No one opposes the approval sought. I am satisfied that, based on the Swadlow principles the Receiver has adhered to, this is the best transaction available in all the circumstances, Counsel for White House plaintiffs are satisfied the approval order + sales transaction does not adversely affect their statement of claim that is outstanding as against parties related to the purchaser. Order to go in form ^{Receiver report} submitted + signed by the approving sales ^{Receiver report} security order only until earlier of closing date and March 26, 2018. The Quiver report is ordered inserted at the same time (earlier of closing or March 26, 2018).
