At any other time the Canadian Administrative Agent may require the Canadian Revolving Lenders to fund their risk participations described in Section 2.04(b) in any Canadian Protective Advance in the currency in which such Canadian Protective Advance is denominated.

(b) The Administrative Agent may by notice given not later than 12:00 p.m., New York City time, on any Business Day require the U.S. Revolving Lenders to acquire participations on such Business Day in all or a portion of any U.S. Protective Advance outstanding. The Canadian Administrative Agent may by notice given not later than 12:00 p.m., Toronto time, on any Business Day require the Canadian Revolving Lenders to acquire participations on such Business Day in all or a portion of any Canadian Protective Advance outstanding. Each such notice shall specify the aggregate principal amount of the Protective Advance in which the Lenders will be required to participate, the currency thereof and each Lender's Applicable Percentage of such Protective Advance. Each Lender hereby absolutely and unconditionally agrees to pay, upon receipt of notice as provided above, to the Administrative Agent such Lender's Applicable Percentage of each such Protective Advance. Each Lender acknowledges and agrees that its obligation to acquire participations in Protective Advances pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including nonsatisfaction of any of the conditions precedent set forth in Section 4.02, the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Revolving Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph). From and after the date, if any, on which any Lender has paid in full for its participation in any Protective Advance purchased hereunder, the Applicable Administrative Agent shall promptly distribute to such Lender its Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Applicable Administrative Agent in respect of such Protective Advance; provided that any such payment or proceeds so distributed shall be repaid to the Applicable Administrative Agent if and to the extent such payment or proceeds is required to be refunded to the applicable Borrower(s) for any reason. The purchase of participations in any Protective Advance pursuant to this paragraph shall not constitute a Loan and shall not relieve the Borrowers of their respective obligations to repay such Protective Advance.

SECTION 2.05 Swingline Loans and Overadvances.

(a) The Administrative Agent, the U.S. Swingline Lender and the U.S. Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Borrower Representative requests an ABR Revolving Borrowing under the U.S. Facility, the Swingline Lender may, in its discretion, elect to have the terms of this Section 2.05(a) apply to such Borrowing Request by advancing, on behalf of the U.S. Revolving Lenders and in the amount and on the date requested, same day funds to the U.S. Borrowers to the Funding Account(s) (each such Loan made solely by the U.S. Swingline Lender pursuant to this Section 2.05(a) is referred to in this Agreement as a "U.S. Swingline Loan"), with settlement among the U.S. Swingline Lender and the other U.S. Revolving Lenders as to the U.S. Swingline Loans to take place on a periodic basis as set forth in Section 2.05(d). Each U.S. Swingline Loan shall be subject to all the terms and conditions applicable to other ABR Loans funded by the U.S. Revolving Lenders, except that all payments thereon shall be payable to the U.S. Swingline Lender solely for its own account. The Administrative Agent, the Canadian Swingline Lender and the Canadian Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Borrower Representative requests an ABR Revolving

Borrowing or Canadian Prime Rate Borrowing under the Canadian Facility, the Canadian Swingline Lender may, in its discretion, elect to have the terms of this Section 2.05(a) apply to such Borrowing Request by advancing, on behalf of the Canadian Revolving Lenders and in the amount and on the date requested, same day funds to the Canadian Borrower to the Funding Account(s) (each such Loan made solely by the Canadian Swingline Lender pursuant to this Section 2.05(a) is referred to in this Agreement as a “Canadian Swingline Loan”), with settlement among the Canadian Swingline Lender and the Canadian Revolving Lenders as to the Canadian Swingline Loans to take place on a periodic basis as set forth in Section 2.05(d). Each Canadian Swingline Loan shall be subject to all the terms and conditions applicable to other ABR Loans or Canadian Prime Rate Loans funded by the Canadian Revolving Lenders, except that all payments thereon shall be payable to the Canadian Swingline Lender solely for its own account. The aggregate Dollar Equivalent of U.S. Swingline Loans outstanding at any time shall not exceed 10% of the aggregate U.S. Commitment in effect at such time. The aggregate Dollar Equivalent of Canadian Swingline Loans outstanding at any time shall not exceed 10% of the aggregate Canadian Commitment in effect at such time. No Swingline Lender shall make any Swingline Loan if the requested Swingline Loan would not comply with the Revolving Exposure Limitations. All Swingline Loans denominated in dollars shall be ABR Borrowings and all Canadian Swingline Loans denominated in Canadian Dollars shall be Canadian Prime Rate Loans.

(b) Any provision of this Agreement to the contrary notwithstanding, at the request of the Borrower Representative, the Administrative Agent may in its sole discretion (but shall have absolutely no obligation) make (i) in the case of the Administrative Agent, Loans to the U.S. Borrowers in Dollars on behalf of the U.S. Revolving Lenders (each such Loan, a “U.S. Overadvance”) or (ii) in the case of the Canadian Administrative Agent, Loans to the Canadian Borrower or the U.S. Borrowers in Canadian Dollars or Dollars on behalf of the Canadian Revolving Lenders (each such Loan, a “Canadian Overadvance”); provided that (1) the aggregate amount of outstanding U.S. Overadvances shall not, at any time, exceed (x) 5% of the total U.S. Commitment then in effect or (y) when aggregated with the aggregate outstanding amount of U.S. Protective Advances then outstanding, 7.5% of the total U.S. Commitment then in effect; provided further that no U.S. Overadvance shall be made if after giving effect thereto, the sum of any Lender’s U.S. Credit Exposure and Prepetition U.S. Credit Exposure shall exceed such Lender’s U.S. Commitment; and (2) the aggregate Dollar Equivalent of outstanding Canadian Overadvances shall not, at any time, exceed (x) 5% of the total Canadian Commitment then in effect or (y) when aggregated with the aggregate Dollar Equivalent of Canadian Protective Advances shall not at any time exceed 7.5% of the Canadian Commitment then in effect; provided further that no Canadian Overadvance shall be made if after giving effect thereto, the sum of any Lender’s Canadian Credit Exposure and Prepetition Canadian Credit Exposure shall exceed such Lender’s Canadian Commitment. Overadvances may be made even if the conditions precedent set forth in Section 4.02 have not been satisfied. All Overadvances denominated in dollars shall be ABR Borrowings and all Canadian Overadvances denominated in Canadian Dollars shall be Canadian Prime Rate Loans. The applicable Borrowers shall be required to repay each Overadvance no later than the 30th day after the date of the making thereof. The Applicable Administrative Agent’s authorization to make Overadvances may be revoked at any time by the Required Lenders. Any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent’s receipt thereof.

(c) The U.S. Swingline Lender and the Administrative Agent may by notice given not later than 12:00 p.m., New York City time, on any Business Day require the U.S. Revolving Lenders to acquire participations on such Business Day in all or a portion of any U.S. Swingline Loan or U.S. Overadvance, respectively, outstanding. The Canadian Administrative Agent may by notice given not later than 12:00 p.m. Toronto time, on any Business Day require the Canadian Revolving Lenders to acquire participations on such Business Day in all or a portion of any Canadian Swingline Loan and Canadian Overadvance outstanding. Each such notice shall specify the aggregate principal amount of the Swingline Loan or Overadvance, respectively, in which the Lenders will be required to participate, including the currency

thereof, and each Lender's Applicable Percentage of such Swingline Loan or Overadvance. Each Lender hereby absolutely and unconditionally agrees to pay, upon receipt of notice as provided above, to the Administrative Agent, for the account of the applicable Swingline Lender or the account of the Applicable Administrative Agent, as applicable, such Lender's Applicable Percentage of such Swingline Loan or Overadvance. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans and Overadvances pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including nonsatisfaction of any of the conditions precedent set forth in Section 4.02, the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Revolving Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph). From and after the date, if any, on which any Lender has paid in full for its participation in any Swingline Loan or Overadvance purchased hereunder, the applicable Swingline Lender or the Applicable Administrative Agent, as applicable, shall promptly distribute to such Lender its Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Swingline Lender or the Applicable Administrative Agent, as applicable, in respect of such Swingline Loan or Overadvance; provided that any such payment or proceeds so distributed shall be repaid to the Swingline Lender or the Applicable Administrative Agent, as applicable, if and to the extent such payment or proceeds is required to be refunded to the applicable Borrowers for any reason. The purchase of participation in any Swingline Loan or Overadvance pursuant to this paragraph shall not constitute a Loan and shall not relieve the applicable Borrowers of their obligation to repay such Swingline Loan or Overadvance.

(d) The Applicable Administrative Agent, on behalf of each Swingline Lender, shall request settlement (a "Settlement") with the Revolving Lenders on at least a weekly basis or on any earlier date that the Administrative Agent elects, by notifying the applicable Revolving Lenders of such requested Settlement by electronic transmission, telephone, or e-mail no later than 1:00 p.m., New York City time, on the date of such requested Settlement (the "Settlement Date"). Each Revolving Lender (other than the applicable Swingline Lender) shall transfer the amount of such Lender's Applicable Percentage of the outstanding principal amount of the applicable Swingline Loan in the currency in which such Swingline Loan is denominated with respect to which Settlement is requested to the Applicable Administrative Agent, to such account of the Applicable Administrative Agent as the Administrative Agent may designate, not later than 3:00 p.m., New York City time, on such Settlement Date. Settlements may occur during the existence of a Default and whether or not the applicable conditions precedent set forth in Section 4.02 have then been satisfied. Such amounts transferred to the Administrative Agent shall be applied against the amounts of the Swingline Lender's Swingline Loans and, together with Swingline Lender's Applicable Percentage of such Swingline Loan, shall constitute Revolving Loans of such Lenders, respectively. If any such amount is not transferred to the Administrative Agent by any Revolving Lender on such Settlement Date, the Swingline Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon as specified in Section 2.07.

SECTION 2.06 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower Representative may request the issuance of Letters of Credit denominated in Dollars or an LC Alternative Currency (in the case of U.S. Letters of Credit) for the account of the U.S. Borrowers or Letters of Credit denominated in Dollars, Canadian Dollars or an LC Alternative Currency (in the case of any Canadian Letter of Credit) for the account of the U.S. Borrowers or the Canadian Borrower, in a form reasonably acceptable to the Applicable Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this

Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by any Borrower to, or entered into by any Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. For the avoidance of doubt, subject to Section 2.06(n) any Letter of Credit hereunder for the account of the U.S. Borrowers or the Canadian Borrower may be for the benefit of any Subsidiary whether or not a U.S. Borrower or a Canadian Borrower.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit (other than an automatic renewal permitted pursuant to paragraph (c) of this Section), the Borrower Representative shall deliver by hand or electronic transmission (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Applicable Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, specifying whether such Letter of Credit is a U.S. Letter of Credit or a Canadian Letter of Credit, the Borrower(s) for whose account such Letter of Credit is to be issued, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the currency in which such Letter of Credit will be denominated (which (x) shall be Dollars in the case of U.S. Letters of Credit and (y) shall be Dollars, Canadian Dollars or any LC Alternative Currency in the case of Canadian Letters of Credit) the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower Representative also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrowers shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the total U.S. LC Exposure shall not exceed \$135,000,000 and the total Canadian LC Exposure shall not exceed \$15,000,000, (ii) the total U.S. Standby LC Exposure shall not exceed \$70,000,000 and the total Canadian Standby LC Exposure shall not exceed \$5,000,000 and (iii) the Revolving Exposure Limitations shall be complied with.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five (5) Business Days prior to the date set forth in clause (i) of the definition of "Maturity Date". Any Letter of Credit may provide by its terms that it may be automatically extended for additional successive one year periods on terms reasonably acceptable to the applicable Issuing Bank. Any Letter of Credit providing for automatic extension shall be extended upon the then current expiration date without any further action by any Person unless the applicable Issuing Bank shall have given notice to the applicable beneficiary (with a copy to the applicable Borrower) of the election by such Issuing Bank not to extend such Letter of Credit, such notice to be given not fewer than 30 days prior to the then current expiration date of such Letter of Credit; provided that no Letter of Credit may be extended automatically or otherwise beyond the date that is five (5) Business Days prior to the date set forth in clause (i) of the definition of "Maturity Date".

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) under any Facility and without any further action on the part of the applicable Issuing Bank or the Lenders under such Facility, such Issuing Bank hereby grants to each Lender under such Facility, and each Lender under such Facility hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, (i) with respect to each U.S. Letter of Credit, each U.S. Revolving Lender hereby absolutely and unconditionally agrees to

pay in Dollars to the Administrative Agent, and (ii) with respect to any Canadian Letters of Credit, each applicable Canadian Revolving Lender hereby absolutely and unconditionally promises to pay, in Dollars, to the Canadian Administrative Agent, in each case for the account of the applicable Issuing Bank, such Lender's Applicable Percentage of the Dollar Equivalent of each LC Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower(s) on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to such Borrower(s) for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default, reduction or termination of the Revolving Commitments or any force majeure or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the expiration thereof or of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the applicable Borrower(s) shall, following notice of such LC Disbursement to the Borrower Representative, reimburse such LC Disbursement by paying to the Applicable Administrative Agent in Dollars an amount equal to the Dollar Equivalent of such LC Disbursement not later than 2:00 p.m., New York City time, on the date that such LC Disbursement is made, if the Borrower Representative shall have received notice of such LC Disbursement prior to 10:00 a.m., New York City time, on such date, or, if such notice has not been received by the Borrower Representative prior to such time on such date, then not later than 2:00 p.m., New York City time, on (i) the Business Day that the Borrower Representative receives such notice, if such notice is received prior to 10:00 a.m., New York City time, on the day of receipt, or (ii) the Business Day immediately following the Business Day that the Borrower Representative receives such notice, if such notice is not received prior to such time on the day of receipt; provided that the Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the applicable Borrower(s)' obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing, or, if the applicable Swingline Lender shall have elected to apply the terms of Section 2.05(a) to such requested Borrowing, the resulting Swingline Loan. If the applicable Borrower(s) fail to make such payment when due, the Applicable Administrative Agent shall notify each applicable Lender of the Dollar Equivalent of the applicable LC Disbursement, the payment then due from the applicable Borrower(s) in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Lender shall pay to the Applicable Administrative Agent in Dollars its Applicable Percentage of the payment then due from the applicable Borrower(s), in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Applicable Administrative Agent shall promptly pay to such Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Applicable Administrative Agent of any payment from the Borrower(s) pursuant to this paragraph, the Applicable Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that any Revolving Lender has made payments pursuant to this paragraph to reimburse such Issuing Bank, then to each such Revolving Lender and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower(s) of their obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrowers' obligations to reimburse LC Disbursements as provided in paragraph (e) of this Section is absolute, unconditional and irrevocable, and shall be performed

strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not substantially comply with the terms of such Letter of Credit, (iv) any force majeure or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the stated expiration date thereof or of the Revolving Commitments or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this paragraph, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. No Lender Party, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any other act, failure to act or other event or circumstance; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the applicable Borrower(s) to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by such Borrower(s) that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of bad faith, gross negligence or willful misconduct on the part of an Issuing Bank (with such absence to be presumed unless otherwise determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Applicable Administrative Agent and the Borrower Representative by telephone (confirmed by electronic transmission) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower(s) shall reimburse such LC Disbursement in full in cash on the date such LC Disbursement is made, the unpaid Dollar Equivalent thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that such Borrower(s) reimburse such LC Disbursement in full in cash, at the rate per annum then applicable to Canadian Prime Rate Revolving Loans (if the LC Disbursement is in Cdn\$) or ABR Revolving Loans (if the LC Disbursement is in US\$); provided that, if the Borrowers fail to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(f) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Applicable Administrative Agent for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e)

of this Section to reimburse the Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the applicable Borrower(s) reimburse the applicable LC Disbursement in full in cash.

(i) Replacement of the Issuing Banks. Any Issuing Bank may be replaced at any time by written agreement among the Borrower Representative, the Applicable Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Applicable Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the applicable Borrower(s) shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower Representative receives notice from the Administrative Agent or the Required Lenders demanding the deposit of cash collateral pursuant to this paragraph, (i) the Borrowers shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "U.S. LC Collateral Account"), an amount in cash in the currencies in which such LC Exposure is denominated equal to 103% of the LC Exposure in respect of Letters of Credit issued for the account of the U.S. Borrowers as of such date plus accrued and unpaid interest thereon and (ii) the Canadian Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Canadian Lenders (the "Canadian LC Collateral Account"), an amount in the currencies in which such LC Exposure is denominated equal to 103% of the LC Exposure in respect of Letters of Credit issued for the account of the Canadian Borrower as of such date plus accrued and unpaid interest thereon as of such date plus accrued and unpaid interest thereon. Such deposits, (A) if made into the U.S. LC Collateral Account shall be held by the Administrative Agent as collateral for the payment and performance of the U.S. Obligations arising from LC Exposure in respect of Letters of Credit issued for the account of the U.S. Borrowers and (B) if made into the Canadian LC Collateral Account shall be held by the Administrative Agent as collateral for the payment and performance of the Canadian Obligations arising from LC Exposure in respect of Letters of Credit issues for the account of the Canadian Borrower, in each case, as further set forth in the applicable Collateral Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such accounts. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the applicable Borrower(s)' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in each such account shall, notwithstanding anything to the contrary herein or in the Collateral Documents, be applied by the Administrative Agent to reimburse the applicable Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the applicable Borrower(s) for the LC Exposure in respect of Letters of Credit issued for the account of such Borrower(s) at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Required Lenders), be applied, in the case of moneys in the U.S. LC Collateral Account, to satisfy the Secured Obligation or, in the case of moneys in the Canadian LC Collateral Account, to satisfy the Canadian Secured Obligations, be applied to satisfy other Secured Obligations (but subject to, in the case of any such application at a time when any Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders that

has not been reallocated to non-Defaulting Lenders pursuant to Section 2.20), the consent of each Issuing Bank). If any Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within three (3) Business Days after all Events of Default have been cured or waived.

(k) Existing Letters of Credit. Each Existing Letter of Credit that is (i) a Canadian Letter of Credit (as defined in the Prepetition Credit Agreement) shall constitute a “Canadian Letter of Credit” for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date and (ii) a U.S. Letter of Credit (as defined in the Prepetition Credit Agreement) shall constitute a “U.S. Letter of Credit” for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date. All (i) Canadian LC Exposure (as defined in the Prepetition Credit Agreement) shall constitute “Canadian LC Exposure” for all purposes of this Agreement and (ii) U.S. LC Exposure (as defined in the Prepetition Credit Agreement) shall constitute “U.S. LC Exposure” for all purposes of this Agreement, and, in each case, no issuance or similar fees (as distinguished from ongoing participation or fronting fees) will be required in connection with the deemed issuance of the Existing Letters of Credit on the Effective Date.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Applicable Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Applicable Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Applicable Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount and currency of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount and currency of such LC Disbursement, (iv) on any Business Day on which the applicable Borrower(s) fail to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount due and (v) on any other Business Day, such other information as the Applicable Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

(n) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the U.S. Borrowers (in the case of a Letter of Credit issued for the account of the U.S. Borrowers) or the Canadian Borrower (in the case of a Letter of Credit issued for the account of the Canadian Borrower) shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit requested by such Borrower for the account of Subsidiaries inures to the benefit of such Borrower, and that such Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.07 Funding of Borrowings.

(a) Each Lender shall make each Revolving Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., New York City time, to the account of the Applicable Administrative Agent most recently designated by it for such purpose by notice to the Revolving Lenders. The Applicable Administrative Agent will make such Loans available to the applicable Borrower(s) by promptly crediting the amounts so received, in like funds, to the Funding Account(s); provided that (I) ABR Revolving Loans made to finance the reimbursement of (i) an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Applicable Administrative Agent to the applicable Issuing Bank and (ii) a U.S. Protective Advance or US. Overadvance shall be retained by the Administrative Agent and (II) ABR Loans made to finance the reimbursement of (i) a Canadian LC Disbursement as provided in Section 2.06(f) shall be remitted by the Canadian Administrative Agent to the applicable Canadian Issuing Bank and (ii) a Canadian Protective Advance or Canadian Overadvance shall be retained by the Canadian Administrative Agent.

(b) Unless the Applicable Administrative Agent shall have received notice from a Lender prior to the proposed date of any Revolving Borrowing that such Lender will not make available to the Applicable Administrative Agent such Lender's Applicable Percentage of such Borrowing, the Applicable Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption, make available to the applicable Borrower(s) a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Applicable Administrative Agent, then the applicable Lender and the applicable Borrower(s) severally agree to pay to the Applicable Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower(s) to but excluding the date of payment to the Applicable Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (x) the Federal Funds Effective Rate (in the case of Dollar-denominated amounts) or the Canadian Prime Rate (in the case of Canadian Dollar-denominated amounts) and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of Loans denominated in Dollars, the interest rate applicable to ABR Loans and in the case of Loans denominated in Canadian Dollars, the interest rate applicable to Canadian Prime Rate Loans. If the applicable Borrower(s) and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the applicable Borrower(s) the amount of such interest paid by the Borrowers for such period. If such Lender pays such amount to the Applicable Administrative Agent, then such amount shall constitute such Lender's Revolving Loan included in such Borrowing. Any payment by any Borrower(s) pursuant to this paragraph (b) shall be without prejudice to any claim such Borrower(s) may have against a Lender that shall have failed to make such payment to the Applicable Administrative Agent.

SECTION 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type and, in the case of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, shall have an initial Interest Period as specified in the applicable Borrowing Request or as otherwise provided in Section 2.03. Thereafter, the Borrower Representative may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower Representative may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, Overadvances or Protective Advances, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower Representative shall notify (i) the Administrative Agent with respect to each U.S. Revolving Borrowing and (ii) the Canadian Administrative Agent (with a copy to the Administrative Agent), with respect to each Canadian Revolving Borrowing, in each case of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic transmission to the Administrative Agent (and, in the case of a Canadian Revolving Borrowing, the Canadian Administrative Agent) of an executed written Interest Election Request. Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, a Eurodollar Borrowing, a Canadian Prime Rate Borrowing or a CDOR Rate Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing or CDOR Rate Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing or CDOR Rate Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration, in the case of a Eurodollar Borrowing, or 30 days, in the case of a CDOR Rate Borrowing.

(c) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(d) If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a Eurodollar Revolving Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a CDOR Rate Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Canadian Prime Rate Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower Representative, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing may be converted to or continued as a Eurodollar Borrowing or CDOR Rate Borrowing, (ii) unless repaid, each Eurodollar Revolving Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each CDOR Rate Borrowing shall be converted into a Canadian Prime Rate Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09 Termination and Reduction of Revolving Commitments; Increase in Revolving Commitments.

(a) Unless previously terminated, the Revolving Commitments shall automatically terminate at 5:00 p.m., New York City time, on the Maturity Date, or any earlier date on which the Revolving Commitments are reduced to zero or otherwise terminated pursuant to the terms hereof.

(b) The Borrower Representative may at any time terminate the Commitments under the U.S. Facility and/or the Canadian Facility upon (i) the payment in full in cash of all outstanding Loans, together with accrued and unpaid interest thereon and on any LC Disbursements, in each case, under the applicable Facility, (ii) the cancellation and return of all outstanding Letters of Credit (or alternatively, with respect to each such Letter of Credit, (x) the furnishing to the Administrative Agent of a cash deposit (or at the discretion of the Administrative Agent a backup standby letter of credit reasonably satisfactory to the Administrative Agent) equal to 103% of the portion of the LC Exposure attributable to all Letters of Credit, as determined by the applicable Issuing Banks) or (y) such other alternative arrangement with respect to any such Letters of Credit that is satisfactory to the Administrative Agent and the Issuing Bank), and such cash deposit shall not be subject to or subordinate to the Carve-Out or the Canadian DIP Charge, (iii) the payment in full in cash of all accrued and unpaid fees owing in respect of such Facility and (iv) the payment in full in cash of all reimbursable expenses and all other Obligations outstanding at such time in respect of such Facility; provided that, upon the termination of the Revolving Commitments pursuant to this clause (b), all obligations of the Administrative Agent and the Lenders to provide the credit facility to the Borrowers described in the Exit Facility Term Sheet and the rights and obligations of the parties hereto under Section 2.23 shall automatically terminate without any further consent or action required by any Person.

(c) The Borrower Representative may from time to time reduce the Commitments under the U.S. Facility and/or the Canadian Facility; provided that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (ii) the Borrower Representative shall not reduce the Revolving Commitments under any Facility if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the Borrowers would not be in compliance with the Revolving Exposure Limitations.

(d) The Borrower Representative shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under paragraph (b) or (c) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Revolving Lenders of the contents thereof. Each notice delivered by the Borrower Representative pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower Representative may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative (by notice to the Administrative Agent on or prior to specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments shall be permanent. Each reduction of the Revolving Commitments under any Facility shall be made ratably among the Lenders under such Facility in accordance with their respective Revolving Commitments thereunder.

SECTION 2.10 Repayment of Loans; Evidence of Debt.

(a) The U.S. Borrowers hereby, jointly and severally, unconditionally promise to pay to (i) the Administrative Agent, for the account of each U.S. Revolving Lender the principal amount of all outstanding U.S. Revolving Loans, (ii) the Canadian Administrative Agent, for the account of each Canadian Revolving Lender the principal amount of all outstanding Canadian Revolving Loans to the U.S.

Borrowers, (iii) the Applicable Administrative Agent the then unpaid amount of each Protective Advance to the U.S. Borrowers and Overadvance to the U.S. Borrowers, (iv) the U.S. Swingline Lender, the principal amount of each U.S. Swingline Loan and (v) the Canadian Swingline Lender, the principal amount of each Canadian Swingline Loan to the U.S. Borrowers, in each case, on the earliest of (A) the Maturity Date, (B) in the case of any Overadvance, the earlier of the 60th day after the date of the making thereof and demand by the Administrative Agent and (C) in the case of any Protective Advance, demand by the Administrative Agent. The Canadian Borrower hereby unconditionally promises to pay to (i) the Canadian Administrative Agent, for the account of each Canadian Revolving Lender the principal amount of all outstanding Canadian Revolving Loans to the Canadian Borrower, (ii) the Canadian Administrative Agent the then unpaid amount of each Canadian Protective Advance to the Canadian Borrower and Canadian Overadvance to the Canadian Borrower and (iii) the Canadian Swingline Lender, the principal amount of each Canadian Swingline Loan to the Canadian Borrower, in each case, on the earliest of (A) the Maturity Date, (B) in the case of any Canadian Overadvance, the 60th day after the date of the making thereof and demand by the Administrative Agent and (C) in the case of any Canadian Protective Advance, demand by the Canadian Administrative Agent.

(b) On each Business Day, the Administrative Agent shall apply all funds credited to a Concentration Account of the Borrowers on such Business Day or the immediately preceding Business Day (at the discretion of the Administrative Agent, whether or not immediately available), first, to prepay the Prepetition Revolving Loans and/or Prepetition Swingline Loans, if any, that may be outstanding in the order and manner provided in the Prepetition Credit Agreement, second, to prepay any U.S. Protective Advances, U.S. Overadvance, Canadian Protective Advances and Canadian Overadvances that may be outstanding, third, to prepay the Revolving Loans, Swingline Loans, Canadian Revolving Loans and Canadian Swingline Loans, fourth to cash collateralize outstanding U.S. LC Exposure and Canadian LC Exposure with respect to U.S. Letters of Credit and Canadian Letters of Credit issued for the account of the Borrowers at such time in accordance with Section 2.06(j), and fifth, as the Borrower Representative may direct.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the applicable Borrower(s) to such Lender resulting from each Loan made by such Lender to such Borrower(s), including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the applicable Borrower(s), the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the applicable Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Applicable Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to pay any amounts due hereunder in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent.

SECTION 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (c) of this Section; *provided* that, any such prepayments shall be applied, first, to the Prepetition Revolving Loans and/or Prepetition Swingline Loans then outstanding (in the order and manner provided in the Prepetition Credit Agreement) and then to the Revolving Loans.

(b) Except to the extent such excess arises from Protective Advances permitted under Section 2.04 or Overadvances permitted under Section 2.05, in the event and on each occasion that the Borrowers are not in compliance with the Revolving Exposure Limitations, the Canadian Borrower and the U.S. Borrowers shall immediately and severally prepay first, the Prepetition Revolving Loans and/or Prepetition Swingline Loans then outstanding (in the order and in the manner provided in the Prepetition Credit Agreement) and, second, the Revolving Loans and/or Swingline Loans (or, if no such Borrowings are outstanding, deposit cash collateral in the LC Collateral Account in accordance with Section 2.06(j)) of such Borrower(s) in an aggregate amount that, after giving effect to such prepayments or cash collateralizations the Borrowers shall be in compliance with the Revolving Exposure Limitations.

(c) Subject to the priority of Liens and application of funds set forth in the Orders with respect to the Collateral that is sold pursuant to an Asset Sale, in the event and on each occasion that (i) any Net Proceeds are received by or on behalf of the Parent or any Subsidiary in respect of any Prepayment Event and (ii) the Loan Parties receive designated “restricted cash” in accordance with the milestones set forth in Section 5.21(e), the Borrowers shall, on each day such Net Proceeds and designated “restricted cash” are received, prepay Borrowings in an amount equal to 100% of such Net Proceeds or such designated “restricted cash” (without a reduction in Revolving Commitments); provided that in the case of a Prepayment Event described in clauses (a), (b) or (d) of the definition thereof, any Net Proceeds in respect of Term Priority Collateral received by the Borrowers as a result of such Prepayment Event shall be applied (A) unless waived in accordance with the Term Credit Agreement or as provided in the Orders, first, to the “Obligations” under and as defined in the Term Credit Agreement, until paid in full, and (B) second, as set forth in Section 2.11(d) below. Notwithstanding the foregoing (except as described in the proviso to the immediately preceding sentence), the Loan Parties or any Subsidiary shall be permitted to reinvest the Net Proceeds of any Prepayment Event described in clauses (a), (b) or (d) of the definition of Prepayment Event with the prior written consent of the Administrative Agent and the Required Lenders (in their sole and absolute discretion).

(d) The Borrower Representative shall notify the Applicable Administrative Agent (and, in the case of prepayment of a Swingline Loan, the applicable Swingline Lender), with a copy to the Administrative Agent in the case of a prepayment of a Canadian Loan, by telephone (confirmed by hand delivery or electronic transmission) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Revolving Borrowing or a Canadian Prime Rate Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Revolving Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Revolving Loans included

in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(e) Notwithstanding any provisions of this Section 2.11 to the contrary, if any prepayment would otherwise be required to be made pursuant to clause (c) of this Section 2.11, solely as it relates to the portion of such Net Proceeds generated outside of the United States, so long as (x) the applicable local law will not permit or would delay repatriation of such Net Proceeds to the United States or (y) adverse tax consequences (other than de minimis consequences) to the Borrower Representative or any of its Subsidiaries would result from such repatriation, such Net Proceeds so affected shall not be required to be included in the mandatory prepayments referred to in such clause (c), but may be retained by the Borrowers or the applicable Subsidiary for so long, but only so long, as the applicable local law will not permit or would otherwise delay repatriation to the United States.

SECTION 2.12 Fees.

(a) The U.S. Borrowers, jointly and severally, agree to pay to the Administrative Agent for the account of each U.S. Revolving Lender a commitment fee in dollars, which shall accrue at the Applicable Commitment Fee Rate on the daily amount by which such Lender's U.S. Commitment exceeds the amount of such Lender's U.S. Revolving Loans and U.S. LC Exposure during the period from and including the Effective Date to but excluding the date on which the Lenders' U.S. Commitment terminates. The Canadian Borrowers agree to pay to the Canadian Administrative Agent in dollars for the account of each Canadian Revolving Lender a commitment fee, which shall accrue at the Applicable Commitment Fee Rate on the daily amount by which such Lender's Canadian Commitment exceeds the Dollar Equivalent of such Lender's Canadian Revolving Loans and Canadian LC Exposure during the period from and including the Effective Date to but excluding the date on which the Lenders' Canadian Commitment terminates. Accrued commitment fees shall be payable in arrears on the first Business Day of each January, April, July and October, commencing on the first such date to occur after the Effective Date, and on the date on which the Revolving Commitments terminate. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed. For purposes of computing commitment fees, the Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans, Swingline Exposure, Protective Advances, Overadvances and LC Exposure of such Lender.

(b) The (i) U.S. Borrowers agree to pay to the Applicable Administrative Agent for the account of each U.S. Revolving Lender a letter of credit fee with respect to its participations in U.S. Letters of Credit and for the account of each Canadian Revolving Lender a letter of credit fee with respect to Canadian Letters of Credit issued for the account of the U.S. Borrowers and (ii) the Canadian Borrower agrees to pay to the Canadian Administrative Agent for the account of each Canadian Revolving Lender a letter of credit fee with respect to its participation in Canadian Letters of Credit issued for the account of the Canadian Borrower which, in each case, shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurodollar Loans (as in effect from time to time) on the average daily Dollar Equivalent of such Lender's applicable LC Exposure in respect of such Letters of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Revolving Lender ceases to have any LC Exposure in respect of such Borrower(s)' Letters of Credit. In addition, (x) the U.S. Borrowers, jointly and severally, agrees to pay to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% of the average daily Dollar Equivalent of the LC Exposure attributable to Letters of Credit issued for the account of the U.S. Borrowers by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure in respect of

Letters of Credit issued for the account of the U.S. Borrowers, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any such Letter of Credit or processing of drawings thereunder and (y) the Canadian Borrower agrees to pay to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% of the average daily Dollar Equivalent of the LC Exposure attributable to Letters of Credit issued for the account of the Canadian Borrower by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure in respect of Letters of Credit issued for the account of the Canadian Borrower, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any such Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of each calendar quarter shall be payable on the first Business Day of each January, April, July and October, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Banks pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed.

(c) The U.S. Borrowers agree to pay to the fees in the amounts and payable at the times separately agreed upon in the Fee Letters or as otherwise agreed between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Applicable Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders. Fees paid shall not be refundable under any circumstances (absent manifest error in the amount paid).

SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan, but excluding Protective Advances and Overadvances) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Loans comprising each Canadian Prime Rate Borrowing shall bear interest at the Canadian Prime Rate plus the Applicable Rate.

(d) The Loans comprising each CDOR Rate Borrowing shall bear interest at the CDOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(e) Each (i) U.S. Protective Advance and U.S. Overadvance shall bear interest at the Alternate Base Rate plus the Applicable Rate for ABR Revolving Loans plus 2% per annum and each Canadian Protective Advance and Canadian Overadvance shall bear interest at the Canadian Prime Rate plus the Applicable Rate for Canadian Prime Rate Loans plus 2% per annum.

(f) Notwithstanding the foregoing, during the occurrence and continuance of an Event of Default, (i) all past due amounts in respect of the principal of any Loan shall bear interest at 2% plus the rate otherwise applicable to such Loans as provided in the preceding paragraphs of this Section or (ii) in

the case of any other amount that is past due, such amount shall bear interest at 2% per annum plus the rate applicable to Base Rate Revolving Loans hereunder (or, in the case of amounts denominated in Canadian Dollars, 2% per annum plus the rate applicable to Canadian Prime Rate Loans hereunder).

(g) Accrued interest on each Loan (for ABR Loans and Canadian Prime Rate Loans, accrued through the last day of the prior calendar quarter) shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (f) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan or Canadian Prime Rate Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Revolving Loan or CDOR Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(h) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate, the Canadian Prime Rate or the CDOR Rate shall be determined by the Applicable Administrative Agent, and such determination shall be conclusive absent manifest error.

(i) *Interest Act (Canada)*. For purposes of disclosure pursuant to the *Interest Act (Canada)*, the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of 360 days or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively.

(j) *Limitation on Interest*. If any provision of this Agreement or of any of the other Loan Documents would obligate any Loan Party to make any payment of interest or other amount payable to the Lenders in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Lenders of interest at a criminal rate (as such terms are construed under the *Criminal Code (Canada)*) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by the Lenders of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to the Lenders under this Section 2.13, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the Lenders which would constitute “interest” for purposes of Section 347 of the *Criminal Code (Canada)*. Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if the Lenders shall have received an amount in excess of the maximum permitted by that section of the *Criminal Code (Canada)*, the Loan Parties shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from the Lenders in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by the Lenders to the Borrowers. Any amount or rate of interest referred to in this Section 2.13(j) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of “interest” (as defined in the *Criminal Code (Canada)*) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Effective Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

SECTION 2.14 Alternate Rate of Interest; Illegality. (a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing or CDOR Rate Borrowing:

(i) the Applicable Administrative Agent determines in good faith (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the CDOR Rate, as applicable (including, without limitation, by means of an Interpolated Rate or because the LIBO Screen Rate or the CDOR Rate is not available or published on a current basis) for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the CDOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Applicable Administrative Agent shall give notice thereof to the Borrower Representative and the Lenders through the Platform as provided in Section 9.01 as promptly as practicable thereafter and, until the Applicable Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist (which notification shall be made promptly after the Applicable Administrative Agent obtains knowledge of the cessation of such circumstances), (A) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing or a CDOR Rate Borrowing shall be ineffective, and any such Revolving Borrowing shall be repaid or converted into an ABR Borrowing or Canadian Prime Rate Borrowing, as applicable, on the last day of the then current Interest Period applicable thereto, and (B) if any Borrowing Request requests a Eurodollar Borrowing or CDOR Rate Borrowing, such Borrowing shall be made as an ABR Borrowing or Canadian Prime Rate Borrowing, respectively.

(b) If any Lender determines that any Requirement of Law has made it unlawful, or if any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain, fund or continue any Eurodollar Borrowing or CDOR Rate Borrowing, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, dollars in the London interbank market, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make, maintain, fund or continue Eurodollar Loans or to convert ABR Borrowings to Eurodollar Borrowings or to convert Canadian Prime Rate Borrowings to CDOR Rate Borrowings will be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers will upon demand from such Lender (with a copy to the Applicable Administrative Agent), either prepay all Eurodollar Borrowings and CDOR Rate Borrowings of such Lender or convert all Eurodollar Borrowings and CDOR Rate Borrowings of such Lender to ABR Borrowings and Canadian Prime Rate Borrowings, respectively, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Borrowings or CDOR Rate Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such conversion or prepayment, the Borrowers will also pay accrued interest on the amount so converted or prepaid.

(c) If at any time (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that the circumstances set forth with respect to the Adjusted LIBO Rate in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrowers (A) shall endeavor to establish an alternate

benchmark rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time (which may include a margin to be applied thereto); provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement, and (B) shall enter into an amendment to this Agreement, at no cost to the Loan Parties other than the reimbursement of the Administrative Agent's costs and expenses as contemplated by Section 9.03 of this Agreement, to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable; *provided*, that any such amendment shall meet the standards set forth in Proposed United States Treasury Regulation Section 1.1001-6 or any amended, temporary or final version thereof so as not to be treated as a "modification" (and therefore an exchange) for purpose of United States Treasury Regulation Section 1.1001-3. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (c) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.14(c), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing shall be ineffective, and (y) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the London interbank market or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Loans or CDOR Rate Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than any (A) Indemnified Taxes or (B) Excluded Taxes) on or with respect to its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender or other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, from time to time upon request of such Lender or other Recipient, the applicable Borrower(s) will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Revolving Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy or liquidity), then, from time to time upon request of such Lender or such Issuing Bank, the applicable Borrower(s) will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrower Representative shall be conclusive absent manifest error. The applicable Borrower(s) shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.15 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances under agreements containing provisions permitting such compensation to be claimed at such time.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan or CDOR Rate Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan or CDOR Rate Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(d) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan or CDOR Rate Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower Representative pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense (excluding any loss of margin) attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate or CDOR Rate that would have been applicable to such Loan (but not including the Applicable Rate applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period

that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate such Lender would bid if it were to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the London interbank market or CDOR Rate market, as applicable. A certificate of any Lender delivered to the Borrower Representative and setting forth and explaining in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be conclusive absent manifest error. The applicable Borrower(s) shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

SECTION 2.17 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by any applicable withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of payments made to any Administrative Agent for its own account, such Administrative Agent) receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Applicable Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Applicable Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Administrative Agent.

(d) Indemnification by the Loan Parties. The applicable Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) payable or paid by such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Representative by a Lender (with a copy to the Applicable Administrative Agent), or by the Applicable Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Status of Recipients.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Representative and the Applicable Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Applicable Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative or the

Applicable Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Applicable Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower Representative or the Applicable Administrative Agent as will enable the Borrower Representative or the Applicable Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender to a U.S. Borrower that is a U.S. Person shall deliver to the Borrower Representative and the Applicable Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Foreign Lender to a U.S. Borrower shall deliver to the Borrower Representative and the Applicable Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), whichever of the following is applicable (in such number of copies as shall be requested by the recipient):

(1) executed originals of IRS Form W-8BEN or W-8BEN-E (or any successor forms) in the case of a Foreign Lender claiming eligibility for the benefits of an income tax treaty to which the United States is a party;

(2) executed originals of IRS Form W-8ECI (or any successor forms);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any U.S. Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" related to any Borrower described in Section 881(c)(3)(C) of the Code and that no payments in connection with any Loan Document are effectively connected with the Foreign Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or W-8BEN-E (or any successor forms); or

(4) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of IRS Form W-8IMY (or any successor forms), accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a

participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I on behalf of each such direct and indirect partner;

(C) any Foreign Lender to a U.S. Borrower shall deliver to the Borrower Representative and the Applicable Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Applicable Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower Representative or the Applicable Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower Representative and the Administrative Agents at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Representative or the Administrative Agents such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Representative or the Administrative Agents as may be necessary for the Borrower Representative and the Administrative Agents to comply with their obligations under FATCA, to determine whether such Recipient has complied with such Recipient's obligations under FATCA and to determine, if any, the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(E) Any Lender to the Canadian Borrower shall deliver to the Canadian Borrower and the Canadian Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Canadian Borrower or the Canadian Administrative Agent), (1) two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding or (2) two executed originals of an applicable IRS Form W-8 certifying such Lender's non-U.S. status.

(F) Each Agent that is a U.S. Person, on or before the date on which it (and any successor or replacement Administrative Agent) becomes the Administrative Agent hereunder, shall deliver to the Borrower Representative and the Administrative Agents two executed copies of either (i) IRS Form W-9, or (ii) IRS Form W-8ECI (with respect to any payments to be received on its own behalf) and IRS Form W-8IMY (for all other payments), establishing that the Borrower can make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the United States, including Taxes imposed under FATCA.

Each Recipient agrees that if any form or certification it previously delivered (including any specific documentation required in this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect, it shall deliver promptly to the Borrower Representative or the Applicable Administrative Agent updated or other appropriate documentation (including any new documentation reasonably request by the Borrower or the Applicable Administrative Agent) or promptly notify the Borrower Representative and the Applicable Administrative Agent in writing of its legal ineligibility to do so.

Each Lender hereby authorizes the Applicable Administrative Agent to deliver to the Loan Parties and to any other successor Applicable Administrative Agent any documentation provided by such Lender pursuant to this Section 2.17(e).

Notwithstanding any other provision of this Section 2.17(e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(f) Treatment of Certain Refunds. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.17 (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.17 the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) Defined Terms. For the avoidance of doubt, for purposes of this Section 2.17, the term “Lender” includes any Issuing Bank and any Swingline Lender and the term “applicable law” includes FATCA.

(h) For purposes of FATCA, from and after the Effective Date, the Loan Parties and the Administrative Agents shall treat (and the Lenders hereby authorize the Administrative Agents to treat) this Agreement and any Loans made hereunder (including any Loans already outstanding) as not qualifying as “grandfathered obligations” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

SECTION 2.18 Payments Generally; Allocation of Proceeds; Sharing of Set-offs.

(a) The Borrowers shall make each payment required to be made by them hereunder or under any other Loan Document on or prior to the time expressly required hereunder or under such other Loan Document for such payment or, if no such time is expressly required, on or prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. All payments (i) in respect of any Loan (and interest thereon) shall be made in the same currency in which such Loan was made and (ii) in respect of all fees, in respect of reimbursement of LC Disbursements and in respect of any other amounts payable hereunder or under other Loan Documents shall be paid in Dollars. All such payments in respect of Revolving Loans and LC Exposure under any Facility shall be made and allocated, pro rata in accordance with the respective unpaid principal amounts of such Loans and the LC Exposure of each Lender under such Facility. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 10 South Dearborn Street, 22nd Floor, Chicago, Illinois, except that (i) payments required to be made directly to an Issuing Bank or the Swingline Lender shall be so made

and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein and (ii) payments of Canadian Loans and LC Disbursements or fronting fees that are payable to any Canadian Issuing Bank, shall be made to the Canadian Administrative Agent at its offices at Suite 4500, 66 Wellington St., W. Toronto, ON M5K 1A1 Canada. The Applicable Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder or under any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(b) (i) Any proceeds of Collateral received by the Administrative Agent (i) not constituting (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Borrower Representative), (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (C) amounts to be applied from a Concentration Account (which shall be applied in accordance with Section 2.10(b)) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, shall be applied ratably first, to permanently reduce the fees, interest and principal in respect of the Prepetition Lender Obligations then outstanding (if any) constituting fees, interest and principal in accordance with Section 2.18(b) of the Prepetition Credit Agreement, until paid in full in cash, second to permanently reduce the other Prepetition Lender Obligations then outstanding (if any) in accordance with Section 2.18(b) of the Prepetition Credit Agreement until paid in full in cash, third, to pay any fees, indemnities, or expense reimbursements then due to the Administrative Agent, the Canadian Administrative Agent and each Issuing Bank from the Borrowers (other than in connection with Banking Services or Swap Obligations); fourth, to pay any fees or expense reimbursements then due to the Lenders from the Borrowers (other than in connection with Banking Services or Swap Obligations); fifth, to pay interest due in respect of the Protective Advances and Overadvances; sixth, to pay the principal of the Protective Advances and Overadvances; seventh, to pay interest then due and payable on the Loans (other than the Protective Advances and Overadvances) ratably; eighth, to prepay principal on the Loans (other than the Protective Advances and Overadvances) and unreimbursed LC Disbursements ratably; ninth, to deposit in the U.S. LC Collateral Account and the Canadian LC Collateral Account cash collateral (in accordance with 2.06(j)); tenth, to payment of any amounts owing with respect to Banking Services (other than supply chain financing) and Swap Obligations; eleventh, to the payment of any other Secured Obligations due to any Lender Party by the Borrowers; twelfth, to the payment of amounts owing with respect to Banking Services comprising supply chain financing and thirteenth any excess to be returned to Borrower Representative to be used in accordance with the Approved Budget. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Borrower Representative, or unless a Default is in existence, no Agent nor any Lender shall apply any payment which it receives to any Eurodollar Loan or ABR Loan, except (a) on the expiration date of the Interest Period applicable to such Eurodollar Loan or ABR Loan or (b) in the event, and only to the extent, that there are no outstanding ABR Loans or Canadian Prime Rate Loans, respectively and, in any such event, the applicable Borrower(s) shall pay the break funding payment required in accordance with Section 2.16.

(c) All payments of principal, interest, LC Disbursements, fees, reimbursable expenses (including, without limitation, all reimbursements of fees and expenses pursuant to Section 9.03) and other sums payable under the Loan Documents or in respect of the Prepetition Lender Obligations may be paid from the proceeds of Borrowings made hereunder, whether made following a request by the Borrower Representative pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of any Borrower maintained with the Administrative Agent. Each Borrower hereby irrevocably authorizes (i) the Applicable Administrative Agent to request a Borrowing on its behalf for the purpose of paying each payment referred to in the preceding sentence and agrees that all such

amounts charged shall constitute Loans (including Swingline Loans and Overadvances, but such a Borrowing may only constitute a Protective Advance if it is to reimburse costs, fees and expenses pursuant to Section 9.03) and that all such Borrowings shall be deemed to have been requested pursuant to Section 2.03, 2.04 or 2.05, as applicable, and (ii) the Applicable Administrative Agent to charge any deposit account of any Borrower (other than, so long as no Event of Default shall have occurred or be continuing, any Excluded Account; provided that in no event shall this clause (ii) permit any payroll, trust or tax account to be charged) maintained with the Administrative Agent for each payment of principal, interest, fees or any other amount due under the Loan Documents or in respect of the Prepetition Lender Obligations referred to in the previous sentence.

(d) If any Lender under any Facility shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances under such Facility resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances and accrued interest thereon under such Facility than the proportion received by any other Lender under such Facility, then the Lender receiving such greater proportion shall notify the Applicable Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances of other Lenders under such Facility to the extent necessary so that the amount of all such payments shall be shared by the Lenders under such Facility ratably in accordance with the aggregate amounts of principal of and accrued interest on their respective Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances under such Facility; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (for the avoidance of doubt, as in effect from time to time) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances to any Person that is an Eligible Assignee (as such term is defined from time to time). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation. For purposes of subclause (b)(i) of the definition of Excluded Taxes, a Lender that acquires a participation pursuant to this Section 2.18(d) shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) and/or Loan(s) to which such participation relates.

(e) Unless the Applicable Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Applicable Administrative Agent for the account of any of the Lenders or the Issuing Banks hereunder that the applicable Borrower(s) will not make such payment, the Applicable Administrative Agent may assume that the applicable Borrower(s) have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or Issuing Banks, as the case may be, the amount due. In such event, if the applicable Borrower(s) have not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Applicable Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to each Applicable Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by each Applicable Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) If any Lender shall fail to make any payment required to be made by it hereunder to or for the account of the Applicable Administrative Agent, then the Applicable Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Applicable Administrative Agent for the account of such Lender to satisfy such Lender's obligations in respect of such payment until all such unsatisfied obligations have been discharged and/or (ii) hold any such amounts in a segregated account as cash collateral for, and apply any such amounts to, any future payment obligations of such Lender hereunder to or for the account of the Applicable Administrative Agent.

SECTION 2.19 Mitigation Obligations: Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The applicable Borrower(s) hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment and delegation.

(b) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender becomes a Defaulting Lender, then the Borrower Representative may, at the sole expense and effort of the applicable Borrower(s), upon notice to such Lender and the Administrative Agent by the Borrower Representative, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (i) the Borrower Representative shall have received the prior written consent of the Administrative Agent, each Issuing Bank and each Swingline Lender, which consents shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the applicable Borrower(s) (in the case of all other amounts), (iii) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (iv) such assignment and delegation does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the applicable Borrower(s) to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower Representative, the Administrative Agent and the assignee (subject to any required consents referred to above) and that the Lender required to make such assignment and delegation need not be a party thereto.

SECTION 2.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender under any Facility:

(a) commitment fees shall cease to accrue on the unused portion of the Revolving Commitment of such Defaulting Lender of such Facility pursuant to Section 2.12(a);

(b) the Revolving Commitment and Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or all affected Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;

(c) if any Swingline Exposure, LC Exposure, Protective Advance Exposure and Overadvance Exposure exists under any Facility under which such Lender has a Revolving Commitment at the time such Lender becomes a Defaulting Lender, then:

(i) such Defaulting Lender's Swingline Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.05(c)), LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.06(d)), Protective Advance Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.04(b)) and Overadvance Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.05(c)) under such Facility shall be reallocated among the non-Defaulting Lenders under such Facility in accordance with their respective Applicable Percentages, but only to the extent the sum of all non-Defaulting Lenders' Revolving Exposures under such Facility plus such Defaulting Lender's Swingline Exposures under such Facility, LC Exposure under such Facility, Protective Advance Exposure under such Facility and Overadvance Exposure under such Facility does not exceed the total of all non-Defaulting Lenders' Revolving Commitments under such Facility;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the applicable Borrower(s) shall within one (1) Business Day following notice by the Administrative Agent, without prejudice to any rights or remedies of the Borrowers against such Defaulting Lender, (A) first, prepay the portion of such Defaulting Lender's Overadvance Exposure under such Facility that has not been so reallocated, (B) second, prepay the portion of such Defaulting Lender's Protective Advance Exposure under such Facility that has not been so reallocated, (C) third, prepay the portion of such Defaulting Lender's Swingline Exposure under such Facility that has not been so reallocated and (D) fourth, cash collateralize such Defaulting Lender's LC Exposure under such Facility that has not been so reallocated in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if any Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the applicable Borrower(s) shall not be required to pay any letter of credit participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's cash collateralized LC Exposure under such Facility during the period such Defaulting Lender's LC Exposure under such Facility is cash collateralized;

(iv) if any portion of the LC Exposure under such Facility of such Defaulting Lender is reallocated pursuant to clause (c)(i) above, then the fees payable to the Lenders pursuant to Section 2.12(b) shall be adjusted to give effect to such reallocation; or

(v) if any portion of such Defaulting Lender's LC Exposure under such Facility is neither cash collateralized nor reallocated pursuant to clause (c)(i) or (c)(ii) above, then, without prejudice to any rights or remedies of the applicable Issuing Bank or any Lender hereunder, all letter of credit participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure under such Facility shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure under such Facility attributable to Letters of Credit issued by each Issuing Bank) until such LC Exposure is cash collateralized and/or reallocated; and

(d) the Swingline Lender under such Facility shall not be required to fund any Swingline Loan and no Issuing Bank under such Facility shall be required to issue, amend, renew, extend or increase any Letter of Credit, in each case, unless it is satisfied that the related exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders under such Facility and/or cash collateral provided by the Borrowers in accordance with clause (c) of this Section, and participating interests in any such newly issued, amended, renewed, extended or increased Letter of Credit under such Facility or newly made Swingline Loan under such Facility shall be allocated among non-Defaulting Lenders in a manner consistent with clause (c)(i) of this Section (and Defaulting Lenders shall not participate therein).

In the event and on the date that each of the Administrative Agent, Parent, each of the Issuing Banks and each of the Swingline Lenders agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure, LC Exposure, Protective Advance Exposure and Overadvance Exposure of the other Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment under the applicable Facility and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders under such Facility as the Administrative Agent shall determine may be necessary in order for such Lender to hold Revolving Loans under such Facility in accordance with its Applicable Percentage.

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) any Swingline Lender or any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no Swingline Lender shall be required to fund any Swingline Loan and the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lenders or the Issuing Bank, as the case may be, shall have entered into arrangements with the Borrower or such Lender, satisfactory to each Swingline Lender or the Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

SECTION 2.21 Returned Payments. If after receipt of any payment which is applied to the payment of all or any part of the Obligations, any Lender Party is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside or determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement and the other Loan Documents shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent, such Issuing Bank or such Lender. The provisions of this Section shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent, any Issuing Bank or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section shall survive the termination of this Agreement.

SECTION 2.22 Super-Priority Nature of Obligations and Administrative Agent's Liens; Payment of Obligations.

(a) The priority of Administrative Agent's Liens on the Collateral, claims and other interests shall be as set forth in the Interim Order, the Canadian Recognition Order (in the case of the Obligations of the Canadian Borrower, such claim shall be a valid, binding, continuing, enforceable, fully-perfected superpriority (subject only to the Canadian Administration Charge) senior priming charge, security interest in and lien upon all property of the Canadian Borrower, whether now existing or hereafter acquired (the "Canadian DIP Charge")) and the Final Order.

(b) Upon the maturity (whether by acceleration or otherwise) of any of the Secured Obligations, the Administrative Agent and Lenders shall be entitled to immediate payment of such Secured Obligations without further application to or order of the Court.

SECTION 2.23 Conversion to Exit Facility Agreement. Upon the satisfaction or waiver by the Administrative Agents and each Lender of each of the conditions precedent to the Conversion Date set forth in the section entitled "Conditions Precedent to Conversion Date" in the Exit Facility Term Sheet on or prior to the Maturity Date, automatically and without any further consent or action required by the Administrative Agents, any Lender, or any other Lender Party, (i) the Borrowers (or the entities assuming and/or acquiring directly or indirectly the operations and assets of the Borrowers in the Acceptable Plan, and each Loan Guarantor and each entity assuming the operations and assets of each Loan Guarantor that is a Debtor in the Acceptable Plan, to the extent such Person is required under the Exit Facility Term Sheet to continue to be a guarantor thereunder), shall assume all obligations in respect of the Revolving Commitments, Loans and Letters of Credit hereunder and all other monetary obligations in respect hereof, (ii) each Loan and Letter of Credit hereunder shall be continued as a Loan or Letter of Credit under the Exit Facility Agreement, (iii) each Lender hereunder shall be a Lender under the Exit Facility Agreement and (iv) this Agreement shall terminate and be superseded and replaced in its entirety by, and deemed amended and restated in its entirety in the form of, the Exit Facility Agreement (with such changes and insertions thereto, as are reasonably satisfactory to the Administrative Agents and the Borrower, incorporated as necessary to make any technical changes necessary to effectuate the intent of this Section 2.23), and each of the Revolving Commitments hereunder shall automatically be Revolving Commitments under the Exit Facility Agreement. Notwithstanding the foregoing, all obligations of the Borrowers and the Loan Guarantors to the Administrative Agents, the Issuing Banks and the Lenders under this Agreement and any other Loan Document which are expressly stated in this Agreement or such other Loan Document as surviving such agreement's termination shall, as so specified, survive without prejudice and remain in full force and effect. Each of the Loan Parties, the Administrative Agents, the Lenders and the Issuing Banks shall take such actions and execute and deliver such agreements, instruments or other documents as the Administrative Agents may reasonably request to give effect to the provisions of this Section 2.23 and as are required to complete the schedules to the Exit Facility Agreement or other agreements contemplated thereby; provided, however, that any such action by the Administrative Agent, any of the Lenders or the Issuing Banks shall not be a condition precedent to the effectiveness of the Exit Facility Agreement if and to the extent so provided in the Confirmation Order. Each Lender and Issuing Bank party hereto hereby agrees that, on the Conversion Date, the Administrative Agents may execute and deliver the security documents and intercreditor agreement contemplated by the Exit Facility Term Sheet.

ARTICLE III

Representations and Warranties

Each Loan Party represents and warrants to the Lenders as follows:

SECTION 3.01 Organization; Powers. Parent and each Subsidiary is duly organized, validly existing and (to the extent the concept is applicable in such jurisdiction and, in the case of any Subsidiary other than any Borrower, except where the failure to be so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect) in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to, subject to the entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02 Authorization; Enforceability; Benefit to Loan Parties.

(a) Subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), the Transactions, insofar as they are to be carried out by each Loan Party, are within such Loan Party's corporate or other organizational powers and have been duly authorized by all necessary corporate or other organizational and, if required, shareholder or other equityholder action. Subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), this Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(b) Each Loan Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (i) successful operations of each of the other Loan Parties and (ii) the credit extended by the Lenders to the Borrowers hereunder. Each Loan Party has determined that, subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), the execution, delivery, and performance of this Agreement and any other Loan Documents to be executed by such Loan Party is within its purpose, will be of direct and indirect benefit to such Loan Party, and is in its best interest.

SECTION 3.03 Governmental Approvals; No Conflicts. Except for the entry of, and pursuant to the terms of, the Interim Order and the Canadian Recognition Order (and Final Order, when and as applicable), the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are (or will so be) in full force and effect, (b) will not violate any applicable law, including any order of any Governmental Authority, (c) will not violate the charter, bylaws or other organizational documents of Parent or any Subsidiary, (d) will not violate or result in a default under any indenture or agreement (including the Term Credit Agreement, the Senior Notes Indenture or other material instrument binding upon Parent or any Subsidiary or any of their assets), or give rise to a right thereunder to require any payment to be made by Parent or any Subsidiary, and (e) will not result in the creation or imposition of any Lien on any asset of Parent or any Subsidiary, except Liens created pursuant to the Loan Documents, Liens created in connection with the Term Credit Agreement or Liens created in connection with the Prepetition

Credit Agreement; in the case of clause (b) and (d) above, except for a violation or creation, as applicable, which would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.04 Financial Condition; No Material Adverse Effect.

(a) Parent has heretofore furnished to the Lenders (i) the audited consolidated balance sheets and related consolidated statements of operations, shareholders' equity and cash flows of Parent and its consolidated Subsidiaries as of and for the fiscal year ended February 1, 2020 audited by and accompanied by the unqualified opinion of Deloitte & Touche LLP, independent registered public accounting firm, and (ii) the unaudited consolidated balance sheets and related statements of operations, shareholders' equity and cash flows of the U.S. Borrower and its consolidated Subsidiaries as of and for the fiscal quarter ended May 2, 2020. Such financial statements (x) present fairly, in all material respects, the financial position and results of operations and cash flows of Parent and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above and (y) comply in all material respects with the requirements of Regulation S-X under the Securities Act.

(b) [Reserved].

(c) Since the Effective Date, other than those customarily resulting from the commencement of the Cases and changes contemplated in Parent's business plan delivered to the Administrative Agent, there has been no event, development or circumstance that has had, or would reasonably be expected to have, a Material Adverse Effect on the business, assets, results of operations or financial condition of Parent and its subsidiaries, taken as a whole.

SECTION 3.05 Properties.

(a) Parent and each Subsidiary has good title to, or valid leasehold interests in, all its property material to its business, except for minor defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes and Liens expressly permitted by Section 6.02.

(b) Parent and each Subsidiary owns, or is licensed to use, all trademarks, service marks, tradenames, trade dress, copyrights, patents, industrial designs and other intellectual property material to its business, and the conduct of their respective businesses, including the use thereof, by Parent and the Subsidiaries does not infringe upon the rights of any other Person, except for any such failure to own or license or infringements that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06 Litigation and Environmental Matters.

(a) Except for the Disclosed Matters and the Cases, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of Parent, threatened against or affecting Parent or any Subsidiary (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Transactions.

(b) Except for the Disclosed Matters or matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, neither Parent nor any Subsidiary (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or

other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received written notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

(c) Since the Effective Date, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in a Material Adverse Effect.

SECTION 3.07 Compliance with Laws and Agreements.

(a) Parent and each Subsidiary is in compliance with all laws, including all orders of Governmental Authorities, applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except (i) where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect (it being agreed that this Section does not apply to any law which is specifically addressed in Section 3.06(b), 3.07(b), 3.08, 3.09, 3.10 or 3.14), (ii) any non-compliance arising solely as a result of the commencement of the Cases or (iii) to the extent subject to the Automatic Stay.

(b) Parent has implemented and maintains in effect policies and procedures designed to ensure compliance in all material respects by Parent, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and Parent, its Subsidiaries and their respective officers and employees and to the knowledge of Parent its directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of (a) Parent, any Subsidiary or, to the knowledge of Parent, any of their respective directors, officers or employees, or (b) to the knowledge of Parent, any agent of Parent or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Borrowing, Letter of Credit use of proceeds or other transaction contemplated by this Agreement will violate Anti-Corruption Laws or applicable Sanctions.

SECTION 3.08 Investment Company Status, etc. No Loan Party is (a) an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940 or (b) a “holding company” as defined in, or subject to regulation under, the Public Utility Holding Company Act of 1935.

SECTION 3.09 Taxes. Parent and each Subsidiary has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it (including in its capacity as withholding agent), except (a) any Taxes that are being contested in good faith by appropriate proceedings diligently conducted and for which Parent or such Subsidiary has set aside on its books reserves with respect thereto to the extent required by GAAP, (b) to the extent that the failure to do so would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect or (c) any Taxes the nonpayment of which is permitted or required by the Bankruptcy Code. There is no current or proposed tax assessment, deficiency or other claim against Parent or any of the Subsidiaries that would, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Each Loan Party and each of their respective Subsidiaries has withheld all material employee withholdings and has made all employer contributions to be withheld and made by it pursuant to applicable law on account of the Canadian Pension Plans and the Canada Benefit Plans, employment insurance and employee income taxes.

SECTION 3.10 ERISA; Labor Matters; Canadian Pension Plans and Canadian Benefit Plans.

(a) Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) no ERISA Event has occurred or is reasonably expected to occur, (ii) neither

any Loan Party nor any ERISA Affiliate has engaged in a transaction that could be subject to Section 4069 or 4212(c) of ERISA and (iii) on the Effective Date, the present value of all accumulated benefit obligations under each Plan that is subject to Title IV of ERISA (based on the assumptions used for purposes of Statement of Accounting Standards Topic No. 715) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans that are subject to Title IV of ERISA (based on the assumptions used for purposes of Statement of Accounting Standards Topic No. 715) did not, as of the date or dates of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of all such underfunded Plans.

(b) Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) there are no strikes, lockouts, slowdowns or any other labor disputes against Parent or any Subsidiary pending or, to the knowledge of Parent, threatened, (ii) the hours worked by and payments made to employees of Parent and the Subsidiaries have not been in violation of the Fair Labor Standards Act of 1938, the *Employee Standards Act* (Ontario) or any other applicable federal, state, provincial, territorial, local or foreign law dealing with such matters and (iii) all payments due from Parent or any Subsidiary, or for which any claim may be made against Parent or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of Parent or such Subsidiary to the extent required by GAAP. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which Parent or any Subsidiary is bound.

(c) Section 3.10(c) of the Disclosure Letter lists all Canadian Benefit Plans and Canadian Pension Plans currently maintained or contributed to by the Loan Parties and their Subsidiaries. As of the Closing Date, none of the Canadian Pension Plans are Canadian Defined Benefit Plans. The Canadian Pension Plans are duly registered under the ITA and all other applicable laws which require registration. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, each Loan Party and each of their Subsidiaries has complied with and performed all of its obligations under and in respect of the Canadian Pension Plans and Canadian Benefit Plans under the terms thereof, any funding agreements and all applicable laws (including any fiduciary, funding, investment and administration obligations). All employer and employee payments, contributions or premiums to be remitted, paid to or in respect of each Canadian Pension Plan or Canadian Benefit Plan have been paid in a timely fashion in accordance with the terms thereof, any funding agreement and all applicable laws. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, there have been no improper withdrawals or applications of the assets of the Canadian Pension Plans or the Canadian Benefit Plans. To the knowledge of the Loan Parties, no facts or circumstances have occurred or existed that could result, or be reasonably anticipated to result, in the declaration of a termination of any Canadian Pension Plan by any Governmental Authority under applicable laws. No promises of benefit improvements under the Canadian Pension Plans or the Canadian Benefit Plans have been made except where such improvement could not be reasonably expected to have a Material Adverse Effect and, in any event, no such improvements will result in a solvency deficiency or going concern unfunded liability in the affected Canadian Pension Plans. The pension fund under each Canadian Pension Plan is exempt from the payment of any income tax and there are no taxes, penalties or interest owing in respect of any such pension fund. All material reports and disclosures relating to the Canadian Pension Plans required by such plans and any Requirement of Law to be filed or distributed have been filed or distributed. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) no Canadian Benefit Plans provide for benefits beyond retirement or other termination of service to employees or former employees or to the beneficiaries or dependents of such employees, (ii) there are no outstanding disputes concerning the assets of the Canadian Pension Plans or the Canadian Benefit Plans, and (iii) each of the Canadian Pension Plans is fully funded on both a going concern and on a solvency basis (using

actuarial methods and assumptions which are consistent with the valuations last filed with the applicable Governmental Authorities and which are consistent with generally accepted actuarial principles).

SECTION 3.11 Disclosure. None of the reports, financial statements, certificates or other information furnished by or on behalf of Parent or any Subsidiary to the Administrative Agent, any Arranger or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder, taken as a whole (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to forecasts and projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed by them to be reasonable at the time made and at the time so furnished and, if furnished prior to the Effective Date, as of the Effective Date.

SECTION 3.12 Subsidiaries and Joint Ventures. Section 3.12 of the Disclosure Letter sets forth, as of the Effective Date, the name, type of organization and jurisdiction of organization of, and the percentage of each class of Equity Interests owned by Parent or any Subsidiary in, (a) each Subsidiary and (b) each joint venture in which Parent or any Subsidiary owns any Equity Interests, and identifies each Designated Subsidiary. All the issued and outstanding Equity Interests in each Subsidiary owned by any Loan Party have been (to the extent such concepts are relevant with respect to such Equity Interests) duly authorized and validly issued and are fully paid and non-assessable (except as such rights may arise under mandatory provisions of applicable statutory law that may not be waived and not as a result of any rights contained in organizational documents). Except as set forth in Section 3.12 of the Disclosure Letter, as of the Effective Date, there is no existing option, warrant, call, right, commitment or other agreement to which Parent or any Subsidiary is a party requiring, and there are no Equity Interests in any Subsidiary outstanding that upon exercise, conversion or exchange would require, the issuance by any Subsidiary of any additional Equity Interests or other securities exercisable for, convertible into, exchangeable for or evidencing the right to subscribe for or purchase any Equity Interests in any Subsidiary.

SECTION 3.13 Insurance. Section 3.13 of the Disclosure Letter sets forth a description of all insurance maintained by or on behalf of Parent and the Subsidiaries as of the Effective Date. As of the Effective Date, all premiums due and payable in respect of such insurance have been paid. Parent believes that the insurance maintained by or on behalf of Parent and the Subsidiaries is adequate.

SECTION 3.14 Federal Reserve Regulations. Neither Parent nor any Subsidiary is principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U of the Board of Governors), or extending credit for the purpose of purchasing or carrying margin stock. No part of the proceeds of any Loan or any Letter of Credit will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, in any manner or for any purpose that would entail a violation of Regulations T, U or X of the Board of Governors.

SECTION 3.15 Reserved.

SECTION 3.16 Collateral Matters.

(a) Subject to the entry of the Interim Order and the Canadian Recognition Order, upon the entry of, and subject to, the Interim Order and the Canadian Recognition Order (and, when entered, the Final Order) and subject to the Carve-Out in all respects, the Security Agreements and the Interim Order and the Canadian Recognition Order (and, when entered, the Final Order) are effective to create in favor of the Administrative Agent

(for the benefit of the Lender Parties) legal, valid, enforceable and perfected Liens on the Collateral described therein (with such priority as provided for therein).

(b) Except for the entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), no filing or other action will be necessary to perfect such Liens.

(c) The Interim Order and the Canadian Recognition Order (and Final Order, when applicable) is (or will be, as applicable) effective to create in favor of the Administrative Agent, for the benefit of the Lender Parties, a legal, valid, binding and enforceable perfected Lien in the Collateral without the necessity of the execution of mortgages, security agreements, pledge agreements, financing statements or other agreements or documents except to the extent set forth in such Order.

SECTION 3.17 Use of Proceeds. The Borrowers will use the proceeds of the Loans and will request the issuance of Letters of Credit only for purposes set forth in Section 5.11.

SECTION 3.18 Credit Card Agreements. Section 3.18 of the Disclosure Letter (as updated from time to time as permitted by Section 5.16) sets forth a list of all Credit Card Agreements to which any Loan Party is a party. A true and complete copy of each Credit Card Agreement listed on Section 3.18 of the Disclosure Letter has been delivered to the Administrative Agent, together with all material amendments, waivers and other modifications thereto. All such Credit Card Agreements are in full force and effect, currently binding upon each Loan Party that is a party thereto and, to the knowledge of the Loan Parties, binding upon other parties thereto in accordance with their terms. The Loan Parties are in compliance in all material respects with each such Credit Card Agreement.

SECTION 3.19 Approved Budget. As of the Effective Date, the Borrowers have furnished to the Administrative Agent the initial Approved Budget. Each Approved Budget was prepared in good faith based upon assumptions the Borrowers believed to be reasonable assumptions on the date of delivery of such Approved Budget.

SECTION 3.20 Chapter 11 Cases.

(a) The Cases were commenced on the Petition Date in each case in accordance with applicable laws and proper notice thereof was given for (i) the motion seeking approval of the Loan Documents and the Interim Order, the Canadian Recognition Order and the Final Order, and (ii) the hearing for the entry of the Interim Order and the Canadian Recognition Order. The Debtors shall give, on a timely basis as specified in the Interim Order, the Canadian Recognition Order or the Final Order, as applicable, all notices required to be given to all parties specified in such orders, as applicable.

(b) After the entry of the Interim Order, and pursuant to and to the extent permitted in the Interim Order and the Final Order, the Obligations will constitute allowed administrative expense claims in the Cases having priority over all administrative expense claims and unsecured claims against the Debtors now existing or hereafter arising, of any kind whatsoever, including all administrative expense claims of the kind specified in Sections 105, 326, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1114 or any other provision of the Bankruptcy Code or otherwise, as provided under Section 364(c)(1) of the Bankruptcy Code, subject to (i) the Carve-Out and (ii) the priorities set forth in the Interim Order or Final Order, as applicable.

(c) After the entry of the Interim Order and the Canadian Recognition Order and pursuant to and to the extent provided in the Interim Order, the Canadian Recognition Order and the Final Order, the Obligations will be secured by a valid and perfected first priority Lien on all of the Collateral subject, as to priority, only to (i) the Carve-Out, (ii) the Liens pursuant to Section 6.02(i), subject to the terms of such Section 6.02(i), (iii) the Canadian Administration Charge and (iv) to the extent set forth in the Interim Order or the Final Order.

ARTICLE VIII

The Administrative Agents

Each of the Lenders and each of the Issuing Banks hereby irrevocably appoints the Administrative Agent and, as applicable, the Canadian Administrative Agent and their respective successors to serve in such capacities under the Loan Documents (and in the case of the Administrative Agent, to serve as collateral agent), and authorizes each such Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent to consent, on behalf of each Lender, to the Interim Order, the Final Order and the Canadian Recognition Order, each to be negotiated between the Loan Parties, the Administrative Agent, certain other parties and the statutory committees appointed pursuant to Sections 327 and 1103 of the Bankruptcy Code, as applicable.

For greater certainty, and without limiting the powers of the Administrative Agent under this Agreement or under any of the other Loan Documents, for the purposes of holding any security granted by any Loan Party pursuant to the laws of the Province of Québec, each Lender and Issuing Bank hereby irrevocably appoints and authorizes the Administrative Agent to act as the hypothecary representative (in such capacity, the "Hypothecary Representative") of the Lender Parties, as contemplated under Article 2692 of the Civil Code of Québec. The Hypothecary Representative shall (i) have exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Hypothecary Representative pursuant to any hypothec, (ii) benefit from and be subject to all provisions hereof with respect to the Administrative Agent, mutatis mutandis, including without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lender Parties, (iii) be entitled to delegate from time to time any of its powers or duties under any hypothec, on such terms and conditions as it may determine from time to time. Any person who becomes a Lender Party shall be deemed to have consented to and confirmed the Hypothecary Representative as the hypothecary representative and to have ratified, as of the date it becomes a Lender Party, all actions taken by the Hypothecary Representative in such capacity. The substitution of the Administrative Agent pursuant to the provisions of Article VIII hereto shall also constitute the substitution of the Hypothecary Representative.

Each bank serving as the Administrative Agent or Canadian Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent or Canadian Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent or Canadian

Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

Neither of the Administrative Agents shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither of the Administrative Agents shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agents is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties), (b) neither of the Administrative Agents shall have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Applicable Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Applicable Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Applicable Administrative Agent shall not be required to take any action that, in its opinion, could expose such Administrative Agent to liability or be contrary to any Loan Document or applicable law, and (c) except as expressly set forth in the Loan Documents, neither of the Administrative Agents shall have any duty to disclose and shall be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary or other Affiliate thereof that is communicated to or obtained by such bank serving as Administrative Agent or Canadian Administrative Agent or any of their respective Affiliates in any capacity. Neither of the Administrative Agents shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Applicable Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or in the absence of its own bad faith, gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment). Neither of the Administrative Agents shall be deemed to have knowledge of any Default unless and until written notice thereof (stating that it is a “notice of default”) is given to the such Person by the Borrower Representative or a Lender, and such Person shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Applicable Administrative Agent.

Each of the Administrative Agents shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof). Each of the Administrative Agents also shall be entitled to rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof), and may act upon any such statement prior to receipt of written confirmation thereof. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that

by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Applicable Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Applicable Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. Each of the Administrative Agents may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each of the Administrative Agents may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Person. Each of the Administrative Agents and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each of the Administrative Agents and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as each of the Administrative Agents. Neither of the Administrative Agents shall be responsible for the bad faith, negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with bad faith, gross negligence or willful misconduct in the selection of such sub-agents.

Subject to the appointment and acceptance of a successor Agent as provided in this paragraph, each of the Administrative Agents may resign at any time by notifying the Lenders, the Issuing Banks and the Borrower Representative. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor that is an Eligible Successor Agent. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, in consultation with the Borrower Representative, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent or Canadian Administrative Agent, as applicable, which is an Eligible Successor Agent. Upon the acceptance of its appointment as an Administrative Agent or Canadian Administrative Agent, as applicable, hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent or Canadian Administrative Agent, as applicable, and the retiring Administrative Agent or Canadian Administrative Agent, as applicable, shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent or Canadian Administrative Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After an Administrative Agent or Canadian Administrative Agent, as applicable, resigns hereunder, the provisions of this Article, Section 2.17(d) and Section 9.03 shall continue in effect for the benefit of such retiring Person, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent.

Each Lender and Issuing Bank acknowledges that it has, independently and without reliance upon either of the Administrative Agents, the Arrangers, any Lender or any Issuing Bank, the Debtors' Investment Banker or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and Issuing Bank also acknowledges that it will, independently and without reliance upon either of the Administrative Agents, the Arrangers, any Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

The Loan Parties acknowledge and agree that the Administrative Agent may prepare and distribute to the Lenders Reports containing information obtained by the Administrative Agent through the exercise of its inspection rights under Section 5.09. Each Lender hereby agrees that (a) it has requested a copy of each Report prepared by or on behalf of the Administrative Agent; (b) the Administrative Agent (i) makes no representation or warranty, express or implied, as to the completeness or accuracy of any Report or any of the information contained therein or any inaccuracy or omission contained in or relating to a Report and (ii) shall not be liable for any information contained in any Report; (c) the Reports are not comprehensive audits or examinations and that the Administrative Agent undertakes no obligation to update, correct or supplement the Reports; (d) it will keep all Reports confidential and strictly for its internal use, not share the Report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (e) without limiting the generality of any other indemnification provision contained in this Agreement, it will pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Person preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorney fees) incurred by as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

To the extent required by any applicable laws (as determined in good faith by the Administrative Agents), the Administrative Agents may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify and hold harmless the Administrative Agents against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agents) incurred by or asserted against the Administrative Agents by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agents to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agents of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agents shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agents under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agents, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

The provisions of this Article are solely for the benefit of each of the Agents, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrowers' rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrowers or any other Loan Party shall have any rights as a third party beneficiary of any such provisions. Each Lender Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Loan Guarantee provided under the Loan Documents, to have agreed to the provisions of this Article.

Notwithstanding anything herein to the contrary, none of the Arrangers, any Person named on the cover page of this Agreement as a Co-Syndication Agent or a Co-Documentation Agent and the Debtors' Investment Banker shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities to the extent referenced and provided for hereunder.

(iv) if to any other Issuing Bank, to it at its address or electronic transmission address most recently specified by it in a notice delivered to the Administrative Agent and the Borrower Representative; and

(v) if to any other Lender, to it at its address or electronic transmission address set forth in its Administrative Questionnaire.

All such notices and other communications (i) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received, (ii) sent by electronic transmission shall be deemed to have been given when sent (or, if not given during normal business hours for the recipient, at the opening of business on the next Business Day for the recipient) and (iii) delivered through electronic communications to the extent provided in paragraph (b) of this Section shall be effective as provided in such paragraph.

(b) Notices and other communications to the Lenders and Issuing Banks hereunder may be delivered or furnished by electronic communications (including e-mail and internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices under Article II to any Lender or Issuing Bank if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower Representative (on behalf of the Loan Parties) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by return e-mail or other written acknowledgement), provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or electronic transmission address for notices and other communications hereunder by notice to the other parties hereto.

(d) The Loan Parties agree that the Administrative Agent and the Canadian Administrative Agent may, but shall not be obligated to, make any Communication by posting such Communication on Debt Domain, Intralinks, Syndtrak or a similar electronic transmission system (the "Platform"). The

Platform is provided “as is” and “as available.” Neither of the Administrative Agents nor any of their Related Parties warrants, or shall be deemed to warrant, the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made, or shall be deemed to be made, by either of the Administrative Agents or any of their Related Parties in connection with the Communications or the Platform.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Canadian Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Sections 5.16, 9.02(e) and 9.18 (and, except as specifically provided in any Loan Document with respect to the Schedule thereto), and subject to Section 2.14(c), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or (ii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent (if a party to the original agreement), the Canadian Administrative Agent (if a party to the original agreement) and the Loan Party or Loan Parties that are parties thereto, with the consent of the Required Lenders; provided that (A) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrowers, the Administrative Agent and the Canadian Administrative Agent to cure any technical error, ambiguity, omission, defect or inconsistency so long as, in each case, the Lenders shall have received at least five (5) Business Days’ prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment and (B) no such agreement shall (1) increase the Revolving Commitment of any Lender without the written consent of such Lender (provided that the Applicable Administrative Agent may make Protective Advances and Overadvances as set forth in Section 2.04 or 2.05, as applicable), (2) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder, without the written consent of each Lender directly affected thereby, (3) postpone any scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any date for the payment of any interest, fees or other Obligations payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Revolving Commitment, without the written consent of each Lender directly affected thereby, (4) change Section 2.18(b) or 2.18(d) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender, (5) increase the advance rates set forth in the definition of U.S. Borrowing Base or Canadian Borrowing Base or add new categories of eligible assets, without the written consent of the each Lender,

(6) change any of the provisions of this Section or the percentage set forth in the definition of the term “Required Lenders” or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, (7) change Section 2.20 without the consent of each Lender (other than any Defaulting Lender) adversely affected thereby, (8) release all or substantially all of the value of the Loan Guarantee (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender, or (9) except as provided in paragraph (c) of this Section or in any Collateral Document, release all or substantially all of the Collateral without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or the Swingline Lender hereunder or under any other Loan Document without the prior written consent of the Administrative Agent, the Canadian Administrative Agent such Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.20 shall require the consent of the Administrative Agent, the Canadian Administrative Agent, the Swingline Lender and each Issuing Bank).

(c) The Lenders and the Issuing Banks hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, (i) to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (A) upon the termination of (x) all the Revolving Commitments, payment and satisfaction in full in cash of all Obligations (other than Unliquidated Obligations) and the cash collateralization of all Unliquidated Obligations in respect of Letters of Credit in a manner satisfactory to each applicable Issuing Bank and the Administrative Agent and (y) solely in the case of the Canadian Collateral, upon termination in full of all the Canadian Commitments and payment and satisfaction in full in cash of all Canadian Obligations (other than Unliquidated Obligations) and the cash collateralization of all Canadian Letters of Credit in a manner satisfactory to each applicable Issuing Bank and the Administrative Agent, (B) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interest of a Subsidiary, the Administrative Agent is authorized to release any Loan Guarantee provided by such Subsidiary, (C) constituting property leased to a Loan Party under a lease which has expired or been terminated in a transaction not prohibited under this Agreement, (D) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII and (E) constituting property of a Loan Guarantor that is being released as a Loan Guarantor (and, in the case of a U.S. Subsidiary Borrower, as a U.S. Subsidiary Borrower) as provided below and (ii) to release any Loan Guarantee provided by any U.S. Subsidiary Borrower or Canadian Loan Party that is (A) dissolved pursuant to Section 6.03(a)(iv) in connection with a voluntary liquidation or dissolution thereof permitted by such Section, (B) upon the disposition of all of the outstanding Equity Interests of a Subsidiary of the Borrower (other than the Canadian Borrower) to a Person other than the Borrower or a Subsidiary in a transaction permitted by Section 6.05, (C) [reserved] or (D) in the case of the Canadian Loan Parties, upon any release of all the Canadian Collateral pursuant to clause (i)(A) above and, in connection therewith, to release any Liens granted to the Administrative Agent by such Subsidiary on any Collateral, if the U.S. Borrower certifies to the Administrative Agent that such liquidation or dissolution is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry). The Lenders and the Issuing Banks hereby further irrevocably authorize the release or subordination of Liens on the Term Priority Collateral as provided in the Intercreditor Agreement. Any such release or subordination shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender affected thereby,” the consents of Lenders having Credit Exposure and unused Revolving Commitments representing more than 66% of the sum of the total Credit Exposure and unused Revolving Commitments at such time are obtained, but the consents of other necessary Lenders are not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower Representative may elect to replace any Non-Consenting Lender as a Lender party to this Agreement; provided that, concurrently with such replacement, (i) an Eligible Assignee which is reasonably satisfactory to the Borrower Representative and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of paragraph (b) of Section 9.04, and (ii) the applicable Borrower(s) shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (A) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by such Borrowers hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (B) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(e) Notwithstanding the foregoing, Exhibit G to this Agreement, the definitions of “Exit Facility Agreement” and “Exit Facility Term Sheet” and Section 2.23 (or any other provision which would result in an amendment, restatement, waiver or modification of any of the foregoing) may be amended, restated, waived or otherwise modified with the prior written consent of the Lenders, the Administrative Agent and the Borrower Representative; provided that the Lenders hereby authorize the Administrative Agent to enter into any amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to give effect to the transaction contemplated by Section 2.23 and such other technical or immaterial amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower Representative in connection therewith.

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Canadian Administrative Agent, the Arrangers and their respective Affiliates, including the reasonable and documented fees, charges and disbursements of one primary U.S. and one primary Canadian counsel for the Administrative Agent, the Canadian Administrative Agent, the Arrangers and their Affiliates, and if deemed necessary by the Administrative Agent, one local counsel in each applicable jurisdiction, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facility provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Canadian Administrative Agent, the Arrangers, any Issuing Bank or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Canadian Administrative Agent, the Arrangers, any Issuing Bank or any Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in

respect of such Loans or Letters of Credit. Subject to the provisions of Sections 5.09, expenses subject to reimbursement by the Borrowers under this Section include, without limiting the generality of the foregoing, reasonable and documented out-of-pocket costs and expenses incurred in connection with:

- (i) insurance reviews;
- (ii) [reserved];
- (iii) taxes, fees and other charges for (A) lien searches and (B) filing financing statements and continuations, and other actions to perfect, protect, and continue the Administrative Agent's Liens;
- (iv) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and
- (v) forwarding loan proceeds, collecting checks and other items of payment, and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral.

All of the foregoing costs and expenses may be charged to the applicable Borrower(s) as Revolving Loans or to another deposit account, all as described in Section 2.18(c).

(b) The Borrowers agree, jointly and severally, to indemnify the Administrative Agent (or any sub-agent thereof), the Canadian Administrative Agent (or any sub-agent thereof), the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnatee"), against, and hold each Indemnatee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnatee, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of (i) syndication of the credit facility provided for herein and the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on at, under, to or from any property currently or formerly owned or operated by the any Loan Party or any of the Subsidiaries, or any other Environmental Liability related in any way to any Loan Party or any of the Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether such proceeding is initiated against or by any party to this Agreement, or any Affiliate thereof, by an Indemnatee or any third party or whether any Indemnatee is a party thereto; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses (A) are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnatee or (B) have arisen from a proceeding by an Indemnatee against another Indemnatee not involving any act or omission of the Parent or any Subsidiary (other than a proceeding against the Administrative Agent, any Arranger or an Issuing Bank in its capacity or in fulfilling its role as such). This Section 9.03(b) shall not apply to any Taxes (other than any Taxes that represent losses, claims, damages or related expenses arising from any non-Tax claim).

(c) To the extent the Borrowers fail to pay any amount required to be paid by them to the Administrative Agent (or any sub-agent thereof), the Canadian Administrative Agent (or any sub-agent thereof), any Issuing Bank or the Swingline Lender, or any Related Party of any of the foregoing, under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, the Canadian Administrative Agent, such Issuing Bank, Swingline Lender or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or such sub-agent), the Canadian Administrative Agent (or such sub-agent), such Issuing Bank or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Canadian Administrative Agent (or any such sub-agent), any Issuing Bank or the Swingline Lender in connection with such capacity.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet) or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 10 days after written demand therefor.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Debtors' Investment Banker (to the extent provided in Article VIII), the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents and, to the extent expressly contemplated hereby, the sub-agents of the Administrative Agent and the Canadian Administrative Agent and the Related Parties of any of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower Representative; provided that no consent of the Borrower Representative shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under clause (a) or (b) of Article VII has occurred and is

continuing, any other assignee; provided further that the Borrower Representative shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof;

(B) the Administrative Agent;

(C) the Swingline Lender under any Facility under which a Revolving Commitment is being assigned; and

(D) each Issuing Bank under any Facility under which a Revolving Commitment is being assigned.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment or Loans under a Facility, the amount of the Revolving Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower Representative and the Administrative Agent otherwise consent; provided that no such consent of the Borrower Representative shall be required if an Event of Default under clause (a) or (b) of Article VII has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all lender-group-level information (which may contain material non-public information about the U.S. Borrower, the Subsidiaries and other Affiliates thereof or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including federal, state, provincial, territorial and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Applicable Administrative Agent, acting solely for this purpose as non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time under each Facility (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05, 2.06(d) or (e), 2.07(b), the ninth paragraph of Article VI or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more Eligible Assignees (“Participants”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under the Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(e) (it being understood that the documentation required under Section 2.17(e) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (x) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (y) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.16(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register for the recordation of the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Revolving Commitments or Revolving Loans or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Revolving Commitment or Revolving Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrower and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agents (in their capacity as Administrative Agents) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Revolving Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Revolving Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and the Canadian Administrative Agent and when the Administrative Agent and the Canadian Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Delivery of an executed counterpart of a signature

page of this Agreement by electronic transmission or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized (notwithstanding the provisions of Section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order from, the Court) at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust and tax accounts) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of any Borrower or any Loan Guarantor against any of and all the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured. The applicable Lender shall notify the Borrower Representative and the Administrative Agent of such setoff or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set off or application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09 Governing Law: Jurisdiction; Consent to Service of Process.

(a) EXCEPT TO THE EXTENT SUPERSEDED BY THE BANKRUPTCY CODE, THE LOAN DOCUMENTS (OTHER THAN THOSE CONTAINING A CONTRARY EXPRESS CHOICE OF LAW PROVISION) SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS; PROVIDED THAT APPOINTMENT OF THE APPLICABLE ADMINISTRATIVE AGENT AS *FONDÉ DE POUVOIR* IN ACCORDANCE WITH ARTICLE VIII SHALL BE GOVERNED BY THE LAWS OF THE PROVINCE OF QUEBEC.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of the Court or the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each Loan Party hereby irrevocably and unconditionally agrees that all claims arising out of or relating to this Agreement or any other Loan Document brought by it or any of its Affiliates shall be brought, and shall be heard and determined, in the Court, such New York State or, to the extent permitted by law, in such Federal court. Each party hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any

court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality. Each of the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below) with the same degree of care that it uses to protect its own confidential information, but in no event less than a commercially reasonable degree of care, except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to any Loan Party or any Subsidiary or its obligations, (g) on a confidential basis to any rating agency in connection with rating the Borrowers or the Subsidiaries or the credit facilities provided for herein, (h) with the consent of the Borrower Representative, or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender, or any Affiliate of any of the foregoing, on a non-confidential basis from a source other than the Borrowers; provided that, in the case of clause (c) above, the party disclosing such information shall provide to the Borrower Representative prior written notice of such disclosure to the extent permitted by applicable law (and to the extent commercially feasible under the circumstances) and shall cooperate with the Borrower Representative, at the Borrower Representative's sole expense, in obtaining a protective order for, or other

confidential treatment of, such disclosure, in each case at the Borrower Representative's sole expense. For the purposes of this Section, "Information" means all information received from the Borrowers relating to Parent or any Subsidiary or their businesses or the Collateral, other than any such information that is available to the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender, or any Affiliate of any of the foregoing, on a non-confidential basis prior to disclosure by the Borrowers; provided that, in the case of information received from the Borrowers after the Effective Date, such information is clearly identified at the time of delivery as confidential.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING PARENT, THE SUBSIDIARIES AND ITS OTHER AFFILIATES AND THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE APPLICABLE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE LENDER-GROUP-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION CONCERNING PARENT, THE SUBSIDIARIES AND ITS OTHER AFFILIATES AND THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE APPLICABLE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN SUCH MATERIAL NONPUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Anything contained in this Agreement to the contrary notwithstanding, neither any Issuing Bank nor any Lender shall be obligated to extend credit to the Borrowers in violation of applicable law.

SECTION 9.14 USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Borrowers and the Loan Guarantors that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers and the Loan Guarantors, which information includes the names and addresses of the Borrowers and the Loan Guarantors and other information that will allow such Lender to identify the Borrowers and the Loan Guarantors in accordance with the Patriot Act.

SECTION 9.15 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Lenders, in assets which, in accordance with Article 9 of the UCC, the PPSA or any other applicable law can be perfected only by possession. Should any Lender (other than the Administrative Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

SECTION 9.16 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.17 No Fiduciary Relationship. Each Loan Party, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Loan Parties, the Subsidiaries and their other respective Affiliates, on the one hand, and the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Loan Parties, the Subsidiaries and their other respective Affiliates, and none of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks or their Affiliates has any obligation to disclose any of such interests to the Loan Parties, the Subsidiaries or their other respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby agrees not to assert any claims against the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates based on any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.18 Intercreditor Agreement. The Lenders and the Issuing Banks acknowledge that the obligations of the U.S. Borrowers under the Term Credit Agreement are secured by Liens on assets of the U.S. Borrowers that constitute Collateral and that the relative Lien priority and other creditor rights of the Lender Parties hereunder and the secured parties under the Term Credit Agreement will be set forth in the Intercreditor Agreement. Each Lender and Issuing Bank hereby acknowledges that it has received a copy of the Intercreditor Agreement and the Intercreditor Acknowledgment. Each Lender and Issuing Bank hereby irrevocably (a) consents to the subordination of the Liens on the Term Priority Collateral securing the Secured Obligations on the terms set forth in the Intercreditor Agreement, (b) authorizes and directs the Administrative Agent to execute and deliver the Intercreditor Agreement, the Intercreditor Acknowledgment and any documents relating thereto, in each case on behalf of such Lender or Issuing Bank and without any further consent, authorization or other action by such Lender or Issuing Bank, (c) agrees that, upon the execution and delivery thereof, such Lender or Issuing Bank will be bound by the provisions of the Intercreditor Agreement as if it were a signatory thereto and will take no actions contrary to the provisions of the Intercreditor Agreement and (d) agrees that no Lender or Issuing Bank shall have any right of action whatsoever against the Administrative Agent as a result of any action taken by the Administrative Agent pursuant to this Section or in accordance with the terms of the Intercreditor Agreement. Each Lender and Issuing Bank hereby further irrevocably authorizes and directs the

Administrative Agent (i) to take such actions as shall be required to release Liens on the Collateral in accordance with the terms of the Intercreditor Agreement and (ii) to enter into such amendments, supplements or other modifications to the Intercreditor Agreement and the Intercreditor Acknowledgment in connection with any extension, renewal, refinancing or replacement of any Secured Obligations or the Term Credit Agreement as are reasonably acceptable to the Administrative Agent to give effect thereto, in each case on behalf of such Lender or Issuing Bank and without any further consent, authorization or other action by such Lender or Issuing Bank. The Administrative Agent shall have the benefit of the provisions of Article VIII with respect to all actions taken by it pursuant to this Section or in accordance with the terms of the Intercreditor Agreement to the full extent thereof. The foregoing provisions are intended as an inducement to the secured parties under the Term Credit Agreement to extend credit to the U.S. Borrowers and such secured parties are intended third party beneficiaries of such provisions.

SECTION 9.19 [Reserved.]

SECTION 9.20 Anti-Money Laundering Legislation.

(a) Each Loan Party acknowledges that, pursuant to the Proceeds of Crime Act and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws in each relevant jurisdiction (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Administrative Agent, the Canadian Administrative Agent, the Lenders and the Issuing Banks may be required to obtain, verify and record information regarding the Loan Parties and their respective directors, authorized signing officers and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or any prospective assignee or participant of a Lender, any Issuing Bank, the Administrative Agent or the Canadian Administrative Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent or Canadian Administrative Agent has ascertained the identity of any Loan Party or any authorized signatories of such Loan Party for the purposes of applicable AML Legislation, then the Administrative Agent or Canadian Administrative Agent:

(i) shall be deemed to have done so as an agent for each Issuing Bank and each Lender, and this Agreement shall constitute a “written agreement” in such regard between such Issuing Bank or such Lender and the Administrative Agent or Canadian Administrative Agent within the meaning of the applicable AML Legislation; and

(ii) shall provide to each Issuing Bank and each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender and each Issuing Bank agrees that neither the Administrative Agent nor the Canadian Administrative Agent have any obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender or Issuing Bank, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

SECTION 9.21 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. Each Loan Party agrees that its obligation in respect of any Original Currency due from it

hereunder shall, notwithstanding any judgment or payment in any Second Currency, be discharged only to the extent that, on the Business Day following the date the Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased, or that could have been so purchased, is less than the amount originally due in the Original Currency after any premium and costs of exchange payable in connection with such purchase, each Loan Party agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Administrative Agent against such loss.

SECTION 9.22 Waiver of Immunity. To the extent that any Loan Party has, or hereafter may be entitled to claim or may acquire, for itself, any Collateral or other assets of the Loan Parties, any immunity (whether sovereign or otherwise) from suit, jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution or otherwise) with respect to itself, any Collateral or any other assets of the Loan Parties, such Loan Party hereby waives such immunity in respect of its obligations hereunder and under any promissory notes evidencing the Loans hereunder and any other Loan Document to the fullest extent permitted by applicable law and, without limiting the generality of the foregoing, agrees that the waivers set forth in this Section shall be effective to the fullest extent now or hereafter permitted under the Foreign Sovereign Immunities Act of 1976 (as amended, and together with any successor legislation) and are, and are intended to be, irrevocable for purposes thereof.

SECTION 9.23 Process Agent. Each Canadian Loan Party hereby irrevocably designates and appoints the Borrower Representative, in the case of any suit, action or proceeding brought in the United States as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents that may be served in any action or proceeding arising out of or in connection with this Agreement or any other Loan Document. Such service may be made by mailing (by registered or certified mail, postage prepaid) or delivering a copy of such process to such Canadian Loan Party in care of the Borrower Representative at the Borrower Representative's address set forth in Section 9.01, and each such Canadian Loan Party hereby irrevocably authorizes and directs the Borrower Representative to accept such service on its behalf. As an alternative method of service, each Canadian Loan Party irrevocably consents to the service of any and all process in any such action or proceeding by the mailing (by registered or certified mail, postage prepaid) of copies of such process to the Borrower Representative or such Canadian Loan Party at its address specified in Section 9.01. Each Canadian Loan Party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

SECTION 9.24 Acknowledgement and Consent to Bail-In. Notwithstanding anything to the contrary in any Loan Document or in any related agreement, arrangement or understanding among the parties hereto, each party hereto acknowledges that any liability of any party to any other party under or in connection with the Loan Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and

(iii) a cancellation of any such liability; and

(b) a variation of any term of any Loan Document to the extent necessary to give effect to any Bail-In Action in relation to any such liability.

ARTICLE X

Loan Guarantee

SECTION 10.01 Guarantee. Each Borrower and each other Loan Party hereby agrees that it is jointly and severally liable for, and absolutely, irrevocably and unconditionally guarantees to the Administrative Agent, the Canadian Administrative Agent, the Lenders, the Issuing Banks and the other Lender Parties the prompt payment and performance when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations and all reasonable costs and expenses including, without limitation, all court costs and attorneys' and paralegals' fees and expenses paid or incurred by the Administrative Agent, the Issuing Banks and the Lenders in endeavoring to collect all or any part of the Secured Obligations from, or in prosecuting any action against, any Borrower, any Loan Guarantor or any other guarantor of all or any part of the Secured Obligations (such costs and expenses, together with the Secured Obligations, being collectively called the "Guaranteed Obligations"). Each Borrower and each other Loan Party further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Guarantee apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of any Lender or Issuing Bank that extended any portion of the Guaranteed Obligations.

SECTION 10.02 Guarantee of Payment. This Guarantee is a Guarantee of payment and not of collection. Each Borrower and each other Loan Party waives any right to require the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party to sue any Borrower, any other Borrower, any other guarantor, or any other Person obligated for all or any part of the Guaranteed Obligations (each, a "Obligated Party"), or to enforce its rights against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 10.03 No Discharge or Diminishment of Guarantee.

(a) Except as otherwise provided for herein, the obligations of each Borrower and each other Loan Party hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any other Loan Party or any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party or its assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other right which any Borrower may have at any time against any Obligated Party, the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender, or any other Person, whether in connection herewith or in any unrelated transaction.

(b) The obligations of each Borrower and each other Loan Party hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of

applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Borrower and each other Loan Party hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection or invalidity of any indirect or direct security for the obligations of any Borrower for all or any part of the Guaranteed Obligations or any obligations of any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Borrower, such other Loan Party or that would otherwise operate as a discharge of any Borrower as a matter of law or equity (other than the payment in full in cash of the Guaranteed Obligations).

SECTION 10.04 Defenses Waived. To the fullest extent permitted by applicable law, each Borrower and each other Loan Party hereby waives any defense based on or arising out of any defense of any Borrower or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of any Borrower or such other Loan Party, other than the payment in full in cash of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Borrower and each other Loan Party irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party or any other Person. Each Borrower and each other Loan Party confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Administrative Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Borrower or such other Loan Party under this Guarantee except to the extent the Guaranteed Obligations have been fully and paid in cash. To the fullest extent permitted by applicable law, each Borrower and each other Loan Party waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Borrower or of any other Loan Party against any Obligated Party or any security.

SECTION 10.05 Rights of Subrogation. No Loan Party will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party, or any Collateral, until the Loan Parties have fully performed all their obligations to the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks, the Lenders and the other Lender Parties.

SECTION 10.06 Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower, any other Loan Party or otherwise, such Borrower's and such other Loan Party's obligations under this Guarantee with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Administrative Agent, the

Canadian Administrative Agent, the Issuing Banks, the Lenders or the other Lender Parties are in possession of this Guarantee. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower or any other Loan Party, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Borrowers forthwith on demand by the Administrative Agent.

SECTION 10.07 Information. Each Borrower and each other Loan Party assumes all responsibility for being and keeping itself informed of the other Borrowers' financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Borrower assumes and incurs under this Guarantee, and agrees that none of the Administrative Agent, any Issuing Bank or any Lender shall have any duty to advise any Borrower of information known to it regarding those circumstances or risks.

SECTION 10.08 Taxes. The provisions of Section 2.17 shall apply mutatis mutandis to all payments by the Borrowers of the Guaranteed Obligations.

SECTION 10.09 Maximum Liability. The provisions of this Guarantee are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Borrower under this Guarantee would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Borrower's liability under this Guarantee, then, notwithstanding any other provision of this Guarantee to the contrary, the amount of such liability shall, without any further action by the Borrower or the Lenders, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Borrower's "Maximum Liability"). This Section with respect to the Maximum Liability of each Borrower is intended solely to preserve the rights of the Lenders to the maximum extent not subject to avoidance under applicable law, and no Borrower nor any other Person or entity shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Borrower hereunder shall not be rendered voidable under applicable law. Each Borrower agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Borrower without impairing this Guarantee or affecting the rights and remedies of the Lenders hereunder; provided that nothing in this sentence shall be construed to increase any Borrower's obligations hereunder beyond its Maximum Liability.

SECTION 10.10 Contribution. In the event any Borrower (a "Paying Borrower") shall make any payment or payments under this Guarantee or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Guarantee, each other Borrower (each a "Non-Paying Borrower") shall contribute to such Paying Borrower an amount equal to such Non-Paying Borrower's Applicable Share of such payment or payments made, or losses suffered, by such Paying Borrower. For purposes of this Section, each Non-Paying Borrower's "Applicable Share" with respect to any such payment or loss by a Paying Borrower shall be determined as of the date on which such payment or loss was made by reference to the ratio of (a) such Non-Paying Borrower's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Borrower's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Borrower from the other Borrowers after the Effective Date (whether by loan, capital infusion or by other means) to (b) the aggregate Maximum Liability of all Borrowers hereunder (including such Paying Borrower) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Borrower, the aggregate amount of all monies received by such Borrowers from the other Borrowers after the Effective Date (whether by loan, capital infusion or by other means).

Nothing in this provision shall affect any Borrower's several liability for the entire amount of the Guaranteed Obligations (up to such Borrower's Maximum Liability). Each of the Borrowers covenants and agrees that its right to receive any contribution under this Guarantee from a Non-Paying Borrower shall be subordinate and junior in right of payment to the payment in full in cash of the Guaranteed Obligations. This provision is for the benefit of both the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks, the Lenders and the Borrowers and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

SECTION 10.11 Liability Cumulative. The liability of each Borrower and each other Loan Party under this Article X is in addition to and shall be cumulative with all other liabilities of each Borrower and each other Loan Party to the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders under this Agreement and the other Loan Documents to which such Borrower or such other Loan Party is a party or in respect of any obligations or liabilities of the other Borrowers or other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

ARTICLE XI

[Reserved.]

ARTICLE XII

The Borrower Representative

SECTION 12.01 Appointment; Nature of Relationship. The Company is hereby appointed by each of the Borrowers as its contractual representative (herein referred to as the "Borrower Representative") hereunder and under each other Loan Document, and each of the Borrowers irrevocably authorizes the Borrower Representative to act as the contractual representative of such Borrower with the rights and duties expressly set forth herein and in the other Loan Documents. The Borrower Representative agrees to act as such contractual representative upon the express conditions contained in this Article XII. Additionally, the Borrowers hereby appoint the Borrower Representative as their agent to receive all of the proceeds of the Loans in the Funding Account(s), at which time the Borrower Representative shall promptly disburse such Loans to the appropriate Borrower. The Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders, and their respective Related Parties, shall not be liable to the Borrower Representative or any Borrower for any action taken or omitted to be taken by the Borrower Representative or the Borrowers pursuant to this Section.

SECTION 12.02 Powers. The Borrower Representative shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Borrower Representative by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Borrower Representative shall have no implied duties to the Borrowers, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Borrower Representative.

SECTION 12.03 Employment of Agents. The Borrower Representative may execute any of its duties as the Borrower Representative hereunder and under any other Loan Document by or through authorized officers.

SECTION 12.04 Notices. Each Borrower shall immediately notify the Borrower Representative of the occurrence of any Default hereunder referring to this Agreement describing such Default and stating that such notice is a "notice of default." In the event that the Borrower Representative

receives such a notice, the Borrower Representative shall give prompt notice thereof to the Administrative Agent and the Lenders. Any notice provided to the Borrower Representative hereunder shall constitute notice to each Borrower on the date received by the Borrower Representative.

SECTION 12.05 Successor Borrower Representative. Upon the prior written consent of the Administrative Agent, the Borrower Representative may resign at any time, such resignation to be effective upon the appointment of a successor Borrower Representative. The Administrative Agent shall give prompt written notice of such resignation to the Lenders.

SECTION 12.06 Execution of Loan Documents; Borrowing Base Certificate. The Borrowers hereby empower and authorize the Borrower Representative, on behalf of the Borrowers, to execute and deliver to the Administrative Agent, the Canadian Administrative Agent and the Lenders the Loan Documents and all related agreements, certificates, documents, or instruments as shall be necessary or appropriate to effect the purposes of the Loan Documents, including without limitation, the Borrowing Base Certificates and the Compliance Certificates. Each Borrower agrees that any action taken by the Borrower Representative or the Borrowers in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Borrower Representative of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers.

SECTION 12.07 Reporting. Each Borrower hereby agrees that such Borrower shall furnish promptly after each fiscal month to the Borrower Representative any certificate or report requested by the Borrower Representative, on which the Borrower Representative shall rely to prepare the Borrowing Base Certificates and Compliance Certificates required pursuant to the provisions of this Agreement.

Moreover, nothing shall prejudice the rights of any party-in-interest, including, but not limited to the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, or a Committee (if appointed), to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Prior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien, rather, any such alleged claim arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens as such claims had with respect to the Prepetition ABL Liens.

H. **Continuation of Prepetition Liens.** In light of the integrated nature of the DIP ABL Facility, the DIP Documents, and the Prepetition Documents, the Prepetition Liens, and the DIP Liens that prime certain of the Prepetition Liens, are continuing liens, and the DIP Collateral is and will continue to be encumbered by such liens.

I. **Intercreditor Agreement.** Pursuant to section 510 of the Bankruptcy Code, the Intercreditor Agreement and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties (including, without limitation, the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims

and superpriority administrative expense claims granted, or amounts payable, by the Debtors under this Interim Order or otherwise and the modification of the automatic stay), (iii) shall govern the relative priorities, rights, and remedies of the DIP Secured Parties and the Prepetition Secured Parties, and (iv) shall not be deemed to be amended, altered, or modified by the terms of this Interim Order or the DIP Documents, unless as expressly set forth herein or therein. The DIP ABL Facility is deemed a “Refinancing” of the Prepetition ABL Facility as such term is used in the Intercreditor Agreement, and any repayment of the Prepetition ABL Obligations pursuant to this Interim Order shall not be deemed to constitute a “Discharge of Senior Obligations” (as defined in the Intercreditor Agreement).

J. **Findings Regarding Corporate Authority.** Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Documents to which it is a party and to perform its obligations thereunder.

K. **Findings Regarding Postpetition Financing**

(i) *Request for Postpetition Financing.* The Debtors seek authority to (a) enter into, and borrow under, the DIP ABL Facility on the terms described herein and in the DIP Documents, and (b) use Cash Collateral on the terms described herein, to administer their Cases and fund their operations. At the Final Hearing, the Debtors will seek final approval of the DIP ABL Facility and use of Cash Collateral pursuant to a proposed final order (the “Final Order”), which shall be in form and substance acceptable to the Debtors, the DIP Agent, the Prepetition Agents, and, provided the RSA (as defined below) has not been terminated on or prior to the Final Hearing, holders of Prepetition Term Loan Obligations who are signatories to the RSA (defined below) and hold an aggregate principal amount greater than 50% of the aggregate principal amount of Prepetition Term Loan Obligations held by all signatories to the Restructuring Support

Agreement dated August 2, 2020 (the “RSA”), attached to the First Day Declaration (the “Requisite Prepetition Term Loan Lenders”). Notice of the Final Hearing and Final Order will be provided in accordance with this Interim Order.

(ii) *Priming of the Prepetition Liens.* The priming of the Prepetition Liens on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP ABL Facility and as further described below, will enable the Debtors to obtain the DIP ABL Facility and to continue to operate their businesses to the benefit of their estates and creditors. The Prepetition Agents, for the benefit of themselves and the other Prepetition Secured Parties, are entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution in Value of each of the Prepetition Secured Parties’ respective interests in the Prepetition Collateral (including Cash Collateral).

(iii) *Need for Postpetition Financing and Use of Cash Collateral.* The Debtors have an immediate and critical need to use Cash Collateral on an interim basis and to obtain credit on an interim basis pursuant to the DIP ABL Facility in order to, among other things, enable the orderly continuation of their operations and to administer and preserve the value of their estates. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers, to pay their employees, and otherwise finance their operations requires the availability of working capital from the DIP ABL Facility and the use of Cash Collateral, the absence of either of which would immediately and irreparably harm the Debtors, their estates, and parties in interest. The Debtors do not have sufficient available sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business in the Interim Period without the DIP ABL Facility and authorized use of Cash Collateral.

(iv) *No Credit Available on More Favorable Terms.* The DIP ABL

Facility is the best source of debtor-in-possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the DIP ABL Facility. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain: (a) unsecured credit solely having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Financing on a postpetition basis on better terms is not otherwise available without granting the DIP Agent, for the benefit of itself and the DIP Secured Parties: (1) perfected security interests in and liens on (each as provided herein) all of the Debtors' existing and after-acquired assets (other than Excluded Assets) with the priorities set forth herein; (2) superpriority claims and liens; and (3) the other protections set forth in this Interim Order.

(v) *Use of Proceeds of the DIP ABL Facility.* As a condition to entry into the DIP ABL Credit Agreement, the extension of credit under the DIP ABL Facility and the authorization to use Cash Collateral, the DIP Secured Parties and the Prepetition Secured Parties require, and the Debtors have agreed, that proceeds of the DIP ABL Facility and the Cash Collateral shall be used, in each case in a manner consistent with the terms and conditions of this Interim Order and the DIP Documents and in accordance with the budget (as the same may be modified from time to time consistent with the terms of this Interim Order and the DIP Documents and subject to such variances as permitted in this Interim Order and the DIP ABL Credit

Agreement, and as set forth in paragraphs 20 and 21 hereof, the “Budget”),⁷ solely for: (a) working capital, capital expenditures and letters of credit, (b) other general corporate purposes of the Debtors; (c) permitted payment of costs of administration of the Cases; (d) payment of such other prepetition obligations as permitted under this Interim Order, the Budget, and the DIP Documents, and as approved by the Court; (e) payment of interest, fees, expenses, and other amounts (including legal and other professionals’ fees and expenses of the DIP Agent) to the extent owed under the DIP Documents; (f) payment of certain adequate protection amounts to the Prepetition Secured Parties, as set forth herein; (g) the repayment of the Prepetition ABL Obligations, subject to the rights preserved in paragraph 50 of this Interim Order; (h) payment of obligations arising from or related to the Carve Out, and making disbursements therefrom, including by funding the Carve Out Reserves; (i) payment on account of the Debtors’ guarantee of the Canadian Obligations; and (j) such other uses set forth in the Budget.

(vi) *Application of Proceeds of Collateral.* As a condition to entry into the DIP ABL Credit Agreement, the extension of credit under the DIP ABL Facility, and authorization to use Cash Collateral, the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties have agreed that, as of and commencing on the date of the Interim Hearing, the Debtors shall apply the proceeds of DIP Collateral in accordance with this Interim Order and the Budget (including, without limitation, the use of DIP Secondary Collateral to reduce the DIP Obligations in accordance with the Budget and, specifically, with: (a) 10% of the Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of the Interim Order; (b) 40% of incremental Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of the Final Order;

⁷ A copy of the initial Budget is attached hereto as Exhibit 2.

(c) 20% of incremental Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of an order approving a disclosure statement that is in form and substance acceptable to the Requisite Prepetition Term Loan Lenders (the “Disclosure Statement”); and (d) 30% of incremental Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of an order confirming a joint chapter 11 plan of reorganization that is in form and substance acceptable to the Requisite Prepetition Term Loan Lenders (the “Plan”) (clauses (a)-(d) collectively, the “Term Loan Segregated Cash Release Schedule”).⁸

(vii) *Canadian Recognition Proceeding.* Substantially contemporaneously with the entry of the Interim Order, the Canadian Debtor has filed an application (the “Canadian Case”) before the Ontario Superior Court of Justice (Commercial List) (the “Canadian Court”) for entry of an initial recognition order (the “Initial Recognition Order”) and a supplemental order (the “Supplemental Order”) recognizing the Cases as a foreign main proceeding and recognizing and giving full force and effect in all provinces and territories in Canada the orders rendered in the context of the Cases, including this Interim Order.

(viii) *Refinancing of Prepetition ABL Obligations.* Upon entry of this Interim Order, without any further action by the Debtors or any other party, but subject to paragraph 50 herein, all Prepetition ABL Obligations shall be repaid (or deemed repaid) or refinanced and, to the extent remaining outstanding, shall constitute DIP Obligations (the “DIP Roll-Up Obligations”).⁹ The refinancing and repayment of the Prepetition ABL Obligations shall

⁸ As used in this Interim Order, “Term Loan Segregated Cash” shall mean that certain “restricted cash” that constitutes DIP Secondary Collateral in the amount of approximately \$89,911,000.00.

⁹ The Swap Termination Liability will be paid in cash in full at emergence, pursuant to the plan of reorganization and the Court order confirming such plan.

be authorized as compensation for, in consideration for, and solely on account of, the agreement of the Prepetition ABL Lenders to fund amounts under the DIP ABL Facility and not as adequate protection for, or otherwise on account of, any Prepetition Secured Obligations. The Prepetition ABL Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens to the DIP Liens, and the DIP Secured Parties would not be willing to provide the DIP ABL Facility or extend credit to the Debtors thereunder without the repayment and refinancing of the Prepetition ABL Obligations by the DIP ABL Loans. Moreover, the refinancing of all outstanding Prepetition ABL Obligations will, upon entry of this Interim Order, create availability under the DIP ABL Facility and will result in interest savings to the Debtors and their estates. Because the DIP Roll-Up Obligations are subject to the reservation of rights in paragraph 50 below, they will not prejudice the right of any other party in interest.

L. **Adequate Protection.** Until such time as the Prepetition Secured Obligations (as applicable) are Paid in Full,¹⁰ the Prepetition ABL Agent, for the benefit of itself and the other Prepetition ABL Parties, and the Prepetition Term Loan Agent, for the benefit of itself and the other Prepetition Term Loan Parties, are each entitled to receive adequate protection

¹⁰ “Paid in Full” means the indefeasible repayment in full in cash of all obligations (including principal, interest, fees, prepayment premiums, expenses, indemnities, other than contingent indemnification obligations for which no claim has been asserted) under the applicable credit facility, the cash collateralization or repayment in full in cash of all treasury and cash management obligations, hedging obligations, and bank product obligations, and the cancelation, replacement, backing, or cash collateralization of letters of credit, in each case, in accordance with the terms of the applicable credit facility. No facility shall be deemed to have been Paid in Full until such time as, with respect to the applicable facility, (a) the commitments to lend thereunder have been terminated, (b) with respect to the Challenge Deadline (i) the Challenge Deadline (as defined in paragraph 50 of this Interim Order) shall have occurred without the timely and proper commencement of a Challenge or (ii) if a Challenge is timely and properly asserted prior to the Challenge Deadline, upon the final, non-appealable disposition of such Challenge; and (c) with respect to the Prepetition ABL Obligations, the Prepetition ABL Agent or the DIP Agent, as applicable, has received (i) a countersigned payoff letter in form and substance satisfactory to such Agent and (ii) releases in form and substance satisfactory to such Agent, each in its sole discretion.

to the extent of any Diminution in Value of their respective interests in the Prepetition Collateral as set forth in this Interim Order.

M. **Sections 506(c) and 552(b).** In light of: (i) the DIP Secured Parties' agreement that their liens and superpriority claims shall be subject to the Carve Out; (ii) the Prepetition ABL Parties' agreement that their liens shall be subject to the Carve Out and subordinate to the DIP Liens and, in the case of the Prepetition Term Priority Collateral, subordinate to the Prepetition Term Loan Liens and the Prepetition Term Loan Adequate Protection Liens; (iii) the Prepetition Term Loan Parties' agreement that their liens shall be subject to the Carve Out and, in the case of the Prepetition ABL Priority Collateral, subordinate to the DIP Liens, the Prepetition ABL Liens, and the Prepetition ABL Adequate Protection Liens; and (iv) the payment of prepetition claims and/or expenses as set forth in the Budget and first day motions in accordance with and subject to the terms and conditions of this Interim Order and the DIP Documents, (a) subject to entry of a Final Order, the Prepetition Secured Parties are each entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code, and (b) subject to entry of a Final Order, the DIP Secured Parties and the Prepetition Secured Parties are each entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code.

N. **Good Faith of the DIP Agent and DIP Lenders.**

(i) *Willingness to Provide Financing.* The DIP Lenders have indicated a willingness to provide financing to the Debtors subject to: (a) entry of this Interim Order and the Final Order; (b) approval of the terms and conditions of the DIP ABL Facility and the DIP Documents; (c) satisfaction of the closing conditions set forth in the DIP Documents; (d) entry of the Initial Recognition Order and the Supplemental Order by the Canadian Court, in a form satisfactory to the DIP Agent, commencing the Canadian Case and providing for a priority charge

against the property of the Canadian Debtor securing the DIP Obligations, as set forth herein and in the DIP Documents; and (e) findings by this Court that the DIP ABL Facility is essential to the Debtors' estates, that the DIP Secured Parties are extending credit to the Debtors pursuant to the DIP Documents in good faith, and that the DIP Secured Parties' claims, superpriority claims, security interests, and liens and other protections granted pursuant to this Interim Order and the DIP Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

(ii) *Business Judgment and Good Faith Pursuant to Section 364(e) of the Bankruptcy Code.* The terms and conditions of the DIP ABL Facility and the DIP Documents, and the fees paid and to be paid thereunder, are fair, reasonable, and the best available to the Debtors under the circumstances, are ordinary and appropriate for secured financing to debtors in possession, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration. The terms and conditions of the DIP ABL Facility and the use of Cash Collateral were negotiated in good faith and at arms' length among the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties, with the assistance and counsel of their respective advisors. Use of Cash Collateral and credit to be extended under the DIP ABL Facility shall be deemed to have been allowed, advanced, made, or extended in good faith by the DIP Secured Parties and the Prepetition Secured Parties within the meaning of section 364(e) of the Bankruptcy Code.

O. **Immediate Entry.** Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(c)(2).

P. **Interim Hearing.** Notice of the Interim Hearing and the relief requested in the DIP Motion has been provided by the Debtors, whether by facsimile, electronic mail, overnight courier or hand delivery, to certain parties in interest, including: (i) the U.S. Trustee; (ii) those

entities or individuals included on the Debtors' list of 30 largest unsecured creditors on a consolidated basis; (iii) counsel to the Prepetition ABL Agent; (iv) counsel to the Prepetition Term Loan Agent; and (v) all other parties entitled to notice under the Local Rules. The Debtors have made reasonable efforts to afford the best notice possible under the circumstances.

Based upon the foregoing findings and conclusions, the DIP Motion, the DIP Declarations, and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED that:

1. Interim Financing Approved. The DIP Motion is granted, the Interim Financing (as defined herein) is authorized and approved, and the use of Cash Collateral on an interim basis is authorized, in each case subject to the terms and conditions set forth in the DIP Documents and this Interim Order. Any objections to this Interim Order to the extent not withdrawn, waived, settled, or resolved are hereby denied and overruled.

DIP ABL Facility Authorization

2. Authorization of the DIP ABL Facility. The DIP ABL Facility is hereby approved. The Debtors are expressly and immediately authorized and empowered to execute and deliver the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Documents, and to deliver all instruments, certificates, agreements, and documents that may be required or necessary for the performance by the Debtors under the DIP ABL Facility and the creation and perfection of the DIP Liens (as defined herein) described in and provided for by this Interim Order and the DIP Documents, including each of the Guarantors providing its joint and several guarantee of all of the DIP Obligations and such acts as shall be necessary or desirable in order to effect the repayment

and the refinancing of the Prepetition ABL Obligations. The Debtors are hereby authorized and directed to pay, in accordance with this Interim Order and the DIP Documents, the principal, interest, fees, payments, expenses, and other amounts described in the DIP Documents as such amounts become earned, due, and payable and without need to obtain further Court approval, including closing fees, letter of credit fees (including issuance, fronting, and other related charges), unused facility fees, prepayment premiums (if applicable), continuing commitment fees, servicing fees, audit fees, appraisal fees, liquidator fees, structuring fees, arrangement fees, upfront fees, administrative agent's fees, the reasonable and documented fees and disbursements of the DIP Agent's attorneys, advisors, accountants, and other consultants, in such cases, reimbursable under the DIP Documents, whether or not such fees arose before or after the Petition Date, and to take any other actions that may be necessary or appropriate, all to the extent provided in this Interim Order or the DIP Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations, or otherwise, will be deposited and applied as required by this Interim Order and the DIP Documents. Upon execution and delivery, the DIP Documents shall represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms. The Debtors' joint and several guarantee of the Canadian Obligations under the Canadian Guarantee is and shall remain in full force and effect, including with respect to any and all Canadian Obligations arising after the Petition Date.

3. Authorization to Borrow. To prevent immediate and irreparable harm to the Debtors' estates, from the entry of this Interim Order through and including the earliest to occur of (i) entry of the Final Order or (ii) the DIP Termination Date (as defined below), and subject to the terms, conditions, limitations on availability and reserves (as applicable) set forth in the DIP

Documents and this Interim Order, the Debtors are hereby authorized to request extensions of credit (in the form of loans and letters of credit) up to an aggregate outstanding principal amount of not greater than \$500,000,000.00 at any one time outstanding under the DIP ABL Facility (the “Interim Financing”).

4. DIP Obligations. The DIP Documents and this Interim Order shall constitute and evidence the validity and binding effect of the DIP Obligations, which shall be enforceable against the Debtors, their estates, and any successors thereto, including any trustee appointed in the Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the “Successor Cases”). Upon entry of this Interim Order, the DIP Obligations will include all loans, letter of credit reimbursement obligations, and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to any of the DIP Secured Parties, in each case, under, or secured by, the DIP Documents or this Interim Order, including all principal, accrued interest (at the rate set out in the DIP ABL Facility), costs, fees, expenses and other amounts as provided in the DIP Documents. Without limiting the foregoing, the DIP Obligations shall also include cash management and bank product exposure and obligations of the DIP Lenders and their affiliates to the extent described in, or secured by, the Prepetition ABL Documents and DIP Documents. Upon entry of this Interim Order, all Banking Services Obligations and Existing Letters of Credit (each as defined in the DIP ABL Credit Agreement) issued by the Prepetition ABL Parties for the account of the Debtors under the Prepetition ABL Agreement shall continue in place and all obligations under or in connection with such letters of credit shall be subject to the DIP ABL Credit Agreement and shall constitute DIP Obligations. The Debtors shall be jointly and severally liable for the DIP Obligations, which

shall be due and payable, without notice or demand, and the use of Cash Collateral shall automatically cease on the earlier of the DIP Termination Date or the Cash Collateral Termination Date (each as defined herein) in each case, except as provided in paragraph 33 herein. No obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Documents (including any DIP Obligation or DIP Liens (as defined below), and including in connection with any adequate protection provided to the Prepetition Secured Parties hereunder) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

5. DIP Liens. Subject and subordinate to the Carve Out as set forth in this Interim Order, in order to secure the DIP Obligations, effective immediately upon entry of this Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Agent, for the benefit of itself and the DIP Secured Parties, is hereby granted, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens (collectively, the “DIP Liens”) on all real and personal property, whether now existing or hereafter arising and wherever located, tangible and intangible, of each of the Debtors (the “DIP Collateral”), other than the Term Loan Segregated Cash prior to its release in accordance with the Term Loan Segregated Cash Release Schedule, including without limitation: (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other

receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not marketable) and investment property (including, without limitation, all of the issued and outstanding capital stock or equivalents of each of its subsidiaries), hedge agreements, furniture, fixtures, equipment (including documents of title), goods, franchise rights, trade names, trademarks, servicemarks, copyrights, patents, license rights, intellectual property, general intangibles (including, for the avoidance of doubt, payment intangibles), rights to the payment of money (including, without limitation, tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action, and all substitutions, indemnification rights, all present and future intercompany debt, books and records related to the foregoing, accessions and proceeds of the foregoing, wherever located, including insurance or other proceeds; (b) all proceeds of leased real property; (c) the proceeds of actions brought under section 549 of the Bankruptcy Code to recover any postpetition transfer of DIP Collateral; (d) subject to entry of a Final Order (other than with respect to the proceeds of actions brought pursuant to section 549 of the Bankruptcy Code, which shall constitute DIP Collateral upon entry of this Interim Order), the proceeds of any avoidance actions brought pursuant to Chapter 5 of the Bankruptcy Code or applicable state law equivalents (subparagraphs (c) and (d), the “Avoidance Actions”); (e) subject to entry of a Final Order, proceeds of the Debtors’ rights under sections 506(c) (solely to the extent such rights result from the use of the DIP ABL Facility or the DIP Collateral and are, therefore, enforceable against parties other than the DIP Agent, DIP Lenders or the Prepetition Secured Parties) and 550 of the Bankruptcy Code; and (f) all DIP Collateral that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date. Notwithstanding the foregoing, DIP Collateral shall not include the Debtors’ real property leases (but shall include all proceeds of

such leases). DIP Collateral that is (i) of a type that would be ABL Priority Collateral; (ii) of a type that would be ABL Priority Collateral, but that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date; and (iii) subject to entry of the Final Order, the proceeds of Avoidance Actions, shall, in each case, constitute “DIP Primary Collateral.” DIP Collateral that is (i) of a type that would be Prepetition Term Priority Collateral and (ii) the proceeds of the Debtors’ real property leases shall, in each case, constitute “DIP Secondary Collateral.”

6. DIP Lien Priority. The DIP Liens are valid, automatically perfected, non-avoidable, senior in priority, and superior to any security, mortgage, collateral interest, lien, or claim to any of the DIP Collateral, except that the DIP Liens shall be subject to the Carve Out as set forth in this Interim Order and shall otherwise be junior only to: (a) as to the DIP Primary Collateral, Permitted Prior Liens; and (b) as to the DIP Secondary Collateral, (i) Permitted Prior Liens; (ii) the Prepetition Term Loan Liens; and (iii) the Prepetition Term Loan Adequate Protection Liens (as defined herein). Other than as set forth herein (including the Carve Out, the Prepetition Term Loan Liens (with respect to the DIP Secondary Collateral), and the Prepetition Term Loan Adequate Protection Liens (with respect to the DIP Secondary Collateral)) or in the DIP Documents, the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Cases or any Successor Cases and shall be valid and enforceable against any trustee appointed in the Cases or any Successor Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code (or in any other Successor Case), and/or upon the dismissal of any of the Cases or Successor Cases. The DIP Liens shall not be subject to section 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be

pari passu with or senior to the DIP Liens.

7. DIP Superpriority Claims. Subject and subordinate to the Carve Out and, with respect to claims attributable to DIP Secondary Collateral, the Prepetition Term Loan Adequate Protection Claims (as defined herein), each as set forth in this Interim Order, upon entry of this Interim Order, the DIP Agent, on behalf of itself and the DIP Secured Parties, is hereby granted, pursuant to section 364(c)(1) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (collectively, the “DIP Superpriority Claims”) for all DIP Obligations. The DIP Superpriority Claim shall have priority over any and all other obligations, liabilities and indebtedness of each Debtor (other than the Carve Out and, with respect to claims attributable to DIP Secondary Collateral, the Prepetition Term Loan Adequate Protection Claims) of the kind specified in section 503(b) and 507(b) of the Bankruptcy Code, including, to the extent allowed under the Bankruptcy Code, any and all administrative expense claims and unsecured claims against the Debtors or their estates in any of the Cases and any Successor Cases, at any time existing or arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 328, 330, 331, 364, 503(a), 503(b), 507(a) (other than 507(a)(1)), 507(b), 546(c), 726 (to the extent permitted by law), 1113, and 1114 of the Bankruptcy Code, and any other provision of the Bankruptcy Code, to the extent provided under section 364(c)(1) of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Superpriority Claims.

8. No Obligation to Extend Credit. Except as may be required to fund the Carve Out Reserves (as defined below) as set forth in this Interim Order, the DIP Secured Parties

shall have no obligation to make any loan or advance, or to issue, amend, renew, or extend any letters of credit or bankers' acceptance under the DIP Documents, unless all of the conditions precedent to the making of such extension of credit or the issuance, amendment, renewal, or extension of such letter of credit or bankers' acceptance be deemed issued under and subject to the DIP Documents and this Interim Order have been satisfied in full or waived by the DIP Agent in accordance with the terms of the DIP ABL Credit Agreement.

9. Use of Proceeds of DIP ABL Facility. From and after the Petition Date, the Debtors shall use advances of credit under the DIP ABL Facility, in accordance with the Budget (subject to such variances as permitted in this Interim Order and the DIP ABL Credit Agreement), only for the purposes specifically set forth in this Interim Order, the DIP Documents, and the Budget and in compliance with the terms and conditions in this Interim Order and the DIP Documents.

10. DIP Roll-Up Obligations. Upon entry of this Interim Order, without any further action by the Debtors or any other party, and as a condition to the provision of liquidity under the DIP ABL Facility, the Prepetition ABL Obligations shall be refinanced and repaid by the DIP ABL Loans and shall, to the extent remaining outstanding, constitute DIP Obligations. The authorization of the DIP Roll-Up Obligations shall be subject to the reservation of rights set forth in paragraph 50 of this Interim Order.

Authorization to Use Cash Collateral

11. Authorization to Use Cash Collateral. Subject to the terms and conditions of this Interim Order, the DIP ABL Facility, and the DIP Documents and in accordance with the Budget (subject to such variances as permitted in this Interim Order and the DIP Documents), including, without limitation, the use of DIP Secondary Collateral to reduce the DIP Obligations

(without a commitment reduction) in accordance with the Budget and in accordance with the Term Loan Segregated Cash Release Schedule, the Debtors are authorized to use Cash Collateral until the earlier of the DIP Termination Date or the Cash Collateral Termination Date (each as defined herein); *provided, however*, that, upon the Termination Declaration Date, the Carve-Out shall be funded and available to satisfy then-due Allowed Professional Fees (as defined in paragraph 47 of this Interim Order); *provided, further*, that during the Remedies Notice Period (as defined herein), the Debtors may use Cash Collateral to meet payroll obligations (other than severance), sales taxes and other expenses that the DIP Agent and Prepetition Term Loan Agent approve (each in its sole discretion) as critical to keeping the Debtors' business operating subject to the Budget. Nothing in this Interim Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor's use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Interim Order (including the Carve Out), the DIP ABL Facility, the DIP Documents, and in accordance with the Budget (subject to such variances as permitted in this Interim Order and the DIP Documents). For the avoidance of doubt, other than as set forth in this paragraph 11, the Debtors shall have no authority to utilize the Term Loan Segregated Cash pursuant to this Interim Order.

12. Adequate Protection Liens.

(a) *Prepetition ABL Adequate Protection Liens.* Subject to the Carve Out as set forth in this Interim Order, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Prepetition ABL Parties in the Prepetition Collateral to the extent of any Diminution in Value of such interests in the Prepetition Collateral, the Debtors hereby grant to the Prepetition ABL Agent, for the benefit of itself and the Prepetition ABL Parties, continuing, valid, binding, enforceable, and perfected postpetition

security interests in and liens (the “Prepetition ABL Adequate Protection Liens”) on the DIP Collateral; *provided* that the foregoing collateral shall not include assets or property (other than Prepetition Collateral, including Cash Collateral and the proceeds thereof) upon which, and solely to the extent that, the grant of an Adequate Protection Lien (as defined herein) as contemplated in this Interim Order, unless otherwise expressly permitted by the terms of the applicable executory contracts and unexpired nonresidential leases, would constitute a default or event of default under any of the Debtors’ contracts or leases (and such default would not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof.

(b) *Prepetition Term Loan Adequate Protection Liens.* Subject to the Carve Out as set forth in this Interim Order, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Prepetition Term Loan Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Debtors hereby grant to the Prepetition Term Loan Agent, for the benefit of itself and the Prepetition Term Loan Parties, valid, binding, enforceable, and perfected postpetition security interests in and liens (the “Prepetition Term Loan Adequate Protection Liens,” and together with the Prepetition ABL Adequate Protection Liens, the “Adequate Protection Liens”) on the DIP Collateral and the Term Loan Segregated Cash; *provided* that the foregoing collateral shall not include assets or property (other than Prepetition Collateral, including Cash Collateral and the proceeds thereof) upon which, and solely to the extent that, the grant of an Adequate Protection Lien as contemplated in this Interim Order, unless otherwise expressly permitted by the terms of the applicable executory contract or unexpired nonresidential leases would constitute a default or event of default under any of the Debtors’ contracts or leases (and such default would

not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof.

13. Priority of Adequate Protection Liens.

(a) The Prepetition ABL Adequate Protection Liens shall be subject to the Carve Out as set forth in this Interim Order and shall otherwise be junior only to: (i) with respect to the DIP Primary Collateral, (A) the DIP Liens; (B) Permitted Prior Liens; and (C) the Prepetition ABL Liens; and (ii) with respect to the DIP Secondary Collateral, (A) Permitted Prior Liens; (B) the Prepetition Term Loan Liens; (C) the Prepetition Term Loan Adequate Protection Liens; (D) the DIP Liens; and (E) the Prepetition ABL Liens. The Prepetition ABL Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Collateral, subject to the Intercreditor Agreement.

(b) The Prepetition Term Loan Adequate Protection Liens shall be subject to the Carve Out as set forth in this Interim Order and shall otherwise be junior only to: (i) with respect to the DIP Primary Collateral, (A) Permitted Prior Liens, (B) the DIP Liens, (C) the Prepetition ABL Liens, (D) the Prepetition ABL Adequate Protection Liens, and (E) the Prepetition Term Loan Liens; and (ii) with respect to the DIP Secondary Collateral, (A) Permitted Prior Liens, and (B) the Prepetition Term Loan Liens. The Prepetition Term Loan Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Collateral, subject to the Intercreditor Agreement.

(c) Except as provided herein, the Adequate Protection Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter in the Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in any of the Cases or any Successor Cases, or upon the dismissal of any of the Cases or Successor

Cases. The Adequate Protection Liens shall not be subject to sections 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the Prepetition Liens or the Adequate Protection Liens.

14. Adequate Protection Superpriority Claims.

(a) *Prepetition ABL Superpriority Claim.* As further adequate protection of the interests of the Prepetition ABL Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Prepetition ABL Agent, on behalf of itself and the Prepetition ABL Parties, is hereby granted, subject to the Carve Out, as and to the extent provided by section 507(b) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (the “Prepetition ABL Superpriority Claim”).

(b) *Prepetition Term Loan Superpriority Claim.* As further adequate protection of the interests of the Prepetition Term Loan Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Prepetition Term Loan Agent, on behalf of itself and the Prepetition Term Loan Parties, is hereby granted, subject to the Carve Out, as and to the extent provided by section 507(b) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (the “Prepetition Term Loan Superpriority Claim,” and together with the Prepetition ABL Superpriority Claim, the “Adequate Protection Superpriority Claims”).

15. Priority of the Adequate Protection Superpriority Claims. Except as set forth herein, the Adequate Protection Superpriority Claims shall have priority, to the extent provided by section 507(b) of the Bankruptcy Code, over all administrative expense claims and

unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 328, 330, 331, 503(a), 503(b), 507(a) (other than 507(a)(1), 506(c) (subject to entry of the Final Order), 507(b), 546(c), 726 (to the extent permitted by law), 1113, and 1114 of the Bankruptcy Code; *provided, however*, the Adequate Protection Superpriority Claims shall be subject to the Carve Out and shall otherwise have priority in the following order: (a) with respect to the DIP Primary Collateral, (1) the DIP Superpriority Claim, (2) the Prepetition ABL Superpriority Claim, and (3) the Prepetition Term Loan Superpriority Claim; and (b) with respect to the DIP Secondary Collateral, (1) the Prepetition Term Loan Superpriority Claim, (2) the DIP Superpriority Claim, and (3) the Prepetition ABL Superpriority Claim.

16. Adequate Protection Payments and Protections for Prepetition ABL Parties.

As further adequate protection (the “Prepetition ABL Adequate Protection Payments”), the Debtors are authorized and directed to provide adequate protection to the Prepetition ABL Parties in the form of payment in cash (and as to fees and expenses, without the need for the filing of a formal fee application) of (a) solely to the extent that any Prepetition ABL Obligations remain outstanding after entry of this Interim Order, interest (at the rate in accordance with the provisions of the Prepetition Documents) and principal due under the Prepetition ABL Documents with respect to such remaining Prepetition ABL Obligations, subject to the rights preserved in paragraph 50 below, (b) immediately upon entry of this Interim Order, payment of the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition ABL Agent arising prior to the Petition Date and reimbursable under the Prepetition ABL Documents, including

reasonable and documented fees and expenses of (1) Morgan, Lewis & Bockius LLP, (2) McMillan LLP, (3) Berkeley Research Group, LLC and (4) Winstead PC (collectively, the “ABL Advisors”), and (iii) in accordance with the procedures set forth in paragraph 43 hereof, the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition ABL Agent arising subsequent to the Petition Date reimbursable under the Prepetition ABL Documents; *provided, however*, that during the continuation of a DIP Event of Default, any such payments to the Prepetition ABL Parties shall be made solely from the DIP Primary Collateral. Subject to entry of the Final Order, upon the earliest to occur of (a) entry of the Final Order, (b) the DIP Termination Date, or (c) delivery of the Carve Out Trigger Notice, the Debtors are further authorized and directed to pay (which may be made through an advance under the DIP ABL Facility) to the Prepetition ABL Agent, for the benefit of the Prepetition ABL Parties, \$500,000 into a non-interest bearing account maintained at JPMorgan Chase Bank, N.A. (the “Prepetition ABL Indemnity Reserve”) to secure contingent indemnification, reimbursement, or similar continuing obligations arising under or related to the Prepetition ABL Documents (the “Prepetition ABL Indemnity Obligations”); *provided* that the Debtors shall not be required to fund the Prepetition ABL Indemnity Reserve if, at the time of the earliest to occur of the DIP Termination Date, the delivery of the Carve Out Trigger Notice, or the entry of the Final Order, the Prepetition ABL Obligations have been (or are contemporaneously therewith) Paid in Full. The Prepetition ABL Indemnity Reserve shall secure all costs, expenses, and other amounts (including reasonable and documented attorneys’ fees) owed to or incurred by the Prepetition ABL Agent and the Prepetition ABL Lenders related to the Prepetition ABL Documents, the Prepetition ABL Obligations, or the

Prepetition ABL Liens granted to the Prepetition ABL Agent, as applicable, whether in these Cases or independently in another forum, court, or venue. The Prepetition ABL Indemnity Obligations shall be secured, and not subject to the Carve Out, by a first lien on the Prepetition ABL Indemnity Reserve and the funds therein and by a lien on the DIP Collateral and the Prepetition Collateral (subject in all respects to the Intercreditor Agreement). Subject to paragraph 43 below, payments of Prepetition ABL Indemnity Obligations shall be made as and when they arise and paid with the Prepetition ABL Indemnity Reserve, without further notice to or consent from the Debtors, a Committee (if appointed), or any other parties in interest and without further order of this Court; *provided*, that the rights of parties in interest with Requisite Standing¹¹ to object to any such indemnification claim(s) are hereby reserved in accordance with paragraph 50 hereof. The Prepetition ABL Agent (for itself and on behalf of the Prepetition ABL Parties) shall retain and maintain the Prepetition ABL Liens and the Prepetition ABL Adequate Protection Liens granted to the Prepetition ABL Agent as security for the amount of any Prepetition ABL Indemnity Obligations not capable of being satisfied from application of the funds on deposit in the Prepetition ABL Indemnity Reserve. The Prepetition ABL Indemnity Reserve (but not the Prepetition ABL Indemnity Obligations) shall be released and the funds applied in accordance with paragraph 26 of this Interim Order at such time as the Prepetition ABL Indemnity Obligations are Paid in Full.

17. Adequate Protection Payments and Protections for Prepetition Term Loan Parties. As further adequate protection (the “Prepetition Term Loan Adequate Protection Payments,” and together with the Prepetition ABL Adequate Protection Payments, the “Adequate

¹¹ As used in this Final Order, a party in interest with “Requisite Standing” shall mean a party in interest (including the Committee, if appointed) that has obtained an order of the Court granting such party derivative standing.

Protection Payments”), the Debtors are authorized and directed to provide the following adequate protection to the Prepetition Term Loan Parties in the form of payment in cash (and as to fees and expenses, without the need for the filing of a formal fee application): (a) immediately upon entry of the Interim Order, all overdue accrued and unpaid interest (at the non-default rate) and other amounts (other than principal) due under the Prepetition Term Loan Agreement (whether accrued prior to or after the Petition Date), (b) immediately upon entry of this Interim Order, payment of any unpaid reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition Term Loan Agent and the Prepetition Term Loan Lenders arising prior to the Petition Date and reimbursable under the Prepetition Term Loan Documents, including reasonable and documented fees and expenses of (1) Gibson, Dunn & Crutcher LLP, (2) Houlihan Lokey Capital Inc., (3) Porter Hedges LLP (collectively, the “Term Loan Advisors”); and (4) Clifford Chance (counsel to the Prepetition Term Loan Agent), (c) interest and other amounts, as and when due under the Prepetition Term Loan Agreement, in each case at the non-default rate, and (d) in accordance with the procedures set forth in paragraph 43 hereof, the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of the Term Loan Advisors) arising subsequent to the Petition Date; *provided, however*, that during the continuance of a DIP Event of Default, any such payments to the Prepetition Term Loan Parties shall be made solely from the DIP Secondary Collateral.

18. Additional Adequate Protection for Prepetition Term Loan Parties. As further adequate protection, the Debtors shall provide to the Term Loan Advisors, on behalf of the

Prepetition Term Loan Lenders: (a) continued periodic reporting under the Prepetition Term Loan Credit Agreement; (b) the following enhanced reporting (on a professionals' eyes only or non-cleansing basis) (1) a listing of permanently open store counts (i.e. stores not designated for permanent closure) by banner, updated on a weekly basis, (2) comp sales by banner, updated on a weekly basis, (3) a lease-by-lease summary report describing the status of negotiations and/or proposed sales for any leased properties, updated on a weekly basis, (4) inventory and borrowing base reports, updated on a weekly basis, and (5) any additional reporting delivered to either the DIP Agent or DIP Lenders (or their respective advisors), under the DIP Documents, and (c) access to management (including but not limited to the chief restructuring officer) of the Debtors no less frequently than once every week.

19. Adequate Protection Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided hereunder to the Prepetition Secured Parties is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral. The receipt by the Prepetition Secured Parties of the adequate protection provided herein shall not be deemed an admission that the interests of the Prepetition Secured Parties are adequately protected. Further, this Interim Order shall not prejudice or limit the rights of the Prepetition Secured Parties to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection, and all parties in interests' rights are reserved with respect thereto.

**Provisions Common to
DIP Financing and Use of Cash Collateral**

20. Amendment of the DIP Documents. The DIP Documents may from time to time be amended, modified, or supplemented by the parties thereto without further order of the Court if the amendment, modification, or supplement is (a) immaterial or non-adverse to the

Debtors and their estates and (b) in accordance with the DIP Documents. In the case of a material amendment, modification, waiver, or supplement to the DIP Documents that is adverse to the Debtors, their estates or stakeholders (including, for the avoidance of doubt, the Prepetition Term Loan Parties), the Debtors shall provide notice (which may be provided through electronic mail or facsimile) to counsel to a Committee (if appointed), the Term Loan Advisors, and the U.S. Trustee, (the “Notice Parties”) at least five (5) business days prior to the proposed effectiveness of such amendment, modification, or supplement; *provided*, that executed waivers need only be provided to such parties substantially concurrently with the effectiveness thereof; *provided, further, however*, any such material amendment, modification, or supplement that is adverse to the Debtors, their estates, or other creditors shall be filed with the Court, and waiver of compliance with any covenant or extension of the period for compliance shall not be deemed to be adverse to the Debtors or their estates.

21. Budget Maintenance. The use of borrowings and letters of credit under the DIP ABL Facility and the use of Cash Collateral shall be in accordance with the Budget, subject in all respects to the variances set forth in this Interim Order and in the DIP ABL Credit Agreement. The Budget shall depict, on a weekly basis and line item basis (i) projected cash receipts, (ii) projected cash disbursements (including ordinary course operating expenses, capital expenditures, bankruptcy-related expenses and certain other fees and expenses, and including expenses relating to the DIP Documents), (iii) net cash flow, (iv) Availability (as defined in the DIP ABL Credit Agreement, (v) total available liquidity, and (vi) professional fees and disbursements with respect to the Debtors’ professionals and other estate professionals, for the first thirteen (13) week period from the Closing Date, and such initial Budget shall be approved by, and in form and substance satisfactory to the DIP Agent, the Required Lenders (as defined in

the DIP ABL Credit Agreement), and holders of Prepetition Term Loan Obligations in an aggregate principal amount equal to or greater than two-thirds of the aggregate principal amount of Prepetition Term Loan Obligations held by all signatories to the RSA (the “Super-Majority Prepetition Term Loan Lenders”), each in their sole discretion (it being acknowledged and agreed that the initial Budget attached hereto has been approved by the DIP Agent, the Required Lenders and the Super-Majority Prepetition Term Loan Lenders). The Budget shall be updated, modified, or supplemented by the Debtors in accordance with the DIP ABL Credit Agreement, but in any event the Budget shall be updated by the Debtors not less than one time in each fiscal month, and shall be transmitted to the Lender Advisors (as defined in the DIP ABL Credit Agreement) and the Term Loan Advisors and publicly posted to the Prepetition Term Loan Agent’s website to all holders of Term Loan Obligations when approved and adopted. Each such updated, modified, or supplemented budget shall be approved in writing (including by email) by, and shall be in form and substance satisfactory to, the DIP Agent, the Required Lenders, and the Steerco-Super Majority Lenders, (each in their sole discretion), and no such updated, modified, or supplemented budget shall be effective until so approved, and once so approved shall be deemed the Budget; *provided, however*, that in the event the parties cannot agree as to an updated, modified or supplemented budget within three (3) business days of such proposed updated, modified or supplemented budget’s delivery to the Lender Advisors and the Term Loan Advisors, such disagreement shall constitute an immediate DIP Event of Default and Cash Collateral Termination Event (each as defined below) once the period covered by the prior approved Budget has terminated, unless a new Budget has been approved by the end of such period, (and at all times thereafter such then-current approved Budget shall remain in effect unless and until a new Budget

is approved by the DIP Agent, the Required Lenders, and the Steerco-Super Majority Lenders).¹²

22. Budget Compliance: Obligations of the Debtors to the DIP Secured Parties.

The Debtors shall at all times comply with the Budget, subject to the variances set forth in the DIP ABL Credit Agreement. The Debtors shall provide all reports and other information as required in the DIP ABL Credit Agreement. The Debtors' failure to comply with the Budget (including the variances set forth in the DIP ABL Credit Agreement) or to provide the reports and other information required in the DIP ABL Credit Agreement shall constitute a DIP Event of Default (as defined herein) following the expiration of any applicable cure period set forth in the DIP ABL Credit Agreement unless waived in accordance with the terms of the DIP ABL Credit Agreement.

23. Budget Compliance: Obligations of the Debtors to the Prepetition Term

Loan Parties. On Friday of each week following the Petition Date, the Debtors will deliver to the Term Loan Advisors a line-item by line-item variance report, setting forth, in reasonable detail, any variances between actual amounts for each line item in the Budget for the Variance Testing Period¹³ versus projected amounts set forth in the applicable Budget for each line-item included therein on a cumulative basis for such Variance Testing Period (for the avoidance of doubt, to be prepared by comparing the sum of the four (4) figures (or less, if the applicable Variance Testing Period has less than four weeks) for each relevant fiscal week for such corresponding line item in

¹² “Steerco-Super Majority Lenders” means as of the relevant date, one or more holders of Term Loans who are signatories to the RSA that individually or collectively hold at least two-thirds of the aggregate outstanding principal amount of Term Loans that are held by the steering committee of the ad hoc group of Prepetition Term Loan Lenders (which may in all cases be communicated by the Term Loan Advisors via e-mail).

¹³ “Variance Testing Period” means the four-fiscal week calendar period up to and through the Saturday of the fiscal week most recently ended prior to the applicable date of delivery of such variance report (provided that, if less than four-fiscal weeks have transpired since the Petition Date, the Variance Testing Period shall include the entire period from the Petition Date through the Saturday of the fiscal week most recently ended prior to the applicable Variance Testing Period).

the relevant Budget that was in effect in respect of each relevant week at the time). The variance report shall also provide a reasonably detailed explanation (including whether such variance is permanent or temporary in nature or timing related) for any negative variance in such variance report in excess of 10% in actual receipts and any positive variance in such variance report in excess of 10% in actual operating disbursements during the Variance Testing Period (unless the dollar amount corresponding to such percentage variance is less than \$1,000,000) as compared to projections for such corresponding line items during the Variance Testing Period as set forth in the Budget. The Debtors shall at all times comply with the Budget, subject to the following variances: (i) actual operating cash receipts for any four-fiscal week period up to and through the Saturday of the fiscal week most recently ended prior to the applicable variance report delivery date ("Four Week Period") must not be less than 90% of budgeted operating cash receipts for any such Four Week Period and (ii) the actual cash disbursements (excluding professional fees) for any Four Week Period shall not be greater than 110% of the budgeted cash disbursements for any such Four Week Period; *provided*, that any variance from a prior period as tested against a cumulative budget shall carry forward in the succeeding Four Week Period for purposes of the Budget. Failure to comply with the Budget (including the variances set forth herein) shall constitute an immediate Cash Collateral Termination Event, unless waived by the Requisite Prepetition Term Loan Lenders.

24. Modification of Automatic Stay. The automatic stay imposed under section 362(a)(2) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Interim Order, including, without limitation, to: (a) permit the Debtors to grant the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims, and Adequate Protection Superpriority Claims; (b) permit the Debtors to perform such acts as the DIP Agent and

Prepetition Term Loan Agent may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the DIP Secured Parties, Prepetition ABL Parties, and the Prepetition Term Loan Parties under the DIP Documents, the DIP ABL Facility, and this Interim Order, as applicable; and (d) authorize the Debtors to pay, and the DIP Secured Parties and the Prepetition Secured Parties to retain and apply, payments made in accordance with the terms of this Interim Order.

25. Perfection of DIP Liens and Adequate Protection Liens. This Interim Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or mortgage) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to evidence or entitle the DIP Secured Parties and the Prepetition Secured Parties to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agent and each Prepetition Agent is authorized to file, in the applicable registries of deeds and other appropriate public records, as it in its sole discretion deems necessary or advisable, such financing statements, security agreements, mortgages, leasehold mortgages, notices of liens, and other similar documents to perfect in accordance with applicable non-bankruptcy law or to otherwise evidence the DIP Liens and the Adequate Protection Liens, and all such financing statements, mortgages, leasehold mortgages, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided, however*, that no such filing or recordation shall be necessary or required in order

to create or perfect the DIP Liens or the Adequate Protection Liens. The Debtors are authorized and directed to execute and deliver promptly upon demand to the DIP Agent, the Prepetition ABL Agent, and the Prepetition Term Loan Agent, as applicable, all such financing statements, deposit account control agreements, mortgages, leasehold mortgages, notices, and other documents and/or applicable amendments as the DIP Agent, the Prepetition ABL Agent, or the Prepetition Term Loan Agent may reasonably request. Each of the DIP Agent, the Prepetition ABL Agent, and the Prepetition Term Loan Agent, in each of their discretion, may file a photocopy of this Interim Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instrument. To the extent that the Prepetition ABL Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party under such documents or to be the loss payee or additional insured, as applicable. The Prepetition ABL Agent shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Interim Order, is of a type such that perfection of a lien therein may be accomplished only by possession or control by a secured party.

26. Application of Proceeds of Collateral. As a condition to the entry of the DIP Documents, the extension of credit under the DIP ABL Facility, and the authorization to use Cash Collateral, the Debtors have agreed that as of and commencing on the date of the Interim Hearing, the Debtors shall apply all net proceeds of DIP Collateral (and, solely when released in

accordance with the Term Loan Segregated Cash Release Schedule, the Term Loan Segregated Cash) including whether sold in the ordinary course, liquidated pursuant to the Store Closing Motion, or otherwise, as provided in the DIP ABL Credit Agreement (without a reduction in commitments thereunder).

27. Protections of Rights of the Prepetition Secured Parties.

(a) Subject to the Intercreditor Agreement, unless the DIP Agent, Prepetition ABL Agent, and Prepetition Term Loan Agent have each provided their respective prior written consent, or all DIP Obligations, Prepetition ABL Obligations, and Prepetition Term Loan Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been, or contemporaneously will be, Paid in Full and the lending commitments under the DIP ABL Facility have terminated, in any of these Cases, any Successor Cases or the Canadian Cases, the Debtors shall neither seek entry of, nor support any motion or application seeking entry of, and otherwise shall object to any motion or application seeking entry of, any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following: (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral or Prepetition Collateral and/or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition Liens, the Adequate Protection Liens, and/or the Adequate Protection Superpriority Claims except as expressly set forth in this Interim Order or the DIP Documents; (ii) the use of Cash Collateral for any purpose other than as permitted in the DIP Documents and this Interim Order; (iii) except as set forth in the DIP Documents, the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any

Debtor or any creditor's taking any setoff or recoupment against any of its prepetition indebtedness based upon any such return of goods pursuant to section 553 of the Bankruptcy Code or otherwise; or (iv) any modification of any of the DIP Secured Parties' or the Prepetition Secured Parties' rights under this Interim Order, the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents with respect any DIP Obligations, Prepetition ABL Obligations, or Prepetition Term Loan Obligations. It shall be an Event of Default under the DIP Documents and a Cash Collateral Termination Event under this Interim Order if, in any of these Cases or any Successor Cases, the Debtors take or fail to take any of the actions contemplated with respect to provisions (i) through (iv) of the previous sentence or if any order is entered granting any of the relief enumerated in provisions (i) through (iv) of the previous sentence.

(b) No Debtor shall object to any DIP Secured Parties, or any Prepetition Secured Parties, credit bidding up to the full amount of the applicable outstanding DIP Obligations and Prepetition Secured Obligations (as applicable), in each case including any accrued interest, fees, and expenses, in any sale of any DIP Collateral or Prepetition Collateral, as applicable, whether such sale is effectuated through sections 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

28. Credit Bidding. In connection with any sale process authorized by the Court, (a) the DIP Secured Parties, and (b) subject to the rights preserved in paragraph 50, the Prepetition ABL Parties and Prepetition Term Loan Parties (or any such party's designee) may credit bid, consistent with the applicable DIP Documents and/or Prepetition Documents, some or all of their claims for their respective priority collateral (each a "Credit Bid") to the extent permitted by section 363(k) of the Bankruptcy Code, subject in each case to the rights, duties, and limitations, as applicable, of the parties under the Intercreditor Agreement and the Prepetition

Documents, and to the provision of consideration sufficient to pay in full in cash any senior liens on the collateral that is subject to the Credit Bid. Each of the DIP Secured Parties, Prepetition ABL Parties, and Prepetition Term Loan Parties (or any such party's designee) shall each be considered a "Qualified Bidder" with respect to its respective rights to acquire all or any of the assets by Credit Bid.

29. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Cases or any Successor Cases, shall obtain credit or incur debt pursuant to sections 364(b), 364(c), or 364(d) of the Bankruptcy Code or in violation of the DIP Documents at any time prior to the DIP Obligations and Prepetition ABL Obligations being Paid in Full, and the termination of the DIP Secured Parties' obligation to extend credit under the DIP ABL Facility, including subsequent to the confirmation of any plan with respect to any or all of the Debtors and the Debtors' estates, and such facilities are secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Interim Order and the DIP Documents.

30. Cash Collection. From and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Primary Collateral or Prepetition ABL Priority Collateral and all Cash Collateral that does not constitute DIP Secondary Collateral (and except as otherwise set forth in the DIP ABL Credit Agreement) that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall, to the extent required by the DIP Documents, be promptly deposited in the same lock-box and/or deposit accounts into which the collections and proceeds of the Prepetition ABL Priority Collateral were deposited under the Prepetition Documents (or in such other accounts as

are designated by the DIP Agent from time to time) (collectively, the “Cash Collection Accounts”), which accounts (except as otherwise set forth in the DIP ABL Credit Agreement) shall be subject to the sole dominion and control of the DIP Agent in accordance with the DIP ABL Credit Agreement (and, for the avoidance of doubt, the DIP Agent shall be authorized to issue notices of exclusive control or similar notices under existing control agreements). All proceeds and other amounts in the Cash Collection Accounts shall be remitted to the DIP Agent for application in accordance with the DIP Documents and this Interim Order. Unless otherwise agreed to in writing by the DIP Agent or otherwise provided for herein, or otherwise ordered by the Court, the Debtors shall maintain no accounts except those identified in any cash management order entered by the Court (a “Cash Management Order”). The Debtors and the financial institutions where the Debtors’ Cash Collection Accounts are maintained (including those accounts identified in any Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent. For the avoidance of doubt, Term Loan Segregated Cash shall only be released and deposited into the Cash Collection Accounts in accordance with the Term Loan Segregated Cash Release Schedule.

31. Maintenance of DIP Collateral. Until all DIP Obligations and all Prepetition ABL Obligations are Paid in Full, and the DIP Secured Parties’ obligation to extend credit under the DIP ABL Facility has terminated, the Debtors shall: (a) insure the DIP Collateral as required under the DIP ABL Facility; and (b) maintain the cash management system in effect as of the Petition Date, as modified by any Cash Management Order that has first been agreed to by the DIP Agent or as otherwise required by the DIP Documents or this Interim Order unless such cash management system is modified with the consent of the DIP Agent and the Prepetition Term

Loan Agent (such consents not to be unreasonably withheld) or modified as a result of entry of any order by the Court.

32. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral, Prepetition ABL Priority Collateral or Prepetition Term Priority Collateral other than in the ordinary course of business, without (subject to the Intercreditor Agreement) the prior written consent of the DIP Agent, Prepetition ABL Agent or (solely with respect to the DIP Secondary Collateral, including the Term Loan Segregated Cash) the Prepetition Term Loan Agent, as the case may be (and no such consent shall be implied, from any other action, inaction or acquiescence by the DIP Secured Parties, the Prepetition ABL Parties, the Prepetition Term Loan Parties, or from any order of this Court), except as otherwise provided for in the DIP Documents (subject to the Intercreditor Agreement), or otherwise ordered by the Court.

33. DIP Maturity Date. On the DIP Maturity Date: (a) all DIP Obligations shall be immediately due and payable, all commitments to extend credit under the DIP ABL Facility will terminate, other than as may be required in paragraph 47 with respect to the Carve Out, all treasury and cash management, hedging obligations and bank product obligations constituting Obligations (as defined in the DIP ABL Credit Agreement) shall be cash collateralized, and all letters of credit and bankers' acceptances outstanding shall be cash collateralized in an amount equal to 103% of the face amount thereof, and such cash collateral shall not be subject to or subordinate to the Carve Out; (b) all authority to use DIP Primary Collateral shall cease, *provided, however,* that upon the DIP Maturity Date, the Carve Out shall be funded and available to satisfy then-due Allowed Professional Fees (as defined in paragraph 47 of this Interim Order) and (c) upon the expiration of the DIP Remedies Notice Period, the DIP Agent shall be entitled to

otherwise exercise rights and remedies under the DIP Documents in accordance with this Interim Order (including paragraph 35). For the purposes of this Interim Order, the “DIP Maturity Date” shall mean the date that is the earliest of (i) six (6) months after the Effective Date, (ii) the date of the substantial consummation (as defined in Section 1101(2) of the Bankruptcy Code) of an Acceptable Plan, (iii) the date the Court converts any of the Cases to a Chapter 7 case, (iv) the date the Court dismisses any of the Cases, and (v) the date on which the Loan Parties consummate a sale of all or substantially all of the assets of the Loan Parties pursuant to section 363 of the Bankruptcy Code or otherwise,.

34. DIP Events of Default. The occurrence of any of the following events, unless waived by the DIP Agent in advance, in writing, and in accordance with the terms of the DIP ABL Credit Agreement, shall constitute an event of default (collectively, the “DIP Events of Default”): (a) the failure of the Debtors to perform, in any respect, any of the terms, provisions, conditions, covenants, or obligations under this Interim Order or any orders of the Canadian Court; (b) the occurrence of a “DIP Event of Default” or “Cash Collateral Termination Event” under this Interim Order or an “Event of Default” under the DIP ABL Credit Agreement; or (c) the failure of the Debtors to comply with the Required Milestones attached hereto as **Exhibit 4**.

35. Rights and Remedies Upon DIP Event of Default. Immediately upon the occurrence and during the continuation of a DIP Event of Default, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion, or notice to, hearing before, or order from the Court, but subject to the terms of this Interim Order (and the DIP Remedies Notice Period), the DIP Agent may declare (any such declaration shall, upon delivery by electronic mail (or other electronic means) to counsel to the Debtors, counsel to the Committee (if appointed), the Term Loan Advisors, and the U.S. Trustee, be referred to herein as a “DIP

Termination Declaration”) (a) all DIP Obligations owing under the DIP Documents to be immediately due and payable, (b) the termination, reduction, or restriction of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP ABL Facility, (c) the termination of the DIP ABL Facility and the DIP Documents as to any future liability or obligation of the DIP Secured Parties, but without affecting any of the DIP Liens or the DIP Obligations, (d) a termination, reduction, or restriction on the ability of the Debtors to use Cash Collateral (other than Prepetition Term Priority Collateral), (e) solely in the event that the Debtors fail to meet a Sale Milestone (defined in Exhibit 4), the occurrence of the “Agreed Sale Process” (as defined below) and (f) the delivery of the Carve Out Trigger Notice (as defined herein) to the Debtors (as applicable) has occurred, (the date which is the earliest to occur of the Maturity Date and any date a DIP Termination Declaration or Carve Out Trigger Notice is delivered to the Debtors in accordance with this Interim Order shall be referred to herein as the “DIP Termination Date”); *provided* that prior to the exercise of any right set forth in clauses (a)-(e), the DIP Agent shall be required to file a motion with the Court using a CM/ECF emergency code seeking emergency relief from the automatic stay (the “Stay Relief Motion”) on at least five (5) business days’ written notice to counsel to the Debtors, counsel to the Prepetition Agents, the Term Loan Advisors, counsel to a Committee (if appointed), and the U.S. Trustee (the “DIP Remedies Notice Parties”) of the DIP Agent’s intent to exercise its rights and remedies (the “DIP Remedies Notice Period”) and, during the DIP Remedies Notice Period, the Debtors, the Prepetition Term Loan Parties, and/or the Committee may seek an emergency hearing before the Court to contest the relief requested in the Stay Relief Motion; *provided*, that the burden shall be on any party opposing the exercise of such remedies and/or the Stay Relief Motion, and the DIP Secured Parties shall not be required to satisfy the applicable standard for relief from the automatic

stay.

36. Upon the Court's ruling with respect to the Stay Relief Motion, the Court may fashion an appropriate remedy upon a determination that a DIP Event of Default occurred, including that the DIP Agent shall be entitled to exercise all rights and remedies with respect to the DIP Collateral provided for in this Interim Order, including the right to foreclose on, or otherwise exercise its rights with respect to all or any portion of the DIP Collateral, as permitted by the Court. In the event that no objections to the Stay Relief Motion are filed by any of the Debtors, the Committee, or the Prepetition Term Loan Parties within the DIP Remedies Notice Period and upon the filing of a certificate of no objection by the DIP Agent, then the DIP Termination Date shall be deemed to have occurred for all purposes and the automatic stay will automatically be modified such that: (a) the DIP Secured Parties shall be entitled to exercise their rights and remedies in accordance with the DIP Documents and this Interim Order to satisfy the DIP Obligations, DIP Superpriority Claim, and DIP Liens, subject to the Carve Out (to the extent applicable), including, for the avoidance of doubt, declaring the occurrence of an Agreed Sale Process (as defined herein, and solely in the event that the Debtors fail to meet a Sale Milestone), and (b) the Prepetition ABL Parties shall be entitled to exercise their rights and remedies in accordance with the Prepetition ABL Documents and this Interim Order to satisfy the Prepetition ABL Obligations, Prepetition ABL Superpriority Claims, and Prepetition ABL Adequate Protection Liens, subject to the Carve Out (to the extent applicable). Notwithstanding anything to the contrary herein, the DIP Secured Parties and the Prepetition ABL Agent can only enter upon a leased premises following the issuance of a DIP Termination Declaration (i) as may be ordered by this Court upon motion and notice to the applicable landlord with an opportunity to respond that is reasonable under the circumstances; (ii) with the written consent of the applicable landlord; or

(iii) pursuant to rights the DIP Secured Parties and Prepetition ABL Agent have under applicable non-bankruptcy law. Subject to the terms and conditions of this Interim Order, and in accordance with the Budget, the Debtors are authorized to use Cash Collateral (other than Prepetition Term Priority Collateral) until the DIP Termination Date; *provided, however*, that during the DIP Remedies Notice Period, the Debtors may use Cash Collateral (other than Prepetition Term Priority Collateral) solely in accordance with the terms and provisions of the Budget.

37. In the event that the DIP Agent declares the occurrence of an Agreed Sale Process (which, for the avoidance of doubt, can occur solely in the event that the Debtors fail to meet a Sale Milestone), the Debtors shall commence a process for a full-chain liquidation (the “Agreed Sale Process”) and (1) following the filing of a motion on an expedited basis, and subject to the availability of the Court, obtain, within three business days after the DIP Remedies Notice Period, entry of an order from the Court, in form and substance approved by the DIP Agent, approving sale procedures with respect to a full-chain liquidation (which, at the Debtors’ option, may include designation of a stalking horse bid, subject to approval of the Court), (2) within seven business days after the DIP Remedies Notice Period, complete an auction for the full-chain liquidation and declare a “successful bidder” for the liquidation on terms and conditions consented to by the DIP Agent, and (3) following the filing of a motion on an expedited basis, and subject to the availability of the Court, obtain, within nine business days after the DIP Remedies Notice Period, entry of an order of the Court, in form and substance approved by the DIP Agent, approving the store liquidation and commence a full-chain liquidation pursuant to the approved liquidation agreement, the applicable Court sale order and a wind-down budget approved by the Court, reflecting those costs and expenses necessary to consummate an Agreed Sale Process in accordance with applicable law.

38. Cash Collateral Termination Events. Subject to paragraph 39 herein, the Debtors' right to use the Cash Collateral (other than DIP Primary Collateral) pursuant to this Interim Order shall terminate without further notice or court proceeding on the date of the occurrence of and continuance of any of the events set forth in **Exhibit 3** attached hereto (each a "Cash Collateral Termination Event," and the date on which such Cash Collateral Termination Event occurs, the "Cash Collateral Termination Date"), unless waived in writing by the Requisite Prepetition Term Loan Lenders.

39. Remedies Upon a Cash Collateral Termination Event. Upon the occurrence or continuation of a Cash Collateral Termination Event, unless such Cash Collateral Termination Event has been waived in writing by the Prepetition Agents, the Prepetition Term Loan Agent may, and any automatic stay (whether arising under section 362 of the Bankruptcy Code or otherwise) is hereby modified, without further notice to, hearing of, or order from this Court, to the extent necessary to permit the Prepetition Term Loan Agent to, upon the delivery of written notice (which may include electronic mail) (the "Cash Collateral Termination Notice") to the counsel to the Debtors, counsel to the DIP Agent, counsel to any Committee (if appointed), and the U.S. Trustee (the "Cash Collateral Remedies Notice Parties"): (i) terminate and/or revoke the Debtors' right under this Interim Order to use any Prepetition Term Priority Collateral (including any remaining Term Loan Segregated Cash); (ii) take any act to create, validate, evidence, attach, or perfect any lien, security interest, right, or claim in the Prepetition Term Priority Collateral (including any remaining Term Loan Segregated Cash); and (iii) to take any action and exercise all rights and remedies provided to it by this Interim Order; provided that prior to the Prepetition Term Loan Agent's exercise of any right in clauses (i)-(iii) of this paragraph, the Prepetition Term Loan Agent shall be required to file a Stay Relief Motion on at least five (5) business days' prior

written notice to the Cash Collateral Remedies Notice Parties of the Prepetition Term Loan Agent's intent to exercise its rights and remedies (the "Cash Collateral Remedies Notice Period") and, during the Cash Collateral Remedies Notice Period, the Debtors and the Committee may seek an emergency hearing before the court to contest the relief requested in the Stay Relief Motion; *provided*, that the burden shall be on any party opposing the exercise of such remedies and/or the Stay Relief Motion, and the Prepetition Term Loan Parties shall not be required to satisfy the applicable standard for relief from the automatic stay.

40. Upon the Court's ruling with respect to the Stay Relief Motion, the Court may fashion an appropriate remedy upon a determination that a Cash Collateral Termination Event has occurred, including that the Prepetition Term Loan Agent shall be entitled to exercise all rights and remedies provided for in this Interim Order, as permitted by the Court. In the event that no objections to the Stay Relief Motion are filed by any of the Debtors or the Committee within the Cash Collateral Remedies Notice Period, and upon the filing of a certificate of no objection by the Prepetition Term Loan Agent, then the Cash Collateral Termination Date shall be deemed to have occurred for all purposes and the automatic stay as to the Prepetition Term Loan Parties will automatically be modified such that the Debtors' right to use Cash Collateral (other than DIP Primary Collateral) pursuant to this Interim Order shall terminate, and the Prepetition Term Loan Parties shall be permitted to exercise any right set forth in clauses (i)-(iii) of paragraph 39.

41. Notwithstanding anything to the contrary herein, the Prepetition Term Loan Agent can only enter upon a leased premises following the occurrence of a Cash Collateral Termination Event (i) as may be ordered by this Court upon motion and notice to the applicable landlord with an opportunity to respond that is reasonable under the circumstances; (ii) with the written consent of the applicable landlord; or (iii) pursuant to rights the Prepetition Term Loan

Agent has under applicable non-bankruptcy law. Subject to the terms and conditions of this Interim Order, and in accordance with the Budget, the Debtors are authorized to use Prepetition Term Priority Collateral until the Cash Collateral Termination Date; *provided, however*, that during the Cash Collateral Remedies Notice Period, the Debtors may use Prepetition Term Priority Collateral solely in accordance with the terms and provisions of the Budget.

42. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Interim Order. The DIP Secured Parties and Prepetition ABL Parties have acted at arms' length in good faith in connection with this Interim Order and are entitled to, and may rely upon, the protections granted herein and by section 364(e) of the Bankruptcy Code.

43. DIP Fees, and Other Expenses. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees and out of pocket expenses of the DIP Agent in connection with the DIP ABL Facility, whether or not the transactions contemplated hereby are consummated, including reasonable and documented attorneys' fees, monitoring and appraisal fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of reasonable and documented fees and expenses of (1) Morgan, Lewis & Bockius LLP, (2) McMillan LLP, (3) Berkeley Research Group, LLC and (4) Winstead PC (the "DIP Advisors," and together with the ABL Advisors, the "Lender Advisors"), subject to the review procedures set forth in this paragraph 43. Subject to the review procedures set forth in this paragraph 43, payment of all reasonable and documented invoiced out-of-pocket fees and expenses provided for herein as adequate protection shall not be required to comply with the U.S. Trustee guidelines or file fee applications with the Court with respect to any fees or expenses payable herein, may be in summary form only (and shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any

information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine), and shall be provided to counsel to the Debtors, any statutory committee, and the U.S. Trustee (the “Fee Notice Parties”). If no objection to payment of the requested fees and expenses is made in writing by any of the Fee Notice Parties within ten business days after delivery of such invoices (the “Fee Objection Period”), then, without further order of, or application to, the Court or notice to any other party, such fees and expenses shall be promptly paid by the Debtors and, in any case, within ten business days. If an objection is made by any of the Fee Notice Parties within the Fee Objection Period to payment of the requested fees and expenses, then only the disputed portion of such fees and expenses shall not be paid until the objection is resolved by the applicable parties in good faith or by order of the Court, and the undisputed portion shall be promptly paid by the Debtors. Payments of any amounts set forth in this paragraph 43 shall not be subject to recharacterization, subordination, or disgorgement, unless expressly provided herein.

44. Indemnification. The Debtors shall indemnify and hold harmless the DIP Secured Parties in accordance with the terms and conditions of the DIP ABL Credit Agreement. Upon the earlier of the (a) payment in full in cash of the DIP Obligations or (b) conclusion of the Remedies Notice Period, the Debtors shall pay \$500,000.00 from proceeds of the DIP Primary Collateral into an indemnity account (the “DIP Indemnity Account”) subject to first priority liens of the DIP Agent, for the benefit of the DIP Secured Parties. The DIP Indemnity Account shall be released and the funds applied in accordance with paragraph 26 of this Interim Order upon the DIP Obligations being Paid in Full.

45. Proofs of Claim. Notwithstanding any order entered by this Court in

relation to the establishment of a bar date in any of the Cases or any Successor Cases to the contrary, the DIP Secured Parties, the Prepetition ABL Parties, and the Prepetition Term Loan Parties will not be required to file proofs of claim in any of the Cases or Successor Cases for any claims arising under the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents. The Debtors' stipulations, admissions, and acknowledgments and the provisions of this Interim Order shall be deemed to constitute a timely filed proof of claim for the DIP Secured Parties, the Prepetition ABL Parties, and the Prepetition Term Loan Parties with regard to all claims arising under the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents, as the case may be. Notwithstanding the foregoing, the Prepetition ABL Agent on behalf of itself and the Prepetition ABL Parties, and the Prepetition Term Loan Agent on behalf of itself and the Prepetition Term Loan Parties, are hereby authorized and entitled, in their sole discretion, but not required, to file (and amend and/or supplement, as it sees fit) a proof of claim and/or aggregate or master proofs of claim in each of the Cases or Successor Cases for any claim described herein (with any such aggregate or master proof of claim filed in any of the Cases deemed to be filed in all Cases of each of the Debtors and asserted against all of the applicable Debtors). Any proof of claim filed by the Prepetition ABL Agent or the Prepetition Term Loan Agent shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the Prepetition ABL Parties or Prepetition Term Loan Parties. Any order entered by the Court in relation to the establishment of a bar date in any of the Cases or Successor Cases shall not apply to any claim of the DIP Secured Parties, the Prepetition ABL Parties, or the Prepetition Term Loan Parties. The provisions set forth in this paragraph are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party-in-interest or their respective successors-in-interest.

46. Rights of Access and Information. Without limiting the rights of access and information afforded the DIP Secured Parties (under the DIP Documents) or the Prepetition Term Loan Parties (under the Prepetition Term Loan Documents), the Debtors shall be, and hereby are, required to afford representatives, agents and/or employees of the DIP Agent (and so long as a DIP Event of Default has occurred and is continuing, each DIP Lender) and representatives, agents, and/or employees of the Prepetition Term Loan Agent reasonable access to the Debtors' premises and their books and records in accordance with the DIP Documents and Prepetition Documents, as applicable, and shall reasonably cooperate, consult with, and provide to such persons all such information as may be reasonably requested. In addition, the Debtors authorize their independent certified public accountants, financial advisors, investment bankers and consultants to provide to the DIP Agent (and so long as a DIP Event of Default has occurred and is continuing, each DIP Lender) and Prepetition Term Loan Agent (subject to the Prepetition Term Loan Documents) all such information as may be reasonably requested with respect to the business, results of operations and financial condition of any of the Debtors.

47. Carve Out.

(a) Carve Out. As used in this Interim Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$100,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses, other than any restructuring, sale, success, or other transaction fee of any investment bankers or financial advisors

of the Debtors or any committee¹⁴ (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and the Creditors’ Committee (if appointed) pursuant to section 328 or 1103 of the Bankruptcy Code (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the DIP ABL Agent or the Prepetition Term Loan Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$2,000,000.00 incurred after the first business day following delivery by the DIP ABL Agent or Prepetition Term Loan Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”).¹⁵ For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent or Prepetition Term Loan Agent to the Debtors, their lead restructuring counsel, counsel to the DIP Agent or Prepetition Term Loan Agent (whichever entity is not delivering the Carve Out Trigger Notice), the U.S. Trustee, and counsel to a Committee (if appointed), which notice may be delivered following the occurrence and during the continuation of a DIP Event of Default and acceleration of the DIP Obligations under the DIP Facility or during the continuation of a Cash

¹⁴ Any fee due and payable upon consummation of a transaction shall be payable solely from the proceeds received by the Debtors resulting from such transaction, and provided that the terms and amount of any such fees shall have been disclosed to the DIP Agent in writing reasonably promptly after the same are agreed to by the Debtors, such fees shall be paid free and clear of the liens of the DIP Agents and the DIP Lenders.

¹⁵ Notwithstanding the foregoing, up to \$500,000 of the Post-Carve Out Trigger Notice Cap may be used to pay Allowed Professional Fees of Professional Persons incurred prior to the delivery of a Carve Out Trigger Notice to the extent such Allowed Professional Fees exceed the ABL Professional Fee Carve Out Cap (as defined below).

Collateral Termination Event and upon termination of the Debtors' right to use Cash Collateral by the Prepetition ABL Agent (with respect to DIP Primary Collateral) and the Prepetition Term Loan Agent (with respect to DIP Secondary Collateral), stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Fee Estimates. Not later than 7:00 p.m. New York time on the third business day of each week starting with the first full calendar week following the Petition Date, each Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses (collectively, "Estimated Fees and Expenses") incurred during the preceding week by such Professional Person (through Saturday of such week, the "Calculation Date"), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a "Weekly Statement"); *provided, that* within one business day of the occurrence of the Termination Declaration Date (as defined below), each Professional Person shall deliver one additional statement (the "Final Statement") setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date (and the Debtors shall cause such Weekly Statement and Final Statement to be delivered on the same day received to the DIP ABL Agent and Prepetition Term Loan Agent). If any Professional Person fails to deliver a Weekly Statement within three calendar days after such Weekly Statement is due, such Professional Person's entitlement (if any) to any funds in the Carve Out Reserves (as defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed

to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Budget for such period for such Professional Person; *provided, that* such Professional Person shall be entitled to be paid any unpaid amount of Allowed Professional Fees in excess of Allowed Professional Fees included in the Budget for such period for such Professional Person from a reserve to be funded by the Debtors from all cash on hand as of such date and any available cash thereafter held by any Debtor pursuant to paragraph 47(c) below, to the extent of any such funds held therein. Solely as it relates to the DIP Secured Parties and the Prepetition ABL Parties, any deemed draw and borrowing pursuant to paragraph 47(c)(i)(x) for amounts under paragraph 47(a)(iii) above shall be limited to the greater of (x) the sum of (I) the aggregate unpaid amount of Estimated Fees and Expenses included in such Weekly Statements timely received by the Debtors prior to the Termination Declaration Date *plus*, without duplication, (II) the lesser of (1) the aggregate unpaid amount of Estimated Fees and Expenses included in the Final Statements timely received by the Debtors pertaining to the period through and including the Termination Declaration Date and (2) the Budgeted Cushion Amount (as defined below), and (y) the aggregate unpaid amount of Allowed Professional Fees included in the Budget for the period prior to the Termination Declaration Date (such amount, the “ABL Professional Fee Carve Out Cap”). For the avoidance of doubt, the DIP Agent shall be entitled to maintain at all times a reserve (the “Carve-Out Reserve”) in an amount (the “Carve-Out Reserve Amount”) equal to the sum of (i) the greater of (x) the aggregate unpaid amount of Estimated Fees and Expenses included in all Weekly Statements timely received by the Debtors, and (y) the aggregate amount of Allowed Professional Fees contemplated to be unpaid in the Budget at the applicable time, *plus* (ii) the Post-Carve Out Trigger Notice Cap, *plus* (iii) the amounts contemplated under paragraph 47(a)(i) and 47(a)(ii) above, *plus* (iv) an amount equal to the amount

of Allowed Professional Fees set forth in the Budget for the then current week occurring after the most recent Calculation Date and the two weeks succeeding such current week (such amount set forth in (iv), regardless of whether such reserve is maintained, the “Budgeted Cushion Amount”). In addition, the DIP Agent shall be entitled to maintain a reserve in the amount of a reasonable estimate of other amounts that may be included in the Carve Out or that are or may be payable from any proceeds of a transaction (as described in the footnote set forth above), including amounts which are or may become payable to any investment bankers or financial advisors of the Debtors or the Committee. Not later than 7:00 p.m. New York time on the fourth business day of each week starting with the first full calendar week following the Petition Date, the Debtors shall deliver to the DIP Agent a report setting forth the Carve-Out Reserve Amount as of such time, and, in setting the Carve-Out Reserve, the DIP Agent shall be entitled to rely upon such reports in accordance with the DIP ABL Credit Agreement. Prior to the delivery of the first report setting forth the Carve-Out Reserve Amount, the DIP Agent shall calculate the Carve-Out Reserve Amount by reference to the Budget for subsection (i) of the Carve-Out Reserve Amount.

(c) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by either the DIP Agent or Prepetition Term Loan Agent to the Debtors with a copy to counsel to the Committee (the “Termination Declaration Date”), the Carve Out Trigger Notice (i) shall be deemed a draw request and notice of borrowing by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement in an amount equal to the sum of (x) the amounts set forth in paragraphs 47(a)(i) and 47(a)(ii) above, and (y) the then unpaid amounts of the Allowed Professional Fees up to the ABL Professional Fee Carve Out Cap (any such amounts actually advanced shall constitute DIP ABL Loans) and (ii) shall also constitute a demand to the Debtors, and authorization for the Debtors, to utilize all cash on hand as of such date and any available cash

thereafter held by any Debtor to fund a reserve in an amount equal to the sum of the amounts set forth in paragraphs 47(a)(i) and 47(a)(ii), and then unpaid amounts of the Allowed Professional Fees (which cash amounts shall reduce, on a dollar for dollar basis, the draw requests and applicable DIP ABL Loans pursuant to the forgoing clause (i) of this paragraph (c)). The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust in respect of amounts funded by the DIP Lenders and, if applicable, the cash on hand exclusively to pay such unpaid Allowed Professional Fees (each, a “Pre-Carve Out Trigger Notice Reserve”) prior to any and all other claims. On the Termination Declaration Date, the Carve Out Trigger Notice (i) shall also be deemed a request by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement in an amount equal to the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP ABL Loans), and (ii) shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (which cash amounts shall reduce, on a dollar for dollar basis, the draw requests and applicable DIP ABL Loans pursuant to the foregoing clause (i) of this sentence of this paragraph (c)). The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust in respect of amounts funded by the DIP Lenders and, if applicable, cash on hand exclusively to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (each, a “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve(s), the “Carve Out Reserves”) prior to any and all other claims. On the first business day following the Termination Declaration Date and the deemed requests for the making of DIP ABL Loans as provided in this paragraph (c), notwithstanding anything in the DIP ABL Credit Agreement to the contrary, including with respect to (1) the

existence of a Default (as defined in the DIP ABL Credit Agreement) or Event of Default, (2) the failure of the Debtors to satisfy any or all of the conditions precedent for the making of any DIP ABL Loan under the DIP ABL Credit Agreement, (3) any termination of the Commitments (as defined in the DIP ABL Credit Agreement) following an Event of Default, or (4) the occurrence of a DIP Termination Date, each DIP Lender with an outstanding Commitment shall make available to the DIP Agent, such DIP Lender's *pro rata* share of such DIP ABL Loans.

(d) Application of Carve Out Reserves.

(i) All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in subparagraphs (a)(i) through (a)(iii) of the definition of Carve Out set forth above (the "Pre-Carve Out Amounts"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full. If after payment in full of the Pre-Carve Out Amounts, the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii) below, all remaining funds in the account funded by (x) the DIP Lenders and/or from proceeds of DIP Primary Collateral shall be distributed (A) *first*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, (B) *second*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full, and (C) *third*, to the Prepetition Term Loan Agent on account of the Secured Obligations (as defined in the Prepetition Term Loan Agreement) until such obligations have been Paid in Full; and (y) the proceeds of DIP Secondary Collateral shall be distributed (A) *first*, to the Prepetition Term Loan Agent which shall apply such funds to the Secured Obligations (as defined in the Prepetition Term Loan Agreement) in accordance with the Prepetition Term Loan Agreement until such obligations have been Paid in Full, (B) *second*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, and

(C) *third*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full.

(ii) All funds in the Post-Carve Out Trigger Notice Reserve (other than up to \$500,000, which may be used to pay Pre-Carve-Out Amounts to the extent they exceed the ABL Professional Fee Carve-Out Cap) shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth in paragraph 47(a) above (the “Post-Carve Out Amounts”). If, after such application, the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii) below, all remaining funds in the account funded by (x) the DIP Lenders and/or from proceeds of DIP Primary Collateral shall be distributed (A) *first*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, (B) *second*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full, and (C) *third*, to the Prepetition Term Loan Agent on account of the Secured Obligations (as defined in the Prepetition Term Loan Agreement) until such obligations have been Paid in Full; and (y) the proceeds of DIP Secondary Collateral shall be distributed (A) *first*, to the Prepetition Term Loan Agent which shall apply such funds to the Secured Obligations (as defined in the Prepetition Term Loan Agreement) in accordance with the Prepetition Term Loan Agreement until such obligations have been Paid in Full, (B) *second*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, and (C) *third*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full.

(iii) Notwithstanding anything to the contrary in the DIP Documents or this Interim Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 47, then, any excess funds in one of the Carve Out Reserves

following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding prior to making any payments to the DIP Agent or the Prepetition Term Loan Lenders, as applicable.

(iv) Notwithstanding anything to the contrary in the DIP Documents or this Interim Order, following delivery of a Carve Out Trigger Notice, the DIP Agent and the Prepetition Term Loan Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid as provided in subparagraphs (i), (ii), and (iii) above of this paragraph 47(d).

(v) Notwithstanding anything to the contrary in this Interim Order, (A) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out with respect to any shortfall (as described below), and (B) subject to the limitations with respect to the DIP Secured Parties and the Prepetition ABL Parties set forth in paragraph 47(b) above with respect to the ABL Professional Fee Carve Out Cap, in no way shall any Budget, Carve Out, Post-Carve Out Trigger Notice Cap or Carve Out Reserves be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Interim Order, or in the DIP ABL Facility, or in any Prepetition Secured Facilities, the Carve Out shall be senior to all liens and claims securing the DIP ABL Facility, the Adequate Protection Liens, and the Adequate Protection Superpriority Claims, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the obligations under the Prepetition Loan Documents.

(e) No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Secured Parties and the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the DIP Secured Parties or Prepetition Secured Parties in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(g) Payment of Carve Out On or After the Termination Declaration Date. Following the delivery of the Carve Out Trigger Notice, all Allowed Professional Fees shall be paid from the applicable Carve Out Reserve, and no Professional Person shall seek payment of any Allowed Professional Fees from any other source until the applicable Carve Out Reserve has been exhausted. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Interim Order, the DIP Documents, the Bankruptcy Code, and applicable law.

48. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve Out. The DIP ABL Facility, the DIP Collateral, the Prepetition Collateral (including the Term Loan

Segregated Cash), the Cash Collateral, and the Carve Out may not be used in connection with:

(a) paying any prepetition claim except in accordance with the Budget, (b) preventing, hindering, or delaying any of the DIP Secured Parties or the Prepetition Secured Parties' permitted enforcement or realization upon any of the DIP Collateral or Prepetition Collateral; (c) using or seeking to use Cash Collateral except as provided for in this Interim Order and the DIP Documents; (d) selling or otherwise disposing of DIP Collateral without the consent of the DIP Agent or Prepetition Collateral without the consent of the Prepetition Agents; (e) using or seeking to use any insurance proceeds constituting DIP Collateral except as provided for in this Interim Order and the DIP Documents (subject to the Intercreditor Agreement) without the consent of the DIP Agent, Prepetition ABL Agent or the Prepetition Term Loan Agent (in the case of DIP Secondary Collateral); (f) incurring Indebtedness (as defined in the DIP ABL Credit Agreement) without (i) the prior consent of the DIP Agent, except to the extent permitted under the DIP ABL Credit Agreement and (ii) the prior written consent of the Prepetition Term Loan Agent; (g) seeking to amend or modify any of the rights granted to the DIP Secured Parties or the Prepetition Secured Parties under this Interim Order, the DIP Documents, or the Prepetition Documents, including seeking to use Cash Collateral and/or DIP Collateral on a contested basis; (h) objecting to or challenging in any way the DIP Liens, DIP Obligations, Prepetition Liens, Prepetition Secured Obligations, DIP Collateral (including Cash Collateral) or, as the case may be, Prepetition Collateral, or any other claims or liens, held by or on behalf of any of the DIP Secured Parties or the Prepetition Secured Parties, respectively; (i) asserting, commencing, or prosecuting any claims or causes of action whatsoever, including any actions under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions to recover or disgorge payments, against any of the DIP Secured Parties, the Prepetition Secured Parties, or any of their respective affiliates, agents,

attorneys, advisors, professionals, officers, directors, and employees; (j) litigating, objecting to, challenging, or contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the DIP Obligations, the DIP Liens, the Prepetition Liens, Prepetition Secured Obligations, or any other rights or interests of any of the DIP Secured Parties or the Prepetition Secured Parties; or (k) seeking to subordinate, recharacterize, disallow, or avoid the DIP Obligations, or the Prepetition Secured Obligations; *provided, however*, that the Carve Out and such collateral proceeds and loans under the DIP Documents may be used for allowed fees and expenses, in an amount not to exceed \$50,000 in the aggregate (the “Investigation Budget Amount”), incurred solely by a Committee (if appointed), in investigating (but not prosecuting or challenging), the Prepetition Lien and Claim Matters (as defined herein).

49. Payment of Compensation. Nothing herein shall be construed as a consent to the allowance of any professional fees or expenses of any Professional Person or shall affect the right of the DIP Secured Parties or the Prepetition Secured Parties to object to the allowance and payment of such fees and expenses. The Debtors shall be permitted to pay fees and expenses allowed and payable by final order (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code, as the same may be due and payable.

50. Effect of Stipulations on Third Parties.

(a) *Generally.* The admissions, stipulations, agreements, releases, and waivers set forth in paragraph F of this Interim Order (collectively, the “Prepetition Lien and Claim Matters”) are and shall be binding on the Debtors, any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including a Committee (if appointed),

unless and to the extent that a party in interest with proper standing granted by order of the Bankruptcy Court (or other court of competent jurisdiction) has properly filed an adversary proceeding or contested matter under the Bankruptcy Rules (other than the Debtors, as to which any Challenge (as defined below) is irrevocably waived and relinquished) and (i) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 50) challenging the Prepetition Lien and Claim Matters (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a “Challenge”) by no later than the earlier of (I) (a) 60 days from the date of formation of a Committee (if appointed) or (b) 75 days following the entry of the Interim Order in the case that no Committee is appointed or (II) the entry of an order confirming a plan of the Debtors or the sale of all or substantially all the assets of the Debtors (as applicable, the “Challenge Deadline”), as such applicable date may be extended in writing from time to time in the sole discretion of the Prepetition ABL Agent (with respect to the Prepetition ABL Documents) and the Prepetition Term Loan Agent (with respect to the Prepetition Term Loan Documents), or by this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline, and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge proceeding and any such judgment has become a final judgment that is not subject to any further review or appeal.

(b) *Binding Effect.* To the extent no Challenge is timely commenced by the Challenge Deadline, or to the extent such proceeding does not result in a final and non-appealable judgment or order of this Court that is inconsistent with the Prepetition Lien and

Claim Matters, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Prepetition Lien and Claim Matters shall, pursuant to this Interim Order, become binding, conclusive, and final on any person, entity, or party in interest in the Cases, and their successors and assigns, and in any Successor Case for all purposes and shall not be subject to challenge or objection by any party in interest, including a trustee, responsible individual, examiner with expanded powers, or other representative of the Debtors' estates. Notwithstanding anything to the contrary herein, if any such proceeding is timely commenced, the Prepetition Lien and Claim Matters shall nonetheless remain binding on all other parties in interest and preclusive as provided in subparagraph (a) above except to the extent that any of such Prepetition Lien and Claim Matters is expressly the subject of a timely filed Challenge, which Challenge is successful as set forth in a final judgment as provided in subparagraph (a) above, and only as to plaintiffs or movants that have complied with the terms hereof. To the extent any such Challenge proceeding is timely and properly commenced, the Prepetition Secured Parties shall be entitled to payment of the related costs and expenses, including, but not limited to, reasonable attorneys' fees, incurred under the Prepetition Documents in defending themselves in any such proceeding as adequate protection. Upon a successful Challenge brought pursuant to this paragraph 50, the Court may fashion any appropriate remedy.

51. No Third Party Rights. Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, or incidental beneficiary.

52. Section 506(c) Claims. Subject to entry of a Final Order, no costs or expenses of administration which have been or may be incurred in the Cases at any time shall be charged against the DIP Secured Parties, the Prepetition Secured Parties, or any of their respective

claims, the DIP Collateral, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the DIP Secured Parties or the Prepetition Secured Parties, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence by any such parties.

53. No Marshaling/Applications of Proceeds. Subject to entry of a Final Order, the DIP Secured Parties and the Prepetition Secured Parties shall not be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral, as the case may be, and proceeds shall be received and applied pursuant to this Interim Order and the DIP Documents (but subject to the Intercreditor Agreement), notwithstanding any other agreement or provision to the contrary.

54. Section 552(b). Subject to entry of a Final Order, the Prepetition Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties, with respect to proceeds, products, offspring or profits of any of the Prepetition Collateral.

55. Access to DIP Collateral. Subject to and effective upon entry of a Final Order, upon expiration of the Remedies Notice Period, the DIP Secured Parties and the Prepetition ABL Parties, subject to the Intercreditor Agreement, shall be permitted to (a) access and recover any and all DIP Primary Collateral, and (b) enter onto any leased premises of any Debtor that constitutes DIP Primary Collateral and exercise all of the Debtors’ rights and privileges as lessee under such lease in connection with an orderly liquidation of the DIP Primary Collateral, *provided, however*, in the case of clause (b), the DIP Secured Parties and/or Prepetition ABL Parties can only enter upon a leased premises after expiration of the DIP Remedies Notice Period

and/or DIP Event of Default in accordance with (i) a separate written agreement by and between the DIP Secured Parties or the Prepetition ABL Parties, as applicable, and any applicable landlord, (ii) pre-existing rights of the DIP Secured Parties or the Prepetition ABL Parties, as applicable, and any applicable landlord under applicable non-bankruptcy law, (iii) consent of the applicable landlord, or (iv) entry of an order of this Court obtained by motion of the applicable DIP Secured Party or Prepetition ABL Party on such notice to the landlord as shall be required by this Court; *provided, however*, solely with respect to rent due to a landlord of any such leased premises, the DIP Secured Parties and/or the Prepetition ABL Parties, as applicable, shall be obligated only to reimburse the Debtors for the payment of rent of the Debtors that first accrues after delivery of the DIP Termination Declaration in accordance with paragraph 35 herein that is payable during the period of such occupancy by the DIP Secured Parties and/or Prepetition ABL Parties, as applicable, calculated on a daily per diem basis; *provided, further*, that nothing herein shall relieve the Debtors of their obligations pursuant to section 365(d)(3) of the Bankruptcy Code for the payment of postpetition rent and other charges under any lease of non residential real property through and including any assumption and/or rejection of any lease. Nothing herein shall require the DIP Secured Parties or the Prepetition ABL Parties to assume any lease as a condition to the rights afforded in this paragraph.

56. Limits on Lender Liability. Subject to entry of a Final Order, nothing in this Interim Order, any of the DIP Documents, the Prepetition Documents, or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these Cases. The DIP Secured Parties and the Prepetition Secured Parties shall

not, solely by reason of having made loans under the DIP ABL Facility or the Prepetition Documents or permitted the use of Cash Collateral, be deemed in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in this Interim Order or the DIP Documents, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties or any of the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

57. Insurance Proceeds and Policies. Upon entry of this Interim Order and to the fullest extent provided by applicable law, the DIP Agent (on behalf of the DIP Secured Parties), the Prepetition ABL Agent (on behalf of the Prepetition ABL Parties), and the Prepetition Term Loan Agent (on behalf of the Prepetition Term Loan Parties), shall be, and shall be deemed to be, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

58. Joint and Several Liability. Nothing in this Interim Order shall be construed to constitute a substantive consolidation of any of the Debtors’ estates, it being understood, however, that the Debtors shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP ABL Facility and the DIP Documents.

59. No Superior Rights of Reclamation. Based on the findings and rulings herein regarding the integrated nature of the DIP ABL Facility and the Prepetition ABL Documents, the right of a seller of goods to reclaim such goods under section 546(c) of the

Bankruptcy Code is not a Permitted Prior Lien; rather, any such alleged claims arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens as such claim had with the Prepetition ABL Liens.

60. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, subject to the Prepetition Documents and the Intercreditor Agreement: (a) the DIP Secured Parties' and Prepetition Secured Parties' right to seek any other or supplemental relief in respect of the Debtors; (b) any of the rights of any of the DIP Secured Parties and/or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Cases or Successor Cases, conversion of any of the Cases to cases under Chapter 7, or appointment of a Chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a Chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Secured Parties or Prepetition Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors', a Committee's (if appointed), or any party in interest's right to oppose any of the relief requested in accordance with the immediately preceding sentence except as expressly set forth in this Interim Order

61. Taxing Authorities. Notwithstanding any other provisions included in the DIP ABL Credit Agreement, this Interim Order, any agreements approved hereby, or any other

orders in these Cases, any statutory liens (collectively, the “Tax Liens”) of the Taxing Authorities¹⁶ shall not be primed by nor made subordinate to any liens granted to any party hereby to the extent such Tax Liens are valid senior, perfected, and unavoidable, and all parties’ rights to object to the priority, validity, amount, and extent of the claims and liens asserted by the Taxing Authorities are fully preserved.

62. Consignment of Inventory. Notwithstanding anything to the contrary set forth herein, in no event shall the Prepetition Collateral include (x) any Inventory (as defined in the Uniform Commercial Code as in effect from time to time under any applicable state law or such other jurisdiction where the consigned goods have been shipped to) held by a Debtor on a consignment basis and as to which the consignor has complied with all applicable requirements of the Uniform Commercial Code or other applicable law, which Inventory is not owned by a Debtor (and would not be reflected on a consolidated balance sheet of the Debtors and their respective subsidiaries prepared in accordance with GAAP), but excluding any property right of the Debtors in such Inventory (“Consignment Inventory”) or (y) any proceeds from the sale of any Consignment Inventory that are not property of the Debtors’ estates in accordance with applicable law. The rights of consignors to seek a determination as to the validity of an asserted consignment right and/or the return of consigned goods or the proceeds from the sale thereof are expressly preserved.

63. No Waiver by Failure to Seek Relief. The failure of the DIP Secured Parties or Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the DIP Documents, the Prepetition Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of

¹⁶ As used in this Interim Order, “Taxing Authorities” shall include: [●].

the DIP Secured Parties, the Prepetition Secured Parties, a Committee (if appointed), or any party in interest.

64. Binding Effect of Interim Order. Immediately upon execution by this Court, the terms and provisions of this Interim Order shall become valid and binding upon and inure to the benefit of the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, all other creditors of any of the Debtors, a Committee (if appointed), or any other court appointed committee, and all other parties in interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Cases, any Successor Cases, or upon dismissal of any Case or Successor Case.

65. No Modification of Interim Order. Until and unless the DIP Obligations and the Prepetition Secured Obligations have been Paid in Full (such payment being without prejudice to any terms or provisions contained in the DIP ABL Facility which survive such discharge by their terms) the Debtors shall not seek or consent to, directly or indirectly: (a) without the prior written consent of the DIP Agent and the Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), (i) any modification, stay, vacatur, or amendment to this Interim Order; or (ii) a priority claim for any administrative expense or unsecured claim against the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including any administrative expense of the kind specified in sections 503(b), 506(c), 507(a), or 507(b) of the Bankruptcy Code) in any of the Cases or Successor Cases, equal or superior to the DIP Superpriority Claims or Adequate Protection Superpriority Claims, other than the Carve Out; (b) without the prior written consent of the DIP Agent and the Prepetition Term Loan Agent for any order allowing use of Cash Collateral (other than as permitted during the DIP Remedies Notice Period or the Cash Collateral Remedies

Notice Period, as applicable) resulting from DIP Collateral or Prepetition Collateral in a manner inconsistent with this Interim Order or the Final Order, as applicable; (c) without the prior written consent of the DIP Agent, any lien on any of the DIP Primary Collateral with priority equal or superior to the DIP Liens, except as specifically provided in the DIP Documents, other than the Carve Out; or (d) without the prior written consent of the Prepetition Agents, any lien on any of the DIP Collateral with priority equal or superior to the Prepetition Liens or Adequate Protection Liens, other than the Carve Out. The Debtors shall not seek or consent to, directly or indirectly any amendment, modification, or extension of this Interim Order without the prior written consent, as provided in the foregoing, of the DIP Agent and the Prepetition Term Loan Agent, and no such consent shall be implied by any other action, inaction or acquiescence of the DIP Agent or the Prepetition Term Loan Agent.

66. Continuing Effect of Intercreditor Agreement. The Debtors, DIP Secured Parties, and Prepetition Secured Parties each shall be bound by, and in all respects of the DIP ABL Facility shall be governed by, and be subject to all the terms, provisions and restrictions of the Intercreditor Agreement.

67. Interim Order Controls. In the event of any inconsistency between the terms and conditions of the DIP Documents and of this Interim Order, the provisions of this Interim Order shall govern and control. In the event of any inconsistency between the terms and conditions of the Intercreditor Agreement and this Interim Order (solely as between the DIP Secured Parties and Prepetition Secured Parties), the provisions of the Intercreditor Agreement shall govern and control.

68. Discharge. The DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order

confirming any plan of reorganization in any of the Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been Paid in Full, on or before the effective date of such confirmed plan of reorganization, or each of the DIP Secured Parties, the Prepetition ABL Agent, and Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), as applicable, has otherwise agreed in writing. None of the Debtors shall propose or support any plan of reorganization or sale of all or substantially all of the Debtors' assets, or order confirming such plan or approving such sale, that does not require that all DIP Obligations be Paid in Full (in the case of the sale of DIP Primary Collateral) or (other than provided in the RSA) that all Prepetition Term Loan Obligations be Paid in Full (in the case of the sale of DIP Secondary Collateral), and the payment of the Debtors' obligations with respect to the adequate protection provided for herein, in full in cash within a commercially reasonable period of time (and in no event later than the effective date of such plan of reorganization or sale) (a "Prohibited Plan or Sale") without the written consent of each of the DIP Secured Parties, the Prepetition ABL Agent, and Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), as applicable. For the avoidance of doubt, the Debtors' proposal or support of a Prohibited Plan or Sale, or the entry of an order with respect thereto, shall constitute a DIP Event of Default and Cash Collateral Termination Event hereunder and under the DIP Documents.

69. Survival. The provisions of this Interim Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Cases; (b) converting any of the Cases to a case under Chapter 7 of the Bankruptcy Code; (c) dismissing any of the Cases or any Successor Cases; or (d) pursuant to

which this Court abstains from hearing any of the Cases or Successor Cases. The terms and provisions of this Interim Order, including the claims, liens, security interests, and other protections granted to the DIP Secured Parties and Prepetition Secured Parties granted pursuant to this Interim Order and/or the DIP Documents, notwithstanding the entry of any such orders described in (a)-(d), above, shall continue in the Cases, in any Successor Cases, or following dismissal of the Cases or any Successor Cases, and shall maintain their priority as provided by this Interim Order until: (x) in respect of the DIP ABL Facility, all the DIP Obligations, pursuant to the DIP Documents and this Interim Order, have been Paid in Full (such payment being without prejudice to any terms or provisions contained in the DIP ABL Facility which survive such discharge by their terms); (y) in respect of the Prepetition ABL Facility, all of the Prepetition ABL Obligations pursuant to the Prepetition ABL Documents and this Interim Order, have been Paid in Full; and (z) in respect of the Prepetition Term Loan Agreement, all of the Prepetition Term Loan Obligations pursuant to the Prepetition Term Loan Documents and this Interim Order have been Paid in Full. The terms and provisions concerning the indemnification of the DIP Agent and DIP Lenders shall continue in the Cases, in any Successor Cases, following dismissal of the Cases or any Successor Cases, following termination of the DIP Documents and/or the indefeasible repayment of the DIP Obligations. In addition, the terms and provisions of this Interim Order shall continue in full force and effect for the benefit of the Prepetition Term Loan Parties notwithstanding the repayment in full of or termination of the DIP Obligations or the Prepetition ABL Obligations.

70. Final Hearing. The Final Hearing to consider entry of the Final Order and final approval of the DIP ABL Facility is scheduled for **August 27, 2020 at 3:30 p.m. (prevailing Central Time)** before the Honorable Marvin Isgur, United States Bankruptcy Judge

at the United States Bankruptcy Court for the Southern District of Texas. On or before August 6, 2020, the Debtors shall serve, by United States mail, first-class postage prepaid, notice of the entry of this Interim Order and of the Final Hearing (the “Final Hearing Notice”), together with copies of this Interim Order and the DIP Motion, on: (a) the parties having been given notice of the Interim Hearing; (b) any party which has filed prior to such date a request for notices with this Court; (c) counsel for a Committee (if appointed); (d) the Securities and Exchange Commission; and (e) the Internal Revenue Service. The Final Hearing Notice shall state that any party in interest objecting to the entry of the proposed Final Order shall file written objections with the Clerk of the Court no later than August 24, 2020 at 4:00 p.m.

71. This Order is effective on entry and is not stayed.

72. Retention of Jurisdiction. The Court has and will retain jurisdiction to enforce the terms of, any and all matters arising from or related to the DIP ABL Facility, and/or this Interim Order.

Signed: August 03, 2020

SECTION 2.05 Swingline Loans and Overadvances.

(a) The Administrative Agent, the U.S. Swingline Lender and the U.S. Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Borrower Representative requests an ABR Revolving Borrowing under the U.S. Facility, the Swingline Lender may, in its discretion, elect to have the terms of this Section 2.05(a) apply to such Borrowing Request by advancing, on behalf of the U.S. Revolving Lenders and in the amount and on the date requested, same day funds to the U.S. Borrowers to the Funding Account(s) (each such Loan made solely by the U.S. Swingline Lender pursuant to this Section 2.05(a) is referred to in this Agreement as a "U.S. Swingline Loan"), with settlement among the U.S. Swingline Lender and the other U.S. Revolving Lenders as to the U.S. Swingline Loans to take place on a periodic basis as set forth in Section 2.05(d). Each U.S. Swingline Loan shall be subject to all the terms and conditions applicable to other ABR Loans funded by the U.S. Revolving Lenders, except that all payments thereon shall be payable to the U.S. Swingline Lender solely for its own account. The Administrative Agent, the Canadian Swingline Lender and the Canadian Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Borrower Representative requests an ABR Revolving

Borrowing or Canadian Prime Rate Borrowing under the Canadian Facility, the Canadian Swingline Lender may, in its discretion, elect to have the terms of this Section 2.05(a) apply to such Borrowing Request by advancing, on behalf of the Canadian Revolving Lenders and in the amount and on the date requested, same day funds to the Canadian Borrower to the Funding Account(s) (each such Loan made solely by the Canadian Swingline Lender pursuant to this Section 2.05(a) is referred to in this Agreement as a “Canadian Swingline Loan”), with settlement among the Canadian Swingline Lender and the Canadian Revolving Lenders as to the Canadian Swingline Loans to take place on a periodic basis as set forth in Section 2.05(d). Each Canadian Swingline Loan shall be subject to all the terms and conditions applicable to other ABR Loans or Canadian Prime Rate Loans funded by the Canadian Revolving Lenders, except that all payments thereon shall be payable to the Canadian Swingline Lender solely for its own account. The aggregate Dollar Equivalent of U.S. Swingline Loans outstanding at any time shall not exceed 10% of the aggregate U.S. Commitment in effect at such time. The aggregate Dollar Equivalent of Canadian Swingline Loans outstanding at any time shall not exceed 10% of the aggregate Canadian Commitment in effect at such time. No Swingline Lender shall make any Swingline Loan if the requested Swingline Loan would not comply with the Revolving Exposure Limitations. All Swingline Loans denominated in dollars shall be ABR Borrowings and all Canadian Swingline Loans denominated in Canadian Dollars shall be Canadian Prime Rate Loans.

(b) Any provision of this Agreement to the contrary notwithstanding, at the request of the Borrower Representative, the Administrative Agent may in its sole discretion (but shall have absolutely no obligation) make (i) in the case of the Administrative Agent, Loans to the U.S. Borrowers in Dollars on behalf of the U.S. Revolving Lenders (each such Loan, a “U.S. Overadvance”) or (ii) in the case of the Canadian Administrative Agent, Loans to the Canadian Borrower or the U.S. Borrowers in Canadian Dollars or Dollars on behalf of the Canadian Revolving Lenders (each such Loan, a “Canadian Overadvance”); provided that (1) the aggregate amount of outstanding U.S. Overadvances shall not, at any time, exceed (x) 5% of the total U.S. Commitment then in effect or (y) when aggregated with the aggregate outstanding amount of U.S. Protective Advances then outstanding, 7.5% of the total U.S. Commitment then in effect; provided further that no U.S. Overadvance shall be made if after giving effect thereto, the sum of any Lender’s U.S. Credit Exposure and Prepetition U.S. Credit Exposure shall exceed such Lender’s U.S. Commitment; and (2) the aggregate Dollar Equivalent of outstanding Canadian Overadvances shall not, at any time, exceed (x) 5% of the total Canadian Commitment then in effect or (y) when aggregated with the aggregate Dollar Equivalent of Canadian Protective Advances shall not at any time exceed 7.5% of the Canadian Commitment then in effect; provided further that no Canadian Overadvance shall be made if after giving effect thereto, the sum of any Lender’s Canadian Credit Exposure and Prepetition Canadian Credit Exposure shall exceed such Lender’s Canadian Commitment. Overadvances may be made even if the conditions precedent set forth in Section 4.02 have not been satisfied. All Overadvances denominated in dollars shall be ABR Borrowings and all Canadian Overadvances denominated in Canadian Dollars shall be Canadian Prime Rate Loans. The applicable Borrowers shall be required to repay each Overadvance no later than the 30th day after the date of the making thereof. The Applicable Administrative Agent’s authorization to make Overadvances may be revoked at any time by the Required Lenders. Any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent’s receipt thereof.

(c) The U.S. Swingline Lender and the Administrative Agent may by notice given not later than 12:00 p.m., New York City time, on any Business Day require the U.S. Revolving Lenders to acquire participations on such Business Day in all or a portion of any U.S. Swingline Loan or U.S. Overadvance, respectively, outstanding. The Canadian Administrative Agent may by notice given not later than 12:00 p.m. Toronto time, on any Business Day require the Canadian Revolving Lenders to acquire participations on such Business Day in all or a portion of any Canadian Swingline Loan and Canadian Overadvance outstanding. Each such notice shall specify the aggregate principal amount of the Swingline Loan or Overadvance, respectively, in which the Lenders will be required to participate, including the currency

thereof, and each Lender's Applicable Percentage of such Swingline Loan or Overadvance. Each Lender hereby absolutely and unconditionally agrees to pay, upon receipt of notice as provided above, to the Administrative Agent, for the account of the applicable Swingline Lender or the account of the Applicable Administrative Agent, as applicable, such Lender's Applicable Percentage of such Swingline Loan or Overadvance. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans and Overadvances pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including nonsatisfaction of any of the conditions precedent set forth in Section 4.02, the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Revolving Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph). From and after the date, if any, on which any Lender has paid in full for its participation in any Swingline Loan or Overadvance purchased hereunder, the applicable Swingline Lender or the Applicable Administrative Agent, as applicable, shall promptly distribute to such Lender its Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Swingline Lender or the Applicable Administrative Agent, as applicable, in respect of such Swingline Loan or Overadvance; provided that any such payment or proceeds so distributed shall be repaid to the Swingline Lender or the Applicable Administrative Agent, as applicable, if and to the extent such payment or proceeds is required to be refunded to the applicable Borrowers for any reason. The purchase of participation in any Swingline Loan or Overadvance pursuant to this paragraph shall not constitute a Loan and shall not relieve the applicable Borrowers of their obligation to repay such Swingline Loan or Overadvance.

(d) The Applicable Administrative Agent, on behalf of each Swingline Lender, shall request settlement (a "Settlement") with the Revolving Lenders on at least a weekly basis or on any earlier date that the Administrative Agent elects, by notifying the applicable Revolving Lenders of such requested Settlement by electronic transmission, telephone, or e-mail no later than 1:00 p.m., New York City time, on the date of such requested Settlement (the "Settlement Date"). Each Revolving Lender (other than the applicable Swingline Lender) shall transfer the amount of such Lender's Applicable Percentage of the outstanding principal amount of the applicable Swingline Loan in the currency in which such Swingline Loan is denominated with respect to which Settlement is requested to the Applicable Administrative Agent, to such account of the Applicable Administrative Agent as the Administrative Agent may designate, not later than 3:00 p.m., New York City time, on such Settlement Date. Settlements may occur during the existence of a Default and whether or not the applicable conditions precedent set forth in Section 4.02 have then been satisfied. Such amounts transferred to the Administrative Agent shall be applied against the amounts of the Swingline Lender's Swingline Loans and, together with Swingline Lender's Applicable Percentage of such Swingline Loan, shall constitute Revolving Loans of such Lenders, respectively. If any such amount is not transferred to the Administrative Agent by any Revolving Lender on such Settlement Date, the Swingline Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon as specified in Section 2.07.

SECTION 2.06 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower Representative may request the issuance of Letters of Credit denominated in Dollars or an LC Alternative Currency (in the case of U.S. Letters of Credit) for the account of the U.S. Borrowers or Letters of Credit denominated in Dollars, Canadian Dollars or an LC Alternative Currency (in the case of any Canadian Letter of Credit) for the account of the U.S. Borrowers or the Canadian Borrower, in a form reasonably acceptable to the Applicable Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this

Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by any Borrower to, or entered into by any Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. For the avoidance of doubt, subject to Section 2.06(n) any Letter of Credit hereunder for the account of the U.S. Borrowers or the Canadian Borrower may be for the benefit of any Subsidiary whether or not a U.S. Borrower or a Canadian Borrower.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit (other than an automatic renewal permitted pursuant to paragraph (c) of this Section), the Borrower Representative shall deliver by hand or electronic transmission (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Applicable Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, specifying whether such Letter of Credit is a U.S. Letter of Credit or a Canadian Letter of Credit, the Borrower(s) for whose account such Letter of Credit is to be issued, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the currency in which such Letter of Credit will be denominated (which (x) shall be Dollars in the case of U.S. Letters of Credit and (y) shall be Dollars, Canadian Dollars or any LC Alternative Currency in the case of Canadian Letters of Credit) the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower Representative also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrowers shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the total U.S. LC Exposure shall not exceed \$135,000,000 and the total Canadian LC Exposure shall not exceed \$15,000,000, (ii) the total U.S. Standby LC Exposure shall not exceed \$70,000,000 and the total Canadian Standby LC Exposure shall not exceed \$5,000,000 and (iii) the Revolving Exposure Limitations shall be complied with.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five (5) Business Days prior to the date set forth in clause (i) of the definition of "Maturity Date". Any Letter of Credit may provide by its terms that it may be automatically extended for additional successive one year periods on terms reasonably acceptable to the applicable Issuing Bank. Any Letter of Credit providing for automatic extension shall be extended upon the then current expiration date without any further action by any Person unless the applicable Issuing Bank shall have given notice to the applicable beneficiary (with a copy to the applicable Borrower) of the election by such Issuing Bank not to extend such Letter of Credit, such notice to be given not fewer than 30 days prior to the then current expiration date of such Letter of Credit; provided that no Letter of Credit may be extended automatically or otherwise beyond the date that is five (5) Business Days prior to the date set forth in clause (i) of the definition of "Maturity Date".

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) under any Facility and without any further action on the part of the applicable Issuing Bank or the Lenders under such Facility, such Issuing Bank hereby grants to each Lender under such Facility, and each Lender under such Facility hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, (i) with respect to each U.S. Letter of Credit, each U.S. Revolving Lender hereby absolutely and unconditionally agrees to

pay in Dollars to the Administrative Agent, and (ii) with respect to any Canadian Letters of Credit, each applicable Canadian Revolving Lender hereby absolutely and unconditionally promises to pay, in Dollars, to the Canadian Administrative Agent, in each case for the account of the applicable Issuing Bank, such Lender's Applicable Percentage of the Dollar Equivalent of each LC Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower(s) on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to such Borrower(s) for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default, reduction or termination of the Revolving Commitments or any force majeure or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the expiration thereof or of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the applicable Borrower(s) shall, following notice of such LC Disbursement to the Borrower Representative, reimburse such LC Disbursement by paying to the Applicable Administrative Agent in Dollars an amount equal to the Dollar Equivalent of such LC Disbursement not later than 2:00 p.m., New York City time, on the date that such LC Disbursement is made, if the Borrower Representative shall have received notice of such LC Disbursement prior to 10:00 a.m., New York City time, on such date, or, if such notice has not been received by the Borrower Representative prior to such time on such date, then not later than 2:00 p.m., New York City time, on (i) the Business Day that the Borrower Representative receives such notice, if such notice is received prior to 10:00 a.m., New York City time, on the day of receipt, or (ii) the Business Day immediately following the Business Day that the Borrower Representative receives such notice, if such notice is not received prior to such time on the day of receipt; provided that the Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the applicable Borrower(s)' obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing, or, if the applicable Swingline Lender shall have elected to apply the terms of Section 2.05(a) to such requested Borrowing, the resulting Swingline Loan. If the applicable Borrower(s) fail to make such payment when due, the Applicable Administrative Agent shall notify each applicable Lender of the Dollar Equivalent of the applicable LC Disbursement, the payment then due from the applicable Borrower(s) in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Lender shall pay to the Applicable Administrative Agent in Dollars its Applicable Percentage of the payment then due from the applicable Borrower(s), in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Applicable Administrative Agent shall promptly pay to such Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Applicable Administrative Agent of any payment from the Borrower(s) pursuant to this paragraph, the Applicable Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that any Revolving Lender has made payments pursuant to this paragraph to reimburse such Issuing Bank, then to each such Revolving Lender and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower(s) of their obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrowers' obligations to reimburse LC Disbursements as provided in paragraph (e) of this Section is absolute, unconditional and irrevocable, and shall be performed

strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not substantially comply with the terms of such Letter of Credit, (iv) any force majeure or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the stated expiration date thereof or of the Revolving Commitments or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this paragraph, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. No Lender Party, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any other act, failure to act or other event or circumstance; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the applicable Borrower(s) to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by such Borrower(s) that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of bad faith, gross negligence or willful misconduct on the part of an Issuing Bank (with such absence to be presumed unless otherwise determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Applicable Administrative Agent and the Borrower Representative by telephone (confirmed by electronic transmission) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower(s) shall reimburse such LC Disbursement in full in cash on the date such LC Disbursement is made, the unpaid Dollar Equivalent thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that such Borrower(s) reimburse such LC Disbursement in full in cash, at the rate per annum then applicable to Canadian Prime Rate Revolving Loans (if the LC Disbursement is in Cdn\$) or ABR Revolving Loans (if the LC Disbursement is in US\$); provided that, if the Borrowers fail to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(f) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Applicable Administrative Agent for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e)

of this Section to reimburse the Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the applicable Borrower(s) reimburse the applicable LC Disbursement in full in cash.

(i) Replacement of the Issuing Banks. Any Issuing Bank may be replaced at any time by written agreement among the Borrower Representative, the Applicable Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Applicable Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the applicable Borrower(s) shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower Representative receives notice from the Administrative Agent or the Required Lenders demanding the deposit of cash collateral pursuant to this paragraph, (i) the Borrowers shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "U.S. LC Collateral Account"), an amount in cash in the currencies in which such LC Exposure is denominated equal to 103% of the LC Exposure in respect of Letters of Credit issued for the account of the U.S. Borrowers as of such date plus accrued and unpaid interest thereon and (ii) the Canadian Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Canadian Lenders (the "Canadian LC Collateral Account"), an amount in the currencies in which such LC Exposure is denominated equal to 103% of the LC Exposure in respect of Letters of Credit issued for the account of the Canadian Borrower as of such date plus accrued and unpaid interest thereon as of such date plus accrued and unpaid interest thereon. Such deposits, (A) if made into the U.S. LC Collateral Account shall be held by the Administrative Agent as collateral for the payment and performance of the U.S. Obligations arising from LC Exposure in respect of Letters of Credit issued for the account of the U.S. Borrowers and (B) if made into the Canadian LC Collateral Account shall be held by the Administrative Agent as collateral for the payment and performance of the Canadian Obligations arising from LC Exposure in respect of Letters of Credit issues for the account of the Canadian Borrower, in each case, as further set forth in the applicable Collateral Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such accounts. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the applicable Borrower(s)' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in each such account shall, notwithstanding anything to the contrary herein or in the Collateral Documents, be applied by the Administrative Agent to reimburse the applicable Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the applicable Borrower(s) for the LC Exposure in respect of Letters of Credit issued for the account of such Borrower(s) at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Required Lenders), be applied, in the case of moneys in the U.S. LC Collateral Account, to satisfy the Secured Obligation or, in the case of moneys in the Canadian LC Collateral Account, to satisfy the Canadian Secured Obligations, be applied to satisfy other Secured Obligations (but subject to, in the case of any such application at a time when any Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders that

has not been reallocated to non-Defaulting Lenders pursuant to Section 2.20), the consent of each Issuing Bank). If any Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within three (3) Business Days after all Events of Default have been cured or waived.

(k) Existing Letters of Credit. Each Existing Letter of Credit that is (i) a Canadian Letter of Credit (as defined in the Prepetition Credit Agreement) shall constitute a “Canadian Letter of Credit” for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date and (ii) a U.S. Letter of Credit (as defined in the Prepetition Credit Agreement) shall constitute a “U.S. Letter of Credit” for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date. All (i) Canadian LC Exposure (as defined in the Prepetition Credit Agreement) shall constitute “Canadian LC Exposure” for all purposes of this Agreement and (ii) U.S. LC Exposure (as defined in the Prepetition Credit Agreement) shall constitute “U.S. LC Exposure” for all purposes of this Agreement, and, in each case, no issuance or similar fees (as distinguished from ongoing participation or fronting fees) will be required in connection with the deemed issuance of the Existing Letters of Credit on the Effective Date.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Applicable Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Applicable Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Applicable Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount and currency of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount and currency of such LC Disbursement, (iv) on any Business Day on which the applicable Borrower(s) fail to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount due and (v) on any other Business Day, such other information as the Applicable Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

(n) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the U.S. Borrowers (in the case of a Letter of Credit issued for the account of the U.S. Borrowers) or the Canadian Borrower (in the case of a Letter of Credit issued for the account of the Canadian Borrower) shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit requested by such Borrower for the account of Subsidiaries inures to the benefit of such Borrower, and that such Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.07 Funding of Borrowings.

(a) Each Lender shall make each Revolving Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., New York City time, to the account of the Applicable Administrative Agent most recently designated by it for such purpose by notice to the Revolving Lenders. The Applicable Administrative Agent will make such Loans available to the applicable Borrower(s) by promptly crediting the amounts so received, in like funds, to the Funding Account(s); provided that (I) ABR Revolving Loans made to finance the reimbursement of (i) an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Applicable Administrative Agent to the applicable Issuing Bank and (ii) a U.S. Protective Advance or US. Overadvance shall be retained by the Administrative Agent and (II) ABR Loans made to finance the reimbursement of (i) a Canadian LC Disbursement as provided in Section 2.06(f) shall be remitted by the Canadian Administrative Agent to the applicable Canadian Issuing Bank and (ii) a Canadian Protective Advance or Canadian Overadvance shall be retained by the Canadian Administrative Agent.

(b) Unless the Applicable Administrative Agent shall have received notice from a Lender prior to the proposed date of any Revolving Borrowing that such Lender will not make available to the Applicable Administrative Agent such Lender's Applicable Percentage of such Borrowing, the Applicable Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption, make available to the applicable Borrower(s) a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Applicable Administrative Agent, then the applicable Lender and the applicable Borrower(s) severally agree to pay to the Applicable Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower(s) to but excluding the date of payment to the Applicable Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (x) the Federal Funds Effective Rate (in the case of Dollar-denominated amounts) or the Canadian Prime Rate (in the case of Canadian Dollar-denominated amounts) and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of Loans denominated in Dollars, the interest rate applicable to ABR Loans and in the case of Loans denominated in Canadian Dollars, the interest rate applicable to Canadian Prime Rate Loans. If the applicable Borrower(s) and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the applicable Borrower(s) the amount of such interest paid by the Borrowers for such period. If such Lender pays such amount to the Applicable Administrative Agent, then such amount shall constitute such Lender's Revolving Loan included in such Borrowing. Any payment by any Borrower(s) pursuant to this paragraph (b) shall be without prejudice to any claim such Borrower(s) may have against a Lender that shall have failed to make such payment to the Applicable Administrative Agent.

SECTION 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type and, in the case of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, shall have an initial Interest Period as specified in the applicable Borrowing Request or as otherwise provided in Section 2.03. Thereafter, the Borrower Representative may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower Representative may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, Overadvances or Protective Advances, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower Representative shall notify (i) the Administrative Agent with respect to each U.S. Revolving Borrowing and (ii) the Canadian Administrative Agent (with a copy to the Administrative Agent), with respect to each Canadian Revolving Borrowing, in each case of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic transmission to the Administrative Agent (and, in the case of a Canadian Revolving Borrowing, the Canadian Administrative Agent) of an executed written Interest Election Request. Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, a Eurodollar Borrowing, a Canadian Prime Rate Borrowing or a CDOR Rate Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing or CDOR Rate Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing or CDOR Rate Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration, in the case of a Eurodollar Borrowing, or 30 days, in the case of a CDOR Rate Borrowing.

(c) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(d) If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a Eurodollar Revolving Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a CDOR Rate Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Canadian Prime Rate Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower Representative, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing may be converted to or continued as a Eurodollar Borrowing or CDOR Rate Borrowing, (ii) unless repaid, each Eurodollar Revolving Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each CDOR Rate Borrowing shall be converted into a Canadian Prime Rate Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09 Termination and Reduction of Revolving Commitments; Increase in Revolving Commitments.

(a) Unless previously terminated, the Revolving Commitments shall automatically terminate at 5:00 p.m., New York City time, on the Maturity Date, or any earlier date on which the Revolving Commitments are reduced to zero or otherwise terminated pursuant to the terms hereof.

(b) The Borrower Representative may at any time terminate the Commitments under the U.S. Facility and/or the Canadian Facility upon (i) the payment in full in cash of all outstanding Loans, together with accrued and unpaid interest thereon and on any LC Disbursements, in each case, under the applicable Facility, (ii) the cancellation and return of all outstanding Letters of Credit (or alternatively, with respect to each such Letter of Credit, (x) the furnishing to the Administrative Agent of a cash deposit (or at the discretion of the Administrative Agent a backup standby letter of credit reasonably satisfactory to the Administrative Agent) equal to 103% of the portion of the LC Exposure attributable to all Letters of Credit, as determined by the applicable Issuing Banks) or (y) such other alternative arrangement with respect to any such Letters of Credit that is satisfactory to the Administrative Agent and the Issuing Bank), and such cash deposit shall not be subject to or subordinate to the Carve-Out or the Canadian DIP Charge, (iii) the payment in full in cash of all accrued and unpaid fees owing in respect of such Facility and (iv) the payment in full in cash of all reimbursable expenses and all other Obligations outstanding at such time in respect of such Facility; provided that, upon the termination of the Revolving Commitments pursuant to this clause (b), all obligations of the Administrative Agent and the Lenders to provide the credit facility to the Borrowers described in the Exit Facility Term Sheet and the rights and obligations of the parties hereto under Section 2.23 shall automatically terminate without any further consent or action required by any Person.

(c) The Borrower Representative may from time to time reduce the Commitments under the U.S. Facility and/or the Canadian Facility; provided that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (ii) the Borrower Representative shall not reduce the Revolving Commitments under any Facility if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the Borrowers would not be in compliance with the Revolving Exposure Limitations.

(d) The Borrower Representative shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under paragraph (b) or (c) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Revolving Lenders of the contents thereof. Each notice delivered by the Borrower Representative pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower Representative may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative (by notice to the Administrative Agent on or prior to specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments shall be permanent. Each reduction of the Revolving Commitments under any Facility shall be made ratably among the Lenders under such Facility in accordance with their respective Revolving Commitments thereunder.

SECTION 2.10 Repayment of Loans; Evidence of Debt.

(a) The U.S. Borrowers hereby, jointly and severally, unconditionally promise to pay to (i) the Administrative Agent, for the account of each U.S. Revolving Lender the principal amount of all outstanding U.S. Revolving Loans, (ii) the Canadian Administrative Agent, for the account of each Canadian Revolving Lender the principal amount of all outstanding Canadian Revolving Loans to the U.S.

Borrowers, (iii) the Applicable Administrative Agent the then unpaid amount of each Protective Advance to the U.S. Borrowers and Overadvance to the U.S. Borrowers, (iv) the U.S. Swingline Lender, the principal amount of each U.S. Swingline Loan and (v) the Canadian Swingline Lender, the principal amount of each Canadian Swingline Loan to the U.S. Borrowers, in each case, on the earliest of (A) the Maturity Date, (B) in the case of any Overadvance, the earlier of the 60th day after the date of the making thereof and demand by the Administrative Agent and (C) in the case of any Protective Advance, demand by the Administrative Agent. The Canadian Borrower hereby unconditionally promises to pay to (i) the Canadian Administrative Agent, for the account of each Canadian Revolving Lender the principal amount of all outstanding Canadian Revolving Loans to the Canadian Borrower, (ii) the Canadian Administrative Agent the then unpaid amount of each Canadian Protective Advance to the Canadian Borrower and Canadian Overadvance to the Canadian Borrower and (iii) the Canadian Swingline Lender, the principal amount of each Canadian Swingline Loan to the Canadian Borrower, in each case, on the earliest of (A) the Maturity Date, (B) in the case of any Canadian Overadvance, the 60th day after the date of the making thereof and demand by the Administrative Agent and (C) in the case of any Canadian Protective Advance, demand by the Canadian Administrative Agent.

(b) On each Business Day, the Administrative Agent shall apply all funds credited to a Concentration Account of the Borrowers on such Business Day or the immediately preceding Business Day (at the discretion of the Administrative Agent, whether or not immediately available), first, to prepay the Prepetition Revolving Loans and/or Prepetition Swingline Loans, if any, that may be outstanding in the order and manner provided in the Prepetition Credit Agreement, second, to prepay any U.S. Protective Advances, U.S. Overadvance, Canadian Protective Advances and Canadian Overadvances that may be outstanding, third, to prepay the Revolving Loans, Swingline Loans, Canadian Revolving Loans and Canadian Swingline Loans, fourth to cash collateralize outstanding U.S. LC Exposure and Canadian LC Exposure with respect to U.S. Letters of Credit and Canadian Letters of Credit issued for the account of the Borrowers at such time in accordance with Section 2.06(j), and fifth, as the Borrower Representative may direct.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the applicable Borrower(s) to such Lender resulting from each Loan made by such Lender to such Borrower(s), including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the applicable Borrower(s), the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the applicable Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Applicable Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to pay any amounts due hereunder in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent.

SECTION 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (c) of this Section; *provided* that, any such prepayments shall be applied, first, to the Prepetition Revolving Loans and/or Prepetition Swingline Loans then outstanding (in the order and manner provided in the Prepetition Credit Agreement) and then to the Revolving Loans.

(b) Except to the extent such excess arises from Protective Advances permitted under Section 2.04 or Overadvances permitted under Section 2.05, in the event and on each occasion that the Borrowers are not in compliance with the Revolving Exposure Limitations, the Canadian Borrower and the U.S. Borrowers shall immediately and severally prepay first, the Prepetition Revolving Loans and/or Prepetition Swingline Loans then outstanding (in the order and in the manner provided in the Prepetition Credit Agreement) and, second, the Revolving Loans and/or Swingline Loans (or, if no such Borrowings are outstanding, deposit cash collateral in the LC Collateral Account in accordance with Section 2.06(j)) of such Borrower(s) in an aggregate amount that, after giving effect to such prepayments or cash collateralizations the Borrowers shall be in compliance with the Revolving Exposure Limitations.

(c) Subject to the priority of Liens and application of funds set forth in the Orders with respect to the Collateral that is sold pursuant to an Asset Sale, in the event and on each occasion that (i) any Net Proceeds are received by or on behalf of the Parent or any Subsidiary in respect of any Prepayment Event and (ii) the Loan Parties receive designated “restricted cash” in accordance with the milestones set forth in Section 5.21(e), the Borrowers shall, on each day such Net Proceeds and designated “restricted cash” are received, prepay Borrowings in an amount equal to 100% of such Net Proceeds or such designated “restricted cash” (without a reduction in Revolving Commitments); provided that in the case of a Prepayment Event described in clauses (a), (b) or (d) of the definition thereof, any Net Proceeds in respect of Term Priority Collateral received by the Borrowers as a result of such Prepayment Event shall be applied (A) unless waived in accordance with the Term Credit Agreement or as provided in the Orders, first, to the “Obligations” under and as defined in the Term Credit Agreement, until paid in full, and (B) second, as set forth in Section 2.11(d) below. Notwithstanding the foregoing (except as described in the proviso to the immediately preceding sentence), the Loan Parties or any Subsidiary shall be permitted to reinvest the Net Proceeds of any Prepayment Event described in clauses (a), (b) or (d) of the definition of Prepayment Event with the prior written consent of the Administrative Agent and the Required Lenders (in their sole and absolute discretion).

(d) The Borrower Representative shall notify the Applicable Administrative Agent (and, in the case of prepayment of a Swingline Loan, the applicable Swingline Lender), with a copy to the Administrative Agent in the case of a prepayment of a Canadian Loan, by telephone (confirmed by hand delivery or electronic transmission) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Revolving Borrowing or a Canadian Prime Rate Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Revolving Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Revolving Loans included

in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(e) Notwithstanding any provisions of this Section 2.11 to the contrary, if any prepayment would otherwise be required to be made pursuant to clause (c) of this Section 2.11, solely as it relates to the portion of such Net Proceeds generated outside of the United States, so long as (x) the applicable local law will not permit or would delay repatriation of such Net Proceeds to the United States or (y) adverse tax consequences (other than de minimis consequences) to the Borrower Representative or any of its Subsidiaries would result from such repatriation, such Net Proceeds so affected shall not be required to be included in the mandatory prepayments referred to in such clause (c), but may be retained by the Borrowers or the applicable Subsidiary for so long, but only so long, as the applicable local law will not permit or would otherwise delay repatriation to the United States.

SECTION 2.12 Fees.

(a) The U.S. Borrowers, jointly and severally, agree to pay to the Administrative Agent for the account of each U.S. Revolving Lender a commitment fee in dollars, which shall accrue at the Applicable Commitment Fee Rate on the daily amount by which such Lender's U.S. Commitment exceeds the amount of such Lender's U.S. Revolving Loans and U.S. LC Exposure during the period from and including the Effective Date to but excluding the date on which the Lenders' U.S. Commitment terminates. The Canadian Borrowers agree to pay to the Canadian Administrative Agent in dollars for the account of each Canadian Revolving Lender a commitment fee, which shall accrue at the Applicable Commitment Fee Rate on the daily amount by which such Lender's Canadian Commitment exceeds the Dollar Equivalent of such Lender's Canadian Revolving Loans and Canadian LC Exposure during the period from and including the Effective Date to but excluding the date on which the Lenders' Canadian Commitment terminates. Accrued commitment fees shall be payable in arrears on the first Business Day of each January, April, July and October, commencing on the first such date to occur after the Effective Date, and on the date on which the Revolving Commitments terminate. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed. For purposes of computing commitment fees, the Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans, Swingline Exposure, Protective Advances, Overadvances and LC Exposure of such Lender.

(b) The (i) U.S. Borrowers agree to pay to the Applicable Administrative Agent for the account of each U.S. Revolving Lender a letter of credit fee with respect to its participations in U.S. Letters of Credit and for the account of each Canadian Revolving Lender a letter of credit fee with respect to Canadian Letters of Credit issued for the account of the U.S. Borrowers and (ii) the Canadian Borrower agrees to pay to the Canadian Administrative Agent for the account of each Canadian Revolving Lender a letter of credit fee with respect to its participation in Canadian Letters of Credit issued for the account of the Canadian Borrower which, in each case, shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurodollar Loans (as in effect from time to time) on the average daily Dollar Equivalent of such Lender's applicable LC Exposure in respect of such Letters of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Revolving Lender ceases to have any LC Exposure in respect of such Borrower(s)' Letters of Credit. In addition, (x) the U.S. Borrowers, jointly and severally, agrees to pay to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% of the average daily Dollar Equivalent of the LC Exposure attributable to Letters of Credit issued for the account of the U.S. Borrowers by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure in respect of

Letters of Credit issued for the account of the U.S. Borrowers, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any such Letter of Credit or processing of drawings thereunder and (y) the Canadian Borrower agrees to pay to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% of the average daily Dollar Equivalent of the LC Exposure attributable to Letters of Credit issued for the account of the Canadian Borrower by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure in respect of Letters of Credit issued for the account of the Canadian Borrower, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any such Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of each calendar quarter shall be payable on the first Business Day of each January, April, July and October, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Banks pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed.

(c) The U.S. Borrowers agree to pay to the fees in the amounts and payable at the times separately agreed upon in the Fee Letters or as otherwise agreed between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Applicable Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders. Fees paid shall not be refundable under any circumstances (absent manifest error in the amount paid).

SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan, but excluding Protective Advances and Overadvances) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Loans comprising each Canadian Prime Rate Borrowing shall bear interest at the Canadian Prime Rate plus the Applicable Rate.

(d) The Loans comprising each CDOR Rate Borrowing shall bear interest at the CDOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(e) Each (i) U.S. Protective Advance and U.S. Overadvance shall bear interest at the Alternate Base Rate plus the Applicable Rate for ABR Revolving Loans plus 2% per annum and each Canadian Protective Advance and Canadian Overadvance shall bear interest at the Canadian Prime Rate plus the Applicable Rate for Canadian Prime Rate Loans plus 2% per annum.

(f) Notwithstanding the foregoing, during the occurrence and continuance of an Event of Default, (i) all past due amounts in respect of the principal of any Loan shall bear interest at 2% plus the rate otherwise applicable to such Loans as provided in the preceding paragraphs of this Section or (ii) in

the case of any other amount that is past due, such amount shall bear interest at 2% per annum plus the rate applicable to Base Rate Revolving Loans hereunder (or, in the case of amounts denominated in Canadian Dollars, 2% per annum plus the rate applicable to Canadian Prime Rate Loans hereunder).

(g) Accrued interest on each Loan (for ABR Loans and Canadian Prime Rate Loans, accrued through the last day of the prior calendar quarter) shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (f) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan or Canadian Prime Rate Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Revolving Loan or CDOR Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(h) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate, the Canadian Prime Rate or the CDOR Rate shall be determined by the Applicable Administrative Agent, and such determination shall be conclusive absent manifest error.

(i) *Interest Act (Canada)*. For purposes of disclosure pursuant to the *Interest Act (Canada)*, the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of 360 days or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively.

(j) *Limitation on Interest*. If any provision of this Agreement or of any of the other Loan Documents would obligate any Loan Party to make any payment of interest or other amount payable to the Lenders in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Lenders of interest at a criminal rate (as such terms are construed under the *Criminal Code (Canada)*) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by the Lenders of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to the Lenders under this Section 2.13, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the Lenders which would constitute “interest” for purposes of Section 347 of the *Criminal Code (Canada)*. Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if the Lenders shall have received an amount in excess of the maximum permitted by that section of the *Criminal Code (Canada)*, the Loan Parties shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from the Lenders in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by the Lenders to the Borrowers. Any amount or rate of interest referred to in this Section 2.13(j) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of “interest” (as defined in the *Criminal Code (Canada)*) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Effective Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

SECTION 2.14 Alternate Rate of Interest; Illegality. (a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing or CDOR Rate Borrowing:

(i) the Applicable Administrative Agent determines in good faith (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the CDOR Rate, as applicable (including, without limitation, by means of an Interpolated Rate or because the LIBO Screen Rate or the CDOR Rate is not available or published on a current basis) for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the CDOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Applicable Administrative Agent shall give notice thereof to the Borrower Representative and the Lenders through the Platform as provided in Section 9.01 as promptly as practicable thereafter and, until the Applicable Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist (which notification shall be made promptly after the Applicable Administrative Agent obtains knowledge of the cessation of such circumstances), (A) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing or a CDOR Rate Borrowing shall be ineffective, and any such Revolving Borrowing shall be repaid or converted into an ABR Borrowing or Canadian Prime Rate Borrowing, as applicable, on the last day of the then current Interest Period applicable thereto, and (B) if any Borrowing Request requests a Eurodollar Borrowing or CDOR Rate Borrowing, such Borrowing shall be made as an ABR Borrowing or Canadian Prime Rate Borrowing, respectively.

(b) If any Lender determines that any Requirement of Law has made it unlawful, or if any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain, fund or continue any Eurodollar Borrowing or CDOR Rate Borrowing, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, dollars in the London interbank market, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make, maintain, fund or continue Eurodollar Loans or to convert ABR Borrowings to Eurodollar Borrowings or to convert Canadian Prime Rate Borrowings to CDOR Rate Borrowings will be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers will upon demand from such Lender (with a copy to the Applicable Administrative Agent), either prepay all Eurodollar Borrowings and CDOR Rate Borrowings of such Lender or convert all Eurodollar Borrowings and CDOR Rate Borrowings of such Lender to ABR Borrowings and Canadian Prime Rate Borrowings, respectively, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Borrowings or CDOR Rate Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such conversion or prepayment, the Borrowers will also pay accrued interest on the amount so converted or prepaid.

(c) If at any time (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that the circumstances set forth with respect to the Adjusted LIBO Rate in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrowers (A) shall endeavor to establish an alternate

benchmark rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time (which may include a margin to be applied thereto); provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement, and (B) shall enter into an amendment to this Agreement, at no cost to the Loan Parties other than the reimbursement of the Administrative Agent's costs and expenses as contemplated by Section 9.03 of this Agreement, to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable; *provided*, that any such amendment shall meet the standards set forth in Proposed United States Treasury Regulation Section 1.1001-6 or any amended, temporary or final version thereof so as not to be treated as a "modification" (and therefore an exchange) for purpose of United States Treasury Regulation Section 1.1001-3. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (c) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.14(c), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing shall be ineffective, and (y) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the London interbank market or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Loans or CDOR Rate Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than any (A) Indemnified Taxes or (B) Excluded Taxes) on or with respect to its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender or other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, from time to time upon request of such Lender or other Recipient, the applicable Borrower(s) will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Revolving Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy or liquidity), then, from time to time upon request of such Lender or such Issuing Bank, the applicable Borrower(s) will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrower Representative shall be conclusive absent manifest error. The applicable Borrower(s) shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.15 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances under agreements containing provisions permitting such compensation to be claimed at such time.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan or CDOR Rate Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan or CDOR Rate Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(d) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan or CDOR Rate Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower Representative pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense (excluding any loss of margin) attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate or CDOR Rate that would have been applicable to such Loan (but not including the Applicable Rate applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period

that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate such Lender would bid if it were to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the London interbank market or CDOR Rate market, as applicable. A certificate of any Lender delivered to the Borrower Representative and setting forth and explaining in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be conclusive absent manifest error. The applicable Borrower(s) shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

SECTION 2.17 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by any applicable withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of payments made to any Administrative Agent for its own account, such Administrative Agent) receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Applicable Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Applicable Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Administrative Agent.

(d) Indemnification by the Loan Parties. The applicable Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) payable or paid by such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Representative by a Lender (with a copy to the Applicable Administrative Agent), or by the Applicable Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Status of Recipients.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Representative and the Applicable Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Applicable Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative or the

Applicable Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Applicable Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower Representative or the Applicable Administrative Agent as will enable the Borrower Representative or the Applicable Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender to a U.S. Borrower that is a U.S. Person shall deliver to the Borrower Representative and the Applicable Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Foreign Lender to a U.S. Borrower shall deliver to the Borrower Representative and the Applicable Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), whichever of the following is applicable (in such number of copies as shall be requested by the recipient):

(1) executed originals of IRS Form W-8BEN or W-8BEN-E (or any successor forms) in the case of a Foreign Lender claiming eligibility for the benefits of an income tax treaty to which the United States is a party;

(2) executed originals of IRS Form W-8ECI (or any successor forms);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any U.S. Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" related to any Borrower described in Section 881(c)(3)(C) of the Code and that no payments in connection with any Loan Document are effectively connected with the Foreign Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or W-8BEN-E (or any successor forms); or

(4) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of IRS Form W-8IMY (or any successor forms), accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a

participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I on behalf of each such direct and indirect partner;

(C) any Foreign Lender to a U.S. Borrower shall deliver to the Borrower Representative and the Applicable Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Applicable Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower Representative or the Applicable Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower Representative and the Administrative Agents at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Representative or the Administrative Agents such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Representative or the Administrative Agents as may be necessary for the Borrower Representative and the Administrative Agents to comply with their obligations under FATCA, to determine whether such Recipient has complied with such Recipient's obligations under FATCA and to determine, if any, the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(E) Any Lender to the Canadian Borrower shall deliver to the Canadian Borrower and the Canadian Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Canadian Borrower or the Canadian Administrative Agent), (1) two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding or (2) two executed originals of an applicable IRS Form W-8 certifying such Lender's non-U.S. status.

(F) Each Agent that is a U.S. Person, on or before the date on which it (and any successor or replacement Administrative Agent) becomes the Administrative Agent hereunder, shall deliver to the Borrower Representative and the Administrative Agents two executed copies of either (i) IRS Form W-9, or (ii) IRS Form W-8ECI (with respect to any payments to be received on its own behalf) and IRS Form W-8IMY (for all other payments), establishing that the Borrower can make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the United States, including Taxes imposed under FATCA.

Each Recipient agrees that if any form or certification it previously delivered (including any specific documentation required in this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect, it shall deliver promptly to the Borrower Representative or the Applicable Administrative Agent updated or other appropriate documentation (including any new documentation reasonably request by the Borrower or the Applicable Administrative Agent) or promptly notify the Borrower Representative and the Applicable Administrative Agent in writing of its legal ineligibility to do so.

Each Lender hereby authorizes the Applicable Administrative Agent to deliver to the Loan Parties and to any other successor Applicable Administrative Agent any documentation provided by such Lender pursuant to this Section 2.17(e).

Notwithstanding any other provision of this Section 2.17(e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(f) Treatment of Certain Refunds. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.17 (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.17 the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) Defined Terms. For the avoidance of doubt, for purposes of this Section 2.17, the term “Lender” includes any Issuing Bank and any Swingline Lender and the term “applicable law” includes FATCA.

(h) For purposes of FATCA, from and after the Effective Date, the Loan Parties and the Administrative Agents shall treat (and the Lenders hereby authorize the Administrative Agents to treat) this Agreement and any Loans made hereunder (including any Loans already outstanding) as not qualifying as “grandfathered obligations” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

SECTION 2.18 Payments Generally; Allocation of Proceeds; Sharing of Set-offs.

(a) The Borrowers shall make each payment required to be made by them hereunder or under any other Loan Document on or prior to the time expressly required hereunder or under such other Loan Document for such payment or, if no such time is expressly required, on or prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. All payments (i) in respect of any Loan (and interest thereon) shall be made in the same currency in which such Loan was made and (ii) in respect of all fees, in respect of reimbursement of LC Disbursements and in respect of any other amounts payable hereunder or under other Loan Documents shall be paid in Dollars. All such payments in respect of Revolving Loans and LC Exposure under any Facility shall be made and allocated, pro rata in accordance with the respective unpaid principal amounts of such Loans and the LC Exposure of each Lender under such Facility. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 10 South Dearborn Street, 22nd Floor, Chicago, Illinois, except that (i) payments required to be made directly to an Issuing Bank or the Swingline Lender shall be so made

and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein and (ii) payments of Canadian Loans and LC Disbursements or fronting fees that are payable to any Canadian Issuing Bank, shall be made to the Canadian Administrative Agent at its offices at Suite 4500, 66 Wellington St., W. Toronto, ON M5K 1A1 Canada. The Applicable Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder or under any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(b) (i) Any proceeds of Collateral received by the Administrative Agent (i) not constituting (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Borrower Representative), (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (C) amounts to be applied from a Concentration Account (which shall be applied in accordance with Section 2.10(b)) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, shall be applied ratably first, to permanently reduce the fees, interest and principal in respect of the Prepetition Lender Obligations then outstanding (if any) constituting fees, interest and principal in accordance with Section 2.18(b) of the Prepetition Credit Agreement, until paid in full in cash, second to permanently reduce the other Prepetition Lender Obligations then outstanding (if any) in accordance with Section 2.18(b) of the Prepetition Credit Agreement until paid in full in cash, third, to pay any fees, indemnities, or expense reimbursements then due to the Administrative Agent, the Canadian Administrative Agent and each Issuing Bank from the Borrowers (other than in connection with Banking Services or Swap Obligations); fourth, to pay any fees or expense reimbursements then due to the Lenders from the Borrowers (other than in connection with Banking Services or Swap Obligations); fifth, to pay interest due in respect of the Protective Advances and Overadvances; sixth, to pay the principal of the Protective Advances and Overadvances; seventh, to pay interest then due and payable on the Loans (other than the Protective Advances and Overadvances) ratably; eighth, to prepay principal on the Loans (other than the Protective Advances and Overadvances) and unreimbursed LC Disbursements ratably; ninth, to deposit in the U.S. LC Collateral Account and the Canadian LC Collateral Account cash collateral (in accordance with 2.06(j)); tenth, to payment of any amounts owing with respect to Banking Services (other than supply chain financing) and Swap Obligations; eleventh, to the payment of any other Secured Obligations due to any Lender Party by the Borrowers; twelfth, to the payment of amounts owing with respect to Banking Services comprising supply chain financing and thirteenth any excess to be returned to Borrower Representative to be used in accordance with the Approved Budget. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Borrower Representative, or unless a Default is in existence, no Agent nor any Lender shall apply any payment which it receives to any Eurodollar Loan or ABR Loan, except (a) on the expiration date of the Interest Period applicable to such Eurodollar Loan or ABR Loan or (b) in the event, and only to the extent, that there are no outstanding ABR Loans or Canadian Prime Rate Loans, respectively and, in any such event, the applicable Borrower(s) shall pay the break funding payment required in accordance with Section 2.16.

(c) All payments of principal, interest, LC Disbursements, fees, reimbursable expenses (including, without limitation, all reimbursements of fees and expenses pursuant to Section 9.03) and other sums payable under the Loan Documents or in respect of the Prepetition Lender Obligations may be paid from the proceeds of Borrowings made hereunder, whether made following a request by the Borrower Representative pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of any Borrower maintained with the Administrative Agent. Each Borrower hereby irrevocably authorizes (i) the Applicable Administrative Agent to request a Borrowing on its behalf for the purpose of paying each payment referred to in the preceding sentence and agrees that all such

amounts charged shall constitute Loans (including Swingline Loans and Overadvances, but such a Borrowing may only constitute a Protective Advance if it is to reimburse costs, fees and expenses pursuant to Section 9.03) and that all such Borrowings shall be deemed to have been requested pursuant to Section 2.03, 2.04 or 2.05, as applicable, and (ii) the Applicable Administrative Agent to charge any deposit account of any Borrower (other than, so long as no Event of Default shall have occurred or be continuing, any Excluded Account; provided that in no event shall this clause (ii) permit any payroll, trust or tax account to be charged) maintained with the Administrative Agent for each payment of principal, interest, fees or any other amount due under the Loan Documents or in respect of the Prepetition Lender Obligations referred to in the previous sentence.

(d) If any Lender under any Facility shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances under such Facility resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances and accrued interest thereon under such Facility than the proportion received by any other Lender under such Facility, then the Lender receiving such greater proportion shall notify the Applicable Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances of other Lenders under such Facility to the extent necessary so that the amount of all such payments shall be shared by the Lenders under such Facility ratably in accordance with the aggregate amounts of principal of and accrued interest on their respective Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances under such Facility; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (for the avoidance of doubt, as in effect from time to time) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances to any Person that is an Eligible Assignee (as such term is defined from time to time). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation. For purposes of subclause (b)(i) of the definition of Excluded Taxes, a Lender that acquires a participation pursuant to this Section 2.18(d) shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) and/or Loan(s) to which such participation relates.

(e) Unless the Applicable Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Applicable Administrative Agent for the account of any of the Lenders or the Issuing Banks hereunder that the applicable Borrower(s) will not make such payment, the Applicable Administrative Agent may assume that the applicable Borrower(s) have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or Issuing Banks, as the case may be, the amount due. In such event, if the applicable Borrower(s) have not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Applicable Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to each Applicable Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by each Applicable Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) If any Lender shall fail to make any payment required to be made by it hereunder to or for the account of the Applicable Administrative Agent, then the Applicable Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Applicable Administrative Agent for the account of such Lender to satisfy such Lender's obligations in respect of such payment until all such unsatisfied obligations have been discharged and/or (ii) hold any such amounts in a segregated account as cash collateral for, and apply any such amounts to, any future payment obligations of such Lender hereunder to or for the account of the Applicable Administrative Agent.

SECTION 2.19 Mitigation Obligations: Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The applicable Borrower(s) hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment and delegation.

(b) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender becomes a Defaulting Lender, then the Borrower Representative may, at the sole expense and effort of the applicable Borrower(s), upon notice to such Lender and the Administrative Agent by the Borrower Representative, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (i) the Borrower Representative shall have received the prior written consent of the Administrative Agent, each Issuing Bank and each Swingline Lender, which consents shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the applicable Borrower(s) (in the case of all other amounts), (iii) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (iv) such assignment and delegation does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the applicable Borrower(s) to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower Representative, the Administrative Agent and the assignee (subject to any required consents referred to above) and that the Lender required to make such assignment and delegation need not be a party thereto.

SECTION 2.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender under any Facility:

(a) commitment fees shall cease to accrue on the unused portion of the Revolving Commitment of such Defaulting Lender of such Facility pursuant to Section 2.12(a);

(b) the Revolving Commitment and Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or all affected Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;

(c) if any Swingline Exposure, LC Exposure, Protective Advance Exposure and Overadvance Exposure exists under any Facility under which such Lender has a Revolving Commitment at the time such Lender becomes a Defaulting Lender, then:

(i) such Defaulting Lender's Swingline Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.05(c)), LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.06(d)), Protective Advance Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.04(b)) and Overadvance Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.05(c)) under such Facility shall be reallocated among the non-Defaulting Lenders under such Facility in accordance with their respective Applicable Percentages, but only to the extent the sum of all non-Defaulting Lenders' Revolving Exposures under such Facility plus such Defaulting Lender's Swingline Exposures under such Facility, LC Exposure under such Facility, Protective Advance Exposure under such Facility and Overadvance Exposure under such Facility does not exceed the total of all non-Defaulting Lenders' Revolving Commitments under such Facility;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the applicable Borrower(s) shall within one (1) Business Day following notice by the Administrative Agent, without prejudice to any rights or remedies of the Borrowers against such Defaulting Lender, (A) first, prepay the portion of such Defaulting Lender's Overadvance Exposure under such Facility that has not been so reallocated, (B) second, prepay the portion of such Defaulting Lender's Protective Advance Exposure under such Facility that has not been so reallocated, (C) third, prepay the portion of such Defaulting Lender's Swingline Exposure under such Facility that has not been so reallocated and (D) fourth, cash collateralize such Defaulting Lender's LC Exposure under such Facility that has not been so reallocated in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if any Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the applicable Borrower(s) shall not be required to pay any letter of credit participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's cash collateralized LC Exposure under such Facility during the period such Defaulting Lender's LC Exposure under such Facility is cash collateralized;

(iv) if any portion of the LC Exposure under such Facility of such Defaulting Lender is reallocated pursuant to clause (c)(i) above, then the fees payable to the Lenders pursuant to Section 2.12(b) shall be adjusted to give effect to such reallocation; or

(v) if any portion of such Defaulting Lender's LC Exposure under such Facility is neither cash collateralized nor reallocated pursuant to clause (c)(i) or (c)(ii) above, then, without prejudice to any rights or remedies of the applicable Issuing Bank or any Lender hereunder, all letter of credit participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure under such Facility shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure under such Facility attributable to Letters of Credit issued by each Issuing Bank) until such LC Exposure is cash collateralized and/or reallocated; and

(d) the Swingline Lender under such Facility shall not be required to fund any Swingline Loan and no Issuing Bank under such Facility shall be required to issue, amend, renew, extend or increase any Letter of Credit, in each case, unless it is satisfied that the related exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders under such Facility and/or cash collateral provided by the Borrowers in accordance with clause (c) of this Section, and participating interests in any such newly issued, amended, renewed, extended or increased Letter of Credit under such Facility or newly made Swingline Loan under such Facility shall be allocated among non-Defaulting Lenders in a manner consistent with clause (c)(i) of this Section (and Defaulting Lenders shall not participate therein).

In the event and on the date that each of the Administrative Agent, Parent, each of the Issuing Banks and each of the Swingline Lenders agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure, LC Exposure, Protective Advance Exposure and Overadvance Exposure of the other Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment under the applicable Facility and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders under such Facility as the Administrative Agent shall determine may be necessary in order for such Lender to hold Revolving Loans under such Facility in accordance with its Applicable Percentage.

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) any Swingline Lender or any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no Swingline Lender shall be required to fund any Swingline Loan and the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lenders or the Issuing Bank, as the case may be, shall have entered into arrangements with the Borrower or such Lender, satisfactory to each Swingline Lender or the Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

SECTION 2.21 Returned Payments. If after receipt of any payment which is applied to the payment of all or any part of the Obligations, any Lender Party is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside or determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement and the other Loan Documents shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent, such Issuing Bank or such Lender. The provisions of this Section shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent, any Issuing Bank or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section shall survive the termination of this Agreement.

SECTION 2.22 Super-Priority Nature of Obligations and Administrative Agent's Liens; Payment of Obligations.

(a) The priority of Administrative Agent's Liens on the Collateral, claims and other interests shall be as set forth in the Interim Order, the Canadian Recognition Order (in the case of the Obligations of the Canadian Borrower, such claim shall be a valid, binding, continuing, enforceable, fully-perfected superpriority (subject only to the Canadian Administration Charge) senior priming charge, security interest in and lien upon all property of the Canadian Borrower, whether now existing or hereafter acquired (the "Canadian DIP Charge")) and the Final Order.

(b) Upon the maturity (whether by acceleration or otherwise) of any of the Secured Obligations, the Administrative Agent and Lenders shall be entitled to immediate payment of such Secured Obligations without further application to or order of the Court.

SECTION 2.23 Conversion to Exit Facility Agreement. Upon the satisfaction or waiver by the Administrative Agents and each Lender of each of the conditions precedent to the Conversion Date set forth in the section entitled "Conditions Precedent to Conversion Date" in the Exit Facility Term Sheet on or prior to the Maturity Date, automatically and without any further consent or action required by the Administrative Agents, any Lender, or any other Lender Party, (i) the Borrowers (or the entities assuming and/or acquiring directly or indirectly the operations and assets of the Borrowers in the Acceptable Plan, and each Loan Guarantor and each entity assuming the operations and assets of each Loan Guarantor that is a Debtor in the Acceptable Plan, to the extent such Person is required under the Exit Facility Term Sheet to continue to be a guarantor thereunder), shall assume all obligations in respect of the Revolving Commitments, Loans and Letters of Credit hereunder and all other monetary obligations in respect hereof, (ii) each Loan and Letter of Credit hereunder shall be continued as a Loan or Letter of Credit under the Exit Facility Agreement, (iii) each Lender hereunder shall be a Lender under the Exit Facility Agreement and (iv) this Agreement shall terminate and be superseded and replaced in its entirety by, and deemed amended and restated in its entirety in the form of, the Exit Facility Agreement (with such changes and insertions thereto, as are reasonably satisfactory to the Administrative Agents and the Borrower, incorporated as necessary to make any technical changes necessary to effectuate the intent of this Section 2.23), and each of the Revolving Commitments hereunder shall automatically be Revolving Commitments under the Exit Facility Agreement. Notwithstanding the foregoing, all obligations of the Borrowers and the Loan Guarantors to the Administrative Agents, the Issuing Banks and the Lenders under this Agreement and any other Loan Document which are expressly stated in this Agreement or such other Loan Document as surviving such agreement's termination shall, as so specified, survive without prejudice and remain in full force and effect. Each of the Loan Parties, the Administrative Agents, the Lenders and the Issuing Banks shall take such actions and execute and deliver such agreements, instruments or other documents as the Administrative Agents may reasonably request to give effect to the provisions of this Section 2.23 and as are required to complete the schedules to the Exit Facility Agreement or other agreements contemplated thereby; provided, however, that any such action by the Administrative Agent, any of the Lenders or the Issuing Banks shall not be a condition precedent to the effectiveness of the Exit Facility Agreement if and to the extent so provided in the Confirmation Order. Each Lender and Issuing Bank party hereto hereby agrees that, on the Conversion Date, the Administrative Agents may execute and deliver the security documents and intercreditor agreement contemplated by the Exit Facility Term Sheet.

ARTICLE III

Each Loan Party represents and warrants to the Lenders as follows:

SECTION 3.01 Organization; Powers. Parent and each Subsidiary is duly organized, validly existing and (to the extent the concept is applicable in such jurisdiction and, in the case of any Subsidiary other than any Borrower, except where the failure to be so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect) in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to, subject to the entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02 Authorization; Enforceability; Benefit to Loan Parties.

(a) Subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), the Transactions, insofar as they are to be carried out by each Loan Party, are within such Loan Party's corporate or other organizational powers and have been duly authorized by all necessary corporate or other organizational and, if required, shareholder or other equityholder action. Subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), this Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(b) Each Loan Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (i) successful operations of each of the other Loan Parties and (ii) the credit extended by the Lenders to the Borrowers hereunder. Each Loan Party has determined that, subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), the execution, delivery, and performance of this Agreement and any other Loan Documents to be executed by such Loan Party is within its purpose, will be of direct and indirect benefit to such Loan Party, and is in its best interest.

SECTION 3.03 Governmental Approvals; No Conflicts. Except for the entry of, and pursuant to the terms of, the Interim Order and the Canadian Recognition Order (and Final Order, when and as applicable), the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are (or will so be) in full force and effect, (b) will not violate any applicable law, including any order of any Governmental Authority, (c) will not violate the charter, bylaws or other organizational documents of Parent or any Subsidiary, (d) will not violate or result in a default under any indenture or agreement (including the Term Credit Agreement, the Senior Notes Indenture or other material instrument binding upon Parent or any Subsidiary or any of their assets), or give rise to a right thereunder to require any payment to be made by Parent or any Subsidiary, and (e) will not result in the creation or imposition of any Lien on any asset of Parent or any Subsidiary, except Liens created pursuant to the Loan Documents, Liens created in connection with the Term Credit Agreement or Liens created in connection with the Prepetition

Credit Agreement; in the case of clause (b) and (d) above, except for a violation or creation, as applicable, which would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.04 Financial Condition; No Material Adverse Effect.

(a) Parent has heretofore furnished to the Lenders (i) the audited consolidated balance sheets and related consolidated statements of operations, shareholders' equity and cash flows of Parent and its consolidated Subsidiaries as of and for the fiscal year ended February 1, 2020 audited by and accompanied by the unqualified opinion of Deloitte & Touche LLP, independent registered public accounting firm, and (ii) the unaudited consolidated balance sheets and related statements of operations, shareholders' equity and cash flows of the U.S. Borrower and its consolidated Subsidiaries as of and for the fiscal quarter ended May 2, 2020. Such financial statements (x) present fairly, in all material respects, the financial position and results of operations and cash flows of Parent and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above and (y) comply in all material respects with the requirements of Regulation S-X under the Securities Act.

(b) [Reserved].

(c) Since the Effective Date, other than those customarily resulting from the commencement of the Cases and changes contemplated in Parent's business plan delivered to the Administrative Agent, there has been no event, development or circumstance that has had, or would reasonably be expected to have, a Material Adverse Effect on the business, assets, results of operations or financial condition of Parent and its subsidiaries, taken as a whole.

SECTION 3.05 Properties.

(a) Parent and each Subsidiary has good title to, or valid leasehold interests in, all its property material to its business, except for minor defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes and Liens expressly permitted by Section 6.02.

(b) Parent and each Subsidiary owns, or is licensed to use, all trademarks, service marks, tradenames, trade dress, copyrights, patents, industrial designs and other intellectual property material to its business, and the conduct of their respective businesses, including the use thereof, by Parent and the Subsidiaries does not infringe upon the rights of any other Person, except for any such failure to own or license or infringements that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06 Litigation and Environmental Matters.

(a) Except for the Disclosed Matters and the Cases, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of Parent, threatened against or affecting Parent or any Subsidiary (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Transactions.

(b) Except for the Disclosed Matters or matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, neither Parent nor any Subsidiary (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or

other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received written notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

(c) Since the Effective Date, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in a Material Adverse Effect.

SECTION 3.07 Compliance with Laws and Agreements.

(a) Parent and each Subsidiary is in compliance with all laws, including all orders of Governmental Authorities, applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except (i) where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect (it being agreed that this Section does not apply to any law which is specifically addressed in Section 3.06(b), 3.07(b), 3.08, 3.09, 3.10 or 3.14), (ii) any non-compliance arising solely as a result of the commencement of the Cases or (iii) to the extent subject to the Automatic Stay.

(b) Parent has implemented and maintains in effect policies and procedures designed to ensure compliance in all material respects by Parent, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and Parent, its Subsidiaries and their respective officers and employees and to the knowledge of Parent its directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of (a) Parent, any Subsidiary or, to the knowledge of Parent, any of their respective directors, officers or employees, or (b) to the knowledge of Parent, any agent of Parent or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Borrowing, Letter of Credit use of proceeds or other transaction contemplated by this Agreement will violate Anti-Corruption Laws or applicable Sanctions.

SECTION 3.08 Investment Company Status, etc. No Loan Party is (a) an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940 or (b) a “holding company” as defined in, or subject to regulation under, the Public Utility Holding Company Act of 1935.

SECTION 3.09 Taxes. Parent and each Subsidiary has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it (including in its capacity as withholding agent), except (a) any Taxes that are being contested in good faith by appropriate proceedings diligently conducted and for which Parent or such Subsidiary has set aside on its books reserves with respect thereto to the extent required by GAAP, (b) to the extent that the failure to do so would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect or (c) any Taxes the nonpayment of which is permitted or required by the Bankruptcy Code. There is no current or proposed tax assessment, deficiency or other claim against Parent or any of the Subsidiaries that would, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Each Loan Party and each of their respective Subsidiaries has withheld all material employee withholdings and has made all employer contributions to be withheld and made by it pursuant to applicable law on account of the Canadian Pension Plans and the Canada Benefit Plans, employment insurance and employee income taxes.

SECTION 3.10 ERISA; Labor Matters; Canadian Pension Plans and Canadian Benefit Plans.

(a) Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) no ERISA Event has occurred or is reasonably expected to occur, (ii) neither

any Loan Party nor any ERISA Affiliate has engaged in a transaction that could be subject to Section 4069 or 4212(c) of ERISA and (iii) on the Effective Date, the present value of all accumulated benefit obligations under each Plan that is subject to Title IV of ERISA (based on the assumptions used for purposes of Statement of Accounting Standards Topic No. 715) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans that are subject to Title IV of ERISA (based on the assumptions used for purposes of Statement of Accounting Standards Topic No. 715) did not, as of the date or dates of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of all such underfunded Plans.

(b) Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) there are no strikes, lockouts, slowdowns or any other labor disputes against Parent or any Subsidiary pending or, to the knowledge of Parent, threatened, (ii) the hours worked by and payments made to employees of Parent and the Subsidiaries have not been in violation of the Fair Labor Standards Act of 1938, the *Employee Standards Act* (Ontario) or any other applicable federal, state, provincial, territorial, local or foreign law dealing with such matters and (iii) all payments due from Parent or any Subsidiary, or for which any claim may be made against Parent or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of Parent or such Subsidiary to the extent required by GAAP. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which Parent or any Subsidiary is bound.

(c) Section 3.10(c) of the Disclosure Letter lists all Canadian Benefit Plans and Canadian Pension Plans currently maintained or contributed to by the Loan Parties and their Subsidiaries. As of the Closing Date, none of the Canadian Pension Plans are Canadian Defined Benefit Plans. The Canadian Pension Plans are duly registered under the ITA and all other applicable laws which require registration. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, each Loan Party and each of their Subsidiaries has complied with and performed all of its obligations under and in respect of the Canadian Pension Plans and Canadian Benefit Plans under the terms thereof, any funding agreements and all applicable laws (including any fiduciary, funding, investment and administration obligations). All employer and employee payments, contributions or premiums to be remitted, paid to or in respect of each Canadian Pension Plan or Canadian Benefit Plan have been paid in a timely fashion in accordance with the terms thereof, any funding agreement and all applicable laws. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, there have been no improper withdrawals or applications of the assets of the Canadian Pension Plans or the Canadian Benefit Plans. To the knowledge of the Loan Parties, no facts or circumstances have occurred or existed that could result, or be reasonably anticipated to result, in the declaration of a termination of any Canadian Pension Plan by any Governmental Authority under applicable laws. No promises of benefit improvements under the Canadian Pension Plans or the Canadian Benefit Plans have been made except where such improvement could not be reasonably expected to have a Material Adverse Effect and, in any event, no such improvements will result in a solvency deficiency or going concern unfunded liability in the affected Canadian Pension Plans. The pension fund under each Canadian Pension Plan is exempt from the payment of any income tax and there are no taxes, penalties or interest owing in respect of any such pension fund. All material reports and disclosures relating to the Canadian Pension Plans required by such plans and any Requirement of Law to be filed or distributed have been filed or distributed. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) no Canadian Benefit Plans provide for benefits beyond retirement or other termination of service to employees or former employees or to the beneficiaries or dependents of such employees, (ii) there are no outstanding disputes concerning the assets of the Canadian Pension Plans or the Canadian Benefit Plans, and (iii) each of the Canadian Pension Plans is fully funded on both a going concern and on a solvency basis (using

actuarial methods and assumptions which are consistent with the valuations last filed with the applicable Governmental Authorities and which are consistent with generally accepted actuarial principles).

SECTION 3.11 Disclosure. None of the reports, financial statements, certificates or other information furnished by or on behalf of Parent or any Subsidiary to the Administrative Agent, any Arranger or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder, taken as a whole (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to forecasts and projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed by them to be reasonable at the time made and at the time so furnished and, if furnished prior to the Effective Date, as of the Effective Date.

SECTION 3.12 Subsidiaries and Joint Ventures. Section 3.12 of the Disclosure Letter sets forth, as of the Effective Date, the name, type of organization and jurisdiction of organization of, and the percentage of each class of Equity Interests owned by Parent or any Subsidiary in, (a) each Subsidiary and (b) each joint venture in which Parent or any Subsidiary owns any Equity Interests, and identifies each Designated Subsidiary. All the issued and outstanding Equity Interests in each Subsidiary owned by any Loan Party have been (to the extent such concepts are relevant with respect to such Equity Interests) duly authorized and validly issued and are fully paid and non-assessable (except as such rights may arise under mandatory provisions of applicable statutory law that may not be waived and not as a result of any rights contained in organizational documents). Except as set forth in Section 3.12 of the Disclosure Letter, as of the Effective Date, there is no existing option, warrant, call, right, commitment or other agreement to which Parent or any Subsidiary is a party requiring, and there are no Equity Interests in any Subsidiary outstanding that upon exercise, conversion or exchange would require, the issuance by any Subsidiary of any additional Equity Interests or other securities exercisable for, convertible into, exchangeable for or evidencing the right to subscribe for or purchase any Equity Interests in any Subsidiary.

SECTION 3.13 Insurance. Section 3.13 of the Disclosure Letter sets forth a description of all insurance maintained by or on behalf of Parent and the Subsidiaries as of the Effective Date. As of the Effective Date, all premiums due and payable in respect of such insurance have been paid. Parent believes that the insurance maintained by or on behalf of Parent and the Subsidiaries is adequate.

SECTION 3.14 Federal Reserve Regulations. Neither Parent nor any Subsidiary is principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U of the Board of Governors), or extending credit for the purpose of purchasing or carrying margin stock. No part of the proceeds of any Loan or any Letter of Credit will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, in any manner or for any purpose that would entail a violation of Regulations T, U or X of the Board of Governors.

SECTION 3.15 Reserved.

SECTION 3.16 Collateral Matters.

(a) Subject to the entry of the Interim Order and the Canadian Recognition Order, upon the entry of, and subject to, the Interim Order and the Canadian Recognition Order (and, when entered, the Final Order) and subject to the Carve-Out in all respects, the Security Agreements and the Interim Order and the Canadian Recognition Order (and, when entered, the Final Order) are effective to create in favor of the Administrative Agent

(for the benefit of the Lender Parties) legal, valid, enforceable and perfected Liens on the Collateral described therein (with such priority as provided for therein).

(b) Except for the entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), no filing or other action will be necessary to perfect such Liens.

(c) The Interim Order and the Canadian Recognition Order (and Final Order, when applicable) is (or will be, as applicable) effective to create in favor of the Administrative Agent, for the benefit of the Lender Parties, a legal, valid, binding and enforceable perfected Lien in the Collateral without the necessity of the execution of mortgages, security agreements, pledge agreements, financing statements or other agreements or documents except to the extent set forth in such Order.

SECTION 3.17 Use of Proceeds. The Borrowers will use the proceeds of the Loans and will request the issuance of Letters of Credit only for purposes set forth in Section 5.11.

SECTION 3.18 Credit Card Agreements. Section 3.18 of the Disclosure Letter (as updated from time to time as permitted by Section 5.16) sets forth a list of all Credit Card Agreements to which any Loan Party is a party. A true and complete copy of each Credit Card Agreement listed on Section 3.18 of the Disclosure Letter has been delivered to the Administrative Agent, together with all material amendments, waivers and other modifications thereto. All such Credit Card Agreements are in full force and effect, currently binding upon each Loan Party that is a party thereto and, to the knowledge of the Loan Parties, binding upon other parties thereto in accordance with their terms. The Loan Parties are in compliance in all material respects with each such Credit Card Agreement.

SECTION 3.19 Approved Budget. As of the Effective Date, the Borrowers have furnished to the Administrative Agent the initial Approved Budget. Each Approved Budget was prepared in good faith based upon assumptions the Borrowers believed to be reasonable assumptions on the date of delivery of such Approved Budget.

SECTION 3.20 Chapter 11 Cases.

(a) The Cases were commenced on the Petition Date in each case in accordance with applicable laws and proper notice thereof was given for (i) the motion seeking approval of the Loan Documents and the Interim Order, the Canadian Recognition Order and the Final Order, and (ii) the hearing for the entry of the Interim Order and the Canadian Recognition Order. The Debtors shall give, on a timely basis as specified in the Interim Order, the Canadian Recognition Order or the Final Order, as applicable, all notices required to be given to all parties specified in such orders, as applicable.

(b) After the entry of the Interim Order, and pursuant to and to the extent permitted in the Interim Order and the Final Order, the Obligations will constitute allowed administrative expense claims in the Cases having priority over all administrative expense claims and unsecured claims against the Debtors now existing or hereafter arising, of any kind whatsoever, including all administrative expense claims of the kind specified in Sections 105, 326, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1114 or any other provision of the Bankruptcy Code or otherwise, as provided under Section 364(c)(1) of the Bankruptcy Code, subject to (i) the Carve-Out and (ii) the priorities set forth in the Interim Order or Final Order, as applicable.

(c) After the entry of the Interim Order and the Canadian Recognition Order and pursuant to and to the extent provided in the Interim Order, the Canadian Recognition Order and the Final Order, the Obligations will be secured by a valid and perfected first priority Lien on all of the Collateral subject, as to priority, only to (i) the Carve-Out, (ii) the Liens pursuant to Section 6.02(i), subject to the terms of such Section 6.02(i), (iii) the Canadian Administration Charge and (iv) to the extent set forth in the Interim Order or the Final Order.

(d) The Interim Order (with respect to the period on and after entry of the Interim Order and prior to entry of the Final Order), the Final Order (with respect to the period on and after entry of the Final Order) and the Canadian Recognition Order have not been vacated, or, without the Administrative Agent's consent, modified or amended. The Loan Parties are in compliance in all material respects with the applicable Order and the Canadian Recognition Order.

(e) Notwithstanding the provisions of Section 362 of the Bankruptcy Code, and subject to the applicable provisions of the Final Order, as the case may be, upon the Maturity Date (whether by acceleration or otherwise) of any of the Obligations, to the extent the Conversion Date has not occurred, the Administrative Agent and Lenders shall, subject to the Remedies Notice Period, be entitled to immediate payment of such Obligations and to enforce the remedies provided for hereunder or under applicable laws, without further notice, motion or application to, hearing before, or order from, the Court.

It is agreed and understood that the Administrative Agent may not charge default interest pursuant to this Agreement during such time as the occurrence of such Event of Default is being contested during the Remedies Notice Period but once determined that such Event of Default exists, the Administrative Agent may charge default interest pursuant to this Agreement retroactively to cover the period from which the Event of Default exists through the date of determination.

ARTICLE VIII

The Administrative Agents

Each of the Lenders and each of the Issuing Banks hereby irrevocably appoints the Administrative Agent and, as applicable, the Canadian Administrative Agent and their respective successors to serve in such capacities under the Loan Documents (and in the case of the Administrative Agent, to serve as collateral agent), and authorizes each such Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent to consent, on behalf of each Lender, to the Interim Order, the Final Order and the Canadian Recognition Order, each to be negotiated between the Loan Parties, the Administrative Agent, certain other parties and the statutory committees appointed pursuant to Sections 327 and 1103 of the Bankruptcy Code, as applicable.

For greater certainty, and without limiting the powers of the Administrative Agent under this Agreement or under any of the other Loan Documents, for the purposes of holding any security granted by any Loan Party pursuant to the laws of the Province of Québec, each Lender and Issuing Bank hereby irrevocably appoints and authorizes the Administrative Agent to act as the hypothecary representative (in such capacity, the "Hypothecary Representative") of the Lender Parties, as contemplated under Article 2692 of the Civil Code of Québec. The Hypothecary Representative shall (i) have exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Hypothecary Representative pursuant to any hypothec, (ii) benefit from and be subject to all provisions hereof with respect to the Administrative Agent, mutatis mutandis, including without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lender Parties, (iii) be entitled to delegate from time to time any of its powers or duties under any hypothec, on such terms and conditions as it may determine from time to time. Any person who becomes a Lender Party shall be deemed to have consented to and confirmed the Hypothecary Representative as the hypothecary representative and to have ratified, as of the date it becomes a Lender Party, all actions taken by the Hypothecary Representative in such capacity. The substitution of the Administrative Agent pursuant to the provisions of Article VIII hereto shall also constitute the substitution of the Hypothecary Representative.

Each bank serving as the Administrative Agent or Canadian Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent or Canadian Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent or Canadian

Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

Neither of the Administrative Agents shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither of the Administrative Agents shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agents is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties), (b) neither of the Administrative Agents shall have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Applicable Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Applicable Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Applicable Administrative Agent shall not be required to take any action that, in its opinion, could expose such Administrative Agent to liability or be contrary to any Loan Document or applicable law, and (c) except as expressly set forth in the Loan Documents, neither of the Administrative Agents shall have any duty to disclose and shall be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary or other Affiliate thereof that is communicated to or obtained by such bank serving as Administrative Agent or Canadian Administrative Agent or any of their respective Affiliates in any capacity. Neither of the Administrative Agents shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Applicable Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or in the absence of its own bad faith, gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment). Neither of the Administrative Agents shall be deemed to have knowledge of any Default unless and until written notice thereof (stating that it is a “notice of default”) is given to the such Person by the Borrower Representative or a Lender, and such Person shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Applicable Administrative Agent.

Each of the Administrative Agents shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof). Each of the Administrative Agents also shall be entitled to rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof), and may act upon any such statement prior to receipt of written confirmation thereof. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that

by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Applicable Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Applicable Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. Each of the Administrative Agents may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each of the Administrative Agents may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Person. Each of the Administrative Agents and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each of the Administrative Agents and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as each of the Administrative Agents. Neither of the Administrative Agents shall be responsible for the bad faith, negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with bad faith, gross negligence or willful misconduct in the selection of such sub-agents.

Subject to the appointment and acceptance of a successor Agent as provided in this paragraph, each of the Administrative Agents may resign at any time by notifying the Lenders, the Issuing Banks and the Borrower Representative. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor that is an Eligible Successor Agent. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, in consultation with the Borrower Representative, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent or Canadian Administrative Agent, as applicable, which is an Eligible Successor Agent. Upon the acceptance of its appointment as an Administrative Agent or Canadian Administrative Agent, as applicable, hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent or Canadian Administrative Agent, as applicable, and the retiring Administrative Agent or Canadian Administrative Agent, as applicable, shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent or Canadian Administrative Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After an Administrative Agent or Canadian Administrative Agent, as applicable, resigns hereunder, the provisions of this Article, Section 2.17(d) and Section 9.03 shall continue in effect for the benefit of such retiring Person, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent.

Each Lender and Issuing Bank acknowledges that it has, independently and without reliance upon either of the Administrative Agents, the Arrangers, any Lender or any Issuing Bank, the Debtors' Investment Banker or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and Issuing Bank also acknowledges that it will, independently and without reliance upon either of the Administrative Agents, the Arrangers, any Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

The Loan Parties acknowledge and agree that the Administrative Agent may prepare and distribute to the Lenders Reports containing information obtained by the Administrative Agent through the exercise of its inspection rights under Section 5.09. Each Lender hereby agrees that (a) it has requested a copy of each Report prepared by or on behalf of the Administrative Agent; (b) the Administrative Agent (i) makes no representation or warranty, express or implied, as to the completeness or accuracy of any Report or any of the information contained therein or any inaccuracy or omission contained in or relating to a Report and (ii) shall not be liable for any information contained in any Report; (c) the Reports are not comprehensive audits or examinations and that the Administrative Agent undertakes no obligation to update, correct or supplement the Reports; (d) it will keep all Reports confidential and strictly for its internal use, not share the Report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (e) without limiting the generality of any other indemnification provision contained in this Agreement, it will pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Person preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorney fees) incurred by as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

To the extent required by any applicable laws (as determined in good faith by the Administrative Agents), the Administrative Agents may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify and hold harmless the Administrative Agents against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agents) incurred by or asserted against the Administrative Agents by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agents to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agents of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agents shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agents under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agents, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

The provisions of this Article are solely for the benefit of each of the Agents, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrowers' rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrowers or any other Loan Party shall have any rights as a third party beneficiary of any such provisions. Each Lender Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Loan Guarantee provided under the Loan Documents, to have agreed to the provisions of this Article.

Notwithstanding anything herein to the contrary, none of the Arrangers, any Person named on the cover page of this Agreement as a Co-Syndication Agent or a Co-Documentation Agent and the Debtors' Investment Banker shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities to the extent referenced and provided for hereunder.

(iv) if to any other Issuing Bank, to it at its address or electronic transmission address most recently specified by it in a notice delivered to the Administrative Agent and the Borrower Representative; and

(v) if to any other Lender, to it at its address or electronic transmission address set forth in its Administrative Questionnaire.

All such notices and other communications (i) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received, (ii) sent by electronic transmission shall be deemed to have been given when sent (or, if not given during normal business hours for the recipient, at the opening of business on the next Business Day for the recipient) and (iii) delivered through electronic communications to the extent provided in paragraph (b) of this Section shall be effective as provided in such paragraph.

(b) Notices and other communications to the Lenders and Issuing Banks hereunder may be delivered or furnished by electronic communications (including e-mail and internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices under Article II to any Lender or Issuing Bank if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower Representative (on behalf of the Loan Parties) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by return e-mail or other written acknowledgement), provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or electronic transmission address for notices and other communications hereunder by notice to the other parties hereto.

(d) The Loan Parties agree that the Administrative Agent and the Canadian Administrative Agent may, but shall not be obligated to, make any Communication by posting such Communication on Debt Domain, Intralinks, Syndtrak or a similar electronic transmission system (the "Platform"). The

Platform is provided “as is” and “as available.” Neither of the Administrative Agents nor any of their Related Parties warrants, or shall be deemed to warrant, the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made, or shall be deemed to be made, by either of the Administrative Agents or any of their Related Parties in connection with the Communications or the Platform.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Canadian Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Sections 5.16, 9.02(e) and 9.18 (and, except as specifically provided in any Loan Document with respect to the Schedule thereto), and subject to Section 2.14(c), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or (ii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent (if a party to the original agreement), the Canadian Administrative Agent (if a party to the original agreement) and the Loan Party or Loan Parties that are parties thereto, with the consent of the Required Lenders; provided that (A) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrowers, the Administrative Agent and the Canadian Administrative Agent to cure any technical error, ambiguity, omission, defect or inconsistency so long as, in each case, the Lenders shall have received at least five (5) Business Days’ prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment and (B) no such agreement shall (1) increase the Revolving Commitment of any Lender without the written consent of such Lender (provided that the Applicable Administrative Agent may make Protective Advances and Overadvances as set forth in Section 2.04 or 2.05, as applicable), (2) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder, without the written consent of each Lender directly affected thereby, (3) postpone any scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any date for the payment of any interest, fees or other Obligations payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Revolving Commitment, without the written consent of each Lender directly affected thereby, (4) change Section 2.18(b) or 2.18(d) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender, (5) increase the advance rates set forth in the definition of U.S. Borrowing Base or Canadian Borrowing Base or add new categories of eligible assets, without the written consent of the each Lender,

(6) change any of the provisions of this Section or the percentage set forth in the definition of the term "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, (7) change Section 2.20 without the consent of each Lender (other than any Defaulting Lender) adversely affected thereby, (8) release all or substantially all of the value of the Loan Guarantee (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender, or (9) except as provided in paragraph (c) of this Section or in any Collateral Document, release all or substantially all of the Collateral without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or the Swingline Lender hereunder or under any other Loan Document without the prior written consent of the Administrative Agent, the Canadian Administrative Agent such Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.20 shall require the consent of the Administrative Agent, the Canadian Administrative Agent, the Swingline Lender and each Issuing Bank).

(c) The Lenders and the Issuing Banks hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, (i) to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (A) upon the termination of (x) all the Revolving Commitments, payment and satisfaction in full in cash of all Obligations (other than Unliquidated Obligations) and the cash collateralization of all Unliquidated Obligations in respect of Letters of Credit in a manner satisfactory to each applicable Issuing Bank and the Administrative Agent and (y) solely in the case of the Canadian Collateral, upon termination in full of all the Canadian Commitments and payment and satisfaction in full in cash of all Canadian Obligations (other than Unliquidated Obligations) and the cash collateralization of all Canadian Letters of Credit in a manner satisfactory to each applicable Issuing Bank and the Administrative Agent, (B) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interest of a Subsidiary, the Administrative Agent is authorized to release any Loan Guarantee provided by such Subsidiary, (C) constituting property leased to a Loan Party under a lease which has expired or been terminated in a transaction not prohibited under this Agreement, (D) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII and (E) constituting property of a Loan Guarantor that is being released as a Loan Guarantor (and, in the case of a U.S. Subsidiary Borrower, as a U.S. Subsidiary Borrower) as provided below and (ii) to release any Loan Guarantee provided by any U.S. Subsidiary Borrower or Canadian Loan Party that is (A) dissolved pursuant to Section 6.03(a)(iv) in connection with a voluntary liquidation or dissolution thereof permitted by such Section, (B) upon the disposition of all of the outstanding Equity Interests of a Subsidiary of the Borrower (other than the Canadian Borrower) to a Person other than the Borrower or a Subsidiary in a transaction permitted by Section 6.05, (C) [reserved] or (D) in the case of the Canadian Loan Parties, upon any release of all the Canadian Collateral pursuant to clause (i)(A) above and, in connection therewith, to release any Liens granted to the Administrative Agent by such Subsidiary on any Collateral, if the U.S. Borrower certifies to the Administrative Agent that such liquidation or dissolution is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry). The Lenders and the Issuing Banks hereby further irrevocably authorize the release or subordination of Liens on the Term Priority Collateral as provided in the Intercreditor Agreement. Any such release or subordination shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender affected thereby,” the consents of Lenders having Credit Exposure and unused Revolving Commitments representing more than 66% of the sum of the total Credit Exposure and unused Revolving Commitments at such time are obtained, but the consents of other necessary Lenders are not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower Representative may elect to replace any Non-Consenting Lender as a Lender party to this Agreement; provided that, concurrently with such replacement, (i) an Eligible Assignee which is reasonably satisfactory to the Borrower Representative and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of paragraph (b) of Section 9.04, and (ii) the applicable Borrower(s) shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (A) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by such Borrowers hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (B) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(e) Notwithstanding the foregoing, Exhibit G to this Agreement, the definitions of “Exit Facility Agreement” and “Exit Facility Term Sheet” and Section 2.23 (or any other provision which would result in an amendment, restatement, waiver or modification of any of the foregoing) may be amended, restated, waived or otherwise modified with the prior written consent of the Lenders, the Administrative Agent and the Borrower Representative; provided that the Lenders hereby authorize the Administrative Agent to enter into any amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to give effect to the transaction contemplated by Section 2.23 and such other technical or immaterial amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower Representative in connection therewith.

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Canadian Administrative Agent, the Arrangers and their respective Affiliates, including the reasonable and documented fees, charges and disbursements of one primary U.S. and one primary Canadian counsel for the Administrative Agent, the Canadian Administrative Agent, the Arrangers and their Affiliates, and if deemed necessary by the Administrative Agent, one local counsel in each applicable jurisdiction, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facility provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Canadian Administrative Agent, the Arrangers, any Issuing Bank or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Canadian Administrative Agent, the Arrangers, any Issuing Bank or any Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in

respect of such Loans or Letters of Credit. Subject to the provisions of Sections 5.09, expenses subject to reimbursement by the Borrowers under this Section include, without limiting the generality of the foregoing, reasonable and documented out-of-pocket costs and expenses incurred in connection with:

- (i) insurance reviews;
- (ii) [reserved];
- (iii) taxes, fees and other charges for (A) lien searches and (B) filing financing statements and continuations, and other actions to perfect, protect, and continue the Administrative Agent's Liens;
- (iv) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and
- (v) forwarding loan proceeds, collecting checks and other items of payment, and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral.

All of the foregoing costs and expenses may be charged to the applicable Borrower(s) as Revolving Loans or to another deposit account, all as described in Section 2.18(c).

(b) The Borrowers agree, jointly and severally, to indemnify the Administrative Agent (or any sub-agent thereof), the Canadian Administrative Agent (or any sub-agent thereof), the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnatee"), against, and hold each Indemnatee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnatee, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of (i) syndication of the credit facility provided for herein and the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on at, under, to or from any property currently or formerly owned or operated by the any Loan Party or any of the Subsidiaries, or any other Environmental Liability related in any way to any Loan Party or any of the Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether such proceeding is initiated against or by any party to this Agreement, or any Affiliate thereof, by an Indemnatee or any third party or whether any Indemnatee is a party thereto; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses (A) are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnatee or (B) have arisen from a proceeding by an Indemnatee against another Indemnatee not involving any act or omission of the Parent or any Subsidiary (other than a proceeding against the Administrative Agent, any Arranger or an Issuing Bank in its capacity or in fulfilling its role as such). This Section 9.03(b) shall not apply to any Taxes (other than any Taxes that represent losses, claims, damages or related expenses arising from any non-Tax claim).

(c) To the extent the Borrowers fail to pay any amount required to be paid by them to the Administrative Agent (or any sub-agent thereof), the Canadian Administrative Agent (or any sub-agent thereof), any Issuing Bank or the Swingline Lender, or any Related Party of any of the foregoing, under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, the Canadian Administrative Agent, such Issuing Bank, Swingline Lender or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or such sub-agent), the Canadian Administrative Agent (or such sub-agent), such Issuing Bank or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Canadian Administrative Agent (or any such sub-agent), any Issuing Bank or the Swingline Lender in connection with such capacity.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet) or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 10 days after written demand therefor.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Debtors' Investment Banker (to the extent provided in Article VIII), the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents and, to the extent expressly contemplated hereby, the sub-agents of the Administrative Agent and the Canadian Administrative Agent and the Related Parties of any of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower Representative; provided that no consent of the Borrower Representative shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under clause (a) or (b) of Article VII has occurred and is

continuing, any other assignee; provided further that the Borrower Representative shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof;

(B) the Administrative Agent;

(C) the Swingline Lender under any Facility under which a Revolving Commitment is being assigned; and

(D) each Issuing Bank under any Facility under which a Revolving Commitment is being assigned.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment or Loans under a Facility, the amount of the Revolving Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower Representative and the Administrative Agent otherwise consent; provided that no such consent of the Borrower Representative shall be required if an Event of Default under clause (a) or (b) of Article VII has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all lender-group-level information (which may contain material non-public information about the U.S. Borrower, the Subsidiaries and other Affiliates thereof or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including federal, state, provincial, territorial and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Applicable Administrative Agent, acting solely for this purpose as non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time under each Facility (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05, 2.06(d) or (e), 2.07(b), the ninth paragraph of Article VI or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more Eligible Assignees (“Participants”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under the Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(e) (it being understood that the documentation required under Section 2.17(e) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (x) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (y) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.16(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register for the recordation of the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Revolving Commitments or Revolving Loans or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Revolving Commitment or Revolving Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrower and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agents (in their capacity as Administrative Agents) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Revolving Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Revolving Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and the Canadian Administrative Agent and when the Administrative Agent and the Canadian Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Delivery of an executed counterpart of a signature

page of this Agreement by electronic transmission or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized (notwithstanding the provisions of Section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order from, the Court) at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust and tax accounts) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of any Borrower or any Loan Guarantor against any of and all the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmaturing. The applicable Lender shall notify the Borrower Representative and the Administrative Agent of such setoff or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set off or application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09 Governing Law: Jurisdiction; Consent to Service of Process.

(a) EXCEPT TO THE EXTENT SUPERSEDED BY THE BANKRUPTCY CODE, THE LOAN DOCUMENTS (OTHER THAN THOSE CONTAINING A CONTRARY EXPRESS CHOICE OF LAW PROVISION) SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS; PROVIDED THAT APPOINTMENT OF THE APPLICABLE ADMINISTRATIVE AGENT AS *FONDÉ DE POUVOIR* IN ACCORDANCE WITH ARTICLE VIII SHALL BE GOVERNED BY THE LAWS OF THE PROVINCE OF QUEBEC.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of the Court or the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each Loan Party hereby irrevocably and unconditionally agrees that all claims arising out of or relating to this Agreement or any other Loan Document brought by it or any of its Affiliates shall be brought, and shall be heard and determined, in the Court, such New York State or, to the extent permitted by law, in such Federal court. Each party hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any

court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality. Each of the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below) with the same degree of care that it uses to protect its own confidential information, but in no event less than a commercially reasonable degree of care, except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to any Loan Party or any Subsidiary or its obligations, (g) on a confidential basis to any rating agency in connection with rating the Borrowers or the Subsidiaries or the credit facilities provided for herein, (h) with the consent of the Borrower Representative, or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender, or any Affiliate of any of the foregoing, on a non-confidential basis from a source other than the Borrowers; provided that, in the case of clause (c) above, the party disclosing such information shall provide to the Borrower Representative prior written notice of such disclosure to the extent permitted by applicable law (and to the extent commercially feasible under the circumstances) and shall cooperate with the Borrower Representative, at the Borrower Representative's sole expense, in obtaining a protective order for, or other

confidential treatment of, such disclosure, in each case at the Borrower Representative's sole expense. For the purposes of this Section, "Information" means all information received from the Borrowers relating to Parent or any Subsidiary or their businesses or the Collateral, other than any such information that is available to the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender, or any Affiliate of any of the foregoing, on a non-confidential basis prior to disclosure by the Borrowers; provided that, in the case of information received from the Borrowers after the Effective Date, such information is clearly identified at the time of delivery as confidential.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING PARENT, THE SUBSIDIARIES AND ITS OTHER AFFILIATES AND THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE APPLICABLE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE LENDER-GROUP-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION CONCERNING PARENT, THE SUBSIDIARIES AND ITS OTHER AFFILIATES AND THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE APPLICABLE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN SUCH MATERIAL NONPUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Anything contained in this Agreement to the contrary notwithstanding, neither any Issuing Bank nor any Lender shall be obligated to extend credit to the Borrowers in violation of applicable law.

SECTION 9.14 USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Borrowers and the Loan Guarantors that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers and the Loan Guarantors, which information includes the names and addresses of the Borrowers and the Loan Guarantors and other information that will allow such Lender to identify the Borrowers and the Loan Guarantors in accordance with the Patriot Act.

SECTION 9.15 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Lenders, in assets which, in accordance with Article 9 of the UCC, the PPSA or any other applicable law can be perfected only by possession. Should any Lender (other than the Administrative Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

SECTION 9.16 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.17 No Fiduciary Relationship. Each Loan Party, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Loan Parties, the Subsidiaries and their other respective Affiliates, on the one hand, and the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Loan Parties, the Subsidiaries and their other respective Affiliates, and none of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks or their Affiliates has any obligation to disclose any of such interests to the Loan Parties, the Subsidiaries or their other respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby agrees not to assert any claims against the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates based on any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.18 Intercreditor Agreement. The Lenders and the Issuing Banks acknowledge that the obligations of the U.S. Borrowers under the Term Credit Agreement are secured by Liens on assets of the U.S. Borrowers that constitute Collateral and that the relative Lien priority and other creditor rights of the Lender Parties hereunder and the secured parties under the Term Credit Agreement will be set forth in the Intercreditor Agreement. Each Lender and Issuing Bank hereby acknowledges that it has received a copy of the Intercreditor Agreement and the Intercreditor Acknowledgment. Each Lender and Issuing Bank hereby irrevocably (a) consents to the subordination of the Liens on the Term Priority Collateral securing the Secured Obligations on the terms set forth in the Intercreditor Agreement, (b) authorizes and directs the Administrative Agent to execute and deliver the Intercreditor Agreement, the Intercreditor Acknowledgment and any documents relating thereto, in each case on behalf of such Lender or Issuing Bank and without any further consent, authorization or other action by such Lender or Issuing Bank, (c) agrees that, upon the execution and delivery thereof, such Lender or Issuing Bank will be bound by the provisions of the Intercreditor Agreement as if it were a signatory thereto and will take no actions contrary to the provisions of the Intercreditor Agreement and (d) agrees that no Lender or Issuing Bank shall have any right of action whatsoever against the Administrative Agent as a result of any action taken by the Administrative Agent pursuant to this Section or in accordance with the terms of the Intercreditor Agreement. Each Lender and Issuing Bank hereby further irrevocably authorizes and directs the

Administrative Agent (i) to take such actions as shall be required to release Liens on the Collateral in accordance with the terms of the Intercreditor Agreement and (ii) to enter into such amendments, supplements or other modifications to the Intercreditor Agreement and the Intercreditor Acknowledgment in connection with any extension, renewal, refinancing or replacement of any Secured Obligations or the Term Credit Agreement as are reasonably acceptable to the Administrative Agent to give effect thereto, in each case on behalf of such Lender or Issuing Bank and without any further consent, authorization or other action by such Lender or Issuing Bank. The Administrative Agent shall have the benefit of the provisions of Article VIII with respect to all actions taken by it pursuant to this Section or in accordance with the terms of the Intercreditor Agreement to the full extent thereof. The foregoing provisions are intended as an inducement to the secured parties under the Term Credit Agreement to extend credit to the U.S. Borrowers and such secured parties are intended third party beneficiaries of such provisions.

SECTION 9.19 [Reserved.]

SECTION 9.20 Anti-Money Laundering Legislation.

(a) Each Loan Party acknowledges that, pursuant to the Proceeds of Crime Act and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws in each relevant jurisdiction (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Administrative Agent, the Canadian Administrative Agent, the Lenders and the Issuing Banks may be required to obtain, verify and record information regarding the Loan Parties and their respective directors, authorized signing officers and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or any prospective assignee or participant of a Lender, any Issuing Bank, the Administrative Agent or the Canadian Administrative Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent or Canadian Administrative Agent has ascertained the identity of any Loan Party or any authorized signatories of such Loan Party for the purposes of applicable AML Legislation, then the Administrative Agent or Canadian Administrative Agent:

(i) shall be deemed to have done so as an agent for each Issuing Bank and each Lender, and this Agreement shall constitute a “written agreement” in such regard between such Issuing Bank or such Lender and the Administrative Agent or Canadian Administrative Agent within the meaning of the applicable AML Legislation; and

(ii) shall provide to each Issuing Bank and each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender and each Issuing Bank agrees that neither the Administrative Agent nor the Canadian Administrative Agent have any obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender or Issuing Bank, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

SECTION 9.21 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. Each Loan Party agrees that its obligation in respect of any Original Currency due from it

hereunder shall, notwithstanding any judgment or payment in any Second Currency, be discharged only to the extent that, on the Business Day following the date the Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased, or that could have been so purchased, is less than the amount originally due in the Original Currency after any premium and costs of exchange payable in connection with such purchase, each Loan Party agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Administrative Agent against such loss.

SECTION 9.22 Waiver of Immunity. To the extent that any Loan Party has, or hereafter may be entitled to claim or may acquire, for itself, any Collateral or other assets of the Loan Parties, any immunity (whether sovereign or otherwise) from suit, jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution or otherwise) with respect to itself, any Collateral or any other assets of the Loan Parties, such Loan Party hereby waives such immunity in respect of its obligations hereunder and under any promissory notes evidencing the Loans hereunder and any other Loan Document to the fullest extent permitted by applicable law and, without limiting the generality of the foregoing, agrees that the waivers set forth in this Section shall be effective to the fullest extent now or hereafter permitted under the Foreign Sovereign Immunities Act of 1976 (as amended, and together with any successor legislation) and are, and are intended to be, irrevocable for purposes thereof.

SECTION 9.23 Process Agent. Each Canadian Loan Party hereby irrevocably designates and appoints the Borrower Representative, in the case of any suit, action or proceeding brought in the United States as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents that may be served in any action or proceeding arising out of or in connection with this Agreement or any other Loan Document. Such service may be made by mailing (by registered or certified mail, postage prepaid) or delivering a copy of such process to such Canadian Loan Party in care of the Borrower Representative at the Borrower Representative's address set forth in Section 9.01, and each such Canadian Loan Party hereby irrevocably authorizes and directs the Borrower Representative to accept such service on its behalf. As an alternative method of service, each Canadian Loan Party irrevocably consents to the service of any and all process in any such action or proceeding by the mailing (by registered or certified mail, postage prepaid) of copies of such process to the Borrower Representative or such Canadian Loan Party at its address specified in Section 9.01. Each Canadian Loan Party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

SECTION 9.24 Acknowledgement and Consent to Bail-In. Notwithstanding anything to the contrary in any Loan Document or in any related agreement, arrangement or understanding among the parties hereto, each party hereto acknowledges that any liability of any party to any other party under or in connection with the Loan Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and

(iii) a cancellation of any such liability; and

(b) a variation of any term of any Loan Document to the extent necessary to give effect to any Bail-In Action in relation to any such liability.

ARTICLE X

Loan Guarantee

SECTION 10.01 Guarantee. Each Borrower and each other Loan Party hereby agrees that it is jointly and severally liable for, and absolutely, irrevocably and unconditionally guarantees to the Administrative Agent, the Canadian Administrative Agent, the Lenders, the Issuing Banks and the other Lender Parties the prompt payment and performance when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations and all reasonable costs and expenses including, without limitation, all court costs and attorneys' and paralegals' fees and expenses paid or incurred by the Administrative Agent, the Issuing Banks and the Lenders in endeavoring to collect all or any part of the Secured Obligations from, or in prosecuting any action against, any Borrower, any Loan Guarantor or any other guarantor of all or any part of the Secured Obligations (such costs and expenses, together with the Secured Obligations, being collectively called the "Guaranteed Obligations"). Each Borrower and each other Loan Party further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Guarantee apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of any Lender or Issuing Bank that extended any portion of the Guaranteed Obligations.

SECTION 10.02 Guarantee of Payment. This Guarantee is a Guarantee of payment and not of collection. Each Borrower and each other Loan Party waives any right to require the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party to sue any Borrower, any other Borrower, any other guarantor, or any other Person obligated for all or any part of the Guaranteed Obligations (each, a "Obligated Party"), or to enforce its rights against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 10.03 No Discharge or Diminishment of Guarantee.

(a) Except as otherwise provided for herein, the obligations of each Borrower and each other Loan Party hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any other Loan Party or any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party or its assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other right which any Borrower may have at any time against any Obligated Party, the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender, or any other Person, whether in connection herewith or in any unrelated transaction.

(b) The obligations of each Borrower and each other Loan Party hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of

applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Borrower and each other Loan Party hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection or invalidity of any indirect or direct security for the obligations of any Borrower for all or any part of the Guaranteed Obligations or any obligations of any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Borrower, such other Loan Party or that would otherwise operate as a discharge of any Borrower as a matter of law or equity (other than the payment in full in cash of the Guaranteed Obligations).

SECTION 10.04 Defenses Waived. To the fullest extent permitted by applicable law, each Borrower and each other Loan Party hereby waives any defense based on or arising out of any defense of any Borrower or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of any Borrower or such other Loan Party, other than the payment in full in cash of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Borrower and each other Loan Party irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party or any other Person. Each Borrower and each other Loan Party confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Administrative Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Borrower or such other Loan Party under this Guarantee except to the extent the Guaranteed Obligations have been fully and paid in cash. To the fullest extent permitted by applicable law, each Borrower and each other Loan Party waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Borrower or of any other Loan Party against any Obligated Party or any security.

SECTION 10.05 Rights of Subrogation. No Loan Party will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party, or any Collateral, until the Loan Parties have fully performed all their obligations to the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks, the Lenders and the other Lender Parties.

SECTION 10.06 Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower, any other Loan Party or otherwise, such Borrower's and such other Loan Party's obligations under this Guarantee with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Administrative Agent, the

Canadian Administrative Agent, the Issuing Banks, the Lenders or the other Lender Parties are in possession of this Guarantee. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower or any other Loan Party, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Borrowers forthwith on demand by the Administrative Agent.

SECTION 10.07 Information. Each Borrower and each other Loan Party assumes all responsibility for being and keeping itself informed of the other Borrowers' financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Borrower assumes and incurs under this Guarantee, and agrees that none of the Administrative Agent, any Issuing Bank or any Lender shall have any duty to advise any Borrower of information known to it regarding those circumstances or risks.

SECTION 10.08 Taxes. The provisions of Section 2.17 shall apply mutatis mutandis to all payments by the Borrowers of the Guaranteed Obligations.

SECTION 10.09 Maximum Liability. The provisions of this Guarantee are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Borrower under this Guarantee would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Borrower's liability under this Guarantee, then, notwithstanding any other provision of this Guarantee to the contrary, the amount of such liability shall, without any further action by the Borrower or the Lenders, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Borrower's "Maximum Liability"). This Section with respect to the Maximum Liability of each Borrower is intended solely to preserve the rights of the Lenders to the maximum extent not subject to avoidance under applicable law, and no Borrower nor any other Person or entity shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Borrower hereunder shall not be rendered voidable under applicable law. Each Borrower agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Borrower without impairing this Guarantee or affecting the rights and remedies of the Lenders hereunder; provided that nothing in this sentence shall be construed to increase any Borrower's obligations hereunder beyond its Maximum Liability.

SECTION 10.10 Contribution. In the event any Borrower (a "Paying Borrower") shall make any payment or payments under this Guarantee or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Guarantee, each other Borrower (each a "Non-Paying Borrower") shall contribute to such Paying Borrower an amount equal to such Non-Paying Borrower's Applicable Share of such payment or payments made, or losses suffered, by such Paying Borrower. For purposes of this Section, each Non-Paying Borrower's "Applicable Share" with respect to any such payment or loss by a Paying Borrower shall be determined as of the date on which such payment or loss was made by reference to the ratio of (a) such Non-Paying Borrower's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Borrower's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Borrower from the other Borrowers after the Effective Date (whether by loan, capital infusion or by other means) to (b) the aggregate Maximum Liability of all Borrowers hereunder (including such Paying Borrower) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Borrower, the aggregate amount of all monies received by such Borrowers from the other Borrowers after the Effective Date (whether by loan, capital infusion or by other means).

Nothing in this provision shall affect any Borrower's several liability for the entire amount of the Guaranteed Obligations (up to such Borrower's Maximum Liability). Each of the Borrowers covenants and agrees that its right to receive any contribution under this Guarantee from a Non-Paying Borrower shall be subordinate and junior in right of payment to the payment in full in cash of the Guaranteed Obligations. This provision is for the benefit of both the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks, the Lenders and the Borrowers and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

SECTION 10.11 Liability Cumulative. The liability of each Borrower and each other Loan Party under this Article X is in addition to and shall be cumulative with all other liabilities of each Borrower and each other Loan Party to the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders under this Agreement and the other Loan Documents to which such Borrower or such other Loan Party is a party or in respect of any obligations or liabilities of the other Borrowers or other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

ARTICLE XI

[Reserved.]

ARTICLE XII

The Borrower Representative

SECTION 12.01 Appointment; Nature of Relationship. The Company is hereby appointed by each of the Borrowers as its contractual representative (herein referred to as the "Borrower Representative") hereunder and under each other Loan Document, and each of the Borrowers irrevocably authorizes the Borrower Representative to act as the contractual representative of such Borrower with the rights and duties expressly set forth herein and in the other Loan Documents. The Borrower Representative agrees to act as such contractual representative upon the express conditions contained in this Article XII. Additionally, the Borrowers hereby appoint the Borrower Representative as their agent to receive all of the proceeds of the Loans in the Funding Account(s), at which time the Borrower Representative shall promptly disburse such Loans to the appropriate Borrower. The Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders, and their respective Related Parties, shall not be liable to the Borrower Representative or any Borrower for any action taken or omitted to be taken by the Borrower Representative or the Borrowers pursuant to this Section.

SECTION 12.02 Powers. The Borrower Representative shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Borrower Representative by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Borrower Representative shall have no implied duties to the Borrowers, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Borrower Representative.

SECTION 12.03 Employment of Agents. The Borrower Representative may execute any of its duties as the Borrower Representative hereunder and under any other Loan Document by or through authorized officers.

SECTION 12.04 Notices. Each Borrower shall immediately notify the Borrower Representative of the occurrence of any Default hereunder referring to this Agreement describing such Default and stating that such notice is a "notice of default." In the event that the Borrower Representative

receives such a notice, the Borrower Representative shall give prompt notice thereof to the Administrative Agent and the Lenders. Any notice provided to the Borrower Representative hereunder shall constitute notice to each Borrower on the date received by the Borrower Representative.

SECTION 12.05 Successor Borrower Representative. Upon the prior written consent of the Administrative Agent, the Borrower Representative may resign at any time, such resignation to be effective upon the appointment of a successor Borrower Representative. The Administrative Agent shall give prompt written notice of such resignation to the Lenders.

SECTION 12.06 Execution of Loan Documents; Borrowing Base Certificate. The Borrowers hereby empower and authorize the Borrower Representative, on behalf of the Borrowers, to execute and deliver to the Administrative Agent, the Canadian Administrative Agent and the Lenders the Loan Documents and all related agreements, certificates, documents, or instruments as shall be necessary or appropriate to effect the purposes of the Loan Documents, including without limitation, the Borrowing Base Certificates and the Compliance Certificates. Each Borrower agrees that any action taken by the Borrower Representative or the Borrowers in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Borrower Representative of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers.

SECTION 12.07 Reporting. Each Borrower hereby agrees that such Borrower shall furnish promptly after each fiscal month to the Borrower Representative any certificate or report requested by the Borrower Representative, on which the Borrower Representative shall rely to prepare the Borrowing Base Certificates and Compliance Certificates required pursuant to the provisions of this Agreement.

The above-captioned debtors and debtors in possession (collectively, the “Debtors”)² state as follows in support of this motion (this “Motion”):

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto (the “Order”), authorizing Moores The Suit People Corp. (“MSP”) to act as the Foreign Representative on behalf of the Canadian Debtors’ estates in the Canadian Proceeding.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105 and 1505 of the Bankruptcy Code and rules 1075-1 and 9013-1 of the Local Bankruptcy Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on August 2, 2020 (the “Petition Date”). Capitalized terms used but not otherwise defined in this Motion shall have the meanings given to them in the First Day Declaration.

Background

5. The Debtors are a leading specialty retailer of men's tailored clothing and the largest men's formalwear provider in the United States and Canada. The Debtors operate approximately 1400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men's Wearhouse, Men's Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

6. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

Appointment of Foreign Representative

7. Debtors MSP and Moores Retail Group Corp. ("Moores Retail") and, together with MSP, the "Canadian Debtors") are Nova Scotia unlimited liability corporations. MSP, as the proposed Foreign Representative (as defined herein), will seek ancillary relief in Canada shortly on behalf of the Canadian Debtors' estates in a court of proper jurisdiction in Ontario, Canada (the "Canadian Court") pursuant to the Companies' Creditors Arrangement Act (Canada) R.S.C. 1985, c. C-36 (as amended, the CCAA"). The purpose of the ancillary proceeding (the "Canadian Proceeding") is to request that the Canadian Court recognize the Canadian Debtors' chapter 11 cases as "foreign main proceedings" under the applicable provisions of the CCAA to, among other things, protect the Debtors' assets—as well as the interests of any putative creditors—in Canada.

The Canadian Proceeding will allow potential parties in interest in Canada the opportunity to be heard in a convenient forum and ensures coordination and consistency between these proceedings and the Canadian Proceeding.

8. The CCAA provides that MSP requires authority to act as the “foreign representative”³ on behalf of its estate (the “Foreign Representative”) in connection with the Canadian Proceeding in order for the Canadian Proceeding to be commenced. Section 46 of the CCAA provides as follows:

- a. **Application for recognition of a foreign proceeding.** — A foreign representative may apply to the court for recognition of the foreign proceeding in respect of which he or she is a foreign representative.
- b. **Documents that must accompany application.** — . . . the application must be accompanied by . . . (b) a certified copy of the instrument, however designated, authorizing the foreign representative to act in that capacity or a certificate from the foreign court affirming the foreign representative’s authority to act in that capacity

CCAA, R.S.C. 1985, c. C-36, s. 46 (Can.).

9. The Debtors seek entry of an order authorizing MSP to act as Foreign Representative so that it can seek recognition as representative in the Canadian Proceeding, which will allow the Canadian Court to recognize the Canadian Debtors’ chapter 11 cases. If the order is granted, MSP will be able to file the order with the Canadian Court as the instrument authorizing MSP to act as the Foreign Representative pursuant to section 46 of the CCAA.

Basis for Relief

10. Section 1505 of the Bankruptcy Code provides that “[a] trustee or another entity (including an examiner) may be authorized by the court to act in a foreign country on behalf of an

³ A “foreign representative” is defined in section 45(1) of the CCAA to mean “a person or body, including one appointed on an interim basis, who is authorized, in a foreign proceeding respect of a debtor company, to (a) monitor the debtor company’s business and financial affairs for the purpose of reorganization; or (b) act as a representative in respect of the foreign proceeding.”

estate created under section 541. An entity authorized to act under this section may act in any way permitted by the applicable foreign law.” 11 U.S.C. § 1505. Section 1107(a) of the Bankruptcy Code provides, in relevant part, that “a debtor in possession shall have all the rights . . . and powers, and shall perform all the functions and duties . . . of a trustee serving in a case under this chapter.” 11 U.S.C. § 1107(a).

11. Section 1107 of the Bankruptcy Code confers upon Moores, as a debtor in possession, sufficient rights, powers, and duties to act as a Foreign Representative of its estate in the Canadian Proceeding. Entry of an order pursuant to section 1505 of the Bankruptcy Code that explicitly authorizes MSP to act as the Foreign Representative of its estate in the Canadian Proceeding will avoid any possible confusion or doubt regarding its authority and complies with the requirements in section 46 of the CCAA. The relief requested in this Motion allows for coordination between these chapter 11 cases and the Canadian Proceeding, which provides an effective mechanism to protect and maximize the value of the Canadian Debtors’ assets and estates.

12. The relief requested herein is necessary and appropriate, is in the best interests of the Debtors’ estates and creditors, and should be granted in all respects.

Emergency Consideration

13. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors’ operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors’ operations at this critical

juncture and imperil the Debtors' restructuring. The Debtors have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

14. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

15. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties

in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

Notice

16. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; and (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors request that the Court enter the Order, granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

The above-captioned debtors and debtors in possession (collectively, the "Debtors")² state as follows in support of this motion (this "Motion"):

Relief Requested

1. The Debtors seek entry of an order, substantially in the forms attached hereto (the "Order"): (a) authorizing, but not directing, the Debtors to (i) continue honoring their obligations under the prepetition Insurance Policies (as defined herein) and satisfy payment of prepetition obligations related thereto, including the payment of Brokerage Commissions (as defined herein); (ii) renew, supplement, modify, extend, or purchase insurance coverage in the ordinary course of business on a postpetition basis; and (iii) pay the Workers' Compensation Coverage Fees (as defined herein); and (b) granting related relief.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of Texas (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court.

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors' chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the "First Day Declaration"), filed contemporaneously with the Debtors' voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"), on August 2, 2020 (the "Petition Date"). Capitalized terms used but not otherwise defined in this Motion shall have the meanings given to them in the First Day Declaration.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105(a) and 363(b) of the Bankruptcy Code, Bankruptcy Rule, 11 U.S.C. §§ 101–1532, Bankruptcy Rules 6003 and 6004, and rule 9013-1(b) of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

5. The Debtors are a leading specialty retailer of men’s tailored clothing and the largest men’s formalwear provider in the United States and Canada. The Debtors operate approximately 1,400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men’s Wearhouse, Men’s Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

6. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

The Debtors’ Insurance Policies

7. The Debtors maintain approximately 38 insurance policies (collectively, the “Insurance Policies”) administered by multiple third-party insurance carriers (collectively, the “Insurance Carriers”). The Insurance Policies provide coverage for, among other things, the Debtors’ directors’ and officers’ liability, worker’s compensation, commercial property,

automobile liability, crime liability, and cyber liability.³ A schedule of the Insurance Policies is attached to the Order as Exhibit A. During the 12 months preceding the Petition Date, the Debtors paid approximately \$5.6 million in the aggregate on account of premiums in relation to Insurance Policies.

8. The Debtors pay all premium obligations associated with their Insurance Policies (the “Insurance Premiums”) either on a quarterly basis or in full on an annual basis. The Insurance Policies renew throughout the year, either on May 1 or November 1. The Debtors estimate that, as of the Petition Date, there are no outstanding Insurance Premiums due.

9. Under certain Insurance Policies, the Insurance Carriers and third-party administrators may pay claimants directly and then invoice the Debtors or draw funds directly from the Debtors’ bank accounts for reimbursement of such paid claims (collectively, the “Insurance Deductibles”). The Insurance Carriers, therefore, may have prepetition claims against the Debtors due to the prepetition payment of the claims without a corresponding Insurance Deductible. As of the Petition Date, the Debtors do not believe that there are any material prepetition obligations owed to Insurance Carriers relating to Insurance Deductibles, but, out of an abundance of caution, the Debtors seek authority to satisfy any prepetition amounts outstanding in connection with the Insurance Deductibles.

10. Certain of the Insurance Policies are subject to regular audits (the “Insurance Policy Audits”), which may result in an adjustment of Insurance Premiums owed on account thereof. Insurance Policy Audits for prepetition Insurance Premium payments will not conclude until after the Petition Date. As a result, the aggregate amount of the Debtors’ obligation arising from the

³ The descriptions of the Insurance Policies set forth in this Motion constitute a summary only. The actual terms of the Insurance Policies and related agreements will govern in the event of any inconsistency with the descriptions set forth in this Motion.

Insurance Policy Audits is not known at this time. Accordingly, the Debtors seek the authority, but not the direction, to honor any amounts owed on account of any Insurance Policy Audits in the ordinary course of business, subject to applicable caps.

11. Pursuant to this Motion, the Debtors are seeking authority to honor prepetition obligations related to their Insurance Policies, to extend or reduce those Insurance Policies, or to enter into new insurance policies in the ordinary course of business. The ability to maintain the Insurance Policies, to extend or reduce those Insurance Policies, and to enter into new insurance policies, as needed in the ordinary course of business, is essential to the preservation of the value of the Debtors' business, operations, and assets. Moreover, in many instances, coverage provided by the Insurance Policies is required by the regulations, laws, and contracts governing the Debtors' commercial activities, including the requirements of the Office of the United States Trustee for the Southern District of Texas (the "U.S. Trustee") that a debtor maintain adequate coverage given the circumstances of its chapter 11 case.

12. Accordingly, the Debtors request authority to maintain their existing Insurance Policies to the extent appropriate with respect to the Debtors' go-forward operations, to pay prepetition obligations related thereto, to extend or reduce those Insurance Policies, or to enter into new insurance policies in the ordinary course of business.

Workers' Compensation Program

13. The Debtors maintain workers' compensation insurance for their employees at the statutorily required level for each jurisdiction in which the Debtors have employees (collectively, the "Workers' Compensation Program").⁴ The insurance coverage for the Workers'

⁴ Certain states have unique workers' compensation requirements: Ohio requires bimonthly installments; Washington requires quarterly installments; North Dakota requires an annual payment; and Wyoming requires quarterly payments. As more fully described in the Debtors' Emergency Motion Seeking Entry of an Order Authorizing the Debtors to Pay Prepetition Employee Wages, Salaries, Other Compensation, and Reimbursable

Compensation Program is maintained and administered by Safety National Casualty Corp. (“Safety National”). The Debtors pay approximately \$630,000 in premiums and fees annually to maintain the Workers’ Compensation Program (the “Workers’ Compensation Coverage Fees”). As of the Petition Date, the Debtors estimate that there are no outstanding amounts due on account of Workers’ Compensation Coverage Fees but, out of an abundance of caution, the Debtors seek authority to satisfy any prepetition amounts outstanding in connection with the Workers’ Compensation Coverage Fees.

Brokerage Commissions

14. In connection with the Insurance Policies, the Debtors obtain insurance brokerage services from Aon plc (“AON”), Marsh & McLennan Companies, and Willis Towers Watson (collectively, the “Brokers”). The Brokers assist the Debtors in obtaining comprehensive insurance coverage for the Debtors’ operations by aiding with the procurement and negotiation of the Insurance Policies and enabling the Debtors to obtain those policies on advantageous terms at competitive rates. In connection with these services, the Debtors pay the Brokers approximately \$979,000 per year in commissions related to all Insurance Policies (the “Brokerage Commissions”). The Brokerage Commissions constitute part of the Insurance Premiums the Debtors pay associated with their Insurance Policies. In the twelve months immediately preceding the Petition Date, the Debtors paid an aggregate amount of approximately \$1.2 million in Brokerage Commissions to the Brokers. As of the Petition Date, the Debtors estimate that there are no outstanding amounts due on account of the Brokerage Commissions.

Employee Expenses and Continue Employee Programs (the “Wages Motion”), under the Workers Compensation Policy, Safety National negotiates and settles claims against the Debtors by employees. Pursuant to the Wages Motion, the Debtors are seeking authority to continue to administer the Workers’ Compensation Program and modify the automatic stay of Section 362 of the Bankruptcy Code to allow for the continued administration of the Workers’ Compensation Program.

15. Continuation of the services of the Brokers is necessary to assure the Debtors' ability to secure Insurance Policies on advantageous terms at competitive rates, facilitate the proper maintenance of the Debtors' Insurance Policies postpetition, and ensure adequate protection of the Debtors' property for any party in interest. Accordingly, the Debtors request authority to continue paying the Brokerage Commissions, and, to the extent any such prepetition amounts are determined to remain outstanding, the Debtors seek authority to honor any Brokerage Commissions in full to ensure uninterrupted coverage under their Insurance Policies.

Basis for Relief

I. Continuation of the Insurance Policies Is Required by the Bankruptcy Code and the U.S. Trustee Operating Guidelines.

16. Section 1112(b) of the Bankruptcy Code provides that "failure to maintain appropriate insurance that poses a risk to the estate or to the public" is "cause" for mandatory conversion or dismissal of a chapter 11 case. 11 U.S.C. § 1112(b)(4)(C). In addition, in many instances, the coverage provided under the Insurance Policies is required by the regulations, laws, certain credit agreements, and contracts that govern the Debtors' commercial activities, including the operating guidelines issued by the United States Trustee for Region 7 (the "U.S. Trustee Operating Guidelines"). It is essential to their estates, and consistent with the Bankruptcy Code and the U.S. Trustee Operating Guidelines, that the Debtors maintain and continue to make all payments required under their Insurance Policies and have the authority to supplement, amend, extend, renew, or replace their Insurance Policies as needed, in the ordinary course of business, without further order of the Court.⁵

⁵ The Debtors believe that continuation of the Insurance Policies and the ability to supplement, amend, extend, renew, or replace such Insurance Policies is authorized in the ordinary course. 11 U.S.C. § 363(c)(1). The Debtors, therefore, seek such relief out of an abundance of caution given the importance of the Insurance Policies to the protection of their estates.

II. Renewing, Supplementing, Purchasing, or Entering Into New Policies, and Paying Obligations Under the Insurance Policies and Maintaining Insurance Coverage in the Ordinary Course Are Each Warranted.

17. Payment of prepetition obligations is appropriate where necessary to protect and preserve the estate, including an operating business's going-concern value. *See, e.g., In re CoServ*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002); *see also In re Ionosphere Clubs, Inc.*, 98 B.R. 174, 175 (Bankr. S.D.N.Y. 1989) ("The ability of a Bankruptcy Court to authorize the payment of pre-petition debt when such payment is needed to facilitate the rehabilitation of the debtor is not a novel concept."). In doing so, these courts acknowledge that several legal theories rooted in sections 105(a), 363(b), and 1107(a) of the Bankruptcy Code support the payment of prepetition claims as provided herein.

18. Section 363(b) of the Bankruptcy Code permits a debtor, subject to court approval, to pay prepetition obligations where a sound business purpose exists for doing so. *See Ionosphere Clubs*, 98 B.R. at 175 (noting that section 363(b) of the Bankruptcy Code provides "broad flexibility" to authorize a debtor to honor prepetition claims where supported by an appropriate business justification). In addition, under section 1107(a) of the Bankruptcy Code, a debtor in possession has, among other things, the "implied duty . . . 'protect and preserve the estate, including an operating business' going-concern value.'" *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. N.D. Tex. 2004) (quoting *In re CoServ*, 273 B.R. at 497).

19. Under section 105(a) of the Bankruptcy Code, "the Court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of the Bankruptcy Code." 11 U.S.C. § 105(a). The Court's power under section 105(a) to authorize payment of prepetition obligations is popularly referred to as the "necessity of payment" rule (also referred to as the "doctrine of necessity") and has long been recognized as precedent within the Fifth Circuit.

See CoServ, 273 B.R. at 492–93. Today, the rationale for the necessity of payment rule—the rehabilitation of a debtor in reorganization cases—is the paramount policy and goal of chapter 11. *See id.* at 497 (finding that, where claims require satisfaction for the debtor in possession to perform its obligations, the bankruptcy court is able to use section 105 of the Bankruptcy Code to authorize satisfaction of prepetition claims in aid of preservation or enhancement of the estate). Satisfying possible outstanding or future obligations related to the Insurance Policies and the Brokerage Commissions is warranted under the doctrine of necessity.

20. Paying obligations under the Insurance Policies and the Brokerage Commissions is warranted under section 363(b) and the doctrine of necessity. Maintaining the Insurance Policies is necessary to preserve the value of the Debtors’ assets, thereby ensuring the adequate protection of the Debtors’ property for any party in interest, and to minimize exposure to risk. Failing to maintain the Insurance Policies would have a material adverse effect on the ability of the Debtors to maximize the value of their estates.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

21. The Debtors have sufficient funds to pay the amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to cash collateral and debtor in possession financing. Under the Debtors’ existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Insurance Policies or Brokerage Commissions, as applicable. Accordingly, the Debtors believe that checks or wire transfer requests, other than those relating to authorized payments, will not be honored inadvertently. The Debtors respectfully request that the Court authorize and direct all applicable financial

institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

Emergency Consideration

22. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors’ operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors’ operations at this critical juncture and imperil the Debtors’ restructuring. The Debtors have satisfied the “immediate and irreparable harm” standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis.

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

23. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

24. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors’ or any other party in interest’s right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any

particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Notice

25. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition

term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; (l) the Brokers; and (m) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request entry of the Order, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Debtors are authorized, but not directed, on a final basis, to:
 - (i) continue the Insurance Policies identified on Exhibit A here and to pay amounts in connection with any prepetition or postpetition obligations under the Insurance Policies, the Brokerage Commissions, and any other amounts related to the Insurance Policies, including any amounts owed to the Brokers;
 - (ii) renew, amend, supplement, extend, reduce, purchase, or enter into new insurance policies to the extent that the Debtors determine that such action is in the best interest of their estates; *provided*, however, the Debtors will notify the United States Trustee and any statutory committee appointed in these chapter 11 cases if Debtors renew, amend, supplement, extend, terminate, replace, increase, or decrease existing insurance coverage or change insurance carriers, enter into any new premium financing agreements, or obtain additional insurance.

2. The Debtors shall maintain a matrix/schedule of payments made pursuant to this Order, including the following information: (a) the names of the payee; (b) the nature, date and amount of the payment; (c) the category or type of payment, as further described and classified in

the Motion; and (d) the Debtor or Debtors that made the payment. The Debtors shall provide a copy of such matrix/schedule to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases every other 30 days beginning upon entry of this Order.

3. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Order.

4. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief

To the extent there is any inconsistency between the terms of the DIP Order and this Order, the terms of the DIP Order shall control.

6. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Insurance Policies.

7. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

8. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

9. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

and other papers shall be filed in and all further docket entries shall be made in Tailored Brands, Inc., Case No. 20-33900 (MI).

Jurisdiction and Venue

4. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

5. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

6. The bases for the relief requested herein are sections 105(a) and 342(c) of the Bankruptcy Code, Bankruptcy Rule 1015(b), and rules 1015-1 and 9013-1(b) of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

7. The Debtors are a leading specialty retailer of men’s tailored clothing and the largest men’s formalwear provider in the United States and Canada. The Debtors operate approximately 1,400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men’s Wearhouse, Men’s Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

8. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

Basis for Relief

9. Bankruptcy Rule 1015(b) provides, in pertinent part, that “[i]f . . . two or more petitions are pending in the same court by or against . . . a debtor and an affiliate, the court may order a joint administration of the estates.” Fed. R. Bankr. P. 1015. The 18 Debtor entities that commenced chapter 11 cases are “affiliates” as that term is defined in section 101(2) of the Bankruptcy Code. Accordingly, the Bankruptcy Code and Bankruptcy Rules authorize the Court to grant the relief requested herein.

10. Further, Bankruptcy Local Rule 1015-1 provides additional authority for the Court to order joint administration of these chapter 11 cases:

An order of joint administration may be entered, without notice and an opportunity for hearing, upon the filing of a motion for joint administration pursuant to Fed. R. Bankr. P. 1015, supported by an affidavit, declaration or verification, which establishes that the joint administration of two or more cases pending in this Court under title 11 is warranted and will ease the administrative burden for the Court and the parties. An order of joint administration entered in accordance with this Local Rule may be reconsidered upon motion of any party in interest at any time. An order of joint administration under this Local Rule is for procedural purposes only and shall not cause a “substantive” consolidation of the respective debtors’ estates.

Bankruptcy Local Rule 1015-1.

11. Given the integrated nature of the Debtors’ operations, joint administration of these chapter 11 cases will provide significant administrative convenience without harming the substantive rights of any party in interest. Many of the motions, hearings, and orders in these chapter 11 cases will affect each and every Debtor entity. The entry of the Order directing joint administration of these chapter 11 cases will reduce fees and costs by avoiding duplicative filings and objections. Joint administration also will allow the United States Trustee for the Southern District of Texas and all parties in interest to monitor these chapter 11 cases with greater ease and efficiency.

12. Joint administration will not adversely affect the Debtors' respective constituencies because this Motion seeks only administrative, not substantive, consolidation of the Debtors' estates. Parties in interest will not be harmed by the relief requested; instead, parties in interest will benefit from the cost reductions associated with the joint administration of these chapter 11 cases. Joint administration of these chapter 11 cases is in the best interests of the Debtors' estates, their creditors, and all other parties in interest.

Emergency Consideration

13. Pursuant to Bankruptcy Local Rule 9013-1(i), the Debtors respectfully request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case "to the extent that relief is necessary to avoid immediate and irreparable harm." The Motion requests relief from procedural rules and requirements that pertain to matters of immediate significance or which involve deadlines sooner than 21 days after the Petition Date. The relief will save costs and avoid undue administrative burden and confusion only if granted before the applicable deadlines. The Debtors have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and, therefore, respectfully request that the Court approve the relief requested in this Motion on an emergency basis.

Notice

14. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition

ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request entry of the Order, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

The above-captioned debtors and debtors in possession (collectively, the “Debtors”)² state as follows in support of this motion (this “Motion”):

Relief Requested

1. The Debtors seek entry of interim and final orders, substantially in the forms attached hereto (respectively, the “Interim Order” and “Final Order”): (a) approving certain notification and hearing procedures related to certain transfers of, or declarations of worthlessness with respect to, Debtor Tailored Brands, Inc.’s existing common stock or any Beneficial Ownership³ therein (any such record or Beneficial Ownership of common stock, the “Common Stock”), as detailed in **Annex 1** to the Interim Order and Final Order (the “Procedures”); (b) directing that any purchase, sale, other transfer of, or declaration of worthlessness with respect to Common Stock in violation of the Procedures shall be null and void *ab initio*; and (c) granting related relief.

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on August 2, 2020 (the “Petition Date”). Capitalized terms used but not otherwise defined in this Motion shall have the meanings given to them in the First Day Declaration.

³ “Beneficial Ownership” will be determined in accordance with the applicable rules of sections 382 and 383 of the Internal Revenue Code of 1986, 26 U.S.C. §§ 1–9834, as amended (the “IRC”), and the Treasury Regulations thereunder (other than Treasury Regulations section 1.382-2T(h)(2)(i)(A)), and includes direct, indirect, and constructive ownership (*e.g.*, (1) a holding company would be considered to beneficially own all equity securities owned by its subsidiaries, (2) a partner in a partnership would be considered to beneficially own its proportionate share of any equity securities owned by such partnership, (3) an individual and such individual’s family members may be treated as one individual, (4) persons and entities acting in concert to make a coordinated acquisition of equity securities may be treated as a single entity, and (5) a holder would be considered to beneficially own equity securities that such holder has an Option to acquire). An “Option” to acquire stock includes all interests described in Treasury Regulations section 1.382-4(d)(9), including any contingent purchase right, warrant, convertible debt, put, call, stock subject to risk of forfeiture, contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable.

2. The Debtors also request that the Court schedule a final hearing within 21 days of the commencement of these chapter 11 cases, or as soon thereafter as is convenient for the Court, to consider approval of this Motion on a final basis.

Jurisdiction and Venue

3. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 105, 345, 362, 363, 503, 507, and 541 of the Bankruptcy Code, Bankruptcy Rules 6003 and 6004, and rule 9013-1(b) of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

6. The Debtors are a leading specialty retailer of men’s tailored clothing and the largest men’s formalwear provider in the United States and Canada. The Debtors operate approximately 1,400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men’s Wearhouse, Men’s Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

7. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to

sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

The Tax Attributes

8. Generally, a company generates net operating losses (“NOLs”) if the operating expenses it has incurred exceed the revenues it has earned during a single tax year. A company may apply, or “carry forward,” NOLs, tax credits and certain other tax attributes to reduce future tax payments (subject to certain conditions as discussed below).⁴ See IRC §§ 39, 172.

9. The Debtors currently estimate that, as of the Petition Date, they have approximately \$46.9 million of federal NOLs, \$21.1 million of U.S. capital loss carryforwards, \$15.8 million of foreign tax credit carryforwards, \$54.4 million of charitable contribution deduction carryforwards, \$300,000 of Work Opportunity Credit carryforwards and certain other tax attributes (collectively, the “Tax Attributes”).⁵ The Debtors further expect to generate significant additional Tax Attributes in the 2020 tax year. The Tax Attributes are potentially of significant value to the Debtors and their estates because the Debtors may be able to carry forward certain Tax Attributes to offset future taxable income or utilize the Tax Attributes to offset any taxable income generated by transactions consummated during these chapter 11 cases. Accordingly, the value of the Tax Attributes will inure to the benefit of all of the Debtors’ stakeholders.

⁴ In addition, under certain circumstances, certain NOLs may be “carried back” to offset taxable income in prior years.

⁵ Amounts are estimates and are subject to change. The NOL figure includes amounts that the Debtors anticipate may be carried back to prior years. The Tax Attributes also include certain alternative minimum tax loss carryforwards. These carryforwards are not discussed further herein as a result of changes to the treatment of such carryforwards in U.S. federal income tax legislation that was enacted in December 2017.

I. An “Ownership Change” May Negatively Impact the Debtors’ Utilization of the Tax Attributes.

10. Sections 382 and 383 of the IRC limit the amount of federal taxable income and federal tax liability, respectively, that can be offset by a corporation’s tax attributes in taxable years (or portions thereof) following an “ownership change.” Generally, an “ownership change” occurs if the percentage (by value) of the stock of a corporation owned by one or more five-percent shareholders has increased by more than 50 percentage points over the lowest percentage of stock owned by such shareholders at any time during the three-year testing period ending on the date of the ownership change. The total percentage point increases of stock owned by one or more five-percent shareholders within the measuring period is generally referred to as the amount of the “ownership shift.” For example, an ownership change would occur in the following situation:

An individual (“A”) owns 50.1 percent of the stock of corporation XYZ. A sells her 50.1 percent interest to another individual (“B”), who owns 5 percent of XYZ’s stock. Under section 382, an ownership change has occurred because B’s interest in XYZ has increased more than 50 percentage points (from 5 percent to 55.1 percent) during the testing period. The same result would follow even if B owned no XYZ stock prior to the transaction with A because B both becomes a 5-percent shareholder and increases his ownership by more than 50 percentage points during the testing period.

11. It is critical to understand that under these rules, a company can be harmed as a result of actions by parties that are unknown to the company. As noted above, if a person unknown to the company were to acquire more than five percent of the company’s stock, the company would experience an “ownership shift” that could lead to an ownership change. By the time the company discovered who the unidentified shareholder was, the shareholder would have already purchased

the shares and the harm would be done.⁶ Accordingly, for the Procedures (as defined below) to be effective, the Procedures must bind all unknown parties.

12. All parties potentially subject to the procedural relief requested herein are receiving publication notice of the relief. In matters of corporate affairs, publication notice through the filing of Form 8-Ks and similar materials with the SEC is commonplace. As one particularly salient example, companies in certain instances enact charter restrictions to protect their tax attributes. Those charter restrictions impose **substantive** limitations on sales and purchases of equity that are similar to the procedural limitations requested in this Motion. Although such charter restrictions are put to a shareholder vote before being enacted, they always bind unknown parties, in the form of persons that are not shareholders at the time the vote is taken, and do so via the public information that is issued by the company in connection with the adoption of such charter restrictions. The relief requested in this Motion is not being put to a shareholder vote—nor should it be, because the requested relief is intended to maximize the value of the Debtors for all stakeholders—but unlike charter restrictions, the relief requested in this Motion merely implements **procedures** that must be observed before relevant actions are taken.

13. The Debtors appreciate the due process concerns associated with the application of equity trading limitations and procedures of the kind sought by this Motion to unknown parties. However, that is the very dilemma presented by section 382 of the IRC: an unknown person—inherently unidentifiable in advance—can unilaterally buy shares, create an ownership change,

⁶ In general, for purposes of Section 382 of the IRC, companies (including the Debtors) put significant weight on certain reports of equity ownership that are required to be filed with the SEC on a periodic basis. These filings occur *after* stock acquisitions happen, not before, and generally are not required unless and until a shareholder has crossed a 5 percent ownership threshold. Accordingly, companies (including the Debtors) generally have no way to know whether the relevant threshold has been crossed until after the fact. One of the primary purposes of the procedural relief requested herein is to change this dynamic and provide the Debtors with prospective notice and an opportunity to prevent a damaging transaction.

and cause the Debtors to lose a valuable asset. The mechanical operation of the rules under section 382 of the IRC therefore makes it *critical* to the preservation of the Debtors' Tax Attributes that *all* persons—regardless of whether they are known to the Debtors—are bound by the equity trading limitations outlined herein. Indeed, the fact that an unknown person can potentially destroy a debtor's tax assets is a key reason that bankruptcy courts across the country routinely issue equity trading limitations that apply to both known and unknown shareholders.

14. An “ownership change” can also occur as a result of a “worthless stock deduction” claimed by any “50-percent shareholder.” A 50-percent shareholder is any person (or group of people that is treated as a single entity under the applicable rules) that owned 50 percent or more of a corporation's stock “at any time during the 3-year period ending on the last day of the taxable year” with respect to which the worthless stock deduction is claimed. IRC § 382(g)(4)(D). If the 50-percent shareholder still owns the corporation's stock at the end of the taxable year, sections 382 and 383 of the IRC essentially treat the person as newly purchasing the stock on the first day of the next taxable year. For example, if a person with 50 percent of a corporation's stock claims a worthless stock deduction in 2019 (or with respect to the 2019 tax year) but does not sell such stock that year, that person is treated: (a) as not having owned the stock at the end of 2019, and (b) as having purchased the stock on the first day of the 2020 tax year. That deemed purchase would cause an ownership change, because the 50-percent shareholder would be deemed to have a 50-percentage-point increase in its stock ownership. Notably, while the seminal case of *Official Comm. of Unsecured Creditors v. PSS S.S. Co. (In re Prudential Lines Inc.)*, 928 F.2d 565, 573 (2d Cir. 1991), is generally relied upon to support equity trading motions in general, the specific issue in *Prudential Lines* was, in fact, a worthless stock deduction.

15. If an ownership change occurs, section 382 of the IRC limits the amount of a corporation's future taxable income that may be offset by its "pre-change losses" and section 383 of the IRC limits the amount of a corporation's future tax liability that may be offset by its "excess credits," in each case, to an annual amount based on the fair market value of all of the stock of the corporation prior to the ownership change multiplied by the long-term tax exempt rate that applies to the month of the ownership change.⁷ See IRC §§ 382(b) and 383(a). Pre-change losses and excess credits include the Debtors' Tax Attributes and any so-called "realized built-in losses" (as defined in section 382(h)(3) of the IRC). The rules relating to potential limitations on the ability to offset taxable income with such realized built-in losses are highly complex and depend on, among other things, the extent (if any) of a debtor's "net unrealized built-in loss." A net unrealized built-in loss is equal to the excess of the aggregate adjusted basis of all of a corporation's applicable assets over their fair market value (as determined for purposes of section 382 of the IRC) immediately prior to the ownership change. IRC § 382(h)(1)(B). Once a Tax Attribute is limited under section 382 or 383 of the IRC, its use is generally limited forever, or for five years in the case of a net unrealized built-in loss.⁸ Thus, certain transfers or worthless stock deductions with respect to Beneficial Ownership of Common Stock effected before the effective date of the Debtors' emergence from chapter 11 protection may trigger an "ownership change" for IRC purposes, severely endangering the Debtors' ability to utilize the Tax Attributes and causing substantial damage to the Debtors' estates.

⁷ The applicable long-term tax exempt rate changes from month-to-month. For ownership changes occurring in August 2020, the applicable long-term tax exempt rate is 0.89 percent.

⁸ Realized built-in losses that are deducted beginning after the expiration of this five-year "recognition period" are no longer subject to limitation, but any realized built-in losses that are deducted prior to the expiration of such period are limited forever.

16. The Debtors have limited the relief requested herein to the extent necessary to preserve estate value. The proposed Interim Order and Final Order will affect only: (a) holders of the equivalent of Beneficial Ownership of more than 2,200,494 shares of Common Stock⁹ (*i.e.*, 4.5 percent or more of outstanding Common Stock); (b) parties who are interested in purchasing sufficient Common Stock to result in such party becoming a holder of 4.5 percent or more of Beneficial Ownership of outstanding Common Stock; and (c) any “50-percent shareholder” seeking to claim a worthless stock deduction.¹⁰

17. The Debtors seek limited relief that will enable them to closely monitor certain transfers of Beneficial Ownership of Common Stock and certain worthless stock deductions with respect to Beneficial Ownership of Common Stock so as to be in a position to act expeditiously to prevent such transfers or worthlessness deductions, if necessary, with the purpose of preserving the Tax Attributes. By establishing and implementing such Procedures, the Debtors will be in a position to object to “ownership changes” that threaten their ability to preserve the value of their Tax Attributes for the benefit of the estates.

II. Proposed Procedures for Transfers of or Declarations of Worthlessness with Respect to Common Stock.

18. The Procedures are the mechanism by which the Debtors propose that they will monitor and, if necessary, object to certain transfers of Beneficial Ownership of Common Stock and declarations of worthlessness with respect to Beneficial Ownership of Common Stock to

⁹ Based on approximately 48,899,867 shares of Common Stock outstanding for purposes of section 382 of the IRC as of the Petition Date.

¹⁰ The Interim Order provides for an emergency hearing on shortened notice if a specific party wishes to pursue a transaction that would run afoul of the limitations imposed by this Motion. This provision mirrors similar provisions approved by this Court in other cases while still having the relief requested in this Motion apply to both identifiable and unidentifiable parties.

 - ii. If the Debtors timely object, the filing of the tax return or amendment thereto with such claim will not be permitted unless approved by a final and non-appellable order of the Court, unless the Debtors withdraw such objection.
 - iii. If the Debtors do not object within such 20-day period, the filing of the return or amendment with such claim will be permitted solely as described in the Declaration of Intent to Claim a Worthless Stock Deduction. Additional returns and amendments within the scope of this section must be the subject of additional notices as set forth herein, with an additional 20-day waiting period. To the extent that the Debtors receive an appropriate Declaration of Intent to Claim a Worthless Stock Deduction and determine in their business judgment not to object, they shall provide notice of that decision as soon as is reasonably practicable to any statutory committee(s) appointed in these chapter 11 cases.

Notice Procedures

- a. No later than two business days following entry of the Interim Order, the Debtors shall serve a notice by first class mail, substantially in the form of

Annex 1F attached to these Procedures (the “Notice of Interim Order”), on: (i) the United States Trustee for the Southern District of Texas; (ii) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (iii) the Internal Revenue Service; (iv) the United States Securities and Exchange Commission; (v) the Prepetition ABL Agent and the DIP Agent; (vi) any official committees appointed in these chapter 11 cases; (vii) the Office of the United States Attorney for the Southern District of Texas; (viii) the state attorneys general for states in which the Debtors conduct business; (ix) the registered and nominee holders of the Common Stock (with instructions to serve down to the beneficial holders of Common Stock, as applicable); (x) any known beneficial holders of common stock; (xi) any other parties served with notice of the motion; and (xii) any party who has entered a notice of appearance in this case. Additionally, no later than two business days following entry of the Final Order, the Debtors shall serve a Notice of Interim Order modified to reflect that the Final Order has been entered (as modified, the “Notice of Final Order”) on the same entities that received the Notice of Interim Order.¹⁴

- b. All registered and nominee holders of Common Stock shall be required to serve the Notice of Interim Order or Notice of Final Order, as applicable, on any holder for whose benefit such registered or nominee holder holds such Common Stock down the chain of ownership for all such holders of Common Stock.
- c. Any entity, individual or broker or agent acting on such entity’s or individual’s behalf who sells Common Stock to another entity shall be required to serve a copy of the Notice of Interim Order or Notice of Final Order, as applicable, on such purchaser of such Common Stock, or any broker or agent acting on such purchaser’s behalf.
- d. As soon as is practicable following entry of the Interim Order, the Debtors shall (i) submit a copy of the Notice of Interim Order (modified for publication) for publication in *The New York Times* (national edition) and (ii) file a Form 8-K with a reference to the entry of the Interim Order.
- e. To the extent confidential information is required in any declaration described in these Procedures, such confidential information may be filed and served in redacted form; *provided* that any such declarations served on

To the extent confidential information is necessary to respond to a petitioner objection filed with the Court, such confidential information shall be filed under seal or in a redacted form.

Basis for Relief

19. Section 541 of the Bankruptcy Code provides that property of the estate comprises, among other things, “all legal or equitable interests of the debtor in property as of the commencement of the case.” 11 U.S.C. § 541. The Tax Attributes are property of the Debtors’ estates. *Official Comm. of Unsecured Creditors v. PSS Steamship Co. (In re Prudential Lines Inc.)*, 928 F.2d 565, 573 (2d Cir. 1991) (“We hold that the right to a carryforward attributable to its . . . NOL was property of [the debtor’s] bankruptcy estate.”), *cert. denied*, 502 U.S. 821 (1991); *In re Delta Air Lines, Inc.*, No. 05-17923 (PCB) (Bankr. S.D.N.Y. Sept. 16, 2005) (finding that NOLs are property of the debtors’ estates). Section 362(a)(3) of the Bankruptcy Code stays “any act to obtain possession of property of the estate or of property from the estate or to exercise control over property of the estate.” 11 U.S.C. § 362(a)(3). Accordingly, any act of a holder of a debtor’s equity securities that causes the termination or limits use of the Tax Attributes violates the automatic stay. *See, e.g., Prudential Lines*, 928 F.2d at 574 (holding that causing the termination of or adversely affecting the value of a debtor’s NOL violates the automatic stay); *In re Phar-Mor, Inc.*, 152 B.R. 924, 927 (Bankr. N.D. Ohio 1993) (“[T]he sale of stock is prohibited by § 362(a)(3) as an exercise of control over the NOL, which is property of the estate”).

20. Implementation of the Procedures is necessary and appropriate to enforce the automatic stay and, critically, to preserve the value of the Tax Attributes for the benefit of the Debtors' estates. Under section 382 and 383 of the IRC, certain transfers of or declarations of worthlessness with respect to Beneficial Ownership of Common Stock prior to the consummation of a chapter 11 plan could cause the termination or limit the use of the Tax Attributes. The Tax Attributes described above may provide the potential for material future tax savings (including in post-emergence years) or other tax structuring possibilities in these chapter 11 cases. The termination or limitation of the Tax Attributes could be materially detrimental to all parties in interest, including by potentially limiting the Debtors' ability to utilize certain structures to consummate a plan. Thus, the relief requested herein will preserve the Debtors' flexibility in operating the Debtors' business during the pendency of these chapter 11 cases and implementing a transaction that makes full and efficient use of the Tax Attributes and maximizes the value of the Debtors' estates.

21. The Procedures do not bar all transfers of or declarations of worthlessness with respect to Beneficial Interests of Common Stock. The Debtors seek to establish procedures only to monitor those types of transactions that would pose a serious risk under the ownership change test pursuant to sections 382 and 383 of the IRC, and to preserve the Debtors' ability to seek substantive relief if it appears that a proposed transfer or declaration of worthlessness could jeopardize the Debtors' utilization of the Tax Attributes. Because of the Tax Attributes' importance to the Debtors' restructuring, and thus all parties in interest, the benefits of implementing the Procedures outweigh subjecting a limited subset of transfers to the Procedures.

Emergency Consideration

22. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors’ operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors’ operations at this critical juncture and imperil the Debtors’ restructuring. The Debtors have satisfied the “immediate and irreparable harm” standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis..

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

23. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

24. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors’ or any other party in interest’s right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim

or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

Notice

25. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the

Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; (l) any official committees appointed in these chapter 11 cases; (m) the registered and nominee holders of the Common Stock (with instructions to serve down to the beneficial holders of Common Stock, as applicable); and (n) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request entry of the Interim Order and Final Order, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The final hearing (the "Final Hearing") on the Motion shall be held on _____, 2020, at ____:____.m., prevailing Central Time. Any objections or responses to entry of a final order on the Motion shall be filed on or before 4:00 p.m., prevailing Central Time, on _____, 2020. In the event no objections to entry of the Final Order on the Motion are timely received, this Court may enter such Final Order without need for the Final Hearing.

2. The Procedures, as set forth in Annex 1 attached hereto, are approved.

3. Any transfer of or declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, shall be null and void *ab initio*.

In the case of any such transfer of Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, the person or entity making such transfer shall be required to take remedial actions specified by the Debtors, which may include the actions specified in Private Letter Ruling 201010009 (Dec. 4, 2009), to appropriately reflect that such transfer is null and void *ab initio*.

5. In the case of any such declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures, including the notice requirements,

the person or entity making such declaration shall be required to file an amended tax return revoking such declaration and any related deduction to appropriately reflect that such declaration is void *ab initio*.

6. Pending the Final Hearing on [_____], 2020, any person or entity subject to the Procedures (*e.g.*, any person who is a Substantial Shareholder or would become a Substantial Shareholder and any person who is or becomes a 50-Percent Shareholder) may file a motion and request an emergency hearing to obtain relief from this Interim Order. The Court may consider any such request for emergency relief on less than twenty-four hours' notice.

7. The Debtors may retroactively or prospectively waive any and all restrictions, stays, and notification procedures set forth in the Procedures.

8. To the extent that this Interim Order is inconsistent with any prior order or pleading with respect to the Motion in these chapter 11 cases (not including the DIP Order (as defined below)), the terms of this Interim Order shall govern.

9. Notwithstanding anything to the contrary in this Interim Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Interim Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/ or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. Clark; and (ix) to the extent not listed herein, those parties requesting notice pursuant to Bankruptcy Rule 20002 (collectively, the "Notice Parties"), a declaration of such status, substantially in the form of Annex 1A attached to these Procedures (each, a "Declaration of Status as a Substantial Shareholder"), on or before the later of (A) twenty calendar days after the date of the Notice of Interim Order (as defined herein), or (B) ten calendar days after becoming a Substantial Shareholder; *provided* that, for the avoidance of doubt, the other procedures set forth herein shall apply to any Substantial Shareholder even if no Declaration of Status as a Substantial Shareholder has been filed.
- b. Prior to effectuating any transfer of Beneficial Ownership of Common Stock that would result in an increase in the amount of Common Stock of which a Substantial Shareholder has Beneficial Ownership or would result in an entity or individual becoming a Substantial Shareholder, the parties to such transaction must file with the Court, and serve upon the Notice Parties, an advance written declaration of the intended transfer of Common Stock,

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

substantially in the form of **Annex 1B** attached to these Procedures (each, a “Declaration of Intent to Accumulate Common Stock”).

- c. Prior to effectuating any transfer of Beneficial Ownership of Common Stock that would result in a decrease in the amount of Common Stock of which a Substantial Shareholder has Beneficial Ownership or would result in an entity or individual ceasing to be a Substantial Shareholder, the parties to such transaction must file with the Court, and serve upon the Notice Parties, an advance written declaration of the intended transfer of Common Stock, substantially in the form of **Annex 1C** attached to these Procedures (each, a “Declaration of Intent to Transfer Common Stock,” and together with a Declaration of Intent to Accumulate Common Stock, each a “Declaration of Proposed Transfer”).
- d. The Debtors shall have twenty calendar days after receipt of a Declaration of Proposed Transfer to file with the Court and serve on such Substantial Shareholder or potential Substantial Shareholder an objection to any proposed transfer of Beneficial Ownership of Common Stock described in the Declaration of Proposed Transfer on the grounds that such transfer might adversely affect the Debtors’ ability to utilize their Tax Attributes. If the Debtors timely file an objection, such transaction will remain ineffective unless such objection is withdrawn by the Debtors or such transaction is approved by a final and non-appealable order of the Court. If the Debtors do not object within such 20-day period, such transaction can proceed solely as set forth in the Declaration of Proposed Transfer. Further transactions within the scope of this paragraph must be the subject of additional notices in accordance with the procedures set forth herein, with an additional 20-day waiting period for each Declaration of Proposed Transfer.
- e. For purposes of these Procedures a “Substantial Shareholder” is any entity or individual that has direct or indirect Beneficial Ownership of at least 2,200,494 shares of Common Stock (representing approximately 4.5 percent of all issued and outstanding shares of Common Stock).²

Procedures for Declarations of Worthlessness of Common Stock

- a. Any person or entity that currently is or becomes a 50-Percent Shareholder³ must file with the Court and serve upon the Notice Parties a declaration of such status as a 50-Percent Shareholder, substantially in the form attached to these Procedures as **Annex 1D** (each, a “Declaration of Status as a

² Based on approximately 48,899,867 shares of Common Stock outstanding for purposes of section 382 of the IRC as of the Petition Date.

³ For purposes of the Procedures, a “50-Percent Shareholder” is any person or entity that at any time since December 31, 2016, has owned Beneficial Ownership of 50 percent or more of the Common Stock of the Debtors (determined in accordance with section 382(g)(4)(D) of the IRC and the applicable Treasury Regulations thereunder).

50-Percent Shareholder”), on or before the later of (i) twenty calendar days after the date of the Notice of Interim Order, and (ii) ten calendar days after becoming a 50-Percent Shareholder; *provided* that, for the avoidance of doubt, the other procedures set forth herein shall apply to any 50-Percent Shareholder even if no Declaration of Status as a 50-Percent Shareholder has been filed.

- b. Prior to filing any federal or state tax return, or any amendment to such a return, or taking any other action that claims any deduction for worthlessness of Beneficial Ownership of Common Stock for a taxable year ending before the Debtors’ emergence from chapter 11 protection, such 50-Percent Shareholder must file with the Court and serve upon the Notice Parties a declaration of intent to claim a worthless stock deduction (a “Declaration of Intent to Claim a Worthless Stock Deduction”), substantially in the form attached to the Procedures as **Annex 1E**.
 - i. The Debtors shall have twenty calendar days after receipt of a Declaration of Intent to Claim a Worthless Stock Deduction to file with the Court and serve on such 50-Percent Shareholder an objection to any proposed claim of worthlessness described in the Declaration of Intent to Claim a Worthless Stock Deduction on the grounds that such claim might adversely affect the Debtors’ ability to utilize their Tax Attributes.
 - ii. If the Debtors timely object, the filing of the tax return or amendment thereto with such claim will not be permitted unless approved by a final and non-appealable order of the Court, unless the Debtors withdraw such objection.
 - iii. If the Debtors do not object within such 20-day period, the filing of the return or amendment with such claim will be permitted solely as described in the Declaration of Intent to Claim a Worthless Stock Deduction. Additional returns and amendments within the scope of this section must be the subject of additional notices as set forth herein, with an additional 20-day waiting period. To the extent that the Debtors receive an appropriate Declaration of Intent to Claim a Worthless Stock Deduction and determine in their business judgment not to object, they shall provide notice of that decision as soon as is reasonably practicable to any statutory committee(s) appointed in these chapter 11 cases.

Notice Procedures

- a. No later than two business days following entry of the Interim Order, the Debtors shall serve a notice by first class mail, substantially in the form of **Annex 1F** attached to these Procedures (the “Notice of Interim Order”), on: (i) the United States Trustee for the Southern District of Texas; (ii) the

holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (iii) the Internal Revenue Service; (iv) the United States Securities and Exchange Commission; (v) the Prepetition ABL Agent and the DIP Agent; (vi) any official committees appointed in these chapter 11 cases; (vii) the Office of the United States Attorney for the Southern District of Texas; (viii) the state attorneys general for states in which the Debtors conduct business; (ix) the registered and nominee holders of the Common Stock (with instructions to serve down to the beneficial holders of Common Stock, as applicable); (x) known beneficial holders of common stock; (xi) any other parties served with notice of the motion; and (xii) any party who has entered a notice of appearance in this case. Additionally, no later than two business days following entry of the Final Order, the Debtors shall serve a Notice of Interim Order modified to reflect that the Final Order has been entered (as modified, the “Notice of Final Order”) on the same entities that received the Notice of Interim Order.

- b. All registered and nominee holders of Common Stock shall be required to serve the Notice of Interim Order or Notice of Final Order, as applicable, on any holder for whose benefit such registered or nominee holder holds such Common Stock down the chain of ownership for all such holders of Common Stock.
- c. Any entity, individual or broker or agent acting on such entity’s or individual’s behalf who sells Common Stock to another entity shall be required to serve a copy of the Notice of Interim Order or Notice of Final Order, as applicable, on such purchaser of such Common Stock, or any broker or agent acting on such purchaser’s behalf.
- d. other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Procedures, as set forth in Annex 1 attached hereto, are approved.
2. Any transfer of or declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, shall be null and void *ab initio*.
3. In the case of any such transfer of Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, the person or entity making such transfer shall be required to take remedial actions specified by the Debtors, which may include the actions specified in Private Letter Ruling 201010009 (Dec. 4, 2009), to appropriately reflect that such transfer is null and void *ab initio*.
4. In the case of any such declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures, including the notice requirements, the person or entity making such declaration shall be required to file an amended tax return revoking such declaration and any related deduction to appropriately reflect that such declaration is void *ab initio*.
5. The Debtors may retroactively or prospectively waive any and all restrictions, stays, and notification procedures set forth in the Procedures.

6. To the extent that this Final Order is inconsistent with any prior order or pleading with respect to the Motion in these chapter 11 cases (not including the DIP Order (as defined below)), the terms of this Final Order shall govern.

7. Notwithstanding anything contrary in this Final Order, any payment made or action taken by any Debtors pursuant to the authority granted in this Final Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Final Order, the terms of the DIP Order shall control.

8. Nothing herein shall preclude any person desirous of acquiring Common Stock from requesting relief from this Final Order from this Court, subject to the Debtors' rights to oppose such relief.

9. The requirements set forth in this Final Order are in addition to the requirements of applicable law and do not excuse compliance therewith.

10. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Final Order or a finding that any particular claim is an administrative expense claim or other

priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested authorized in this Final Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

11. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

12. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

13. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

14. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

If the Debtors timely file an objection, such transaction will remain ineffective unless such objection is withdrawn by the Debtors or such transaction is approved by a final and non-appealable order of the Court. If the Debtors do not object within such 20-day period, such transaction can proceed solely as set forth in the Declaration of Proposed Transfer. Notice Procedures

- a. No later than two business days following entry of the Final Order, the Debtors shall serve a notice by first class mail, substantially in the form of **Annex 1F** attached to these Procedures (the “Notice of Final Order”), on: (i) the United States Trustee for the Southern District of Texas; (ii) the

- b. All registered and nominee holders of Common Stock shall be required to serve the Notice of Final Order on any holder for whose benefit such registered or nominee holder holds such Common Stock down the chain of ownership for all such holders of Common Stock.
- c. Any entity, individual or broker or agent acting on such entity's or individual's behalf who sells Common Stock to another entity shall be required to serve a copy of the Notice of Final Order on such purchaser of such Common Stock, or any broker or agent acting on such purchaser's behalf.
- d. To the extent confidential information is required in any declaration described in these Procedures, such confidential information may be filed and served in redacted form; *provided* that any such declarations served on the Debtors ***shall not*** be in redacted form. The Debtors shall keep all information provided in such declarations strictly confidential and shall not disclose the contents thereof to any person except (i) to the extent necessary to respond to a petition or objection filed with the Court; (ii) to the extent otherwise required by law; or (iii) to the extent that the information contained therein is already public; *provided* that the Debtors may disclose the contents thereof to their professional advisors, who shall keep all such notices strictly confidential and shall not disclose the contents thereof to any other person, subject to further Court order. To the extent confidential information is necessary to respond to a petitioner objection filed with the Court, such confidential information shall be filed under seal or in a redacted form.

Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The final hearing (the "Final Hearing") on the Motion shall be held on August 27, 2020, at 3:30 p.m., prevailing Central Time. Any objections or responses to entry of a final order on the Motion shall be filed on or before 4:00 p.m., prevailing Central Time, on August 27, 2020. In the event no objections to entry of the Final Order on the Motion are timely received, this Court may enter such Final Order without need for the Final Hearing.

2. The Procedures, as set forth in Annex 1 attached hereto, are approved.

3. Any transfer of or declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, shall be null and void *ab initio*.

4. In the case of any such transfer of Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, the person or entity making such transfer shall be required to take remedial actions specified by the Debtors, which may include the actions specified in Private Letter Ruling 201010009 (Dec. 4, 2009), to appropriately reflect that such transfer is null and void *ab initio*.

5. In the case of any such declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures, including the notice requirements,

the person or entity making such declaration shall be required to file an amended tax return revoking such declaration and any related deduction to appropriately reflect that such declaration is void *ab initio*.

6. Pending the Final Hearing on August 27, 2020, any person or entity subject to the Procedures (*e.g.*, any person who is a Substantial Shareholder or would become a Substantial Shareholder and any person who is or becomes a 50-Percent Shareholder) may file a motion and request an emergency hearing to obtain relief from this Interim Order. The Court may consider any such request for emergency relief on less than twenty-four hours' notice.

7. The Debtors may retroactively or prospectively waive any and all restrictions, stays, and notification procedures set forth in the Procedures.

8. To the extent that this Interim Order is inconsistent with any prior order or pleading with respect to the Motion in these chapter 11 cases (not including the DIP Order (as defined below)), the terms of this Interim Order shall govern.

9. Notwithstanding anything to the contrary in this Interim Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Interim Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/ or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Interim Order, the terms of the DIP Order shall control.

10. The requirements set forth in this Interim Order are in addition to the requirements of all applicable law and do not excuse compliance therewith.

11. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Interim Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Interim Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

12. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto (the “Order”), authorizing the Debtors to employ and retain Prime Clerk LLC (“Prime Clerk”) as claims, noticing, and solicitation agent (the “Claims and Noticing Agent”) in the Debtors’ chapter 11 cases. The Debtors request entry of an order to authorize the Debtors to employ and retain the Claims and Noticing Agent to, among other tasks: (a) serve as the noticing agent to mail notices to the estates’ creditors, equity security holders, and other parties in interest; (b) provide computerized claims, objection, solicitation, and balloting-related services; and (c) provide expertise, consultation, and assistance in claim and ballot processing and other administrative services with respect to these chapter 11 cases. In support of this Application, the Debtors submit the *Declaration of Benjamin J. Steele, Vice President of Prime Clerk, in Support of the Debtors’ Emergency Application for Entry of an Order Authorizing the Employment and Retention of Prime Clerk LLC as Claims, Noticing, and Solicitation Agent* (the “Steele Declaration”), attached hereto.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on August 2, 2020 (the “Petition Date”). Capitalized terms used but not otherwise defined in this Application shall have the meanings given to them in the First Day Declaration.

rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are 28 U.S.C. § 156(c), sections 105(a), 327, 328(a), and 1107 of title 11 of the Bankruptcy Code, 11 U.S.C. §§ 101–1532, Bankruptcy Rules 2002(f), 2014(a), 2016, and 6003, and rule 9013-1(b) of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

5. The Debtors are a leading specialty retailer of men’s tailored clothing and the largest men’s formalwear provider in the United States and Canada. The Debtors operate approximately 1,400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men’s Wearhouse, Men’s Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

6. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

Basis for Relief

7. The Debtors request entry of the Order to employ and retain Prime Clerk as the Claims and Noticing Agent for the Debtors and their chapter 11 cases, to, among other tasks:

(a) serve as the noticing agent to mail notices to the Debtors' creditors, equity security holders, and parties in interest; (b) provide computerized claims, objection, solicitation, and balloting database services; and (c) provide expertise, consultation, and assistance in claim and ballot processing and other administrative services with respect to the Debtors' chapter 11 cases, pursuant to the provisions of the engagement agreement attached hereto (the "Engagement Agreement"). The Debtors' selection of Prime Clerk to act as the Claims and Noticing Agent is appropriate under the circumstances and in the best interest of the Debtors' estates. Based on all engagement proposals obtained and reviewed, Prime Clerk's rates are competitive and reasonable given Prime Clerk's quality of services and expertise. The terms of Prime Clerk's retention are set forth in the Engagement Agreement.

8. The Debtors anticipate that schedules of assets and liabilities and statements of financial affairs (collectively, the "Schedules and Statements") will be filed in these chapter 11 cases and that there will be thousands of parties to be noticed and that many of these parties will file claims. In view of the number of anticipated notice parties and the complexity of the Debtors' businesses, the appointment of a claims and noticing agent (a) will provide the most effective and efficient means of, and relieve the Debtors and/or the Office of the Clerk of the Bankruptcy Court (the "Clerk") of the administrative burden of, noticing, administering claims, and soliciting and tabulating votes and (b) is in the best interests of the Debtors, their estates, their creditors, and other parties in interest.

Prime Clerk's Qualifications

9. Prime Clerk is comprised of leading industry professionals with significant experience in both the legal and administrative aspects of large, complex chapter 11 cases. Prime Clerk's professionals have experience in noticing, claims administration, solicitation, balloting,

and facilitating other administrative aspects of chapter 11 cases and experience in matters of this size and complexity. Prime Clerk's professionals have acted as debtor's counsel or official claims and noticing agent in many large bankruptcy cases in various districts nationwide. - (cc) provide such other processing, solicitation, balloting, and other administrative services described in the Engagement Agreement, that may be requested from time to time by the Debtors, the Court, or the Clerk.

Professional Compensation

11. The Debtors respectfully request that the undisputed fees and expenses incurred by Prime Clerk in the performance of the above Services be treated as administrative expenses of the Debtors' chapter 11 estates pursuant to 28 U.S.C. § 156(c) and section 503(b)(1)(A) of the Bankruptcy Code and be paid in the ordinary course of business pursuant to the Engagement Agreement without further application to or order of the Court.

12. Prime Clerk agrees to maintain records of all services showing dates, categories of services, fees charged, and expenses incurred, and to serve, no less frequently than monthly, invoices on the Debtors, the Office of the United States Trustee, counsel for the Debtors, counsel for any official committee monitoring the expenses of the Debtors, and any party in interest who specifically requests service of the monthly invoices. If any dispute arises relating to the Engagement Agreement or monthly invoices, the parties shall meet and confer in an attempt to resolve the dispute. If resolution is not achieved, the parties may seek resolution of the matter from this Court.

13. Prior to the Petition Date, the Debtors provided Prime Clerk an advance in the amount of \$75,000. Prime Clerk seeks to first apply the advance to all prepetition invoices, and thereafter, to have the advance replenished to the original advance amount, and thereafter, to hold the advance under the Engagement Agreement during these chapter 11 cases as security for the payment of fees and expenses incurred under the Engagement Agreement.

14. Under the terms of the Engagement Agreement, the Debtors agreed to indemnify and hold harmless Prime Clerk and its members, directors, officers, employees, representatives, affiliates, consultants, subcontractors, and agents under certain circumstances specified in the Engagement Agreement, except in circumstances resulting from Prime Clerk's bad faith, gross negligence, fraud, willful misconduct, or as otherwise provided in the Order. The Debtors believe

that such an indemnification obligation is customary, reasonable, and necessary to retain the services of a claims and noticing agent in these chapter 11 cases.

Disinterestedness

15. Prime Clerk has reviewed its electronic database to determine whether it has any relationships with the creditors and parties in interest provided by the Debtors, and, to the best of the Debtors' knowledge, information, and belief, and except as disclosed in the Steele Declaration, Prime Clerk represents that it neither holds nor represents any interest materially adverse to the Debtors' estates in connection with any matter on which it would be employed.

16. To the best of the Debtors' knowledge, Prime Clerk is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, as Prime Clerk represents in the Steele Declaration, among other things, that:

- (a) Prime Clerk, its members, and employees are not and were not, within two years before the date of the filing of these chapter 11 cases, creditors, equity security holders, insiders, or employees of the Debtors;
- (b) Prime Clerk will not consider itself employed by the United States government and shall not seek any compensation from the United States government in its capacity as the Claims and Noticing Agent in these chapter 11 cases;
- (c) by accepting employment in these chapter 11 cases, Prime Clerk waives any rights to receive compensation from the United States government in connection with these chapter 11 cases;
- (d) in its capacity as the Claims and Noticing Agent in these chapter 11 cases, Prime Clerk will not be an agent of the United States and will not act on behalf of the United States;
- (e) Prime Clerk will not employ any past or present employees of the Debtors in connection with its work as the Claims and Noticing Agent in these chapter 11 cases;
- (f) in its capacity as Claims and Noticing Agent in these chapter 11 cases, Prime Clerk will not intentionally misrepresent any fact to any person;

- (g) Prime Clerk shall be under the supervision and control of the Clerk with respect to the receipt and recordation of claims and claim transfers;
- (h) Prime Clerk will comply with all requests of the Clerk and the guidelines promulgated by the Judicial Conference of the United States for the implementation of 28 U.S.C. § 156(c); and
- (i) none of the Services provided by Prime Clerk as Claims and Noticing Agent in these chapter 11 cases shall be at the expense of the Clerk.

Prime Clerk will supplement its disclosure to the Court if any facts or circumstances are discovered that would require such additional disclosure.

17. To the extent that there is any inconsistency between this Application, the Order, and the Engagement Agreement, the Order shall govern.

Emergency Consideration

18. The Debtors request emergency consideration of this Application pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” An immediate and orderly transition into chapter 11 is critical to the viability of the Debtors’ operations and any delay in gathering the relief requested could hinder the Debtors’ operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors’ operations at this critical juncture and imperil the Debtors’ restructuring. The Application requests relief from procedural rules and requirements that pertain to matters of immediate significance or which involve deadlines sooner than 21 days after the Petition Date. The relief will save costs and avoid undue administrative burden and confusion only if granted before the applicable deadlines. The Debtors have satisfied the “immediate and irreparable harm” standard of Bankruptcy Rule 6003, certified the circumstances underlying the emergency relief requested pursuant to Local Rule 9013-1(i), and request that the Court approve the relief requested in this Application on an emergency basis.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

19. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Notice

20. Notice of the hearing on the relief requested in the Application has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; and (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request entry of the Order, granting the relief requested in this Application and granting such other and further relief as is appropriate under the circumstances.

4. As agent and custodian of Court records pursuant to 28 U.S.C. § 156(c), Prime Clerk will perform, at the request of the Office of the Clerk of the Bankruptcy Court (the "Clerk"), the services specified in the Application and the Engagement Agreement, and, at the Debtors' request, any related administrative, technical, and support services as specified in the Application and the Engagement Agreement. In performing such services, Prime Clerk will charge the Debtors the rates set forth in the Engagement Agreement, which is attached to the Application.

5. Prime Clerk represents, among other things, the following:

- (a) Prime Clerk, its members, and employees are not and were not, within two years before the date of the filing of these chapter 11 cases, creditors, equity security holders, insiders, or employees of the Debtors;
- (b) Prime Clerk will not consider itself employed by the United States government and shall not seek any compensation from the United States government in its capacity as the Claims and Noticing Agent in these chapter 11 cases;
- (c) by accepting employment in these chapter 11 cases, Prime Clerk waives any rights to receive compensation from the United States government in connection with these chapter 11 cases;
- (d) in its capacity as the Claims and Noticing Agent in these chapter 11 cases, Prime Clerk will not be an agent of the United States and will not act on behalf of the United States;
- (e) Prime Clerk will not employ any past or present employees of the Debtors in connection with its work as the Claims and Noticing Agent in these chapter 11 cases;
- (f) Prime Clerk is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code with respect to the matters upon which it is engaged;
- (g) in its capacity as Claims and Noticing Agent in these chapter 11 cases, Prime Clerk will not intentionally misrepresent any fact to any person;
- (h) Prime Clerk shall be under the supervision and control of the Clerk with respect to the receipt and recordation of claims and claim transfers;
- (i) Prime Clerk will comply with all requests of the Clerk and the guidelines promulgated by the Judicial Conference of the United States for the implementation of 28 U.S.C. § 156(c); and
- (j) none of the services provided by Prime Clerk as Claims and Noticing Agent in these chapter 11 cases shall be at the expense of the Clerk.

6. In accordance with section 327(a) of the Bankruptcy Code and Bankruptcy Rule 2014, I caused to be submitted for review by our conflicts system the names of all known potential parties in interest (the “Potential Parties in Interest”) in these chapter 11 cases. The list of Potential Parties in Interest was provided by the Debtors and included, among other parties, the Debtors,

non-Debtor affiliates, current and former directors and officers of the Debtors, significant stockholders, secured creditors, lenders, the Debtors' 30 largest unsecured creditors on a consolidated basis, contract counterparties, landlords, vendors, insurers, utilities, governmental authorities, the United States Trustee and persons employed in the Office of the United States Trustee, and other parties. The results of the conflict check were compiled and reviewed by Prime Clerk professionals under my supervision. At this time, and as set forth in further detail herein, Prime Clerk is not aware of any connection that would present a disqualifying conflict of interest. Should Prime Clerk discover any new relevant facts or connections bearing on the matters described herein during the period of its retention, Prime Clerk will use reasonable efforts to file promptly a supplemental declaration.

7. To the best of my knowledge, and based solely upon information provided to me by the Debtors, and except as provided herein, neither Prime Clerk, nor any of its professionals, has any materially adverse connection to the Debtors, their creditors, or other relevant parties. Prime Clerk may have relationships with certain of the Debtors' creditors as vendors or in connection with cases in which Prime Clerk serves or has served in a neutral capacity as claims and noticing agent and/or administrative advisor for another chapter 11 debtor.

8. Certain of Prime Clerk's professionals were partners of or formerly employed by firms that are providing or may provide professional services to parties in interest in these cases. Such firms include Kirkland & Ellis LLP ("K&E"); Weil, Gotshal & Manges LLP; O'Melveny & Myers LLP; Mayer Brown LLP; Fried, Frank, Harris, Shriver & Jacobson LLP; Bracewell LLP; Proskauer Rose LLP; Curtis, Mallet-Prevost, Colt & Mosle LLP; Baker & Hostetler LLP; Togut, Segal & Segal LLP; Gibson, Dunn & Crutcher LLP; Willkie Farr & Gallagher LLP ("Willkie"); KPMG LLP ("KPMG"); PricewaterhouseCoopers LLP; Epiq Bankruptcy Solutions, LLC; Donlin,

Recano & Company, Inc. and Kurtzman Carson Consultants LLC. Except as may be disclosed herein, these professionals did not work on any matters involving the Debtors while employed by their previous firms. Moreover, these professionals were not employed by their previous firms when these chapter 11 cases were filed.

9. Prime Clerk hereby discloses the following connections, each of which Prime Clerk believes does not present an interest adverse to the Debtors and is disclosed solely out of an abundance of caution:

- I was previously an associate at K&E, counsel to the Debtors in these chapter 11 cases. In addition, Michael J. Frishberg, Co-President and Chief Operating Officer of Prime Clerk, was previously a partner at K&E, counsel to the Debtors in these chapter 11 cases. In addition, Benjamin P.D. Schrag, a Chief Business Development Officer of Prime Clerk, was previously an associate at K&E. I left K&E in August 2013, Mr. Frishberg left K&E in February 2008, and Mr. Schrag left K&E in June 2010. Mr. Frishberg, Mr. Schrag, and I did not work on any matters involving the Debtors while employed by K&E.
- I understand that K&E has represented and currently represents Prime Clerk in matters unrelated to the Debtors and these chapter 11 cases.
- Gabriel Brunswick, Associate General Counsel of Prime Clerk, was formerly an associate at Willkie, one of the Debtors' vendors. Mr. Brunswick left Willkie in January 2020. Mr. Brunswick did not work on any matters involving the Debtors during his time at Willkie.
- Jordan Searles, a Director at Prime Clerk, was previously an audit associate at KPMG, one of the Debtors' vendors. Mr. Searles left KPMG in 2014. Mr. Searles did not work on any matters involving the Debtors during his time at KPMG. Additionally, Mr. Searles' brother, Adam Searles, is a Director at AlixPartners, LLC, the Debtors' proposed financial advisor.

10. Prime Clerk has and will continue to represent clients in matters unrelated to these chapter 11 cases. In addition, Prime Clerk and its personnel have and will continue to have relationships personally or in the ordinary course of its business with certain vendors, professionals, financial institutions, and other parties in interest that may be involved in the Debtors' chapter 11 cases. Prime Clerk may also provide professional services to entities or

persons that may be creditors or parties in interest in these chapter 11 cases, which services do not directly relate to, or have any direct connection with, these chapter 11 cases or the Debtors.

11. Prime Clerk and its personnel in their individual capacities regularly utilize the services of law firms, investment banking and advisory firms, accounting firms, and financial advisors. Such firms engaged by Prime Clerk or its personnel may appear in chapter 11 cases representing the Debtor or parties in interest. All engagements where such firms represent Prime Clerk or its personnel in their individual capacities are unrelated to these chapter 11 cases.

12. Prime Clerk is an indirect subsidiary of Duff & Phelps LLP (“D&P”). D&P is the global advisor that protects, restores and maximizes value for clients. Within the D&P corporate structure, Prime Clerk operates independently from D&P. As such, any relationships that D&P and its affiliates maintain do not create an interest of Prime Clerk that is materially adverse to the Debtors’ estates or any class of creditors or security holders. D&P is not currently identified on the Potential Parties in Interest list, but Prime Clerk makes this disclosure out of an abundance of caution.

13. As part of its conflicts check process, Prime Clerk submitted for review by each of its partners and employees the list of Potential Parties in Interest provided by the Debtors to determine whether any partner or employee holds an adverse interest to any of the Debtors and/or is a “disinterested person,” as such term is defined in the Bankruptcy Code. In addition, the partners and employees of Prime Clerk were asked to review their investment holdings, to the extent possible, to determine whether they have any direct or indirect ownership of the Debtors’ securities. Upon information and belief, and upon such reasonable inquiry by Prime Clerk and the results thereof, Prime Clerk is not aware that any of its partners or employees directly or indirectly own any debt or equity securities of a company that is a Debtor or of any of its affiliates. Moreover,

Prime Clerk has a policy prohibiting its partners and employees from using confidential information that may come to their attention in the course of their work. In this regard, subject to non-discretionary Investment Funds (as defined below), all Prime Clerk partners and employees are barred from trading in securities with respect to matters in which Prime Clerk is retained.

14. As a general matter, in the infrequent case when a Prime Clerk partner or employee may, directly or indirectly, own a debt or equity security of a company which may become or becomes a debtor or a debtor affiliate, such ownership would be substantially less than one percent of any such debtor or debtor affiliate. Additionally, from time to time, Prime Clerk partners or employees may personally invest in mutual funds, retirement funds, private equity funds, venture capital funds, hedge funds and other types of investment funds (the “Investment Funds”), through which such individuals may indirectly acquire a debt or equity security of many companies, one of which may be one of the Debtors or their affiliates. Any partner or employee who has made any such investment does not manage or otherwise control such Investment Fund. The Investment Funds are managed by third parties, and Prime Clerk partners or employees that may invest in the particular Investment Fund have no influence, discretion, or control over the Investment Fund’s decision to buy, sell, or vote any particular debt or equity securities comprising the particular Investment Fund and in certain instances, partners or employees may not be aware of the particular debt or equity securities comprising the particular Investment Fund.

15. Based on the foregoing, I believe that Prime Clerk is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code. Moreover, to the best of my knowledge and belief, neither Prime Clerk nor any of its partners or employees hold or represent any interest materially adverse to the Debtors’ estates with respect to any matter upon which Prime Clerk is to be engaged.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge and belief.

Prime Clerk LLC Engagement Agreement

This Agreement is entered into as of July 22, 2020 between Prime Clerk LLC ("**Prime Clerk**") and Tailored Brands, Inc. (together with its affiliates and subsidiaries, the "**Company**").¹

In consideration of the promises set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Services

- (a) Prime Clerk agrees to provide the Company with consulting services regarding legal noticing, claims management and reconciliation, plan solicitation, balloting, disbursements, preparation of schedules of assets and liabilities and statements of financial affairs, communications, confidential online workspaces or data rooms (publication to which, upon the Company Parties' (as defined herein) consent, shall not violate the confidentiality provisions of this Agreement) and any other services agreed upon by the parties or otherwise required by applicable law, governmental regulations or court rules or orders (all such services collectively, the "**Services**").
- (b) The Company acknowledges and agrees that Prime Clerk will often take direction from the Company's representatives, employees, agents and/or professionals (collectively, the "**Company Parties**") with respect to providing Services hereunder. Except as otherwise may be noted herein, the parties agree that Prime Clerk may rely upon, and the Company agrees to be bound by, any requests, advice or information provided by the Company Parties to the same extent as if such requests, advice or information were provided by the Company.
- (c) The Company agrees and understands that Prime Clerk shall not provide the Company or any other party with legal advice.

2. Rates, Expenses and Payment

- (a) Prime Clerk will provide the Services on an as-needed basis and upon request or agreement of the Company, in each case in accordance with the rate structure attached hereto and incorporated by reference herein (the "**Rate Structure**"); provided, however that Prime Clerk will provide a discount of 10% off the attached hourly rates. The Company agrees to pay for reasonable and documented out of pocket expenses incurred by Prime Clerk in connection with providing Services hereunder.
- (b) The Rate Structure sets forth individual unit pricing for each of the Services. The Company may request separate Services or all of the Services.
- (c) Prime Clerk will bill the Company in arrears no less frequently than monthly and shall provide estimates of fees to be incurred upon request by the Company. All invoices shall be due and payable within thirty (30) days of receipt. Where an expense or group of expenses to be incurred is expected to exceed \$10,000 (e.g., publication notice), Prime Clerk may require advance or direct payment from the Company before the performance of Services hereunder.

¹ The Company shall include, to the extent applicable, the Company, as debtor and debtor in possession in any chapter 11 case, together with any affiliated debtors and debtors in possession whose chapter 11 cases are jointly administered with the Company's chapter 11 case.

- (d) In case of a good faith dispute with respect to an invoice amount, the Company shall provide a detailed written notice of such dispute to Prime Clerk within 10 days of receipt of the invoice. The undisputed portion of the invoice will remain due and payable immediately upon receipt thereof.
- (e) The Company shall pay any fees and expenses for Services relating to, arising out of or resulting from any error or omission made by the Company or the Company Parties, as mutually determined by Prime Clerk and the Company.
- (f) The Company shall pay or reimburse any taxes that are applicable to Services performed hereunder or that are measured by payments made hereunder and are required to be collected by Prime Clerk or paid by Prime Clerk to a taxing authority; provided, however, that the Company shall not pay or reimburse any taxes on the net income of Prime Clerk that are required to be paid by Prime Clerk.
- (g) Upon execution of this Agreement, the Company shall pay Prime Clerk an advance of \$75,000. Prime Clerk may use such advance against unpaid fees and expenses hereunder. Prime Clerk may use the advance against all prepetition fees and expenses, which advance then shall be replenished immediately by the Company to the original advance amount; thereafter, Prime Clerk may hold such advance to apply against unpaid fees and expenses hereunder. Following the termination of the Agreement, Prime Clerk shall return to the Company any amount of the advance that remains following application of the advance to the payments of unpaid fees and expenses hereunder.
- (h) Prime Clerk reserves the right to make reasonable increases to the Rate Structure on an annual basis effective on the first business day of each year. If such annual increases represent an increase greater than 5% from the previous year's levels, Prime Clerk shall provide 30 days' notice to the Company of such increases.

3. Retention in Bankruptcy Case

- (a) If the Company commences a case pursuant to title 11 of the United States Code (the "**Bankruptcy Code**"), the Company promptly shall file applications with the Bankruptcy Court to retain Prime Clerk (i) as claims and noticing agent pursuant to 28 U.S.C. § 156(c) and (ii) as administrative advisor pursuant to section 327(a) of the Bankruptcy Code for all Services that fall outside the scope of 28 U.S.C. § 156(c). The form and substance of such applications and any order approving them shall be reasonably acceptable to Prime Clerk.
- (b) If any Company chapter 11 case converts to a case under chapter 7 of the Bankruptcy Code, Prime Clerk will continue to be paid for Services pursuant to 28 U.S.C. § 156(c) and the terms hereunder.

4. Confidentiality

- (a) The Company and Prime Clerk agree to keep confidential all non-public records, systems, procedures, software and other information received from the other party in connection with the Services provided hereunder; provided, however, that if any such information was publicly available, already in the party's possession or known to it, independently developed, lawfully obtained from a third party or required to be disclosed by law, then a party shall bear no responsibility for publicly disclosing such information.

- (b) If either party reasonably believes that it is required to disclose any confidential information pursuant to an order from a governmental authority, such party shall provide written notice to the other party promptly after receiving such order, to allow the other party sufficient time to seek any remedy available under applicable law to prevent disclosure of the information.

5. Property Rights

Prime Clerk reserves all property rights in and to all materials, concepts, creations, inventions, works of authorship, improvements, designs, innovations, ideas, discoveries, know-how, techniques, programs, systems, specifications, applications, processes, routines, manuals, documentation and any other information or property (collectively, "**Property**") furnished by Prime Clerk for itself or for use by the Company hereunder. Fees and expenses paid by the Company do not vest in the Company any rights in such Property. Such Property is only being made available for the Company's use during and in connection with the Services provided by Prime Clerk hereunder.

6. Bank Accounts

At the request of the Company or the Company Parties, Prime Clerk shall be authorized to establish accounts with financial institutions in the name of and as agent for the Company to facilitate distributions pursuant to a chapter 11 plan or other transaction. To the extent that certain financial products are provided to the Company pursuant to Prime Clerk's agreement with financial institutions, Prime Clerk may receive compensation from such institutions for the services Prime Clerk provides pursuant to such agreement.

7. Term and Termination

- (a) This Agreement shall remain in effect until terminated by either party: (i) on 30 days' prior written notice to the other party; or (ii) immediately upon written notice for Cause (as defined herein). "**Cause**" means (i) bad faith, gross negligence or willful misconduct of Prime Clerk that causes material harm to the Company's restructuring under chapter 11 of the Bankruptcy Code, (ii) the failure of the Company to pay Prime Clerk invoices for more than 30 days from the invoice's due date or (iii) the accrual of invoices or unpaid Services in excess of the advance held by Prime Clerk where Prime Clerk reasonably believes it will not be paid.
- (b) If this Agreement is terminated after Prime Clerk is retained pursuant to Bankruptcy Court order, the Company promptly shall seek entry of a Bankruptcy Court order discharging Prime Clerk of its duties under such retention, which order shall be in form and substance reasonably acceptable to Prime Clerk.
- (c) If this Agreement is terminated, Prime Clerk shall promptly provide the Company with all deliverables that are in their then current state of completion and the Company shall remain liable for all amounts then accrued and/or due and owing to Prime Clerk hereunder.
- (d) If this Agreement is terminated, Prime Clerk shall coordinate with the Company and, to the extent applicable, the clerk of the Bankruptcy Court, to maintain an orderly transfer of record keeping functions, and Prime Clerk shall provide the necessary staff, services and assistance required for such an orderly transfer. The Company agrees to pay for such Services pursuant to the Rate Structure.

8. No Representations or Warranties

Prime Clerk makes no representations or warranties, express or implied, including, without limitation, any express or implied warranty of merchantability, fitness or adequacy for a particular purpose or use, quality, productiveness or capacity.

9. Indemnification

- (a) To the fullest extent permitted by applicable law, the Company shall indemnify and hold harmless Prime Clerk and its members, directors, officers, employees, representatives, affiliates, consultants, subcontractors and agents (collectively, the “**Indemnified Parties**”) from and against any and all losses, claims, damages, judgments, liabilities and expenses, whether direct or indirect (including, without limitation, reasonable counsel fees and expenses) (collectively, “**Losses**”) resulting from, arising out of or related to Prime Clerk’s performance hereunder. Without limiting the generality of the foregoing, Losses include any liabilities resulting from claims by any third parties against any Indemnified Party.
- (b) Prime Clerk and the Company shall notify each other in writing promptly upon the assertion, threat or commencement of any claim, action, investigation or proceeding that either party becomes aware of with respect to the Services provided hereunder.
- (c) The Company’s indemnification of Prime Clerk hereunder shall exclude Losses resulting from Prime Clerk’s bad faith, gross negligence, fraud, or willful misconduct.
- (d) The Company’s indemnification obligations hereunder shall survive the termination of this Agreement.

10. Limitations of Liability

Except as expressly provided herein, Prime Clerk’s liability to the Company for any Losses, unless due to Prime Clerk’s gross negligence or willful misconduct, shall be limited to the total amount paid by the Company for the portion of the particular work that gave rise to the alleged Loss. In no event shall Prime Clerk’s liability to the Company for any Losses arising out of this Agreement exceed the total amount actually paid to Prime Clerk for Services provided hereunder. In no event shall Prime Clerk be liable for any indirect, special or consequential damages (such as loss of anticipated profits or other economic loss) in connection with or arising out of the Services provided hereunder.

11. Company Data

- (a) The Company is responsible for, and Prime Clerk does not verify, the accuracy of the programs, data and other information it or any Company Party submits for processing to Prime Clerk and for the output of such information, including, without limitation, with respect to preparation of statements of financial affairs and schedules of assets and liabilities (collectively, “**SOFAs and Schedules**”). Prime Clerk bears no responsibility for the accuracy and content of SOFAs and Schedules, and the Company is deemed hereunder to have approved and reviewed all SOFAs and Schedules filed on its behalf.
- (b) The Company agrees, represents and warrants to Prime Clerk that before delivery of any information to Prime Clerk: (i) the Company has full authority to deliver such information to Prime Clerk; and (ii) Prime Clerk is authorized to use such information to perform Services hereunder.

- (c) Any data, storage media, programs or other materials furnished to Prime Clerk by the Company may be retained by Prime Clerk until the Services provided hereunder are paid in full. The Company shall remain liable for all fees and expenses incurred by Prime Clerk under this Agreement as a result of data, storage media or other materials maintained, stored or disposed of by Prime Clerk. Any such disposal shall be in a manner requested by or acceptable to the Company; provided that if the Company has not utilized Prime Clerk's Services for a period of 90 days or more, Prime Clerk may dispose of any such materials, and be reimbursed by the Company for the expense of such disposition, after giving the Company 30 days' notice. The Company agrees to initiate and maintain backup files that would allow the Company to regenerate or duplicate all programs, data or information provided by the Company to Prime Clerk.
- (d) If Prime Clerk is retained pursuant to Bankruptcy Court order, disposal of any Company data, storage media or other materials shall comply with any applicable court orders and rules or clerk's office instructions.

12. Non-Solicitation

Each party agrees that neither it nor any of its subsidiaries or affiliates shall directly or indirectly solicit for employment, employ or otherwise retain as employees, consultants or otherwise, any employees of the other party during the term of this Agreement and for a period of 12 months after termination thereof unless Prime Clerk provides prior written consent to such solicitation or retention. The foregoing restriction shall not apply to the employment of any person who responds to any general recruitment advertisement by a party in the normal course of business, without specifically targeting or approaching the personnel of the other party.

13. Force Majeure

Whenever performance by a party of any of its obligations hereunder is materially prevented or impacted by reason of any act of God, government requirement, strike, lock-out or other industrial or transportation disturbance, fire, flood, pandemic, epidemic, lack of materials, law, regulation or ordinance, act of terrorism, war or war condition, or by reason of any other matter beyond a party's reasonable control, then such performance shall be excused, and this Agreement shall be deemed suspended during the continuation of such prevention and for a reasonable time thereafter.

14. Choice of Law; Venue

The validity, enforceability and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to its conflict of laws principles thereof. The parties agree that venue is proper in the federal courts located in New York County, New York.

15. WAIVER OF JURY TRIAL

THE PARTIES HERETO IRREVOCABLY WAIVE ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE SERVICES CONTEMPLATED HEREBY.

16. Arbitration

Any dispute arising out of or relating to this Agreement or the breach thereof shall be finally resolved by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction. There shall be three arbitrators named in accordance with such rules. The arbitration shall be conducted in the English language in New York, New York in accordance with the United States Arbitration Act. Notwithstanding the foregoing, during the pendency of any chapter 11 case(s) by the Company, any disputes related to this Agreement shall be decided by the bankruptcy court assigned to such chapter 11 case(s).

17. Integration; Severability; Modifications; Assignment

- (a) Each party acknowledges that it has read this Agreement, understands it and agrees to be bound by its terms and further agrees that it is the complete and exclusive statement of the agreement between the parties, which supersedes and merges all prior proposals, understandings, agreements and communications between the parties relating to the subject matter hereof.
- (b) If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall in no way be affected or impaired thereby.
- (c) This Agreement may be modified only by a writing duly executed by authorized representatives of the Company and Prime Clerk.
- (d) This Agreement and the rights and duties hereunder shall not be assignable by the parties hereto except upon written consent of the other; provided, however, that Prime Clerk may assign this Agreement to a wholly-owned subsidiary or affiliate without the Company's consent.

18. Effectiveness of Counterparts

This Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which shall constitute one and the same agreement. This Agreement will become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, which delivery may be made by exchange of copies of the signature page by fax or email.

Upon the application (the “Application”)² of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of an order (this “Order”), authorizing the employment and retention of Prime Clerk LLC (“Prime Clerk”) as claims, noticing, and solicitation agent (“Claims and Noticing Agent”) pursuant to 28 U.S.C. § 156(c) and sections 105(a) and 327(a) of the Bankruptcy Code, all as more fully set forth in the Application; and upon the Steele Declaration; and the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Application in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Application is in the best interests of the Debtors’ estates, their creditors, and other parties in interest; and this Court having

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ proposed claims and noticing agent at <http://cases.primeclerk.com/TailoredBrands>. The location of the Debtors’ service address in these chapter 11 cases is: 6100 Stevenson Boulevard, Fremont, California 94538.

² Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Application.

found that the Debtors' notice of the Application and opportunity for a hearing on the Application were appropriate and no other notice need be provided; and this Court having reviewed the Application and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Application and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. Notwithstanding the terms of the Engagement Agreement attached to the Application, the Application is approved solely as set forth in this Order.

2. The Debtors are authorized to employ and retain Prime Clerk as Claims and Noticing Agent under the terms of the Engagement Agreement as set forth in this Order, and Prime Clerk is authorized and directed to perform noticing services and to receive, maintain, record, and otherwise administer the proofs of claim filed in these chapter 11 cases, and all related tasks, all as described in the Application, and the Engagement Agreement,. The Clerk shall provide Prime Clerk with ECF credentials that allow Prime Clerk to receive ECF notifications and file certificates of service.

3. Prime Clerk shall serve as the custodian of court records and shall be designated as the authorized repository for all proofs of claim filed in these chapter 11 cases and is authorized and directed to maintain official claims registers for each of the Debtors and to provide the Clerk with a certified duplicate thereof upon the request of the Clerk.

4. Prime Clerk is authorized and directed to provide an electronic interface for filing of proofs of claim and to obtain a post office box or address for the receipt of proofs of claim.

Prime Clerk shall provide public access to the claims register, including complete proofs of claim with attachments, if any, without charge.

5. Prime Clerk is authorized to take such other action to comply with all duties and Services set forth in the Application.

6. The Debtors are authorized to compensate Prime Clerk in accordance with the terms of the Engagement Agreement upon the receipt of reasonably detailed invoices setting forth the services provided by Prime Clerk and the rates charged for each, and to reimburse Prime Clerk for all reasonable and necessary expenses it may incur, upon the presentation of appropriate documentation, without the need for Prime Clerk to file fee applications or otherwise seek Court approval for the compensation of its services and reimbursement of its expenses.

7. Prime Clerk shall maintain records of all services showing dates, categories of services, fees charged and expenses incurred, and shall serve monthly invoices on the Debtors, the Office of the United States Trustee, counsel for the Debtors, counsel for any official committee monitoring the expenses of the Debtors, and any party in interest who specifically requests service of the monthly invoices.

8. The parties shall meet and confer in an attempt to resolve any dispute that may arise relating to the Engagement Agreement or monthly invoices; *provided* that the parties may seek resolution of the matter from the Court if resolution is not achieved.

9. Without further order of the Court, pursuant to section 503(b)(1)(A) of the Bankruptcy Code, the fees and expenses of Prime Clerk under this Order shall be an administrative expense of the Debtors' estates.

10. Prime Clerk may apply its advance to all prepetition invoices, which advance may be replenished to the original advance amount, and thereafter, Prime Clerk may hold its advance

under the Engagement Agreement during these chapter 11 cases as security for the payment of fees and expenses incurred under the Engagement Agreement.

11. The Debtors shall indemnify Prime Clerk under the terms of the Engagement Agreement, as modified pursuant to this Order.

12. Prime Clerk shall not be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Agreement for services other than the services provided under the Engagement Agreement, unless such services and the indemnification, contribution, or reimbursement therefor are approved by this Court.

13. Notwithstanding anything to the contrary in the Engagement Agreement, the Debtors shall have no obligation to indemnify Prime Clerk, or provide contribution or reimbursement to Prime Clerk, for any claim or expense that is either: (a) judicially determined (the determination having become final) to have arisen solely from Prime Clerk's gross negligence, willful misconduct, fraud, bad faith, self-dealing, or breach of fiduciary duty (if any) as provided in this Order; (b) for a contractual dispute in which the Debtors allege the breach of Prime Clerk's contractual obligations if this Court determines that indemnification, contribution, or reimbursement would not be permissible under applicable law; or (c) of any type for which the Court determines that indemnification, contribution, or reimbursement would not be permissible pursuant to *In re Thermadyne Holdings Corp.*, 283 B.R. 749, 756 (B.A.P. 8th Cir. 2002); or (d) settled prior to a judicial determination under (a) or (b), but determined by this Court, after notice and a hearing, to be a claim or expense for which Prime Clerk should not receive indemnity, contribution, or reimbursement under the terms of the Engagement Agreement as modified by this Order.

14. If, before the earlier of (a) the entry of an order confirming a chapter 11 plan in these chapter 11 cases (that order having become a final order no longer subject to appeal), or (b) the entry of an order closing these chapter 11 cases, Prime Clerk believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, and/or reimbursement obligations under the Engagement Agreement (as modified by this Order), including the advancement of defense costs, Prime Clerk must file an application therefor in this Court, and the Debtors may not pay any such amounts to Prime Clerk before the entry of an order by this Court approving the payment. This paragraph is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by Prime Clerk for indemnification, contribution, or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify Prime Clerk. All parties in interest shall retain the right to object to any demand by Prime Clerk for indemnification, contribution, or reimbursement.

15. In the event Prime Clerk is unable to provide the Services set out in this order, Prime Clerk will immediately notify the Clerk and the Debtors' attorney and, upon approval of this Court, cause to have all proofs of claim and computer information turned over to another claims and noticing agent with the advice and consent of the Clerk and the Debtors' attorney.

16. After entry of an order terminating Prime Clerk's services, upon the closing of these cases, or for any other reason, Prime Clerk shall be responsible for archiving all proofs of claim with the Federal Archives Record Administration, if applicable, and shall be compensated by the Debtors in connection therewith.

17. Prime Clerk shall not cease providing claims processing services during the chapter 11 cases for any reason, including nonpayment, without an order of the Court.

18. The Debtors and Prime Clerk are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Application.

19. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

20. In the event of any inconsistency between the Engagement Agreement, the Application, the Steele Declaration, and this Order, this Order shall govern.

21. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

22. Notwithstanding any term in the Engagement Agreement to the contrary, the Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

The above-captioned debtors and debtors in possession (collectively, the “Debtors”)² state as follows in support of this motion (this “Motion”):

Relief Requested

1. The Debtors seek entry of interim and final orders, substantially in the forms attached hereto (respectively, the “Interim Order” and “Final Order”): (a) authorizing the Debtors to continue and renew the Surety Bond Program (as defined herein) on an uninterrupted basis, including the procurement of new sureties in the ordinary course of business on a postpetition basis and pay outstanding prepetition amounts, if any, as of the Petition Date; and (b) granting related relief.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on August 2, 2020 (the “Petition Date”). Capitalized terms used but not otherwise defined in this Motion shall have the meanings given to them in the First Day Declaration.

4. The bases for the relief requested herein are sections 105(a), 363, 364, and 1107 of the Bankruptcy Code, Bankruptcy Rules 6003 and 6004, and rule 9013-1(b) of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

5. The Debtors are a leading specialty retailer of men’s tailored clothing and the largest men’s formalwear provider in the United States and Canada. The Debtors operate approximately 1,400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men’s Wearhouse, Men’s Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

6. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

The Surety Bond Program

7. In the ordinary course of business, the Debtors are required by certain statutes or ordinances to provide surety bonds or other forms of credit support to certain third parties, often governmental units or other public agencies, to secure the payment or performance of certain obligations (each, a “Surety Bond” and collectively, the “Surety Bonds”). These obligations include, among others, customs bonds, utilities bonds, consumer protection bonds, and general performance, payment, and warranty bonds.

8. When a governmental unit or other public agency requests a bond, and the Debtors determine in their business judgment that they do not wish to use cash and cash equivalents on hand to satisfy such request, the Debtors may post a Surety Bond. Sureties (as defined herein) provide, upfront, the full amount of the requested cash and cash equivalents to the requesting party on behalf of the Debtors, in exchange for, among other things, a fee from the Debtors to secure the Surety Bond issuance on the Debtors' behalf. The issuance of a Surety Bond shifts the risk of the Debtors' nonperformance or nonpayment from the obligee to the Surety.

9. In the ordinary course of business, the Debtors are required to provide Surety Bonds to the United States Customs and Border Protection Agency ("U.S. Customs") to secure the Debtors' payment or performance of certain obligations, including duties, taxes, and fees on account of merchandise imported from foreign countries (collectively, the "Customs Surety Bonds"). The Debtors are required to post the Surety Bonds to secure these obligations pursuant to section 1623 of title 19 of the United States Code, which grants U.S. Customs the authority to require bonds "as they may deem necessary for the protection of the revenue or to assure compliance with any provision of law, regulation, or instruction which the Secretary of the Treasury of the Customs Service may be authorized to enforce." 19 U.S.C. § 1623(a). As such, failing to provide, maintain, or timely replace the Customs Surety Bonds will prevent the Debtors from importing merchandise that is essential to replenishing the Debtors' store inventory and, thus, invigorating the Debtors' operations. The Debtors are also required to provide Surety Bonds to various providers to secure the Debtors' payment for certain utility services (such bonds, the "Utility Surety Bonds"), as well as Surety Bonds for certain regulatory and consumer protection purposes (such bonds, the "Consumer Protection Surety Bonds").

10. As of the Petition Date, the Debtors have approximately 38 Surety Bonds outstanding, which provide approximately \$6.5 million in aggregate Surety Bond coverage for the Debtors. A schedule of the Surety Bonds currently maintained by the Debtors is attached hereto as **Exhibit A** and incorporated herein by reference.³

11. In consideration for their issuance of the Surety Bonds, the Debtors pay premiums to the Sureties (as defined herein). The premiums for the Surety Bonds generally are determined on an annual basis and are paid by the Debtors when the Surety Bonds are issued and annually upon renewal. In the 12 months preceding the Petition Date, the premiums for the Surety Bonds totaled approximately \$131,000. As of the Petition Date, the Debtors do not believe there are any unpaid prepetition obligations due and owing in connection with the Surety Bond premiums. Nevertheless, out of an abundance of caution, the Debtors request authority to pay any prepetition amount, continue the Surety Bonds, enter into new Surety Bonds in the ordinary course of business on a postpetition basis, and, solely pursuant to the Final Order, renew the Surety Bonds.

12. Additionally, certain of the Debtors are party to indemnity agreements (each, a “Surety Indemnity Agreement,” and, collectively, the “Surety Indemnity Agreements,” and, together with the Surety Bonds, the “Surety Bond Program”) with Liberty Mutual Group and The Hanover Insurance Group, Inc.⁴ (the “Sureties”). Pursuant to the Surety Indemnity Agreements, the Debtors agree to indemnify the Sureties from any loss, cost, or expense that such Sureties may incur on account of the issuance of any bonds on behalf of the Debtors. The Debtors also agree to issue letters of credit (the “Letters of Credit”) in the aggregate amount of \$2.0 million to back the

³ To the extent that the Debtors inadvertently omitted any Surety Bonds from **Exhibit A**, the Debtors request that any relief granted under this motion apply to all Surety Bonds, regardless of whether any such Surety Bond is specifically identified on **Exhibit A**.

⁴ Although Liberty Mutual Group issues all of the outstanding Surety Bonds, Hanover Insurance Group, Inc. remains retained for the release of collateral in connection with U.S. Customs.

Surety Bonds and effectively indemnify the Sureties. Liberty Mutual Insurance Company issued the Letters of Credit needed to maintain the Debtors' access to the Surety Bonds.

13. The Debtors estimate that, as of the Petition Date, there is no outstanding amount due and owing in connection with the Surety Indemnity Agreements. The Debtors request authorization to pay any direct and/or indirect prepetition amounts due and owing in connection with the Surety Indemnity Agreements and continue paying amounts owed in connection with the Surety Indemnity Agreements as they come due in the ordinary course of business on a postpetition basis.

14. To continue their business operations during the reorganization process, the Debtors must be able to provide financial assurance to U.S. Customs, certain utility providers, and certain regulatory authorities. This, in turn, requires the Debtors to maintain the existing Surety Bond Program. Accordingly, the Debtors seek authority to pay Surety Bond premiums as they come due, maintain and renew the Letters of Credit, renew or potentially acquire additional bonding capacity as needed in the ordinary course of business, and execute other agreements, as needed. Failing to provide, maintain, back, or timely replace the Surety Bonds will prevent the Debtors from, among other things, complying with their federal law obligations, and consequently prevent them from undertaking essential functions related to their operations, such as importing goods.

The Surety Bond Brokers

15. The Debtors obtain Surety Bonds primarily through their surety bond broker, Aon plc, and any wholesale brokers used in connection with the procurement of such Surety Bonds (collectively, the "Brokers"). The Brokers assist the Debtors in obtaining comprehensive Surety Bond coverage for their operations in the most cost-effective manner, negotiating Surety Bond

terms, provisions, and premiums, and providing ongoing support throughout the applicable bonding periods. The Brokers collect fees for services rendered in addition to or as part of the premiums paid on the Surety Bonds (the “Brokerage Fees”). The Debtors pay the Brokers an annual aggregate commission of approximately \$27,000. As of the Petition Date, the Debtors do not believe they owe any prepetition amounts on account of the Brokerage Fees. Nevertheless, out of an abundance of caution, the Debtors request authority to pay any prepetition amount due and owing in connection with the Brokerage Fees and continue paying the Brokerage Fees as they come due in the ordinary course of business on a postpetition basis.

Basis for Relief

I. The Surety Bond Program May Be Maintained, Renewed, and Supplemented in the Ordinary Course of the Debtors’ Business.

16. Pursuant to section 363(c)(1) of the Bankruptcy Code, a debtor in possession may “enter into transactions . . . in the ordinary course of business, without notice or a hearing, and may use property of the estate in the ordinary course of business without notice or a hearing.” 11 U.S.C. § 363(c)(1). The Bankruptcy Code does not define “ordinary course of business.” Courts in the Fifth Circuit apply a two-part test to determine whether a transaction is in the ordinary course of a debtor’s business. The test analyzes the transaction on both a horizontal and a vertical basis—the horizontal inquiry focuses on whether the transaction is common to the debtor’s industry, and the vertical inquiry focuses on comparing the proposed transaction to the debtor’s prepetition practices. *See, e.g., In re Patriot Place, Ltd.*, 486 B.R. 773, 793 (Bankr. W.D. Tex. 2013) (“[U]nder the vertical test, courts look at whether the transaction subjects a hypothetical creditor to a different economic risk than existed when the creditor originally extended the credit. Under the horizontal test, in general courts look at whether the transaction was of the sort commonly undertaken by companies in the industry. The primary focus is on the debtor’s

pre-petition practices and conduct.”); *In re Cowin*, No. 13-30984, 2014 WL 1168714, at *41–43 (Bankr. S.D. Tex. Mar. 21, 2014) (applying the “horizontal” and “vertical” prongs of the test).

17. Maintenance and renewal of the Surety Bond Program is consistent with the Debtors’ prepetition practice and common among companies in the retail industry. As a result, creditors will not be subjected to unexpected or different economic risks than existed when the creditors originally extended the credit. Thus, maintenance and renewal of the Surety Bond Program is an ordinary course transaction and should be authorized on a postpetition basis.

18. The Debtors believe that maintenance and renewal of the Surety Bond Program on a postpetition basis is in the ordinary course of business and, pursuant to section 363(c)(1), does not require notice and a hearing. Nonetheless, out of an abundance of caution, the Debtors are seeking Court approval to continue maintenance of the Surety Bond Program and related obligations under sections 105(a) and 363(b) of the Bankruptcy Code. This includes, among other things, maintaining existing Surety Bonds, renewing Surety Bonds as they expire, acquiring new surety bonds as needed in the ordinary course of business, maintaining the Letters of Credit, and paying applicable Surety Bond premiums, amounts arising under the Surety Indemnity Agreements, and Brokerage Fees. Accordingly, the Debtors respectfully submit that they may continue the Surety Bond Program in the ordinary course of business on a postpetition basis.

II. The Court Should Authorize the Debtors to Continue the Surety Bond Program in Accordance with Prepetition Practice Pursuant to Sections 105(a) and 363(b) of the Bankruptcy Code.

19. Section 363(b) of the Bankruptcy Code permits a debtor, subject to court approval, to pay prepetition obligations where a sound business purpose exists for doing so. *See In re Inst. Creditors of Cont’l Air Lines, Inc. v. Cont’l Air Lines, Inc. (In re Cont’l Air Lines, Inc.)*, 780 F.2d 1223, 1226 (5th Cir. 1986) (“That is, for the debtor-in-possession or trustee to satisfy its fiduciary duty to the debtor, creditors and equity holders, there must be some articulated business

justification for using, selling, or leasing the property outside the ordinary course of business.”) (citation omitted); *see also In re Terrace Gardens Park P’ship*, 96 B.R. 707, 714 (Bankr. W.D. Tex. 1989) (“In the words of the court in *Continental*, ‘there must be some articulated business justification for using, selling, or leasing the property outside the ordinary course of business.’”) (quoting *In re Cont’l Air Lines, Inc.*, 780 F.2d at 1226). In addition, under section 1107(a) of the Bankruptcy Code, a debtor in possession has, among other things, the “implied duty of the debtor-in-possession to ‘protect and preserve the estate, including an operating business’ going-concern value.” *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. N.D. Tex. 2004) (quoting *In re CoServ*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002)).

20. Section 105(a) of the Bankruptcy Code further provides that a court “may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of” the Bankruptcy Code. 11 U.S.C. § 105(a). Courts apply section 105(a) pursuant to the “doctrine of necessity,” which functions in a chapter 11 case as a mechanism by which the bankruptcy court can exercise its equitable power to allow payment of critical prepetition claims not explicitly authorized by the Bankruptcy Code and further supports the relief requested herein. *See In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002) (recognizing the “doctrine of necessity”); *see also In re Lehigh & New Eng. Ry.*, 657 F.2d 570, 581 (3d Cir. 1981) (holding that a court may authorize payment of prepetition claims if such payment is essential to debtor’s continued operation); *In re Just for Feet, Inc.*, 242 B.R. 821, 824–25 (D. Del. 1999) (holding that section 105(a) of the Bankruptcy Code “provides a statutory basis for payment of pre-petition claims” under the doctrine of necessity); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191–92 (Bankr. D. Del. 1994) (explaining that the doctrine of necessity is the standard in the Third Circuit

for enabling a court to authorize the payment of prepetition claims prior to confirmation of a reorganization plan).

21. The doctrine of necessity is designed to foster a debtor's rehabilitation, which courts have recognized is "the paramount policy and goal of Chapter 11." *In re Ionosphere Clubs*, 98 B.R. 174, 176 (Bankr. S.D.N.Y. 1989); *see also In re Quality Interiors, Inc.*, 127 B.R. 391, 396 (Bankr. N.D. Ohio 1991) ("The payment by a debtor-in-possession of pre-petition claims outside of a confirmed plan of reorganization is generally prohibited by the Bankruptcy Code," but "[a] general practice has developed . . . where bankruptcy courts permit the payment of certain prepetition claims, pursuant to 11 U.S.C. § 105, where the debtor will be unable to reorganize without such payment.").

22. To the extent that sections 363(b) and 105(a) of the Bankruptcy Code are applicable to the relief requested in this motion, the Debtors respectfully request the Court authorize the Debtors to continue the Surety Bond Program on an uninterrupted basis. This includes, among other things, maintaining existing Surety Bonds, renewing Surety Bonds as they expire, acquiring new Surety Bonds as needed in the ordinary course of business, posting new or additional collateral or issuing letters of credit, and paying applicable Surety Bond premiums, amounts arising under the Surety Indemnity Agreements, and Brokerage Fees. As noted above, the Surety Bonds largely cover obligations that are required by law or regulation, and maintaining surety bonds is common in the retail industry to comply with U.S. Customs requirements. The Debtors' failure to maintain, renew, or supplement the Surety Bond Program may therefore jeopardize the Debtors' ability to operate. Continuing the Surety Bond Program is necessary to maintain the Debtors' current business operations, as well as the Debtors' existing relationships with the Sureties. Based on the Debtors' current circumstances, it is not likely that the Debtors will be able to renew, or obtain

replacement of, existing Surety Bonds on terms more favorable than those offered by the Sureties. The process of establishing a new surety bond program would be burdensome to the Debtors, and it is doubtful that the Debtors could replace all of the Surety Bonds in time to avoid defaults or other consequences of the applicable obligations.

23. Continuing the Surety Bond Program should be authorized under sections 105(a) and 363(b) of the Bankruptcy Code to the extent such continuation is deemed to be outside the ordinary course of the Debtors' businesses.

III. To the Extent the Court Determines that the Surety Bond Program Is an Extension of Credit, Relief Is Appropriate Under Section 364 of the Bankruptcy Code.

24. Under section 364(c) of the Bankruptcy Code, a debtor may obtain unsecured credit in the ordinary course of business or obtain secured credit (a) with priority over administrative expenses, (b) secured by a lien on unencumbered estate assets, or (c) secured by a junior lien on previously encumbered assets. 11 U.S.C. § 364(c). To satisfy the requirements of section 364(c) of the Bankruptcy Code, a debtor need only demonstrate "by a good faith effort that credit was not available" to the debtor on an unsecured or administrative expense basis. *Bray v. Shenandoah Fed. Savs. & Loan Ass'n (In re Snowshoe Co.)*, 789 F.2d 1085, 1088 (4th Cir. 1986). Given the Debtors' current financial circumstances, the Debtors may not be able to obtain financial accommodations on an unsecured basis or administrative expense basis comparable to those offered by the Sureties. To the extent a Surety Bond is deemed an extension of credit, or the Debtors are required to post new or additional collateral or issue letters of credit in connection therewith, section 364 of the Bankruptcy Code provides the Debtors ample authority to so renew existing Surety Bonds, procure new ones, whether on an unsecured basis or, if necessary, on a secured basis.

25. Maintenance and renewal of the Surety Bond Program is necessary to maintain the Debtors' current business operations. The Debtors are required to provide Surety Bonds or other forms of credit support to certain third parties, often governmental units or other public agencies, to secure the payment or performance of certain obligations. The Debtors therefore seek authority to furnish the Sureties (or any new provider of Surety Bonds) with Letters or Credit or new forms of credit support with respect to the Debtors' existing Surety Bonds, Surety Bond renewals, or any new surety bonds.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

26. The Debtors have sufficient funds to pay the amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to cash collateral and debtor in possession financing. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Surety Bond Program. Accordingly, the Debtors believe that checks or wire transfer requests, other than those relating to authorized payments, will not be honored inadvertently. Therefore, the Debtors respectfully request that the Court authorize and direct all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

Emergency Consideration

27. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case "to the extent that relief is necessary to avoid immediate and irreparable harm." An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors'

operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors' operations at this critical juncture and imperil the Debtors' restructuring. The Debtors have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis.

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

28. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

29. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that

may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Notice

30. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; (l) the Sureties; (m) the Brokers; and (n) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors request entry of the Interim Order and the Final Order, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto (the “Order”): (a) authorizing, but not directing, the Debtors to negotiate, remit, and pay (or use tax credits to offset) certain accrued and outstanding prepetition obligations accrued in the ordinary course of business on account of the Taxes and Fees (as defined herein), including those obligations subsequently determined upon audit or otherwise to be owed for periods prior to the Petition Date; (b) authorizing the Debtors to continue negotiating and paying (or using tax credits to offset) the Taxes and Fees accrued in the ordinary course of business on a postpetition basis, including those obligations subsequently determined upon audit or otherwise to be owed; and (c) granting related relief.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on August 2, 2020 (the “Petition Date”). Capitalized terms used but not otherwise defined in this Motion shall have the meanings given to them in the First Day Declaration.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105(a), 363(b), 507(a)(8), 541, and 1107 of the Bankruptcy Code, Bankruptcy Rules 6003 and 6004, and rule 9013-1(b) of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

5. The Debtors are a leading specialty retailer of men’s tailored clothing and the largest men’s formalwear provider in the United States and Canada. The Debtors operate approximately 1,400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men’s Wearhouse, Men’s Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

6. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

The Debtors’ Tax and Fee Obligations

I. Overview of the Debtors’ Tax and Fee Obligations.

7. In the ordinary course of business, the Debtors collect, withhold, incur, and pay sales and use taxes, annual reporting fees, permits and licensing fees, business and regulatory fees, property taxes, franchise taxes and fees, income taxes, taxes and fees related to audits, and various

other governmental taxes, fees, and assessments (collectively, the “Taxes and Fees”).³ The Debtors remit the Taxes and Fees to various federal, state, local, and foreign governments, including taxing authorities (collectively, the “Authorities”). A schedule identifying the Authorities is attached hereto as **Exhibit A**.⁴ Taxes and Fees are generally remitted and paid by the Debtors through checks and electronic transfers that are processed through their banks and other financial institutions. However, substantial Taxes and Fees are also remitted through third-party services providers, who pay the Authorities from their respective bank accounts. From time to time, the Debtors also receive tax credits for overpayments or refunds in respect of Taxes or Fees. The Debtors use these credits in the ordinary course of business to offset against future Taxes or Fees, or have such amounts refunded to the Debtors.

8. The Debtors estimate that approximately \$10.8 million in Taxes and Fees relating to the prepetition period are or will become due and owing to the Authorities after the Petition Date in the ordinary course.

9. The Debtors pay the Taxes and Fees to the Authorities on a periodic basis, remitting them monthly, quarterly, semi-annually, or annually depending on their nature and incurrence. Although the Debtors believe that they are substantially current with respect to their payment of Taxes and Fees, the Debtors seek authority to make such payments with respect to Taxes and Fees where: (a) Taxes and Fees accrued or were incurred prepetition but were not paid prepetition or were paid in an amount less than actually owed; (b) Taxes and Fees were paid prepetition by the

³ By this Motion, the Debtors do not seek the authority to collect and remit state and federal employee-related withholding taxes. Such relief is instead requested in the Debtors’ *Emergency Motion Seeking Entry of an Order Authorizing the Debtors to Pay Prepetition Employee Wages, Salaries, Other Compensation, and Reimbursable Employee Expenses and Continue Employee Benefits Programs*, filed concurrently herewith.

⁴ Although **Exhibit A** is intended to be comprehensive, the Debtors may have inadvertently omitted one or more Authorities. By this Motion, the Debtors request relief applicable to all Authorities, regardless of whether such Authority is specifically identified on **Exhibit A**.

Debtors and were lost or otherwise not received in full by any of the Authorities, which may give rise to interest and other penalties; or (c) Taxes and Fees incurred for prepetition periods may become due after the commencement of these chapter 11 cases. In addition, for the avoidance of doubt, the Debtors seek authority to pay Taxes and Fees accrued or incurred postpetition and Taxes and Fees for so-called “straddle” periods.⁵

10. The Debtors believe that any failure to pay the Taxes and Fees could materially disrupt the Debtors’ business operations in several ways, including that: (a) the Authorities may initiate audits of the Debtors, which would unnecessarily divert the Debtors’ attention from the restructuring process; (b) the Authorities may attempt to suspend the Debtors’ operations, file liens, seek to lift the automatic stay, and pursue other remedies that would harm the estates; and (c) certain of the Debtors’ directors and officers could be subject to claims of personal liability, which would likely distract them from their duties related to the Debtors’ restructuring. Moreover, unpaid Taxes and Fees may result in penalties, the accrual of interest, or both. In addition, nonpayment of the Taxes and Fees may give rise to priority claims under section 507(a)(8) of the Bankruptcy Code. Lastly, the Debtors collect and hold certain outstanding tax liabilities in trust for the benefit of the applicable Authorities, and such funds may not constitute property of the Debtors’ estates.

⁵ Claims for so-called “straddle” Taxes and Fees may be entitled to administrative claim treatment pursuant to Section 503(b)(1)(B). A recent Delaware bankruptcy court decision held that the portion of “straddle” tax claim that is attributable to the prepetition portion of a “straddle” period is not entitled to administrative priority and, in fact, is not entitled to priority under Section 507(a)(8)(A). See *In re Affirmative Ins. Holdings, Inc.*, 607 B.R. 175, 188 (Bankr. D. Del 2019). Although a Delaware district court recently overturned the bankruptcy court’s decision, it is unclear whether the district court’s decision will be appealed and what the outcome of any such appeal might be. Because the Debtors could be subject to late payment penalties and interest in the event they do not pay such “straddle” Taxes and Fees and a court ultimately concludes that such taxes are entitled to administrative treatment, the Debtors are seeking the authority to pay such “straddle” Taxes and Fees as they become due under applicable law. The Debtors reserve their rights with respect to the proper characterization of such “straddle” Taxes and Fees and to seek reimbursement of any portion of a payment that was made that ultimately is not entitled to administrative or priority treatment.

11. The following table contains descriptions of the Taxes and Fees, as well as the Debtors' estimate of the amounts of the Taxes and Fees accrued as of the Petition Date:

Category	Description	Approximate Amount Accrued as of Petition Date
Sales and Use Taxes	The Debtors collect and remit sales, use, and related taxes in real time to the Authorities in various states in connection with the sale of their products or services at store locations in those states, or through shipment of products purchased through the Debtors' e-commerce websites.	\$2.4 million
Income and Franchise Taxes and Fees	In the ordinary course of operating their business, the Debtors incur federal, state and local income taxes. When due, the Debtors pay income taxes on a quarterly basis. The Debtors remit certain taxes, fees, permitting charges, and related fees required to conduct business in the ordinary course pursuant to state and local laws. Certain states may refuse to qualify a debtor to do business in a state or recognize a name change, merger, or other activity if franchise taxes have not been paid.	\$627,000
Foreign Income Taxes	Taxes imposed on the Debtors' income outside of the United States.	\$0
Annual Reporting and Other Licensing Fees	The Debtors incur and remit annual reporting and other licensing fees in certain states in connection with chartering or operating in those states.	\$810,000
Property Taxes	The Debtors remit property and use taxes directly to Authorities relating to property that the Debtors use in the operation of their business.	\$3.0 million
Audits	Ongoing audit investigations in various jurisdictions on account of tax returns and/or tax obligations in prior years.	\$4.0 million
Total		\$10.8 million

II. Sales and Use Taxes.

12. The Debtors incur various general sales and use taxes, gross receipts taxes, and other similar taxes (collectively, the "Sales and Use Taxes"). The Debtors remit the Sales and Use Taxes to the applicable Authorities in real time. Sales and Use Taxes are essentially general consumption taxes charged at either the point of purchase for goods and services or the point of

sale of goods and services, which are usually set by the Authority as a percentage of the retail price of the good or service purchased. Additionally, the Debtors purchase a variety of equipment, materials, supplies, and services necessary for the operation of their business from vendors that may not operate or be registered to collect tax in the jurisdiction where the goods are to be delivered or the services are to be performed, and, therefore, these vendors do not charge the Debtors sales tax in connection with such purchases of goods or services. In these cases, applicable law generally requires the Debtors to subsequently pay use taxes on such purchases to the applicable Authorities. In 2019, the Debtors paid approximately \$182.0 million in Sales and Use Taxes. As of the Petition Date, the Debtors estimate that approximately \$2.4 million in Sales and Use Taxes will have accrued and remain unpaid to the relevant Authorities.

III. Income and Franchise Taxes and Fees.

13. The Debtors are required to pay various state franchise taxes in order to continue conducting their business pursuant to state laws, as well as federal, state and local income and withholding taxes (the “Income and Franchise Taxes and Fees”). Failure to pay Income and Franchise Taxes and Fees as they become due in the ordinary course likely would cause the Debtors to lose their ability to conduct business in the applicable jurisdictions. The Debtors typically pay the Income and Franchise Taxes and Fees on a quarterly basis or as due, depending on when the relevant Authority charges the Income and Franchise Taxes and Fees. In 2019, the Debtors paid approximately \$2.6 million in state and local income tax. With respect to federal income tax, in 2019, the Debtors remitted approximately \$11.3 million. As of the Petition Date, the Debtors estimate that \$627,000 in Income and Franchise Taxes and Fees will have accrued and remain unpaid to the relevant Authorities, but the Debtors expect a refund in part due to a net operating loss carryback.

IV. Foreign Income Taxes

14. The Debtors are required to pay various foreign income taxes in order to continue conducting their business pursuant to the laws in each foreign jurisdiction (the “Foreign Income Taxes and Fees”). Failure to pay Foreign Income Taxes and Fees as they become due in the ordinary course likely would cause the Debtors to lose their ability to conduct business in the applicable jurisdictions. In 2019, the Debtors paid approximately \$710,000 in Foreign Income Taxes and Fees in the United Kingdom and Canada. As of the Petition Date, the Debtors estimate that approximately no Foreign Income Taxes and Fees will have accrued or and remain unpaid to the relevant Authorities.

V. Annual Reporting and Other Licensing Fees.

15. The Debtors incur various annual reporting and other licensing fees in various states in connection with chartering or operating in those states (the “Annual Reporting and Other Licensing Fees”). The Debtors remit the Annual Reporting and Other Licensing Fees to the applicable Authorities based on the number of locations, number of employees, or gross sales, depending on the jurisdiction. In 2019, the Debtors paid approximately \$1.1 million in Annual Reporting and Other Licensing Fees. As of the Petition Date, the Debtors estimate that approximately \$810,000 in Annual Reporting and Other Licensing Fees will have accrued and remain unpaid to the relevant Authorities.

VI. Property Taxes.

16. State and local laws in the jurisdictions in which the Debtors operate generally grant Authorities the power to levy property taxes against the Debtors’ real and personal property (the “Property Taxes”). To avoid the imposition of statutory liens on their real and personal property, the Debtors typically pay property taxes in the ordinary course of business on an annual basis. In 2019, the Debtors paid approximately \$6.5 million in Property Taxes. As of the Petition

Date, the Debtors estimate that approximately \$3.0 million in Property Taxes will have accrued and remain unpaid to the relevant Authorities.

VII. Audits.

17. The Debtors are currently subject to ongoing audit investigations in various jurisdictions and may be subject to further investigations on account of tax returns and/or tax obligations in prior years (collectively, the “Audits”). The Audits may result in additional prepetition Taxes and Fees being assessed against the Debtors, including interest on late payment of Taxes and Fees (such additional Taxes and Fees, the “Assessments”). The Debtors estimate \$4.0 million in liability in relation to ongoing Audits by various Authorities. However, the final results of such Audits currently are unavailable, and as a result, the Debtors cannot determine the amount of such potential Assessments. Further, the Authorities may conduct additional Audits in the future, resulting in additional Assessments on account of prepetition Taxes and Fees. Out of an abundance of caution, the Debtors seek authority, but not direction, to pay or remit tax obligations on account of the Audits as they arise in the ordinary course of the Debtors’ business, including as a result of any resolutions of issues addressed in an Audit. Nothing in the above table, this Motion, or any related order constitutes or should be construed as an admission of liability by the Debtors with respect to any Audit or Assessment. The Debtors expressly reserve all rights with respect to any Audit. Furthermore, the Debtors reserve the right to contest Assessments, if any, claimed to be due as a result of the Audits.

Basis for Relief

18. The Debtors believe that failing to pay the Taxes and Fees when due could materially disrupt the Debtors’ business operations in several ways, including that: (a) failing to pay certain of the Taxes and Fees, particularly franchise taxes, likely would cause the Debtors to lose their ability to conduct business in certain jurisdictions; (b) the Authorities could initiate

audits, suspend operations, file liens, or seek to lift the automatic stay, which would unnecessarily divert the Debtors' attention from the restructuring efforts; (c) failing to pay Taxes and Fees potentially could subject certain of the Debtors' directors and officers to claims of personal liability, which likely would distract those key persons from their duties related to the Debtors' restructuring; and (d) unpaid Taxes and Fees may result in penalties, the accrual of interest, or both, which could negatively affect the Debtors' business or the restructuring efforts. Moreover, the Debtors collect and hold certain outstanding tax liabilities in trust for the benefit of the applicable Authorities, and these funds may not even constitute property of the Debtors' estates.

I. Certain of the Taxes and Fees May Not Be Property of the Debtors' Estates.

19. Many of the Taxes and Fees are collected or withheld by the Debtors on behalf of the applicable Authorities and are held in trust by the Debtors. *See, e.g.*, 26 U.S.C. § 7501 (stating that certain taxes and fees are held in trust); Tex. Tax Code Ann. § 111.016(a) (Vernon 2007) (“Any person who receives or collects a tax or any money represented to be a tax from another person holds the amount so collected in trust for the benefit of the state and is liable to the state for the full amount collected plus any accrued penalties and interest on the amount collected.”). As such, these Taxes and Fees are not property of the Debtors' estates under section 541 of the Bankruptcy Code. *See, e.g.*, 11 U.S.C. § 541(d); *Begier v. IRS*, 496 U.S. 53, 57–60 (1990) (holding that certain taxes are property held by the debtor in trust for another and, as such, do not constitute property of the estate); *In re Al Copeland Enters., Inc.*, 991 F.2d 233, 237 (5th Cir. 1993) (noting that a debtor holds state sales tax revenues in trust for the state); *In re Equalnet Commc'ns Corp.*, 258 B.R. 368, 370 (Bankr. S.D. Tex. 2000) (“[C]ertain prepetition tax claims, such as sales taxes, could be trust fund claims.”). Because the Debtors may not have an equitable interest in funds

held on account of such “trust fund” taxes, the Debtors should be permitted to pay those funds to the Authorities as they become due.⁶

II. Certain of the Taxes and Fees May Be Secured or Priority Claims Entitled to Special Treatment under the Bankruptcy Code.

20. Claims for certain of the Taxes and Fees are or may be priority claims entitled to payment before general unsecured claims. *See* 11 U.S.C. § 507(a)(8) (describing taxes entitled to priority treatment). Moreover, to the extent that such amounts are entitled to priority treatment under the Bankruptcy Code, the respective Authorities may attempt to assess fees, interest, and penalties if such amounts are not paid. *See* 11 U.S.C. § 507(a)(8)(G) (granting eighth priority status to “a penalty related to a claim of a kind specified in this paragraph and in compensation for actual pecuniary loss”). Claims entitled to priority status pursuant to section 507(a)(8) of the Bankruptcy Code must be paid in full under a confirmable plan pursuant to section 1129(a)(9)(C) of the Bankruptcy Code. Therefore, payment of certain of the Taxes and Fees at this time only affects the timing of the payment for the amounts at issue and will not unduly prejudice the rights and recoveries of junior creditors. *See In re Equalnet Commc’ns Corp.*, 258 B.R. 368, 369 (Bankr. S.D. Tex. 2000) (“[C]ertain types of claims enjoy a priority status in addition to being sometimes critical to the ongoing nature of the business. For instance, employee wage claims and certain tax claims are both priority claims in whole or in part. The need to pay these claims in an ordinary course of business time-frame is simple common sense.”).

⁶ For the avoidance of doubt, the Debtors hereby request authority to pay the Taxes and Fees as provided herein regardless of whether such Taxes and Fees constitute trust fund obligations.

III. Payment of the Taxes and Fees as Provided Herein Is a Sound Exercise of the Debtors' Business Judgment.

21. The Court may authorize the Debtors to pay the Taxes and Fees under section 363(b)(1) of the Bankruptcy Code, which provides that “[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Courts in the Fifth Circuit have granted a debtor’s request to use property of the estate outside of the ordinary course of business pursuant to section 363(b) of the Bankruptcy Code upon a finding that such use is supported by sound business reasons. *See, e.g., Inst. Creditors of Cont’l Air Lines, Inc. v. Cont’l Air Lines, Inc. (In re Cont’l Air Lines, Inc.)*, 780 F.2d 1223, 1226 (5th Cir. 1986) (“[F]or a debtor-in-possession or trustee to satisfy its fiduciary duty to the debtor, creditors and equity holders, there must be some articulated business justification for using, selling, or leasing the property outside the ordinary course of business.”); *see also In re Terrace Gardens Park P’ship*, 96 B.R. 707, 714 (Bankr. W.D. Tex. 1989); *In re Crutcher Res. Corp.*, 72 B.R. 628, 631 (Bankr. N.D. Tex. 1987) (“A Bankruptcy Judge has considerable discretion in approving a § 363(b) sale of property of the estate other than in the ordinary course of business, but the movant must articulate some business justification for the sale.”). In addition, under section 1107(a) of the Bankruptcy Code, a debtor in possession has, among other things, the “implied duty . . . to ‘protect and preserve the estate, including an operating business’ going-concern value.” *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. N.D. Tex. 2004) (quoting *In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002)).

22. Moreover, under section 105(a) of the Bankruptcy Code, “the [C]ourt may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code].” 11 U.S.C. § 105(a); *In re Mirant Corp.*, 296 B.R. 427, 429 (Bankr. N.D. Tex. 2003) (noting that non-payment of prepetition claims may seriously damage a debtor’s

business); *CoServ*, 273 B.R. at 497 (finding that sections 105 and 1107 of the Bankruptcy Code provide the authority for a debtor in possession to pay prepetition claims). The above-referenced sections of the Bankruptcy Code therefore authorize the postpetition payment of prepetition claims when the payments are critical to preserving the going-concern value of the debtor's estate, as is the case here. *See, e.g., CoServ*, 273 B.R. at 497 (“[I]t is only logical that the bankruptcy court be able to use [s]ection 105(a) of the [Bankruptcy] Code to authorize satisfaction of the prepetition claim in aid of preservation or enhancement of the estate.”). Further, the Office of the U.S. Trustee for the Southern District of Texas requires that debtors pay all tax obligations arising after the filing of the petition in full when due. *See, e.g., Region 7 Guidelines for Debtors-in-Possession*.

23. Here, the Debtors' ability to pay the Taxes and Fees is critical to their continued and uninterrupted operations and maintaining the value of the Debtors' estates. If certain Taxes and Fees remain unpaid, the Authorities may seek to impose penalties on, or recover such amounts directly from, the Debtors' directors, officers, or employees, thereby diverting them from the administration of the Debtors' chapter 11 cases. *See, e.g., Tex. Tax Code Ann. § 111.016* (Vernon 2007) (persons who hold money paid as a tax for the benefit of the state are liable to the state for the full amount); *In re Tex. Pig Stands, Inc.*, 610 F.3d 937, 941 (5th Cir. 2010) (noting that corporate officers may be held responsible for payment of certain corporate taxes). Any collection action on account of such claims, and any potential ensuing liability, would distract the Debtors and their personnel to the detriment of all parties in interest. The dedicated and active participation of the Debtors' officers and employees is integral to the Debtors' continued operations and essential to the orderly administration of these chapter 11 cases and maximizing the value of the Debtors' estates for the benefit of their stakeholders.

24. Furthermore, the Debtors' inability to pay the Taxes and Fees may ultimately result in increased tax liability for the Debtors if interest and penalties accrue on the Tax and Fee claims. *See, e.g.,* Tex. Tax Code Ann. § 111.016(a) (Vernon 2007). Such a result would be contrary to the best interests of the Debtors' estates and all stakeholders. As noted above, many of the Taxes and Fees may be entitled to priority status pursuant to section 507(a)(8) of the Bankruptcy Code. As priority claims, these obligations must be paid in full before any general unsecured obligations of the Debtors may be satisfied. *See Equalnet Commc'ns*, 258 B.R. 368, 369 (Bankr. S.D. Tex. 2000) (noting that paying priority tax claim in the ordinary course of business is "simple common sense"). Therefore, the Debtors' failure to pay the prepetition Taxes and Fees as they come due may ultimately increase the amount of priority claims held by the Authorities against the Debtors' estates to the detriment of the Debtors' general unsecured creditors. *See* 11 U.S.C. § 507(a)(8). Accordingly, the Court should grant the Debtors authority to pay, in their sole discretion, the prepetition Taxes and Fees as provided herein.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

25. The Debtors have sufficient funds to pay the amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to cash collateral and debtor in possession financing. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the payment of prepetition Taxes and Fees. Accordingly, the Debtors believe that checks or wire transfer requests, other than those relating to authorized payments, will not be honored inadvertently. Therefore, the Debtors respectfully request that the Court authorize and direct all applicable financial institutions, when

requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

Emergency Consideration

26. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors’ operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors’ operations at this critical juncture and imperil the Debtors’ restructuring. The Debtors have satisfied the “immediate and irreparable harm” standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis.

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

27. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

28. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors’ or any other party in interest’s right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any

particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Notice

29. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District

of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; (l) the Authorities; and (m) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request entry of the Order, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Debtors are authorized, but not directed, to: (a) negotiate, pay, and remit (or use tax credits to offset), or otherwise satisfy the obligations that arose or accrued in the ordinary course of business on account of the Taxes and Fees prior to the Petition Date and that will become due and owing in the ordinary course of business during the pendency of these chapter 11 cases at such time when the Taxes and Fees are payable; and (b) negotiate, pay and remit (or use tax credits to offset) Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis consistent with prepetition practice—including, for the avoidance of doubt, posting collateral or a letter of credit in connection with any dispute related to the Audits or Assessments or paying any Taxes and Fees arising as a result of the Audits or Assessments; *provided* that the Debtors shall not pay any Taxes and Fees outside of the ordinary course before such Taxes and Fees are due to the applicable Authority; *provided, further*, notwithstanding anything to the contrary herein or in the Motion, that in the event the Debtors make a payment with respect to any Taxes and Fees for the prepetition portion of any "straddle" amount, and this Court subsequently determines such amount was not entitled to priority or administrative treatment under section 507(a)(8) or 503(b)(1)(B) of the Bankruptcy Code, the Debtors may (but shall not be required to) seek an order from the Court requiring a return of such amounts.

2. To the extent that the Debtors have overpaid any Taxes or Fees, the Debtors are authorized to seek a refund or credit.

3. Notwithstanding the relief granted herein or any actions taken hereunder, nothing contained in this Order shall create any rights in favor of, or enhance the status of any claim held by, any of the Authorities.

4. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Order.

5. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens

(contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

6. Notwithstanding anything to the contrary in this Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Order, the terms of the DIP Order shall control.

7. The Debtors shall maintain a matrix/schedule of payments made pursuant to this Order, including the following information: (a) the names of the payee; (b) the nature of the payment; (c) the amount of the payment; (d) the category or type of payment; (e) the Debtor or Debtors that made the payment; (f) the payment date; and (g) the purpose of such payment. The Debtors shall provide a copy of such matrix/schedule to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases every 30 days beginning upon entry of this Order.

8. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Taxes and Fees.

9. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

10. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

11. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

12. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

**ORDER AUTHORIZING
THE PAYMENT OF CERTAIN PREPETITION TAXES AND FEES**

Upon the motion (the “Motion”)² of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of an order (this “Order”) (a) authorizing, but not directing, the Debtors to negotiate, remit and pay (or use tax credits to offset) certain accrued and outstanding prepetition Taxes and Fees, (b) authorizing the Debtors to continue negotiating, remitting and paying (or using tax credits to offset) the Taxes and Fees on a postpetition basis, and (c) granting related relief, all as more fully set forth in the Motion; and upon the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors’ estates, their creditors, and other parties in interest; and this

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ proposed claims and noticing agent at <http://cases.primeclerk.com/TailoredBrands>. The location of the Debtors’ service address in these chapter 11 cases is: 6100 Stevenson Boulevard, Fremont, California 94538.

² Capitalized terms used but not defined herein have the meanings given to such terms in the Motion.

Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Debtors are authorized, but not directed, to: (a) negotiate, pay, and remit (or use tax credits to offset), or otherwise satisfy the obligations that arose or accrued in the ordinary course of business on account of the Taxes and Fees prior to the Petition Date and that will become due and owing in the ordinary course of business during the pendency of these chapter 11 cases at such time when the Taxes and Fees are payable; and (b) negotiate, pay and remit (or use tax credits to offset) Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis consistent with prepetition practice—including, for the avoidance of doubt, posting collateral or a letter of credit in connection with any dispute related to the Audits or Assessments or paying any Taxes and Fees arising as a result of the Audits or Assessments; *provided* that the Debtors shall not pay any Taxes and Fees outside of the ordinary course before such Taxes and Fees are due to the applicable Authority; *provided, further*, notwithstanding anything to the contrary herein or in the Motion, that in the event the Debtors make a payment with respect to any Taxes and Fees for the prepetition portion of any "straddle" amount, and this Court subsequently determines such amount was not entitled to priority or administrative treatment under section 507(a)(8) or 503(b)(1)(B) of the Bankruptcy Code, the Debtors may (but shall not be required to) seek an order from the Court requiring a return of such amounts.

2. To the extent that the Debtors have overpaid any Taxes or Fees, the Debtors are authorized to seek a refund or credit.

3. Notwithstanding the relief granted herein or any actions taken hereunder, nothing contained in this Order shall create any rights in favor of, or enhance the status of any claim held by, any of the Authorities.

4. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Order.

5. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens

(contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

6. Notwithstanding anything to the contrary in this Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Order, the terms of the DIP Order shall control.

7. The Debtors shall maintain a matrix/schedule of payments made pursuant to this Order, including the following information: (a) the names of the payee; (b) the nature of the payment; (c) the amount of the payment; (d) the category or type of payment; (e) the Debtor or Debtors that made the payment; (f) the payment date; and (g) the purpose of such payment. The Debtors shall provide a copy of such matrix/schedule to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases every 30 days beginning upon entry of this Order.

8. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Taxes and Fees.

9. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

10. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

11. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

12. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

The above-captioned debtors and debtors in possession (collectively, the “Debtors”)² state as follows in support of this motion (this “Motion”):

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto (the “Order”): authorizing the Debtors to (a) pay prepetition wages, salaries, other compensation, and reimbursable employee expenses; (b) continue employee benefits programs in the ordinary course, including payment of certain prepetition obligations related thereto; and (c) granting related relief.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

² A detailed description of the Debtors and their business, and the facts and circumstances supporting the Debtors’ chapter 11 cases, are set forth in greater detail in the *Declaration of Holly Etlin, Chief Restructuring Officer of Tailored Brands, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously with the Debtors’ voluntary petitions for relief filed under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), on August 2, 2020 (the “Petition Date”). Capitalized terms used but not otherwise defined in this Motion shall have the meanings given to them in the First Day Declaration.

4. The bases for the relief requested herein are sections 105(a), 362(d), 363(b), and 507(a) of the Bankruptcy Code, Bankruptcy Rules 6003 and 6004, and rule 9013-1(b) of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

Background

5. The Debtors are a leading specialty retailer of men’s tailored clothing and the largest men’s formalwear provider in the United States and Canada. The Debtors operate approximately 1,400 stores throughout the United States and Canada through an omni-channel network of five retail brands (Men’s Wearhouse, Men’s Wearhouse and Tux, Jos. A. Bank, K&G, and Moores). As of the Petition Date, the Debtors operate 1,274 stores across the United States and 125 stores in Canada. The Debtors also maintain a substantial online presence.

6. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

The Debtors’ Workforce

7. As of the Petition Date, the Debtors employ approximately 18,000 employees (the “Employees”), including approximately 13,000 full-time employees and approximately 5,000 part-time and seasonal employees. Approximately 920 Employees are members of a labor force union (the “Union Employees”). In addition to the Employees, the Debtors also periodically retain independent contractors and temporary workers (collectively, the “Temporary Staff”) sourced regularly from various staffing agencies (the “Staffing Agencies”) to fulfill certain duties

on a short- and long-term basis. At any given time, the Debtors retain approximately 750 Temporary Staff. Starting in March, in response to government mandates to close all non-essential businesses due to COVID-19, the Debtors temporarily furloughed approximately 97 percent of their Employees and Temporary Staff. As of the Petition Date, approximately 7,700 Employees and Temporary Staff remain furloughed.

8. The Employees and Temporary Staff perform a wide variety of functions, which are critical to the preservation of value and the administration of the Debtors' estates. In many instances, the Employees and Temporary Staff include personnel who are intimately familiar with the Debtors' business, processes, and systems, and who cannot be easily replaced. Without the continued, uninterrupted services of the Employees and the Temporary Staff, the Debtors' business operations will be materially impaired.

9. Further, the vast majority of the Employees and Temporary Staff rely on their compensation and benefits to pay their daily living expenses. These workers will be unfairly harmed if the Debtors are not permitted to continue paying compensation and providing health and other benefits during these chapter 11 cases. Consequently, the Debtors respectfully submit that the relief requested herein is necessary and appropriate under the facts and circumstances of these chapter 11 cases.

Employee Compensation and Benefits

10. To minimize the personal hardship the Employees and Temporary Staff could suffer if prepetition Employee-related obligations remain unpaid during the administration of these chapter 11 cases, the Debtors seek authority, but not direction, to: (a) pay and honor certain prepetition claims relating to, among other things, wages, salaries, sales commissions, other compensation, payroll services, federal and state withholding taxes and other amounts withheld (including garnishments, Employees' share of insurance premiums, and taxes), reimbursable

expenses, the non-insider employee incentive plans, the non-insider employee severance program, health insurance, retirement health and related benefits, workers' compensation benefits, life insurance, short- and long-term disability coverage, and certain other benefits that the Debtors have historically provided in the ordinary course (collectively, the "Employee Compensation and Benefits"); and (b) pay all costs incident to the Employee Compensation and Benefits.

11. Subject to the Court's approval, the Debtors intend to honor the applicable prepetition Employee Compensation and Benefits programs in the ordinary course on a postpetition basis. Out of an abundance of caution, the Debtors further request authority to modify, change, or discontinue any of their Employee Compensation and Benefits and to implement new programs, policies, and benefits in the ordinary course during these chapter 11 cases in the Debtors' sole discretion without the need for further Court approval, subject to applicable law. The Debtors seek authority to make the following payments related to prepetition amounts owed on account of the Employee Compensation and Benefits:

Relief Sought	Final Amount
Compensation and Withholding Obligations	
Compensation	\$13,750,000
Commissions Program	\$325,000
Temporary Staff Compensation	\$3,300,000
Withholding Obligations	\$8,600,000
Reimbursable Expenses	\$25,000
Credit Card Expenses	\$50,000
Employee Benefits Programs	
Health Benefit Plans	\$6,800,000
Basic Life Insurance	\$110,000
Disability Benefits	\$300,000
Wellness Programs	\$30,000
Adoption Assistance Program	\$0
Education Assistance Program	\$0
Workers' Compensation Programs	\$4,100,000
Union Payments	\$650,000
Retirement Plans	\$50,000
Paid Time Off	\$24,100,000
TOTAL	\$62,190,000

I. Compensation and Withholding Obligations.

A. Unpaid Compensation.

12. The Debtors incur obligations to their Employees for, among other things, wages, salaries, overtime, and other obligations described herein (collectively, the “Employee Compensation”). The Debtors’ historical average monthly gross Employee Compensation, including wages, salaries, commissions, and related compensation, has been approximately \$48.6 million. The Debtors pay approximately 16,000 Employees—approximately 89 percent of their workforce—on an hourly basis (the “Hourly Employees”) and the remaining 2,000 Employees—approximately 11 percent of the workforce—are paid on a salaried basis (the “Salaried Employees”). The Debtors pay most of their Employees (both Hourly Employees and Salaried Employees) on a bi-weekly basis, while some of the Hourly Employees are paid weekly.

13. The Debtors anticipate that their monthly gross Employee Compensation, including wages, salaries, and related compensation, will range from approximately \$35 million to approximately \$55 million during the pendency of these chapter 11 cases.³ As of the Petition Date, the Debtors estimate that they owe approximately \$13.75 million on account of unpaid Employee Compensation earned by Employees prior to the Petition Date (the “Unpaid Compensation”), all of which will come due within the first 21 days of these chapter 11 cases. The majority of the Debtors’ payroll is made by direct deposit through electronic transfer of funds to the Employees’ bank accounts or other electronic means. Failure to pay the Unpaid Compensation will result in financial hardship for the Employees and lead to the risk of widespread departures at all levels of the Debtors’ corporate structure. In light of the substantial benefit the Employees will continue to provide to the Debtors’ estates and the costs attendant to filling sudden vacancies, the Debtors hope to avoid imposing such a hardship.

14. The Debtors request authority, but not direction, to pay any Unpaid Compensation in the ordinary course and consistent with past practice and to continue paying the Employee Compensation in the ordinary course. For the avoidance of doubt, as of the Petition Date, the Debtors do not believe that they owe Unpaid Compensation to any Employee in excess of the \$13,650 statutory cap imposed by section 507(a)(4) of the Bankruptcy Code.

B. Non-Insider Commission Compensation.

15. In addition to the Debtors’ salary and wage obligations, certain of the non-insider Employees are entitled to sales commissions in addition to their base salary wages under the sales

³ Employee Compensation is expected to decrease throughout these chapter 11 cases as a result of contemplated store closings. The Debtors’ planned store closings are discussed in more detail in *Debtors’ Motion Seeking Entry of an Order (I) Approving and Authorizing the Conduct of the Inventory Drawback Procedures and (II) Granting Related Relief*, filed contemporaneously herewith.

commissions program (the “Commissions Program”). In particular, the Debtors pay commissions to approximately 6,400 Employees pursuant to the Commissions Program. The amount of commissions due to any one Employee under the Commissions Program depends on performance-based sale components, such as quantity of sales, aggregate value of the sold merchandise, and seasonal sales goals.

16. The commissions are paid bi-weekly, as applicable, and processed as part of the Debtors’ normal payroll. The commissions form an important and integral part of many of the Employees’ overall compensation packages and motivate the Employees to maintain customer goodwill and efficiently pursue the sale of the Debtors’ inventory—both of which inure to the benefit of the Debtors’ estates. Additionally, many of the Employees rely on the commissions earned through the Commissions Program for their daily living expenses such that failure to pay the commissions would impose undue hardship.

17. As of the Petition Date, the Debtors estimate that they owe approximately \$325,000 on account of accrued but unpaid commissions. The Debtors seek authority to pay any outstanding amounts on account of the Commissions Program and to continue the Commissions Programs on a postpetition basis in the ordinary course of the Debtors’ business and consistent with past practice.

C. Temporary Staff Compensation.

18. The Debtors make payments to Staffing Agencies and the Temporary Staff (the “Temporary Staff Compensation”) for the performance of certain services important to the Debtors’ operations. The Employees rely on the support of Temporary Staff to complete discrete projects in furtherance of the Debtors’ business and to fill short-term positions. Historically, the Debtors have paid approximately \$1.5 million in Temporary Staff Compensation on a monthly basis, which includes fees that the Debtors remit to Staffing Agencies in exchange for the services

they provide with respect to the Temporary Staff. The Debtors believe the authority to continue paying the Temporary Staff Compensation is important to minimizing disruption of the Debtors' business operations.

19. As of the Petition Date, the Debtors estimate that Temporary Staff and Staffing Agencies are owed an aggregate of approximately \$3.3 million on account of accrued services rendered prior to the Petition Date (collectively, the "Unpaid Temporary Staff Compensation"). The Debtors request authority to continue to pay any Unpaid Temporary Staff Compensation in the ordinary course and consistent with past practice and to continue paying the Temporary Staff Compensation in the ordinary course of business on a postpetition basis.

D. Withholding Obligations and Payroll Taxes.

20. During each applicable payroll period, the Debtors routinely deduct certain amounts from Employees' paychecks, including garnishments, child support, and similar deductions, as well as other pre-tax and after-tax deductions payable pursuant to certain employee benefit plans discussed herein, such as an Employee's share of health care benefits and insurance premiums, 401(k) contributions, legally-ordered deductions, and miscellaneous deductions (collectively, the "Deductions"), and forward such amounts to various third-party recipients.

21. In addition to the Deductions, certain federal and state laws require that the Debtors withhold certain amounts from Employees' gross pay related to federal, state, and local income taxes, as well as Social Security and Medicare taxes (collectively, the "Employee Payroll Taxes") for remittance to the appropriate federal, state, or local taxing authorities. The Debtors must then match the Employee Payroll Taxes from their own funds and pay, based upon a percentage of gross payroll, additional amounts for federal and state unemployment insurance and Social Security and Medicare taxes (together with the Employee Payroll Taxes, the "Payroll Taxes," and, the Payroll Taxes, together with the Deductions, collectively, the "Withholding Obligations").

The Payroll Taxes are generally processed and forwarded to the appropriate federal, state, and local taxing authorities at the same time the Employees' payroll checks are disbursed.

22. In the 12 months before the Petition Date, the Debtors remitted approximately \$164 million of Withholding Obligations in the aggregate. As of the Petition Date, the Debtors estimate that they owe approximately \$8.6 million on account of the Withholding Obligations. The Debtors seek authority to continue deducting and remitting amounts to the appropriate third-parties, as applicable, in a manner consistent with historical practice for any unpaid Withholding Obligations and to continue to honor the Withholding Obligations in the ordinary course of business on a postpetition basis and consistent with past practice.

E. Reimbursable Expenses.

23. Prior to the Petition Date and in the ordinary course, the Debtors reimburse Employees or pay credit card invoices of certain Employees for approved expenses incurred in connection with the performance of their assigned duties (the "Reimbursable Expenses"). The Reimbursable Expenses are largely on account of costs incurred related to (a) Employee travel for reasonable business related purposes, (b) purchases of merchandise, or (c) payments to vendors for services. Employees who pay up front for Reimbursable Expenses apply for reimbursement of Reimbursable by submitting monthly expense reports with detailed receipts of all costs incurred (the "Expense Reports"). The Employee's direct manager and the travel and expense department review each submitted Expense Report. Typically, Expense Reports are approved within a week after submission and reimbursements are processed two times per week.

24. The Debtors direct all business-related travel through ETA Travel (the "Travel Agent"). Over the past 12 months, the Debtors have paid approximately \$106,000 in administration fees to the Travel Agent (the "Travel Agency Fees"). As of the Petition Date, the Debtors do not owe any accrued but unpaid Travel Agency Fees. As a result, the Debtors seek

authority to continue to pay the Travel Agency Fees in the ordinary course of business on a postpetition basis.

25. Although the Debtors ask that reimbursement requests be submitted promptly, submission delays occasionally occur, and Employees may submit reimbursement requests for prepetition expenses after the Petition Date. Employees incurred the Reimbursable Expenses as business expenses on the Debtors' behalf and with the understanding that such expenses would be reimbursed fully. In the 12 months before the Petition Date, the Debtors spent approximately \$5.3 million on Reimbursable Expenses. As of the Petition Date, the Debtors estimate that Reimbursable Expenses are owed in the aggregate of approximately \$25,000 on account of accrued services rendered prior to the Petition Date (the "Unpaid Reimbursable Expenses"). The Debtors request authority to pay the Unpaid Reimbursable Expenses in the ordinary course and consistent with past practice and to continue paying the Reimbursable Expenses in the ordinary course on a postpetition basis.

26. The Debtors provide certain Employees with corporate credit cards (the "Corporate Credit Cards"). Currently, approximately 371 Corporate Credit Cards are used by Employees. The Corporate Credit Cards are issued to Employees in each Employee's own name at the discretion of senior managers and monthly invoices are sent to the Company. American Express issues the Corporate Credit Cards. Employees may use the Corporate Credit Cards to purchase business-related goods and services that require a credit card at the time of purchase, catering, supplies for corporate events, goods and services related to the administration of corporate meetings, floral services for hospitalized employees, photo shoot supplies, dues and subscriptions, and certain supply purchases of less than \$100. All purchases made with the Corporate Credit Cards must be less than \$3,000 unless approved by the Debtors' travel and expense department.

Employees may not use the Corporate Credit Cards for goods or services requiring a purchase order, temporary labor, consultancy services, cash advances, charitable donations, gift cards, lease payments, or business-related travel expenses. The Debtors are liable on account of the Corporate Credit Cards and must make payments in a timely manner. In the 12 months before the Petition Date, the Debtors spent approximately \$32 million on account of the Corporate Credit Cards (the “Corporate Credit Card Expenses”). As of the Petition Date, the Debtors estimate that the aggregate amount of accrued but unpaid amounts owed on account of the Corporate Credit Cards is approximately \$50,000 (the “Unpaid Corporate Credit Card Expenses”). The Debtors request authority to pay the Unpaid Corporate Credit Card Expenses in the ordinary course and consistent with past practice and to continue paying the Corporate Credit Card Expenses in the ordinary course on a postpetition basis.

F. Non-Insider Employee Severance Programs

27. In the ordinary course of business, the Debtors provide severance benefits to certain store and store related Employees in the event of a termination by the Debtors that is not for “cause” (the “Non-Insider Employee Severance Program”). Under the Non-Insider Employee Severance Program, Employees receive, upon a qualifying termination, payment determined by a combination of the Employee’s salary, job title, and length of time employed by the Debtors equal to a minimum of four (4) weeks and a maximum of twelve (12) weeks of pay. Payment of the severance benefits is made over a period of time. In addition, certain of the Debtors’ CBAs require severance to be made to terminated Union Employees (the “Union Severance Program”).

28. As of the Petition Date, the Debtors do not believe there are any outstanding prepetition amounts owed pursuant to the Non-Insider Employee Severance Program or the Union Severance Program. Therefore, the Debtors seek authority to continue the Non-Insider Severance Program for all eligible non-Insider Employees in the ordinary course of business and the Union

Severance Program, as provided in the applicable CBAs and agreed to between the Debtors and the applicable Union, on a postpetition basis.

II. Non-Insider Employee Incentive Programs.

29. The Debtors maintain several incentive programs to motivate, reward, and retain certain of their non-insider Employees (each defined herein and collectively, the “Non-Insider Employee Incentive Programs”).

A. Store Employee Bonus Program.

30. The Debtors previously maintained a number of incentive programs to drive performance among their Employees, including store and corporate bonus programs. The Debtors offered bonuses to retail Employees based on myriad factors including the particular Employee’s performance, store “shrinkage reduction,” sales targets, and payroll hour targets (the “Store Employee Bonus Program”). The store Employee bonuses are paid annually each spring (the “Store Employee Bonus Payments”), with the most recent Store Employee Bonus Payment made on April 17, 2020 in the amount of \$8.3 million in the aggregate to 10,203 Employees. As of the Petition Date, the Store Employee Bonus Program is suspended indefinitely. The Debtors currently have no outstanding obligations to Employees on account of the Store Employee Bonus Program, but include this description out of an abundance of caution and seek authority to remit any Store Employee Bonus Payments if any become due during the pendency of these chapter 11 cases.

B. Corporate Non-Management Bonus Program.

31. The Debtors also offer previously discretionary bonuses to corporate, non-insider Employees (all full-time, non-management Employees) based on their performance reviews (the “Corporate Non-Management Bonus Program”). The performance review factors include various performance objectives comprised of objective and subjective corporate-wide, subsidiary,

division, operating unit, or individual measures, all of which are used to calculate an Employee's overall performance review score. The amounts paid under the Corporate Non-Management Bonus Program (the "Incentive Compensation Payments") are paid annually, with the most recent Incentive Compensation Payment made on February 21, 2020, totaling \$2.3 million across 502 Employees. As of the Petition Date, the Corporate Non-Management Bonus Program is suspended indefinitely. The Debtors currently have no outstanding obligations to Employees on account of the Corporate Non-Management Bonus Program, but include this description out of an abundance of caution and seek authority to remit any Incentive Compensation Payments if any become due during the pendency of these chapter 11 cases

C. Employee Discount.

32. Employees are entitled to a discount off merchandise in the Debtors' stores and on the Debtors' website (the "Employee Discount"). The Employee Discount ranges from 20 to 75 percent depending on the type of merchandise, the store in which the product is sold, and the store where the Employee works. The Employee Discount is taken at the point of sale, so the Debtors are not liable for any amounts on account of the Employee Discount. The Debtors request the authority, but not direction, to continue the Employee Discount in the ordinary course of business on a postpetition basis.

33. The Debtors also maintain a program to allow Employees to pay for merchandise through automatic payroll deductions (the "Merchandise Purchase Payroll Deduction Program"). After 90 days of continuous employment, Employees are eligible to purchase merchandise with the Employee Discount and have the cost of the merchandise deducted from the Employee's paycheck. The Debtors apply earned Employee Compensation, including any bonuses, to the cost of merchandise purchased through the Merchandise Purchase Payroll Deduction Program. In the 12 months before the Petition Date, Employees purchased approximately \$7.5 million worth of

merchandise through Merchandise Purchase Payroll Deduction Program. As of the Petition Date, the Debtors are owed approximately \$152,000 for merchandise bought through the Merchandise Purchase Payroll Deduction Program. The Debtors request the authority, but not direction, to continue the Merchandise Purchase Payroll Deduction Program in the ordinary course of business on a postpetition basis.

III. Employee Benefits Programs.

34. The Debtors offer all of their Employees the ability to participate in a number of insurance and benefits programs, including, among other programs, medical and dental plans, life insurance, accidental death and dismemberment insurance, accident insurance, scholarship programs, disability benefits, workers' compensation, retirement plans, paid time off, and other employee benefit plans (collectively, the "Employee Benefits Programs").

35. As described below, failure to continue the Employee Benefits Programs could cause Employees to experience severe hardship. In light of the substantial benefits the Employees have provided and will continue to provide to the Debtors' estates, the Debtors wish to avoid imposing such a hardship. The Debtors seek authority, but not direction, to continue to provide Employee Benefits Programs in the ordinary course on a postpetition basis during the administration of these chapter 11 cases. As of the Petition Date, the Debtors estimate that they do not owe any amounts on account of the Employee Benefits Programs. The Employee Benefits Programs are described in greater detail below.

A. Health Benefit Plans.

36. The Debtors offer their Employees the opportunity to participate in a number of health benefit plans, including medical and dental plans (collectively, the "Health Benefit Plans"). Specifically, the Debtors provide the following:

- Healthcare Plan: The Debtors' healthcare plans (the "Healthcare Plans") are administered by Aetna, Blue Cross Blue Shield, Cigna, Kaiser Permanente, and Sun Life. The Debtors estimate that the ongoing monthly administrative cost of these Healthcare Plans will be approximately \$4.8 million. As of the Petition Date, the Debtors estimate that they owe approximately \$2.6 million under the Healthcare Plans. The Debtors' prescription drug plan is administered by Caremark, L.L.C./CaremarkCVS Health, L.L.C (the "Prescription Plan"). The Debtors estimate that there are approximately \$4.2 million of incurred but not reported medical and prescription drug expenses and insurance claims. The Debtors maintain stop loss insurance coverage to cover all amounts due in excess of \$500,000 under any individual claim (the "Stop Loss Insurance"). The Debtors pay the excess amounts and are subsequently reimbursed under the Stop Loss Insurance. The monthly premium for the Stop Loss Insurance is \$176,864. The Debtors also offer continued health care coverage under COBRA to eligible Employees.
- Dental Plan: Additionally, the Debtors offer their Employees the option of participating in a dental plan (the "Dental Plans") administered by Delta Dental, Sun Life, and, in some areas, Aetna. The Debtors do not make contributions to or pay any expenses on account of the Dental Plans.
- Vision Plans: The Debtors offer their Employees the option of choosing between two vision plans (the "Vision Plans") administered by Vision Services Plan, Sun Life, EyeMed and Davis Vision. The Debtors do not make contributions to or pay any expenses on account of the Vision Plans.

The Debtors estimate that they do not owe any amounts on account of the Health Benefit Plans. The Debtors seek authority to continue the Health Benefit Plans on a postpetition basis in the ordinary course of business.

37. The Debtors also provide their eligible Employees with access to several types of flexible spending accounts: the Health Care Flexible Spending Account, the Commuter FSA, and the Dependent Care FSA (each, an "FSA"), with each FSA administered by WageWorks. The FSAs allow participating Employees to contribute pre-tax dollars for eligible out-of-pocket expenses. The Debtors do not make any contributions to the FSAs.

38. Because the Debtors do not contribute to Employees' FSAs, the Debtors believe the FSA amounts are generally held in trust by the Debtors and are not property of their estates.

When an Employee seeks to use their elected FSA amounts, the Debtors remit such amount to the requested healthcare provider through WageWorks. As of the Petition Date, the Debtors estimate that there is approximately \$225,000 to be remitted on account of the FSA (the “Unremitted FSA Amounts”).

39. Further, the Debtors pay a monthly administration fee of approximately \$2,000 to WageWorks on account of the FSA programs. As of the Petition Date, the Debtors estimate that they do owe approximately \$2,000 on account of accrued but unpaid FSA fees (the “Unpaid FSA Fees,” and, together with the Unremitted FSA Amounts, the “Unpaid FSA Costs”). As a result, the Debtors seek authority to pay and/or remit the Unpaid FSA Costs in the ordinary course and consistent with past practice and to continue the FSAs in the ordinary course of business on a postpetition basis.

40. For certain Employees who participate in the high deductible Healthcare Plans, the Debtors offer access to a health savings account (each, an “HSA”) through WageWorks. Participating Employees can opt to make pre-tax contributions to their individual HSA through payroll deductions to cover reimbursements under the program up to the maximum amount permitted by the Internal Revenue Service. In the 12 months preceding the Petition Date, the Employees contributed approximately \$1.6 million to the HSAs, and the Debtors incurred costs of approximately \$581,000 over that same span (together, the “HSA Costs”). As of the Petition Date, the Debtors estimate that they owe approximately \$50,000 on account of accrued but unpaid HSA Costs. The Debtors seek authority, but not direction, to continue the HSAs in the ordinary course of business on a postpetition basis.

41. As a part of the FSAs and the HSAs, the Debtors maintain a health reimbursement account (the “HRA”) through WageWorks. The HRA is a notational account that the Debtors fund

to support Employee claims under the FSAs and HSAs. The Debtors fund up to \$600 for Employees who participate in a FSA and up to \$1,200 for Employees who participate in an HSA. The Debtors pay a monthly administration fee of approximately \$11,000 to WageWorks on account of the HRA. As of the Petition Date, the Debtors estimate that they owe approximately \$11,000 on account of the HRA. As a result, the Debtors seek authority to continue the HRA in the ordinary course of business on a postpetition basis.

B. Other Insurance, Disability Benefits, and Employee Assistance Programs.

42. The Debtors offer their employees certain life insurance, disability benefits, and other auxiliary benefits described further below. The Debtors estimate that they do not owe any unpaid insurance amounts in the ordinary course of business, but seek authority to continue to honor any related obligations in the ordinary course on a postpetition basis.

1. Life Insurance Program.

43. The Debtors provide life and accidental death and dismemberment insurance (the “Basic Life Insurance”) to eligible Employees through Lincoln Financial Group and Sun Life. The Debtor-funded life insurance benefit is in the amount of the Employee’s annual base salary (rounded to the next higher \$1,000) and capped at \$500,000 per Employee (the “Basic Life Payments”). As of the Petition Date, the Debtors estimate that they owe approximately \$300,000 on account of the Basic Life Insurance. The Debtors request authority to pay prepetition amounts on account of the Basic Life Payments and to continue the Basic Life Insurance program in the ordinary course of business on a postpetition basis.

44. Certain eligible Employees also may purchase voluntary life insurance and accidental death and dismemberment insurance (the “Voluntary Life and AD&D Insurance”) through Lincoln Financial and Sun Life. The Voluntary Life and AD&D Insurance premiums are

paid by the Debtors' Employees, and the Debtors do not have any other obligations under the Voluntary Life and AD&D Insurance.

2. Disability Benefits.

45. The Debtors provide certain disability benefits through Lincoln Financial Group and Sun Life (the "Disability Benefits") to their eligible Employees. The Debtors provide a short-term disability insurance benefit to eligible Employees, which replaces a portion of the Employee's income if the Employee is unable to work due to a non-work related injury, illness, or medical condition. The benefit amount is 55 percent of an Employee's weekly earnings, to a maximum of \$1,300 per week, and will pay for up to 24 weeks after a one week waiting period. The Debtors also provide a long-term disability insurance benefit to eligible Employees, which replaces a portion of the Employee's income if such Employee is disabled for 24 weeks or longer due to a non-work-related injury or illness for an extended period of time. The benefit amount is 40 percent of the monthly pre-disability earnings, to a maximum benefit of \$3,000 per month.

46. In the 12 months preceding the Petition Date, the Debtors incurred costs of approximately \$4.1 million on account of the Disability Benefits. As of the Petition Date, the Debtors estimate that they owe approximately \$300,000 on account of the Disability Benefits. The Debtors request authority to pay prepetition amounts on account of the Disability Benefits and to continue the Disability Benefits program in the ordinary course of business on a postpetition basis.

3. Other Insurance and Assistance Programs.

47. The Debtors also offer accident insurance through MetLife (the "Accident Insurance Plan"). The Debtors are not obligated to make any payments under the Accident Insurance Plan, and all premiums are covered by the Employees.

48. The Debtors also provide their Employees with a confidential counseling and referral service (the "Employee Assistance Program") that pairs Employees with clinicians and a

variety of other resources. The Employee Assistance Program is administered by Magellan and HumanaCare. As of the Petition Date, the Debtors do not believe they owe any amounts pursuant to the Employee Assistance Program and request authority to continue the Employee Assistance Program in the ordinary course of business on a postpetition basis.

49. Additionally, the Debtors offer their eligible Employees the option to participate in various wellness programs (collectively, the “Wellness Programs”). These programs include: access to fitness resources, nutrition advice, a weight loss program, a smoking cessation program, and counseling sessions. The Debtors engage the services of Quest, Redbrick, and Virgin Pulse in order to implement the Wellness Programs. In the 12 months prior to the Petition Date, the Debtors spent approximately \$366,000 on the Wellness Programs. As of the Petition Date, the Debtors estimate that they owe approximately \$30,000 on account of the Wellness Programs. The Debtors request authority to pay prepetition amounts on account of the Wellness Programs and to continue Wellness Programs in the ordinary course of business on a postpetition basis.

50. The Debtors also offer their eligible Employees the option to participate in a legal services plan (the “Legal Services Plan”). The Legal Services Plan provides free or discounted legal services for issues including will preparation, real estate matters, and traffic offenses. The Debtors engage the services of Hyatt Voluntary Legal in order to implement the Legal Services Plan. The Debtors are not obligated to make any payments under the Legal Services Plan, and all expenses are covered by the Employees. As of the Petition Date, the Debtors request authority to continue the Legal Services Plan in the ordinary course of business on a postpetition basis.

51. Additionally, the Debtors offer their eligible Employees the option to participate in an adoption assistance program (the “Adoption Assistance Program”), which provides financial assistance for the costs of adoption. The Debtors self-administer the Adoption Assistance

Program. In the 12 months prior to the Petition Date, the Debtors had no expenses related to the Adoption Assistance Program. As of the Petition Date, the Debtors do not believe they owe any amounts pursuant to the Adoption Assistance Program and request authority to continue the Adoption Assistance Program in the ordinary course of business on a postpetition basis.

52. The Debtors also offer their eligible Employees the option to participate in various education assistance programs (collectively, the “Education Assistance Programs”). The Education Assistance Programs include a program that reimburses a portion of eligible education expenses for those Employees who continue their education. The Debtors also provide college scholarships to Employees’ children. The Debtors administer and implement the Education Assistance Programs themselves. In the 12 months prior to the Petition Date, the Debtors spent approximately \$201,000 on the Education Assistance Programs. As of the Petition Date, the Debtors do not believe they owe any amounts pursuant to the Education Assistance Programs and request authority to continue the Education Assistance Programs in the ordinary course of business on a postpetition basis.

C. Workers’ Compensation Program.

53. The Debtors maintain workers’ compensation insurance for their Employees at the statutorily required level for each jurisdiction in which the Debtors have Employees (collectively, the “Workers’ Compensation Program”). In certain jurisdictions, the Debtors pay premiums based on payroll in accordance with statutory requirements. The Debtors also maintain a master policy for all states that do not have statutory requirements that is subject to a \$500,000 deductible. The Debtors maintain and administer insurance coverage for the Workers’ Compensation Program through the Safety National Casualty Corp., Gallagher Bassett, and ConClaim (collectively, the “Workers’ Compensation Administrators”).

54. The Workers' Compensation Administrators open new claims and pays benefits on behalf of the Debtors. The Debtors pay approximately \$630,000 in premiums and fees annually to maintain the Workers' Compensation Program (the "Workers' Compensation Coverage Fees"). As of the Petition Date, the Debtors estimate that they do not owe any amounts on account of accrued but unpaid Workers' Compensation Coverage Fees.⁴

55. The Debtors also attempt to negotiate general releases in exchange for the settlement of some Employee claims under the Workers' Compensation Program (the "Employment Claims Settlements"). As of the Petition Date, the Debtors do not believe they have any accrued but unpaid fees on account of the Employment Claims Settlements.

56. The Debtors must continue the claim assessment, determination, adjudication, and payment process pursuant to the Workers' Compensation Program without regard to whether such liabilities are outstanding before the Petition Date to ensure that the Debtors comply with applicable workers' compensation laws and requirements. There are approximately 180 open claims in the amount of \$15.8 million under the Workers' Compensation Program (the "Workers' Compensation Claims"). As of the Petition Date, the Debtors have paid \$11.9 million of the Workers' Compensation Claims and hold \$3.9 million in reserve to pay the remaining amounts as they become due and owing.

⁴ Certain states have unique workers' compensation requirements: Ohio requires bimonthly installments; Washington requires quarterly installments; North Dakota requires an annual payment; and Wyoming requires quarterly payments. Pursuant to the Debtors' *Emergency Motion Seeking Entry of an Order Authorizing the Debtors to (I) Pay Their Obligations Under Insurance Policies Entered into Prepetition, (II) Continue to Pay Brokerage Fees, (III) Renew, Supplement, Modify, or Purchase Insurance Coverage, and (IV) Continue to Pay Workers' Compensation Coverage Fees*, filed contemporaneously herewith (the "Insurance Motion"), the Debtors are requesting authorization to pay all premiums, claims and fees in respect of their insurance policies, including any premiums, claims and fees in respect of the Workers' Compensation Program that come due during the pendency of these chapter 11 cases.

57. Because the Debtors are statutorily and/or contractually obligated to maintain the Workers' Compensation Program, their inability to do so may result in adverse legal consequences that disrupt the reorganization process. The Debtors seek authority, but not direction, to: (a) continue the Workers' Compensation Program in the ordinary course of business on a postpetition basis;⁵ and (b) modify the automatic stay solely to allow Employees to assert claims under the Workers' Compensation Program, which will be covered 100 percent by the Debtors' insurer beyond an initial \$500,000 deductible.

D. Union Benefits.

58. The Debtors' Union Employees are members of one of the three following unions (collectively, the "Unions"): (a) Unite Here; (b) Mid-Atlantic Joint Board, Local 806; and (c) Local 340, New York New Jersey Regional Joint Board, Workers United. The Union Employees work at stores located in: New Bedford, Massachusetts; Hampstead, Maryland; New York; and New Jersey. As of the Petition Date, the Debtors are party to three collective bargaining agreements with local chapters of the Unions (the "CBAs"). Each of the CBAs expires in 2022 or later. In 12 months preceding the Petition Date, the Debtors paid approximately \$520,000 in dues to the Unions (the "Union Dues"). As of the Petition Date, the Debtors estimate that they owe approximately \$40,000 on account of unpaid Union Dues (the "Unpaid Union Dues").

59. Most Union Employees' retirement benefits are administered by the Unions themselves and not the Debtors. In accordance with the CBAs, the Debtors make monthly contributions to the Amalgamated National Health Fund, Empower Retirement, WageWorks,

⁵ The Workers' Compensation Program may change postpetition in the ordinary course of business due to changes in applicable laws and regulations and the Debtors' ability to meet requirements thereunder. The Debtors request authority to continue the Workers' Compensation Program postpetition, including making any changes to current policy and practices that become necessary, subject to applicable law.

Guardian, Wells Fargo, Aicare, ACDRIT, Total Administrative Services Corporation, and National Plus (collectively, the “Union Benefit Providers”) to provide health, welfare, and retirement benefits to certain Union Employees (the “Union Benefit Contributions”). Historically, the Debtors have made average monthly Union Benefit Contributions of \$541,500 to the Union Benefit Providers. The Union Employees contribute to certain of the plans administered by the Union Benefit Providers, with such contributions totaling approximately \$161,100. As of the Petition Date, the Debtors estimate that they owe approximately \$610,000 on account of the Union Benefit Contributions (the “Unpaid Union Benefit Contributions” and, together with the Unpaid Union Dues, the “Unpaid Union Payments”). The Debtors seek authority pay the Unpaid Union Payments and to continue such payments in the ordinary course of business on a postpetition basis.

E. Retirement Plans.

60. The Debtors offer retirement plans in the form of a 401(k) defined contribution plan and a pension plan (collectively, the “Retirement Plans”). The Debtors seek authority, but not direction, to pay any prepetition amounts owed on account of the Retirement Plans and to continue honoring their Retirement Plans obligations on a postpetition basis in the ordinary course of business and in a manner consistent with past practices.

1. The 401(k) Plan

61. The Debtors offer eligible Employees the opportunity to participate in a 401(k) plan (the “401(k) Plan”). The 401(k) Plan generally provides for pre-tax salary deductions of compensation up to limits set by the Internal Revenue Code. The Debtors provide a matching contribution, which is 30 percent of the first 6 percent they contribute (the “401(k) Contributions”). The match is made annually. The 401(k) Plan is administered by Empower Retirement (“Empower”) and allows for automatic pre-tax wage deductions of eligible compensation up to the limits set forth by the Internal Revenue Code.

62. Each pay period, the Debtors deduct the Employees' 401(k) contributions from the Employees' paychecks (the "401(k) Deductions") and hold such amounts in trust until they are forwarded to Empower. The Debtors deduct approximately \$1.9 million in the aggregate each month from Employee's paychecks on account of the 401(k) Deductions. As of the Petition Date, the Debtors estimate that they are current on account of the 401(k) Deductions (the "Unremitted 401(k) Deductions") but include this description out of an abundance of caution and seek authority to remit Unremitted 401(k) Deductions if any become due during the pendency of these chapter 11 cases.

63. In the 12 months before the Petition Date, the Debtors' monthly payments and disbursements on account of 401(k) Contributions averaged approximately \$365,000. As of the Petition Date, the Debtors estimate that they owe approximately \$29,000 on account of 401(k) Contributions (the "Unpaid 401(k) Contributions"). The Debtors also pay SageView Advisory Group, Buck, and Empower Retirement (the "401(k) Advisors") monthly administrative fees in the aggregate amount of \$8,208 (the "401(k) Advisor Fees"). As of the Petition Date, the Debtors owe approximately \$21,000 on account of the 401(k) Advisor Fees to the 401(k) Advisors. The Debtors seek authority to honor their commitment to 401(k) Contributions (whether due prepetition or arising postpetition), as well as payments to the 401(k) Advisors, in the ordinary course of business on a postpetition basis.

64. Many Employees' retirement savings solely consist of the 401(k) Plan, and many Employees choose to participate in the 401(k) Plan because of the 401(k) Contribution provision. Continuing the 401(k) Plan and the 401(k) Contributions are essential to maintaining Employee morale and protecting Employee expectations. In addition, the Debtors believe that the 401(k) Deductions are generally held in trust by the Debtors and are not property of their estates.

65. The Debtors seek the authority, but not direction, to (a) continue the 401(k) Plan in the ordinary course of business on a postpetition basis, (b) remit all Unremitted 401(k) Deductions collected in the ordinary course of business, and (c) pay any Unpaid 401(k) Contributions in the ordinary course of business (together, the “Unpaid 401(k) Expenses”) if any become due during the pendency of these chapter 11 cases.

2. Union Pension Plans

66. One of the Debtors sponsors The Joseph A. Bank Mfg. Co., Inc. Defined Benefit Pension Plan, which is a single-employer defined benefit pension plan as required by the terms of the CBA for the Mid-Atlantic Joint Board, Local 806 (the “Union Pension Plan”). The Debtors make quarterly contributions on behalf of the Union Employees in amounts that are actuarially determined in order to satisfy the minimum funding standards prescribed by the Internal Revenue Code and ERISA and provide the pension benefits specified in the CBA. Over the past 12 months, the Debtors have contributed approximately \$320,000 to the Union Pension Plan. As of the Petition Date, the Debtors do not believe that they owe any amounts on account of the Union Pension Plan. The Debtors seek authority, but not direction, to pay any prepetition amounts owed on account of the Union Pension Plan and to continue honoring their Union Pension Plan obligations on a postpetition basis in the ordinary course of business and in a manner consistent with past practices.

F. Paid Time Off.

67. In the ordinary course of business, the Debtors provide paid time off to their Employees, including sick pay (“Paid Time Off”). Paid Time Off generally accrues at specified rates up to a maximum amount based on the applicable state limit, if any. Accruals of Paid Time Off, however, are not a current cash payment obligation. Over the past 12 months, the Debtors paid approximately \$48 million in Paid Time Off. As of the Petition Date, the Debtors estimate

that approximately \$24.1 million in Paid Time Off has accrued. The Debtors do not believe any amounts are owed to Employees on account of the Paid Time off in excess of the \$13,650 statutory cap imposed by section 507(a)(4).

68. In addition, the Debtors provide certain other forms of paid and unpaid leave, including, for example, (a) paid holidays, (b) leave under the Family and Medical Leave Act, and (c) other paid and unpaid leaves of absence for personal reasons, including those required by law. Importantly, these other forms of paid and unpaid leave do not involve incremental cash outlays beyond standard payroll obligations.

69. The Debtors believe that the continuation of Paid Time Off is essential to maintaining Employee morale during these chapter 11 cases. Further, the policies are broad-based programs upon which all Employees have come to depend. The Debtors anticipate that their Employees will utilize any accrued Paid Time Off in the ordinary course of business, which will not create any material cash flow requirements beyond the Debtors' regular payroll obligations.

IV. Postpetition Non-Employee Director Compensation.

70. Tailored Brands, Inc. maintains a board of directors that includes non-Employee directors. As of the Petition Date, the Debtors' board of directors includes 8 non-Employee directors. The non-Employee Directors currently each receive a \$100,000 annual cash retainer, which is paid in advance on a quarterly basis in cash (the "Annual Cash Retainer"). The non-Employee Directors are also entitled to expense reimbursement for out-of-pocket expenses (together with the Annual Cash Retainer, the "Director Compensation"). As of the Petition Date, the Debtors do not owe any amounts on account of Director Compensation. The Debtors believe that they are authorized to pay any postpetition Director Compensation in the ordinary course; however, out of an abundance of caution, the Debtors seek authority to continue to pay the Director

Compensation on a postpetition basis in the ordinary course of business and consistent with their prepetition practices.

Basis for Relief

I. Sufficient Cause Exists to Authorize the Debtors to Honor the Employee Compensation and Benefits.

A. Certain Employee Compensation and Benefits Are Entitled to Priority Treatment.

71. Sections 507(a)(4) and 507(a)(5) of the Bankruptcy Code entitle the majority of the Employee Compensation and Benefits to priority treatment. As priority claims, the Debtors are required to pay such claims in full to confirm a chapter 11 plan. *See* 11 U.S.C. § 1129(a)(9)(B) (requiring payment of certain allowed unsecured claims for (a) wages, salaries, or commissions, including sick leave pay earned by an individual and (b) contributions to an employee benefit plan). Thus, granting the relief sought herein should only affect the timing of certain payments to the Employees and should not negatively affect recoveries for general unsecured creditors. Indeed, the Debtors submit that payment of the Employee Compensation and Benefits at this time enhances value for the benefit of all interested parties. Finding, attracting, and training new qualified talent would be extremely difficult and would most likely require higher salaries, guaranteed bonuses, and more comprehensive compensation packages than are currently provided to Employees. *See In re Equalnet Commc'ns Corp.*, 258 B.R. 368, 370 (Bankr. S.D. Tex. 2000) (“The need to pay [employee wage] claims in an ordinary course of business time frame is simple common sense. Employees are more likely to stay in place and to refrain from actions which could be detrimental to the case and/or the estate if their pay and benefits remain intact and uninterrupted.”).

B. Payment of Certain Employee Compensation and Benefits Is Required by Law.

72. The Debtors seek authority to pay the Withholding Obligations to the appropriate third-party entities. These amounts principally represent Employee earnings that governments, Employees, and judicial authorities have designated for deduction from the Employees' paychecks. Indeed, certain Withholding Obligations are not property of the Debtors' estates because the Debtors have withheld such amounts from the Employees' paychecks on another party's behalf. *See* 11 U.S.C. § 541(b)(1), (d); *see also Equalnet Commc'ns*, 258 B.R. at 370 (noting that, for tax obligations where funds are held by the debtor in trust, "the legal right to payment of such claims at any time appears irrefutable.") (citing *In re Al Copeland Enter., Inc.*, 991 F.2d 233 (5th Cir. 1993)).

73. Further, federal and state laws require the Debtors to withhold certain tax payments from the Employees' paychecks and to pay such amounts to the appropriate taxing authority. 26 U.S.C. §§ 6672, 7501(a); *see also City of Farrell v. Sharon Steel Corp.*, 41 F.3d 92, 95–97 (3d Cir. 1994) (finding that state law requiring a corporate debtor to withhold city income tax from its employees' wages created a trust relationship between debtor and the city for payment of withheld income taxes); *In re DuCharmes & Co.*, 852 F.2d 194, 196 (6th Cir. 1988) (noting that individual officers of a company may be held personally liable for failure to pay trust fund taxes). Because the Withholding Obligations may not be property of the Debtors' estates, the Debtors request that the Court authorize them to transmit the Withholding Obligations to the proper parties in the ordinary course of business.

74. Similarly, state laws require the Debtors to maintain the Workers' Compensation Program. If the Debtors fail to maintain the Workers' Compensation Program, state laws may prohibit the Debtors from operating in those states. Payment of all workers' compensation

amounts is therefore crucial to the Debtors' continued operations and the success of the Debtors' ongoing chapter 11 process.

II. Payment of the Employee and Temporary Staff Compensation and Benefits Is Proper Pursuant to Section 363(b)(1) of the Bankruptcy Code and the Doctrine of Necessity.

75. Section 363(c)(1) of the Bankruptcy Code expressly grants the Debtors the authority to "enter into transactions . . . in the ordinary course of business" and "use property of the estate in the ordinary course of business without notice or a hearing." Therefore, the Debtors believe they are permitted to pay all postpetition amounts due pursuant to the Employee Compensation and Benefits as such actions are in the ordinary course of business. Out of an abundance of caution, however, the Debtors seek entry of an order granting the relief requested herein to avoid any disruptions to their business operations.

76. Courts in the Fifth Circuit have recognized that it is appropriate to authorize the payment of prepetition obligations where necessary to protect and preserve the estate, including an operating business's going-concern value. *See, e.g., In re CoServ*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002) (authorizing payment of certain prepetition claims pursuant to "doctrine of necessity"); *Equalnet Commc'ns*, 258 B.R. at 369–70 (business transactions critical to the survival of the business of the debtor are exceptions to the general rule of nonpayment of prepetition claims prior to plan confirmation); *see also In re Ionosphere Clubs, Inc.*, 98 B.R. 174, 175 (Bankr. S.D.N.Y. 1989) ("The ability of a Bankruptcy Court to authorize the payment of pre-petition debt when such payment is needed to facilitate the rehabilitation of the debtor is not a novel concept."); *Armstrong World Indus., Inc. v. James A. Phillips, Inc. (In re James A. Phillips, Inc.)*, 29 B.R. 391, 398 (S.D.N.Y. 1983). In doing so, these courts acknowledge that several legal theories rooted in sections 105(a), 363(b), and 1107(a) of the Bankruptcy Code support the payment of prepetition claims as provided herein.

77. The relief requested herein may be granted by the Court pursuant to sections 363(b) and 105(a) of the Bankruptcy Code. Section 363 of the Bankruptcy Code provides, in relevant part, that “[t]he [debtor], after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Section 363(b) of the Bankruptcy Code permits a debtor, subject to court approval, to pay prepetition obligations where a sound business purpose exists for doing so. *See Ionosphere Clubs*, 98 B.R. at 175 (noting that section 363(b) provides “broad flexibility” to authorize a debtor to honor prepetition claims where supported by an appropriate business justification). In addition, under section 1107(a) of the Bankruptcy Code, a debtor in possession has, among other things, the “implied duty of the debtor-in-possession to ‘protect and preserve the estate, including an operating business’ going-concern value.” *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. N.D. Tex. 2004) (quoting *CoServ*, 273 B.R. at 497).

78. In addition, courts may authorize payment of prepetition claims in appropriate circumstances under section 105(a) of the Bankruptcy Code. Section 105(a) of the Bankruptcy Code, which codifies the inherent equitable powers of a bankruptcy court, empowers bankruptcy courts to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a); *CoServ*, 273 B.R. at 497 (finding that sections 105 and 1107 of the Bankruptcy Code provide the authority for a debtor-in-possession to pay prepetition claims); *CEI Roofing*, 315 B.R. at 60 (finding that “[b]ecause Congress has specifically provided that prepetition wage claims up to a certain amount per claim be elevated to priority status under § 503(1)(3)” the court’s job is easier when it considers approval of such prepetition claims); *In re Mirant Corp.*, 296 B.R. 427, 429 (Bankr. N.D. Tex. 2003) (noting that non-payment of prepetition claims may seriously damage a debtor’s business). The above-referenced sections of

the Bankruptcy Code therefore authorize the postpetition payment of prepetition claims when the payments are critical to preserving the going-concern value of the debtor's estate, as is the case here. *See, e.g., CoServ*, 273 B.R. at 497 (“[I]t is only logical that the bankruptcy court be able to use [s]ection 105(a) of the [Bankruptcy] Code to authorize satisfaction of the prepetition claim in aid of preservation or enhancement of the estate.”).

79. Payment of the Employee Compensation and Benefits is warranted under this authority and the facts of these chapter 11 cases. The majority of the Employees rely exclusively on the Employee Compensation and Benefits to satisfy their daily living expenses. Consequently, Employees will be exposed to significant financial difficulties if the Debtors are not permitted to honor obligations for unpaid Employee Compensation and Benefits. Additionally, continuing ordinary course benefits will help maintain Employee morale and minimize the adverse effect of the commencement of these chapter 11 cases on the Debtors' ongoing business operations.

80. Employees provide the Debtors with services necessary to conduct the Debtors' business, and the Debtors believe that, absent the payment of the Employee Compensation and Benefits, the Debtors may experience turnover and instability at this critical time in these chapter 11 cases. The Debtors believe that, without these payments, the Employees may become demoralized and unproductive because of the potential significant financial strain and other hardships these Employees may face. These Employees may then elect to seek alternative employment opportunities. Additionally, a significant portion of the value of the Debtors' business is tied to their workforce, which cannot be replaced without significant efforts—efforts that might not be successful given the overhang of these chapter 11 cases. Enterprise value may be materially impaired to the detriment of all stakeholders in such a scenario. The Debtors therefore believe that payment of the prepetition obligations with respect to the Employee Compensation and Benefits

is a necessary and critical element of the Debtors' efforts to preserve value and will give the Debtors the greatest likelihood of retention of their Employees as the Debtors seek to operate their business in these chapter 11 cases.

III. A Limited Waiver of the Automatic Stay for Workers' Compensation Claims Is Appropriate Here.

81. Section 362(a)(1) of the Bankruptcy Code operates to stay:

[T]he commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the debtor that was or could have been commenced before the commencement of the case under this title, or to recover a claim against the debtor that arose before the commencement of the case under this title

Section 362 of the Bankruptcy Code, however, permits a debtor or other parties in interest to request a modification or termination of the automatic stay for "cause." 11 U.S.C. § 362(d)(1).

82. The Debtors seek authorization, under section 362(d) of the Bankruptcy Code, to permit their Employees to proceed with their claims under the Workers' Compensation Program in the appropriate judicial or administrative forum. The Debtors believe that cause exists to modify the automatic stay because staying an Employee's workers' compensation claim could have a detrimental effect on the financial well-being and morale of the Employees and lead to the departure of certain Employees. Such departures could cause a severe disruption in the Debtors' business to the detriment of all stakeholders. In addition, as noted above, if the Debtors fail to maintain the Workers' Compensation Program, state laws may prohibit the Debtors from operating in those states. The Debtors request a limited waiver of the automatic stay for purposes of allowing the Workers' Compensation Program to proceed.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

83. The Debtors have sufficient funds to pay the amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations

and anticipated access to cash collateral and debtor in possession financing. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Employee Compensation and Benefit obligations. The Debtors believe that checks or wire transfer requests, other than those relating to authorized payments, will not be honored inadvertently. Therefore, the Debtors respectfully request that the Court authorize and direct all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

Emergency Consideration

84. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case "to the extent that relief is necessary to avoid immediate and irreparable harm." An immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting the relief requested could hinder the Debtors' operations and cause irreparable harm. Failure to receive the requested relief during the first 21 days of these chapter 11 cases would severely disrupt the Debtors' operations at this critical juncture and imperil the Debtors' restructuring. The Debtors have satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis.

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

85. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

86. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Notice

87. Notice of the hearing on the relief requested in the Motion has been provided by the Debtors in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules, and is sufficient under the circumstances. The Debtors served parties in interest, whether by facsimile, electronic mail, overnight courier or hand delivery, including (a) the

Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition ABL Agent and the DIP Agent, and counsel thereto; (d) the agent under the Debtors' prepetition term loan facility and counsel thereto; (e) counsel to term lenders under the Debtors' prepetition term loan facility; (f) the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, and counsel thereto; (g) the Office of the United States Attorney for the Southern District of Texas; (h) the state attorneys general for states in which the Debtors conduct business; (i) the Internal Revenue Service; (j) the Securities and Exchange Commission; (k) the Environmental Protection Agency; (l) any party that requests service pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given.

[Remainder of page intentionally left blank.]

WHEREFORE, the Debtors respectfully request entry of the Order, granting the relief requested in this Motion and granting such other and further relief as is appropriate under the circumstances.

estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Debtors are authorized, but not directed, in their sole discretion, to continue, modify, change, and discontinue the Employee Compensation and Benefits and to implement new employee compensation programs, policies, and employee benefits in the ordinary course of business during these chapter 11 cases and without the need for further Court approval, subject to applicable law.

2. The Debtors are authorized, but not directed, in their sole discretion, to pay and honor prepetition amounts outstanding under or related to the Employee Compensation and Benefits Programs in the ordinary course of business.

3. Pursuant to section 362(d) of the Bankruptcy Code: (a) Employees are authorized to proceed with their claims under the Workers' Compensation Program in the appropriate judicial or administrative forum, and the Debtors are authorized, but not directed, to continue the Workers' Compensation Program and pay all prepetition amounts related thereto in the ordinary course of business; and (b) the notice requirements pursuant to Bankruptcy Rule 4001(d) with respect to clause (a) are waived. This modification of the automatic stay pertains solely to claims under the Workers' Compensation Program and any such claims must be pursued in accordance with the

applicable Workers' Compensation Program. Payment on account of any recoveries obtained in connection with a claim brought pursuant to this paragraph is limited to the terms and conditions of the applicable Workers' Compensation Program, including with regard to any policy limits or caps.

4. The Debtors are authorized, but not directed, to forward any unpaid amounts on account of Deductions or Payroll Taxes to the appropriate third-party recipients or taxing authorities in accordance with the Debtors' prepetition policies and practices.

5. The Debtors are authorized, but not directed, to pay costs and expenses incidental to payment of the Employee Compensation and Benefits obligations, including all administrative and processing costs and payments to outside professionals.

6. Nothing herein shall be deemed to authorize the payment of any amounts which violates or implicates section 503(c) of the Bankruptcy Code; *provided* that nothing herein shall prejudice the Debtors' ability to seek approval of relief pursuant to section 503(c) of the Bankruptcy Code at a later time.

7. Nothing contained herein is intended or should be construed to create an administrative priority claim on account of the Employee Compensation and Benefits obligations.

8. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Order.

9. The Debtors shall not honor any prepetition claims or obligations on account of the Employee Compensation and Benefits to any individual that exceed the priority amounts set forth in sections 507(a)(4) and 507(a)(5) of the Bankruptcy Code. If unpaid prepetition claims or obligations to any Employee exceed the \$13,650 priority wages cap imposed by section 507(a)(4) of the Bankruptcy Code, the Debtors shall seek such relief pursuant to a separate motion.

10. The Debtors shall not make any bonus, incentive, retention, or severance payments to any Insiders (as such term is defined in section 101(31) of the Bankruptcy Code) without further order of this Court.

11. The Debtors are authorized, but not directed, in their discretion to continue the Non-Insider Employee Incentive Programs and the Non-Insider Employee Severance Program and to pay and honor any amounts related thereto to non-insiders in the ordinary course of business and consistent with the Debtors' prepetition practices. Before making any payments pursuant to the Store Employee Bonus Program, the Corporate Non-Management Bonus Program, or the Non-Insider Employee Severance Program in excess of \$50,000 to any individual, the Debtors shall provide five (5) days' advance notice to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases of (a) the title of the Claimant, (b) the amount of the proposed payment to such Claimant, (c) the proposed payment date, and (d) a copy of the plan or program under which the proposed payments are to be made by the Debtors. The Debtors shall maintain a matrix or schedule of amounts paid related to the Non-Insider Employee Incentive Programs subject to the terms and conditions of this Order, including the following information: (a) the name of the Claimant paid; (b) the amount of the payment to such Claimant; (c) the total amount paid to the Claimant from entry of this Order to date; (d) the payment date; and (e) the purpose of such payment. The Debtors shall provide a copy of such matrix or schedule to the U.S. Trustee

and any statutory committee appointed in these chapter 11 cases every 30 days beginning upon entry of this Order.

12. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

13. Notwithstanding anything to the contrary in this Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the

extent there is any inconsistency between the terms of the DIP Order and this Order, the terms of the DIP Order shall control.

14. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the Employee Compensation and Benefits Programs.

15. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

16. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

17. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

Each Lender acknowledges and agrees that its obligation to acquire participations in Protective Advances pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including nonsatisfaction of any of the conditions precedent set forth in Section 4.02, the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Revolving Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph). From and after the date, if any, on which any Lender has paid in full for its participation in any Protective Advance purchased hereunder, the Applicable Administrative Agent shall promptly distribute to such Lender its Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Applicable Administrative Agent in respect of such Protective Advance; provided that any such payment or proceeds so distributed shall be repaid to the Applicable Administrative Agent if and to the extent such payment or proceeds is required to be refunded to the applicable Borrower(s) for any reason. The purchase of participations in any Protective Advance pursuant to this paragraph shall not constitute a Loan and shall not relieve the Borrowers of their respective obligations to repay such Protective Advance.

SECTION 2.05 Swingline Loans and Overadvances.

(a) The Administrative Agent, the U.S. Swingline Lender and the U.S. Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Borrower Representative requests an ABR Revolving Borrowing under the U.S. Facility, the Swingline Lender may, in its discretion, elect to have the terms of this Section 2.05(a) apply to such Borrowing Request by advancing, on behalf of the U.S. Revolving Lenders and in the amount and on the date requested, same day funds to the U.S. Borrowers to the Funding Account(s) (each such Loan made solely by the U.S. Swingline Lender pursuant to this Section 2.05(a) is referred to in this Agreement as a "U.S. Swingline Loan"), with settlement among the U.S. Swingline Lender and the other U.S. Revolving Lenders as to the U.S. Swingline Loans to take place on a periodic basis as set forth in Section 2.05(d). Each U.S. Swingline Loan shall be subject to all the terms and conditions applicable to other ABR Loans funded by the U.S. Revolving Lenders, except that all payments thereon shall be payable to the U.S. Swingline Lender solely for its own account. The Administrative Agent, the Canadian Swingline Lender and the Canadian Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Borrower Representative requests an ABR Revolving

Borrowing or Canadian Prime Rate Borrowing under the Canadian Facility, the Canadian Swingline Lender may, in its discretion, elect to have the terms of this Section 2.05(a) apply to such Borrowing Request by advancing, on behalf of the Canadian Revolving Lenders and in the amount and on the date requested, same day funds to the Canadian Borrower to the Funding Account(s) (each such Loan made solely by the Canadian Swingline Lender pursuant to this Section 2.05(a) is referred to in this Agreement as a “Canadian Swingline Loan”), with settlement among the Canadian Swingline Lender and the Canadian Revolving Lenders as to the Canadian Swingline Loans to take place on a periodic basis as set forth in Section 2.05(d). Each Canadian Swingline Loan shall be subject to all the terms and conditions applicable to other ABR Loans or Canadian Prime Rate Loans funded by the Canadian Revolving Lenders, except that all payments thereon shall be payable to the Canadian Swingline Lender solely for its own account. The aggregate Dollar Equivalent of U.S. Swingline Loans outstanding at any time shall not exceed 10% of the aggregate U.S. Commitment in effect at such time. The aggregate Dollar Equivalent of Canadian Swingline Loans outstanding at any time shall not exceed 10% of the aggregate Canadian Commitment in effect at such time. No Swingline Lender shall make any Swingline Loan if the requested Swingline Loan would not comply with the Revolving Exposure Limitations. All Swingline Loans denominated in dollars shall be ABR Borrowings and all Canadian Swingline Loans denominated in Canadian Dollars shall be Canadian Prime Rate Loans.

(b) Any provision of this Agreement to the contrary notwithstanding, at the request of the Borrower Representative, the Administrative Agent may in its sole discretion (but shall have absolutely no obligation) make (i) in the case of the Administrative Agent, Loans to the U.S. Borrowers in Dollars on behalf of the U.S. Revolving Lenders (each such Loan, a “U.S. Overadvance”) or (ii) in the case of the Canadian Administrative Agent, Loans to the Canadian Borrower or the U.S. Borrowers in Canadian Dollars or Dollars on behalf of the Canadian Revolving Lenders (each such Loan, a “Canadian Overadvance”); provided that (1) the aggregate amount of outstanding U.S. Overadvances shall not, at any time, exceed (x) 5% of the total U.S. Commitment then in effect or (y) when aggregated with the aggregate outstanding amount of U.S. Protective Advances then outstanding, 7.5% of the total U.S. Commitment then in effect; provided further that no U.S. Overadvance shall be made if after giving effect thereto, the sum of any Lender’s U.S. Credit Exposure and Prepetition U.S. Credit Exposure shall exceed such Lender’s U.S. Commitment; and (2) the aggregate Dollar Equivalent of outstanding Canadian Overadvances shall not, at any time, exceed (x) 5% of the total Canadian Commitment then in effect or (y) when aggregated with the aggregate Dollar Equivalent of Canadian Protective Advances shall not at any time exceed 7.5% of the Canadian Commitment then in effect; provided further that no Canadian Overadvance shall be made if after giving effect thereto, the sum of any Lender’s Canadian Credit Exposure and Prepetition Canadian Credit Exposure shall exceed such Lender’s Canadian Commitment. Overadvances may be made even if the conditions precedent set forth in Section 4.02 have not been satisfied. All Overadvances denominated in dollars shall be ABR Borrowings and all Canadian Overadvances denominated in Canadian Dollars shall be Canadian Prime Rate Loans. The applicable Borrowers shall be required to repay each Overadvance no later than the 30th day after the date of the making thereof. The Applicable Administrative Agent’s authorization to make Overadvances may be revoked at any time by the Required Lenders. Any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent’s receipt thereof.

(c) The U.S. Swingline Lender and the Administrative Agent may by notice given not later than 12:00 p.m., New York City time, on any Business Day require the U.S. Revolving Lenders to acquire participations on such Business Day in all or a portion of any U.S. Swingline Loan or U.S. Overadvance, respectively, outstanding. The Canadian Administrative Agent may by notice given not later than 12:00 p.m. Toronto time, on any Business Day require the Canadian Revolving Lenders to acquire participations on such Business Day in all or a portion of any Canadian Swingline Loan and Canadian Overadvance outstanding. Each such notice shall specify the aggregate principal amount of the Swingline Loan or Overadvance, respectively, in which the Lenders will be required to participate, including the currency

thereof, and each Lender's Applicable Percentage of such Swingline Loan or Overadvance. Each Lender hereby absolutely and unconditionally agrees to pay, upon receipt of notice as provided above, to the Administrative Agent, for the account of the applicable Swingline Lender or the account of the Applicable Administrative Agent, as applicable, such Lender's Applicable Percentage of such Swingline Loan or Overadvance. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans and Overadvances pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including nonsatisfaction of any of the conditions precedent set forth in Section 4.02, the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Revolving Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph). From and after the date, if any, on which any Lender has paid in full for its participation in any Swingline Loan or Overadvance purchased hereunder, the applicable Swingline Lender or the Applicable Administrative Agent, as applicable, shall promptly distribute to such Lender its Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Swingline Lender or the Applicable Administrative Agent, as applicable, in respect of such Swingline Loan or Overadvance; provided that any such payment or proceeds so distributed shall be repaid to the Swingline Lender or the Applicable Administrative Agent, as applicable, if and to the extent such payment or proceeds is required to be refunded to the applicable Borrowers for any reason. The purchase of participation in any Swingline Loan or Overadvance pursuant to this paragraph shall not constitute a Loan and shall not relieve the applicable Borrowers of their obligation to repay such Swingline Loan or Overadvance.

(d) The Applicable Administrative Agent, on behalf of each Swingline Lender, shall request settlement (a "Settlement") with the Revolving Lenders on at least a weekly basis or on any earlier date that the Administrative Agent elects, by notifying the applicable Revolving Lenders of such requested Settlement by electronic transmission, telephone, or e-mail no later than 1:00 p.m., New York City time, on the date of such requested Settlement (the "Settlement Date"). Each Revolving Lender (other than the applicable Swingline Lender) shall transfer the amount of such Lender's Applicable Percentage of the outstanding principal amount of the applicable Swingline Loan in the currency in which such Swingline Loan is denominated with respect to which Settlement is requested to the Applicable Administrative Agent, to such account of the Applicable Administrative Agent as the Administrative Agent may designate, not later than 3:00 p.m., New York City time, on such Settlement Date. Settlements may occur during the existence of a Default and whether or not the applicable conditions precedent set forth in Section 4.02 have then been satisfied. Such amounts transferred to the Administrative Agent shall be applied against the amounts of the Swingline Lender's Swingline Loans and, together with Swingline Lender's Applicable Percentage of such Swingline Loan, shall constitute Revolving Loans of such Lenders, respectively. If any such amount is not transferred to the Administrative Agent by any Revolving Lender on such Settlement Date, the Swingline Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon as specified in Section 2.07.

SECTION 2.06 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower Representative may request the issuance of Letters of Credit denominated in Dollars or an LC Alternative Currency (in the case of U.S. Letters of Credit) for the account of the U.S. Borrowers or Letters of Credit denominated in Dollars, Canadian Dollars or an LC Alternative Currency (in the case of any Canadian Letter of Credit) for the account of the U.S. Borrowers or the Canadian Borrower, in a form reasonably acceptable to the Applicable Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this

Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by any Borrower to, or entered into by any Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. For the avoidance of doubt, subject to Section 2.06(n) any Letter of Credit hereunder for the account of the U.S. Borrowers or the Canadian Borrower may be for the benefit of any Subsidiary whether or not a U.S. Borrower or a Canadian Borrower.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit (other than an automatic renewal permitted pursuant to paragraph (c) of this Section), the Borrower Representative shall deliver by hand or electronic transmission (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Applicable Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, specifying whether such Letter of Credit is a U.S. Letter of Credit or a Canadian Letter of Credit, the Borrower(s) for whose account such Letter of Credit is to be issued, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the currency in which such Letter of Credit will be denominated (which (x) shall be Dollars in the case of U.S. Letters of Credit and (y) shall be Dollars, Canadian Dollars or any LC Alternative Currency in the case of Canadian Letters of Credit) the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower Representative also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrowers shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the total U.S. LC Exposure shall not exceed \$135,000,000 and the total Canadian LC Exposure shall not exceed \$15,000,000, (ii) the total U.S. Standby LC Exposure shall not exceed \$70,000,000 and the total Canadian Standby LC Exposure shall not exceed \$5,000,000 and (iii) the Revolving Exposure Limitations shall be complied with.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five (5) Business Days prior to the date set forth in clause (i) of the definition of "Maturity Date". Any Letter of Credit may provide by its terms that it may be automatically extended for additional successive one year periods on terms reasonably acceptable to the applicable Issuing Bank. Any Letter of Credit providing for automatic extension shall be extended upon the then current expiration date without any further action by any Person unless the applicable Issuing Bank shall have given notice to the applicable beneficiary (with a copy to the applicable Borrower) of the election by such Issuing Bank not to extend such Letter of Credit, such notice to be given not fewer than 30 days prior to the then current expiration date of such Letter of Credit; provided that no Letter of Credit may be extended automatically or otherwise beyond the date that is five (5) Business Days prior to the date set forth in clause (i) of the definition of "Maturity Date".

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) under any Facility and without any further action on the part of the applicable Issuing Bank or the Lenders under such Facility, such Issuing Bank hereby grants to each Lender under such Facility, and each Lender under such Facility hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, (i) with respect to each U.S. Letter of Credit, each U.S. Revolving Lender hereby absolutely and unconditionally agrees to

pay in Dollars to the Administrative Agent, and (ii) with respect to any Canadian Letters of Credit, each applicable Canadian Revolving Lender hereby absolutely and unconditionally promises to pay, in Dollars, to the Canadian Administrative Agent, in each case for the account of the applicable Issuing Bank, such Lender's Applicable Percentage of the Dollar Equivalent of each LC Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower(s) on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to such Borrower(s) for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default, reduction or termination of the Revolving Commitments or any force majeure or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the expiration thereof or of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the applicable Borrower(s) shall, following notice of such LC Disbursement to the Borrower Representative, reimburse such LC Disbursement by paying to the Applicable Administrative Agent in Dollars an amount equal to the Dollar Equivalent of such LC Disbursement not later than 2:00 p.m., New York City time, on the date that such LC Disbursement is made, if the Borrower Representative shall have received notice of such LC Disbursement prior to 10:00 a.m., New York City time, on such date, or, if such notice has not been received by the Borrower Representative prior to such time on such date, then not later than 2:00 p.m., New York City time, on (i) the Business Day that the Borrower Representative receives such notice, if such notice is received prior to 10:00 a.m., New York City time, on the day of receipt, or (ii) the Business Day immediately following the Business Day that the Borrower Representative receives such notice, if such notice is not received prior to such time on the day of receipt; provided that the Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the applicable Borrower(s)' obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing, or, if the applicable Swingline Lender shall have elected to apply the terms of Section 2.05(a) to such requested Borrowing, the resulting Swingline Loan. If the applicable Borrower(s) fail to make such payment when due, the Applicable Administrative Agent shall notify each applicable Lender of the Dollar Equivalent of the applicable LC Disbursement, the payment then due from the applicable Borrower(s) in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Lender shall pay to the Applicable Administrative Agent in Dollars its Applicable Percentage of the payment then due from the applicable Borrower(s), in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Applicable Administrative Agent shall promptly pay to such Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Applicable Administrative Agent of any payment from the Borrower(s) pursuant to this paragraph, the Applicable Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that any Revolving Lender has made payments pursuant to this paragraph to reimburse such Issuing Bank, then to each such Revolving Lender and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower(s) of their obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrowers' obligations to reimburse LC Disbursements as provided in paragraph (e) of this Section is absolute, unconditional and irrevocable, and shall be performed

strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not substantially comply with the terms of such Letter of Credit, (iv) any force majeure or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the stated expiration date thereof or of the Revolving Commitments or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this paragraph, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. No Lender Party, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any other act, failure to act or other event or circumstance; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the applicable Borrower(s) to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by such Borrower(s) that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of bad faith, gross negligence or willful misconduct on the part of an Issuing Bank (with such absence to be presumed unless otherwise determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Applicable Administrative Agent and the Borrower Representative by telephone (confirmed by electronic transmission) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower(s) shall reimburse such LC Disbursement in full in cash on the date such LC Disbursement is made, the unpaid Dollar Equivalent thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that such Borrower(s) reimburse such LC Disbursement in full in cash, at the rate per annum then applicable to Canadian Prime Rate Revolving Loans (if the LC Disbursement is in Cdn\$) or ABR Revolving Loans (if the LC Disbursement is in US\$); provided that, if the Borrowers fail to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(f) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Applicable Administrative Agent for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e)

of this Section to reimburse the Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the applicable Borrower(s) reimburse the applicable LC Disbursement in full in cash.

(i) Replacement of the Issuing Banks. Any Issuing Bank may be replaced at any time by written agreement among the Borrower Representative, the Applicable Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Applicable Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the applicable Borrower(s) shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower Representative receives notice from the Administrative Agent or the Required Lenders demanding the deposit of cash collateral pursuant to this paragraph, (i) the Borrowers shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "U.S. LC Collateral Account"), an amount in cash in the currencies in which such LC Exposure is denominated equal to 103% of the LC Exposure in respect of Letters of Credit issued for the account of the U.S. Borrowers as of such date plus accrued and unpaid interest thereon and (ii) the Canadian Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Canadian Lenders (the "Canadian LC Collateral Account"), an amount in the currencies in which such LC Exposure is denominated equal to 103% of the LC Exposure in respect of Letters of Credit issued for the account of the Canadian Borrower as of such date plus accrued and unpaid interest thereon as of such date plus accrued and unpaid interest thereon. Such deposits, (A) if made into the U.S. LC Collateral Account shall be held by the Administrative Agent as collateral for the payment and performance of the U.S. Obligations arising from LC Exposure in respect of Letters of Credit issued for the account of the U.S. Borrowers and (B) if made into the Canadian LC Collateral Account shall be held by the Administrative Agent as collateral for the payment and performance of the Canadian Obligations arising from LC Exposure in respect of Letters of Credit issues for the account of the Canadian Borrower, in each case, as further set forth in the applicable Collateral Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such accounts. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the applicable Borrower(s)' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in each such account shall, notwithstanding anything to the contrary herein or in the Collateral Documents, be applied by the Administrative Agent to reimburse the applicable Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the applicable Borrower(s) for the LC Exposure in respect of Letters of Credit issued for the account of such Borrower(s) at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Required Lenders), be applied, in the case of moneys in the U.S. LC Collateral Account, to satisfy the Secured Obligation or, in the case of moneys in the Canadian LC Collateral Account, to satisfy the Canadian Secured Obligations, be applied to satisfy other Secured Obligations (but subject to, in the case of any such application at a time when any Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders that

has not been reallocated to non-Defaulting Lenders pursuant to Section 2.20), the consent of each Issuing Bank). If any Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within three (3) Business Days after all Events of Default have been cured or waived.

(k) Existing Letters of Credit. Each Existing Letter of Credit that is (i) a Canadian Letter of Credit (as defined in the Prepetition Credit Agreement) shall constitute a “Canadian Letter of Credit” for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date and (ii) a U.S. Letter of Credit (as defined in the Prepetition Credit Agreement) shall constitute a “U.S. Letter of Credit” for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date. All (i) Canadian LC Exposure (as defined in the Prepetition Credit Agreement) shall constitute “Canadian LC Exposure” for all purposes of this Agreement and (ii) U.S. LC Exposure (as defined in the Prepetition Credit Agreement) shall constitute “U.S. LC Exposure” for all purposes of this Agreement, and, in each case, no issuance or similar fees (as distinguished from ongoing participation or fronting fees) will be required in connection with the deemed issuance of the Existing Letters of Credit on the Effective Date.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Applicable Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Applicable Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Applicable Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount and currency of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount and currency of such LC Disbursement, (iv) on any Business Day on which the applicable Borrower(s) fail to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount due and (v) on any other Business Day, such other information as the Applicable Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

(n) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the U.S. Borrowers (in the case of a Letter of Credit issued for the account of the U.S. Borrowers) or the Canadian Borrower (in the case of a Letter of Credit issued for the account of the Canadian Borrower) shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit requested by such Borrower for the account of Subsidiaries inures to the benefit of such Borrower, and that such Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.07 Funding of Borrowings.

(a) Each Lender shall make each Revolving Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., New York City time, to the account of the Applicable Administrative Agent most recently designated by it for such purpose by notice to the Revolving Lenders. The Applicable Administrative Agent will make such Loans available to the applicable Borrower(s) by promptly crediting the amounts so received, in like funds, to the Funding Account(s); provided that (I) ABR Revolving Loans made to finance the reimbursement of (i) an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Applicable Administrative Agent to the applicable Issuing Bank and (ii) a U.S. Protective Advance or US. Overadvance shall be retained by the Administrative Agent and (II) ABR Loans made to finance the reimbursement of (i) a Canadian LC Disbursement as provided in Section 2.06(f) shall be remitted by the Canadian Administrative Agent to the applicable Canadian Issuing Bank and (ii) a Canadian Protective Advance or Canadian Overadvance shall be retained by the Canadian Administrative Agent.

(b) Unless the Applicable Administrative Agent shall have received notice from a Lender prior to the proposed date of any Revolving Borrowing that such Lender will not make available to the Applicable Administrative Agent such Lender's Applicable Percentage of such Borrowing, the Applicable Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption, make available to the applicable Borrower(s) a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Applicable Administrative Agent, then the applicable Lender and the applicable Borrower(s) severally agree to pay to the Applicable Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower(s) to but excluding the date of payment to the Applicable Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (x) the Federal Funds Effective Rate (in the case of Dollar-denominated amounts) or the Canadian Prime Rate (in the case of Canadian Dollar-denominated amounts) and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of Loans denominated in Dollars, the interest rate applicable to ABR Loans and in the case of Loans denominated in Canadian Dollars, the interest rate applicable to Canadian Prime Rate Loans. If the applicable Borrower(s) and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the applicable Borrower(s) the amount of such interest paid by the Borrowers for such period. If such Lender pays such amount to the Applicable Administrative Agent, then such amount shall constitute such Lender's Revolving Loan included in such Borrowing. Any payment by any Borrower(s) pursuant to this paragraph (b) shall be without prejudice to any claim such Borrower(s) may have against a Lender that shall have failed to make such payment to the Applicable Administrative Agent.

SECTION 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type and, in the case of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, shall have an initial Interest Period as specified in the applicable Borrowing Request or as otherwise provided in Section 2.03. Thereafter, the Borrower Representative may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower Representative may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, Overadvances or Protective Advances, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower Representative shall notify (i) the Administrative Agent with respect to each U.S. Revolving Borrowing and (ii) the Canadian Administrative Agent (with a copy to the Administrative Agent), with respect to each Canadian Revolving Borrowing, in each case of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic transmission to the Administrative Agent (and, in the case of a Canadian Revolving Borrowing, the Canadian Administrative Agent) of an executed written Interest Election Request. Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, a Eurodollar Borrowing, a Canadian Prime Rate Borrowing or a CDOR Rate Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing or CDOR Rate Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing or CDOR Rate Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration, in the case of a Eurodollar Borrowing, or 30 days, in the case of a CDOR Rate Borrowing.

(c) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(d) If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a Eurodollar Revolving Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a CDOR Rate Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Canadian Prime Rate Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower Representative, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing may be converted to or continued as a Eurodollar Borrowing or CDOR Rate Borrowing, (ii) unless repaid, each Eurodollar Revolving Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each CDOR Rate Borrowing shall be converted into a Canadian Prime Rate Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09 Termination and Reduction of Revolving Commitments; Increase in Revolving Commitments.

(a) Unless previously terminated, the Revolving Commitments shall automatically terminate at 5:00 p.m., New York City time, on the Maturity Date, or any earlier date on which the Revolving Commitments are reduced to zero or otherwise terminated pursuant to the terms hereof.

(b) The Borrower Representative may at any time terminate the Commitments under the U.S. Facility and/or the Canadian Facility upon (i) the payment in full in cash of all outstanding Loans, together with accrued and unpaid interest thereon and on any LC Disbursements, in each case, under the applicable Facility, (ii) the cancellation and return of all outstanding Letters of Credit (or alternatively, with respect to each such Letter of Credit, (x) the furnishing to the Administrative Agent of a cash deposit (or at the discretion of the Administrative Agent a backup standby letter of credit reasonably satisfactory to the Administrative Agent) equal to 103% of the portion of the LC Exposure attributable to all Letters of Credit, as determined by the applicable Issuing Banks) or (y) such other alternative arrangement with respect to any such Letters of Credit that is satisfactory to the Administrative Agent and the Issuing Bank), and such cash deposit shall not be subject to or subordinate to the Carve-Out or the Canadian DIP Charge, (iii) the payment in full in cash of all accrued and unpaid fees owing in respect of such Facility and (iv) the payment in full in cash of all reimbursable expenses and all other Obligations outstanding at such time in respect of such Facility; provided that, upon the termination of the Revolving Commitments pursuant to this clause (b), all obligations of the Administrative Agent and the Lenders to provide the credit facility to the Borrowers described in the Exit Facility Term Sheet and the rights and obligations of the parties hereto under Section 2.23 shall automatically terminate without any further consent or action required by any Person.

(c) The Borrower Representative may from time to time reduce the Commitments under the U.S. Facility and/or the Canadian Facility; provided that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (ii) the Borrower Representative shall not reduce the Revolving Commitments under any Facility if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the Borrowers would not be in compliance with the Revolving Exposure Limitations.

(d) The Borrower Representative shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under paragraph (b) or (c) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Revolving Lenders of the contents thereof. Each notice delivered by the Borrower Representative pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower Representative may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative (by notice to the Administrative Agent on or prior to specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments shall be permanent. Each reduction of the Revolving Commitments under any Facility shall be made ratably among the Lenders under such Facility in accordance with their respective Revolving Commitments thereunder.

SECTION 2.10 Repayment of Loans; Evidence of Debt.

(a) The U.S. Borrowers hereby, jointly and severally, unconditionally promise to pay to (i) the Administrative Agent, for the account of each U.S. Revolving Lender the principal amount of all outstanding U.S. Revolving Loans, (ii) the Canadian Administrative Agent, for the account of each Canadian Revolving Lender the principal amount of all outstanding Canadian Revolving Loans to the U.S.

Borrowers, (iii) the Applicable Administrative Agent the then unpaid amount of each Protective Advance to the U.S. Borrowers and Overadvance to the U.S. Borrowers, (iv) the U.S. Swingline Lender, the principal amount of each U.S. Swingline Loan and (v) the Canadian Swingline Lender, the principal amount of each Canadian Swingline Loan to the U.S. Borrowers, in each case, on the earliest of (A) the Maturity Date, (B) in the case of any Overadvance, the earlier of the 60th day after the date of the making thereof and demand by the Administrative Agent and (C) in the case of any Protective Advance, demand by the Administrative Agent. The Canadian Borrower hereby unconditionally promises to pay to (i) the Canadian Administrative Agent, for the account of each Canadian Revolving Lender the principal amount of all outstanding Canadian Revolving Loans to the Canadian Borrower, (ii) the Canadian Administrative Agent the then unpaid amount of each Canadian Protective Advance to the Canadian Borrower and Canadian Overadvance to the Canadian Borrower and (iii) the Canadian Swingline Lender, the principal amount of each Canadian Swingline Loan to the Canadian Borrower, in each case, on the earliest of (A) the Maturity Date, (B) in the case of any Canadian Overadvance, the 60th day after the date of the making thereof and demand by the Administrative Agent and (C) in the case of any Canadian Protective Advance, demand by the Canadian Administrative Agent.

(b) On each Business Day, the Administrative Agent shall apply all funds credited to a Concentration Account of the Borrowers on such Business Day or the immediately preceding Business Day (at the discretion of the Administrative Agent, whether or not immediately available), first, to prepay the Prepetition Revolving Loans and/or Prepetition Swingline Loans, if any, that may be outstanding in the order and manner provided in the Prepetition Credit Agreement, second, to prepay any U.S. Protective Advances, U.S. Overadvance, Canadian Protective Advances and Canadian Overadvances that may be outstanding, third, to prepay the Revolving Loans, Swingline Loans, Canadian Revolving Loans and Canadian Swingline Loans, fourth to cash collateralize outstanding U.S. LC Exposure and Canadian LC Exposure with respect to U.S. Letters of Credit and Canadian Letters of Credit issued for the account of the Borrowers at such time in accordance with Section 2.06(j), and fifth, as the Borrower Representative may direct.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the applicable Borrower(s) to such Lender resulting from each Loan made by such Lender to such Borrower(s), including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the applicable Borrower(s), the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the applicable Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Applicable Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to pay any amounts due hereunder in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent.

SECTION 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (c) of this Section; *provided* that, any such prepayments shall be applied, first, to the Prepetition Revolving Loans and/or Prepetition Swingline Loans then outstanding (in the order and manner provided in the Prepetition Credit Agreement) and then to the Revolving Loans.

(b) Except to the extent such excess arises from Protective Advances permitted under Section 2.04 or Overadvances permitted under Section 2.05, in the event and on each occasion that the Borrowers are not in compliance with the Revolving Exposure Limitations, the Canadian Borrower and the U.S. Borrowers shall immediately and severally prepay first, the Prepetition Revolving Loans and/or Prepetition Swingline Loans then outstanding (in the order and in the manner provided in the Prepetition Credit Agreement) and, second, the Revolving Loans and/or Swingline Loans (or, if no such Borrowings are outstanding, deposit cash collateral in the LC Collateral Account in accordance with Section 2.06(j)) of such Borrower(s) in an aggregate amount that, after giving effect to such prepayments or cash collateralizations the Borrowers shall be in compliance with the Revolving Exposure Limitations.

(c) Subject to the priority of Liens and application of funds set forth in the Orders with respect to the Collateral that is sold pursuant to an Asset Sale, in the event and on each occasion that (i) any Net Proceeds are received by or on behalf of the Parent or any Subsidiary in respect of any Prepayment Event and (ii) the Loan Parties receive designated “restricted cash” in accordance with the milestones set forth in Section 5.21(e), the Borrowers shall, on each day such Net Proceeds and designated “restricted cash” are received, prepay Borrowings in an amount equal to 100% of such Net Proceeds or such designated “restricted cash” (without a reduction in Revolving Commitments); provided that in the case of a Prepayment Event described in clauses (a), (b) or (d) of the definition thereof, any Net Proceeds in respect of Term Priority Collateral received by the Borrowers as a result of such Prepayment Event shall be applied (A) unless waived in accordance with the Term Credit Agreement or as provided in the Orders, first, to the “Obligations” under and as defined in the Term Credit Agreement, until paid in full, and (B) second, as set forth in Section 2.11(d) below. Notwithstanding the foregoing (except as described in the proviso to the immediately preceding sentence), the Loan Parties or any Subsidiary shall be permitted to reinvest the Net Proceeds of any Prepayment Event described in clauses (a), (b) or (d) of the definition of Prepayment Event with the prior written consent of the Administrative Agent and the Required Lenders (in their sole and absolute discretion).

(d) The Borrower Representative shall notify the Applicable Administrative Agent (and, in the case of prepayment of a Swingline Loan, the applicable Swingline Lender), with a copy to the Administrative Agent in the case of a prepayment of a Canadian Loan, by telephone (confirmed by hand delivery or electronic transmission) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Revolving Borrowing or a Canadian Prime Rate Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Revolving Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Revolving Loans included

in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(e) Notwithstanding any provisions of this Section 2.11 to the contrary, if any prepayment would otherwise be required to be made pursuant to clause (c) of this Section 2.11, solely as it relates to the portion of such Net Proceeds generated outside of the United States, so long as (x) the applicable local law will not permit or would delay repatriation of such Net Proceeds to the United States or (y) adverse tax consequences (other than de minimis consequences) to the Borrower Representative or any of its Subsidiaries would result from such repatriation, such Net Proceeds so affected shall not be required to be included in the mandatory prepayments referred to in such clause (c), but may be retained by the Borrowers or the applicable Subsidiary for so long, but only so long, as the applicable local law will not permit or would otherwise delay repatriation to the United States.

SECTION 2.12 Fees.

(a) The U.S. Borrowers, jointly and severally, agree to pay to the Administrative Agent for the account of each U.S. Revolving Lender a commitment fee in dollars, which shall accrue at the Applicable Commitment Fee Rate on the daily amount by which such Lender's U.S. Commitment exceeds the amount of such Lender's U.S. Revolving Loans and U.S. LC Exposure during the period from and including the Effective Date to but excluding the date on which the Lenders' U.S. Commitment terminates. The Canadian Borrowers agree to pay to the Canadian Administrative Agent in dollars for the account of each Canadian Revolving Lender a commitment fee, which shall accrue at the Applicable Commitment Fee Rate on the daily amount by which such Lender's Canadian Commitment exceeds the Dollar Equivalent of such Lender's Canadian Revolving Loans and Canadian LC Exposure during the period from and including the Effective Date to but excluding the date on which the Lenders' Canadian Commitment terminates. Accrued commitment fees shall be payable in arrears on the first Business Day of each January, April, July and October, commencing on the first such date to occur after the Effective Date, and on the date on which the Revolving Commitments terminate. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed. For purposes of computing commitment fees, the Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans, Swingline Exposure, Protective Advances, Overadvances and LC Exposure of such Lender.

(b) The (i) U.S. Borrowers agree to pay to the Applicable Administrative Agent for the account of each U.S. Revolving Lender a letter of credit fee with respect to its participations in U.S. Letters of Credit and for the account of each Canadian Revolving Lender a letter of credit fee with respect to Canadian Letters of Credit issued for the account of the U.S. Borrowers and (ii) the Canadian Borrower agrees to pay to the Canadian Administrative Agent for the account of each Canadian Revolving Lender a letter of credit fee with respect to its participation in Canadian Letters of Credit issued for the account of the Canadian Borrower which, in each case, shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurodollar Loans (as in effect from time to time) on the average daily Dollar Equivalent of such Lender's applicable LC Exposure in respect of such Letters of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Revolving Lender ceases to have any LC Exposure in respect of such Borrower(s)' Letters of Credit. In addition, (x) the U.S. Borrowers, jointly and severally, agrees to pay to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% of the average daily Dollar Equivalent of the LC Exposure attributable to Letters of Credit issued for the account of the U.S. Borrowers by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure in respect of

Letters of Credit issued for the account of the U.S. Borrowers, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any such Letter of Credit or processing of drawings thereunder and (y) the Canadian Borrower agrees to pay to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% of the average daily Dollar Equivalent of the LC Exposure attributable to Letters of Credit issued for the account of the Canadian Borrower by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure in respect of Letters of Credit issued for the account of the Canadian Borrower, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any such Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of each calendar quarter shall be payable on the first Business Day of each January, April, July and October, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Banks pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed.

(c) The U.S. Borrowers agree to pay to the fees in the amounts and payable at the times separately agreed upon in the Fee Letters or as otherwise agreed between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Applicable Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders. Fees paid shall not be refundable under any circumstances (absent manifest error in the amount paid).

SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan, but excluding Protective Advances and Overadvances) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Loans comprising each Canadian Prime Rate Borrowing shall bear interest at the Canadian Prime Rate plus the Applicable Rate.

(d) The Loans comprising each CDOR Rate Borrowing shall bear interest at the CDOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(e) Each (i) U.S. Protective Advance and U.S. Overadvance shall bear interest at the Alternate Base Rate plus the Applicable Rate for ABR Revolving Loans plus 2% per annum and each Canadian Protective Advance and Canadian Overadvance shall bear interest at the Canadian Prime Rate plus the Applicable Rate for Canadian Prime Rate Loans plus 2% per annum.

(f) Notwithstanding the foregoing, during the occurrence and continuance of an Event of Default, (i) all past due amounts in respect of the principal of any Loan shall bear interest at 2% plus the rate otherwise applicable to such Loans as provided in the preceding paragraphs of this Section or (ii) in

the case of any other amount that is past due, such amount shall bear interest at 2% per annum plus the rate applicable to Base Rate Revolving Loans hereunder (or, in the case of amounts denominated in Canadian Dollars, 2% per annum plus the rate applicable to Canadian Prime Rate Loans hereunder).

(g) Accrued interest on each Loan (for ABR Loans and Canadian Prime Rate Loans, accrued through the last day of the prior calendar quarter) shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (f) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan or Canadian Prime Rate Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Revolving Loan or CDOR Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(h) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate, the Canadian Prime Rate or the CDOR Rate shall be determined by the Applicable Administrative Agent, and such determination shall be conclusive absent manifest error.

(i) *Interest Act (Canada)*. For purposes of disclosure pursuant to the *Interest Act (Canada)*, the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of 360 days or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively.

(j) *Limitation on Interest*. If any provision of this Agreement or of any of the other Loan Documents would obligate any Loan Party to make any payment of interest or other amount payable to the Lenders in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Lenders of interest at a criminal rate (as such terms are construed under the Criminal Code (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by the Lenders of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to the Lenders under this Section 2.13, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the Lenders which would constitute “interest” for purposes of Section 347 of the *Criminal Code (Canada)*. Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if the Lenders shall have received an amount in excess of the maximum permitted by that section of the *Criminal Code (Canada)*, the Loan Parties shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from the Lenders in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by the Lenders to the Borrowers. Any amount or rate of interest referred to in this Section 2.13(j) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of “interest” (as defined in the *Criminal Code (Canada)*) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Effective Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

SECTION 2.14 Alternate Rate of Interest; Illegality. (a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing or CDOR Rate Borrowing:

(i) the Applicable Administrative Agent determines in good faith (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the CDOR Rate, as applicable (including, without limitation, by means of an Interpolated Rate or because the LIBO Screen Rate or the CDOR Rate is not available or published on a current basis) for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the CDOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Applicable Administrative Agent shall give notice thereof to the Borrower Representative and the Lenders through the Platform as provided in Section 9.01 as promptly as practicable thereafter and, until the Applicable Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist (which notification shall be made promptly after the Applicable Administrative Agent obtains knowledge of the cessation of such circumstances), (A) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing or a CDOR Rate Borrowing shall be ineffective, and any such Revolving Borrowing shall be repaid or converted into an ABR Borrowing or Canadian Prime Rate Borrowing, as applicable, on the last day of the then current Interest Period applicable thereto, and (B) if any Borrowing Request requests a Eurodollar Borrowing or CDOR Rate Borrowing, such Borrowing shall be made as an ABR Borrowing or Canadian Prime Rate Borrowing, respectively.

(b) If any Lender determines that any Requirement of Law has made it unlawful, or if any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain, fund or continue any Eurodollar Borrowing or CDOR Rate Borrowing, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, dollars in the London interbank market, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make, maintain, fund or continue Eurodollar Loans or to convert ABR Borrowings to Eurodollar Borrowings or to convert Canadian Prime Rate Borrowings to CDOR Rate Borrowings will be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers will upon demand from such Lender (with a copy to the Applicable Administrative Agent), either prepay all Eurodollar Borrowings and CDOR Rate Borrowings of such Lender or convert all Eurodollar Borrowings and CDOR Rate Borrowings of such Lender to ABR Borrowings and Canadian Prime Rate Borrowings, respectively, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Borrowings or CDOR Rate Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such conversion or prepayment, the Borrowers will also pay accrued interest on the amount so converted or prepaid.

(c) If at any time (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that the circumstances set forth with respect to the Adjusted LIBO Rate in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrowers (A) shall endeavor to establish an alternate

benchmark rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time (which may include a margin to be applied thereto); provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement, and (B) shall enter into an amendment to this Agreement, at no cost to the Loan Parties other than the reimbursement of the Administrative Agent's costs and expenses as contemplated by Section 9.03 of this Agreement, to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable; *provided*, that any such amendment shall meet the standards set forth in Proposed United States Treasury Regulation Section 1.1001-6 or any amended, temporary or final version thereof so as not to be treated as a "modification" (and therefore an exchange) for purpose of United States Treasury Regulation Section 1.1001-3. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (c) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.14(c), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing shall be ineffective, and (y) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the London interbank market or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Loans or CDOR Rate Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than any (A) Indemnified Taxes or (B) Excluded Taxes) on or with respect to its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender or other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, from time to time upon request of such Lender or other Recipient, the applicable Borrower(s) will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Revolving Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy or liquidity), then, from time to time upon request of such Lender or such Issuing Bank, the applicable Borrower(s) will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrower Representative shall be conclusive absent manifest error. The applicable Borrower(s) shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.15 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances under agreements containing provisions permitting such compensation to be claimed at such time.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan or CDOR Rate Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan or CDOR Rate Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(d) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan or CDOR Rate Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower Representative pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense (excluding any loss of margin) attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate or CDOR Rate that would have been applicable to such Loan (but not including the Applicable Rate applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period

that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate such Lender would bid if it were to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the London interbank market or CDOR Rate market, as applicable. A certificate of any Lender delivered to the Borrower Representative and setting forth and explaining in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be conclusive absent manifest error. The applicable Borrower(s) shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

SECTION 2.17 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by any applicable withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of payments made to any Administrative Agent for its own account, such Administrative Agent) receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Applicable Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Applicable Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Administrative Agent.

(d) Indemnification by the Loan Parties. The applicable Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) payable or paid by such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Representative by a Lender (with a copy to the Applicable Administrative Agent), or by the Applicable Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Status of Recipients.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Representative and the Applicable Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Applicable Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative or the

Applicable Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Applicable Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower Representative or the Applicable Administrative Agent as will enable the Borrower Representative or the Applicable Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender to a U.S. Borrower that is a U.S. Person shall deliver to the Borrower Representative and the Applicable Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Foreign Lender to a U.S. Borrower shall deliver to the Borrower Representative and the Applicable Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), whichever of the following is applicable (in such number of copies as shall be requested by the recipient):

(1) executed originals of IRS Form W-8BEN or W-8BEN-E (or any successor forms) in the case of a Foreign Lender claiming eligibility for the benefits of an income tax treaty to which the United States is a party;

(2) executed originals of IRS Form W-8ECI (or any successor forms);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any U.S. Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" related to any Borrower described in Section 881(c)(3)(C) of the Code and that no payments in connection with any Loan Document are effectively connected with the Foreign Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or W-8BEN-E (or any successor forms); or

(4) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of IRS Form W-8IMY (or any successor forms), accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a

participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I on behalf of each such direct and indirect partner;

(C) any Foreign Lender to a U.S. Borrower shall deliver to the Borrower Representative and the Applicable Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Applicable Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower Representative or the Applicable Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower Representative and the Administrative Agents at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Representative or the Administrative Agents such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Representative or the Administrative Agents as may be necessary for the Borrower Representative and the Administrative Agents to comply with their obligations under FATCA, to determine whether such Recipient has complied with such Recipient's obligations under FATCA and to determine, if any, the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(E) Any Lender to the Canadian Borrower shall deliver to the Canadian Borrower and the Canadian Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Canadian Borrower or the Canadian Administrative Agent), (1) two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding or (2) two executed originals of an applicable IRS Form W-8 certifying such Lender's non-U.S. status.

(F) Each Agent that is a U.S. Person, on or before the date on which it (and any successor or replacement Administrative Agent) becomes the Administrative Agent hereunder, shall deliver to the Borrower Representative and the Administrative Agents two executed copies of either (i) IRS Form W-9, or (ii) IRS Form W-8ECI (with respect to any payments to be received on its own behalf) and IRS Form W-8IMY (for all other payments), establishing that the Borrower can make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the United States, including Taxes imposed under FATCA.

Each Recipient agrees that if any form or certification it previously delivered (including any specific documentation required in this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect, it shall deliver promptly to the Borrower Representative or the Applicable Administrative Agent updated or other appropriate documentation (including any new documentation reasonably request by the Borrower or the Applicable Administrative Agent) or promptly notify the Borrower Representative and the Applicable Administrative Agent in writing of its legal ineligibility to do so.

Each Lender hereby authorizes the Applicable Administrative Agent to deliver to the Loan Parties and to any other successor Applicable Administrative Agent any documentation provided by such Lender pursuant to this Section 2.17(e).

Notwithstanding any other provision of this Section 2.17(e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(f) Treatment of Certain Refunds. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.17 (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.17 the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) Defined Terms. For the avoidance of doubt, for purposes of this Section 2.17, the term “Lender” includes any Issuing Bank and any Swingline Lender and the term “applicable law” includes FATCA.

(h) For purposes of FATCA, from and after the Effective Date, the Loan Parties and the Administrative Agents shall treat (and the Lenders hereby authorize the Administrative Agents to treat) this Agreement and any Loans made hereunder (including any Loans already outstanding) as not qualifying as “grandfathered obligations” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

SECTION 2.18 Payments Generally; Allocation of Proceeds; Sharing of Set-offs.

(a) The Borrowers shall make each payment required to be made by them hereunder or under any other Loan Document on or prior to the time expressly required hereunder or under such other Loan Document for such payment or, if no such time is expressly required, on or prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. All payments (i) in respect of any Loan (and interest thereon) shall be made in the same currency in which such Loan was made and (ii) in respect of all fees, in respect of reimbursement of LC Disbursements and in respect of any other amounts payable hereunder or under other Loan Documents shall be paid in Dollars. All such payments in respect of Revolving Loans and LC Exposure under any Facility shall be made and allocated, pro rata in accordance with the respective unpaid principal amounts of such Loans and the LC Exposure of each Lender under such Facility. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 10 South Dearborn Street, 22nd Floor, Chicago, Illinois, except that (i) payments required to be made directly to an Issuing Bank or the Swingline Lender shall be so made

and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein and (ii) payments of Canadian Loans and LC Disbursements or fronting fees that are payable to any Canadian Issuing Bank, shall be made to the Canadian Administrative Agent at its offices at Suite 4500, 66 Wellington St., W. Toronto, ON M5K 1A1 Canada. The Applicable Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder or under any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(b) (i) Any proceeds of Collateral received by the Administrative Agent (i) not constituting (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Borrower Representative), (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (C) amounts to be applied from a Concentration Account (which shall be applied in accordance with Section 2.10(b)) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, shall be applied ratably first, to permanently reduce the fees, interest and principal in respect of the Prepetition Lender Obligations then outstanding (if any) constituting fees, interest and principal in accordance with Section 2.18(b) of the Prepetition Credit Agreement, until paid in full in cash, second to permanently reduce the other Prepetition Lender Obligations then outstanding (if any) in accordance with Section 2.18(b) of the Prepetition Credit Agreement until paid in full in cash, third, to pay any fees, indemnities, or expense reimbursements then due to the Administrative Agent, the Canadian Administrative Agent and each Issuing Bank from the Borrowers (other than in connection with Banking Services or Swap Obligations); fourth, to pay any fees or expense reimbursements then due to the Lenders from the Borrowers (other than in connection with Banking Services or Swap Obligations); fifth, to pay interest due in respect of the Protective Advances and Overadvances; sixth, to pay the principal of the Protective Advances and Overadvances; seventh, to pay interest then due and payable on the Loans (other than the Protective Advances and Overadvances) ratably; eighth, to prepay principal on the Loans (other than the Protective Advances and Overadvances) and unreimbursed LC Disbursements ratably; ninth, to deposit in the U.S. LC Collateral Account and the Canadian LC Collateral Account cash collateral (in accordance with 2.06(j)); tenth, to payment of any amounts owing with respect to Banking Services (other than supply chain financing) and Swap Obligations; eleventh, to the payment of any other Secured Obligations due to any Lender Party by the Borrowers; twelfth, to the payment of amounts owing with respect to Banking Services comprising supply chain financing and thirteenth any excess to be returned to Borrower Representative to be used in accordance with the Approved Budget. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Borrower Representative, or unless a Default is in existence, no Agent nor any Lender shall apply any payment which it receives to any Eurodollar Loan or ABR Loan, except (a) on the expiration date of the Interest Period applicable to such Eurodollar Loan or ABR Loan or (b) in the event, and only to the extent, that there are no outstanding ABR Loans or Canadian Prime Rate Loans, respectively and, in any such event, the applicable Borrower(s) shall pay the break funding payment required in accordance with Section 2.16.

(c) All payments of principal, interest, LC Disbursements, fees, reimbursable expenses (including, without limitation, all reimbursements of fees and expenses pursuant to Section 9.03) and other sums payable under the Loan Documents or in respect of the Prepetition Lender Obligations may be paid from the proceeds of Borrowings made hereunder, whether made following a request by the Borrower Representative pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of any Borrower maintained with the Administrative Agent. Each Borrower hereby irrevocably authorizes (i) the Applicable Administrative Agent to request a Borrowing on its behalf for the purpose of paying each payment referred to in the preceding sentence and agrees that all such

amounts charged shall constitute Loans (including Swingline Loans and Overadvances, but such a Borrowing may only constitute a Protective Advance if it is to reimburse costs, fees and expenses pursuant to Section 9.03) and that all such Borrowings shall be deemed to have been requested pursuant to Section 2.03, 2.04 or 2.05, as applicable, and (ii) the Applicable Administrative Agent to charge any deposit account of any Borrower (other than, so long as no Event of Default shall have occurred or be continuing, any Excluded Account; provided that in no event shall this clause (ii) permit any payroll, trust or tax account to be charged) maintained with the Administrative Agent for each payment of principal, interest, fees or any other amount due under the Loan Documents or in respect of the Prepetition Lender Obligations referred to in the previous sentence.

(d) If any Lender under any Facility shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances under such Facility resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances and accrued interest thereon under such Facility than the proportion received by any other Lender under such Facility, then the Lender receiving such greater proportion shall notify the Applicable Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances of other Lenders under such Facility to the extent necessary so that the amount of all such payments shall be shared by the Lenders under such Facility ratably in accordance with the aggregate amounts of principal of and accrued interest on their respective Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances under such Facility; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (for the avoidance of doubt, as in effect from time to time) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances to any Person that is an Eligible Assignee (as such term is defined from time to time). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation. For purposes of subclause (b)(i) of the definition of Excluded Taxes, a Lender that acquires a participation pursuant to this Section 2.18(d) shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) and/or Loan(s) to which such participation relates.

(e) Unless the Applicable Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Applicable Administrative Agent for the account of any of the Lenders or the Issuing Banks hereunder that the applicable Borrower(s) will not make such payment, the Applicable Administrative Agent may assume that the applicable Borrower(s) have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or Issuing Banks, as the case may be, the amount due. In such event, if the applicable Borrower(s) have not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Applicable Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to each Applicable Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by each Applicable Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) If any Lender shall fail to make any payment required to be made by it hereunder to or for the account of the Applicable Administrative Agent, then the Applicable Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Applicable Administrative Agent for the account of such Lender to satisfy such Lender's obligations in respect of such payment until all such unsatisfied obligations have been discharged and/or (ii) hold any such amounts in a segregated account as cash collateral for, and apply any such amounts to, any future payment obligations of such Lender hereunder to or for the account of the Applicable Administrative Agent.

SECTION 2.19 Mitigation Obligations: Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The applicable Borrower(s) hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment and delegation.

(b) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender becomes a Defaulting Lender, then the Borrower Representative may, at the sole expense and effort of the applicable Borrower(s), upon notice to such Lender and the Administrative Agent by the Borrower Representative, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (i) the Borrower Representative shall have received the prior written consent of the Administrative Agent, each Issuing Bank and each Swingline Lender, which consents shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the applicable Borrower(s) (in the case of all other amounts), (iii) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (iv) such assignment and delegation does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the applicable Borrower(s) to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower Representative, the Administrative Agent and the assignee (subject to any required consents referred to above) and that the Lender required to make such assignment and delegation need not be a party thereto.

SECTION 2.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender under any Facility:

(a) commitment fees shall cease to accrue on the unused portion of the Revolving Commitment of such Defaulting Lender of such Facility pursuant to Section 2.12(a);

(b) the Revolving Commitment and Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or all affected Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;

(c) if any Swingline Exposure, LC Exposure, Protective Advance Exposure and Overadvance Exposure exists under any Facility under which such Lender has a Revolving Commitment at the time such Lender becomes a Defaulting Lender, then:

(i) such Defaulting Lender's Swingline Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.05(c)), LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.06(d)), Protective Advance Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.04(b)) and Overadvance Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.05(c)) under such Facility shall be reallocated among the non-Defaulting Lenders under such Facility in accordance with their respective Applicable Percentages, but only to the extent the sum of all non-Defaulting Lenders' Revolving Exposures under such Facility plus such Defaulting Lender's Swingline Exposures under such Facility, LC Exposure under such Facility, Protective Advance Exposure under such Facility and Overadvance Exposure under such Facility does not exceed the total of all non-Defaulting Lenders' Revolving Commitments under such Facility;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the applicable Borrower(s) shall within one (1) Business Day following notice by the Administrative Agent, without prejudice to any rights or remedies of the Borrowers against such Defaulting Lender, (A) first, prepay the portion of such Defaulting Lender's Overadvance Exposure under such Facility that has not been so reallocated, (B) second, prepay the portion of such Defaulting Lender's Protective Advance Exposure under such Facility that has not been so reallocated, (C) third, prepay the portion of such Defaulting Lender's Swingline Exposure under such Facility that has not been so reallocated and (D) fourth, cash collateralize such Defaulting Lender's LC Exposure under such Facility that has not been so reallocated in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if any Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the applicable Borrower(s) shall not be required to pay any letter of credit participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's cash collateralized LC Exposure under such Facility during the period such Defaulting Lender's LC Exposure under such Facility is cash collateralized;

(iv) if any portion of the LC Exposure under such Facility of such Defaulting Lender is reallocated pursuant to clause (c)(i) above, then the fees payable to the Lenders pursuant to Section 2.12(b) shall be adjusted to give effect to such reallocation; or

(v) if any portion of such Defaulting Lender's LC Exposure under such Facility is neither cash collateralized nor reallocated pursuant to clause (c)(i) or (c)(ii) above, then, without prejudice to any rights or remedies of the applicable Issuing Bank or any Lender hereunder, all letter of credit participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure under such Facility shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure under such Facility attributable to Letters of Credit issued by each Issuing Bank) until such LC Exposure is cash collateralized and/or reallocated; and

(d) the Swingline Lender under such Facility shall not be required to fund any Swingline Loan and no Issuing Bank under such Facility shall be required to issue, amend, renew, extend or increase any Letter of Credit, in each case, unless it is satisfied that the related exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders under such Facility and/or cash collateral provided by the Borrowers in accordance with clause (c) of this Section, and participating interests in any such newly issued, amended, renewed, extended or increased Letter of Credit under such Facility or newly made Swingline Loan under such Facility shall be allocated among non-Defaulting Lenders in a manner consistent with clause (c)(i) of this Section (and Defaulting Lenders shall not participate therein).

In the event and on the date that each of the Administrative Agent, Parent, each of the Issuing Banks and each of the Swingline Lenders agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure, LC Exposure, Protective Advance Exposure and Overadvance Exposure of the other Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment under the applicable Facility and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders under such Facility as the Administrative Agent shall determine may be necessary in order for such Lender to hold Revolving Loans under such Facility in accordance with its Applicable Percentage.

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) any Swingline Lender or any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no Swingline Lender shall be required to fund any Swingline Loan and the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lenders or the Issuing Bank, as the case may be, shall have entered into arrangements with the Borrower or such Lender, satisfactory to each Swingline Lender or the Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

SECTION 2.21 **Returned Payments.** If after receipt of any payment which is applied to the payment of all or any part of the Obligations, any Lender Party is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside or determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement and the other Loan Documents shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent, such Issuing Bank or such Lender. The provisions of this Section shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent, any Issuing Bank or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section shall survive the termination of this Agreement.

SECTION 2.22 Super-Priority Nature of Obligations and Administrative Agent's Liens;
Payment of Obligations.

(a) The priority of Administrative Agent's Liens on the Collateral, claims and other interests shall be as set forth in the Interim Order, the Canadian Recognition Order (in the case of the Obligations of the Canadian Borrower, such claim shall be a valid, binding, continuing, enforceable, fully-perfected superpriority (subject only to the Canadian Administration Charge) senior priming charge, security interest in and lien upon all property of the Canadian Borrower, whether now existing or hereafter acquired (the "Canadian DIP Charge")) and the Final Order.

(b) Upon the maturity (whether by acceleration or otherwise) of any of the Secured Obligations, the Administrative Agent and Lenders shall be entitled to immediate payment of such Secured Obligations without further application to or order of the Court.

SECTION 2.23 Conversion to Exit Facility Agreement. Upon the satisfaction or waiver by the Administrative Agents and each Lender of each of the conditions precedent to the Conversion Date set forth in the section entitled "Conditions Precedent to Conversion Date" in the Exit Facility Term Sheet on or prior to the Maturity Date, automatically and without any further consent or action required by the Administrative Agents, any Lender, or any other Lender Party, (i) the Borrowers (or the entities assuming and/or acquiring directly or indirectly the operations and assets of the Borrowers in the Acceptable Plan, and each Loan Guarantor and each entity assuming the operations and assets of each Loan Guarantor that is a Debtor in the Acceptable Plan, to the extent such Person is required under the Exit Facility Term Sheet to continue to be a guarantor thereunder), shall assume all obligations in respect of the Revolving Commitments, Loans and Letters of Credit hereunder and all other monetary obligations in respect hereof, (ii) each Loan and Letter of Credit hereunder shall be continued as a Loan or Letter of Credit under the Exit Facility Agreement, (iii) each Lender hereunder shall be a Lender under the Exit Facility Agreement and (iv) this Agreement shall terminate and be superseded and replaced in its entirety by, and deemed amended and restated in its entirety in the form of, the Exit Facility Agreement (with such changes and insertions thereto, as are reasonably satisfactory to the Administrative Agents and the Borrower, incorporated as necessary to make any technical changes necessary to effectuate the intent of this Section 2.23), and each of the Revolving Commitments hereunder shall automatically be Revolving Commitments under the Exit Facility Agreement. Notwithstanding the foregoing, all obligations of the Borrowers and the Loan Guarantors to the Administrative Agents, the Issuing Banks and the Lenders under this Agreement and any other Loan Document which are expressly stated in this Agreement or such other Loan Document as surviving such agreement's termination shall, as so specified, survive without prejudice and remain in full force and effect. Each of the Loan Parties, the Administrative Agents, the Lenders and the Issuing Banks shall take such actions and execute and deliver such agreements, instruments or other documents as the Administrative Agents may reasonably request to give effect to the provisions of this Section 2.23 and as are required to complete the schedules to the Exit Facility Agreement or other agreements contemplated thereby; provided, however, that any such action by the Administrative Agent, any of the Lenders or the Issuing Banks shall not be a condition precedent to the effectiveness of the Exit Facility Agreement if and to the extent so provided in the Confirmation Order. Each Lender and Issuing Bank party hereto hereby agrees that, on the Conversion Date, the Administrative Agents may execute and deliver the security documents and intercreditor agreement contemplated by the Exit Facility Term Sheet.

ARTICLE III

Representations and Warranties

Each Loan Party represents and warrants to the Lenders as follows:

SECTION 3.01 Organization; Powers. Parent and each Subsidiary is duly organized, validly existing and (to the extent the concept is applicable in such jurisdiction and, in the case of any Subsidiary other than any Borrower, except where the failure to be so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect) in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to, subject to the entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02 Authorization; Enforceability; Benefit to Loan Parties.

(a) Subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), the Transactions, insofar as they are to be carried out by each Loan Party, are within such Loan Party's corporate or other organizational powers and have been duly authorized by all necessary corporate or other organizational and, if required, shareholder or other equityholder action. Subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), this Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(b) Each Loan Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (i) successful operations of each of the other Loan Parties and (ii) the credit extended by the Lenders to the Borrowers hereunder. Each Loan Party has determined that, subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), the execution, delivery, and performance of this Agreement and any other Loan Documents to be executed by such Loan Party is within its purpose, will be of direct and indirect benefit to such Loan Party, and is in its best interest.

SECTION 3.03 Governmental Approvals; No Conflicts. Except for the entry of, and pursuant to the terms of, the Interim Order and the Canadian Recognition Order (and Final Order, when and as applicable), the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are (or will so be) in full force and effect, (b) will not violate any applicable law, including any order of any Governmental Authority, (c) will not violate the charter, bylaws or other organizational documents of Parent or any Subsidiary, (d) will not violate or result in a default under any indenture or agreement (including the Term Credit Agreement, the Senior Notes Indenture or other material instrument binding upon Parent or any Subsidiary or any of their assets), or give rise to a right thereunder to require any payment to be made by Parent or any Subsidiary, and (e) will not result in the creation or imposition of any Lien on any asset of Parent or any Subsidiary, except Liens created pursuant to the Loan Documents, Liens created in connection with the Term Credit Agreement or Liens created in connection with the Prepetition

Credit Agreement; in the case of clause (b) and (d) above, except for a violation or creation, as applicable, which would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.04 Financial Condition; No Material Adverse Effect.

(a) Parent has heretofore furnished to the Lenders (i) the audited consolidated balance sheets and related consolidated statements of operations, shareholders' equity and cash flows of Parent and its consolidated Subsidiaries as of and for the fiscal year ended February 1, 2020 audited by and accompanied by the unqualified opinion of Deloitte & Touche LLP, independent registered public accounting firm, and (ii) the unaudited consolidated balance sheets and related statements of operations, shareholders' equity and cash flows of the U.S. Borrower and its consolidated Subsidiaries as of and for the fiscal quarter ended May 2, 2020. Such financial statements (x) present fairly, in all material respects, the financial position and results of operations and cash flows of Parent and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above and (y) comply in all material respects with the requirements of Regulation S-X under the Securities Act.

(b) [Reserved].

(c) Since the Effective Date, other than those customarily resulting from the commencement of the Cases and changes contemplated in Parent's business plan delivered to the Administrative Agent, there has been no event, development or circumstance that has had, or would reasonably be expected to have, a Material Adverse Effect on the business, assets, results of operations or financial condition of Parent and its subsidiaries, taken as a whole.

SECTION 3.05 Properties.

(a) Parent and each Subsidiary has good title to, or valid leasehold interests in, all its property material to its business, except for minor defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes and Liens expressly permitted by Section 6.02.

(b) Parent and each Subsidiary owns, or is licensed to use, all trademarks, service marks, tradenames, trade dress, copyrights, patents, industrial designs and other intellectual property material to its business, and the conduct of their respective businesses, including the use thereof, by Parent and the Subsidiaries does not infringe upon the rights of any other Person, except for any such failure to own or license or infringements that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06 Litigation and Environmental Matters.

(a) Except for the Disclosed Matters and the Cases, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of Parent, threatened against or affecting Parent or any Subsidiary (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve any of the Loan Documents or the Transactions.

(b) Except for the Disclosed Matters or matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, neither Parent nor any Subsidiary (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or

other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received written notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

(c) Since the Effective Date, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in a Material Adverse Effect.

SECTION 3.07 Compliance with Laws and Agreements.

(a) Parent and each Subsidiary is in compliance with all laws, including all orders of Governmental Authorities, applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except (i) where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect (it being agreed that this Section does not apply to any law which is specifically addressed in Section 3.06(b), 3.07(b), 3.08, 3.09, 3.10 or 3.14), (ii) any non-compliance arising solely as a result of the commencement of the Cases or (iii) to the extent subject to the Automatic Stay.

(b) Parent has implemented and maintains in effect policies and procedures designed to ensure compliance in all material respects by Parent, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and Parent, its Subsidiaries and their respective officers and employees and to the knowledge of Parent its directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects. None of (a) Parent, any Subsidiary or, to the knowledge of Parent, any of their respective directors, officers or employees, or (b) to the knowledge of Parent, any agent of Parent or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No Borrowing, Letter of Credit use of proceeds or other transaction contemplated by this Agreement will violate Anti-Corruption Laws or applicable Sanctions.

SECTION 3.08 Investment Company Status, etc. No Loan Party is (a) an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940 or (b) a “holding company” as defined in, or subject to regulation under, the Public Utility Holding Company Act of 1935.

SECTION 3.09 Taxes. Parent and each Subsidiary has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it (including in its capacity as withholding agent), except (a) any Taxes that are being contested in good faith by appropriate proceedings diligently conducted and for which Parent or such Subsidiary has set aside on its books reserves with respect thereto to the extent required by GAAP, (b) to the extent that the failure to do so would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect or (c) any Taxes the nonpayment of which is permitted or required by the Bankruptcy Code. There is no current or proposed tax assessment, deficiency or other claim against Parent or any of the Subsidiaries that would, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Each Loan Party and each of their respective Subsidiaries has withheld all material employee withholdings and has made all employer contributions to be withheld and made by it pursuant to applicable law on account of the Canadian Pension Plans and the Canada Benefit Plans, employment insurance and employee income taxes.

SECTION 3.10 ERISA; Labor Matters; Canadian Pension Plans and Canadian Benefit Plans.

(a) Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) no ERISA Event has occurred or is reasonably expected to occur, (ii) neither

any Loan Party nor any ERISA Affiliate has engaged in a transaction that could be subject to Section 4069 or 4212(c) of ERISA and (iii) on the Effective Date, the present value of all accumulated benefit obligations under each Plan that is subject to Title IV of ERISA (based on the assumptions used for purposes of Statement of Accounting Standards Topic No. 715) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of such Plan, and the present value of all accumulated benefit obligations of all underfunded Plans that are subject to Title IV of ERISA (based on the assumptions used for purposes of Statement of Accounting Standards Topic No. 715) did not, as of the date or dates of the most recent financial statements reflecting such amounts, exceed the fair value of the assets of all such underfunded Plans.

(b) Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) there are no strikes, lockouts, slowdowns or any other labor disputes against Parent or any Subsidiary pending or, to the knowledge of Parent, threatened, (ii) the hours worked by and payments made to employees of Parent and the Subsidiaries have not been in violation of the Fair Labor Standards Act of 1938, the *Employee Standards Act* (Ontario) or any other applicable federal, state, provincial, territorial, local or foreign law dealing with such matters and (iii) all payments due from Parent or any Subsidiary, or for which any claim may be made against Parent or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of Parent or such Subsidiary to the extent required by GAAP. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which Parent or any Subsidiary is bound.

(c) Section 3.10(c) of the Disclosure Letter lists all Canadian Benefit Plans and Canadian Pension Plans currently maintained or contributed to by the Loan Parties and their Subsidiaries. As of the Closing Date, none of the Canadian Pension Plans are Canadian Defined Benefit Plans. The Canadian Pension Plans are duly registered under the ITA and all other applicable laws which require registration. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, each Loan Party and each of their Subsidiaries has complied with and performed all of its obligations under and in respect of the Canadian Pension Plans and Canadian Benefit Plans under the terms thereof, any funding agreements and all applicable laws (including any fiduciary, funding, investment and administration obligations). All employer and employee payments, contributions or premiums to be remitted, paid to or in respect of each Canadian Pension Plan or Canadian Benefit Plan have been paid in a timely fashion in accordance with the terms thereof, any funding agreement and all applicable laws. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, there have been no improper withdrawals or applications of the assets of the Canadian Pension Plans or the Canadian Benefit Plans. To the knowledge of the Loan Parties, no facts or circumstances have occurred or existed that could result, or be reasonably anticipated to result, in the declaration of a termination of any Canadian Pension Plan by any Governmental Authority under applicable laws. No promises of benefit improvements under the Canadian Pension Plans or the Canadian Benefit Plans have been made except where such improvement could not be reasonably expected to have a Material Adverse Effect and, in any event, no such improvements will result in a solvency deficiency or going concern unfunded liability in the affected Canadian Pension Plans. The pension fund under each Canadian Pension Plan is exempt from the payment of any income tax and there are no taxes, penalties or interest owing in respect of any such pension fund. All material reports and disclosures relating to the Canadian Pension Plans required by such plans and any Requirement of Law to be filed or distributed have been filed or distributed. Except as could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect, (i) no Canadian Benefit Plans provide for benefits beyond retirement or other termination of service to employees or former employees or to the beneficiaries or dependents of such employees, (ii) there are no outstanding disputes concerning the assets of the Canadian Pension Plans or the Canadian Benefit Plans, and (iii) each of the Canadian Pension Plans is fully funded on both a going concern and on a solvency basis (using

actuarial methods and assumptions which are consistent with the valuations last filed with the applicable Governmental Authorities and which are consistent with generally accepted actuarial principles).

SECTION 3.11 Disclosure. None of the reports, financial statements, certificates or other information furnished by or on behalf of Parent or any Subsidiary to the Administrative Agent, any Arranger or any Lender in connection with the negotiation of this Agreement or any other Loan Document or delivered hereunder or thereunder, taken as a whole (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to forecasts and projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed by them to be reasonable at the time made and at the time so furnished and, if furnished prior to the Effective Date, as of the Effective Date.

SECTION 3.12 Subsidiaries and Joint Ventures. Section 3.12 of the Disclosure Letter sets forth, as of the Effective Date, the name, type of organization and jurisdiction of organization of, and the percentage of each class of Equity Interests owned by Parent or any Subsidiary in, (a) each Subsidiary and (b) each joint venture in which Parent or any Subsidiary owns any Equity Interests, and identifies each Designated Subsidiary. All the issued and outstanding Equity Interests in each Subsidiary owned by any Loan Party have been (to the extent such concepts are relevant with respect to such Equity Interests) duly authorized and validly issued and are fully paid and non-assessable (except as such rights may arise under mandatory provisions of applicable statutory law that may not be waived and not as a result of any rights contained in organizational documents). Except as set forth in Section 3.12 of the Disclosure Letter, as of the Effective Date, there is no existing option, warrant, call, right, commitment or other agreement to which Parent or any Subsidiary is a party requiring, and there are no Equity Interests in any Subsidiary outstanding that upon exercise, conversion or exchange would require, the issuance by any Subsidiary of any additional Equity Interests or other securities exercisable for, convertible into, exchangeable for or evidencing the right to subscribe for or purchase any Equity Interests in any Subsidiary.

SECTION 3.13 Insurance. Section 3.13 of the Disclosure Letter sets forth a description of all insurance maintained by or on behalf of Parent and the Subsidiaries as of the Effective Date. As of the Effective Date, all premiums due and payable in respect of such insurance have been paid. Parent believes that the insurance maintained by or on behalf of Parent and the Subsidiaries is adequate.

SECTION 3.14 Federal Reserve Regulations. Neither Parent nor any Subsidiary is principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U of the Board of Governors), or extending credit for the purpose of purchasing or carrying margin stock. No part of the proceeds of any Loan or any Letter of Credit will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, in any manner or for any purpose that would entail a violation of Regulations T, U or X of the Board of Governors.

SECTION 3.15 Reserved.

SECTION 3.16 Collateral Matters.

(a) Subject to the entry of the Interim Order and the Canadian Recognition Order, upon the entry of, and subject to, the Interim Order and the Canadian Recognition Order (and, when entered, the Final Order) and subject to the Carve-Out in all respects, the Security Agreements and the Interim Order and the Canadian Recognition Order (and, when entered, the Final Order) are effective to create in favor of the Administrative Agent

(for the benefit of the Lender Parties) legal, valid, enforceable and perfected Liens on the Collateral described therein (with such priority as provided for therein).

(b) Except for the entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), no filing or other action will be necessary to perfect such Liens.

(c) The Interim Order and the Canadian Recognition Order (and Final Order, when applicable) is (or will be, as applicable) effective to create in favor of the Administrative Agent, for the benefit of the Lender Parties, a legal, valid, binding and enforceable perfected Lien in the Collateral without the necessity of the execution of mortgages, security agreements, pledge agreements, financing statements or other agreements or documents except to the extent set forth in such Order.

SECTION 3.17 Use of Proceeds. The Borrowers will use the proceeds of the Loans and will request the issuance of Letters of Credit only for purposes set forth in Section 5.11.

SECTION 3.18 Credit Card Agreements. Section 3.18 of the Disclosure Letter (as updated from time to time as permitted by Section 5.16) sets forth a list of all Credit Card Agreements to which any Loan Party is a party. A true and complete copy of each Credit Card Agreement listed on Section 3.18 of the Disclosure Letter has been delivered to the Administrative Agent, together with all material amendments, waivers and other modifications thereto. All such Credit Card Agreements are in full force and effect, currently binding upon each Loan Party that is a party thereto and, to the knowledge of the Loan Parties, binding upon other parties thereto in accordance with their terms. The Loan Parties are in compliance in all material respects with each such Credit Card Agreement.

SECTION 3.19 Approved Budget. As of the Effective Date, the Borrowers have furnished to the Administrative Agent the initial Approved Budget. Each Approved Budget was prepared in good faith based upon assumptions the Borrowers believed to be reasonable assumptions on the date of delivery of such Approved Budget.

SECTION 3.20 Chapter 11 Cases.

(a) The Cases were commenced on the Petition Date in each case in accordance with applicable laws and proper notice thereof was given for (i) the motion seeking approval of the Loan Documents and the Interim Order, the Canadian Recognition Order and the Final Order, and (ii) the hearing for the entry of the Interim Order and the Canadian Recognition Order. The Debtors shall give, on a timely basis as specified in the Interim Order, the Canadian Recognition Order or the Final Order, as applicable, all notices required to be given to all parties specified in such orders, as applicable.

(b) After the entry of the Interim Order, and pursuant to and to the extent permitted in the Interim Order and the Final Order, the Obligations will constitute allowed administrative expense claims in the Cases having priority over all administrative expense claims and unsecured claims against the Debtors now existing or hereafter arising, of any kind whatsoever, including all administrative expense claims of the kind specified in Sections 105, 326, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1114 or any other provision of the Bankruptcy Code or otherwise, as provided under Section 364(c)(1) of the Bankruptcy Code, subject to (i) the Carve-Out and (ii) the priorities set forth in the Interim Order or Final Order, as applicable.

(c) After the entry of the Interim Order and the Canadian Recognition Order and pursuant to and to the extent provided in the Interim Order, the Canadian Recognition Order and the Final Order, the Obligations will be secured by a valid and perfected first priority Lien on all of the Collateral subject, as to priority, only to (i) the Carve-Out, (ii) the Liens pursuant to Section 6.02(i), subject to the terms of such Section 6.02(i), (iii) the Canadian Administration Charge and (iv) to the extent set forth in the Interim Order or the Final Order.

(d) The Interim Order (with respect to the period on and after entry of the Interim Order and prior to entry of the Final Order), the Final Order (with respect to the period on and after entry of the Final Order) and the Canadian Recognition Order have not been vacated, or, without the Administrative Agent's consent, modified or amended. The Loan Parties are in compliance in all material respects with the applicable Order and the Canadian Recognition Order.

(e) Notwithstanding the provisions of Section 362 of the Bankruptcy Code, and subject to the applicable provisions of the Final Order, as the case may be, upon the Maturity Date (whether by acceleration or otherwise) of any of the Obligations, to the extent the Conversion Date has not occurred, the Administrative Agent and Lenders shall, subject to the Remedies Notice Period, be entitled to immediate payment of such Obligations and to enforce the remedies provided for hereunder or under applicable laws, without further notice, motion or application to, hearing before, or order from, the Court.

ARTICLE IV

It is agreed and understood that the Administrative Agent may not charge default interest pursuant to this Agreement during such time as the occurrence of such Event of Default is being contested during the Remedies Notice Period but once determined that such Event of Default exists, the Administrative Agent may charge default interest pursuant to this Agreement retroactively to cover the period from which the Event of Default exists through the date of determination.

ARTICLE VIII

The Administrative Agents

Each of the Lenders and each of the Issuing Banks hereby irrevocably appoints the Administrative Agent and, as applicable, the Canadian Administrative Agent and their respective successors to serve in such capacities under the Loan Documents (and in the case of the Administrative Agent, to serve as collateral agent), and authorizes each such Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent to consent, on behalf of each Lender, to the Interim Order, the Final Order and the Canadian Recognition Order, each to be negotiated between the Loan Parties, the Administrative Agent, certain other parties and the statutory committees appointed pursuant to Sections 327 and 1103 of the Bankruptcy Code, as applicable.

For greater certainty, and without limiting the powers of the Administrative Agent under this Agreement or under any of the other Loan Documents, for the purposes of holding any security granted by any Loan Party pursuant to the laws of the Province of Québec, each Lender and Issuing Bank hereby irrevocably appoints and authorizes the Administrative Agent to act as the hypothecary representative (in such capacity, the "Hypothecary Representative") of the Lender Parties, as contemplated under Article 2692 of the Civil Code of Québec. The Hypothecary Representative shall (i) have exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Hypothecary Representative pursuant to any hypothec, (ii) benefit from and be subject to all provisions hereof with respect to the Administrative Agent, mutatis mutandis, including without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lender Parties, (iii) be entitled to delegate from time to time any of its powers or duties under any hypothec, on such terms and conditions as it may determine from time to time. Any person who becomes a Lender Party shall be deemed to have consented to and confirmed the Hypothecary Representative as the hypothecary representative and to have ratified, as of the date it becomes a Lender Party, all actions taken by the Hypothecary Representative in such capacity. The substitution of the Administrative Agent pursuant to the provisions of Article VIII hereto shall also constitute the substitution of the Hypothecary Representative.

Each bank serving as the Administrative Agent or Canadian Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent or Canadian Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent or Canadian

Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

Neither of the Administrative Agents shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither of the Administrative Agents shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agents is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties), (b) neither of the Administrative Agents shall have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Applicable Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Applicable Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Applicable Administrative Agent shall not be required to take any action that, in its opinion, could expose such Administrative Agent to liability or be contrary to any Loan Document or applicable law, and (c) except as expressly set forth in the Loan Documents, neither of the Administrative Agents shall have any duty to disclose and shall be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary or other Affiliate thereof that is communicated to or obtained by such bank serving as Administrative Agent or Canadian Administrative Agent or any of their respective Affiliates in any capacity. Neither of the Administrative Agents shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Applicable Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or in the absence of its own bad faith, gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment). Neither of the Administrative Agents shall be deemed to have knowledge of any Default unless and until written notice thereof (stating that it is a “notice of default”) is given to the such Person by the Borrower Representative or a Lender, and such Person shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Applicable Administrative Agent.

Each of the Administrative Agents shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof). Each of the Administrative Agents also shall be entitled to rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof), and may act upon any such statement prior to receipt of written confirmation thereof. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that

by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Applicable Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Applicable Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. Each of the Administrative Agents may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each of the Administrative Agents may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Person. Each of the Administrative Agents and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each of the Administrative Agents and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as each of the Administrative Agents. Neither of the Administrative Agents shall be responsible for the bad faith, negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with bad faith, gross negligence or willful misconduct in the selection of such sub-agents.

Subject to the appointment and acceptance of a successor Agent as provided in this paragraph, each of the Administrative Agents may resign at any time by notifying the Lenders, the Issuing Banks and the Borrower Representative. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor that is an Eligible Successor Agent. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, in consultation with the Borrower Representative, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent or Canadian Administrative Agent, as applicable, which is an Eligible Successor Agent. Upon the acceptance of its appointment as an Administrative Agent or Canadian Administrative Agent, as applicable, hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent or Canadian Administrative Agent, as applicable, and the retiring Administrative Agent or Canadian Administrative Agent, as applicable, shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent or Canadian Administrative Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After an Administrative Agent or Canadian Administrative Agent, as applicable, resigns hereunder, the provisions of this Article, Section 2.17(d) and Section 9.03 shall continue in effect for the benefit of such retiring Person, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent.

Each Lender and Issuing Bank acknowledges that it has, independently and without reliance upon either of the Administrative Agents, the Arrangers, any Lender or any Issuing Bank, the Debtors' Investment Banker or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and Issuing Bank also acknowledges that it will, independently and without reliance upon either of the Administrative Agents, the Arrangers, any Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

The Loan Parties acknowledge and agree that the Administrative Agent may prepare and distribute to the Lenders Reports containing information obtained by the Administrative Agent through the exercise of its inspection rights under Section 5.09. Each Lender hereby agrees that (a) it has requested a copy of each Report prepared by or on behalf of the Administrative Agent; (b) the Administrative Agent (i) makes no representation or warranty, express or implied, as to the completeness or accuracy of any Report or any of the information contained therein or any inaccuracy or omission contained in or relating to a Report and (ii) shall not be liable for any information contained in any Report; (c) the Reports are not comprehensive audits or examinations and that the Administrative Agent undertakes no obligation to update, correct or supplement the Reports; (d) it will keep all Reports confidential and strictly for its internal use, not share the Report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (e) without limiting the generality of any other indemnification provision contained in this Agreement, it will pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Person preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorney fees) incurred by as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

To the extent required by any applicable laws (as determined in good faith by the Administrative Agents), the Administrative Agents may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify and hold harmless the Administrative Agents against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agents) incurred by or asserted against the Administrative Agents by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agents to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agents of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agents shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agents under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agents, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

The provisions of this Article are solely for the benefit of each of the Agents, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrowers' rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrowers or any other Loan Party shall have any rights as a third party beneficiary of any such provisions. Each Lender Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Loan Guarantee provided under the Loan Documents, to have agreed to the provisions of this Article.

Notwithstanding anything herein to the contrary, none of the Arrangers, any Person named on the cover page of this Agreement as a Co-Syndication Agent or a Co-Documentation Agent and the Debtors' Investment Banker shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities to the extent referenced and provided for hereunder.

(v) if to any other Lender, to it at its address or electronic transmission address set forth in its Administrative Questionnaire.

All such notices and other communications (i) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received, (ii) sent by electronic transmission shall be deemed to have been given when sent (or, if not given during normal business hours for the recipient, at the opening of business on the next Business Day for the recipient) and (iii) delivered through electronic communications to the extent provided in paragraph (b) of this Section shall be effective as provided in such paragraph.

(b) Notices and other communications to the Lenders and Issuing Banks hereunder may be delivered or furnished by electronic communications (including e-mail and internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices under Article II to any Lender or Issuing Bank if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by return e-mail or other written acknowledgement), provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or electronic transmission address for notices and other communications hereunder by notice to the other parties hereto.

(d) The Loan Parties agree that the Administrative Agent and the Canadian Administrative Agent may, but shall not be obligated to, make any Communication by posting such Communication on Debt Domain, Intralinks, Syndtrak or a similar electronic transmission system (the "Platform"). The

Platform is provided “as is” and “as available.” Neither of the Administrative Agents nor any of their Related Parties warrants, or shall be deemed to warrant, the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made, or shall be deemed to be made, by either of the Administrative Agents or any of their Related Parties in connection with the Communications or the Platform.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Canadian Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Sections 5.16, 9.02(e) and 9.18 (and, except as specifically provided in any Loan Document with respect to the Schedule thereto), and subject to Section 2.14(c), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or (ii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent (if a party to the original agreement), the Canadian Administrative Agent (if a party to the original agreement) and the Loan Party or Loan Parties that are parties thereto, with the consent of the Required Lenders; provided that (A) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrowers, the Administrative Agent and the Canadian Administrative Agent to cure any technical error, ambiguity, omission, defect or inconsistency so long as, in each case, the Lenders shall have received at least five (5) Business Days’ prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment and (B) no such agreement shall (1) increase the Revolving Commitment of any Lender without the written consent of such Lender (provided that the Applicable Administrative Agent may make Protective Advances and Overadvances as set forth in Section 2.04 or 2.05, as applicable), (2) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder, without the written consent of each Lender directly affected thereby, (3) postpone any scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any date for the payment of any interest, fees or other Obligations payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Revolving Commitment, without the written consent of each Lender directly affected thereby, (4) change Section 2.18(b) or 2.18(d) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender, (5) increase the advance rates set forth in the definition of U.S. Borrowing Base or Canadian Borrowing Base or add new categories of eligible assets, without the written consent of the each Lender,

(6) change any of the provisions of this Section or the percentage set forth in the definition of the term “Required Lenders” or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, (7) change Section 2.20 without the consent of each Lender (other than any Defaulting Lender) adversely affected thereby, (8) release all or substantially all of the value of the Loan Guarantee (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender, or (9) except as provided in paragraph (c) of this Section or in any Collateral Document, release all or substantially all of the Collateral without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or the Swingline Lender hereunder or under any other Loan Document without the prior written consent of the Administrative Agent, the Canadian Administrative Agent such Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.20 shall require the consent of the Administrative Agent, the Canadian Administrative Agent, the Swingline Lender and each Issuing Bank).

(c) The Lenders and the Issuing Banks hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, (i) to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (A) upon the termination of (x) all the Revolving Commitments, payment and satisfaction in full in cash of all Obligations (other than Unliquidated Obligations) and the cash collateralization of all Unliquidated Obligations in respect of Letters of Credit in a manner satisfactory to each applicable Issuing Bank and the Administrative Agent and (y) solely in the case of the Canadian Collateral, upon termination in full of all the Canadian Commitments and payment and satisfaction in full in cash of all Canadian Obligations (other than Unliquidated Obligations) and the cash collateralization of all Canadian Letters of Credit in a manner satisfactory to each applicable Issuing Bank and the Administrative Agent, (B) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interest of a Subsidiary, the Administrative Agent is authorized to release any Loan Guarantee provided by such Subsidiary, (C) constituting property leased to a Loan Party under a lease which has expired or been terminated in a transaction not prohibited under this Agreement, (D) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII and (E) constituting property of a Loan Guarantor that is being released as a Loan Guarantor (and, in the case of a U.S. Subsidiary Borrower, as a U.S. Subsidiary Borrower) as provided below and (ii) to release any Loan Guarantee provided by any U.S. Subsidiary Borrower or Canadian Loan Party that is (A) dissolved pursuant to Section 6.03(a)(iv) in connection with a voluntary liquidation or dissolution thereof permitted by such Section, (B) upon the disposition of all of the outstanding Equity Interests of a Subsidiary of the Borrower (other than the Canadian Borrower) to a Person other than the Borrower or a Subsidiary in a transaction permitted by Section 6.05, (C) [reserved] or (D) in the case of the Canadian Loan Parties, upon any release of all the Canadian Collateral pursuant to clause (i)(A) above and, in connection therewith, to release any Liens granted to the Administrative Agent by such Subsidiary on any Collateral, if the U.S. Borrower certifies to the Administrative Agent that such liquidation or dissolution is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry). The Lenders and the Issuing Banks hereby further irrevocably authorize the release or subordination of Liens on the Term Priority Collateral as provided in the Intercreditor Agreement. Any such release or subordination shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender affected thereby,” the consents of Lenders having Credit Exposure and unused Revolving Commitments representing more than 66% of the sum of the total Credit Exposure and unused Revolving Commitments at such time are obtained, but the consents of other necessary Lenders are not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower Representative may elect to replace any Non-Consenting Lender as a Lender party to this Agreement; provided that, concurrently with such replacement, (i) an Eligible Assignee which is reasonably satisfactory to the Borrower Representative and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of paragraph (b) of Section 9.04, and (ii) the applicable Borrower(s) shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (A) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by such Borrowers hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (B) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(e) Notwithstanding the foregoing, Exhibit G to this Agreement, the definitions of “Exit Facility Agreement” and “Exit Facility Term Sheet” and Section 2.23 (or any other provision which would result in an amendment, restatement, waiver or modification of any of the foregoing) may be amended, restated, waived or otherwise modified with the prior written consent of the Lenders, the Administrative Agent and the Borrower Representative; provided that the Lenders hereby authorize the Administrative Agent to enter into any amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to give effect to the transaction contemplated by Section 2.23 and such other technical or immaterial amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower Representative in connection therewith.

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Canadian Administrative Agent, the Arrangers and their respective Affiliates, including the reasonable and documented fees, charges and disbursements of one primary U.S. and one primary Canadian counsel for the Administrative Agent, the Canadian Administrative Agent, the Arrangers and their Affiliates, and if deemed necessary by the Administrative Agent, one local counsel in each applicable jurisdiction, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facility provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Canadian Administrative Agent, the Arrangers, any Issuing Bank or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Canadian Administrative Agent, the Arrangers, any Issuing Bank or any Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in

respect of such Loans or Letters of Credit. Subject to the provisions of Sections 5.09, expenses subject to reimbursement by the Borrowers under this Section include, without limiting the generality of the foregoing, reasonable and documented out-of-pocket costs and expenses incurred in connection with:

- (i) insurance reviews;
- (ii) [reserved];
- (iii) taxes, fees and other charges for (A) lien searches and (B) filing financing statements and continuations, and other actions to perfect, protect, and continue the Administrative Agent's Liens;
- (iv) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and
- (v) forwarding loan proceeds, collecting checks and other items of payment, and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral.

All of the foregoing costs and expenses may be charged to the applicable Borrower(s) as Revolving Loans or to another deposit account, all as described in Section 2.18(c).

(b) The Borrowers agree, jointly and severally, to indemnify the Administrative Agent (or any sub-agent thereof), the Canadian Administrative Agent (or any sub-agent thereof), the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnatee"), against, and hold each Indemnatee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnatee, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of (i) syndication of the credit facility provided for herein and the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on at, under, to or from any property currently or formerly owned or operated by the any Loan Party or any of the Subsidiaries, or any other Environmental Liability related in any way to any Loan Party or any of the Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether such proceeding is initiated against or by any party to this Agreement, or any Affiliate thereof, by an Indemnatee or any third party or whether any Indemnatee is a party thereto; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses (A) are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnatee or (B) have arisen from a proceeding by an Indemnatee against another Indemnatee not involving any act or omission of the Parent or any Subsidiary (other than a proceeding against the Administrative Agent, any Arranger or an Issuing Bank in its capacity or in fulfilling its role as such). This Section 9.03(b) shall not apply to any Taxes (other than any Taxes that represent losses, claims, damages or related expenses arising from any non-Tax claim).

(c) To the extent the Borrowers fail to pay any amount required to be paid by them to the Administrative Agent (or any sub-agent thereof), the Canadian Administrative Agent (or any sub-agent thereof), any Issuing Bank or the Swingline Lender, or any Related Party of any of the foregoing, under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, the Canadian Administrative Agent, such Issuing Bank, Swingline Lender or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or such sub-agent), the Canadian Administrative Agent (or such sub-agent), such Issuing Bank or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Canadian Administrative Agent (or any such sub-agent), any Issuing Bank or the Swingline Lender in connection with such capacity.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet) or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 10 days after written demand therefor.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Debtors' Investment Banker (to the extent provided in Article VIII), the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents and, to the extent expressly contemplated hereby, the sub-agents of the Administrative Agent and the Canadian Administrative Agent and the Related Parties of any of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower Representative; provided that no consent of the Borrower Representative shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under clause (a) or (b) of Article VII has occurred and is

continuing, any other assignee; provided further that the Borrower Representative shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof;

(B) the Administrative Agent;

(C) the Swingline Lender under any Facility under which a Revolving Commitment is being assigned; and

(D) each Issuing Bank under any Facility under which a Revolving Commitment is being assigned.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment or Loans under a Facility, the amount of the Revolving Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower Representative and the Administrative Agent otherwise consent; provided that no such consent of the Borrower Representative shall be required if an Event of Default under clause (a) or (b) of Article VII has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all lender-group-level information (which may contain material non-public information about the U.S. Borrower, the Subsidiaries and other Affiliates thereof or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including federal, state, provincial, territorial and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Applicable Administrative Agent, acting solely for this purpose as non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time under each Facility (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05, 2.06(d) or (e), 2.07(b), the ninth paragraph of Article VI or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more Eligible Assignees (“Participants”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under the Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(e) (it being understood that the documentation required under Section 2.17(e) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (x) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (y) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.16(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register for the recordation of the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Revolving Commitments or Revolving Loans or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Revolving Commitment or Revolving Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrower and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agents (in their capacity as Administrative Agents) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Revolving Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Revolving Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and the Canadian Administrative Agent and when the Administrative Agent and the Canadian Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Delivery of an executed counterpart of a signature

page of this Agreement by electronic transmission or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized (notwithstanding the provisions of Section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order from, the Court) at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust and tax accounts) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of any Borrower or any Loan Guarantor against any of and all the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured. The applicable Lender shall notify the Borrower Representative and the Administrative Agent of such setoff or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set off or application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09 Governing Law: Jurisdiction; Consent to Service of Process.

(a) EXCEPT TO THE EXTENT SUPERSEDED BY THE BANKRUPTCY CODE, THE LOAN DOCUMENTS (OTHER THAN THOSE CONTAINING A CONTRARY EXPRESS CHOICE OF LAW PROVISION) SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS; PROVIDED THAT APPOINTMENT OF THE APPLICABLE ADMINISTRATIVE AGENT AS *FONDÉ DE POUVOIR* IN ACCORDANCE WITH ARTICLE VIII SHALL BE GOVERNED BY THE LAWS OF THE PROVINCE OF QUEBEC.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of the Court or the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each Loan Party hereby irrevocably and unconditionally agrees that all claims arising out of or relating to this Agreement or any other Loan Document brought by it or any of its Affiliates shall be brought, and shall be heard and determined, in the Court, such New York State or, to the extent permitted by law, in such Federal court. Each party hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any

court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality. Each of the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below) with the same degree of care that it uses to protect its own confidential information, but in no event less than a commercially reasonable degree of care, except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to any Loan Party or any Subsidiary or its obligations, (g) on a confidential basis to any rating agency in connection with rating the Borrowers or the Subsidiaries or the credit facilities provided for herein, (h) with the consent of the Borrower Representative, or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender, or any Affiliate of any of the foregoing, on a non-confidential basis from a source other than the Borrowers; provided that, in the case of clause (c) above, the party disclosing such information shall provide to the Borrower Representative prior written notice of such disclosure to the extent permitted by applicable law (and to the extent commercially feasible under the circumstances) and shall cooperate with the Borrower Representative, at the Borrower Representative's sole expense, in obtaining a protective order for, or other

confidential treatment of, such disclosure, in each case at the Borrower Representative's sole expense. For the purposes of this Section, "Information" means all information received from the Borrowers relating to Parent or any Subsidiary or their businesses or the Collateral, other than any such information that is available to the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender, or any Affiliate of any of the foregoing, on a non-confidential basis prior to disclosure by the Borrowers; provided that, in the case of information received from the Borrowers after the Effective Date, such information is clearly identified at the time of delivery as confidential.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING PARENT, THE SUBSIDIARIES AND ITS OTHER AFFILIATES AND THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE APPLICABLE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE LENDER-GROUP-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION CONCERNING PARENT, THE SUBSIDIARIES AND ITS OTHER AFFILIATES AND THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE APPLICABLE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN SUCH MATERIAL NONPUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Anything contained in this Agreement to the contrary notwithstanding, neither any Issuing Bank nor any Lender shall be obligated to extend credit to the Borrowers in violation of applicable law.

SECTION 9.14 USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Borrowers and the Loan Guarantors that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers and the Loan Guarantors, which information includes the names and addresses of the Borrowers and the Loan Guarantors and other information that will allow such Lender to identify the Borrowers and the Loan Guarantors in accordance with the Patriot Act.

SECTION 9.15 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Lenders, in assets which, in accordance with Article 9 of the UCC, the PPSA or any other applicable law can be perfected only by possession. Should any Lender (other than the Administrative Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

SECTION 9.16 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.17 No Fiduciary Relationship. Each Loan Party, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Loan Parties, the Subsidiaries and their other respective Affiliates, on the one hand, and the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Loan Parties, the Subsidiaries and their other respective Affiliates, and none of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks or their Affiliates has any obligation to disclose any of such interests to the Loan Parties, the Subsidiaries or their other respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby agrees not to assert any claims against the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates based on any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.18 Intercreditor Agreement. The Lenders and the Issuing Banks acknowledge that the obligations of the U.S. Borrowers under the Term Credit Agreement are secured by Liens on assets of the U.S. Borrowers that constitute Collateral and that the relative Lien priority and other creditor rights of the Lender Parties hereunder and the secured parties under the Term Credit Agreement will be set forth in the Intercreditor Agreement. Each Lender and Issuing Bank hereby acknowledges that it has received a copy of the Intercreditor Agreement and the Intercreditor Acknowledgment. Each Lender and Issuing Bank hereby irrevocably (a) consents to the subordination of the Liens on the Term Priority Collateral securing the Secured Obligations on the terms set forth in the Intercreditor Agreement, (b) authorizes and directs the Administrative Agent to execute and deliver the Intercreditor Agreement, the Intercreditor Acknowledgment and any documents relating thereto, in each case on behalf of such Lender or Issuing Bank and without any further consent, authorization or other action by such Lender or Issuing Bank, (c) agrees that, upon the execution and delivery thereof, such Lender or Issuing Bank will be bound by the provisions of the Intercreditor Agreement as if it were a signatory thereto and will take no actions contrary to the provisions of the Intercreditor Agreement and (d) agrees that no Lender or Issuing Bank shall have any right of action whatsoever against the Administrative Agent as a result of any action taken by the Administrative Agent pursuant to this Section or in accordance with the terms of the Intercreditor Agreement. Each Lender and Issuing Bank hereby further irrevocably authorizes and directs the

Administrative Agent (i) to take such actions as shall be required to release Liens on the Collateral in accordance with the terms of the Intercreditor Agreement and (ii) to enter into such amendments, supplements or other modifications to the Intercreditor Agreement and the Intercreditor Acknowledgment in connection with any extension, renewal, refinancing or replacement of any Secured Obligations or the Term Credit Agreement as are reasonably acceptable to the Administrative Agent to give effect thereto, in each case on behalf of such Lender or Issuing Bank and without any further consent, authorization or other action by such Lender or Issuing Bank. The Administrative Agent shall have the benefit of the provisions of Article VIII with respect to all actions taken by it pursuant to this Section or in accordance with the terms of the Intercreditor Agreement to the full extent thereof. The foregoing provisions are intended as an inducement to the secured parties under the Term Credit Agreement to extend credit to the U.S. Borrowers and such secured parties are intended third party beneficiaries of such provisions.

SECTION 9.19 [Reserved.]

SECTION 9.20 Anti-Money Laundering Legislation.

(a) Each Loan Party acknowledges that, pursuant to the Proceeds of Crime Act and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws in each relevant jurisdiction (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Administrative Agent, the Canadian Administrative Agent, the Lenders and the Issuing Banks may be required to obtain, verify and record information regarding the Loan Parties and their respective directors, authorized signing officers and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or any prospective assignee or participant of a Lender, any Issuing Bank, the Administrative Agent or the Canadian Administrative Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent or Canadian Administrative Agent has ascertained the identity of any Loan Party or any authorized signatories of such Loan Party for the purposes of applicable AML Legislation, then the Administrative Agent or Canadian Administrative Agent:

(i) shall be deemed to have done so as an agent for each Issuing Bank and each Lender, and this Agreement shall constitute a “written agreement” in such regard between such Issuing Bank or such Lender and the Administrative Agent or Canadian Administrative Agent within the meaning of the applicable AML Legislation; and

(ii) shall provide to each Issuing Bank and each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender and each Issuing Bank agrees that neither the Administrative Agent nor the Canadian Administrative Agent have any obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender or Issuing Bank, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

SECTION 9.21 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. Each Loan Party agrees that its obligation in respect of any Original Currency due from it

hereunder shall, notwithstanding any judgment or payment in any Second Currency, be discharged only to the extent that, on the Business Day following the date the Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased, or that could have been so purchased, is less than the amount originally due in the Original Currency after any premium and costs of exchange payable in connection with such purchase, each Loan Party agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Administrative Agent against such loss.

SECTION 9.22 Waiver of Immunity. To the extent that any Loan Party has, or hereafter may be entitled to claim or may acquire, for itself, any Collateral or other assets of the Loan Parties, any immunity (whether sovereign or otherwise) from suit, jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution or otherwise) with respect to itself, any Collateral or any other assets of the Loan Parties, such Loan Party hereby waives such immunity in respect of its obligations hereunder and under any promissory notes evidencing the Loans hereunder and any other Loan Document to the fullest extent permitted by applicable law and, without limiting the generality of the foregoing, agrees that the waivers set forth in this Section shall be effective to the fullest extent now or hereafter permitted under the Foreign Sovereign Immunities Act of 1976 (as amended, and together with any successor legislation) and are, and are intended to be, irrevocable for purposes thereof.

SECTION 9.23 Process Agent. Each Canadian Loan Party hereby irrevocably designates and appoints the Borrower Representative, in the case of any suit, action or proceeding brought in the United States as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents that may be served in any action or proceeding arising out of or in connection with this Agreement or any other Loan Document. Such service may be made by mailing (by registered or certified mail, postage prepaid) or delivering a copy of such process to such Canadian Loan Party in care of the Borrower Representative at the Borrower Representative's address set forth in Section 9.01, and each such Canadian Loan Party hereby irrevocably authorizes and directs the Borrower Representative to accept such service on its behalf. As an alternative method of service, each Canadian Loan Party irrevocably consents to the service of any and all process in any such action or proceeding by the mailing (by registered or certified mail, postage prepaid) of copies of such process to the Borrower Representative or such Canadian Loan Party at its address specified in Section 9.01. Each Canadian Loan Party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

SECTION 9.24 Acknowledgement and Consent to Bail-In. Notwithstanding anything to the contrary in any Loan Document or in any related agreement, arrangement or understanding among the parties hereto, each party hereto acknowledges that any liability of any party to any other party under or in connection with the Loan Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and

(iii) a cancellation of any such liability; and

(b) a variation of any term of any Loan Document to the extent necessary to give effect to any Bail-In Action in relation to any such liability.

ARTICLE X

Loan Guarantee

SECTION 10.01 Guarantee. Each Borrower and each other Loan Party hereby agrees that it is jointly and severally liable for, and absolutely, irrevocably and unconditionally guarantees to the Administrative Agent, the Canadian Administrative Agent, the Lenders, the Issuing Banks and the other Lender Parties the prompt payment and performance when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations and all reasonable costs and expenses including, without limitation, all court costs and attorneys' and paralegals' fees and expenses paid or incurred by the Administrative Agent, the Issuing Banks and the Lenders in endeavoring to collect all or any part of the Secured Obligations from, or in prosecuting any action against, any Borrower, any Loan Guarantor or any other guarantor of all or any part of the Secured Obligations (such costs and expenses, together with the Secured Obligations, being collectively called the "Guaranteed Obligations"). Each Borrower and each other Loan Party further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Guarantee apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of any Lender or Issuing Bank that extended any portion of the Guaranteed Obligations.

SECTION 10.02 Guarantee of Payment. This Guarantee is a Guarantee of payment and not of collection. Each Borrower and each other Loan Party waives any right to require the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party to sue any Borrower, any other Borrower, any other guarantor, or any other Person obligated for all or any part of the Guaranteed Obligations (each, a "Obligated Party"), or to enforce its rights against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 10.03 No Discharge or Diminishment of Guarantee.

(a) Except as otherwise provided for herein, the obligations of each Borrower and each other Loan Party hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any other Loan Party or any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party or its assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other right which any Borrower may have at any time against any Obligated Party, the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender, or any other Person, whether in connection herewith or in any unrelated transaction.

(b) The obligations of each Borrower and each other Loan Party hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of

applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Borrower and each other Loan Party hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection or invalidity of any indirect or direct security for the obligations of any Borrower for all or any part of the Guaranteed Obligations or any obligations of any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Borrower, such other Loan Party or that would otherwise operate as a discharge of any Borrower as a matter of law or equity (other than the payment in full in cash of the Guaranteed Obligations).

SECTION 10.04 Defenses Waived. To the fullest extent permitted by applicable law, each Borrower and each other Loan Party hereby waives any defense based on or arising out of any defense of any Borrower or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of any Borrower or such other Loan Party, other than the payment in full in cash of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Borrower and each other Loan Party irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party or any other Person. Each Borrower and each other Loan Party confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Administrative Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Borrower or such other Loan Party under this Guarantee except to the extent the Guaranteed Obligations have been fully and paid in cash. To the fullest extent permitted by applicable law, each Borrower and each other Loan Party waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Borrower or of any other Loan Party against any Obligated Party or any security.

SECTION 10.05 Rights of Subrogation. No Loan Party will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party, or any Collateral, until the Loan Parties have fully performed all their obligations to the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks, the Lenders and the other Lender Parties.

SECTION 10.06 Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower, any other Loan Party or otherwise, such Borrower's and such other Loan Party's obligations under this Guarantee with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Administrative Agent, the

Canadian Administrative Agent, the Issuing Banks, the Lenders or the other Lender Parties are in possession of this Guarantee. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower or any other Loan Party, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Borrowers forthwith on demand by the Administrative Agent.

SECTION 10.07 Information. Each Borrower and each other Loan Party assumes all responsibility for being and keeping itself informed of the other Borrowers' financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Borrower assumes and incurs under this Guarantee, and agrees that none of the Administrative Agent, any Issuing Bank or any Lender shall have any duty to advise any Borrower of information known to it regarding those circumstances or risks.

SECTION 10.08 Taxes. The provisions of Section 2.17 shall apply mutatis mutandis to all payments by the Borrowers of the Guaranteed Obligations.

SECTION 10.09 Maximum Liability. The provisions of this Guarantee are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Borrower under this Guarantee would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Borrower's liability under this Guarantee, then, notwithstanding any other provision of this Guarantee to the contrary, the amount of such liability shall, without any further action by the Borrower or the Lenders, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Borrower's "Maximum Liability"). This Section with respect to the Maximum Liability of each Borrower is intended solely to preserve the rights of the Lenders to the maximum extent not subject to avoidance under applicable law, and no Borrower nor any other Person or entity shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Borrower hereunder shall not be rendered voidable under applicable law. Each Borrower agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Borrower without impairing this Guarantee or affecting the rights and remedies of the Lenders hereunder; provided that nothing in this sentence shall be construed to increase any Borrower's obligations hereunder beyond its Maximum Liability.

SECTION 10.10 Contribution. In the event any Borrower (a "Paying Borrower") shall make any payment or payments under this Guarantee or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Guarantee, each other Borrower (each a "Non-Paying Borrower") shall contribute to such Paying Borrower an amount equal to such Non-Paying Borrower's Applicable Share of such payment or payments made, or losses suffered, by such Paying Borrower. For purposes of this Section, each Non-Paying Borrower's "Applicable Share" with respect to any such payment or loss by a Paying Borrower shall be determined as of the date on which such payment or loss was made by reference to the ratio of (a) such Non-Paying Borrower's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Borrower's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Borrower from the other Borrowers after the Effective Date (whether by loan, capital infusion or by other means) to (b) the aggregate Maximum Liability of all Borrowers hereunder (including such Paying Borrower) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Borrower, the aggregate amount of all monies received by such Borrowers from the other Borrowers after the Effective Date (whether by loan, capital infusion or by other means).

Nothing in this provision shall affect any Borrower's several liability for the entire amount of the Guaranteed Obligations (up to such Borrower's Maximum Liability). Each of the Borrowers covenants and agrees that its right to receive any contribution under this Guarantee from a Non-Paying Borrower shall be subordinate and junior in right of payment to the payment in full in cash of the Guaranteed Obligations. This provision is for the benefit of both the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks, the Lenders and the Borrowers and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

SECTION 10.11 Liability Cumulative. The liability of each Borrower and each other Loan Party under this Article X is in addition to and shall be cumulative with all other liabilities of each Borrower and each other Loan Party to the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders under this Agreement and the other Loan Documents to which such Borrower or such other Loan Party is a party or in respect of any obligations or liabilities of the other Borrowers or other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

ARTICLE XI

[Reserved.]

ARTICLE XII

The Borrower Representative

SECTION 12.01 Appointment; Nature of Relationship. The Company is hereby appointed by each of the Borrowers as its contractual representative (herein referred to as the "Borrower Representative") hereunder and under each other Loan Document, and each of the Borrowers irrevocably authorizes the Borrower Representative to act as the contractual representative of such Borrower with the rights and duties expressly set forth herein and in the other Loan Documents. The Borrower Representative agrees to act as such contractual representative upon the express conditions contained in this Article XII. Additionally, the Borrowers hereby appoint the Borrower Representative as their agent to receive all of the proceeds of the Loans in the Funding Account(s), at which time the Borrower Representative shall promptly disburse such Loans to the appropriate Borrower. The Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders, and their respective Related Parties, shall not be liable to the Borrower Representative or any Borrower for any action taken or omitted to be taken by the Borrower Representative or the Borrowers pursuant to this Section.

SECTION 12.02 Powers. The Borrower Representative shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Borrower Representative by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Borrower Representative shall have no implied duties to the Borrowers, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Borrower Representative.

SECTION 12.03 Employment of Agents. The Borrower Representative may execute any of its duties as the Borrower Representative hereunder and under any other Loan Document by or through authorized officers.

SECTION 12.04 Notices. Each Borrower shall immediately notify the Borrower Representative of the occurrence of any Default hereunder referring to this Agreement describing such Default and stating that such notice is a "notice of default." In the event that the Borrower Representative

receives such a notice, the Borrower Representative shall give prompt notice thereof to the Administrative Agent and the Lenders. Any notice provided to the Borrower Representative hereunder shall constitute notice to each Borrower on the date received by the Borrower Representative.

SECTION 12.05 Successor Borrower Representative. Upon the prior written consent of the Administrative Agent, the Borrower Representative may resign at any time, such resignation to be effective upon the appointment of a successor Borrower Representative. The Administrative Agent shall give prompt written notice of such resignation to the Lenders.

SECTION 12.06 Execution of Loan Documents; Borrowing Base Certificate. The Borrowers hereby empower and authorize the Borrower Representative, on behalf of the Borrowers, to execute and deliver to the Administrative Agent, the Canadian Administrative Agent and the Lenders the Loan Documents and all related agreements, certificates, documents, or instruments as shall be necessary or appropriate to effect the purposes of the Loan Documents, including without limitation, the Borrowing Base Certificates and the Compliance Certificates. Each Borrower agrees that any action taken by the Borrower Representative or the Borrowers in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Borrower Representative of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers.

SECTION 12.07 Reporting. Each Borrower hereby agrees that such Borrower shall furnish promptly after each fiscal month to the Borrower Representative any certificate or report requested by the Borrower Representative, on which the Borrower Representative shall rely to prepare the Borrowing Base Certificates and Compliance Certificates required pursuant to the provisions of this Agreement.
