AMENDED NOTICE OF MOTION
(Motion for Leave to Appeal)

Silver Streams Homes Inc. (“**Silver Streams**”), Silver Streams Homes (Puccini) Inc. (“**Puccini**”), 2148993 Ontario Inc., 2148990 Ontario Inc., 2147681 Ontario Inc. and 2147659 Ontario Inc. (collectively, the “**Appellants**”) will make a motion for leave to appeal to a panel of three judges of the Court of Appeal for Ontario pursuant to sections 13 and 14 of the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c.C-36, as amended (“**CCAA**”) and Rule 61.03(1) of the *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194 (the “**Rules**”).

THIS MOTION WILL BE HEARD 36 days after service of the Appellants' motion record and factum, or on the filing of the Appellants' reply factum, if any, whichever is earlier, on such date and in such manner as may be directed by the Court, at Osgoode Hall, 130 Queen Street West, Toronto, Ontario.

PROPOSED METHOD OF HEARING: The motion is to be heard in writing unless the Court orders an oral hearing.

THE MOTION IS FOR:

- (a) Leave to appeal from the Order of the Honourable Mr. Justice Wilton-Siegel dated September 25, 2015, dismissing the Appellants motion for: (i) an order declaring that they have the requisite authority to enter into the Settlement Agreement dated February 17, 2015 (the “**Settlement Agreement**”) between the Appellants, Imran Jinnah (“**Jinnah**”) and Tarion Warranty Corporation (“**Tarion**”) without the approval of the Court; or, in the alternative (ii) an order approving the Settlement Agreement (the “**Order**”);
- (b) The costs of this motion; and
- (c) Such further and other relief as counsel may advise and this Honourable Court may permit.

THE GROUNDS OF THE MOTION ARE:**Background**

- (a) The Appellants are affiliated Ontario corporations owned by Jinnah. On December 17, 2013, the Appellants obtained protection from their creditors under the CCAA pursuant to an order of Mr. Justice Newbould (the “**Initial Order**”).
- (b) At the time of the commencement of the CCAA proceeding, the Appellants were in the process of completing a four phase residential development project in Richmond Hill, Ontario referred to in this proceeding as the “**Puccini Project**”. Title to the lands that comprised phases one through three of the Puccini Project

are registered in the names of the numbered company Appellants.

- (c) In connection with the Puccini Project and, as required under the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, c. O.31 (the “*Warranties Act*”), certain of the Appellants submitted registrations to Tarion to be registered as builders and vendors in connection with the Puccini Project and provided security in favour of Tarion in the aggregate amount of \$920,000 by way of letters of credit (the “*Security*”) held by Bank of Montreal (“*BMO*”). The Security was provided to Tarion to allow it to pay for deposit claims and warranty claims by purchasers in connection with the Puccini Project homes in the event the Appellants were unable to satisfy their obligations under the *Warranties Act*.
- (d) Each of the letters of credit is drawn in favour of Tarion as the beneficiary. In order to draw under each letter of credit, Tarion must provide BMO with a certificate stating that the monies being drawn are “in respect of obligations owed or which will be owed by the Registrant to the Beneficiary” identified in the letters of credit as Silver Streams.
- (e) The Appellants’ registrations under the *Warranties Act* were renewed on an annual basis. In addition, the Appellants paid to Tarion registration fees for every lot constructed by the Appellants at a cost ranging from \$800 to \$1,400 per lot. As a result, in addition to the Security, the Appellants incurred substantial costs on an annual basis to maintain their Tarion registrations in good standing.
- (f) For ease of administration and marketing purposes, Puccini acted as a vendor

under a number of agreements of purchase and sale. At all relevant times, the Appellants believed and understood that all of the companies involved with the Puccini Project were covered by the Appellants registrations with Tarion under the *Warranties Act*, including Puccini.

CCAA Proceeding and Settlement Agreement

- (g) The purpose of the Appellants CCAA proceeding was to complete construction of and sell 10 homes in the Puccini Project (the “**Puccini Homes**”) and to distribute the proceeds from the sale of the Puccini Homes to their creditors in accordance with Court determined priorities. Nine of out ten homes have now been completed and sold. The proceeds from the sale of the Puccini Homes have been comingled and deposited into the account of Grant Thornton Limited, in its capacity as the Court-appointed Monitor.
- (h) There is a Court-ordered arbitration underway to determine the priorities between the lien claimants and certain mortgagees.
- (i) More than ninety five Puccini Project homes have been sold by the Appellants with Puccini acting as vendor under the agreements of purchase and sale. In all of these transactions, it was the Appellants’, Tarion’s and the purchasers’ understanding that the sold homes were subject to the *Warranties Act* and that Tarion could look to the Letters of Credit to fund expenditures for deposit claims and warranty claims made by purchasers in the event the Appellants default in their obligations under the *Warranties Act*.

- (j) The Appellants are insolvent and are not able to satisfy their obligations to their purchasers under the *Warranties Act*.
- (k) At all relevant times, the Appellants advised the Court and the service list, including the lien claimants, that the Security was posted in favour of Tarion and the lien claimants have acknowledged that they had notice of same.
- (l) In or around the summer of 2014, the Appellants for the first time learned that their registrations under the *Warranties Act* did not extend to Puccini. The registrations extended to all other Appellants. The failure by the Appellants to register Puccini under the *Warranties Act* was inadvertent, a fact which was not disputed at the motion.
- (m) On September 3, 2014, a *Provincial Offences Act*, R.S.O. 1990, c. P. 33 (the “**Offences Act**”) summons was issued to Puccini and Jinnah under the *Warranties Act*, which, summons among other things: (i) charged Puccini with acting as a vendor of a new home without being properly registered under the *Warranties Act*; and (ii) charged Jinnah with knowingly concurring, as an officer or director of Puccini, allowing Puccini with acting as a vendor of a new home without properly being registered under the *Warranties Act*.
- (n) To remedy the defect of Puccini not being a properly registered vendor under the *Warranties Act* and allow Tarion to access the Security posted in respect of the Puccini Project, the Appellants agreed to enter into the Settlement Agreement and, among other things, assign to Silver Streams Homes Inc. (“**Silver Streams**”),

which is a Tarion registrant, all of Puccini's rights, title, interest and obligations under the agreements entered into by Puccini in its capacity as vendor.

- (o) A number of the lien claimants objected to the Settlement Agreement and took the position that the letters of credit in favour of Tarion should be cancelled and the funds released to the Appellants' estate to be distributed in accordance with priorities to be determined by the Court.
- (p) The Appellants brought a motion before the Ontario Superior Court of Justice (Commercial List) (the "**Court**") for an order: (i) declaring that they had the requisite authority to enter into the Settlement Agreement without a further order of the Court; or, in the alternative (ii) approving the Settlement Agreement.

The Motion and Order

- (q) The motion was heard by the Honourable Mr. Justice Wilton-Siegel on June 25, 2015.
- (r) On September 25, 2015, Justice Wilton-Siegel released his decision (the "**Decision**") wherein his Honour made the following findings:
 - i. The execution of the Settlement Agreement will cause Silver Streams to incur the liabilities of Puccini under the agreements of purchase and sale;
 - ii. The execution of the Settlement Agreement engages paragraph 9(c) of the Initial Order which prohibits the Appellants from granting credit or incurring liabilities, except in the ordinary course of business or until

further order of the court;

- iii. Paragraph 9(c) of the Initial Order must be read to apply to each of the Appellants individually and not on a consolidated basis;
- iv. The Appellants maintained separate, legal and financial status both prior to and following the commencement of the CCAA *proceeding*.
- v. The Court has the authority and jurisdiction to approve the Settlement Agreement;
- vi. The effect of the Settlement Agreement is detrimental to the objecting parties; and
- vii. The Court should refrain from exercising its discretion to approve the Settlement Agreement.

The Leave to Appeal Test is Met

- (s) An appeal of the Order is *prima facie* meritorious.

Approval of the Settlement Agreement was not required

- (t) The motions judge erred in finding that paragraph 9(c) of the Initial Order prevents the Applicants from entering into the Settlement Agreement without a further order of the Court.
- (u) The motions judge erred in law in his interpretation of paragraph 9 of the Initial Order. Paragraph 9(c) of the Initial Order states as follows:

THIS COURT ORDERS except as specifically permitted herein, the Appellants are hereby directed, until further Order of this Court: (c) to not grant credit or incur liabilities except in the ordinary course of the Business.

- (v) In particular, the motions judge erred law in his interpretation that paragraph 9 does not apply to the Appellants on a consolidated basis. That finding is contradictory to the plain and ordinary meaning of the words of paragraph 9 of the Initial Order.
- (w) The motions judge erred in his conclusion that the Appellants did not carry on business on a consolidated basis. There was no evidence before the motions judge to support that finding other than the bald allegations made by the objecting parties.
- (x) The motions judge erred in his conclusion that the construction lien claims are not being addressed on a consolidated basis in the CCAA proceeding. On the contrary, the arbitration of the lien claims is proceeding in the CCAA proceeding on a consolidated basis. The arbitration of the lien claimants concerns their entitlement to the proceeds from the sale of the Puccini Homes in the CCAA proceeding, which have been comingled into a fund held by the Monitor in trust.
- (y) The motions judge erred in his conclusion that the Settlement Agreement does not satisfy the requirements for approval of an agreement under section 11 of the CCAA.

The Settlement Agreement was fair and reasonable and should have been approved

- (z) The motions judge erred in his conclusion that the Settlement Agreement was not fair and reasonable.
- (aa) The motions judge erred in his conclusion that the Settlement Agreement, if implemented, will result in a detriment to the objecting parties. The letters of credit were posted by the numbered Appellants. If the letters of credit were cancelled, the collateral under the letters of credit will be returned to the numbered Appellants. The objecting parties are not creditors of the numbered Appellants and would have no entitlement to these funds.
- (bb) The motions judge correctly held that the fairness and reasonableness test requires a demonstration of a balancing of conflicting interests of stakeholders. However, the motions judge erred in his conclusion that the Settlement Agreement does not satisfy that requirement. In particular, the motions judge erred in preferring the interests of objecting creditors, who admittedly were looking for a windfall and who acknowledged that they always understood that the Security was provided in favour of Tarion, over the interests of Tarion, a quasi governmental authority, the Appellants and Jinnah.
- (cc) The motions judge erred by disregarding Tarion's submissions that the Settlement Agreement furthers the public interest generally by preserving the guarantee fund that it administers under the *Warranties Act*.
- (dd) The motions judge erred in his distinction between a liquidating CCAA and a

restructuring CCAA. Once the motions judge concluded that he had the authority to approve the Settlement Agreement in a liquidating CCAA, there is no legal reason for distinguishing between the two types of CCAA proceeding in determining whether the agreement is fair and reasonable.

- (ee) The motions judge erred in law by focusing his determination of whether the Settlement Agreement was fair and reasonable on the collateral benefit that Jinnah would derive from the Settlement Agreement. The test for approving a settlement agreement in a CCAA proceeding requires the Court to consider the effect of the settlement agreement on all parties and stakeholders. The Settlement Agreement put all parties, including the objecting creditors, in the position that they intended and/or expected to be in. Accordingly, the Settlement Agreement is fair and reasonable.
- (ff) The motions judge erred in his finding that Jinnah was negligent in failing to register Puccini as a vendor under the *Warranties Act*. There was no evidence before the motions judge to support such finding.

The appeal is of significance to the construction industry

- (gg) The appeal is of significance to the construction industry as it addresses the balancing of interests between creditors of an insolvent builder/vendor, Tarion and the insurance scheme under the *Warranties Act*. Furthermore, the appeal is of significance to the insolvency community as it concerns interpretation of standard terms of the model initial order.

The appeal is of significance to the Appellants

- (hh) The points raised on the appeal are of significance to the Appellants, Jinnah and Tarion. In particular, as a consequence of the Decision, Puccini and Jinnah continue to face criminal sanctions under the *Offences Act*.
- (ii) In any other circumstance, the Appellants and Tarion would have an automatic right to appeal from the order of Justice Wilton-Siegel. However, as this motion was brought within the CCAA proceeding, the Appellants and Tarion are required to seek leave.
- (jj) The appeal would not unduly hinder the progress of the Appellants' CCAA proceeding.
- (kk) Section 13 and 14 of the CCAA and Rule 61.03 of the *Rules of Civil Procedure*.
- (ll) Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

ENDORSEMENT

[1] On this motion, the applicants in these proceedings under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 (the "CCAA") seek an order declaring that they have the requisite authority to enter into a Settlement Agreement (as defined and described below) without the approval of the court, or, alternatively, an order approving the Settlement Agreement.

Background

The Parties and the Puccini Project

[2] The applicants are affiliated Ontario corporations owned by Imran Jinnah ("Jinnah"). Silver Stream Homes Inc. ("Silver") is a residential homebuilder in the GTA. The numbered corporation applicants are the registered owners of lands that comprise phases I, II and III of a development referred to as the "Puccini Project" in Richmond Hill, Ontario.

[3] Silver Streams Homes (Puccini) Inc. ("Puccini") was incorporated for the purpose of selling the homes in the Puccini Project. Over the course of the Puccini Project, the applicants

entered into agreements of purchase and sale for 95 homes in which Puccini was the vendor (the "Purchase Agreements").

[4] This proceeding arises because Silver and the numbered corporation applicants were registered as vendors with Tarion Warranty Corporation ("Tarion") under the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, c. O.31 (the "Act"), but Puccini was not.

[5] The applicants initiated these proceedings under the CCAA by the order dated December 17, 2013 of Newbould J. (the "Initial Order"). Subsequently, as a result of the failure to register under the Act, Puccini was charged with four counts of acting as a vendor of a new home without being properly registered, pursuant to a proceeding commenced on September 3, 2014 (the "POA Proceeding").

[6] Jinnah says that he believed that Puccini was registered as a vendor under the Act until he received a summons in the POA Proceeding in September 2014. In an affidavit sworn March 25, 2015 in these proceedings (the "Jinnah Affidavit"), Jinnah states that: (1) the failure to register Puccini as a vendor under the Act was inadvertent; (2) it was always the applicants' intention that all of the corporate entities involved in the Puccini Project would be properly registered under the Act; (3) at all relevant times, he believed Puccini was in fact a registrant under the Act; and (4) it was always the intention of the applicants that Tarion would have recourse and access to the Letters of Credit (as defined below) for the payment by Tarion of any claims against the applicants made by purchasers of the 95 homes covered by the Purchase Agreements.

The Letters of Credit

[7] In connection with the registration of Silver and the numbered corporation applicants under the Act, these parties provided Tarion with letters of credit in the aggregate amount of \$920,000 (the "Letters of Credit"), and a deposit in the amount of \$320,000 (the "Deposit").

[8] The Letters of Credit comprise letters of credit of the Bank of Montreal ("BMO") in the amounts of \$250,000, \$400,000 and \$270,000, respectively dated April 12, 2012, November 12, 2010 and January 13, 2009.

[9] The Letters of Credit were issued pursuant to banking facilities established initially between Symphony Series Co-Tenancy Co-op ("Symphony") and BMO, pursuant to an offer of financing dated September 2, 2008 (the "Offer to Finance"). The Offer to Finance was amended by a letter between Symphony and BMO dated April 3, 2009. Among other things, this letter substituted as borrowers 2148993 Ontario Inc. ("993") and/or 2148990 Ontario Inc. ("990") and/or 2148991 Ontario Inc. ("991") and/or 2147650 Ontario Inc. ("650"). Pursuant to a further letter agreement between BMO and Symphony dated February 28, 2013, revised financing facilities were agreed to as set out in a term sheet (the "Term Sheet") attached to the letter agreement.

[10] The Term Sheet contemplated as borrowers, 993 and/or 990 and/or 650 and/or 2147681 Ontario Inc. ("681"). It also contemplated Letters of Credit facilities in the amounts of \$670,000 and \$250,000, which are understood to be represented by the Letters of Credit. The Term Sheet

provided that the Letters of Credit were to be secured by a portion of the net closing proceeds of each sale of homes in phase II of the Puccini Project, in the amount of \$75,000 per unit, and from the net closing proceeds of the sales of homes in phase III of the Puccini Project in specified amounts depending upon lot size after repayment of a separate \$4.5 million non-revolving demand loan facility provided under the Term Sheet. The cash collateral currently held by BMO to secure the Letters of Credit is herein referred to as the "Security".

[11] With respect to the Deposit, it is my understanding that this security was provided by 991 with respect to sales of homes in phase IV of the Puccini Project and that these lands have been sold in private power of sale proceedings. 991 is not an applicant in these CCAA proceedings. Any issue regarding the current security representing the Deposit after such power of sale proceedings is properly dealt with outside the present proceeding, and accordingly this Endorsement does not address the entitlement to such security.

The Settlement Agreement

[12] The Purchase Agreements pertaining to the 95 homes in the Project sold by Puccini advised the purchasers that a Tarion warranty was available. The Letters of Credit were provided to Tarion to secure the indemnification obligations of the vendor to Tarion in the event the vendor was unable to satisfy its warranty obligations to the purchasers under the Purchase Agreements and the Act.

[13] Each of the Letters of Credit is drawn in favour of Tarion as the beneficiary. In order to draw under each Letter of Credit, Tarion must provide BMO with a certificate stating that the monies being drawn are "in respect of obligations owed or which will be owed by the Registrant to the Beneficiary". In each case, the Registrant identified in the Letter of Credit is Silver rather than Puccini, although, in the case of the first Letter of Credit, the Registrant also includes 650, 990, 993, 681 and 991. Accordingly, Tarion is not able to provide the required certificate under the Letters of Credit entitling it to draw thereunder.

[14] In such circumstances, as the BMO loans contemplated under the Term Sheet have been repaid, if Tarion cannot draw under the Letters of Credit, the Security would be released by BMO and returned to the estate of the applicants to be distributed in accordance with the priorities determined under the CCAA.

[15] To address Tarion's inability to draw under the Letters of Credit as a result of the absence of registration of Puccini under the Act, the applicants, Tarion and Jinnah have entered into an agreement dated February 2015 (the "Settlement Agreement"). The Settlement Agreement provides that, upon the "Effective Settlement Date", Silver and Puccini will enter into an assignment and assumption agreement (the "A/A Agreement"). Pursuant to the A/A Agreement, Puccini will assign and sell to Silver all of Puccini's right, title and interest in the Purchase Agreements. In turn, Silver agrees to pay and perform all of Puccini's obligations in connection therewith, including, for greater certainty, all obligations commensurate with being a registered "vendor" under the Act in connection with the Purchase Agreements. For this purpose, the "Effective Settlement Date" is defined to be the date that an order of this court approving the Settlement Agreement becomes a final order.

[16] The intended effect of the Settlement Agreement is that Silver will assume the obligations of Puccini in respect of Tarion and thereby enable Tarion to provide a certificate referencing the obligations of Silver as a "Registrant". Jinnah will also benefit from the Settlement Agreement in at least two respects. Paragraph 9 of the Settlement Agreement provides that the POA Proceeding will be dismissed or withdrawn on the Effective Settlement Date. In addition, Jinnah's obligations under personal guarantees given to Tarion to secure the applicants' obligations in respect of the Puccini Project will be reduced by the amount of any draws under the Letters of Credit.

[17] I note that the record before the Court on this motion did not disclose any contractual indemnification obligation of Silver to Tarion that would be engaged upon implementation of the Settlement Agreement and would thereby permit Tarion to draw on the Letters of Credit. At the hearing, counsel for Tarion advised that such an obligation would be located in the vendor agreement signed by Silver upon its registration with Tarion. Subsequent to the hearing, in response to a request of the Court for the relevant documentation, the applicants provided copies of a builder agreement and a vendor agreement, each dated March 12, 2004, and referred to the indemnification provisions in section 2.1 of each agreement.

[18] The Court is not required to determine, and therefore makes no determination, regarding whether the Settlement Agreement is effective to engage the indemnification provisions in the builder agreement and the vendor agreement described above in respect of any claims that may be asserted by purchasers under the Purchase Agreements. This motion proceeds on the basis that the applicants and Tarion are of the view that payments out of the guarantee fund administered by Tarion in respect of the homes subject to such Purchase Agreements will give rise to "obligations owed or which will be owed by [a] Registrant to the Beneficiary."

[19] I also note that the Objecting Parties (as defined below) objected to disclosure of the builder agreement and the vendor agreement to the Court, because such documentation had not previously been produced by the applicants in this proceeding. I do not think there is any basis for such an objection given that this documentation is not being used by the Court in any substantive manner in reaching the determination in this Endorsement.

Applicable Law

[20] For the purposes of this motion, the following provisions of the *Ontario New Home Warranties Plan Act* are relevant.

[21] Section 6 of the Act provides that no person shall act as a vendor or a builder unless the person is registered by the Registrar under this Act. It is not disputed that Puccini qualified as a "vendor" under the definition of that term in section 1 of the Act.

[22] Section 13 provides that every vendor of a home provides a warranty to an owner:

13. (1) Every vendor of a home warrants to the owner,

(a) that the home,

- (i) is constructed in a workmanlike manner and is free from defects in material,
 - (ii) is fit for habitation, and
 - (iii) is constructed in accordance with the Ontario Building Code;
- (b) that the home is free of major structural defects as defined by the regulations; and
- (c) such other warranties as are prescribed by the regulations.

[23] Sections 14(3) and 14(4) provide remedies to an owner of a home in the case of a breach of the warranty in section 13:

(3) Subject to the regulations, an owner of a home is entitled to receive payment out of the guarantee fund for damages resulting from a breach of warranty if,

- (a) the person became the owner of the home through receiving a transfer of title to it or through the substantial performance by a builder of a contract to construct the home on land owned by the person; and
- (b) the person has a cause of action against the vendor or the builder, as the case may be, for damages resulting from the breach of warranty.

(4) Subject to the regulations, an owner who suffers damage because of a major structural defect mentioned in clause 13 (1) (b) is entitled to receive payment out of the guarantee fund for the cost of the remedial work required to correct the major structural defect if the owner makes a claim within four years after the warranty expires or such longer time under such conditions as are prescribed. Accordingly, pursuant to section 14, an owner may have a claim payable out of the guarantee fund administered by Tarion.

[24] It is significant for present purposes that the Act does not, however, provide a statutory right of indemnification in favour of Tarion in respect of any amounts paid to satisfy claims by owners for a breach of a vendor's warranty out of the guarantee fund administered by Tarion that is described in section 14. To fill this gap in the legal chain, Tarion requires that registrants agree contractually to a right of indemnification in its favour. The obligation of indemnification is set out in a form of indemnity signed by each registrant and any other indemnitor of the registrant. As mentioned, in this proceeding, the applicants rely upon the indemnification provisions referred to above in a builder agreement and a vendor agreement executed by Silver in connection with its registration under the Act.

The Objections

[25] Two groups of lien claimants oppose the requested approval of the Settlement Agreement (collectively, the "Objecting Parties").

[26] A group of construction trade creditors led by MediGroup Incorporated (collectively referred to as the "Trades") have filed an objection which is set out in an affidavit of Frank Del Fatti ("Del Fatti"), sworn April 6, 2015 (the "Del Fatti Affidavit"). In this affidavit, Del Fatti submits that Jinnah should not be able to alter the existing contractual arrangements to the detriment of the Trades who have filed lien claims, given that claims for liens in significant amounts have been filed, a deficiency is anticipated, and a breach of trust action has been started. The Trades submit that Tarion should instead rely on its guarantee from Jinnah. Del Fatti notes that the Settlement Agreement would relieve Jinnah of his obligations under his guarantee in favour of Tarion, as well as resolve the POA Proceeding, and thereby allow Jinnah to build homes in the future.

[27] In addition, two other lien claimants, Argo Lumber Inc. and Newmar Window Manufacturing Inc., are separately represented on this motion and support the submission of the Trades.

Preliminary Observations

[28] The conclusions in this Endorsement are informed by the following observations and determinations.

[29] First, I do not think it is accurate to state, as the Objecting Parties submit, that the effect of the Settlement Agreement would be to elevate Tarion from an unsecured party to a secured party, in the sense that the Settlement Agreement would establish security that did not already exist. The effect of the Settlement Agreement is to allow Tarion to access security that was put in place before the CCAA proceedings by the applicants, other than Puccini, to which Tarion is not currently entitled because of the wording of the Letters of Credit and the absence of any registration of Puccini under the Act.

[30] Second, on the other hand, implementation of the Settlement Agreement changes the *status quo* in three respects. Most significantly, at present, Tarion cannot access the Letters of Credit with the result that the Security held by BMO for the Letters of Credit is effectively available for all of the creditors of the applicants in the CCAA proceedings in accordance with the applicable rules of priority. The effect of implementation of the A/A Agreement is to remove such Security from the estate of the applicants in favour of Tarion to the extent of any claims that Tarion may subsequently assert as a result of payments out of the guarantee fund administered by it. In addition, the POA Proceeding will be dismissed or withdrawn on implementation of the Settlement Agreement. Further, as mentioned, Jinnah will benefit by the reduction of his payment obligations under a personal guarantee given to Tarion in the amount of any draws under the Letters of Credit.

[31] Third, the only parties to the Settlement Agreement are the applicants, Jinnah (their principal shareholder and controlling mind and will) and Tarion. Tarion and Jinnah are also the

only parties that benefit from implementation of the Settlement Agreement. Conversely, the other creditors of the applicants are neither parties to, nor beneficiaries under, the Settlement Agreement and would be adversely affected by its implementation to the extent that any Security is applied in respect of any draws by Tarion under the Letters of Credit.

Analysis and Conclusions

[32] The parties agree that there are three issues to be addressed on this motion:

1. do the applicants have the power to enter into the Settlement Agreement, including without limitation the A/A Agreement, without approval of the court?
2. if not, does the Court have the authority to approve the Settlement Agreement, including without limitation the A/A Agreement? and
3. if yes, should the Court approve the Settlement Agreement, including without limitation the A/A Agreement?

I will address each issue in turn.

The Power of the Applicants to Enter into the A/A Agreement

[33] The applicants argue that they have the corporate power and capacity to enter into and perform the Settlement Agreement, including without limitation the A/A Agreement, and therefore do not require court approval. In particular, they assert that nothing in the CCAA, or in the orders issued in these CCAA proceedings, constrains their corporate power and capacity to enter into and perform the A/A Agreement. The applicants say that Silver therefore continues to have the corporate power and capacity to perform all of Puccini's obligations under the Purchase Agreements and to assume all of its liabilities in connection therewith, notwithstanding the CCAA proceedings.

[34] I do not agree for the following reasons.

[35] As mentioned, the A/A Agreement contains: (1) an assignment of Puccini's rights under the Purchase Agreements to Silver; and (2) an agreement of Silver in favour of Puccini to assume and perform all of Puccini's obligations under the Purchase Agreements, including without limitation all of Puccini's obligations as a "vendor" under the Act.

[36] In the present context, the significant aspect of the A/A Agreement is Silver's assumption of Puccini's obligations as a vendor under the Act. As mentioned, the applicants are proceeding on the basis that the legal effect of such assumption is that Silver will thereafter have an obligation to Tarion to indemnify it for any claims for breach of warranty that are asserted by purchasers of the 95 homes covered by the Purchase Agreements which are satisfied out of the guarantee fund maintained by Tarion.

[37] The parties agree that the execution and performance of the A/A Agreement does not contravene any provision of the CCAA. The more difficult issue is the operation of the Initial Order in these CCAA proceedings.

[38] I agree with the applicants that the provisions of paragraph 5 and of paragraph 10 of the Initial Order are not engaged in the present circumstances. These provisions are permissive rather than restrictive in respect of the applicants' ability to carry on business during the currency of the CCAA proceedings.

[39] However, I am of the opinion that the execution and performance of the A/A Agreement does engage the provisions of paragraph 9(c) of the Initial Order. This paragraph provides, among other things, that except as specifically permitted therein, the applicants are directed to refrain from granting credit or incurring liabilities, except in the ordinary course of business or until further order of the court.

[40] The execution and performance of the A/A Agreement has the result that Silver will incur the liabilities of Puccini under the Purchase Agreements. In doing so, it will incur liabilities otherwise than in the ordinary course of its business, insofar as the Purchase Agreements have already been entered into between Puccini and the purchasers thereunder. This is contrary to the plain meaning of the Initial Order.

[41] The applicants appear to accept that the proposed assumption of liabilities contemplated by the A/A Agreement would be outside the ordinary course of business of Silver. They argue instead that paragraph 9(c) should be interpreted on a consolidated basis, because they say the CCAA proceedings have, at all times, effectively been conducted on a consolidated basis for administrative purposes. In support of this view, the applicants note that all receipts and disbursements have been processed through a single bank account maintained for all of the applicants. The applicants say that, on this basis, paragraph 9(c) should be interpreted to refer to the incurring of new liabilities not already incurred by one of the applicants. On this interpretation, the Initial Order would not prohibit one applicant from assuming the obligations of another applicant.

[42] This was not, however, the manner in which the applicants were operated prior to, and as of, the date of the Initial Order. There is also no formal court order for consolidation of the applicants. Further, the Court understands that the construction lien claims are not being addressed on a consolidated basis in these proceedings. Accordingly, the separate legal and financial status of the applicants remains in effect during these CCAA proceedings.

[43] Given such separate legal and financial status, I conclude that there is no basis for the interpretation of the operation of paragraph 9(c) on a consolidated basis in the manner proposed by the applicants. Accordingly, I also conclude that the applicants require an order of the court to implement the Settlement Agreement.

The Authority of the Court to Approve the A/A Agreement

[44] In the alternative, the applicants argue that the Court has the authority to approve the Settlement Agreement, including in particular the A/A Agreement, to the extent such approval is required under the Initial Order or otherwise.

[45] The applicants say such authority is based on the broad discretion granted to the Court in section 11 of the CCAA. That provision reads as follows:

Despite anything in the *Bankruptcy and Insolvency Act* or the *Winding-up and Restructuring Act*, if an application is made under this Act in respect of a debtor company, the court, on the application of any person interested in the matter, may, subject to the restrictions set out in this Act, on notice to any other person or without notice as it may see fit, make any order that it considers appropriate in the circumstances.

[46] In support of their position, the applicants rely on the decision of Morawetz J. in *Nortel Networks Corp.*, Re, 2010 ONSC 1708, 192 A.C.W.S. (3d) 368, and in particular on the following passages at paragraphs 69-71 of that decision :

In *Re Stelco Inc.*, (2005), 2005 CanLII 40140 (ON CA), 78 O.R. (3d) 254 (C.A.), the Ontario Court of Appeal considered the court's jurisdiction under the CCAA to approve agreements, determining at para. 14 that it is not limited to preserving the *status quo*. Further, agreements made prior to the finalization of a plan or compromise are valid orders for the court to approve: *Grace 2008*, *supra* at para. 34.

In these proceedings, this court has confirmed its jurisdiction to approve major transactions, including settlement agreements, during the stay period defined in the Initial Order and prior to the proposal of any plan of compromise or arrangement: see, for example, *Re Nortel*, [2009] O.J. No. 5582 (S.C.J.); *Re Nortel* [2009] O.J. 5582 (S.C.J.) and *Re Nortel*, 2010 ONSC 1096 (CanLII), 2010 ONSC 1096 (S.C.J.).

I am satisfied that this court has jurisdiction to approve transactions, including settlements, in the course of overseeing proceedings during a CCAA stay period and prior to any plan of arrangement being proposed to creditors: see *Re Calpine Canada Energy Ltd.*, [2007] A.J. No. 917 (C.A.) [*Calpine*] at para. 23, affirming [2007] A.J. No. 923 (Q.B.); *Canadian Red Cross*, *supra*; *Air Canada*, *supra*; *Grace 2008*, *supra*, and *Re Grace Canada* [2010] O.J. No. 62 (S.C.J.) [*Grace 2010*], leave to appeal to the C.A. refused February 19, 2010; *Re Nortel*, 2010 ONSC 1096 (CanLII), 2010 ONSC 1096 (S.C.J.).

[47] I agree with the statement in *Nortel* at paragraph 69 that a court has authority under section 11 of the CCAA to approve a settlement that is not limited to preserving the *status quo*. More generally, I am satisfied that the Court has the authority by virtue of section 11 of the

CCAA to approve the Settlement Agreement in the present circumstances. Such authority, however, requires demonstration by the applicants that the test for approval of an agreement pursuant to the discretion granted in section 11 has been satisfied.

Should the Court Approve the Settlement Agreement?

[48] The test for approval of a settlement agreement has been set out in *Nortel* by Morawetz J. at paragraph 73 as follows:

A Settlement Agreement can be approved if it is consistent with the spirit and purpose of the CCAA and is fair and reasonable in all circumstances. What makes a settlement agreement fair and reasonable is its balancing of the interests of all parties; its equitable treatment of the parties, including creditors who are not signatories to a settlement agreement; and its benefit to the Applicant and its stakeholders generally.

[49] Before addressing the application of the test for approval of an agreement in CCAA proceedings, it is important to note that the circumstances in *Nortel* were very different from the present circumstances. *Nortel* involved a multi-faceted agreement among a number of stakeholder groups, as well as the applicant, respecting the termination of discretionary pension and employment benefit payments that were existing obligations of the applicant. The settlement agreement in that case therefore resolved certain issues among such stakeholders, as well as settled claims between the debtor corporation and certain of the stakeholder groups who were parties to the agreement.

[50] In the present circumstances, the only parties to the Settlement Agreement are the applicants, their principal shareholder, and Tarion. These are also the only parties that benefit from implementation of the Settlement Agreement. The other creditors of the applicants who are neither parties to, nor beneficiaries under, the Settlement Agreement would be adversely affected by its implementation. The purpose of the A/A Agreement is rectification by the applicants of arrangements between themselves and Tarion that arose as a result of negligence, which they prefer to call inadvertence, on the part of the applicants. It does not resolve any issues among stakeholders in respect of outstanding obligations of the relevant applicant, being Puccini.

[51] The applicants say that the Settlement Agreement meets the requirements of the test articulated in *Nortel*. I will address each prong of the test in turn.

[52] First, the spirit and principal purpose of the CCAA is to permit insolvent corporations a period of time to restructure their affairs with their stakeholders with a view to proposing a plan of arrangement that will allow it to continue its business for the benefit of its stakeholders and, more generally, for the benefit of the public. In the present case, the CCAA proceedings permitted the applicants to complete and sell ten homes in the Puccini Project. This has now occurred. There is therefore no sense in which the Settlement Agreement will further the principal purpose of the CCAA.

[53] Given the present circumstances of the applicants, I accept that it may be appropriate to consider the spirit and purpose of the CCAA as it has been developed in the context of a "liquidating CCAA". In *Nortel*, Morawetz J. commented at paragraph 74 on the spirit and purpose of the CCAA in such context as follows:

The CCAA is a flexible instrument; part of its purpose is to allow debtors to balance the conflicting interests of stakeholders. The Former and LTD Employees are significant creditors and have a unique interest in the settlement of their claims. This Settlement Agreement brings these creditors closer to ultimate settlement while accommodating their special circumstances. It is consistent with the spirit and purpose of the CCAA.

[54] In the present circumstances, the practical effect of implementation of the Settlement Agreement is to alter the entitlement that currently exists with respect to the Security being held by BMO as security for any draws that Tarion might make under the Letters of Credit. It is inconsistent with the purpose of the CCAA, particularly in a liquidating CCAA proceeding, to alter existing priorities in respect of security, even those that arise as a result of inadvertence or negligence. I think the same principle should operate where the issue is the ability to access security.

[55] Further, implementation of the Settlement Agreement does not materially advance the CCAA proceedings in any way, except to the extent of eliminating the prospect of further litigation by Tarion regarding its entitlement to the Security posted for the Letters of Credit. The reduction of such litigation by virtue of implementation of the A/A Agreement between two applicants that would not otherwise further the purposes of the CCAA cannot, by itself, satisfy this requirement of the test for approval of the Settlement Agreement. Moreover, the Objecting Parties remain free to challenge Tarion's right to draw under the Letters of Credit, as they are not parties to the Settlement Agreement. On this basis, it is not clear that it can be meaningfully asserted that implementation of the Settlement Agreement will eliminate the prospect of further litigation.

[56] Given these two considerations, the Settlement Agreement would not satisfy the first requirement of the test in *Nortel*. I would add that, in the absence of an agreement involving a compromise of any claims of any creditors of the applicants, I think there is serious doubt that the Settlement Agreement is an agreement of the nature contemplated by *Nortel*.

[57] The second prong of the test for approval of the Settlement Agreement is demonstration that it is fair and reasonable in all the circumstances. As mentioned, the applicants say that the Settlement Agreement meets this requirement. They submit that implementation of the Settlement Agreement, in particular implementation of the A/A Agreement, will put the parties to the Agreement in the position that the applicants and Tarion intended them to be in. They also say that implementation will also put the Objecting Parties in the position that they expected to be in at the date of the Initial Order. The applicants argue that maintenance of the arrangements

respecting entitlement to the Security, as they existed on the date of the Initial Order, would result in a windfall to the Objecting Parties and the other unsecured creditors of the applicants.

[58] In this regard, Del Fatti himself states in the Del Fatti Affidavit that he accepted as true the statement of Jinnah, in his affidavit sworn December 11, 2013 in the application for the Initial Order, that Puccini was registered with Tarion. He further states that he believed any security posted with Tarion was for the benefit of Puccini.

[59] I am not satisfied, however, that implementation of the Settlement Agreement would be fair and reasonable in the circumstances, notwithstanding the element of rectification and the expectation of the Trades as acknowledged in the Del Fatti Affidavit. I reach this conclusion for the following reasons.

[60] First, insofar as the fairness and reasonableness test requires demonstration of a balancing of conflicting interests of stakeholders, as is suggested in *Nortel* at paragraph 74, the Settlement Agreement cannot satisfy this requirement. The Settlement Agreement does not balance the interests of stakeholders in any meaningful respect. Its purpose is to place one creditor, Tarion, in the position that Tarion and the applicants intended it to be in, all to the detriment of the Objecting Parties.

[61] Second, apart from Tarion, the only other beneficiary of the Settlement Agreement is the principal shareholder of the applicants, Jinnah, whose guarantee obligations are correspondingly reduced to the extent the Security is available to Tarion. In other words, implementation of the Settlement Agreement will have the effect of granting a benefit to a shareholder, in his capacity as an unsecured creditor, at the expense of the other creditors of the applicants, including the lien claimants. Further, Jinnah would receive this benefit notwithstanding the fact that his negligence resulted in the circumstances giving rise to the present motion.

[62] Third, Tarion argues that the Settlement Agreement furthers the public interest generally by preserving the guarantee fund that it administers under the Act for the benefit of the residential home construction industry in this Province. There are two difficulties with this argument.

[63] First, it entails a concept of public interest that is too remote from the purpose of the CCAA to be a consideration on this motion. As mentioned, insofar as the CCAA is directed toward a public benefit, the statute seeks to maintain the continuing operations of a debtor company, with the associated benefits of employment and tax revenues generated thereby.

[64] Second, and more importantly, the calculus of public benefit in the present circumstances is more complex and essentially impossible to assess on the record. Among other considerations, Tarion is a mandatory insurer. It has, or can have, the ability to reserve against unauthorized vendors who fail to indemnify it for warranty claims paid out of the guarantee fund. In this sense, as the Objecting Parties submit, Tarion is better able to spread the risk of loss across all of the residential units it insures than the Objecting Parties whose risk is higher, being dependent upon the unencumbered value of the properties against which they have claims. Further, in terms of moral hazard, it is not clear that the public interest lies in relieving Jinnah of his

personal liability on his guarantee to Tarion and dismissal of the POA Proceeding by permitting the applicants, which Jinnah controlled, to rectify his negligence.

[65] Given the foregoing, I do not think that a court can meaningfully or responsibly make a determination regarding where the public interest lies in the present circumstances, and, accordingly, I make no such determination.

[66] In the present circumstances, while the Settlement Agreement would put Tarion in the position that the applicants may have intended it to be in, the Settlement Agreement will also benefit Jinnah, the principal shareholder and an unsecured creditor in his capacity as a guarantor, at the expense of the other creditors of the applicants, including the lien claimants. It is possible that a court could find such an agreement to be fair and reasonable if there were a reasonable possibility of a plan of compromise or arrangement that would continue the applicants as operating entities. In that event, it may be possible to demonstrate that a proposed agreement of the nature of the Settlement Agreement would be fair to the other creditors based on a reasonable prospect of a benefit to them resulting from a successful plan of arrangement. However, that is not the present case.

[67] Given that the applicants have commenced a liquidating CCAA proceeding and are therefore effectively in bankruptcy proceedings, I think that, on balance, it would be unfair to rearrange the arrangements respecting entitlement to the Security that would otherwise operate in a bankruptcy in the manner proposed by the applicants. After a bankruptcy has occurred, courts are very reluctant to relieve against mistakes that would benefit a few creditors at the expense of the others, particularly where the benefitting creditors include the shareholder of the bankrupt corporation.

[68] Based on the foregoing, I conclude that the Settlement Agreement does not satisfy the requirements for approval of an agreement under section 11 of the CCAA. Accordingly, I conclude that the Court should refrain from exercising its discretion to approve the Settlement Agreement.

Conclusion

[69] Based on the foregoing, the applicants' motion is denied in its entirety.

I, Imran Jinnah, of the Town of Richmond Hill, in the Province of Ontario **MAKE OATH
AND SAY AS FOLLOWS:**

1. I am the sole officer, director and shareholder of the Applicants, Silver Streams Homes Inc. ("Silver Streams"), Silver Streams Homes (Puccini) Inc. ("Puccini"), 2148993 Ontario Inc. ("2148993"), 2148990 Ontario Inc. ("2148990"), 2147681 Ontario Inc. ("2147681") and 2147650 Ontario Inc. ("2147650"). As such, I have personal knowledge of the matters to which I dispose in this affidavit, save and except for such facts or matters which are stated to be based on information and belief and where so stated, I believe same to be true.

2. The purpose of this affidavit is to advise the Applicants' service list (the "Service List") and the Court of a Settlement Agreement dated February 17, 2015, among Tarion Warranty Corporation ("Tarion"), the Applicants and myself (the "Settlement Agreement").

Background

3. The Applicants are affiliated companies owned by me. Silver Streams is a residential homebuilder in the Greater Toronto Area. As at the Filing Date (as defined below), Silver Streams was in the process of completing a project in Richmond Hill, Ontario referred to in these proceedings as the “**Puccini Project**”. Title to the lands in Phases I, II and III of the Puccini Project are registered in the names of the numbered company Applicants. Title to the lands in Phase IV of the Puccini Project is registered in the name of a corporation affiliated with the Applicants which is not a party to these CCAA proceedings. Puccini was incorporated for the purpose of selling the homes in the Puccini Project.

4. On December 17, 2013 (the “**Filing Date**”), the Applicants obtained protection from their creditors under the *Companies’ Creditors Arrangement Act* (the “**CCAA**”) pursuant to the Initial Order. The Initial Order, among other things, appointed Grant Thornton Limited as Monitor of the Applicants in these proceedings. A copy of the Initial Order is attached hereto as **Exhibit “A”**.

Settlement Agreement

5. Tarion is a private corporation established in 1986 to protect the rights of new homebuyers and regulate new home builders. Tarion administers the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, c. O. 31 (the “**Act**”), which outlines the warranty protection that new home purchasers are entitled to in Ontario.

6. The numbered company Applicants and Silver Streams are registered with Tarion under the Act (as such term is defined below) as vendors, builders or both, as such terms are defined in the Act. It was my understanding at all relevant times that Puccini was also registered with Tarion as a vendor and builder, which understanding was communicated to the Court and the Service List in my previous affidavits filed in these CCAA proceeding. A copy of my initial affidavit sworn December 11, 2013 without exhibits is attached hereto as **Exhibit "B"** (the "**Initial Affidavit**").
7. In connection with their registrations, the Applicants were required to and did provide letters of credit in the aggregate amount of \$920,000 (the "**Letters of Credit**") and a cash deposit in the amount of \$320,000 in favour of Tarion to secure the Applicants' obligations to Tarion under the (collectively, the "**Security**"). The Letters of Credit are secured by \$920,000 in cash held on deposit at Bank of Montreal.
8. In or around September 2014, I learned, for the first time, that contrary to my previous understanding, Puccini was not in fact registered as a vendor under the Act contemporaneously or otherwise with the numbered company Applicants and Silver Streams.
9. On September 3, 2014, a summons was issued to Puccini pursuant to section 24 of the *Provincial Offences Act*, R.S.O. 1990, c. P. 33 under the Act (the "**POA Charge**"), which, among other things, charged Puccini with acting as a vendor of a new home without being properly registered under the Act.
10. Failure to register Puccini as a vendor under the Act was inadvertent. As described above, it was always the Applicants' intention that Puccini be a registered vendor under the Act and, at all

relevant times, I verily believed that Puccini was in fact a registrant under the Act. Accordingly, both prior and subsequent to the commencement of these CCAA proceedings, Puccini acted as a vendor under a number of agreements of purchase and sale in respect of new home sales.

11. It was always intended by the Applicants, and communicated to the Service List and the Court in these CCAA proceedings, that, in order to fulfill its mandate under the Act, Tarion would have recourse and access to the Security for the payment by Tarion of claims made by purchasers against the Applicants under the Act.
12. To remedy the issues raised by Puccini not being a properly registered vendor, the Applicants, Tarion and I agreed to enter into the Settlement Agreement, a copy of which is attached as Exhibit "C" hereto. To remedy the inadvertent defect of Puccini not being a properly registered vendor under the Act, pursuant to the Settlement Agreement, the Applicants agreed, among other things, that Puccini will assign to Silver Streams all of its rights, title, interest and obligations under the purchased agreements entered into by Puccini in its capacity as vendor.
13. The Settlement Agreement, once implemented, will restore Tarion and the Applicants to the position they would have been had Puccini been properly registered under the Act, consistent with the Applicants' intentions and previous representations in these CCAA proceedings.
14. The Settlement Agreement is supported by the Monitor and a group of private mortgage holders who, collectively, are the Applicants largest senior secured creditor.

15. The Settlement Agreement is conditional on, among other things, the Applicants advising the Service List and the Court of the terms of the Settlement Agreement and requesting that any person wishing to oppose or object to the execution, delivery or performance of the Settlement Agreement (the “**Objection**”) serve notice of such Objection by no later than fourteen (14) calendar days from the date on which notice to the Service List of the Settlement Agreement is provided.

16. In the event that an Objection is not received within fourteen (14) calendar days from the date on which notice to the Service List of the Settlement Agreement is provided, the Applicants will perform the Settlement Agreement and take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the transactions contemplated thereby.

17. If an Objection is received by the Applicants, the Applicants shall on a date that is the later of: (i) ten (10) calendar days after an Objection is received; and (ii) the earliest date that the Court has available for a 9:30 a.m. scheduling appointment, attend before the Court to schedule a motion for an order approving the Settlement Agreement.

Applicants

AFFIDAVIT OF IMRAN JINNAH

I, Imran Jinnah, of the Town of Richmond Hill, in the Province of Ontario MAKE OATH
AND SAY AS FOLLOWS:

1. I am the sole officer, director and shareholder of the Applicants, Silver Streams Homes Inc. ("Silver Streams") and Silver Streams Homes (Puccini) Inc. ("Puccini"). I am also the sole officer, director and shareholder of the Applicants 2148993 Ontario Inc. ("2148993"), 2148990 Ontario Inc. ("2148990"), 2147681 Ontario Inc. ("2147681") and 2147650 Ontario Inc. ("2147650", collectively, the "Title Holders"). As such, I have personal knowledge of the matters to which I dispose in this affidavit, save and except for such facts or matters which are stated to be based on information and belief and where so stated, I believe same to be true.
2. I swear this affidavit in support of an application by the Applicants for relief under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, C. C-36, as amended (the "CCAA").

OVERVIEW

3. Silver Streams is a residential homebuilder in the Greater Toronto Area. To date, it has successfully built approximately 100 homes and is in a position to build and complete a further 48 homes in the Puccini Project (defined below).

4. As described in further detail below, the Applicants have experienced significant financial challenges due to delays involved in the development of the Puccini Project and are insolvent. Secured debt in excess of \$12 million is currently in default and numerous construction liens totalling in excess of \$3.5 million have been registered against title to various lots in the Puccini Project.

5. There are currently 10 remaining homes in Phases II and III of the Puccini Project that are in various stages of completion. Two (2) of the homes have been presold and with minimal additional work can close shortly.

6. The Applicants' objective is to complete the 10 remaining homes in Phases II and III of the Puccini Project and to apply the net sale proceeds, after payment of operating costs and the costs of these proceedings, to payment of their creditors' claims in the priority determined by the Court.

7. A private lender affiliated with an existing secured lender has indicated it is prepared to provide the Applicants with debtor-in-possession ("DIP") financing to enable the Applicants to complete the construction of the homes and fund the costs of these proceedings.

8. The completion of the homes maximizes value for the Applicants' stakeholders and protects the interests of purchasers under executory agreements of purchase and sale.

THE APPLICANTS

9. Silver Streams was incorporated in 2003. In or about December 2003 it became a registrant with Tarion Warranty Corporation ("Tarion") as a home builder.
10. To date, Silver Streams has successfully completed the following projects:
- (a) St. Albans Mews – a 9 townhouse home project, located in Holland Landing, Ontario - completed in 2006;
 - (b) Ashcott Mews – a 14 detached home project, located in Scarborough, Ontario – completed in 2008; and
 - (c) D&I Developments – a 4 detached home project, located in Maple, Ontario - completed in 2012.

THE PUCCINI PROJECT

11. In addition to the projects described in paragraph 10 above, the Applicants are in the process of completing a project of 118 units including detached homes, semi-detached homes and townhouses located at Bathurst Street and King Road in Richmond Hill, Ontario (the "Puccini Project"). The Puccini Project is being built in 4 phases. Title to the lands in Phases I, II and III are in the names of 2148990, 2148993, 2147650, and 2147681. Phase I comprises 20 detached homes and was completed in 2010. Phase II comprises 25 detached homes and was completed in late 2012. All but 3 homes in Phase II have been sold. Phase III consists of 25 detached homes. Eighteen (18)

of the homes were completed and sold between June and September 2013. Phase IV is registered in the name of 2148991 Ontario Inc. ("2148991") (a non-debtor in these proceedings) and consists of 40 townhouse units and 8 semi-detached homes. Construction of the homes in Phase IV has not yet commenced, although 33 of the homes have been presold. Attached hereto and marked as Exhibit "A" is a colour coded site map of the Puccini Project.

12. Puccini was incorporated in October 2008 for the purpose of selling the homes in the Puccini Project. Puccini is registered with Tarion and is the vendor under the agreements of purchase and sale for homes in the Puccini Project.

PUCCINI PROJECT FINANCING

BMO

13. Pursuant to a Term Sheet dated as of August 25, 2008 among Symphony Series Co-Tenancy Corp. ("Symphony") as Borrower, myself as guarantor, and Bank of Montreal ("BMO") as lender, BMO made available to Symphony, three credit facilities. Facility 1 was in the amount of \$7,787,000 and was to repay existing financing in the amount of \$4.9 million and to finance the servicing of Phases I, II and III of the Puccini Project. Facility 2 was in the amount of \$1.1 million and was to finance Letters of Credit in favour of Tarion and Municipal and Regional Authorities. Facility 3 was in the amount of \$3.5 million and was to finance construction of pre-sold homes. A true copy of the term sheet dated August 25, 2008 is attached as Exhibit "B".

14. After its incorporation, we decided to develop the Puccini Project through Puccini and, accordingly, BMO made the above credit facilities available to Puccini as opposed to Symphony.

15. The BMO credit facilities were amended over time. Attached hereto and marked collectively as **Exhibit "C"** are true copies of the subsequent BMO term sheets.

16. All of the indebtedness owing to BMO under the credit facilities are secured, *inter alia*, by:

- (a) Demand First Mortgages registered against title to the Phase I, II and III lands (the "BMO Mortgages"); and
- (b) a General Security Agreement in favour of BMO;

Attached hereto and marked as **Exhibit "D"** and **Exhibit "E"** respectively are true copies of the BMO Mortgages and the General Security Agreement.

17. The loans granted by BMO in connection with the Puccini Project have substantially been repaid. Currently, the outstanding indebtedness to BMO is approximately \$700,000.

HOME TRUST

18. In August 2012, Home Trust Company ("Home Trust") made loans to 2148990 and 2147650 each in the original principal amount of \$617,500. As security for the loans, 2148990 and 2147650 each granted Home Trust first mortgages registered against title to Lots 23 and 24 in Phase II. The loans were renewed in August 2013. The loans are currently in default. Attached hereto and marked collectively as **Exhibit "F"** are true copies of the August 2012 term sheets, the August 2013 renewal letters and the default letters issued by Home Trust dated November 7, 2013.

FOREMOST

19. Pursuant to a term sheet dated January 15, 2013 Foremost Financial Corporation ("Foremost") granted a loan to 2147681 in the original principal amount of \$640,000. The loan was not fully advanced. As set out in the term sheet, the total approximate advance was \$467,585. The loan is currently in default. As security for the loan, 2147681 granted Foremost a first mortgage registered against title to Lot 1 in Phase II. Attached hereto and marked as **Exhibit "G"** is a true copy of the Foremost term sheet.

PRIVATE LENDERS

20. A number of private lenders also provided financing to the Puccini Project which loans are secured, *inter alia*, by mortgages registered against title to various lots of the Phase I, II and III lands. These mortgages matured in February 2013. The last time any interest payments were made on any of these loans was August 2013.

21. The total principal amount outstanding under these loans is in excess of \$10 million. A chart summarizing the name of the private lender, the original amount of the loan and the approximate amount currently owing is set out below:

Lender	Original Principal Amount	Outstanding Amount
Puccini Mortgage Corporation	\$2,600,000	\$1,396,639
Dapaul Management Mortgage	\$5,500,000	\$3,178,055
388242 Ontario Limited	\$1,500,000	\$833,343

53 Puccini Mortgage Corp.	\$2,000,000	\$2,092,603
Nastell Investments Limited	\$3,200,000	\$3,054,860
Castle Lane Design Group Inc.	\$3,500,000	\$412,000

OTHER SECURED CREDITORS

22. I am advised by our lawyer, Stephen Schwartz, a partner with Chaitons LLP, that he obtained searches from the Ontario Personal Property Security Registration (the "PPSR") in respect of registrations which are outstanding against the Applicants as at December 4, 2013. In addition to registrations in favour of BMO and certain private lenders, the PPSR searches disclose the particulars of the following registrations registered subsequent to BMO and the private lenders against Silver Streams and Puccini:

- (a) Royal Bank of Canada ("RBC") in respect of accounts; and
- (b) National Leasing Group Inc. in respect of certain equipment.

23. With the exception of the registrations in favour of BMO and certain private lenders, there are no other registrations against the Title Holders. Copies of the PPSR searches are attached hereto and marked collectively as Exhibit "H".

24. RBC provided financing to 2148991 to fund the acquisition of the land and fund servicing costs for Phase IV of the Puccini Project. As security for RBC's loan to 2148991, Silver Streams and Puccini provided corporate guarantees to RBC.

APPLICANTS' FINANCIAL DIFFICULTIES

25. The Puccini Project lands were acquired at different stages. The property was fully acquired by 2008. Acquisition financing for the lands was obtained by loans from Carevest Capital Inc. ("Carevest") and vendor take back financing. All of the vendor take back financing and the loans from Carevest have been refinanced with the proceeds of the BMO loans and private lenders' loans referenced above. The Applicants are borrowers or guarantors of the loans obtained by one or more of the Applicants from BMO and the private lenders to finance the acquisition and construction of the Puccini Project.

26. Our initial plan was to bring the lots to market within 2 years from acquisition of the lands. However, in 2008, the real estate market experienced a significant decline. We were unable to obtain financing for the construction of all of the homes at one time. Our construction lender, BMO, was only initially prepared to provide us with financing for the 20 homes in Phase I.

27. The inability to obtain construction financing for all of the homes at one time had a significant impact on the Applicants and is the primary reason for their financial woes. Further, the Applicants' ability to obtain municipal approval to build the remaining lots was delayed significantly. Rather than obtaining registration of a plan of subdivision for the entire project at one stage, due to financing constraints we were forced to apply on 3 different occasions for registration of a plan of subdivision for each phase. On each occasion it was as if Silver Streams was making an initial application and the conditions for approval that are common in the development process had to be met again. As a result, rather than obtaining approval to build all of the lots at one time, Silver Streams had to obtain approval three separate times with substantial delays between the approvals.

28. There were additional factors that contributed to the delay. Con-Drain took many more months to service the lands than originally anticipated.

29. Silver Streams was sued by an investor. The litigation was successfully defended. However, the litigation further delayed construction.

30. There were strikes by trades which caused delays.

31. As a result of the delays, the Applicants' costs continued to mount and they ran out of money. This required Silver Streams to obtain additional financing to carry the project and pay development costs. The financing for these matters was obtained from the private lenders described above. The private lenders did not provide any construction financing. The funds obtained from these lenders were used to refinance existing debt, establish interest reserves, pay financing costs, development charges and relevant municipal fees such as building permit fees and for working capital.

32. The Applicants do not have sufficient resources to complete construction of the remaining Phase II and III homes; service the loans to the private lenders; fund Tarion warranty work; pay trade suppliers to the Puccini Project and general overhead expenses.

33. Certain of the private lenders have issued Notices of Sale under Mortgage. Attached hereto and marked collectively as Exhibit "I" are true copies of the Notices of Sale.

34. A number of trades have registered claims for lien under the *Construction Lien Act* against title to the lots in the Puccini Project due to non-payment. The total amount of the liens are

approximately \$3.5 million. As at December 9, 2013 the lien claimants and the amounts of their liens are as follows:

Lien Claimant	Amount of Claim
1865721 Ontario Inc.	\$91,518.55
Canadian Concrete Forming Limited	\$216,201.68
Cardell Flooring Ltd.	\$94,922.10
E.D. Carpenters Limited	\$328,674.01
Foremont Drywall Inc., 1382479 Ontario Inc., 1382503 Ontario Inc., 2203579 Ontario Inc. c.o.b. as Foremont Drywall Contracting	\$434,577.93
Medi Group Incorporated	\$521,675.00
Pave Plumbing & Heating Inc.	\$227,302.95
Pilbro III Inc.	\$554,353.82

The King-Corn Corporation	\$104,574.23
The Sanderson-Harold Company Limited	\$203,870.00
669857 Ontario Inc.	\$108,287.00
Renova Recycling (2000) Inc.	\$29,392.00
Newmar Window Manufacturing Inc.	\$67,793.00

GM Exteriors Inc.	\$46,559.20

Subsearches of title to Phases I, II and III of the Puccini Project and a chart showing the registered mortgages and construction lien claims against the remaining lots are attached hereto and marked as Exhibit "J".

OTHER CREDITORS

35. There are a number of trade creditors totalling approximately \$300,000. A number of these creditors have made demand for payment or commenced a collection action.

36. Puccini retained a number of consultants in connection with the development of the Puccini Project. These consultants have not been fully paid and are currently owed the total approximate amount of \$254,198.

37. Including myself and my wife Asma Jinnah, Silver Streams and Puccini have approximately 10 salaried and hourly employees and contractors that are involved in all aspects of the development and sale of the homes including construction management, marketing and after sales service and repairs. The employees are non-unionized and there are no pension plans. The aggregate cost for these services is approximately \$32,000 to \$40,000 payable monthly plus an allowance for car, phone and expenses. These payments are currently in arrears.

38. Puccini currently owes HST with respect to the sale of homes in the Puccini Project in the amount of approximately \$630,000, which amount is overdue.

CON-DRAIN COMPANY (1983) LIMITED ("CON-DRAIN")

39. In or about 2008 Silver Streams retained Con-Drain to provide earthworks, underground services, roads, curbs, asphalt and related labour and materials to the Puccini Project. Silver Streams was unable to pay Con-Drain the full amount outstanding.

40. In February 2010, Con-Drain registered two construction liens against title to Phases I, II and III of the Puccini Project. In March 2010, Silver Streams and Con-Drain entered into a settlement agreement. Under the terms of the settlement agreement, Silver Streams immediately paid Con-Drain \$550,000. Silver Streams agreed to pay Con-Drain a further \$50,000 per lot plus interest from future closings in the Puccini Project in accordance with the terms of a written undertaking. Con-Drain subsequently discharged its claims for lien.

41. Litigation has been commenced by Con-Drain against the Applicants arising from an allegation of default under the terms of the settlement agreement. Con-Drain claims payment of \$800,000. In August 2013, Con-Drain commenced an action in Newmarket. A copy of the statement of claim is marked as **Exhibit "K"**. Statements of defence have not yet been filed.

42. On August 15, 2013, Con-Drain obtained an order from the Honourable Madam Justice Lack requiring that net proceeds from the sale of homes in the Puccini Project be paid to our lawyers', Chaitons LLP, trust account. Attached hereto and marked as **Exhibit "L"** is a true copy of the August 15, 2013 Order.

43. On October 15, 2013, a motion by Con-Drain to continue the order granted by Justice Lack was heard by the Honourable Madam Justice Gilmore. On November 20, 2013, Justice Gilmore released her endorsement. She ordered, among other things, that the Order of Justice Lack should be continued and that the net proceeds from the sale of homes up to the amount of \$800,000 be paid into Court. Attached hereto and marked as **Exhibit "M"** is a true copy of the November 20, 2013 Endorsement.

44. I am advised by Mr. Schwartz, that there is currently the sum of \$491,985.33 held in trust by Chaitons LLP which will be paid into Court pursuant to the Order of Justice Gilmore once the Order has been issued and entered.

REMAX REALTRON REALTY INC.

45. In September 2013, Remax commenced an action against Puccini, the Title Holders, myself and my wife seeking payment of \$250,000 allegedly due for real estate commissions in connection with the sale of homes in the Puccini Project. Attached hereto and marked as **Exhibit "N"** is a true copy of the Statement of Claim.

46. On September 24, 2013, Remax brought a motion for interim relief, seeking payment of real estate commissions into court from the sale of homes. The Honourable Mr. Justice Newbould ordered that "the vendor/owner is entitled to pay (1) all secured lenders and any lien claimant sufficient amount to permit each sale to close; (2) applicable HST; and (3) legal fees for the closing." The net proceeds were to be held in trust by Chaitons LLP to be paid out only on consent of the parties or further court order. Attached hereto and marked as **Exhibit "O"** is a true copy of the endorsement of Justice Newbould.

47. No further closings have taken place subsequent to September 24, 2013.

FINANCIAL POSITION OF THE APPLICANTS

48. Attached hereto collectively as **Exhibit "P"** are true copies of the financial statements of Silver Streams and Puccini Project Management Inc. ("**Management**") for the fiscal year ended November 30, 2012 and December 31, 2012 respectively. There are no interim financial statements for 2013.

49. Management is a related company to Silver Streams and Puccini. All assets, liabilities, revenues and expenses of Puccini are reflected in these financial statements since 2010. The last financial statements prepared for Puccini were prepared in draft for the fiscal year December 2010, a true copy of which is attached hereto as **Exhibit "Q"**.

50. Attached hereto and marked collectively as **Exhibit "R"** are true copies of the financial statements for the Title Holders as at December 30, 2011. There are no further financial statements for the Title Holders. All proceeds of sale were recorded through Management and are reflected in Management's financial statements.

ANTICIPATED RESTRUCTURING

51. The Applicants' objective is to complete the 10 remaining homes in Phases II and III of the Puccini Project and to apply the net sale proceeds, after payment of operating costs and the costs of these proceedings, to payment of their creditors in the priority determined by the Court.

52. There are 3 homes in Phase II and 7 homes in Phase III that have not yet closed. BMO has a first mortgage registered against title to 7 of the lots. Home Trust has a first mortgage registered

against title to 2 of the lots and Foremost has a first mortgage registered against title to one of the lots. Certain of the private lenders have registered subsequent mortgages against title to the 10 lots. The claims for lien referred to above are also registered against title to some or all of these lots. The estimated net proceeds of the home sales are insufficient to discharge the encumbrances registered against these lots. Accordingly, I am advised by my lawyers that the completion and sale of these homes cannot be finalized by Puccini without the benefit of the Court granting a vesting order.

53. The details with respect to each of the remaining 10 homes are as follows:

- (a) Phase II, lots 23 and 24 - these homes have been completed and have not yet been sold. They have been listed for sale periodically over the last year. No further construction is required with respect to these homes;
- (b) Phase II, Lot 1 - this house is approximately 85% completed. Hardwood floors, certain plumbing, kitchen and bathroom counter tops, mirrors and painting is required. I estimate that the cost to do this work is approximately \$65,000. I expect this house to be sold for approximately \$1 million;
- (c) Phase III, lot 18 - this house has been presold for the price of \$895,000, however construction has not yet commenced. I believe that the cost to build this house is approximately \$255,000;
- (d) Phase III, lot 19 - this house is virtually constructed. There is some outstanding work with respect to the kitchen. I estimate that the cost to complete this home is \$11,700. The property was sold to a purchaser who defaulted under its Agreement of Purchase

and Sale. Silver Streams has retained the \$40,000 deposit and terminated the agreement and will resell this home;

- (e) Phase III, lot 20 - this house is approximately 85% complete. I estimate that the cost to complete the remaining work in the house is \$50,000. The house is not presold. In my view, the expected selling price for this home is \$935,000;
- (f) Phase III, lot 22 - this house has been presold for the price of \$980,000. The construction is approximately 85% complete. I estimate that there is \$44,000 worth of work to complete the home. The purchaser has sold his existing home and is currently living in a hotel waiting for the house to be completed. Attached hereto as Exhibit "S" is a copy of a letter from the purchaser's lawyer. Upon obtaining financing, the work can be completed within 2-3 weeks;
- (g) Phase III, lot 23 - this home requires approximately 50% of the construction to be completed. I estimate that \$125,000 worth of work is required to complete the home. The house has not been sold. I estimate the sale price to be approximately \$1.1 million;
- (h) Phase III, lot 24 - construction of this house is approximately 50% complete. I estimate the cost to complete the house to be approximately \$125,000. The house has not been sold. I estimate the sale price to be approximately \$1.1 million.
- (i) Phase III, lot 25 - this house is approximately 75% complete. I estimate that it will cost \$60,000 to complete the construction. The house has presold for the price of \$1,016,730. Upon obtaining financing, the required work can be completed within 3-4 weeks. To my knowledge, the purchaser is ready, willing and able to close the purchase of this home.

54. I estimate that the gross sale proceeds from the sale of these 10 homes will approximate \$8,000,000 - \$9,000,000 whereas the expected cost to complete the construction of the homes is approximately \$800,000 to \$1 million.

55. Silver Streams has continuing Tarion warranty obligations with respect to the sales of homes in Phases I, II and III of the Puccini Project. Tarion is concerned about Silver Streams' financial position. Attached hereto and marked collectively as Exhibit "T" are copies of the Tarion letters to Silver Streams dated November 19, 2013 and November 25, 2013.

56. I have personally guaranteed payment and performance of the Tarion obligations.

57. The ongoing servicing and deficiency work must be done. There are a number of home buyers who will be negatively impacted by our inability to provide this service.

58. Silver Streams is the best party to do the warranty work. We have a team in place, we are aware of the work that must be done and can do the work in an efficient, cost effective manner.

59. Silver Streams has provided letters of credit in favour of the Town of Richmond Hill to secure the performance of certain work under the terms of the Subdivision Agreement. The letters of credit are secured by \$2.6 million in cash held on deposit at BMO.

60. The work that is necessary to be completed by Silver Streams for the Municipality/Town includes the construction of a park, planting of trees, construction of sidewalks, final asphalt, curbs and final maintenance. The work needs to be done as soon as possible. We have been requested by

the Municipality of York Region and the Town of Richmond Hill to do so. It is for the benefit of the residents currently living in the Puccini Project that this work be completed.

61. I estimate the cost to complete the outstanding work to be \$600,000 which will result in a portion of the money currently held as cash collateral by BMO to secure the Letters of Credit to be released to Silver Streams when the work is completed.

STAY OF PROCEEDINGS

62. The Applicants require relief under the CCAA including a stay of proceedings in order to preserve the status quo and to obtain the necessary financing to complete the construction of the remaining 10 homes.

63. Without the benefit of CCAA protection, the Applicants will be unable to complete the homes, convey title to home buyers, complete the required work under the Subdivision Agreement, and comply with their Tarion obligations.

DIP FINANCING

64. Attached hereto as **Exhibit "U"** is a copy of the Applicants' cash flow projection for the 13 week period from December 20, 2013 to March 14, 2014 which the Applicants have prepared in connection with these proceedings and which has been reviewed by Grant Thornton Limited ("Grant Thornton") for reasonableness. The cash flow projects an immediate need for working capital to pay operating expenses, and the costs of these proceedings.

65. Sandall Investments Limited (the "DIP Lender"), an affiliate of one of the private lenders, has offered to make available to the Applicants a debtor-in-possession loan in the maximum amount of \$1 million (the "DIP Loan") on the terms and conditions set out in a term sheet dated December 11, 2013 (the "DIP Loan Agreement"), a copy of which is attached hereto as **Exhibit "V"**.

66. It is a fundamental term of the DIP Loan that the Court grant an Initial Order on terms acceptable to the DIP Lender which shall require that the Monitor control the Applicants' receipts and disbursements and that the DIP Lender shall be entitled to the benefit of a charge (the "DIP Charge") which shall rank behind the Administration Charge (as defined below) but in priority to all other security interests, trusts, liens, construction liens (whether or not preserved or perfected) charges and encumbrances, statutory or otherwise in favour of any person.

67. As indicated above, the registered lien claims against the 10 homes is approximately \$3.5 million. If the lien claims have priority over the private mortgages there will be sufficient funds available from the sale proceeds of the homes to pay their claims. However, if the lien claims do not have priority over any of the mortgages, there will not be sufficient funds to pay their claims irrespective of the DIP financing. In either event, the lien claimants will not be materially prejudiced by the proposed DIP financing.

68. Without DIP financing, the Applicants will be unable to continue their business and complete the construction and sale of the remaining 10 homes, all to the material detriment of their stakeholders including the secured lenders and purchasers under executory agreements of purchase and sale.

VESTING ORDER

69. As indicated above, Puccini has entered into binding agreements to sell the houses on lots 22 and 25 of Phase III of the Puccini Project. Copies of the Agreements of Purchase and Sale for these homes are attached hereto as Exhibits "W" and "X", respectively. To my knowledge, the purchasers of these homes are ready, willing and able to close.

70. It is a condition of closing that Puccini transfer title to the homes free and clear of any encumbrances except those contemplated by the applicable agreements of purchase and sale. In the circumstances, Puccini is unable to do so without the benefit of a vesting order issued by this Court.

71. In order to avoid the additional expense of another motion, Puccini is also seeking at this time an order vesting in the respective purchasers all of the Applicants' rights, title and interest in and to the houses on lots 22 and 25 of Phase III of the Puccini Project free and clear of any encumbrances upon the delivery to the respective purchaser by the Monitor of a certificate confirming that the purchase price for the applicable house has been paid and the transaction has been completed (the "Monitor's Certificate").

72. As discussed above, the house located on lot 22 is close to being completed and the purchaser of this home is currently residing in a hotel. Puccini is responsible for the hotel and related costs incurred by the purchaser. It is anticipated that once the Initial Order and the Vesting Order are obtained, the purchaser can move into the house and the sale of the home can close subject to an agreed upon holdback for the minor work to be completed.

APPOINTMENT OF MONITOR

73. Grant Thornton has consented to act as the monitor of the Applicants under the CCAA. A copy of Grant Thornton's consent is attached hereto as Exhibit "Y".

ADMINISTRATION CHARGE

74. It is contemplated that the proposed Monitor, counsel to the proposed Monitor and counsel to the Applicants would be granted a first priority Court-ordered charge on the assets, property and undertaking of the Applicants in priority to all claims but for the mortgages currently held in favour of BMO, Home Trust and Foremost (the "Administration Charge"), up to the maximum amount of \$500,000 in respect of their fees and disbursements, incurred at standard rates and charges. The Applicants believe that the Administration Charge is fair and reasonable in the circumstances.

CONCLUSION

75. Several of the mortgagees and lien claimants have commenced enforcement proceedings to recover payment of the amounts owing to them.

76. The Applicants are insolvent on both a balance sheet and cash flow basis. They cannot repay their secured indebtedness which is in excess of \$12 million or pay their trades who are owed approximately \$3.5 million.

77. There are 10 homes that are either completed or under various stages of construction and that when closed, are expected to generate gross revenue of approximately \$8 million to \$9 million. Two

of the homes have been pre-sold to innocent third party purchaser who are ready, willing and able to close their purchases. One such purchaser is currently living in a hotel pending closing.

78. In the absence of CCAA protection and DIP financing, the completion and sale of the 10 homes will not occur. Moreover, the ongoing Tarion warranty service work and work required under the Subdivision Agreement will not be completed expeditiously nor in a cost effective manner.

79. For the reasons set out above, I believe that it is in the interests of the Applicants and all of their stakeholders that the relief sought by the Applicants is granted.

IMRAM JINNAH

("Jinnah", and all such parties and each person executing a Joinder Agreement (as defined below), individually, a "Party" and, collectively, the "Parties").

RECITALS:

A. Beginning in 2004, certain entities for which Jinnah acted as signing officer registered with Tarion under the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, c. O. 31 (the "Act") as vendors, builders or both vendors and builders as such terms are defined in the Act (collectively, the "Silver Streams Registrants"), including, without limitation, as follows:

1. Homes' registration was approved and became effective on May 10, 2004;
2. 2147650's registration was approved and became effective on May 27, 2010;
3. 2148991's registration was approved and became effective on May 27, 2010;
4. 2148990's registration was approved and became effective on May 27, 2010;
5. 2148993's registration was approved and became effective on May 27, 2010;
and
6. 2147681's registration was approved and became effective on May 27, 2010.

B. By virtue of Jinnah's and the Silver Streams Registrants' misunderstanding, Puccini was not registered under the Act contemporaneously or otherwise with the Silver Streams Registrants, despite Jinnah and the Silver Streams Registrants at all times intending that Puccini be a registrant under the Act, and verily believing that Puccini was a registrant under the Act.

C. In connection with their registrations, the Silver Streams Registrants were required to, and did, provide security to Tarion in the aggregate amount of \$1,240,000, as follows:

1. Letter of Credit in favour of Tarion
Issuing Bank: Bank of Montreal
Number: BMTO365621OS
Amount: \$250,000
Date: April 12, 2012
2. Letter of Credit in favour of Tarion
Issuing Bank: Bank of Montreal
Number: BMTO313560OS
Amount: \$400,000
Date: November 12, 2010

3. Letter of Credit in favour of Tarion
Issuing Bank: Bank of Montreal
Number: BMTO241737OS
Amount: \$270,000
Date: January 13, 2009
4. Cash Deposit in favour of Tarion
Amount: \$320,000

(the above-referenced letters of credit, the "Letters of Credit", the above-referenced cash deposit, the "Cash Deposit", and the Letters of Credit and Cash Deposit, collectively, the "Security").

D. Jinnah and the Silver Streams Registrants at all times intended that Tarion would have recourse and access to the Security for the payment by Tarion out of the Guarantee Fund established under the Act for valid claims made by purchasers in connection with any properties for which Puccini acted as vendor under agreements of purchase and sale.

E. On December 17, 2013, Homes, Puccini, 2148993, 2148990, 2147681 and 2147650 (collectively, the "CCAA Debtors") sought, and received, protection from their creditors under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 pursuant to an Initial Order of the Ontario Superior Court of Justice (Commercial List) (the "Court", and such proceedings, the "CCAA Proceedings"), and Grant Thornton Limited was appointed as Monitor of the CCAA Debtors in the CCAA Proceedings (in such capacity, the "Monitor").

F. Despite not being registered under the Act, both prior and subsequent to the commencement of the CCAA Proceedings, Puccini acted as vendor under certain purchase agreements (the "Purchase Agreements") in respect of certain new home sales (the "Puccini Sales"), as set out on Schedule "A" hereto.

G. Since the commencement of the CCAA Proceedings, Tarion has received, assessed and paid out of the Guarantee Fund certain claims made by purchasers in connection with the Purchase Agreements and Puccini Sales, as set out on Schedule "B" hereto (the "Claims to Date"), and may receive, assess and pay out of the Guarantee Fund additional claims (the "Future Claims", and together with the Claims to Date, the "Puccini Claims").

H. On September 3, 2014, at the behest of Tarion, in its regulatory capacity as the Registrar under the Act, a Summons was issued to Puccini (the "POA Charge") pursuant to section 24 of the *Provincial Offences Act*, R.S.O. 1990, c. P. 33 in respect of Puccini's offences under section 22 of the POA, specifically Puccini's acting as vendor of a new home without being properly registered pursuant to the Act. For greater certainty, one of the purposes of this settlement agreement (the "Agreement") is to resolve the POA Charge in accordance with the terms and conditions of this Agreement.

I. The Parties hereto have agreed to settle the above issues subject to the terms and conditions of this Agreement.

NOW THEREFORE, for good and valuable consideration and the sum of TEN DOLLARS (\$10.00) of lawful money of Canada paid by each of the Parties hereto to the other (the receipt and sufficiency thereof being hereby acknowledged), the Parties hereto hereby agree together as follows:

AGREEMENT:

1. The Parties hereto acknowledge and confirm the accuracy and validity of all the above Recitals.
2. As promptly as possible, but in no event later than the date that is fourteen calendar days after the date upon which this Agreement is entered into by the Parties, the CCAA Debtors shall serve on the CCAA Debtors' service list as supplemented with such additional parties as Tarion may reasonably request (the "Service List") an affidavit (the "Agreement Affidavit") and shall file the Agreement Affidavit with the Court. The Agreement Affidavit shall, *inter alia*: (a) describe this Agreement; (b) advise the Court, creditors and other interested parties of: (i) the CCAA Debtors' execution, delivery and performance of this Agreement; and (ii) the Monitor's receipt of this Agreement; and (c) request that any person wishing to oppose, or object to, the CCAA Debtors' execution, delivery or performance of this Agreement shall serve notice of such opposition or objection (a "Notice of Objection") on the Service List by no later than fourteen calendar days from the date on which the Agreement Affidavit is served on the Service List. For greater certainty, the service of a Notice of Objection shall be considered an Objection (as defined below).
3. If in their discretion, acting reasonably, each of Tarion and each of the CCAA Debtors determine that any person opposes, or objects to, the CCAA Debtors' execution, delivery or performance of this Agreement or takes any action that would be detrimental to the implementation of this Agreement (each, an "Objection"), then the CCAA Debtors agree to take the following actions:
 - (a) The CCAA Debtors shall as promptly as possible, but in no event later than the date that is the later of: (i) ten calendar days after an Objection; and (ii) the earliest date that the Court has available for a 9:30 a.m. scheduling appointment, attend at a 9:30 a.m. scheduling appointment before the Court (the "Scheduling Appointment") in order to schedule the Agreement Approval Motion (as defined below).
 - (b) The CCAA Debtors shall as promptly as possible, but in no event later than the date that is seven calendar days after the Scheduling Appointment, serve a motion record including a notice of motion and affidavit, including a draft Agreement Approval Order (as defined below) on the CCAA Debtors' service list as supplemented with such additional Parties as Tarion may reasonably request (the "Agreement Approval Motion") and shall file such motion record with the Court seeking an order (as granted, the "Agreement Approval Order") of the Court, approving of the execution, delivery and performance of this Agreement. The Agreement Approval Order shall be in the form attached as

Schedule "C" hereto, with only such changes as the CCAA Debtors and Tarion shall approve in their reasonable discretion.

- (c) The CCAA Debtors shall request that the Monitor report to the Court on this Agreement.
- (d) The CCAA Debtors shall use their best efforts to obtain Court approval of the Agreement Approval Order.
- (e) If the Agreement Approval Order shall be appealed by any person (or an application for certiorari or motion for leave to appeal, rehearing, re-argument, variation or vacating or stay shall be filed with respect thereto), the CCAA Debtors agree to take all reasonable steps, and use their reasonable best efforts, including incurring reasonable legal expenses, to defend against such appeal, application or motion, and Tarion agrees to cooperate in such efforts. The Parties hereby agree to use their reasonable best efforts to obtain an expedited resolution of such appeal, application or motion; provided, however, that, subject to the conditions set forth herein, nothing shall preclude the Parties from consummating the transactions contemplated hereby if the Agreement Approval Order shall have been entered but shall not have become an order: (a) as to which no appeal, notice of appeal, motion for leave to appeal, motion to amend, vacate or make additional findings of fact, motion to alter or amend judgment, motion for rehearing, amendment, vacatur, additional findings or alteration or amendment of judgment or motion for new trial has been timely filed or, if any of the foregoing has been timely filed, it has been disposed of in a manner that upholds and affirms the Agreement Approval Order, without the possibility for further appeal or rehearing thereon; (b) as to which the time for instituting or filing an appeal, motion for rehearing or motion for new trial shall have expired; and (c) as to which no stay is in effect (a "Final Order"), or require the Parties to do so unless they mutually so agree.

4. The CCAA Debtors and Tarion shall cooperate with the filing of the Agreement Affidavit and, to the extent necessary, the filing of the Agreement Approval Motion and obtaining entry of the Agreement Approval Order. The CCAA Debtors and Tarion shall each use their best efforts to: (a) address the concerns of the Court, any creditor or any other interested party with respect to the CCAA Debtors' execution, delivery and performance of this Agreement; and (b) obtain an expedited resolution of any oppositions or objections to the CCAA Debtors' execution, delivery and performance of this Agreement.

5. The CCAA Debtors shall deliver to Tarion prior to filing, and as early in advance as is practicable to permit adequate and reasonable time for Tarion and its counsel to review and comment, copies of all proposed motions, affidavits, notices, statements, schedules, applications, reports and other material papers that are required to be filed by the CCAA Debtors pursuant to this Agreement, any relief requested in connection therewith and any objections thereto.

6. This Agreement shall only become effective upon the date (the "Effective Settlement Date") that all of the following conditions precedent have been satisfied: (a) the Agreement has been duly executed and delivered by the Parties and its receipt acknowledged by the Monitor; and (b) fourteen calendar days shall have elapsed from the date on which the Agreement Affidavit is served on the CCAA Debtors' service list; provided, however, that in the event that the CCAA Debtors are required to take the steps contemplated in Section 3 hereof, the Effective Settlement Date shall be the date upon which the Court shall have granted the Agreement Approval Order and such order shall be a Final Order. The Parties acknowledge and agree that this Agreement will have no force and effect and shall become null and void if the Effective Settlement Date does not occur prior to March 31, 2015, unless the Parties otherwise agree in writing.

7. Prior to the Effective Settlement Date, subject to the terms and conditions of this Agreement, each of the Parties hereto shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, and to cooperate with each other in order to do or cause to be done, all things necessary, proper or advisable under applicable law to consummate the transactions contemplated by this Agreement as soon as practicable and cause the fulfillment at the earliest practicable date of the conditions to the Parties' obligations to consummate the transactions contemplated by this Agreement.

8. Upon the Effective Settlement Date, Homes and Puccini shall duly execute and deliver the assignment and assumption agreement (the "Assignment and Assumption Agreement") in the form attached as Schedule "D" hereto.

9. Forthwith following the Effective Settlement Date, Tarion shall cause the POA Charge to be dismissed or withdrawn on a without costs basis. In the event that the Effective Settlement Date does not occur prior to the return appearance in the POA Charge proceedings that is scheduled for February 20, 2015, Tarion shall consent to an adjournment of such appearance on such terms as to be agreed between Tarion and Puccini, each acting reasonably.

10. Forthwith following the final determination of the Puccini Claims by Tarion, including, *inter alia*, the receipt, assessment and payment out of the Guarantee Fund of all Puccini Claims and Tarion's corresponding realization on the Security and personal guarantees (the "Personal Guarantees"), or any part thereof, that were previously provided by Jinnah in connection with the registration under the Act of the Silver Streams Registrants, Tarion shall release Jinnah from the balance of the Personal Guarantees.

11. Without limiting the foregoing, on and after the Effective Settlement Date, each party shall cooperate with the other Parties, without any further consideration, to cause to be executed and delivered, all instruments, including instruments of conveyance, novations, assignment and transfer, and to make all filings with, and to obtain all consents, under any permit, license, agreement, indenture or other instrument or regulation, and to take all such other actions as any of the Parties may reasonably request any other Parties to take from time to time, consistent with the terms of this Agreement, in order to effectuate the provisions and purposes of this Agreement and the transactions contemplated thereby, including, without limitation, in respect of: (a) the Puccini Claims; (b) the Purchase Agreements; (c) the POA

Charge; (d) the Security; (e) the assignment by Puccini, and the assumption by Homes, of the Purchase Agreements; and (f) the provision to Tarion of recourse, and access, to the Security in connection with the Puccini Claims.

12. If in its sole discretion, acting reasonably, Tarion determines that it is necessary in order to give effect to this Agreement for any Silver Streams Registrants that are not Parties to this Agreement (each, a "Joining Party") to execute a joinder agreement (the "Joinder Agreement") in the form attached as Schedule "E" hereto, with such changes thereto as are necessary or desirable to comply with the requirements of this Agreement, the other Parties hereto shall cause each such Joining Party to execute such Joinder Agreement.

13. The Parties hereto shall bear their own costs and expenses, including legal costs, respecting this Agreement and its implementation.

14. Time shall be of the essence of this Agreement and of each and every provision hereof.

15. This Agreement shall be construed and enforced in accordance with, and the rights of the Parties shall be governed by, the laws of the Province of Ontario and of Canada applicable therein. The Parties hereto irrevocably attorn to the jurisdiction of the Court in respect of the subject matter of this Agreement and all documents entered into thereunder.

16. This Agreement shall enure to the benefit of and be binding upon the Parties hereto and their respective heirs, executors, administrators, personal representatives, successors and assigns.

17. This Agreement constitutes the entire agreement between the Parties hereto in relation to the subject matter hereof and supersedes all prior agreements, proposals, discussions and representations, whether oral or written, between the Parties relating thereto.

18. Each of the Parties hereto shall promptly do, make, execute, deliver or cause to be done, made, executed or delivered, at the expense of the requesting party, all such further acts, documents and things as another party hereto may reasonably require from time to time for the purpose of giving effect to this Agreement and shall use its reasonable efforts and take all such steps as may be reasonably within its power to implement to their full extent the provisions of this Agreement.

19. This Agreement may only be modified, cancelled, or extended by an instrument in writing signed by all of the Parties hereto.

20. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be deemed to be an original and such counterparts together shall constitute one and the same agreement. The delivery of a facsimile or electronic copy of an executed counterpart of this Agreement shall be deemed to be valid execution and delivery thereof.

21. By executing this Agreement, each of the Parties hereto acknowledges that it has been advised to seek independent legal counsel in connection with the execution of this Agreement

and with respect to its obligations and rights hereunder. Each of the Parties hereto acknowledges that it has sought the advice of counsel and other advisors or has determined that such advice is unnecessary.

Applicants

AFFIDAVIT OF IMRAN JINNAH

I, Imran Jinnah, of the Town of Richmond Hill, in the Province of Ontario **MAKE OATH**
AND SAY AS FOLLOWS:

1. I am the sole officer, director and shareholder of the Applicants, Silver Streams Homes Inc. ("Silver Streams"), Silver Streams Homes (Puccini) Inc. ("Puccini"), 2148993 Ontario Inc. ("2148993"), 2148990 Ontario Inc. ("2148990"), 2147681 Ontario Inc. ("2147681") and 2147650 Ontario Inc. ("2147650"). As such, I have personal knowledge of the matters to which I dispose in this affidavit, save and except for such facts or matters which are stated to be based on information and belief and where so stated, I believe same to be true.

OVERVIEW

2. At the time of the commencement of the CCAA proceedings, the Applicants were in the process of completing a residential development project in Richmond Hill, Ontario referred to in these proceedings as the "Puccini Project". At all relevant times, I believed and understood that all of the Applicants were properly registered as builders and vendors with Tarion Warranty Corporation ("Tarion") under the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, c. O.31 (the "Warranties Act"). To secure the Applicants' obligations to Tarion, the Applicants provided security in favour of Tarion in the aggregate amount of \$1.24 million.

3. Puccini was incorporated for the purpose of selling the homes in the Puccini Project. Over the course of the Puccini Project, the Applicants sold in excess of 95 homes with Puccini acting as the vendor for these homes.

4. Silver Streams and the numbered company Applicants were registered as vendors with Tarion. At all relevant times, I believed that Puccini was also registered as a vendor with Tarion.

5. In or around September 2014, I learned, for the first time, that contrary to my previous understanding, Puccini was not in fact registered as a vendor with Tarion contemporaneously or otherwise with the numbered company Applicants and Silver Streams. Failure to register Puccini as a Tarion vendor was inadvertent. To remedy the issues raised by Puccini not being a properly registered vendor, the Applicants, Tarion and I entered into an agreement pursuant to which, *inter alia*, all of Puccini's rights, interests and obligations under the sale agreements for the Puccini Homes were assigned to Silver Streams.

6. It was always the intention of the Applicants that: (i) all of the corporate entities involved with the Puccini Project be properly registered with Tarion; and (ii) Tarion would have recourse and access to the Security (as defined below) for the payment by Tarion of claims made by purchasers against the Applicants. These intentions were consistently communicated to the Service List and the Court over the course of these CCAA proceedings. The Settlement Agreement, once implemented, will restore Tarion, the Applicants, the purchasers of the ninety five Puccini Project homes and the Applicants' creditors to the positions that they would have been in had Puccini been properly registered under the Warranties Act.

7. A number of lien claimants object to the settlement agreement. This affidavit is sworn in support of the Applicants' motion for an order declaring, *inter alia*, that the Applicants have the requisite authority to enter into a Settlement Agreement dated February 17, 2015 with Tarion (the "**Settlement Agreement**"), or, in the alternative, an order approving the Settlement Agreement.

CCAA PROCEEDINGS

8. The Puccini Project was a four phase residential real estate development in Richmond Hill, Ontario. Title to the lands in Phases I, II and III of the Puccini Project are registered in the names of the numbered company Applicants. Title to the lands in Phase IV of the Puccini Project is registered in the name of a corporation affiliated with the Applicants which is not a party to these CCAA proceedings.

9. Silver Streams is a residential homebuilder in the Greater Toronto Area. Puccini was incorporated for the purpose of selling the homes in the Puccini Project.

10. On December 17, 2013 (the “**Filing Date**”), the Applicants obtained protection from their creditors under the *Companies’ Creditors Arrangement Act* (the “**CCAA**”) pursuant to the terms of the Initial Order of Justice Newbould. The Initial Order, among other things, appointed Grant Thornton Limited as Monitor of the Applicants in these proceedings. A copy of the Initial Order is attached hereto as **Exhibit “A”**.

11. In support of the Applicants’ CCAA application I swore an affidavit on December 11, 2014 wherein I advised the Court and the Service List that the Applicants have continuing Tarion warranty obligations with respect to the sales of homes in Phases I, II and III of the Puccini Project and that letters of credit in favour of Tarion securing the Applicants’ obligations have been provided by the Applicants. A copy of my Initial Affidavit (without exhibits) is attached hereto as **Exhibit “B”**.

12. As at the Filing Date, there were 10 remaining homes in Phases II and III of the Puccini Project that were in various stages of completion (the “**Puccini Homes**”). The objective of the Applicants’ CCAA proceedings was to complete and sell the Puccini Homes and to pay the net sale proceeds, after payment of operating costs and the costs of these proceedings, to satisfy their creditors’ claims in the priority to be determined by the Court. As at the date of this affidavit, nine out of the ten Puccini Homes have been sold. The net proceeds from the sale of the Puccini Homes

are held by the Monitor pending the resolution of a priority dispute between the private mortgagees, who collectively represent the Applicants' largest secured creditor, and construction lien claimants.

13. As described in my previous affidavits served and filed in these CCAA proceedings, as at the Filing Date, the Applicants' secured debt was in excess of \$12 million and numerous construction liens totalling in excess of \$3.5 million have been registered against title to various lots in the Puccini Project. The Applicants' senior secured creditors have been paid in full from the proceeds of sale of the Puccini Homes in these proceedings, subject to reimbursement agreements. It is anticipated that the private mortgagees will suffer a substantial shortfall on their loans to the Applicants.

14. On January 8, 2015, this Court granted an order, among other things, referring the determination of priorities as between construction lien claimants and private mortgagees, which represent the largest secured creditor of the Applicants, to arbitration. A copy of the January 8, 2015 Order is attached hereto as **Exhibit "C"**.

15. The arbitration proceedings have not yet been completed.

TARION

16. Tarion is a private, not-for-profit corporation that was established in 1976 to protect the rights of new home purchasers and regulate new home builders and vendors. Tarion administers the Warranties Act, which sets out the warranty protection that new home purchasers are entitled to in the Province of Ontario as well as the scheme for the administration of same.

17. Silver Streams was registered as a builder and vendor with Tarion under the Warranties Act in May 2004. In May 2010, the numbered company Applicants were also registered as vendors under the Warranties Act.

18. I understood and believed that all of the necessary registrations for the Puccini Project under the Warranties Act were completed in 2010 and that no further steps or registrations were required and communicated this understanding to the Court and the Service List in my previous affidavits filed in these CCAA proceedings.

19. Had I been informed or understood that a separate registration in respect of Puccini was required, this registration would have been completed forthwith as the cost of registering a company under the Warranties Act is nominal. However, I had always understood that the registrations effected in 2004 and 2010 extended to all of the Applicants, including Puccini.

20. In connection with their registrations under the Warranties Act, the Applicants were required to and did provide letters of credit in the aggregate amount of \$920,000 (the "**Letters of Credit**") and a cash deposit in the amount of \$320,000 in favour of Tarion to secure the Applicants' obligations to Tarion under the Warranties Act (collectively, the "**Security**").

21. The Applicants were building and selling new homes. The agreements of purchase and sale between the Applicants and their purchasers, including all of the agreements where Puccini was the vendor, advised the purchasers that Tarion warranty was available. The Security was provided to cover the Applicants' obligations for those warranties. A copy of the Applicants' sample agreement of purchase and sale is attached hereto as **Exhibit "D"**.

22. The Security was provided to Tarion to allow it to pay for deposit claims and warranty claims by purchasers in connection with the Puccini Project homes in the event the Applicants are unable to satisfy their obligations under the Warranties Act. Although I am aware that a number of claims have been made by the Applicants' purchasers, and that additional claims may yet be made, I am not aware of the quantum of funds paid by Tarion to the Applicants' purchasers under the Warranties Act.

23. In the event any Security is left over after payment by Tarion of claims against the Applicants under the Warranties Act, the Security will be returned to the Applicants' estate to be distributed in accordance with priorities determined by this Court.

24. In or around September 2014, I learned from the Applicants' legal counsel for the first time, that contrary to my previous understanding, Puccini was not in fact registered as a vendor under the Warranties Act contemporaneously or otherwise with the numbered company Applicants and Silver Streams.

25. On September 3, 2014, a *Provincial Offences Act*, R.S.O. 1990, c. P. 33 (the "Offences Act") summons was issued to Puccini under the Warranties Act, which, summons among other things, charged Puccini with acting as a vendor of a new home without being properly registered under the Warranties Act. A copy of the summons is attached hereto as **Exhibit "E"**. The proceedings in connection therewith (the "**Warranties Act Proceedings**") are currently adjourned pending, among other things, the resolution of this motion.

26. The failure to register Puccini as a vendor under the Warranties Act was inadvertent. As described above, it was always the Applicants' understanding that the Tarion registrations extended to all of the Applicants, including Puccini. Accordingly, both prior and subsequent to the commencement of these CCAA proceedings, Puccini acted as a vendor under a number of agreements of purchase and sale in respect of new home sales.

27. Upon learning that Puccini was not a registered vendor under the Warranties Act, I entered into discussions with Tarion to remedy the situation, which ultimately resulted in the Settlement Agreement being negotiated and executed.

28. In excess of ninety five Puccini Project homes have been sold by the Applicants to date with Puccini acting as vendor under the agreements of purchase and sale. In all of these transactions, it was the Applicants' and the purchasers' understanding that the sold homes were subject to the

Warranties Act and that Tarion could look to the Letters of Credit to fund expenditures in the event the Applicants default in their obligations under the Warranties Act.

29. To remedy the issues raised by Puccini not being a properly registered vendor, the Applicants, Tarion and I agreed to enter into the Settlement Agreement, a copy of which is attached as **Exhibit "F"** hereto. To remedy the inadvertent defect of Puccini not being a properly registered vendor under the Act, pursuant to the Settlement Agreement, the Applicants agreed, among other things, that Puccini will assign to Silver Streams all of its rights, title, interest and obligations under the purchased agreements entered into by Puccini in its capacity as vendor.

30. The Settlement Agreement is supported by the private mortgagees.

31. The Monitor agreed to acknowledge receipt of the Settlement Agreement and communicated to the Applicants and Tarion that it did not object to the parties entering into the agreement on the basis that it was supported by each of Tarion, the Applicants and the private mortgagees.

OBJECTIONS TO THE SETTLEMENT AGREEMENT

32. The Settlement Agreement is conditional on, among other things, the Applicants advising the Service List and the Court of the terms of the Settlement Agreement and requesting that any person wishing to oppose or object to the execution, delivery or performance of the Settlement Agreement (the "**Objection**") serve notice of such Objection by no later than fourteen (14) calendar days from the date on which notice to the Service List of the Settlement Agreement is provided.

33. If an Objection is received by the Applicants within the prescribed time period, the Applicants, under the Settlement Agreement are required to schedule a motion for an order approving the Settlement Agreement.

34. Pursuant to the terms of the Settlement Agreement, on February 26, 2015, the Applicants advised the Service List of the terms of the Settlement Agreement by serving and filing my Affidavit

sworn February 26, 2015. A copy of this Affidavit without Exhibits is attached hereto as **Exhibit "G"**.

Bisceglia Lien Claimants

35. On February 27, 2015, Emilio Bisceglia, counsel for Argo Lumber Inc. and Newmar Window Manufacturing Inc. (collectively, the "**Bisceglia Lien Claimants**") served an objection to the Settlement Agreement and sought additional information including, the prosecutorial disclosure in the Warranties Act Proceedings. A copy of Mr. Bisceglia's correspondence is attached hereto as **Exhibit "H"**.

36. I am advised by Maya Poliak, a lawyer with Chaitons LLP, counsel for the Applicants, that Ms. Poliak sought Tarion's permission to release the prosecutorial disclosure documents to Mr. Bisceglia. I am also advised by Ms. Poliak that Tarion did not release such disclosure due to it not yet being part of the public record and issues concerning its premature dissemination. A copy of Ms. Poliak's correspondence with counsel for Tarion is attached hereto as **Exhibit "I"**. On March 6, 2015, Ms. Poliak communicated Tarion's position to Mr. Bisceglia. A copy of Ms. Poliak's correspondence dated March 6, 2015 is attached hereto as **Exhibit "J"**.

37. Mr. Bisceglia has not withdrawn his objection.

Klein Lien Claimants

38. On March 4, 2015, a group of lien claimants represented by Klein & Associates Professional Corporation (the "**Klein Lien Claimants**") served on the Service List an objection to the Settlement Agreement. A copy of the Objection is attached hereto as **Exhibit "K"**. The Klein Lien Claimants take the position that the Security should be released by Tarion to the Applicants' estate to be distributed in accordance with priorities to be determined by the Court. In their objection, the Klein Lien Claimants also state that Tarion, myself and the Applicants should not be permitted to "change their contractual arrangements to the detriment of the trades who have filed liens".

39. On March 6, 2015, Jeffrey Long, counsel for Con-Drain Company (1983) Limited ("Con-Drain"), another lien claimant, advised counsel for the Applicants that Con-Drain adopts the grounds for objection set out in Mr. Klein's letter dated March 4, 2015. A copy of Mr. Long's email is attached hereto as **Exhibit "L"**.

40. Contrary to the assertions of the objecting lien claimants, it was always the intention of the Applicants and Tarion that: (i) all of the corporate entities involved with the Puccini Project be properly registered under the Warranties Act; and (ii) in order to fulfill its mandate under the Warranties Act, Tarion would have recourse and access to the Security for the payment by Tarion of claims made by purchasers against the Applicants under the Warranties Act. These intentions were consistently communicated to the Service List and the Court over the course of these CCAA proceedings.

41. The Settlement Agreement, once implemented, will restore all parties, including Tarion, the Applicants, the purchasers and the Applicants' creditors to the positions they would have been in had Puccini been properly registered under the Warranties Act, consistent with the Applicants' intentions and previous representations in these CCAA proceedings.

- (a) neither the creation of the Charges nor the execution, delivery, perfection, registration or performance of the Term Sheet or the Definitive Documents shall create or be deemed to constitute a breach by the Applicants of any Agreement to which they are a party;
- (b) none of the Chargees shall have any liability to any Person whatsoever as a result of any breach of any Agreement caused by or resulting from the Applicants entering into the Term Sheet, the creation of the Charges, or the execution, delivery or performance of the Definitive Documents; and
- (c) the payments made by the Applicants pursuant to this Order, the Term Sheet or the Definitive Documents, and the granting of the Charges, do not and will not constitute

preferences, fraudulent conveyances, transfers at undervalue, oppressive conduct, or other challengeable or voidable transactions under any applicable law.

AND SAY AS FOLLOWS:

1. I am the sole officer, director and shareholder of the Applicants, Silver Streams Homes Inc. ("Silver Streams") and Silver Streams Homes (Puccini) Inc. ("Puccini"). I am also the sole officer, director and shareholder of the Applicants 2148993 Ontario Inc. ("2148993"), 2148990 Ontario Inc. ("2148990"), 2147681 Ontario Inc. ("2147681") and 2147650 Ontario Inc. ("2147650", collectively, the "Title Holders"). As such, I have personal knowledge of the matters to which I dispose in this affidavit, save and except for such facts or matters which are stated to be based on information and belief and where so stated, I believe same to be true.

2. I swear this affidavit in support of an application by the Applicants for relief under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, C. C-36, as amended (the "CCAA").

OVERVIEW

3. Silver Streams is a residential homebuilder in the Greater Toronto Area. To date, it has successfully built approximately 100 homes and is in a position to build and complete a further 48 homes in the Puccini Project (defined below).

4. As described in further detail below, the Applicants have experienced significant financial challenges due to delays involved in the development of the Puccini Project and are insolvent. Secured debt in excess of \$12 million is currently in default and numerous construction liens totalling in excess of \$3.5 million have been registered against title to various lots in the Puccini Project.

5. There are currently 10 remaining homes in Phases II and III of the Puccini Project that are in various stages of completion. Two (2) of the homes have been presold and with minimal additional work can close shortly.

6. The Applicants' objective is to complete the 10 remaining homes in Phases II and III of the Puccini Project and to apply the net sale proceeds, after payment of operating costs and the costs of these proceedings, to payment of their creditors' claims in the priority determined by the Court.

7. A private lender affiliated with an existing secured lender has indicated it is prepared to provide the Applicants with debtor-in-possession ("DIP") financing to enable the Applicants to complete the construction of the homes and fund the costs of these proceedings.

8. The completion of the homes maximizes value for the Applicants' stakeholders and protects the interests of purchasers under executory agreements of purchase and sale.

THE APPLICANTS

9. Silver Streams was incorporated in 2003. In or about December 2003 it became a registrant with Tarion Warranty Corporation ("Tarion") as a home builder.

10. To date, Silver Streams has successfully completed the following projects:

- (a) St. Albans Mews – a 9 townhouse home project, located in Holland Landing, Ontario - completed in 2006;
- (b) Ashcott Mews – a 14 detached home project, located in Scarborough, Ontario – completed in 2008; and
- (c) D&I Developments – a 4 detached home project, located in Maple, Ontario - completed in 2012.

THE PUCCINI PROJECT

11. In addition to the projects described in paragraph 10 above, the Applicants are in the process of completing a project of 118 units including detached homes, semi-detached homes and townhouses located at Bathurst Street and King Road in Richmond Hill, Ontario (the "Puccini Project"). The Puccini Project is being built in 4 phases. Title to the lands in Phases I, II and III are in the names of 2148990, 2148993, 2147650, and 2147681. Phase I comprises 20 detached homes and was completed in 2010. Phase II comprises 25 detached homes and was completed in late 2012. All but 3 homes in Phase II have been sold. Phase III consists of 25 detached homes. Eighteen (18)

of the homes were completed and sold between June and September 2013. Phase IV is registered in the name of 2148991 Ontario Inc. ("2148991") (a non-debtor in these proceedings) and consists of 40 townhouse units and 8 semi-detached homes. Construction of the homes in Phase IV has not yet commenced, although 33 of the homes have been presold. Attached hereto and marked as **Exhibit "A"** is a colour coded site map of the Puccini Project.

12. Puccini was incorporated in October 2008 for the purpose of selling the homes in the Puccini Project. Puccini is registered with Tarion and is the vendor under the agreements of purchase and sale for homes in the Puccini Project.

PUCCINI PROJECT FINANCING

BMO

13. Pursuant to a Term Sheet dated as of August 25, 2008 among Symphony Series Co-Tenancy Corp. ("Symphony") as Borrower, myself as guarantor, and Bank of Montreal ("BMO") as lender, BMO made available to Symphony, three credit facilities. Facility 1 was in the amount of \$7,787,000 and was to repay existing financing in the amount of \$4.9 million and to finance the servicing of Phases I, II and III of the Puccini Project. Facility 2 was in the amount of \$1.1 million and was to finance Letters of Credit in favour of Tarion and Municipal and Regional Authorities. Facility 3 was in the amount of \$3.5 million and was to finance construction of pre-sold homes. A true copy of the term sheet dated August 25, 2008 is attached as **Exhibit "B"**.

14. After its incorporation, we decided to develop the Puccini Project through Puccini and, accordingly, BMO made the above credit facilities available to Puccini as opposed to Symphony.

15. The BMO credit facilities were amended over time. Attached hereto and marked collectively as **Exhibit "C"** are true copies of the subsequent BMO term sheets.

16. All of the indebtedness owing to BMO under the credit facilities are secured, *inter alia*, by:

(a) Demand First Mortgages registered against title to the Phase I, II and III lands (the "BMO Mortgages"); and

(b) a General Security Agreement in favour of BMO;

Attached hereto and marked as **Exhibit "D"** and **Exhibit "E"** respectively are true copies of the BMO Mortgages and the General Security Agreement.

17. The loans granted by BMO in connection with the Puccini Project have substantially been repaid. Currently, the outstanding indebtedness to BMO is approximately \$700,000.

HOME TRUST

18. In August 2012, Home Trust Company ("Home Trust") made loans to 2148990 and 2147650 each in the original principal amount of \$617,500. As security for the loans, 2148990 and 2147650 each granted Home Trust first mortgages registered against title to Lots 23 and 24 in Phase II. The loans were renewed in August 2013. The loans are currently in default. Attached hereto and marked collectively as **Exhibit "F"** are true copies of the August 2012 term sheets, the August 2013 renewal letters and the default letters issued by Home Trust dated November 7, 2013.

FOREMOST

19. Pursuant to a term sheet dated January 15, 2013 Foremost Financial Corporation ("Foremost") granted a loan to 2147681 in the original principal amount of \$640,000. The loan was not fully advanced. As set out in the term sheet, the total approximate advance was \$467,585. The loan is currently in default. As security for the loan, 2147681 granted Foremost a first mortgage registered against title to Lot 1 in Phase II. Attached hereto and marked as Exhibit "G" is a true copy of the Foremost term sheet.

PRIVATE LENDERS

20. A number of private lenders also provided financing to the Puccini Project which loans are secured, *inter alia*, by mortgages registered against title to various lots of the Phase I, II and III lands. These mortgages matured in February 2013. The last time any interest payments were made on any of these loans was August 2013.

21. The total principal amount outstanding under these loans is in excess of \$10 million. A chart summarizing the name of the private lender, the original amount of the loan and the approximate amount currently owing is set out below:

OTHER SECURED CREDITORS

22. I am advised by our lawyer, Stephen Schwartz, a partner with Chaitons LLP, that he obtained searches from the Ontario Personal Property Security Registration (the "PPSR") in respect of registrations which are outstanding against the Applicants as at December 4, 2013. In addition to registrations in favour of BMO and certain private lenders, the PPSR searches disclose the particulars of the following registrations registered subsequent to BMO and the private lenders against Silver Streams and Puccini:

- (a) Royal Bank of Canada ("RBC") in respect of accounts; and
- (b) National Leasing Group Inc. in respect of certain equipment.

23. With the exception of the registrations in favour of BMO and certain private lenders, there are no other registrations against the Title Holders. Copies of the PPSR searches are attached hereto and marked collectively as Exhibit "H".

24. RBC provided financing to 2148991 to fund the acquisition of the land and fund servicing costs for Phase IV of the Puccini Project. As security for RBC's loan to 2148991, Silver Streams and Puccini provided corporate guarantees to RBC.

APPLICANTS' FINANCIAL DIFFICULTIES

25. The Puccini Project lands were acquired at different stages. The property was fully acquired by 2008. Acquisition financing for the lands was obtained by loans from Carevest Capital Inc. ("Carevest") and vendor take back financing. All of the vendor take back financing and the loans from Carevest have been refinanced with the proceeds of the BMO loans and private lenders' loans referenced above. The Applicants are borrowers or guarantors of the loans obtained by one or more of the Applicants from BMO and the private lenders to finance the acquisition and construction of the Puccini Project.

26. Our initial plan was to bring the lots to market within 2 years from acquisition of the lands. However, in 2008, the real estate market experienced a significant decline. We were unable to obtain financing for the construction of all of the homes at one time. Our construction lender, BMO, was only initially prepared to provide us with financing for the 20 homes in Phase I.

27. The inability to obtain construction financing for all of the homes at one time had a significant impact on the Applicants and is the primary reason for their financial woes. Further, the Applicants' ability to obtain municipal approval to build the remaining lots was delayed significantly. Rather than obtaining registration of a plan of subdivision for the entire project at one stage, due to financing constraints we were forced to apply on 3 different occasions for registration of a plan of subdivision for each phase. On each occasion it was as if Silver Streams was making an initial application and the conditions for approval that are common in the development process had to be met again. As a result, rather than obtaining approval to build all of the lots at one time, Silver Streams had to obtain approval three separate times with substantial delays between the approvals.

28. There were additional factors that contributed to the delay. Con-Drain took many more months to service the lands than originally anticipated.

29. Silver Streams was sued by an investor. The litigation was successfully defended. However, the litigation further delayed construction.

30. There were strikes by trades which caused delays.

31. As a result of the delays, the Applicants' costs continued to mount and they ran out of money. This required Silver Streams to obtain additional financing to carry the project and pay development costs. The financing for these matters was obtained from the private lenders described above. The private lenders did not provide any construction financing. The funds obtained from these lenders were used to refinance existing debt, establish interest reserves, pay financing costs, development charges and relevant municipal fees such as building permit fees and for working capital.

32. The Applicants do not have sufficient resources to complete construction of the remaining Phase II and III homes; service the loans to the private lenders; fund Tarion warranty work; pay trade suppliers to the Puccini Project and general overhead expenses.

33. Certain of the private lenders have issued Notices of Sale under Mortgage. Attached hereto and marked collectively as Exhibit "I" are true copies of the Notices of Sale.

34. A number of trades have registered claims for lien under the *Construction Lien Act* against title to the lots in the Puccini Project due to non-payment. The total amount of the liens are

approximately \$3.5 million. As at December 9, 2013 the lien claimants and the amounts of their liens are as follows:

Lien Claimant	Amount of Claim
1865721 Ontario Inc.	\$91,518.55

Subsearches of title to Phases I, II and III of the Puccini Project and a chart showing the registered mortgages and construction lien claims against the remaining lots are attached hereto and marked as Exhibit "J".

OTHER CREDITORS

35. There are a number of trade creditors totalling approximately \$300,000. A number of these creditors have made demand for payment or commenced a collection action.

36. Puccini retained a number of consultants in connection with the development of the Puccini Project. These consultants have not been fully paid and are currently owed the total approximate amount of \$254,198.

37. Including myself and my wife Asma Jinnah, Silver Streams and Puccini have approximately 10 salaried and hourly employees and contractors that are involved in all aspects of the development and sale of the homes including construction management, marketing and after sales service and repairs. The employees are non-unionized and there are no pension plans. The aggregate cost for these services is approximately \$32,000 to \$40,000 payable monthly plus an allowance for car, phone and expenses. These payments are currently in arrears.

38. Puccini currently owes HST with respect to the sale of homes in the Puccini Project in the amount of approximately \$630,000, which amount is overdue.

CON-DRAIN COMPANY (1983) LIMITED ("CON-DRAIN")

39. In or about 2008 Silver Streams retained Con-Drain to provide earthworks, underground services, roads, curbs, asphalt and related labour and materials to the Puccini Project. Silver Streams was unable to pay Con-Drain the full amount outstanding.

40. In February 2010, Con-Drain registered two construction liens against title to Phases I, II and III of the Puccini Project. In March 2010, Silver Streams and Con-Drain entered into a settlement agreement. Under the terms of the settlement agreement, Silver Streams immediately paid Con-Drain \$550,000. Silver Streams agreed to pay Con-Drain a further \$50,000 per lot plus interest from future closings in the Puccini Project in accordance with the terms of a written undertaking. Con-Drain subsequently discharged its claims for lien.

41. Litigation has been commenced by Con-Drain against the Applicants arising from an allegation of default under the terms of the settlement agreement. Con-Drain claims payment of \$800,000. In August 2013, Con-Drain commenced an action in Newmarket. A copy of the statement of claim is marked as **Exhibit "K"**. Statements of defence have not yet been filed.

42. On August 15, 2013, Con-Drain obtained an order from the Honourable Madam Justice Lack requiring that net proceeds from the sale of homes in the Puccini Project be paid to our lawyers', Chaitons LLP, trust account. Attached hereto and marked as **Exhibit "L"** is a true copy of the August 15, 2013 Order.

43. On October 15, 2013, a motion by Con-Drain to continue the order granted by Justice Lack was heard by the Honourable Madam Justice Gilmore. On November 20, 2013, Justice Gilmore released her endorsement. She ordered, among other things, that the Order of Justice Lack should be continued and that the net proceeds from the sale of homes up to the amount of \$800,000 be paid into Court. Attached hereto and marked as **Exhibit "M"** is a true copy of the November 20, 2013 Endorsement.

44. I am advised by Mr. Schwartz, that there is currently the sum of \$491,985.33 held in trust by Chaitons LLP which will be paid into Court pursuant to the Order of Justice Gilmore once the Order has been issued and entered.

REMAX REALTRON REALTY INC.

45. In September 2013, Remax commenced an action against Puccini, the Title Holders, myself and my wife seeking payment of \$250,000 allegedly due for real estate commissions in connection with the sale of homes in the Puccini Project. Attached hereto and marked as Exhibit "N" is a true copy of the Statement of Claim.

46. On September 24, 2013, Remax brought a motion for interim relief, seeking payment of real estate commissions into court from the sale of homes. The Honourable Mr. Justice Newbould ordered that "the vendor/owner is entitled to pay (1) all secured lenders and any lien claimant sufficient amount to permit each sale to close; (2) applicable HST; and (3) legal fees for the closing." The net proceeds were to be held in trust by Chaitons LLP to be paid out only on consent of the parties or further court order. Attached hereto and marked as Exhibit "O" is a true copy of the endorsement of Justice Newbould.

47. No further closings have taken place subsequent to September 24, 2013.

FINANCIAL POSITION OF THE APPLICANTS

48. Attached hereto collectively as **Exhibit "P"** are true copies of the financial statements of Silver Streams and Puccini Project Management Inc. ("**Management**") for the fiscal year ended November 30, 2012 and December 31, 2012 respectively. There are no interim financial statements for 2013.

49. Management is a related company to Silver Streams and Puccini. All assets, liabilities, revenues and expenses of Puccini are reflected in these financial statements since 2010. The last financial statements prepared for Puccini were prepared in draft for the fiscal year December 2010, a true copy of which is attached hereto as **Exhibit "Q"**.

50. Attached hereto and marked collectively as **Exhibit "R"** are true copies of the financial statements for the Title Holders as at December 30, 2011. There are no further financial statements for the Title Holders. All proceeds of sale were recorded through Management and are reflected in Management's financial statements.

ANTICIPATED RESTRUCTURING

51. The Applicants' objective is to complete the 10 remaining homes in Phases II and III of the Puccini Project and to apply the net sale proceeds, after payment of operating costs and the costs of these proceedings, to payment of their creditors in the priority determined by the Court.

52. There are 3 homes in Phase II and 7 homes in Phase III that have not yet closed. BMO has a first mortgage registered against title to 7 of the lots. Home Trust has a first mortgage registered

against title to 2 of the lots and Foremost has a first mortgage registered against title to one of the lots. Certain of the private lenders have registered subsequent mortgages against title to the 10 lots. The claims for lien referred to above are also registered against title to some or all of these lots. The estimated net proceeds of the home sales are insufficient to discharge the encumbrances registered against these lots. Accordingly, I am advised by my lawyers that the completion and sale of these homes cannot be finalized by Puccini without the benefit of the Court granting a vesting order.

53. The details with respect to each of the remaining 10 homes are as follows:

- (a) Phase II, lots 23 and 24 - these homes have been completed and have not yet been sold. They have been listed for sale periodically over the last year. No further construction is required with respect to these homes;
- (b) Phase II, Lot 1 - this house is approximately 85% completed. Hardwood floors, certain plumbing, kitchen and bathroom counter tops, mirrors and painting is required. I estimate that the cost to do this work is approximately \$65,000. I expect this house to be sold for approximately \$1 million;
- (c) Phase III, lot 18 - this house has been presold for the price of \$895,000, however construction has not yet commenced. I believe that the cost to build this house is approximately \$255,000;
- (d) Phase III, lot 19 - this house is virtually constructed. There is some outstanding work with respect to the kitchen. I estimate that the cost to complete this home is \$11,700. The property was sold to a purchaser who defaulted under its Agreement of Purchase

and Sale. Silver Streams has retained the \$40,000 deposit and terminated the agreement and will resell this home;

- (e) Phase III, lot 20 - this house is approximately 85% complete. I estimate that the cost to complete the remaining work in the house is \$50,000. The house is not presold. In my view, the expected selling price for this home is \$935,000;
- (f) Phase III, lot 22 - this house has been presold for the price of \$980,000. The construction is approximately 85% complete. I estimate that there is \$44,000 worth of work to complete the home. The purchaser has sold his existing home and is currently living in a hotel waiting for the house to be completed. Attached hereto as Exhibit "S" is a copy of a letter from the purchaser's lawyer. Upon obtaining financing, the work can be completed within 2-3 weeks;
- (g) Phase III, lot 23 - this home requires approximately 50% of the construction to be completed. I estimate that \$125,000 worth of work is required to complete the home. The house has not been sold. I estimate the sale price to be approximately \$1.1 million;
- (h) Phase III, lot 24 - construction of this house is approximately 50% complete. I estimate the cost to complete the house to be approximately \$125,000. The house has not been sold. I estimate the sale price to be approximately \$1.1 million.
- (i) Phase III, lot 25 - this house is approximately 75% complete. I estimate that it will cost \$60,000 to complete the construction. The house has presold for the price of \$1,016,730. Upon obtaining financing, the required work can be completed within 3-4 weeks. To my knowledge, the purchaser is ready, willing and able to close the purchase of this home.

54. I estimate that the gross sale proceeds from the sale of these 10 homes will approximate \$8,000,000 - \$9,000,000 whereas the expected cost to complete the construction of the homes is approximately \$800,000 to \$1 million.

55. Silver Streams has continuing Tarion warranty obligations with respect to the sales of homes in Phases I, II and III of the Puccini Project. Tarion is concerned about Silver Streams' financial position. Attached hereto and marked collectively as Exhibit "T" are copies of the Tarion letters to Silver Streams dated November 19, 2013 and November 25, 2013.

56. I have personally guaranteed payment and performance of the Tarion obligations.

57. The ongoing servicing and deficiency work must be done. There are a number of home buyers who will be negatively impacted by our inability to provide this service.

58. Silver Streams is the best party to do the warranty work. We have a team in place, we are aware of the work that must be done and can do the work in an efficient, cost effective manner.

59. Silver Streams has provided letters of credit in favour of the Town of Richmond Hill to secure the performance of certain work under the terms of the Subdivision Agreement. The letters of credit are secured by \$2.6 million in cash held on deposit at BMO.

60. The work that is necessary to be completed by Silver Streams for the Municipality/Town includes the construction of a park, planting of trees, construction of sidewalks, final asphalt, curbs and final maintenance. The work needs to be done as soon as possible. We have been requested by

the Municipality of York Region and the Town of Richmond Hill to do so. It is for the benefit of the residents currently living in the Puccini Project that this work be completed.

61. I estimate the cost to complete the outstanding work to be \$600,000 which will result in a portion of the money currently held as cash collateral by BMO to secure the Letters of Credit to be released to Silver Streams when the work is completed.

STAY OF PROCEEDINGS

62. The Applicants require relief under the CCAA including a stay of proceedings in order to preserve the status quo and to obtain the necessary financing to complete the construction of the remaining 10 homes.

63. Without the benefit of CCAA protection, the Applicants will be unable to complete the homes, convey title to home buyers, complete the required work under the Subdivision Agreement, and comply with their Tarion obligations.

DIP FINANCING

64. Attached hereto as Exhibit "U" is a copy of the Applicants' cash flow projection for the 13 week period from December 20, 2013 to March 14, 2014 which the Applicants have prepared in connection with these proceedings and which has been reviewed by Grant Thornton Limited ("Grant Thornton") for reasonableness. The cash flow projects an immediate need for working capital to pay operating expenses, and the costs of these proceedings.

65. Sandall Investments Limited (the "DIP Lender"), an affiliate of one of the private lenders, has offered to make available to the Applicants a debtor-in-possession loan in the maximum amount of \$1 million (the "DIP Loan") on the terms and conditions set out in a term sheet dated December 11, 2013 (the "DIP Loan Agreement"), a copy of which is attached hereto as **Exhibit "V"**.

66. It is a fundamental term of the DIP Loan that the Court grant an Initial Order on terms acceptable to the DIP Lender which shall require that the Monitor control the Applicants' receipts and disbursements and that the DIP Lender shall be entitled to the benefit of a charge (the "DIP Charge") which shall rank behind the Administration Charge (as defined below) but in priority to all other security interests, trusts, liens, construction liens (whether or not preserved or perfected) charges and encumbrances, statutory or otherwise in favour of any person.

67. As indicated above, the registered lien claims against the 10 homes is approximately \$3.5 million. If the lien claims have priority over the private mortgages there will be sufficient funds available from the sale proceeds of the homes to pay their claims. However, if the lien claims do not have priority over any of the mortgages, there will not be sufficient funds to pay their claims irrespective of the DIP financing. In either event, the lien claimants will not be materially prejudiced by the proposed DIP financing.

68. Without DIP financing, the Applicants will be unable to continue their business and complete the construction and sale of the remaining 10 homes, all to the material detriment of their stakeholders including the secured lenders and purchasers under executory agreements of purchase and sale.

VESTING ORDER

69. As indicated above, Puccini has entered into binding agreements to sell the houses on lots 22 and 25 of Phase III of the Puccini Project. Copies of the Agreements of Purchase and Sale for these homes are attached hereto as Exhibits "W" and "X", respectively. To my knowledge, the purchasers of these homes are ready, willing and able to close.

70. It is a condition of closing that Puccini transfer title to the homes free and clear of any encumbrances except those contemplated by the applicable agreements of purchase and sale. In the circumstances, Puccini is unable to do so without the benefit of a vesting order issued by this Court.

71. In order to avoid the additional expense of another motion, Puccini is also seeking at this time an order vesting in the respective purchasers all of the Applicants' rights, title and interest in and to the houses on lots 22 and 25 of Phase III of the Puccini Project free and clear of any encumbrances upon the delivery to the respective purchaser by the Monitor of a certificate confirming that the purchase price for the applicable house has been paid and the transaction has been completed (the "Monitor's Certificate").

72. As discussed above, the house located on lot 22 is close to being completed and the purchaser of this home is currently residing in a hotel. Puccini is responsible for the hotel and related costs incurred by the purchaser. It is anticipated that once the Initial Order and the Vesting Order are obtained, the purchaser can move into the house and the sale of the home can close subject to an agreed upon holdback for the minor work to be completed.

APPOINTMENT OF MONITOR

73. Grant Thornton has consented to act as the monitor of the Applicants under the CCAA. A copy of Grant Thornton's consent is attached hereto as **Exhibit "Y"**.

ADMINISTRATION CHARGE

74. It is contemplated that the proposed Monitor, counsel to the proposed Monitor and counsel to the Applicants would be granted a first priority Court-ordered charge on the assets, property and undertaking of the Applicants in priority to all claims but for the mortgages currently held in favour of BMO, Home Trust and Foremost (the "Administration Charge"), up to the maximum amount of \$500,000 in respect of their fees and disbursements, incurred at standard rates and charges. The Applicants believe that the Administration Charge is fair and reasonable in the circumstances.

CONCLUSION

75. Several of the mortgagees and lien claimants have commenced enforcement proceedings to recover payment of the amounts owing to them.

76. The Applicants are insolvent on both a balance sheet and cash flow basis. They cannot repay their secured indebtedness which is in excess of \$12 million or pay their trades who are owed approximately \$3.5 million.

77. There are 10 homes that are either completed or under various stages of construction and that when closed, are expected to generate gross revenue of approximately \$8 million to \$9 million. Two

of the homes have been pre-sold to innocent third party purchaser who are ready, willing and able to close their purchases. One such purchaser is currently living in a hotel pending closing.

78. In the absence of CCAA protection and DIP financing, the completion and sale of the 10 homes will not occur. Moreover, the ongoing Tarion warranty service work and work required under the Subdivision Agreement will not be completed expeditiously nor in a cost effective manner.

79. For the reasons set out above, I believe that it is in the interests of the Applicants and all of their stakeholders that the relief sought by the Applicants is granted.

ORDER

THIS MOTION, made by Grant Thornton Limited, in its capacity as the Court-appointed monitor of the Applicants (in such capacity, the "**Monitor**"), for an Order, among other things, referring the construction lien claims and other related issues in these proceedings (collectively, the "**Construction Claims**") to a referee (the "**Referee**"), and referring the action bearing Court File No. CV-13-115757-00 (the "**Con-Drain Action**") to a Judge of the Commercial List, was heard this day at 330 University Avenue, Toronto, Ontario.

hereto) (together with the Lien Claimants, the "Claimants") or any other person on the service list, although duly served as appears from the affidavit of Susy Moniz sworn December 22, 2014, filed,

1. **THIS COURT ORDERS** that the time for service and filing of the notice of motion and the motion record is hereby abridged and validated so that this motion is properly returnable today and hereby dispenses with further service thereof.

2. **THIS COURT ORDERS** that the following issues with respect to the Construction Claims be and are referred to Duncan Glaholt, who shall act as the Referee:

- (a) the validity and, if necessary, quantum, of the Construction Claims filed by the Claimants;
- (b) the determination of whether the Private Mortgagees are Statutory Owners (as defined in the *Construction Lien Act*, R.S.O. 1990, c. C.30, as amended (the "Act")), and, if so, the determination of their liability as Statutory Owners to the Lien Claimants;
- (c) the liability of the Private Mortgagees and Mortgagees with respect to any deficiency in holdback to the claims of the Lien Claimants;
- (d) the determination of priorities as amongst the Claimants regarding their claims as against the Claimants, the Private Mortgagees and Mortgagees; and
- (e) any ancillary or peripheral issues that need to be determined in order for the Referee to properly complete its mandate, including any and all issues regarding interest and costs.

3. **THIS COURT ORDERS** that the Referee's determination in respect of the issues enumerated in paragraph 2 above shall be set out in a report (the "Report/Award"), which shall be served on the Service List in these proceedings and filed with the Court, and that the Report/Award shall bind any and all affected parties without further confirmation by this Court. For greater certainty, each and every party that filed a claim against one or more of the Applicants in the present proceedings shall be deemed to be an affected party of the

4. **THIS COURT ORDERS** that the anticipated costs of the Referee, up to the amount of \$100,000.00, shall be funded equally, and in advance of the Referee commencing its mandate, by the Private Mortgagees (50%) and the Lien Claimants (50%, such that costs shall be borne by each Lien Claimant on a pro rata basis, as calculated in **Schedule "A"** hereto), and that any additional costs of the Referee shall be secured by the Administration Charge (as defined in the Initial Order issued on December 17, 2013 in these proceedings) and paid by the Monitor (collectively, the "**Referee's Costs**"). Notwithstanding the above, the Referee shall maintain the right to assess costs in the Report/Award against any party, including, without limitation, the right to reallocate the Referee's Costs, and any such assessment shall attract the same deference and appeal rights as provided in paragraph 3 of this Order.

5. **THIS COURT ORDERS** that should a Lien Claimant refuse or neglect to pay its pro rata share of costs (a "**Defaulting Lien Claimant**"), then any other Lien Claimant shall be at liberty to advance the costs payable by the Defaulting Lien Claimant and shall be entitled to twice the amount advanced, which repayment shall form a first charge against any sums found to be due and payable to the Defaulting Lien Claimant and which sum shall be repaid before the Defaulting Lien Claimant receives any proceeds under this process.

6. **THIS COURT ORDERS** that the Con-Drain Action shall be transferred from the Superior Court of Justice in Newmarket, Ontario and shall be heard by a Judge of the ~~Commercial List~~ ^{Superior Court} in Toronto, separate from the present proceedings and without the participation of the Monitor, but that the funds in dispute in the Con-Drain Action, which are currently held in the trust account of Chaitons LLP (the "**Chaitons Trust Account**"), shall not be released or distributed from the Chaitons Trust Account without a further Order of this Court sitting in the context of the present proceedings.

SILVER STREAMS HOMES SCHEDULE "A" TO AGREEMENT OF PURCHASE AND SALE

DEFINITIONS

1. The following words shall have the following meanings in this Agreement:

"Closing" and "Closing Date" shall mean the closing date set out on the front page of this Agreement as the same may be amended or extended in accordance with the terms of this Agreement.

"Deposit" includes all deposit monies paid or to be paid, pursuant to this Agreement.

"Developer" means any predecessor in title to the Real Property who has entered into obligations with the Municipality for subdivision or servicing of the Real Property or any other party who may otherwise have the right as between it and the Vendor over architectural control of the Dwelling.

"Municipality" means any municipal corporation, whether local or regional including inter alia, the Greater Toronto Services Board, having jurisdiction over the Real Property.

AGREEMENT CONDITIONAL

2. Completion of the within transaction is conditional upon the following:

- (a) all matters with respect to the development of the subdivision being resolved with the Municipality and/or the Region or any other municipal or other body having jurisdiction thereover, to the satisfaction of the Vendor;
 - (b) execution and registration of a subdivision agreement with the Municipality and/or Region with respect to the lands on which the Real Property is located; and
 - (c) compliance with the subdivision control provisions (section 50) of the *Planning Act, R.S.O. 1990*.
3. In the event that any of the above conditions are not met, then upon notice thereof being given by the Vendor to the Purchaser, this Agreement shall become null and void and the deposit shall be returned to the Purchaser without interest or deduction and all parties shall be relieved of any liability or responsibility whatsoever hereunder.
4. The sitings, plans, elevations and specifications of the Dwelling including architectural details and exterior finishes may be subject to approval by the Developer or the Municipality. If any such required approval is not obtained, the Vendor may in writing terminate this Agreement within ten (10) days of the later of the date of this Agreement or building permit issuance. In that case, the Deposit shall be returned to the Purchaser without interest or deduction and this Agreement shall be at an end.

CLOSING DATE

5. Should the Purchaser request an extension of the Closing Date for any reason, and the Vendor in its sole discretion consents to such an extension to a date acceptable to the Vendor, the Purchaser agrees to pay the Vendor Three Hundred and Ninety-Five Dollars (\$395.00) plus GST, as an extension fee. Such extension fee is chargeable for each extension requested by the Purchaser to which the Vendor consents. In addition, the Purchaser agrees to pay a per diem interest charge of 1.5% per month, on the balance of the Purchase Price, excluding occupancy fees, until the closing of the transaction, to be paid on closing as an adjustment on the Statement of Adjustments.
6. The Purchaser shall be required and hereby agrees to complete the Agreement on the Closing Date if all interior work in the Dwelling is sufficiently completed that occupancy of the Dwelling is legally permitted, regardless of the state of completion of the Dwelling, the lot, and of the other lots in the subdivision or the roads or services or amenities within the subdivision. The Purchaser agrees to close the Agreement on the Closing Date without deduction or holdback of any purchase money due on closing, even if the Dwelling and the lot are not fully completed or the services and amenities of the subdivision are not started or are not completed.
7. Extensions of the Closing Date are governed by the Taron Addendum attached hereto.
8. If any Closing Date herein shall occur on a date when the Land Registry Office where the Property is located is normally closed, the Closing Date herein is extended to the next business day when the Land Registry Office is open. For the purposes of this paragraph a reference to a Land Registry Office is a reference to the Teraview Electronic Registration System.
9. Time is of the essence throughout this Agreement with respect to the obligations of the Vendor and the Purchaser to complete the closing and with respect to all of the other obligations of the Purchaser both before and after the Closing Date. If the Closing Date is changed by the parties or their solicitors or pursuant to the Taron Addendum, an Amendment, or this Agreement, then each and every change shall be deemed to provide that time is of the essence as set out in this paragraph.

PURCHASE PRICE, DEPOSITS AND ADJUSTMENTS

10. In the event this Agreement is amended for the benefit of the Purchaser whether to induce the Closing of the transaction by giving the Purchaser a credit or reduction against the Purchase Price or otherwise, and the Purchaser fails to complete the transaction, all damages shall be assessed as if such amendment had not been entered into.

- EST HST*
11. The Purchaser acknowledges and agrees that the Purchase Price already includes a component equivalent to the federal goods and services tax exigible with respect to this purchase and sale transaction (the "G.S.T.") less the new housing rebate applicable pursuant to section 254 or section 256.2 of the *Excise Tax Act (Canada) S.C. 1990*, as amended (the "Rebate"). In connection with the Rebate:
 - (a) The Purchaser warrants and represents to the Vendor that the Purchaser qualifies for the Rebate, and hereby transfers to the Vendor all of the Purchaser's rights, interests, and entitlement to the Rebate.
 - (b) The Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's request for same (and in any event on or before the Closing Date) all requisite documents and assurances that the Vendor may reasonably require in order to enable the Vendor to obtain the benefit of the Rebate, including without limitation, the appropriate New Housing Application for Rebate of Goods and Services Tax Form as amended from time to time (the "Rebate Form").
 - (c) The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damages, and/or liability (including goods and services tax, plus penalties and interest thereon and any reasonable legal costs in connection therewith) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate.
 - (d) The Purchaser does not qualify for the Rebate, and/or fails to deliver to the Vendor the Rebate Form duly executed by the Purchaser by the closing Date, then notwithstanding anything contained in this Agreement to the contrary, the Purchaser shall be obliged to pay to the Vendor, by certified cheque delivered on the Closing Date, and as an adjustment an amount equivalent to the Rebate in addition to all other adjustments required by this Agreement.
 - (e) It is an act of default by the Purchaser to breach any of his or her obligations under this paragraph.
 - (f) If the rate of G.S.T. is altered or the exemptions currently existing are changed between the date of this Agreement and the Closing Date so that the total tax payable by the Vendor is increased or decreased, then the Purchaser shall pay such increase or be credited with the decrease as an adjustment on Closing. The statutory declaration of an officer of the Vendor stating the amount of the alteration and/or the amount of the changed exemption shall be conclusive evidence thereof and shall be binding on the Purchaser.

DEPOSIT

12. The Deposit or Deposits paid hereunder are expressly deemed to be deposit monies only, and not partial payments. Default in payment of any amount payable pursuant to this Agreement on the date, or within the time specified, shall constitute substantial default hereunder, and the Vendor shall have the right to terminate this Agreement and to forfeit all deposit monies in full. Without prejudice to the Vendor's rights to forfeiture of deposit monies as aforesaid, and in addition thereto, the Vendor shall have the right to recover from the Purchaser all additional costs, losses and damages arising out of default on the part of the Purchaser pursuant to any provision contained in this Agreement including interest thereon from the date of demand for payment at the rate of twenty (20%) percent per annum, calculated daily, not in advance until paid.

ADJUSTMENTS

13. The Purchase Price shall be increased or adjusted as of Closing and deposits shall be paid on Closing as follows:

- (a) the enrolment fee required pursuant to Tarion (formerly the Ontario New Home Warranty Program);
- (b) realty taxes, adjusted on the Vendor's reasonable estimate as though the Dwelling were fully completed, the Real Property separately assessed and the taxes paid. (The Purchaser is advised that the Municipality may issue a realty tax bill for supplementary assessment following Closing, which taxes may be in addition to those adjusted with the Vendor, and if relating to the period after Closing, wholly the responsibility of the Purchaser.)
- (c) a damage deposit for the Purchaser's covenants contained in paragraphs 30 to 37, in the amount of five hundred dollars (\$500) to be refunded to the Purchaser without interest, upon municipal assumption of the subdivision services and the return of any security deposit given by the Vendor to the Developer or the Municipality;
- (d) where applicable, an administrative fee of One Hundred and Twenty-Five Dollars (\$125.00) for any cheque tendered by the Purchaser pursuant to this Agreement (whether for any deposit payable hereunder or for any extras ordered) which is not paid or honoured by the financial institution of the Purchaser for any reason.

The Closing Date itself shall be apportioned to the Purchaser. The parties agree to readjust any of the above items where appropriate after Closing, forthwith, upon written request. Any monies owing to the Vendor pursuant to such readjustment or as a result of any expenses incurred by the Vendor arising from a breach by the Purchaser of any of the Purchaser's obligations set out in this Agreement shall be payable upon written demand by the Vendor and shall bear interest from the date of written demand at the rate of twenty (20%) percent per annum, calculated daily, and shall be a charge on the Real Property until paid and such charge shall be enforceable in the same manner as a mortgage in default.

CHATELS AND RETAIL SALES TAX

14. The Purchaser acknowledges that: (a) if rented, the hot water heater and tank and all or part of the furnace and any other equipment identified elsewhere in this Agreement shall not be included in the Purchase Price, and shall remain chattel property; and (b) if there are chattels included in the Purchase Price herein, the allocation of value of such chattels shall be estimated where necessary by the Vendor and retail sales tax may be collected and remitted by the Vendor.

HYDRO, WATER AND GAS

15. The Purchaser agrees to take all necessary steps to assume immediately on Closing, charges for hydro, water and other services, and the Vendor may recover any payments therefrom from the Purchaser. Where rentals are available, the Purchaser agrees to execute a rental contract for the hot water heater and tank on or prior to Closing. The Purchaser acknowledges that the Vendor may be unable to supply a hot water heater and tank on a rental basis where the local gas or hot water tank supplier has indicated that it is no longer supplying hot water heaters or tanks on a rental basis.

EXTRAS AND UPGRADES

16. (a) Extras or upgrades shall be paid for in advance and such payment shall not be refunded if this transaction is not completed for any reason.
- (b) If an extra or upgrade paid for by the Purchaser is omitted by the Vendor for any reason, the Purchaser shall be credited with the amount which the Purchaser was charged for it and this credit shall be the limit of the Vendor's liability.
 - (c) The Purchaser acknowledges that the prices for extras and upgrades as shown on the attached Schedules are the Vendor's retail sale prices for such extras that would be charged by the Vendor had such extras not been included in the Purchase Price herein. In the event that the Vendor is willing to permit the Purchaser to delete any such extra or upgrade then the cost of such extra or upgrade which has been deleted shall be credited to the Purchaser on Closing at the Vendor's cost price, the determination of which cost price shall be in the sole discretion of the Vendor, acting reasonably.
 - (d) In the event the Purchaser performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing Date herein without holdback of any part of the Purchase Price on the Vendor's undertaking to complete any of the Vendor's outstanding work.

CONSTRUCTION OF DWELLING

17. The Vendor agrees that it will complete the Dwelling in accordance with the plans and specifications available for viewing by the Purchaser at the Vendor's sales office. All work will be performed in a workmanlike manner, free from defects in material and in compliance with the Ontario Building Code. All Construction Lien Act claims for materials or services supplied to the Vendor shall be the responsibility of the Vendor. Notwithstanding the foregoing the Vendor may substitute other materials of at least equal quality for those specified and may alter the plans and specifications, provided that such substitution or alteration shall not materially diminish the value of the Real Property or substantially alter the Dwelling.
18. The Purchaser acknowledges that the model homes, if any, are for public display purposes only, and that some or all of the features and upgrades contained therein may not be included in the Dwelling, unless these are specifically provided for in any schedule forming part of this Agreement. The Purchaser further acknowledges that the layout of the Dwelling may deviate from the floor plan, elevation or layout of the model home.
19. The Purchaser acknowledges that: (a) the area or dimensions of the Dwelling to be constructed on the Real Property, as may be set out in this Agreement or in any sales brochures, or in the plans and specifications of the Dwelling, are approximate only, and may vary; and (b) the Real Property dimensions as may be set out in this Agreement are approximate only. In the event the area or dimension of the Dwelling varies, or if the frontage, depth or area of the Real Property is varied by up to and including five (5) feet from that specified in the Agreement, the Purchaser agrees to complete the purchase without any claim for an abatement in the Purchase Price resulting from such variance, either before or after Closing.
20. The Purchaser acknowledges being advised that:
- (a) on or after registration of the plan of subdivision, the lot number of the Real Property may change, and the Agreement will be read with all amendments required thereby;
 - (b) exterior windows may be eliminated due to minimum sideyard setbacks, in compliance with the Building Code Act of Ontario;
 - (c) mail delivery will be from a designated community mailbox, the location of which mailbox will be provided to the Purchaser on or before Closing;
 - (d) the property may be serviced by a "sump pump". Due to seasonal and other fluctuations in the water table beneath the Dwelling the sump pumps may on occasion run longer and more often than on other occasions; and that
 - (e) due to the proximity of the Dwelling to adjacent dwellings minor encroachments may exist with respect to eaves and/or exterior walls of certain dwellings and that it may be necessary to create working easements between adjoining properties, and the Purchaser expressly agrees to accept title to the Property subject to any encroachments.
21. The Purchaser agrees not to finish the whole or any part of the basement of the Dwelling for a period of twelve months after the Closing Date. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in the basement resulting from water seepage or leakage, including any consequential damages arising therefrom.

[Handwritten signature] J.K.

22. Notwithstanding anything contained in this Agreement to the contrary, the Purchaser waives any right to any claim against the Vendor for damage to any ceiling or walls due to normal shrinkage and the Purchaser agrees that this Agreement may be pleaded by the Vendor in estoppel of any such claims by the Purchaser.
23. The Purchaser agrees not to enter the Real Property prior to Closing unless accompanied by a representative of the Vendor. When entering the Real Property, the Purchaser agrees to comply with the Occupational Health and Safety Act and regulations including wearing safety gear for head and feet and or any other protective apparel required by the Vendor.

SELECTIONS

24. If the stage of completion of the Dwelling permits, the Purchaser may be requested by the Vendor to select certain colours and materials from the Vendor's samples. If any selection of the Purchaser is not reasonably available during construction so that the Vendor by seeking to obtain it would be delayed in the construction of this or other dwellings, the Vendor shall notify the Purchaser and provide an opportunity to the Purchaser to make or approve an alternate selection of at least equal quality from the Vendor's samples. If the Purchaser has not made or approved selections within ten (10) days of written request by the Vendor in the case of original selections, or seven (7) days of written request in the case of an alternate selection, the Vendor may exercise all of the Purchaser's rights to colour and material selection and such selections by the Vendor shall be binding on the Purchaser.
25. The Purchaser acknowledges that in the manufacture of finishing items, including but not limited to ceramic tiles, broadloom, roof shingles, hardwood floors, kitchen cupboards, and brick, colour or texture variations sometimes occur. The Purchaser hereby agrees to accept any such colour or texture variation resulting from the manufacturing process without any right to abatement of the Purchase Price and in full satisfaction of the Vendor's obligations hereunder.

EXTERNAL ELEVATIONS

26. The Purchaser acknowledges that the architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, sidewalks, transformer boxes, light standards, corner lot fencing (including the location of such corner lot fencing), decks, side porches, exterior colour schemes, or any other matter external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the Developer. In the event that the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or to amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "Amended Elevation"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement.
27. In addition to, and without limiting the generality of the foregoing, the Purchaser acknowledges that it may not be possible to construct the Dwelling with a look-out, a walk-out basement or rear deck where so indicated in this Agreement. In the event that this Agreement calls for a look-out, a walk-out basement or a rear deck and such is not possible, pursuant to final approved grading and engineering plans, the Purchaser agrees to accept and receive a credit in the Purchase Price to be adjusted on Closing at such amount as determined by Vendor.
28. The Vendor shall have the right, in its sole discretion, to construct the Dwelling either as shown on the sales brochures, renderings and other plans and specifications reviewed and approved by the Purchaser, or to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of the Purchase Price, and in full satisfaction of the Vendor's obligations as to construction of the dwelling type herein described.
29. The Purchaser acknowledges that the laundry area may be lowered to accommodate side-yard drainage; that access doors to the garage may be eliminated due to grading requirements; that corner lots may have special treatments in accordance with architectural control provisions; that as a result of grading differentials it may be necessary to construct the entrance foyer areas with either a step-up or step-down configuration; and the Purchaser hereby irrevocably agrees to accept such variations without any right of abatement of the Purchase Price and in full satisfaction of the Vendor's obligations to construct the Dwelling type hereinbefore described.

GRADING

30. The Purchaser acknowledges that overall grading matters and the installation of municipal services including without limitation roads, curbs, lighting, tree planting, street names, post office boxes, etc. are regulated by the terms of the subdivision agreement(s). The Purchaser hereby acknowledges that complete engineering data in respect of the final grading of the Real Property as approved by the Municipality, may not be complete, nor a lot grading certificate in respect of same issued by the Closing Date. The Purchaser agrees to accept the Real Property subject to any grading requirements imposed by the Municipality and to complete this transaction on the Vendor's undertaking contained herein to complete the grading of the Real Property in accordance with municipal requirements as soon after Closing as reasonably possible, weather and soil conditions and the availability of labour, equipment, and materials permitting. Provided that lot grading has been completed in accordance with the municipally approved grading control plan, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto.
31. Where sidewalks are to be installed in front of the Real Property, the Purchaser is advised that the Vendor or the Developer, as the case may be, shall be completing the paving of the driveway approach within one year of occupancy. If the Vendor has not undertaken to pave or finish the driveway pursuant to this Agreement, the Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor, and the prior written consent of the Developer and the Municipality, if required by the subdivision agreement or any other municipal agreement. Following such approval and prior to completing the driveway, the Purchaser shall notify the Vendor in writing so that water keys can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment. Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser.
32. Until all services with respect to the development encompassing the Property have been assumed by the Municipality, and the maintenance period imposed by the Municipality with respect thereto has expired, the Purchaser shall not remove soil, change grades or drainage patterns, and shall not alter the width or location of the driveway, including that portion of the driveway situate on the boulevard or municipal road allowance adjacent to the Property. The Purchaser agrees that neither the Purchaser, nor his successors or assigns shall construct or install a swimming pool, fencing, or decking upon the Property until after the Vendor has obtained acceptance of lot grading from the Municipality.
33. In the event that any additions and/or improvements to the Real Property such as, but not limited to, porches, patios, plants, shrubs, trees, paved driveways or fences are located so as to alter or affect the grading and/or drainage patterns of the Real Property, then the Purchaser agrees to remove such additions and/or improvements at his own expense, forthwith upon the Vendor's request, failing which the Vendor may remove same at the Purchaser's expense.
34. The Purchaser covenants and agrees to reimburse the Vendor for any amount which the Vendor may be obliged to pay for damage caused by the Purchaser, or by those for whom it is in law responsible, to any services installed within the subdivision which services shall without limitation include survey stakes, landscaping, trees, curbs, streets, roads, sidewalks, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utility.
35. The Purchaser covenants that it will not at any time before or after Closing, without the prior written consent of the Vendor and the Developer, interfere with any drainage ditch completed by the Developer or take any steps which may result in the alteration or change of any grading or drainage or removal of soil or top soil in contravention of the Developer's obligations under the applicable subdivision agreement. In such event, the Vendor or the Developer may enter upon the Real Property and correct such grading and remove any such obstructions at the Purchaser's expense to be paid forthwith. This covenant may be included in the Purchaser's transfer at the option of the Vendor.
36. The Purchaser further acknowledges that settlement may occur due to soil disturbance and conditions including areas affecting walkways, driveways and soded areas. The Vendor agrees to rectify such settlement problems as and when required by the Municipality or the Developer subject to the Purchaser's obligation to assume the cost of removing and re-installing any driveways or walkways installed by the Purchaser.
37. The Purchaser's covenants contained in this Agreement shall not merge on Closing notwithstanding the delivery of a transfer from the Vendor, the Developer, or otherwise. If required by the Vendor, the Purchaser shall deliver on Closing, a written covenant confirming certain or all of the Purchaser's obligations contained in this Agreement.

RE-ENTRY FOR GRADING

38. The Purchaser acknowledges that the Vendor, or the Developer, as the case may be, shall grade and gravel the driveway in accordance with specifications

M. J.K

approved by the Municipality, the Purchaser is advised that it may be necessary for the Vendor, or the Developer, as the case may be, in order to comply with the grading requirements of the Municipality, to enter upon the Real Property in order to complete or alter the grading of such lot and that the conveyance to the Purchaser reserves a license to the Developer to enter upon the Real Property in order to complete or alter any of the grades on the said Real Property as may be required by the Municipality in order to provide proper drainage to any of the lots on the plan. The Purchaser further acknowledges being advised that the proposed lot grading may require the use of retaining walls and/or sloping.

MUNICIPAL AND OTHER MATTERS

39. The Purchaser acknowledges that title to the Real Property may on Closing be subject to subdivision or other development agreements and to restrictive covenants.

- (a) The Purchaser agrees that the Vendor shall not be obligated, either prior to, on, or after Closing, to obtain or register releases of any such subdivision or other development agreements or restrictive covenants provided that the same have been complied with as of the Closing Date, and the Purchaser further agrees to satisfy himself as to compliance.
- (b) The Purchaser further agrees to accept provisions in the Developer's deed to the Vendor or Purchaser, and to execute and grant any easements or rights of way for installation and/or maintenance of services as may be required, both before and after Closing, by any governmental or utility authority or body.

40. The Purchaser is notified that although the subdivision or other development agreements may require the issuance of an occupancy permit prior to the Purchaser being permitted to occupy the Dwelling, the practice of the Municipality may be such that oral consent to occupancy is given and that formal consent is given at some later date, including formal release with reference to other matters referred to in the subdivision or other development agreements. Provided that the Dwelling has been inspected and approved for occupancy by the Municipality on or before Closing, the Purchaser shall accept the undertaking of the Vendor to provide a copy of the occupancy permit or certificate to be issued by the Municipality as soon as possible after Closing. For the purpose of Closing, the Dwelling shall be deemed to be completed when all interior work has been substantially completed so that the Dwelling reasonably may be occupied, notwithstanding that there may remain exterior work to be completed including, but not limited to, painting, driveway paving, grading, siding and landscaping. There shall be no holdback or deduction on Closing for uncompleted work.

41. The Purchaser acknowledges that the subdivision agreement(s) may require the Vendor to provide the Purchaser with certain notices, including, but not limited to, notices regarding land usage, maintenance of municipal fencing, school transportation, noise levels from adjacent roadways, or noise and/or vibration levels from nearby railway lines or airports, the absence of door-to-door mail delivery, the location of "super-mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of the Real Property. The Purchaser agrees to be bound by the contents of any such notice whether given to the Purchaser at the time this Agreement was entered into or at any time thereafter up to Closing and covenants to execute forthwith upon request, an acknowledgement of having been given such notices in accordance with, and in full compliance of, such provisions of the subdivision agreement if and when required to do so by the Vendor.

42. The Purchaser agrees that he will not oppose any application for severance or rezoning (including all applications ancillary thereto) by the Vendor and/or the Developer, and their successors or assigns, and that this covenant may be pleaded by the said Vendor and/or Developer, its successors or assigns, as an estoppel to any such opposition or aid of an injunction restraining such opposition. The Purchaser shall extract a similar covenant from his successors in title and covenants with the Vendor that the burden of this covenant shall run with and be binding upon the Real Property and to the intent that the benefit thereof shall be annexed to and run with any lands owned by the Vendor and/or Developer and its successors in title within the subdivision or contiguous thereto.

MAINTENANCE OF SOD AND LANDSCAPING

43. The Purchaser acknowledges that grading and sodding shall be done between June and October of any year as per the Vendor's or the Developer's scheduling program and as seasonal conditions permit.

- (a) The Purchaser shall be solely responsible for the watering and general maintenance of the sod, trees and shrubs on the Property from and after the Closing Date, or from the date that the sod is laid or the trees and shrubs planted, whichever date is later, and the Vendor shall have no obligation in that regard. In the event that the Vendor is required to replace laid sod as a result of the Purchaser's default under this subparagraph, then the Vendor shall not be obliged to do so until payment has been made therefore by the Purchaser.
- (b) The Purchaser acknowledges that on certain lots within the subdivision it may become necessary as a result of the Vendor's building operation or as a result of the existing trees, and in addition thereto that the Vendor may be required to remove from the lot any dead, decaying or dangerous trees. The Vendor agrees to take all reasonable steps to preserve the existing trees on any lot or lots but in the event that the Vendor must remove any trees as a result of its building operations or grading or as a result of any trees being dead, decaying or dangerous, the Purchaser shall not be entitled to any abatement in the Purchase Price nor shall the Vendor be required to replace such trees.

TARIOR PRE-DELIVERY INSPECTION AND WARRANTY

44. The Vendor hereby advises the Purchaser that there is a mandatory Homeowner Information Package and Pre-Delivery Inspection Form (the "PDI Form") available from the Tarion Warranty Corporation, which shall be provided to the Purchaser on or before the Inspection date hereafter described.

45. Prior to the Closing Date, the Vendor agrees to make available, and the Purchaser and/or his or her designate agrees to meet, a representative of the Vendor during normal working hours in order to perform a joint Pre-Delivery Inspection (the "PDI") of the Real Property, in accordance with the requirements and duties specified for both of them by the Tarion Warranty Corporation. Subject to and in accordance with the requirements of the Tarion Warranty Corporation, the Purchaser and/or the designate shall be responsible to attend at the inspection sufficiently in advance of the Closing Date, on a mutually convenient date specified by the Vendor, in order to inspect the Dwelling. If there are any deficiencies, missing items, or incomplete work (including upgrades) remaining at the time of inspection, such items shall be listed on the PDI form and the Certificate of Completion and Possession ("CCP") required to be completed pursuant to the provisions of the Tarion Warranty Program, which the Purchaser covenants to execute. The Information on the Vendor's PDI Form shall be deemed to be conclusive evidence of the state of the Dwelling and the Real Property on the date the Vendor's PDI Form is signed. If the Purchaser or his/her designate fails to attend for an inspection, or refuses to complete the Vendor's PDI Form and the CCP, the Vendor may complete the Vendor's PDI Form and the CCP, and the Purchaser shall be bound thereby to the same extent as if the Purchaser had executed both forms. Alternatively, the Vendor may terminate this Agreement with liability to the Purchaser if the Purchaser fails to complete the two forms aforesaid.

46. The Tarion Warranty shall constitute the Vendors' only warranty, express or implied, in respect of any aspect of construction of the Dwelling and shall be the full extent of the Vendor's liability for defects in materials or workmanship or damage, loss or injury of any sort, whether arising in tort or in contract. The Purchaser is urged to review the warranty, particularly its exclusions, and to be aware that the Vendor is not liable for loss or damage to any landscaping, furnishing or improvement by the Purchaser caused either by any defect for which the Vendor is responsible or by the remedying of such defect.

TITLE

47. Title to the Real Property shall be good and free from encumbrances except that it may be subject to subdivision or other agreements, covenants and restrictions (which restrictions may include the power to waive or vary), easements, licenses and rights required by the Vendor, Developer, Municipality or other affecting authorities including utilities, all of which the Purchaser shall accept provided there does not exist default under any and provided that the Purchaser's use of the Real Property for residential purposes is permitted. The Purchaser shall satisfy himself or herself as to compliance with such matters and any releases specifically contemplated in such agreements may be obtained by the Vendor subsequent to Closing. Title may also be subject to easements for maintenance or encroachment required for adjoining properties and to the encroachments permitted thereby. If any of the foregoing easements, restrictions or rights are required to be created after Closing the Purchaser shall execute any documents needed. The rights of reentry referred to in this Agreement shall also affect title and these rights as well as any of the above may be contained in the transfer delivered to the Purchaser.

48. Municipal subdivision agreements regulate development. The Purchaser should inquire of the Municipality on whether the applicable subdivision agreement contains special warnings, construction or servicing requirements, easement, fences or berms or other matters affecting the Real Property.

49. The Purchaser shall be allowed until thirty (30) days before the Closing Date to examine the title at his or her own expense and if, within that time, any valid objection to title is made in writing to the Vendor, which the Vendor is unable or unwilling to remove and which the Purchaser will not waive, this Agreement shall notwithstanding any intermediate act or negotiations, be at an end and the Deposit shall be returned without interest or deduction and the Vendor shall not be liable for any damages or costs whatever. Save as to any valid objections so made within such time or going to the root of title, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Real Property. The Purchaser is not to call for the production of any title deeds, or other evidence of title except as are in the possession of the Vendor.

Handwritten initials: A. J. K.

PRIOR MORTGAGES

50. Title to the Real Property may be encumbered by mortgages not to be assumed by the Purchaser on Closing. The Purchaser agrees to accept the Vendor's written undertaking to remove, or to enforce the undertaking of the mortgagee's solicitors, as the case may be, to remove such encumbrance on title within a reasonable time after Closing if accompanied by,

- (a) a written statement from the mortgagee of the amount required to be paid to obtain a discharge of the Real Property; and
- (b) payment by the Vendor, an undertaking of the Developer to make payment, or a direction from the Vendor permitting payment to that mortgagee of such amount by the Purchaser; or
- (c) written confirmation by the mortgagee that a discharge will be available without any action or payment on the part of the Purchaser or Vendor;
- (d) together with an undertaking by the Vendor's solicitors to remit to the mortgagee any funds directed to it pursuant to (b) above and to register any such discharge when received by them.

RISK

51. The Dwelling shall remain at the Vendor's risk until Closing. If the Dwelling is damaged prior to Closing by a peril normally covered by all-risk building insurance, which damage can be repaired within 120 days, the Vendor shall repair the damage, finish the Dwelling and complete the sale. If the damage cannot be repaired within 120 days this agreement shall be at an end and the Deposit shall be returned without interest or deduction. The time needed for repair shall be estimated by the Vendor within 15 days of the damage. Extensions to the Closing Date required for repairs shall be in addition to those which may have occurred pursuant to paragraph 5 but the Vendor may not further extend under paragraph 5 for such repairs only, unless the Purchaser consents in writing.

TRANSEER

52. The transfer shall be prepared by the Vendor's solicitors at the Vendor's expense and shall be registered forthwith on Closing by the Purchaser's his or her expense. The Purchaser agrees to advise the Vendor's solicitors, at least sixty (60) days prior to the Closing Date, as to how the Purchaser will take title to the Real Property and of the birth dates of any parties taking title to the Real Property. Title may be conveyed directly from the Developer to the Purchaser if it is, and if the Vendor so requests, the Purchaser shall execute an acknowledgment that the Developer is not the builder and has no liability to the Purchaser as such.

NON-ASSIGNABLE

53. This Agreement is personal to the Purchaser and may not be assigned other than to the Purchaser's spouse without the Vendor's written approval. Prior to closing, the Purchaser covenants that it shall not advertise or list or enter into an agreement to sell the Real Property for resale without the Vendor's prior written approval in its sole discretion.

If any such registration occurs, the Vendor may terminate this Agreement forthwith. Further, the Purchaser hereby irrevocably consents to a court order removing such registration and agrees to pay all costs of obtaining such order.

CLOSING TENDER

56. The parties waive personal tender and agree that (a) other mutually acceptable arrangements, tender may be validly made if the tendering party attends at the Registry Office in which the title to the Real Property is recorded at 4:00 o'clock p.m. on the Closing Date and for a period of one-half hour thereafter shall be ready, willing and able to close or alternatively, the tender may be validly made upon the designated solicitors for the party being tendered upon. The parties agree that payment must be made or tendered by bank draft or cheque certified by a Canadian Chartered Bank, trust company or Province of Ontario Savings Office. Mortgages not being assumed by the Purchaser need not be paid by the Vendor, only arrangements made to do so in accordance with paragraph 50 in case the Purchaser should complete the transaction.

57. The Purchaser agrees that keys may be released to the Purchaser at the construction site or sales office on Closing. The Vendor's advice that keys are available shall be a valid tender of possession of the Real Property to the Purchaser.

- (e) Paragraph 56 is hereby amended to provide that tender shall have been validly made by the Vendor when the "Completeness Signatory" for the Transfer/Deed of Land has been electronically "signed" by the Vendor's solicitor and same shall be satisfactory evidence that the Vendor is ready, willing and able to complete the sale.

Statement Of Critical Dates

Delayed Closing Warranty

This Statement of Critical Dates forms part of the Addendum to which it is attached, which in turn forms part of the agreement of purchase and sale between the Vendor and the Purchaser relating to the Property. The Vendor must complete all blanks set out below.

NOTE TO HOME BUYERS: Please visit Tarion's website: www.tarion.com for important information about all Tarion's warranties including the Delayed Closing Warranty, the Pre-Delivery Inspection and other matters of interest to new home buyers. You can also obtain a copy of the Homeowner Information Package which is strongly recommended as essential reading for all home buyers. The website features a calculator which will assist you in confirming the various Critical Dates related to the closing of your purchase.

Note that the dates marked with * are not firm dates, but rather reflect the latest date the event in question could occur. Each of these dates may be set earlier than the date shown, as described below and explained in more detail in the Addendum. When a Second Tentative Closing Date, a Firm Closing Date or a Delayed Closing Date is formally set, some or all of the subsequent dates may change as well. The Purchaser should consult Tarion's website, and the Addendum, for further information on how to calculate revised Critical Dates.

1. Critical Dates

The First Tentative Closing Date, which is the date that the Vendor anticipates the home will be completed and ready to move in, is:

the 30th day of Oct, 2012

A Second Tentative Closing Date can subsequently be set by the Vendor by giving proper written notice within the 90-day time period noted in section 2 below. The Second Tentative Closing Date can be up to 120 days after the First Tentative Closing Date, and so could be as late as:

the 30th day of Jan, 2013

The Vendor must set a Firm Closing Date by giving proper written notice within the 90-day time period noted in section 2 below. The Firm Closing Date can be up to 120 days after the Second Tentative Closing Date, and so could be as late as:

the 30th day of May, 2013

If the Vendor cannot close by the Firm Closing Date, then the Purchaser is entitled to delayed closing compensation (see section 9 of the Addendum) and the Vendor must set a Delayed Closing Date.

The Vendor can set a Delayed Closing Date that is up to 365 days after the earlier of the Second Tentative Closing Date and the Firm Closing Date. This Outside Closing Date could be as late as:

the 30th day of Oct, 2013

2. Notice Period for a Closing Delay

Changing a Closing date requires proper written notice. The Vendor, without the Purchaser's consent, can delay Closing twice by up to 120 days each time by setting a Second Tentative Closing Date and then a Firm Closing Date.

Notice of a delay beyond the First Tentative Closing Date must be given no later than: (i.e., 90 days before the First Tentative Closing Date), or else the First Tentative Closing Date becomes the Firm Closing Date.

the 30th day of Aug, 2012

Notice of a second delay in Closing must be given no later than: (i.e., 90 days before the Second Tentative Closing Date), or else the Second Tentative Closing Date becomes the Firm Closing Date.

the 30th day of Nov, 2012

3. Purchaser's Termination Period

If the home is not complete by the Outside Closing Date, and the Vendor and the Purchaser have not otherwise agreed, then the Purchaser can terminate the transaction during a period of 30 days thereafter (the "Purchaser's Termination Period"), which period could end as late as:

the ___ day of ___, 20__

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed closing compensation and to a full refund of all monies paid plus interest (see sections 9, 11 and 12 of the Addendum).

Note: Anytime a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to the most recent agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 7 of the Addendum).

If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.

3. Setting the Tentative Closing Date and the Firm Closing Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall set out, in the Statement of Critical Dates, the First Tentative Closing Date.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser no later than 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser no later than 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser no later than 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) must set out the Second Tentative Closing Date or Firm Closing Date, as the case may be, and state that the setting of such date may change other future Critical Dates, as applicable, in accordance with the terms of the Addendum.

4. Changing the Firm Closing Date - Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 3, can be changed only:
- (i) by the mutual written agreement of the Vendor and Purchaser in accordance with section 5;
 - (ii) by the Vendor setting a Delayed Closing Date in accordance with section 6; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 7.
- (b) If a new Firm Closing Date is set in accordance with section 5 or 7, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

5. Changing Critical Dates - By Mutual Agreement

- (a) This Addendum sets out a structure for setting, extending and/or accelerating Closing dates, which cannot be altered contractually except as set out in this section 5 and in paragraph 7(c).
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend a Firm Closing Date or a Delayed Closing Date in each case to a new specified calendar date. The amendment must comply with the requirements of section 10.
- (c) The Vendor and Purchaser may at any time after signing the Purchase Agreement mutually agree in writing to accelerate the First Tentative Closing Date and correspondingly reset all the Critical Dates provided that:
- (i) the mutual amendment is signed at least 180 days prior to the First Tentative Closing Date;
 - (ii) all the Critical Dates including the Outside Closing Date are moved forward by the same number of days (subject to adjustment so that Critical Dates fall on Business Days);
 - (iii) a new Statement of Critical Dates is signed by both parties at the time the amendment is signed and a copy is provided to the Purchaser; and
 - (iv) the Purchaser is given a three (3) Business Day period in which to review the amendment after signing and if not satisfied with the amendment may terminate the amendment (but not the balance of the Purchase Agreement), upon written notice to the Vendor within such 3-day period.
- Any such amendment must be by mutual agreement and, for greater certainty, neither party has any obligation to enter into such an amendment.
- (d) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to Close on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (e) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

6. Changing the Firm Closing Date - By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 5 and 7 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 9.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date. However, if the Vendor selects a Delayed Closing Date that is more than 365 days after the earlier of: (i) the Firm Closing Date, and (ii) the Second Tentative Closing Date, then the Vendor's written notice setting the Delayed Closing Date shall include a statement explaining that the Purchaser need not accept the full delay and will have the right to terminate the Purchase Agreement after 365 days of delay as described in section 11.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event no later than 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 9(c).
- (d) If a Delayed Closing Date is set and the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to an Unavoidable Delay under section 7 or is mutually agreed upon under section 5, in which case the requirements of those sections must be met. Paragraphs 6(b) and 6(c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 11.

7. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of 10 days thereafter, and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 10 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph 7(c), the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 9 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section must set out the revised next Critical Date and state that the setting of such date may change other future Critical Dates, as applicable, in accordance with the terms of the Addendum.

8. Building Code – Conditions of Occupancy

- (a) On or before the date of Closing, the Vendor shall deliver to the Purchaser:
- where a registered code agency has been appointed for the building or part of the building under the *Building Code Act* (Ontario), a final certificate with respect to the home that contains the prescribed information as required by s. 11(3) of the *Building Code Act*; or
 - where a registered code agency has not been so appointed, either:
 - an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - a signed written confirmation by the Vendor that: (i) provisional or temporary occupancy of the home has been authorized under Article 1.3.3.1 of Division C of the *Building Code*; or (ii) the conditions for residential occupancy of the home as set out in s. 11 of the *Building Code Act* or Article 1.3.3.2 of Division C of the *Building Code*, as the case may be (the "Conditions of Occupancy") have been fulfilled.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for certain Conditions of Occupancy (the "Purchaser Obligations"):
- the Purchaser may not refuse to close on the basis that the Purchaser Obligations have not been completed;
 - the Vendor shall deliver to the Purchaser, upon fulfilling the Conditions of Occupancy (other than the Purchaser Obligations), a signed written confirmation that the Vendor has fulfilled such Conditions of Occupancy; and
 - if the Purchaser and Vendor have agreed that the Conditions of Occupancy (other than the Purchaser Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(iii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(iii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 6, and delayed closing compensation shall be payable in accordance with section 9. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(iii) is because the Purchaser has failed to satisfy the Purchaser Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences the fact that authority to occupy the home has been granted.

9. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if the Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 5 or 7), then the Vendor shall compensate the Purchaser for all costs incurred by the Purchaser as a result of the delay up to a total amount of \$7,500, which amount includes payment to the Purchaser of \$150 a day for living expenses for each day of delay until the date of Closing or the date of termination of the Purchase Agreement, as applicable under paragraph (b).
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraphs 11(b), (c) or (e) of this Addendum, after delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 6(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser more than 90 days before the First Tentative Closing Date instead of setting a Second Tentative Closing Date under section 3, then delayed closing compensation is payable from the date that is 240 days after the First Tentative Closing Date. Similarly, if the Vendor gives written notice of a Delayed Closing Date to the Purchaser more than 90 days before the Second Tentative Closing Date instead of setting a Firm Closing Date under section 3, delayed closing compensation is payable from the date that is 120 days after the Second Tentative Closing Date.
- (e) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (f) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation within 180 days after Closing and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 9 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgment signed by both parties which:
- includes the Vendor's assessment of the delayed closing compensation payable;
 - describes in reasonable detail the cash amount, goods, services or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed closing compensation payable by the Vendor.
- A true copy of the acknowledgment (showing clearly the municipal address and enrolment number of the home on the first page) shall be provided to Tarion by the Vendor within 30 days after execution of the acknowledgment by the parties.
- (g) If the Vendor and Purchaser cannot agree as contemplated in paragraph 9(f), then to make a claim to Tarion, the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sales transaction is terminated under paragraphs 11(b), (c) or (e), in which case the deadline is 180 days after termination for a claim to the Vendor and one (1) year after termination for a claim to Tarion.

10. Changes to Critical Dates

- (a) Whenever the parties by mutual agreement extend or accelerate either the Firm Closing Date or the Delayed Closing Date this section applies.

10. Changes to Critical Dates (continued)

- (b) If the change involves acceleration of either the Firm Closing Date or the Delayed Closing Date, then the amending agreement must set out each of the Critical Dates (as changed or confirmed).
- (c) If the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
 - (i) disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 9 above;
 - (ii) unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services or other consideration which the Purchaser accepts as compensation (the "Compensation"); and
 - (iii) contain a statement by the Purchaser that the Purchaser waives compensation or accepts the above-noted Compensation, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.
- (d) If the Purchaser for his or her own purposes requests a change of date or dates, then paragraph 10(c) shall not apply.

11. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written consent, such written consent to be given at the time of the termination.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred within 365 days after the earlier of: (i) the Firm Closing Date, and (ii) the Second Tentative Closing Date, the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination, then the Delayed Closing Date shall be the date set by the Vendor under paragraph 6(b).
- (c) If calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the requirements of section 2.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of delay in Closing alone.

12. Return of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), the Vendor shall return all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of return to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor and/or a termination agreement as a prerequisite to obtaining the return of monies payable as a result of termination of the Purchase Agreement under this paragraph.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of the Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs 12(a) and (b), if either party initiates legal proceedings to contest termination of the Purchase Agreement or the return of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

13. Disputes Regarding Termination

- (a) The Vendor and Purchaser agree that disputes arising between them relating to termination of the Purchase Agreement under section 11 shall be submitted in arbitration in accordance with the *Arbitration Act, 1991* (Ontario) and subsection 17(4) of the Act.
- (b) The parties agree that the arbitrator shall have the power and discretion, on motion by the Vendor or Purchaser or any other interested party, or of the arbitrator's own motion, to consolidate multiple arbitration proceedings on the basis that they raise one or more common issues of fact or law that can more efficiently be addressed in a single proceeding. The arbitrator has the power and discretion to prescribe whatever procedures are useful or necessary to adjudicate the common issues in the consolidated proceedings in the most just and expeditious manner possible. The *Arbitration Act, 1991* (Ontario) applies to any consolidation of multiple arbitration proceedings.
- (c) The Vendor shall pay the costs of the arbitration proceedings and the Purchaser's reasonable legal expenses in connection with the proceedings unless the arbitrator for just cause orders otherwise.
- (d) The parties agree to cooperate so that the arbitration proceedings are conducted as expeditiously as possible, and agree that the arbitrator may impose such time limits or other procedural requirements, consistent with the requirements of the *Arbitration Act, 1991* (Ontario), as may be required to complete the proceedings as quickly as reasonably possible.
- (e) The arbitrator may grant any form of relief permitted by the *Arbitration Act, 1991* (Ontario), whether or not the arbitrator concludes that the Purchase Agreement may properly be terminated.

14. Addendum Prevails

The Addendum forms part of the Purchase Agreement. The Vendor and Purchaser agree that they shall not include any provision in the Purchase Agreement or any amendment to the Purchase Agreement or any other document (or indirectly do so through replacement of the Purchase Agreement) that derogates from, conflicts with or is inconsistent with the provisions of this Addendum, except where this Addendum expressly permits the parties to agree or consent to an alternative arrangement. The provisions of this Addendum prevail over any such provision.

15. Time Periods, and How Notice Must Be Sent

- (a) Any written notice required under this Addendum may be given personally or sent by email, fax, courier or registered mail to the Purchaser or the Vendor at the address/contact numbers identified on page 2 or replacement address/contact numbers as provided in paragraph (c) below. Notices may also be sent to the solicitor for each party if necessary contact information is provided, but notices in all events must be sent to the Purchaser and Vendor, as applicable.
- (b) Written notice given by one of the means identified in paragraph (a) is deemed to be given and received: on the date of delivery or transmission, if given personally or sent by email or fax (or the next Business Day if the date of delivery or transmission is not a Business Day); on the second Business Day following the date of sending by courier; or on the fifth Business Day following the date of sending, if sent by registered mail. If a postal stoppage or interruption occurs, notices shall not be sent by registered mail, and any notice sent by registered mail within 5 Business Days prior to the commencement of the postal stoppage or interruption must be re-sent by another means in order to be effective. For purposes of this paragraph 15(b), Business Day includes Remembrance Day, if it falls on a day other than Saturday or Sunday, and Easter Monday.
- (c) If either party wishes to receive written notice under this Addendum at an address/contact number other than those identified on page 2, the party shall send written notice of the change of address/contact number to the other party.
- (d) Time periods within which or following which any act is to be done shall be calculated by excluding the day of delivery or transmission and including the day on which the period ends.
- (e) Time periods shall be calculated using calendar days including Business Days but subject to paragraphs (f), (g) and (h) below.
- (f) Where the time for making a claim under this Addendum expires on a day that is not a Business Day, the claim may be made on the next Business Day.
- (g) Print notice periods that begin on a day that is not a Business Day shall begin on the next earlier Business Day except that notices may be sent and/or received on Remembrance Day, if it falls on a day other than Saturday or Sunday, or Easter Monday.
- (h) Every Critical Date must occur on a Business Day. If the Vendor sets a Critical Date that occurs on a date other than a Business Day, the Critical Date is deemed to be the next Business Day.

SCHEDULE A
Types of Permitted Early Termination Conditions
(Section 2)

1. The Vendor of a freehold home is permitted to make the Purchase Agreement conditional as follows:

- (a) upon receipt of Approval from an Approving Authority for:
- (i) a change to the official plan, other governmental development plan or zoning by-law (including a minor variance);
 - (ii) a consent to creation of a lot(s) or part-lot(s);
 - (iii) a certificate of water potability or other measure relating to domestic water supply to the home;
 - (iv) a certificate of approval of septic system or other measure relating to waste disposal from the home;
 - (v) completion of hard services for the property or surrounding area (i.e., roads, rail crossings, water lines, sewage lines, other utilities);
 - (vi) allocation of domestic water or storm or sanitary sewage capacity;
 - (vii) easements or similar rights serving the property or surrounding area;
 - (viii) site plan agreements, density agreements, shared facilities agreements or other development agreements with Approving Authorities or nearby landowners, and/or any development Approvals required from an Approving Authority; and/or
 - (ix) site plans, plans, elevations and/or specifications under architectural controls imposed by an Approving Authority.

The above-noted conditions are for the benefit of both the Vendor and the Purchaser and cannot be waived by either party.

(b) upon:

- (i) receipt of Approval from an Approving Authority for a basement walkout; and/or
- (ii) confirmation by the Vendor that it is satisfied the Purchaser has the financial resources to complete the transaction.

The above-noted conditions are for the benefit of the Vendor and may be waived by the Vendor in its sole discretion.

2. The following definitions apply in this Schedule:

"Approval" means an approval, consent or permission (in final form not subject to appeal) from an Approving Authority and may include completion of necessary agreements (i.e., site plan agreement) to allow lawful access to and use and occupancy of the property for its intended residential purpose.

"Approving Authority" means a government (federal, provincial or municipal), governmental agency, Crown corporation or quasi-governmental authority (a privately operated organization exercising authority delegated by legislation or a government).

3. Each condition must:

- (a) be set out separately;
- (b) be reasonably specific as to the type of Approval which is needed for the transaction; and
- (c) identify the Approving Authority by reference to the level of government and/or the identity of the governmental agency, Crown corporation or quasi-governmental authority.

4. For greater certainty, the Vendor is not permitted to make the Purchase Agreement conditional upon:

- (a) receipt of a building permit;
- (b) receipt of an occupancy permit; and/or
- (c) completion of the home.

IMRAM JINNAH

("Jinnah", and all such parties and each person executing a Joinder Agreement (as defined below), individually, a "Party" and, collectively, the "Parties").

RECITALS:

A. Beginning in 2004, certain entities for which Jinnah acted as signing officer registered with Tarion under the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, c. O. 31 (the "Act") as vendors, builders or both vendors and builders as such terms are defined in the Act (collectively, the "Silver Streams Registrants"), including, without limitation, as follows:

1. Homes' registration was approved and became effective on May 10, 2004;
2. 2147650's registration was approved and became effective on May 27, 2010;
3. 2148991's registration was approved and became effective on May 27, 2010;
4. 2148990's registration was approved and became effective on May 27, 2010;
5. 2148993's registration was approved and became effective on May 27, 2010;
and
6. 2147681's registration was approved and became effective on May 27, 2010.

B. By virtue of Jinnah's and the Silver Streams Registrants' misunderstanding, Puccini was not registered under the Act contemporaneously or otherwise with the Silver Streams Registrants, despite Jinnah and the Silver Streams Registrants at all times intending that Puccini be a registrant under the Act, and verily believing that Puccini was a registrant under the Act.

C. In connection with their registrations, the Silver Streams Registrants were required to, and did, provide security to Tarion in the aggregate amount of \$1,240,000, as follows:

1. Letter of Credit in favour of Tarion
Issuing Bank: Bank of Montreal
Number: BMTO365621OS
Amount: \$250,000
Date: April 12, 2012
2. Letter of Credit in favour of Tarion
Issuing Bank: Bank of Montreal
Number: BMTO313560OS
Amount: \$400,000
Date: November 12, 2010

3. Letter of Credit in favour of Tarion
Issuing Bank: Bank of Montreal
Number: BMTO241737OS
Amount: \$270,000
Date: January 13, 2009
4. Cash Deposit in favour of Tarion
Amount: \$320,000

(the above-referenced letters of credit, the "Letters of Credit", the above-referenced cash deposit, the "Cash Deposit", and the Letters of Credit and Cash Deposit, collectively, the "Security").

D. Jinnah and the Silver Streams Registrants at all times intended that Tarion would have recourse and access to the Security for the payment by Tarion out of the Guarantee Fund established under the Act for valid claims made by purchasers in connection with any properties for which Puccini acted as vendor under agreements of purchase and sale.

E. On December 17, 2013, Homes, Puccini, 2148993, 2148990, 2147681 and 2147650 (collectively, the "CCAA Debtors") sought, and received, protection from their creditors under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 pursuant to an Initial Order of the Ontario Superior Court of Justice (Commercial List) (the "Court", and such proceedings, the "CCAA Proceedings"), and Grant Thornton Limited was appointed as Monitor of the CCAA Debtors in the CCAA Proceedings (in such capacity, the "Monitor").

F. Despite not being registered under the Act, both prior and subsequent to the commencement of the CCAA Proceedings, Puccini acted as vendor under certain purchase agreements (the "Purchase Agreements") in respect of certain new home sales (the "Puccini Sales"), as set out on Schedule "A" hereto.

G. Since the commencement of the CCAA Proceedings, Tarion has received, assessed and paid out of the Guarantee Fund certain claims made by purchasers in connection with the Purchase Agreements and Puccini Sales, as set out on Schedule "B" hereto (the "Claims to Date"), and may receive, assess and pay out of the Guarantee Fund additional claims (the "Future Claims", and together with the Claims to Date, the "Puccini Claims").

H. On September 3, 2014, at the behest of Tarion, in its regulatory capacity as the Registrar under the Act, a Summons was issued to Puccini (the "POA Charge") pursuant to section 24 of the *Provincial Offences Act*, R.S.O. 1990, c. P. 33 in respect of Puccini's offences under section 22 of the POA, specifically Puccini's acting as vendor of a new home without being properly registered pursuant to the Act. For greater certainty, one of the purposes of this settlement agreement (the "Agreement") is to resolve the POA Charge in accordance with the terms and conditions of this Agreement.

I. The Parties hereto have agreed to settle the above issues subject to the terms and conditions of this Agreement.

NOW THEREFORE, for good and valuable consideration and the sum of TEN DOLLARS (\$10.00) of lawful money of Canada paid by each of the Parties hereto to the other (the receipt and sufficiency thereof being hereby acknowledged), the Parties hereto hereby agree together as follows:

AGREEMENT:

1. The Parties hereto acknowledge and confirm the accuracy and validity of all the above Recitals.
2. As promptly as possible, but in no event later than the date that is fourteen calendar days after the date upon which this Agreement is entered into by the Parties, the CCAA Debtors shall serve on the CCAA Debtors' service list as supplemented with such additional parties as Tarion may reasonably request (the "Service List") an affidavit (the "Agreement Affidavit") and shall file the Agreement Affidavit with the Court. The Agreement Affidavit shall, *inter alia*: (a) describe this Agreement; (b) advise the Court, creditors and other interested parties of: (i) the CCAA Debtors' execution, delivery and performance of this Agreement; and (ii) the Monitor's receipt of this Agreement; and (c) request that any person wishing to oppose, or object to, the CCAA Debtors' execution, delivery or performance of this Agreement shall serve notice of such opposition or objection (a "Notice of Objection") on the Service List by no later than fourteen calendar days from the date on which the Agreement Affidavit is served on the Service List. For greater certainty, the service of a Notice of Objection shall be considered an Objection (as defined below).
3. If in their discretion, acting reasonably, each of Tarion and each of the CCAA Debtors determine that any person opposes, or objects to, the CCAA Debtors' execution, delivery or performance of this Agreement or takes any action that would be detrimental to the implementation of this Agreement (each, an "Objection"), then the CCAA Debtors agree to take the following actions:
 - (a) The CCAA Debtors shall as promptly as possible, but in no event later than the date that is the later of: (i) ten calendar days after an Objection; and (ii) the earliest date that the Court has available for a 9:30 a.m. scheduling appointment, attend at a 9:30 a.m. scheduling appointment before the Court (the "Scheduling Appointment") in order to schedule the Agreement Approval Motion (as defined below).
 - (b) The CCAA Debtors shall as promptly as possible, but in no event later than the date that is seven calendar days after the Scheduling Appointment, serve a motion record including a notice of motion and affidavit, including a draft Agreement Approval Order (as defined below) on the CCAA Debtors' service list as supplemented with such additional Parties as Tarion may reasonably request (the "Agreement Approval Motion") and shall file such motion record with the Court seeking an order (as granted, the "Agreement Approval Order") of the Court, approving of the execution, delivery and performance of this Agreement. The Agreement Approval Order shall be in the form attached as

Schedule "C" hereto, with only such changes as the CCAA Debtors and Tarion shall approve in their reasonable discretion.

- (c) The CCAA Debtors shall request that the Monitor report to the Court on this Agreement.
- (d) The CCAA Debtors shall use their best efforts to obtain Court approval of the Agreement Approval Order.
- (e) If the Agreement Approval Order shall be appealed by any person (or an application for certiorari or motion for leave to appeal, rehearing, re-argument, variation or vacating or stay shall be filed with respect thereto), the CCAA Debtors agree to take all reasonable steps, and use their reasonable best efforts, including incurring reasonable legal expenses, to defend against such appeal, application or motion, and Tarion agrees to cooperate in such efforts. The Parties hereby agree to use their reasonable best efforts to obtain an expedited resolution of such appeal, application or motion; provided, however, that, subject to the conditions set forth herein, nothing shall preclude the Parties from consummating the transactions contemplated hereby if the Agreement Approval Order shall have been entered but shall not have become an order: (a) as to which no appeal, notice of appeal, motion for leave to appeal, motion to amend, vacate or make additional findings of fact, motion to alter or amend judgment, motion for rehearing, amendment, vacatur, additional findings or alteration or amendment of judgment or motion for new trial has been timely filed or, if any of the foregoing has been timely filed, it has been disposed of in a manner that upholds and affirms the Agreement Approval Order, without the possibility for further appeal or rehearing thereon; (b) as to which the time for instituting or filing an appeal, motion for rehearing or motion for new trial shall have expired; and (c) as to which no stay is in effect (a "Final Order"), or require the Parties to do so unless they mutually so agree.

4. The CCAA Debtors and Tarion shall cooperate with the filing of the Agreement Affidavit and, to the extent necessary, the filing of the Agreement Approval Motion and obtaining entry of the Agreement Approval Order. The CCAA Debtors and Tarion shall each use their best efforts to: (a) address the concerns of the Court, any creditor or any other interested party with respect to the CCAA Debtors' execution, delivery and performance of this Agreement; and (b) obtain an expedited resolution of any oppositions or objections to the CCAA Debtors' execution, delivery and performance of this Agreement.

5. The CCAA Debtors shall deliver to Tarion prior to filing, and as early in advance as is practicable to permit adequate and reasonable time for Tarion and its counsel to review and comment, copies of all proposed motions, affidavits, notices, statements, schedules, applications, reports and other material papers that are required to be filed by the CCAA Debtors pursuant to this Agreement, any relief requested in connection therewith and any objections thereto.

6. This Agreement shall only become effective upon the date (the "Effective Settlement Date") that all of the following conditions precedent have been satisfied: (a) the Agreement has been duly executed and delivered by the Parties and its receipt acknowledged by the Monitor; and (b) fourteen calendar days shall have elapsed from the date on which the Agreement Affidavit is served on the CCAA Debtors' service list; provided, however, that in the event that the CCAA Debtors are required to take the steps contemplated in Section 3 hereof, the Effective Settlement Date shall be the date upon which the Court shall have granted the Agreement Approval Order and such order shall be a Final Order. The Parties acknowledge and agree that this Agreement will have no force and effect and shall become null and void if the Effective Settlement Date does not occur prior to March 31, 2015, unless the Parties otherwise agree in writing.
7. Prior to the Effective Settlement Date, subject to the terms and conditions of this Agreement, each of the Parties hereto shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, and to cooperate with each other in order to do or cause to be done, all things necessary, proper or advisable under applicable law to consummate the transactions contemplated by this Agreement as soon as practicable and cause the fulfillment at the earliest practicable date of the conditions to the Parties' obligations to consummate the transactions contemplated by this Agreement.
8. Upon the Effective Settlement Date, Homes and Puccini shall duly execute and deliver the assignment and assumption agreement (the "Assignment and Assumption Agreement") in the form attached as Schedule "D" hereto.
9. Forthwith following the Effective Settlement Date, Tarion shall cause the POA Charge to be dismissed or withdrawn on a without costs basis. In the event that the Effective Settlement Date does not occur prior to the return appearance in the POA Charge proceedings that is scheduled for February 20, 2015, Tarion shall consent to an adjournment of such appearance on such terms as to be agreed between Tarion and Puccini, each acting reasonably.
10. Forthwith following the final determination of the Puccini Claims by Tarion, including, *inter alia*, the receipt, assessment and payment out of the Guarantee Fund of all Puccini Claims and Tarion's corresponding realization on the Security and personal guarantees (the "Personal Guarantees"), or any part thereof, that were previously provided by Jinnah in connection with the registration under the Act of the Silver Streams Registrants, Tarion shall release Jinnah from the balance of the Personal Guarantees.
11. Without limiting the foregoing, on and after the Effective Settlement Date, each party shall cooperate with the other Parties, without any further consideration, to cause to be executed and delivered, all instruments, including instruments of conveyance, novations, assignment and transfer, and to make all filings with, and to obtain all consents, under any permit, license, agreement, indenture or other instrument or regulation, and to take all such other actions as any of the Parties may reasonably request any other Parties to take from time to time, consistent with the terms of this Agreement, in order to effectuate the provisions and purposes of this Agreement and the transactions contemplated thereby, including, without limitation, in respect of: (a) the Puccini Claims; (b) the Purchase Agreements; (c) the POA

Charge; (d) the Security; (e) the assignment by Puccini, and the assumption by Homes, of the Purchase Agreements; and (f) the provision to Tarion of recourse, and access, to the Security in connection with the Puccini Claims.

12. If in its sole discretion, acting reasonably, Tarion determines that it is necessary in order to give effect to this Agreement for any Silver Streams Registrants that are not Parties to this Agreement (each, a "Joining Party") to execute a joinder agreement (the "Joinder Agreement") in the form attached as Schedule "E" hereto, with such changes thereto as are necessary or desirable to comply with the requirements of this Agreement, the other Parties hereto shall cause each such Joining Party to execute such Joinder Agreement.

13. The Parties hereto shall bear their own costs and expenses, including legal costs, respecting this Agreement and its implementation.

14. Time shall be of the essence of this Agreement and of each and every provision hereof.

15. This Agreement shall be construed and enforced in accordance with, and the rights of the Parties shall be governed by, the laws of the Province of Ontario and of Canada applicable therein. The Parties hereto irrevocably attorn to the jurisdiction of the Court in respect of the subject matter of this Agreement and all documents entered into thereunder.

16. This Agreement shall enure to the benefit of and be binding upon the Parties hereto and their respective heirs, executors, administrators, personal representatives, successors and assigns.

17. This Agreement constitutes the entire agreement between the Parties hereto in relation to the subject matter hereof and supersedes all prior agreements, proposals, discussions and representations, whether oral or written, between the Parties relating thereto.

18. Each of the Parties hereto shall promptly do, make, execute, deliver or cause to be done, made, executed or delivered, at the expense of the requesting party, all such further acts, documents and things as another party hereto may reasonably require from time to time for the purpose of giving effect to this Agreement and shall use its reasonable efforts and take all such steps as may be reasonably within its power to implement to their full extent the provisions of this Agreement.

19. This Agreement may only be modified, cancelled, or extended by an instrument in writing signed by all of the Parties hereto.

20. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be deemed to be an original and such counterparts together shall constitute one and the same agreement. The delivery of a facsimile or electronic copy of an executed counterpart of this Agreement shall be deemed to be valid execution and delivery thereof.

21. By executing this Agreement, each of the Parties hereto acknowledges that it has been advised to seek independent legal counsel in connection with the execution of this Agreement

and with respect to its obligations and rights hereunder. Each of the Parties hereto acknowledges that it has sought the advice of counsel and other advisors or has determined that such advice is unnecessary.

Tarion administers the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, c. O. 31 (the “**Act**”), which outlines the warranty protection that new home purchasers are entitled to in Ontario.

6. The numbered company Applicants and Silver Streams are registered with Tarion under the Act (as such term is defined below) as vendors, builders or both, as such terms are defined in the Act. It was my understanding at all relevant times that Puccini was also registered with Tarion as a vendor and builder, which understanding was communicated to the Court and the Service List in my previous affidavits filed in these CCAA proceeding. A copy of my initial affidavit sworn December 11, 2013 without exhibits is attached hereto as **Exhibit "B"** (the "**Initial Affidavit**").

7. In connection with their registrations, the Applicants were required to and did provide letters of credit in the aggregate amount of \$920,000 (the "**Letters of Credit**") and a cash deposit in the amount of \$320,000 in favour of Tarion to secure the Applicants' obligations to Tarion under the (collectively, the "**Security**"). The Letters of Credit are secured by \$920,000 in cash held on deposit at Bank of Montreal.

8. In or around September 2014, I learned, for the first time, that contrary to my previous understanding, Puccini was not in fact registered as a vendor under the Act contemporaneously or otherwise with the numbered company Applicants and Silver Streams.

9. On September 3, 2014, a summons was issued to Puccini pursuant to section 24 of the *Provincial Offences Act*, R.S.O. 1990, c. P. 33 under the Act (the "**POA Charge**"), which, among other things, charged Puccini with acting as a vendor of a new home without being properly registered under the Act.

10. Failure to register Puccini as a vendor under the Act was inadvertent. As described above, it was always the Applicants' intention that Puccini be a registered vendor under the Act and, at all

Doc#3259535v3

relevant times, I verily believed that Puccini was in fact a registrant under the Act. Accordingly, both prior and subsequent to the commencement of these CCAA proceedings, Puccini acted as a vendor under a number of agreements of purchase and sale in respect of new home sales.

11. It was always intended by the Applicants, and communicated to the Service List and the Court in these CCAA proceedings, that, in order to fulfill its mandate under the Act, Tarion would have recourse and access to the Security for the payment by Tarion of claims made by purchasers against the Applicants under the Act.
12. To remedy the issues raised by Puccini not being a properly registered vendor, the Applicants, Tarion and I agreed to enter into the Settlement Agreement, a copy of which is attached as Exhibit "C" hereto. To remedy the inadvertent defect of Puccini not being a properly registered vendor under the Act, pursuant to the Settlement Agreement, the Applicants agreed, among other things, that Puccini will assign to Silver Streams all of its rights, title, interest and obligations under the purchased agreements entered into by Puccini in its capacity as vendor.
13. The Settlement Agreement, once implemented, will restore Tarion and the Applicants to the position they would have been had Puccini been properly registered under the Act, consistent with the Applicants' intentions and previous representations in these CCAA proceedings.
14. The Settlement Agreement is supported by the Monitor and a group of private mortgage holders who, collectively, are the Applicants largest senior secured creditor.

15. The Settlement Agreement is conditional on, among other things, the Applicants advising the Service List and the Court of the terms of the Settlement Agreement and requesting that any person wishing to oppose or object to the execution, delivery or performance of the Settlement Agreement (the "Objection") serve notice of such Objection by no later than fourteen (14) calendar days from the date on which notice to the Service List of the Settlement Agreement is provided.

16. In the event that an Objection is not received within fourteen (14) calendar days from the date on which notice to the Service List of the Settlement Agreement is provided, the Applicants will perform the Settlement Agreement and take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the transactions contemplated thereby.

17. If an Objection is received by the Applicants, the Applicants shall on a date that is the later of: (i) ten (10) calendar days after an Objection is received; and (ii) the earliest date that the Court has available for a 9:30 a.m. scheduling appointment, attend before the Court to schedule a motion for an order approving the Settlement Agreement.

Mr. Toyne,

As you may be aware, pursuant to the terms of the Settlement Agreement, on February 26, 2015 our office gave notice to creditors of the Silver Streams companies of the Settlement Agreement and has asked that any party wishing to file an objection to the Agreement do so within fourteen days of the notice being served.

In response to the notice, a creditor of the Silver Streams group of companies requested that we provide copies of the charge and the Crown's disclosure in this matter. We are not sure if we have the full record of the disclosures in this proceeding. Can you please email or fax to my attention the Crown's disclosure in this proceeding so that we can deal with this objection as soon as possible and avoid the need to bring a motion before the Court to approve the Settlement Agreement.

Thank you for your assistance.

Emilio, as set out in Tarion's counsel's email, Tarion's disclosures are not a matter of public record and Tarion has not authorized us to make public anything other than the charge. Tarion has however made their legal counsel, Kevin Toyne, available to answer any questions that Silver Streams creditors may have. Should you have any questions, please direct them to Mr. Toyne. His contact information is included in the email attached.

Please let me know if you have any questions.

OBJECTION

The Reasons for the Objection are as follows;

1. Security has been posted with Tarion totalling \$1,240,000.00 which is cash of \$320,000.00 plus cash held by BMO supporting Letters of Credit from BMO of an additional \$920,000.00.
2. The security was posted in respect of registrations from 2147650, 2148991, 2148990, 2148993 and 2147681 ("Silver Stream Registrants").
3. Silver Streams Homes (Puccini) Inc. ("Puccini") was not registered as a builder or Vendor under the *Ontario New Homes Warranties Plan Act*. (the "Act").
4. Puccini was in fact the builder and Vendor of the homes in the Silver Stream project.
5. Tarion received no security in respect of Puccini a Non Registrant. The security Tarion holds is in respect of Silver Stream Registrants, none of whom were builders or vendors under the Act and against whom no claims under the guarantee fund are being made or can be made.
6. The claims against the guarantee fund are in respect of claims against the Non Registrant Puccini, and the Settlement Agreement seeks in essence to transfer the use of the security posted for the claims made as against Puccini. It seeks to do this by assigning the purchase and sale contracts entered into by Puccini and claims against Puccini as Vendor and builder to the Silver Stream Registrants and utilize the security it holds. Tarion, Imran Jinnah, the Silver Stream Registrants and Puccini should not be permitted to change their contractual arrangements to the detriment of the trades who have filed liens ("Lien claimants").
8. Tarion is not without a remedy as it has been deposed that the principal of the Silver Stream Registrants and of Puccini, Imran Jinnah has provided his personal guarantee for all claims against the guarantee fund.
9. The Settlement Agreement further relieves Imran Jinnah of his guarantee to Tarion and a charge laid under the section 24 of the *Provincial offences Act* if the security can be utilized as contemplated in the Settlement Agreement.
10. There is over \$5,000,000.00 claimed as owing to the Private lenders and a further \$3,500,000.00 of lien claims against the CCAA estate funds which approximate \$4,500,000.00. There will be a priority dispute amongst these large secured claimants and a shortfall.
11. The security of cash should be released by Tarion to the CCAA estate to be distributed according to the priorities as they may be determined.

For these reasons the Lien Claimants object to the Settlement Agreement.

AFFIDAVIT OF ZENA HANSON

I, **ZENA HANSON**, of the City of Oshawa, in the Regional Municipality of Durham,
MAKE OATH AND SAY AS FOLLOWS:

1. I am Administration Manager for the lien claimants, Argo Lumber Inc. and Newmar Window Manufacturing Inc. ("Alpa"), and, as such, I have knowledge, information and belief of the matters to which I hereinafter depose. Where information is obtained from third parties, I verily believe it to be true.
2. I had an opportunity to review the Settlement Agreement made between various parties and identified as Exhibit "F" to the Affidavit of Imran Jinnah sworn March 25, 2015 ("Jinnah March/15 Affidavit").
3. I have also reviewed the original Affidavit of Imran Jinnah sworn on February 26, 2015 which is also attached as Exhibit "G" to the Jinnah March/15 Affidavit.
4. At Issue on the Tarion Warranty Corporation ("Tarion") settlement is who is properly registered with Tarion; in particular, whether or not Silver Stream Homes (Puccini) Inc. ("Puccini") was a vendor registered under the Ontario New Home Warranties Plan Act (the "Act").

-2-

5. In paragraphs 20 to 27 of the Jinnah March/15 Affidavit, Mr. Jinnah makes certain statements regarding letters of credit, deposits and which entities applied for registration under Tarion and his knowledge in this regard.
6. In order to properly respond and to consider whether or not Puccini was properly registered under the Act and Tarion, I instructed my lawyer to obtain copies of the disclosure in the prosecution. I would expect the disclosure to confirm:
 - (a) who was applying for registration;
 - (b) the letters and deposits provided;
 - (c) the financial position of the Applicants; and
 - (d) other necessary disclosure which would provide a reasonable basis to consider the settlement and provide an informed position to it.
7. While we were provided copies of the charges, all of the parties have refused to provide copies of the disclosure in the Tarion matter.
8. Tarion's counsel has responded by indicating that the documents are not normally open to the public; however, this is irrelevant. There is no doubt that Puccini would have copies of the documentation itself.
9. Given the refusal to provide the disclosure, I believe that the contents of the disclosure are not favourable to Puccini.
10. Under the circumstances, I am led to the conclusion that Tarion is seeking to obtain an improper preference with respect to the cash security of approximately \$1.24 million which has been posted with Tarion.
11. Further, I believe that the Monitor, Grant Thornton Limited ("Monitor"), ought to investigate this matter as part of its mandate to determine whether or not this security ought to form part of the CCAA Estate for distribution. Attached hereto and

marked as **Exhibit "A"** is a true copy of the letter of Emilio Bisceglia, counsel for Argo Lumber Inc. and Newmar Window Manufacturing Inc., to Ian Aversa, counsel for the Monitor, requesting that the Monitor investigate.

12. In considering all matters, I believe that the settlement should not be approved and that the security of the cash held by Tarion should be released to the CCAA Estate and distributed in accordance with further Court Orders.
13. I make this affidavit in opposition to the within settlement and for no other or improper purpose.

AFFIDAVIT OF FRANK DEL FATTI

I, Frank Del Fatti, of the City of Etobicoke, in the Province of Ontario **MAKE OATH**
AND SAY:

1. I am the chartered accountant and the controller at Medi Group Incorporated ("Medi Group"), a supplier and installer of brick and masonry products to the project known as the Puccini Project as more particularly described below. I make this affidavit on behalf of Medi Group as well as several other construction trades on the Puccini Project who have formed a united trade group as listed in Exhibit "A" to my affidavit (collectively, the "Trades"). Except where otherwise noted as information from others I have personal knowledge of the matters deposed.

BACKGROUND

2. The Puccini Project is a low rise residential project consisting of several phases. According to the affidavit of Imran Jinnah sworn December 11th, 2013 and filed in these CCAA proceedings, the title to phases I, II and II are in the names of 2148990 Ontario Inc., 2148993 Ontario Inc., 2147650 Ontario Inc. and 2147681 Ontario Inc.. The project was developed by

Silver Streams Homes Inc. and Silver Streams (Puccini) Inc., collectively "Silver Streams" (the "Puccini Project").

3. Imran Jinnah ("Jinnah") according to his affidavit of December 11th, 2013 is the sole officer, director and shareholder of the companies listed in paragraph 1 above. Asma Jinnah is an officer of Silver Streams (Puccini) Inc.. Now shown to me and marked as Exhibit "B" is a corporate profile report on Silver Stream Homes (Puccini) Inc..

CCAA Proceedings

4. An initial order under the CCAA was made by Mr. Justice Newbould on December 17th, 2013 in respect of 2148990 Ontario Inc., 2148993 Ontario Inc., 2147650 Ontario Inc. and 2147681 Ontario Inc., Silver Streams Homes Inc. and Silver Streams (Puccini) Inc. ("Puccini").

5. In the Jinnah affidavit of December 11, 2013 filed in the application for an initial order he stated in paragraph 12 of that affidavit "Puccini was incorporated in October 2008 for the purpose of selling homes in the Puccini Project. Puccini is registered with Tarion and is the vendor under agreements of purchase and sale for homes in the Puccini Project.". Now shown to me and marked as Exhibit "C" is a copy of the affidavit of Jinnah sworn December 11, 2013 without exhibits. I accepted this as a true statement and believed any security posted with Tarion was for Puccini.

6. Puccini was also the builder of the homes in the Puccini Project and entered contracts with the Trades including Medi Group. Now shown to me and marked as Exhibit "D" is a copy of my contract and front and signing pages of similar contracts with the other Trades.

7. There were 10 lots which were subject to the Initial Order. The construction trades including the moving parties have liens totalling approximately \$3,500,000.00. 2148990 Ontario Inc. owned 7 of the 10 lots being lots 18, 19, 20, 22, 23, 24 and 25 on Plan 65M4331. As against these 7 lots owned by 2148990 Ontario Inc. there are two Private mortgages in favour of 53 Puccini Mortgage Corporation and Nastell Investments Limited. 53 Puccini Mortgage Corporation claims to be owed \$2,133,205.00 as of February 4, 2014. Nastell Investments Limited claims it is owed \$3,122,790.00 as of February 4, 2014. Now shown to me and marked

as Exhibit "E" are copies of PIN pages for these 7 lots. Now shown to me and marked as Exhibit "F" is a copy of the mortgage statements provided by these lenders in these proceedings.

8. The other 3 lots out of the 10 subject to the initial order are lots 1, 23 and 24 on Plan 65M4249. Lots 23 and 24 are also owned by 2148990 Ontario Inc. They were subject to two mortgages Home Trust Company ("Home Trust") and Castle Lane Design Group Inc. ("Castle Lane"). The Home Trust mortgage has been paid out according to previous reports of the monitor on the sale of this lot. The Castle Lane mortgage is a private mortgage and according to a mortgage statement received from Castle Lane they claim to be owed \$421,369.86 as of February 4, 2014. Now shown to me and marked as Exhibit "G" are copies of PIN pages for these 2 lots 23 and 24 on Plan 65M4249. Now shown to me and marked as Exhibit "H" is the mortgage statement from the Castle Lane Design Group.

9. According to previous reports of the monitor, Lot 1 on Plan 65M4249 was owned by 2147681 Ontario Inc.. That lot was sold for \$940,000.00 and was subject to 4 mortgages. The first mortgagee Foremost Mortgage Holding Corporation was paid out approximately \$520,000.00. The remaining private mortgages were Puccini Mortgage Corporation claiming \$1,426,414.00; Dapaul Management Limited claiming \$3,239,762.00 and 388242 Ontario Limited claiming \$851,024.00. The lien claimants and these Private lenders are in a priority fight over the remaining proceeds of sale from this lot of about \$400,000.00. Now shown to me and marked as Exhibit "I" is a copy of the PIN pages for lots 1 on Plan 65M4249. Now shown to me and marked as Exhibit "J" are mortgage statements received from these private lenders.

10. It is my understanding that the remaining proceeds in the CCAA estate are approximately \$4,500,000.00 from the sale of the lots. The main remaining secured creditors being these private lenders and the lien claimants are fighting for priorities over these monies. The various issues in the lien proceedings including the determination of quantum, priorities, whether the Private lenders are statutory owners and any other ancillary issues pertaining to the private mortgages and lien claimants have been referred to Duncan Glaholt as referee. Now shown to me and marked as Exhibit "K" is the order referring the lien issues to the Referee.

11. According to reports of the monitor there are also letters of credit which are cash collateralized posted with the City of Richmond Hill in the amount of \$3,000,000.00 against

which there has been a drawdown of \$1,270,000.00. The unused cash collateral from these Letters of credit once released should also flow into the CCAA estate.

12. A breach of trust action has also been commenced by the Trades but is presently stayed by the CCAA.

13. There will be a shortfall in the monies available in the CCAA estate relative to the claims against it. However the precise amount of the amounts owing to the Private lenders and against which and the lien claimants and their respective priorities are issues not yet determined.

SETTLEMENT AGREEMENT

14. The affidavit of Imran Jinnah sworn February 26, 2015 sets out a settlement reached amongst the various Silver Streams Companies, Jinnah and Tarion.

15. As appears from the settlement agreement and affidavit of Jinnah, Puccini which was the vendor and builder on the Puccini Project was in fact never registered with Tarion. The other Silver Stream Companies were registered with Tarion.

16. The security which was posted with Tarion, being \$1,240,000.00 is comprised of cash of \$320,000.00 and cash collateralized letters of credit of \$920,000.00. The security was posted on behalf of registrants under the *Ontario New Homes Warranties Plan Act* (the "Act") being 2147650, 2148991, 2148990, 2148993 and 2147681.

17. The security could not have been posted on behalf of Puccini, a non registrant and who was in fact a vendor and builder under the Act and against whom claims have been made and apparently paid out of the guarantee fund.

18. Tarion seeks to use the security posted for reimbursement of payments out of the guarantee fund on behalf of Puccini, a non registrant. They seek to accomplish this by assigning the purchase contracts and claims of Puccini to the other Silver Stream companies which are registrants.

19. The objection Medi Group and the Trades have to the settlement is that if Tarion cannot avail itself of the security without an assignment as contemplated by the settlement, then once

the security is released any underlying cash collateral would flow back into the CCAA estate and be subject to the priorities as they are determined. Now shown to me and marked as Exhibit "L" is our notice of objection.

20. It appears that Jinnah where it suits his purposes is prepared to treat all of the Silver Stream entities and Puccini as one and the same for the purposes of the Puccini Project. Yet in the lien litigation Jinnah's position is to draw a distinction that Puccini is a general contractor and the various numbered company owners are liable only for holdback obligations under the *Construction Lien Act*.

21. Given that claims for lien have been filed and a breach of trust action commenced, at this late stage Jinnah should not be able to alter the contractual arrangements to the detriment of the Trades. Put differently it would benefit all claimants including the Trades if the cash security were returned to the CCAA estate if Tarion is not otherwise entitled to utilize it.

22. Tarion is not without a remedy as they have the guarantee of Jinnah.

23. The impact of the settlement being carried out would be to elevate Tarion from the position of an unsecured party with the guarantee of Jinnah to realize upon, to that of a secured party against the letter of credit.

24. The affidavit of Jinnah appeals to the court on the basis that he made an inadvertent error and the settlement seeks to restore the parties to the position they would have been in had the error not been made. The settlement also relieves Jinnah of his obligations under the guarantee he gave and resolves the POA charge allowing Jinnah to build in the future.

25. The cash collateralized letters of credit with Tarion came about from the sale of the homes constructed by the trades who were unpaid and have filed liens. The proposed settlement prejudices the trades who may suffer a shortfall if the security is not released with the underlying cash paid into the estate with priorities to be determined.

26. This affidavit is sworn opposing the settlement reached between the Silver Stream

companies, Jinnah and Tarion and for no other purpose.

2148993 ONTARIO INC., 2148990 ONTARIO INC., 2147681 ONTARIO INC.
AND 2147650 ONTARIO INC.

Applicants

AFFIDAVIT OF IMRAN JINNAH

I, Imran Jinnah, of the Town of Richmond Hill, in the Province of Ontario MAKE OATH
AND SAY AS FOLLOWS:

1. I am the sole officer, director and shareholder of the Applicants, Silver Streams Homes Inc. ("Silver Streams") and Silver Streams Homes (Puccini) Inc. ("Puccini"). I am also the sole officer, director and shareholder of the Applicants 2148993 Ontario Inc. ("2148993"), 2148990 Ontario Inc. ("2148990"), 2147681 Ontario Inc. ("2147681") and 2147650 Ontario Inc. ("2147650", collectively, the "Title Holders"). As such, I have personal knowledge of the matters to which I dispose in this affidavit, save and except for such facts or matters which are stated to be based on information and belief and where so stated, I believe same to be true.

2. I swear this affidavit in support of an application by the Applicants for relief under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, C. C-36, as amended (the "CCAA").

OVERVIEW

3. Silver Streams is a residential homebuilder in the Greater Toronto Area. To date, it has successfully built approximately 100 homes and is in a position to build and complete a further 48 homes in the Puccini Project (defined below).
4. As described in further detail below, the Applicants have experienced significant financial challenges due to delays involved in the development of the Puccini Project and are insolvent. Secured debt in excess of \$12 million is currently in default and numerous construction liens totalling in excess of \$3.5 million have been registered against title to various lots in the Puccini Project.
5. There are currently 10 remaining homes in Phases II and III of the Puccini Project that are in various stages of completion. Two (2) of the homes have been presold and with minimal additional work can close shortly.
6. The Applicants' objective is to complete the 10 remaining homes in Phases II and III of the Puccini Project and to apply the net sale proceeds, after payment of operating costs and the costs of these proceedings, to payment of their creditors' claims in the priority determined by the Court.
7. A private lender affiliated with an existing secured lender has indicated it is prepared to provide the Applicants with debtor-in-possession ("DIP") financing to enable the Applicants to complete the construction of the homes and fund the costs of these proceedings.

8. The completion of the homes maximizes value for the Applicants' stakeholders and protects the interests of purchasers under executory agreements of purchase and sale.

THE APPLICANTS

9. Silver Streams was incorporated in 2003. In or about December 2003 it became a registrant with Tarion Warranty Corporation ("Tarion") as a home builder.
10. To date, Silver Streams has successfully completed the following projects:
- (a) St. Albans Mews – a 9 townhouse home project, located in Holland Landing, Ontario - completed in 2006;
 - (b) Ashcott Mews – a 14 detached home project, located in Scarborough, Ontario – completed in 2008; and
 - (c) D&I Developments – a 4 detached home project, located in Maple, Ontario - completed in 2012.

THE PUCCINI PROJECT

11. In addition to the projects described in paragraph 10 above, the Applicants are in the process of completing a project of 118 units including detached homes, semi-detached homes and townhouses located at Bathurst Street and King Road in Richmond Hill, Ontario (the "Puccini Project"). The Puccini Project is being built in 4 phases. Title to the lands in Phases I, II and III are in the names of 2148990, 2148993, 2147650, and 2147681. Phase I comprises 20 detached homes and was completed in 2010. Phase II comprises 25 detached homes and was completed in late 2012. All but 3 homes in Phase II have been sold. Phase III consists of 25 detached homes. Eighteen (18)

of the homes were completed and sold between June and September 2013. Phase IV is registered in the name of 2148991 Ontario Inc. ("2148991") (a non-debtor in these proceedings) and consists of 40 townhouse units and 8 semi-detached homes. Construction of the homes in Phase IV has not yet commenced, although 33 of the homes have been presold. Attached hereto and marked as Exhibit "A" is a colour coded site map of the Puccini Project.

12. Puccini was incorporated in October 2008 for the purpose of selling the homes in the Puccini Project. Puccini is registered with Tarion and is the vendor under the agreements of purchase and sale for homes in the Puccini Project.

PUCCINI PROJECT FINANCING

BMO

13. Pursuant to a Term Sheet dated as of August 25, 2008 among Symphony Series Co-Tenancy Corp. ("Symphony") as Borrower, myself as guarantor, and Bank of Montreal ("BMO") as lender, BMO made available to Symphony, three credit facilities. Facility 1 was in the amount of \$7,787,000 and was to repay existing financing in the amount of \$4.9 million and to finance the servicing of Phases I, II and III of the Puccini Project. Facility 2 was in the amount of \$1.1 million and was to finance Letters of Credit in favour of Tarion and Municipal and Regional Authorities. Facility 3 was in the amount of \$3.5 million and was to finance construction of pre-sold homes. A true copy of the term sheet dated August 25, 2008 is attached as Exhibit "B".

14. After its incorporation, we decided to develop the Puccini Project through Puccini and, accordingly, BMO made the above credit facilities available to Puccini as opposed to Symphony.

15. The BMO credit facilities were amended over time. Attached hereto and marked collectively as Exhibit "C" are true copies of the subsequent BMO term sheets.

16. All of the indebtedness owing to BMO under the credit facilities are secured, *inter alia*, by:

(a) Demand First Mortgages registered against title to the Phase I, II and III lands (the "BMO Mortgages"); and

(b) a General Security Agreement in favour of BMO;

Attached hereto and marked as Exhibit "D" and Exhibit "E" respectively are true copies of the BMO Mortgages and the General Security Agreement.

17. The loans granted by BMO in connection with the Puccini Project have substantially been repaid. Currently, the outstanding indebtedness to BMO is approximately \$700,000.

HOME TRUST

18. In August 2012, Home Trust Company ("Home Trust") made loans to 2148990 and 2147650 each in the original principal amount of \$617,500. As security for the loans, 2148990 and 2147650 each granted Home Trust first mortgages registered against title to Lots 23 and 24 in Phase II. The loans were renewed in August 2013. The loans are currently in default. Attached hereto and marked collectively as Exhibit "F" are true copies of the August 2012 term sheets, the August 2013 renewal letters and the default letters issued by Home Trust dated November 7, 2013.

FOREMOST

19. Pursuant to a term sheet dated January 15, 2013 Foremost Financial Corporation ("Foremost") granted a loan to 2147681 in the original principal amount of \$640,000. The loan was not fully advanced. As set out in the term sheet, the total approximate advance was \$467,585. The loan is currently in default. As security for the loan, 2147681 granted Foremost a first mortgage registered against title to Lot 1 in Phase II. Attached hereto and marked as Exhibit "G" is a true copy of the Foremost term sheet.

PRIVATE LENDERS

20. A number of private lenders also provided financing to the Puccini Project which loans are secured, *inter alia*, by mortgages registered against title to various lots of the Phase I, II and III lands. These mortgages matured in February 2013. The last time any interest payments were made on any of these loans was August 2013.

21. The total principal amount outstanding under these loans is in excess of \$10 million. A chart summarizing the name of the private lender, the original amount of the loan and the approximate amount currently owing is set out below:

Lender	Original Principal Amount	Outstanding Amount
Puccini Mortgage Corporation	\$2,600,000	\$1,396,639
Dapaul Management Mortgage	\$5,500,000	\$3,178,055
388242 Ontario Limited	\$1,500,000	\$833,343

53 Puccini Mortgage Corp.	\$2,000,000	\$2,092,603
Nastell Investments Limited	\$3,200,000	\$3,054,860
Castle Lane Design Group Inc.	\$3,500,000	\$412,000

OTHER SECURED CREDITORS

22. I am advised by our lawyer, Stephen Schwartz, a partner with Chaitons LLP, that he obtained searches from the Ontario Personal Property Security Registration (the "PPSR") in respect of registrations which are outstanding against the Applicants as at December 4, 2013. In addition to registrations in favour of BMO and certain private lenders, the PPSR searches disclose the particulars of the following registrations registered subsequent to BMO and the private lenders against Silver Streams and Puccini:

- (a) Royal Bank of Canada ("RBC") in respect of accounts; and
- (b) National Leasing Group Inc. in respect of certain equipment.

23. With the exception of the registrations in favour of BMO and certain private lenders, there are no other registrations against the Title Holders. Copies of the PPSR searches are attached hereto and marked collectively as Exhibit "H".

24. RBC provided financing to 2148991 to fund the acquisition of the land and fund servicing costs for Phase IV of the Puccini Project. As security for RBC's loan to 2148991, Silver Streams and Puccini provided corporate guarantees to RBC.

APPLICANTS' FINANCIAL DIFFICULTIES

25. The Puccini Project lands were acquired at different stages. The property was fully acquired by 2008. Acquisition financing for the lands was obtained by loans from Carevest Capital Inc. ("Carevest") and vendor take back financing. All of the vendor take back financing and the loans from Carevest have been refinanced with the proceeds of the BMO loans and private lenders' loans referenced above. The Applicants are borrowers or guarantors of the loans obtained by one or more of the Applicants from BMO and the private lenders to finance the acquisition and construction of the Puccini Project.

26. Our initial plan was to bring the lots to market within 2 years from acquisition of the lands. However, in 2008, the real estate market experienced a significant decline. We were unable to obtain financing for the construction of all of the homes at one time. Our construction lender, BMO, was only initially prepared to provide us with financing for the 20 homes in Phase I.

27. The inability to obtain construction financing for all of the homes at one time had a significant impact on the Applicants and is the primary reason for their financial woes. Further, the Applicants' ability to obtain municipal approval to build the remaining lots was delayed significantly. Rather than obtaining registration of a plan of subdivision for the entire project at one stage, due to financing constraints we were forced to apply on 3 different occasions for registration of a plan of subdivision for each phase. On each occasion it was as if Silver Streams was making an initial application and the conditions for approval that are common in the development process had to be met again. As a result, rather than obtaining approval to build all of the lots at one time, Silver Streams had to obtain approval three separate times with substantial delays between the approvals.

28. There were additional factors that contributed to the delay. Con-Drain took many more months to service the lands than originally anticipated.

29. Silver Streams was sued by an investor. The litigation was successfully defended. However, the litigation further delayed construction.

30. There were strikes by trades which caused delays.

31. As a result of the delays, the Applicants' costs continued to mount and they ran out of money. This required Silver Streams to obtain additional financing to carry the project and pay development costs. The financing for these matters was obtained from the private lenders described above. The private lenders did not provide any construction financing. The funds obtained from these lenders were used to refinance existing debt, establish interest reserves, pay financing costs, development charges and relevant municipal fees such as building permit fees and for working capital.

32. The Applicants do not have sufficient resources to complete construction of the remaining Phase II and III homes; service the loans to the private lenders; fund Tarion warranty work; pay trade suppliers to the Puccini Project and general overhead expenses.

33. Certain of the private lenders have issued Notices of Sale under Mortgage. Attached hereto and marked collectively as Exhibit "I" are true copies of the Notices of Sale.

34. A number of trades have registered claims for lien under the *Construction Lien Act* against title to the lots in the Puccini Project due to non-payment. The total amount of the liens are

approximately \$3.5 million. As at December 9, 2013 the lien claimants and the amounts of their liens are as follows:

Lien Claimant	Amount of Claim
1865721 Ontario Inc.	\$91,518.55
Canadian Concrete Forming Limited	\$216,201.68
Cardell Flooring Ltd.	\$94,922.10

Subsearches of title to Phases I, II and III of the Puccini Project and a chart showing the registered mortgages and construction lien claims against the remaining lots are attached hereto and marked as Exhibit "J".

OTHER CREDITORS

35. There are a number of trade creditors totalling approximately \$300,000. A number of these creditors have made demand for payment or commenced a collection action.

36. Puccini retained a number of consultants in connection with the development of the Puccini Project. These consultants have not been fully paid and are currently owed the total approximate amount of \$254,198.

37. Including myself and my wife Asma Jinnah, Silver Streams and Puccini have approximately 10 salaried and hourly employees and contractors that are involved in all aspects of the development and sale of the homes including construction management, marketing and after sales service and repairs. The employees are non-unionized and there are no pension plans. The aggregate cost for these services is approximately \$32,000 to \$40,000 payable monthly plus an allowance for car, phone and expenses. These payments are currently in arrears.

38. Puccini currently owes HST with respect to the sale of homes in the Puccini Project in the amount of approximately \$630,000, which amount is overdue.

CON-DRAIN COMPANY (1983) LIMITED ("CON-DRAIN")

39. In or about 2008 Silver Streams retained Con-Drain to provide earthworks, underground services, roads, curbs, asphalt and related labour and materials to the Puccini Project. Silver Streams was unable to pay Con-Drain the full amount outstanding.

40. In February 2010, Con-Drain registered two construction liens against title to Phases I, II and III of the Puccini Project. In March 2010, Silver Streams and Con-Drain entered into a settlement agreement. Under the terms of the settlement agreement, Silver Streams immediately paid Con-Drain \$550,000. Silver Streams agreed to pay Con-Drain a further \$50,000 per lot plus interest from future closings in the Puccini Project in accordance with the terms of a written undertaking. Con-Drain subsequently discharged its claims for lien.

41. Litigation has been commenced by Con-Drain against the Applicants arising from an allegation of default under the terms of the settlement agreement. Con-Drain claims payment of \$800,000. In August 2013, Con-Drain commenced an action in Newmarket. A copy of the statement of claim is marked as Exhibit "K". Statements of defence have not yet been filed.

42. On August 15, 2013, Con-Drain obtained an order from the Honourable Madam Justice Lack requiring that net proceeds from the sale of homes in the Puccini Project be paid to our lawyers', Chaitons LLP, trust account. Attached hereto and marked as Exhibit "L" is a true copy of the August 15, 2013 Order.

43. On October 15, 2013, a motion by Con-Drain to continue the order granted by Justice Lack was heard by the Honourable Madam Justice Gilmore. On November 20, 2013, Justice Gilmore released her endorsement. She ordered, among other things, that the Order of Justice Lack should be continued and that the net proceeds from the sale of homes up to the amount of \$800,000 be paid into Court. Attached hereto and marked as Exhibit "M" is a true copy of the November 20, 2013 Endorsement.

44. I am advised by Mr. Schwartz, that there is currently the sum of \$491,985.33 held in trust by Chaitons LLP which will be paid into Court pursuant to the Order of Justice Gilmore once the Order has been issued and entered.

REMAX REALTRON REALTY INC.

45. In September 2013, Remax commenced an action against Puccini, the Title Holders, myself and my wife seeking payment of \$250,000 allegedly due for real estate commissions in connection with the sale of homes in the Puccini Project. Attached hereto and marked as **Exhibit "N"** is a true copy of the Statement of Claim.

46. On September 24, 2013, Remax brought a motion for interim relief, seeking payment of real estate commissions into court from the sale of homes. The Honourable Mr. Justice Newbould ordered that "the vendor/owner is entitled to pay (1) all secured lenders and any lien claimant sufficient amount to permit each sale to close; (2) applicable HST; and (3) legal fees for the closing." The net proceeds were to be held in trust by Chaitons LLP to be paid out only on consent of the parties or further court order. Attached hereto and marked as **Exhibit "O"** is a true copy of the endorsement of Justice Newbould.

47. No further closings have taken place subsequent to September 24, 2013.

FINANCIAL POSITION OF THE APPLICANTS

48. Attached hereto collectively as Exhibit "P" are true copies of the financial statements of Silver Streams and Puccini Project Management Inc. ("Management") for the fiscal year ended November 30, 2012 and December 31, 2012 respectively. There are no interim financial statements for 2013.

49. Management is a related company to Silver Streams and Puccini. All assets, liabilities, revenues and expenses of Puccini are reflected in these financial statements since 2010. The last financial statements prepared for Puccini were prepared in draft for the fiscal year December 2010, a true copy of which is attached hereto as Exhibit "Q".

50. Attached hereto and marked collectively as Exhibit "R" are true copies of the financial statements for the Title Holders as at December 30, 2011. There are no further financial statements for the Title Holders. All proceeds of sale were recorded through Management and are reflected in Management's financial statements.

ANTICIPATED RESTRUCTURING

51. The Applicants' objective is to complete the 10 remaining homes in Phases II and III of the Puccini Project and to apply the net sale proceeds, after payment of operating costs and the costs of these proceedings, to payment of their creditors in the priority determined by the Court.

52. There are 3 homes in Phase II and 7 homes in Phase III that have not yet closed. BMO has a first mortgage registered against title to 7 of the lots. Home Trust has a first mortgage registered

against title to 2 of the lots and Foremost has a first mortgage registered against title to one of the lots. Certain of the private lenders have registered subsequent mortgages against title to the 10 lots. The claims for lien referred to above are also registered against title to some or all of these lots. The estimated net proceeds of the home sales are insufficient to discharge the encumbrances registered against these lots. Accordingly, I am advised by my lawyers that the completion and sale of these homes cannot be finalized by Puccini without the benefit of the Court granting a vesting order.

53. The details with respect to each of the remaining 10 homes are as follows:

- (a) Phase II, lots 23 and 24 - these homes have been completed and have not yet been sold. They have been listed for sale periodically over the last year. No further construction is required with respect to these homes;
- (b) Phase II, Lot 1 - this house is approximately 85% completed. Hardwood floors, certain plumbing, kitchen and bathroom counter tops, mirrors and painting is required. I estimate that the cost to do this work is approximately \$65,000. I expect this house to be sold for approximately \$1 million;
- (c) Phase III, lot 18 - this house has been presold for the price of \$895,000, however construction has not yet commenced. I believe that the cost to build this house is approximately \$255,000;
- (d) Phase III, lot 19 - this house is virtually constructed. There is some outstanding work with respect to the kitchen. I estimate that the cost to complete this home is \$11,700. The property was sold to a purchaser who defaulted under its Agreement of Purchase

and Sale. Silver Streams has retained the \$40,000 deposit and terminated the agreement and will resell this home;

- (e) Phase III, lot 20 - this house is approximately 85% complete. I estimate that the cost to complete the remaining work in the house is \$50,000. The house is not presold. In my view, the expected selling price for this home is \$935,000;
- (f) Phase III, lot 22 - this house has been presold for the price of \$980,000. The construction is approximately 85% complete. I estimate that there is \$44,000 worth of work to complete the home. The purchaser has sold his existing home and is currently living in a hotel waiting for the house to be completed. Attached hereto as Exhibit "S" is a copy of a letter from the purchaser's lawyer. Upon obtaining financing, the work can be completed within 2-3 weeks;
- (g) Phase III, lot 23 - this home requires approximately 50% of the construction to be completed. I estimate that \$125,000 worth of work is required to complete the home. The house has not been sold. I estimate the sale price to be approximately \$1.1 million;
- (h) Phase III, lot 24 - construction of this house is approximately 50% complete. I estimate the cost to complete the house to be approximately \$125,000. The house has not been sold. I estimate the sale price to be approximately \$1.1 million.
- (i) Phase III, lot 25 - this house is approximately 75% complete. I estimate that it will cost \$60,000 to complete the construction. The house has presold for the price of \$1,016,730. Upon obtaining financing, the required work can be completed within 3-4 weeks. To my knowledge, the purchaser is ready, willing and able to close the purchase of this home.

54. I estimate that the gross sale proceeds from the sale of these 10 homes will approximate \$8,000,000 - \$9,000,000 whereas the expected cost to complete the construction of the homes is approximately \$800,000 to \$1 million.

55. Silver Streams has continuing Tarion warranty obligations with respect to the sales of homes in Phases I, II and III of the Puccini Project. Tarion is concerned about Silver Streams' financial position. Attached hereto and marked collectively as Exhibit "T" are copies of the Tarion letters to Silver Streams dated November 19, 2013 and November 25, 2013.

56. I have personally guaranteed payment and performance of the Tarion obligations.

57. The ongoing servicing and deficiency work must be done. There are a number of home buyers who will be negatively impacted by our inability to provide this service.

58. Silver Streams is the best party to do the warranty work. We have a team in place, we are aware of the work that must be done and can do the work in an efficient, cost effective manner.

59. Silver Streams has provided letters of credit in favour of the Town of Richmond Hill to secure the performance of certain work under the terms of the Subdivision Agreement. The letters of credit are secured by \$2.6 million in cash held on deposit at BMO.

60. The work that is necessary to be completed by Silver Streams for the Municipality/Town includes the construction of a park, planting of trees, construction of sidewalks, final asphalt, curbs and final maintenance. The work needs to be done as soon as possible. We have been requested by

the Municipality of York Region and the Town of Richmond Hill to do so. It is for the benefit of the residents currently living in the Puccini Project that this work be completed.

61. I estimate the cost to complete the outstanding work to be \$600,000 which will result in a portion of the money currently held as cash collateral by BMO to secure the Letters of Credit to be released to Silver Streams when the work is completed.

STAY OF PROCEEDINGS

62. The Applicants require relief under the CCAA including a stay of proceedings in order to preserve the status quo and to obtain the necessary financing to complete the construction of the remaining 10 homes.

63. Without the benefit of CCAA protection, the Applicants will be unable to complete the homes, convey title to home buyers, complete the required work under the Subdivision Agreement, and comply with their Tarion obligations.

DIP FINANCING

64. Attached hereto as Exhibit "U" is a copy of the Applicants' cash flow projection for the 13 week period from December 20, 2013 to March 14, 2014 which the Applicants have prepared in connection with these proceedings and which has been reviewed by Grant Thornton Limited ("Grant Thornton") for reasonableness. The cash flow projects an immediate need for working capital to pay operating expenses, and the costs of these proceedings.

65. Sandall Investments Limited (the "DIP Lender"), an affiliate of one of the private lenders, has offered to make available to the Applicants a debtor-in-possession loan in the maximum amount of \$1 million (the "DIP Loan") on the terms and conditions set out in a term sheet dated December 11, 2013 (the "DIP Loan Agreement"), a copy of which is attached hereto as Exhibit "V".

66. It is a fundamental term of the DIP Loan that the Court grant an Initial Order on terms acceptable to the DIP Lender which shall require that the Monitor control the Applicants' receipts and disbursements and that the DIP Lender shall be entitled to the benefit of a charge (the "DIP Charge") which shall rank behind the Administration Charge (as defined below) but in priority to all other security interests, trusts, liens, construction liens (whether or not preserved or perfected) charges and encumbrances, statutory or otherwise in favour of any person.

67. As indicated above, the registered lien claims against the 10 homes is approximately \$3.5 million. If the lien claims have priority over the private mortgages there will be sufficient funds available from the sale proceeds of the homes to pay their claims. However, if the lien claims do not have priority over any of the mortgages, there will not be sufficient funds to pay their claims irrespective of the DIP financing. In either event, the lien claimants will not be materially prejudiced by the proposed DIP financing.

68. Without DIP financing, the Applicants will be unable to continue their business and complete the construction and sale of the remaining 10 homes, all to the material detriment of their stakeholders including the secured lenders and purchasers under executory agreements of purchase and sale.

VESTING ORDER

69. As indicated above, Puccini has entered into binding agreements to sell the houses on lots 22 and 25 of Phase III of the Puccini Project. Copies of the Agreements of Purchase and Sale for these homes are attached hereto as Exhibits "W" and "X", respectively. To my knowledge, the purchasers of these homes are ready, willing and able to close.

70. It is a condition of closing that Puccini transfer title to the homes free and clear of any encumbrances except those contemplated by the applicable agreements of purchase and sale. In the circumstances, Puccini is unable to do so without the benefit of a vesting order issued by this Court.

71. In order to avoid the additional expense of another motion, Puccini is also seeking at this time an order vesting in the respective purchasers all of the Applicants' rights, title and interest in and to the houses on lots 22 and 25 of Phase III of the Puccini Project free and clear of any encumbrances upon the delivery to the respective purchaser by the Monitor of a certificate confirming that the purchase price for the applicable house has been paid and the transaction has been completed (the "Monitor's Certificate").

72. As discussed above, the house located on lot 22 is close to being completed and the purchaser of this home is currently residing in a hotel. Puccini is responsible for the hotel and related costs incurred by the purchaser. It is anticipated that once the Initial Order and the Vesting Order are obtained, the purchaser can move into the house and the sale of the home can close subject to an agreed upon holdback for the minor work to be completed.

APPOINTMENT OF MONITOR

73. Grant Thornton has consented to act as the monitor of the Applicants under the CCAA. A copy of Grant Thornton's consent is attached hereto as Exhibit "Y".

ADMINISTRATION CHARGE

74. It is contemplated that the proposed Monitor, counsel to the proposed Monitor and counsel to the Applicants would be granted a first priority Court-ordered charge on the assets, property and undertaking of the Applicants in priority to all claims but for the mortgages currently held in favour of BMO, Home Trust and Foremost (the "Administration Charge"), up to the maximum amount of \$500,000 in respect of their fees and disbursements, incurred at standard rates and charges. The Applicants believe that the Administration Charge is fair and reasonable in the circumstances.

CONCLUSION

75. Several of the mortgagees and lien claimants have commenced enforcement proceedings to recover payment of the amounts owing to them.

76. The Applicants are insolvent on both a balance sheet and cash flow basis. They cannot repay their secured indebtedness which is in excess of \$12 million or pay their trades who are owed approximately \$3.5 million.

77. There are 10 homes that are either completed or under various stages of construction and that when closed, are expected to generate gross revenue of approximately \$8 million to \$9 million. Two

of the homes have been pre-sold to innocent third party purchaser who are ready, willing and able to close their purchases. One such purchaser is currently living in a hotel pending closing.

78. In the absence of CCAA protection and DIP financing, the completion and sale of the 10 homes will not occur. Moreover, the ongoing Tarion warranty service work and work required under the Subdivision Agreement will not be completed expeditiously nor in a cost effective manner.

79. For the reasons set out above, I believe that it is in the interests of the Applicants and all of their stakeholders that the relief sought by the Applicants is granted.

LABOUR AND MATERIAL CONTRACT

21. The Contractor shall, to the full extent permitted by law, defend, indemnify and save harmless the Owner and its directors, officers, employees and agents of and from and against any and all claims, demands, losses, costs, damages, actions, suits or proceedings directly or indirectly arising or alleged to arise out of the failure by the Owner to comply with any of its obligations under the OHSA with respect to matters for which the Contractor is responsible pursuant to this Contract.
22. If the Contractor should neglect to perform the work provided for herein in compliance with the OHSA to a substantial degree or repeatedly fails to comply with its obligations under the OHSA to a lesser degree, the Owner may notify the Contractor in writing that the Contractor is in default of its obligations pursuant to this Contract and shall instruct the Contractor to forthwith correct such default failing which the Owner shall have the right to terminate this Contract and have the work completed by an alternative contractor in which case the Contractor shall be responsible for any additional costs which the Owner may hereby incur plus the Administration Charge.

If applicable and prior to commencement of work, the Contractor shall provide to the Owner a certificate or letter from such union stating that the Contractor is in good standing with the appropriate union.

LABOUR AND MATERIAL CONTRACT

In case of such termination, the Contractor shall not be entitled to receive any further payments under this Contract until the work is completed, at which time, if the unpaid balance of the amount to be paid under the Contract shall exceed the expense of the Owner in finishing the work plus the Administration Charge, the excess shall be paid by the Owner to the Contractor but if such expense shall exceed such unpaid balance, the Contractor shall pay the difference to The Owner.

31. The Contractor shall do all cutting, fitting or patching of its work that may be required to make several parts come together properly and fitted to receive the work of other contractors as shown on the working drawings. If the Contractor fails to comply with this condition, the Contractor at its own expense shall remove and replace any part of its work required to rectify the work of another contractor and replace or repair the work of any other contractor damaged in such removal or replacement.
32. Prior to release of any holdbacks and upon completion of project, Contractor shall furnish to the Owner all warranty certificates, operating manuals and maintenance manuals and such other material as the Owner may require.
33. Notice may be given by either party to the other by delivering same to the address noted above or such other address as may be directed by the parties by personal delivery or by facsimile (fax). 7. CASTLE LANE DESIGN GROUP INC. - 2 SECOND MORTGAGES FOR A TOTAL OF \$400,000

- (a) Parties:** (1) Mortgagor(s): 2148990 Ontario Inc.
(2) Mortgagee(s): Castle Lane Design Group Inc.
- (b) Terms:** \$400,000.00 as at September 25, 2012 bearing interest at 15% per annum payable interest only monthly and maturing March 25, 2013

(c) Lands secured: 2 Inventory Homes - From a security point of view, with respect to those lots which are under the CCAA process and those lots in connection with which Chaitons LLP is holding funds in trust pursuant to the litigation involving Con-Drain, this mortgage is registered on the following lots: 23 and 24 on Plan 65M4249. Assuming the Home Trust financing is in first position, this mortgage is a second mortgage on these lots.

(d) Dates and amounts of advances: On or about May 20, 2011, Castle Lane provided a mortgage of \$3,500,000.00 which was used to discharge the Bank of Montreal land loan on 5 lots to the extent of about \$2,133,000 and the balance was used to fund the construction on these 5 lots. The last advance by the Mortgagee was November 7, 2011 and at that point the aggregate statutory lien holdback was \$68,485.80. The statutory lien holdback was deducted on each advance and withheld until all the construction had been completed and the 45 day period thereafter expired with no liens being registered. The holdback was released on September 25, 2012.

Three lots were sold and the Castle Lane mortgage was partially discharged such that on March 15th 2012 the mortgage principal was reduced to \$1,600,000 on the 2 remaining lots. After the construction was completed and the lien periods had expired without any liens being registered, the holdback was released on September 25, 2012 and the borrower refinanced the 2 remaining lots with Home Trust to the extent of about \$617,500.00 each and the net funds were paid to Castle Lane to reduce its debt. However, there was a shortfall. Accordingly, by way of a new loan, on or about September 24, 2012, Castle Lane agreed to lend the borrower \$400,000 at 15% per annum secured on both lots and this loan remains on title.

(e) Amount owed as of February 1, 2014: Monthly payments are interest only and there were no principal reductions or repayments. This loan is in default. As at September 28, 2013, the principal balance was \$400,000. There are interest arrears from September 28, 2013 to February 4, 2014 of \$21,369.86 and, including the said interest arrears but excluding any renewal fees and costs, the outstanding balance as at February 4, 2014 is \$421,369.86.

(f) Holdback Maintained (if any): None - see above explanation.

(2) Guarantors: Imran Jinnah and Silver Streams Homes Inc.

(3) Mortgagee(s): Puccini Mortgage Corp.

(b) Terms: Original Principal \$2,600,000.00 at 17% per annum payable interest only monthly at 13% per annum with 4% carried and accumulated and loan maturing November 14, 2010. Renewed successively until February 16, 2013.

(c) Lands secured: From a security point of view, currently, with respect to those lots which are under the CCAA process and those lots in connection with which Chaitons LLP is holding funds in trust pursuant to the litigation involving Con-Drain, this mortgage is/was registered on and affects the following lots: 1, 2, 3, 4 and 5 on Plan 65M4331 and Lot 1 Plan 65M4249.

Based on the Bank of Montreal financing being in first position and the 53 Puccini Mortgage Corp. mortgage for \$1,150,000 being discharged, this mortgage is a third mortgage on the foregoing lots.

(d) Dates and amounts of advances:

This loan was advanced in 4 advances:

1) September 8, 2008 - \$700,000 was advanced as per Trust Statement attached as # 1a and covered lender fees, legal fees and an advance to the borrower for working capital and fees/costs due to the Town of Richmond Hill;

2) November 16, 2008 - \$900,000 was advanced as per the Trust Statement attached as # 1 b to cover the balance of the lender fees, lender asset management costs, legal costs, an interest reserve for this loan; an interest reserve for the vendor take back mortgage which was being purchased contemporaneously on 56-58 Puccini Drive (the Greco Mortgage), the balance of costs and interest due in respect of the purchase of the said vendor take back mortgage (Greco Mortgage) with the balance being paid to the borrower for working capital. The said Greco Mortgage was purchased on November 14, 2008 in accordance with the Statement for Assignment purposes attached as #1 bb and this Greco mortgage later formed part of the Dapaul Management Limited mortgage of \$5,500,000.00.

3) January 5, 2009 - \$1,000,000 was advanced on January 5, 2009 together with the advance under the Dapaul Management Limited mortgage of \$5,500,000 as per Trust Statement attached as #1 c. This was advanced to cover in part interest reserves, costs, and the shortfall needed to discharge the original acquisition loan from Carevest Capital Inc. (used to acquire these properties in the first instance) as the funding from Bank of Montreal was insufficient.

4) November 14, 2012 - \$399,996.00 was advanced but at 17% per annum together with additional advances under the Dapaul Management Limited and 388242 Ontario Limited mortgages totaling \$800,004.00 on November 14, 2012 for a total of \$1,200,000.00 to fund borrowing costs, interest reserves, legal costs, building permit fees to the Town of Richmond Hill with the balance going to the borrower for working capital as per Trust Statement attached as #1 d.

During the course of the loan, monthly payments were interest only but there were principal reductions aggregating \$1,674,946.00 through Bank of Montreal and the return of funds securing a letter of credit issued from Carevest Capital which had been assigned to the mortgagee.

(e) Amount owed as of February 4, 2014: This mortgage is in default. The accumulated unpaid interest based on the deferred 4% interest, as at December 16, 2013, was \$676,146.44 (the "accumulated interest"). It matured February 16, 2013 and the principal balance, based on the foregoing without the accumulated interest, at August 1, 2013 was \$1,325,050. There are interest arrears on the said principal balance from August 16, 2013 to February 4, 2014 inclusive of \$101,364. Including the said interest arrears but excluding the accumulated interest, any renewal fees and costs, the outstanding balance of this mortgage as at February 4, 2014 is \$1,426,414.

(f) Holdback Maintained (if any): None - None of these funds were used or to be used for construction purposes or to refinance a mortgage/loan which was previously used for construction purposes.

**2. DAPPAUL MANAGEMENT MORTGAGE – ORIGINAL PRINCIPAL
AMOUNT \$5,500,000 –**

- (a) Parties:**
- (1) Mortgagor(s): 3 separate mortgages with 2147650 Ontario Inc., 2147681 Ontario Inc. and 2148991 Ontario Inc. as Mortgagors

Based on the Bank of Montreal financing being in first position and the 53 Puccini Mortgage Corp. mortgage for \$1,150,000 being discharged, this mortgage is a second mortgage on the foregoing lots.

(d) Dates and amounts of advances: This was advanced as of January 5, 2009 (together with the final \$1,000,000 under the Puccini Mortgage Corp. mortgage of \$2,600,000) as per the Trust Statement attached as #2 a and was applied to discharge the Greco VTB Mortgage, cover interest costs, establish an interest reserve for this loan, establish an interest reserve for the Puccini Mortgage Corp. loan, pay lender fees and legal costs, pay lender's asset management costs, cover the deficiency in the funds required to payout of the original acquisition loan from Carevest Capital Inc. (see Discharge Statement attached as #2 b) which was not otherwise provided by Bank of Montreal (see their Statement of Advance attached as #2 c) with the balance going to the borrower for working capital.

During the course of the loan, monthly payments were interest only but there were principal reductions aggregating \$2,801,844.00 through Bank of Montreal and the return of funds securing a letter of credit issued from Carevest Capital which had been assigned to the mortgagee. In addition, a portion of the net closing proceeds from the first 9 closings in the amount of \$227,450.00 reduced the principal outstanding.

Including the said interest arrears but excluding any renewal fees and costs, the outstanding balance as at February 4, 2014 of this mortgage is \$3,239,762.

(f) Holdback Maintained (if any): None - None of these funds were used or to be used for construction purposes or to refinance a mortgage/loan which was previously used for construction purposes. Part of the funds were used to re-finance an acquisition vendor take back mortgage which had matured.

Based on the Bank of Montreal financing being in first position and the 53 Puccini Mortgage Corp. mortgage for \$1,150,000 being discharged, this mortgage is a fourth mortgage on the foregoing lots.

Re: Silver Streams Homes (Puccini) Inc.
Symphony Series Development, Richmond Hill
Our File No.: 13-1086

Please find attached an Objection to the proposed settlement on behalf of the Lien Claimants we represent, Medi Group Incorporated, Pilbro III Inc., Solo Electric Ltd., Pave Plumbing & Heating Inc., Foremont Drywall Inc., 1382479 Ontario Inc., 1382503 Ontario Inc. and 2203579 Ontario Inc. cob Foremont Drywall Contracting, E.D. Carpenters Ltd., Cardell Flooring Ltd., Canadian Concrete Forming Limited and 1865721 Ontario Inc. we object to the Settlement Agreement between the Taron Warranty Corporation and Imran Jinnah, Silver Stream Homes Inc. ("Silver Streams"), Silver Streams Homes (Puccini) Inc., 2148993 Ontario Inc., 2148990 Ontario Inc., 2147681 Ontario Inc., 2147650 Ontario Inc.

Yours truly,

OBJECTION

The Reasons for the Objection are as follows;

1. Security has been posted with Tarion totalling \$1,240,000.00 which is cash of \$320,000.00 plus cash held by BMO supporting Letters of Credit from BMO of an additional \$920,000.00.
2. The security was posted in respect of registrations from 2147650, 2148991, 2148990, 2148993 and 2147681 ("Silver Stream Registrants").
3. Silver Streams Homes (Puccini) Inc. ("Puccini") was not registered as a builder or Vendor under the *Ontario New Homes Warranties Plan Act*. (the "Act").
4. Puccini was in fact the builder and Vendor of the homes in the Silver Stream project.
5. Tarion received no security in respect of Puccini a Non Registrant. The security Tarion holds is in respect of Silver Stream Registrants, none of whom were builders or vendors under the Act and against whom no claims under the guarantee fund are being made or can be made.
6. The claims against the guarantee fund are in respect of claims against the Non Registrant Puccini, and the Settlement Agreement seeks in essence to transfer the use of the security posted for the claims made as against Puccini. It seeks to do this by assigning the purchase and sale contracts entered into by Puccini and claims against Puccini as Vendor and builder to the Silver Stream Registrants and utilize the security it holds. Tarion, Imran Jinnah, the Silver Stream Registrants and Puccini should not be permitted to change their contractual arrangements to the detriment of the trades who have filed liens ("Lien claimants").
8. Tarion is not without a remedy as it has been deposed that the principal of the Silver Stream Registrants and of Puccini, Imran Jinnah has provided his personal guarantee for all claims against the guarantee fund.
9. The Settlement Agreement further relieves Imran Jinnah of his guarantee to Tarion and a charge laid under the section 24 of the *Provincial offences Act* if the security can be utilized as contemplated in the Settlement Agreement.
10. There is over \$5,000,000.00 claimed as owing to the Private lenders and a further \$3,500,000.00 of lien claims against the CCAA estate funds which approximate \$4,500,000.00. There will be a priority dispute amongst these large secured claimants and a shortfall.
11. The security of cash should be released by Tarion to the CCAA estate to be distributed according to the priorities as they may be determined.

For these reasons the Lien Claimants object to the Settlement Agreement.
