Confidential Appendix 1	Amending Agreement for the Inventory Sale

INTRODUCTION

1. This supplemental report (“**Supplemental Report**”) is filed by Grant Thornton Limited (“**GTL**”) in its capacity as the receiver (the “**Receiver**”) over the property, assets and undertakings of Trigger Wholesale, Inc. (“**Trigger**”) and The En Cadre Group Inc. (“**En Cadre**”) (collectively, the “**Debtors**”), as well as certain real property owned by each of Jaimak Real Properties Inc. (“**Jaimak**”) or Jaimee Lynn Gdak (“**J. Gdak**”), pursuant to subsection 243(1) of the BIA and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c. C.43, as amended.
2. The Receiver filed its second report to Court dated February 12, 2021 (the “**Second Report**”) in support of the Receiver’s request for various Orders, including an Approval and Vesting Order, approving the Inventory Transaction in connection with the sale of the Inventory and authorizing and directing the Receiver to complete the Inventory Transaction, and vesting in the Inventory Purchaser, all of the Debtors’ right, title and interest in and to the Inventory, free and clear of all encumbrances.
3. In accordance with the Court’s e-service protocol, all materials filed with the Court in this matter are available on the Receiver’s case website at www.GrantThornton.ca/TWI.

DISCLAIMER

4. In preparing this Supplemental Report, the Receiver has reviewed certain unaudited financial information and certain financial information related to the Debtors. While the Receiver has performed a preliminary review of available books and records of the Debtors, such review does not constitute an audit or verification of such information for accuracy, completeness or compliance with Generally Accepted Auditing Standards (“**GAAS**”) or International Financial Reporting Standards (“**IFRS**”). Accordingly, the Receiver expresses no opinion or other form of assurance pursuant to GAAS or IFRS with respect to such information.
5. This Supplemental Report has been prepared for the use of this Court as general information to assist the Court in making a determination of whether to approve

the relief sought by the Receiver. Accordingly, the reader is cautioned that this Supplemental Report may not be appropriate for any other purpose.

6. All references to dollar amounts in this Supplemental Report are in Canadian currency, unless otherwise noted.

PURPOSE OF THIS SUPPLEMENTAL REPORT

7. The purpose of this Supplemental Report is to provide information to the Court which has arisen subsequent to the Receiver completing the Second Report and to support the form of Approval and Vesting Order sought by the Receiver in connection with the Inventory Transaction.
8. Capitalized terms not defined in this Supplemental Report shall have the meanings ascribed thereto in the Second Report.

SALE OF INVENTORY

9. In the Second Report, the Receiver described the sales process in respect of the Inventory, which resulted in the Receiver and the Inventory Purchaser entering into the Inventory APS, in the form attached as Appendix "33" to the Second Report.
10. Paragraph 2.08 of the Inventory APS provides that the Inventory Purchaser shall undertake a physical count of the Inventory prior to the Closing Date and in the event of a discrepancy, the Inventory Purchaser shall provide written notice of such discrepancy to the Receiver prior to the Closing Date.
11. The Parties agreed that, in the event of such discrepancy, the Purchase Price would be adjusted on a proportionate basis (based on the percentage difference and the portion of the Purchase Price allocated to the relevant Purchased Assets), or in such other manner as the Parties may agree.
12. The Inventory Purchaser conducted a physical count of the Inventory between March 1, 2021 and March 5, 2021, in the presence of the Receiver.

13. On March 12, 2021 the Inventory Purchaser advised the Receiver of discrepancies between the count results and the listing of Inventory attached to the Inventory APS.
14. The discrepancies noted by the Inventory Purchaser, included:
 - a) Certain ammunition quantities noting the number of cases on the inventory listing were in fact the number of boxes, which significantly reduced the quantity of ammunition;
 - b) Certain rifles having the incorrect model on the inventory listing, where the correct model was of lower value; and
 - c) Certain rifles being damaged, but not indicated as such on the inventory listing.
15. The Receiver and the Inventory Purchaser have reached an agreement whereby the selling price has been reduced and certain firearms which were being used by Trigger for parts (the “**Service Firearms**”), which were not included in the Inventory APS, are now included in the sale. The Service Firearms were of nominal value. An Amending Agreement, amending the Inventory APS has been prepared, a copy of which, redacted to remove the selling price, is attached hereto as **Appendix “1”**. An unredacted copy of the Amending Agreement is attached hereto as **Confidential Appendix “1”**.

CONFIDENTIAL APPENDICES

16. The Receiver believes that the Confidential Appendix should remain sealed until further order of the Court, as the information contained therein is commercially sensitive and could prejudice the sale of the Inventory. In the absence of a sealing order, potential purchasers would have access to information obtained by the Receiver, which may impact the price that interested purchasers are willing to offer for the Inventory, should a transaction not close.
17. The Receiver does not believe that any party will suffer prejudice if the information in Confidential Appendix is sealed in this manner.

SUMMARY AND RECOMMENDATION

18. Based on the foregoing, the Receiver requests that the Court issue the Approval and Vesting Order in respect of the Inventory Transaction, in the form filed with the Court.

All of which is respectfully submitted.
