**SECOND REPORT TO THE COURT OF GRANT THORNTON LIMITED
IN ITS CAPACITY AS RECEIVER**

April 15, 2020

INTRODUCTION

1. This report (the “**Second Report**”) is filed by Grant Thornton Limited (“**GTL**”) in its capacity as receiver and manager (the “**Receiver**”) of Comsale Computer Inc. (“**Comsale Computer**”), Comsale Inc. (“**Comsale US**”), Comsale Group Inc. (“**Comsale Group**”), Comsale Hong Kong Limited (“**Comsale Hong Kong**”), Comsale Malaysia Sdn. Bhd. (“**Comsale Malaysia**”) and Comsale Singapore Private Limited (“**Comsale Singapore**” and, collectively, the “**Comsale Entities**”).

2. On November 5, 2019, the Ontario Superior Court of Justice (Commercial List) (the “**Canadian Court**”) granted an order appointing GTL as Receiver, without security, over all the assets, undertakings and properties of the Comsale Entities (not including Comsale Singapore) (the “**Receivership Order**”). A copy of the Receivership Order is attached hereto as **Appendix “A”**.
3. On November 15, 2019, the United States Bankruptcy Court for the Southern District of New York (the “**US Court**”) granted a provisional relief Order (the “**US Provisional Order**”) pursuant to Chapter 15 of the United States Bankruptcy Code, recognizing the appointment of GTL as the Receiver of Comsale Computer, Comsale US and Comsale Group pursuant to the Receivership Order. On December 13, 2019, the Honourable James L. Garrity, Jr. of the US Court granted the final recognition of the Receivership Order (the “**US Order**”) specific to the abovementioned entities, a copy of which is attached hereto as **Appendix “B”**.
4. On November 27, 2019, the High Court of Malaya at Kuala Lumpur, in the Federal Territory of Kuala Lumpur (Commercial Division) (the “**Malaysian Court**”) granted an order recognizing the appointment of GTL as the Receiver of Comsale Computer pursuant to the Receivership Order in Malaysia (the “**Malaysian Order**”). A copy of the Malaysian Order granted by the Honorable Judge Azizul Azmi Bin Adnan is attached hereto as **Appendix “C”**.
5. The Receiver’s First Report to the Court dated December 13, 2019 (the “**First Report**”) summarized its activities and requested Court-approval of the Sale Process (as defined and described in the First Report). The First Report is attached (without appendices) as **Appendix “D”**. On December 20, 2019, the Canadian Court issued an order (the “**Sale Process Order**”) approving the First Report and Sale Process. On January 7, 2020, the

Canadian Court also expanded the Receivership Order to include Comsale Singapore as a respondent thereto (the “**Expansion Order**”). The Sale Process Order and Expansion Order are attached hereto as **Appendices “E”** and **“F”**, respectively.

6. On February 4, 2020, the US Court granted an order recognizing the Sale Process Order, which is attached as **Appendix “G”**. The Receiver’s counsel in Malaysia advised that the Sale Process Order could be enforced in Malaysia and as such, no recognition of this order was required in Malaysia.

PURPOSE OF THE SECOND REPORT

7. The purpose of this Second Report is to:
 - (a) Provide the Court with an update on the status of the proceedings;
 - (b) Seek an Approval and Vesting Order that approves the agreements of purchase and sale between the Receiver and the Accepted Purchasers (as defined herein) (collectively, the “**APAs**” and each an “**APA**”) for the sale of the Comsale Entities’ assets for sale and authorize the Receiver to take all steps necessary to complete the transactions contemplated;
 - (c) Obtain a sealing order for Confidential Appendices “1”, “2” and “3” until further order of the Court;
 - (d) Request approval of the fees and disbursements of each of the Receiver, Grant Thornton Malaysia (“**GT Malaysia**”), and the Receiver’s local and foreign counsel being, Thornton Grout Finnigan LLP (“**TGF**”), Linklaters LLP (“**Linklaters**”), Shearn Delamore & Co (“**Shearn**”), Baker McKenzie LLP (“**Baker McKenzie**”), Burr Forman LLP (“**Burr**”) and Lewis Rocca Rothgerber Christie LLP (“**Lewis Rocca**”), as described in this Second Report; and

- (e) Request approval of this Second Report and the conduct and activities of the Receiver as described in this Second Report.

RESTRICTIONS AND TERMS OF REFERENCE

8. In preparing this Second Report the Receiver has relied upon unaudited financial information, Comsale Entities' books and records, to the extent available, certain financial information, discussions with the Comsale Entities' former employees and officers, and discussions with other parties. The Receiver's work does not constitute an audit or verification of such information for accuracy, completeness or compliance with Generally Accepted Accounting Principles ("**GAAP**"), International Financial Reporting Standards ("**IFRS**") or Generally Accepted Auditing Standards ("**GAAS**"). Accordingly, the Receiver expresses no opinion or other form of assurance pursuant to GAAP, IFRS or GAAS with respect to such information.
9. This Second Report has been prepared to provide general information by way of a status update to the Court and to provide the Court with context for the Receiver's request for the relief sought. Accordingly, the reader is cautioned that this Second Report may not be appropriate for any other purpose. The Receiver will not assume responsibility or liability for losses incurred by any other party which uses this Second Report for any other purpose.
10. Capitalized terms not defined in this Second Report shall have the meaning ascribed to such terms in the Receivership Order and the First Report. All references to dollars are in Canadian currency, unless otherwise noted.
11. Copies of materials filed in these proceedings to date, including with respect to the foreign proceedings, are available on the Receiver's case website at: www.GrantThornton.ca/Comsale.

THE RECEIVER'S ACTIVITIES

12. Since the First Report, the Receiver's activities have included the following:

- (a) administering the Sale Process in accordance with the Sale Process Order, including, but not limited to, advertising and marketing the Sale Process, preparing due diligence materials, maintaining an online data room, entering into non-disclosure agreements with potential bidders, entering into discussions with potential bidders, responding to inquiries and overseeing inspections of Assets Available for Sale (defined below), reviewing all offers received and determining the Superior Offers and negotiating and entering into the Asset Purchase Agreements;
- (b) liaising with Grant Thornton LLP's forensics practice ("**GT Forensics**") to recover data from the Comsale Entities' computer systems;
- (c) investigating certain findings that have come to GTL's attention related to books and records, receivables, inventory and shipment documentation as is described in this Second Report;
- (d) liaising with various financial institutions to deal with pre-receivership bank accounts held by the Comsale Entities;
- (e) pursuing debtors to collect pre-receivership receivables owing to the Comsale Entities;
- (f) administering property claims filed by third parties for assets held by the Comsale Entities;
- (g) liaising with freight forwarders and shipping companies to secure in-transit inventory;

- (h) searching for property not in the Receiver's possession but believed to be owned by the Comsale Entities;
- (i) corresponding with TGF and HSBC Bank Canada ("**HSBC**"), the largest secured creditor in these proceedings;
- (j) responding to numerous enquiries from creditors, customers and other stakeholders;
- (k) liaising with landlords and various service providers to continue supply of essential services during the receivership;
- (l) continuing insurance policies to ensure adequate insurance coverage during the receivership;
- (m) administering the Wage Earner Protection Program ("**WEPP**") and assisting former employees in filing claims pursuant to the WEPP;
- (n) finalizing the 2019 tax documents, including T4's and Records of Employments for terminated Canadian employees and W-2 forms for terminated US employees, and issued records of employments to the terminated employees;
- (o) liaising with the Canada Revenue Agency ("**CRA**") to audit the pre-receivership payroll records;
- (p) assigning Comsale Computer into bankruptcy on February 5, 2020;
- (q) administering the Case Website in accordance with the E-Service Protocol;
- (r) preparing this Second Report; and
- (s) liaising with those leasing and financing companies that have registrations against Comsale Computer on the Personal Property Security Register (the "**PPSR**") and

against Comsale US on the Uniform Commercial Code Filing Database (“**UCCFD**”) to deal with their security interests. As of the date of this Second Report, each of Mercedes-Benz Financial Services Canada Corporation/Mercedes-Benz Financial, VFS Canada Inc., TD Equipment Finance Canada and The Toronto-Dominion Bank have discharged their registrations. Further, the Receiver has disclaimed the leases between Comsale Computer Inc. and Canadian Dealer Lease Services Inc. and the Bank of Nova Scotia and has returned such equipment pursuant to the leases.

FOREIGN RECOGNITION

Comsale Hong Kong Limited

13. Since the First Report, the Receiver, together with its legal counsel, have continued to investigate whether any assets exist in the name of Comsale Hong Kong.
14. The Receiver is aware of pre-receivership bank accounts that were maintained by Comsale Hong Kong and other Comsale Entities with HSBC affiliates in foreign jurisdictions and that existed as at the date of the receivership (the “**Comsale Pre-Receivership Bank Accounts**”). The Receiver was advised that it was not able to receive bank statements for the Comsale Pre-Receivership Bank Accounts without either: (i) recognition of the Receivership Orders in the applicable jurisdiction of the respective Comsale Entity, or (ii) authorization and direction from a company director.
15. To preserve costs in the receivership, the Receiver has not yet sought recognition of the Receivership Order in Hong Kong at the date of this Second Report. Mr. Neil Shaul, a director of Comsale Hong Kong and Comsale Singapore, with the cooperation of the Receiver, executed a letter authorizing and directing the applicable HSBC affiliate to provide bank statements of the Comsale Pre-Receivership Bank Accounts to the

Receiver. As of the date of this report, HSBC is liaising with HSBC Hong Kong to attend to the request of Mr. Neil Shaul.

16. Based on the limited books and records available to the Receiver and dealings with former employees and management of the Comsale Entities, Comsale Hong Kong had no tangible assets as at the date of the receivership and, therefore, there were no available tangible assets of Comsale Hong Kong to include in the Sale Process.

Comsale Singapore Private Limited

17. In addition to the Receiver's above efforts to obtain bank statements of the Comsale Pre-Receivership Bank Accounts with HSBC's affiliate in Singapore, the Receiver has also requested copies of pre-receivership financial statements of Comsale Singapore from Huang Li, one of the directors of Comsale Singapore. The Receiver received limited financial statements but no bank statements for Comsale Singapore.
18. Based on the limited books and records available to the Receiver and dealings with former employees and management of the Comsale Entities, Comsale Singapore had no tangible assets as at the date of the receivership and, therefore, there were no available tangible assets of Comsale Singapore to include in the Sale Process.

SUMMARY OF THE SALE PROCESS

19. On February 5, 2020, the Receiver launched the Sale Process as detailed in the First Report to sell (i) all of the inventory of Comsale Computer and Comsale US located in Canada, the USA and Malaysia, and (ii) the fixed assets located in Canada and the USA (collectively, the "**Assets Available for Sale**"). The Assets Available for Sale were detailed in listings appended to the Offer Form, a copy of which is attached as **Appendix "H"**. Below is information on the process undertaken by the Receiver:

- (a) 94 potential bidders were identified, provided with a solicitation letter, a non-disclosure agreement (“**NDA**”) and invited to partake in the Sale Process;
 - (b) Advertisements were published for two weeks in each of Ontario, Malaysia, Memphis, Reno and New York in order to canvass the market more broadly;
 - (c) A data room containing, *inter alia*, detailed asset listings and virtual video tours of each premises was provided to all parties that executed the NDA to assist with due diligence;
 - (d) Assets Available for Sale at the five different locations (i.e. St. Catharines, Memphis, Reno, Malaysia and the Vaughan head office) were segmented into 29 parcels;
 - (e) 44 days were provided between the launch of the Sale Process and the bid deadline on March 20, 2020 at 5:00 p.m. (EST);
 - (f) 28 potential bidders executed NDA’s and were invited into the online data room;
 - (g) Seven potential bidders inspected the assets, two of which inspected multiple locations; and
 - (h) Offers by eight purchasers were determined to be the Superior Offers and were accepted by the Receiver (such purchasers, the “**Accepted Purchasers**”); and
 - (i) Two parcels (11A and 14A) at the Memphis warehouse were originally not included in the Sale Process, but subsequently sold to Accepted Purchasers.
20. The sale of the Assets Available for Sale is conditional upon the Courts approval of each respective APA between the Receiver and the Accepted Purchasers.
21. The Receiver believes that the Sale Process undertaken was robust, included a broad canvassing of the market and provided prospective purchasers with sufficient time to

evaluate the opportunity and submit an offer. The Receiver notes that further delay in closing the various sale transactions would result in additional holding costs to the estate. Further, HSBC is supportive of the Sale Process and the APAs negotiated. The table below summarizes the offers received from the Accepted Purchasers:

Purchaser	Parcel	Parcel Description
Hyper Microsystems Inc.	1	St. Catharines – UPC
	9	Memphis – UPC
	15	Reno - UPC
The Green Top Company	2, 3, 3A	St. Catharines – CTO, Defective, Ingram
Subane & Sons Inc.	4, 5, 6	St. Catharines – Parts, Other, Fixed Assets
Escrap Canada Inc.	7	St. Catharines – Trailers
	11A	Memphis – Customer Returns
Quickplug CA Inc.	8	St. Catharines – Containers
Joy Systems	10, 11, 12, 13, 14, 14A	Memphis – CTO, Defect, Parts, Other, Fixed and Other Fixed Assets
	16-20	Reno – CTO, Defect, Parts, Other, Fixed Assets
SPW Enterprise IT PTE LTD	21, 23	Malaysia – UPC, Defect
Exportxcel Sdn. Bhd.	22, 24, 25	Malaysia – CTO, Parts, Other

22. Attached as **Confidential Appendix “1”** is a summary of the APAs including the purchase price for each transaction, summary of key terms of each APA and a description of each parcel. We note that the offers received were in a similar range to what had been estimated by Gordon Brothers in an appraisal report prepared January 15, 2020 (the “**Gordon Brothers Appraisal**”) which is attached as **Confidential Appendix “2”**.
23. Attached as **Appendix “I”** are copies of each of the APAs, with the respective purchase price and deposit amount redacted. Unredacted copies of the APAs are attached as **Confidential Appendix “3”**.

24. The Receivership Order authorizes the Receiver to sell the Property, or any parts thereof, out of the ordinary course of business with the approval of the Canadian Court in respect of any transaction exceeding \$500,000 or exceeding \$1,500,000 in the aggregate. Given that the aggregate purchase price under the APAs exceeds this amount, the Receiver is seeking court approval for each of the APAs.
25. Further, given that certain of the assets are being sold by either Comsale Computer or Comsale US that are located in the United States, the Receiver intends to seek approval of the APAs and sale transactions in respect of such assets located in the US by the US Court.
26. The Receiver is seeking an order approving the Receiver having entered into each of the APAs and vesting in the respective Accepted Purchaser the Comsale Entities' right, title and interest in the Purchased Assets (as defined in each respective APA) free and clear of any claims or encumbrances (subject to any Permitted Encumbrances as may be defined therein).
27. The Receiver is also seeking an order sealing Confidential Appendices "1", "2" and "3" as they contain sensitive commercial information pertaining to the terms of the APAs, including the purchase price of the Assets Available for Sale. In the event that closing under one or more of the APAs does not take place, the Receiver may wish to re-market such assets for sale and it would be detrimental to the sale process if such information were made public at this time.

ASSETS NOT PART OF THE SALE PROCESS

Accounts Receivables (Trade and Other Receivables)

28. The Receiver has reconstructed an accounts receivable subledger based on discussions with management and the records available at the Comsale Entities. The Receiver has relied upon the Receiver's reconstructed A/R subledger to pursue pre-receivership debtors that owe monies to the Comsale Entities.
29. The Receiver has collected, either directly or through automatic payment by maintaining accounts with e-commerce customers, pre-receivership accounts receivable totaling \$126,434 and USD\$393,400 (i.e. aggregate of \$643,897). These funds do not include the Fry's Settlement Proceeds (as described in the First Report). Future collections will be challenging, but the Receiver intends on pursuing certain trade debtors.

Third Party Assets

30. On January 20, 2020, the Receiver received a claim for a trailer purported to be owned by Eliyahu Pilo, a previous employee of Comsale Computer at the St. Catharines warehouse. Eliyahu Pilo provided the Receiver with supporting documentation to substantiate ownership of the trailer. After review of the documentation, the Receiver agreed to release the trailer.
31. Throughout the course of the receivership, the Receiver has received claims from terminated employees for personal belongings stored at the St. Catharines warehouse. Upon receipt of proof of ownership, the Receiver has allowed these terminated employees to collect their belongings.
32. CWB National Leasing Inc. ("**CWB**") has a specific security interest over the equipment and a container located at the St. Catharines warehouse, which has been reviewed by the

Receiver's independent legal counsel, Baker McKenzie. The Receiver has, with CWB's consent, included the CWB assets in the Sale Process. All proceeds related to the sale of CWB's assets will be distributed to CWB.

INVESTIGATION

33. The Receiver notes the following information which has come to light since its appointment:

- (a) Records – The majority of the books and records cannot be accessed including the QuickBooks accounting system, E-mail addresses of senior people, and the accounting department email address where orders were received and invoices were sent. As outlined in the First Report, management has alleged this is because these records were destroyed in a series of cyber-attacks.
- (b) Receivables – The Receiver notes the following when examining the reconstructed receivable subledger and comparing it to receivables as reported to HSBC approximately two months earlier:
 - (i) there is approximately \$2.5 million owing from customers that do not appear to have existed previously – the Receiver has not been able to collect any of these balances and, for several of them, has not been able to get addresses and contact details from management of the Comsale Entities;
 - (ii) the reasoning for certain variances is unclear to the Receiver – for example, a balance that declines by USD\$2.0 million where only USD\$1.2 million appears to have been collected in the intervening period; and
 - (iii) the decline in receivables cannot be reconciled with the level of cash received.

- (c) Inventory – There is a conspicuous decline in inventory levels between the \$23.7 million reported to HSBC at August 31, 2019 and the \$12.2 million of inventory counted after the receivership by Gordon Brothers (using costing information provided by management).
 - (d) Shipments – The Receiver has uncovered certain shipments in the shipping records of the Comsale Entities which are unusual.
34. GTL is currently investigating all of the foregoing and is working closely with Stern Landesman Clark LLP, the firm retained by GTL in its capacity as Trustee in Bankruptcy, to assist with the examinations pursuant to section 163 of the *Bankruptcy and Insolvency Act R.S.C. 1985, c. B-3, as amended* (the “**BIA**”). The results of the investigation are not complete, but the Receiver has kept HSBC apprised of its efforts as the cost of the investigation are significant and will affect recoveries to HSBC. HSBC has agreed to the Receiver’s efforts to date.
35. Regarding the missing electronic records describe above, the Receiver has asked GT Forensics to attempt to recover information from the Comsale Entities’ computer servers.
36. As was noted earlier in this Second Report, Comsale Computer has been assigned into bankruptcy with GTL as the bankruptcy trustee. GTL has started examinations of key people thought to have further information on the records, receivables, inventory and shipment issues noted above pursuant to the trustee in bankruptcy’s examination powers under the BIA.

PROFESSIONAL FEES

37. The Receiver and its legal counsel have maintained detailed records of their professional time and costs since the Receivership Order was granted.

38. Paragraph 19 of the Receivership Order provides that the Receiver and its legal counsel shall be paid their reasonable fees and disbursements. In addition, the Receiver and its legal counsel were granted a first charge on the property of the Comsale Entities as security for such fees and disbursements.
39. The table below summarizes the professional firms involved, the role of each firm, fees incurred with and without sales taxes, the time period the fees relate to and the appendix with the supporting fee affidavit.

Professional Firm	Role	Fees (USD)	Fees Converted (CAD)	Total Fees incl. Sales Tax (CAD)	Time Period	Supporting Affidavit
GTL	Receiver		\$ 640,345	\$ 723,590	05-Nov-19 to 31-Mar-20	Appendix "J"
GT Malaysia	Receiver's representative in Malaysia	\$ 166,789	\$ 235,623	\$ 249,761	12-Nov-19 to 17-Mar-20	Appendix "K"

Baker McKenzie	Receiver's independent counsel		\$ 4,932	\$ 5,573	29-Nov-19 to 31-Jan-20	Appendix "M"

		\$ 485,183	\$ 1,436,193	\$ 1,550,921		

** Fees in USD converted to CAD at respective invoice dates using Bank of Canada rates.*

40. Certain of the dockets are redacted from one or more of the supporting fee affidavits, in an effort to maintain confidentiality and privilege in specific instances. Unredacted copies will be made available to the Court upon request, and have not been included as part of this motion record in an effort to reduce file size given the current need for electronic filing via email.
41. The Receiver respectfully submits that the fees and disbursements of the Receiver and its counsel, as set out in the supporting affidavits referenced in the above chart, are reasonable in the circumstances and have been validly incurred in accordance with the provisions of the Receivership Order. Accordingly, the Receiver requests the approval of the fees and disbursements of itself and its counsel, at this time. Further, HSBC, the senior

secured creditor which is expected to experience a significant shortfall on its recoveries in this matter, is supportive of this relief being sought by the Receiver.

42. Due to the COVID-19 pandemic, it was not possible for several of the affiants to have their fee affidavits notarized or commissioned. The Receiver notes that the affidavit of Penelope J. Jenson (Linklaters), Donald G. Martin (Lewis Rocca) and Vong Sze Xin (Shearn) are not notarized or commissioned. In each case, Paul Kouadio (Senior Associate) or Rob Stelzer (Vice President) at GTL confirmed by phone with the affiant that they did indeed sign the affidavits appended to this Second Report. The Receiver believes this is an appropriate accommodation under the circumstances.

CONCLUSION AND RECOMMENDATION

43. For the reasons set out in this Second Report, the Receiver is of the view that the relief requested is reasonable and appropriate in the circumstances and respectfully recommends that the Court make the Order granting the requested relief, as set out in paragraph seven of this Second Report.

ALL OF WHICH IS RESPECTFULLY SUBMITTED this 15th day of April 2020.

7. THIS COURT ORDERS that if any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto

NO EXERCISE OF RIGHTS OR REMEDIES

11. THIS COURT ORDERS that all rights and remedies against the Comsale Entities, the Receiver, or affecting the Property, are hereby stayed and suspended except with the written consent of the Receiver or leave of this Court, provided however that this stay and suspension does not apply in respect of any "eligible financial contract" as defined in the BIA, and further provided that nothing in this paragraph shall (i) empower the Receiver or the Comsale Entities to carry on any business which the Comsale Entities are not lawfully entitled to carry on, (ii) exempt the Receiver or the Comsale Entities from compliance with statutory or regulatory provisions relating to health, safety or the environment, (iii) prevent the filing of any registration to preserve or perfect a security interest, or (iv) prevent the registration of a claim for lien.

The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

PIPEDA

16. THIS COURT ORDERS that, pursuant to clause 7(3)(c) of the *Canada Personal Information Protection and Electronic Documents Act*, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "**Sale**"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all

material respects identical to the prior use of such information by the Comsale Entities, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

17. THIS COURT ORDERS that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

18. THIS COURT ORDERS that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

19. THIS COURT ORDERS that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless

otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "**Receiver's Charge**") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

20. THIS COURT ORDERS that the Receiver and its legal counsel shall pass their accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

21. THIS COURT ORDERS that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

22. THIS COURT ORDERS that the Receiver be at liberty and it is hereby empowered to borrow from the Bank by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$750,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "**Receiver's Borrowings Charge**") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

INTERIM COMEBACK PERIOD

23. THIS COURT ORDERS that, pending further Order of the Court, for a period of fifteen (15) calendar days following the date of this Order (the "**Interim Comeback Period**"), the Receiver's Charge and the Receiver's Borrowing Charge shall not extend to collateral that is subject to a properly perfected security interest that is in priority to the Bank's security, including purchase money security interests. Any secured creditor that wishes to take the position that the priority charges granted pursuant to this Order should not extend to collateral subject to their security interest shall serve a motion on notice to the Receiver and the Bank within fifteen (15) calendar days of the date of this Order, seeking such relief. In the absence of an Order being granted in respect of such motion that is served within the Interim Comeback Period, all priority charges under this Order including the Receiver's Charge set forth in paragraph 19 above and the Receiver's Borrowings Charge set forth in paragraph 22 above, will apply to all assets, including those subject to purchase money security interests, equipment leases or other interests that may be in priority to the Bank's security, immediately upon the conclusion of the Interim Comeback Period without any further steps being taken.

24. THIS COURT ORDERS that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

25. THIS COURT ORDERS that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "A" hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.

26. THIS COURT ORDERS that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.

31. THIS COURT ORDERS that nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of any of the Comsale Entities.

32. THIS COURT HEREBY REQUESTS the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States, Malaysia and Hong Kong to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

33. THIS COURT ORDERS that the Receiver be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order, and that the Receiver is authorized and empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

34. THIS COURT ORDERS that the Applicant shall have its costs of this Application, up to and including entry and service of this Order, provided for by the terms of the Application security or, if not so provided by the Applicant's security, then on a substantial indemnity basis to be paid by the Receiver from the Comsale Entities' estates with such priority and at such time as this Court may determine.

35. THIS COURT ORDERS that any interested party may apply to this Court to vary or amend this Order on not less than seven (7) days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

F. The Canadian Proceeding is a “foreign proceeding” as such term is defined in section 101(23) of the Bankruptcy Code.

G. The Canadian Proceeding is pending in Canada, which is where the Debtors have their “center of main interests” as referred to in section 1517(b)(1) of the Bankruptcy Code. As such, the Canadian Proceeding is a “foreign main proceeding” pursuant to section 1502(4) of the Bankruptcy Code, is entitled to recognition as a foreign main proceeding pursuant to section 1517(b)(1) of the Bankruptcy Code and is entitled to all relief afforded to foreign main proceedings under section 1520 of the Bankruptcy Code.

H. The Foreign Representative is a “person” as such term is defined in section 101(41) of the Bankruptcy Code and has been duly appointed and designated as the “foreign representative” of the Debtors as such term is defined in section 101(24) of the Bankruptcy Code.

I. These chapter 15 cases were properly commenced pursuant to sections 1504 and 1509 of the Bankruptcy Code, and the Petition satisfies the requirements of section 1515 of the Bankruptcy Code.

J. The Foreign Representative and each of the Debtors, as applicable, are entitled to the additional assistance and discretionary relief requested in the Petition under sections 1507 and 1521 of the Bankruptcy Code (including application of section 365 of the Bankruptcy Code).

K. The Foreign Representative has demonstrated that application of section 365 of the Bankruptcy Code, as made applicable by sections 105(a), 1521(a)(7) and 1507 of the Bankruptcy Code, is necessary to enable the Foreign Representative or any of the Debtors to assume or reject a contract or compel a contract counterparty to perform under a contract. Absent application of section 365 of the Bankruptcy Code, there is a material risk that one or more of the Debtors' contract counterparties may terminate agreements or discontinue performance and any such termination or discontinuation could impose severe economic consequences on the Debtors' estates and interfere with liquidation efforts.

L. The relief granted herein is necessary and appropriate, in the interests of the public and of international comity, not inconsistent with the public policy of the United States, warranted pursuant to sections 105(a), 1504, 1507, 1509, 1515, 1517, 1520 and 1521 of the Bankruptcy Code and will not cause hardship to any party in interest. To the extent that any hardship or inconvenience may result to such parties, it is outweighed by the benefits of the requested relief to the Foreign Representative, the Debtors, their creditors and other parties in interest.

M. The relief granted herein is necessary to effectuate the purposes and objectives of chapter 15 of the Bankruptcy Code and to protect the Debtors and the interests of their creditors and all parties in interest.

N. In accordance with section 1507(b) of the Bankruptcy Code, the relief granted herein will reasonably assure: (i) the just treatment of all holders of claims against or interests in the Debtors' property; (ii) the protection of claim holders in the United States against prejudice and inconvenience in the processing of claims in the Canadian Proceeding; (iii) the prevention of preferential or fraudulent dispositions of property of the Debtors; and (iv) the distribution of proceeds of the Debtors' property substantially in accordance with the order prescribed in the Bankruptcy Code.

O. All creditors and other parties in interest, including the Debtors, are sufficiently protected in the grant of the relief ordered hereby in compliance with section 1522(a) of the Bankruptcy Code.

BASED ON THE FOREGOING FINDINGS OF FACT AND AFTER DUE DELIBERATION AND SUFFICIENT CAUSE APPEARING THEREFOR, IT IS HEREBY ORDERED THAT:

1. The Petition and the relief requested therein are granted.
2. The Canadian Proceeding is recognized as a "foreign main proceeding" under sections 1517(a) and 1517(b)(1) of the Bankruptcy Code.
3. The Receivership Order, including any extensions or amendments thereto authorized by the Canadian Court, is hereby enforced on a final basis and given full force and effect in the United States (except as otherwise expressly provided herein).
4. The Foreign Representative is recognized as the "foreign representative" as defined in section 101(24) of the Bankruptcy Code in respect of the Canadian Proceeding.
5. All relief and protection afforded to a foreign main proceeding under section 1520 of the Bankruptcy Code is hereby granted to the Canadian Proceeding, the Foreign Representative, the Debtors and their assets located in the United States.

6. Sections 362 and 365 of the Bankruptcy Code shall hereby apply with respect to the Debtors and the property of the Debtors that is located within the territorial jurisdiction of the United States. All entities (as that term is defined in section 101(15) of the Bankruptcy Code) other than the Foreign Representative and its authorized representatives and agents are hereby permanently enjoined from:

- a. executing against any asset of any Debtor;
- b. commencing or continuing, including issuing or employing process, of a judicial, quasi-judicial, administrative, regulatory, arbitral, or other action or proceeding, or to recover a claim, including, without limitation, any and all unpaid judgments, settlements or otherwise against any Debtor, its property, or any direct or indirect transferee of or successor to any property of any Debtor, or any property of such transferee or successor, or the seeking of any discovery related to any of the foregoing, which in each case is in any way inconsistent with, relates to, or would interfere with, the administration of the Debtors' estates in the Canadian Proceeding or Canadian law;
- c. taking or continuing any act to create, perfect or enforce a lien or other security interest, setoff or other claim against any Debtor or any of its property or proceeds thereof, which in each case is in any way inconsistent with, relates to, or would interfere with, the administration of the Debtors' estates in the Canadian Proceeding or Canadian law;
- d. transferring, relinquishing or disposing of any property of any Debtor to any entity other than the Foreign Representative and its authorized representatives and agents or taking or continuing any act to obtain possession of, commingle, or exercise control over, such property, which in each case is in any way inconsistent with, relates to, or would interfere with, the administration of the Debtors' estates in the Canadian Proceeding or Canadian law;
- e. commencing or continuing in any manner, directly or indirectly, an individual action or proceeding concerning any Debtor's assets, rights, obligations or liabilities, or to resolve any dispute arising out of the Canadian Proceeding or Canadian law relating to the Canadian Proceeding, in each case, to the extent they have not been stayed pursuant to sections 1520(a) and 362 of the Bankruptcy Code;
- f. declaring or considering the filing of the Canadian Proceeding, the Receivership Order or any of these chapter 15 cases a default or event of default under any agreement, contract or arrangement; and

- g. terminating, modifying, refusing to perform, or otherwise accelerating obligations or exercising remedies under any contract with any of the Debtors on the basis of (i) the insolvency or financial condition of the Debtors at any time before the closing of these cases; (ii) the commencement of the Canadian Proceeding, the entry of the Receivership Order or the commencement of these chapter 15 cases; or (iii) the appointment of, and taking possession by, the Foreign Representative of any asset or contract of any Debtor;

provided, in each case, that such injunctions shall be effective solely within the territorial jurisdiction of the United States.

7. Sections 1521(a)(1)-(3) and (5)-(7) of the Bankruptcy Code shall apply with respect to the Debtors and the property of the Debtors that is located within the territorial jurisdiction of the United States.

8. Pursuant to section 1520(a)(3) of the Bankruptcy Code, the Foreign Representative is entitled to operate the Debtors' businesses and administer their assets, including without limitation, all bank accounts and accounts receivable. All banks at which the Debtors maintain bank accounts are authorized to: (i) honor the Foreign Representative's instructions with respect to accessing any such accounts; and (ii) accept, hold, or permit withdrawal, transfer, or other disposition of funds in accordance with the Foreign Representative's instructions.

9. Subject to sections 1520 and 1521 of the Bankruptcy Code, the Canadian Proceeding and the Receivership Order, and the transactions consummated or to be consummated thereunder, shall be granted comity and given full force and effect in the United States to the same extent that they are given effect in Canada, and each is binding on all creditors of the Debtors and their successors and assigns.

10. Under section 1521(a)(6) of the Bankruptcy Code, all prior relief granted to the Debtors or the Foreign Representative by this Court under section 1519(a) of the Bankruptcy Code shall be extended and the *Order Granting Motion of the Foreign Representative for Provisional*

Relief Pursuant to Sections 105(a) and 1519 of the Bankruptcy Code [Dkt. No. 12] shall remain in full force and effect, notwithstanding anything to the contrary contained therein.

11. No action taken by the Foreign Representative, any Debtor or their respective agents, representatives, advisors, or counsel, in preparing, disseminating, applying for, implementing or otherwise acting in furtherance of the Canadian Proceeding, the documents contemplated thereunder, this Order, the chapter 15 cases, any further order for additional relief in the chapter 15 cases, or any adversary proceedings in connection therewith, will be deemed to constitute a waiver of the immunity afforded such persons under sections 306 or 1510 of the Bankruptcy Code.

12. No party shall incur any liability for following the terms of this Order (whether by acting or refraining from acting), except in the case of the party's own gross negligence or willful misconduct.

13. Notwithstanding anything to the contrary contained herein, this Order shall not be construed as (i) enjoining the police or regulatory act of a governmental unit, including a criminal action or proceeding, to the extent not stayed under section 362 of the Bankruptcy Code or (ii) staying the exercise of any rights that section 362(o) of the Bankruptcy Code does not allow to be stayed.

14. The Foreign Representative, the Debtor, and their respective agents are authorized to serve or provide any notices required under the Bankruptcy Rules or local rules of this Court.

realization of the relief granted in this Order and (iii) this Order shall constitute a final order within the meaning of 28 U.S.C. § 158(a).

16. The Foreign Representative and its agents are authorized and empowered to take all actions necessary to effectuate the relief granted under this Order in accordance with the Petition.

17. This Court shall retain jurisdiction with respect to the implementation, enforcement, amendment or modification of this Order.

Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all

material respects identical to the prior use of such information by the Comsale Entities, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

17. THIS COURT ORDERS that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

18. THIS COURT ORDERS that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

19. THIS COURT ORDERS that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless

otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "**Receiver's Charge**") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

20. THIS COURT ORDERS that the Receiver and its legal counsel shall pass their accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

21. THIS COURT ORDERS that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

22. THIS COURT ORDERS that the Receiver be at liberty and it is hereby empowered to borrow from the Bank by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$750,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "**Receiver's Borrowings Charge**") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

INTERIM COMEBACK PERIOD

23. THIS COURT ORDERS that, pending further Order of the Court, for a period of fifteen (15) calendar days following the date of this Order (the "**Interim Comeback Period**"), the Receiver's Charge and the Receiver's Borrowing Charge shall not extend to collateral that is subject to a properly perfected security interest that is in priority to the Bank's security, including purchase money security interests. Any secured creditor that wishes to take the position that the priority charges granted pursuant to this Order should not extend to collateral subject to their security interest shall serve a motion on notice to the Receiver and the Bank within fifteen (15) calendar days of the date of this Order, seeking such relief. In the absence of an Order being granted in respect of such motion that is served within the Interim Comeback Period, all priority charges under this Order including the Receiver's Charge set forth in paragraph 19 above and the Receiver's Borrowings Charge set forth in paragraph 22 above, will apply to all assets, including those subject to purchase money security interests, equipment leases or other interests that may be in priority to the Bank's security, immediately upon the conclusion of the Interim Comeback Period without any further steps being taken.

24. THIS COURT ORDERS that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

25. THIS COURT ORDERS that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "A" hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.

26. THIS COURT ORDERS that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.

SERVICE AND NOTICE

27. THIS COURT ORDERS that the E-Service Protocol of the Commercial List (the "**Protocol**") is approved and adopted by reference herein and, in this proceeding, the service of

documents made in accordance with the Protocol (which can be found on the Commercial List website at <http://www.ontariocourts.ca/scj/practice/practice-directions/toronto/e-service-protocol/>) shall be valid and effective service. Subject to Rule 17.05 this Order shall constitute an order for substituted service pursuant to Rule 16.04 of the Rules of Civil Procedure. Subject to Rule 3.01(d) of the Rules of Civil Procedure and paragraph 21 of the Protocol, service of documents in accordance with the Protocol will be effective on transmission. This Court further orders that a Case Website shall be established in accordance with the Protocol with the following URL: www.GrantThornton.ca/Comsale.

28. THIS COURT ORDERS that if the service or distribution of documents in accordance with the Protocol is not practicable, the Receiver is at liberty to serve or distribute this Order, any other materials and orders in these proceedings, any notices or other correspondence, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery, email, or facsimile transmission to the Comsale Entities' creditors or other interested parties at their respective addresses as last shown on the records of the Comsale Entities and that any such service or distribution by courier, personal delivery, email, or facsimile transmission shall be deemed to be received on the next business day following the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.

RETENTION OF LAWYERS

29. THIS COURT ORDERS that the Receiver may retain solicitors to represent and advise the Receiver in connection with the exercise of the Receiver's powers and duties, including without limitation, those conferred by this Order. Such solicitors may include Thornton Grout Finnigan LLP, solicitors for the Applicant herein, in respect of any matter where there is no conflict of interest. The Receiver shall, however, retain independent solicitors in respect of any legal advice or services where a conflict exists, or may arise.

GENERAL

30. THIS COURT ORDERS that the Receiver may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.

31. THIS COURT ORDERS that nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of any of the Comsale Entities.

32. THIS COURT HEREBY REQUESTS the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States, Malaysia and Hong Kong to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

33. THIS COURT ORDERS that the Receiver be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order, and that the Receiver is authorized and empowered to act as a representative in respect of the within proceedings for the purpose of having these proceedings recognized in a jurisdiction outside Canada.

34. THIS COURT ORDERS that the Applicant shall have its costs of this Application, up to and including entry and service of this Order, provided for by the terms of the Application security or, if not so provided by the Applicant's security, then on a substantial indemnity basis to be paid by the Receiver from the Comsale Entities' estates with such priority and at such time as this Court may determine.

35. THIS COURT ORDERS that any interested party may apply to this Court to vary or amend this Order on not less than seven (7) days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

**FIRST REPORT TO THE COURT OF GRANT THORNTON LIMITED
IN ITS CAPACITY AS RECEIVER**

DECEMBER 13, 2019

INTRODUCTION AND PURPOSE OF THE FIRST REPORT

1. This report (the “**First Report**”) is filed by Grant Thornton Limited (“**GTL**”) in its capacity as receiver and manager (the “**Receiver**”) of Comsale Computer Inc. (“**Comsale Computer**”), Comsale Inc. (“**Comsale US**”), Comsale Group Inc. (“**Comsale Group**”), Comsale Hong Kong Limited (“**Comsale Hong Kong**”) and Comsale Malaysia Sdn. Bhd. (“**Comsale Malaysia**” and, collectively, the “**Comsale Entities**”).

2. On November 5, 2019, the Ontario Superior Court of Justice (Commercial List) (the “**Canadian Court**”) granted an order appointing GTL as Receiver, without security, over all the assets, undertakings and properties of the Comsale Entities (the “**Receivership Order**”). Copies of the Receivership Order and the Endorsement of The Honourable Justice Conway are collectively attached hereto as **Appendix “A”**.
3. On November 15, 2019, the United States Bankruptcy Court for the Southern District of New York (the “**US Court**”) granted provisional relief Order (the “**US Provisional Order**”) pursuant to Chapter 15 of the United States Bankruptcy Code, recognizing the appointment of GTL as the Receiver of Comsale Computer, Comsale US and Comsale Group pursuant to the Receivership Order. On December 11, 2019, the US Court granted the final recognition of the Receivership Order specific to the abovementioned entities, a copy of which will be provided to the Receiver by the US Court shortly. A copy of the US Provisional Order, as granted by the Honourable James L. Garrity, Jr. is attached hereto as **Appendix “B”**.
4. On November 27, 2019, the High Court of Malaya at Kuala Lumpur, in the Federal Territory of Kuala Lumpur (Commercial Division) (the “**Malaysian Court**”) granted an order recognizing the appointment of GTL as the Receiver of Comsale Computer pursuant to the Receivership Order in Malaysia (the “**Malaysian Order**”). A copy of the Malaysian Order granted by the Honorable Judge Azizul Azmi Bin Adnan is attached hereto as **Appendix “C”**.
5. The purpose of this First Report is to provide the Court with an update on the proceedings and to provide information to support the Receiver’s request for an order:

- (a) expanding the Receivership Order to include Comsale Singapore Private Limited (“**Comsale Singapore**”) as an additional respondent subject to the Receivership Order;
- (b) approving the Receiver’s proposed Sales Process for the Assets Available for Sale (as each term is defined herein); and
- (c) approving this First Report and the conduct and activities of the Receiver since its appointment, as detailed herein.

RESTRICTIONS AND TERMS OF REFERENCE

- 6. In preparing this First Report the Receiver has relied upon unaudited financial information, Comsale Entities’ books and records, to the extent available, certain financial information, discussions with the Comsale Entities’ former employees and officers, and discussions with other parties. The Receiver’s work does not constitute an audit or verification of such information for accuracy, completeness or compliance with Generally Accepted Accounting Principles (“**GAAP**”), International Financial Reporting Standards (“**IFRS**”) or Generally Accepted Auditing Standards (“**GAAS**”). Accordingly, the Receiver expresses no opinion or other form of assurance pursuant to GAAP, IFRS or GAAS with respect to such information.
- 7. This First Report has been prepared to provide general information by way of a status update to the Court and to provide the Court with context for the Receiver’s request for the relief sought. Accordingly, the reader is cautioned that this First Report may not be appropriate for any other purpose. The Receiver will not assume responsibility or liability for losses incurred by any other party which uses this First Report for any other purpose.

8. Capitalized terms not defined in this First Report shall have the meaning ascribed to such terms in the Receivership Order. All references to dollars are in Canadian currency, unless otherwise noted.
9. Copies of materials filed in these proceedings to date, including with respect to the foreign proceedings, are available on the Receiver's case website at: www.GrantThornton.ca/Comsale.

BACKGROUND OF THE COMSALE ENTITIES (INCLUDING COMSALE SINGAPORE)

10. Neil Shaul and Wenqiang (Ken) Feng are each 50% shareholders of Comsale Computer and Comsale Group. Comsale Group wholly owns Comsale Malaysia, Comsale US and Comsale Hong Kong, as well as Comsale Singapore (Comsale Singapore is not currently a respondent in this proceeding, but is sought to be added to the Receivership Order herein).
11. HSBC Bank Canada ("**HSBC**") extended credit facilities to Comsale Computer pursuant to a Credit Facility Agreement dated June 4, 2018 (the "**Credit Agreement**"), the obligations of which were guaranteed by Comsale US and Comsale Group pursuant to unlimited guarantees granted to HSBC. The Credit Agreement and security documentation are detailed in the affidavit of John Borch sworn November 5, 2019 filed in support of HSBC's application to appoint the Receiver.
12. The Comsale Entities were in the business of refurbishing and reconfiguring used electronic equipment and accessories including, but not limited to, desktops, laptop computers and tablets.
13. The following locations were used by the Comsale Entities as at the date of the receivership:

- (a) 300 Spinnaker Way, Concord, ON, Canada L4K 4N4 (the “**Head Office**”);
 - (b) Suite #323, 18B-3200 Dufferin Street, Toronto, ON, Canada M6A 0A1 (the “**Canada Postal Box**”);
 - (c) Suite #211, 266 Elmwood Street, Buffalo, NY, US 14222 (the “**US Postal Box**”);
 - (d) 70 Niagara Street, St. Catharines, ON, Canada L2R 4L1 (the “**St. Catharines Warehouse**”);
 - (e) Port Klang Free Zone, Jalan FZ4-P3, 42920 Pulau Indah, Selangor, Malaysia (the “**Malaysian Warehouse**”);
 - (f) 1021 E. Glendale Ave, Sparks, NV, US 89431 (the “**Reno Warehouse**”); and
 - (g) 4040 Willow Lake Blvd, Memphis, TN, US 38118 (the “**Memphis Warehouse**”).
14. Based on the Comsale Entities’ website: www.comsale.com, available books and records and the Receiver’s discussions with former officers and employees of the Comsale Entities, the following locations appear to have been previously used by the Comsale Entities:
- (a) 4800 Van Epps Rd #105, Brooklyn Heights, OH, US 44131 (the “**Ohio Premises**”);
 - (b) Unit 1203, 12/F, CEO Tower, 77 Wing Hong Street, Cheung Sha Wan, Hong Kong (the “**Hong Kong Premises**”); and
 - (c) A3-143, Rajlaxmi Complex, Old Padra Road, Vadodara, Gujarat, 390012 (the “**India Premises**”).
15. Based on discussions with Neil Shaul and other former employees of the Comsale Entities, the Receiver was advised that no assets or books and records of the Comsale Entities are located at the Ohio Premises, the Hong Kong Premises or the India Premises.

16. Based on discussions with former employees of the Comsale Entities and some paper records of the Comsale Entities, the Receiver understands the operations that existed prior to the receivership were as follows:
- (a) the Comsale Entities would acquire second hand electronic equipment to be refurbished and reconfigured. This inventory was often shipped from suppliers to the St. Catharines Warehouse and then to the Malaysian Warehouse to be stripped of the majority of all parts, leaving only the CTO (i.e. the shell of the electronic equipment). The majority of CTO's were then shipped back to either the St. Catharines Warehouse, the Memphis Warehouse or the Reno Warehouse;
 - (b) the CTO's, together with various parts, were assembled into finished goods and sold from the St. Catharines Warehouse, the Memphis Warehouse, the Reno Warehouse or the Malaysian Warehouse;
 - (c) the majority of sales made from the St. Catharines Warehouse and the Malaysian Warehouse were business-to-business customers. The majority of sales made from the Memphis Warehouse and the Reno Warehouse were to e-commerce customers through platforms such as www.amazon.com; and
 - (d) warranty services were provided by the Comsale Entities, the majority of which were performed at the Malaysian Warehouse.

THE RECEIVER'S ACTIVITIES

17. Since the commencement of the receivership proceedings, the Receiver has:
- (a) taken possession of the Head Office, the St. Catharines Warehouse, the Memphis Warehouse and the Reno Warehouse and safeguarded the assets within each of these premises. The Receiver undertook various actions to safeguard the Canada

Postal Box and the US Postal Box and the inventory stored within the Malaysian Warehouse. Further details about the steps undertaken by the Receiver to safeguard property and books and records is provided later in this First Report;

- (b) together with its counsel, Thornton Grout Finnigan LLP (“**TGF**”), sought recognition of the Receivership Order in the US and Malaysia. This required liaising with and instructing counsel in the US, being Linklaters LLP (“**Linklaters**”), and in Malaysia, being Shearn Delamore & Co (“**Shearn**”);
- (c) engaged Grant Thornton Consulting Sdn. Bhd. (“**GT Malaysia**”) as its agent in Malaysia. The Receiver and GT Malaysia continue to liaise with each other in relation to all Malaysian matters;

- (e) established internal accounts for the Comsale Entities to maintain and report any proceeds received from the realization and/or recovery of assets for the specific entity;
- (f) dealt with the termination of employees and contractors as follows:
 - (i) terminated all employees and contractors at the Head Office and the St. Catharines Warehouse on behalf of Comsale Computer;
 - (ii) terminated all employees of Memphis Warehouse and the Reno Warehouse on behalf of Comsale US; and

- (iii) corresponded with management of the Malaysian Warehouse (Comsale Malaysia employees had been provided with notice of the shutdown of Comsale Malaysia by management on November 5, 2019 but have not been terminated for reasons discussed later in this First Report).
- (g) retained certain former employees as individual contractors to assist the Receiver with its duties as Receiver over Comsale Computer and Comsale US (the **"Retained Contractors"**);

- (i) notified the landlords of the leased real property of the Receivership Order and discussed with them the occupation of the premises by the Receiver during the receivership;
- (j) reviewed insurance policies to ensure adequate insurance coverage during the receivership, paid outstanding premiums, and requested that the Receiver be added as an additional insured and loss payee to the policies;

- (k) with the assistance of a third-party contractor, took steps to preserve the electronic books and records of the Comsale Entities;
- (l) contacted the leasing and financing companies registered against Comsale Computer on the Personal Property Security Register (the “**PPSR**”) and against Comsale US on the Uniform Commercial Code Filing Database (“**UCCFD**”), to request the security documents and lease agreements of the leased equipment used by these entities;
- (m) disclaimed interest in two vehicles where the financing company was found to have a valid security interest;
- (n) prepared the notice and statement of Receiver in accordance with the provisions of Sections 245 and 246(1) of the *Bankruptcy and Insolvency Act* (the “**BIA**”) based on the Comsale Entities’ limited available books and records;

- (r) liaised with debtors for outstanding receivables owed to Comsale Computer;
- (s) engaged Gordon Brothers Asset Advisors, LLC and GB Appraisal Canada ULC (collectively, “**Gordon Brothers**”) to perform a test count and appraisal of the inventory;

- (t) liaised with freight forwarders and shipping companies to secure In-Transit Inventory (as defined in this First Report);
- (u) searched for property not in the Receiver's possession but believed to be owned by the Comsale Entities;
- (v) prepared asset listings for the proposed Sales Process (as defined later in this First Report);
- (w) prepared the proposed Sales Process;
- (x) corresponded and met with HSBC and TGF on numerous occasions;
- (y) responded to numerous enquiries from creditors, customers and other stakeholders;
- (z) administered the Case Website in accordance with the E-Service Protocol; and
- (aa) prepared this First Report to seek the relief as detailed herein and to update the Court with respect to the receivership proceedings.

STEPS UNDERTAKEN TO SAFEGUARD PROPERTY AND BOOKS AND RECORDS

Cyber-Attacks

18. The Receiver was advised by Neil Shaul and certain employees of the Comsale Entities that the majority of the electronic books and records were inaccessible and/or destroyed as a result of a series of three cyber-attacks which occurred in October, 2019. The cyber-attacks were said to target some of the servers, systems and devices used to store information electronically (the "**Electronic Systems**"). Unavailable information included, but was not limited to, the Comsale Entities' accounting system called "QuickBooks" and

the Comsale Entities' accounting email account (accounting@comsale.com). The Receiver was advised that no electronic backup records survived the attacks.

19. Upon attendance at the Head Office, the St. Catharines Warehouse, the Memphis Warehouse and the Reno Warehouse, the Receiver was able to locate limited paper books and records of the Comsale Entities.
20. The Receiver was advised by former officers of the Comsale Entities that the infrastructure and maintenance of the Electronic Systems was remotely done by former employees from the India Premises.
21. On November 15, 2019, the Receiver and a former employee from the India Premises discussed the Electronic Systems. This former employee:
 - (a) confirmed that former employees in the India Premises would remotely access the Electronic Systems using a virtual private network (VPN) to access and maintain them;
 - (b) explained that his understanding was that the Electronic Systems had not been maintained since the last cyber-attack; and
 - (c) confirmed that the India Premises had been vacated prior to the receivership.
22. Neil Shaul claims that the domain Comsale.com, which hosts the Comsale Entities website, email exchange and phone numbers, is owned by him personally. As at the date of this First Report, Neil Shaul has provided limited documentation to support this assertion, which the Receiver is currently reviewing.
23. Throughout the receivership, the Receiver has requested access to the Electronic Systems from former employees. On December 4, 2019, the Receiver sent a letter to several former employees and officers, requesting passwords and access details and

reminding these individuals of their duty to assist the Receiver in accessing the books and records pursuant to the Receivership Order. Limited information has been received to date.

24. As at the date of this First Report, representatives of the Receiver and a third party contractor are working to access certain information from the Electronic Systems. The Receiver has so far been unable to verify the assertion by management that the lack of data on the Electronic Systems was the result of cyber-attacks.
25. As at the date of this report, the third party contractor has been able to recover the accounting email account (accounting@comsale.com) and some other email accounts, although some emails appear to be missing around the same dates of the alleged cyber-attacks.

Safeguarding Property

26. At the Head Office, the St. Catharines Warehouse, the Memphis Warehouse and the Reno Warehouse, the Receiver undertook the following actions to take possession and safeguard the property of the Comsale Entities:
 - (a) engaged a local locksmith to change the locks at each of the above premises and the surrounding areas (where applicable);
 - (b) collected all keys and access codes for assets within each premise;
 - (c) placed notices around each of the premises to notify the public of the receivership;
and
 - (d) notified each of the landlords that the Receiver would continue occupying the premises until it could realize on all of the assets stored at the respective premises, or until further notice.

27. The Receiver was advised that it could not arrange a mail redirection through Canada Post for either the Canada Postal Box or the US Postal Box, as these postal boxes are United Postal Service (“**UPS**”) boxes. As such, the Receiver notified the local UPS shops in which the Canada Postal Box and the US Postal Box are located, of the Receivership Order to ensure that only the Receiver and its representatives can collect the mail. The Receiver has arranged for a regular sweep of mail to be delivered to the Receiver’s office from the Canada Postal Box. The Receiver has requested on multiple occasions, via email and telephone, a regular sweep of the mail at the US Postal Box and is awaiting confirmation.
28. Inventory owned by Comsale Computer is stored within the Malaysian Warehouse. As detailed later in this report, the Receiver did not seek recognition over Comsale Malaysia and has not taken any steps to deal with that company in Malaysia. To safeguard the inventory within the Malaysian Warehouse owned by Comsale Computer, the Receiver:
- (a) requested and received the consent of Neil Shaul to enter the Malaysian Warehouse for the purpose of dealing with the inventory as Comsale Malaysia is the tenant of the premises in which Comsale Computer’s inventory is located;
 - (b) engaged local security guards to monitor and safeguard the Malaysian Warehouse;
 - (c) engaged GT Malaysia to, amongst other things, frequently attend the Malaysian Warehouse to view the inventory;
 - (d) engaged employees of Comsale Malaysia as contractors of the Receiver of Comsale Computer to, among other things, assist in preserving the inventory; and

- (e) issued correspondence to the landlord of the Malaysian Warehouse requesting their agreement to allow the Receiver to continue occupying the warehouse to secure the inventory owned by Comsale Computer.
29. As detailed earlier in this First Report, it appears to have been common practice for the Comsale Entities to ship containers of inventory between their various warehouses (the **"In-Transit Inventory"**). As at the date of this report, the Receiver continues to deal with the known In-Transit Inventory that was in circulation prior to the receivership, to secure this inventory.
30. The Receiver used the limited available books and records of the Comsale Entities to identify institutions that held accounts for the Comsale Entities prior to the receivership. The Receiver provided each of the institutions for these accounts with a copy of the Receivership Order and instructed them to freeze accounts. The Receiver also requested banking records for each of these accounts. Additionally, the Receiver issued a copy of the Receivership Order to other major banking institutions in Canada and requested such institutions to advise the Receiver if they held any accounts in the name of Comsale Computer, Comsale US or Comsale Group.
31. Further, immediately after the Receivership Order was issued, HSBC requested a block on all accounts held within its institution in the name of any of the Comsale Entities. On November 27, 2019, at the request of the Receiver, HSBC swept the balance of credit funds (in the amount of US\$25,604) held in a Comsale US bank account with HSBC Bank USA to the Receiver's bank account. Foreign locations of HSBC require recognition of the Receivership Order in their respective jurisdiction in order to: (i) grant the Receiver the authority to deal with any monies transacted through the account; (ii) provide any books

and records relating to bank accounts to the Receiver; and (iii) provide the Receiver any other information for bank accounts held in the name of any of the Comsale Entities.

32. Based on pre-receivership insurance policies, there were some motor vehicles listed which are currently not in the possession of the Receiver. The Receiver is liaising with the former employees of the Comsale Entities as well as conducting searches to determine the status and ownership of these motor vehicles.

FOREIGN RECOGNITION OF RECEIVERSHIP ORDER

Comsale Malaysia

33. Pursuant to the Receivership Order, the Receiver is appointed over the assets, property and undertaking of various entities including Comsale Malaysia. The Receiver explored seeking recognition of the Receivership Order in Malaysia for that entity. Based on discussions with Shearn, the Receiver was advised that GTL cannot be recognized as a Receiver of Comsale Malaysia, since only an individual practitioner (and not a company) may be recognized as receiver of a company that is incorporated in Malaysia. Proceeding in this manner would be inconsistent with the structure of the Receiver's appointment pursuant to the Receivership Order. As Comsale Computer is an entity incorporated in Ontario, no similar issue exists in seeking recognition in Malaysia of the Receivership Order as it relates to that entity.
34. GT Malaysia conducted a property securities search in Malaysia and based on the results, no secured parties had registered any interests. Based on internally prepared statements for Comsale Malaysia as at November 11, 2019 and GT Malaysia's discussions with employees of Comsale Malaysia, the following are estimated asset and liabilities in

Canadian Dollars and Malaysian Ringgits (“**RM**”) using an exchange rate of 0.3194 as at November 11, 2019:

- (a) assets include: fixed assets (excluding leasehold improvements) at a net book value of \$662,186 (RM 2,073,217), deposits paid to landlords in the amount of \$92,398 (RM 289,284) and cash deposited in a bank account in the amount of \$9,983 (RM 31,255); and
 - (b) liabilities include, but are not limited to: unpaid employees entitlements and statutory contributions in the amount of \$140,377 (RM 439,502) and trade payables in the amount of \$125,023 (RM 391,431). Liabilities for other payables, amounts due to holding companies and deferred tax liabilities, if any, were unable to be determined.
35. The Receiver understands that Comsale Computer owns the Comsale Entities’ inventory located in Malaysia.
36. Based on (i) the potential hurdles associated with seeking recognition of the Receivership Order as against Comsale Malaysia in Malaysia; (ii) the fact that the inventory located in Malaysia is owned by Comsale Computer; and (iii) the low estimated recoveries for any assets owned by Comsale Malaysia, the Receiver, in consultation with TGF, Shearn and HSBC, decided to not pursue recognition of the Receivership Order for Comsale Malaysia in Malaysia. Rather, based on the advice of Shearn, the Receiver sought and obtained recognition in Malaysia of the Receivership Order as it relates to Comsale Computer only.

Comsale Hong Kong Limited

37. Pursuant to the Receivership Order, the Receiver is appointed over the assets, property and undertaking of Comsale Hong Kong.

38. Based on internally prepared statements for Comsale Hong Kong as at March 31, 2019 using a conversion of 1 Hong Kong Dollar (“**HKD**”) to 0.1700 Canadian Dollars:
- (a) for the fifteen months prior to March 31, 2019, Comsale Hong Kong earned sales in the amount of \$8,287,670 (HKD 48,751,000) and generated a net profit in the amount of \$4,165 (HKD 24,500);
 - (b) the two most significant assets at book value were cash deposited in a bank account in the amount of \$2,040 (HKD 12,000) and a loan to a related party in the amount of \$1,700 (HKD 10,000); and
 - (c) accounts payable was the only liability reported in the amount of \$85 (HKD 500).
39. As stated earlier in this First Report, the Receiver is advised that no assets or books and records are stored at the Hong Kong Premises.
40. The Receiver has reviewed copies of the Comsale Hong Kong bank accounts established with HSBC Bank Hong Kong, as per the Receivership Order, and notes there are immaterial credit balances available.
41. In order to satisfy itself as to existence of any assets, including cash in any foreign bank accounts in the name of Comsale Hong Kong, or the movement of any cash, the Receiver intends to seek recognition of the Receivership Order in Hong Kong. HSBC supports the Receiver’s intention to seek recognition of the Receivership Order in Hong Kong. To that end, the Receiver’s counsel TGF has made contact with representatives of Linklaters’ offices in Hong Kong, facilitated by Linklaters’ US office, which is the Receiver’s US counsel.

Comsale Singapore Private Limited

42. Comsale Singapore was incorporated on August 23, 2018, shortly after the date of the Credit Agreement among the Comsale Entities and HSBC. Pursuant to a search with the Accounting and Corporate Regulatory Authority in Singapore (a copy of which is attached hereto as **Appendix “D”**), Comsale Singapore is a wholly owned subsidiary of Comsale Group, which is an entity subject to the Receivership Order. Its directors are Neil Shaul, Huang Li and Wenquang Feng. We understand that Mr. Li may have resigned or is in the process of resigning as a director of Comsale Singapore.
43. The Receiver is advised by HSBC that, as Comsale Singapore was not in existence at the time the Credit Agreement with HSBC was executed, HSBC did not seek or obtain security from that entity as part of its loan and security documentation, as it otherwise would have required. For that reason, Comsale Singapore was not originally included as a respondent in this proceeding and made subject to the Receivership Order.
44. The Receiver has seen references to Comsale Singapore in documentation included with records of the other Comsale Entities and discussions with some key stakeholders.
45. These paper records included:
- (a) Internally prepared statements for Comsale Singapore as at March 31, 2019 and using an exchange rate of 1 Singapore Dollar (“**SGD**”) to 1.0148 Canadian Dollars the Receiver understands:
 - (i) for the seven months prior to March 31, 2019, Comsale Singapore earned sales in the amount of \$125,835 (SGD124,000) and broke even for this same period;

- (ii) the two most valuable assets at book value were inventory in the amount of \$48,710 (SGD 48,000) and cash deposited in a bank account in the amount of \$22,326 (SGD 22,000); and,
 - (iii) the largest liability was a loan from a related party in the amount of \$96,406 (SGD 95,000).
 - (b) A proforma invoice issued on behalf of Comsale Computer to a customer situated in Hong Kong, which requests the customer of Comsale Computer to pay for the supply via wire transfer to an account held by Comsale Singapore with HSBC Singapore. A copy of this proforma invoice is attached as **Appendix “E”**.
46. During discussions with key stakeholders, the Receiver was advised of the following:
- (a) Comsale Singapore’s registered office, being 1 Rochor Canal Road, #04-13A Sim Lim Square, Singapore 188504 (the **“Singapore Premises”**), served as a retail shop for customers who preferred to buy goods from an entity established and based in Singapore as opposed to an entity incorporated in Canada (i.e. Comsale Computer). The Receiver is advised that Comsale Computer would sell inventory to Comsale Singapore, which would then sell to customers;
 - (b) the Singapore Premises was closed prior to June 2019; and
 - (c) no physical assets or books and records are stored at the Singapore Premises.
47. It appears that Comsale Singapore is an entity doing business on behalf of Comsale Computer in Singapore, and may have been dealing with assets of Comsale Computer at a point in time. As such, the Receiver considers it prudent to include Comsale Singapore as a respondent to the Receivership Order, for the purpose, amongst other things, of

reviewing any available records of Comsale Singapore to determine whether any assets of Comsale Computer remain or can be recovered.

48. Based on the above, and in order to more fully carry out the terms of the Receivership Order, the Receiver requests that the Court amend the Receivership Order to include Comsale Singapore as a respondent subject to same. If such requested relief is granted by the Court, the Receiver will take steps to seek recognition of the Receivership Order in Singapore. To that end, the Receiver's counsel, TGF, has connected with representatives of Linklaters' office in Singapore. If recognition is granted in Singapore and material assets are identified by the Receiver, these assets would be included in the Sales Process (as defined herein).

MICROSOFT CORPORATION

49. The Receiver understands that the majority of the product sold by the Comsale Entities use software developed by Microsoft Corporation ("**Microsoft**"). On November 11, 2019, Thomas Lucey, the former chief financial officer of the Comsale Entities, responded to an e-mail from a representative in the collections department of Microsoft notifying them of the Receivership Order. This was followed by an e-mail from the Receiver including a copy of the Receivership order. Microsoft was also provided with notice of the US Provisional Order.
50. On December 4, 2019, approximately one month after the date of the Receivership Order, the Receiver received a letter from Gilbert's LLP ("**Gilberts**") advising that it represents Microsoft. In the letter, Gilberts states that it is Microsoft's opinion "that Comsale Computer Inc. may have, for some time, been producing, causing to be produced, or acquiring counterfeit Microsoft Certificates of Authenticity ("**COAs**") and/or product keys decoupled from the software they were intended to activate, and distributing the same to

customers.” The letter further requires “that all addressees of this letter [including the Receiver] immediately cease and desist from acquiring, distributing, installing, selling and/or offering to sell, any and all unauthorized COAs and/or product keys, and otherwise stop acquiring, distributing, installing, selling and offering to sell all unauthorized copies of Microsoft software.”

51. On December 9, 2019, the Receiver, TGF and Gilberts discussed Microsoft’s concerns and agreed in principle that:
- (a) Microsoft will not contest the Receiver selling finished goods of Comsale in which the COAs may have been configured prior to the receivership; and
 - (b) If the Receiver wishes to install COAs into finished goods during the receivership, the Receiver will first obtain written confirmation from Microsoft as to the legitimacy of the COAs.

OVERVIEW OF ASSETS

52. Detailed herein is an overview of each of the key assets owned by the Comsale Entities:

The Comsale Entities’ Operations

53. As advised above, all employees and contractors of the Comsale Entities working in Canada, the US and Malaysia were terminated by the Receiver or advised by management that operations had ceased, on or about November 5, 2019.
54. The Receiver has explored with the Retained Contractors and former employees the degree to which each location had sufficient parts to assemble finished goods.
55. The Receiver engaged in discussions with customers to determine whether they would be willing to: (i) complete any open orders placed with the Comsale Entities prior to the

receivership, or (ii) place new orders during the currency of the receivership. Some customers who had open orders were interested in completing these orders, however, the Receiver had insufficient time to produce for US Thanksgiving orders and the lack of return rights or warranties appear to be a significant concern for many customers. The Receiver has not processed new e-commerce orders since its appointment.

56. As at the date of this First Report, the Receiver continues to attempt to sell inventory to customers. The Receiver has also entered into discussions with one of the Comsale Entities' competitors about the possibility of that competitor providing return rights and warranties in exchange for payment, but no agreement has been reached at this time.

Trade Receivables

57. As noted earlier in this First Report, much of the data from the Electronic Systems is presently unavailable. Using older accounts receivable subledger and e-mails, the Receiver attempted to reconstruct an accounts receivable subledger. Based on this reconstruction of the books and records of the Comsale Entities, it appears that the Comsale Trade Receivables were \$5,005,743 at book value as at the date of the Receivership Order (the "**Comsale Trade Receivables**").
58. Based on the reconstruction of the books and records of the Comsale Entities, it appears that:
- (a) the majority of the Comsale Trade Receivables are owed by customers located outside of Canada; and
 - (b) some of the Comsale Trade Receivables are owed by customers who had open orders with the Comsale Entities as at the date of the receivership, as well as claims against the Comsale Entities as creditors.

59. The Receiver has begun and will continue its collection efforts relating to the Comsale Trade Receivables.

The Fry's Settlement

60. The Receiver has been made aware of the following:
- (a) on May 26, 2015, Comsale Computer entered into a vendor agreement with Fry's Electronics Inc. ("**Fry's**") to supply goods;
 - (b) on October 26, 2018, Comsale Computer filed suit against Fry's for breach of contract, claiming US\$1,367,237 (the "**Claimed Amount**");
 - (c) around November of 2018, Comsale Computer lodged a claim against its insurance with EDC to recover the Claimed Amount. EDC distributed approximately 59.67% (US\$815,875) of the Claimed Amount to Comsale Computer;
 - (d) on November 27, 2018, EDC and Comsale Computer entered into an assignment agreement to, amongst other things, confirm that EDC was entitled to 59.67% of any proceeds recovered from Fry's with the balance payable to Comsale Computer; and
 - (e) on October 15, 2019, Comsale Computer, EDC and Fry's executed a settlement agreement whereby Fry's would pay to Clyde (as counsel for EDC) US\$1,033,713 within 20 days of the date of the agreement (the "**Fry's Settlement Proceeds**").
61. As at the date of this First Report, the Receiver has received US\$415,806, representing Comsale Computers' 40.33% of the Fry's Settlement Proceeds less the applicable portion of EDC's legal fees.

Inventory

62. Comsale Computer owns: (i) the inventory currently secured in the St. Catharines Warehouse, Reno Warehouse, Memphis Warehouse and Malaysian Warehouse; and (ii) the majority of the In-Transit Inventory, as described earlier in this report (collectively, the **“Comsale Inventory”**).
63. The Comsale Entities’ systems are unable to produce a book value of the inventory as the date of the Receivership Order because of the inaccessible accounting systems. Based on the books and records of the Comsale Entities’ as at August 31, 2019, the book value of the Comsale Inventory was stated to be \$23,727,145.
64. Prior to the receivership, Comsale Computer managed its inventory using a proprietary system called “Computer Parts 2000”. This system keeps track of the universal product code, number of units and other particulars, but does not providing costing data for each product. The Receiver extracted inventory listings from this system as at November 7, 2019 (the **“Nov 7 Listings”**).
65. On November 9, 2019, the Receiver engaged Gordon Brothers to perform a test count and appraisal of the Comsale Inventory. Given the significant volume, high turnover and regular conversion of the type of inventory, the Receiver considered it necessary for an independent third party to undertake a test count.
66. Gordon Brothers attended each of the above locations and performed a test count of a minimum of 60% of the total book value of the Nov 7 Listings (the **“Test Count Threshold”**).
67. Certain count irregularities were uncovered at each location. Subsequent to Gordon Brothers’ test counts, the Retained Contractors have completed full inventory listings for the Comsale Inventory stored within North America, which are slightly different to the Nov

7 Listings, for reasons, amongst other things, that some of these locations received In-Transit Inventory after November 7, 2019.

68. Gordon Brothers uncovered significant discrepancies with the Test Count Threshold in Malaysia and determined that only 44% of the product listed per Comsale Computer's records was identifiable in the Malaysian Warehouse. Gordon Brothers provided a draft estimated value range for inventory verified in Malaysia. At the date of this report, the Receiver is liaising with the Retained Contractors and GT Malaysia in Malaysia to arrange for a full listing of the Comsale Inventory to be completed, to ensure there is an accurate listing available during the Sales Process (as defined herein).
69. At the date of this report, Gordon Brothers have completed their test counts and are preparing their appraisal report. The Receiver intends on liquidating the majority of the inventory, including the inventory in Malaysia, through the Sales Process described later in this First Report.

Fixed Assets

70. The Receiver is seeking approval through the Sales Process to deal with all fixed assets owned by the Comsale Entities, other than those owned by Comsale Malaysia and located in Malaysia (since the Receivership Order has not been formally recognized in Malaysia in respect of Comsale Malaysia). Fixed assets include, but are not limited to, machinery and equipment, furniture and fixtures, motor vehicles and leasehold improvements (collectively, the "**Comsale Fixed Assets**").
71. Based on the books and records of the Comsale Entities as at August 31, 2019, the Comsale Fixed Assets had a net book value of \$980,867.

72. The Comsale Fixed Assets include fixed assets encumbered in favour of secured creditors.
73. As at the date of this report, with the exception of HSBC, the Receiver has written to all parties having a registered security interest as reflected on the PPSR and UCC to inform them of the receivership and enquired about their security registrations against any Comsale Fixed Assets listed as collateral.
74. It is the intention of the Receiver to attempt to realize, with the approval of the respective secured creditor, and subject to any arrangements being reached with such secured creditor including as to costs, any encumbered Comsale Fixed Assets which appear to have equity available, for the benefit of the Comsale Entities.

Intellectual Property

75. Based on the books and records of the Comsale Entities, computer software was reported at a net book value of \$19,663 as at August 31, 2019. Computer Parts 2000 and the domain www.comsale.com appear to be the two primary intellectual property assets used by the Comsale Entities (the “**Comsale Intellectual Property**”).
76. The Receiver has been advised by certain Retained Contractors that any new type of inventory that was not historically recorded through Computer Parts 2000 would have to be manually added by a person familiar with the program (i.e. a former employee of the Comsale Entities). It is unclear what the commercial value of Computer Parts 2000 or www.comsale.com could be. The Receiver is continuing to review this issue.

Assets Available for Sale

77. Based on the above overview of assets, the Receiver intends on making available only the Comsale Inventory and the Comsale Fixed Assets (including those encumbered fixed

assets which the Receiver estimates will have equity available) for sale at this time (the **“Assets Available for Sale”**).

78. The Receiver considers there to be minimal to no interest in a sale of the Comsale Entities' operations as a going concern, for the following reasons:

- (a) all operations ceased prior to or on the day of the receivership. As at the date of this First Report, the Receiver has not operated during the receivership (as detailed above);
- (b) a buyer would have to honour warranties and accept returns in order to attract sufficient interest from the Comsale Entities' customers and it would be difficult for a buyer to estimate the cost of doing so;
- (c) the Comsale Inventory is stored in various locations and jurisdictions;
- (d) the interest expressed by competitors in acquiring assets thus far in the receivership has only included the Comsale Inventory and/or the Comsale Fixed Assets; and
- (e) there appears to be minimal Comsale Intellectual Property.

As such, the Receiver considers it uneconomical to pursue a sale of the operations as a going concern.

Items Excluded from Sale

79. For the reasons listed above, as well as the perceived difficulty in collecting the Comsale Trade Receivables given the varying jurisdictions of the debtors, the Receiver does not consider it economical to attempt to sell the Comsale Trade Receivables, at this time. The Receiver will attempt to recover these debts through collections in the receivership.

80. Further, the Receiver does not intend on selling any electronic devices, servers, storage devices, or similar items, used by the Comsale Entities to maintain their books and records prior to the receivership, as it estimates the recovery to be less than the associated cost.
81. As is discussed earlier in this First Report, the Receiver has not sought foreign recognition of the Receivership Order as it relates to Comsale Malaysia in Malaysia. The Receiver will not sell any assets that it determines are owned by Comsale Malaysia and located in Malaysia, unless and until foreign recognition of the Receivership Order is obtained in the future.

SALES PROCESS

82. The Receiver will continue its efforts to sell finished goods and/or goods that are readily able to be converted into finished goods, during the ordinary course of the receivership. The Receiver continues to negotiate the completion and sale of some open orders to existing customers. The Receiver is advised by customers and the Retained Contractors that the demand for refurbished electronics is likely to diminish after the Christmas period. The Receiver will not install any Microsoft software when undertaking these sales, if required, without first addressing Microsoft's concerns as set out above, and such sales will be confined to the sale thresholds outlined in the Receivership Order, meaning that no individual sale will exceed \$500,000 and aggregate sales will not exceed \$1,500,000.
83. The Receiver will sell all remaining Assets Available for Sale in accordance with the below detailed sale process ("**Sales Process**") if approved and authorized by the Canadian Court and US Court. The Receiver has been advised by Shearn that if the Sales Process is approved by the Canadian Court, the Receiver will be authorized to conduct a sale of Comsale Computer's assets in Malaysia and will not be required to seek recognition of the sale process order in Malaysia.

Phase 1: Preparation

84. The Receiver, together with TGF, Linklaters and Shearn, where applicable, will:

- (a) prepare the following documentation:
 - (i) a form of solicitation letter summarizing the Sales Process and soliciting parties to express their interest in same (the **"Solicitation Letter"**);
 - (ii) a form of non-disclosure agreement (the **"NDA"**) to be executed in order to access the Data Room (as defined below) and receive a copy of the APA (as defined below) to further participate in the Sales Process; and
 - (iii) a form of offer and a form of Asset Purchase Agreement (**"APA"**).
- (b) prepare a data room (the **"Data Room"**) containing, to the extent that such information is available from the Comsale Entities' records, detailed asset listings, virtual tour videos of the warehouses and Assets Available for Sale as filmed by capable third parties, photos of the Assets Available for Sale, detailed costings of the rent and utilities for each warehouse, lease agreements (if any) and any other information located to be shared with prospective purchasers subsequent to receiving an executed NDA; and
- (c) identify and prepare a list of potential purchasers for the Assets Available for Sale (**"Potential Purchasers"**), including those parties who have already submitted unsolicited offers.

Phase 2: Marketing the Assets Available for Sale – Estimated Timeframe: 40 days

85. During Phase 2, the Receiver, together with TGF, Linklaters and Shearn, where applicable, will:

- (a) send the Solicitation Letter and NDA to the Potential Purchasers identified in Phase 1 and any further Potential Purchasers who are subsequently identified;
- (b) advertise the sale of the Assets Available for Sale in newspapers in each of the following locations:
 - (i) Canada;
 - (ii) the United States; and
 - (iii) Malaysia;
- (c) allow any Potential Purchasers who execute the NDA to access the Data Room;
- (d) permit Potential Purchasers to inspect the Assets Available for Sale and respond to additional reasonable diligence requests;
- (e) maintain the Data Room; and
- (f) receive offers from Potential Purchasers.

Phase 3: Entering into APA – Estimated Timeframe: 15 days

86. During Phase 3, the Receiver, together with TGF, Linklaters and Shearn, where applicable, will:

- (a) review all offers submitted in Phase 2 and discuss same with the applicable offeror;
- (b) consult with HSBC and other secured creditors as and if applicable;

(c) if there is more than one acceptable offer, determine the offer that, in the Receiver's view, is superior (the "**Superior Offer**") by considering, among other things:

(i) the total value offered;

(ii) the terms and conditions of the offer; and

(iii) the Receiver's opinion of the likelihood of successfully completing the transaction contemplated by the offer; and

(d) inform the offeror of the Superior Offer that their offer will be proceeding, negotiate and execute an APA with said offeror and, subject to court approval, close the transaction.

87. The Receiver is requesting the discretion to amend or vary the Sales Process, as may be determined appropriate in its discretion, in order to maximize value for stakeholders, including, but not limited to, (i) the ability to terminate the Sales Process if the Receiver believes that there are no interested parties for the assets and that it is reasonably appropriate in the circumstances; and (ii) the ability to remove any asset by type or location from the Assets Available for Sale either before or during the Sales Process, provided that if removed during the proposed Sales Process, all Potential Purchasers are notified.

The Receiver's Comments

88. The time period contemplated in the proposed Sale Process provides interested parties with 55 days to submit offers to the Receiver after Phase 1 is complete. The Receiver believes this time period to inspect the Assets Available for Sale and submit offers is appropriate because:

- (a) competitors and customers of the Comsale Entities, who have businesses in North America and Malaysia, have already expressed interest in the Assets Available for Sale;
- (b) the Receiver is incurring considerable holding costs as a result; and
- (c) HSBC, the largest secured creditor in these proceedings, is supportive of the time frame.

89. The sale of the Assets Available for Sale is conditional upon the Courts approval of the recommended purchaser(s) and the terms of the APA. The Receiver will attend before the Courts upon the completion of the proposed Sales Process to seek approval of the recommended purchaser(s) and the APA prior to closing any sale transaction(s).

CONCLUSION AND RECOMMENDATION

90. For the reasons set out in this First Report, the Receiver is of the view that the relief requested is reasonable and appropriate in the circumstances and respectfully recommends that the Court make the Order granting the requested relief.

1. THIS COURT ORDERS that the sale process, as described in the First Report (the “**Sale Process**”), be and is hereby approved and the Receiver is hereby authorized and directed to take such steps as it deems necessary or advisable to carry out the Sale Process, with such amendments thereto as the Receiver reasonably requires is necessary in its discretion.

2. THIS COURT ORDERS that the Receiver shall maintain separate accounting of any sale proceeds realized in the Sale Process for each of the Comsale Entities.

IT IS HEREBY FOUND AND DETERMINED THAT:³

A. Good and sufficient notice of the relief granted by this Order has been given, and no other or further notice is required. B. The Sale Procedures are fair, reasonable and appropriate and are designed to maximize the value of the Available Assets⁴ for the benefit of the Debtors and their creditors.

C. The proposed form and manner of notice of the Sale Procedures, the Sale or Sales of Available Assets pursuant to the Sale Notice and the Objection Deadline, in each case as set forth in the Motion, is good, appropriate, sufficient and reasonably calculated to provide all interested parties with timely and proper notice of the Sale Procedures, the Sale or Sales of Available Assets pursuant to the Sale Notice and the Objection Deadline, and no other or further notice is required.

D. The Foreign Representative has demonstrated good and sufficient cause for this Court to grant the relief requested in the Motion, including the Sale Procedures and the form and manner of service of the Sale Notice.

E. The relief granted herein is necessary and appropriate, in the interests of the public and international comity, consistent with the public policy of the U.S. and warranted pursuant to sections 1507 and 1521 of the Bankruptcy Code.

³ The findings and conclusions set forth herein and in the record of the hearing on the Motion constitute this Court's findings of facts and conclusions of law pursuant to Rule 52 of the Federal Rules of Civil Procedure, as made applicable herein by Bankruptcy Rules 7052 and 9014. To the extent any of the findings of fact herein constitute conclusions of law, they are adopted as such. To the extent any of the conclusions of law herein constitute findings of fact, they are adopted as such.

⁴ As used herein, "Available Assets" means substantially all of the Debtors' assets, including inventory, machinery, equipment, furniture, fixtures, motor vehicles and leasehold improvements.

F. The entry of this Order is in the best interests of the Debtors, their creditors and all other parties-in-interest in these chapter 15 cases; and now therefore

BASED ON THE FOREGOING FINDINGS OF FACT AND AFTER DUE DELIBERATION AND SUFFICIENT CAUSE APPEARING THEREFOR, IT IS HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein.
2. The following Sale Procedures, which are approved in all respects, shall govern the

Sale of the Available Assets located in the United States:

- a. **Solicitation Materials.** The Foreign Representative shall prepare (i) a form of solicitation letter summarizing the Sale Procedures and soliciting parties to express interest in the Available Assets (the “Solicitation Letter”); (ii) a form of non-disclosure agreement (the “NDA”) to be executed to access the Data Room (defined below) and (iii) a form of offer and asset purchase agreement (the “APA,” together with the NDA and the Solicitation Letter, the “Solicitation Materials”). The Foreign Representative shall serve a copy of the Solicitation Letter on (a) the United States Trustee; (b) any party known to have asserted a lien on the Available Assets, including HSBC Bank Canada (“HSBC”); (c) any Potential Purchasers (defined below) and (d) any party that has filed a notice of appearance in these chapter 15 cases.
- b. **Data Room.** The Foreign Representative shall establish a data room (the “Data Room”) that will contain the following information (to the extent available from the Debtors’ books and records): detailed asset listings, virtual tour videos of the warehouses and Available Assets as filmed by capable third parties, photographs of the Available Assets, detailed expenses related to the rent and utilities for each warehouse, lease agreements (if any), form of APA, and any other information relevant to the sale of the Available Assets. - c. **Identification of Potential Purchasers.** The Foreign Representative shall identify and prepare a list of Potential Purchasers for the Available Assets (the “Potential Purchasers”).
- d. **Marketing of the Available Assets.** In addition to sending the Solicitation Materials to Potential Purchasers, the Foreign Representative shall advertise the sale of the Available Assets in newspapers or periodicals of general circulation in Ontario, Canada; Reno, Nevada; Memphis, Tennessee; New York, New York; and Kuala Lumpur, Malaysia, as applicable in its discretion. The Foreign Representative shall also permit Potential Purchasers to inspect the Available

Assets at times and places to be determined by the Foreign Representative and respond to additional reasonable diligence requests.

- e. **Bid Deadline.** All bids for the Available Assets must be received by the Foreign Representative by the deadline set forth in the Solicitation Materials, unless extended by the Foreign Representative.
- f. **Superior Bid.** The Foreign Representative shall review all offers submitted and discuss those bids with the applicable Potential Purchaser and consult with HSBC and other creditors known to have asserted a lien on the Available Assets, if applicable. If there is more than one acceptable offer, the Foreign Representative shall determine the offer that, in the Foreign Representative's view, is superior (the "Superior Offer") by considering, among other things:
 - (i) the total value offered;
 - (ii) the terms and conditions of the offer; and
 - (iii) the Foreign Representative's opinion of the likelihood of successfully completing the transaction contemplated by the offer.

The Foreign Representative shall (i) inform the offeror of the Superior Offer that its offer has been selected as the Superior Offer; (ii) negotiate and execute an APA with the offeror of the Superior Offer and (iii) subject to Court approval, close the transaction.

- g. **Sale Notice.** Once the Foreign Representative has successfully entered into one or more sale agreements with one or more purchasers, no less than ten (10) days before the Objection Deadline (defined below) for the applicable Sale of Available Assets, the Foreign Representative shall serve a copy of the applicable Sale Notice on (a) the United States Trustee; (b) any party known to have asserted a lien on the Available Assets, including HSBC and (c) any party that has filed a notice of appearance in these chapter 15 cases (collectively, the "Sale Notice Parties"). The Sale Notice shall provide the following information for the applicable Sale of Available Assets: (a) identification of the Available Assets being sold; (b) identification of the purchaser; (c) the purchase price and terms of payment to be paid by the purchaser; (d) a copy of the APA evidencing the Sale (or a summary of the material terms of the APA); (e) the material terms of any marketing or sales process undertaken with respect to the applicable Available Assets; (f) a statement regarding any party known to have asserted a lien on the applicable Available Assets and (g) the Objection Deadline and the date of the Sale Hearing for the applicable Sale.

- h. **Proposed Sale Order.** The Foreign Representative shall attach to the applicable Sale Notice a proposed form of sale order (the “Sale Order”) for the Sale of the applicable Available Assets.
 - i. **Foreign Representative Declaration.** The Foreign Representative shall attach to the applicable Sale Notice a declaration in support of the Sale containing statements sufficient for the Court to find that: (i) the Sale constitutes a prudent exercise of the Foreign Representative’s business judgment; (ii) the Sale may be consummated free and clear of all liens, claims, encumbrances and other interests under section 363(f) of the Bankruptcy Code and (iii) the purchaser is a good faith purchaser entitled to the protections of section 363(m) of the Bankruptcy Code.
 - j. **Objection Deadline.** Objections, if any, to a Sale must be filed with this Court and served on: (i) the Foreign Representative and its counsel; (ii) the United States Trustee; (iii) any party known to have asserted a lien on the Available Assets, including HSBC and (iv) any party that has filed a notice of appearance in these chapter 15 cases so as to be **actually received** on or before the date that is ten (10) calendar days following the date that the applicable Sale Notice is served on the Sale Notice Parties (the “Objection Deadline”).
 - k. **Sale Hearing.** A hearing to consider the applicable Sale (the “Sale Hearing”) shall be held at a date and time established by the Court as set forth in the Sale Notice.
 - l. **As is, Where Is.** The Sale of the Available Assets pursuant to these Sale Procedures shall be on an “as is, where is” basis and without representations or warranties of any kind or nature by the Foreign Representative, its agents and advisors, unless otherwise provided in any APA, except that the Foreign Representative may represent and warrant that the Foreign Representative is duly appointed as the receiver and manager of the undertaking, property and assets of the Debtors and is duly authorized to sell all of the Debtors’ right, title and interest, if any, in and to the Available Assets.
3. The Foreign Representative is authorized to take any and all actions necessary or appropriate to implement the Sale Procedures.
4. The Foreign Representative is authorized to modify the Sale Procedures or impose additional terms and conditions on the Sale of the Available Assets in its reasonable business judgment in any manner that will best promote the goals of the bidding process, including, without limitation, (i) extending the deadlines set forth in this Order and the Sale Procedures, (ii) adding procedural rules that are reasonably necessary or advisable to effectuate the Sale, (iii) rejecting

any bids for the Sale of Available Assets, (iv) terminating the sale process contemplated by the Sale Procedures and (v) removing any of the Available Assets from the sale process contemplated by the Sale Procedures.

5. The Sale Notice substantially in the form attached hereto as “Exhibit 1” is hereby approved. The Sale Notice shall constitute good and sufficient notice of the Motion, the Sales, the Objection Deadline and the Sale Hearing. No other or further notice of the Motion, the Sales, the Objection Deadline, the Sale Hearing and the proposed Sale Order shall be necessary or required.

6. The Sale Hearing shall be held before the Honorable James L. Garrity, Jr., United States Bankruptcy Judge for the Southern District of New York, United States Bankruptcy Court, Courtroom 601, One Bowling Green, New York, New York 10004 at a date and time to be determined by the Court as set forth in the applicable Sale Notice. If no objection to the Sale of the Available Assets is filed and served in accordance with the Sale Procedures so as to be actually received on or before the applicable Objection Deadline, the declarant who submits a declaration in support of the Sale as described in paragraph 2(i) hereof may appear telephonically at the Sale Hearing if such declarant is located outside of the United States.

7. The Canadian Sale Procedures Order is recognized in full and given full force and effect in the United States.

8. Notwithstanding any provision in the Bankruptcy Rules to the contrary: (a) the terms of this Order shall be immediately effective and enforceable upon its entry; (b) the Foreign Representative is not subject to any stay in the implementation, enforcement or realization of the relief granted in this Order and (c) the Foreign Representative may, in its discretion and without further delay, take any action and perform any act authorized under this Order, the Receivership Order or the Canadian Sale Procedures Order.

9. This Court shall retain jurisdiction with respect to any matters, claims, rights or disputes arising from or related to the Motion or the implementation of this Order.

The transfer of the Available Assets to the Buyer pursuant to the APA shall be legal, valid and effective and shall vest the Buyer with all right, title and interest of the Debtors to the Available Assets free and clear of all liens, claims, encumbrances and other interests. One or more of the standards set forth in sections 363(f)(1)-(5) of the Bankruptcy Code have been satisfied.

D. The Buyer is a good faith purchaser for value, is entitled to all of the protections afforded under section 363(m) of the Bankruptcy Code and has otherwise acted in good

faith in connection with the Proposed Transaction. Specifically, (a) the Buyer is not an “insider” of the Debtors, as that term is defined in the Bankruptcy Code; (b) the Proposed Transaction was negotiated at arm’s-length and in good faith; (c) the Buyer did not in any way induce or cause the filing of these chapter 15 cases; (d) the consideration provided by the Buyer under the Proposed Transaction is fair and reasonable; and (e) the Proposed Transaction is not the result of fraud or collusion. Neither the Foreign Representative nor the Buyer has engaged in any conduct that would cause or permit the Proposed Transaction to be avoided or result in the imposition of any costs or damages under section 363(n) of the Bankruptcy Code.

IT IS THEREFORE, ORDERED, ADJUDGED, AND DECREED THAT:

1. The Proposed Transaction is approved as set forth herein.
2. Pursuant to sections 363(b) and 363(f) of the Bankruptcy Code, the Foreign Representative is authorized to transfer the Available Assets to the Buyer pursuant to the terms of the APA. The APA is hereby approved, and the Foreign Representative is authorized to take all actions necessary to consummate the Proposed Transaction.
3. Pursuant to sections 363(b) and 363(f) of the Bankruptcy Code, the Available Assets shall be transferred free and clear of all liens, claims, encumbrances and other interests, and all such liens, claims, encumbrances and other interests shall attach to the proceeds of the Proposed Transaction in the order of priority and with the same validity, force and effect that they have as against the Available Assets immediately prior to the Proposed Transaction.
4. The Buyer is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code and is entitled to the full protections of section 363(m) of the Bankruptcy Code. The reversal or modification on appeal of the authorization provided herein to consummate the Proposed Transaction shall not affect the validity of the Proposed Transaction, unless such

authorization and consummation of the Proposed Transaction is duly and properly stayed pending such appeal.

5. Notwithstanding any provision in the Bankruptcy Rules to the contrary: (a) the terms of this Order shall be immediately effective and enforceable upon its entry; (b) the Foreign Representative is not subject to any stay in the implementation, enforcement or realization of the relief granted in this Order and (c) the Foreign Representative may, in its discretion and without further delay, take any action and perform any act authorized under this Order, the Receivership Order or the Canadian Sale Procedures Order.

6. This Court shall retain jurisdiction with respect to any matters, claims, rights or disputes arising from or related to the Motion or the implementation of this Order.

- b) Inventory - Customer returns located in Memphis as per the listing attached to the Offer Form.

For greater certainty, the Purchased Assets do not include the Excluded Assets.

2.2 Purchase Price

Pursuant to the terms and subject to the conditions set forth in this Agreement, in consideration of the sale of the Purchased Assets pursuant to the terms hereof, the Purchaser shall (i) pay to the Receiver [REDACTED] (the “**Cash Purchase Price**”), which shall be exclusive of applicable Taxes; and (ii) assume from the Receiver and become obligated to pay, perform and discharge, when due, the Assumed Obligations ((i) and (ii), collectively, the “**Purchase Price**”). No adjustments shall be allowed to the Purchase Price for any changes in condition, quality or quantity of the Purchased Assets to and including the Closing Date.

2.3 Deposit

- (1) Contemporaneously with the execution and delivery of this Agreement by the Purchaser, the Purchaser has paid a deposit payable to the order of the Receiver, in trust, in the amount of [REDACTED] (the “**Deposit**”).
- (2) The Deposit shall be held, pending Closing, by the Receiver in a non-interest-bearing account with a third-party financial institution.

- (a) a copy of the Approval and Vesting Order and any Recognition Order(s) and the Sale Order, as applicable;
- (b) the elections referred to in Section 2.6 (as applicable);
- (c) a bring down certificate dated as of the Closing Date, confirming that all of the representations and warranties of the Receiver contained in this Agreement are true and correct as of the Closing Date, with the same effect as though made on and as of the Closing Date; and
- (d) the Receiver's Certificate, as set out in Section 3.5.

3.4 Purchaser's Closing Deliveries

At the Closing, the Purchaser shall deliver to the Receiver the following, each in form and substance satisfactory to the Receiver and the Purchaser, acting reasonably:

- (a) all payments in respect of the amounts referred to in Article 2 hereof, including payment of the Cash Purchase Price;
- (b) the elections referred to in Section 2.6 (as applicable); and
- (c) a bring down certificate dated as of the Closing Date, confirming that all of the representations and warranties of the Purchaser contained in this Agreement are true and correct as of the Closing Date, with the same effect as though made on and as of the Closing Date.

3.5 Delivery of the Receiver's Certificate

When the conditions set out in Article 4 below have been satisfied or waived, the Receiver will deliver an executed copy of the Receiver's Certificate to the Purchaser. Upon such delivery, the Closing will be deemed to have occurred. The Receiver will thereafter promptly file a copy of the Receiver's Certificate with the Court.

ARTICLE 4 CONDITIONS PRECEDENT

4.1 Mutual Condition re: Approval and Vesting Order, Recognition Order(s) and Sale Order

In the event that the Purchase Price exceeds \$500,000 or as otherwise required pursuant to the Receivership Order, the Receiver shall obtain an Approval and Vesting Order from the Court approving this Agreement and the transactions contemplated hereby and vesting, upon the delivery of the Receiver's Certificate to the Purchaser, all right, title and interest of the Comsale Entities and the Receiver, if any, to the Purchased Assets in the Purchaser, free and clear of all Claims and Encumbrances pursuant to the terms and conditions of this Agreement, other than any Permitted Encumbrances (the "**Approval and Vesting Order**"). The Approval and Vesting Order shall be substantially in the form of the model order approved by the "Ontario Commercial List Users Committee", including a provision requiring the Receiver to deliver a certificate confirming the Closing of the transactions contemplated hereby and to file a copy of the same with the Court (the "**Receiver's Certificate**"). For greater certainty, if the Purchase Price does not exceed \$500,000, the Receiver shall have no obligation to obtain an Approval and Vesting Order.

The Receiver, in its sole discretion, may obtain an Order from the U.S. Court under Chapter 15 of the Bankruptcy Code, or any Foreign Court as applicable, recognizing the Approval and Vesting Order and approving the transactions contemplated herein (any such order, a "**Recognition Order**").

2.2 Purchase Price

Pursuant to the terms and subject to the conditions set forth in this Agreement, in consideration of the sale of the Purchased Assets pursuant to the terms hereof, the Purchaser shall (i) pay to the Receiver [REDACTED] (the "**Cash Purchase Price**"), which shall be exclusive of applicable Taxes; and (ii) assume from the Receiver and become obligated to pay, perform and discharge, when due, the Assumed Obligations ((i) and (ii), collectively, the "**Purchase Price**"). No adjustments shall be allowed to the Purchase Price for any changes in condition, quality or quantity of the Purchased Assets to and including the Closing Date, save and except with respect to the Missing Goods Cost in accordance with section 2.8 herein.

2.3 Deposit

- (1) Contemporaneously with the execution and delivery of this Agreement by the Purchaser, the Purchaser has paid a deposit payable to the order of the Receiver, in trust, in the amount of [REDACTED] (the "**Deposit**"). The Deposit shall be held, pending Closing, by the Receiver in a non-interest-bearing account with a third-party financial institution.
- (2) If the Closing does not occur by reason of a material uncured default of the Purchaser or the Purchaser's failure for any reason to close the transaction set forth in this Agreement by the Closing Date (except in the case of the permitted termination of this Agreement pursuant to Section 7.1(a), Section 7.1(b) (but only in the event that the conditions precedent set forth in Section 4.2 are not satisfied prior to the Closing Time) or as a result of the Receiver's failure to obtain an Approval and Vesting Order or Sale Order, if applicable) or if any of the representations and/or warranties of the Purchaser as set forth in this Agreement are found to be false, the full amount of the Deposit (plus accrued interest), less any

applicable withholding Tax, shall become the property of the Receiver and be released to the Receiver as liquidated damages and not as a penalty.

- (3) If the Closing does not occur for any reason other than that expressed in Section 2.3(3) above, the full amount of the Deposit, less any accrued interest and/or any applicable withholding Tax, shall be returned by the Receiver to the Purchaser.

- (b) If applicable, at the Closing, the Receiver and the Purchaser shall jointly execute an election under Section 167 of the *Excise Tax Act* (Canada) to seek to cause the sale of the Purchased Assets to take place on an HST-free basis under Part IX of the *Excise Tax Act* (Canada) and the Purchaser shall file such election with its HST return for the applicable reporting period in which the sale of the Purchased Assets takes place.

Concurrently with the Purchaser taking possession of the Purchased Assets in accordance with section 3.1 herein, the Purchaser shall be entitled to inspect the quantity Purchased Assets with a representative of the Receiver in attendance. In the event that the quantity of the Purchased Assets is more than [REDACTED] less than the Purchased Assets presented in either Appendix A-1, A-9 or A-15 attached to the Offer Form (any such missing goods subject to a variance in excess of [REDACTED] in each Appendix are herein referred to as the "Missing Goods"), the Purchaser shall deliver to the Receiver a Missing Goods Claim (the "Missing Goods Claim") which shall specify (i) the Appendix or Appendices the Missing Goods are attributed to; (ii) the percentage that such Missing Goods comprise of the total Purchased Assets in the respective Appendix or Appendices; and (iii) the Missing Goods Cost.

Upon receipt of the Missing Goods Claim, the Receiver will review the Missing Goods Claim and shall, within two (2) days advise the Purchaser whether the Receiver disputes or does not dispute the Missing Goods Claim. In the event the Receiver does not dispute the Missing Goods Claim, it shall reimburse the Purchaser the Missing Goods Cost. In the event that the Receiver does dispute the Missing Goods Claim, the Parties shall, on a good faith basis, attempt to reach a reasonable resolution on the Missing Goods Cost.

The first part of the paper discusses the importance of understanding the underlying mechanisms of the observed phenomena. This is followed by a detailed analysis of the data, which reveals several key findings. The results indicate that the proposed model is highly effective in capturing the essential features of the system under study. Furthermore, the analysis shows that the model's performance is robust across different parameter settings and data distributions. The final section of the paper concludes with a summary of the findings and suggests directions for future research.

The second part of the paper focuses on the theoretical aspects of the problem. It begins by defining the key concepts and terms used throughout the study. This is followed by a rigorous proof of the main theorem, which establishes the validity of the proposed model. The proof is based on a series of lemmas and propositions, which are carefully derived from the underlying principles of the system. The final part of the section discusses the implications of the results and their potential applications in various fields.

The third part of the paper presents a series of experiments designed to evaluate the performance of the proposed model. These experiments are conducted using a variety of datasets and parameter settings to ensure the robustness of the results. The results show that the model consistently outperforms existing methods in terms of accuracy and efficiency. This is particularly evident in the case of complex, high-dimensional data, where the model's ability to capture the underlying structure is clearly demonstrated. The experiments also highlight the model's flexibility and its ability to adapt to different data distributions.

The fourth part of the paper discusses the practical implications of the findings. It highlights the potential applications of the proposed model in various domains, such as finance, healthcare, and engineering. The model's ability to accurately predict and analyze complex systems makes it a valuable tool for researchers and practitioners alike. Furthermore, the model's simplicity and ease of implementation make it a practical choice for real-world applications. The paper concludes by emphasizing the need for further research to fully understand the capabilities and limitations of the proposed model.

The first part of the paper discusses the importance of understanding the underlying mechanisms of the observed phenomena. It is crucial to identify the factors that influence the outcome and to develop a theoretical framework that can explain the results. This involves a thorough review of the existing literature and a careful analysis of the data. The second part of the paper presents the empirical findings, which are based on a large sample of observations. The results show that there is a significant positive relationship between the variables of interest, and this relationship is robust to various controls and specifications. The third part of the paper discusses the policy implications of the findings and suggests some potential areas for future research. It is important to note that the results are based on the data available at the time of the study, and further research is needed to confirm and extend the findings.

AFFIDAVIT OF PENELOPE J. JENSEN

I, **PENELOPE J. JENSEN**, of New York City, in the State of New York, hereby
declare as follows under penalty of perjury:

1. I am a partner of Linklaters LLP, ("**Linklaters**") which acts as U.S. counsel to Grant Thornton Limited, solely in its capacity as court-appointed Receiver and Manager ("**Receiver**") without security, of all of the assets, undertakings and properties of Comsale Computer Inc., Comsale Group Inc., Comsale Inc., Comsale Hong Kong Limited and Comsale Malaysia Sdn. Bhd. (collectively, the "**Company**"). As such, I have knowledge of the matters hereinafter deposed to, except where stated to be on information and belief and whereso stated I verily believe such to be true.

2. Attached and marked as Exhibit "A" to this affidavit is a true copy of the detailed narratives for the fees and disbursements of Linklaters incurred in its role as U.S. counsel to the Receiver of the Company from November 5, 2019 through March 31, 2020, in the total amount of \$275,875.28, including disbursements in the amount of \$11,120.58. Those amounts are summarized on Exhibit "B" to this affidavit. The average hourly rate is \$584.45.

3. Given the complexity of this insolvency matter, I believe the hourly rates and the total amount of fees are reasonable and comparable for insolvency services of this nature rendered by other firms in the New York City market.

4. The hours spent on this matter and disbursements incurred by Linklaters are outlined in detail in Exhibits "A" and "B" and I believe were reasonable and appropriate in the circumstances.

5. This affidavit is sworn in connection with the approval of the fees and disbursements of Linklaters and for no improper purpose.

AFFIDAVIT OF DAVID W. HOUSTON IV

**STATE OF TENNESSEE)
COUNTY OF WILLIAMSON)**

I, **DAVID W. HOUSTON IV**, a resident of Williamson County, in the State of Tennessee, BEING
DULY SWORN, MAKES OATH as follows:

1. I am an attorney with the law firm of Burr & Forman LLP ("**BF**"), which was hired as local Tennessee counsel to Grant Thornton Limited ("**GTL**"), in its capacity as Receiver of Comsale Computer Inc. and Comsale Inc. (together, the "**Company**"). As such, I have knowledge of the matters hereinafter deposed to, except where stated to be on information and belief and whereso stated I verily believe such to be true.
2. Attached and marked as **Exhibit "A"** to this my affidavit is a true copy of the detailed billings setting out the fees and disbursements of BF incurred in its role as local Tennessee

counsel of the GTL from January 6, 2020 to February 29, 2020, in the total amount of \$17,826.00 and such is summarized on Exhibit "B" to this my affidavit. The average hourly rate is \$452.44. This statement was generated by the firm's accounting department, using timesheets prepared by each professional person. The timesheet information is then submitted electronically to a computer database, from which it can be accessed to produce various types of bills and statements. The firm uses computers, and the computers are in good working order.

3 Given the complexity of this insolvency matter, I believe the hourly rates and the total amount of fees are reasonable and comparable for legal services of this nature rendered by other firms in the State of Tennessee for similar services.

4 The hours spent on this matter and disbursements incurred by BF are outlined in detail in Exhibits "A" and "B" and I believe were reasonable and appropriate in the circumstances.

5. Exhibits "A" and "B" attached hereto are hereby incorporated herein by reference.

6 This affidavit is sworn in connection with the approval of the fees and disbursements of BF and for no improper purpose.

FURTHER THE AFFIANT SAYS NOT

DAVID W. HOUSTON IV

Sworn to and subscribed before me this 3rd day of April, 2020.

AFFIDAVIT OF DONALD G. MARTIN

I, **DONALD G. MARTIN**, of the City of Las Vegas, in the State of Nevada, MAKE OATH AND SAY as follows:

1. I am a partner at Lewis Roca Rothgerber Christie LLP, ("**LRRC**") which was appointed as Nevada legal counsel to the Receiver and Manager ("**Receiver**") without security, of all of the assets, undertakings and properties of Comsale Computer Inc., Comsale Group Inc., Comsale Inc., Comsale Hong Kong Limited and Comsale Malaysia Sdn. Bhd. (collectively, the "**Company**"). As such, I have knowledge of the matters hereinafter deposed to, except where stated to be on information and belief and whereso stated I verily believe such to be true.

2. Attached and marked as Exhibit "**A**" to this my affidavit is a true copy of the detailed billings setting out the fees and disbursements of LRRC incurred in its role as Nevada legal counsel of

the Company from February 26, 2020 through March 31, 2020, in the total amount of \$5,370.00. and such is summarized on Exhibit "B" to this my affidavit. The average hourly rate is \$597.00.

3. Given the complexity of this insolvency matter, I believe the hourly rates and the total amount of fees are reasonable and comparable for insolvency services of this nature rendered by other firms in the City of Las Vegas.

4. The hours spent on this matter and disbursements incurred by LRRC are outlined in detail in Exhibits "A" and "B" and I believe were reasonable and appropriate in the circumstances.
