AFFIDAVIT OF CODY THORLAKSON

Sworn on October 24, 2017

I, CODY THORLAKSON, of the Municipal District of Willow Creek, in the Province of Alberta, **MAKE OATH AND SAY THAT:**

1. I am the Taxation and Assessment Clerk for the Municipal District of Willow Creek No. 26 (the "Municipality") and I have personal knowledge of the facts sworn to in this Affidavit except where stated to be based on information and belief, in which case I believe that information to be true.

2. The Municipality is a municipal corporation established under the *Municipal Government Act*, RSA 2000, c. M-26 (the “*MGA*”).
3. Pursuant to the provisions of the *MGA*, the Municipality levies property taxes upon assessed property located within the Municipality through a property tax bylaw required by section 353 of the *MGA*, which is passed by the Municipality’s Council annually. Attached hereto and marked as **Exhibits “A”, “B” and “C”** are copies of the Municipality’s 2015, 2016 and 2017 property tax bylaws, By-Law Nos. 1722, 1746, and 1760.
4. Properties within the Municipality that are subject to assessment and taxation are assigned individual tax roll numbers based on the legal land description of the location of the property. Lexin Resources Ltd. (“Lexin”), or its predecessor, is, and was at all material times, the assessed person in respect to assessed property within the Municipality contained on a total of 32 separate tax rolls. Attached hereto and marked as **Exhibit “D”** are copies of the 2017 Combined Assessment and Tax Notices issued by the Municipality to Lexin on June 2, 2017.
5. The property included within the tax rolls for which Lexin is the assessed person are all comprised of assessments for either or both of buildings and structures (referred to as “B&S” in the respective 2017 Combined Assessment and Tax Notice) or machinery and equipment (referred to as “M&E” in the respective 2017 Combined Assessment and Tax Notice).
6. Lexin has failed to pay property taxes levied by the Municipality since 2015. As of the date of this Affidavit, the outstanding taxes owed by Lexin to the Municipality, including outstanding 2015, 2016 and 2017 tax levies, and all penalties imposed to date, total \$592,789.86. Attached hereto and marked as **Exhibit “E”** is a 2017 Combined Assessment and Tax Notice Owner Summary showing the total outstanding property tax balance owed by Lexin to the Municipality as of the date of this affidavit.

7. I am advised by Gregory Plester of Brownlee LLP, and believe that on or about March 22, 2017, the Alberta Energy Regulator obtained an order in these court proceedings, Court of Queen's Bench action 1701-03450 (the "Receivership Proceedings"), appointing Grant Thornton Limited (the "Receiver") as receiver in respect to all of the assets of Lexin.
8. I further understand that on or about June 14, 2017, a consent receivership order was granted in the Receivership Proceedings that, among other things, expanded the Receivership Proceeding to include the assets of 0989 Resource Partnership ("0989").
9. I have reviewed the Receiver's Fifth Report, filed October 12, 2017, and based on my review of that report I understand that the Receiver has been contacted by third parties that are not subject to the Receivership Proceedings that have claimed to be the owners of certain assets that had previously been owned by Lexin or 0989 and that remain involved in Lexin's Operations. Specifically, it is my understanding that:
 - (a) 1049597 BC Ltd. ("597") has claimed to be the owner of structures or located at various oil and gas sites operated by Lexin, as detailed in paragraphs 47 to 59 of the Receiver's Fifth Report; and
 - (b) Energy Leasing Partners Ltd. ("ELP") has claimed that it is the owner of structures or equipment located at sites for which Lexin is the registered operator, as detailed in paragraphs 97 to 105 of the Receiver's Fifth Report.
10. I have reviewed the lists of assets that 597 and ELP have respectively claimed to be the owners of and have determined that these lists include assets that are located within the Municipality.
11. By comparing the list of assets that 597 has asserted ownership of with the Municipality's assessment and taxation records, I have determined that the assets claimed by 597 include approximately 107 items that are located at sites within the Municipality for which Lexin is, and was at all material times, the assessed person. Attached hereto and marked as

Exhibit “F” to this my affidavit is a spreadsheet including a list of assets claimed by 597 that are located within the Municipality at Lexin-operated sites, organized by the corresponding tax roll number.

12. Similarly, by comparing the list of assets that ELP has claimed to be the owner of with the Municipality’s assessment and taxation records, I have determined that ELP has claimed to be the owner of assets located at a the Lexin-operated site assessed under the Municipality’s tax roll no. 6073.600, located at the parcel legally described as 11-02-017-28 W4. Specifically, ELP has claimed to be the owner of the “battery site, wellhead meter run bldg. and radio tower” located at that site.
13. Some or all of the assets claimed by 597 and ELP that are located within the Municipality constitute assessable property that have been included in the combined assessment and tax notices issued to Lexin as either assessable buildings and structures or machinery and equipment. For example:
 - (a) 597 has claimed to be the owner of several buildings located at the site operated by Lexin and assessed under the Municipality’s tax roll no. 4620.600. The Municipality’s 2017 Combined Assessment and Tax Notice for tax roll no. 4620.600 indicates that the assessment for that tax roll pertains to assessable buildings and structures. Similarly, the assessment information prepared by the Municipality’s assessor shows that the assessment for tax roll no. 4620.600 includes assessments for various oilfield buildings. Attached hereto and marked as **Exhibit “G”** to this my affidavit is a copy of the Industrial Details assessment report in respect to tax roll no. 4620.600 for the 2016 assessment year, which was the basis for the assessment shown on the 2017 Combined Assessment and Tax Notice for that tax roll.
 - (b) 597 has also claimed to be the owner of several buildings located at the site operated by Lexin and assessed by the Municipality under tax roll no. 6039.600. The buildings 597 claims to own include: two compressor buildings; a “MCC Building”; and a “FKOD Building”. The Municipality’s Combined Assessment and Tax Notice for tax roll no. 6039.600 indicates that the assessment for that tax roll relates to assessable

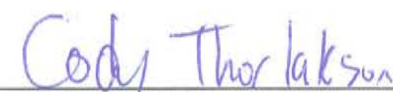

buildings and structures located at the site. Likewise, the Municipality's assessment information pertaining to tax roll no. 6039.600 indicates that the assessment relates to several assessable oilfield buildings. Attached hereto and marked as **Exhibit "H"** to this my affidavit is a copy of the Industrial Details assessment report prepared by the Municipality's assessor for the 2016 assessment year, which was the basis for the assessment shown on the 2017 Combined Assessment and Tax Notice for that tax roll.

(c) ELP has claimed to be the owner of the "battery site, wellhead meter run bldg. and radio tower" located at the Lexin-operated site associated with the Municipality's tax roll no. 6073.600. The assessment prepared by the Municipality's assessor for tax roll 6073.600 is in respect to assessable oilfield buildings and structures located at the corresponding site.

14. The Municipality supports the Receiver in its efforts to expeditiously sell the assets of Lexin, including those assets claimed by of 597 and ELP. The Municipality is concerned that further delays in the sales process will undermine the Municipality's ability to recover the outstanding taxes owed by Lexin. I make this affidavit in support of the Receiver's application for advice and direction of the Court in respect to, among other things, the Receiver's court-approved sales process.

A By-Law of The Municipal District of Willow Creek No. 26 in the
Province of Alberta authorizing an amalgamated tax levy for the year 2015.

Whereas, according to the estimates presented to the Council at their
meeting of April 15, 2015 it will require the sum of Sixteen Million, Three Hundred and
Thirty Four Thousand, Six Hundred and Eighty Dollars (\$16,334,680.00) for the year
2015.

Now, Therefore, the Council of The Municipal District of Willow
Creek No. 26, in session duly assembled, hereby enacts pursuant to the provision of
Section 353 of The Municipal Government Act, Chapter M-26.1, that the Municipal
Administrator of the said Municipal District be and is hereby authorized to levy the
following mill rates to meet net estimated expenditures and requisitions for the current
year.

1. 3.641 mills for the Alberta Education requisitioned on all non-resident assessed
values of land and improvements within the boundaries of The Municipal District
of Willow Creek No. 26 as entered in the Assessment and Tax Roll, assessment
totaling \$51,740,970.
2. 3.641 mills for Alberta Education on the total assessed value of linear
assessments totaling \$281,840,160.
3. 2.441 mills for the Alberta Education on the total residential and farmland
assessment of land and improvements within the Municipal District, assessments
totaling \$703,697,320.
4. .461 mills for the Mosquito Creek Foundation based on the assessed value of all
land and improvements within the boundaries of the Mosquito Creek Foundation
area, assessments totaling \$262,993,250.
5. .392 mills for the Willow Creek Foundation based on the assessed value of all
land and improvements within the boundaries of the Willow Creek Foundation
area, assessments totaling \$369,174,140.
6. .285 mills for the Porcupine Hills Foundation based on the assessed value of all
land and improvements within the boundaries of the Porcupine Hills Foundation
area, assessments totaling \$209,498,260.
7. .175 mills for Senior Citizens Foundations based on the assessed value of linear
assessments totaling \$613,783,870.
8. 6.889 mills for General Municipal purposes based on the assessed value of all
farmland within the boundaries of the Municipal District, assessments totaling
\$142,048,030.
9. 3.400 mills for General Municipal purposes based on the assessed value of all
residential and improvements within the boundaries of the Municipal District,
assessments totaling \$561,649,290.

1722 cont)

10. 7.260 mills for General Municipal purposes based on the assessed value of all non residential and linear lands and improvements within the boundaries of the Municipal District, assessments totaling \$751,752,200.
11. And further that pursuant to the provision of Section 357(2) of the MGA, Chapter M-26.1, that the Municipal Administrator of the said Municipal District be and is hereby authorized to establish that the minimum tax on any parcel will be twenty dollars (\$20.00).

Received a first reading this 15th day of April, 2015

Received a second reading this 15th day of April, 2015.

Received a third and final reading and finally passed this 15th day of April, 2015.
