advisors, and without prejudice to the rights of parties in interest as set forth in paragraph 50 herein, the Debtors, on their behalf and on behalf of their estates, admit, stipulate, acknowledge, and agree as follows (paragraphs F(i) through F(xii) below are referred to herein, collectively, as the “Debtors’ Stipulations”):

(i) *Prepetition ABL Facility.* Pursuant to that certain *Credit Agreement* dated as of June 18, 2014 (as amended, restated, supplemented, or otherwise modified from time to time, the “Prepetition ABL Agreement,” and collectively with the Loan Documents (as defined in the Prepetition ABL Agreement) and any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, supplemented, waived or otherwise modified from time to time, the “Prepetition ABL Documents”), among (a) the Borrowers (the “Prepetition ABL Borrowers”), (b) the guarantors party thereto (the “Prepetition ABL Guarantors”), (c) JPMorgan Chase Bank, N.A., as administrative agent and collateral agent (in such capacity, the “Prepetition ABL Agent” and, through its Canada branch, the “Canadian Agent”), and (d) the lenders party thereto (collectively, including the Prepetition ABL Agent and the Canadian Agent, the “Prepetition ABL Lenders,” and together with the Prepetition ABL Lenders, the Prepetition ABL Agent and the Canadian Agent, the “Prepetition ABL Parties”), the Prepetition ABL Lenders provided revolving credit, and other financial accommodations to, and issued letters of credit for the account of, the Prepetition ABL Borrowers and the Canadian Borrower pursuant to the Prepetition ABL Documents (the “Prepetition ABL Facility”). provided the Prepetition ABL Borrowers with, among other things, up to \$550,000,000.00 aggregate principal amount of Revolving Loans (as defined in the Prepetition ABL Agreement). As of the Petition Date, the aggregate principal amount outstanding under the Prepetition ABL Facility was not less than approximately \$397,900,000.00 (collectively, together with accrued and unpaid interest, outstanding letters of credit and bankers' acceptances, any reimbursement obligations (contingent or otherwise) in respect of letters of credit and bankers' acceptances, any fees, expenses and disbursements (including, without limitation, attorneys' fees, accountants' fees, auditor fees, appraisers' fees and financial advisors' fees, and related expenses and disbursements), treasury, cash management, bank product and derivative obligations, indemnification obligations, guarantee obligations (including the Canadian Borrower's and Canadian Guarantors' guarantee of the Canadian Borrower's obligations under the Prepetition ABL Agreement), and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Prepetition ABL Borrowers' or the Prepetition ABL Guarantors' obligations pursuant to, or secured by, the Prepetition ABL Documents, including all "Obligations") as defined in the Prepetition ABL Agreement, and all interest, fees, prepayment premiums, costs and other charges allowable under section 506(b) of the Bankruptcy Code, the "Prepetition ABL Obligations").⁵

⁵ Prior to the Petition Date, obligations were owed to the Prepetition ABL Agent pursuant to certain interest rate swaps (the "Swaps"), which were terminated upon filing. The parties estimate that as of the termination, the Debtors owed to the Prepetition ABL Agent approximately \$41.5 million on account of the Swaps (the "Swap Termination Liability"). The Swaps are secured by the same collateral that secures other Prepetition ABL Obligations. The exact amount of the Swap Termination Liability will be paid in cash in full upon emergence pursuant to the plan of reorganization and the Court order confirming such plan.

ABL Borrowers and the Prepetition ABL Guarantors granted to the Prepetition ABL Agent, for the benefit of itself and the Prepetition ABL Lenders, a security interest in and continuing lien on (the “Prepetition ABL Liens”) substantially all of their assets and property (with certain exceptions set out in the Prepetition ABL Documents), including (a) a first priority security interest in and continuing lien on the ABL Priority Collateral (as defined in that certain Intercreditor Agreement referred to in paragraph F(vii) below) and all proceeds, products, accessions, rents, and profits thereof, in each case whether then owned or existing or thereafter acquired or arising (collectively, the “Prepetition ABL Priority Collateral”), and (b) a second priority security interest in and continuing lien on the Term Priority Collateral (as defined in the Intercreditor Agreement) and proceeds, products, accessions, rents, and profits of any of the foregoing, in each case whether then owned or existing or thereafter acquired or arising (collectively, the “Prepetition Term Priority Collateral,” and together with the Prepetition ABL Priority Collateral, the “Prepetition Collateral”), subject only to the liens of the Prepetition Term Loan Agent on the Prepetition Term Priority Collateral and subject, in each case, to the Prepetition ABL Permitted Prior Liens (as defined herein). In addition, as more fully set forth in the Prepetition ABL Documents, prior to the Petition Date, the Canadian Borrower granted to the Canadian Agent, for the benefit of itself and the Prepetition ABL Parties, a security interest in and continuing lien on substantially all of its asset and property (the “Canadian Liens”) to secure the Canadian Obligations.

(iv) *Prepetition Term Loan Facility.* Pursuant to that certain *Term Credit Agreement* dated as of June 18, 2014 (as amended, restated, supplemented, waived or otherwise modified from time to time, the “Prepetition Term Loan Agreement,” and collectively with the Loan Documents (as defined in the Prepetition Term Loan Agreement) and any other agreements and documents executed or delivered in connection therewith, each as may be

amended, restated, supplemented, waived or otherwise modified from time to time, the “Prepetition Term Loan Documents,” and together with the Prepetition ABL Documents, the “Prepetition Documents”), among (a) the Lead Borrower (in such capacity, the “Prepetition Term Loan Borrower” and together with the Prepetition ABL Borrowers, the “Prepetition Borrowers”), (b) Wilmington Savings Fund Society, FSB, as successor administrative agent (in such capacities, the “Prepetition Term Loan Agent,” and together with the Prepetition ABL Agent, the “Prepetition Agents”), (c) the guarantors thereunder (the “Prepetition Term Loan Guarantors” and, together with the Prepetition ABL Guarantors, the “Prepetition Guarantors”), and (d) the lenders party thereto (the “Prepetition Term Loan Lenders,” and collectively with the Prepetition Term Loan Agent, the “Prepetition Term Loan Parties,” and together with the Prepetition ABL Parties, the “Prepetition Secured Parties”), the Prepetition Term Loan Lenders provided term loans and other financial accommodations to the Prepetition Term Loan Borrower (the “Prepetition Term Loan Facility,” and together with the Prepetition ABL Facility, the “Prepetition Secured Facilities”).

(v) *Prepetition Term Loan Obligations.* The Prepetition Term Loan Facility provided the Prepetition Term Loan Borrower with, among other things, Loans (as defined in the Prepetition Term Loan Agreement) in the aggregate principal amount of \$900,000,000.00. As of the Petition Date, the aggregate principal amount outstanding under the Prepetition Term Loan Facility was not less than \$877,400,000.00 (collectively, together with accrued and unpaid interest, any fees, expenses and disbursements (including, without limitation, attorneys’ fees, accountants’ fees, auditors fees, appraisers’ fees, and financial advisors’ fees and related expenses and disbursements payable or reimbursable thereunder), indemnification obligations, and other charges, amounts, and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Prepetition Term

Loan Borrower's and the Prepetition Term Loan Guarantors' obligations pursuant to, or secured by, the Prepetition Term Loan Documents, including all "Secured Obligations" as defined in the Prepetition Term Loan Agreement, and all interest, fees, prepayment premiums, costs and other charges allowable under section 506(b) of the Bankruptcy Code, the "Prepetition Term Loan Obligations," and together with the Prepetition ABL Obligations, the "Prepetition Secured Obligations").

(vi) *Prepetition Term Loan Liens and Prepetition Term Priority Collateral.* As more fully set forth in the Prepetition Term Loan Documents, prior to the Petition Date, the Prepetition Term Loan Borrower and the Prepetition Term Loan Guarantors granted to the Prepetition Term Loan Agent the benefit of itself and the Prepetition Term Loan Lenders, a security interest in and continuing lien on (the "Prepetition Term Loan Liens," and together with the Prepetition ABL Liens, the "Prepetition Liens") substantially all of their assets and property (with certain exceptions set out in the Prepetition Term Loan Documents), including (a) a first priority security interest in and continuing lien on the Prepetition Term Priority Collateral, and (b) a second priority security interest in and continuing lien on the Prepetition ABL Priority Collateral, subject only to the liens of the Prepetition ABL Agent on the Prepetition ABL Priority Collateral and subject, in each case, to the Prepetition Term Loan Permitted Prior Liens (as defined herein).

(vii) *Priority of Prepetition Liens; Intercreditor Agreement.* The Prepetition ABL Agent and the Prepetition Term Loan Agent entered into that certain Intercreditor Agreement dated as of June 18, 2014 (as amended, restated, supplemented, waived or otherwise modified from time to time, the "Intercreditor Agreement") to govern the respective rights, interests, obligations, priority, and positions of the Prepetition Secured Parties with respect

to the assets and properties of the Debtors and other obligors. Each of the Prepetition Borrowers and Prepetition Guarantors under the Prepetition Documents acknowledged and agreed to the Intercreditor Agreement.

(viii) *Validity, Perfection, and Priority of Prepetition ABL Liens and Prepetition ABL Obligations.* The Debtors acknowledge and agree that as of the Petition Date (a) the Prepetition ABL Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition ABL Parties for fair consideration and reasonably equivalent value; (b) the Prepetition ABL Liens were senior in priority over any and all other liens on the Prepetition Collateral, subject only to (1) the Prepetition Term Loan Liens on the Prepetition Term Priority Collateral, and (2) certain liens senior by operation of law (solely to the extent such liens were valid, non-avoidable, and senior in priority to the Prepetition ABL Liens as of the Petition Date and properly perfected prior to the Petition Date or perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code) or otherwise permitted by the Prepetition ABL Documents (the “Prepetition ABL Permitted Prior Liens”); (c) the Prepetition ABL Obligations constitute legal, valid, binding, and non-avoidable obligations of the Debtors enforceable in accordance with the terms of the applicable Prepetition ABL Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Prepetition ABL Liens or Prepetition ABL Obligations exist, and no portion of the Prepetition ABL Liens or Prepetition ABL Obligations is subject to any challenge or defense including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including, without

limitation, avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition ABL Parties or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees arising out of, based upon or related to the Prepetition ABL Facility; (f) the Debtors waive, discharge, and release any right to challenge any of the Prepetition ABL Obligations, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the liens securing the Prepetition ABL Obligations; and (g) the aggregate value of the Prepetition ABL Priority Collateral exceeds the amount of the Prepetition ABL Obligations and the Prepetition ABL Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

(ix) *Validity, Perfection, and Priority of Prepetition Term Loan Liens and Prepetition Term Loan Obligations.* The Debtors further acknowledge and agree that, as of the Petition Date, (a) the Prepetition Term Loan Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition Term Loan Parties for fair consideration and reasonably equivalent value; (b) the Prepetition Term Loan Liens were senior in priority over any and all other liens on the Prepetition Collateral, subject only to (1) the Prepetition ABL Liens on the Prepetition ABL Priority Collateral, and (2) certain liens senior by operation of law (solely to the extent such liens were valid, non-avoidable, and senior in priority to the Prepetition Term Loan Liens as of the Petition Date and properly perfected prior to the Petition Date or perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code) or otherwise permitted by the Prepetition Term Loan Documents (the "Prepetition Term Loan Permitted Prior Liens" and,

together with the Prepetition ABL Permitted Prior Liens, the “Permitted Prior Liens”);⁶ (c) the Prepetition Term Loan Obligations constitute legal, valid, binding, and non-avoidable obligations of the Debtors enforceable in accordance with the terms of the applicable Prepetition Term Loan Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Prepetition Term Loan Liens or Prepetition Term Loan Obligations exist, and no portion of the Prepetition Term Loan Liens or Prepetition Term Loan Obligations is subject to any challenge or defense, including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including, without limitation, avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition Term Loan Parties, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees arising out of, based upon or related to the Prepetition Term Loan Facility; (f) the Debtors waive, discharge, and release any right to challenge any of the Prepetition Term Loan Obligations, the priority of the Debtors’ obligations thereunder, and the validity, extent, and priority of the liens securing the Prepetition Term Loan Obligations; and (g) the Prepetition Term Loan Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

(x) *Release.* The Debtors hereby stipulate and agree that they forever and irrevocably release, discharge, and acquit the DIP Agent, DIP Secured Parties, the Prepetition

⁶ As used in this Final Order, no reference to the Prepetition ABL Permitted Prior Liens, the Prepetition Term Loan Permitted Prior Liens, or the Permitted Prior Liens shall refer to or include the Prepetition ABL Liens or the Prepetition Term Loan Liens.

Secured Parties, all former, current and future DIP Lenders, and each of their respective successors, assigns, affiliates, subsidiaries, parents, officers, shareholders, directors, employees, attorneys and agents, past, present and future, and their respective heirs, predecessors, successors and assigns (collectively, the “Releasees”) of and from any and all claims, controversies, disputes, liabilities, obligations, demands, damages, expenses (including reasonable attorneys’ fees), debts, liens, actions and causes of action of any and every nature whatsoever relating to, as applicable, the DIP ABL Facility, the DIP Documents, the Prepetition Secured Facilities, the Prepetition Documents, and/or the transactions contemplated hereunder or thereunder occurring prior to entry of this Final Order, including (x) any so-called “lender liability” or equitable subordination or recharacterization claims or defenses, (y) any and all claims and causes of action arising under the Bankruptcy Code, and (z) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the Prepetition Agents, the Prepetition Secured Parties, the DIP Agent, and the DIP Lenders. The Debtors further waive and release any defense, right of counterclaim, right of set-off or deduction to the payment of the Prepetition Secured Obligations and the DIP Obligations which the Debtors may now have or may claim to have against the Releasees, arising out of, connected with or relating to any and all acts, omissions or events occurring prior to this Court entering this Final Order.

(xi) *Default by the Debtors.* The Debtors acknowledge and stipulate that an Event of Default has occurred under the Prepetition Documents as a result of the Cases and that, as a result, the Debtors are in default of their obligations under the Prepetition Documents. As of the Petition Date, therefore, interest will be accruing on the Prepetition Secured Obligations at the rate in accordance with the provisions of the Prepetition Documents.

(xii) *Cash Collateral.* All of the Debtors’ cash, including any cash in

deposit accounts of the Debtors, wherever located, constitutes Cash Collateral of the Prepetition Secured Parties.

G. **Permitted Prior Liens.** Nothing herein shall constitute a finding or ruling by this Court that any alleged Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing shall prejudice the rights of any party-in-interest, including, but not limited to the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, or the Committee, to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Prior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien, rather, any such alleged claim arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens as such claims had with respect to the Prepetition ABL Liens.

H. **Continuation of Prepetition Liens.** In light of the integrated nature of the DIP ABL Facility, the DIP Documents, and the Prepetition Documents, the Prepetition Liens, and the DIP Liens that prime certain of the Prepetition Liens, are continuing liens, and the DIP Collateral is and will continue to be encumbered by such liens.

I. **Intercreditor Agreement.** Pursuant to section 510 of the Bankruptcy Code, the Intercreditor Agreement and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties (including, without limitation, the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims and superpriority administrative expense claims granted, or amounts payable, by the Debtors under

this Final Order or otherwise and the modification of the automatic stay), (iii) shall govern the relative priorities, rights, and remedies of the DIP Secured Parties and the Prepetition Secured Parties, and (iv) shall not be deemed to be amended, altered, or modified by the terms of this Final Order or the DIP Documents, unless as expressly set forth herein or therein. The DIP ABL Facility is deemed a “Refinancing” of the Prepetition ABL Facility as such term is used in the Intercreditor Agreement, and any repayment of the Prepetition ABL Obligations pursuant to the Interim Order shall not be deemed to constitute a “Discharge of Senior Obligations” (as defined in the Intercreditor Agreement).

J. **Findings Regarding Corporate Authority.** Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Documents to which it is a party and to perform its obligations thereunder.

K. **Findings Regarding Postpetition Financing**

(i) *Request for Postpetition Financing.* The Debtors seek authority on a final basis, to (a) continue borrowing under the DIP ABL Facility on the terms described herein and in the DIP Documents, and (b) to continue to use Cash Collateral on the terms described herein, to administer their Cases and fund their operations.

(ii) *Priming of the Prepetition Liens.* The priming of the Prepetition Liens on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP ABL Facility and as further described below, will enable the Debtors to obtain the DIP ABL Facility and to continue to operate their businesses to the benefit of their estates and creditors. The Prepetition Agents, for the benefit of themselves and the other Prepetition Secured Parties, are entitled to receive adequate protection, as set forth in the Interim Order and this Final Order, pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution in Value of

each of the Prepetition Secured Parties' respective interests in the Prepetition Collateral (including Cash Collateral).

(iii) *Need for Postpetition Financing and Use of Cash Collateral.* The Debtors have a continuing need to use Cash Collateral and to continue to obtain credit pursuant to the DIP ABL Facility in order to, among other things, enable the orderly continuation of their operations and to administer and preserve the value of their estates. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers, to pay their employees, and otherwise finance their operations requires the availability of working capital from the DIP ABL Facility and the use of Cash Collateral, the absence of either of which would immediately and irreparably harm the Debtors, their estates, and parties in interest. The Debtors do not have sufficient available sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business without the DIP ABL Facility and authorized use of Cash Collateral.

(iv) *No Credit Available on More Favorable Terms.* The DIP ABL Facility is the best source of debtor-in-possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the DIP ABL Facility. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain: (a) unsecured credit solely having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of

the Debtors and their estates that is subject to a lien. Financing on a postpetition basis on better terms is not otherwise available without granting the DIP Agent, for the benefit of itself and the DIP Secured Parties: (1) perfected security interests in and liens on (each as provided herein) all of the Debtors' existing and after-acquired assets (other than Excluded Assets) with the priorities set forth herein; (2) superpriority claims and liens; and (3) the other protections set forth in the Interim Order and this Final Order.

(v) *Use of Proceeds of the DIP ABL Facility.* As a condition to entry into the DIP ABL Credit Agreement, the extension of credit under the DIP ABL Facility and the authorization to use Cash Collateral, the DIP Secured Parties and the Prepetition Secured Parties require, and the Debtors have agreed, that proceeds of the DIP ABL Facility and the Cash Collateral shall be used, in each case in a manner consistent with the terms and conditions of the Interim Order, and this Final Order and the DIP Documents and in accordance with the budget (as the same may be modified from time to time consistent with the terms of this Final Order and the DIP Documents and subject to such variances as permitted in this Final Order and the DIP ABL Credit Agreement, and as set forth in paragraphs 20 – 23 hereof, the “Budget”),⁷ solely for: (a) working capital, capital expenditures and letters of credit, (b) other general corporate purposes of the Debtors; (c) permitted payment of costs of administration of the Cases; (d) payment of such other prepetition obligations as permitted under the Interim Order, this Final Order, the Budget, and the DIP Documents, and as approved by the Court; (e) payment of interest, fees, expenses, and other amounts (including legal and other professionals' fees and expenses of the DIP Agent) to the extent owed under the DIP Documents; (f) payment of certain adequate protection amounts to the Prepetition Secured Parties, as set forth herein; (g) the repayment of the Prepetition ABL

⁷ A copy of the initial Budget is attached hereto as Exhibit 2.

Obligations, subject to the rights preserved in paragraph 50 of this Final Order; (h) payment of obligations arising from or related to the Carve Out, and making disbursements therefrom, including by funding the Carve Out Reserves; (i) payment on account of the Debtors' guarantee of the Canadian Obligations; and (j) such other uses set forth in the Budget, which shall include the payment of unpaid rent due under the Debtors' leases for the period from August 2, 2020 through August 30, 2020 on the date the Debtors emerge from chapter 11 (to the extent not paid earlier pursuant to paragraph 11 hereof).

(vi) *Application of Proceeds of Collateral.* As a condition to entry into the DIP ABL Credit Agreement, the continued extension of credit under the DIP ABL Facility, and authorization to use Cash Collateral, the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties agreed that, as of and commencing on the date of the Interim Hearing, the Debtors shall apply the proceeds of DIP Collateral in accordance with the Interim Order, this Final Order and the Budget (including, without limitation, the use of DIP Secondary Collateral to reduce the DIP Obligations and to satisfy the 503(b)(9) Escrow Account (defined below) in accordance with the Budget and, specifically, with: (a) 10% of the Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of the Interim Order; (b) 40% of incremental Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of this Final Order; (c) 20% of incremental Term Loan Segregated Cash (measured as of the Petition Date) being applied to reduce the DIP Obligations upon entry of an order approving a disclosure statement (the "Disclosure Statement") that is in form and substance acceptable to holders of Prepetition Term Loan Obligations who are signatories to the Restructuring Support Agreement dated August 2, 2020 attached to the First Day Declaration (the "RSA"), and hold an aggregate principal amount greater than 50% of the

aggregate principal amount of Prepetition Term Loan Obligations held by all signatories to the RSA (the “Requisite Prepetition Term Loan Lenders”); (d) \$1.7 million of incremental Term Loan Segregated Cash being applied to the 503(b)(9) Escrow Account as set forth in Paragraph 11 hereof upon entry of an order approving a Disclosure Statement; (e) \$1.7 million of incremental Term Loan Segregated Cash being applied to the 503(b)(9) Escrow Account as set forth in Paragraph 11 hereof upon entry of an order confirming a joint chapter 11 plan of reorganization that is in form and substance acceptable to the Requisite Prepetition Term Loan Lenders (the “Plan”); and (f) the remainder of the Term Loan Segregated Cash being applied to reduce the DIP Obligations upon entry of an order confirming a Plan (clauses (a)-(f) collectively, the “Term Loan Segregated Cash Release Schedule”).⁸

(vii) *Canadian Recognition Proceeding.* Substantially contemporaneously with the entry of the Interim Order, the Canadian Debtor filed an application (the “Canadian Case”) before the Ontario Superior Court of Justice (Commercial List) (the “Canadian Court”) for entry of an initial recognition order (the “Initial Recognition Order”) and a supplemental order (the “Supplemental Order”) recognizing the Cases as a foreign main proceeding and recognizing and giving full force and effect in all provinces and territories in Canada the orders rendered in the context of the Cases, including the Interim Order, and this Final Order.

(viii) *Refinancing of Prepetition ABL Obligations.* Consistent with the terms of the Interim Order, immediately upon entry of the Interim Order, without any further action by the Debtors or any other party, but subject to paragraph 50 herein, all Prepetition ABL

⁸ As used in this Final Order, “Term Loan Segregated Cash” shall mean that certain “restricted cash” that constitutes DIP Secondary Collateral in the amount of approximately \$89,911,000.00.

Obligations were repaid (and/or deemed repaid) or refinanced and, to the extent remaining outstanding, now constitute DIP Obligations (the “DIP Roll-Up Obligations”).⁹ The refinancing and repayment of the Prepetition ABL Obligations was authorized, and is hereby authorized on a final basis, as compensation for, in consideration for, and solely on account of, the agreement of the Prepetition ABL Lenders to fund amounts under the DIP ABL Facility and not as adequate protection for, or otherwise on account of, any Prepetition Secured Obligations. The Prepetition ABL Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens to the DIP Liens, and the DIP Secured Parties would not be willing to provide the DIP ABL Facility or extend credit to the Debtors thereunder without the repayment and refinancing of the Prepetition ABL Obligations by the DIP ABL Loans. Moreover, the refinancing of all outstanding Prepetition ABL Obligations created availability under the DIP ABL Facility and continues to result in interest savings to the Debtors and their estates. Because the DIP Roll-Up Obligations are subject to the reservation of rights in paragraph 50 below, they will not prejudice the right of any other party in interest.

L. **Adequate Protection.** Until such time as the Prepetition Secured Obligations (as applicable) are Paid in Full,¹⁰ the Prepetition ABL Agent, for the benefit of itself

⁹ The Swap Termination Liability will be paid in cash in full at emergence, pursuant to the plan of reorganization and the Court order confirming such plan.

¹⁰ “Paid in Full” means the indefeasible repayment in full in cash of all obligations (including principal, interest, fees, prepayment premiums, expenses, indemnities, other than contingent indemnification obligations for which no claim has been asserted) under the applicable credit facility, the cash collateralization or repayment in full in cash of all treasury and cash management obligations, hedging obligations, and bank product obligations, and the cancellation, replacement, backing, or cash collateralization of letters of credit, in each case, in accordance with the terms of the applicable credit facility. No facility shall be deemed to have been Paid in Full until such time as, with respect to the applicable facility, (a) the commitments to lend thereunder have been terminated, (b) with respect to the Challenge Deadline (i) the Challenge Deadline (as defined in paragraph 50 of this Final Order) shall have occurred without the timely and proper commencement of a Challenge or (ii) if a Challenge is timely and properly asserted prior to the Challenge Deadline, upon the final, non-appealable disposition of such Challenge; and (c) with respect to the Prepetition ABL Obligations, the Prepetition ABL Agent or the DIP

and the other Prepetition ABL Parties, and the Prepetition Term Loan Agent, for the benefit of itself and the other Prepetition Term Loan Parties, are each entitled to receive adequate protection to the extent of any Diminution in Value of their respective interests in the Prepetition Collateral as set forth in this Final Order.

M. **Sections 506(c) and 552(b).** In light of: (i) the DIP Secured Parties' agreement that their liens and superpriority claims shall be subject to the Carve Out; (ii) the Prepetition ABL Parties' agreement that their liens shall be subject to the Carve Out and subordinate to the DIP Liens and, in the case of the Prepetition Term Priority Collateral, subordinate to the Prepetition Term Loan Liens and the Prepetition Term Loan Adequate Protection Liens; (iii) the Prepetition Term Loan Parties' agreement that their liens shall be subject to the Carve Out and, in the case of the Prepetition ABL Priority Collateral, subordinate to the DIP Liens, the Prepetition ABL Liens, and the Prepetition ABL Adequate Protection Liens; and (iv) the payment of prepetition claims and/or expenses as set forth in the Budget and first day motions in accordance with and subject to the terms and conditions of this Final Order and the DIP Documents, upon entry of this Final Order (a) the Prepetition Secured Parties are each entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code, and (b) the DIP Secured Parties and the Prepetition Secured Parties are each entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code.

N. **Good Faith of the DIP Agent and DIP Lenders.**

(i) *Willingness to Provide Financing.* The DIP Lenders have indicated a willingness to provide financing to the Debtors subject to: (a) entry of the Interim Order and this

Agent, as applicable, has received (i) a countersigned payoff letter in form and substance satisfactory to such Agent and (ii) releases in form and substance satisfactory to such Agent, each in its sole discretion.

Final Order; (b) approval of the terms and conditions of the DIP ABL Facility and the DIP Documents; (c) satisfaction of the closing conditions set forth in the DIP Documents; (d) entry of the Initial Recognition Order and the Supplemental Order by the Canadian Court, in a form satisfactory to the DIP Agent, commencing the Canadian Case and providing for a priority charge against the property of the Canadian Debtor securing the DIP Obligations, as set forth herein and in the DIP Documents; and (e) findings by this Court that the DIP ABL Facility is essential to the Debtors' estates, that the DIP Secured Parties are extending credit to the Debtors pursuant to the DIP Documents in good faith, and that the DIP Secured Parties' claims, superpriority claims, security interests, and liens and other protections granted pursuant to the Interim Order, this Final Order and the DIP Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

(ii) *Business Judgment and Good Faith.* The terms and conditions of the DIP ABL Facility and the DIP Documents, and the fees paid and to be paid thereunder, are fair, reasonable, and the best available to the Debtors under the circumstances, are ordinary and appropriate for secured financing to debtors in possession, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration. The terms and conditions of the DIP ABL Facility and the use of Cash Collateral were negotiated in good faith and at arms' length among the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties, with the assistance and counsel of their respective advisors. Use of Cash Collateral and credit to be extended under the DIP ABL Facility shall be deemed to have been allowed, advanced, made, or extended in good faith by the DIP Secured Parties and the Prepetition Secured Parties and such parties will have the protections provided by sections 364(e) and 363(m) of the Bankruptcy Code, as applicable.

Based upon the foregoing findings and conclusions, the DIP Motion, the DIP Declarations, and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED that:

1. Final Financing Approved. The DIP Motion is granted, the Final Financing (as defined herein) is authorized and approved, and the use of Cash Collateral is authorized, in each case on a final basis, subject to the terms and conditions set forth in the DIP Documents and this Final Order. Any objections to this Final Order to the extent not withdrawn, waived, settled, or resolved are hereby denied and overruled.

DIP ABL Facility Authorization

2. Authorization of the DIP ABL Facility. The DIP ABL Facility is hereby approved on a final basis. The Debtors are expressly and immediately authorized and empowered, on a final basis, to execute and deliver the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of the Interim Order, this Final Order and the DIP Documents, and to deliver all instruments, certificates, agreements, and documents that may be required or necessary for the performance by the Debtors under the DIP ABL Facility and the creation and perfection of the DIP Liens (as defined herein) described in and provided for by the Interim Order, this Final Order and the DIP Documents, including each of the Guarantors providing its joint and several guarantee of all of the DIP Obligations and such acts as shall be necessary or desirable in order to effect the repayment and the refinancing of the Prepetition ABL Obligations. The Debtors are hereby authorized and directed on a final basis to pay, in accordance with the Interim Order, this Final Order and the DIP Documents, the principal, interest, fees, payments, expenses, and other amounts described in the DIP Documents as such amounts become

earned, due, and payable and without need to obtain further Court approval, including closing fees, letter of credit fees (including issuance, fronting, and other related charges), unused facility fees, prepayment premiums (if applicable), continuing commitment fees, servicing fees, audit fees, appraisal fees, liquidator fees, structuring fees, arrangement fees, upfront fees, administrative agent's fees, the reasonable and documented fees and disbursements of the DIP Agent's attorneys, advisors, accountants, and other consultants, in such cases, reimbursable under the DIP Documents, whether or not such fees arose before or after the Petition Date, and to take any other actions that may be necessary or appropriate, all to the extent provided in the Interim Order, this Final Order or the DIP Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations, or otherwise, will be deposited and applied as required by the Interim Order, this Final Order and the DIP Documents. Upon execution and delivery, the DIP Documents shall represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms. The Debtors' joint and several guarantee of the Canadian Obligations under the Canadian Guarantee is and shall remain in full force and effect, including with respect to any and all Canadian Obligations arising after the Petition Date.

3. Authorization to Borrow. From the entry of this Final Order through and including the DIP Termination Date (as defined below), and subject to the terms, conditions, limitations on availability and reserves (as applicable) set forth in the DIP Documents and this Final Order, the Debtors are hereby authorized, on a final basis, to continue requesting extensions of credit (in the form of loans and letters of credit) up to an aggregate outstanding principal amount of not greater than \$500,000,000.00 at any one time outstanding under the DIP ABL Facility

(the “Final Financing”).

4. DIP Obligations. The DIP Documents and this Final Order shall constitute and evidence the validity and binding effect of the DIP Obligations, which shall be enforceable against the Debtors, their estates, and any successors thereto, including any trustee appointed in the Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the “Successor Cases”). The DIP Obligations include all loans, letter of credit reimbursement obligations, and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to any of the DIP Secured Parties, in each case, under, or secured by, the DIP Documents, the Interim Order, or this Final Order, including all principal, accrued interest (at the rate set out in the DIP ABL Facility), costs, fees, expenses and other amounts as provided in the DIP Documents. Without limiting the foregoing, the DIP Obligations shall also include cash management and bank product exposure and obligations of the DIP Lenders and their affiliates to the extent described in, or secured by, the Prepetition ABL Documents and DIP Documents. All Banking Services Obligations and Existing Letters of Credit (each as defined in the DIP ABL Credit Agreement) issued by the Prepetition ABL Parties for the account of the Debtors under the Prepetition ABL Agreement shall continue in place and all obligations under or in connection with such letters of credit shall be subject to the DIP ABL Credit Agreement and shall constitute DIP Obligations. The Debtors shall be jointly and severally liable for the DIP Obligations, which shall be due and payable, without notice or demand, and the use of Cash Collateral shall automatically cease on the earlier of the DIP Termination Date or the Cash Collateral Termination Date (each as defined herein) in each case, except as provided in paragraph 33 herein. No obligation, payment, transfer, or grant of collateral security hereunder or under the

DIP Documents (including any DIP Obligation or DIP Liens (as defined below), and including in connection with any adequate protection provided to the Prepetition Secured Parties hereunder) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

5. DIP Liens. Subject and subordinate to the Carve Out as set forth in this Final Order, in order to secure the DIP Obligations, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Agent, for the benefit of itself and the DIP Secured Parties, was granted (and is hereby granted on a final basis), continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens (collectively, the “DIP Liens”) on all real and personal property, whether now existing or hereafter arising and wherever located, tangible and intangible, of each of the Debtors (the “DIP Collateral”), other than the Term Loan Segregated Cash prior to its release in accordance with the Term Loan Segregated Cash Release Schedule, including without limitation: (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not marketable) and investment property (including, without limitation, all of the issued and outstanding capital stock or equivalents of each of its subsidiaries), hedge agreements, furniture, fixtures, equipment (including documents of title), goods, franchise

rights, trade names, trademarks, servicemarks, copyrights, patents, license rights, intellectual property, general intangibles (including, for the avoidance of doubt, payment intangibles), rights to the payment of money (including, without limitation, tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action, and all substitutions, indemnification rights, all present and future intercompany debt, books and records related to the foregoing, accessions and proceeds of the foregoing, wherever located, including insurance or other proceeds; (b) all proceeds of leased real property; (c) the proceeds of any avoidance actions brought pursuant to Chapter 5 of the Bankruptcy Code or applicable state law equivalents (including the proceeds of actions brought under section 549 of the Bankruptcy Code to recover any postpetition transfer of DIP Collateral) (the “Avoidance Actions”); (d) proceeds of the Debtors’ rights under sections 506(c) (solely to the extent such rights result from the use of the DIP ABL Facility or the DIP Collateral and are, therefore, enforceable against parties other than the DIP Agent, DIP Lenders or the Prepetition Secured Parties) and 550 of the Bankruptcy Code; and (e) all DIP Collateral that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date. Notwithstanding the foregoing, DIP Collateral shall not include the Debtors’ real property leases (but shall include all proceeds of such leases). Notwithstanding anything to the contrary contained herein, the DIP Agent and the DIP Lenders shall use reasonable efforts to exhaust remedies and collect from DIP Collateral other than the Avoidance Actions first before turning to the Avoidance Actions or the proceeds thereof. DIP Collateral that is (i) of a type that would be ABL Priority Collateral; (ii) of a type that would be ABL Priority Collateral, but that was not otherwise subject to valid, perfected, enforceable, and unavoidable liens on the Petition Date; and (iii) the proceeds of Avoidance Actions, shall, in each case, constitute “DIP Primary Collateral.” DIP Collateral that is (i) of a type that would be

Prepetition Term Priority Collateral and (ii) the proceeds of the Debtors' real property leases shall, in each case, constitute "DIP Secondary Collateral." Notwithstanding anything to the contrary herein, the DIP Liens and the Prepetition ABL Adequate Protection Liens shall not attach to the Debtors' owned real property; provided, however, that the DIP Liens and the Prepetition ABL Adequate Protection Liens shall attach to the proceeds of such owned real property in accordance with the Intercreditor Agreement and the priorities set forth herein.

6. DIP Lien Priority. The DIP Liens are valid, automatically perfected, non-avoidable, senior in priority, and superior to any security, mortgage, collateral interest, lien, or claim to any of the DIP Collateral, except that the DIP Liens shall be subject to the Carve Out as set forth in this Final Order and shall otherwise be junior only to: (a) as to the DIP Primary Collateral, Permitted Prior Liens; and (b) as to the DIP Secondary Collateral, (i) Permitted Prior Liens; (ii) the Prepetition Term Loan Liens; and (iii) the Prepetition Term Loan Adequate Protection Liens (as defined herein). Other than as set forth herein (including the Carve Out, the Prepetition Term Loan Liens (with respect to the DIP Secondary Collateral), and the Prepetition Term Loan Adequate Protection Liens (with respect to the DIP Secondary Collateral)) or in the DIP Documents, the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Cases or any Successor Cases and shall be valid and enforceable against any trustee appointed in the Cases or any Successor Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code (or in any other Successor Case), and/or upon the dismissal of any of the Cases or Successor Cases. The DIP Liens shall not be subject to section 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be

pari passu with or senior to the DIP Liens.

7. DIP Superpriority Claims. Subject and subordinate to the Carve Out and, with respect to claims attributable to DIP Secondary Collateral, the Prepetition Term Loan Adequate Protection Claims (as defined herein) as set forth in this Final Order, the DIP Agent, on behalf of itself and the DIP Secured Parties, was granted pursuant to the Interim Order, and is hereby granted on a final basis, pursuant to section 364(c)(1) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (collectively, the “DIP Superpriority Claims”) for all DIP Obligations. The DIP Superpriority Claim shall have priority over any and all other obligations, liabilities and indebtedness of each Debtor (other than the Carve Out and, with respect to claims attributable to DIP Secondary Collateral, the Prepetition Term Loan Adequate Protection Claims) of the kind specified in section 503(b) and 507(b) of the Bankruptcy Code, including, to the extent allowed under the Bankruptcy Code, any and all administrative expense claims and unsecured claims against the Debtors or their estates in any of the Cases and any Successor Cases, at any time existing or arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 328, 330, 331, 364, 503(a), 503(b), 507(a) (other than 507(a)(1)), 507(b), 546(c), 726 (to the extent permitted by law), 1113, and 1114 of the Bankruptcy Code, and any other provision of the Bankruptcy Code, to the extent provided under section 364(c)(1) of the Bankruptcy Code. Notwithstanding anything to the contrary contained herein, the DIP Agent and the DIP Lenders shall use reasonable efforts to exhaust remedies and collect on the DIP Superpriority Claims from DIP Collateral other than the Avoidance Actions first before turning to the Avoidance Actions or the proceeds thereof. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari*

passu with or senior to the DIP Superpriority Claims.

8. No Obligation to Extend Credit. Except as may be required to fund the Carve Out Reserves (as defined below) as set forth in this Final Order, the DIP Secured Parties shall have no obligation to make any loan or advance, or to issue, amend, renew, or extend any letters of credit or bankers' acceptance under the DIP Documents, unless all of the conditions precedent to the making of such extension of credit or the issuance, amendment, renewal, or extension of such letter of credit or bankers' acceptance be deemed issued under and subject to the DIP Documents and this Final Order have been satisfied in full or waived by the DIP Agent in accordance with the terms of the DIP ABL Credit Agreement.

9. Use of Proceeds of DIP ABL Facility. From and after the Petition Date, the Debtors shall use advances of credit under the DIP ABL Facility, in accordance with the Budget (subject to such variances as permitted in this Final Order and the DIP ABL Credit Agreement), only for the purposes specifically set forth in the Interim Order, this Final Order, the DIP Documents, and the Budget and in compliance with the terms and conditions in the Interim Order, this Final Order and the DIP Documents.

10. DIP Roll-Up Obligations. Upon entry of the Interim Order, and as a condition to the provision of liquidity under the DIP ABL Facility, without any further action by the Debtors or any other party, all Prepetition ABL Obligations were repaid (and/or deemed repaid) or refinanced and, to the extent remaining outstanding, shall, on a final basis, constitute DIP Obligations. The authorization of the DIP Roll-Up Obligations shall be subject to the reservation of rights set forth in paragraph 50 of this Final Order.

Authorization to Use Cash Collateral

11. Authorization to Use Cash Collateral. Subject to the terms and conditions

of this Final Order, the DIP ABL Facility, and the DIP Documents and in accordance with the Budget (subject to such variances as permitted in this Final Order and the DIP Documents), including, without limitation, the use of DIP Secondary Collateral to reduce the DIP Obligations (without a commitment reduction) in accordance with the Budget and in accordance with the Term Loan Segregated Cash Release Schedule, the Debtors are authorized, on a final basis, to continue using Cash Collateral until the earlier of the DIP Termination Date or the Cash Collateral Termination Date (each as defined herein); *provided, however*, that, upon the Termination Declaration Date, the Carve Out shall be funded and available to satisfy then-due Allowed Professional Fees (as defined in paragraph 47 of this Final Order); *provided, further*, that during the Remedies Notice Period (as defined herein), the Debtors may use Cash Collateral to meet payroll obligations (other than severance), sales taxes and other expenses that the DIP Agent and Prepetition Term Loan Agent approve (each in its sole discretion) as critical to keeping the Debtors' business operating subject to the Budget. Nothing in this Final Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor's use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Final Order (including the Carve Out), the DIP ABL Facility, the DIP Documents, and in accordance with the Budget (subject to such variances as permitted in the Interim Order, this Final Order and the DIP Documents). Consistent with an agreement of the Committee, the Debtors, the DIP Lenders, and the Prepetition Term Loan Lenders, the Budget includes the following expenditures, which the Debtors shall be obligated to pay consistent with the Budget and the terms of this Final Order:

- As to leases that as of September 3, 2020 are not subject to an entered or pending motion to reject (the "Go Forward Stores"), and except as otherwise agreed to in rent deferral or rent abatement agreements entered into between the Debtors and individual landlords, the Debtors shall pay 20% of the rent associated with the time period of August 2, 2020 through

August 31, 2020 (the “August Stub Rent”) to the landlords for such Go Forward Stores on the 30th day following entry of this order, an additional 20% on the 60th day following entry of this order, and an additional 25% upon confirmation of a Plan (the remaining 35% payable upon the effective date of a Plan); provided, however, that Availability (as defined under the DIP ABL Credit Agreement) pro forma for payment prior to the effective date of a Plan is not less than the greater of (i) \$80 million and (ii) 2.0x the “Minimum Availability” set forth in section 6.12(a) of the DIP ABL Credit Agreement as in effect on the date hereof or as modified in accordance with the DIP ABL Credit Agreement and with the consent of the Committee (the “Minimum Availability Covenant”) on the proposed payment date(s) and, if the Minimum Availability Covenant is not satisfied on such date(s), the applicable payment shall be made on any date thereafter when such Minimum Availability Covenant is satisfied.

- As to leases that as of September 3, 2020 are subject to an entered or pending motion to reject (the “Non-Go Forward Stores”), the Debtors shall pay 100% the August Stub Rent to the landlords for such Non-Go Forward Stores on the 60th day following entry of this order; provided, however, that Availability (as defined under the DIP ABL Credit Agreement) pro forma for payment prior to the effective date of a Plan is not less than the greater of (i) \$80 million and (ii) 2.0x the Minimum Availability Covenant (as in effect on the date hereof or as modified in accordance with the DIP ABL Credit Agreement and with the consent of the Committee) on the proposed payment date and, if the Minimum Availability Covenant is not satisfied on such date, payment shall be made on any date thereafter when such Minimum Availability Covenant is satisfied.
- As to purported claims arising under section 503(b)(9) of the Bankruptcy Code (such claims, to the extent allowed, “503(b)(9) Claims”), the Debtors shall pay \$1.7 million into an escrow account (the beneficiaries of which shall be holders of allowed 503(b)(9) Claims) (the “503(b)(9) Escrow Account”) upon the entry of an order approving a Disclosure Statement, and the Debtors shall pay an additional \$1.7 million into the 503(b)(9) Escrow Account upon confirmation of a Plan. The funds in the 503(b)(9) Escrow Account shall be utilized solely to satisfy the 503(b)(9) Claims as and when they are allowed. The funds deposited in the 503(b)(9) Escrow Account upon entry of the order approving a Disclosure Statement shall be available to satisfy 503(b)(9) Claims regardless of whether a Plan is confirmed or goes into effect. The funds deposited in the 503(b)(9) Escrow Account upon confirmation of a Plan shall be available to satisfy 503(b)(9) Claims regardless of whether a Plan goes into effect. In any case, upon the effective date of a chapter 11 plan, the then allowed 503(b)(9) claims will be paid by the Debtors in full and in cash from the proceeds of the 503(b)(9) Escrow Account, and otherwise from free cash held by the Debtors. In the event that the amount held in the 503(b)(9) Escrow Account ultimately exceeds the amount of allowed 503(b)(9) claims, such excess amount held in the 503(b)(9) Escrow Account shall be returned to the Debtors.

Payments into the 503(b)(9) Escrow Account shall be made from Term Loan Segregated Cash in the manner set forth in paragraph K(vi) hereof. For the avoidance of doubt, other than as set forth in this paragraph 11, the Debtors shall have no authority to utilize the Term Loan Segregated Cash

pursuant to this Final Order.

12. Adequate Protection Liens.

(a) *Prepetition ABL Adequate Protection Liens.* Subject to the Carve Out as set forth in this Final Order, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Prepetition ABL Parties in the Prepetition Collateral to the extent of any Diminution in Value of such interests in the Prepetition Collateral, the Debtors granted pursuant to the Interim Order, and hereby grant on a final basis, to the Prepetition ABL Agent, for the benefit of itself and the Prepetition ABL Parties, continuing, valid, binding, enforceable, and perfected postpetition security interests in and liens (the “Prepetition ABL Adequate Protection Liens”) on the DIP Collateral (excluding Avoidance Actions or the proceeds thereof); *provided* that the foregoing collateral shall not include assets or property (other than Prepetition Collateral, including Cash Collateral and the proceeds thereof) upon which, and solely to the extent that, the grant of an Adequate Protection Lien (as defined herein) as contemplated in this Final Order, unless otherwise expressly permitted by the terms of the applicable executory contracts and unexpired nonresidential leases, would constitute a default or event of default under any of the Debtors’ contracts or leases (and such default would not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof.

(b) *Prepetition Term Loan Adequate Protection Liens.* Subject to the Carve Out as set forth in this Final Order, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Prepetition Term Loan Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Debtors granted pursuant to the Interim Order, and hereby grant on a final basis, to

the Prepetition Term Loan Agent, for the benefit of itself and the Prepetition Term Loan Parties, valid, binding, enforceable, and perfected postpetition security interests in and liens (the “Prepetition Term Loan Adequate Protection Liens,” and together with the Prepetition ABL Adequate Protection Liens, the “Adequate Protection Liens”) on the DIP Collateral (excluding Avoidance Actions or the proceeds thereof) and the Term Loan Segregated Cash; *provided* that the foregoing collateral shall not include assets or property (other than Prepetition Collateral, including Cash Collateral and the proceeds thereof) upon which, and solely to the extent that, the grant of an Adequate Protection Lien as contemplated in this Final Order, unless otherwise expressly permitted by the terms of the applicable executory contract or unexpired nonresidential leases would constitute a default or event of default under any of the Debtors’ contracts or leases (and such default would not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof.

13. Priority of Adequate Protection Liens.

(a) The Prepetition ABL Adequate Protection Liens shall be subject to the Carve Out as set forth in this Final Order and shall otherwise be junior only to: (i) with respect to the DIP Primary Collateral, (A) the DIP Liens; (B) Permitted Prior Liens; and (C) the Prepetition ABL Liens; and (ii) with respect to the DIP Secondary Collateral, (A) Permitted Prior Liens; (B) the Prepetition Term Loan Liens; (C) the Prepetition Term Loan Adequate Protection Liens; (D) the DIP Liens; and (E) the Prepetition ABL Liens. The Prepetition ABL Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Collateral, subject to the Intercreditor Agreement.

(b) The Prepetition Term Loan Adequate Protection Liens shall be subject to the Carve Out as set forth in this Final Order and shall otherwise be junior only to:

(i) with respect to the DIP Primary Collateral, (A) Permitted Prior Liens, (B) the DIP Liens, (C) the Prepetition ABL Liens, (D) the Prepetition ABL Adequate Protection Liens, and (E) the Prepetition Term Loan Liens; and (ii) with respect to the DIP Secondary Collateral, (A) Permitted Prior Liens, and (B) the Prepetition Term Loan Liens. The Prepetition Term Loan Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Collateral, subject to the Intercreditor Agreement.

(c) Except as provided herein, the Adequate Protection Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter in the Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in any of the Cases or any Successor Cases, or upon the dismissal of any of the Cases or Successor Cases. The Adequate Protection Liens shall not be subject to sections 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the Prepetition Liens or the Adequate Protection Liens.

(d) Notwithstanding anything to the contrary contained herein, solely in the event that holders of Prepetition Secured Obligations are exercising remedies against, or seeking to collect from, any DIP Collateral to satisfy their claims (including any Adequate Protection Superpriority Claims), (i) such holders shall use reasonable efforts to exhaust remedies and collect from the Prepetition Collateral first, and (ii) thereafter, solely as to any allowed Adequate Protection Superpriority Claims and/or Adequate Protection Liens, from DIP Collateral that did not constitute Prepetition Collateral; provided, however, that if Prepetition Collateral is to be sold or otherwise disposed of together with DIP Collateral that does not constitute Prepetition Collateral, then in that scenario the proceeds of such sale or disposition shall be applied in the

manner set forth in (i) and (ii) above. Nothing in this Final Order shall affect the rights of any party to contest or dispute any asserted Adequate Protection Superpriority Claims.

14. Adequate Protection Superpriority Claims.

(a) *Prepetition ABL Superpriority Claim.* As further adequate protection of the interests of the Prepetition ABL Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Prepetition ABL Agent, on behalf of itself and the Prepetition ABL Parties, was granted pursuant to the Interim Order, and is hereby granted on a final basis, subject to the Carve Out, as and to the extent provided by section 507(b) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (the “Prepetition ABL Superpriority Claim”).

(b) *Prepetition Term Loan Superpriority Claim.* As further adequate protection of the interests of the Prepetition Term Loan Parties in the Prepetition Collateral against any Diminution in Value of such interests in the Prepetition Collateral, the Prepetition Term Loan Agent, on behalf of itself and the Prepetition Term Loan Parties, was granted pursuant to the Interim Order, and is hereby granted on a final basis, subject to the Carve Out, as and to the extent provided by section 507(b) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Cases and any Successor Cases (the “Prepetition Term Loan Superpriority Claim,” and together with the Prepetition ABL Superpriority Claim, the “Adequate Protection Superpriority Claims”). Notwithstanding anything to the contrary herein, the Adequate Protection Superpriority Claims shall not be payable from the proceeds of Avoidance Actions.

15. Priority of the Adequate Protection Superpriority Claims. Except as set forth herein, the Adequate Protection Superpriority Claims shall have priority, to the extent provided by section 507(b) of the Bankruptcy Code, over all administrative expense claims and

unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 328, 330, 331, 503(a), 503(b), 507(a) (other than 507(a)(1), 506(c), 507(b), 546(c), 726 (to the extent permitted by law), 1113, and 1114 of the Bankruptcy Code; *provided, however*, the Adequate Protection Superpriority Claims shall be subject to the Carve Out and shall otherwise have priority in the following order: (a) with respect to the DIP Primary Collateral, (1) the DIP Superpriority Claim, (2) the Prepetition ABL Superpriority Claim, and (3) the Prepetition Term Loan Superpriority Claim; and (b) with respect to the DIP Secondary Collateral, (1) the Prepetition Term Loan Superpriority Claim, (2) the DIP Superpriority Claim, and (3) the Prepetition ABL Superpriority Claim. Notwithstanding anything to the contrary herein, the Adequate Protection Superpriority Claims shall not be payable from the proceeds of Avoidance Actions.

16. Adequate Protection Payments and Protections for Prepetition ABL Parties.

As further adequate protection (the “Prepetition ABL Adequate Protection Payments”), the Debtors are authorized and directed, on a final basis, to provide adequate protection to the Prepetition ABL Parties in the form of payment in cash (and as to fees and expenses, without the need for the filing of a formal fee application) of (a) solely to the extent that any Prepetition ABL Obligations remain outstanding after entry of the Interim Order, interest (at the rate in accordance with the provisions of the Prepetition Documents) and principal due under the Prepetition ABL Documents with respect to such remaining Prepetition ABL Obligations, subject to the rights preserved in paragraph 50 below, (b) to the extent not already paid upon entry of the Interim Order, payment of the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of

counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition ABL Agent arising prior to the Petition Date and reimbursable under the Prepetition ABL Documents, including reasonable and documented fees and expenses of (1) Morgan, Lewis & Bockius LLP, (2) McMillan LLP, (3) Berkeley Research Group, LLC and (4) Winstead PC (collectively, the “ABL Advisors”), and (iii) in accordance with the procedures set forth in paragraph 43 hereof, the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition ABL Agent arising subsequent to the Petition Date reimbursable under the Prepetition ABL Documents; *provided, however*, that during the continuation of a DIP Event of Default, any such payments to the Prepetition ABL Parties shall be made solely from the DIP Primary Collateral. Upon entry of this Final Order, the Debtors are further authorized and directed to pay (which may be made through an advance under the DIP ABL Facility) to the Prepetition ABL Agent, for the benefit of the Prepetition ABL Parties, \$500,000 into a non-interest bearing account maintained at JPMorgan Chase Bank, N.A. (the “Prepetition ABL Indemnity Reserve”) to secure contingent indemnification, reimbursement, or similar continuing obligations arising under or related to the Prepetition ABL Documents (the “Prepetition ABL Indemnity Obligations”). The Prepetition ABL Indemnity Reserve shall secure all costs, expenses, and other amounts (including reasonable and documented attorneys’ fees) owed to or incurred by the Prepetition ABL Agent and the Prepetition ABL Lenders related to the Prepetition ABL Documents, the Prepetition ABL Obligations, or the Prepetition ABL Liens granted to the Prepetition ABL Agent, as applicable, whether in these Cases or independently in another forum, court, or venue. The Prepetition ABL Indemnity Obligations shall be secured, and not subject to

the Carve Out, by a first lien on the Prepetition ABL Indemnity Reserve and the funds therein and by a lien on the DIP Collateral and the Prepetition Collateral (subject in all respects to the Intercreditor Agreement). Payments of Prepetition ABL Indemnity Obligations shall be made as and when they arise and paid with the Prepetition ABL Indemnity Reserve, without further notice to or consent from the Debtors, the Committee, or any other parties in interest and without further order of this Court; *provided*, that the rights of parties in interest with Requisite Standing¹¹ to object to any such indemnification claim(s) are hereby reserved in accordance with paragraph 50 hereof and the Prepetition ABL Agent shall provide notice to the Committee of any payments made from the Prepetition ABL Indemnity Reserve within three (3) business days of such payment. The Prepetition ABL Agent (for itself and on behalf of the Prepetition ABL Parties) shall retain and maintain the Prepetition ABL Liens and the Prepetition ABL Adequate Protection Liens granted to the Prepetition ABL Agent as security for the amount of any Prepetition ABL Indemnity Obligations not capable of being satisfied from application of the funds on deposit in the Prepetition ABL Indemnity Reserve. The Prepetition ABL Indemnity Reserve (but not the Prepetition ABL Indemnity Obligations) shall be released and the funds applied in accordance with paragraph 26 of this Final Order at such time as the Prepetition ABL Indemnity Obligations are Paid in Full.

17. Adequate Protection Payments and Protections for Prepetition Term Loan Parties. As further adequate protection (the “Prepetition Term Loan Adequate Protection Payments,” and together with the Prepetition ABL Adequate Protection Payments, the “Adequate Protection Payments”), the Debtors are authorized and directed on a final basis to provide the

¹¹ As used in this Final Order, a party in interest with “Requisite Standing” shall mean a party in interest (including the Committee) that has obtained an order of the Court granting such party derivative standing.

following adequate protection to the Prepetition Term Loan Parties in the form of payment in cash (and as to fees and expenses, without the need for the filing of a formal fee application): (a) to the extent not already paid upon entry of the Interim Order, all overdue accrued and unpaid interest (at the non-default rate) and other amounts (other than principal) due under the Prepetition Term Loan Agreement (whether accrued prior to or after the Petition Date), (b) to the extent not already paid upon entry of the Interim Order, payment of any unpaid reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Prepetition Term Loan Agent and the Prepetition Term Loan Lenders arising prior to the Petition Date and reimbursable under the Prepetition Term Loan Documents, including reasonable and documented fees and expenses of (1) Gibson, Dunn & Crutcher LLP, (2) Houlihan Lokey Capital Inc., (3) Porter Hedges LLP (collectively, the “Term Loan Advisors”); and (4) Clifford Chance (counsel to the Prepetition Term Loan Agent), (c) interest and other amounts, as and when due under the Prepetition Term Loan Agreement, in each case at the non-default rate, and (d) in accordance with the procedures set forth in paragraph 43 hereof, the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of the Term Loan Advisors) arising subsequent to the Petition Date; *provided, however*, that during the continuance of a DIP Event of Default, any such payments to the Prepetition Term Loan Parties shall be made solely from the DIP Secondary Collateral.

18. Additional Adequate Protection for Prepetition Term Loan Parties. As further adequate protection, the Debtors shall provide to the Term Loan Advisors, on behalf of the Prepetition Term Loan Lenders (and concurrently to counsel and financial advisors for the

Committee): (a) continued periodic reporting under the Prepetition Term Loan Credit Agreement; (b) the following enhanced reporting (on a professionals' eyes only or non-cleansing basis) (1) a listing of permanently open store counts (i.e. stores not designated for permanent closure) by banner, updated on a weekly basis, (2) comp sales by banner, updated on a weekly basis, (3) a lease-by-lease summary report describing the status of negotiations and/or proposed sales for any leased properties, updated on a weekly basis, (4) inventory and borrowing base reports, updated on a weekly basis, and (5) any additional reporting delivered to either the DIP Agent or DIP Lenders (or their respective advisors), under the DIP Documents, and (c) access to management (including but not limited to the chief restructuring officer) of the Debtors no less frequently than once every week.

19. Adequate Protection Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided hereunder to the Prepetition Secured Parties is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral. The receipt by the Prepetition Secured Parties of the adequate protection provided herein shall not be deemed an admission that the interests of the Prepetition Secured Parties are adequately protected. Further, this Final Order shall not prejudice or limit the rights of the Prepetition Secured Parties to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection, and all parties in interests' rights are reserved with respect thereto.

**Provisions Common to
DIP Financing and Use of Cash Collateral**

20. Amendment of the DIP Documents. The DIP Documents may from time to time be amended, modified, or supplemented by the parties thereto without further order of the Court if the amendment, modification, or supplement is (a) immaterial or non-adverse to the

Debtors and their estates and (b) in accordance with the DIP Documents. In the case of a material amendment, modification, waiver, or supplement to the DIP Documents that is adverse to the Debtors, their estates, stakeholders or parties in interest (including, for the avoidance of doubt, the Prepetition Term Loan Parties), the Debtors shall provide notice (which may be provided through electronic mail or facsimile) to counsel to the Committee, the Term Loan Advisors, the U.S. Trustee, and the affected parties in interest (the “Notice Parties”) at least five (5) business days prior to the proposed effectiveness of such amendment, modification, or supplement; *provided*, that executed waivers need only be provided to such parties substantially concurrently with the effectiveness thereof; *provided, further, however*, any such material amendment, modification, or supplement that is adverse to the Debtors, their estates, or other creditors shall be filed with the Court, and waiver of compliance with any covenant or extension of the period for compliance shall not be deemed to be adverse to the Debtors or their estates.

21. Budget Maintenance. The use of borrowings and letters of credit under the DIP ABL Facility and the use of Cash Collateral shall be in accordance with the Budget, subject in all respects to the variances set forth in this Final Order and in the DIP ABL Credit Agreement. The Budget shall depict, on a weekly basis and line item basis (i) projected cash receipts, (ii) projected cash disbursements (including ordinary course operating expenses, capital expenditures, bankruptcy-related expenses and certain other fees and expenses, and including expenses relating to the DIP Documents), (iii) net cash flow, (iv) Availability (as defined in the DIP ABL Credit Agreement, (v) total available liquidity, and (vi) professional fees and disbursements with respect to the Debtors’ professionals and other estate professionals, for the first thirteen (13) week period from the Closing Date, and such initial Budget shall be approved by, and in form and substance satisfactory to the DIP Agent, the Required Lenders (as defined in

the DIP ABL Credit Agreement), and holders of Prepetition Term Loan Obligations in an aggregate principal amount equal to or greater than two-thirds of the aggregate principal amount of Prepetition Term Loan Obligations held by all signatories to the RSA (the “Super-Majority Prepetition Term Loan Lenders”), each in their sole discretion (it being acknowledged and agreed that the initial Budget attached hereto has been approved by the DIP Agent, the Required Lenders and the Super-Majority Prepetition Term Loan Lenders). The Budget shall be updated, modified, or supplemented by the Debtors in accordance with the DIP ABL Credit Agreement, but in any event the Budget shall be updated by the Debtors not less than one time in each fiscal month, and shall be transmitted to the Lender Advisors (as defined in the DIP ABL Credit Agreement) and the Term Loan Advisors and publicly posted to the Prepetition Term Loan Agent’s website to all holders of Term Loan Obligations when approved and adopted. Each such updated, modified, or supplemented budget shall be approved in writing (including by email) by, and shall be in form and substance satisfactory to, the DIP Agent, the Required Lenders, and the Steerco-Super Majority Lenders, (each in their sole discretion), and no such updated, modified, or supplemented budget shall be effective until so approved, and once so approved shall be deemed the Budget; *provided, however*, that in the event the parties cannot agree as to an updated, modified or supplemented budget within three (3) business days of such proposed updated, modified or supplemented budget’s delivery to the Lender Advisors and the Term Loan Advisors, such disagreement shall constitute an immediate DIP Event of Default and Cash Collateral Termination Event (each as defined below) once the period covered by the prior approved Budget has terminated, unless a new Budget has been approved by the end of such period, (and at all times thereafter such then-current approved Budget shall remain in effect unless and until a new Budget

is approved by the DIP Agent, the Required Lenders, and the Steerco-Super Majority Lenders).¹² Any updated Budget shall be promptly delivered to counsel and financial advisors to the Committee. No amendments or modifications shall be made to the line items for Committee professionals in the Budget without the express written approval of the Committee.

22. Budget Compliance: Obligations of the Debtors to the DIP Secured Parties.

The Debtors shall at all times comply with the Budget, subject to the variances set forth in the DIP ABL Credit Agreement. The Debtors shall provide all reports and other information as required in the DIP ABL Credit Agreement, and shall concurrently deliver such reporting to counsel and financial advisors for the Committee. The Debtors' failure to comply with the Budget (including the variances set forth in the DIP ABL Credit Agreement) or to provide the reports and other information required in the DIP ABL Credit Agreement shall constitute a DIP Event of Default (as defined herein) following the expiration of any applicable cure period set forth in the DIP ABL Credit Agreement unless waived in accordance with the terms of the DIP ABL Credit Agreement.

23. Budget Compliance: Obligations of the Debtors to the Prepetition Term Loan Parties. On Friday of each week following the Petition Date, the Debtors will deliver to the Term Loan Advisors (and concurrently to counsel and financial advisors to the Committee) a line-item by line-item variance report, setting forth, in reasonable detail, any variances between actual amounts for each line item in the Budget for the Variance Testing Period¹³ versus projected

¹² “Steerco-Super Majority Lenders” means as of the relevant date, one or more holders of Term Loans who are signatories to the RSA that individually or collectively hold at least two-thirds of the aggregate outstanding principal amount of Term Loans that are held by the steering committee of the ad hoc group of Prepetition Term Loan Lenders (which may in all cases be communicated by the Term Loan Advisors via e-mail).

¹³ “Variance Testing Period” means the four-fiscal week calendar period up to and through the Saturday of the fiscal week most recently ended prior to the applicable date of delivery of such variance report (provided that, if less than four-fiscal weeks have transpired since the Petition Date, the Variance

amounts set forth in the applicable Budget for each line-item included therein on a cumulative basis for such Variance Testing Period (for the avoidance of doubt, to be prepared by comparing the sum of the four (4) figures (or less, if the applicable Variance Testing Period has less than four weeks) for each relevant fiscal week for such corresponding line item in the relevant Budget that was in effect in respect of each relevant week at the time). The variance report shall also provide a reasonably detailed explanation (including whether such variance is permanent or temporary in nature or timing related) for any negative variance in such variance report in excess of 10% in actual receipts and any positive variance in such variance report in excess of 10% in actual operating disbursements during the Variance Testing Period (unless the dollar amount corresponding to such percentage variance is less than \$1,000,000) as compared to projections for such corresponding line items during the Variance Testing Period as set forth in the Budget. The Debtors shall at all times comply with the Budget, subject to the following variances: (i) actual operating cash receipts for any four-fiscal week period up to and through the Saturday of the fiscal week most recently ended prior to the applicable variance report delivery date (“Four Week Period”) must not be less than 90% of budgeted operating cash receipts for any such Four Week Period and (ii) the actual cash disbursements (excluding professional fees) for any Four Week Period shall not be greater than 110% of the budgeted cash disbursements for any such Four Week Period; *provided*, that any variance from a prior period as tested against a cumulative budget shall carry forward in the succeeding Four Week Period for purposes of the Budget. Failure to comply with the Budget (including the variances set forth herein) shall constitute an immediate Cash Collateral Termination Event, unless waived by the Requisite Prepetition Term Loan Lenders.

Testing Period shall include the entire period from the Petition Date through the Saturday of the fiscal week most recently ended prior to the applicable Variance Testing Period).

24. Modification of Automatic Stay. The automatic stay imposed under section 362(a)(2) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Final Order, including, without limitation, to: (a) permit the Debtors to grant on a final basis the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims, and Adequate Protection Superpriority Claims; (b) permit the Debtors to perform such acts as the DIP Agent and Prepetition Term Loan Agent may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the DIP Secured Parties, Prepetition ABL Parties, and the Prepetition Term Loan Parties under the DIP Documents, the DIP ABL Facility, the Interim Order, and this Final Order, as applicable; and (d) authorize the Debtors to pay, and the DIP Secured Parties and the Prepetition Secured Parties to retain and apply, payments made in accordance with the terms of the Interim Order, and this Final Order.

25. Perfection of DIP Liens and Adequate Protection Liens. The Interim Order and this Final Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted therein and confirmed herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or mortgage) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to evidence or entitle the DIP Secured Parties and the Prepetition Secured Parties to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agent and each Prepetition Agent is authorized to file, in the applicable registries of deeds and other appropriate public records, as it

in its sole discretion deems necessary or advisable, such financing statements, security agreements, mortgages, leasehold mortgages, notices of liens, and other similar documents to perfect in accordance with applicable non-bankruptcy law or to otherwise evidence the DIP Liens and the Adequate Protection Liens, and all such financing statements, mortgages, leasehold mortgages, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided, however*, that no such filing or recordation shall be necessary or required in order to create or perfect the DIP Liens or the Adequate Protection Liens. The Debtors are authorized and directed to execute and deliver promptly upon demand to the DIP Agent, the Prepetition ABL Agent, and the Prepetition Term Loan Agent, as applicable, all such financing statements, deposit account control agreements, mortgages, leasehold mortgages, notices, and other documents and/or applicable amendments as the DIP Agent, the Prepetition ABL Agent, or the Prepetition Term Loan Agent may reasonably request. Each of the DIP Agent, the Prepetition ABL Agent, and the Prepetition Term Loan Agent, in each of their discretion, may file a photocopy of this Final Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instrument. To the extent that the Prepetition ABL Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party under such documents or to be the loss payee or additional insured, as applicable. The Prepetition ABL Agent shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Final Order, is of a type such

that perfection of a lien therein may be accomplished only by possession or control by a secured party.

26. Application of Proceeds of Collateral. As a condition to the continued extension of credit under the DIP ABL Facility, and the authorization to use Cash Collateral, the Debtors have agreed that as of and commencing on the date of the Interim Hearing, the Debtors shall apply all net proceeds of DIP Collateral (and, solely when released in accordance with the Term Loan Segregated Cash Release Schedule, the Term Loan Segregated Cash) including whether sold in the ordinary course, liquidated pursuant to the Store Closing Motion, or otherwise, as provided in the DIP ABL Credit Agreement (without a reduction in commitments thereunder).

27. Protections of Rights of the Prepetition Secured Parties.

(a) Subject to the Intercreditor Agreement, unless the DIP Agent, Prepetition ABL Agent, and Prepetition Term Loan Agent have each provided their respective prior written consent, or all DIP Obligations, Prepetition ABL Obligations, and Prepetition Term Loan Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been, or contemporaneously will be, Paid in Full and the lending commitments under the DIP ABL Facility have terminated, in any of these Cases, any Successor Cases or the Canadian Cases, the Debtors shall neither seek entry of, nor support any motion or application seeking entry of, and otherwise shall object to any motion or application seeking entry of, any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following: (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral or Prepetition Collateral and/or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition Liens,

the Adequate Protection Liens, and/or the Adequate Protection Superpriority Claims except as expressly set forth in this Final Order or the DIP Documents; (ii) the use of Cash Collateral for any purpose other than as permitted in the DIP Documents and this Final Order; (iii) except as set forth in the DIP Documents, the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor or any creditor's taking any setoff or recoupment against any of its prepetition indebtedness based upon any such return of goods pursuant to section 553 of the Bankruptcy Code or otherwise; or (iv) any modification of any of the DIP Secured Parties' or the Prepetition Secured Parties' rights under this Final Order, the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents with respect any DIP Obligations, Prepetition ABL Obligations, or Prepetition Term Loan Obligations. It shall be an Event of Default under the DIP Documents and a Cash Collateral Termination Event under this Final Order if, in any of these Cases or any Successor Cases, the Debtors take or fail to take any of the actions contemplated with respect to provisions (i) through (iv) of the previous sentence or if any order is entered granting any of the relief enumerated in provisions (i) through (iv) of the previous sentence.

(b) No Debtor (but subject to the rights of parties preserved in paragraph 50) shall object to any DIP Secured Parties, or any Prepetition Secured Parties, credit bidding up to the full amount of the applicable outstanding DIP Obligations and Prepetition Secured Obligations (as applicable), in each case including any accrued interest, fees, and expenses, in any sale of any DIP Collateral or Prepetition Collateral, as applicable, whether such sale is effectuated through sections 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under section 725 of the Bankruptcy Code, or otherwise.

28. Credit Bidding. In connection with any sale process authorized by the

Court, and subject to the rights preserved in paragraph 50, the DIP Secured Parties, Prepetition ABL Parties and Prepetition Term Loan Parties (or any such party's designee) may credit bid, consistent with the applicable DIP Documents and/or Prepetition Documents, some or all of their claims for their respective priority collateral (each a "Credit Bid") to the extent permitted by section 363(k) of the Bankruptcy Code, subject in each case to the rights, duties, and limitations, as applicable, of the parties under the Intercreditor Agreement and the Prepetition Documents, and to the provision of consideration sufficient to pay in full in cash any senior liens on the collateral that is subject to the Credit Bid. Each of the DIP Secured Parties, Prepetition ABL Parties, and Prepetition Term Loan Parties (or any such party's designee) shall each be considered a "Qualified Bidder" with respect to its respective rights to acquire all or any of the assets by Credit Bid.

29. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Cases or any Successor Cases, shall obtain credit or incur debt pursuant to sections 364(b), 364(c), or 364(d) of the Bankruptcy Code or in violation of the DIP Documents at any time prior to the DIP Obligations and Prepetition ABL Obligations being Paid in Full, and the termination of the DIP Secured Parties' obligation to extend credit under the DIP ABL Facility, including subsequent to the confirmation of any plan with respect to any or all of the Debtors and the Debtors' estates, and such facilities are secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Final Order and the DIP Documents.

30. Cash Collection. From and after the date of the entry of the Interim Order, all collections and proceeds of any DIP Primary Collateral or Prepetition ABL Priority Collateral and all Cash Collateral that does not constitute DIP Secondary Collateral (and except as otherwise

set forth in the DIP ABL Credit Agreement) that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall, to the extent required by the DIP Documents, be promptly deposited in the same lock-box and/or deposit accounts into which the collections and proceeds of the Prepetition ABL Priority Collateral were deposited under the Prepetition Documents (or in such other accounts as are designated by the DIP Agent from time to time) (collectively, the “Cash Collection Accounts”), which accounts (except as otherwise set forth in the DIP ABL Credit Agreement) shall be subject to the sole dominion and control of the DIP Agent in accordance with the DIP ABL Credit Agreement (and, for the avoidance of doubt, the DIP Agent shall be authorized to issue notices of exclusive control or similar notices under existing control agreements). All proceeds and other amounts in the Cash Collection Accounts shall be remitted to the DIP Agent for application in accordance with the DIP Documents and this Final Order. Unless otherwise agreed to in writing by the DIP Agent or otherwise provided for herein, or otherwise ordered by the Court, the Debtors shall maintain no accounts except those identified in any cash management order entered by the Court (a “Cash Management Order”). The Debtors and the financial institutions where the Debtors’ Cash Collection Accounts are maintained (including those accounts identified in any Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent. For the avoidance of doubt, Term Loan Segregated Cash shall only be released and deposited into the Cash Collection Accounts in accordance with the Term Loan Segregated Cash Release Schedule.

31. Maintenance of DIP Collateral. Until all DIP Obligations and all Prepetition ABL Obligations are Paid in Full, and the DIP Secured Parties’ obligation to extend

credit under the DIP ABL Facility has terminated, the Debtors shall: (a) insure the DIP Collateral as required under the DIP ABL Facility; and (b) maintain the cash management system in effect as of the Petition Date, as modified by any Cash Management Order that has first been agreed to by the DIP Agent or as otherwise required by the DIP Documents or this Final Order unless such cash management system is modified with the consent of the DIP Agent and the Prepetition Term Loan Agent (such consents not to be unreasonably withheld) or modified as a result of entry of any order by the Court.

32. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral, Prepetition ABL Priority Collateral or Prepetition Term Priority Collateral other than in the ordinary course of business, without (subject to the Intercreditor Agreement) the prior written consent of the DIP Agent, Prepetition ABL Agent or (solely with respect to the DIP Secondary Collateral, including the Term Loan Segregated Cash) the Prepetition Term Loan Agent, as the case may be (and no such consent shall be implied, from any other action, inaction or acquiescence by the DIP Secured Parties, the Prepetition ABL Parties, the Prepetition Term Loan Parties, or from any order of this Court), except as otherwise provided for in the DIP Documents (subject to the Intercreditor Agreement), or otherwise ordered by the Court.

33. DIP Maturity Date. On the DIP Maturity Date: (a) all DIP Obligations shall be immediately due and payable, all commitments to extend credit under the DIP ABL Facility will terminate, other than as may be required in paragraph 47 with respect to the Carve Out, all treasury and cash management, hedging obligations and bank product obligations constituting Obligations (as defined in the DIP ABL Credit Agreement) shall be cash collateralized, and all letters of credit and bankers' acceptances outstanding shall be cash collateralized in an amount

equal to 103% of the face amount thereof, and such cash collateral shall not be subject to or subordinate to the Carve Out; (b) all authority to use DIP Primary Collateral shall cease, *provided, however*, that upon the DIP Maturity Date, the Carve Out shall be funded and available to satisfy then-due Allowed Professional Fees (as defined in paragraph 47 of this Final Order) and (c) upon the expiration of the DIP Remedies Notice Period, the DIP Agent shall be entitled to otherwise exercise rights and remedies under the DIP Documents in accordance with this Final Order (including paragraph 35). For the purposes of this Final Order, the “DIP Maturity Date” shall mean the date that is the earliest of (i) six (6) months after the Effective Date, (ii) the date of the substantial consummation (as defined in Section 1101(2) of the Bankruptcy Code) of an Acceptable Plan, (iii) the date the Court converts any of the Cases to a Chapter 7 case, (iv) the date the Court dismisses any of the Cases, and (v) the date on which the Loan Parties consummate a sale of all or substantially all of the assets of the Loan Parties pursuant to section 363 of the Bankruptcy Code or otherwise,.

34. DIP Events of Default. The occurrence of any of the following events, unless waived by the DIP Agent in advance, in writing, and in accordance with the terms of the DIP ABL Credit Agreement, shall constitute an event of default (collectively, the “DIP Events of Default”): (a) the failure of the Debtors to perform, in any respect, any of the terms, provisions, conditions, covenants, or obligations under this Final Order or any orders of the Canadian Court; (b) the occurrence of a “DIP Event of Default” or “Cash Collateral Termination Event” under this Final Order or an “Event of Default” under the DIP ABL Credit Agreement; or (c) the failure of the Debtors to comply with the Required Milestones attached hereto as **Exhibit 4**.

35. Rights and Remedies Upon DIP Event of Default. Immediately upon the occurrence and during the continuation of a DIP Event of Default, notwithstanding the provisions

of section 362 of the Bankruptcy Code, without any application, motion, or notice to, hearing before, or order from the Court, but subject to the terms of this Final Order (and the DIP Remedies Notice Period), the DIP Agent may declare (any such declaration shall, upon delivery by electronic mail (or other electronic means) to counsel to the Debtors, counsel to the Committee, the Term Loan Advisors, and the U.S. Trustee, be referred to herein as a “DIP Termination Declaration”)

(a) all DIP Obligations owing under the DIP Documents to be immediately due and payable, (b) the termination, reduction, or restriction of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP ABL Facility, (c) the termination of the DIP ABL Facility and the DIP Documents as to any future liability or obligation of the DIP Secured Parties, but without affecting any of the DIP Liens or the DIP Obligations, (d) a termination, reduction, or restriction on the ability of the Debtors to use Cash Collateral (other than Prepetition Term Priority Collateral), (e) solely in the event that the Debtors fail to meet a Sale Milestone (defined in Exhibit 4), the occurrence of the “Agreed Sale Process” (as defined below) and (f) the delivery of the Carve Out Trigger Notice (as defined herein) to the Debtors (as applicable) has occurred, (the date which is the earliest to occur of the Maturity Date and any date a DIP Termination Declaration or Carve Out Trigger Notice is delivered to the Debtors in accordance with this Final Order shall be referred to herein as the “DIP Termination Date”); *provided* that prior to the exercise of any right set forth in clauses (a)-(e), the DIP Agent shall be required to file a motion with the Court using a CM/ECF emergency code seeking emergency relief from the automatic stay (the “Stay Relief Motion”) on at least five (5) business days’ written notice to counsel to the Debtors, counsel to the Prepetition Agents, the Term Loan Advisors, counsel to the Committee, and the U.S. Trustee (the “DIP Remedies Notice Parties”) of the DIP Agent’s intent to exercise its rights and remedies (the “DIP Remedies Notice Period”) and, during

the DIP Remedies Notice Period, the Debtors, the Prepetition Term Loan Parties, and/or the Committee may seek an emergency hearing before the Court to contest the relief requested in the Stay Relief Motion; *provided*, that the burden shall be on any party (other than the Committee, as to whom the burden will be in accordance with applicable law) opposing the exercise of such remedies and/or the Stay Relief Motion, and the DIP Secured Parties shall not be required to satisfy the applicable standard for relief from the automatic stay.

36. Upon the Court's ruling with respect to the Stay Relief Motion, the Court may fashion an appropriate remedy upon a determination that a DIP Event of Default occurred, including that the DIP Agent shall be entitled to exercise all rights and remedies with respect to the DIP Collateral provided for in this Final Order, including the right to foreclose on, or otherwise exercise its rights with respect to all or any portion of the DIP Collateral, as permitted by the Court. In the event that no objections to the Stay Relief Motion are filed by any of the Debtors, the Committee, or the Prepetition Term Loan Parties within the DIP Remedies Notice Period and upon the filing of a certificate of no objection by the DIP Agent, then the DIP Termination Date shall be deemed to have occurred for all purposes and the automatic stay will automatically be modified such that: (a) the DIP Secured Parties shall be entitled to exercise their rights and remedies in accordance with the DIP Documents and this Final Order to satisfy the DIP Obligations, DIP Superpriority Claim, and DIP Liens, subject to the Carve Out (to the extent applicable), including, for the avoidance of doubt, declaring the occurrence of an Agreed Sale Process (as defined herein, and solely in the event that the Debtors fail to meet a Sale Milestone), and (b) the Prepetition ABL Parties shall be entitled to exercise their rights and remedies in accordance with the Prepetition ABL Documents and this Final Order to satisfy the Prepetition ABL Obligations, Prepetition ABL Superpriority Claims, and Prepetition ABL Adequate Protection Liens, subject to the Carve Out

(to the extent applicable). Notwithstanding anything to the contrary herein, the DIP Secured Parties and the Prepetition ABL Parties can only enter upon a leased premises following the issuance of a DIP Termination Declaration (i) as may be ordered by this Court upon motion and notice to the applicable landlord with an opportunity to respond that is reasonable under the circumstances; (ii) with the written consent of the applicable landlord; or (iii) pursuant to rights the DIP Secured Parties and Prepetition ABL Agent have under applicable non-bankruptcy law. Subject to the terms and conditions of this Final Order, and in accordance with the Budget, the Debtors are authorized to use Cash Collateral (other than Prepetition Term Priority Collateral) until the DIP Termination Date; *provided, however*, that during the DIP Remedies Notice Period, the Debtors may use Cash Collateral (other than Prepetition Term Priority Collateral) solely in accordance with the terms and provisions of the Budget.

37. In the event that the DIP Agent declares the occurrence of an Agreed Sale Process (which, for the avoidance of doubt, can occur solely in the event that the Debtors fail to meet a Sale Milestone), the Debtors shall commence a process for a full-chain liquidation (the “Agreed Sale Process”) and (1) following the filing of a motion on an expedited basis, and subject to the availability of the Court, obtain, within three business days after the DIP Remedies Notice Period, entry of an order from the Court, in form and substance approved by the DIP Agent, approving sale procedures with respect to a full-chain liquidation (which, at the Debtors’ option, may include designation of a stalking horse bid, subject to approval of the Court), (2) within seven business days after the DIP Remedies Notice Period, complete an auction for the full-chain liquidation and declare a “successful bidder” for the liquidation on terms and conditions consented to by the DIP Agent, and (3) following the filing of a motion on an expedited basis, and subject to the availability of the Court, obtain, within nine business days after the DIP Remedies Notice

Period, entry of an order of the Court, in form and substance approved by the DIP Agent, approving the store liquidation and commence a full-chain liquidation pursuant to the approved liquidation agreement, the applicable Court sale order and a wind-down budget approved by the Court, reflecting those costs and expenses necessary to consummate an Agreed Sale Process in accordance with applicable law.

38. Cash Collateral Termination Events. Subject to paragraph 39 herein, the Debtors' right to use the Cash Collateral (other than DIP Primary Collateral) pursuant to this Final Order shall terminate without further notice or court proceeding on the date of the occurrence of and continuance of any of the events set forth in **Exhibit 3** attached hereto (each a "Cash Collateral Termination Event," and the date on which such Cash Collateral Termination Event occurs, the "Cash Collateral Termination Date"), unless waived in writing by the Requisite Prepetition Term Loan Lenders.

39. Remedies Upon a Cash Collateral Termination Event. Upon the occurrence or continuation of a Cash Collateral Termination Event, unless such Cash Collateral Termination Event has been waived in writing by the Prepetition Agents, the Prepetition Term Loan Agent may, and any automatic stay (whether arising under section 362 of the Bankruptcy Code or otherwise) is hereby modified, without further notice to, hearing of, or order from this Court, to the extent necessary to permit the Prepetition Term Loan Agent to, upon the delivery of written notice (which may include electronic mail) (the "Cash Collateral Termination Notice") to the counsel to the Debtors, counsel to the DIP Agent, counsel to the Committee, and the U.S. Trustee (the "Cash Collateral Remedies Notice Parties"): (i) terminate and/or revoke the Debtors' right under this Final Order to use any Prepetition Term Priority Collateral (including any remaining Term Loan Segregated Cash); (ii) take any act to create, validate, evidence, attach, or perfect any

lien, security interest, right, or claim in the Prepetition Term Priority Collateral (including any remaining Term Loan Segregated Cash); and (iii) to take any action and exercise all rights and remedies provided to it by this Final Order; provided that prior to the Prepetition Term Loan Agent's exercise of any right in clauses (i)-(iii) of this paragraph, the Prepetition Term Loan Agent shall be required to file a Stay Relief Motion on at least five (5) business days' prior written notice to the Cash Collateral Remedies Notice Parties of the Prepetition Term Loan Agent's intent to exercise its rights and remedies (the "Cash Collateral Remedies Notice Period") and, during the Cash Collateral Remedies Notice Period, the Debtors and the Committee may seek an emergency hearing before the court to contest the relief requested in the Stay Relief Motion; *provided*, that the burden shall be on any party opposing the exercise of such remedies and/or the Stay Relief Motion, and the Prepetition Term Loan Parties shall not be required to satisfy the applicable standard for relief from the automatic stay.

40. Upon the Court's ruling with respect to the Stay Relief Motion, the Court may fashion an appropriate remedy upon a determination that a Cash Collateral Termination Event has occurred, including that the Prepetition Term Loan Agent shall be entitled to exercise all rights and remedies provided for in this Final Order, as permitted by the Court. In the event that no objections to the Stay Relief Motion are filed by any of the Debtors or the Committee within the Cash Collateral Remedies Notice Period, and upon the filing of a certificate of no objection by the Prepetition Term Loan Agent, then the Cash Collateral Termination Date shall be deemed to have occurred for all purposes and the automatic stay as to the Prepetition Term Loan Parties will automatically be modified such that the Debtors' right to use Cash Collateral (other than DIP Primary Collateral) pursuant to this Final Order shall terminate, and the Prepetition Term Loan Parties shall be permitted to exercise any right set forth in clauses (i)-(iii) of paragraph 39.

41. Notwithstanding anything to the contrary herein, the Prepetition Term Loan Agent can only enter upon a leased premises following the occurrence of a Cash Collateral Termination Event (i) as may be ordered by this Court upon motion and notice to the applicable landlord with an opportunity to respond that is reasonable under the circumstances; (ii) with the written consent of the applicable landlord; or (iii) pursuant to rights the Prepetition Term Loan Agent has under applicable non-bankruptcy law. Subject to the terms and conditions of this Final Order, and in accordance with the Budget, the Debtors are authorized to use Prepetition Term Priority Collateral until the Cash Collateral Termination Date; *provided, however*, that during the Cash Collateral Remedies Notice Period, the Debtors may use Prepetition Term Priority Collateral solely in accordance with the terms and provisions of the Budget.

42. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order. The DIP Secured Parties and Prepetition ABL Parties have acted at arms' length in good faith in connection with this Final Order and are entitled to, and may rely upon, the protections granted herein and by sections 364(e) and 363(m) of the Bankruptcy Code, as applicable.

43. DIP Fees, and Other Expenses. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees and out of pocket expenses of the DIP Agent in connection with the DIP ABL Facility, whether or not the transactions contemplated hereby are consummated, including reasonable and documented attorneys' fees, monitoring and appraisal fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of reasonable and documented fees and expenses of (1) Morgan, Lewis & Bockius LLP, (2) McMillan LLP, (3) Berkeley Research Group, LLC and (4) Winstead PC (the "DIP Advisors," and together with the ABL Advisors, the "Lender

Advisors”), subject to the review procedures set forth in this paragraph 43. Subject to the review procedures set forth in this paragraph 43, payment of all reasonable and documented invoiced out-of-pocket fees and expenses provided for herein as adequate protection shall not be required to comply with the U.S. Trustee guidelines or file fee applications with the Court with respect to any fees or expenses payable herein, may be in summary form only (and shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine), and shall be provided to counsel to the Debtors, the Committee, and the U.S. Trustee (the “Fee Notice Parties”). If no objection to payment of the requested fees and expenses is made in writing by any of the Fee Notice Parties within ten business days after delivery of such invoices (the “Fee Objection Period”), then, without further order of, or application to, the Court or notice to any other party, such fees and expenses shall be promptly paid by the Debtors and, in any case, within ten business days. If an objection is made by any of the Fee Notice Parties within the Fee Objection Period to payment of the requested fees and expenses, then only the disputed portion of such fees and expenses shall not be paid until the objection is resolved by the applicable parties in good faith or by order of the Court, and the undisputed portion shall be promptly paid by the Debtors. Payments of any amounts set forth in this paragraph 43 shall not be subject to recharacterization, subordination, or disgorgement, unless expressly provided herein.

44. Indemnification. The Debtors shall indemnify and hold harmless the DIP Secured Parties in accordance with the terms and conditions of the DIP ABL Credit Agreement. Upon the earlier of the (a) payment in full in cash of the DIP Obligations or

(b) conclusion of the Remedies Notice Period, the Debtors shall pay \$500,000.00 from proceeds of the DIP Primary Collateral into an indemnity account (the “DIP Indemnity Account”) subject to first priority liens of the DIP Agent, for the benefit of the DIP Secured Parties. The DIP Indemnity Account shall be released and the funds applied in accordance with paragraph 26 of this Final Order upon the DIP Obligations being Paid in Full.

45. Proofs of Claim. Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of the Cases or any Successor Cases to the contrary, the DIP Secured Parties, the Prepetition ABL Parties, and the Prepetition Term Loan Parties will not be required to file proofs of claim in any of the Cases or Successor Cases for any claims arising under the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents. The Debtors’ stipulations, admissions, and acknowledgments and the provisions of this Final Order shall be deemed to constitute a timely filed proof of claim for the DIP Secured Parties, the Prepetition ABL Parties, and the Prepetition Term Loan Parties with regard to all claims arising under the DIP Documents, the Prepetition ABL Documents, or the Prepetition Term Loan Documents, as the case may be. Notwithstanding the foregoing, the Prepetition ABL Agent on behalf of itself and the Prepetition ABL Parties, and the Prepetition Term Loan Agent on behalf of itself and the Prepetition Term Loan Parties, are hereby authorized and entitled, in their sole discretion, but not required, to file (and amend and/or supplement, as it sees fit) a proof of claim and/or aggregate or master proofs of claim in each of the Cases or Successor Cases for any claim described herein (with any such aggregate or master proof of claim filed in any of the Cases deemed to be filed in all Cases of each of the Debtors and asserted against all of the applicable Debtors). Any proof of claim filed by the Prepetition ABL Agent or the Prepetition Term Loan Agent shall be deemed to be in addition to and not in lieu of any other proof

of claim that may be filed by any of the Prepetition ABL Parties or Prepetition Term Loan Parties. Any order entered by the Court in relation to the establishment of a bar date in any of the Cases or Successor Cases shall not apply to any claim of the DIP Secured Parties, the Prepetition ABL Parties, or the Prepetition Term Loan Parties. The provisions set forth in this paragraph are intended solely for the purpose of administrative convenience and shall not affect the substantive rights of any party-in-interest or their respective successors-in-interest.

46. Rights of Access and Information. Without limiting the rights of access and information afforded the DIP Secured Parties (under the DIP Documents) or the Prepetition Term Loan Parties (under the Prepetition Term Loan Documents), the Debtors shall be, and hereby are, required to afford representatives, agents and/or employees of the DIP Agent (and so long as a DIP Event of Default has occurred and is continuing, each DIP Lender) and representatives, agents, and/or employees of the Prepetition Term Loan Agent reasonable access to the Debtors' premises and their books and records in accordance with the DIP Documents and Prepetition Documents, as applicable, and shall reasonably cooperate, consult with, and provide to such persons all such information as may be reasonably requested. In addition, the Debtors authorize their independent certified public accountants, financial advisors, investment bankers and consultants to provide to the DIP Agent (and so long as a DIP Event of Default has occurred and is continuing, each DIP Lender) and Prepetition Term Loan Agent (subject to the Prepetition Term Loan Documents) all such information as may be reasonably requested with respect to the business, results of operations and financial condition of any of the Debtors.

47. Carve Out.

(a) Carve Out. As used in this Final Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United

States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$100,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses, other than any restructuring, sale, success, or other transaction fee of any investment bankers or financial advisors of the Debtors or the Committee¹⁴ (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and the Committee pursuant to section 328 or 1103 of the Bankruptcy Code (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the DIP ABL Agent or the Prepetition Term Loan Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$2,000,000.00 incurred after the first business day following delivery by the DIP ABL Agent or Prepetition Term Loan Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”).¹⁵ For purposes of the foregoing, “Carve Out Trigger Notice”

¹⁴ Any fee due and payable upon consummation of a transaction shall be payable solely from the proceeds received by the Debtors resulting from such transaction, and provided that the terms and amount of any such fees shall have been disclosed to the DIP Agent in writing reasonably promptly after the same are agreed to by the Debtors, such fees shall be paid free and clear of the liens of the DIP Agents and the DIP Lenders.

¹⁵ Notwithstanding the foregoing, up to \$500,000 of the Post-Carve Out Trigger Notice Cap may be used to pay Allowed Professional Fees of Professional Persons incurred prior to the delivery of a Carve Out Trigger Notice to the extent such Allowed Professional Fees exceed the ABL Professional Fee Carve Out Cap (as defined below).

shall mean a written notice delivered by email (or other electronic means) by the DIP Agent or Prepetition Term Loan Agent to the Debtors, their lead restructuring counsel, counsel to the DIP Agent or Prepetition Term Loan Agent (whichever entity is not delivering the Carve Out Trigger Notice), the U.S. Trustee, and counsel to the Committee, which notice may be delivered following the occurrence and during the continuation of a DIP Event of Default and acceleration of the DIP Obligations under the DIP ABL Facility or during the continuation of a Cash Collateral Termination Event and upon termination of the Debtors' right to use Cash Collateral by the Prepetition ABL Agent (with respect to DIP Primary Collateral) and the Prepetition Term Loan Agent (with respect to DIP Secondary Collateral), stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Fee Estimates. Not later than 7:00 p.m. New York time on the third business day of each week starting with the first full calendar week following the Petition Date, each Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses (collectively, "Estimated Fees and Expenses") incurred during the preceding week by such Professional Person (through Saturday of such week, the "Calculation Date"), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a "Weekly Statement"); *provided, that* within one business day of the occurrence of the Termination Declaration Date (as defined below), each Professional Person shall deliver one additional statement (the "Final Statement") setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the

Termination Declaration Date (and the Debtors shall cause such Weekly Statement and Final Statement to be delivered on the same day received to the DIP ABL Agent and Prepetition Term Loan Agent). If any Professional Person fails to deliver a Weekly Statement within three calendar days after such Weekly Statement is due, such Professional Person's entitlement (if any) to any funds in the Carve Out Reserves (as defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Budget for such period for such Professional Person; *provided, that* such Professional Person shall be entitled to be paid any unpaid amount of Allowed Professional Fees in excess of Allowed Professional Fees included in the Budget for such period for such Professional Person from a reserve to be funded by the Debtors from all cash on hand as of such date and any available cash thereafter held by any Debtor pursuant to paragraph 47(c) below, to the extent of any such funds held therein. Solely as it relates to the DIP Secured Parties and the Prepetition ABL Parties, any deemed draw and borrowing pursuant to paragraph 47(c)(i)(x) for amounts under paragraph 47(a)(iii) above shall be limited to the greater of (x) the sum of (I) the aggregate unpaid amount of Estimated Fees and Expenses included in such Weekly Statements timely received by the Debtors prior to the Termination Declaration Date *plus*, without duplication, (II) the lesser of (1) the aggregate unpaid amount of Estimated Fees and Expenses included in the Final Statements timely received by the Debtors pertaining to the period through and including the Termination Declaration Date and (2) the Budgeted Cushion Amount (as defined below), and (y) the aggregate unpaid amount of Allowed Professional Fees included in the Budget for the period prior to the Termination Declaration Date (such amount, the "ABL Professional Fee Carve Out Cap"). For the avoidance of doubt, the DIP Agent shall be entitled to

maintain at all times a reserve (the “Carve-Out Reserve”) in an amount (the “Carve-Out Reserve Amount”) equal to the sum of (i) the greater of (x) the aggregate unpaid amount of Estimated Fees and Expenses included in all Weekly Statements timely received by the Debtors, and (y) the aggregate amount of Allowed Professional Fees contemplated to be unpaid in the Budget at the applicable time, *plus* (ii) the Post-Carve Out Trigger Notice Cap, *plus* (iii) the amounts contemplated under paragraph 47(a)(i) and 47(a)(ii) above, *plus* (iv) an amount equal to the amount of Allowed Professional Fees set forth in the Budget for the then current week occurring after the most recent Calculation Date and the two weeks succeeding such current week (such amount set forth in (iv), regardless of whether such reserve is maintained, the “Budgeted Cushion Amount”). In addition, the DIP Agent shall be entitled to maintain a reserve in the amount of a reasonable estimate of other amounts that may be included in the Carve Out or that are or may be payable from any proceeds of a transaction (as described in the footnote set forth above), including amounts which are or may become payable to any investment bankers or financial advisors of the Debtors or the Committee. Not later than 7:00 p.m. New York time on the fourth business day of each week starting with the first full calendar week following the Petition Date, the Debtors shall deliver to the DIP Agent (and concurrently to counsel and financial advisors for the Committee) a report setting forth the Carve-Out Reserve Amount as of such time, and, in setting the Carve-Out Reserve, the DIP Agent shall be entitled to rely upon such reports in accordance with the DIP ABL Credit Agreement. Prior to the delivery of the first report setting forth the Carve-Out Reserve Amount, the DIP Agent shall calculate the Carve-Out Reserve Amount by reference to the Budget for subsection (i) of the Carve-Out Reserve Amount.

(c) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by either the DIP Agent or Prepetition Term Loan Agent to the Debtors with a

copy to counsel to the Committee (the “Termination Declaration Date”), the Carve Out Trigger Notice (i) shall be deemed a draw request and notice of borrowing by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement in an amount equal to the sum of (x) the amounts set forth in paragraphs 47(a)(i) and 47(a)(ii) above, and (y) the then unpaid amounts of the Allowed Professional Fees up to the ABL Professional Fee Carve Out Cap (any such amounts actually advanced shall constitute DIP ABL Loans) and (ii) shall also constitute a demand to the Debtors, and authorization for the Debtors, to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the sum of the amounts set forth in paragraphs 47(a)(i) and 47(a)(ii), and then unpaid amounts of the Allowed Professional Fees (which cash amounts shall reduce, on a dollar for dollar basis, the draw requests and applicable DIP ABL Loans pursuant to the forgoing clause (i) of this paragraph (c)). The Debtors shall deposit and hold such amounts in a segregated account at the DIP Agent in trust in respect of amounts funded by the DIP Lenders and, if applicable, the cash on hand exclusively to pay such unpaid Allowed Professional Fees (each, a “Pre-Carve Out Trigger Notice Reserve”) prior to any and all other claims. On the Termination Declaration Date, the Carve Out Trigger Notice (i) shall also be deemed a request by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement in an amount equal to the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP ABL Loans), and (ii) shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (which cash amounts shall reduce, on a dollar for dollar basis, the draw requests and applicable DIP ABL Loans pursuant to the foregoing clause (i) of this sentence of this paragraph (c)). The Debtors shall deposit and hold such amounts in a segregated account at

the DIP Agent in trust in respect of amounts funded by the DIP Lenders and, if applicable, cash on hand exclusively to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (each, a “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve(s), the “Carve Out Reserves”) prior to any and all other claims. On the first business day following the Termination Declaration Date and the deemed requests for the making of DIP ABL Loans as provided in this paragraph (c), notwithstanding anything in the DIP ABL Credit Agreement to the contrary, including with respect to (1) the existence of a Default (as defined in the DIP ABL Credit Agreement) or Event of Default, (2) the failure of the Debtors to satisfy any or all of the conditions precedent for the making of any DIP ABL Loan under the DIP ABL Credit Agreement, (3) any termination of the Commitments (as defined in the DIP ABL Credit Agreement) following an Event of Default, or (4) the occurrence of a DIP Termination Date, each DIP Lender with an outstanding Commitment shall make available to the DIP Agent, such DIP Lender’s *pro rata* share of such DIP ABL Loans.

(d) Application of Carve Out Reserves.

(i) All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in subparagraphs (a)(i) through (a)(iii) of the definition of Carve Out set forth above (the “Pre-Carve Out Amounts”), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full. If after payment in full of the Pre-Carve Out Amounts, the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii) below, all remaining funds in the account funded by (x) the DIP Lenders and/or from proceeds of DIP Primary Collateral shall be distributed (A) *first*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, (B) *second*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until

such obligations have been Paid in Full, and (C) *third*, to the Prepetition Term Loan Agent on account of the Secured Obligations (as defined in the Prepetition Term Loan Agreement) until such obligations have been Paid in Full; and (y) the proceeds of DIP Secondary Collateral shall be distributed (A) *first*, to the Prepetition Term Loan Agent which shall apply such funds to the Secured Obligations (as defined in the Prepetition Term Loan Agreement) in accordance with the Prepetition Term Loan Agreement until such obligations have been Paid in Full, (B) *second*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, and (C) *third*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full.

(ii) All funds in the Post-Carve Out Trigger Notice Reserve (other than up to \$500,000, which may be used to pay Pre-Carve-Out Amounts to the extent they exceed the ABL Professional Fee Carve-Out Cap) shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth in paragraph 47(a) above (the “Post-Carve Out Amounts”). If, after such application, the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii) below, all remaining funds in the account funded by (x) the DIP Lenders and/or from proceeds of DIP Primary Collateral shall be distributed (A) *first*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, (B) *second*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full, and (C) *third*, to the Prepetition Term Loan Agent on account of the Secured Obligations (as defined in the Prepetition Term Loan Agreement) until such obligations have been Paid in Full; and (y) the proceeds of DIP Secondary Collateral shall be distributed (A) *first*, to the Prepetition Term Loan Agent which shall apply such funds to the Secured Obligations (as defined in the Prepetition Term Loan Agreement)

in accordance with the Prepetition Term Loan Agreement until such obligations have been Paid in Full, (B) *second*, to the DIP Agent on account of the DIP Obligations until such obligations have been Paid in Full, and (C) *third*, to the Prepetition ABL Agent on account of the Obligations (as defined in the Prepetition ABL Agreement) until such obligations have been Paid in Full.

(iii) Notwithstanding anything to the contrary in the DIP Documents or this Final Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 47, then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding prior to making any payments to the DIP Agent or the Prepetition Term Loan Lenders, as applicable.

(iv) Notwithstanding anything to the contrary in the DIP Documents or this Final Order, following delivery of a Carve Out Trigger Notice, the DIP Agent and the Prepetition Term Loan Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid as provided in subparagraphs (i), (ii), and (iii) above of this paragraph 47(d).

(v) Notwithstanding anything to the contrary in this Final Order, (A) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out with respect to any shortfall (as described below), and (B) subject to the limitations with respect to the DIP Secured Parties and the Prepetition ABL Parties set forth in paragraph 47(b) above with respect to the ABL Professional Fee Carve Out Cap, in no way shall any Budget, Carve Out, Post-Carve Out Trigger Notice Cap or Carve Out Reserves be

construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Final Order, or in the DIP ABL Facility, or in any Prepetition Secured Facilities, the Carve Out shall be senior to all liens and claims securing the DIP ABL Facility, the Adequate Protection Liens, and the Adequate Protection Superpriority Claims, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the obligations under the Prepetition Loan Documents.

(e) No Direct Obligation To Pay Allowed Professional Fees. None of the DIP Secured Parties and the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP Secured Parties or Prepetition Secured Parties in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(g) Payment of Carve Out On or After the Termination Declaration Date. Following the delivery of the Carve Out Trigger Notice, all Allowed Professional Fees shall be paid from the applicable Carve Out Reserve, and no Professional Person shall seek payment of any Allowed Professional Fees from any other source until the applicable Carve Out Reserve has been exhausted. Any payment or reimbursement made on or after the occurrence of the

Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Final Order, the DIP Documents, the Bankruptcy Code, and applicable law.

48. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve Out. The DIP ABL Facility, the DIP Collateral, the Prepetition Collateral (including the Term Loan Segregated Cash), the Cash Collateral, and the Carve Out may not be used in connection with: (a) paying any prepetition claim except in accordance with the Budget, (b) preventing, hindering, or delaying any of the DIP Secured Parties or the Prepetition Secured Parties' permitted enforcement or realization upon any of the DIP Collateral or Prepetition Collateral; (c) using or seeking to use Cash Collateral except as provided for in this Final Order and the DIP Documents; (d) selling or otherwise disposing of DIP Collateral without the consent of the DIP Agent or Prepetition Collateral without the consent of the Prepetition Agents; (e) using or seeking to use any insurance proceeds constituting DIP Collateral except as provided for in this Final Order and the DIP Documents (subject to the Intercreditor Agreement) without the consent of the DIP Agent, Prepetition ABL Agent or the Prepetition Term Loan Agent (in the case of DIP Secondary Collateral); (f) incurring Indebtedness (as defined in the DIP ABL Credit Agreement) without (i) the prior consent of the DIP Agent, except to the extent permitted under the DIP ABL Credit Agreement and (ii) the prior written consent of the Prepetition Term Loan Agent; (g) seeking to amend or modify any of the rights granted to the DIP Secured Parties or the Prepetition Secured Parties under this Final Order, the DIP Documents, or the Prepetition Documents, including seeking to use Cash Collateral and/or DIP Collateral on a contested basis; (h) objecting to or

challenging in any way the DIP Liens, DIP Obligations, Prepetition Liens, Prepetition Secured Obligations, DIP Collateral (including Cash Collateral) or, as the case may be, Prepetition Collateral, or any other claims or liens, held by or on behalf of any of the DIP Secured Parties or the Prepetition Secured Parties, respectively; (i) asserting, commencing, or prosecuting any claims or causes of action whatsoever, including any actions under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions to recover or disgorge payments, against any of the DIP Secured Parties, the Prepetition Secured Parties, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees; (j) litigating, objecting to, challenging, or contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the DIP Obligations, the DIP Liens, the Prepetition Liens, Prepetition Secured Obligations, or any other rights or interests of any of the DIP Secured Parties or the Prepetition Secured Parties; or (k) seeking to subordinate, recharacterize, disallow, or avoid the DIP Obligations, or the Prepetition Secured Obligations; *provided, however*, that the Carve Out and such collateral proceeds and loans under the DIP Documents may be used for allowed fees and expenses, in an amount not to exceed \$150,000 in the aggregate (the “Investigation Budget Amount”), incurred solely by the Committee, in investigating (but not prosecuting or challenging), the Prepetition Lien and Claim Matters (as defined herein).

49. Payment of Compensation. Nothing herein shall be construed as a consent to the allowance of any professional fees or expenses of any Professional Person or shall affect the right of the DIP Secured Parties or the Prepetition Secured Parties to object to the allowance and payment of such fees and expenses. The Debtors shall be permitted to pay fees and expenses allowed and payable by final order (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code, as the same may be due

and payable.

50. Effect of Stipulations on Third Parties.

(a) *Generally.* The admissions, stipulations, agreements, releases, and waivers set forth in paragraph F of this Final Order (collectively, the “Prepetition Lien and Claim Matters”) are and shall be binding on the Debtors, any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including the Committee, unless and to the extent that a party in interest with Requisite Standing has properly filed an adversary proceeding or contested matter under the Bankruptcy Rules (other than the Debtors, as to which any Challenge (as defined below) is irrevocably waived and relinquished) and (i) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 50) challenging the Prepetition Lien and Claim Matters (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a “Challenge”) by no later than the earlier of (I) October 26, 2020 or (II) the entry of an order confirming a plan of the Debtors or the sale of all or substantially all the assets of the Debtors (as applicable, the “Challenge Deadline”), as such applicable date may be extended in writing (email is sufficient) from time to time in the sole discretion of the Prepetition ABL Agent (with respect to the Prepetition ABL Documents) and the Prepetition Term Loan Agent (with respect to the Prepetition Term Loan Documents), or by this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline, and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely and properly commenced Challenge proceeding and any such

judgment has become a final judgment that is not subject to any further review or appeal. Notwithstanding anything contained herein to the contrary, the Challenge Deadline in subparagraph (I) above will be tolled for the Committee if it formally moves for an order of this Court conferring standing or authority (the “Standing Motion”) prior to the Challenge Deadline, from the date the Committee so moves until such time as standing is granted or denied pursuant to an order of the Court with regard to such Standing Motion; *provided*, that the Challenge Deadline: (a) will only be tolled if such Standing Motion attaches a proposed complaint identifying the specific Challenge(s) that the Committee proposes to assert and the defendant(s) against whom such Challenge(s) are proposed to be asserted, and (b) will only be tolled with respect to such Challenge(s) and defendant(s) specifically identified therein. Nothing herein shall limit the Committee’s ability to (x) file a timely Standing Motion in respect of any timely Challenge for which it cannot obtain standing as a matter of law because the applicable Debtor is a limited liability company (an “LLC Challenge Motion”), and (y) seek pursuant to such LLC Challenge Motion a mechanism by which to prosecute such Challenge, provided that the Committee otherwise satisfies the requirements set forth in this paragraph 50(a). In the event the Committee files a timely LLC Challenge Motion for which it cannot obtain standing, and provided that the Committee otherwise satisfies the requirements set forth in this paragraph 50(a), the expiration of the Challenge Deadline solely for the specific Challenge set forth in the LLC Challenge Motion, and solely as to the defendant(s) named therein, shall be tolled pending further order of the Court, and applicable parties shall meet and confer with respect to an appropriate process (if any) for the prosecution of any such Challenge. If timely notified of a Challenge for which the Committee cannot gain standing because the applicable Debtor is a limited liability company, the Debtors (or a designated representative) shall, to the extent permitted by applicable law, retain the authority to

prosecute such Challenge in the exercise of their business judgment and subject to any applicable further order of the Court. Notwithstanding the foregoing, the Debtors, the DIP Secured Parties and the Prepetition Secured Parties each reserve the right to contest any LLC Challenge Motion filed by the Committee.

(b) *Binding Effect.* To the extent no Challenge is timely commenced by the Challenge Deadline, or to the extent such proceeding does not result in a final and non-appealable judgment or order of this Court that is inconsistent with the Prepetition Lien and Claim Matters, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Prepetition Lien and Claim Matters shall, pursuant to this Final Order, become binding, conclusive, and final on any person, entity, or party in interest in the Cases, and their successors and assigns, and in any Successor Case for all purposes and shall not be subject to challenge or objection by any party in interest, including a trustee, responsible individual, examiner with expanded powers, or other representative of the Debtors' estates. Notwithstanding anything to the contrary herein, if any such proceeding is timely commenced, the Prepetition Lien and Claim Matters shall nonetheless remain binding on all other parties in interest and preclusive as provided in subparagraph (a) above except to the extent that any of such Prepetition Lien and Claim Matters is expressly the subject of a timely filed Challenge, which Challenge is successful as set forth in a final judgment as provided in subparagraph (a) above, and only as to plaintiffs or movants that have complied with the terms hereof. To the extent any such Challenge proceeding is timely and properly commenced, the Prepetition Secured Parties shall be entitled to payment of the related costs and expenses, including, but not limited to, reasonable attorneys' fees, incurred under the Prepetition Documents in defending themselves in any such proceeding as adequate protection. Upon a successful

Challenge brought pursuant to this paragraph 50, the Court may fashion any appropriate remedy.

51. No Third Party Rights. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, or incidental beneficiary.

52. Section 506(c) Claims. No costs or expenses of administration which have been or may be incurred in the Cases at any time shall be charged against the DIP Secured Parties, the Prepetition Secured Parties, or any of their respective claims, the DIP Collateral, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the DIP Secured Parties or the Prepetition Secured Parties, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence by any such parties.

53. No Marshaling/Applications of Proceeds. Except as specifically set forth herein, the DIP Secured Parties and the Prepetition Secured Parties shall not be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral, as the case may be, and proceeds shall be received and applied pursuant to this Final Order and the DIP Documents (but subject to the Intercreditor Agreement), notwithstanding any other agreement or provision to the contrary.

54. Section 552(b). The Prepetition Secured Parties shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties, with respect to proceeds, products, offspring or profits of any of the Prepetition Collateral.

55. Access to DIP Collateral. Upon expiration of the Remedies Notice Period, the DIP Secured Parties and the Prepetition ABL Parties, subject to the Intercreditor Agreement,

shall be permitted to (a) access and recover any and all DIP Primary Collateral, and (b) enter onto any leased premises of any Debtor that constitutes DIP Primary Collateral and exercise all of the Debtors' rights and privileges as lessee under such lease in connection with an orderly liquidation of the DIP Primary Collateral, *provided, however*, in the case of clause (b), the DIP Secured Parties and/or Prepetition ABL Parties can only enter upon a leased premises after expiration of the DIP Remedies Notice Period and/or DIP Event of Default in accordance with (i) a separate written agreement by and between the DIP Secured Parties or the Prepetition ABL Parties, as applicable, and any applicable landlord, (ii) pre-existing rights of the DIP Secured Parties or the Prepetition ABL Parties, as applicable, and any applicable landlord under applicable non-bankruptcy law, (iii) consent of the applicable landlord, or (iv) entry of an order of this Court obtained by motion of the applicable DIP Secured Party or Prepetition ABL Party on such notice to the landlord as shall be required by this Court; *provided, however*, solely with respect to rent due to a landlord of any such leased premises, the DIP Secured Parties and/or the Prepetition ABL Parties, as applicable, shall be obligated only to reimburse the Debtors for the payment of rent of the Debtors that first accrues after delivery of the DIP Termination Declaration in accordance with paragraph 35 herein that is payable during the period of such occupancy by the DIP Secured Parties and/or Prepetition ABL Parties, as applicable, calculated on a daily per diem basis; *provided, further*, that nothing herein shall relieve the Debtors of their obligations pursuant to section 365(d)(3) of the Bankruptcy Code for the payment of postpetition rent and other charges under any lease of non residential real property through and including any assumption and/or rejection of any lease. Nothing herein shall require the DIP Secured Parties or the Prepetition ABL Parties to assume any lease as a condition to the rights afforded in this paragraph.

56. Limits on Lender Liability. Nothing in the Interim Order, this Final Order

any of the DIP Documents, the Prepetition Documents, or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these Cases. The DIP Secured Parties and the Prepetition Secured Parties shall not, solely by reason of having made loans under the DIP ABL Facility or the Prepetition Documents or permitted the use of Cash Collateral, be deemed in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in the Interim Order, this Final Order or the DIP Documents, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties or any of the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

57. Insurance Proceeds and Policies. Upon entry of the Interim Order and to the fullest extent provided by applicable law, the DIP Agent (on behalf of the DIP Secured Parties), the Prepetition ABL Agent (on behalf of the Prepetition ABL Parties), and the Prepetition Term Loan Agent (on behalf of the Prepetition Term Loan Parties), were, and shall continue to be, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

58. Joint and Several Liability. Nothing in this Final Order shall be construed to constitute a substantive consolidation of any of the Debtors’ estates, it being understood,

however, that the Debtors shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP ABL Facility and the DIP Documents.

59. No Superior Rights of Reclamation. Based on the findings and rulings herein regarding the integrated nature of the DIP ABL Facility and the Prepetition ABL Documents, the right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien; rather, any such alleged claims arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens as such claim had with the Prepetition ABL Liens.

60. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, subject to the Prepetition Documents and the Intercreditor Agreement: (a) the DIP Secured Parties' and Prepetition Secured Parties' right to seek any other or supplemental relief in respect of the Debtors; (b) any of the rights of any of the DIP Secured Parties and/or the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Cases or Successor Cases, conversion of any of the Cases to cases under Chapter 7, or appointment of a Chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a Chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Secured Parties or Prepetition Secured Parties.

61. Taxing Authorities. Notwithstanding any other provisions included in the

DIP ABL Credit Agreement, this Final Order, any agreements approved hereby, or any other orders in these Cases, any statutory liens (collectively, the “Tax Liens”) of the Taxing Authorities¹⁶ shall not be primed by nor made subordinate to any liens granted to any party hereby to the extent such Tax Liens are valid senior, perfected, and unavoidable, and all parties’ rights to object to the priority, validity, amount, and extent of the claims and liens asserted by the Taxing Authorities are fully preserved. Furthermore, to the extent the Debtors seek to conduct going-out-of-business sales with respect to any of the Debtors’ assets located in the state of Texas (or seek to sell any other assets located in the state of Texas), the rights of the Taxing Authorities are hereby preserved with respect to any requests for adequate protection or the segregation of any funds associated with such sales, and all such requests shall be addressed in connection with such sales notwithstanding anything to the contrary stated herein.

62. Consignment of Inventory. Notwithstanding anything to the contrary set

¹⁶ As used in this Final Order, “Taxing Authorities” shall include: Alief Independent School District; Allen Independent School District; Arlington Independent School District; Baybrook Municipal Utility District #1; Bexar County, Texas; Brazoria County Municipal Utility District #35; Brazoria County Tax Office; Carrollton-Farmers Branch Independent School District; Celina Independent School District; Central Appraisal District of Taylor County; Cinco Municipal Utility District #12; City of Allen, Texas; City of El Paso, Texas; City of Fairview, Texas; City of Frisco, Texas; City of Garland, Texas; City of Highland Village, Texas; City of Houston, Texas; City of McAllen, Texas; City of University Park, Texas; City of Waco and/or Waco Independent School District; Clear Creek Independent School District; the County of Brazos, Texas; the County of Comal, Texas; the County of Denton, Texas; the County of Williamson, Texas; Crowley Independent School District; Cypress-Fairbanks Independent School District; Dallas County, Texas; Fort Bend County, Texas; Fort Bend Independent School District; Fort Bend Levee Improvement District #2; Frisco Independent School District; Garland Independent School District; Grapevine-Colleyville Independent School District; Harris County Water Control & Improvement District #116; Harris County, Texas; Hidalgo County, Texas; Highland Park Independent School District; Irving Independent School District; Jefferson County, Texas; Klein Independent School District; Lewisville Independent School District; Lubbock Central Appraisal District, Texas; the Maricopa County Treasurer; McClennan County, Texas; Midland Central Appraisal District; Midland County, Texas; Montgomery County, Texas; Nueces County, Texas; Randall County Tax Office; Rockwall Central Appraisal District; Smith County, Texas; Spring Branch Independent School District; Tarrant County, Texas; Tax Appraisal District of Bell County; the Town of St. Paul, Texas; Tyler Independent School District; Wichita County, Texas; Willow Fork Drainage District; Woodlands Metro Center Municipal Utility District; and Woodlands Road Utility District #1.

forth herein, in no event shall the Prepetition Collateral include (x) any Inventory (as defined in the Uniform Commercial Code as in effect from time to time under any applicable state law or such other jurisdiction where the consigned goods have been shipped to) held by a Debtor on a consignment basis and as to which the consignor has complied with all applicable requirements of the Uniform Commercial Code or other applicable law, which Inventory is not owned by a Debtor (and would not be reflected on a consolidated balance sheet of the Debtors and their respective subsidiaries prepared in accordance with GAAP), but excluding any property right of the Debtors in such Inventory (“Consignment Inventory”) or (y) any proceeds from the sale of any Consignment Inventory that are not property of the Debtors’ estates in accordance with applicable law. The rights of consignors to seek a determination as to the validity of an asserted consignment right and/or the return of consigned goods or the proceeds from the sale thereof are expressly preserved.

63. No Waiver by Failure to Seek Relief. The failure of the DIP Secured Parties or Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Final Order, the DIP Documents, the Prepetition Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the DIP Secured Parties, the Prepetition Secured Parties, the Committee, or any party in interest.

64. Binding Effect of Final Order. Immediately upon execution by this Court, the terms and provisions of this Final Order shall become valid and binding upon and inure to the benefit of the Debtors, the DIP Secured Parties, the Prepetition Secured Parties, all other creditors of any of the Debtors, the Committee, or any other court appointed committee, and all other parties in interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Cases, any Successor Cases, or upon dismissal of any Case or

Successor Case.

65. No Modification of Final Order. Until and unless the DIP Obligations and the Prepetition Secured Obligations have been Paid in Full (such payment being without prejudice to any terms or provisions contained in the DIP ABL Facility which survive such discharge by their terms) the Debtors shall not seek or consent to, directly or indirectly: (a) without the prior written consent of the DIP Agent and the Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), (i) any modification, stay, vacatur, or amendment to this Final Order; or (ii) a priority claim for any administrative expense or unsecured claim against the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including any administrative expense of the kind specified in sections 503(b), 506(c), 507(a), or 507(b) of the Bankruptcy Code) in any of the Cases or Successor Cases, equal or superior to the DIP Superpriority Claims or Adequate Protection Superpriority Claims, other than the Carve Out; (b) without the prior written consent of the DIP Agent and the Prepetition Term Loan Agent for any order allowing use of Cash Collateral (other than as permitted during the DIP Remedies Notice Period or the Cash Collateral Remedies Notice Period, as applicable) resulting from DIP Collateral or Prepetition Collateral in a manner inconsistent with the Interim Order or this Final Order, as applicable; (c) without the prior written consent of the DIP Agent, any lien on any of the DIP Primary Collateral with priority equal or superior to the DIP Liens, except as specifically provided in the DIP Documents, other than the Carve Out; or (d) without the prior written consent of the Prepetition Agents, any lien on any of the DIP Collateral with priority equal or superior to the Prepetition Liens or Adequate Protection Liens, other than the Carve Out. The Debtors shall not seek or consent to, directly or indirectly any amendment, modification, or extension of this Final Order without the prior written consent,

as provided in the foregoing, of the DIP Agent and the Prepetition Term Loan Agent, and no such consent shall be implied by any other action, inaction or acquiescence of the DIP Agent or the Prepetition Term Loan Agent.

66. Continuing Effect of Intercreditor Agreement. The Debtors, DIP Secured Parties, and Prepetition Secured Parties each shall be bound by, and in all respects of the DIP ABL Facility shall be governed by, and be subject to all the terms, provisions and restrictions of the Intercreditor Agreement.

67. Final Order Controls. In the event of any inconsistency between the terms and conditions of the DIP Documents, the Interim Order, and this Final Order, the provisions of this Final Order shall govern and control. In the event of any inconsistency between the terms and conditions of the Intercreditor Agreement and this Final Order (solely as between the DIP Secured Parties and Prepetition Secured Parties), the provisions of the Intercreditor Agreement shall govern and control.

68. Discharge. The DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization in any of the Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been Paid in Full, on or before the effective date of such confirmed plan of reorganization, or each of the DIP Secured Parties, the Prepetition ABL Agent, and Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), as applicable, has otherwise agreed in writing. None of the Debtors shall propose or support any plan of reorganization or sale of all or substantially all of the Debtors' assets, or order confirming such plan or approving such sale, that does not require that all DIP Obligations be Paid

in Full (in the case of the sale of DIP Primary Collateral), and the payment of the Debtors' obligations with respect to the adequate protection provided for herein, in full in cash within a commercially reasonable period of time (and in no event later than the effective date of such plan of reorganization or sale) (a "Prohibited Plan or Sale") without the written consent of each of the DIP Secured Parties, the Prepetition ABL Agent, and Prepetition Term Loan Agent (acting at the direction of the requisite Prepetition Term Loan Lenders in accordance with the Prepetition Term Loan Documents), as applicable. For the avoidance of doubt, the Debtors' proposal or support of a Prohibited Plan or Sale, or the entry of an order with respect thereto, shall constitute a DIP Event of Default and Cash Collateral Termination Event hereunder and under the DIP Documents.

69. Survival. The provisions of this Final Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Cases; (b) converting any of the Cases to a case under Chapter 7 of the Bankruptcy Code; (c) dismissing any of the Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Cases or Successor Cases. The terms and provisions of this Final Order, including the claims, liens, security interests, and other protections granted to the DIP Secured Parties and Prepetition Secured Parties pursuant to the Interim Order, this Final Order, and/or the DIP Documents, notwithstanding the entry of any such orders described in (a)-(d), above, shall continue in the Cases, in any Successor Cases, or following dismissal of the Cases or any Successor Cases, and shall maintain their priority as provided by this Final Order until: (x) in respect of the DIP ABL Facility, all the DIP Obligations, pursuant to the DIP Documents and this Final Order, have been Paid in Full (such payment being without prejudice to any terms or provisions contained in the DIP ABL Facility which survive such discharge by their terms); (y) in respect of the Prepetition ABL Facility, all of the Prepetition ABL

Obligations pursuant to the Prepetition ABL Documents and this Final Order, have been Paid in Full; and (z) in respect of the Prepetition Term Loan Agreement, all of the Prepetition Term Loan Obligations pursuant to the Prepetition Term Loan Documents and this Final Order have been Paid in Full. The terms and provisions concerning the indemnification of the DIP Agent and DIP Lenders shall continue in the Cases, in any Successor Cases, following dismissal of the Cases or any Successor Cases, following termination of the DIP Documents and/or the indefeasible repayment of the DIP Obligations. In addition, the terms and provisions of this Final Order shall continue in full force and effect for the benefit of the Prepetition Term Loan Parties notwithstanding the repayment in full of or termination of the DIP Obligations or the Prepetition ABL Obligations.

70. Nunc Pro Tunc Effect of this Final Order. This Final Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof.

71. Retention of Jurisdiction. The Court has and will retain jurisdiction to enforce the terms of, any and all matters arising from or related to the DIP ABL Facility, and/or this Final Order.

TORONTO BRANCH, as Canadian Administrative Agent.

R E C I T A L S:

WHEREAS, on [●], 2020 (the "Petition Date"), the Borrowers (collectively, the "Debtors", and each individually, a "Debtor") commenced voluntary cases (collectively, the "US Cases" and each individually, a "Case") in the United States Bankruptcy Court for the Southern District of Texas (the "U.S. Court"). The Debtors continue to operate their businesses and manage their properties as debtors and debtors-in-possession pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

WHEREAS, also on or shortly after the Petition Date, the Canadian Borrower, in its capacity a foreign representative, filed an application (the "Canadian Case" and, together with the US Cases, the "Cases") before the Ontario Superior Court of Justice (Commercial List) (the "Canadian Court") pursuant to Part IV of the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36, as amended (the "CCAA") for the purposes of, among other things, obtaining an order of the Canadian Court recognizing the US Cases as a foreign main proceeding, imposing a stay of proceedings in respect of the Debtors and authorizing Canadian Borrower and the Canadian Guarantors to retain possession of its assets and to continue to operate its business under the CCAA;

WHEREAS, prior to the Petition Date, the Lenders provided financing to the Borrowers pursuant to that certain Credit Agreement dated as of June 18, 2014, as amended, supplemented and otherwise modified on June 18, 2014, July 28, 2014, January 31, 2016, June 30, 2016, October 25, 2017 and April 30, 2019, among the Borrowers, the other Loan Parties, the Prepetition Lenders, and JPMorgan Chase Bank, N.A., as the Prepetition Agent, and the other parties thereto (as amended, amended and restated, supplemented or otherwise modified from time to time through the date hereof, the "Prepetition Credit Agreement").

WHEREAS, the Borrowers have requested, and, upon the terms set forth in this Agreement, the Lenders have agreed to make available to the Borrowers, a senior secured super-priority revolving credit facility of up to \$500,000,000 in the aggregate with a \$150,000,000 Letter of Credit sublimit that is automatically convertible into a secured exit facility upon the satisfaction (or waiver) of certain conditions in the form of \$430,000,000 in aggregate initial principal amount of commitments to be made available to

the Borrowers at any time and from time to time until the Maturity Date subject to the terms and conditions set forth herein (the “Revolving Credit Facility”).

WHEREAS, the Borrowers and other Loan Parties have agreed to secure all of their Obligations under the Loan Documents by granting to the Administrative Agent, for the benefit of the Administrative Agent and the other Lender Parties, a Lien in and upon all of their existing and after-acquired personal and real property, subject to the limitations and priorities contained in the Loan Documents and the Interim Order, the Canadian Recognition Order and the Final Order.

Except as otherwise provided herein and unless the context requires otherwise, (a) any definition of or reference to any agreement, instrument or other document (including this Agreement and the other Loan Documents) shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any definition of or reference to any statute, rule or regulation shall be construed as referring thereto as from time to time amended, supplemented or otherwise modified (including by succession of comparable successor laws), and all references to any statute shall be construed as referring to all rules, regulations, rulings and official interpretations promulgated or issued thereunder, (c) any reference herein to any Person shall be construed to include such Person’s successors and permitted assigns (subject to any restrictions on assignment set forth herein) and, in the case of any Governmental Authority, any other Governmental Authority that shall have succeeded to any or all functions thereof, (d) the words “herein,” “hereof” and “hereunder,” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof and (e) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement.

SECTION 1.04 Accounting Terms; GAAP. Except as otherwise expressly provided herein, all terms of an accounting or financial nature used herein shall be construed in accordance with GAAP, as in effect from time to time; provided that (a) if the Borrower Representative notifies the Administrative Agent that the Borrowers request an amendment to any provision hereof to eliminate the effect of any change occurring after the Effective Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower Representative that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith; provided that the Borrower Representative, on the one hand, and the Administrative Agent and Lenders, on the other hand, agree to negotiate in good faith with respect to any proposed amendment to eliminate or adjust for the effect of any such change in GAAP at no cost to the Loan Parties other than the reimbursement of the Administrative Agent’s costs and expenses; and (b) notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to (i) any election under Statement of Financial Accounting Standards 159, The Fair Value Option for Financial Assets and Financial Liabilities, or any successor thereto (including pursuant to the Accounting Standards Codification), to value any Indebtedness of Parent or any Subsidiary at “fair value,” as defined therein, and (ii) any change in GAAP occurring after December 31, 2018 as a result of the adoption of any proposals set forth in the Proposed Accounting Standards Update, Leases (Topic 840), issued by the Financial Accounting Standards Board on August 17, 2010, or any other proposals issued by the Financial Accounting Standards Board in connection therewith, in each case if such change would require treating any lease (or similar arrangement conveying the right to use) as a capital lease where such lease (or similar arrangement) was not required to be so treated under GAAP as in effect on December 31, 2018.

SECTION 1.05 Currency Matters.

(a) Without limiting the other terms of this Agreement, the calculations and determinations under this Agreement of any amount in any currency other than Dollars shall be deemed to refer to the Dollar Equivalent thereof, as the case may be, and all certificates delivered under this Agreement shall express such calculations or determinations in Dollars or the Dollar Equivalent thereof, as the case may be. The permissibility of actions taken under Article VI on any date based on the requisite currency translation calculated as of such date shall not be affected by subsequent fluctuations in exchange rates.

(b) Unless otherwise prohibited by law, if more than one currency or currency unit are at the same time recognized by the central bank of any country as the lawful currency of that country, then:

(i) any reference in the Loan Documents to, and any obligations arising under the Loan Documents in, the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Administrative Agent; and

(ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognized by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Administrative Agent.

(c) If a change in any currency of a country occurs, this Agreement will, to the extent the Administrative Agent reasonably determines necessary, be amended to comply with any generally accepted conventions and market practice in the relevant interbank market and otherwise to reflect the change in currency.

SECTION 1.06 Classification of Actions. For purposes of determining compliance at any time with the covenants set forth in Article VI (or, in each case, any defined terms used therein), in the event that the subject transaction meets the criteria of more than one of the categories of transactions permitted pursuant to the Sections (or related defined terms) in Article VI, the Borrowers may, in its sole discretion, classify the applicable transaction (or any portion thereof) under such Section (or defined term); it being understood that (i) the Borrowers may divide and include such transaction under one or more of the clause of such Section (or any relevant portion thereof or of the applicable related defined term) that permit such transaction and (ii) notwithstanding anything in this Section 1.04 to the contrary for purposes of this Agreement, (x) Indebtedness incurred under the Term Credit Agreement shall only be permitted to be incurred or be outstanding under Section 6.01(a)(x) and (y) Indebtedness uncured under the Loan Documents or the Prepetition Loan Documents shall only be permitted to be incurred or be outstanding under Section 6.01(a)(i).

- (ii) the sum of the Canadian Revolving Exposure and Prepetition Canadian Revolving Exposure of any Canadian Revolving Lender exceeding such Canadian Revolving Lender's Canadian Commitment;

subject to the Administrative Agent's and Canadian Administrative Agent's authority, in their sole discretion, to make Protective Advances pursuant to the terms of Section 2.04. The limitations on Borrowings referred to in clauses (i) through (iv) are referred to collectively as the "Revolving Exposure Limitations." Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Loans. Notwithstanding anything to the contrary contained herein or in any other Loan Document, (i) on the Effective Date, (x) each Existing Letter of Credit shall constitute a "Letter of Credit" for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date and all LC Exposure (as such term is defined in the Prepetition Credit Agreement) shall constitute "LC Exposure" for all purposes of this Agreement and (y) all Prepetition Lender Obligations constituting "Banking Services Obligations" (as such term is defined in the Prepetition Credit Agreement) shall constitute Secured Obligations under the Loan Documents and (ii) upon the entry of the Interim Order, the total outstanding amount of the Prepetition Lender Obligations shall constitute Secured Obligations hereunder, with (x) the outstanding amount of all Prepetition Revolving Loans and/or Prepetition Swingline Loans, if any, as of the date of the entry of the Interim Order being refinanced as Loans hereunder immediately upon the entry of the Interim Order and (y) all unpaid interest and fees thereon accrued through the entry of the Interim Order to be paid on the next scheduled date for payment of interest and fees under this Agreement.

SECTION 2.02 Loans and Borrowings.

(a) Each Loan (other than a Swingline Loan) shall be made as part of a Borrowing consisting of Loans of the same Facility and Type made by the Lenders ratably in accordance with their respective Revolving Commitments under the applicable Facility. Any Protective Advance, any Swingline Loan and any Overadvance shall be made in accordance with the procedures set forth in Section 2.04 or 2.05, as applicable.

(b) All Borrowings under the U.S. Commitment shall be denominated in Dollars. Borrowings under the Canadian Commitment may be in Dollars or Canadian Dollars. Subject to Section 2.14, (i) each Borrowing that is denominated in Dollars shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower Representative may request in accordance herewith and (ii) each Borrowing that is denominated in Canadian Dollars shall be comprised entirely of Canadian Prime Rate Loans or CDOR Rate Loans as the Borrower Representative may request in accordance herewith. Each Swingline Loan or Overadvance shall be an ABR Loan or Canadian Prime Rate Loan, as applicable. Each Lender at its option

may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000; provided that a Eurodollar Borrowing that results from a continuation of an outstanding Eurodollar Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. At the commencement of each Interest Period for any CDOR Rate Borrowing, such Borrowing shall be in an aggregate principal amount that is an integral multiple of Cdn\$1,000,000 and not less than Cdn\$5,000,000; provided that a CDOR Borrowing that results from a continuation of an outstanding CDOR Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of 10 Eurodollar Borrowings and/or CDOR Rate Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower Representative shall not be entitled to request, or to elect to convert to or continue, any Eurodollar Borrowing or CDOR Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

SECTION 2.03 Requests for Revolving Borrowings. To request a Borrowing of Revolving Loans, the Borrower Representative shall notify the Administrative Agent (in the case of a requested Borrowing under the U.S. Facility) or the Canadian Administrative Agent with a copy to the Administrative Agent (in the case of a requested Borrowing under the Canadian Facility), of such request either in writing (delivered by hand or electronic transmission) in a form approved by the Applicable Administrative Agent and signed by the Borrower Representative or by telephone (i) with respect to U.S. Revolving Loans, not later than (a) in the case of a Eurodollar Borrowing, 11:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, 12:00 p.m., New York City time, on the date of the proposed Borrowing and (ii) with respect to Canadian Revolving Loans, not later than (a) in the case of CDOR Rate Borrowings or Eurodollar Borrowings, 11:00 a.m., Toronto time, three (3) Business Days prior to the date of the proposed Borrowing and (b) in the case of Canadian Prime Rate Borrowings or ABR Borrowings, 11:00 a.m., Toronto time, one (1) Business Day before the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic transmission to the Administrative Agent (if a U.S. Revolving Loan) or the Canadian Administrative Agent with a copy to the Administrative Agent (if a Canadian Revolving Loan), of a written Borrowing Request in a form approved by the Applicable Administrative Agent and signed by the Borrower Representative. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.01:

- (i) whether such Loans are being made to the U.S. Borrowers or the Canadian Borrower;
- (ii) the aggregate amount of the requested Borrowing and the manner in which the proceeds of such Borrowing are to be disbursed (which shall be consistent with Section 2.07);
- (iii) the date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be a Borrowing under the U.S. Facility or the Canadian Facility;
- (v) the currency of the requested Borrowing;

(vi) whether such Borrowing is to be an ABR Borrowing, a Eurodollar Borrowing, a Canadian Prime Rate Borrowing or a CDOR Rate Borrowing; and

(vii) in the case of a Eurodollar Borrowing or CDOR Rate Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period."

If no election as to the Type of Borrowing is specified, then (A) a Borrowing of U.S. Revolving Loans or Canadian Revolving Loans requested in Dollars shall be an ABR Borrowing and (B) a Borrowing of Canadian Revolving Loans requested in Canadian Dollars shall be a Canadian Prime Rate Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing or CDOR Rate Borrowing, then the applicable Borrower(s) shall be deemed to have selected an Interest Period of one month's or 30 days', as applicable, duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Applicable Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Revolving Loan to be made as part of the requested Borrowing.

SECTION 2.04 Protective Advances.

(a) Subject to the limitations set forth below, the Applicable Administrative Agent is authorized by the Borrowers and the Lenders, from time to time in the Applicable Administrative Agent's sole discretion (but shall have absolutely no obligation), to make (i) in the case of the Administrative Agent, Loans to the U.S. Borrowers in Dollars on behalf of the U.S. Revolving Lenders (each such Loan, a "U.S. Protective Advance") or (ii) in the case of the Canadian Administrative Agent, Loans to the Canadian Borrower or the U.S. Borrowers in Canadian Dollars or Dollars on behalf of the Canadian Revolving Lenders (each such Loan, a "Canadian Protective Advance") which the Applicable Administrative Agent, in its Permitted Discretion, deems necessary or appropriate (A) to preserve or protect the Collateral, or any portion thereof, (B) to enhance the likelihood of, or maximize the amount of, repayment of the Loans and other Obligations, or (C) to pay any other amount chargeable to or required to be paid by the applicable Borrower(s) pursuant to the terms of this Agreement, including payments of reimbursable expenses (including costs, fees, and expenses as described in Section 9.03) and other sums payable under the Loan Documents; provided that (i) the aggregate principal amount of outstanding U.S. Protective Advances shall not, at any time, exceed (x) 5% of the total U.S. Commitment then in effect or (y) when aggregated with the aggregate outstanding principal amount of U.S. Overadvances, 7.5% of the total U.S. Commitment then in effect; provided further that no U.S. Protective Advance shall be made if after giving effect thereto, the sum of any Lender's U.S. Credit Exposure and Prepetition U.S. Credit Exposure shall exceed such Lender's U.S. Commitment and (ii) the aggregate Dollar Equivalent of outstanding Canadian Protective Advances shall not, at any time, exceed (x) 5% of the total Canadian Commitment then in effect or (y) when aggregated with the aggregate outstanding principal amount of Canadian Overadvances, 7.5% of the total Canadian Commitment then in effect; provided further that no Canadian Protective Advance shall be made if after giving effect thereto, the sum of any Lender's Canadian Credit Exposure and Prepetition Canadian Credit Exposure shall exceed such Lender's Canadian Commitment. Protective Advances may be made even if the conditions precedent set forth in Section 4.02 have not been satisfied. All Protective Advances shall be ABR Borrowings (in the case of Dollar denominated amounts) or Canadian Prime Rate Borrowings (in the case of Canadian Dollar denominated amounts). The Applicable Administrative Agent's authorization to make Protective Advances may be revoked at any time by the Required Lenders. Any such revocation must be in writing and shall become effective prospectively upon the Applicable Administrative Agent's receipt thereof. At any time that the making of such U.S. Revolving Loan would not violate the Revolving Exposure Limitations and the conditions precedent set forth in Section 4.02 have been satisfied, the Administrative Agent may request the U.S. Revolving Lenders to make a U.S. Revolving Loan in Dollars to repay a U.S. Protective Advance. At any other time the Administrative Agent may require the U.S. Revolving Lenders to fund in Dollars their risk participations described in Section 2.04(b). At any

time the making of such Canadian Revolving Loan would not violate the Revolving Exposure Limitations and the conditions precedent set forth in Section 4.02 have been satisfied, the Canadian Administrative Agent may request the Canadian Revolving Lenders to make a Canadian Revolving Loan to the applicable Borrower(s) in the currency in which any Canadian Protective Advance is denominated to repay such Canadian Protective Advance. At any other time the Canadian Administrative Agent may require the Canadian Revolving Lenders to fund their risk participations described in Section 2.04(b) in any Canadian Protective Advance in the currency in which such Canadian Protective Advance is denominated.

(b) The Administrative Agent may by notice given not later than 12:00 p.m., New York City time, on any Business Day require the U.S. Revolving Lenders to acquire participations on such Business Day in all or a portion of any U.S. Protective Advance outstanding. The Canadian Administrative Agent may by notice given not later than 12:00 p.m., Toronto time, on any Business Day require the Canadian Revolving Lenders to acquire participations on such Business Day in all or a portion of any Canadian Protective Advance outstanding. Each such notice shall specify the aggregate principal amount of the Protective Advance in which the Lenders will be required to participate, the currency thereof and each Lender's Applicable Percentage of such Protective Advance. Each Lender hereby absolutely and unconditionally agrees to pay, upon receipt of notice as provided above, to the Administrative Agent such Lender's Applicable Percentage of each such Protective Advance. Each Lender acknowledges and agrees that its obligation to acquire participations in Protective Advances pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including nonsatisfaction of any of the conditions precedent set forth in Section 4.02, the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Revolving Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph). From and after the date, if any, on which any Lender has paid in full for its participation in any Protective Advance purchased hereunder, the Applicable Administrative Agent shall promptly distribute to such Lender its Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Applicable Administrative Agent in respect of such Protective Advance; provided that any such payment or proceeds so distributed shall be repaid to the Applicable Administrative Agent if and to the extent such payment or proceeds is required to be refunded to the applicable Borrower(s) for any reason. The purchase of participations in any Protective Advance pursuant to this paragraph shall not constitute a Loan and shall not relieve the Borrowers of their respective obligations to repay such Protective Advance.

SECTION 2.05 Swingline Loans and Overadvances.

(a) The Administrative Agent, the U.S. Swingline Lender and the U.S. Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Borrower Representative requests an ABR Revolving Borrowing under the U.S. Facility, the Swingline Lender may, in its discretion, elect to have the terms of this Section 2.05(a) apply to such Borrowing Request by advancing, on behalf of the U.S. Revolving Lenders and in the amount and on the date requested, same day funds to the U.S. Borrowers to the Funding Account(s) (each such Loan made solely by the U.S. Swingline Lender pursuant to this Section 2.05(a) is referred to in this Agreement as a "U.S. Swingline Loan"), with settlement among the U.S. Swingline Lender and the other U.S. Revolving Lenders as to the U.S. Swingline Loans to take place on a periodic basis as set forth in Section 2.05(d). Each U.S. Swingline Loan shall be subject to all the terms and conditions applicable to other ABR Loans funded by the U.S. Revolving Lenders, except that all payments thereon shall be payable to the U.S. Swingline Lender solely for its own account. The Administrative Agent, the Canadian Swingline Lender and the Canadian Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Borrower Representative requests an ABR Revolving

Borrowing or Canadian Prime Rate Borrowing under the Canadian Facility, the Canadian Swingline Lender may, in its discretion, elect to have the terms of this Section 2.05(a) apply to such Borrowing Request by advancing, on behalf of the Canadian Revolving Lenders and in the amount and on the date requested, same day funds to the Canadian Borrower to the Funding Account(s) (each such Loan made solely by the Canadian Swingline Lender pursuant to this Section 2.05(a) is referred to in this Agreement as a “Canadian Swingline Loan”), with settlement among the Canadian Swingline Lender and the Canadian Revolving Lenders as to the Canadian Swingline Loans to take place on a periodic basis as set forth in Section 2.05(d). Each Canadian Swingline Loan shall be subject to all the terms and conditions applicable to other ABR Loans or Canadian Prime Rate Loans funded by the Canadian Revolving Lenders, except that all payments thereon shall be payable to the Canadian Swingline Lender solely for its own account. The aggregate Dollar Equivalent of U.S. Swingline Loans outstanding at any time shall not exceed 10% of the aggregate U.S. Commitment in effect at such time. The aggregate Dollar Equivalent of Canadian Swingline Loans outstanding at any time shall not exceed 10% of the aggregate Canadian Commitment in effect at such time. No Swingline Lender shall make any Swingline Loan if the requested Swingline Loan would not comply with the Revolving Exposure Limitations. All Swingline Loans denominated in dollars shall be ABR Borrowings and all Canadian Swingline Loans denominated in Canadian Dollars shall be Canadian Prime Rate Loans.

(b) Any provision of this Agreement to the contrary notwithstanding, at the request of the Borrower Representative, the Administrative Agent may in its sole discretion (but shall have absolutely no obligation) make (i) in the case of the Administrative Agent, Loans to the U.S. Borrowers in Dollars on behalf of the U.S. Revolving Lenders (each such Loan, a “U.S. Overadvance”) or (ii) in the case of the Canadian Administrative Agent, Loans to the Canadian Borrower or the U.S. Borrowers in Canadian Dollars or Dollars on behalf of the Canadian Revolving Lenders (each such Loan, a “Canadian Overadvance”); provided that (1) the aggregate amount of outstanding U.S. Overadvances shall not, at any time, exceed (x) 5% of the total U.S. Commitment then in effect or (y) when aggregated with the aggregate outstanding amount of U.S. Protective Advances then outstanding, 7.5% of the total U.S. Commitment then in effect; provided further that no U.S. Overadvance shall be made if after giving effect thereto, the sum of any Lender’s U.S. Credit Exposure and Prepetition U.S. Credit Exposure shall exceed such Lender’s U.S. Commitment; and (2) the aggregate Dollar Equivalent of outstanding Canadian Overadvances shall not, at any time, exceed (x) 5% of the total Canadian Commitment then in effect or (y) when aggregated with the aggregate Dollar Equivalent of Canadian Protective Advances shall not at any time exceed 7.5% of the Canadian Commitment then in effect; provided further that no Canadian Overadvance shall be made if after giving effect thereto, the sum of any Lender’s Canadian Credit Exposure and Prepetition Canadian Credit Exposure shall exceed such Lender’s Canadian Commitment. Overadvances may be made even if the conditions precedent set forth in Section 4.02 have not been satisfied. All Overadvances denominated in dollars shall be ABR Borrowings and all Canadian Overadvances denominated in Canadian Dollars shall be Canadian Prime Rate Loans. The applicable Borrowers shall be required to repay each Overadvance no later than the 30th day after the date of the making thereof. The Applicable Administrative Agent’s authorization to make Overadvances may be revoked at any time by the Required Lenders. Any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent’s receipt thereof.

(c) The U.S. Swingline Lender and the Administrative Agent may by notice given not later than 12:00 p.m., New York City time, on any Business Day require the U.S. Revolving Lenders to acquire participations on such Business Day in all or a portion of any U.S. Swingline Loan or U.S. Overadvance, respectively, outstanding. The Canadian Administrative Agent may by notice given not later than 12:00 p.m. Toronto time, on any Business Day require the Canadian Revolving Lenders to acquire participations on such Business Day in all or a portion of any Canadian Swingline Loan and Canadian Overadvance outstanding. Each such notice shall specify the aggregate principal amount of the Swingline Loan or Overadvance, respectively, in which the Lenders will be required to participate, including the currency

thereof, and each Lender's Applicable Percentage of such Swingline Loan or Overadvance. Each Lender hereby absolutely and unconditionally agrees to pay, upon receipt of notice as provided above, to the Administrative Agent, for the account of the applicable Swingline Lender or the account of the Applicable Administrative Agent, as applicable, such Lender's Applicable Percentage of such Swingline Loan or Overadvance. Each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans and Overadvances pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including nonsatisfaction of any of the conditions precedent set forth in Section 4.02, the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.07 with respect to Revolving Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders pursuant to this paragraph). From and after the date, if any, on which any Lender has paid in full for its participation in any Swingline Loan or Overadvance purchased hereunder, the applicable Swingline Lender or the Applicable Administrative Agent, as applicable, shall promptly distribute to such Lender its Applicable Percentage of all payments of principal and interest and all proceeds of Collateral received by the Swingline Lender or the Applicable Administrative Agent, as applicable, in respect of such Swingline Loan or Overadvance; provided that any such payment or proceeds so distributed shall be repaid to the Swingline Lender or the Applicable Administrative Agent, as applicable, if and to the extent such payment or proceeds is required to be refunded to the applicable Borrowers for any reason. The purchase of participation in any Swingline Loan or Overadvance pursuant to this paragraph shall not constitute a Loan and shall not relieve the applicable Borrowers of their obligation to repay such Swingline Loan or Overadvance.

(d) The Applicable Administrative Agent, on behalf of each Swingline Lender, shall request settlement (a "Settlement") with the Revolving Lenders on at least a weekly basis or on any earlier date that the Administrative Agent elects, by notifying the applicable Revolving Lenders of such requested Settlement by electronic transmission, telephone, or e-mail no later than 1:00 p.m., New York City time, on the date of such requested Settlement (the "Settlement Date"). Each Revolving Lender (other than the applicable Swingline Lender) shall transfer the amount of such Lender's Applicable Percentage of the outstanding principal amount of the applicable Swingline Loan in the currency in which such Swingline Loan is denominated with respect to which Settlement is requested to the Applicable Administrative Agent, to such account of the Applicable Administrative Agent as the Administrative Agent may designate, not later than 3:00 p.m., New York City time, on such Settlement Date. Settlements may occur during the existence of a Default and whether or not the applicable conditions precedent set forth in Section 4.02 have then been satisfied. Such amounts transferred to the Administrative Agent shall be applied against the amounts of the Swingline Lender's Swingline Loans and, together with Swingline Lender's Applicable Percentage of such Swingline Loan, shall constitute Revolving Loans of such Lenders, respectively. If any such amount is not transferred to the Administrative Agent by any Revolving Lender on such Settlement Date, the Swingline Lender shall be entitled to recover such amount on demand from such Lender together with interest thereon as specified in Section 2.07.

SECTION 2.06 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower Representative may request the issuance of Letters of Credit denominated in Dollars or an LC Alternative Currency (in the case of U.S. Letters of Credit) for the account of the U.S. Borrowers or Letters of Credit denominated in Dollars, Canadian Dollars or an LC Alternative Currency (in the case of any Canadian Letter of Credit) for the account of the U.S. Borrowers or the Canadian Borrower, in a form reasonably acceptable to the Applicable Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Availability Period. In the event of any inconsistency between the terms and conditions of this

Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by any Borrower to, or entered into by any Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. For the avoidance of doubt, subject to Section 2.06(n) any Letter of Credit hereunder for the account of the U.S. Borrowers or the Canadian Borrower may be for the benefit of any Subsidiary whether or not a U.S. Borrower or a Canadian Borrower.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit (other than an automatic renewal permitted pursuant to paragraph (c) of this Section), the Borrower Representative shall deliver by hand or electronic transmission (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Applicable Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, specifying whether such Letter of Credit is a U.S. Letter of Credit or a Canadian Letter of Credit, the Borrower(s) for whose account such Letter of Credit is to be issued, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the amount of such Letter of Credit, the currency in which such Letter of Credit will be denominated (which (x) shall be Dollars in the case of U.S. Letters of Credit and (y) shall be Dollars, Canadian Dollars or any LC Alternative Currency in the case of Canadian Letters of Credit) the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower Representative also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrowers shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the total U.S. LC Exposure shall not exceed \$135,000,000 and the total Canadian LC Exposure shall not exceed \$15,000,000, (ii) the total U.S. Standby LC Exposure shall not exceed \$70,000,000 and the total Canadian Standby LC Exposure shall not exceed \$5,000,000 and (iii) the Revolving Exposure Limitations shall be complied with.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five (5) Business Days prior to the date set forth in clause (i) of the definition of "Maturity Date". Any Letter of Credit may provide by its terms that it may be automatically extended for additional successive one year periods on terms reasonably acceptable to the applicable Issuing Bank. Any Letter of Credit providing for automatic extension shall be extended upon the then current expiration date without any further action by any Person unless the applicable Issuing Bank shall have given notice to the applicable beneficiary (with a copy to the applicable Borrower) of the election by such Issuing Bank not to extend such Letter of Credit, such notice to be given not fewer than 30 days prior to the then current expiration date of such Letter of Credit; provided that no Letter of Credit may be extended automatically or otherwise beyond the date that is five (5) Business Days prior to the date set forth in clause (i) of the definition of "Maturity Date".

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) under any Facility and without any further action on the part of the applicable Issuing Bank or the Lenders under such Facility, such Issuing Bank hereby grants to each Lender under such Facility, and each Lender under such Facility hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, (i) with respect to each U.S. Letter of Credit, each U.S. Revolving Lender hereby absolutely and unconditionally agrees to

pay in Dollars to the Administrative Agent, and (ii) with respect to any Canadian Letters of Credit, each applicable Canadian Revolving Lender hereby absolutely and unconditionally promises to pay, in Dollars, to the Canadian Administrative Agent, in each case for the account of the applicable Issuing Bank, such Lender's Applicable Percentage of the Dollar Equivalent of each LC Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower(s) on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to such Borrower(s) for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default, reduction or termination of the Revolving Commitments or any force majeure or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the expiration thereof or of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the applicable Borrower(s) shall, following notice of such LC Disbursement to the Borrower Representative, reimburse such LC Disbursement by paying to the Applicable Administrative Agent in Dollars an amount equal to the Dollar Equivalent of such LC Disbursement not later than 2:00 p.m., New York City time, on the date that such LC Disbursement is made, if the Borrower Representative shall have received notice of such LC Disbursement prior to 10:00 a.m., New York City time, on such date, or, if such notice has not been received by the Borrower Representative prior to such time on such date, then not later than 2:00 p.m., New York City time, on (i) the Business Day that the Borrower Representative receives such notice, if such notice is received prior to 10:00 a.m., New York City time, on the day of receipt, or (ii) the Business Day immediately following the Business Day that the Borrower Representative receives such notice, if such notice is not received prior to such time on the day of receipt; provided that the Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the applicable Borrower(s)' obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing, or, if the applicable Swingline Lender shall have elected to apply the terms of Section 2.05(a) to such requested Borrowing, the resulting Swingline Loan. If the applicable Borrower(s) fail to make such payment when due, the Applicable Administrative Agent shall notify each applicable Lender of the Dollar Equivalent of the applicable LC Disbursement, the payment then due from the applicable Borrower(s) in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Lender shall pay to the Applicable Administrative Agent in Dollars its Applicable Percentage of the payment then due from the applicable Borrower(s), in the same manner as provided in Section 2.07 with respect to Loans made by such Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Applicable Administrative Agent shall promptly pay to such Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Applicable Administrative Agent of any payment from the Borrower(s) pursuant to this paragraph, the Applicable Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that any Revolving Lender has made payments pursuant to this paragraph to reimburse such Issuing Bank, then to each such Revolving Lender and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower(s) of their obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrowers' obligations to reimburse LC Disbursements as provided in paragraph (e) of this Section is absolute, unconditional and irrevocable, and shall be performed

strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not substantially comply with the terms of such Letter of Credit, (iv) any force majeure or other event that under any rule of law or uniform practices to which any Letter of Credit is subject (including Section 3.14 of ISP 98 or any successor publication of the International Chamber of Commerce) permits a drawing to be made under such Letter of Credit after the stated expiration date thereof or of the Revolving Commitments or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this paragraph, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrowers' obligations hereunder. No Lender Party, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any other act, failure to act or other event or circumstance; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the applicable Borrower(s) to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by such Borrower(s) that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of bad faith, gross negligence or willful misconduct on the part of an Issuing Bank (with such absence to be presumed unless otherwise determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Applicable Administrative Agent and the Borrower Representative by telephone (confirmed by electronic transmission) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrowers of their obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower(s) shall reimburse such LC Disbursement in full in cash on the date such LC Disbursement is made, the unpaid Dollar Equivalent thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that such Borrower(s) reimburse such LC Disbursement in full in cash, at the rate per annum then applicable to Canadian Prime Rate Revolving Loans (if the LC Disbursement is in Cdn\$) or ABR Revolving Loans (if the LC Disbursement is in US\$); provided that, if the Borrowers fail to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(f) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Applicable Administrative Agent for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e)

of this Section to reimburse the Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the applicable Borrower(s) reimburse the applicable LC Disbursement in full in cash.

(i) Replacement of the Issuing Banks. Any Issuing Bank may be replaced at any time by written agreement among the Borrower Representative, the Applicable Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Applicable Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, the applicable Borrower(s) shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the Borrower Representative receives notice from the Administrative Agent or the Required Lenders demanding the deposit of cash collateral pursuant to this paragraph, (i) the Borrowers shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the "U.S. LC Collateral Account"), an amount in cash in the currencies in which such LC Exposure is denominated equal to 103% of the LC Exposure in respect of Letters of Credit issued for the account of the U.S. Borrowers as of such date plus accrued and unpaid interest thereon and (ii) the Canadian Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Canadian Lenders (the "Canadian LC Collateral Account"), an amount in the currencies in which such LC Exposure is denominated equal to 103% of the LC Exposure in respect of Letters of Credit issued for the account of the Canadian Borrower as of such date plus accrued and unpaid interest thereon as of such date plus accrued and unpaid interest thereon. Such deposits, (A) if made into the U.S. LC Collateral Account shall be held by the Administrative Agent as collateral for the payment and performance of the U.S. Obligations arising from LC Exposure in respect of Letters of Credit issued for the account of the U.S. Borrowers and (B) if made into the Canadian LC Collateral Account shall be held by the Administrative Agent as collateral for the payment and performance of the Canadian Obligations arising from LC Exposure in respect of Letters of Credit issues for the account of the Canadian Borrower, in each case, as further set forth in the applicable Collateral Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such accounts. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the applicable Borrower(s)' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in each such account shall, notwithstanding anything to the contrary herein or in the Collateral Documents, be applied by the Administrative Agent to reimburse the applicable Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the applicable Borrower(s) for the LC Exposure in respect of Letters of Credit issued for the account of such Borrower(s) at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Required Lenders), be applied, in the case of moneys in the U.S. LC Collateral Account, to satisfy the Secured Obligation or, in the case of moneys in the Canadian LC Collateral Account, to satisfy the Canadian Secured Obligations, be applied to satisfy other Secured Obligations (but subject to, in the case of any such application at a time when any Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders that

has not been reallocated to non-Defaulting Lenders pursuant to Section 2.20), the consent of each Issuing Bank). If any Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within three (3) Business Days after all Events of Default have been cured or waived.

(k) Existing Letters of Credit. Each Existing Letter of Credit that is (i) a Canadian Letter of Credit (as defined in the Prepetition Credit Agreement) shall constitute a “Canadian Letter of Credit” for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date and (ii) a U.S. Letter of Credit (as defined in the Prepetition Credit Agreement) shall constitute a “U.S. Letter of Credit” for all purposes of this Agreement and shall be deemed issued under this Agreement on the Effective Date. All (i) Canadian LC Exposure (as defined in the Prepetition Credit Agreement) shall constitute “Canadian LC Exposure” for all purposes of this Agreement and (ii) U.S. LC Exposure (as defined in the Prepetition Credit Agreement) shall constitute “U.S. LC Exposure” for all purposes of this Agreement, and, in each case, no issuance or similar fees (as distinguished from ongoing participation or fronting fees) will be required in connection with the deemed issuance of the Existing Letters of Credit on the Effective Date.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Applicable Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Applicable Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Applicable Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount and currency of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount and currency of such LC Disbursement, (iv) on any Business Day on which the applicable Borrower(s) fail to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the amount due and (v) on any other Business Day, such other information as the Applicable Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

(n) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the U.S. Borrowers (in the case of a Letter of Credit issued for the account of the U.S. Borrowers) or the Canadian Borrower (in the case of a Letter of Credit issued for the account of the Canadian Borrower) shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit requested by such Borrower for the account of Subsidiaries inures to the benefit of such Borrower, and that such Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.07 Funding of Borrowings.

(a) Each Lender shall make each Revolving Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., New York City time, to the account of the Applicable Administrative Agent most recently designated by it for such purpose by notice to the Revolving Lenders. The Applicable Administrative Agent will make such Loans available to the applicable Borrower(s) by promptly crediting the amounts so received, in like funds, to the Funding Account(s); provided that (I) ABR Revolving Loans made to finance the reimbursement of (i) an LC Disbursement as provided in Section 2.06(e) shall be remitted by the Applicable Administrative Agent to the applicable Issuing Bank and (ii) a U.S. Protective Advance or US. Overadvance shall be retained by the Administrative Agent and (II) ABR Loans made to finance the reimbursement of (i) a Canadian LC Disbursement as provided in Section 2.06(f) shall be remitted by the Canadian Administrative Agent to the applicable Canadian Issuing Bank and (ii) a Canadian Protective Advance or Canadian Overadvance shall be retained by the Canadian Administrative Agent.

(b) Unless the Applicable Administrative Agent shall have received notice from a Lender prior to the proposed date of any Revolving Borrowing that such Lender will not make available to the Applicable Administrative Agent such Lender's Applicable Percentage of such Borrowing, the Applicable Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption, make available to the applicable Borrower(s) a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Applicable Administrative Agent, then the applicable Lender and the applicable Borrower(s) severally agree to pay to the Applicable Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower(s) to but excluding the date of payment to the Applicable Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (x) the Federal Funds Effective Rate (in the case of Dollar-denominated amounts) or the Canadian Prime Rate (in the case of Canadian Dollar-denominated amounts) and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of Loans denominated in Dollars, the interest rate applicable to ABR Loans and in the case of Loans denominated in Canadian Dollars, the interest rate applicable to Canadian Prime Rate Loans. If the applicable Borrower(s) and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the applicable Borrower(s) the amount of such interest paid by the Borrowers for such period. If such Lender pays such amount to the Applicable Administrative Agent, then such amount shall constitute such Lender's Revolving Loan included in such Borrowing. Any payment by any Borrower(s) pursuant to this paragraph (b) shall be without prejudice to any claim such Borrower(s) may have against a Lender that shall have failed to make such payment to the Applicable Administrative Agent.

SECTION 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type and, in the case of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, shall have an initial Interest Period as specified in the applicable Borrowing Request or as otherwise provided in Section 2.03. Thereafter, the Borrower Representative may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower Representative may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, Overadvances or Protective Advances, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Borrower Representative shall notify (i) the Administrative Agent with respect to each U.S. Revolving Borrowing and (ii) the Canadian Administrative Agent (with a copy to the Administrative Agent), with respect to each Canadian Revolving Borrowing, in each case of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic transmission to the Administrative Agent (and, in the case of a Canadian Revolving Borrowing, the Canadian Administrative Agent) of an executed written Interest Election Request. Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, a Eurodollar Borrowing, a Canadian Prime Rate Borrowing or a CDOR Rate Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing or CDOR Rate Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing or CDOR Rate Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration, in the case of a Eurodollar Borrowing, or 30 days, in the case of a CDOR Rate Borrowing.

(c) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(d) If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a Eurodollar Revolving Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. If the Borrower Representative fails to deliver a timely Interest Election Request with respect to a CDOR Rate Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Canadian Prime Rate Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower Representative, then, so long as an Event of Default is continuing (i) no outstanding Revolving Borrowing may be converted to or continued as a Eurodollar Borrowing or CDOR Rate Borrowing, (ii) unless repaid, each Eurodollar Revolving Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each CDOR Rate Borrowing shall be converted into a Canadian Prime Rate Borrowing at the end of the Interest Period applicable thereto.

SECTION 2.09 Termination and Reduction of Revolving Commitments; Increase in Revolving Commitments.

(a) Unless previously terminated, the Revolving Commitments shall automatically terminate at 5:00 p.m., New York City time, on the Maturity Date, or any earlier date on which the Revolving Commitments are reduced to zero or otherwise terminated pursuant to the terms hereof.

(b) The Borrower Representative may at any time terminate the Commitments under the U.S. Facility and/or the Canadian Facility upon (i) the payment in full in cash of all outstanding Loans, together with accrued and unpaid interest thereon and on any LC Disbursements, in each case, under the applicable Facility, (ii) the cancellation and return of all outstanding Letters of Credit (or alternatively, with respect to each such Letter of Credit, (x) the furnishing to the Administrative Agent of a cash deposit (or at the discretion of the Administrative Agent a backup standby letter of credit reasonably satisfactory to the Administrative Agent) equal to 103% of the portion of the LC Exposure attributable to all Letters of Credit, as determined by the applicable Issuing Banks) or (y) such other alternative arrangement with respect to any such Letters of Credit that is satisfactory to the Administrative Agent and the Issuing Bank), and such cash deposit shall not be subject to or subordinate to the Carve-Out or the Canadian DIP Charge, (iii) the payment in full in cash of all accrued and unpaid fees owing in respect of such Facility and (iv) the payment in full in cash of all reimbursable expenses and all other Obligations outstanding at such time in respect of such Facility; provided that, upon the termination of the Revolving Commitments pursuant to this clause (b), all obligations of the Administrative Agent and the Lenders to provide the credit facility to the Borrowers described in the Exit Facility Term Sheet and the rights and obligations of the parties hereto under Section 2.23 shall automatically terminate without any further consent or action required by any Person.

(c) The Borrower Representative may from time to time reduce the Commitments under the U.S. Facility and/or the Canadian Facility; provided that (i) each reduction of the Revolving Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (ii) the Borrower Representative shall not reduce the Revolving Commitments under any Facility if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 2.11, the Borrowers would not be in compliance with the Revolving Exposure Limitations.

(d) The Borrower Representative shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under paragraph (b) or (c) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Revolving Lenders of the contents thereof. Each notice delivered by the Borrower Representative pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower Representative may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower Representative (by notice to the Administrative Agent on or prior to specified effective date) if such condition is not satisfied. Any termination or reduction of the Revolving Commitments shall be permanent. Each reduction of the Revolving Commitments under any Facility shall be made ratably among the Lenders under such Facility in accordance with their respective Revolving Commitments thereunder.

SECTION 2.10 Repayment of Loans; Evidence of Debt.

(a) The U.S. Borrowers hereby, jointly and severally, unconditionally promise to pay to (i) the Administrative Agent, for the account of each U.S. Revolving Lender the principal amount of all outstanding U.S. Revolving Loans, (ii) the Canadian Administrative Agent, for the account of each Canadian Revolving Lender the principal amount of all outstanding Canadian Revolving Loans to the U.S.

Borrowers, (iii) the Applicable Administrative Agent the then unpaid amount of each Protective Advance to the U.S. Borrowers and Overadvance to the U.S. Borrowers, (iv) the U.S. Swingline Lender, the principal amount of each U.S. Swingline Loan and (v) the Canadian Swingline Lender, the principal amount of each Canadian Swingline Loan to the U.S. Borrowers, in each case, on the earliest of (A) the Maturity Date, (B) in the case of any Overadvance, the earlier of the 60th day after the date of the making thereof and demand by the Administrative Agent and (C) in the case of any Protective Advance, demand by the Administrative Agent. The Canadian Borrower hereby unconditionally promises to pay to (i) the Canadian Administrative Agent, for the account of each Canadian Revolving Lender the principal amount of all outstanding Canadian Revolving Loans to the Canadian Borrower, (ii) the Canadian Administrative Agent the then unpaid amount of each Canadian Protective Advance to the Canadian Borrower and Canadian Overadvance to the Canadian Borrower and (iii) the Canadian Swingline Lender, the principal amount of each Canadian Swingline Loan to the Canadian Borrower, in each case, on the earliest of (A) the Maturity Date, (B) in the case of any Canadian Overadvance, the 60th day after the date of the making thereof and demand by the Administrative Agent and (C) in the case of any Canadian Protective Advance, demand by the Canadian Administrative Agent.

(b) On each Business Day, the Administrative Agent shall apply all funds credited to a Concentration Account of the Borrowers on such Business Day or the immediately preceding Business Day (at the discretion of the Administrative Agent, whether or not immediately available), first, to prepay the Prepetition Revolving Loans and/or Prepetition Swingline Loans, if any, that may be outstanding in the order and manner provided in the Prepetition Credit Agreement, second, to prepay any U.S. Protective Advances, U.S. Overadvance, Canadian Protective Advances and Canadian Overadvances that may be outstanding, third, to prepay the Revolving Loans, Swingline Loans, Canadian Revolving Loans and Canadian Swingline Loans, fourth to cash collateralize outstanding U.S. LC Exposure and Canadian LC Exposure with respect to U.S. Letters of Credit and Canadian Letters of Credit issued for the account of the Borrowers at such time in accordance with Section 2.06(j), and fifth, as the Borrower Representative may direct.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the applicable Borrower(s) to such Lender resulting from each Loan made by such Lender to such Borrower(s), including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the applicable Borrower(s), the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the applicable Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Applicable Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to pay any amounts due hereunder in accordance with the terms of this Agreement.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent.

SECTION 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with paragraph (c) of this Section; *provided* that, any such prepayments shall be applied, first, to the Prepetition Revolving Loans and/or Prepetition Swingline Loans then outstanding (in the order and manner provided in the Prepetition Credit Agreement) and then to the Revolving Loans.

(b) Except to the extent such excess arises from Protective Advances permitted under Section 2.04 or Overadvances permitted under Section 2.05, in the event and on each occasion that the Borrowers are not in compliance with the Revolving Exposure Limitations, the Canadian Borrower and the U.S. Borrowers shall immediately and severally prepay first, the Prepetition Revolving Loans and/or Prepetition Swingline Loans then outstanding (in the order and in the manner provided in the Prepetition Credit Agreement) and, second, the Revolving Loans and/or Swingline Loans (or, if no such Borrowings are outstanding, deposit cash collateral in the LC Collateral Account in accordance with Section 2.06(j)) of such Borrower(s) in an aggregate amount that, after giving effect to such prepayments or cash collateralizations the Borrowers shall be in compliance with the Revolving Exposure Limitations.

(c) Subject to the priority of Liens and application of funds set forth in the Orders with respect to the Collateral that is sold pursuant to an Asset Sale, in the event and on each occasion that (i) any Net Proceeds are received by or on behalf of the Parent or any Subsidiary in respect of any Prepayment Event and (ii) the Loan Parties receive designated “restricted cash” in accordance with the milestones set forth in Section 5.21(e), the Borrowers shall, on each day such Net Proceeds and designated “restricted cash” are received, prepay Borrowings in an amount equal to 100% of such Net Proceeds or such designated “restricted cash” (without a reduction in Revolving Commitments); provided that in the case of a Prepayment Event described in clauses (a), (b) or (d) of the definition thereof, any Net Proceeds in respect of Term Priority Collateral received by the Borrowers as a result of such Prepayment Event shall be applied (A) unless waived in accordance with the Term Credit Agreement or as provided in the Orders, first, to the “Obligations” under and as defined in the Term Credit Agreement, until paid in full, and (B) second, as set forth in Section 2.11(d) below. Notwithstanding the foregoing (except as described in the proviso to the immediately preceding sentence), the Loan Parties or any Subsidiary shall be permitted to reinvest the Net Proceeds of any Prepayment Event described in clauses (a), (b) or (d) of the definition of Prepayment Event with the prior written consent of the Administrative Agent and the Required Lenders (in their sole and absolute discretion).

(d) The Borrower Representative shall notify the Applicable Administrative Agent (and, in the case of prepayment of a Swingline Loan, the applicable Swingline Lender), with a copy to the Administrative Agent in the case of a prepayment of a Canadian Loan, by telephone (confirmed by hand delivery or electronic transmission) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Revolving Borrowing or CDOR Rate Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Revolving Borrowing or a Canadian Prime Rate Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.09, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.09. Promptly following receipt of any such notice relating to a Revolving Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Revolving Borrowing shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Revolving Borrowing shall be applied ratably to the Revolving Loans included

in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(e) Notwithstanding any provisions of this Section 2.11 to the contrary, if any prepayment would otherwise be required to be made pursuant to clause (c) of this Section 2.11, solely as it relates to the portion of such Net Proceeds generated outside of the United States, so long as (x) the applicable local law will not permit or would delay repatriation of such Net Proceeds to the United States or (y) adverse tax consequences (other than de minimis consequences) to the Borrower Representative or any of its Subsidiaries would result from such repatriation, such Net Proceeds so affected shall not be required to be included in the mandatory prepayments referred to in such clause (c), but may be retained by the Borrowers or the applicable Subsidiary for so long, but only so long, as the applicable local law will not permit or would otherwise delay repatriation to the United States.

SECTION 2.12 Fees.

(a) The U.S. Borrowers, jointly and severally, agree to pay to the Administrative Agent for the account of each U.S. Revolving Lender a commitment fee in dollars, which shall accrue at the Applicable Commitment Fee Rate on the daily amount by which such Lender's U.S. Commitment exceeds the amount of such Lender's U.S. Revolving Loans and U.S. LC Exposure during the period from and including the Effective Date to but excluding the date on which the Lenders' U.S. Commitment terminates. The Canadian Borrowers agree to pay to the Canadian Administrative Agent in dollars for the account of each Canadian Revolving Lender a commitment fee, which shall accrue at the Applicable Commitment Fee Rate on the daily amount by which such Lender's Canadian Commitment exceeds the Dollar Equivalent of such Lender's Canadian Revolving Loans and Canadian LC Exposure during the period from and including the Effective Date to but excluding the date on which the Lenders' Canadian Commitment terminates. Accrued commitment fees shall be payable in arrears on the first Business Day of each January, April, July and October, commencing on the first such date to occur after the Effective Date, and on the date on which the Revolving Commitments terminate. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed. For purposes of computing commitment fees, the Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans, Swingline Exposure, Protective Advances, Overadvances and LC Exposure of such Lender.

(b) The (i) U.S. Borrowers agree to pay to the Applicable Administrative Agent for the account of each U.S. Revolving Lender a letter of credit fee with respect to its participations in U.S. Letters of Credit and for the account of each Canadian Revolving Lender a letter of credit fee with respect to Canadian Letters of Credit issued for the account of the U.S. Borrowers and (ii) the Canadian Borrower agrees to pay to the Canadian Administrative Agent for the account of each Canadian Revolving Lender a letter of credit fee with respect to its participation in Canadian Letters of Credit issued for the account of the Canadian Borrower which, in each case, shall accrue at the same Applicable Rate used to determine the interest rate applicable to Eurodollar Loans (as in effect from time to time) on the average daily Dollar Equivalent of such Lender's applicable LC Exposure in respect of such Letters of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Revolving Lender ceases to have any LC Exposure in respect of such Borrower(s)' Letters of Credit. In addition, (x) the U.S. Borrowers, jointly and severally, agrees to pay to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% of the average daily Dollar Equivalent of the LC Exposure attributable to Letters of Credit issued for the account of the U.S. Borrowers by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure in respect of

Letters of Credit issued for the account of the U.S. Borrowers, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any such Letter of Credit or processing of drawings thereunder and (y) the Canadian Borrower agrees to pay to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% of the average daily Dollar Equivalent of the LC Exposure attributable to Letters of Credit issued for the account of the Canadian Borrower by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure in respect of Letters of Credit issued for the account of the Canadian Borrower, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any such Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of each calendar quarter shall be payable on the first Business Day of each January, April, July and October, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Banks pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed.

(c) The U.S. Borrowers agree to pay to the fees in the amounts and payable at the times separately agreed upon in the Fee Letters or as otherwise agreed between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Applicable Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders. Fees paid shall not be refundable under any circumstances (absent manifest error in the amount paid).

SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing (including each Swingline Loan, but excluding Protective Advances and Overadvances) shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) The Loans comprising each Canadian Prime Rate Borrowing shall bear interest at the Canadian Prime Rate plus the Applicable Rate.

(d) The Loans comprising each CDOR Rate Borrowing shall bear interest at the CDOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(e) Each (i) U.S. Protective Advance and U.S. Overadvance shall bear interest at the Alternate Base Rate plus the Applicable Rate for ABR Revolving Loans plus 2% per annum and each Canadian Protective Advance and Canadian Overadvance shall bear interest at the Canadian Prime Rate plus the Applicable Rate for Canadian Prime Rate Loans plus 2% per annum.

(f) Notwithstanding the foregoing, during the occurrence and continuance of an Event of Default, (i) all past due amounts in respect of the principal of any Loan shall bear interest at 2% plus the rate otherwise applicable to such Loans as provided in the preceding paragraphs of this Section or (ii) in

the case of any other amount that is past due, such amount shall bear interest at 2% per annum plus the rate applicable to Base Rate Revolving Loans hereunder (or, in the case of amounts denominated in Canadian Dollars, 2% per annum plus the rate applicable to Canadian Prime Rate Loans hereunder).

(g) Accrued interest on each Loan (for ABR Loans and Canadian Prime Rate Loans, accrued through the last day of the prior calendar quarter) shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Revolving Commitments; provided that (i) interest accrued pursuant to paragraph (f) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan or Canadian Prime Rate Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Revolving Loan or CDOR Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(h) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate, the Canadian Prime Rate or the CDOR Rate shall be determined by the Applicable Administrative Agent, and such determination shall be conclusive absent manifest error.

(i) *Interest Act (Canada)*. For purposes of disclosure pursuant to the *Interest Act (Canada)*, the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Loan Documents (and stated herein or therein, as applicable, to be computed on the basis of 360 days or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or such other period of time, respectively.

(j) *Limitation on Interest*. If any provision of this Agreement or of any of the other Loan Documents would obligate any Loan Party to make any payment of interest or other amount payable to the Lenders in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Lenders of interest at a criminal rate (as such terms are construed under the *Criminal Code (Canada)*) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by the Lenders of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to the Lenders under this Section 2.13, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the Lenders which would constitute “interest” for purposes of Section 347 of the *Criminal Code (Canada)*. Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if the Lenders shall have received an amount in excess of the maximum permitted by that section of the *Criminal Code (Canada)*, the Loan Parties shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from the Lenders in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by the Lenders to the Borrowers. Any amount or rate of interest referred to in this Section 2.13(j) shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that the applicable Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of “interest” (as defined in the *Criminal Code (Canada)*) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Effective Date to the Maturity Date and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent shall be conclusive for the purposes of such determination.

SECTION 2.14 Alternate Rate of Interest; Illegality. (a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing or CDOR Rate Borrowing:

(i) the Applicable Administrative Agent determines in good faith (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the CDOR Rate, as applicable (including, without limitation, by means of an Interpolated Rate or because the LIBO Screen Rate or the CDOR Rate is not available or published on a current basis) for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the CDOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Applicable Administrative Agent shall give notice thereof to the Borrower Representative and the Lenders through the Platform as provided in Section 9.01 as promptly as practicable thereafter and, until the Applicable Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist (which notification shall be made promptly after the Applicable Administrative Agent obtains knowledge of the cessation of such circumstances), (A) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing or a CDOR Rate Borrowing shall be ineffective, and any such Revolving Borrowing shall be repaid or converted into an ABR Borrowing or Canadian Prime Rate Borrowing, as applicable, on the last day of the then current Interest Period applicable thereto, and (B) if any Borrowing Request requests a Eurodollar Borrowing or CDOR Rate Borrowing, such Borrowing shall be made as an ABR Borrowing or Canadian Prime Rate Borrowing, respectively.

(b) If any Lender determines that any Requirement of Law has made it unlawful, or if any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain, fund or continue any Eurodollar Borrowing or CDOR Rate Borrowing, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, dollars in the London interbank market, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make, maintain, fund or continue Eurodollar Loans or to convert ABR Borrowings to Eurodollar Borrowings or to convert Canadian Prime Rate Borrowings to CDOR Rate Borrowings will be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers will upon demand from such Lender (with a copy to the Applicable Administrative Agent), either prepay all Eurodollar Borrowings and CDOR Rate Borrowings of such Lender or convert all Eurodollar Borrowings and CDOR Rate Borrowings of such Lender to ABR Borrowings and Canadian Prime Rate Borrowings, respectively, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Borrowings or CDOR Rate Borrowings to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans. Upon any such conversion or prepayment, the Borrowers will also pay accrued interest on the amount so converted or prepaid.

(c) If at any time (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that the circumstances set forth with respect to the Adjusted LIBO Rate in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrowers (A) shall endeavor to establish an alternate

benchmark rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time (which may include a margin to be applied thereto); provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement, and (B) shall enter into an amendment to this Agreement, at no cost to the Loan Parties other than the reimbursement of the Administrative Agent's costs and expenses as contemplated by Section 9.03 of this Agreement, to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable; *provided*, that any such amendment shall meet the standards set forth in Proposed United States Treasury Regulation Section 1.1001-6 or any amended, temporary or final version thereof so as not to be treated as a "modification" (and therefore an exchange) for purpose of United States Treasury Regulation Section 1.1001-3. Notwithstanding anything to the contrary in Section 9.02, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (c) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.14(c), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurodollar Borrowing shall be ineffective, and (y) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the London interbank market or Canadian interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Loans or CDOR Rate Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than any (A) Indemnified Taxes or (B) Excluded Taxes) on or with respect to its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender or other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, from time to time upon request of such Lender or other Recipient, the applicable Borrower(s) will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Revolving Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Loans held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy or liquidity), then, from time to time upon request of such Lender or such Issuing Bank, the applicable Borrower(s) will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrower Representative shall be conclusive absent manifest error. The applicable Borrower(s) shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.15 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances under agreements containing provisions permitting such compensation to be claimed at such time.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan or CDOR Rate Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan or CDOR Rate Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(d) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan or CDOR Rate Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower Representative pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense (excluding any loss of margin) attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate or CDOR Rate that would have been applicable to such Loan (but not including the Applicable Rate applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period

that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate such Lender would bid if it were to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the London interbank market or CDOR Rate market, as applicable. A certificate of any Lender delivered to the Borrower Representative and setting forth and explaining in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be conclusive absent manifest error. The applicable Borrower(s) shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

SECTION 2.17 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by any applicable withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of payments made to any Administrative Agent for its own account, such Administrative Agent) receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Applicable Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Applicable Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Applicable Administrative Agent.

(d) Indemnification by the Loan Parties. The applicable Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) payable or paid by such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower Representative by a Lender (with a copy to the Applicable Administrative Agent), or by the Applicable Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Status of Recipients.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower Representative and the Applicable Administrative Agent, at the time or times reasonably requested by the Borrower Representative or the Applicable Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower Representative or the

Applicable Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower Representative or the Applicable Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower Representative or the Applicable Administrative Agent as will enable the Borrower Representative or the Applicable Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender to a U.S. Borrower that is a U.S. Person shall deliver to the Borrower Representative and the Applicable Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Foreign Lender to a U.S. Borrower shall deliver to the Borrower Representative and the Applicable Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Administrative Agent), whichever of the following is applicable (in such number of copies as shall be requested by the recipient):

(1) executed originals of IRS Form W-8BEN or W-8BEN-E (or any successor forms) in the case of a Foreign Lender claiming eligibility for the benefits of an income tax treaty to which the United States is a party;

(2) executed originals of IRS Form W-8ECI (or any successor forms);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any U.S. Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" related to any Borrower described in Section 881(c)(3)(C) of the Code and that no payments in connection with any Loan Document are effectively connected with the Foreign Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or W-8BEN-E (or any successor forms); or

(4) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or a participating Lender), executed originals of IRS Form W-8IMY (or any successor forms), accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a

participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I on behalf of each such direct and indirect partner;

(C) any Foreign Lender to a U.S. Borrower shall deliver to the Borrower Representative and the Applicable Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower Representative or the Applicable Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower Representative or the Applicable Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower Representative and the Administrative Agents at the time or times prescribed by law and at such time or times reasonably requested by the Borrower Representative or the Administrative Agents such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower Representative or the Administrative Agents as may be necessary for the Borrower Representative and the Administrative Agents to comply with their obligations under FATCA, to determine whether such Recipient has complied with such Recipient's obligations under FATCA and to determine, if any, the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(E) Any Lender to the Canadian Borrower shall deliver to the Canadian Borrower and the Canadian Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Canadian Borrower or the Canadian Administrative Agent), (1) two executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding or (2) two executed originals of an applicable IRS Form W-8 certifying such Lender's non-U.S. status.

(F) Each Agent that is a U.S. Person, on or before the date on which it (and any successor or replacement Administrative Agent) becomes the Administrative Agent hereunder, shall deliver to the Borrower Representative and the Administrative Agents two executed copies of either (i) IRS Form W-9, or (ii) IRS Form W-8ECI (with respect to any payments to be received on its own behalf) and IRS Form W-8IMY (for all other payments), establishing that the Borrower can make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the United States, including Taxes imposed under FATCA.

Each Recipient agrees that if any form or certification it previously delivered (including any specific documentation required in this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect, it shall deliver promptly to the Borrower Representative or the Applicable Administrative Agent updated or other appropriate documentation (including any new documentation reasonably request by the Borrower or the Applicable Administrative Agent) or promptly notify the Borrower Representative and the Applicable Administrative Agent in writing of its legal ineligibility to do so.

Each Lender hereby authorizes the Applicable Administrative Agent to deliver to the Loan Parties and to any other successor Applicable Administrative Agent any documentation provided by such Lender pursuant to this Section 2.17(e).

Notwithstanding any other provision of this Section 2.17(e), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(f) Treatment of Certain Refunds. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.17 (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.17 the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17 shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) Defined Terms. For the avoidance of doubt, for purposes of this Section 2.17, the term “Lender” includes any Issuing Bank and any Swingline Lender and the term “applicable law” includes FATCA.

(h) For purposes of FATCA, from and after the Effective Date, the Loan Parties and the Administrative Agents shall treat (and the Lenders hereby authorize the Administrative Agents to treat) this Agreement and any Loans made hereunder (including any Loans already outstanding) as not qualifying as “grandfathered obligations” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

SECTION 2.18 Payments Generally; Allocation of Proceeds; Sharing of Set-offs.

(a) The Borrowers shall make each payment required to be made by them hereunder or under any other Loan Document on or prior to the time expressly required hereunder or under such other Loan Document for such payment or, if no such time is expressly required, on or prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. All payments (i) in respect of any Loan (and interest thereon) shall be made in the same currency in which such Loan was made and (ii) in respect of all fees, in respect of reimbursement of LC Disbursements and in respect of any other amounts payable hereunder or under other Loan Documents shall be paid in Dollars. All such payments in respect of Revolving Loans and LC Exposure under any Facility shall be made and allocated, pro rata in accordance with the respective unpaid principal amounts of such Loans and the LC Exposure of each Lender under such Facility. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 10 South Dearborn Street, 22nd Floor, Chicago, Illinois, except that (i) payments required to be made directly to an Issuing Bank or the Swingline Lender shall be so made

and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein and (ii) payments of Canadian Loans and LC Disbursements or fronting fees that are payable to any Canadian Issuing Bank, shall be made to the Canadian Administrative Agent at its offices at Suite 4500, 66 Wellington St., W. Toronto, ON M5K 1A1 Canada. The Applicable Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder or under any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

(b) (i) Any proceeds of Collateral received by the Administrative Agent (i) not constituting (A) a specific payment of principal, interest, fees or other sum payable under the Loan Documents (which shall be applied as specified by the Borrower Representative), (B) a mandatory prepayment (which shall be applied in accordance with Section 2.11) or (C) amounts to be applied from a Concentration Account (which shall be applied in accordance with Section 2.10(b)) or (ii) after an Event of Default has occurred and is continuing and the Administrative Agent so elects or the Required Lenders so direct, shall be applied ratably first, to permanently reduce the fees, interest and principal in respect of the Prepetition Lender Obligations then outstanding (if any) constituting fees, interest and principal in accordance with Section 2.18(b) of the Prepetition Credit Agreement, until paid in full in cash, second to permanently reduce the other Prepetition Lender Obligations then outstanding (if any) in accordance with Section 2.18(b) of the Prepetition Credit Agreement until paid in full in cash, third, to pay any fees, indemnities, or expense reimbursements then due to the Administrative Agent, the Canadian Administrative Agent and each Issuing Bank from the Borrowers (other than in connection with Banking Services or Swap Obligations); fourth, to pay any fees or expense reimbursements then due to the Lenders from the Borrowers (other than in connection with Banking Services or Swap Obligations); fifth, to pay interest due in respect of the Protective Advances and Overadvances; sixth, to pay the principal of the Protective Advances and Overadvances; seventh, to pay interest then due and payable on the Loans (other than the Protective Advances and Overadvances) ratably; eighth, to prepay principal on the Loans (other than the Protective Advances and Overadvances) and unreimbursed LC Disbursements ratably; ninth, to deposit in the U.S. LC Collateral Account and the Canadian LC Collateral Account cash collateral (in accordance with 2.06(j)); tenth, to payment of any amounts owing with respect to Banking Services (other than supply chain financing) and Swap Obligations; eleventh, to the payment of any other Secured Obligations due to any Lender Party by the Borrowers; twelfth, to the payment of amounts owing with respect to Banking Services comprising supply chain financing and thirteenth any excess to be returned to Borrower Representative to be used in accordance with the Approved Budget. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Borrower Representative, or unless a Default is in existence, no Agent nor any Lender shall apply any payment which it receives to any Eurodollar Loan or ABR Loan, except (a) on the expiration date of the Interest Period applicable to such Eurodollar Loan or ABR Loan or (b) in the event, and only to the extent, that there are no outstanding ABR Loans or Canadian Prime Rate Loans, respectively and, in any such event, the applicable Borrower(s) shall pay the break funding payment required in accordance with Section 2.16.

(c) All payments of principal, interest, LC Disbursements, fees, reimbursable expenses (including, without limitation, all reimbursements of fees and expenses pursuant to Section 9.03) and other sums payable under the Loan Documents or in respect of the Prepetition Lender Obligations may be paid from the proceeds of Borrowings made hereunder, whether made following a request by the Borrower Representative pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of any Borrower maintained with the Administrative Agent. Each Borrower hereby irrevocably authorizes (i) the Applicable Administrative Agent to request a Borrowing on its behalf for the purpose of paying each payment referred to in the preceding sentence and agrees that all such

amounts charged shall constitute Loans (including Swingline Loans and Overadvances, but such a Borrowing may only constitute a Protective Advance if it is to reimburse costs, fees and expenses pursuant to Section 9.03) and that all such Borrowings shall be deemed to have been requested pursuant to Section 2.03, 2.04 or 2.05, as applicable, and (ii) the Applicable Administrative Agent to charge any deposit account of any Borrower (other than, so long as no Event of Default shall have occurred or be continuing, any Excluded Account; provided that in no event shall this clause (ii) permit any payroll, trust or tax account to be charged) maintained with the Administrative Agent for each payment of principal, interest, fees or any other amount due under the Loan Documents or in respect of the Prepetition Lender Obligations referred to in the previous sentence.

(d) If any Lender under any Facility shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances under such Facility resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances and accrued interest thereon under such Facility than the proportion received by any other Lender under such Facility, then the Lender receiving such greater proportion shall notify the Applicable Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances of other Lenders under such Facility to the extent necessary so that the amount of all such payments shall be shared by the Lenders under such Facility ratably in accordance with the aggregate amounts of principal of and accrued interest on their respective Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances under such Facility; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (for the avoidance of doubt, as in effect from time to time) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements, Swingline Loans, Protective Advances or Overadvances to any Person that is an Eligible Assignee (as such term is defined from time to time). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation. For purposes of subclause (b)(i) of the definition of Excluded Taxes, a Lender that acquires a participation pursuant to this Section 2.18(d) shall be treated as having acquired such participation on the earlier date(s) on which such Lender acquired the applicable interest(s) in the Commitment(s) and/or Loan(s) to which such participation relates.

(e) Unless the Applicable Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Applicable Administrative Agent for the account of any of the Lenders or the Issuing Banks hereunder that the applicable Borrower(s) will not make such payment, the Applicable Administrative Agent may assume that the applicable Borrower(s) have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or Issuing Banks, as the case may be, the amount due. In such event, if the applicable Borrower(s) have not in fact made such payment, then each of the Lenders or Issuing Banks, as the case may be, severally agrees to repay to the Applicable Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to each Applicable Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by each Applicable Administrative Agent in accordance with banking industry rules on interbank compensation.

(f) If any Lender shall fail to make any payment required to be made by it hereunder to or for the account of the Applicable Administrative Agent, then the Applicable Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Applicable Administrative Agent for the account of such Lender to satisfy such Lender's obligations in respect of such payment until all such unsatisfied obligations have been discharged and/or (ii) hold any such amounts in a segregated account as cash collateral for, and apply any such amounts to, any future payment obligations of such Lender hereunder to or for the account of the Applicable Administrative Agent.

SECTION 2.19 Mitigation Obligations: Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The applicable Borrower(s) hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment and delegation.

(b) If any Lender requests compensation under Section 2.15, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or if any Lender becomes a Defaulting Lender, then the Borrower Representative may, at the sole expense and effort of the applicable Borrower(s), upon notice to such Lender and the Administrative Agent by the Borrower Representative, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (i) the Borrower Representative shall have received the prior written consent of the Administrative Agent, each Issuing Bank and each Swingline Lender, which consents shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, Swingline Loans, Protective Advances and Overadvances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the applicable Borrower(s) (in the case of all other amounts), (iii) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (iv) such assignment and delegation does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the applicable Borrower(s) to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower Representative, the Administrative Agent and the assignee (subject to any required consents referred to above) and that the Lender required to make such assignment and delegation need not be a party thereto.

SECTION 2.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender under any Facility:

(a) commitment fees shall cease to accrue on the unused portion of the Revolving Commitment of such Defaulting Lender of such Facility pursuant to Section 2.12(a);

(b) the Revolving Commitment and Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or all affected Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;

(c) if any Swingline Exposure, LC Exposure, Protective Advance Exposure and Overadvance Exposure exists under any Facility under which such Lender has a Revolving Commitment at the time such Lender becomes a Defaulting Lender, then:

(i) such Defaulting Lender's Swingline Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.05(c)), LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.06(d)), Protective Advance Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.04(b)) and Overadvance Exposure (other than any portion thereof with respect to which such Defaulting Lender shall have funded its participation as contemplated by Section 2.05(c)) under such Facility shall be reallocated among the non-Defaulting Lenders under such Facility in accordance with their respective Applicable Percentages, but only to the extent the sum of all non-Defaulting Lenders' Revolving Exposures under such Facility plus such Defaulting Lender's Swingline Exposures under such Facility, LC Exposure under such Facility, Protective Advance Exposure under such Facility and Overadvance Exposure under such Facility does not exceed the total of all non-Defaulting Lenders' Revolving Commitments under such Facility;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the applicable Borrower(s) shall within one (1) Business Day following notice by the Administrative Agent, without prejudice to any rights or remedies of the Borrowers against such Defaulting Lender, (A) first, prepay the portion of such Defaulting Lender's Overadvance Exposure under such Facility that has not been so reallocated, (B) second, prepay the portion of such Defaulting Lender's Protective Advance Exposure under such Facility that has not been so reallocated, (C) third, prepay the portion of such Defaulting Lender's Swingline Exposure under such Facility that has not been so reallocated and (D) fourth, cash collateralize such Defaulting Lender's LC Exposure under such Facility that has not been so reallocated in accordance with the procedures set forth in Section 2.06(j) for so long as such LC Exposure is outstanding;

(iii) if any Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the applicable Borrower(s) shall not be required to pay any letter of credit participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such Defaulting Lender's cash collateralized LC Exposure under such Facility during the period such Defaulting Lender's LC Exposure under such Facility is cash collateralized;

(iv) if any portion of the LC Exposure under such Facility of such Defaulting Lender is reallocated pursuant to clause (c)(i) above, then the fees payable to the Lenders pursuant to Section 2.12(b) shall be adjusted to give effect to such reallocation; or

(v) if any portion of such Defaulting Lender's LC Exposure under such Facility is neither cash collateralized nor reallocated pursuant to clause (c)(i) or (c)(ii) above, then, without prejudice to any rights or remedies of the applicable Issuing Bank or any Lender hereunder, all letter of credit participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure under such Facility shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure under such Facility attributable to Letters of Credit issued by each Issuing Bank) until such LC Exposure is cash collateralized and/or reallocated; and

(d) the Swingline Lender under such Facility shall not be required to fund any Swingline Loan and no Issuing Bank under such Facility shall be required to issue, amend, renew, extend or increase any Letter of Credit, in each case, unless it is satisfied that the related exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Lenders under such Facility and/or cash collateral provided by the Borrowers in accordance with clause (c) of this Section, and participating interests in any such newly issued, amended, renewed, extended or increased Letter of Credit under such Facility or newly made Swingline Loan under such Facility shall be allocated among non-Defaulting Lenders in a manner consistent with clause (c)(i) of this Section (and Defaulting Lenders shall not participate therein).

In the event and on the date that each of the Administrative Agent, Parent, each of the Issuing Banks and each of the Swingline Lenders agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure, LC Exposure, Protective Advance Exposure and Overadvance Exposure of the other Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment under the applicable Facility and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders under such Facility as the Administrative Agent shall determine may be necessary in order for such Lender to hold Revolving Loans under such Facility in accordance with its Applicable Percentage.

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) any Swingline Lender or any Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no Swingline Lender shall be required to fund any Swingline Loan and the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Swingline Lenders or the Issuing Bank, as the case may be, shall have entered into arrangements with the Borrower or such Lender, satisfactory to each Swingline Lender or the Issuing Bank, as the case may be, to defease any risk to it in respect of such Lender hereunder.

SECTION 2.21 Returned Payments. If after receipt of any payment which is applied to the payment of all or any part of the Obligations, any Lender Party is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside or determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement and the other Loan Documents shall continue in full force as if such payment or proceeds had not been received by the Administrative Agent, such Issuing Bank or such Lender. The provisions of this Section shall be and remain effective notwithstanding any contrary action which may have been taken by the Administrative Agent, any Issuing Bank or any Lender in reliance upon such payment or application of proceeds. The provisions of this Section shall survive the termination of this Agreement.

SECTION 2.22 Super-Priority Nature of Obligations and Administrative Agent's Liens; Payment of Obligations.

(a) The priority of Administrative Agent's Liens on the Collateral, claims and other interests shall be as set forth in the Interim Order, the Canadian Recognition Order (in the case of the Obligations of the Canadian Borrower, such claim shall be a valid, binding, continuing, enforceable, fully-perfected superpriority (subject only to the Canadian Administration Charge) senior priming charge, security interest in and lien upon all property of the Canadian Borrower, whether now existing or hereafter acquired (the "Canadian DIP Charge")) and the Final Order.

(b) Upon the maturity (whether by acceleration or otherwise) of any of the Secured Obligations, the Administrative Agent and Lenders shall be entitled to immediate payment of such Secured Obligations without further application to or order of the Court.

SECTION 2.23 Conversion to Exit Facility Agreement. Upon the satisfaction or waiver by the Administrative Agents and each Lender of each of the conditions precedent to the Conversion Date set forth in the section entitled "Conditions Precedent to Conversion Date" in the Exit Facility Term Sheet on or prior to the Maturity Date, automatically and without any further consent or action required by the Administrative Agents, any Lender, or any other Lender Party, (i) the Borrowers (or the entities assuming and/or acquiring directly or indirectly the operations and assets of the Borrowers in the Acceptable Plan, and each Loan Guarantor and each entity assuming the operations and assets of each Loan Guarantor that is a Debtor in the Acceptable Plan, to the extent such Person is required under the Exit Facility Term Sheet to continue to be a guarantor thereunder), shall assume all obligations in respect of the Revolving Commitments, Loans and Letters of Credit hereunder and all other monetary obligations in respect hereof, (ii) each Loan and Letter of Credit hereunder shall be continued as a Loan or Letter of Credit under the Exit Facility Agreement, (iii) each Lender hereunder shall be a Lender under the Exit Facility Agreement and (iv) this Agreement shall terminate and be superseded and replaced in its entirety by, and deemed amended and restated in its entirety in the form of, the Exit Facility Agreement (with such changes and insertions thereto, as are reasonably satisfactory to the Administrative Agents and the Borrower, incorporated as necessary to make any technical changes necessary to effectuate the intent of this Section 2.23), and each of the Revolving Commitments hereunder shall automatically be Revolving Commitments under the Exit Facility Agreement. Notwithstanding the foregoing, all obligations of the Borrowers and the Loan Guarantors to the Administrative Agents, the Issuing Banks and the Lenders under this Agreement and any other Loan Document which are expressly stated in this Agreement or such other Loan Document as surviving such agreement's termination shall, as so specified, survive without prejudice and remain in full force and effect. Each of the Loan Parties, the Administrative Agents, the Lenders and the Issuing Banks shall take such actions and execute and deliver such agreements, instruments or other documents as the Administrative Agents may reasonably request to give effect to the provisions of this Section 2.23 and as are required to complete the schedules to the Exit Facility Agreement or other agreements contemplated thereby; provided, however, that any such action by the Administrative Agent, any of the Lenders or the Issuing Banks shall not be a condition precedent to the effectiveness of the Exit Facility Agreement if and to the extent so provided in the Confirmation Order. Each Lender and Issuing Bank party hereto hereby agrees that, on the Conversion Date, the Administrative Agents may execute and deliver the security documents and intercreditor agreement contemplated by the Exit Facility Term Sheet.

ARTICLE III

Representations and Warranties

Each Loan Party represents and warrants to the Lenders as follows:

SECTION 3.01 Organization; Powers. Parent and each Subsidiary is duly organized, validly existing and (to the extent the concept is applicable in such jurisdiction and, in the case of any Subsidiary other than any Borrower, except where the failure to be so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect) in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to, subject to the entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02 Authorization; Enforceability; Benefit to Loan Parties.

(a) Subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), the Transactions, insofar as they are to be carried out by each Loan Party, are within such Loan Party's corporate or other organizational powers and have been duly authorized by all necessary corporate or other organizational and, if required, shareholder or other equityholder action. Subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), this Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(b) Each Loan Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (i) successful operations of each of the other Loan Parties and (ii) the credit extended by the Lenders to the Borrowers hereunder. Each Loan Party has determined that, subject to entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), the execution, delivery, and performance of this Agreement and any other Loan Documents to be executed by such Loan Party is within its purpose, will be of direct and indirect benefit to such Loan Party, and is in its best interest.

SECTION 3.03 Governmental Approvals; No Conflicts. Except for the entry of, and pursuant to the terms of, the Interim Order and the Canadian Recognition Order (and Final Order, when and as applicable), the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are (or will so be) in full force and effect, (b) will not violate any applicable law, including any order of any Governmental Authority, (c) will not violate the charter, bylaws or other organizational documents of Parent or any Subsidiary, (d) will not violate or result in a default under any indenture or agreement (including the Term Credit Agreement, the Senior Notes Indenture or other material instrument binding upon Parent or any Subsidiary or any of their assets), or give rise to a right thereunder to require any payment to be made by Parent or any Subsidiary, and (e) will not result in the creation or imposition of any Lien on any asset of Parent or any Subsidiary, except Liens created pursuant to the Loan Documents, Liens created in connection with the Term Credit Agreement or Liens created in connection with the Prepetition

Credit Agreement; in the case of clause (b) and (d) above, except for a violation or creation, as applicable, which would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.04 Financial Condition; No Material Adverse Effect.

No promises of benefit improvements under the Canadian Pension Plans or the Canadian Benefit Plans have been made except where such improvement could not be reasonably expected to have a Material Adverse Effect and, in any event, no such improvements will result in a solvency deficiency or going concern unfunded liability in the affected Canadian Pension Plans. The pension fund under each Canadian Pension Plan is exempt from the payment of any income tax and there are no taxes, penalties or interest owing in respect of any such pension fund. All material reports and disclosures relating to the Canadian Pension Plans required by such plans and any Requirement of Law to be filed or distributed have been filed or distributed. Except as set forth in Section 3.12 of the Disclosure Letter, as of the Effective Date, there is no existing option, warrant, call, right, commitment or other agreement to which Parent or any Subsidiary is a party requiring, and there are no Equity Interests in any Subsidiary outstanding that upon exercise, conversion or exchange would require, the issuance by any Subsidiary of any additional Equity Interests or other securities exercisable for, convertible into, exchangeable for or evidencing the right to subscribe for or purchase any Equity Interests in any Subsidiary.

SECTION 3.13 Insurance. Section 3.13 of the Disclosure Letter sets forth a description of all insurance maintained by or on behalf of Parent and the Subsidiaries as of the Effective Date. No part of the proceeds of any Loan or any Letter of Credit will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, in any manner or for any purpose that would entail a violation of Regulations T, U or X of the Board of Governors.

(b) Except for the entry of the Interim Order and the Canadian Recognition Order (and Final Order, when applicable), no filing or other action will be necessary to perfect such Liens.

(c) The Interim Order and the Canadian Recognition Order (and Final Order, when applicable) is (or will be, as applicable) effective to create in favor of the Administrative Agent, for the benefit of the Lender Parties, a legal, valid, binding and enforceable perfected Lien in the Collateral without the necessity of the execution of mortgages, security agreements, pledge agreements, financing statements or other agreements or documents except to the extent set forth in such Order.

SECTION 3.17 Use of Proceeds. The Borrowers will use the proceeds of the Loans and will request the issuance of Letters of Credit only for purposes set forth in Section 5.11.

The Loan Parties are in compliance in all material respects with each such Credit Card Agreement.

SECTION 3.19 Approved Budget. As of the Effective Date, the Borrowers have furnished to the Administrative Agent the initial Approved Budget. Each Approved Budget was prepared in good faith based upon assumptions the Borrowers believed to be reasonable assumptions on the date of delivery of such Approved Budget.

At any hearing during the Remedies Notice Period to contest the enforcement of remedies, the only issue that may be raised by any party in opposition thereto shall be whether, in fact, an Event of Default has occurred, and the Loan Parties hereby waive their right to and shall not be entitled to seek relief, including, without limitation, under Section 105 of the Bankruptcy Code, to the extent that such relief would in way impair or restrict the rights and remedies of the Administrative Agent or the Lender Parties, as set forth in this Agreement, the Orders, the Canadian Recognition Order or other Loan Documents. It is agreed and understood that the Administrative Agent may not charge default interest pursuant to this Agreement during such time as the occurrence of such Event of Default is being contested during the Remedies Notice Period but once determined that such Event of Default exists, the Administrative Agent may charge default interest pursuant to this Agreement retroactively to cover the period from which the Event of Default exists through the date of determination.

ARTICLE VIII

The Administrative Agents

Each of the Lenders and each of the Issuing Banks hereby irrevocably appoints the Administrative Agent and, as applicable, the Canadian Administrative Agent and their respective successors to serve in such capacities under the Loan Documents (and in the case of the Administrative Agent, to serve as collateral agent), and authorizes each such Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent to consent, on behalf of each Lender, to the Interim Order, the Final Order and the Canadian Recognition Order, each to be negotiated between the Loan Parties, the Administrative Agent, certain other parties and the statutory committees appointed pursuant to Sections 327 and 1103 of the Bankruptcy Code, as applicable.

For greater certainty, and without limiting the powers of the Administrative Agent under this Agreement or under any of the other Loan Documents, for the purposes of holding any security granted by any Loan Party pursuant to the laws of the Province of Québec, each Lender and Issuing Bank hereby irrevocably appoints and authorizes the Administrative Agent to act as the hypothecary representative (in such capacity, the "Hypothecary Representative") of the Lender Parties, as contemplated under Article 2692 of the Civil Code of Québec. The Hypothecary Representative shall (i) have exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Hypothecary Representative pursuant to any hypothec, (ii) benefit from and be subject to all provisions hereof with respect to the Administrative Agent, mutatis mutandis, including without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lender Parties, (iii) be entitled to delegate from time to time any of its powers or duties under any hypothec, on such terms and conditions as it may determine from time to time. Any person who becomes a Lender Party shall be deemed to have consented to and confirmed the Hypothecary Representative as the hypothecary representative and to have ratified, as of the date it becomes a Lender Party, all actions taken by the Hypothecary Representative in such capacity. The substitution of the Administrative Agent pursuant to the provisions of Article VIII hereto shall also constitute the substitution of the Hypothecary Representative.

Each bank serving as the Administrative Agent or Canadian Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent or Canadian Administrative Agent, and such bank and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent or Canadian

Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

Neither of the Administrative Agents shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither of the Administrative Agents shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agents is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties), (b) neither of the Administrative Agents shall have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Applicable Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Applicable Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Applicable Administrative Agent shall not be required to take any action that, in its opinion, could expose such Administrative Agent to liability or be contrary to any Loan Document or applicable law, and (c) except as expressly set forth in the Loan Documents, neither of the Administrative Agents shall have any duty to disclose and shall be liable for the failure to disclose, any information relating to any Loan Party or any Subsidiary or other Affiliate thereof that is communicated to or obtained by such bank serving as Administrative Agent or Canadian Administrative Agent or any of their respective Affiliates in any capacity. Neither of the Administrative Agents shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Applicable Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or in the absence of its own bad faith, gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment). Neither of the Administrative Agents shall be deemed to have knowledge of any Default unless and until written notice thereof (stating that it is a “notice of default”) is given to the such Person by the Borrower Representative or a Lender, and such Person shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of Liens on the Collateral or the existence of the Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Applicable Administrative Agent.

Each of the Administrative Agents shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof). Each of the Administrative Agents also shall be entitled to rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof), and may act upon any such statement prior to receipt of written confirmation thereof. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that

by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Applicable Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Applicable Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. Each of the Administrative Agents may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each of the Administrative Agents may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Person. Each of the Administrative Agents and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each of the Administrative Agents and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as each of the Administrative Agents. Neither of the Administrative Agents shall be responsible for the bad faith, negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with bad faith, gross negligence or willful misconduct in the selection of such sub-agents.

Subject to the appointment and acceptance of a successor Agent as provided in this paragraph, each of the Administrative Agents may resign at any time by notifying the Lenders, the Issuing Banks and the Borrower Representative. Upon any such resignation, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor that is an Eligible Successor Agent. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may, in consultation with the Borrower Representative, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent or Canadian Administrative Agent, as applicable, which is an Eligible Successor Agent. Upon the acceptance of its appointment as an Administrative Agent or Canadian Administrative Agent, as applicable, hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent or Canadian Administrative Agent, as applicable, and the retiring Administrative Agent or Canadian Administrative Agent, as applicable, shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent or Canadian Administrative Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After an Administrative Agent or Canadian Administrative Agent, as applicable, resigns hereunder, the provisions of this Article, Section 2.17(d) and Section 9.03 shall continue in effect for the benefit of such retiring Person, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent.

Each Lender and Issuing Bank acknowledges that it has, independently and without reliance upon either of the Administrative Agents, the Arrangers, any Lender or any Issuing Bank, the Debtors' Investment Banker or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and Issuing Bank also acknowledges that it will, independently and without reliance upon either of the Administrative Agents, the Arrangers, any Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

The Loan Parties acknowledge and agree that the Administrative Agent may prepare and distribute to the Lenders Reports containing information obtained by the Administrative Agent through the exercise of its inspection rights under Section 5.09. Each Lender hereby agrees that (a) it has requested a copy of each Report prepared by or on behalf of the Administrative Agent; (b) the Administrative Agent (i) makes no representation or warranty, express or implied, as to the completeness or accuracy of any Report or any of the information contained therein or any inaccuracy or omission contained in or relating to a Report and (ii) shall not be liable for any information contained in any Report; (c) the Reports are not comprehensive audits or examinations and that the Administrative Agent undertakes no obligation to update, correct or supplement the Reports; (d) it will keep all Reports confidential and strictly for its internal use, not share the Report with any Loan Party or any other Person except as otherwise permitted pursuant to this Agreement; and (e) without limiting the generality of any other indemnification provision contained in this Agreement, it will pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Person preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorney fees) incurred by as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

To the extent required by any applicable laws (as determined in good faith by the Administrative Agents), the Administrative Agents may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify and hold harmless the Administrative Agents against, and shall make payable in respect thereof within 10 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agents) incurred by or asserted against the Administrative Agents by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agents to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agents of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agents shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agents under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agents, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

The provisions of this Article are solely for the benefit of each of the Agents, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrowers' rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrowers or any other Loan Party shall have any rights as a third party beneficiary of any such provisions. Each Lender Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Loan Guarantee provided under the Loan Documents, to have agreed to the provisions of this Article.

Notwithstanding anything herein to the contrary, none of the Arrangers, any Person named on the cover page of this Agreement as a Co-Syndication Agent or a Co-Documentation Agent and the Debtors' Investment Banker shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities to the extent referenced and provided for hereunder.

No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made, or shall be deemed to be made, by either of the Administrative Agents or any of their Related Parties in connection with the Communications or the Platform.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Canadian Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Except as provided in Sections 5.16, 9.02(e) and 9.18 (and, except as specifically provided in any Loan Document with respect to the Schedule thereto), and subject to Section 2.14(c), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or (ii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent (if a party to the original agreement), the Canadian Administrative Agent (if a party to the original agreement) and the Loan Party or Loan Parties that are parties thereto, with the consent of the Required Lenders; provided that (A) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrowers, the Administrative Agent and the Canadian Administrative Agent to cure any technical error, ambiguity, omission, defect or inconsistency so long as, in each case, the Lenders shall have received at least five (5) Business Days’ prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment and (B) no such agreement shall (1) increase the Revolving Commitment of any Lender without the written consent of such Lender (provided that the Applicable Administrative Agent may make Protective Advances and Overadvances as set forth in Section 2.04 or 2.05, as applicable), (2) reduce or forgive the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce or forgive any interest or fees payable hereunder, without the written consent of each Lender directly affected thereby, (3) postpone any scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any date for the payment of any interest, fees or other Obligations payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Revolving Commitment, without the written consent of each Lender directly affected thereby, (4) change Section 2.18(b) or 2.18(d) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender, (5) increase the advance rates set forth in the definition of U.S. Borrowing Base or Canadian Borrowing Base or add new categories of eligible assets, without the written consent of the each Lender,

(6) change any of the provisions of this Section or the percentage set forth in the definition of the term “Required Lenders” or any other provision of any Loan Document specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, (7) change Section 2.20 without the consent of each Lender (other than any Defaulting Lender) adversely affected thereby, (8) release all or substantially all of the value of the Loan Guarantee (except as otherwise permitted herein or in the other Loan Documents), without the written consent of each Lender, or (9) except as provided in paragraph (c) of this Section or in any Collateral Document, release all or substantially all of the Collateral without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or the Swingline Lender hereunder or under any other Loan Document without the prior written consent of the Administrative Agent, the Canadian Administrative Agent such Issuing Bank or the Swingline Lender, as the case may be (it being understood that any change to Section 2.20 shall require the consent of the Administrative Agent, the Canadian Administrative Agent, the Swingline Lender and each Issuing Bank).

(c) The Lenders and the Issuing Banks hereby irrevocably authorize the Administrative Agent, at its option and in its sole discretion, (i) to release any Liens granted to the Administrative Agent by the Loan Parties on any Collateral (A) upon the termination of (x) all the Revolving Commitments, payment and satisfaction in full in cash of all Obligations (other than Unliquidated Obligations) and the cash collateralization of all Unliquidated Obligations in respect of Letters of Credit in a manner satisfactory to each applicable Issuing Bank and the Administrative Agent and (y) solely in the case of the Canadian Collateral, upon termination in full of all the Canadian Commitments and payment and satisfaction in full in cash of all Canadian Obligations (other than Unliquidated Obligations) and the cash collateralization of all Canadian Letters of Credit in a manner satisfactory to each applicable Issuing Bank and the Administrative Agent, (B) constituting property being sold or disposed of if the Loan Party disposing of such property certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry), and to the extent that the property being sold or disposed of constitutes 100% of the Equity Interest of a Subsidiary, the Administrative Agent is authorized to release any Loan Guarantee provided by such Subsidiary, (C) constituting property leased to a Loan Party under a lease which has expired or been terminated in a transaction not prohibited under this Agreement, (D) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article VII and (E) constituting property of a Loan Guarantor that is being released as a Loan Guarantor (and, in the case of a U.S. Subsidiary Borrower, as a U.S. Subsidiary Borrower) as provided below and (ii) to release any Loan Guarantee provided by any U.S. Subsidiary Borrower or Canadian Loan Party that is (A) dissolved pursuant to Section 6.03(a)(iv) in connection with a voluntary liquidation or dissolution thereof permitted by such Section, (B) upon the disposition of all of the outstanding Equity Interests of a Subsidiary of the Borrower (other than the Canadian Borrower) to a Person other than the Borrower or a Subsidiary in a transaction permitted by Section 6.05, (C) [reserved] or (D) in the case of the Canadian Loan Parties, upon any release of all the Canadian Collateral pursuant to clause (i)(A) above and, in connection therewith, to release any Liens granted to the Administrative Agent by such Subsidiary on any Collateral, if the U.S. Borrower certifies to the Administrative Agent that such liquidation or dissolution is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry). The Lenders and the Issuing Banks hereby further irrevocably authorize the release or subordination of Liens on the Term Priority Collateral as provided in the Intercreditor Agreement. Any such release or subordination shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

(d) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender affected thereby,” the consents of Lenders having Credit Exposure and unused Revolving Commitments representing more than 66% of the sum of the total Credit Exposure and unused Revolving Commitments at such time are obtained, but the consents of other necessary Lenders are not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower Representative may elect to replace any Non-Consenting Lender as a Lender party to this Agreement; provided that, concurrently with such replacement, (i) an Eligible Assignee which is reasonably satisfactory to the Borrower Representative and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of paragraph (b) of Section 9.04, and (ii) the applicable Borrower(s) shall pay to such Non-Consenting Lender in same day funds on the day of such replacement (A) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by such Borrowers hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 2.15 and 2.17, and (B) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 2.16 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

(e) Notwithstanding the foregoing, Exhibit G to this Agreement, the definitions of “Exit Facility Agreement” and “Exit Facility Term Sheet” and Section 2.23 (or any other provision which would result in an amendment, restatement, waiver or modification of any of the foregoing) may be amended, restated, waived or otherwise modified with the prior written consent of the Lenders, the Administrative Agent and the Borrower Representative; provided that the Lenders hereby authorize the Administrative Agent to enter into any amendments to this Agreement and the other Loan Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to give effect to the transaction contemplated by Section 2.23 and such other technical or immaterial amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower Representative in connection therewith.

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Canadian Administrative Agent, the Arrangers and their respective Affiliates, including the reasonable and documented fees, charges and disbursements of one primary U.S. and one primary Canadian counsel for the Administrative Agent, the Canadian Administrative Agent, the Arrangers and their Affiliates, and if deemed necessary by the Administrative Agent, one local counsel in each applicable jurisdiction, in connection with the syndication and distribution (including, without limitation, via the internet or through a service such as Intralinks) of the credit facility provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Canadian Administrative Agent, the Arrangers, any Issuing Bank or any Lender, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Canadian Administrative Agent, the Arrangers, any Issuing Bank or any Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in

respect of such Loans or Letters of Credit. Subject to the provisions of Sections 5.09, expenses subject to reimbursement by the Borrowers under this Section include, without limiting the generality of the foregoing, reasonable and documented out-of-pocket costs and expenses incurred in connection with:

- (i) insurance reviews;
- (ii) [reserved];
- (iii) taxes, fees and other charges for (A) lien searches and (B) filing financing statements and continuations, and other actions to perfect, protect, and continue the Administrative Agent's Liens;
- (iv) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and
- (v) forwarding loan proceeds, collecting checks and other items of payment, and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral.

All of the foregoing costs and expenses may be charged to the applicable Borrower(s) as Revolving Loans or to another deposit account, all as described in Section 2.18(c).

(b) The Borrowers agree, jointly and severally, to indemnify the Administrative Agent (or any sub-agent thereof), the Canadian Administrative Agent (or any sub-agent thereof), the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, each Issuing Bank and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnatee"), against, and hold each Indemnatee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the reasonable fees, charges and disbursements of any counsel for any Indemnatee, incurred by or asserted against any Indemnatee arising out of, in connection with, or as a result of (i) syndication of the credit facility provided for herein and the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on at, under, to or from any property currently or formerly owned or operated by the any Loan Party or any of the Subsidiaries, or any other Environmental Liability related in any way to any Loan Party or any of the Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether such proceeding is initiated against or by any party to this Agreement, or any Affiliate thereof, by an Indemnatee or any third party or whether any Indemnatee is a party thereto; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses (A) are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnatee or (B) have arisen from a proceeding by an Indemnatee against another Indemnatee not involving any act or omission of the Parent or any Subsidiary (other than a proceeding against the Administrative Agent, any Arranger or an Issuing Bank in its capacity or in fulfilling its role as such). This Section 9.03(b) shall not apply to any Taxes (other than any Taxes that represent losses, claims, damages or related expenses arising from any non-Tax claim).

(c) To the extent the Borrowers fail to pay any amount required to be paid by them to the Administrative Agent (or any sub-agent thereof), the Canadian Administrative Agent (or any sub-agent thereof), any Issuing Bank or the Swingline Lender, or any Related Party of any of the foregoing, under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, the Canadian Administrative Agent, such Issuing Bank, Swingline Lender or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or such sub-agent), the Canadian Administrative Agent (or such sub-agent), such Issuing Bank or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Canadian Administrative Agent (or any such sub-agent), any Issuing Bank or the Swingline Lender in connection with such capacity.

(d) To the extent permitted by applicable law, no Loan Party shall assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet) or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 10 days after written demand therefor.

SECTION 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Debtors' Investment Banker (to the extent provided in Article VIII), the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents and, to the extent expressly contemplated hereby, the sub-agents of the Administrative Agent and the Canadian Administrative Agent and the Related Parties of any of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower Representative; provided that no consent of the Borrower Representative shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default under clause (a) or (b) of Article VII has occurred and is

continuing, any other assignee; provided further that the Borrower Representative shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof;

(B) the Administrative Agent;

(C) the Swingline Lender under any Facility under which a Revolving Commitment is being assigned; and

(D) each Issuing Bank under any Facility under which a Revolving Commitment is being assigned.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment or Loans under a Facility, the amount of the Revolving Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 unless each of the Borrower Representative and the Administrative Agent otherwise consent; provided that no such consent of the Borrower Representative shall be required if an Event of Default under clause (a) or (b) of Article VII has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all lender-group-level information (which may contain material non-public information about the U.S. Borrower, the Subsidiaries and other Affiliates thereof or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including federal, state, provincial, territorial and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Applicable Administrative Agent, acting solely for this purpose as non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time under each Facility (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05, 2.06(d) or (e), 2.07(b), the ninth paragraph of Article VI or 9.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks or the Swingline Lender, sell participations to one or more Eligible Assignees (“Participants”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Revolving Commitment and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under the Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(e) (it being understood that the documentation required under Section 2.17(e) shall be delivered solely to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (x) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (y) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.16(c) as though it were a Lender.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register for the recordation of the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Revolving Commitments or Revolving Loans or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Revolving Commitment or Revolving Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrower and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agents (in their capacity as Administrative Agents) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Revolving Commitments have not expired or terminated. The provisions of Sections 2.15, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Revolving Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and the Canadian Administrative Agent and when the Administrative Agent and the Canadian Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective permitted successors and assigns. Delivery of an executed counterpart of a signature

page of this Agreement by electronic transmission or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized (notwithstanding the provisions of Section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order from, the Court) at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust and tax accounts) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of any Borrower or any Loan Guarantor against any of and all the Secured Obligations held by such Lender, irrespective of whether or not such Lender shall have made any demand under the Loan Documents and although such obligations may be unmatured. The applicable Lender shall notify the Borrower Representative and the Administrative Agent of such setoff or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set off or application under this Section. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 9.09 Governing Law: Jurisdiction; Consent to Service of Process.

(a) EXCEPT TO THE EXTENT SUPERSEDED BY THE BANKRUPTCY CODE, THE LOAN DOCUMENTS (OTHER THAN THOSE CONTAINING A CONTRARY EXPRESS CHOICE OF LAW PROVISION) SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS; PROVIDED THAT APPOINTMENT OF THE APPLICABLE ADMINISTRATIVE AGENT AS *FONDÉ DE POUVOIR* IN ACCORDANCE WITH ARTICLE VIII SHALL BE GOVERNED BY THE LAWS OF THE PROVINCE OF QUEBEC.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of the Court or the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each Loan Party hereby irrevocably and unconditionally agrees that all claims arising out of or relating to this Agreement or any other Loan Document brought by it or any of its Affiliates shall be brought, and shall be heard and determined, in the Court, such New York State or, to the extent permitted by law, in such Federal court. Each party hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any

court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality. Each of the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below) with the same degree of care that it uses to protect its own confidential information, but in no event less than a commercially reasonable degree of care, except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any swap or derivative transaction relating to any Loan Party or any Subsidiary or its obligations, (g) on a confidential basis to any rating agency in connection with rating the Borrowers or the Subsidiaries or the credit facilities provided for herein, (h) with the consent of the Borrower Representative, or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender, or any Affiliate of any of the foregoing, on a non-confidential basis from a source other than the Borrowers; provided that, in the case of clause (c) above, the party disclosing such information shall provide to the Borrower Representative prior written notice of such disclosure to the extent permitted by applicable law (and to the extent commercially feasible under the circumstances) and shall cooperate with the Borrower Representative, at the Borrower Representative's sole expense, in obtaining a protective order for, or other

confidential treatment of, such disclosure, in each case at the Borrower Representative's sole expense. For the purposes of this Section, "Information" means all information received from the Borrowers relating to Parent or any Subsidiary or their businesses or the Collateral, other than any such information that is available to the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank or any Lender, or any Affiliate of any of the foregoing, on a non-confidential basis prior to disclosure by the Borrowers; provided that, in the case of information received from the Borrowers after the Effective Date, such information is clearly identified at the time of delivery as confidential.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING PARENT, THE SUBSIDIARIES AND ITS OTHER AFFILIATES AND THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE APPLICABLE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE LENDER-GROUP-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION CONCERNING PARENT, THE SUBSIDIARIES AND ITS OTHER AFFILIATES AND THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE APPLICABLE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN SUCH MATERIAL NONPUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 Several Obligations; Nonreliance; Violation of Law. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. Anything contained in this Agreement to the contrary notwithstanding, neither any Issuing Bank nor any Lender shall be obligated to extend credit to the Borrowers in violation of applicable law.

SECTION 9.14 USA PATRIOT Act. Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Borrowers and the Loan Guarantors that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers and the Loan Guarantors, which information includes the names and addresses of the Borrowers and the Loan Guarantors and other information that will allow such Lender to identify the Borrowers and the Loan Guarantors in accordance with the Patriot Act.

SECTION 9.15 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Administrative Agent and the Lenders, in assets which, in accordance with Article 9 of the UCC, the PPSA or any other applicable law can be perfected only by possession. Should any Lender (other than the Administrative Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

SECTION 9.16 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.17 No Fiduciary Relationship. Each Loan Party, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Loan Parties, the Subsidiaries and their other respective Affiliates, on the one hand, and the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Loan Parties, the Subsidiaries and their other respective Affiliates, and none of the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks or their Affiliates has any obligation to disclose any of such interests to the Loan Parties, the Subsidiaries or their other respective Affiliates. To the fullest extent permitted by law, each Loan Party hereby agrees not to assert any claims against the Administrative Agent, the Canadian Administrative Agent, the Arrangers, the Co-Syndication Agents, the Co-Documentation Agents, the Lenders, the Issuing Banks and their Affiliates based on any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.18 Intercreditor Agreement. The Lenders and the Issuing Banks acknowledge that the obligations of the U.S. Borrowers under the Term Credit Agreement are secured by Liens on assets of the U.S. Borrowers that constitute Collateral and that the relative Lien priority and other creditor rights of the Lender Parties hereunder and the secured parties under the Term Credit Agreement will be set forth in the Intercreditor Agreement. Each Lender and Issuing Bank hereby acknowledges that it has received a copy of the Intercreditor Agreement and the Intercreditor Acknowledgment. Each Lender and Issuing Bank hereby irrevocably (a) consents to the subordination of the Liens on the Term Priority Collateral securing the Secured Obligations on the terms set forth in the Intercreditor Agreement, (b) authorizes and directs the Administrative Agent to execute and deliver the Intercreditor Agreement, the Intercreditor Acknowledgment and any documents relating thereto, in each case on behalf of such Lender or Issuing Bank and without any further consent, authorization or other action by such Lender or Issuing Bank, (c) agrees that, upon the execution and delivery thereof, such Lender or Issuing Bank will be bound by the provisions of the Intercreditor Agreement as if it were a signatory thereto and will take no actions contrary to the provisions of the Intercreditor Agreement and (d) agrees that no Lender or Issuing Bank shall have any right of action whatsoever against the Administrative Agent as a result of any action taken by the Administrative Agent pursuant to this Section or in accordance with the terms of the Intercreditor Agreement. Each Lender and Issuing Bank hereby further irrevocably authorizes and directs the

Administrative Agent (i) to take such actions as shall be required to release Liens on the Collateral in accordance with the terms of the Intercreditor Agreement and (ii) to enter into such amendments, supplements or other modifications to the Intercreditor Agreement and the Intercreditor Acknowledgment in connection with any extension, renewal, refinancing or replacement of any Secured Obligations or the Term Credit Agreement as are reasonably acceptable to the Administrative Agent to give effect thereto, in each case on behalf of such Lender or Issuing Bank and without any further consent, authorization or other action by such Lender or Issuing Bank. The Administrative Agent shall have the benefit of the provisions of Article VIII with respect to all actions taken by it pursuant to this Section or in accordance with the terms of the Intercreditor Agreement to the full extent thereof. The foregoing provisions are intended as an inducement to the secured parties under the Term Credit Agreement to extend credit to the U.S. Borrowers and such secured parties are intended third party beneficiaries of such provisions.

SECTION 9.19 [Reserved.]

SECTION 9.20 Anti-Money Laundering Legislation.

(a) Each Loan Party acknowledges that, pursuant to the Proceeds of Crime Act and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws in each relevant jurisdiction (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Administrative Agent, the Canadian Administrative Agent, the Lenders and the Issuing Banks may be required to obtain, verify and record information regarding the Loan Parties and their respective directors, authorized signing officers and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or any prospective assignee or participant of a Lender, any Issuing Bank, the Administrative Agent or the Canadian Administrative Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent or Canadian Administrative Agent has ascertained the identity of any Loan Party or any authorized signatories of such Loan Party for the purposes of applicable AML Legislation, then the Administrative Agent or Canadian Administrative Agent:

(i) shall be deemed to have done so as an agent for each Issuing Bank and each Lender, and this Agreement shall constitute a “written agreement” in such regard between such Issuing Bank or such Lender and the Administrative Agent or Canadian Administrative Agent within the meaning of the applicable AML Legislation; and

(ii) shall provide to each Issuing Bank and each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(c) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each Lender and each Issuing Bank agrees that neither the Administrative Agent nor the Canadian Administrative Agent have any obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender or Issuing Bank, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

SECTION 9.21 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. Each Loan Party agrees that its obligation in respect of any Original Currency due from it

hereunder shall, notwithstanding any judgment or payment in any Second Currency, be discharged only to the extent that, on the Business Day following the date the Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased, or that could have been so purchased, is less than the amount originally due in the Original Currency after any premium and costs of exchange payable in connection with such purchase, each Loan Party agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Administrative Agent against such loss.

SECTION 9.22 Waiver of Immunity. To the extent that any Loan Party has, or hereafter may be entitled to claim or may acquire, for itself, any Collateral or other assets of the Loan Parties, any immunity (whether sovereign or otherwise) from suit, jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution or otherwise) with respect to itself, any Collateral or any other assets of the Loan Parties, such Loan Party hereby waives such immunity in respect of its obligations hereunder and under any promissory notes evidencing the Loans hereunder and any other Loan Document to the fullest extent permitted by applicable law and, without limiting the generality of the foregoing, agrees that the waivers set forth in this Section shall be effective to the fullest extent now or hereafter permitted under the Foreign Sovereign Immunities Act of 1976 (as amended, and together with any successor legislation) and are, and are intended to be, irrevocable for purposes thereof.

SECTION 9.23 Process Agent. Each Canadian Loan Party hereby irrevocably designates and appoints the Borrower Representative, in the case of any suit, action or proceeding brought in the United States as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents that may be served in any action or proceeding arising out of or in connection with this Agreement or any other Loan Document. Such service may be made by mailing (by registered or certified mail, postage prepaid) or delivering a copy of such process to such Canadian Loan Party in care of the Borrower Representative at the Borrower Representative's address set forth in Section 9.01, and each such Canadian Loan Party hereby irrevocably authorizes and directs the Borrower Representative to accept such service on its behalf. As an alternative method of service, each Canadian Loan Party irrevocably consents to the service of any and all process in any such action or proceeding by the mailing (by registered or certified mail, postage prepaid) of copies of such process to the Borrower Representative or such Canadian Loan Party at its address specified in Section 9.01. Each Canadian Loan Party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

SECTION 9.24 Acknowledgement and Consent to Bail-In. Notwithstanding anything to the contrary in any Loan Document or in any related agreement, arrangement or understanding among the parties hereto, each party hereto acknowledges that any liability of any party to any other party under or in connection with the Loan Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and

(iii) a cancellation of any such liability; and

(b) a variation of any term of any Loan Document to the extent necessary to give effect to any Bail-In Action in relation to any such liability.

ARTICLE X

Loan Guarantee

SECTION 10.01 Guarantee. Each Borrower and each other Loan Party hereby agrees that it is jointly and severally liable for, and absolutely, irrevocably and unconditionally guarantees to the Administrative Agent, the Canadian Administrative Agent, the Lenders, the Issuing Banks and the other Lender Parties the prompt payment and performance when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations and all reasonable costs and expenses including, without limitation, all court costs and attorneys' and paralegals' fees and expenses paid or incurred by the Administrative Agent, the Issuing Banks and the Lenders in endeavoring to collect all or any part of the Secured Obligations from, or in prosecuting any action against, any Borrower, any Loan Guarantor or any other guarantor of all or any part of the Secured Obligations (such costs and expenses, together with the Secured Obligations, being collectively called the "Guaranteed Obligations"). Each Borrower and each other Loan Party further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Guarantee apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of any Lender or Issuing Bank that extended any portion of the Guaranteed Obligations.

SECTION 10.02 Guarantee of Payment. This Guarantee is a Guarantee of payment and not of collection. Each Borrower and each other Loan Party waives any right to require the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party to sue any Borrower, any other Borrower, any other guarantor, or any other Person obligated for all or any part of the Guaranteed Obligations (each, a "Obligated Party"), or to enforce its rights against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 10.03 No Discharge or Diminishment of Guarantee.

(a) Except as otherwise provided for herein, the obligations of each Borrower and each other Loan Party hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Borrower or any other Loan Party or any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Obligated Party or its assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other right which any Borrower may have at any time against any Obligated Party, the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender, or any other Person, whether in connection herewith or in any unrelated transaction.

(b) The obligations of each Borrower and each other Loan Party hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of

applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Borrower and each other Loan Party hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection or invalidity of any indirect or direct security for the obligations of any Borrower for all or any part of the Guaranteed Obligations or any obligations of any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent, the Canadian Administrative Agent, any Issuing Bank, any Lender or any other Lender Party with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Borrower, such other Loan Party or that would otherwise operate as a discharge of any Borrower as a matter of law or equity (other than the payment in full in cash of the Guaranteed Obligations).

SECTION 10.04 Defenses Waived. To the fullest extent permitted by applicable law, each Borrower and each other Loan Party hereby waives any defense based on or arising out of any defense of any Borrower or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of any Borrower or such other Loan Party, other than the payment in full in cash of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Borrower and each other Loan Party irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party or any other Person. Each Borrower and each other Loan Party confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Administrative Agent may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Borrower or such other Loan Party under this Guarantee except to the extent the Guaranteed Obligations have been fully and paid in cash. To the fullest extent permitted by applicable law, each Borrower and each other Loan Party waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Borrower or of any other Loan Party against any Obligated Party or any security.

SECTION 10.05 Rights of Subrogation. No Loan Party will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party, or any Collateral, until the Loan Parties have fully performed all their obligations to the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks, the Lenders and the other Lender Parties.

SECTION 10.06 Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower, any other Loan Party or otherwise, such Borrower's and such other Loan Party's obligations under this Guarantee with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Administrative Agent, the

Canadian Administrative Agent, the Issuing Banks, the Lenders or the other Lender Parties are in possession of this Guarantee. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Borrower or any other Loan Party, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Borrowers forthwith on demand by the Administrative Agent.

SECTION 10.07 Information. Each Borrower and each other Loan Party assumes all responsibility for being and keeping itself informed of the other Borrowers' financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Borrower assumes and incurs under this Guarantee, and agrees that none of the Administrative Agent, any Issuing Bank or any Lender shall have any duty to advise any Borrower of information known to it regarding those circumstances or risks.

SECTION 10.08 Taxes. The provisions of Section 2.17 shall apply mutatis mutandis to all payments by the Borrowers of the Guaranteed Obligations.

SECTION 10.09 Maximum Liability. The provisions of this Guarantee are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Borrower under this Guarantee would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Borrower's liability under this Guarantee, then, notwithstanding any other provision of this Guarantee to the contrary, the amount of such liability shall, without any further action by the Borrower or the Lenders, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Borrower's "Maximum Liability"). This Section with respect to the Maximum Liability of each Borrower is intended solely to preserve the rights of the Lenders to the maximum extent not subject to avoidance under applicable law, and no Borrower nor any other Person or entity shall have any right or claim under this Section with respect to such Maximum Liability, except to the extent necessary so that the obligations of any Borrower hereunder shall not be rendered voidable under applicable law. Each Borrower agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Borrower without impairing this Guarantee or affecting the rights and remedies of the Lenders hereunder; provided that nothing in this sentence shall be construed to increase any Borrower's obligations hereunder beyond its Maximum Liability.

SECTION 10.10 Contribution. In the event any Borrower (a "Paying Borrower") shall make any payment or payments under this Guarantee or shall suffer any loss as a result of any realization upon any collateral granted by it to secure its obligations under this Guarantee, each other Borrower (each a "Non-Paying Borrower") shall contribute to such Paying Borrower an amount equal to such Non-Paying Borrower's Applicable Share of such payment or payments made, or losses suffered, by such Paying Borrower. For purposes of this Section, each Non-Paying Borrower's "Applicable Share" with respect to any such payment or loss by a Paying Borrower shall be determined as of the date on which such payment or loss was made by reference to the ratio of (a) such Non-Paying Borrower's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Borrower's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Borrower from the other Borrowers after the Effective Date (whether by loan, capital infusion or by other means) to (b) the aggregate Maximum Liability of all Borrowers hereunder (including such Paying Borrower) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Borrower, the aggregate amount of all monies received by such Borrowers from the other Borrowers after the Effective Date (whether by loan, capital infusion or by other means).

Nothing in this provision shall affect any Borrower's several liability for the entire amount of the Guaranteed Obligations (up to such Borrower's Maximum Liability). Each of the Borrowers covenants and agrees that its right to receive any contribution under this Guarantee from a Non-Paying Borrower shall be subordinate and junior in right of payment to the payment in full in cash of the Guaranteed Obligations. This provision is for the benefit of both the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks, the Lenders and the Borrowers and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

SECTION 10.11 Liability Cumulative. The liability of each Borrower and each other Loan Party under this Article X is in addition to and shall be cumulative with all other liabilities of each Borrower and each other Loan Party to the Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders under this Agreement and the other Loan Documents to which such Borrower or such other Loan Party is a party or in respect of any obligations or liabilities of the other Borrowers or other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

ARTICLE XII

The Borrower Representative

SECTION 12.01 Appointment; Nature of Relationship. The Company is hereby appointed by each of the Borrowers as its contractual representative (herein referred to as the "Borrower Representative") hereunder and under each other Loan Document, and each of the Borrowers irrevocably authorizes the Borrower Representative to act as the contractual representative of such Borrower with the rights and duties expressly set forth herein and in the other Loan Documents. The Borrower Representative agrees to act as such contractual representative upon the express conditions contained in this Article XII. Additionally, the Borrowers hereby appoint the Borrower Representative as their agent to receive all of the proceeds of the Loans in the Funding Account(s), at which time the Borrower Representative shall promptly disburse such Loans to the appropriate Borrower. The Administrative Agent, the Canadian Administrative Agent, the Issuing Banks and the Lenders, and their respective Related Parties, shall not be liable to the Borrower Representative or any Borrower for any action taken or omitted to be taken by the Borrower Representative or the Borrowers pursuant to this Section.

SECTION 12.02 Powers. The Borrower Representative shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Borrower Representative by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Borrower Representative shall have no implied duties to the Borrowers, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Borrower Representative.

SECTION 12.03 Employment of Agents. The Borrower Representative may execute any of its duties as the Borrower Representative hereunder and under any other Loan Document by or through authorized officers.

SECTION 12.04 Notices. Each Borrower shall immediately notify the Borrower Representative of the occurrence of any Default hereunder referring to this Agreement describing such Default and stating that such notice is a "notice of default." In the event that the Borrower Representative

receives such a notice, the Borrower Representative shall give prompt notice thereof to the Administrative Agent and the Lenders. Any notice provided to the Borrower Representative hereunder shall constitute notice to each Borrower on the date received by the Borrower Representative.

SECTION 12.05 Successor Borrower Representative. Upon the prior written consent of the Administrative Agent, the Borrower Representative may resign at any time, such resignation to be effective upon the appointment of a successor Borrower Representative. The Administrative Agent shall give prompt written notice of such resignation to the Lenders.

SECTION 12.06 Execution of Loan Documents; Borrowing Base Certificate. The Borrowers hereby empower and authorize the Borrower Representative, on behalf of the Borrowers, to execute and deliver to the Administrative Agent, the Canadian Administrative Agent and the Lenders the Loan Documents and all related agreements, certificates, documents, or instruments as shall be necessary or appropriate to effect the purposes of the Loan Documents, including without limitation, the Borrowing Base Certificates and the Compliance Certificates. Each Borrower agrees that any action taken by the Borrower Representative or the Borrowers in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Borrower Representative of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Borrowers.

SECTION 12.07 Reporting. Each Borrower hereby agrees that such Borrower shall furnish promptly after each fiscal month to the Borrower Representative any certificate or report requested by the Borrower Representative, on which the Borrower Representative shall rely to prepare the Borrowing Base Certificates and Compliance Certificates required pursuant to the provisions of this Agreement.

other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Procedures, as set forth in Annex 1 attached hereto, are approved.
2. Any transfer of or declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, shall be null and void *ab initio*.
3. In the case of any such transfer of Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, the person or entity making such transfer shall be required to take remedial actions specified by the Debtors, which may include the actions specified in Private Letter Ruling 201010009 (Dec. 4, 2009), to appropriately reflect that such transfer is null and void *ab initio*.
4. In the case of any such declaration of worthlessness with respect to Beneficial Ownership of Common Stock in violation of the Procedures, including the notice requirements, the person or entity making such declaration shall be required to file an amended tax return revoking such declaration and any related deduction to appropriately reflect that such declaration is void *ab initio*.

5. The Debtors, after consultation with the Committee and the Prepetition Term Loan Lenders, may retroactively or prospectively waive any and all restrictions, stays, and notification procedures set forth in the Procedures.

6. To the extent that this Final Order is inconsistent with any prior order or pleading with respect to the Motion in these chapter 11 cases (not including the DIP Order (as defined below)), the terms of this Final Order shall govern.

7. Notwithstanding anything contrary in this Final Order, any payment made or action taken by any Debtors pursuant to the authority granted in this Final Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Final Order, the terms of the DIP Order shall control.

8. Nothing herein shall preclude any person desirous of acquiring Common Stock from requesting relief from this Final Order from this Court, subject to the Debtors' rights to oppose such relief.

9. The requirements set forth in this Final Order are in addition to the requirements of applicable law and do not excuse compliance therewith.

10. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's

right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Final Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested authorized in this Final Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

11. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

12. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

13. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

14. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Debtors are authorized, but not directed, on a final basis, to: (a) continue operating the Cash Management Systems, substantially as identified on Annex 1 attached hereto and as described in the Motion, in accordance with the Bank Account Agreements (as defined below); (b) honor their prepetition obligations related thereto; (c) maintain existing Business Forms; and (d) continue to perform Intercompany Transactions consistent with historical practice, subject to the provisions set forth herein.

2. Except as otherwise set forth herein, the Debtors are further authorized, but not directed to, on a final basis, and subject to any interim or final DIP Order (as defined below): (a) continue to use, with the same account numbers, the Bank Accounts in existence as of the Petition Date identified on Annex 2 attached hereto; (b) maintain and use, in their present form, all preprinted correspondence and Business Forms (including letterhead) without reference to the Debtors' status as debtors in possession, and maintain and continue using, in their present form, the Books and Records; *provided* that once the Debtors' existing check stock has been

exhausted, the Debtors shall include, or direct others to include, the designation “Debtor-in-Possession” and the corresponding bankruptcy case number on all checks as soon as it is reasonably practicable to do so; *provided further* that with respect to any Business Forms that exist or are generated electronically, the Debtors shall ensure that such electronic Business Forms are clearly labeled “Debtor-in-Possession” within 10 business days; (c) continue operating the Cash Management Systems in the ordinary course of business, substantially as identified on **Annex 1** attached hereto and as described in the Motion; (d) honor their prepetition obligations related thereto; (e) treat the Bank Accounts for all purposes as accounts of the Debtors as debtors in possession; (f) deposit funds in and withdraw funds from the Bank Accounts by all usual means, including checks, wire transfers, and other debits; (g) pay the Bank Fees and Processor Fees (including any prepetition amounts); and (h) pay any ordinary course Bank Fees and Processor Fees incurred in connection with the Bank Accounts, irrespective of whether such fees arose prior to the Petition Date, and to otherwise perform their obligations under the documents governing the Bank Accounts (the “Bank Account Agreements”). Any postpetition fees, costs, charges, and expenses, including Bank Fees, Processor Fees, or charge-backs payable to the banks that are not so paid shall be entitled to priority as administrative expenses pursuant to section 503(b)(1) of the Bankruptcy Code.

3. To the extent any of the Debtors’ Bank Accounts are not in compliance with section 345(b) of the Bankruptcy Code or any of the U.S. Trustee’s requirements or guidelines, the Debtors are hereby granted an extension of time to comply with the requirements of 11 U.S.C. § 345(b) for a period of forty-five (45) days from the Petition Date, without prejudice to the Debtors’ rights to seek a further extension; provided that nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an

agreement cannot be reached. The Debtors may obtain a further extension of the 45-day time period referenced above by entering into a written stipulation with the U.S. Trustee and filing such stipulation on the Court's docket without the need for further Court order.

4. The Cash Management Banks are authorized to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession, without interruption and in the ordinary course, and to receive, process, honor, and pay, to the extent of available funds, any and all checks, drafts, wires, credit card payments, and ACH transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the case may be; *provided* that (a) those certain existing deposit agreements between the Debtors and the Cash Management Banks shall continue to govern the postpetition cash management relationship between the Debtors and the respective Cash Management Bank, and all of the provisions of such agreements, including the termination and fee provisions and any provisions relating to offset or charge-back rights with respect to returned items, shall remain in full force and effect, and (b) the Debtors and the Cash Management Banks may, without further order of this Court, agree to and implement changes to the Cash Management System and procedures related thereto in the ordinary course of business pursuant to terms of those certain existing deposit agreements, including the closing of Bank Accounts or the opening of new bank accounts in accordance with the terms of the final order approving debtor in possession financing and any definitive documents related to such debtor in possession financing; *provided* that the Debtors provide reasonable notice to the U.S. Trustee, the official committee of unsecured creditors (the "Committee"), and any other statutory committee appointed in these chapter 11 cases of material changes to the Cash Management System and procedures.

5. The relief granted in this Final Order is extended to any new bank account opened by the Debtors after the date hereof, which account shall be deemed a Bank Account, and to the bank at which such account is opened, which bank shall be deemed a Cash Management Bank. As required herein, to the extent the Debtors intend to open a new bank account, they shall provide reasonable prior written notice to the U.S. Trustee, the Committee, any other statutory committee appointed in these chapter 11 cases, counsel to the Prepetition ABL Agent, and the DIP Agent.

6. All banks, including the Cash Management Banks, maintaining any of the Bank Accounts and provided with notice of this Final Order shall not honor or pay any bank payments drawn on the listed Bank Accounts, or otherwise issued before the Petition Date, unless otherwise provided for herein or absent further direction from the Debtors.

7. The Debtors will maintain records in the ordinary course reflecting transfers of cash, if any, so as to permit all such transactions to be readily ascertained, traced, and properly recorded in the Debtors' books.

8. In the course of providing cash management services to the Debtors, each of the Cash Management Banks is authorized, without further order of this Court, to deduct the applicable fees and expenses associated with the nature of the deposit and cash management services rendered to the Debtors, whether arising prepetition or postpetition, from the appropriate accounts of the Debtors, and, further, to charge-back to the appropriate accounts of the Debtors any amounts resulting from returned checks or other returned items, including returned items that result from wire transfers, ACH transactions, or other electronic transfers of any kind, regardless of whether such items were deposited or transferred prepetition or postpetition and regardless of whether the returned items relate to prepetition or postpetition items or transfers.

9. Each of the Cash Management Banks is authorized to debit the Debtors' accounts in the ordinary course and without further order of this Court on account of: (a) all checks drawn on the Debtors' accounts that have been cashed at such banks' counters or exchanged for cashier's or official checks by the payees thereof prior to the Petition Date; (b) all bank fees and costs in connection with any checks or other items deposited in one of the Debtors' accounts with such bank prior to the Petition Date, which have been dishonored or returned unpaid for any reason, to the same extent the Debtors were responsible for such items prior to the Petition Date; and (c) all undisputed prepetition amounts outstanding as of the date hereof, if any, owned to any bank as to service charges for the maintenance of the Cash Management Systems.

10. Any bank, including a Cash Management Bank, may rely upon the representations of the Debtors with respect to whether any check, draft, wire, or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to any order of this Court, and no bank that honors a prepetition check or other item drawn on any account that is the subject of this Final Order (a) at the direction of the Debtors, (b) in a good-faith belief that this Court has authorized such prepetition check or item to be honored, or (c) as a result of an innocent mistake made despite implementation of customary item handling procedures, shall be deemed to be nor shall be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Final Order.

11. Any and all banks, including the Cash Management Banks, are further authorized to (a) honor the Debtors' directions with respect to the opening and closing of any Bank Account and (b) accept and hold the Debtors' funds in accordance with the Debtors' instructions;

provided that the Cash Management Banks shall not have any liability to any party for relying on such representations to the extent such reliance otherwise complies with applicable law.

12. The Debtors are authorized to open any new Bank Accounts or close any existing Bank Accounts as they may deem necessary and appropriate, *provided* that: (a) any new account is with a bank that (i) is insured with the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation; (ii) is designated as an authorized depository by the U.S. Trustee pursuant to the U.S. Trustee's Operating Guidelines and Reporting Requirements for Debtors in Possession and Trustees; (iii) is not prohibited by any DIP Order, with respect to opening any new bank accounts; and (iv) any such bank agrees to be bound by the terms of this Final Order; (b) the Debtors obtain the prior written consent of the agents under the prepetition secured facilities and the DIP Agent; and (c) the Debtors provide notice to the U.S. Trustee, counsel to the Committee, any other statutory committee appointed in these cases, counsel to the agents under the Debtors' prepetition secured facilities, and counsel to the DIP Agent of the opening or closing of any such account, or any changes in Cash Management Systems.

13. Nothing contained herein shall permit any Cash Management Bank to terminate any cash management services without 30 days prior written notice to the Debtors, U.S. Trustee, counsel to the Prepetition ABL Agent and the DIP Agent, the Committee, and any other official committee appointed in these chapter 11 cases.

14. The requirement to establish a separate account for tax payments is hereby waived.

15. Notwithstanding anything to the contrary set forth herein, the Debtors are authorized, but not directed, to enter into and engage in the Intercompany Transactions and to take any actions related thereto on the same terms as, and materially consistent with, the

Debtors' operations of the business in the ordinary course and *provided* that they are not prohibited or restricted by the terms of any interim or final DIP Order (as defined below) and provided further that without prior Court approval, the Debtors may not (i) make any transfers to non-Debtor affiliates, (ii) make any payments or transfers to third parties for the benefit of non-Debtor affiliates; *provided* that the prohibitions set forth at (i) and (ii) of this paragraph shall not apply to transfers to non-Debtors affiliates and payments or transfers to third parties for the benefit of non-Debtors affiliates to the extent such payments and transfers do not exceed \$100,000 in the aggregate, (iii) make any intercompany loans to or enter into any intercompany loan agreements with (a) Debtor affiliates outside of the ordinary course of business and (b) non-Debtor affiliates, or (iv) engage in intercompany capital transactions (dividends, investments or capital contributions) by and among (a) Debtor affiliates outside of the ordinary course of business or (b) non-Debtor affiliates. All postpetition Intercompany Transactions between Debtors are hereby accorded administrative expense priority status, subject to paragraph 16 hereof. The Debtors shall maintain accurate, detailed, and current records with respect to all transfers, including but not limited to, all Intercompany Transactions, so that all transactions may be readily ascertained, traced, and properly recorded on intercompany accounts, and shall provide such records upon request to the U.S. Trustee, the Committee, any other statutory committee appointed in these chapter 11 cases, the agents under the Debtors' prepetition secured facilities, the DIP Agent, and each counsel thereto; *provided* that such records shall distinguish between prepetition and postpetition transactions. For the avoidance of doubt, the relief granted in this Final Order with respect to the postpetition Intercompany Transactions and the Intercompany Balances resulting therefrom shall not constitute a finding as to the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s)

from which such Intercompany Balance may have arisen, the Debtors stipulate that they do not take a position with regard to the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen, and the right of any party to contest the validity, priority, or status of any prepetition Intercompany Balance or any Intercompany Transaction(s) from which such Intercompany Balance may have arisen is expressly reserved.

16. On a monthly basis (no later than the last day of the month following the previous month's end), the Debtors shall provide the Committee, counsel to the Prepetition Term Loan Lenders, and counsel to the Prepetition ABL Agent and the DIP Agent with month-end postpetition intercompany balances between and among all Debtor entities and non-Debtor affiliates, and as soon as practicable after month's end, the Debtors shall provide to the Committee, counsel to the Prepetition Term Loan Lenders, and counsel to the Prepetition ABL Agent and the DIP Agent month-end cash bank balances for all Debtor entities and non-Debtor affiliates (similar in form provided to the Committee prior to this Order); *provided* that advisors to the Debtors and to the Committee shall cooperate in good faith to resolve any reasonable request for additional information by the Committee with respect to any such balances (including any request for a summary of the monthly intercompany transactions incurred during such month); *provided further* that if the Debtors determine that any such request for additional information is not reasonable, and the Debtors and the Committee are unable to reach a resolution within 10 days following such request for information, the Committee may request a hearing before this Court at the next omnibus hearing date, or such other date the Debtors and the Committee may agree, to adjudicate such unresolved request for additional information.

17. No later than seven days following the Debtors' filing of Schedules of Assets and Liabilities, the Debtors shall provide to the Committee, counsel to the Prepetition Term Loan Lenders, and counsel to the Prepetition ABL Agent and the DIP Agent the month-end balances of the kind described in the first sentence of paragraph 16 hereof for the months of June, 2020 and July, 2020, subject to the same resolution provisions as set forth in paragraph 16 hereof.

18. Nothing contained in the Motion or this Final Order shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist as of the Petition Date or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

19. Notwithstanding the Debtors' use of consolidated cash management systems, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursement of each Debtor, regardless of which entity pays those disbursements.

20. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Final Order.

21. Notwithstanding anything to the contrary in this Final Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Final Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition

financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Final Order, the terms of the DIP Order shall control.

22. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Final Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Final Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

23. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any amounts paid hereunder.

24. As soon as practicable after entry of this Final Order, the Debtors shall serve a copy of this Final Order on the Cash Management Banks.

25. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

26. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

27. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

28. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

**FINAL ORDER AUTHORIZING
THE DEBTORS TO PAY PREPETITION CLAIMS OF
(I) NON-MERCHANDISE CRITICAL VENDORS AND (II) FOREIGN VENDORS**

Upon the motion (the “Motion”)² of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of a final order (this “Final Order”) (a) authorizing the Debtors to pay prepetition claims held by certain (i) Non-Merchandise Critical Vendors and (ii) Foreign Vendors, and (b) granting related relief, all as more fully set forth in the Motion; and upon the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors’ estates, their creditors, and other parties in interest; and this Court having found that the Debtors’

The location of the Debtors’ service address in these chapter 11 cases is: 6100 Stevenson Boulevard, Fremont, California 94538.

² Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the “Hearing”); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Debtors are authorized, but not directed, in the reasonable exercise of their business judgment, to pay all or part of, on a case-by-case basis, the Obligations in the categories and amounts described in the Motion. In the event Debtors will exceed the aggregate amounts in any category as detailed in the Motion, the Debtors shall file a notice with the Court describing the category and overage amount. The Debtors shall provide 72 hours’ notice (the “Notice of Proposed Payment”) to the advisors to the Prepetition Secured Parties³ and counsel to the official committee of unsecured creditors (the “Committee”) prior to making any payment in excess of \$100,000 on account of any Obligation (each, a “Triggering Payment”), unless a shorter notice period for a particular payment is agreed upon by the Debtors, the Prepetition Secured Parties, and the Committee.

a. The Committee shall have through 5:00 p.m. prevailing Eastern Time on the third calendar day after receipt of the Notice of Proposed Payment (the “Payment”

³ As used herein, “Prepetition Secured Parties” has the meaning ascribed to such term in the Debtors’ *Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Authorizing the Debtors to Obtain Exit Financing, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection to the Prepetition Secured Parties, (V) Modifying the Automatic Stay, (VI) Scheduling A Final Hearing, and (VII) Granting Related Relief*, filed on the Petition Date.

Review Period”) to notify the Debtors in writing, which may be by electronic mail, of any issues with respect to the Triggering Payment.

b. If the Committee does not notify the Debtors of any issues by the expiration of the Payment Review Period, or if the Committee consents to the Triggering Payment before the expiration of the Payment Review Period, the Debtors shall be permitted to make the Triggering Payment, subject to the terms of this Final Order.

c. If the Committee timely notifies the Debtors (the “Notice of Questioned Payment”) of any issue with respect to the Triggering Payment (a “Questioned Payment”) prior to the expiration of the Payment Review Period, then the Debtors shall not make the Questioned Payment, and the Debtors and the Committee shall attempt to resolve the issues surrounding such payment consensually. If no consensual resolution is reached by the first business day that falls on or after the third calendar day following delivery of the Notice of Questioned Payment (the “Resolution Date”), the Committee may serve a written objection on counsel to the Debtors, counsel to the agent under the Debtors’ prepetition secured facilities, counsel to the DIP Agent, and the Office of the U.S. Trustee, and such parties shall negotiate in good faith regarding the Questioned Payment. If the Committee fails to serve such a written objection on the respective parties by the end of the Resolution Date, the Debtors shall be authorized to make the proposed Questioned Payment; *provided, however*, that the Debtors may pay any other Obligation other than any Questioned Payment.

2. Any party that accepts payment from the Debtors on account of any of the Obligations shall be deemed to have agreed to the terms and provisions of this Final Order.

3. The Debtors must obtain from any Non-Merchandise Critical Vendor or Foreign Vendor, as a prerequisite to obtaining payment pursuant to this Final Order, written acknowledgement (email being sufficient) of its obligation to continue providing services to the Debtors on Customary Trade Terms (the “Vendor Support Agreement”), which shall require, among other things, that the Customary Trade Terms shall be no less favorable than the most favorable trade terms provided by the Non-Merchandise Critical Vendor or Foreign Vendor to the Debtors in the three months prior to the Petition Date; *provided, however*, that such payment shall not prejudice the Debtors’ right to challenge, as a violation of the automatic stay or otherwise, a Non-Merchandise Critical Vendor’s or Foreign Vendor’s refusal to provide postpetition goods or services on Customary Trade Terms, substantially in the form attached to the Motion; *provided further* that the Debtors’ failure to request such an acknowledgment shall not be, and shall not be deemed to be, a waiver of the Debtors’ rights hereunder.

4. The form Vendor Support Agreement attached to the Motion as Annex 1 is approved in its entirety. The Debtors are authorized to enter into any such Vendor Support Agreements.

5. Notwithstanding anything to the contrary in this Final Order, the Debtors may, in their reasonable business judgment, negotiate, amend, or modify the form of Vendor Support Agreement.

6. The Debtors are authorized, but not directed, in their reasonable business judgment, to pay the Obligations, in whole or in part, upon such terms and in the manner provided in this Final Order; *provided, however*, that, regardless of whether a Vendor Support Agreement has been executed, if any Non-Merchandise Critical Vendor or Foreign Vendor accepts payment hereunder and does not continue supplying goods or services to the Debtors in accordance with the

Customary Trade Terms, then: (a) the Debtors may seek to cause such Non-Merchandise Critical Vendor or Foreign Vendor to repay payments made to it on account of its prepetition claim to the extent that such payments exceed the postpetition amounts then owing to such Non-Merchandise Critical Vendor or Foreign Vendor; (b) upon recovery by the Debtors, any prepetition claim of such party shall be reinstated as if the payment had not been made; and (c) if there exists an outstanding postpetition balance due from the Debtors to such party, the Debtors may seek to recharacterize and apply any payment made pursuant to the relief requested by the Motion to such outstanding postpetition balance, and the Debtors may take appropriate steps to cause such supplier or vendor to repay to the Debtors such paid amounts that exceed the postpetition obligations then outstanding without the right of any setoffs, claims, provisions for payment of any claims, or otherwise.

7. Nothing herein shall impair or prejudice the Debtors' ability to contest, in their sole discretion, the extent, perfection, priority, validity, or amounts of the Obligations. The Debtors do not concede that any claims satisfied pursuant to this Final Order are valid, and the Debtors expressly reserve all rights to contest the extent, validity, or perfection or to seek the avoidance of all such liens or the priority of such claims.

8. The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition Obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Final Order.

9. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Final Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Final Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

10. Notwithstanding anything to the contrary in this Final Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Final Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the

extent there is any inconsistency between the terms of the DIP Order and this Final Order, the terms of the DIP Order shall control.

11. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the Obligations.

12. The Debtors shall provide counsel to the agent under the Debtors' prepetition secured facilities, counsel to the DIP Agent, counsel to the Committee, and the Office of the U.S. Trustee with a weekly report, beginning upon the entry of this Final Order, including: (i) a list of Non-Merchandise Critical Vendors and Foreign Vendors (collectively, the "Vendor Parties") paid; (ii) the Debtor(s) against which the Obligation is asserted; (iii) the claimant asserting the Obligation; (iv) the basis for the Obligation; (v) the amount of the Obligation; and (vi) any other information reasonably requested by the Committee, to the extent that such information is reasonably available to the Debtors (the "Non-Merchandise Critical Vendor Matrix").

13. Nothing herein shall impair or prejudice the rights of the U.S. Trustee, which are expressly reserved, to object to any payment made pursuant to this order to an insider (as such term is defined in section 101(31) of the Bankruptcy Code), or an affiliate of an insider, of the Debtors. To the extent the Debtors intend to make a payment to an insider or an affiliate of an insider of the Debtors, the Debtors shall to the extent reasonably practicable, provide three (3) business days' advance notice to, and opportunity to object by the U.S. Trustee; provided, that if any party objects to the payment, the Debtors shall not make such payment without further order of the Court.

14. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

15. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

16. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

17. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

1. The Debtors are authorized, but not directed, in the reasonable exercise of their business judgment, to pay all or part of, on a case-by-case basis, the Obligations in the amounts and categories described in the Motion. The Debtors shall not pay any Obligations under this Final Order unless the Debtors obtain from any Lien Claimants or Import Claimants, as a prerequisite to obtaining payment pursuant to this Final Order, written acknowledgement (email being sufficient) of its obligation to continue providing services to the Debtors on customary trade terms (the "Customary Trade Terms"), which shall require, among other things, that such Customary Trade Terms shall be no less favorable than the most favorable trade terms provided by the Lien Claimants or Import Claimants to the Debtors in the three months prior to the Petition Date, ~~when~~ ~~and if the Debtors determine, in the exercise of their reasonable business judgment, that it is appropriate to do so;~~ *provided, however*, that such payment shall not prejudice the Debtors' right to challenge, as a violation of the automatic stay or otherwise, a Lien Claimants' or Import Claimants' refusal to provide postpetition goods or services on Customary Trade Terms; *provided further* that the Debtors' failure to request such an acknowledgment shall not be, and shall not be deemed to be, a waiver of the Debtors' rights hereunder. In the event the Debtors will exceed the aggregate amounts in any category as detailed in the Motion, the Debtors shall file a notice with the Court describing the category and overage amount.

2. For the avoidance of doubt, payment of the Obligations may be made either (a) directly to the Lien Claimants or Import Claimants or (b) to and through Cass in accordance with the Service Agreement.

3. The Debtors are authorized to satisfy any prepetition obligations to Cass under the Service Agreement.

4. Any party that accepts payment from the Debtors on account of any of the Obligations shall be deemed to have agreed to the terms and provisions of this Final Order.

5. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Final Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Final Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

Notwithstanding anything to the contrary in this Final Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Final Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Final Order, the terms of the DIP Order shall control.

The Debtors shall maintain a matrix/schedule of amounts directly or indirectly paid, subject to the terms and conditions of this Final Order, including the following information: (a) the names of the payee; (b) the amount of the payment; (c) the category or type of payment, as further described and classified in the Motion; (d) the Debtor or Debtors that made the payment; and (e) the payment date. The Debtors shall provide a copy of such matrix/schedule to the U.S. Trustee, and any statutory committee appointed in these chapter 11 cases every 30 days beginning upon entry of this Final Order.

8. To the extent the Debtors intend to make a payment to an insider or an affiliate of an insider of the Debtors, the Debtors shall, to the extent reasonably practicable, provide three (3) business days' advance notice to, and opportunity to object by the U.S. Trustee and any statutory committee appointed in these

chapter 11 cases; *provided*, that if any party objects to the payment, the Debtors shall not make such payment without further order of the Court.

The banks and financial institutions on which checks were drawn or electronic fund transfer requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic fund transfer requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic fund transfer requests as approved by this Final Order.

10. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Obligation.

11. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

12. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

14. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the “Hearing”); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The following Rejection Procedures are approved in connection with rejecting Contracts:

- a. **Rejection Notice.** The Debtors, upon not less than three days’ advance written notice (email being sufficient) to counsel to the official committee of unsecured creditors (the “Committee”) to the extent reasonably practicable, shall file a notice substantially in the form annexed as Annex 1 to the Order (the “Rejection Notice”), to reject a Contract or Contracts pursuant to section 365 of the Bankruptcy Code, which Rejection Notice shall set forth, among other things: (i) the Contract or Contracts to be rejected; (ii) the Debtor or Debtors party to such Contract; (iii) the names and addresses of the counterparties to such Contracts (each a “Rejection Counterparty”), listed in alphabetical order; (iv) the proposed effective date of rejection for such Contracts, which, for non-residential real property leases (“Leases”), shall be the later of (a) the proposed effective date of the rejection for such Lease, or (b) the date upon which the Debtors surrender the premises to the landlord and return the keys, key codes, or security codes, as applicable (the “Rejection Date”); (v) if any such Contract is a Lease, the personal property to be abandoned (the “Abandoned Property”), if any, and an estimate of the book value of such property, if practicable; and (vi) the deadlines and procedures for filing objections to the Rejection Notice (as set forth below). The Rejection Notice may list multiple Contracts, *provided* that the number of counterparties to Contracts listed on each Rejection Notice shall be limited to no more than 100.
- b. **Service of the Rejection Notice.** The Debtors will cause the Rejection Notice to be served by: (i) overnight delivery service (and e-mail, if known) upon the Rejection Counterparties affected by the Rejection Notice at the notice address provided in the applicable Contract (and upon such Rejection Counterparty’s counsel, if known); and (ii) first class mail, email, or fax, upon (A) the United States Trustee for the Southern District of Texas; (B) counsel to the Prepetition ABL Agent and the DIP Agent; (C) counsel to the term lenders under the Debtors’ prepetition term loan facility; (D) the counsel to the Committee; (E) the United States Attorney’s Office for the

Southern District of Texas; (F) the Internal Revenue Service; (G) the state attorneys general for all states in which the Debtors conduct business; (H) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the “Master Notice Parties”); and (I) where known, upon any third parties that may, to the best of the Debtors’ knowledge, have a known interest in the Debtors’ personal property located on the Debtors’ leased premises.

- c. ***Objection Procedures.*** Parties objecting to a proposed rejection must file a written objection³ no later than twenty-one (21) days after the date the Debtors file and serve the relevant Rejection Notice (the “Rejection Objection Deadline”).
- d. ***No Objection Timely Filed.*** If no objection to the rejection of any Contract is timely filed, each Contract listed in the applicable Rejection Notice shall be rejected as of the applicable Rejection Date set forth in the Rejection Notice or such other date to which the Debtors and the applicable Rejection Counterparty agree; *provided* that the Rejection Date for a rejection of a

³ An objection to the rejection of a particular Contract listed on a Rejection Notice shall not constitute an objection to the rejection of any other Contract listed on such Rejection Notice.

Lease shall not occur until the later of (i) the Rejection Date set forth in the Rejection Notice, (ii) the date upon which the Debtors surrender the premises to the landlord and return the keys, key codes, or security codes, as applicable, or (iii) such other date as the Court may order. If no objection is filed and served by the Rejection Objection Deadline, and upon written request by an applicable counterparty to a Contract, the Debtors shall submit a proposed order authorizing the rejection of such Contracts effective as of the Rejection Date and file such proposed order with the Court under a certificate of no objection.

- a. ***Unresolved Timely Objection.*** If an objection to a Rejection Notice is timely filed and properly served as specified above and not withdrawn or resolved, after consultation with the applicable Rejection Counterparty and such other party objecting to a proposed rejection (if applicable), the Debtors shall request the Court schedule a hearing on such objection and shall provide at least ten (10) days' notice of such hearing to the applicable Rejection Counterparty, such other party objecting to a proposed rejection (if applicable), and the other Objection Service Parties. If such objection is not withdrawn, after notice to the Rejection Counterparty (and their counsel, if known, to the extent the Rejection Counterparty is not the objecting party) (email being sufficient), then such Contract shall be rejected as of the applicable Rejection Date set forth in the applicable Rejection Notice or such other date to which the Debtors and the applicable Rejection Counterparty and/or such other party objecting to a proposed rejection (if applicable) have agreed or that is ordered by the Court. In the case of a rejection of a Lease, such rejection shall not occur until the later of (i) the Rejection Date set forth in the Rejection Notice, (ii) the date upon which the Debtors surrender the premises to the landlord and return the keys, key codes, or security codes, as applicable, and (iii) such other date to which the Debtors and the applicable Rejection Counterparty have agreed or that is ordered by the Court.
- b. ***No Application of Security Deposits.*** If the Debtors have deposited monies with a Rejection Counterparty as a security deposit or other arrangement, such Rejection Counterparty may not set off or recoup or otherwise use such deposit without the prior approval of the Court, unless the Debtors and the applicable Rejection Counterparty otherwise agree.
- c. ***Modifications to Rejection Notice.*** The Debtors reserve the right to remove any Contract from a Rejection Notice at any time prior to the Rejection Date.
- d. ***Abandoned Property.*** The Debtors are authorized, but not directed, at any time on or before the applicable Rejection Date, to remove or abandon any of the Debtors' personal property that may be located on the Debtors' leased premises that pertain to a rejected Contract. The Debtors shall generally describe the property in the Rejection Notice and their intent to abandon such property. Absent a timely objection, any and all property located on

the Debtors' leased premises on the Rejection Date of the applicable lease of non-residential real property shall be deemed abandoned pursuant to section 554 of the Bankruptcy Code, as is, effective as of the Rejection Date. Landlords may, in their sole discretion and without further notice or order of the Court, utilize and/or dispose of such Abandoned Property without liability or further notice to the Debtors or third parties and, to the extent applicable, the automatic stay is modified to allow such disposition.⁴ The rights of the counterparty to each Contract to assert claims for the disposition of the Abandoned Property are reserved, as are all parties' rights to object to such claims. Notwithstanding any other provision of this Order, (a) the Debtors are not authorized to abandon, and are directed to remove, any hazardous materials as defined under applicable law from any leased premises as and to the extent they are required to do so by applicable law and (b) to the extent the Debtors seek to abandon personal property that contains any "personally identifiable information," as that term is defined in section 101(41A) of the Bankruptcy Code, or other personal and/or confidential information about the Debtors' employees and/or customers, or any other individual (the "Confidential Information"), the Debtors shall remove the Confidential Information from such personal property before abandonment.

- e. ***Proofs of Claim.*** Claims arising out of the rejection of Contracts, if any, must be filed on or before the later of (i) the deadline for filing proofs of claim established in these chapter 11 cases, if any, and (ii) thirty (30) days after the later of (A) the Rejection Objection Deadline, if no objection is filed, (B) entry of an order resolving the objection, or (C) the date the objection is withdrawn and, if the objecting party is not the Rejection Counterparty, with notice of such withdrawal being served on the Rejection Counterparty and their counsel if known (email being sufficient). If no proof of claim is timely filed, such claimant shall be forever barred from asserting a claim for damages arising from the rejection and from participating in any distributions on such a claim that may be made in connection with these chapter 11 cases.

2. The Debtors are hereby authorized to take such actions as may be necessary and appropriate to vacate the Debtors' leased premises prior to the Rejection Date for a lease of non-residential real property rejected pursuant to these Rejection Procedures without necessity of further order of this Court as provided in this Order or the Rejection Procedures.

⁴ If the Rejection Date specified on the Rejection Notice predated the removal of any property not otherwise generally described in the abandonment schedule to the Rejection Notice, the Rejection Date will not become effective until the date such property is removed from the premises.

3. The Inventory Drawback shall be conducted by the Debtors notwithstanding any restrictive provision of any lease, sublease, restrictive covenant, or other agreement relative to occupancy affecting or purporting to restrict the conduct of the Inventory Drawback and the abandonment of assets, or “going dark” provisions, and such provisions shall not be enforceable in conjunction with the Inventory Drawback. Breach of any such provisions in these chapter 11 cases in conjunction with the Inventory Drawback shall not constitute a default under a lease or provide a basis to terminate the lease.

4. Approval of the Rejection Procedures and this Order will not prevent the Debtors from seeking to reject a Contract by separate motion or pursuant to a chapter 11 plan.

5. The following Assumption Procedures are approved in connection with assuming and assuming and assigning Contracts, which for the avoidance of doubt shall not be utilized to assume or assume and assign any leases of non-residential real property, notwithstanding anything to the contrary contained in this Order:⁵

- a. ***Assumption Notice.*** The Debtors, upon not less than three days’ advance written notice (email being sufficient) to counsel to the Committee to the extent reasonably practicable, shall file a notice, substantially in the form annexed as Annex 2 to the Order (the “Assumption Notice”) indicating the Debtors’ intent to assume or assume and assign a Contract or Contracts pursuant to section 365 of the Bankruptcy Code, which shall set forth, among other things: (i) the Contract or Contracts to be assumed or assumed and assigned; (ii) the Debtor or Debtors party to such Contract; (iii) the names and addresses of the counterparties to such Contracts (each an “Assumption Counterparty”), listed in alphabetical order; (iv) the identity of the proposed assignee of such Contracts (the “Assignee”), if applicable; (v) the proposed effective date of the assumption for each such Contract (the “Assumption Date”); (vi) the proposed cure amount, if any, for each such Contract; (vii) a description of any material amendments to the Contract made outside of the ordinary course of business; and (viii) the deadlines and procedures for filing objections to the Assumption Notice (as set forth below). The Assumption Notice may list multiple Contracts;

⁵ Any assumption or assumption and assignment of Leases shall be pursuant to a separate order of the Court (which may be the order of the Court confirming the Debtors’ plan of reorganization).

provided that the number of counterparties to Contracts listed on each Assumption Notice shall be limited to no more than 100.

- b. ***Service of the Assumption Notice and Evidence of Adequate Assurance.*** The Debtors will cause the Assumption Notice to be served by (i) overnight delivery (and e-mail, if known) upon the Assumption Counterparties affected by the Assumption Notice and each Assignee, if applicable, at the address set forth in the notice provision of the applicable Contract (and upon the Assumption Counterparties' counsel, if known) and (ii) first class mail, email, or fax upon the Master Notice Parties.⁶
- c. ***Objection Procedures.*** Parties objecting to a proposed assumption or assumption and assignment (including as to the cure amount), as applicable, of a Contract must file a written objection⁷ no later than twenty-one (21) days after the date the Debtors file and serve the relevant Assumption Notice and promptly serve such objection on the Objection Service Parties.
- d. ***No Objection.*** If no objection to the assumption or assumption and assignment of any Contract is timely filed, each Contract shall be assumed or assumed and assigned as of the Assumption Date set forth in the applicable Assumption Notice or such other date as the Debtors and the applicable Assumption Counterparties agree, and the proposed cure amount shall be binding on all counterparties to such Contract, and no amount in excess thereof shall be paid for cure purposes.
- e. ***Unresolved Timely Objection.*** If an objection to an Assumption Notice is timely filed and properly served as specified above and not withdrawn or resolved, the Debtors shall request the Court schedule a hearing on such objection, after consultation with the applicable Rejection Counterparty, and shall provide at least ten (10) days' notice of such hearing to the applicable Assumption Counterparty and the other Objection Service Parties. If such objection is overruled or withdrawn, such Contract shall be assumed or assumed and assigned as of the Assumption Date set forth in the Assumption Notice or such other date to which the Debtors and the counterparty to such Contract have agreed, or as ordered by the Court.
- f. ***Modifications of Assumption Notice.*** The Debtors reserve the right to remove any Contract from an Assumption Notice at any time prior to the

⁶ The Debtors shall serve (by electronic mail, if requested) a counterparty to a Contract to be assumed or assumed and assigned under the Contract Procedures with evidence of adequate assurance as soon as reasonably practicable upon such counterparty's written request to the Debtors' proposed counsel.

⁷ An objection to the assumption or assumption and assignment of any particular Contract listed on an Assumption Notice shall not constitute an objection to the assumption and/or assignment of any other Contract listed on such Assumption Notice.

Assumption Date (including, without limitation, upon the failure of any proposed assumption and assignment to close).

6. With regard to Contracts to be assigned, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the assignment of any Contract shall: (a) be free and clear of (i) all liens (and any liens shall attach to the proceeds of such assignment in the same order and priority subject to all existing defenses, claims, setoffs, and rights) and (ii) any and all claims (as that term is defined in section 101(5) of the Bankruptcy Code), obligations, demands, guaranties of or by the Debtors, debts, rights, contractual commitments, restrictions, interests, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of these chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise (including, without limitation, claims, and encumbrances (A) that purport to give to any party a right or option to effect any forfeiture, modification, or termination of the interest of any Debtor or Assignee, as the case may be, in the Contract(s), or (B) in respect of any taxes; and (b) constitute a legal, valid, and effective transfer of such Contracts and vest the applicable Assignee with all rights, titles, and interests to the applicable Contracts). For the avoidance of doubt, all provisions of the applicable assigned Contract, including any provision limiting assignment, shall be binding on the applicable Assignee.

7. Subject to and conditioned upon the occurrence of a closing with respect to the assumption and assignment of any Contract, and subject to the other provisions of this Order (including the aforementioned Assumption Procedures), the Debtors are hereby authorized in accordance with sections 365(b) and (f) of the Bankruptcy Code to (a) assume and assign to any Assignees the applicable Contracts, with any applicable Assignee being responsible only for the post-closing liabilities under the applicable Contracts except as otherwise provided for in this Order and (b) execute and deliver to any applicable Assignee such assignment documents as may be reasonably necessary to sell, assign, and transfer such Contract. For the avoidance of doubt,

the occurrence of a closing with respect to the assumption and assignment of any Contract shall mean the date on which such assumption and assignment is effective.

8. The Debtors' right to assert that any provisions in the Contract that expressly or effectively restrict, prohibit, condition, or limit the assignment of or the effectiveness of the Contract to an Assignee are unenforceable anti-assignment or *ipso facto* clauses is fully reserved.

9. The Assignee shall have no liability or obligation with respect to defaults relating to the assigned Contracts arising, accruing, or relating to a period prior to the applicable closing date.

10. The Debtors are hereby authorized, pursuant to section 363(b) of the Bankruptcy Code, to enter into the consensual amendments as set forth in an Assumption Notice, to the extent such amendments are expressly agreed to by an Assumption Counterparty.

11. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Inventory Drawback.

12. Approval of the Contract Procedures and this Order will not prevent the Debtors from seeking to reject, assume, or assume and assign a Contract by separate motion.

13. The 14-day stay required of any assignment of any Contract pursuant to Bankruptcy Rule 6006(d) is hereby waived.

14. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or

admission that any particular claim is of a type specified or defined in the Motion or this Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

15. All rights and defenses of the Debtors are preserved, including all rights and defenses of the Debtors with respect to a claim for damages arising as a result of a Contract rejection, including any right to assert an offset, recoupment, counterclaim, or deduction. In addition, nothing in this Order or the Motion shall limit the Debtors' ability to subsequently assert that any particular Contract is terminated and is no longer an executory contract or unexpired lease.

16. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

17. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

Landlords may, in their sole discretion and without further notice or order of the Court, utilize and/or dispose of such Abandoned Property without liability or further notice to the Debtors or third parties and, to the extent applicable, the automatic stay is modified to allow such disposition.⁴ The rights of the counterparty to each Contract to assert claims for the disposition of the Abandoned Property are reserved, as are all parties' rights to object to such claims. Notwithstanding any other provision of this Order, (a) the Debtors are not authorized to abandon, and are directed to remove, any hazardous materials as defined under applicable law from any leased premises as and to the extent they are required to do so by applicable law and (b) to the extent the Debtors seek to abandon personal property that contains any "personally identifiable information," as that term is defined in section 101(41A) of the Bankruptcy Code, or other personal and/or confidential information about the Debtors' employees and/or customers, or any other individual (the "Confidential Information"), the Debtors shall remove the Confidential Information from such personal property before abandonment.

- i. ***Proofs of Claim.*** Claims arising out of the rejection of Contracts, if any, must be filed on or before the later of (i) the deadline for filing proofs of claim established in these chapter 11 cases, if any, and (ii) thirty (30) days after the later of (A) the Rejection Objection Deadline, if no objection is filed, ~~and (B) the date that all such filed objections have either been overruled or withdrawn~~ (B) entry of an order resolving the objection, or (C) the date the objection is withdrawn and, if the objecting party is not the Rejection Counterparty, with notice of such withdrawal being served on the Rejection Counterparty and their counsel if known (email being sufficient). If no proof of claim is timely filed, such claimant shall be forever barred from asserting a claim for damages arising from the rejection and from participating in any distributions on such a claim that may be made in connection with these chapter 11 cases.

2. The Debtors are hereby authorized to take such actions as may be necessary and appropriate to vacate the Debtors' leased premises prior to the Rejection Date for a lease of

⁴ If the Rejection Date specified on the Rejection Notice predated the removal of any property not otherwise generally described in the abandonment schedule to the Rejection Notice, the Rejection Date will not become effective until the date such property is removed from the premises.

non-residential real property rejected pursuant to these Rejection Procedures without necessity of further order of this Court as provided in this Order or the Rejection Procedures.

3. The Inventory Drawback shall be conducted by the Debtors notwithstanding any restrictive provision of any lease, sublease, restrictive covenant, or other agreement relative to occupancy affecting or purporting to restrict the conduct of the Inventory Drawback and the ~~rejection of leases~~, abandonment of assets, or “going dark” provisions, and such provisions shall not be enforceable in conjunction with the Inventory Drawback. Breach of any such provisions in these chapter 11 cases in conjunction with the Inventory Drawback shall not constitute a default under a lease or provide a basis to terminate the lease.

4. Approval of the Rejection Procedures and this Order will not prevent the Debtors from seeking to reject a Contract by separate motion or pursuant to a chapter 11 plan.

5. The following Assumption Procedures are approved in connection with assuming and assuming and assigning Contracts: which for the avoidance of doubt shall not be utilized to assume or assume and assign any leases of non-residential real property, notwithstanding anything to the contrary contained in this Order:⁵

- a. ***Assumption Notice.*** The Debtors, upon not less than three days’ advance written notice (email being sufficient) to counsel to the Committee to the extent reasonably practicable, shall file a notice, substantially in the form annexed as Annex 2 to the Order (the “Assumption Notice”); indicating the Debtors’ intent to assume or assume and assign a Contract or Contracts pursuant to section 365 of the Bankruptcy Code, which shall set forth, among other things: (i) the Contract or Contracts to be assumed or assumed and assigned; (ii) the Debtor or Debtors party to such Contract; (iii) the names and addresses of the counterparties to such Contracts (each an “Assumption Counterparty”), listed in alphabetical order; (iv) the identity of the proposed assignee of such Contracts (the “Assignee”), if applicable; (v) the proposed effective date of the assumption for each such Contract (the “Assumption Date”); (vi) the proposed cure amount, if any, for each such Contract; (vii) a description of any material amendments to the Contract made outside of

⁵ Any assumption or assumption and assignment of Leases shall be pursuant to a separate order of the Court (which may be the order of the Court confirming the Debtors’ plan of reorganization).

the ordinary course of business; and (viii) the deadlines and procedures for filing objections to the Assumption Notice (as set forth below). The Assumption Notice may list multiple Contracts; *provided* that the number of counterparties to Contracts listed on each Assumption Notice shall be limited to no more than 100.

- b. ***Service of the Assumption Notice and Evidence of Adequate Assurance.*** The Debtors will cause the Assumption Notice to be served by (i) overnight delivery (and e-mail, if known) upon the Assumption Counterparties affected by the Assumption Notice and each Assignee, if applicable, at the address set forth in the notice provision of the applicable Contract (and upon the Assumption Counterparties' counsel, if known) and (ii) first class mail, email, or fax upon the Master Notice Parties.⁵⁶
- c. ***Objection Procedures.*** Parties objecting to a proposed assumption or assumption and assignment (including as to the cure amount), as applicable, of a Contract must file and serve a written objection⁶⁷ so that such objection is filed with the Court no later than ~~fourteen (14)~~ twenty-one (21) days after the date the Debtors file and serve the relevant Assumption Notice and promptly serve such objection on the Objection Service Parties.
- d. ***No Objection.*** If no objection to the assumption or assumption and assignment of any Contract is timely filed, each Contract shall be assumed or assumed and assigned as of the Assumption Date set forth in the applicable Assumption Notice or such other date as the Debtors and the applicable Assumption Counterparties agree, and the proposed cure amount shall be binding on all counterparties to such Contract, and no amount in excess thereof shall be paid for cure purposes.
- e. ***Unresolved Timely Objection.*** If an objection to an Assumption Notice is timely filed and properly served as specified above and not withdrawn or resolved, the Debtors shall request the Court schedule a hearing on such objection, after consultation with the applicable Rejection Counterparty, and shall provide at least ten (10) days' notice of such hearing to the applicable Assumption Counterparty and the other Objection Service Parties. If such objection is overruled or withdrawn, such Contract shall be assumed or assumed and assigned as of the Assumption Date set forth in the Assumption Notice or such other date to which the Debtors and the counterparty to such Contract have agreed, or as ordered by the Court.

⁵⁶ The Debtors shall serve (by electronic mail, if requested) a counterparty to a Contract to be assumed or assumed and assigned under the Contract Procedures with evidence of adequate assurance as soon as reasonably practicable upon such counterparty's written request to the Debtors' proposed counsel.

⁶⁷ An objection to the assumption or assumption and assignment of any particular Contract listed on an Assumption Notice shall not constitute an objection to the assumption and/or assignment of any other Contract listed on such Assumption Notice.

- f. ***Modifications of Assumption Notice.*** The Debtors reserve the right to remove any Contract from an Assumption Notice at any time prior to the Assumption Date (including, without limitation, upon the failure of any proposed assumption and assignment to close).

6. With regard to Contracts to be assigned, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the assignment of any Contract shall: (a) be free and clear of (i) all liens (and any liens shall attach to the proceeds of such assignment in the same order and priority subject to all existing defenses, claims, setoffs, and rights) and (ii) any and all claims (as that term is defined in section 101(5) of the Bankruptcy Code), obligations, demands, guaranties of or by the Debtors, debts, rights, contractual commitments, restrictions, interests, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of these chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise (including, without limitation, claims, and encumbrances (A) that purport to give to any party a right or option to effect any forfeiture, modification, or termination of the interest of any Debtor or Assignee, as the case may be, in the Contract(s), or (B) in respect of any taxes; and (b) constitute a legal, valid, and effective transfer of such Contracts and vest the applicable Assignee with all rights, titles, and interests to the applicable Contracts). For the avoidance of doubt, all provisions of the applicable assigned Contract, including any provision limiting assignment, shall be binding on the applicable Assignee.

7. Subject to and conditioned upon the occurrence of a closing with respect to the assumption and assignment of any Contract, and subject to the other provisions of this Order (including the aforementioned Assumption Procedures), the Debtors are hereby authorized in accordance with sections 365(b) and (f) of the Bankruptcy Code to (a) assume and assign to any Assignees the applicable Contracts, with any applicable Assignee being responsible only for the post-closing liabilities under the applicable Contracts except as otherwise provided for in this Order and (b) execute and deliver to any applicable Assignee such assignment documents as may

be reasonably necessary to sell, assign, and transfer such Contract. For the avoidance of doubt, the occurrence of a closing with respect to the assumption and assignment of any Contract shall mean the date on which such assumption and assignment is effective.

8. The Debtors' right to assert that any provisions in the Contract that expressly or effectively restrict, prohibit, condition, or limit the assignment of or the effectiveness of the Contract to an Assignee are unenforceable anti-assignment or *ipso facto* clauses is fully reserved.

9. The Assignee shall have no liability or obligation with respect to defaults relating to the assigned Contracts arising, accruing, or relating to a period prior to the applicable closing date.

10. The Debtors are hereby authorized, pursuant to section 363(b) of the Bankruptcy Code, to enter into the consensual amendments as set forth in an Assumption Notice, to the extent such amendments are expressly agreed to by an Assumption Counterparty.

11. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Inventory Drawback.

12. Approval of the Contract Procedures and this Order will not prevent the Debtors from seeking to reject, assume, or assume and assign a Contract by separate motion.

13. The 14-day stay required of any assignment of any Contract pursuant to Bankruptcy Rule 6006(d) is hereby waived.

14. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right

to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

15. All rights and defenses of the Debtors are preserved, including all rights and defenses of the Debtors with respect to a claim for damages arising as a result of a Contract rejection, including any right to assert an offset, recoupment, counterclaim, or deduction. In addition, nothing in this Order or the Motion shall limit the Debtors' ability to subsequently assert that any particular Contract is terminated and is no longer an executory contract or unexpired lease.

16. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

17. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

18. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion, the Rejection Notice, and the Assumption Notice, as applicable.

19. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. Each of the Leases set forth on Exhibit A attached to the Motion is rejected under section 365 of the Bankruptcy Code effective as of the Petition Date, or such other date as agreed to between the Debtors and the applicable landlord as listed on Exhibit A.

2. The Debtors are authorized to abandon any Personal Property located on the Premises free and clear of all liens, claims, encumbrances, interests, and rights of third parties, and all such property is deemed abandoned as of the Petition Date, or such other date as agreed to between the Debtors and the applicable landlord as listed on Exhibit A. 3. The counterparty to each Lease must file a proof of claim, if at all, on or before the later of (a) the deadline for filing proofs of claim established in these chapter 11 cases and (b) thirty (30) days after the entry of this order, or else be forever barred.

4. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing contained in the Motion or in this Order shall be deemed: (a) an admission

as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or this Order or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief authorized in this Order are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

5. Notwithstanding anything to the contrary in this Order, any payment made or action taken by any of the Debtors pursuant to the authority granted in this Order must be in compliance with, and shall be subject to: (i) any interim or final order approving the Debtors' use of cash collateral and/or any postpetition financing facility (in either case, the "DIP Order"); (ii) the documentation in respect of any such use of cash collateral and/or postpetition financing; and (iii) the budget governing any such use of cash collateral and/or postpetition financing. To the extent there is any inconsistency between the terms of the DIP Order and this Order, the terms of the DIP Order shall control.

6. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

7. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

8. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

9. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

Upon the motion (the “Motion”)² of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of an order (this “Order”) authorizing the Debtors to establish procedures for interim compensation and reimbursement of expenses for Professionals, all as more fully set forth in the Motion; and upon the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors’ estates, their creditors, and other parties in interest; and this Court having found that the Debtors’ notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and

having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. All Professionals in these cases may seek compensation in accordance with the following procedures (collectively, the "Compensation Procedures"):

- a. On or after the 21st day of each month following the month for which compensation is sought, each Professional seeking compensation may file an application with the Court (each, a "Monthly Fee Statement") for interim allowance of compensation for services rendered and reimbursement of expenses incurred during the preceding month, and serve such Monthly Fee Statement by email to: (i) the Debtors, Tailored Brands, Inc., Attn.: A. Alexander Rhodes (sandy.rhodes@tailoredbrands.com); (ii) proposed co-counsel to the Debtors, Kirkland & Ellis LLP, Attn.: Aparna Yenamandra (aparna.yenamandra@kirkland.com) and Anne G. Wallice (anne.wallice@kirkland.com); (iii) proposed co-counsel to the Debtors, Jackson Walker LLP, 1401 McKinney Street, Suite 1900, Houston, Texas 77010, Attn: Matthew D. Cavanaugh and Victoria Argeroplos; (iv) the United States Trustee for the Southern District of Texas, 515 Rusk Street, Suite 3516, Houston Texas 77002, Attn: Hector Duran and Stephen Statham; (v) proposed counsel to the Official Committee of Unsecured Creditors (the "Committee"), (i) Pachulski Stang Ziehl & Jones LLP, 10100 Santa Monica Blvd., 13th Floor, Los Angeles, CA 90067, Attn: Jeffrey Pomerantz (jpomerantz@pszjlaw.com), Ira Kharasch (ikharasch@pszjlaw.com), and Paul Labov (plabov@pszjlaw.com), and (ii) Norton Rose Fulbright US LLP, 1301 McKinney, Suite 5100, Houston, TX 77010, Attn: Jason Boland (jason.boland@nortonrosefulbright.com); (vi) counsel to the Prepetition ABL Agent and the DIP Agent, (a) Morgan Lewis & Bockius LLP, One Federal Street, Boston, Massachusetts 02110, Attn: Matthew F. Furlong, Julia Frost-Davies and Christopher L. Carter, and (b) Winstead PC, 600 Travis Street, Suite 5200, Houston, Texas 77002, Attn: Sean Davis; (vii) counsel to term lenders under the Debtors' prepetition term loan facility, Gibson, Dunn & Crutcher LLP, 200 Park Avenue, New York, New York, 10166, Attn: Scott J. Greenberg and Jeremy D. Evans; and (viii) counsel to the indenture trustee for The Men's Wearhouse, Inc. 7.00% Senior Notes due 2022, Emmet, Marvin & Martin, LLP, 120 Broadway, 32nd Floor, New York, New York 1027 1, Attn: Elizabeth M. Clark (collectively, the "Application Recipients"). Any

Professional that fails to file a Monthly Fee Statement for a particular month or months may subsequently submit a Monthly Fee Statement that includes a request for compensation earned or expenses incurred during the previous months.

- b. Each Application Recipient or any party in interest will have until 4:00 p.m. (prevailing Central Time) 14 days after service of a Monthly Fee Statement to object to the requested fees and expenses in accordance with paragraph (c) below. Upon the expiration of such 14-day period, the Debtors are authorized and directed to pay the Professional an amount (the “Actual Monthly Payment”) equal to 80 percent of the fees and 100 percent of the expenses requested in the applicable Monthly Fee Statement (the “Maximum Monthly Payment”) that are not subject to an objection pursuant to subparagraph (c) below.
- c. If any Application Recipient or party in interest objects to a Professional’s Monthly Fee Statement, the objecting party shall, within 14 days of service of the Monthly Fee Statement, serve via email a written notice upon the respective Professional and each of the Application Recipients (the “Notice of Objection to Monthly Fee Statement”) setting forth the precise nature of the objection and the amount at issue. Thereafter, the objecting party and the Professional shall attempt to resolve the objection on a consensual basis. If the parties reach an agreement, the Debtors shall promptly pay 80 percent of the agreed-upon fees and 100 percent of the agreed-upon expenses. If, however, the parties are unable to reach a resolution of the objection within 14 days (or such longer period as mutually agreed to by the Professional and the objecting party) after service of the objection, the objecting party shall file its objection (the “Objection”) with the Court within three business days and serve such Objection on the respective Professional and each of the Application Recipients. Thereafter, the Professional may either (i) file with the Court a response to the Objection, together with a request for payment of the difference, if any, between the Maximum Monthly Payment and the Actual Monthly Payment made to the affected Professional (the “Incremental Amount”) or (ii) forego payment of the Incremental Amount until the next hearing on an Interim Fee Application or Final Fee Application, at which time the Court will consider the Objection, if requested by the parties.
- d. Each Professional may submit its first Monthly Fee Statement no earlier than September 21, 2020. This initial Monthly Fee Statement will cover the period from the Petition Date through August 31, 2020. Thereafter, the Professionals may file Monthly Fee Statements in the manner described above.
- e. Beginning with the period ending on October 31, 2020, and at three month intervals thereafter (each, an “Interim Fee Period”), each of the Professionals may file with the Court and serve on the Application

Recipients an interim fee application (each an “Interim Fee Application”) for compensation and reimbursement of expenses sought in the Monthly Fee Statements served during such period. Each Professional shall serve notice of its Interim Fee Application (which identifies the Professional seeking compensation, discloses the period for which the payment of compensation and reimbursement of expenses is being sought, and describes the amount of compensation and expenses sought) on the Application Recipients. The Application Recipients and other parties will have 14 days after service of an Interim Fee Application to object thereto. The first Interim Fee Application should cover the Interim Fee Period from the Petition Date through and including October 31, 2020. Each Interim Fee Application must include: (i) a narrative discussion; (ii) a summary of the Monthly Fee Statements that are the subject of such application request; (iii) the amount of fees and expenses paid of date or subject to objection; and (iv) the deadline for parties other than Application Recipients to file objections.

- f. The Debtors will request that the Court set a hearing on Interim Fee Applications at least once every three months or at such other intervals as the Court deems appropriate. The Court, in its discretion, may approve an uncontested Interim Fee Application without the need for a hearing if no Objections are timely filed thereto. Upon allowance by the Court of a Professional’s Interim Fee Application, the Debtors shall be authorized to promptly pay such Professional all requested fees (including the 20 percent holdback) and expenses not previously paid.
- g. The pendency of an Objection to payment of compensation or reimbursement of expenses will not disqualify a Professional from the future payment of compensation or reimbursement of expenses under the Compensation Procedures.

2. Neither (a) the payment of or the failure to pay, in whole or in part, monthly interim compensation and reimbursement of expenses under the Compensation Procedures nor (b) the filing of or failure to file an Objection with the Court will bind any party in interest or the Court with respect to the final allowance of applications for compensation and reimbursement of expenses of Professionals. All fees and expenses paid to Professionals under the Compensation Procedures are subject to challenge and disgorgement until final allowance by the Court.

3. In each Interim Fee Application and Final Fee Application all attorneys who have been or are hereafter retained pursuant to sections 327 or 1103 of the Bankruptcy Code, unless

such attorney is retained by the Debtors pursuant to any order authorizing the retention and payment of ordinary course professionals (collectively, the “Required Professionals”), shall apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Debtors’ chapter 11 cases in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, Bankruptcy Local Rules, and any other applicable procedures and orders of the Court and shall make a reasonable effort to comply with the U.S. Trustee’s requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013*, both in connection with any Interim Fee Application and Final Fee Application to be filed by the Required Professionals in these chapter 11 cases.

4. Each member of the Committee is permitted to submit statements of expenses incurred in the performance of the duties of the committee (excluding third-party counsel expenses of individual Committee members) and supporting vouchers to the Committee’s counsel, which counsel will collect and file the Committee members’ requests for reimbursement with this Court in accordance with the Compensation Procedures.

5. The Professionals shall only be required to serve (a) the Monthly Fee Statements, the Interim Fee Applications, and the Final Fee Application on the Application Recipients, and (b) notice of hearings on the Interim Fee Applications and Final Fee Applications on all other parties that have filed a notice of appearance with the clerk of this Court and requested notice of pleadings in these chapter 11 cases.

6. A Professional shall not seek payment in a Final Fee Application for any amounts that such professional previously sought in a Monthly Fee Statement or Interim Fee Application

and which such Professional voluntarily waived or reduced to resolve formal or informal objections or were disallowed by order of the Court.

7. Any Professional who fails to timely file an Interim Fee Application seeking approval of compensation and expenses previously paid pursuant to a Monthly Fee Statement shall (a) be ineligible to receive further monthly payments of fees or reimbursement of expenses as provided herein until such Interim Fee Application is filed, and (b) may be required, except to the extent such Professional requests a reasonable extension of the deadline to file such application to the U.S. Trustee before the expiration of the deadline to file such application and only upon a motion and order of the Court, to disgorge any fees paid since retention or the last fee application, whichever is later.

8. All notices given in accordance with the Compensation Procedures shall be deemed sufficient and adequate notice and in full compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Bankruptcy Local Rules.

9. Notice of the Motion satisfies the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

10. Notwithstanding any Bankruptcy Rule to the contrary, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

11. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

12. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

13. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

Signed: September 10, 2020

Clark (eclark@emmetmarvin.com); and (i) to the extent not listed herein, those parties requesting notice pursuant to Bankruptcy 20002 (each a “Notice Party,” and, collectively the “Notice Parties”).

- (b) The Notice Parties and any other party in interest shall have 14 days after the service of each OCP’s Declaration of Disinterestedness to object to the retention of such OCP (the “Objection Deadline”). The objecting party shall serve any such objection upon the Notice Parties and the respective OCP on or before the Objection Deadline. If any such objection cannot be resolved within 14 days of its receipt, the matter shall be scheduled for hearing before the Court at the next regularly scheduled omnibus hearing date that is no less than 14 days from that date or on a date otherwise agreeable to the parties thereto.
- (c) If no objection is received by the Objection Deadline with respect to any particular OCP, then retention of the OCP shall be deemed approved by the Court without hearing or further order and the Debtors shall be authorized to retain and pay each such OCP (to the extent an objection was not filed). The Debtors

shall be authorized to retain such OCP as of the date each such OCP commenced providing services to the Debtors and pay such OCP as set forth below.

- (d) The Debtors reserve the right to modify the OCP Lists as necessary to add or remove OCPs, from time to time, in their sole discretion. In the event an OCP is added to the OCP Lists, the Debtors will file a notice with the Court listing the additional OCPs that the Debtors intend to employ (each, an “OCP Notice”) and to serve each OCP Notice on the Notice Parties. Additionally, each additional OCP listed in the OCP Notice shall serve a Declaration of Disinterestedness on the Notice Parties in accordance with the Order. The Notice Parties and any other party in interest shall have 14 days following the date of service of an OCP Notice to notify the Debtors’ attorneys, in writing, of any objection to the proposed retention of any additional OCP, file any such objection with the Court, and serve any such objection upon each of the Notice Parties so as to be actually received within 14 days of service of such OCP Notice.
- (e) The Debtors shall be authorized to pay, without formal application to the Court by any OCP, 100 percent of the fees and reimbursable expenses to each of the OCPs retained pursuant to these procedures (including the filing of a Declaration of Disinterestedness) upon the OCP’s submission to the Debtors of an appropriate invoice setting forth in reasonable detail the nature of the services rendered and expenses incurred after the Petition Date; *provided* that while these chapter 11 cases are pending, the fees of each OCP set forth on **Exhibit 1** attached hereto, excluding costs and reimbursable expenses, may not exceed \$140,000 per month on average over a rolling three-month period (the “Tier 1 OCP Monthly Cap”), the fees of each OCP set forth on **Exhibit 2** attached hereto, excluding costs and reimbursable expenses, may not exceed \$130,000 per month on average over a rolling three-month period (the “Tier 2 OCP Monthly Cap”), and that the fees of each OCP set forth on **Exhibit 3** attached hereto, excluding costs and reimbursable expenses, may not exceed \$50,000 per month on average over a rolling three-month period (the “Tier 3 OCP Monthly Cap” and, together with the Tier 1 OCP Monthly Cap and the Tier 2 OCP Monthly Cap, the “OCP Monthly Caps”); *provided, further*, that while these chapter 11 cases are pending, the fees of each OCP set forth on **Exhibit 1** attached hereto, excluding costs and disbursements, may not exceed \$700,000 beginning as of the Petition Date (the “Tier 1 Case Cap”), the fees of each OCP set forth on **Exhibit 2** attached hereto, excluding costs and disbursements, may not exceed \$650,000 beginning as of the

Petition Date (the “Tier 2 Case Cap”), and the fees of each OCP set forth on **Exhibit 3** attached hereto, excluding costs and disbursements, may not exceed \$250,000 beginning as of the Petition Date (the “Tier 3 Case Cap” and together with the Tier 1 Case Cap and the Tier 2 Case Cap, the “Case Caps”).

- (f) To the extent an OCP seeks compensation in excess of the applicable OCP Monthly Cap (the “Excess Monthly Fees”), the OCP shall (i) file with the Court a Notice of Fees in Excess of the OCP Monthly Cap (the “Notice of Excess Monthly Fees”) and an invoice setting forth, in reasonable detail, the nature of the services rendered and disbursements actually incurred, including all time entries and all fees incurred by the OCP for the relevant month and (ii) serve the Notice of Excess Monthly Fees on the Notice Parties. Interested parties shall then have 14 days to file an objection to the Notice of Excess Monthly Fees with the Court. If after 14 days no objection is filed, the Excess Monthly Fees shall be deemed approved, and the OCP may be paid 100 percent of its fees and 100 percent of its expenses without the need to file a fee application. To the extent an OCP seeks compensation in excess of the applicable Case Cap, the Debtors shall file an application to employ such OCP pursuant to sections 327 or 328 of the Bankruptcy Code, as applicable, and such OCP’s subsequent compensation shall be governed by the Court’s order, if any, approving such OCP’s employment.
- (g) Beginning with the period ending on October 31, 2020 and in three month increments thereafter while these chapter 11 cases are pending (each, a “Quarter”), the Debtors shall file with the Court and serve on the Notice Parties, no later than 30 days after the conclusion of such Quarter, a statement with respect to each OCP paid during the immediately preceding three-month period. Each OCP’s statement shall include the following information: (i) the name of the OCP; (ii) the aggregate amounts paid as compensation for services rendered and reimbursement of expenses incurred by that OCP during the reported Quarter; (iii) all postpetition payments made to that OCP to date; and (iv) a general description of the services rendered by that OCP. The initial OCP statement shall cover the period beginning on the Petition Date and ending October 31, 2020 and shall be filed no later than November 30, 2020.

2. To the extent that any agreement between the Debtors and an OCP provides for the indemnification by the Debtors of such OCP in connection with the services that are the subject of

this Motion (each such agreement, an “OCP Agreement”), such indemnification provisions are approved, subject to the following modifications, applicable during the pendency of these cases:

- (a) The OCP shall not be entitled to indemnification, contribution, or reimbursement pursuant to the OCP Agreement for services other than the services provided under the OCP Agreement, unless such services and the indemnification, contribution, or reimbursement are approved by the Court.
- (b) Notwithstanding anything to the contrary in the OCP Agreement, the Debtors shall have no obligation to indemnify the OCP, or provide contribution or reimbursement to the OCP, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from the OCP’s gross negligence, willful misconduct, fraud, bad faith, or breach of fiduciary duty (if any); (ii) for a contractual dispute in which the Debtors allege the breach of the OCP’s contractual obligations if the Court determines that indemnification, contribution, or reimbursement would not be permissible under applicable law; (iii) of any type for which the Court determines that indemnification, contribution, or reimbursement would not be permissible pursuant to *In re Thermadyne Holdings Corp.*, 283 B.R. 749, 756 (B.A.P. 8th Cir. 2002); or (iv) settled prior to a judicial determination under (i) or (ii), but determined by the Court, after notice and a hearing, to be a claim or expense for which the OCP should not receive indemnity, contribution, or reimbursement under the terms of the OCP Agreement as modified by the Court.
- (c) If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), or (ii) the entry of an order closing these chapter 11 cases, the OCP believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors’ indemnification, contribution and/or reimbursement obligations under the OCP Agreement (as modified by this Order), including the advancement of defense costs, the OCP must file an application therefor in this Court, and the Debtors may not pay any such amounts to the OCP before the entry of an order by the Court approving the payment. All parties in interest shall retain the right to object to any demand by the OCP for indemnification, contribution, or reimbursement. In the event that the OCP seeks reimbursement from the Debtors for attorneys’ fees and expenses in connection with the payment of an indemnity claim pursuant to the OCP Agreement, the invoices and supporting time records for the attorneys’ fees and

expenses shall be included in the OCP's own applications, both interim and final, but determined by the Court after notice and a hearing.

3. This Order shall not apply to any professional retained by the Debtors pursuant to a separate order of the Court.

4. The Debtors shall not pay any OCP any amounts for invoiced fees and expense reimbursement until the applicable OCP has filed a Declaration of Disinterestedness with the Court and the applicable Objection Deadline has passed with no objections having been filed or, in the event an objection is filed, until such objection is resolved or upon order of the Court.

5. Nothing in this Order shall preclude an OCP from subsequently seeking retention as an estate professional under sections 327 or 328 of the Bankruptcy Code.

6. Notwithstanding anything herein to the contrary, nothing in this Order shall prevent the U.S. Trustee from seeking a determination from the Court (a) requiring an OCP to file a separate retention application under section 327(a) or 327(e) of the Bankruptcy Code or (b) altering the amount of the applicable OCP Monthly Cap.

7. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

8. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

9. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

10. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

11. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

12. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
