of customers is critical to the success of the Debtors' chapter 11 cases, the substantial benefit conferred on the Debtors' estates by the Customer Programs warrants the Court granting authority to the Debtors to honor the Customer Programs and any of the Debtors' obligations related thereto in the ordinary course of business.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

34. The Debtors have sufficient funds to pay the amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to cash collateral and debtor in possession financing. In addition, under the

Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the relief requested herein. The Debtors believe that checks or wire transfer requests, other than those relating to authorized payments, will not be honored inadvertently. Therefore, the Debtors respectfully request that the Court authorize and direct all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

Emergency Consideration

35. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case "to the extent that relief is necessary to avoid immediate and irreparable harm." An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors' operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors' operations at this critical juncture and imperil the Debtors' restructuring. The Debtors have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis.

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

36. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

37. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

38. Notwithstanding the relief granted in this Motion, any payment made (or to be made) by the Debtors pursuant to the authority granted herein shall be subject to the orders authorizing the use of cash collateral, and any cash collateral budget associated therewith.

Notice

39. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The final hearing (the "Final Hearing") on the Motion shall be held on _____, 2020, at __:__.m., prevailing Central Time. Any objections or responses to entry of a final order on the Motion shall be filed on or before 4:00 p.m., prevailing Central Time, on _____, 2020. In the event no objections to entry of the Final Order on the Motion are timely received, this Court may enter such Final Order without need for the Final Hearing.

2. The Debtors are authorized, but not directed, to continue to (a) administer the Customer Programs currently in effect and honor, pay, or otherwise satisfy any and all prepetition and postpetition obligations related to the Customer Programs on an interim basis and (b) pay and honor prepetition cash obligations under or related to the Customer Programs in the ordinary course of business in the amounts and categories described in the Motion. In the event the Debtors intend to exceed the category amounts detailed in the Motion, they shall file a notice of the proposed overage and category with the Court.

3. The Debtors are authorized, but not directed, to continue to operate under the Payment Processing Agreements. The Debtors are authorized to pay or reimburse the Payment Processing Providers for the Processing Fees, whether such obligations are incurred prepetition or postpetition, and the Payment Processing Providers are authorized to receive or obtain payment for such Processing Fees, as provided under, and in the manner set forth in, the respective Payment

Processing Agreements, including, without limitation, by way of recoupment or setoff without further order of the Court.

4. The Debtors shall maintain a matrix/schedule of payments, obligation, offsets, credits or reserves (hereafter “Customer Programs Obligations” or “Obligations”) related to the Customer Programs made pursuant to this Interim Order, including the following information: (a) the nature, date, and amount of the Obligations; (b) the category or type of Obligations, as further described and classified in the Motion; and (c) the Debtor or Debtors that made or incurred the Obligation. The Debtors shall provide a copy of such matrix/schedule to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases every other 30 days beginning upon entry of this Interim Order.

5. If the Debtors at any time during these chapter 11 cases cease to honor or choose to terminate the Customer Programs, the Debtors shall file a motion of the same with the Court, and such motion shall provide a ten-day time period for parties to object thereto. Such a motion shall be served upon the Office of the U.S. Trustee, any official committee appointed in these cases, the United States Attorney’s Office for the Southern District of Texas, all State Attorneys General in any State that the Debtors conduct business, any wholesale outlets to whom the Debtors sell gift cards in bulk, and any party filing request for service under Bankruptcy Rule 2002. In addition, the Debtors shall post notice of their intent to cease to honor or terminate the Gift Card Programs on the Debtors' company website and the case website hosted by the Debtors' claims agent in these chapter 11 cases. If no objections are timely raised, the motion shall be granted without need of a hearing.

6. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (a) an admission as to the

amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Interim Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Interim Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. Any payment made pursuant to this Interim Order should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

7. Notwithstanding anything to the contrary in this Interim Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Interim Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. ² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors' chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the "First Day Declaration"), filed contemporaneously with the Debtors' voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"), on August 2, 2020 (the "Petition Date"). Capitalized terms used but not otherwise defined in this Motion shall have the meanings given to them later herein, in the Interim Order, or in the First Day Declaration, as applicable.

Declaration, the “Declarations”) as well as the First Day Declaration. In support of this Motion, the Debtors contend:

Preliminary Statement

1. In the midst of an unprecedented pandemic exacerbating the disruption in the brick-and-mortar retail industry, the Debtors are pleased to present the Court with this Motion requesting (a) access to a \$500 million senior secured ABL revolving credit facility provided by the Prepetition ABL Lenders, which includes a \$150 million sublimit for the issuance of letters of credit, a “roll-up” of the existing letters of credit issued under the Prepetition ABL Facility, and a refinancing of the outstanding indebtedness under the Prepetition ABL Facility (the “DIP Facility”) and (b) authorization for the immediate (i) use of the cash collateral of the Prepetition ABL Lenders (the “Prepetition ABL Cash Collateral”) and (ii) use of the cash collateral of the Prepetition Term Loan Lenders (the “Prepetition Term Loan Collateral,” and together with the Prepetition ABL Cash Collateral, the “Cash Collateral”) in accordance with the Budget and certain milestones set forth in the Interim Order.

2. The Debtors require immediate access to the DIP Facility and to Cash Collateral. As of the Petition Date, the Debtors do not believe that they have sufficient liquidity to responsibly operate their business and satisfy their obligations to their landlords, employees, customers, suppliers, and vendors that arise from such ordinary course operations, as well as to pay the expenses of these chapter 11 cases (the “Chapter 11 Cases”). As such, the Debtors require immediate access to postpetition financing and the use of Cash Collateral to operate their businesses, preserve value, and avoid irreparable harm

3. The DIP Facility will provide the Debtors will adequate liquidity to support their ongoing restructuring and operational needs. Upon approval of the Interim Order, the Debtors are expected to have approximately \$147 million of total liquidity at the end of the week beginning

August 3, 2020. The DIP Facility will also allow the Debtors to refinance their obligations under the Prepetition ABL Facility by paying down indebtedness outstanding under the Prepetition ABL Facility in full, avoiding additional interest accrual. Furthermore, the DIP Facility contemplates the “roll-up” of the letters of credit issued under the Prepetition ABL Facility, which avoids the need for the Debtors to cash collateralize or otherwise replace, backstop, or adequately protect those obligations at a time when the price for liquidity is at a premium. Additionally, and importantly, the DIP Agreement includes a commitment by the DIP Lenders to convert the DIP Facility into an Exit ABL Facility upon emergence from chapter 11, subject to the Debtors meeting certain conditions. This conversion would obviate the need to run what may be an uncertain exit financing marketing process if COVID-19 persists and the incurrence of related costs that would otherwise be due if the Debtors separately sought exit financing at a later date, thereby providing the potential for additional cost savings for the Debtors’ estates at the conclusion of these Chapter 11 Cases and allowing the Debtors’ management to focus on other key aspects of emerging from chapter 11.

4. Moreover, in connection with entry into such DIP Facility, the Prepetition Secured Parties have also consented to the immediate access by the Debtors to their Cash Collateral upon entry of the Interim Order and subject to the terms of the Interim Order and the Budget. Additionally, and importantly, access to the Prepetition Term Loan Lenders Cash Collateral will allow the Debtors to pay down outstanding obligations under the DIP Facility on a specified schedule and open additional availability thereunder.

5. At the same time, although the DIP Facility will be used to repay obligations under the Prepetition ABL Facility in full upon entry of the Interim Order, the amount, validity, perfection, enforceability, priority, and extent of the Debtors’ prepetition obligations under the

Prepetition ABL Credit Agreement and Prepetition Term Loan Agreement and other Claim Matters will remain subject to the Challenge Period provided under the Interim Order. Accordingly, the Debtors believe that the Interim Order strikes an appropriate balance, enabling the Debtors' estates to obtain the economic benefits associated with the refinancing of the indebtedness under the Prepetition ABL Facility, without prejudicing any rights that any party in interest may have under the Interim Order with respect to the Prepetition Secured Parties.

6. The terms for access to the DIP Facility, the potential Exit ABL Facility contemplated thereby, and Cash Collateral are the product of weeks of arm's-length, hard-fought negotiations with the Prepetition ABL Lenders and the Prepetition Term Loan Lenders. Ultimately, the resolution reflected in the DIP Agreement, the proposed interim order attached hereto (the "Interim Order")³, and the restructuring support agreement (the "RSA") attached to the First Day Declaration as Exhibit A appropriately provides the Debtors with the necessary liquidity to operate their businesses and administer their estates during the anticipated duration of these Chapter 11 Cases. This resolution is supported by both the Prepetition ABL Lenders and the Prepetition Term Loan Lenders. By reaching a consensual deal, the Debtors have avoided protracted, costly litigation with the various secured parties who hold a lien on substantially all of the Debtors' assets, including Cash Collateral, and built a bridge from the Petition Date through emergence from chapter 11.

7. Obtaining an immediate injection of cash and access to Cash Collateral is critical to the Debtors remaining a going concern. Access to the DIP Facility and Cash Collateral is necessary to pay employees, restock stores with merchandise, maintain operations, and administer

³ The Debtors will file the form of Final Order (the "Final Order," and together with the Interim Order, the "DIP Orders") prior to the Final Hearing.

these Chapter 11 Cases as the Debtors look forward to reopening stores and emerging from the “cash preservation mode” implemented in light of the COVID-19 pandemic. This cash preservation mode involved several measures to pause outflows and protect the Debtors. **First**, the Debtors drew down \$285 million in the aggregate on their Prepetition ABL Facility as a proactive measure to increase the Debtors’ cash position and preserve financial flexibility. **Second**, the Debtors paused substantially all hiring, cut spending, reduced receipts of merchandising goods, and suspended all merit pay increases for 2020. **Third**, they extended payment terms with their vendors. **Fourth**, the Debtors made the incredibly difficult decision to furlough substantially all U.S. store employees as well as a significant portion of employees in the U.S. distribution network and corporate offices. The Debtors also implemented the temporary layoff of all Canadian store employees and a significant portion of Canadian employees in their Canadian distribution network and offices. **Fifth**, the Debtors took certain actions with respect to existing leases, including obtaining rent deferrals for several months. These difficult but necessary measures not only shielded the Debtors from immediate danger, but also provided the Debtors with sufficient runway to negotiate the terms of the DIP Facility, the Exit ABL Facility, and the transactions contemplated by the RSA.

8. The Debtors also negotiated a reasonable adequate protection package (the “Adequate Protection”) for the benefit of the Prepetition Secured Parties and with their consent. As set forth below, the Adequate Protection proposed for and agreed to by the Prepetition Secured Parties includes, among other things, liens on existing and new cash, inventory, and other real and personal property of the Debtors (other than the Term Loan Segregated Cash prior to its

release) and superpriority claims due to any diminution in value of their collateral. All of these provisions are reasonable, appropriate, and in line with market expectations.⁴

9. For these reasons, and for the reasons set forth below, in the Declarations and in the First Day Declaration, the Debtors believe that the incurrence of the DIP Facility and access to Cash Collateral will maximize the value of the Debtors' estates and are a sound exercise of the Debtors' business judgment. The Debtors respectfully request that the Court approve the entry of the Interim Order and the Final Order.

thereto, the lenders party thereto (the “Prepetition ABL Lenders”), and JPMorgan Chase Bank, N.A., as administrative agent (the “Prepetition ABL Agent”), and JPMorgan Chase Bank, N.A. Toronto branch, as Canadian administrative agent.

19. The Prepetition ABL Credit Agreement provides for a \$550 million facility with possible future increases to \$650 million (subject to a borrowing base composed primarily of receivables, credit card receivables and inventory) with a maturity date of October 25, 2022 (the “Prepetition ABL Facility”).¹⁰ The October 25, 2022 maturity date is subject to a springing maturity (a) on April 1, 2022, if any Senior Notes remain outstanding on that date, or (b) on the date that is the 91st day prior to the final maturity date of any class or tranche of term loans under the Prepetition Term Credit Agreement.

20. The obligations under the Prepetition ABL Facility (the “Prepetition ABL Obligations”) are secured on a senior basis by a first priority lien on substantially all of the assets of Tailored Brands, Inc., certain U.S. subsidiaries, and Moores The Suit People Corp., including, without limitation, accounts (including receivables), inventory, deposit accounts, security accounts, cash, and cash equivalents (collectively, the “Prepetition Collateral”). Certain of the Debtors have jointly and severally guaranteed all U.S. borrowing obligations under the Prepetition ABL Facility. Due to ongoing liquidity constraints, the aggregate availability under the Prepetition ABL Facility has been constrained for many months preceding the Petition Date, including due to

¹⁰ The Prepetition ABL Facility has several borrowing and interest rate options including the following indices: (a) adjusted LIBOR, (b) Canadian Dollar Offered Rate rate, (c) Canadian prime rate, or (d) an alternate base rate (equal to the greater of the prime rate, the New York Federal Reserve Bank rate plus 0.5% or adjusted LIBOR for a one-month interest period plus 1.0%). Advances under the Prepetition ABL Facility bear interest at a rate per annum using the applicable indices plus a varying interest rate margin of up to 1.75%. The Prepetition ABL Facility also provides for fees applicable to amounts available to be drawn under outstanding letters of credit which range from 1.25% to 1.75%, and a fee on unused commitments of 0.25%.

a \$260 million draw as a proactive measure in response to COVID-19. As of the Petition Date, there is approximately \$65 million of availability under the ABL Facility.

B. The Prepetition Term Loan.

21. The Men's Wearhouse, Inc. is party to that certain term credit agreement, dated as of June 8, 2014 (as amended by that certain amendment no. 1, dated June 26, 2014, as further amended by that certain incremental facility agreement no. 1, dated as of April 7, 2015, as further amended by that certain amendment no. 2, dated as of April 9, 2018, as further amended by that certain amendment no. 3, dated as of October 10, 2018, and as may be further amended, restated, amended and restated, modified, or supplemented from time to time, the "Prepetition Term Loan Credit Agreement," and the loans provided thereunder, the "Prepetition Term Loan"), with the lender from time to time party thereto (the "Prepetition Term Loan Lenders") and JPMorgan Chase, N.A. as administrative agent (the "Prepetition Term Loan Agent").

22. The Prepetition Term Loan Credit Agreement has a commitment level of \$900 million¹¹ and provides for an interest rate of 5.53%,¹² with a maturity date of April 9, 2025.¹³ The obligations are secured on a senior basis by a first priority lien on substantially all of the assets

¹¹ In addition to this commitment level, the Prepetition Term Loan Credit Agreement provides for the ability to request additional term loans or incremental equivalent debt borrowings, all of which uncommitted, in an aggregate amount up to the greater of (a) \$250 million and (b) an aggregate principal amount such that, on a *pro forma* basis (giving effect to such borrowings), the senior secured leverage ratio will not exceed 2.5 to 1.0.

¹² The interest rate on the Term Loan is based on 1-month LIBOR, which was 0.30% at May 2, 2020. However, the Term Loan interest rate is subject to a LIBOR floor of 1%, plus the applicable margin of 3.25%, results in a total interest rate of 4.25%. We have two interest rate swap agreements where the variable rates due under the Term Loan have been exchanged for a fixed rate. At May 2, 2020, the total notional amount under these interest rate swaps is \$705.0 million. As a result of our interest rate swaps, 80% of the variable interest rate under the Term Loan has been converted to a fixed rate and, as of May 2, 2020, the Term Loan had a weighted average interest rate of 5.62%.

¹³ The April 9, 2025 maturity date is subject to a springing maturity provision that would accelerate the maturity of the Prepetition Term Loans to April 1, 2022 if any of the Debtors' obligations under their Senior Notes remain outstanding as of April 1, 2022.

of the Debtors. As of the Petition Date, the Debtors have approximately \$877.4 million of aggregate principal outstanding under the Prepetition Term Loan Credit Agreement.

C. Senior Notes.

23. The Men's Wearhouse, Inc. issued 7.00% senior notes (the "Senior Notes") in the aggregate amount of \$600 million under that certain indenture dated as of June 18, 2014 (the "Indenture"). The Senior Notes are guaranteed, jointly and severally, on an unsecured basis by all other U.S. Debtors. The Senior Notes and the related guarantees are senior unsecured obligations of The Men's Wearhouse, Inc. and the guarantors, respectively, and will rank equally with all of The Men's Wearhouse, Inc.'s and each guarantor's present and future senior indebtedness. The Senior Notes will mature on July 1, 2022.¹⁴ As of the Petition Date, there is approximately \$173.8 million outstanding under the Senior Notes.

D. Equity Interests.

24. Tailored Brands, Inc.'s common stock is traded on the New York Stock Exchange ("NYSE") under the symbol "TLRD." As of the Petition Date, there were approximately 49.9 million shares outstanding.

II. The Debtors' Need for Immediate Access to the DIP Facility and Cash Collateral.

25. The DIP Facility and continued use of Cash Collateral will ensure that the Debtors are able to continue operating during these Chapter 11 Cases and preserve the value of their estates for the benefit of all parties in interest. Without postpetition financing and access to Cash Collateral, the Debtors will be unable to pay wages for their employees, rent to their landlords,

¹⁴ The Debtors may redeem some or all of the Senior Notes at any time on or after July 1, 2017 at the redemption prices set forth in the Indenture. As of February 1, 2020, the redemption price is 101.75% of the face value and steps down to 100% of the face value on July 1, 2020. Upon the occurrence of certain specific changes of control, they may be required to offer to purchase the Senior Notes at 101% of their aggregate principal amount plus accrued and unpaid interest thereon to the date of purchase.

preserve and maximize the value of their estates, and administer these Chapter 11 Cases, causing immediate and irreparable harm to the value of the Debtors' estates to the detriment of all stakeholders.

26. Further compounding the Debtors' liquidity need, in-store shopping at the Debtors' retail locations has grinded to a halt as a result of COVID-19. In response to state and local government mandates and recommendations, on March 17, 2020, the Debtors announced the temporarily closure of all retail locations in the U.S. and Canada. On March 19, the Debtors also announced the closure of their e-commerce fulfillment centers. The Debtors later extended their store closures until at least May 4, 2020. These store closures have significantly contributed to missed sales targets, unsold inventory, and constrained liquidity. Online sales have also suffered as a result of the COVID-19 outbreak primarily due to lower disposable income spending and concern among consumers with respect to the state of the economy.

27. Moreover, because the Debtors operate in a highly competitive industry, a seamless transition into chapter 11 and the ability to continue operations uninterrupted is imperative for the Debtors to preserve their market share, the reputation of their businesses, and the loyalty and goodwill of their customers, suppliers, and employees. The ability to effectuate the RSA, and the contemplated terms of restructuring therein, in an orderly manner hinges directly on the Debtors' ability to provide the necessary assurances to their key stakeholders. Commencing these Chapter 11 Cases with access to the DIP Facility and Cash Collateral will communicate to such stakeholders that the Debtors will be able to continue meeting the needs of their customers, compensating their employees, paying their vendors, and managing their businesses in a manner as close to the ordinary course as possible.

28. Absent such an ability to strongly demonstrate in the current market environment that the Debtors have the means available to operate in the ordinary course and procure goods and services that are vital to ongoing business operations, customers may seek alternatives, and vendors and suppliers may refuse to do business with the Debtors. The DIP Facility will be available to provide coverage of any shortfall in working capital for the Debtors' businesses, fund adequate protection payments, including those provided for herein, and satisfy the costs associated with consummating a plan of reorganization and completing the Debtors' restructuring.

29. In addition, through the conversion of the DIP Facility into the Exit ABL Facility, the DIP Facility will provide the Debtors the ability to obtain exit financing without the additional costs that would be incurred on account of an exit financing marketing process. The DIP Facility will further decrease costs by allowing the Debtors to issue letters of credit without the need to cash collateralize or provide adequate protection.

30. Accordingly, the Debtors require interim approval of the DIP Facility and access to Cash Collateral to allow the Debtors to access to the mission-critical liquidity under the DIP Facility to fund these Chapter 11 Cases.¹⁵ Absent the immediate relief requested by this Motion, the Debtors face a material risk of substantial, irreparable, and ongoing harm. Access to the DIP Facility and Cash Collateral will ensure the Debtors have sufficient funds to preserve and maximize the value of their estates, and responsibly administer these Chapter 11 Cases.

III. The Debtors' Proposed Adequate Protection Is Fair and Reasonable.

31. The Adequate Protection provided in the Interim Order is fair and reasonable under the circumstances. The Adequate Protection package proposed for, and agreed to by, the Prepetition ABL Secured Parties includes: (a) Prepetition ABL Adequate Protection Liens; (b) a

¹⁵ See Etlin Decl. ¶¶ 19–22.

Prepetition ABL Superpriority Claim; and (c) Prepetition ABL Adequate Protection Payments. The Adequate Protection package proposed for, and agreed to by, the Prepetition Term Loan Secured Parties includes: (a) Prepetition Term Loan Adequate Protection Liens; (b) Prepetition Term Loan Superpriority Claim; (c) Prepetition Term Loan Adequate Protection Payments; and (d) continued periodic reporting under the Prepetition Term Loan Credit Agreement and other enhanced reporting obligations and access to management of the Debtors no less than once every week.

32. Taken together, the cumulative effect of all of these provisions is to provide reasonable, appropriate, and indisputably adequate protection for the Prepetition Secured Parties.¹⁶ The proposed Adequate Protection is sufficient to protect the Prepetition Secured Parties from any diminution in value to the Prepetition Collateral, including Cash Collateral. In light of the foregoing, the Debtors submit, and the Prepetition Secured Parties agree, that the proposed Adequate Protection to be provided for the benefit of the Prepetition Secured Parties are appropriate.¹⁷ Access to Prepetition Term Loan Lenders Cash Collateral (including the Term Loan Segregated Cash) will allow the Debtors to free availability under the DIP Facility and thus provide liquidity that is vital for the Debtors to maintain operations, pay employees, and fund these Chapter 11 Cases. Thus, the Debtors' provision of the Adequate Protection is not only necessary to protect against any diminution in value but is fair and appropriate under the circumstances of these Chapter 11 Cases to ensure the Debtors are able to continue using Cash Collateral for the benefit of all parties in interest and their estates.

¹⁶ See Etlin Decl. ¶¶ 22–23.

¹⁷ Pursuant to the DIP Orders, the Prepetition Secured Parties are permitted to seek additional adequate protection in accordance with the terms thereof.

IV. Alternative Sources of Financing Are Not Readily Available.

33. The Debtors do not have alternative sources of financing readily available with terms better than those included in the DIP Facility. First, as described in the Baird Declaration, the Debtors' prepetition out-of-court marketing process—which included outreach to numerous parties for a variety of financing solutions—yielded no actionable results that would position the Debtors for long-term success. Second, the marketing process was constrained by the fact that all or substantially all of the Debtors' assets are encumbered under the Prepetition ABL Facility and the Prepetition Term Loan Facility, which restricts the availability of, and options for, postpetition financing.¹⁸

34. In the weeks prior to the Petition Date, the Debtors, PJT Partners LP ("PJT"), undertook a competitive marketing process for the DIP and exit facilities that involved both parties within as well as parties outside of the Debtors' existing capital structure. In particular, the Debtors prioritized a senior, asset based revolving DIP facility that refinanced the Debtors' Prepetition ABL Obligations using the same collateral as the Debtors' Prepetition ABL Obligations.¹⁹ With this in mind, and in parallel with discussions with the Prepetition ABL Agent, in July, PJT, at the direction of the Debtors, began reaching out to parties with the requisite experience and sophistication to participate in such facility. Potential providers of asset-based revolving DIP facilities are generally traditional banks and credit funds among other financial institutions, who are familiar with the chapter 11 process and who can move quickly to close a transaction.

¹⁸ See Baird Decl. ¶ 12.

¹⁹ See *id.*

35. In total, over 28 independent third-party capital providers were contacted and 15 non-disclosure agreements (“NDA”) were executed.²⁰ Fourteen parties subject to NDAs were granted access to a virtual data room containing detailed information regarding the Debtors and received access to non-public information. As a result of these efforts, seven potential lenders engaged in discussions with the Debtors, and two potential lenders requested further diligence material that were promptly provided and/or held diligence calls with the Debtors and their advisors and discussed the terms of potential DIP financing. The Debtors ultimately received one indication of interest from a party outside of the Debtors’ existing capital structure for an asset-based revolving DIP facility. Such indication of interest did not provide better economic terms to the Debtors compared to the DIP Facility.

36. In addition, PJT discussed the release of the Term Loan Segregated Cash with the Prepetition Term Loan Lenders to minimize costs to the estate and enhance the Debtors’ liquidity. After a lengthy negotiating process, the Prepetition Term Loan Lenders consented to the release of the Term Loan Segregated Cash, in accordance to and subject to the terms of the the Budget and the Interim Order. PJT also continued to explore options by discussing potential DIP financing with certain holders of the Unsecured Notes on a junior basis to the existing liens on the ABL Collateral and Term Loan Collateral. These holders did not express an interest in junior financing. In addition, no party was willing to provide financing to the Debtors on a junior lien or an unsecured basis.²¹

37. As a result, leading up to the Petition Date, it became clear to the Debtors that their best path to financing their chapter 11 cases was through a financing facility from the Prepetition

²⁰ See *id.* ¶ 13.

²¹ See *id.* ¶ 14.

ABL Lenders. Because the Prepetition ABL Facility is being refinanced in full, the DIP Facility does not prime the Prepetition ABL Lenders' liens on their collateral under the Prepetition ABL Facility.²² Accordingly, the Debtors avoid the need to engage in a priming fight at the outset of these Chapter 11 Cases. Moreover, in the event that the DIP Facility converts to the Exit ABL Facility, the DIP Facility will allow the Debtors to emerge from chapter 11 without the additional costs that would be incurred on account of an exit financing marketing process that would otherwise be incurred if the Debtors separately sought exit facility at a later date. Importantly, this conversion mechanism also provides the Debtors with a clear path to emergence, setting the stage for a successful restructuring and minimizing the costs associated with potential business disruption due to a lack of exit financing. In connection with entry into the DIP Facility, the Prepetition ABL Secured Parties also consented to the Debtors' use of their Cash Collateral upon entry of the Interim Order.

V. The DIP Facility Is in the Best Interest of the Estates.

38. As described above, the Debtors ultimately determined in their business judgment that the DIP Facility provided the most attractive financing available. Access to the DIP Facility provides access to critical liquidity, paves the way to a successful emergence from these Chapter 11 Cases by securing exit financing, and protects against market uncertainty and potentially liquidity concerns during the COVID-19 pandemic. The DIP Facility contemplated by this Motion will also instill confidence to the Debtors' customers, vendors, employees, and contract counterparties that operations are appropriately funded and that the bankruptcy filing will not negatively impact the Debtors' businesses. As such, the DIP Facility is fundamental to the

²² See *id.* ¶ 15.

preservation and maintenance of the Debtors' going-concern value during these Chapter 11 Cases and will facilitate the Debtors' successful reorganization.

39. The Debtors arrived in chapter 11 with a pre-negotiated deal in place and intend to continue engaging with all stakeholders postpetition to use the chapter 11 process to maintain consensus around a value-maximizing result that will inure to the benefit of stakeholders enterprise wide. Ultimately, the DIP Lenders offered the superior financing proposal in light of the circumstances of these Chapter 11 Cases, the time available, and the current market for such financing. Moreover, the DIP Facility will allow the Debtors to emerge from chapter 11 with immediate access to capital through a revolving credit facility on favorable terms. As a result, the Debtors ultimately determined in their business judgment that the DIP Facility was the most attractive financing available.

Basis for Relief

I. The Debtors Should Be Authorized to Obtain Postpetition and Exit Financing Through the DIP Documents.

A. Entry into the DIP Documents Is an Exercise of the Debtors' Sound Business Judgment.

40. The Court should authorize the Debtors to enter into the DIP Documents, refinance the Prepetition ABL Facility in full, provide access to the DIP Facility and Cash Collateral, and convert the DIP Facility into the Exit ABL Facility upon the occurrence of the Conversion Date. Section 364 of the Bankruptcy Code authorizes a debtor to obtain secured or superpriority financing under certain circumstances discussed in detail below. Courts grant a debtor-in-possession considerable deference in acting in accordance with their business judgment in obtaining postpetition secured credit, so long as the agreement to obtain such credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code. *See, e.g., In re N. Bay Gen. Hosp., Inc.*, No. 08-20368 (Bankr. S.D. Tex. July 11, 2008) (order approving postpetition

financing on an interim basis as exercise of debtors' business judgment); *In re L.A. Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) (“[C]ourts will almost always defer to the business judgment of a debtor in the selection of the lender.”); *In re Ames Dep’t Stores*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) (“[C]ases consistently reflect that the court’s discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.”).

41. To determine whether the business judgment standard is met, a court need only “examine whether a reasonable business person would make a similar decision under similar circumstances.” *In re Exide Techs.*, 340 B.R. 222, 239 (Bankr. D. Del. 2006); *see also In re Curlew Valley Assocs.*, 14 B.R. 506, 513–14 (Bankr. D. Utah 1981) (noting that courts should not second guess a debtor’s business decision when that decision involves “a business judgment made in good faith, upon a reasonable basis, and within the scope of [the debtor’s] authority under the [Bankruptcy] Code”).

42. In considering whether the terms of postpetition financing are fair and reasonable, courts consider the terms in light of the relative circumstances of both the debtor and the potential lender. *In re Farmland Indus., Inc.*, 294 B.R. 855, 886 (Bankr. W.D. Mo. Apr. 17, 2003); *see also Unsecured Creditors’ Comm. Mobil Oil Corp. v. First Nat’l Bank & Trust Co. (In re Ellingsen McLean Oil Co., Inc.)*, 65 B.R. 358, 365 n.7 (W.D. Mich. Apr. 30, 1986) (recognizing a debtor may have to enter into “hard” bargains to acquire funds for its reorganization).

43. The Debtors’ determination to move forward with the DIP Facility, and the potential Exit ABL Facility, is a sound exercise of their business judgment following an arm’s length negotiation process and careful evaluation of available alternatives. The Debtors and their

advisors determined that the DIP Facility provides financing on more favorable economic terms than other alternatives. The Debtors and their advisors also determined that the DIP Facility not only provides certainty with respect to the capital necessary for the administration of these Chapter 11 Cases through emergence and the Debtors' ongoing business operations but also to successfully emerge from these Chapter 11 Cases through the access of the Exit ABL Facility.

44. The Debtors negotiated the DIP Documents with the DIP Lenders in good faith, at arm's-length, and with the assistance of their advisors, and the Debtors believe that they have obtained the best financing currently available to the Debtors because (a) no lenders were willing to provide viable debtor-in-possession junior to the Prepetition Secured Parties on a junior lien or an unsecured or administrative priority basis and (b) the DIP Facility presents the best financing reasonably available to the Debtors with significant availability and competitive pricing while avoiding the time and expense of a priming fight and providing certainty as to the Debtors' liquidity at emergence. Accordingly, the Court should authorize the Debtors' entry into the DIP Documents as a reasonable exercise of the Debtors' business judgment.

45. Additionally, the repayment of the Prepetition ABL Credit Facility in full in cash with part of the proceeds of the DIP Facility is a sound exercise of the Debtors' business judgment. Under the DIP Facility, the Prepetition ABL Credit Facility will be repaid in full upon entry of the Interim DIP Order and in connection with the Debtors' initial draw under the DIP Facility. Such repayment is necessary to allow the Debtors to take full advantage of the favorable economic terms offered by the DIP Facility and the Exit ABL Facility, thereby maximizing value for all stakeholder. The repayment of the Prepetition ABL Credit Facility will merely accelerate the satisfaction of the Prepetition ABL Obligations without affecting recovery to other creditors because the Debtors believe that these prepetition obligations are fully secured by first-priority

liens in the Prepetition Collateral, with a value in excess of outstanding borrowings, and therefore would have received a full recovery upon emergence. Finally, repaying the Prepetition ABL Obligations will not prejudice any party's right to challenge the amount, validity, perfection, enforceability, priority, or extent of the Prepetition ABL Obligations or the liens arising under the Prepetition ABL Credit Agreement in accordance with the Interim Order—which are expressly reserved under the Interim Order.

B. The Debtors Should Be Authorized to Grant Liens and Superpriority Claims to the DIP Lenders.

46. The Debtors intend to provide security interests and liens as set forth in the DIP Documents pursuant to section 364(c) of the Bankruptcy Code. Specifically, the Debtors propose to provide to the DIP Lenders continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in, and liens on, the DIP Collateral, subject to the Carve Out.

47. The statutory requirement for obtaining postpetition credit under section 364(c) of the Bankruptcy Code is a finding, made after notice and hearing, that a debtor is “unable to obtain unsecured credit allowable under Section 503(b)(1) of [the Bankruptcy Code].” 11 U.S.C. § 364(c); *see In re Crouse Grp., Inc.*, 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987) (secured credit under section 364(c) of the Bankruptcy Code is authorized, after notice and hearing, upon showing that unsecured credit cannot be obtained). Courts have articulated a three-part test to determine whether a debtor is entitled to financing under section 364(c) of the Bankruptcy Code. Specifically, courts look to whether:

- a. the debtor is unable to obtain unsecured credit under section 364(b) of the Bankruptcy Code, *i.e.*, by allowing a lender only an administrative claim;
- b. the credit transaction is necessary to preserve the assets of the estate; and

- c. the terms of the transaction are fair, reasonable, and adequate, given the circumstances of the debtor-borrower and proposed lenders.

See In re Ames Dep't Stores, 115 B.R. at 37–40; *see also In re St. Mary Hosp.*, 86 B.R. 393, 401-02 (Bankr. E.D. Pa. 1988); *In re Crouse Grp.*, 71 B.R. at 549.

48. The Debtors meet each part of this test. As described above, no lenders were willing to provide postpetition financing on a junior lien or an unsecured or administrative priority basis.²³ The DIP Lenders will not fund the DIP Facility on any other terms, and no other existing stakeholder or third party has presented a higher or otherwise better debtor-in-possession financing proposal. In addition, the DIP Facility provides the Debtors with an exit ABL facility at favorable terms. Absent the DIP Facility, which will provide liquidity to pay down outstanding indebtedness under the Prepetition ABL Facility, certainty that the Debtors will have sufficient liquidity to administer these Chapter 11 Cases, and comfort to their employees and vendor constituencies that business will continue in the ordinary course, the value of the Debtors' estates would be impaired to the detriment of all stakeholders. Given the Debtors' circumstances, the Debtors believe that the terms of the DIP Facility, as set forth in the DIP Documents are fair, reasonable, and meet the standard for obtaining postpetition financing.

49. In the event a debtor is unable to obtain unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code, section 364(c) of the Bankruptcy Code provides that a court “may authorize the obtaining of credit or the incurring of debt (1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of [the Bankruptcy Code]; (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or (3) secured by a junior lien on property of the estate that is subject

²³ See Baird Decl. ¶ 14.

to a lien.” The Debtors are unable to obtain unsecured credit. Therefore, approving superpriority claims in favor of the DIP Lenders is reasonable and appropriate.

C. No Comparable Alternative to the DIP Facility Is Reasonably Available.

50. A debtor need only demonstrate “by a good faith effort that credit was not available without” the protections afforded to potential lenders by sections 364(c) of the Bankruptcy Code. *In re Snowshoe Co., Inc.*, 789 F.2d 1085, 1088 (4th Cir. 1986); *see also In re Reading Tube Indus.*, 72 B.R. 329, 332 (Bankr. E.D. Pa 1987). Moreover, in circumstances where only a few lenders likely can or will extend the necessary credit to a debtor, “it would be unrealistic and unnecessary to require [the debtor] to conduct such an exhaustive search for financing.” *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff’d sub nom. Anchor Sav. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 120 n.4 (N.D. Ga. 1989); *see also In re Ames Dep’t Stores*, 115 B.R. at 37–39 (debtor must show that it made reasonable efforts to seek other sources of financing under section 364(a) and (b)) (citing *In re Snowshoe Co.*, 789 F.2d at 1088 (demonstrating that credit was unavailable absent the senior lien by establishment of unsuccessful contact with other financial institutions in the geographic area)); *In re Stanley Hotel, Inc.*, 15 B.R. 660, 663 (D. Colo. 1981) (bankruptcy court’s finding that two national banks refused to grant unsecured loans was sufficient to support conclusion that section 364 requirement was met).

51. The Debtors do not believe that comparable alternative sources of financing are reasonably available given the realities imposed by the Debtors’ existing capital structure and the Debtors’ unsuccessful solicitation of alternative financing proposals on better or equally favorable terms. The Debtors solicited financing proposals from several potential lenders and ultimately conducted arm’s-length negotiations with the DIP Lenders regarding the terms of the DIP Facility and the Exit ABL Facility. Alternative sources of financing, especially ones that offer committed

post-emergence financing and avoid the need for a costly priming fight, with better or equally favorable terms are not available to the Debtors.

52. The Debtors determined that the DIP Facility is the best available opportunity to the Debtors under the circumstances to fund these Chapter 11 Cases and, if converted to the Exit ABL Facility, to provide liquidity upon emergence from chapter 11. The requirement of section 364 of the Bankruptcy Code that alternative credit on more favorable terms be unavailable to the Debtors is satisfied.

D. The Proposed Refinancing of Prepetition ABL Facility Should Be Approved.

53. The proposed refinancing of the Prepetition ABL Facility with the proceeds of the DIP Facility is an exercise of the Debtors' sound business judgment. Section 363(b) of the Bankruptcy Code permits a debtor to use, sell, or lease property, other than in the ordinary course of business, with court approval. Courts in the Fifth Circuit have recognized that it is appropriate to authorize the payment of prepetition obligations where necessary to protect and preserve the estate, including an operating business's going-concern value. *See, e.g., In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002) (authorizing payment of certain prepetition claims pursuant to "doctrine of necessity"); *In re Equalnet Commc'ns Corp.*, 258 B.R. 368, 369–70 (Bankr. S.D. Tex. 2000) (holding that business transactions critical to the survival of the business of the debtor are exceptions to the general rule of nonpayment of prepetition claims prior to plan confirmation). The business judgment rule shields a debtor's management from judicial second-guessing. *In re Johns-Manville Corp.*, 60 B.R. 612, 615–16 (Bankr. S.D.N.Y. 1986) ("[T]he [Bankruptcy] Code favors the continued operation of a business by a debtor and a presumption of reasonableness attaches to a debtor's management decisions.").

54. As set forth above, the DIP Agreement provides that, subject to entry of the Interim Order, the Prepetition ABL Facility will be fully repaid using part of the proceeds of the DIP

Facility, and the existing letters of credit issued thereunder will be “rolled-up” under the DIP Facility. The refinancing of the Prepetition ABL Facility, including the roll-up of existing letters of credit issued thereunder, is a sound exercise of the Debtors’ business judgment. The refinancing of the Prepetition ABL Facility was a material component of the structure of the RSA and the DIP Facility negotiated with the DIP Lenders, and a condition to their support for the restructuring transactions and their agreement to provide the Debtors with the DIP Facility and the potential Exit ABL Facility contemplated thereby. Without continued access to an asset-based lending facility and Cash Collateral to fund the administration of these Chapter 11 Cases, the Debtors’ would not be able to responsibly continue to operate on a go forward basis.²⁴ Maintaining the ability to continue as a going concern on the other side of a deleveraging restructuring transaction is of immense benefit to the Debtors’ estates and stakeholders, especially at a time of considerable uncertainty facing the capital market.

55. Importantly, the Prepetition ABL Secured Parties are oversecured. Where, as here, a prepetition secured creditor is oversecured, repaying such creditor that stands to receive payment in full with postpetition loans will not harm the Debtors’ estates and other creditors. Moreover, the conversion of the Prepetition ABL Obligations into DIP Obligations will provide an additional benefit to the estate because, in connection with this conversion, the Prepetition Term Loan Secured Parties have agreed to release approximately \$90 million of restricted cash securing the Prepetition Term Loan Facility. Finally, refinancing the Prepetition ABL Facility will not prejudice any party’s right to challenge the amount, validity, perfection, enforceability, priority, or extent of the Prepetition ABL Obligations or the liens thereto. Pursuant to the procedures set forth in the Interim Order, all parties in interest, including any official committee of unsecured

²⁴ See Etlin Decl. ¶ 16.

creditors that may be appointed in these Chapter 11 Cases (a “Committee”), may challenge the validity, extent, priority, perfection, and enforceability of the Prepetition Secured Obligations by no later than the earlier of (I) (a) 60 days from the date of formation of a Committee (if appointed) or (b) 75 days following the entry of the Interim Order in the case that no Committee is appointed or (II) the entry of an order confirming a plan of the Debtors or the sale of all or substantially all the assets of the Debtors. These procedures were developed to ensure that non-debtor party in interest would not be prejudiced by the relief requested herein.²⁵

56. The simple economic reality is that a peaceful, going concern transition in to chapter 11 comes at a price, which in this case the Debtors believe to be reasonable. The Prepetition ABL Secured Parties were unlikely to continue to lend postpetition without some assurance regarding their prepetition claims. Absent the Prepetition ABL Secured Parties’ support, the first month of the Debtors’ Chapter 11 Cases would likely devolve into a costly priming fight. In contrast, the refinancing of the Prepetition ABL Facility merely affects the timing, not the amount or certainty, of the Prepetition ABL Secured Parties recovery—the secured claims arising under the Prepetition ABL Facility are required by section 1129 of the Bankruptcy Code to be satisfied in full before recoveries to junior creditors may be provided, absent consent of such secured parties (which consent the Debtors do not have here).

57. Given these circumstances, the refinancing of the Prepetition ABL Facility, including the existing letters of credit issued thereunder, upon entry of the Interim Order is reasonable, appropriate, and a sound exercise of the Debtors’ business judgment.

²⁵ See Interim Order ¶ 50.

II. The Debtors Should Be Authorized to Use Cash Collateral.

58. The Debtors' use of property of their estates, including Cash Collateral, is governed by section 363 of the Bankruptcy Code,²⁶ which provides in relevant part that:

If the business of the debtor is authorized to be operated under section . . . 1108 . . . of this title and unless the court orders otherwise, the [debtor] may enter into transactions, including the sale or lease of property of the estate, in the ordinary course of business, without notice or a hearing, and may use property of the estate in the ordinary course of business without notice or a hearing.

11 U.S.C. § 363(c)(1).

59. Section 363(c)(2)(A) permits a debtor in possession to use cash collateral with the consent of the secured party. Here, the Prepetition ABL Secured Parties and the Prepetition Term Loan Secured Parties consent to the Debtors' use of Cash Collateral, subject to the terms and limitations set forth in the Interim Order. Therefore, the Debtors meet the standards of section 363(c)(2) of the Bankruptcy Code.

60. As described above and in the Etlin Declaration, access to Cash Collateral on an interim basis is essential to the continued operation of the Debtors' businesses and smooth entry into the Chapter 11 Cases. The Debtors believe use of Cash Collateral is in the best interests of the Debtors' estates and all of their stakeholders, including the Prepetition Secured Parties, and that the Interim Order should be approved.

²⁶ Section 363(a) of the Bankruptcy Code defines "cash collateral" as follows:

Cash, negotiable instruments, documents of title, securities, deposit accounts, or other cash equivalents whenever acquired in which the estate and an entity other than the estate have an interest and includes the proceeds, products, offspring rents, or profits of property and the fees, charges, accounts or other payments for the use or occupancy of rooms and other public facilities in hotels, motels, or other lodging properties subject to a security interest as provided in section 552(b) of this title, whether existing before or after the commencement of a case under this title.

11 U.S.C. § 363(a).

A. The Debtors' Proposed Grant of Adequate Protection to Use Cash Collateral Is Appropriate.

61. Section 363(e) provides for adequate protection of interests in property when a debtor uses cash collateral. Further, section 362(d)(1) of the Bankruptcy Code provides for adequate protection of interests in property due to the imposition of the automatic stay. *In re Cont'l Airlines*, 91 F.3d 553, 556 (3d Cir. 1996) (en banc). Although section 361 of the Bankruptcy Code provides examples of forms of adequate protection, such as granting replacement liens and administrative claims, courts decide what constitutes sufficient adequate protection on a case-by-case basis. *See, e.g., In re Swedeland Dev. Grp., Inc.*, 16 F.3d 552, 564 (3d Cir. 1994); *see also In re Dynaco Corp.*, 162 B.R. 389, 394 (Bankr. D.N.H. 1993) (citing 2 Collier on Bankruptcy ¶ 361.01[1] at 361–66 (15th ed. 1993) (explaining that adequate protection can take many forms and “must be determined based upon equitable considerations arising from the particular facts of each proceeding”)); *In re Beker Indus. Corp.*, 58 B.R. 725, 736 (Bankr. S.D.N.Y. 1986) (the application of adequate protection “is left to the vagaries of each case, but its focus is protection of the secured creditor from diminution in the value of its collateral during the reorganization process” (citation omitted)). Courts generally have found that using cash collateral to preserve the value of the secured creditors' collateral is a form of adequate protection in itself. *See, e.g., In re Salem Plaza Assocs.*, 135 B.R. 753, 758 (Bankr. S.D.N.Y. 1992) (holding that debtor's use of cash collateral from shopping center to pay operating expenses, thereby “preserv[ing] the base that generates the income stream,” provided adequate protection to the secured creditor).

62. The Prepetition ABL Secured Parties and the Prepetition Term Loan Secured Parties have consented to the Debtors' use of Cash Collateral in accordance with the Interim Order. Specifically, the Prepetition ABL Secured Parties have agreed to the Debtors' immediate access

to the Prepetition ABL Cash Collateral upon entry of the Interim Order, and the Prepetition Term Loan Secured Parties have agreed to provide access to the Prepetition Term Loan Collateral in accordance with certain milestones set forth in the Interim Order. As previously mentioned, the Debtors intend to use Cash Collateral to pay down the outstanding indebtedness under the DIP Facility, thereby increasing the Debtors' availability under the DIP Facility.

63. As part of that agreement, the Debtors have agreed to provide the Prepetition ABL Secured Parties and the Prepetition Term Loan Secured Parties with certain forms of adequate protection to protect against the postpetition diminution in value of Cash Collateral resulting from the use, sale, or lease of Cash Collateral by the Debtors and the imposition of the automatic stay. The proposed Adequate Protection package includes, *inter alia*, liens on existing and new cash, inventory, and other real and personal property of the Debtors (other than the Term Loan Segregated Cash prior to its release) and superpriority claims under section 507(b) of the Bankruptcy Code and, solely with respect to the Prepetition Term Loan Secured Parties, continued periodic reporting and other enhanced reporting obligations, all of which are standard and customary for a case of this size and nature.

64. The Prepetition Secured Parties will inherently benefit from the Debtors' proposed use of property of their estates, including Cash Collateral, which will prevent avoidable diminution in value of Cash Collateral, and enhance the likelihood of preserving the Debtors' overall going concern value as the Debtors continue to negotiate with all of their key stakeholders. Specifically, by Cash Collateral to lower their balance under the DIP Facility, the Debtors will be able to reduce interest expenses associated with subsequent borrowings. Preservation of the Debtors' business as a going concern in and of itself serves to provide such parties "adequate protection" for Bankruptcy Code purposes. *See 495 Cent. Park Ave. Corp.*, 136 B.R. 626, 631 (Bankr. S.D.N.Y.

1992) (noting that, in determining whether protection is “adequate,” courts consider “whether the value of the debtor’s property will increase as a result of the” use of collateral or provision of financing); *In re Sky Valley*, 100 B.R. at 114 (“[A]n increase in the value of the collateral . . . resulting from superpriority financing could result in adequate protection.” (citation omitted)).

65. The Debtors submit that the proposed Adequate Protection is sufficient to protect the Prepetition Secured Parties from any diminution in value to Cash Collateral. In light of the foregoing, the Debtors further submit, and the Prepetition Secured Parties agree, that the proposed Adequate Protection to be provided for the benefit of the Prepetition Secured Parties are appropriate.²⁷ Thus, the Debtors’ provision of the Adequate Protection is not only necessary to protect against any diminution in value but is fair and appropriate under the circumstances of these Chapter 11 Cases to ensure the Debtors are able to continue using Cash Collateral, subject to the terms and limitations set forth in the Interim Order, for the benefit of all parties in interest and their estates.

III. The Scope of the Carve Out Is Appropriate.

66. The proposed adequate protection is subject to the Carve Out contained in the DIP Orders. Without the Carve Out, the Debtors and other parties in interest may be deprived of certain rights and powers because the services for which professionals may be paid in these Chapter 11 Cases would be restricted. *See In re Ames Dep’t Stores*, 115 B.R. at 40 (observing that courts insist on carve outs for professionals representing parties in interest because “[a]bsent such protection, the collective rights and expectations of all parties-in-interest are sorely prejudiced”). The Carve Out does not directly or indirectly deprive the Debtors’ estates or other parties in interest

²⁷ Pursuant to the DIP Orders, the Prepetition Secured Parties are permitted to seek additional adequate protection in accordance with the terms thereof.

of possible rights and powers. Additionally, the Carve Out protects against administrative insolvency during the course of these Chapter 11 Cases by ensuring that assets remain for the payment of the Clerk of the Court, U.S. Trustee fees, and professional fees of the Debtors and any statutory committee appointed under section 1102 of the Bankruptcy Code in these Chapter 11 Cases.

IV. The Debtors Should Be Authorized to Pay the Fees Required by the DIP Agent and the DIP Lenders Under the DIP Documents.

67. In connection with negotiating the DIP Facility, the Debtors have agreed, subject to Court approval, to pay certain interests and fees to the DIP Lenders. In particular, as noted above, the Debtors have agreed to pay interests and fees consisting of the following:²⁸

- i. **Interest Rate.** The Borrowers shall pay interest at a rate, at the DIP Borrower's option, equal to the Base Rate or Canadian Prime Rate, as applicable, plus 1.50% per annum, or LIBOR or CDOR (in each case subject to a 0.75% floor), as applicable, plus 2.50% per annum, compounded monthly and payable monthly in cash in arrears.
- ii. **Unused Commitment Fee.** The Borrowers shall pay to the DIP Lenders a commitment fee equal to 0.30% on the average daily unused portions of the commitments under the \$500 million DIP Facility, payable quarterly in cash in arrears
- iii. **DIP Fee Letters.** Pursuant to that certain fee letters (the "Fee Letters"), which have been filed under seal with unredacted versions to be provided to the Court, the U.S. Trustee, and the Committee (if appointed), the Debtors have agreed to pay certain fees to the DIP Agent and the DIP Lenders.

68. The Debtors and the DIP Agent and DIP Lenders agree that these fees are an integral component of the overall terms of the DIP Facility, and are required by the DIP Lenders as consideration for the extension of postpetition financing. Further, each of the fees was subject

²⁸ The summaries contained in this Motion are qualified in their entirety by the provisions of the documents referenced. To the extent anything in this Motion is inconsistent with such documents, the terms of the applicable documents shall control. Capitalized terms used in this summary but not otherwise defined have the meanings ascribed to them in the DIP Documents.

to arm's-length and good faith negotiations between the Debtors and the DIP Agent on behalf of the DIP Lenders, and are market and appropriate in light of the circumstances of these Chapter 11 Cases. The Debtors considered the interest rates and fees described above when determining in their sound business judgment that the DIP Facility constituted the best, and only, actionable terms on which the Debtors could obtain the postpetition financing necessary to continue their operations, prosecute their cases, and benefit the Debtors' estates.

69. Accordingly, the Court should authorize the Debtors to pay the interest rates and fees provided under the DIP Documents and the Fee Letters.

V. The DIP Lenders Should Be Deemed Good-Faith Lenders Under Section 364(e) of the Bankruptcy Code.

70. Section 364(e) of the Bankruptcy Code protects a good-faith lender's right to collect on loans extended to a debtor, and their right in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. Section 364(e) of the Bankruptcy Code provides that:

The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

71. As explained herein, the DIP Documents are the result of: (a) the Debtors' reasonable and informed determination that the DIP Lenders offered the most favorable terms on which to obtain vital postpetition financing; and (b) arm's-length, good faith negotiations between the Debtors and the DIP Agent.

72. The Debtors submit that the terms and conditions of the DIP Documents are reasonable and appropriate under the circumstances, and the proceeds of the DIP Facility will be

used only for purposes that are permissible under the Bankruptcy Code. Further, the Debtors market-tested the terms of the DIP Facility before determining that the DIP Facility provided the best terms available. The Court should find that the DIP Lenders are “good faith” lenders within the meaning of section 364(e) of the Bankruptcy Code and are entitled to the protections afforded by that section.

VI. The Automatic Stay Should Be Modified on a Limited Basis.

73. The proposed Interim Order provides that the automatic stay provisions of section 362 of the Bankruptcy Code will be modified to allow the DIP Agent to file any financing statements, security agreements, notices of liens, and other similar instruments and documents to validate and perfect the liens and security interests granted to them. The proposed Interim Order further provides that the automatic stay is modified as necessary to permit the Debtors to grant, *inter alia*, the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims, and Adequate Protection Superpriority Claims, as more fully set forth in the Interim Order. Finally, the proposed Interim Order provides that, following the occurrence of an Event of Default, the automatic stay shall be modified to the extent necessary to permit the Prepetition Term Loan Agent to terminate and/or revoke the Debtors’ right under the Interim Order to use any Prepetition Term Priority Collateral (including any remaining Term Loan Segregated Cash), subject to the Debtors’ right to seek relief on an expedited basis.

VII. Failure to Obtain Immediate Interim Access to Cash Collateral Would Cause Immediate and Irreparable Harm.

74. Bankruptcy Rules 4001(b) and 4001(c) provide that a final hearing on a motion to use cash collateral pursuant to section 363 of the Bankruptcy Code may not be commenced earlier than 14 days after the service of such motion. Upon request, however, the Court may conduct a preliminary, expedited hearing on the motion and authorize the use of cash collateral to the extent

necessary to avoid immediate and irreparable harm to a debtor's estate. See Bankruptcy Rule 4001(b)(2). Section 363(c)(3) of the Bankruptcy Code authorizes the court to conduct a preliminary hearing and to authorize the use of cash collateral "if there is a reasonable likelihood that the [debtor] will prevail at the final hearing under [section 363(e) of the Bankruptcy Code]." 11 U.S.C. § 363(c)(3). Furthermore, the Complex Case Procedures provide that "on motion by the debtors, a hearing will routinely be conducted within three business days to consider . . . cash collateral use." Complex Case Procedures, ¶ 3.A.

75. The Debtors have an immediate postpetition need to access the liquidity provided by the DIP Facility and Cash Collateral. The Debtors cannot maintain the value of their estates during the pendency of these Chapter 11 Cases without access to cash. Furthermore, substantially all of the Debtors' available cash constitutes Cash Collateral of the Prepetition Secured Parties. The Debtors will therefore be unable to operate their business or otherwise fund these Chapter 11 Cases without access to Cash Collateral and approval of the DIP Facility and will suffer immediate and irreparable harm to the detriment of all creditors and other parties in interest. In short, the Debtors' ability to administer these Chapter 11 Cases through the access to the DIP Facility and Cash Collateral is vital to preserve and maximize the value of the Debtors' estates.

76. The Debtors request that the Court hold and conduct a hearing to consider entry of the Interim Order authorizing the Debtors, from and after entry of the Interim Order until the Final Hearing, to receive initial funding under the DIP Facility and to utilize Cash Collateral. The Debtors require the initial funding under the DIP Facility prior to the Final Hearing and entry of the Final Order to continue operating, pay their administrative expenses, and to implement the relief requested in the Debtors' other "first day" motions. This relief will enable the Debtors to

preserve and maximize value and, therefore, avoid immediate and irreparable harm and prejudice to their estates and all parties in interest, pending the Final Hearing.

Emergency Consideration

77. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors’ operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors’ operations at this critical juncture and imperil the Debtors’ restructuring. The Debtors have satisfied the “immediate and irreparable harm” standard of Bankruptcy Rule 6003, certified the circumstances surrounding the request for emergency relief in accordance with Bankruptcy Local Rule 9013-1(i), and request that the Court approve the relief requested in this Motion on an emergency basis.

Request for Final Hearing

78. Pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Court set a date for the Final Hearing that is as soon as practicable, and in no event after twenty-five days after the Petition Date, and fix the time and date prior to the Final Hearing for parties to file objections to this Motion.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

79. The Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

80. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

Notice

81. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in

interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request entry of the Interim Order and Final Order, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

The parties estimate that as of the termination, the Debtors owed to the Prepetition ABL Agent approximately \$41.5 million on account of the Swaps (the "Swap Termination Liability"). ABL Borrowers and the Prepetition ABL Guarantors granted to the Prepetition ABL Agent, for the benefit of itself and the Prepetition ABL Lenders, a security interest in and continuing lien on (the “Prepetition ABL Liens”) substantially all of their assets and property (with certain exceptions set out in the Prepetition ABL Documents), including (a) a first priority security interest in and continuing lien on the ABL Priority Collateral (as defined in that certain Intercreditor Agreement referred to in paragraph F(vii) below) and all proceeds, products, accessions, rents, and profits thereof, in each case whether then owned or existing or thereafter acquired or arising (collectively, the “Prepetition ABL Priority Collateral”), and (b) a second priority security interest in and continuing lien on the Term Priority Collateral (as defined in the Intercreditor Agreement) and proceeds, products, accessions, rents, and profits of any of the foregoing, in each case whether then owned or existing or thereafter acquired or arising (collectively, the “Prepetition Term Priority Collateral,” and together with the Prepetition ABL Priority Collateral, the “Prepetition Collateral”), subject only to the liens of the Prepetition Term Loan Agent on the Prepetition Term Priority Collateral and subject, in each case, to the Prepetition ABL Permitted Prior Liens (as defined herein). In addition, as more fully set forth in the Prepetition ABL Documents, prior to the Petition Date, the Canadian Borrower granted to the Canadian Agent, for the benefit of itself and the Prepetition ABL Parties, a security interest in and continuing lien on substantially all of its asset and property (the “Canadian Liens”) to secure the Canadian Obligations.

(iv) *Prepetition Term Loan Facility.* Pursuant to that certain *Term Credit Agreement* dated as of June 18, 2014 (as amended, restated, supplemented, waived or otherwise modified from time to time, the “Prepetition Term Loan Agreement,” and collectively with the Loan Documents (as defined in the Prepetition Term Loan Agreement) and any other agreements and documents executed or delivered in connection therewith, each as may be

amended, restated, supplemented, waived or otherwise modified from time to time, the “Prepetition Term Loan Documents,” and together with the Prepetition ABL Documents, the “Prepetition Documents”), among (a) the Lead Borrower (in such capacity, the “Prepetition Term Loan Borrower” and together with the Prepetition ABL Borrowers, the “Prepetition Borrowers”), (b) Wilmington Savings Fund Society, FSB, as successor administrative agent (in such capacities, the “Prepetition Term Loan Agent,” and together with the Prepetition ABL Agent, the “Prepetition Agents”), (c) the guarantors thereunder (the “Prepetition Term Loan Guarantors” and, together with the Prepetition ABL Guarantors, the “Prepetition Guarantors”), and (d) the lenders party thereto (the “Prepetition Term Loan Lenders,” and collectively with the Prepetition Term Loan Agent, the “Prepetition Term Loan Parties,” and together with the Prepetition ABL Parties, the “Prepetition Secured Parties”), the Prepetition Term Loan Lenders provided term loans and other financial accommodations to the Prepetition Term Loan Borrower (the “Prepetition Term Loan Facility,” and together with the Prepetition ABL Facility, the “Prepetition Secured Facilities”).

(v) *Prepetition Term Loan Obligations.* The Prepetition Term Loan Facility provided the Prepetition Term Loan Borrower with, among other things, Loans (as defined in the Prepetition Term Loan Agreement) in the aggregate principal amount of \$900,000,000.00. As of the Petition Date, the aggregate principal amount outstanding under the Prepetition Term Loan Facility was not less than \$877,400,000.00 (collectively, together with accrued and unpaid interest, any fees, expenses and disbursements (including, without limitation, attorneys’ fees, accountants’ fees, auditors fees, appraisers’ fees, and financial advisors’ fees and related expenses and disbursements payable or reimbursable thereunder), indemnification obligations, and other charges, amounts, and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Prepetition Term

Loan Borrower's and the Prepetition Term Loan Guarantors' obligations pursuant to, or secured by, the Prepetition Term Loan Documents, including all "Secured Obligations" as defined in the Prepetition Term Loan Agreement, and all interest, fees, prepayment premiums, costs and other charges allowable under section 506(b) of the Bankruptcy Code, the "Prepetition Term Loan Obligations," and together with the Prepetition ABL Obligations, the "Prepetition Secured Obligations").

(vi) *Prepetition Term Loan Liens and Prepetition Term Priority Collateral.* As more fully set forth in the Prepetition Term Loan Documents, prior to the Petition Date, the Prepetition Term Loan Borrower and the Prepetition Term Loan Guarantors granted to the Prepetition Term Loan Agent the benefit of itself and the Prepetition Term Loan Lenders, a security interest in and continuing lien on (the "Prepetition Term Loan Liens," and together with the Prepetition ABL Liens, the "Prepetition Liens") substantially all of their assets and property (with certain exceptions set out in the Prepetition Term Loan Documents), including (a) a first priority security interest in and continuing lien on the Prepetition Term Priority Collateral, and (b) a second priority security interest in and continuing lien on the Prepetition ABL Priority Collateral, subject only to the liens of the Prepetition ABL Agent on the Prepetition ABL Priority Collateral and subject, in each case, to the Prepetition Term Loan Permitted Prior Liens (as defined herein).

(vii) *Priority of Prepetition Liens; Intercreditor Agreement.* The Prepetition ABL Agent and the Prepetition Term Loan Agent entered into that certain Intercreditor Agreement dated as of June 18, 2014 (as amended, restated, supplemented, waived or otherwise modified from time to time, the "Intercreditor Agreement") to govern the respective rights, interests, obligations, priority, and positions of the Prepetition Secured Parties with respect

to the assets and properties of the Debtors and other obligors. Each of the Prepetition Borrowers and Prepetition Guarantors under the Prepetition Documents acknowledged and agreed to the Intercreditor Agreement.

(viii) *Validity, Perfection, and Priority of Prepetition ABL Liens and Prepetition ABL Obligations.* The Debtors acknowledge and agree that as of the Petition Date (a) the Prepetition ABL Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition ABL Parties for fair consideration and reasonably equivalent value; (b) the Prepetition ABL Liens were senior in priority over any and all other liens on the Prepetition Collateral, subject only to (1) the Prepetition Term Loan Liens on the Prepetition Term Priority Collateral, and (2) certain liens senior by operation of law (solely to the extent such liens were valid, non-avoidable, and senior in priority to the Prepetition ABL Liens as of the Petition Date and properly perfected prior to the Petition Date or perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code) or otherwise permitted by the Prepetition ABL Documents (the “Prepetition ABL Permitted Prior Liens”); (c) the Prepetition ABL Obligations constitute legal, valid, binding, and non-avoidable obligations of the Debtors enforceable in accordance with the terms of the applicable Prepetition ABL Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Prepetition ABL Liens or Prepetition ABL Obligations exist, and no portion of the Prepetition ABL Liens or Prepetition ABL Obligations is subject to any challenge or defense including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including, without

limitation, avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition ABL Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees arising out of, based upon or related to the Prepetition ABL Facility; (f) the Debtors waive, discharge, and release any right to challenge any of the Prepetition ABL Obligations, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the liens securing the Prepetition ABL Obligations; and (g) the aggregate value of the Prepetition ABL Priority Collateral exceeds the amount of the Prepetition ABL Obligations and the Prepetition ABL Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

(ix) *Validity, Perfection, and Priority of Prepetition Term Loan Liens and Prepetition Term Loan Obligations.* The Debtors further acknowledge and agree that, as of the Petition Date, (a) the Prepetition Term Loan Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition Term Loan Parties for fair consideration and reasonably equivalent value; (b) the Prepetition Term Loan Liens were senior in priority over any and all other liens on the Prepetition Collateral, subject only to (1) the Prepetition ABL Liens on the Prepetition ABL Priority Collateral, and (2) certain liens senior by operation of law (solely to the extent such liens were valid, non-avoidable, and senior in priority to the Prepetition Term Loan Liens as of the Petition Date and properly perfected prior to the Petition Date or perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code) or otherwise permitted by the Prepetition Term Loan Documents (the "Prepetition Term Loan Permitted Prior Liens") and,

together with the Prepetition ABL Permitted Prior Liens, the “Permitted Prior Liens”);⁶ (c) the Prepetition Term Loan Obligations constitute legal, valid, binding, and non-avoidable obligations of the Debtors enforceable in accordance with the terms of the applicable Prepetition Term Loan Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Prepetition Term Loan Liens or Prepetition Term Loan Obligations exist, and no portion of the Prepetition Term Loan Liens or Prepetition Term Loan Obligations is subject to any challenge or defense, including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including, without limitation, avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition Term Loan Parties, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees arising out of, based upon or related to the Prepetition Term Loan Facility; (f) the Debtors waive, discharge, and release any right to challenge any of the Prepetition Term Loan Obligations, the priority of the Debtors’ obligations thereunder, and the validity, extent, and priority of the liens securing the Prepetition Term Loan Obligations; and (g) the Prepetition Term Loan Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

Secured Parties, all former, current and future DIP Lenders, and each of their respective successors, assigns, affiliates, subsidiaries, parents, officers, shareholders, directors, employees, attorneys and agents, past, present and future, and their respective heirs, predecessors, successors and assigns (collectively, the “Releasees”) of and from any and all claims, controversies, disputes, liabilities, obligations, demands, damages, expenses (including reasonable attorneys’ fees), debts, liens, actions and causes of action of any and every nature whatsoever relating to, as applicable, the DIP ABL Facility, the DIP Documents, the Prepetition Secured Facilities, the Prepetition Documents, and/or the transactions contemplated hereunder or thereunder occurring prior to entry of this Interim Order, including (x) any so-called “lender liability” or equitable subordination or recharacterization claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the Prepetition Agents, the Prepetition Secured Parties, the DIP Agent, and the DIP Lenders. (xii) *Cash Collateral.* All of the Debtors’ cash, including any cash in

deposit accounts of the Debtors, wherever located, constitutes Cash Collateral of the Prepetition Secured Parties.

Moreover, nothing shall prejudice the rights of any party-in-interest, including, but not limited to the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, or a Committee (if appointed), to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Prior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien, rather, any such alleged claim arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens as such claims had with respect to the Prepetition ABL Liens.

H. **Continuation of Prepetition Liens.** In light of the integrated nature of the DIP ABL Facility, the DIP Documents, and the Prepetition Documents, the Prepetition Liens, and the DIP Liens that prime certain of the Prepetition Liens, are continuing liens, and the DIP Collateral is and will continue to be encumbered by such liens.

I. **Intercreditor Agreement.** Pursuant to section 510 of the Bankruptcy Code, the Intercreditor Agreement and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties (including, without limitation, the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims

and superpriority administrative expense claims granted, or amounts payable, by the Debtors under this Interim Order or otherwise and the modification of the automatic stay), (iii) shall govern the relative priorities, rights, and remedies of the DIP Secured Parties and the Prepetition Secured Parties, and (iv) shall not be deemed to be amended, altered, or modified by the terms of this Interim Order or the DIP Documents, unless as expressly set forth herein or therein. The DIP ABL Facility is deemed a “Refinancing” of the Prepetition ABL Facility as such term is used in the Intercreditor Agreement, and any repayment of the Prepetition ABL Obligations pursuant to this Interim Order shall not be deemed to constitute a “Discharge of Senior Obligations” (as defined in the Intercreditor Agreement).

J. **Findings Regarding Corporate Authority.** Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Documents to which it is a party and to perform its obligations thereunder.

K. **Findings Regarding Postpetition Financing**

(i) *Request for Postpetition Financing.* The Debtors seek authority to (a) enter into, and borrow under, the DIP ABL Facility on the terms described herein and in the DIP Documents, and (b) use Cash Collateral on the terms described herein, to administer their Cases and fund their operations. At the Final Hearing, the Debtors will seek final approval of the DIP ABL Facility and use of Cash Collateral pursuant to a proposed final order (the “Final Order”), which shall be in form and substance acceptable to the Debtors, the DIP Agent, the Prepetition Agents, and, provided the RSA (as defined below) has not been terminated on or prior to the Final Hearing, holders of Prepetition Term Loan Obligations who are signatories to the RSA (defined below) and hold an aggregate principal amount greater than 50% of the aggregate principal amount of Prepetition Term Loan Obligations held by all signatories to the Restructuring Support

Agreement dated August 2, 2020 (the “RSA”), attached to the First Day Declaration (the “Requisite Prepetition Term Loan Lenders”). Notice of the Final Hearing and Final Order will be provided in accordance with this Interim Order.

(ii) *Priming of the Prepetition Liens.* The priming of the Prepetition Liens on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP ABL Facility and as further described below, will enable the Debtors to obtain the DIP ABL Facility and to continue to operate their businesses to the benefit of their estates and creditors. The Prepetition Agents, for the benefit of themselves and the other Prepetition Secured Parties, are entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution in Value of each of the Prepetition Secured Parties’ respective interests in the Prepetition Collateral (including Cash Collateral).

(iii) *Need for Postpetition Financing and Use of Cash Collateral.* The Debtors have an immediate and critical need to use Cash Collateral on an interim basis and to obtain credit on an interim basis pursuant to the DIP ABL Facility in order to, among other things, enable the orderly continuation of their operations and to administer and preserve the value of their estates. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers, to pay their employees, and otherwise finance their operations requires the availability of working capital from the DIP ABL Facility and the use of Cash Collateral, the absence of either of which would immediately and irreparably harm the Debtors, their estates, and parties in interest. The Debtors do not have sufficient available sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business in the Interim Period without the DIP ABL Facility and authorized use of Cash Collateral.

(iv) *No Credit Available on More Favorable Terms.* The DIP ABL

Facility is the best source of debtor-in-possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the DIP ABL Facility. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain: (a) unsecured credit solely having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Financing on a postpetition basis on better terms is not otherwise available without granting the DIP Agent, for the benefit of itself and the DIP Secured Parties: (1) perfected security interests in and liens on (each as provided herein) all of the Debtors' existing and after-acquired assets (other than Excluded Assets) with the priorities set forth herein; (2) superpriority claims and liens; and (3) the other protections set forth in this Interim Order.

(v) *Use of Proceeds of the DIP ABL Facility.* As a condition to entry into the DIP ABL Credit Agreement, the extension of credit under the DIP ABL Facility and the authorization to use Cash Collateral, the DIP Secured Parties and the Prepetition Secured Parties require, and the Debtors have agreed, that proceeds of the DIP ABL Facility and the Cash Collateral shall be used, in each case in a manner consistent with the terms and conditions of this Interim Order and the DIP Documents and in accordance with the budget (as the same may be modified from time to time consistent with the terms of this Interim Order and the DIP Documents and subject to such variances as permitted in this Interim Order and the DIP ABL Credit

Agreement, and as set forth in paragraphs 20 and 21 hereof, the “Budget”),⁷ solely for: (a) working capital, capital expenditures and letters of credit, (b) other general corporate purposes of the Debtors; (c) permitted payment of costs of administration of the Cases; (d) payment of such other prepetition obligations as permitted under this Interim Order, the Budget, and the DIP Documents, and as approved by the Court; (e) payment of interest, fees, expenses, and other amounts (including legal and other professionals’ fees and expenses of the DIP Agent) to the extent owed under the DIP Documents; (f) payment of certain adequate protection amounts to the Prepetition Secured Parties, as set forth herein; (g) the repayment of the Prepetition ABL Obligations, subject to the rights preserved in paragraph 50 of this Interim Order; (h) payment of obligations arising from or related to the Carve Out, and making disbursements therefrom, including by funding the Carve Out Reserves; (i) payment on account of the Debtors’ guarantee of the Canadian Obligations; and (j) such other uses set forth in the Budget.

(vi) *Application of Proceeds of Collateral.* As a condition to entry into the DIP ABL Credit Agreement, the extension of credit under the DIP ABL Facility, and authorization to use Cash Collateral, the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties have agreed that, as of and commencing on the date of the Interim Hearing, the Debtors shall apply the proceeds of DIP Collateral in accordance with this Interim Order and the Budget (including, without limitation, the use of DIP Secondary Collateral to reduce the DIP Obligations in accordance with the Budget and, specifically, with: (a) 10% of the Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of the Interim Order; (b) 40% of incremental Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of the Final Order;

⁷ A copy of the initial Budget is attached hereto as **Exhibit 2.**

(c) 20% of incremental Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of an order approving a disclosure statement that is in form and substance acceptable to the Requisite Prepetition Term Loan Lenders (the “Disclosure Statement”); and (d) 30% of incremental Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of an order confirming a joint chapter 11 plan of reorganization that is in form and substance acceptable to the Requisite Prepetition Term Loan Lenders (the “Plan”) (clauses (a)-(d) collectively, the “Term Loan Segregated Cash Release Schedule”).⁸

(vii) *Canadian Recognition Proceeding.* Substantially contemporaneously with the entry of the Interim Order, the Canadian Debtor has filed an application (the “Canadian Case”) before the Ontario Superior Court of Justice (Commercial List) (the “Canadian Court”) for entry of an initial recognition order (the “Initial Recognition Order”) and a supplemental order (the “Supplemental Order”) recognizing the Cases as a foreign main proceeding and recognizing and giving full force and effect in all provinces and territories in Canada the orders rendered in the context of the Cases, including this Interim Order.

(viii) *Refinancing of Prepetition ABL Obligations.* Upon entry of this Interim Order, without any further action by the Debtors or any other party, but subject to paragraph 50 herein, all Prepetition ABL Obligations shall be repaid (or deemed repaid) or refinanced and, to the extent remaining outstanding, shall constitute DIP Obligations (the “DIP Roll-Up Obligations”).⁹ The refinancing and repayment of the Prepetition ABL Obligations shall

⁸ As used in this Interim Order, “Term Loan Segregated Cash” shall mean that certain “restricted cash” that constitutes DIP Secondary Collateral in the amount of approximately \$89,911,000.00.

⁹ The Swap Termination Liability will be paid in cash in full at emergence, pursuant to the plan of reorganization and the Court order confirming such plan.

be authorized as compensation for, in consideration for, and solely on account of, the agreement of the Prepetition ABL Lenders to fund amounts under the DIP ABL Facility and not as adequate protection for, or otherwise on account of, any Prepetition Secured Obligations. The Prepetition ABL Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens to the DIP Liens, and the DIP Secured Parties would not be willing to provide the DIP ABL Facility or extend credit to the Debtors thereunder without the repayment and refinancing of the Prepetition ABL Obligations by the DIP ABL Loans. Moreover, the refinancing of all outstanding Prepetition ABL Obligations will, upon entry of this Interim Order, create availability under the DIP ABL Facility and will result in interest savings to the Debtors and their estates. Because the DIP Roll-Up Obligations are subject to the reservation of rights in paragraph 50 below, they will not prejudice the right of any other party in interest.

L. **Adequate Protection.** Until such time as the Prepetition Secured Obligations (as applicable) are Paid in Full,¹⁰ the Prepetition ABL Agent, for the benefit of itself and the other Prepetition ABL Parties, and the Prepetition Term Loan Agent, for the benefit of itself and the other Prepetition Term Loan Parties, are each entitled to receive adequate protection

¹⁰ “Paid in Full” means the indefeasible repayment in full in cash of all obligations (including principal, interest, fees, prepayment premiums, expenses, indemnities, other than contingent indemnification obligations for which no claim has been asserted) under the applicable credit facility, the cash collateralization or repayment in full in cash of all treasury and cash management obligations, hedging obligations, and bank product obligations, and the cancelation, replacement, backing, or cash collateralization of letters of credit, in each case, in accordance with the terms of the applicable credit facility. No facility shall be deemed to have been Paid in Full until such time as, with respect to the applicable facility, (a) the commitments to lend thereunder have been terminated, (b) with respect to the Challenge Deadline (i) the Challenge Deadline (as defined in paragraph 50 of this Interim Order) shall have occurred without the timely and proper commencement of a Challenge or (ii) if a Challenge is timely and properly asserted prior to the Challenge Deadline, upon the final, non-appealable disposition of such Challenge; and (c) with respect to the Prepetition ABL Obligations, the Prepetition ABL Agent or the DIP Agent, as applicable, has received (i) a countersigned payoff letter in form and substance satisfactory to such Agent and (ii) releases in form and substance satisfactory to such Agent, each in its sole discretion.

to the extent of any Diminution in Value of their respective interests in the Prepetition Collateral as set forth in this Interim Order.

M. **Sections 506(c) and 552(b).** In light of: (i) the DIP Secured Parties' agreement that their liens and superpriority claims shall be subject to the Carve Out; (ii) the Prepetition ABL Parties' agreement that their liens shall be subject to the Carve Out and subordinate to the DIP Liens and, in the case of the Prepetition Term Priority Collateral, subordinate to the Prepetition Term Loan Liens and the Prepetition Term Loan Adequate Protection Liens; (iii) the Prepetition Term Loan Parties' agreement that their liens shall be subject to the Carve Out and, in the case of the Prepetition ABL Priority Collateral, subordinate to the DIP Liens, the Prepetition ABL Liens, and the Prepetition ABL Adequate Protection Liens; and (iv) the payment of prepetition claims and/or expenses as set forth in the Budget and first day motions in accordance with and subject to the terms and conditions of this Interim Order and the DIP Documents, (a) subject to entry of a Final Order, the Prepetition Secured Parties are each entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code, and (b) subject to entry of a Final Order, the DIP Secured Parties and the Prepetition Secured Parties are each entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code.

N. **Good Faith of the DIP Agent and DIP Lenders.**

(i) *Willingness to Provide Financing.* The DIP Lenders have indicated a willingness to provide financing to the Debtors subject to: (a) entry of this Interim Order and the Final Order; (b) approval of the terms and conditions of the DIP ABL Facility and the DIP Documents; (c) satisfaction of the closing conditions set forth in the DIP Documents; (d) entry of the Initial Recognition Order and the Supplemental Order by the Canadian Court, in a form satisfactory to the DIP Agent, commencing the Canadian Case and providing for a priority charge

against the property of the Canadian Debtor securing the DIP Obligations, as set forth herein and in the DIP Documents; and (e) findings by this Court that the DIP ABL Facility is essential to the Debtors' estates, that the DIP Secured Parties are extending credit to the Debtors pursuant to the DIP Documents in good faith, and that the DIP Secured Parties' claims, superpriority claims, security interests, and liens and other protections granted pursuant to this Interim Order and the DIP Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

(ii) *Business Judgment and Good Faith Pursuant to Section 364(e) of the Bankruptcy Code.* The terms and conditions of the DIP ABL Facility and the DIP Documents, and the fees paid and to be paid thereunder, are fair, reasonable, and the best available to the Debtors under the circumstances, are ordinary and appropriate for secured financing to debtors in possession, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration. The terms and conditions of the DIP ABL Facility and the use of Cash Collateral were negotiated in good faith and at arms' length among the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties, with the assistance and counsel of their respective advisors. Use of Cash Collateral and credit to be extended under the DIP ABL Facility shall be deemed to have been allowed, advanced, made, or extended in good faith by the DIP Secured Parties and the Prepetition Secured Parties within the meaning of section 364(e) of the Bankruptcy Code.

O. **Immediate Entry.** Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(c)(2).

P. **Interim Hearing.** Notice of the Interim Hearing and the relief requested in the DIP Motion has been provided by the Debtors, whether by facsimile, electronic mail, overnight courier or hand delivery, to certain parties in interest, including: (i) the U.S. Trustee; (ii) those

entities or individuals included on the Debtors' list of 30 largest unsecured creditors on a consolidated basis; (iii) counsel to the Prepetition ABL Agent; (iv) counsel to the Prepetition Term Loan Agent; and (v) all other parties entitled to notice under the Local Rules. The Debtors have made reasonable efforts to afford the best notice possible under the circumstances.

Based upon the foregoing findings and conclusions, the DIP Motion, the DIP Declarations, and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED that:

1. Interim Financing Approved. The DIP Motion is granted, the Interim Financing (as defined herein) is authorized and approved, and the use of Cash Collateral on an interim basis is authorized, in each case subject to the terms and conditions set forth in the DIP Documents and this Interim Order. Any objections to this Interim Order to the extent not withdrawn, waived, settled, or resolved are hereby denied and overruled.

DIP ABL Facility Authorization

2. Authorization of the DIP ABL Facility. The DIP ABL Facility is hereby approved. The Debtors are expressly and immediately authorized and empowered to execute and deliver the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Documents, and to deliver all instruments, certificates, agreements, and documents that may be required or necessary for the performance by the Debtors under the DIP ABL Facility and the creation and perfection of the DIP Liens (as defined herein) described in and provided for by this Interim Order and the DIP Documents, including each of the Guarantors providing its joint and several guarantee of all of the DIP Obligations and such acts as shall be necessary or desirable in order to effect the repayment

and the refinancing of the Prepetition ABL Obligations. The Debtors are hereby authorized and directed to pay, in accordance with this Interim Order and the DIP Documents, the principal, interest, fees, payments, expenses, and other amounts described in the DIP Documents as such amounts become earned, due, and payable and without need to obtain further Court approval, including closing fees, letter of credit fees (including issuance, fronting, and other related charges), unused facility fees, prepayment premiums (if applicable), continuing commitment fees, servicing fees, audit fees, appraisal fees, liquidator fees, structuring fees, arrangement fees, upfront fees, administrative agent's fees, the reasonable and documented fees and disbursements of the DIP Agent's attorneys, advisors, accountants, and other consultants, in such cases, reimbursable under the DIP Documents, whether or not such fees arose before or after the Petition Date, and to take any other actions that may be necessary or appropriate, all to the extent provided in this Interim Order or the DIP Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations, or otherwise, will be deposited and applied as required by this Interim Order and the DIP Documents. Upon execution and delivery, the DIP Documents shall represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms. The Debtors' joint and several guarantee of the Canadian Obligations under the Canadian Guarantee is and shall remain in full force and effect, including with respect to any and all Canadian Obligations arising after the Petition Date.

3. Authorization to Borrow. To prevent immediate and irreparable harm to the Debtors' estates, from the entry of this Interim Order through and including the earliest to occur of (i) entry of the Final Order or (ii) the DIP Termination Date (as defined below), and subject to the terms, conditions, limitations on availability and reserves (as applicable) set forth in the DIP

Documents and this Interim Order, the Debtors are hereby authorized to request extensions of credit (in the form of loans and letters of credit) up to an aggregate outstanding principal amount of not greater than \$500,000,000.00 at any one time outstanding under the DIP ABL Facility (the “Interim Financing”).

4. DIP Obligations. The DIP Documents and this Interim Order shall constitute and evidence the validity and binding effect of the DIP Obligations, which shall be enforceable against the Debtors, their estates, and any successors thereto, including any trustee appointed in the Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the “Successor Cases”). Upon entry of this Interim Order, the DIP Obligations will include all loans, letter of credit reimbursement obligations, and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to any of the DIP Secured Parties, in each case, under, or secured by, the DIP Documents or this Interim Order, including all principal, accrued interest (at the rate set out in the DIP ABL Facility), costs, fees, expenses and other amounts as provided in the DIP Documents. Without limiting the foregoing, the DIP Obligations shall also include cash management and bank product exposure and obligations of the DIP Lenders and their affiliates to the extent described in, or secured by, the Prepetition ABL Documents and DIP Documents. Upon entry of this Interim Order, all Banking Services Obligations and Existing Letters of Credit (each as defined in the DIP ABL Credit Agreement) issued by the Prepetition ABL Parties for the account of the Debtors under the Prepetition ABL Agreement shall continue in place and all obligations under or in connection with such letters of credit shall be subject to the DIP ABL Credit Agreement and shall constitute DIP Obligations. The Debtors shall be jointly and severally liable for the DIP Obligations, which

shall be due and payable, without notice or demand, and the use of Cash Collateral shall automatically cease on the earlier of the DIP Termination Date or the Cash Collateral Termination Date (each as defined herein) in each case, except as provided in paragraph 33 herein. No obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Documents (including any DIP Obligation or DIP Liens (as defined below), and including in connection with any adequate protection provided to the Prepetition Secured Parties hereunder) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

5. DIP Liens. Subject and subordinate to the Carve Out as set forth in this Interim Order, in order to secure the DIP Obligations, effective immediately upon entry of this Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Agent, for the benefit of itself and the DIP Secured Parties, is hereby granted, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens (collectively, the “DIP Liens”) on all real and personal property, whether now existing or hereafter arising and wherever located, tangible and intangible, of each of the Debtors (the “DIP Collateral”), other than the Term Loan Segregated Cash prior to its release in accordance with the Term Loan Segregated Cash Release Schedule, including without limitation: (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other

receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not marketable) and investment property (including, without limitation, all of the issued and outstanding capital stock or equivalents of each of its subsidiaries), hedge agreements, furniture, fixtures, equipment (including documents of title), goods, franchise rights, trade names, trademarks, servicemarks, copyrights, patents, license rights, intellectual property, general intangibles (including, for the avoidance of doubt, payment intangibles), rights to the payment of money (including, without limitation, tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action, and all substitutions, indemnification rights, all present and future intercompany debt, books and records related to the foregoing, accessions and proceeds of the foregoing, wherever located, including insurance or other proceeds; (b) all proceeds of leased real property; (c) the proceeds of actions brought under section 549 of the Bankruptcy Code to recover any postpetition transfer of DIP Collateral; (d) subject to entry of a Final Order (other than with respect to the proceeds of actions brought pursuant to section 549 of the Bankruptcy Code, which shall constitute DIP Collateral upon entry of this Interim Order), the proceeds of any avoidance actions brought pursuant to Chapter 5 of the Bankruptcy Code or applicable state law equivalents (subparagraphs (c) and (d), the “Avoidance Actions”); (e) subject to entry of a Final Order, proceeds of the Debtors’ rights under sections 506(c) (solely to the extent such rights result from the use of the DIP ABL Facility or the DIP Collateral and are, therefore, enforceable against parties other than the DIP Agent, DIP Lenders or the Prepetition Secured Parties) and 550 of the Bankruptcy Code; and (f) all DIP Collateral that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date. Notwithstanding the foregoing, DIP Collateral shall not include the Debtors’ real property leases (but shall include all proceeds of

such leases). DIP Collateral that is (i) of a type that would be ABL Priority Collateral; (ii) of a type that would be ABL Priority Collateral, but that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date; and (iii) subject to entry of the Final Order, the proceeds of Avoidance Actions, shall, in each case, constitute “DIP Primary Collateral.” DIP Collateral that is (i) of a type that would be Prepetition Term Priority Collateral and (ii) the proceeds of the Debtors’ real property leases shall, in each case, constitute “DIP Secondary Collateral.”

6. DIP Lien Priority. The DIP Liens are valid, automatically perfected, non-avoidable, senior in priority, and superior to any security, mortgage, collateral interest, lien, or claim to any of the DIP Collateral, except that the DIP Liens shall be subject to the Carve Out as set forth in this Interim Order and shall otherwise be junior only to: (a) as to the DIP Primary Collateral, Permitted Prior Liens; and (b) as to the DIP Secondary Collateral, (i) Permitted Prior Liens; (ii) the Prepetition Term Loan Liens; and (iii) the Prepetition Term Loan Adequate Protection Liens (as defined herein). Other than as set forth herein (including the Carve Out, the Prepetition Term Loan Liens (with respect to the DIP Secondary Collateral), and the Prepetition Term Loan Adequate Protection Liens (with respect to the DIP Secondary Collateral)) or in the DIP Documents, the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Cases or any Successor Cases and shall be valid and enforceable against any trustee appointed in the Cases or any Successor Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code (or in any other Successor Case), and/or upon the dismissal of any of the Cases or Successor Cases. The DIP Liens shall not be subject to section 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be

pari passu with or senior to the DIP Liens.

7. DIP Superpriority Claims. Subject and subordinate to the Carve Out and, with respect to claims attributable to DIP Secondary Collateral, the Prepetition Term Loan Adequate Protection Claims (as defined herein), each as set forth in this Interim Order, upon entry of this Interim Order, the DIP Agent, on behalf of itself and the DIP Secured Parties, is hereby granted, pursuant to section 364(c)(1) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (collectively, the “DIP Superpriority Claims”) for all DIP Obligations. The DIP Superpriority Claim shall have priority over any and all other obligations, liabilities and indebtedness of each Debtor (other than the Carve Out and, with respect to claims attributable to DIP Secondary Collateral, the Prepetition Term Loan Adequate Protection Claims) of the kind specified in section 503(b) and 507(b) of the Bankruptcy Code, including, to the extent allowed under the Bankruptcy Code, any and all administrative expense claims and unsecured claims against the Debtors or their estates in any of the Cases and any Successor Cases, at any time existing or arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 328, 330, 331, 364, 503(a), 503(b), 507(a) (other than 507(a)(1)), 507(b), 546(c), 726 (to the extent permitted by law), 1113, and 1114 of the Bankruptcy Code, and any other provision of the Bankruptcy Code, to the extent provided under section 364(c)(1) of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Superpriority Claims.

8. No Obligation to Extend Credit. Except as may be required to fund the Carve Out Reserves (as defined below) as set forth in this Interim Order, the DIP Secured Parties

shall have no obligation to make any loan or advance, or to issue, amend, renew, or extend any letters of credit or bankers' acceptance under the DIP Documents, unless all of the conditions precedent to the making of such extension of credit or the issuance, amendment, renewal, or extension of such letter of credit or bankers' acceptance be deemed issued under and subject to the DIP Documents and this Interim Order have been satisfied in full or waived by the DIP Agent in accordance with the terms of the DIP ABL Credit Agreement.

9. Use of Proceeds of DIP ABL Facility. From and after the Petition Date, the Debtors shall use advances of credit under the DIP ABL Facility, in accordance with the Budget (subject to such variances as permitted in this Interim Order and the DIP ABL Credit Agreement), only for the purposes specifically set forth in this Interim Order, the DIP Documents, and the Budget and in compliance with the terms and conditions in this Interim Order and the DIP Documents.

10. DIP Roll-Up Obligations. Upon entry of this Interim Order, without any further action by the Debtors or any other party, and as a condition to the provision of liquidity under the DIP ABL Facility, the Prepetition ABL Obligations shall be refinanced and repaid by the DIP ABL Loans and shall, to the extent remaining outstanding, constitute DIP Obligations. The authorization of the DIP Roll-Up Obligations shall be subject to the reservation of rights set forth in paragraph 50 of this Interim Order.

Authorization to Use Cash Collateral

11. Authorization to Use Cash Collateral. Subject to the terms and conditions of this Interim Order, the DIP ABL Facility, and the DIP Documents and in accordance with the Budget (subject to such variances as permitted in this Interim Order and the DIP Documents), including, without limitation, the use of DIP Secondary Collateral to reduce the DIP Obligations

(without a commitment reduction) in accordance with the Budget and in accordance with the Term Loan Segregated Cash Release Schedule, the Debtors are authorized to use Cash Collateral until the earlier of the DIP Termination Date or the Cash Collateral Termination Date (each as defined herein); *provided, however*, that, upon the Termination Declaration Date, the Carve-Out shall be funded and available to satisfy then-due Allowed Professional Fees (as defined in paragraph 47 of this Interim Order); *provided, further*, that during the Remedies Notice Period (as defined herein), the Debtors may use Cash Collateral to meet payroll obligations (other than severance), sales taxes and other expenses that the DIP Agent and Prepetition Term Loan Agent approve (each in its sole discretion) as critical to keeping the Debtors' business operating subject to the Budget. Nothing in this Interim Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor's use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Interim Order (including the Carve Out), the DIP ABL Facility, the DIP Documents, and in accordance with the Budget (subject to such variances as permitted in this Interim Order and the DIP Documents). For the avoidance of doubt, other than as set forth in this paragraph 11, the Debtors shall have no authority to utilize the Term Loan Segregated Cash pursuant to this Interim Order.

12. Adequate Protection Liens.

(a) *Prepetition ABL Adequate Protection Liens.* Subject to the Carve Out as set forth in this Interim Order, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Prepetition ABL Parties in the Prepetition Collateral to the extent of any Diminution in Value of such interests in the Prepetition Collateral, the Debtors hereby grant to the Prepetition ABL Agent, for the benefit of itself and the Prepetition ABL Parties, continuing, valid, binding, enforceable, and perfected postpetition

security interests in and liens (the “Prepetition ABL Adequate Protection Liens”) on the DIP Collateral; *provided* that the foregoing collateral shall not include assets or property (other than Prepetition Collateral, including Cash Collateral and the proceeds thereof) upon which, and solely to the extent that, the grant of an Adequate Protection Lien (as defined herein) as contemplated in this Interim Order, unless otherwise expressly permitted by the terms of the applicable executory contracts and unexpired nonresidential leases, would constitute a default or event of default under any of the Debtors’ contracts or leases (and such default would not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof.

(b) *Prepetition Term Loan Adequate Protection Liens.* Subject to the Carve Out as set forth in this Interim Order, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Prepetition Term Loan Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Debtors hereby grant to the Prepetition Term Loan Agent, for the benefit of itself and the Prepetition Term Loan Parties, valid, binding, enforceable, and perfected postpetition security interests in and liens (the “Prepetition Term Loan Adequate Protection Liens,” and together with the Prepetition ABL Adequate Protection Liens, the “Adequate Protection Liens”) on the DIP Collateral and the Term Loan Segregated Cash; *provided* that the foregoing collateral shall not include assets or property (other than Prepetition Collateral, including Cash Collateral and the proceeds thereof) upon which, and solely to the extent that, the grant of an Adequate Protection Lien as contemplated in this Interim Order, unless otherwise expressly permitted by the terms of the applicable executory contract or unexpired nonresidential leases would constitute a default or event of default under any of the Debtors’ contracts or leases (and such default would

not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof.

13. Priority of Adequate Protection Liens.

(a) The Prepetition ABL Adequate Protection Liens shall be subject to the Carve Out as set forth in this Interim Order and shall otherwise be junior only to: (i) with respect to the DIP Primary Collateral, (A) the DIP Liens; (B) Permitted Prior Liens; and (C) the Prepetition ABL Liens; and (ii) with respect to the DIP Secondary Collateral, (A) Permitted Prior Liens; (B) the Prepetition Term Loan Liens; (C) the Prepetition Term Loan Adequate Protection Liens; (D) the DIP Liens; and (E) the Prepetition ABL Liens. The Prepetition ABL Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Collateral, subject to the Intercreditor Agreement.

(b) The Prepetition Term Loan Adequate Protection Liens shall be subject to the Carve Out as set forth in this Interim Order and shall otherwise be junior only to: (i) with respect to the DIP Primary Collateral, (A) Permitted Prior Liens, (B) the DIP Liens, (C) the Prepetition ABL Liens, (D) the Prepetition ABL Adequate Protection Liens, and (E) the Prepetition Term Loan Liens; and (ii) with respect to the DIP Secondary Collateral, (A) Permitted Prior Liens, and (B) the Prepetition Term Loan Liens. The Prepetition Term Loan Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Collateral, subject to the Intercreditor Agreement.

(c) Except as provided herein, the Adequate Protection Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter in the Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in any of the Cases or any Successor Cases, or upon the dismissal of any of the Cases or Successor

Cases. The Adequate Protection Liens shall not be subject to sections 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the Prepetition Liens or the Adequate Protection Liens.

14. Adequate Protection Superpriority Claims.

(a) *Prepetition ABL Superpriority Claim.* As further adequate protection of the interests of the Prepetition ABL Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Prepetition ABL Agent, on behalf of itself and the Prepetition ABL Parties, is hereby granted, subject to the Carve Out, as and to the extent provided by section 507(b) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (the “Prepetition ABL Superpriority Claim”).

(b) *Prepetition Term Loan Superpriority Claim.* As further adequate protection of the interests of the Prepetition Term Loan Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Prepetition Term Loan Agent, on behalf of itself and the Prepetition Term Loan Parties, is hereby granted, subject to the Carve Out, as and to the extent provided by section 507(b) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (the “Prepetition Term Loan Superpriority Claim,” and together with the Prepetition ABL Superpriority Claim, the “Adequate Protection Superpriority Claims”).

15. Priority of the Adequate Protection Superpriority Claims. Except as set forth herein, the Adequate Protection Superpriority Claims shall have priority, to the extent provided by section 507(b) of the Bankruptcy Code, over all administrative expense claims and

unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 328, 330, 331, 503(a), 503(b), 507(a) (other than 507(a)(1), 506(c) (subject to entry of the Final Order), 507(b), 546(c), 726 (to the extent permitted by law), 1113, and 1114 of the Bankruptcy Code; *provided, however*, the Adequate Protection Superpriority Claims shall be subject to the Carve Out and shall otherwise have priority in the following order: (a) with respect to the DIP Primary Collateral, (1) the DIP Superpriority Claim, (2) the Prepetition ABL Superpriority Claim, and (3) the Prepetition Term Loan Superpriority Claim; and (b) with respect to the DIP Secondary Collateral, (1) the Prepetition Term Loan Superpriority Claim, (2) the DIP Superpriority Claim, and (3) the Prepetition ABL Superpriority Claim.

16. Adequate Protection Payments and Protections for Prepetition ABL Parties.

As further adequate protection (the “Prepetition ABL Adequate Protection Payments”), the Debtors are authorized and directed to provide adequate protection to the Prepetition ABL Parties in the form of payment in cash (and as to fees and expenses, without the need for the filing of a formal fee application) of (a) solely to the extent that any Prepetition ABL Obligations remain outstanding after entry of this Interim Order, interest (at the rate in accordance with the provisions of the Prepetition Documents) and principal due under the Prepetition ABL Documents with respect to such remaining Prepetition ABL Obligations, subject to the rights preserved in paragraph 50 below, (b) immediately upon entry of this Interim Order, payment of the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition ABL Agent arising prior to the Petition Date and reimbursable under the Prepetition ABL Documents, including

reasonable and documented fees and expenses of (1) Morgan, Lewis & Bockius LLP, (2) McMillan LLP, (3) Berkeley Research Group, LLC and (4) Winstead PC (collectively, the “ABL Advisors”), and (iii) in accordance with the procedures set forth in paragraph 43 hereof, the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition ABL Agent arising subsequent to the Petition Date reimbursable under the Prepetition ABL Documents; *provided, however*, that during the continuation of a DIP Event of Default, any such payments to the Prepetition ABL Parties shall be made solely from the DIP Primary Collateral. Subject to entry of the Final Order, upon the earliest to occur of (a) entry of the Final Order, (b) the DIP Termination Date, or (c) delivery of the Carve Out Trigger Notice, the Debtors are further authorized and directed to pay (which may be made through an advance under the DIP ABL Facility) to the Prepetition ABL Agent, for the benefit of the Prepetition ABL Parties, \$500,000 into a non-interest bearing account maintained at JPMorgan Chase Bank, N.A. (the “Prepetition ABL Indemnity Reserve”) to secure contingent indemnification, reimbursement, or similar continuing obligations arising under or related to the Prepetition ABL Documents (the “Prepetition ABL Indemnity Obligations”); *provided* that the Debtors shall not be required to fund the Prepetition ABL Indemnity Reserve if, at the time of the earliest to occur of the DIP Termination Date, the delivery of the Carve Out Trigger Notice, or the entry of the Final Order, the Prepetition ABL Obligations have been (or are contemporaneously therewith) Paid in Full. The Prepetition ABL Indemnity Reserve shall secure all costs, expenses, and other amounts (including reasonable and documented attorneys’ fees) owed to or incurred by the Prepetition ABL Agent and the Prepetition ABL Lenders related to the Prepetition ABL Documents, the Prepetition ABL Obligations, or the

Prepetition ABL Liens granted to the Prepetition ABL Agent, as applicable, whether in these Cases or independently in another forum, court, or venue. The Prepetition ABL Indemnity Obligations shall be secured, and not subject to the Carve Out, by a first lien on the Prepetition ABL Indemnity Reserve and the funds therein and by a lien on the DIP Collateral and the Prepetition Collateral (subject in all respects to the Intercreditor Agreement). Subject to paragraph 43 below, payments of Prepetition ABL Indemnity Obligations shall be made as and when they arise and paid with the Prepetition ABL Indemnity Reserve, without further notice to or consent from the Debtors, a Committee (if appointed), or any other parties in interest and without further order of this Court; *provided*, that the rights of parties in interest with Requisite Standing¹¹ to object to any such indemnification claim(s) are hereby reserved in accordance with paragraph 50 hereof. The Prepetition ABL Agent (for itself and on behalf of the Prepetition ABL Parties) shall retain and maintain the Prepetition ABL Liens and the Prepetition ABL Adequate Protection Liens granted to the Prepetition ABL Agent as security for the amount of any Prepetition ABL Indemnity Obligations not capable of being satisfied from application of the funds on deposit in the Prepetition ABL Indemnity Reserve. The Prepetition ABL Indemnity Reserve (but not the Prepetition ABL Indemnity Obligations) shall be released and the funds applied in accordance with paragraph 26 of this Interim Order at such time as the Prepetition ABL Indemnity Obligations are Paid in Full.

17. Adequate Protection Payments and Protections for Prepetition Term Loan Parties. As further adequate protection (the “Prepetition Term Loan Adequate Protection Payments,” and together with the Prepetition ABL Adequate Protection Payments, the “Adequate

¹¹ As used in this Final Order, a party in interest with “Requisite Standing” shall mean a party in interest (including the Committee, if appointed) that has obtained an order of the Court granting such party derivative standing.

Protection Payments”), the Debtors are authorized and directed to provide the following adequate protection to the Prepetition Term Loan Parties in the form of payment in cash (and as to fees and expenses, without the need for the filing of a formal fee application): (a) immediately upon entry of the Interim Order, all overdue accrued and unpaid interest (at the non-default rate) and other amounts (other than principal) due under the Prepetition Term Loan Agreement (whether accrued prior to or after the Petition Date), (b) immediately upon entry of this Interim Order, payment of any unpaid reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition Term Loan Agent and the Prepetition Term Loan Lenders arising prior to the Petition Date and reimbursable under the Prepetition Term Loan Documents, including reasonable and documented fees and expenses of (1) Gibson, Dunn & Crutcher LLP, (2) Houlihan Lokey Capital Inc., (3) Porter Hedges LLP (collectively, the “Term Loan Advisors”); and (4) Clifford Chance (counsel to the Prepetition Term Loan Agent), (c) interest and other amounts, as and when due under the Prepetition Term Loan Agreement, in each case at the non-default rate, and (d) in accordance with the procedures set forth in paragraph 43 hereof, the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of the Term Loan Advisors) arising subsequent to the Petition Date; *provided, however*, that during the continuance of a DIP Event of Default, any such payments to the Prepetition Term Loan Parties shall be made solely from the DIP Secondary Collateral.

18. Additional Adequate Protection for Prepetition Term Loan Parties. As further adequate protection, the Debtors shall provide to the Term Loan Advisors, on behalf of the

Prepetition Term Loan Lenders: (a) continued periodic reporting under the Prepetition Term Loan Credit Agreement; (b) the following enhanced reporting (on a professionals' eyes only or non-cleansing basis) (1) a listing of permanently open store counts (i.e. stores not designated for permanent closure) by banner, updated on a weekly basis, (2) comp sales by banner, updated on a weekly basis, (3) a lease-by-lease summary report describing the status of negotiations and/or proposed sales for any leased properties, updated on a weekly basis, (4) inventory and borrowing base reports, updated on a weekly basis, and (5) any additional reporting delivered to either the DIP Agent or DIP Lenders (or their respective advisors), under the DIP Documents, and (c) access to management (including but not limited to the chief restructuring officer) of the Debtors no less frequently than once every week.

19. Adequate Protection Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided hereunder to the Prepetition Secured Parties is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral. The receipt by the Prepetition Secured Parties of the adequate protection provided herein shall not be deemed an admission that the interests of the Prepetition Secured Parties are adequately protected. Further, this Interim Order shall not prejudice or limit the rights of the Prepetition Secured Parties to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection, and all parties in interests' rights are reserved with respect thereto.

**Provisions Common to
DIP Financing and Use of Cash Collateral**

20. Amendment of the DIP Documents. The DIP Documents may from time to time be amended, modified, or supplemented by the parties thereto without further order of the Court if the amendment, modification, or supplement is (a) immaterial or non-adverse to the

Debtors and their estates and (b) in accordance with the DIP Documents. In the case of a material amendment, modification, waiver, or supplement to the DIP Documents that is adverse to the Debtors, their estates or stakeholders (including, for the avoidance of doubt, the Prepetition Term Loan Parties), the Debtors shall provide notice (which may be provided through electronic mail or facsimile) to counsel to a Committee (if appointed), the Term Loan Advisors, and the U.S. Trustee, (the “Notice Parties”) at least five (5) business days prior to the proposed effectiveness of such amendment, modification, or supplement; *provided*, that executed waivers need only be provided to such parties substantially concurrently with the effectiveness thereof; *provided, further, however*, any such material amendment, modification, or supplement that is adverse to the Debtors or their estates shall be filed with the Court, and waiver of compliance with any covenant or extension of the period for compliance shall not be deemed to be adverse to the Debtors or their estates.

21. Budget Maintenance. The use of borrowings and letters of credit under the DIP ABL Facility and the use of Cash Collateral shall be in accordance with the Budget, subject in all respects to the variances set forth in this Interim Order and in the DIP ABL Credit Agreement. The Budget shall depict, on a weekly basis and line item basis (i) projected cash receipts, (ii) projected cash disbursements (including ordinary course operating expenses, capital expenditures, bankruptcy-related expenses and certain other fees and expenses, and including expenses relating to the DIP Documents), (iii) net cash flow, (iv) Availability (as defined in the DIP ABL Credit Agreement, (v) total available liquidity, and (vi) professional fees and disbursements with respect to the Debtors’ professionals and other estate professionals, for the first thirteen (13) week period from the Closing Date, and such initial Budget shall be approved by, and in form and substance satisfactory to the DIP Agent, the Required Lenders (as defined in

the DIP ABL Credit Agreement), and holders of Prepetition Term Loan Obligations in an aggregate principal amount equal to or greater than two-thirds of the aggregate principal amount of Prepetition Term Loan Obligations held by all signatories to the RSA (the “Super-Majority Prepetition Term Loan Lenders”), each in their sole discretion (it being acknowledged and agreed that the initial Budget attached hereto has been approved by the DIP Agent, the Required Lenders and the Super-Majority Prepetition Term Loan Lenders). The Budget shall be updated, modified, or supplemented by the Debtors in accordance with the DIP ABL Credit Agreement, but in any event the Budget shall be updated by the Debtors not less than one time in each fiscal month, and shall be transmitted to the Lender Advisors (as defined in the DIP ABL Credit Agreement) and the Term Loan Advisors and publicly posted to the Prepetition Term Loan Agent’s website to all holders of Term Loan Obligations when approved and adopted. Each such updated, modified, or supplemented budget shall be approved in writing (including by email) by, and shall be in form and substance satisfactory to, the DIP Agent, the Required Lenders, and the Steerco-Super Majority Lenders, (each in their sole discretion), and no such updated, modified, or supplemented budget shall be effective until so approved, and once so approved shall be deemed the Budget; *provided, however*, that in the event the parties cannot agree as to an updated, modified or supplemented budget within three (3) business days of such proposed updated, modified or supplemented budget’s delivery to the Lender Advisors and the Term Loan Advisors, such disagreement shall constitute an immediate DIP Event of Default and Cash Collateral Termination Event (each as defined below) once the period covered by the prior approved Budget has terminated, unless a new Budget has been approved by the end of such period, (and at all times thereafter such then-current approved Budget shall remain in effect unless and until a new Budget

is approved by the DIP Agent, the Required Lenders, and the Steerco-Super Majority Lenders).¹²

22. Budget Compliance: Obligations of the Debtors to the DIP Secured Parties.

The Debtors shall at all times comply with the Budget, subject to the variances set forth in the DIP ABL Credit Agreement. The Debtors shall provide all reports and other information as required in the DIP ABL Credit Agreement. The Debtors' failure to comply with the Budget (including the variances set forth in the DIP ABL Credit Agreement) or to provide the reports and other information required in the DIP ABL Credit Agreement shall constitute a DIP Event of Default (as defined herein) following the expiration of any applicable cure period set forth in the DIP ABL Credit Agreement unless waived in accordance with the terms of the DIP ABL Credit Agreement.

23. Budget Compliance: Obligations of the Debtors to the Prepetition Term

Loan Parties. On Friday of each week following the Petition Date, the Debtors will deliver to the Term Loan Advisors a line-item by line-item variance report, setting forth, in reasonable detail, any variances between actual amounts for each line item in the Budget for the Variance Testing Period¹³ versus projected amounts set forth in the applicable Budget for each line-item included therein on a cumulative basis for such Variance Testing Period (for the avoidance of doubt, to be prepared by comparing the sum of the four (4) figures (or less, if the applicable Variance Testing Period has less than four weeks) for each relevant fiscal week for such corresponding line item in

¹² “Steerco-Super Majority Lenders” means as of the relevant date, one or more holders of Term Loans who are signatories to the RSA that individually or collectively hold at least two-thirds of the aggregate outstanding principal amount of Term Loans that are held by the steering committee of the ad hoc group of Prepetition Term Loan Lenders (which may in all cases be communicated by the Term Loan Advisors via e-mail).

¹³ “Variance Testing Period” means the four-fiscal week calendar period up to and through the Saturday of the fiscal week most recently ended prior to the applicable date of delivery of such variance report (provided that, if less than four-fiscal weeks have transpired since the Petition Date, the Variance Testing Period shall include the entire period from the Petition Date through the Saturday of the fiscal week most recently ended prior to the applicable Variance Testing Period).

the relevant Budget that was in effect in respect of each relevant week at the time). The variance report shall also provide a reasonably detailed explanation (including whether such variance is permanent or temporary in nature or timing related) for any negative variance in such variance report in excess of 10% in actual receipts and any positive variance in such variance report in excess of 10% in actual operating disbursements during the Variance Testing Period (unless the dollar amount corresponding to such percentage variance is less than \$1,000,000) as compared to projections for such corresponding line items during the Variance Testing Period as set forth in the Budget. The Debtors shall at all times comply with the Budget, subject to the following variances: (i) actual operating cash receipts for any four-fiscal week period up to and through the Saturday of the fiscal week most recently ended prior to the applicable variance report delivery date (“Four Week Period”) must not be less than 90% of budgeted operating cash receipts for any such Four Week Period and (ii) the actual cash disbursements (excluding professional fees) for any Four Week Period shall not be greater than 110% of the budgeted cash disbursements for any such Four Week Period; *provided*, that any variance from a prior period as tested against a cumulative budget shall carry forward in the succeeding Four Week Period for purposes of the Budget. Failure to comply with the Budget (including the variances set forth herein) shall constitute an immediate Cash Collateral Termination Event, unless waived by the Requisite Prepetition Term Loan Lenders.

24. Modification of Automatic Stay. The automatic stay imposed under section 362(a)(2) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Interim Order, including, without limitation, to: (a) permit the Debtors to grant the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims, and Adequate Protection Superpriority Claims; (b) permit the Debtors to perform such acts as the DIP Agent and

Prepetition Term Loan Agent may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the DIP Secured Parties, Prepetition ABL Parties, and the Prepetition Term Loan Parties under the DIP Documents, the DIP ABL Facility, and this Interim Order, as applicable; and (d) authorize the Debtors to pay, and the DIP Secured Parties and the Prepetition Secured Parties to retain and apply, payments made in accordance with the terms of this Interim Order.

25. Perfection of DIP Liens and Adequate Protection Liens. This Interim Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or mortgage) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to evidence or entitle the DIP Secured Parties and the Prepetition Secured Parties to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agent and each Prepetition Agent is authorized to file, in the applicable registries of deeds and other appropriate public records, as it in its sole discretion deems necessary or advisable, such financing statements, security agreements, mortgages, leasehold mortgages, notices of liens, and other similar documents to perfect in accordance with applicable non-bankruptcy law or to otherwise evidence the DIP Liens and the Adequate Protection Liens, and all such financing statements, mortgages, leasehold mortgages, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided, however*, that no such filing or recordation shall be necessary or required in order

to create or perfect the DIP Liens or the Adequate Protection Liens. The Debtors are authorized and directed to execute and deliver promptly upon demand to the DIP Agent, the Prepetition ABL Agent, and the Prepetition Term Loan Agent, as applicable, all such financing statements, deposit account control agreements, mortgages, leasehold mortgages, notices, and other documents and/or applicable amendments as the DIP Agent, the Prepetition ABL Agent, or the Prepetition Term Loan Agent may reasonably request. Each of the DIP Agent, the Prepetition ABL Agent, and the Prepetition Term Loan Agent, in each of their discretion, may file a photocopy of this Interim Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instrument. To the extent that the Prepetition ABL Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party under such documents or to be the loss payee or additional insured, as applicable. The Prepetition ABL Agent shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Interim Order, is of a type such that perfection of a lien therein may be accomplished only by possession or control by a secured party.

26. Application of Proceeds of Collateral. As a condition to the entry of the DIP Documents, the extension of credit under the DIP ABL Facility, and the authorization to use Cash Collateral, the Debtors have agreed that as of and commencing on the date of the Interim Hearing, the Debtors shall apply all net proceeds of DIP Collateral (and, solely when released in

accordance with the Term Loan Segregated Cash Release Schedule, the Term Loan Segregated Cash) including whether sold in the ordinary course, liquidated pursuant to the Store Closing Motion, or otherwise, as provided in the DIP ABL Credit Agreement (without a reduction in commitments thereunder).

27. Protections of Rights of the Prepetition Secured Parties.

(a) Subject to the Intercreditor Agreement, unless the DIP Agent, Prepetition ABL Agent, and Prepetition Term Loan Agent have each provided their respective prior written consent, or all DIP Obligations, Prepetition ABL Obligations, and Prepetition Term Loan Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been, or contemporaneously will be, Paid in Full and the lending commitments under the DIP ABL Facility have terminated, in any of these Cases, any Successor Cases or the Canadian Cases, the Debtors shall neither seek entry of, nor support any motion or application seeking entry of, and otherwise shall object to any motion or application seeking entry of, any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following: (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral or Prepetition Collateral and/or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition Liens, the Adequate Protection Liens, and/or the Adequate Protection Superpriority Claims except as expressly set forth in this Interim Order or the DIP Documents; (ii) the use of Cash Collateral for any purpose other than as permitted in the DIP Documents and this Interim Order; (iii) except as set forth in the DIP Documents, the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any

Debtor or any creditor's taking any setoff or recoupment against any of its prepetition indebtedness based upon any such return of goods pursuant to section 553 of the Bankruptcy Code or otherwise; or (iv) any modification of any of the DIP Secured Parties' or the Prepetition Secured Parties' rights under this Interim Order, the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents with respect any DIP Obligations, Prepetition ABL Obligations, or Prepetition Term Loan Obligations. It shall be an Event of Default under the DIP Documents and a Cash Collateral Termination Event under this Interim Order if, in any of these Cases or any Successor Cases, the Debtors take or fail to take any of the actions contemplated with respect to provisions (i) through (iv) of the previous sentence or if any order is entered granting any of the relief enumerated in provisions (i) through (iv) of the previous sentence.

(b) No Debtor shall object to any DIP Secured Parties, or any Prepetition Secured Parties, credit bidding up to the full amount of the applicable outstanding DIP Obligations and Prepetition Secured Obligations (as applicable), in each case including any accrued interest, fees, and expenses, in any sale of any DIP Collateral or Prepetition Collateral, as applicable, whether such sale is effectuated through sections 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

28. Credit Bidding. In connection with any sale process authorized by the Court, (a) the DIP Secured Parties, and (b) subject to the rights preserved in paragraph 50, the Prepetition ABL Parties and Prepetition Term Loan Parties (or any such party's designee) may credit bid, consistent with the applicable DIP Documents and/or Prepetition Documents, some or all of their claims for their respective priority collateral (each a "Credit Bid") to the extent permitted by section 363(k) of the Bankruptcy Code, subject in each case to the rights, duties, and limitations, as applicable, of the parties under the Intercreditor Agreement and the Prepetition

Documents, and to the provision of consideration sufficient to pay in full in cash any senior liens on the collateral that is subject to the Credit Bid. Each of the DIP Secured Parties, Prepetition ABL Parties, and Prepetition Term Loan Parties (or any such party's designee) shall each be considered a "Qualified Bidder" with respect to its respective rights to acquire all or any of the assets by Credit Bid.

29. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Cases or any Successor Cases, shall obtain credit or incur debt pursuant to sections 364(b), 364(c), or 364(d) of the Bankruptcy Code or in violation of the DIP Documents at any time prior to the DIP Obligations and Prepetition ABL Obligations being Paid in Full, and the termination of the DIP Secured Parties' obligation to extend credit under the DIP ABL Facility, including subsequent to the confirmation of any plan with respect to any or all of the Debtors and the Debtors' estates, and such facilities are secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Interim Order and the DIP Documents.

30. Cash Collection. From and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Primary Collateral or Prepetition ABL Priority Collateral and all Cash Collateral that does not constitute DIP Secondary Collateral (and except as otherwise set forth in the DIP ABL Credit Agreement) that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall, to the extent required by the DIP Documents, be promptly deposited in the same lock-box and/or deposit accounts into which the collections and proceeds of the Prepetition ABL Priority Collateral were deposited under the Prepetition Documents (or in such other accounts as

are designated by the DIP Agent from time to time) (collectively, the “Cash Collection Accounts”), which accounts (except as otherwise set forth in the DIP ABL Credit Agreement) shall be subject to the sole dominion and control of the DIP Agent in accordance with the DIP ABL Credit Agreement (and, for the avoidance of doubt, the DIP Agent shall be authorized to issue notices of exclusive control or similar notices under existing control agreements). All proceeds and other amounts in the Cash Collection Accounts shall be remitted to the DIP Agent for application in accordance with the DIP Documents and this Interim Order. Unless otherwise agreed to in writing by the DIP Agent or otherwise provided for herein, or otherwise ordered by the Court, the Debtors shall maintain no accounts except those identified in any cash management order entered by the Court (a “Cash Management Order”). The Debtors and the financial institutions where the Debtors’ Cash Collection Accounts are maintained (including those accounts identified in any Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent. For the avoidance of doubt, Term Loan Segregated Cash shall only be released and deposited into the Cash Collection Accounts in accordance with the Term Loan Segregated Cash Release Schedule.

31. Maintenance of DIP Collateral. Until all DIP Obligations and all Prepetition ABL Obligations are Paid in Full, and the DIP Secured Parties’ obligation to extend credit under the DIP ABL Facility has terminated, the Debtors shall: (a) insure the DIP Collateral as required under the DIP ABL Facility; and (b) maintain the cash management system in effect as of the Petition Date, as modified by any Cash Management Order that has first been agreed to by the DIP Agent or as otherwise required by the DIP Documents or this Interim Order unless such cash management system is modified with the consent of the DIP Agent and the Prepetition Term

Loan Agent (such consents not to be unreasonably withheld) or modified as a result of entry of any order by the Court.

32. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral, Prepetition ABL Priority Collateral or Prepetition Term Priority Collateral other than in the ordinary course of business, without (subject to the Intercreditor Agreement) the prior written consent of the DIP Agent, Prepetition ABL Agent or (solely with respect to the DIP Secondary Collateral, including the Term Loan Segregated Cash) the Prepetition Term Loan Agent, as the case may be (and no such consent shall be implied, from any other action, inaction or acquiescence by the DIP Secured Parties, the Prepetition ABL Parties, the Prepetition Term Loan Parties, or from any order of this Court), except as otherwise provided for in the DIP Documents (subject to the Intercreditor Agreement), or otherwise ordered by the Court.

33. DIP Maturity Date. On the DIP Maturity Date: (a) all DIP Obligations shall be immediately due and payable, all commitments to extend credit under the DIP ABL Facility will terminate, other than as may be required in paragraph 47 with respect to the Carve Out, all treasury and cash management, hedging obligations and bank product obligations constituting Obligations (as defined in the DIP ABL Credit Agreement) shall be cash collateralized, and all letters of credit and bankers' acceptances outstanding shall be cash collateralized in an amount equal to 103% of the face amount thereof, and such cash collateral shall not be subject to or subordinate to the Carve Out; (b) all authority to use DIP Primary Collateral shall cease, *provided, however,* that upon the DIP Maturity Date, the Carve Out shall be funded and available to satisfy then-due Allowed Professional Fees (as defined in paragraph 47 of this Interim Order) and (c) upon the expiration of the DIP Remedies Notice Period, the DIP Agent shall be entitled to

otherwise exercise rights and remedies under the DIP Documents in accordance with this Interim Order (including paragraph 35). For the purposes of this Interim Order, the “DIP Maturity Date” shall mean the date that is the earliest of (i) six (6) months after the Effective Date, (ii) the date of the substantial consummation (as defined in Section 1101(2) of the Bankruptcy Code) of an Acceptable Plan, (iii) the date the Court converts any of the Cases to a Chapter 7 case, (iv) the date the Court dismisses any of the Cases, and (v) the date on which the Loan Parties consummate a sale of all or substantially all of the assets of the Loan Parties pursuant to section 363 of the Bankruptcy Code or otherwise,.

34. DIP Events of Default. The occurrence of any of the following events, unless waived by the DIP Agent in advance, in writing, and in accordance with the terms of the DIP ABL Credit Agreement, shall constitute an event of default (collectively, the “DIP Events of Default”): (a) the failure of the Debtors to perform, in any respect, any of the terms, provisions, conditions, covenants, or obligations under this Interim Order or any orders of the Canadian Court; (b) the occurrence of a “DIP Event of Default” or “Cash Collateral Termination Event” under this Interim Order or an “Event of Default” under the DIP ABL Credit Agreement; or (c) the failure of the Debtors to comply with the Required Milestones attached hereto as **Exhibit 4**.

35. Rights and Remedies Upon DIP Event of Default. Immediately upon the occurrence and during the continuation of a DIP Event of Default, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion, or notice to, hearing before, or order from the Court, but subject to the terms of this Interim Order (and the DIP Remedies Notice Period), the DIP Agent may declare (any such declaration shall, upon delivery by electronic mail (or other electronic means) to counsel to the Debtors, counsel to the Committee (if appointed), the Term Loan Advisors, and the U.S. Trustee, be referred to herein as a “DIP

Termination Declaration”) (a) all DIP Obligations owing under the DIP Documents to be immediately due and payable, (b) the termination, reduction, or restriction of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP ABL Facility, (c) the termination of the DIP ABL Facility and the DIP Documents as to any future liability or obligation of the DIP Secured Parties, but without affecting any of the DIP Liens or the DIP Obligations, (d) a termination, reduction, or restriction on the ability of the Debtors to use Cash Collateral (other than Prepetition Term Priority Collateral), (e) solely in the event that the Debtors fail to meet a Sale Milestone (defined in Exhibit 4), the occurrence of the “Agreed Sale Process” (as defined below) and (f) the delivery of the Carve Out Trigger Notice (as defined herein) to the Debtors (as applicable) has occurred, (the date which is the earliest to occur of the Maturity Date and any date a DIP Termination Declaration or Carve Out Trigger Notice is delivered to the Debtors in accordance with this Interim Order shall be referred to herein as the “DIP Termination Date”); *provided* that prior to the exercise of any right set forth in clauses (a)-(e), the DIP Agent shall be required to file a motion with the Court using a CM/ECF emergency code seeking emergency relief from the automatic stay (the “Stay Relief Motion”) on at least five (5) business days’ written notice to counsel to the Debtors, counsel to the Prepetition Agents, the Term Loan Advisors, counsel to a Committee (if appointed), and the U.S. Trustee (the “DIP Remedies Notice Parties”) of the DIP Agent’s intent to exercise its rights and remedies (the “DIP Remedies Notice Period”) and, during the DIP Remedies Notice Period, the Debtors, the Prepetition Term Loan Parties, and/or the Committee may file an emergency motion before the Court (the “Emergency Motion”); *provided*, that the burden shall be on any party opposing the exercise of such remedies and/or the Stay Relief Motion, and the DIP Secured Parties shall not be

required to satisfy the applicable standard for relief from the automatic stay.

36. In the event that an Emergency Motion is not filed within the DIP Remedies Notice Period, or in the event that the Court denies such Emergency Motion(s), then the DIP Termination Date shall be deemed to have occurred for all purposes and the automatic stay will automatically be modified such that: (a) the DIP Secured Parties shall be entitled to exercise their rights and remedies in accordance with the DIP Documents and this Interim Order to satisfy the DIP Obligations, DIP Superpriority Claim, and DIP Liens, subject to the Carve Out (to the extent applicable), including, for the avoidance of doubt, declaring the occurrence of an Agreed Sale Process (as defined herein, and solely in the event that the Debtors fail to meet a Sale Milestone), and (b) the Prepetition ABL Parties shall be entitled to exercise their rights and remedies in accordance with the Prepetition ABL Documents and this Interim Order to satisfy the Prepetition ABL Obligations, Prepetition ABL Superpriority Claims, and Prepetition ABL Adequate Protection Liens, subject to the Carve Out (to the extent applicable). Notwithstanding anything to the contrary herein, the DIP Secured Parties and the Prepetition ABL Agent can only enter upon a leased premises following the issuance of a DIP Termination Declaration (i) as may be ordered by this Court upon motion and notice to the applicable landlord with an opportunity to respond that is reasonable under the circumstances; (ii) with the written consent of the applicable landlord; or (iii) pursuant to rights the DIP Secured Parties and Prepetition ABL Agent have under applicable non-bankruptcy law. Subject to the terms and conditions of this Interim Order, and in accordance with the Budget, the Debtors are authorized to use Cash Collateral (other than Prepetition Term Priority Collateral) until the DIP Termination Date; *provided, however*, that during the DIP Remedies Notice Period, the Debtors may use Cash Collateral (other than Prepetition Term

Priority Collateral) solely in accordance with the terms and provisions of the Budget.

37. In the event that the DIP Agent declares the occurrence of an Agreed Sale Process (which, for the avoidance of doubt, can occur solely in the event that the Debtors fail to meet a Sale Milestone), the Debtors shall commence a process for a full-chain liquidation (the “Agreed Sale Process”) and (1) following the filing of a motion on an expedited basis, and subject to the availability of the Court, obtain, within three business days after the DIP Remedies Notice Period, entry of an order from the Court, in form and substance approved by the DIP Agent, approving sale procedures with respect to a full-chain liquidation (which, at the Debtors’ option, may include designation of a stalking horse bid, subject to approval of the Court), (2) within seven business days after the DIP Remedies Notice Period, complete an auction for the full-chain liquidation and declare a “successful bidder” for the liquidation on terms and conditions consented to by the DIP Agent, and (3) following the filing of a motion on an expedited basis, and subject to the availability of the Court, obtain, within nine business days after the DIP Remedies Notice Period, entry of an order of the Court, in form and substance approved by the DIP Agent, approving the store liquidation and commence a full-chain liquidation pursuant to the approved liquidation agreement, the applicable Court sale order and a wind-down budget approved by the Court, reflecting those costs and expenses necessary to consummate an Agreed Sale Process in accordance with applicable law.

38. Cash Collateral Termination Events. Subject to paragraph 39 herein, the Debtors’ right to use the Cash Collateral (other than DIP Primary Collateral) pursuant to this Interim Order shall terminate without further notice or court proceeding on the date of the occurrence of and continuance of any of the events set forth in **Exhibit 3** attached hereto (each a “Cash Collateral Termination Event,” and the date on which such Cash Collateral Termination

Event occurs, the “Cash Collateral Termination Date”), unless waived in writing by the Requisite Prepetition Term Loan Lenders.

39. Remedies Upon a Cash Collateral Termination Event. Upon the occurrence or continuation of a Cash Collateral Termination Event, unless such Cash Collateral Termination Event has been waived in writing by the Prepetition Agents, the Prepetition Term Loan Agent may, and any automatic stay (whether arising under section 362 of the Bankruptcy Code or otherwise) is hereby modified, without further notice to, hearing of, or order from this Court, to the extent necessary to permit the Prepetition Term Loan Agent to, upon the delivery of written notice (which may include electronic mail) (the “Cash Collateral Termination Notice”) to the counsel to the Debtors, counsel to the DIP Agent, counsel to any Committee (if appointed), and the U.S. Trustee (the “Cash Collateral Remedies Notice Parties”): (i) terminate and/or revoke the Debtors’ right under this Interim Order to use any Prepetition Term Priority Collateral (including any remaining Term Loan Segregated Cash); (ii) take any act to create, validate, evidence, attach, or perfect any lien, security interest, right, or claim in the Prepetition Term Priority Collateral (including any remaining Term Loan Segregated Cash); and (iii) to take any action and exercise all rights and remedies provided to it by this Interim Order; provided that prior to the Prepetition Term Loan Agent’s exercise of any right in clauses (i)-(iii) of this paragraph, the Prepetition Term Loan Agent shall be required to file a Stay Relief Motion on at least five (5) business days’ prior written notice to the Cash Collateral Remedies Notice Parties of the Prepetition Term Loan Agent’s intent to exercise its rights and remedies (the “Cash Collateral Remedies Notice Period”) and, during the Cash Collateral Remedies Notice Period, the Debtors and the Committee may file an Emergency Motion; *provided*, that the burden shall be on any party opposing the exercise of such remedies and/or the Stay Relief Motion, and the Prepetition Term Loan Parties shall not be

required to satisfy the applicable standard for relief from the automatic stay.

40. In the event that an Emergency Motion is not filed within the Cash Collateral Remedies Notice Period, or in the event that the Court denies such Emergency Motion(s), then the Cash Collateral Termination Date shall be deemed to have occurred for all purposes and the automatic stay as to the Prepetition Term Loan Parties will automatically be modified such that the Debtors' right to use Cash Collateral (other than DIP Primary Collateral) pursuant to this Interim Order shall terminate, and the Prepetition Term Loan Parties shall be permitted to exercise any right set forth in clauses (i)-(iii) of paragraph 39.

41. Notwithstanding anything to the contrary herein, the Prepetition Term Loan Agent can only enter upon a leased premises following the occurrence of a Cash Collateral Termination Event (i) as may be ordered by this Court upon motion and notice to the applicable landlord with an opportunity to respond that is reasonable under the circumstances; (ii) with the written consent of the applicable landlord; or (iii) pursuant to rights the Prepetition Term Loan Agent has under applicable non-bankruptcy law. Subject to the terms and conditions of this Interim Order, and in accordance with the Budget, the Debtors are authorized to use Prepetition Term Priority Collateral until the Cash Collateral Termination Date; *provided, however*, that during the Cash Collateral Remedies Notice Period, the Debtors may use Prepetition Term Priority Collateral solely in accordance with the terms and provisions of the Budget.

42. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Interim Order. The DIP Secured Parties and Prepetition ABL Parties have acted at arms' length in good faith in connection with this Interim Order and are entitled to, and may rely upon, the protections granted herein and by section 364(e) of the Bankruptcy Code.

43. DIP Fees, and Other Expenses. The Debtors are authorized and directed to

pay all reasonable and documented prepetition and postpetition fees and out of pocket expenses of the DIP Agent in connection with the DIP ABL Facility, whether or not the transactions contemplated hereby are consummated, including reasonable and documented attorneys' fees, monitoring and appraisal fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of reasonable and documented fees and expenses of (1) Morgan, Lewis & Bockius LLP, (2) McMillan LLP, (3) Berkeley Research Group, LLC and (4) Winstead PC (the "DIP Advisors," and together with the ABL Advisors, the "Lender Advisors"), subject to the review procedures set forth in this paragraph 43. Subject to the review procedures set forth in this paragraph 43, payment of all reasonable and documented invoiced out-of-pocket fees and expenses provided for herein as adequate protection shall not be required to comply with the U.S. Trustee guidelines or file fee applications with the Court with respect to any fees or expenses payable herein, may be in summary form only (and shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine), and shall be provided to counsel to the Debtors, any statutory committee, and the U.S. Trustee (the "Fee Notice Parties"). If no objection to payment of the requested fees and expenses is made in writing by any of the Fee Notice Parties within ten business days after delivery of such invoices (the "Fee Objection Period"), then, without further order of, or application to, the Court or notice to any other party, such fees and expenses shall be promptly paid by the Debtors and, in any case, within ten business days. If an objection is made by any of the Fee Notice Parties within the Fee Objection Period to payment of the requested fees and expenses, then only the

disputed portion of such fees and expenses shall not be paid until the objection is resolved by the applicable parties in good faith or by order of the Court, and the undisputed portion shall be promptly paid by the Debtors. Payments of any amounts set forth in this paragraph 43 shall not be subject to recharacterization, subordination, or disgorgement, unless expressly provided herein.

44. Indemnification. The Debtors shall indemnify and hold harmless the DIP Secured Parties in accordance with the terms and conditions of the DIP ABL Credit Agreement. Upon the earlier of the (a) payment in full in cash of the DIP Obligations or (b) conclusion of the Remedies Notice Period, the Debtors shall pay \$500,000.00 from proceeds of the DIP Primary Collateral into an indemnity account (the “DIP Indemnity Account”) subject to first priority liens of the DIP Agent, for the benefit of the DIP Secured Parties. The DIP Indemnity Account shall be released and the funds applied in accordance with paragraph 26 of this Interim Order upon the DIP Obligations being Paid in Full.

45. Proofs of Claim. Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of the Cases or any Successor Cases to the contrary, the DIP Secured Parties, the Prepetition ABL Parties, and the Prepetition Term Loan Parties will not be required to file proofs of claim in any of the Cases or Successor Cases for any claims arising under the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents. The Debtors’ stipulations, admissions, and acknowledgments and the provisions of this Interim Order shall be deemed to constitute a timely filed proof of claim for the DIP Secured Parties, the Prepetition ABL Parties, and the Prepetition Term Loan Parties with regard to all claims arising under the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents, as the case may be. Notwithstanding the foregoing, the Prepetition ABL Agent on behalf of itself and the Prepetition ABL Parties, and the Prepetition

Term Loan Agent on behalf of itself and the Prepetition Term Loan Parties, are hereby authorized and entitled, in their sole discretion, but not required, to file (and amend and/or supplement, as it sees fit) a proof of claim and/or aggregate or master proofs of claim in each of the Cases or Successor Cases for any claim described herein (with any such aggregate or master proof of claim filed in any of the Cases deemed to be filed in all Cases of each of the Debtors and asserted against all of the applicable Debtors). Any proof of claim filed by the Prepetition ABL Agent or the Prepetition Term Loan Agent shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the Prepetition ABL Parties or Prepetition Term Loan Parties. Any order entered by the Court in relation to the establishment of a bar date in any of the Cases or Successor Cases shall not apply to any claim of the DIP Secured Parties, the Prepetition ABL Parties, or the Prepetition Term Loan Parties. The provisions set forth in this paragraph are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party-in-interest or their respective successors-in-interest.

46. Rights of Access and Information. Without limiting the rights of access and information afforded the DIP Secured Parties (under the DIP Documents) or the Prepetition Term Loan Parties (under the Prepetition Term Loan Documents), the Debtors shall be, and hereby are, required to afford representatives, agents and/or employees of the DIP Agent (and so long as a DIP Event of Default has occurred and is continuing, each DIP Lender) and representatives, agents, and/or employees of the Prepetition Term Loan Agent reasonable access to the Debtors' premises and their books and records in accordance with the DIP Documents and Prepetition Documents, as applicable, and shall reasonably cooperate, consult with, and provide to such persons all such information as may be reasonably requested. In addition, the Debtors authorize their independent certified public accountants, financial advisors, investment bankers and consultants to provide to

the DIP Agent (and so long as a DIP Event of Default has occurred and is continuing, each DIP Lender) and Prepetition Term Loan Agent (subject to the Prepetition Term Loan Documents) all such information as may be reasonably requested with respect to the business, results of operations and financial condition of any of the Debtors.

47. Carve Out.

(a) Carve Out. As used in this Interim Order, the “Carve Out” means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses, other than any restructuring, sale, success, or other transaction fee of any investment bankers or financial advisors of the Debtors or any committee¹⁴ (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and the Creditors’ Committee (if appointed) pursuant to section 328 or 1103 of the Bankruptcy Code (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the DIP ABL Agent or the Prepetition Term Loan Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and

¹⁴ Any fee due and payable upon consummation of a transaction shall be payable solely from the proceeds received by the Debtors resulting from such transaction, and provided that the terms and amount of any such fees shall have been disclosed to the DIP Agent in writing reasonably promptly after the same are agreed to by the Debtors, such fees shall be paid free and clear of the liens of the DIP Agents and the DIP Lenders.

(iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$2,000,000.00 incurred after the first business day following delivery by the DIP ABL Agent or Prepetition Term Loan Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”).¹⁵ For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent or Prepetition Term Loan Agent to the Debtors, their lead restructuring counsel, counsel to the DIP Agent or Prepetition Term Loan Agent (whichever entity is not delivering the Carve Out Trigger Notice), the U.S. Trustee, and counsel to a Committee (if appointed), which notice may be delivered following the occurrence and during the continuation of a DIP Event of Default and acceleration of the DIP Obligations under the DIP Facility or during the continuation of a Cash Collateral Termination Event and upon termination of the Debtors’ right to use Cash Collateral by the Prepetition ABL Agent (with respect to DIP Primary Collateral) and the Prepetition Term Loan Agent (with respect to DIP Secondary Collateral), stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Fee Estimates. Not later than 7:00 p.m. New York time on the third business day of each week starting with the first full calendar week following the Petition Date, each Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses (collectively, “Estimated Fees and Expenses”) incurred during the preceding week by such Professional Person (through Saturday of such week, the “Calculation

¹⁵ Notwithstanding the foregoing, up to \$500,000 of the Post-Carve Out Trigger Notice Cap may be used to pay Allowed Professional Fees of Professional Persons incurred prior to the delivery of a Carve Out Trigger Notice to the extent such Allowed Professional Fees exceed the ABL Professional Fee Carve Out Cap (as defined below).

Date”), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a “Weekly Statement”); *provided, that* within one business day of the occurrence of the Termination Declaration Date (as defined below), each Professional Person shall deliver one additional statement (the “Final Statement”) setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date (and the Debtors shall cause such Weekly Statement and Final Statement to be delivered on the same day received to the DIP ABL Agent and Prepetition Term Loan Agent). If any Professional Person fails to deliver a Weekly Statement within three calendar days after such Weekly Statement is due, such Professional Person’s entitlement (if any) to any funds in the Carve Out Reserves (as defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Budget for such period for such Professional Person; *provided, that* such Professional Person shall be entitled to be paid any unpaid amount of Allowed Professional Fees in excess of Allowed Professional Fees included in the Budget for such period for such Professional Person from a reserve to be funded by the Debtors from all cash on hand as of such date and any available cash thereafter held by any Debtor pursuant to paragraph 47(c) below, to the extent of any such funds held therein. Solely as it relates to the DIP Secured Parties and the Prepetition ABL Parties, any deemed draw and borrowing pursuant to paragraph 47(c)(i)(x) for amounts under paragraph 47(a)(iii) above shall be limited to the greater

of (x) the sum of (I) the aggregate unpaid amount of Estimated Fees and Expenses included in such Weekly Statements timely received by the Debtors prior to the Termination Declaration Date *plus*, without duplication, (II) the lesser of (1) the aggregate unpaid amount of Estimated Fees and Expenses included in the Final Statements timely received by the Debtors pertaining to the period through and including the Termination Declaration Date and (2) the Budgeted Cushion Amount (as defined below), and (y) the aggregate unpaid amount of Allowed Professional Fees included in the Budget for the period prior to the Termination Declaration Date (such amount, the “ABL Professional Fee Carve Out Cap”). For the avoidance of doubt, the DIP Agent shall be entitled to maintain at all times a reserve (the “Carve-Out Reserve”) in an amount (the “Carve-Out Reserve Amount”) equal to the sum of (i) the greater of (x) the aggregate unpaid amount of Estimated Fees and Expenses included in all Weekly Statements timely received by the Debtors, and (y) the aggregate amount of Allowed Professional Fees contemplated to be unpaid in the Budget at the applicable time, *plus* (ii) the Post-Carve Out Trigger Notice Cap, *plus* (iii) the amounts contemplated under paragraph 47(a)(i) and 47(a)(ii) above, *plus* (iv) an amount equal to the amount of Allowed Professional Fees set forth in the Budget for the then current week occurring after the most recent Calculation Date and the two weeks succeeding such current week (such amount set forth in (iv), regardless of whether such reserve is maintained, the “Budgeted Cushion Amount”). In addition, the DIP Agent shall be entitled to maintain a reserve in the amount of a reasonable estimate of other amounts that may be included in the Carve Out or that are or may be payable from any proceeds of a transaction (as described in the footnote set forth above), including amounts which are or may become payable to any investment bankers or financial advisors of the Debtors or the Committee. Not later than 7:00 p.m. New York time on the fourth business day of each week starting with the first full calendar week following the Petition Date, the Debtors shall deliver

to the DIP Agent a report setting forth the Carve-Out Reserve Amount as of such time, and, in setting the Carve-Out Reserve, the DIP Agent shall be entitled to rely upon such reports in accordance with the DIP ABL Credit Agreement. Prior to the delivery of the first report setting forth the Carve-Out Reserve Amount, the DIP Agent shall calculate the Carve-Out Reserve Amount by reference to the Budget for subsection (i) of the Carve-Out Reserve Amount.

(c) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by either the DIP Agent or Prepetition Term Loan Agent to the Debtors with a copy to counsel to the Committee (the “Termination Declaration Date”), the Carve Out Trigger Notice (i) shall be deemed a draw request and notice of borrowing by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement in an amount equal to the sum of (x) the amounts set forth in paragraphs 47(a)(i) and 47(a)(ii) above, and (y) the then unpaid amounts of the Allowed Professional Fees up to the ABL Professional Fee Carve Out Cap (any such amounts actually advanced shall constitute DIP ABL Loans) and (ii) shall also constitute a demand to the Debtors, and authorization for the Debtors, to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the sum of the amounts set forth in paragraphs 47(a)(i) and 47(a)(ii), and then unpaid amounts of the Allowed Professional Fees (which cash amounts shall reduce, on a dollar for dollar basis, the draw requests and applicable DIP ABL Loans pursuant to the forgoing clause (i) of this paragraph (c)). The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust in respect of amounts funded by the DIP Lenders and, if applicable, the cash on hand exclusively to pay such unpaid Allowed Professional Fees (each, a “Pre-Carve Out Trigger Notice Reserve”) prior to any and all other claims. On the Termination Declaration Date, the Carve Out Trigger Notice (i) shall also be deemed a request by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement

in an amount equal to the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP ABL Loans), and (ii) shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (which cash amounts shall reduce, on a dollar for dollar basis, the draw requests and applicable DIP ABL Loans pursuant to the foregoing clause (i) of this sentence of this paragraph (c)). The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust in respect of amounts funded by the DIP Lenders and, if applicable, cash on hand exclusively to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (each, a “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve(s), the “Carve Out Reserves”) prior to any and all other claims. On the first business day following the Termination Declaration Date and the deemed requests for the making of DIP ABL Loans as provided in this paragraph (c), notwithstanding anything in the DIP ABL Credit Agreement to the contrary, including with respect to (1) the existence of a Default (as defined in the DIP ABL Credit Agreement) or Event of Default, (2) the failure of the Debtors to satisfy any or all of the conditions precedent for the making of any DIP ABL Loan under the DIP ABL Credit Agreement, (3) any termination of the Commitments (as defined in the DIP ABL Credit Agreement) following an Event of Default, or (4) the occurrence of a DIP Termination Date, each DIP Lender with an outstanding Commitment shall make available to the DIP Agent, such DIP Lender’s *pro rata* share of such DIP ABL Loans.

(d) Application of Carve Out Reserves.

(i) All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in subparagraphs (a)(i) through (a)(iii) of the definition

of Carve Out set forth above (the “Pre-Carve Out Amounts”), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full. If after payment in full of the Pre-Carve Out Amounts, the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii) below, all remaining funds in the account funded by (x) the DIP Lenders and/or from proceeds of DIP Primary Collateral shall be distributed (A) *first*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, (B) *second*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full, and (C) *third*, to the Prepetition Term Loan Agent on account of the Secured Obligations (as defined in the Prepetition Term Loan Agreement) until such obligations have been Paid in Full; and (y) the proceeds of DIP Secondary Collateral shall be distributed (A) *first*, to the Prepetition Term Loan Agent which shall apply such funds to the Secured Obligations (as defined in the Prepetition Term Loan Agreement) in accordance with the Prepetition Term Loan Agreement until such obligations have been Paid in Full, (B) *second*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, and (C) *third*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full.

(ii) All funds in the Post-Carve Out Trigger Notice Reserve (other than up to \$500,000, which may be used to pay Pre-Carve-Out Amounts to the extent they exceed the ABL Professional Fee Carve-Out Cap) shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth in paragraph 47(a) above (the “Post-Carve Out Amounts”). If, after such application, the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii) below, all remaining funds in the account funded by (x) the DIP Lenders and/or from proceeds of DIP Primary Collateral shall be distributed (A)

first, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, (B) *second*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full, and (C) *third*, to the Prepetition Term Loan Agent on account of the Secured Obligations (as defined in the Prepetition Term Loan Agreement) until such obligations have been Paid in Full; and (y) the proceeds of DIP Secondary Collateral shall be distributed (A) *first*, to the Prepetition Term Loan Agent which shall apply such funds to the Secured Obligations (as defined in the Prepetition Term Loan Agreement) in accordance with the Prepetition Term Loan Agreement until such obligations have been Paid in Full, (B) *second*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, and (C) *third*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full.

(iii) Notwithstanding anything to the contrary in the DIP Documents or this Interim Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 47, then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding prior to making any payments to the DIP Agent or the Prepetition Term Loan Lenders, as applicable.

(iv) Notwithstanding anything to the contrary in the DIP Documents or this Interim Order, following delivery of a Carve Out Trigger Notice, the DIP Agent and the Prepetition Term Loan Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out

Reserves, with any excess paid as provided in subparagraphs (i), (ii), and (iii) above of this paragraph 47(d).

(v) Notwithstanding anything to the contrary in this Interim Order, (A) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out with respect to any shortfall (as described below), and (B) subject to the limitations with respect to the DIP Secured Parties and the Prepetition ABL Parties set forth in paragraph 47(b) above with respect to the ABL Professional Fee Carve Out Cap, in no way shall any Budget, Carve Out, Post-Carve Out Trigger Notice Cap or Carve Out Reserves be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Interim Order, or in the DIP ABL Facility, or in any Prepetition Secured Facilities, the Carve Out shall be senior to all liens and claims securing the DIP ABL Facility, the Adequate Protection Liens, and the Adequate Protection Superpriority Claims, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the obligations under the Prepetition Loan Documents.

(e) No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Secured Parties and the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the DIP Secured Parties or Prepetition Secured Parties in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such

compensation or reimbursement.

(f) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(g) Payment of Carve Out On or After the Termination Declaration Date. Following the delivery of the Carve Out Trigger Notice, all Allowed Professional Fees shall be paid from the applicable Carve Out Reserve, and no Professional Person shall seek payment of any Allowed Professional Fees from any other source until the applicable Carve Out Reserve has been exhausted. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Interim Order, the DIP Documents, the Bankruptcy Code, and applicable law.

48. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve Out. The DIP ABL Facility, the DIP Collateral, the Prepetition Collateral (including the Term Loan Segregated Cash), the Cash Collateral, and the Carve Out may not be used in connection with: (a) paying any prepetition claim except in accordance with the Budget, (b) preventing, hindering, or delaying any of the DIP Secured Parties or the Prepetition Secured Parties' permitted enforcement or realization upon any of the DIP Collateral or Prepetition Collateral; (c) using or seeking to use Cash Collateral except as provided for in this Interim Order and the DIP Documents; (d) selling or otherwise disposing of DIP Collateral without the consent of the DIP Agent or Prepetition Collateral without the consent of the Prepetition Agents; (e) using or seeking to use

any insurance proceeds constituting DIP Collateral except as provided for in this Interim Order and the DIP Documents (subject to the Intercreditor Agreement) without the consent of the DIP Agent, Prepetition ABL Agent or the Prepetition Term Loan Agent (in the case of DIP Secondary Collateral); (f) incurring Indebtedness (as defined in the DIP ABL Credit Agreement) without (i) the prior consent of the DIP Agent, except to the extent permitted under the DIP ABL Credit Agreement and (ii) the prior written consent of the Prepetition Term Loan Agent; (g) seeking to amend or modify any of the rights granted to the DIP Secured Parties or the Prepetition Secured Parties under this Interim Order, the DIP Documents, or the Prepetition Documents, including seeking to use Cash Collateral and/or DIP Collateral on a contested basis; (h) objecting to or challenging in any way the DIP Liens, DIP Obligations, Prepetition Liens, Prepetition Secured Obligations, DIP Collateral (including Cash Collateral) or, as the case may be, Prepetition Collateral, or any other claims or liens, held by or on behalf of any of the DIP Secured Parties or the Prepetition Secured Parties, respectively; (i) asserting, commencing, or prosecuting any claims or causes of action whatsoever, including any actions under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions to recover or disgorge payments, against any of the DIP Secured Parties, the Prepetition Secured Parties, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees; (j) litigating, objecting to, challenging, or contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the DIP Obligations, the DIP Liens, the Prepetition Liens, Prepetition Secured Obligations, or any other rights or interests of any of the DIP Secured Parties or the Prepetition Secured Parties; or (k) seeking to subordinate, recharacterize, disallow, or avoid the DIP Obligations, or the Prepetition Secured Obligations; *provided, however*, that the Carve Out and such collateral proceeds and loans under the DIP Documents may be used for

allowed fees and expenses, in an amount not to exceed \$50,000 in the aggregate (the “Investigation Budget Amount”), incurred solely by a Committee (if appointed), in investigating (but not prosecuting or challenging), the Prepetition Lien and Claim Matters (as defined herein).

49. Payment of Compensation. Nothing herein shall be construed as a consent to the allowance of any professional fees or expenses of any Professional Person or shall affect the right of the DIP Secured Parties or the Prepetition Secured Parties to object to the allowance and payment of such fees and expenses. The Debtors shall be permitted to pay fees and expenses allowed and payable by final order (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code, as the same may be due and payable.

50. Effect of Stipulations on Third Parties.

(a) *Generally.* The admissions, stipulations, agreements, releases, and waivers set forth in paragraph F of this Interim Order (collectively, the “Prepetition Lien and Claim Matters”) are and shall be binding on the Debtors, any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including a Committee (if appointed), unless and to the extent that a party in interest with proper standing granted by order of the Bankruptcy Court (or other court of competent jurisdiction) has properly filed an adversary proceeding or contested matter under the Bankruptcy Rules (other than the Debtors, as to which any Challenge (as defined below) is irrevocably waived and relinquished) and (i) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 50) challenging

the Prepetition Lien and Claim Matters (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a “Challenge”) by no later than the earlier of (I) (a) 60 days from the date of formation of a Committee (if appointed) or (b) 75 days following the entry of the Interim Order in the case that no Committee is appointed or (II) the entry of an order confirming a plan of the Debtors or the sale of all or substantially all the assets of the Debtors (as applicable, the “Challenge Deadline”), as such applicable date may be extended in writing from time to time in the sole discretion of the Prepetition ABL Agent (with respect to the Prepetition ABL Documents) and the Prepetition Term Loan Agent (with respect to the Prepetition Term Loan Documents), or by this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline, and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge proceeding and any such judgment has become a final judgment that is not subject to any further review or appeal.

(b) *Binding Effect.* To the extent no Challenge is timely commenced by the Challenge Deadline, or to the extent such proceeding does not result in a final and non-appealable judgment or order of this Court that is inconsistent with the Prepetition Lien and Claim Matters, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Prepetition Lien and Claim Matters shall, pursuant to this Interim Order, become binding, conclusive, and final on any person, entity, or party in interest in the Cases, and their successors and assigns, and in any Successor Case for all purposes and shall not be subject to challenge or objection by any party in interest, including a trustee, responsible individual, examiner with expanded powers, or other representative of the Debtors’ estates. Notwithstanding anything to the contrary herein, if any such

proceeding is timely commenced, the Prepetition Lien and Claim Matters shall nonetheless remain binding on all other parties in interest and preclusive as provided in subparagraph (a) above except to the extent that any of such Prepetition Lien and Claim Matters is expressly the subject of a timely filed Challenge, which Challenge is successful as set forth in a final judgment as provided in subparagraph (a) above, and only as to plaintiffs or movants that have complied with the terms hereof. To the extent any such Challenge proceeding is timely and properly commenced, the Prepetition Secured Parties shall be entitled to payment of the related costs and expenses, including, but not limited to, reasonable attorneys' fees, incurred under the Prepetition Documents in defending themselves in any such proceeding as adequate protection. Upon a successful Challenge brought pursuant to this paragraph 50, the Court may fashion any appropriate remedy.

51. No Third Party Rights. Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, or incidental beneficiary.

52. Section 506(c) Claims. Subject to entry of a Final Order, no costs or expenses of administration which have been or may be incurred in the Cases at any time shall be charged against the DIP Secured Parties, the Prepetition Secured Parties, or any of their respective claims, the DIP Collateral, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the DIP Secured Parties or the Prepetition Secured Parties, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence by any such parties.

53. No Marshaling/Applications of Proceeds. Subject to entry of a Final Order, the DIP Secured Parties and the Prepetition Secured Parties shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or

the Prepetition Collateral, as the case may be, and proceeds shall be received and applied pursuant to this Interim Order and the DIP Documents (but subject to the Intercreditor Agreement), notwithstanding any other agreement or provision to the contrary.

54. Section 552(b). Subject to entry of a Final Order, the Prepetition Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties, with respect to proceeds, products, offspring or profits of any of the Prepetition Collateral.

55. Access to DIP Collateral. Subject to and effective upon entry of a Final Order, upon expiration of the Remedies Notice Period, the DIP Secured Parties and the Prepetition ABL Parties, subject to the Intercreditor Agreement, shall be permitted to (a) access and recover any and all DIP Primary Collateral, and (b) enter onto any leased premises of any Debtor that constitutes DIP Primary Collateral and exercise all of the Debtors’ rights and privileges as lessee under such lease in connection with an orderly liquidation of the DIP Primary Collateral, *provided, however*, in the case of clause (b), the DIP Secured Parties and/or Prepetition ABL Parties can only enter upon a leased premises after a DIP Event of Default in accordance with (i) a separate written agreement by and between the DIP Secured Parties or the Prepetition ABL Parties, as applicable, and any applicable landlord, (ii) pre-existing rights of the DIP Secured Parties or the Prepetition ABL Parties, as applicable, and any applicable landlord under applicable non-bankruptcy law, (iii) consent of the applicable landlord, or (iv) entry of an order of this Court obtained by motion of the applicable DIP Secured Party or Prepetition ABL Party on such notice to the landlord as shall be required by this Court; *provided, however*, solely with respect to rent due to a landlord of any such leased premises, the DIP Secured Parties and/or the Prepetition ABL

Parties, as applicable, shall be obligated only to reimburse the Debtors for the payment of rent of the Debtors that first accrues after delivery of the DIP Termination Declaration in accordance with paragraph 35 herein that is payable during the period of such occupancy by the DIP Secured Parties and/or Prepetition ABL Parties, as applicable, calculated on a daily per diem basis; *provided, further*, that nothing herein shall relieve the Debtors of their obligations pursuant to section 365(d)(3) of the Bankruptcy Code for the payment of rent that accrues prior to delivery of the DIP Termination Declaration through and including any assumption and/or rejection of any lease. Nothing herein shall require the DIP Secured Parties or the Prepetition ABL Parties to assume any lease as a condition to the rights afforded in this paragraph.

56. Limits on Lender Liability. Subject to entry of a Final Order, nothing in this Interim Order, any of the DIP Documents, the Prepetition Documents, or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these Cases. The DIP Secured Parties and the Prepetition Secured Parties shall not, solely by reason of having made loans under the DIP ABL Facility or the Prepetition Documents or permitted the use of Cash Collateral, be deemed in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in this Interim Order or the DIP Documents, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties or any of the Prepetition Secured Parties of any

liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

57. Insurance Proceeds and Policies. Upon entry of this Interim Order and to the fullest extent provided by applicable law, the DIP Agent (on behalf of the DIP Secured Parties), the Prepetition ABL Agent (on behalf of the Prepetition ABL Parties), and the Prepetition Term Loan Agent (on behalf of the Prepetition Term Loan Parties), shall be, and shall be deemed to be, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

58. Joint and Several Liability. Nothing in this Interim Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates, it being understood, however, that the Debtors shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP ABL Facility and the DIP Documents.

59. No Superior Rights of Reclamation. Based on the findings and rulings herein regarding the integrated nature of the DIP ABL Facility and the Prepetition ABL Documents, the right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien; rather, any such alleged claims arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens as such claim had with the Prepetition ABL Liens.

60. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, subject to the Prepetition Documents and the Intercreditor Agreement: (a) the DIP Secured Parties' and Prepetition Secured Parties' right to seek any other or supplemental relief

in respect of the Debtors; (b) any of the rights of any of the DIP Secured Parties and/or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Cases or Successor Cases, conversion of any of the Cases to cases under Chapter 7, or appointment of a Chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a Chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Secured Parties or Prepetition Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors', a Committee's (if appointed), or any party in interest's right to oppose any of the relief requested in accordance with the immediately preceding sentence except as expressly set forth in this Interim Order

61. Taxing Authorities. Notwithstanding any other provisions included in the DIP ABL Credit Agreement, this Interim Order, any agreements approved hereby, or any other orders in these Cases, any statutory liens (collectively, the "Tax Liens") of the Taxing Authorities¹⁶ shall not be primed by nor made subordinate to any liens granted to any party hereby to the extent such Tax Liens are valid senior, perfected, and unavoidable, and all parties' rights to object to the priority, validity, amount, and extent of the claims and liens asserted by the Taxing Authorities are fully preserved.

62. Consignment of Inventory. Notwithstanding anything to the contrary set forth herein, in no event shall the Prepetition Collateral include (x) any Inventory (as defined in the Uniform Commercial Code as in effect from time to time under any applicable state law or

¹⁶ As used in this Interim Order, "Taxing Authorities" shall include: [●].

such other jurisdiction where the consigned goods have been shipped to) held by a Debtor on a consignment basis and as to which the consignor has complied with all applicable requirements of the Uniform Commercial Code or other applicable law, which Inventory is not owned by a Debtor (and would not be reflected on a consolidated balance sheet of the Debtors and their respective subsidiaries prepared in accordance with GAAP), but excluding any property right of the Debtors in such Inventory (“Consignment Inventory”) or (y) any proceeds from the sale of any Consignment Inventory that are not property of the Debtors’ estates in accordance with applicable law. The rights of consignors to seek a determination as to the validity of an asserted consignment right and/or the return of consigned goods or the proceeds from the sale thereof are expressly preserved.

63. No Waiver by Failure to Seek Relief. The failure of the DIP Secured Parties or Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the DIP Documents, the Prepetition Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the DIP Secured Parties, the Prepetition Secured Parties, a Committee (if appointed), or any party in interest.

64. Binding Effect of Interim Order. Immediately upon execution by this Court, the terms and provisions of this Interim Order shall become valid and binding upon and inure to the benefit of the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, all other creditors of any of the Debtors, a Committee (if appointed), or any other court appointed committee, and all other parties in interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Cases, any Successor Cases, or upon dismissal of any Case or Successor Case.

65. No Modification of Interim Order. Until and unless the DIP Obligations and the Prepetition Secured Obligations have been Paid in Full (such payment being without prejudice to any terms or provisions contained in the DIP ABL Facility which survive such discharge by their terms) the Debtors shall not seek or consent to, directly or indirectly: (a) without the prior written consent of the DIP Agent and the Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), (i) any modification, stay, vacatur, or amendment to this Interim Order; or (ii) a priority claim for any administrative expense or unsecured claim against the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including any administrative expense of the kind specified in sections 503(b), 506(c), 507(a), or 507(b) of the Bankruptcy Code) in any of the Cases or Successor Cases, equal or superior to the DIP Superpriority Claims or Adequate Protection Superpriority Claims, other than the Carve Out; (b) without the prior written consent of the DIP Agent and the Prepetition Term Loan Agent for any order allowing use of Cash Collateral (other than as permitted during the DIP Remedies Notice Period or the Cash Collateral Remedies Notice Period, as applicable) resulting from DIP Collateral or Prepetition Collateral in a manner inconsistent with this Interim Order or the Final Order, as applicable; (c) without the prior written consent of the DIP Agent, any lien on any of the DIP Primary Collateral with priority equal or superior to the DIP Liens, except as specifically provided in the DIP Documents, other than the Carve Out; or (d) without the prior written consent of the Prepetition Agents, any lien on any of the DIP Collateral with priority equal or superior to the Prepetition Liens or Adequate Protection Liens, other than the Carve Out. The Debtors shall not seek or consent to, directly or indirectly any amendment, modification, or extension of this Interim Order without the prior written consent, as provided in the foregoing, of the DIP Agent and the Prepetition Term Loan Agent, and no such

consent shall be implied by any other action, inaction or acquiescence of the DIP Agent or the Prepetition Term Loan Agent.

66. Continuing Effect of Intercreditor Agreement. The Debtors, DIP Secured Parties, and Prepetition Secured Parties each shall be bound by, and in all respects of the DIP ABL Facility shall be governed by, and be subject to all the terms, provisions and restrictions of the Intercreditor Agreement.

67. Interim Order Controls. In the event of any inconsistency between the terms and conditions of the DIP Documents and of this Interim Order, the provisions of this Interim Order shall govern and control. In the event of any inconsistency between the terms and conditions of the Intercreditor Agreement and this Interim Order (solely as between the DIP Secured Parties and Prepetition Secured Parties), the provisions of the Intercreditor Agreement shall govern and control.

68. Discharge. The DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization in any of the Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been Paid in Full, on or before the effective date of such confirmed plan of reorganization, or each of the DIP Secured Parties, the Prepetition ABL Agent, and Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), as applicable, has otherwise agreed in writing. None of the Debtors shall propose or support any plan of reorganization or sale of all or substantially all of the Debtors' assets, or order confirming such plan or approving such sale, that does not require that all DIP Obligations be Paid in Full (in the case of the sale of DIP Primary Collateral) or (other than provided in the RSA) that

all Prepetition Term Loan Obligations be Paid in Full (in the case of the sale of DIP Secondary Collateral), and the payment of the Debtors' obligations with respect to the adequate protection provided for herein, in full in cash within a commercially reasonable period of time (and in no event later than the effective date of such plan of reorganization or sale) (a "Prohibited Plan or Sale") without the written consent of each of the DIP Secured Parties, the Prepetition ABL Agent, and Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), as applicable. For the avoidance of doubt, the Debtors' proposal or support of a Prohibited Plan or Sale, or the entry of an order with respect thereto, shall constitute a DIP Event of Default and Cash Collateral Termination Event hereunder and under the DIP Documents.

69. Survival. The provisions of this Interim Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Cases; (b) converting any of the Cases to a case under Chapter 7 of the Bankruptcy Code; (c) dismissing any of the Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Cases or Successor Cases. The terms and provisions of this Interim Order, including the claims, liens, security interests, and other protections granted to the DIP Secured Parties and Prepetition Secured Parties granted pursuant to this Interim Order and/or the DIP Documents, notwithstanding the entry of any such orders described in (a)-(d), above, shall continue in the Cases, in any Successor Cases, or following dismissal of the Cases or any Successor Cases, and shall maintain their priority as provided by this Interim Order until: (x) in respect of the DIP ABL Facility, all the DIP Obligations, pursuant to the DIP Documents and this Interim Order, have been Paid in Full (such payment being without prejudice to any terms or provisions contained in the DIP ABL Facility which survive such

discharge by their terms); (y) in respect of the Prepetition ABL Facility, all of the Prepetition ABL Obligations pursuant to the Prepetition ABL Documents and this Interim Order, have been Paid in Full; and (z) in respect of the Prepetition Term Loan Agreement, all of the Prepetition Term Loan Obligations pursuant to the Prepetition Term Loan Documents and this Interim Order have been Paid in Full. The terms and provisions concerning the indemnification of the DIP Agent and DIP Lenders shall continue in the Cases, in any Successor Cases, following dismissal of the Cases or any Successor Cases, following termination of the DIP Documents and/or the indefeasible repayment of the DIP Obligations. In addition, the terms and provisions of this Interim Order shall continue in full force and effect for the benefit of the Prepetition Term Loan Parties notwithstanding the repayment in full of or termination of the DIP Obligations or the Prepetition ABL Obligations.

70. Final Hearing. The Final Hearing to consider entry of the Final Order and final approval of the DIP ABL Facility is scheduled for [____], 2020 at [__]:00 [__].m. **(prevailing Central Time)** before the Honorable [____], United States Bankruptcy Judge at the United States Bankruptcy Court for the Southern District of Texas. The Final Hearing Notice shall state that any party in interest objecting to the entry of the proposed Final Order shall file written objections with the Clerk of the Court no later than on [____], 2020, at [__]:00 p.m. **(prevailing Central**
