AFFIDAVIT OF HOLLY ETLIN
(Affirmed on September 14, 2020)

I, **HOLLY ETLIN**, of the City and State of New York, United States of America (the
"U.S."), **AFFIRM AND SAY:**

1. I am a Managing Director at AlixPartners LLP ("**AlixPartners**"), which has been retained
as financial advisor those companies listed at **Schedule "A"** hereof (the "**Chapter 11 Debtors**").
In addition, since July 2020, I also act as the Chief Restructuring Officer of the ultimate
shareholder of the Chapter 11 Debtors, Tailored Brands, Inc..

2. The facts set forth in this Affidavit are based upon my personal knowledge, my review of
relevant documents and information provided to me by employees working under my
supervision or my opinion based upon my experience, knowledge and information concerning
the operations of Tailored Brands and that of its direct and indirect subsidiaries which include
the Chapter 11 Debtors (collectively, the "**Tailored Brands Group**" or the "**Company**") and the
industry in which the Tailored Brands Group operates its business. Where I do not possess such
personal knowledge, I have stated the source of my information and, in all such cases, do
believe such information to be true.

3. I affirm the present affidavit in support of the motion (the “**Motion**”) filed by Moores The Suit People Corp (“**Moores Suit**”), in its capacity as the foreign representative of the Chapter 11 Debtors, pursuant to Part IV of the *Companies’ Creditors Arrangement Act*, RSC 1985, c C-36, as amended (the “**CCAA**”), seeking the issuance of an order recognizing and giving full force and effect in all provinces and territories of Canada to certain orders (collectively, the “**US Orders**”) recently rendered by the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “**US Bankruptcy Court**”) in the context of the proceedings (the “**Chapter 11 Proceedings**”) commenced by the Chapter 11 Debtors, including Moores Suit, under chapter 11 of title 11 of the United States Code (the “**US Bankruptcy Code**”).

A. BACKGROUND

4. The factual background which led to the filing of the present recognition proceedings is described in greater detail in my affidavit sworn on August 4, 2020 (the “**August 4, 2020 Etlin Affidavit**”),¹ as well as in the Pre-Filing Report, the First Report and the Second Report of the information officer appointed by this Court, Grant Thornton Limited (“**GT**” or the “**Information Officer**”), each filed in the Court record.

5. All capitalized terms used but not otherwise defined in this Affidavit shall have the meaning ascribed to such terms in the August 4, 2020 Etlin Affidavit.

6. On August 2, 2020 (the “**Petition Date**”), each of the Chapter 11 Debtors filed voluntary petitions (the “**Petitions**”) for relief under the US Bankruptcy Code with the US Bankruptcy Court.

7. Contemporaneously with or shortly following the filing of the Petitions and the commencement of the Chapter 11 Proceedings, the Chapter 11 Debtors filed first day motions

¹ All capitalized terms not otherwise defined herein have the same meaning ascribed to them in the August 4, 2020 Etlin Affidavit.

(the “**First Day Motions**”) with the US Bankruptcy Court for the issuance of various orders (the “**First Day Orders**”). In accordance with the US Bankruptcy Code, certain of the First Day Orders were sought by the Chapter 11 Debtors on an interim basis (the “**Interim First Day Orders**”) with the expectation, should the US Bankruptcy Court grant the Interim First Day Orders, that the Chapter 11 Debtors would return before the US Bankruptcy Court to seek the issuance of final First Day Orders (the “**Final First Day Orders**”).

8. On August 3, 2020 and on August 4, 2020, the US Bankruptcy Court entered certain First Day Orders, including the Interim First Day Orders, which First Day Orders were attached at Exhibit “F” to the August 4, 2020 Etlin Affidavit and at Exhibit “J” to my supplemental affidavit sworn on August 5, 2020 in support of the Initial Application (as defined below). Pursuant to the *Order Authorizing Moores the Suit People Corp. to Act as Foreign Representative Pursuant to 11 U.S.C. § 1505*, issued by the US Bankruptcy Court, Moores Suit was appointed as the foreign representative for the Chapter 11 Debtors.

9. Following the commencement of the Chapter 11 Proceedings and the issuance by the US Bankruptcy Court of the First Day Orders, on August 4, 2020, Moores Suit, in its capacity as foreign representative of the Chapter 11 Debtors, commenced the present recognition proceedings under Part IV of the CCAA, to seek the issuance of an Initial Recognition Order (the “**Initial Recognition Order**”) and a Supplemental Order (the “**Supplemental Order**”, and collectively with the Initial Recognition Order, the “**Initial Orders**”) by filing and serving its initial application (the “**Initial Application**”).

10. On August 5, 2020, the Ontario Superior Court of Justice (Commercial Division) (the “**Court**”) rendered the Initial Orders which, *inter alia*:

- (a) recognized the Chapter 11 Proceedings as a “*foreign main proceeding*” under the CCAA;

- (b) declared that Moores Suit was a “*foreign representative*” as defined in s. 45 of the CCAA in respect of the Chapter 11 Proceedings ;
- (c) recognized and gave full force and effect in all provinces and territories of Canada to some of the First Day Orders rendered in the Chapter 11 Proceedings, including the Interim DIP Order;
- (d) granted a broad stay of proceedings in Canada in respect of the Chapter 11 Debtors, including Moores Suit, until otherwise ordered by the Court;
- (e) granted an Administration Charge and a DIP Lenders’ Charge on the property of the Chapter 11 Debtors in Canada; and
- (f) appointed GT as the information officer in connection with these proceedings.

11. As part of the Supplemental Order, however, the Court ordered that a “*comeback hearing*” take place on August 14, 2020 (the “**Comeback Hearing**”), with any party wishing to file an motion to vary the Initial Orders by no later than 3 business before the Comeback Hearing.

12. On August 14, 2020, the Comeback Hearing took place, and an amended and restated Supplemental Order was rendered by this Court.

B. THE US ORDERS

13. As mentioned above, following the issuance by the US Bankruptcy Court of the Interim First Day Orders in the Chapter 11 Proceedings, the Chapter 11 Debtors sought the issuance of the Final First Day Orders from the US Bankruptcy Court. These Final First Day Orders are substantially in the form of the Interim First Day Orders.

14. On August 7, August 27, August 31, September 2, September 3 and September 10, 2020, the US Bankruptcy Court granted various other orders sought by the Chapter 11 Debtors in the Chapter 11 Proceedings (collectively, the “**US Orders**”), the recognition of which is now sought in Canada by the Foreign Representative, namely:

- (a) the Utilities Order;

- (b) the Final DIP Order;
- (c) the Final Surety Bond order;
- (d) the Final NOL Order;
- (e) the Final Cash Management Order;
- (f) the Final Critical Vendor Order;
- (g) the Final Lien Holder Order;
- (h) the Sell Down Order;
- (i) the Assumption and Rejection Procedures Order;
- (j) the Order pursuant to S. 365(d)(4) of the US Bankruptcy Code;
- (k) the Omnibus Lease Rejection Order;
- (l) the Interim Compensation Order;
- (m) the Ordinary Course Professionals Order; and
- (n) the Tax Election Order.

Copies of the above US Orders are included in a Compendium of US Orders made in the Chapter 11 Proceedings (the “**US Orders Compendium**”), attached hereto as **Exhibit “A”**.

15. Included in the US Orders Compendium is an Order (i) *Approving the Debtors’ Proposed Adequate Assurance of Payment for Future Utility Services* (ii) *Prohibiting Utility Providers from Altering, Refusing, or Discontinuing Utility Services*, (iii) *Establishing Procedures for Determining Adequate Assurance of Payment*, (iv) *Authorizing Certain Fee Payments for Services Performed*, and (v) *Requiring Utility Providers to Return Deposits for Utility Services No Longer In Use* (the “**Utilities Order**”), which was rendered by the US Bankruptcy Court on August 7, 2020 (i.e. after the issuance of the Initial Orders), and which Moores Suit is seeking the

recognition thereof by this Court. The Utilities Order ensures that utility service providers are provided adequate assurances that their post-petition services will be paid, sets up streamlined procedures for utility providers that desire additional or different adequate assurances of payment to make such request, and prohibits such utility service providers from altering, refusing, or discontinuing such services on account of any unpaid prepetition charges, the commencement of Chapter 11 Proceedings, or any perceived inadequacy of the adequate assurances provided for under the Utilities Order.

16. Moores Suit, in its capacity as foreign representative, is now seeking recognition of each of the US Orders, including the Utilities Order.

C. RELIEF SOUGHT

i. Recognition of the US Orders

17. Moores Suit hereby seeks recognition of the US Orders, including the Final DIP Order, and the Utilities Order made in the Chapter 11 Proceedings, and a declaration that the US Orders have full force and effect in all provinces and territories of Canada.

18. The recognition of the US Orders is necessary to ensure the proper and efficient administration of the Chapter 11 Debtors' reorganization efforts and consistent treatment as between stakeholders in the United States and Canada. The recognition of the US Orders is also appropriate in the circumstances, given that:

- (a) it would be in furtherance of the recognition process already undertaken in relation to the Chapter 11 Proceedings in Canada, including the recognition of the Interim First Day Orders by this Court in the Initial Orders effective as of August 5 and August 14, 2020;
- (b) the US Bankruptcy Court has appropriately taken jurisdiction over the Chapter 11 Proceedings, so comity will be furthered by this Court's recognition of and support for the Chapter 11 Proceedings already under way in the United States;

- (c) coordination of proceedings in the United States and Canada will ensure equal and fair treatment of all stakeholders;
- (d) it will ensure the US Bankruptcy Court's continued control over the insolvency process, to produce the most efficient restructuring for the benefit of all stakeholders; and
- (e) it will continue to ensure a centralized and coordinated process for these insolvency proceedings to maximize the prospect of a successful restructuring and preservation of value for all stakeholders.

19. Therefore, it is appropriate for this Court to exercise its discretion and declare that the US Orders made in the Chapter 11 Proceedings have full force and effect in all provinces and territories of Canada.

ii. Recognition of the Final DIP Order

20. As described in further detail in the August 4, 2020 Etlin Affidavit, on August 3, 2020, the US Bankruptcy Court granted the Interim DIP Order, which was subsequently recognized and given full force and effect in all provinces and territories of Canada by this Court in accordance with the Supplemental Order issued on August 5, 2020 and amended and restated on August 14, 2020.

21. As explained at paragraphs 147-149 of the August 4, 2020 Etlin Affidavit, immediate access to the DIP Facility is essential and absent access to the DIP Financing, even for a limited period of time, the Company ability to continue operating its businesses will be significantly impaired, which may cause irreparable harm to the Chapter 11 Debtors (including Moores Suit and Moores Retail) and their stakeholders.

D. CONCLUSION

22. For the reasons set out above, Moores Suit, in its capacity as foreign representative, respectfully requests that the relief sought in this Motion be granted.

SOLEMNLY AFFIRMED before me by
videoconference in the City and State of New
York, U.S., this 14th day of September, 2020.

The Debtors shall honor such request within five (5) business days after the date the request is received by the Debtors, subject to the ability of the Debtors and any such requesting Utility Provider to resolve any dispute regarding such request without further order of this Court. To the extent a Utility Provider receives a disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount disbursed.

- d. Any Utility Provider desiring additional or different adequate assurances of payment in the form of deposits, prepayments, surety bonds, or otherwise must serve a request for additional or different assurance on the Notice Parties.
- e. Any Utility Provider that objects to the Debtors' Proposed Adequate Assurance must serve an Additional Assurance Request on the Notice Parties.
- f. Any Additional Assurance Request must: (i) be in writing, (ii) identify the location for which the Utility Services are provided, (iii) summarize the Debtors' payment history relevant to the affected account(s), including any security deposits, (iv) explain why the Utility Provider believes the Proposed Adequate Assurance is not sufficient adequate assurance, and (v) certify that the Utility Provider does not already hold a Prepetition Deposit equal to or greater than two weeks of Utility Services.
- g. Any Utility Provider who does not file an Additional Assurance Request shall be: (a) deemed to have received adequate assurance of payment "satisfactory" to such Utility Provider in compliance with section 366 of the Bankruptcy Code; and (b) forbidden from (i) discontinuing, altering, or refusing services to, or discriminating against, the Debtors on account of any unpaid prepetition charges, the commencement of these chapter 11 cases, or any perceived inadequacy of the Proposed Adequate Assurance, and (ii) requiring additional assurance of payment other than the Proposed Adequate Assurance.
- h. Upon the Debtors' receipt of an Additional Assurance Request, the Debtors shall have 21 calendar days from the receipt of the Additional Assurance Request (the "Resolution Period") to negotiate with the Utility Provider to resolve the Utility Provider's Additional Assurance Request.
- i. The Debtors may, upon consultation with the Prepetition ABL Agent and the DIP Agent, without further order from this Court, resolve any Additional Assurance Request by mutual agreement with a Utility Provider, and the Debtors may, in connection with any such agreement, provide a Utility Provider with additional adequate assurance of payment, including, but not limited to, cash deposits, prepayments, or other forms of security if the Debtors believe that such adequate assurance is reasonable.

- j. If (a) the Debtors determine that the Additional Assurance Request is not reasonable, and the Debtors are unable to reach an alternative resolution with the Utility Provider during the Resolution Period or (b) an objection is received, the Debtors shall request a hearing (a “Determination Hearing”) before this Court at the next omnibus hearing date, or such other date that the Debtors and the Utility Provider may agree, to determine the adequacy of assurances of payment with respect to a particular Utility Provider pursuant to section 366(c)(3) of the Bankruptcy Code.
- k. Pending resolution of any such Determination Hearing, the Utility Provider filing such Additional Assurance Request shall be prohibited from altering, refusing, or discontinuing Utility Services to the Debtors on account of unpaid charges for prepetition services or on account of any objections to the Proposed Adequate Assurance.
- l. The Adequate Assurance Deposit deposited into the Adequate Assurance Account on behalf of any Utility Provider (including any additional amount deposited upon request of any applicable Utility Provider), or any portion thereof, shall be returned to the Debtors, less any amounts owed on account of unpaid, postpetition Utility Services, by no later than five (5) business days following the earlier of the date upon which (i) a chapter 11 plan becomes effective after being confirmed in these chapter 11 cases or (ii) the Debtors provide notice to a Utility Provider that services provided to the Debtors by such Utility Provider will no longer be needed or will be reduced.

7. The Utility Providers are prohibited from requiring additional adequate assurance of payment other than pursuant to the Adequate Assurance Procedures.

8. Absent further order of this Court, any landlord that pays directly for Utility Services for the benefit of the Debtors pursuant to a nonresidential real property lease must continue paying for such Utility Services in the ordinary course of business and may not cease, reduce, delay, or otherwise interfere with the payment or delivery of such Utility Services, regardless of any nonpayment, deferral, or waiver of rent, or any defaults with respect to the applicable lease; *provided* that a landlord may cease payments on account of Utility Services following the effective date of the rejection of the applicable lease pursuant to section 365 of the Bankruptcy Code, if any. Notwithstanding anything to the contrary herein, nothing in this Order

affects the rights and obligations of the Debtors and their landlords under section 365 of the Bankruptcy Code with respect to nonresidential real property leases.

9. Any deposit provided to a Utility Provider by the Debtors prior to the Petition Date must be returned to the Debtors within 21 calendar days of receiving a notice that the services provided to the Debtors by such Utility Provider will no longer be needed.

10. Upon the closure of one of the Debtors' locations and the discontinuance of the Utility Services associated therewith, or the termination of Utility Services independent thereof, the Debtors may, in their discretion and without further order of this Court, reduce the Adequate Assurance Deposit by an amount not exceeding, for each of the Utility Services being discontinued, the lesser of (i) the estimated amount equal to one-half of the Debtors' monthly average cost of services from the applicable Utility Provider and (ii) the amount of the Adequate Assurance Deposit then attributable to the applicable Utility Provider; *provided* that for any Utility Provider for which the Adequate Assurance Deposit is reduced, the Debtors shall have (i) provided such Utility Provider with 14-days' notice of such reduction and (ii) paid such Utility Provider in full for any outstanding postpetition Utility Services before reducing the Adequate Assurance Deposit.

11. Any Utility Provider subsequently added to the Utility Services List shall be bound by the Adequate Assurance Procedures. In addition, the Debtors will provide an Adequate Assurance Deposit in an amount equal to one-half of the Debtors' monthly average cost of services from the subsequently added Utility Provider, net of any prepetition deposits, letters of credit, or surety bonds already provided to the Utility Provider in the ordinary course of business.

12. The Debtors will cause a copy of this Order, including the Adequate Assurance Procedures, to be served on any subsequently identified Utility Provider, and any such Utility Provider shall be bound by the Adequate Assurance Procedures.

13. The Adequate Assurance Procedures set forth herein are for all Utility Providers providing Utility Services to the Debtors and are not limited to those parties or entities listed on the Utility Services List.

14. The Debtors reserve their right to contest whether any entity is a utility for the purposes of section 366 of the Bankruptcy Code.

15. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Order without any duty of further inquiry and without liability for following the Debtors' instructions.

16. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract,

or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

17. Notwithstanding anything to the contrary in this Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Order, the terms of the DIP Order shall control.

18. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

19. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

20. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

21. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

22. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

23. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
