Dear Honourable Associate Chief Justice Jaimeson:

Re: **Spring Loaded Technology Incorporated – Companies' Creditors Arrangement Act (R.S.C., 1985, c. C-36)**

We are counsel for Spring Loaded Technology Incorporated (the "**Company**"). The Company hereby makes an application for creditor protection under section 11 of the *Companies' Creditors Arrangement Act* (R.S.C., 1985, c. C-36) (the "**CCAA**").

The Company is in the business of developing bionic knee braces and is facing a significant liquidity issue. The Company does not have the financial liquidity to make its payroll commitments on 27 January. Further, the Company must make certain critical payments required to be made to health regulators to maintain operations by the end of January 2026. Failure to maintain payroll or its payments to the health regulator may result in the Company ceasing operations, all employees being terminated and the Company's ability to sell its medical products being jeopardized. The Company is in immediate need of protection under the CCAA from its creditors. In addition, the Company needs to receive debtor-in-possession financing to fund payroll and critical operational payments.

We are here requesting a time for an on notice hearing before the Supreme Court of Nova Scotia on or before 26 January 2026.
