undertakings and properties of the Debtors; and (ii) releasing GTL from any and all liability as Interim Receiver, as set out in paragraph 3 of this Order, was heard this day at 330 University Avenue, Toronto, Ontario.

ON READING the First Report of the Receiver dated February 24, 2015 and the appendices thereto, and on hearing the submissions of counsel for the Interim Receiver and Receiver, counsel for Trisura Guarantee Insurance Company, counsel for Maynards Industries Ltd., and such other counsel as were present, no one appearing for any other person on the service list, although duly served as appears from the affidavit of Eunice Baltkois sworn February 25, 2015, filed,

1. **THIS COURT ORDERS** that the time for service and filing of the notice of motion and the motion record is hereby abridged and validated so that this motion is properly returnable today and hereby dispenses with further service thereof.
2. **THIS COURT ORDERS** that the Interim Receiver shall be discharged as Interim Receiver of the assets, undertakings and properties of the Debtors, provided however that notwithstanding its discharge herein: (a) the Interim Receiver shall remain Interim Receiver for the performance of such incidental duties as may be required to complete the administration of the interim receivership herein; and (b) the Interim Receiver shall continue to have the benefit of the provisions of all Orders made in this proceeding, including all approvals, protections and stays of proceedings in favour of GTL in its capacity as the Interim Receiver.
3. **THIS COURT ORDERS AND DECLARES** that GTL is hereby released and discharged from any and all liability that GTL now has or may hereafter have by reason of, or in any way arising out of, the acts or omissions of GTL while acting in its capacity as the Interim Receiver

herein, save and except for any gross negligence or wilful misconduct on the Interim Receiver's part. Without limiting the generality of the foregoing, GTL is hereby forever released and discharged from any and all liability relating to matters that were raised, or which could have been raised, in the within receivership proceedings, save and except for any gross negligence or wilful misconduct on the Interim Receiver's part.

21875604.1

⁴ The model order subcommittee was divided as to whether a general release might be appropriate. On the one hand, the Receiver has presumably reported its activities to the Court, and presumably the reported activities have been approved in prior Orders. Moreover, the Order that appointed the Receiver likely has protections in favour of the Receiver. These factors tend to indicate that a general release of the Receiver is not necessary. On the other hand, the Receiver has acted only in a representative capacity, as the Court's officer, so the Court may find that it is appropriate to insulate the Receiver from all liability, by way of a general release. Some members of the subcommittee felt that, absent a general release, Receivers might hold back funds and/or wish to conduct a claims-bar process, which would unnecessarily add time and cost to the receivership. The general release language has been added to this form of model order as an option only, to be considered by the presiding Judge in each specific case. See also Note 1, above.

INTRODUCTION AND BACKGROUND

1. Grant Thornton Limited ("**GTL**") was appointed as interim receiver (the "**Interim Receiver**") of Ebersole Excavating Inc. ("**Ebersole**") and D&S Railway Construction Inc. ("**D&S**", and together with Ebersole, the "**Companies**"), pursuant to an order of the Ontario Superior Court of Justice (Commercial List) (the "**Court**") dated November 26, 2014 (the "**Interim Receivership Order**"). A copy of the Interim Receivership Order and the related endorsement of the Court are collectively attached hereto as **Appendix "1"**.
2. Background information pertaining to the Companies, including the events preceding the issuance of the Interim Receivership Order, is contained in the affidavit of Stuart Detsky sworn November 24, 2014 (the "**Detsky Affidavit**") in support of, among other things, the application of Trisura Guarantee Insurance Company (the "**Applicant**") to appoint the Interim Receiver. A copy of the Detsky Affidavit is attached hereto as **Appendix "2"**.
3. The Interim Receiver issued a report to Court dated December 15, 2014 (the "**Interim Receiver's Report**") in relation to the Applicant's Notice of Motion that was returnable on December 23, 2014, which, among other things, requested that GTL be appointed as receiver in respect of the Companies under section 243 of the *Bankruptcy and Insolvency Act* ("**BIA**") and section 101 of the *Courts of Justice Act*. A copy of the Interim Receiver's Report is attached hereto as **Appendix "3"**.
4. GTL was appointed as receiver (the "**Receiver**") of the Companies pursuant to an order of the Court dated December 23, 2014 (the "**Receivership Order**"). A copy of the Receivership Order and the related endorsement of the Court are collectively attached hereto as **Appendix "4"**.
5. The Receivership Order also authorized the Receiver to file assignments in bankruptcy on behalf of the Companies. On December 31, 2014, the Receiver assigned both the Companies into bankruptcy, which assignments became effective on January 2, 2015, and GTL was appointed as the Trustee in Bankruptcy in respect of the Companies (the "**Trustee**").

6. The Trustee held the first meeting of creditors for the Companies on January 22, 2015, at which meeting GTL's appointment as Trustee was deemed affirmed. The meetings were subsequently adjourned as there was no quorum.
7. On January 16, 2015, the Court issued orders (the "**January 16 Orders**") approving the Interim Receiver's Report, the Interim Receiver's activities as described therein, the fees and disbursements of the Interim Receiver and its counsel to the date of the Interim Receiver's Report and authorizing the payment of certain funds to Canada Revenue Agency ("**CRA**") in respect of HST collected on the sale of the Auctioned Assets (as defined in the Interim Receiver's Report). Copies of the January 16 Orders are collectively attached hereto as **Appendix "5"**.

PURPOSE OF THE FIRST REPORT

8. The purpose of this, the Receiver's first report to the Court (the "**First Report**"), is to provide information pertinent to the Receiver's request for an order, amongst other things:
 - a) approving the First Report and the conduct and activities of the Interim Receiver and the Receiver as described herein;
 - b) approving the fees and disbursements of the Interim Receiver, the Receiver and their legal counsel as described herein;
 - c) discharging GTL as Interim Receiver and releasing GTL from any and all liability that GTL has or may hereafter have by reason of, or in any way arising from, the acts or omissions of GTL while acting in its capacity as Interim Receiver; and
 - d) approving a timetable for submitting materials and conducting cross-examinations (if necessary) in advance of a future Court hearing (the "**Distribution Hearing**") to determine various parties' entitlement to funds held by the Receiver.

DISCLAIMER

9. This First Report has been prepared for the use of this Court and the Companies' stakeholders as general information relating to the Companies and to assist the

Court in making a determination of whether to approve the relief sought by the Receiver. Accordingly, the reader is cautioned that this First Report may not be appropriate for any other purpose. Neither the Interim Receiver nor the Receiver will assume responsibility or liability for losses incurred by the reader as a result of the circulation, publication, reproduction or use of this First Report contrary to the provisions of this paragraph.

10. All currency references in this First Report are to Canadian dollars unless otherwise noted.

ACTIVITIES OF THE INTERIM RECEIVER

11. The Interim Receiver's activities to December 15, 2014 were set out in the Interim Receiver's Report and were previously approved by the Court.
12. Between December 16, 2014 and the appointment of the Receiver on December 23, 2014, the Interim Receiver:
 - a) continued to reconcile with Maynards Industries Ltd. ("**Maynards**") the results of the Auction (as defined in the Interim Receivership Order);
 - b) continued its investigation into the Missing Assets (defined and discussed below);
 - c) continued its efforts to realize upon the Unsold Assets (defined and discussed below);
 - d) corresponded with CRA regarding the trust examinations (discussed below);
 - e) reviewed information and corresponded with counsel regarding the payment to CGDC (defined and discussed below);
 - f) corresponded with customers of D&S regarding outstanding accounts receivable; and
 - g) continued its investigation into the disposition of funds from the Auction.

ACTIVITIES OF THE RECEIVER

General

13. On January 6, 2015, the Receiver sent the statutory Notice and Statement of Receiver pursuant to section 245(1) and (2) of the BIA to all known creditors of the Companies and the Office of the Superintendent of Bankruptcy.
14. The Receiver has and continues to work with CRA, which has completed its source deductions trust examinations for the Companies. CRA determined that D&S owes CRA \$101,859.76 for source deductions, of which \$94,583.64 represents a deemed trust.
15. CRA did not identify any source deductions outstanding from Ebersole.
16. CRA filed a proof of claim as an unsecured creditor for \$82,553.82 in the D&S bankruptcy proceedings in support of its claim for unpaid GST/HST.
17. CRA filed a proof of claim as an unsecured creditor for \$100,246.88 in the Ebersole bankruptcy proceedings in support of its claim for unpaid GST/HST.
18. The Receiver issued 2014 T4 Statements to all former employees of D&S and advised them of their rights under the *Wage Earner Protection Program Act* ("WEPPA").
19. The Receiver issued 2014 T4 Statements to all former employees of Ebersole. Ebersole's employees were terminated more than six months prior to the receivership date and are therefore not eligible for compensation under WEPPA.
20. The Receiver maintained and renewed D&S' insurance policy governing commercial general liability with a \$2 million limit. The Receiver allowed all other policies to lapse or be terminated by the insurers as the Receiver determined they were unnecessary since almost all the Companies' equipment had been sold.
21. The Receiver periodically responded to inquiries from the Companies' former employees and creditors.

CGDC

22. The Interim Receiver's review of the *Personal Property Security Act (Ontario)* (the "**PPSA**") registrations against Ebersole revealed a registration by Curtis Gail Development Corporation ("**CGDC**") dated December 13, 2013. The registration appears to have been a chattel mortgage against a 1999 Western Star truck (the "**CGDC PPSA Registration**").
23. The Interim Receiver contacted Broderick & Partners LLP ("**BP**"), which is listed as the registering agent for the CGDC PPSA Registration, and requested details of the registration and underlying indebtedness.
24. BP responded that the security held by CGDC had been assigned to Jennifer Lamb, who was represented by Dunnet Law Professional Corporation ("**DLPC**"). The Interim Receiver and the Receiver understand that Jennifer Lamb is Sandra Ebersole's daughter, and that DLPC also represents Sandra Ebersole in the present proceedings.
25. On December 1, 2014, the Interim Receiver wrote to DLPC requesting documents relating to the assignment from CGDC to Jennifer Lamb and a copy of the loan agreement between CGDC and Ebersole.
26. As no response had been received from DLPC by December 12, 2014, counsel for the Interim Receiver wrote to BP on that date, requesting confirmation of whether the security reflected by the CGDC PPSA Registration had been assigned, and if it had, requesting a copy of all documentation evidencing the assignment.
27. On December 17, 2014, BP provided a copy of the executed Assignment of Indebtedness and Security dated with effect November 4, 2014 (the "**Assignment Agreement**"). A copy of the Assignment Agreement is attached as **Appendix "6"**. As reflected in the Assignment Agreement, BP advised that the Assignment Agreement related to a mortgage of real property (the "**Real Property Mortgage**") and not to the CGDC PPSA Registration. According to the Assignment Agreement, the real property in question is municipally known as 2194 East Avenue, Fort Erie, Ontario (the "**Premises**"), which Premises was listed in the Assignment Agreement as the residence of both Jennifer Lamb and Darrell and Sandra Ebersole.

28. The Assignment Agreement further indicated that the principal amount of the debt was \$200,000 plus accrued interest and fees, that CGDC had requisitioned for Judgment in the Ontario Superior Court of Justice in the amount of \$214,835.31 plus costs but had not received same, and that \$206,000 was to be paid to counsel for CGDC and applied by CGDC as consideration with respect to the transaction contemplated by the Assignment Agreement.
29. The Receiver's counsel sent a letter to BP on January 20, 2015, a copy of which is attached as **Appendix "7"**. The letter requested confirmation, amongst other things: (i) that \$206,000 was received by BP in consideration for the assignment to Jennifer Lamb of all CGDC's interest in the Real Property Mortgage; (ii) whether such funds were received from Jennifer Lamb or another party, and, if so, to identify such other party; (iii) whether CGDC maintained an interest in either the Real Property Mortgage or the CGDC PPSA Registration; and (iv) that the CGDC PPSA Registration was not assigned to Jennifer Lamb.
30. BP sent a reply letter to the Receiver's counsel on January 29, 2015, a copy of which is attached as **Appendix "8"**. The letter advises, among other things, that: (i) DLPC represented Jennifer Lamb; (ii) the \$206,000 was received from JMA Accounting Professionals ("**JMA**"); (iii) JMA advised that its client, Jennifer Lamb, wished to take an assignment of Real Property Mortgage on the Premises and that such assignment was completed; (iv) CGDC has no further interest in the Premises and was further prepared to discharge the CGDC PPSA Registration.
31. The Receiver understands that the CGDC PPSA Registration against D&S has since been discharged. Copies of enquiry response certificates with a file currency of February 23, 2015 in respect of each of Ebersole and D&S are attached as **Appendix "9"**.
32. From the attached correspondence, it appears that the debt due to CGDC was paid in full by way of a transfer of \$206,000 from JMA on November 4, 2014. The source of these funds appears to be the proceeds that Maynards paid for the purchase of assets from D&S (discussed below). Counsel for Jennifer Lamb has subsequently advised the Receiver that there is no balance owing on the Real Property Mortgage and that Jennifer Lamb would consent to a discharge of the mortgage on the home.

Funds Transferred to Sandra Ebersole

33. The Interim Receiver's Report states that D&S transferred \$601,830 to Sandra Ebersole's personal bank account on November 14, 2014 (the "**Funds Transferred to Sandra**").
34. DLPC advised that the Funds Transferred to Sandra were distributed as follows:
 - a) \$205,573 was paid to Darrell Ebersole (the "**Unaccounted Funds**");
 - b) \$205,573 was transferred to DLPC's trust account and is being held in trust for Sandra Ebersole; and
 - c) \$190,669 was transferred to DLPC's trust account being held in trust for CRA.
35. The Interim Receiver's Report also states that DLPC agreed to transfer the \$396,242 remaining in DLPC's trust account (the "**DLPC Funds**") to the Interim Receiver on the condition that the DLPC Funds, until further order of the Court, shall:
 - a) be invested in a 30-day guaranteed investment certificate (the "**GIC**"), which GIC shall be renewed every 30 days until further Order of the Court;
 - b) not be subjected to the Interim Receiver's Charge, as defined in the Interim Receivership Order, or any comparable charge in the future that may replace the Interim Receiver's Charge; and
 - c) not be deemed to constitute Property, as defined in the Interim Receivership Order.
36. On December 16, 2014, the Interim Receiver invested the DLPC Funds in a GIC.
37. The Receiver continues to hold the DLPC Funds in a GIC pending further order of the Court.
38. The Interim Receiver inquired with Darrell Ebersole's counsel on November 28, 2014 as to the disposition of the Unaccounted Funds. On December 3, 2014, counsel for Darrell Ebersole advised that it did not have any unused retainer in any of its relevant accounts.

39. On December 10, 2014, counsel for Darrell Ebersole confirmed to counsel for the Interim Receiver by telephone that the former was not aware of the whereabouts of the Unaccounted Funds. During that telephone call, and as confirmed by letter of that same date, counsel for Darrell Ebersole further agreed to: (i) inquire with its client if it were aware of the whereabouts of the Unaccounted Funds; and (ii) report back to the Interim Receiver as soon as possible. To date, no response has been received from counsel for Darrell Ebersole.

Accounts Receivable

D&S

40. The Interim Receiver's Report states that the Interim Receiver obtained a listing of D&S' accounts receivable from Sandra Ebersole, which identified accounts receivable totalling approximately \$140,000, and that the Interim Receiver sent letters to these D&S customers advising them to pay any amounts owing to the Interim Receiver.
41. The Receiver continues to correspond with D&S' customers to try and collect on these outstanding accounts. The Receiver has collected approximately \$22,000 as of the date of this First Report.

Ebersole

42. Sandra Ebersole initially advised the Interim Receiver that Ebersole did not have any accounts receivable but now acknowledges otherwise. According to the Companies' accounting records, Ebersole's accounts receivable totalled \$1,694,618 as at the date of the Interim Receiver's appointment.
43. Three of the accounts totalling \$1,622,596 appear to relate to a project for the Regional Municipality of Niagara ("**Niagara Region**"). The Receiver understands that the relevant contract was terminated by Niagara Region before the Interim Receivership Order was made. The Receiver further understands that the Niagara Region has called on the performance bond issued by the Applicant and that the Applicant is dealing directly with Niagara Region on this project. It is anticipated that any payments made on this project will be far less than the costs of completion.

44. One additional account in the amount of \$9,500 is due from D&S and is therefore not collectible.
45. The remaining seven accounts total \$62,522 and Sandra Ebersole has explained that these are all not collectible.

The Missing Equipment

46. The Interim Receiver's Report states that the Interim Receiver compared several listings of equipment obtained from the Companies' records and insurance policies against the listing of equipment sold through Maynard's and Bryan's Auction Service. The Receiver has since prepared a listing of equipment that appears to be owned by the Companies but which the Receiver has not been able to locate.
47. On January 9, 2015, the Receiver sent a letter to Sandra Ebersole's counsel with a copy of the listing of missing equipment requesting that Sandra Ebersole advise the Receiver of the location of each piece of equipment or details of how they were liquidated. Sandra Ebersole has since responded that she has no knowledge of the location of this missing equipment as she was not involved in the operational aspect of the Companies' operations.
48. On December 2, 2014, counsel for the Interim Receiver inquired with counsel for Darrell Ebersole as to the disposition of the missing equipment but has not yet received a response.

The Unsold Assets

49. The Interim Receiver identified assets of the Companies at the Premises that were not sold at the Auction (collectively, the "**Unsold Assets**"), which are as follows:
 - a) three lots that were included in the Auction Assets but that did not sell at the Auction (the "**Unsold Auction Assets**"); and
 - b) 62 assets that were not included in the Auction Assets, including the following:
 - i.) a 2012 Jeep Grand Cherokee registered to "Darrell Ebersole o/a Darrell Ebersole Excavating" (the "**Jeep Cherokee**"); and

ii.) a shipping container containing tools and other small assets (collectively, the **"Shipping Container"**).

50. Sandra Ebersole advised the Interim Receiver that the Shipping Container and its contents were excluded from the Auction because they are Darrell Ebersole's personal assets.
51. The Interim Receiver inspected the contents of the Shipping Container and the contents appear to be tools and equipment related to the Companies' operations. The Interim Receiver secured the Shipping Container but has not taken possession of the Shipping Container or its contents pending resolution of the ownership of these assets.
52. The Receiver has not received any evidence from Sandra Ebersole or Darrell Ebersole proving that the Shipping Container or its contents are Darrell Ebersole's personal property.
53. A PPSA search on Ebersole revealed a registration in favour of Ally Credit Canada Limited (**"Ally"**) against the Jeep Cherokee. Ally has since advised that its loan against this vehicle was repaid in full on November 14, 2014.
54. Sandra Ebersole consented to the Interim Receiver taking possession of the Jeep Cherokee. The Jeep Cherokee remains at Manheim Auction, Inc. **"Manheim"**) in storage.
55. The Receiver intends to sell the Jeep Cherokee through Manheim. While the Jeep Cherokee is registered to Darrell Ebersole, all payments were made by the Companies and it is registered to Darrell Ebersole o/a Darrell Ebersole Excavating.

The Maynards Auction

56. The Interim Receivership Order authorized the Interim Receiver to permit Maynards to conduct the Auction, as defined in the Interim Receivership Order, on December 4, 2014. The assets to be auctioned included those assets purportedly sold by D&S to Maynards on October 31, 2014 (the **"Auction Assets"**).
57. The Interim Receiver's Report states that the Interim Receiver and Maynards

opened a joint bank account (the "**Joint Account**") into which the proceeds of the December 4, 2014 sale of Auction Assets were deposited.

58. Subsequent to the sale, the Interim Receiver and Maynards jointly reconciled the amounts deposited to the Joint Account with the results of the sale in order to determine the buyers' premium payable to Maynards in accordance with the Interim Receivership Order.
59. On January 16, 2015, the Receiver paid the buyer's premium in the amount of \$217,908.69 to Maynards in accordance with the Interim Receivership Order.
60. The January 16 Orders directed the Receiver to facilitate Maynards' payment of HST in the amount of \$172,054.18 to CRA from the Joint Account (the "**HST Payment**").
61. On January 23, 2015, the Receiver and Maynards arranged to pay the HST Payment from the Joint Account.

**AFFIDAVIT OF STUART DETSKY
(Sworn November 24, 2014)**

**I, STUART DETSKY, of the City of Toronto, in the Province of Ontario,
MAKE OATH AND SAY:**

1. I am Assistant Vice President, Surety and Warranty Claims at Trisura Guarantee Insurance Company ("**Trisura**") and as such I have personal knowledge of the matters deposed hereto, save and except where stated to be based on information and belief, in which case I do verily believe the same to be true.
2. This affidavit has been prepared in support of an application by Trisura for the appointment of an interim receiver over all of the assets, properties and undertaking of Ebersole Excavating Inc. ("**Ebersole Excavating**") and D&S Railway Construction Inc. ("**D&S**") ("**Ebersole Excavating**" and "**D&S**" shall hereinafter be referred to as the

"Debtors"), including all proceeds thereof, (the **"Property"**) to protect and preserve the Property.

Background

3. Ebersole Excavating is an Ontario corporation that was incorporated on February 9, 1996. Darrell W. Ebersole (**"Darrell"**) is the President and a Director. Sandra L. Ebersole (**"Sandra"**) is also a Director. Attached hereto and marked as Exhibit **"A"** is a copy of a Corporation Profile Report for Ebersole Excavating dated November 12, 2014 from the Ministry of Government Services (Ontario).
4. D&S is an Ontario corporation that was incorporated on April 2, 2003. Darrell is the President and a Director. Sandra is also a Director. Attached hereto and marked as Exhibit **"B"** is a copy of a Corporation Profile Report for D&S dated November 12, 2014 from the Ministry of Government Services (Ontario).
5. Ebersole Excavating is in the business of site preparation services including, excavating, grading, sewer and water systems and septic systems across southwestern Ontario.
6. D&S is in the business of railway construction and repair across southwestern Ontario.
7. Both Ebersole Excavating and D&S have a registered office located at 2194 East Avenue, Stevensville, Ontario (the **"Premises"**). I understand that the Premises are used both for the purposes of the business of the Debtors and as the residence for Sandra. I further understand that Darrell previously resided at the Premises, but has since moved. I do not know where Darrell currently resides.

Dealings between Trisura and the Debtors

8. Trisura established a surety bonding facility for each of the Debtors to issue various Performance Bonds and Labour and Material Payment Bonds (collectively referred to as the **"Bonds"**). As security for payment and performance of the obligations owed by the Debtors to Trisura under the surety bonding facility, each of the Debtors, Darrell and Sandra executed an Indemnity Agreement dated March 4, 2008 in favour of Trisura (the **"Indemnity Agreement"**). A copy of the Indemnity Agreement is attached hereto and marked as Exhibit **"C"**.

9. In general, a Performance Bond ("**Performance Bond**") guarantees to the owner of a project (called the "**Obligee**" in the Performance Bond) that the contractor (called the "**Principal**" in the Performance Bond) will perform the contract. The Performance Bond further provides that if the Principal defaults in the performance of the contract, the surety will arrange for completion so long as the Obligee has performed its obligations under the contract and complied with the terms and conditions of the Performance Bond. A copy of the Performance Bond issued on the Trisura Bonded Projects (as defined below) is attached hereto and marked as Exhibit "**D**".
10. In general, a Labour and Material Payment Bond ("**L&M Bond**") guarantees to the Obligee that the suppliers of materials and subcontractors to the Principal on the bonded projects will be paid their outstanding accounts in accordance with the terms and conditions of the L&M Bond. Copies of the L&M Bonds issued on the Trisura Bonded Projects (as defined below) are collectively attached hereto and marked as Exhibit "**E**".
11. Attached hereto and marked as Exhibit "**F**" is a complete list of the issued bonds that pertain to the Debtors (collectively, the "**Trisura Bonded Projects**").

Claims on the Bonds

12. Over the last few months, Trisura began to receive notices from subcontractors and suppliers on the Trisura Bonded Projects under the L&M Bond. As at the date of this Affidavit, Trisura has received ten (10) L&M Bond claims in the approximate amount of \$516,554.09, as a result of the Debtors' alleged failure to pay its subcontractors and suppliers on the Trisura Bonded Projects. Trisura has received notification from certain Obligees of potential claims under the L&M Bonds and it expects to receive further claims under the L&M Bonds as subcontractors and suppliers learn of the insolvency proceedings commenced by Ebersole Excavating, as more particularly described below.
13. On or about July 28, 2014, Trisura received a claim on the Performance Bond from the Regional Municipality of Niagara ("**Niagara Region**") in respect of a project referred to as the Humberston Landfill Site (the "**Humberston Project**"). As at the date of this Affidavit, Trisura continues to work with Niagara Region in connection with the claim made on the Performance Bond.

Commencement of Insolvency Proceedings by Ebersole Excavating

14. On June 19, 2014, Ebersole Excavating filed a Notice of Intention to Make a Proposal ("NOI") under the *Bankruptcy and Insolvency Act* ("BIA") and BDO Canada Limited ("BDO") agreed to act as the proposal trustee (the "**Proposal Trustee**"). Attached hereto and marked as Exhibit "G" is a copy of the NOI.
15. Ebersole Excavating filed a proposal with the Official Receiver on July 18, 2014. The proposal (the "**Proposal**") was subsequently approved by the creditors and approved by the Court. Attached hereto and marked as Exhibit "H" is a copy of the Statement of Affairs filed by Ebersole Excavating in its proposal proceedings. Attached hereto and marked as Exhibit "I" is a copy of the Proposal filed by Ebersole Excavating. Attached hereto and marked as Exhibit "J" is a copy of the Report of the Trustee on the Proposal. Attached hereto and marked as Exhibit "K" is a copy of the Order of Registrar Wiebe dated October 21, 2014 approving the Proposal.
16. The Proposal of Ebersole Excavating provides as follows under the heading "Secured Creditors, Lien Claimants and Trust Creditors":

The claim of Secured Creditors shall, subject to the provisions of the Act, be paid in accordance with the arrangements between the Company and the holder of such claims which were in effect on the Date of Filing or such other terms as may be mutually agreed between them following the Date of Filing.

Accordingly, the Proposal carves out secured creditors from the proposed compromise set out therein.

Default of the Debtors under the Surety Bonding Facility

17. The Debtors have committed various events of default under the Indemnity Agreement. Accordingly, by letter dated June 30, 2014, Trisura demanded payment from D&S, Darrell and Sandra (the "**Trisura Demand Letter**"). The Trisura Demand Letter provided that Trisura had received several notices of claim for payment from claimants with respect to the Trisura Bonded Projects and that it was expecting to receive a claim from Niagara Region pursuant to the Performance Bond issued in respect of that project.

Since the delivery of the Trisura Demand Letter on June 30, 2014, a claim has been filed by Niagara Region, as noted above. Attached hereto and marked as Exhibit "L" is a copy of the Trisura Demand Letter.

18. In the Trisura Demand Letter, Trisura advised certain of the Indemnitors (as defined in the Indemnity Agreement) that as at the date thereof, Trisura had incurred Indemnity Losses (as defined in the Indemnity Agreement) in the amount of approximately \$403,000. Since the Trisura Demand Letter was issued, Trisura has in fact and will incur further losses in connection with the Trisura Bonded Projects.
19. On November 19, 2014, Borden Ladner Gervais LLP ("**BLG**"), the lawyers for Trisura, delivered letters to each of the Debtors, Darrell and Sandra advising of the occurrence of various events of default under the Indemnity Agreement, demanding payment in respect of the Indemnity Losses (as defined in the Indemnity Agreement) and advising the Debtors, Darrell and Sandra of Trisura's intention to enforce its security, pursuant to the Indemnity Agreement. BLG, on behalf of Trisura, also delivered to the Debtors, Darrell and Sandra a Notice of Intention to Enforce Security (the "**NITES**") in respect of the Indemnity Losses (as defined in the Indemnity Agreement) incurred under the Indemnity Agreement as part of its correspondence on November 19, 2014 (the "**BLG Demand Letters**"). Copies of the BLG Demand Letters and the NITES sent to each of the Debtors, Darrell and Sandra are attached hereto and marked as Exhibit "M".

Recent Events of Concern to Trisura

20. Over the last few months, the Debtors, Darrell and Sandra were represented by John MacDonald ("**MacDonald**") of JMA Accounting Professional Corporation ("**JMA Accounting**"). Representatives of Trisura have had various discussions with MacDonald from time to time, with respect to the Proposal filed by Ebersole Excavating and the status of the various Trisura Bonded Projects.
21. At some point in the summer of 2014, Trisura was advised by MacDonald that Ebersole Excavating and/or D&S were considering a possible sale of certain assets. However, at no time was Trisura ever advised by representatives of Ebersole Excavating, D&S or by

MacDonald, that Ebersole Excavating and/or D&S had in fact concluded a transaction for the sale of certain assets to a third party.

22. In the afternoon of November 12, 2014, Trisura learned that certain of the assets of Ebersole Excavating and/or D&S were sold to Maynards Industrial Limited ("**Maynards**").
23. The information that assets belonging to Ebersole Excavating and/or D&S had been sold to Maynards came as a complete surprise to Trisura, who had previously made registrations as against each of the Debtors, Darrell and Sandra pursuant to the provisions of the *Personal Property Security Act* (Ontario) ("**PPSA**"). Attached hereto and marked as Exhibit "**N**" are copies of Enquiry Response Certificates with a file currency of November 17, 2014 in respect of each of Ebersole Excavating, D&S, Darrell and Sandra.
24. In light of the information learned by Trisura in the afternoon of November 12, 2014, Trisura instructed BLG to deliver a letter to each of Maynards and JMA Accounting setting out the position of Trisura in connection with the transaction which Trisura understood had occurred between Ebersole Excavating and/or D&S and Maynards and requesting information and documents from each of Maynards and/or JMA Accounting with respect to the transaction. Attached hereto and marked as Exhibit "**O**" is a copy of the BLG letter delivered to each of Maynards and JMA Accounting on November 14, 2014 (the "**Maynards Letter**").
25. On November 14, 2014, BLG also delivered an email to Peter Naumis at BDO requesting information about recent events and the proposal proceedings of Ebersole Excavating. The November 14, 2014 email to BDO also attached a copy of the Maynards Letter. Attached hereto and marked as Exhibit "**P**" is a copy of the BLG email to BDO dated November 14, 2014.
26. I am advised by Roger Jaipargas, a partner at BLG, and do verily believe, that shortly after delivery of the Maynards Letter, he received a call from Mike McIntosh at Maynards with regard to the Maynards Letter. Attached hereto and marked as Exhibit "**Q**" is a copy of a transcribed voicemail message from Mr. McIntosh of November 14, 2014.

27. I am further advised by Mr. Jaipargas and do verily believe that in the afternoon of November 14, 2014, he spoke with Mr. McIntosh at Maynards and requested that Maynards provide the information set out in the Maynards Letter on an expedited basis. Attached hereto and marked as Exhibit "R" is a copy of an email delivered by Mr. McIntosh to BLG in the afternoon of November 14, 2014, attaching a copy of the Purchase and Sale Agreement between D&S and Maynards, as well as particulars with regard to the transfer of funds.
28. A review of the Purchase and Sale Agreement between D&S and Maynards discloses that the purchase price for the assets, which includes various pieces of equipment, is \$1,350,000 and that the purchase price was paid to D&S.
29. I am advised by Mr. Jaipargas and do verily believe that he has confirmed with Tony Van Klink, a partner with Miller Thomson LLP, the lawyers for Bank of Montreal ("BMO"), that the obligations of Ebersole Excavating and D&S to BMO have been repaid.
30. On November 19, 2014, BLG received from Joel Farber at Fogler, Rubinoff LLP ("Fogler"), the lawyers for Maynards, a letter dated October 29, 2014 from Mr. Van Klink to the Debtors, with a payout statement in respect of the obligations owing to BMO (the "Miller Thomson Letter"). According to the payout statement attached to the Miller Thomson Letter, the amount owing to BMO as at October 31, 2014 was \$728,737.27. Attached hereto and marked as Exhibit "S" is a copy of the Miller Thomson Letter.
31. The Purchase and Sale Agreement notes that the vendor is D&S. However, the financial statements for each of Ebersole Excavating and D&S disclose that both Ebersole Excavating and D&S own equipment. Interestingly enough, the Maynards brochure (as discussed below), advertising the sale of the equipment Maynards purported to purchase from D&S, has pictures of pieces of equipment that are clearly labelled as "Ebersole". The Statement of Affairs that was sworn by Darrell on behalf of Ebersole Excavating on July 18, 2014, list assets for Ebersole Excavating, including equipment in the amount of \$453,940. In fact, some of the equipment included in the Maynards brochure would not be equipment that would typically be used by D&S in its operations. Attached hereto and

marked as Exhibit "T" are copies of Financial Statements for each of the Debtors for the last few years.

Request for the Appointment of an Interim Receiver and Urgency

32. Trisura has learned that Maynards intends to hold a public auction on December 4, 2014 to sell the equipment that Maynards purported to purchase from D&S. In connection therewith, representatives from Trisura were able to obtain a copy of the brochure advertising the public auction scheduled for December 4, 2014, a copy of which is attached hereto and marked as Exhibit "U".
33. Trisura is very concerned about the pending sale of the equipment by Maynards. BLG has put Maynards on notice of Trisura's interest in the equipment. Depending on the outcome of discussions with Maynards with regard to the transaction involving D&S and Maynards, further relief may be sought from the Court on an expedited basis.
34. Trisura does not have full particulars on the use of the funds derived from the Maynards transaction, which I understand closed on or about October 31, 2014. On November 19, 2014, I had a call with Darrell, at which time he indicated that he believes that approximately \$75,000 was paid to Caterpillar Financial Services Limited and approximately \$200,000 was paid to JMA Accounting, subsequent to the closing of the Maynards transaction.
35. In response to the BLG email of November 14, 2014, Mr. Naumis of BDO confirmed in an email to BLG on November 17, 2014, that Ebersole Excavating ceased operating prior to the filing of the NOI, the company had employees up until May, 2014 and that the last payroll was June 6, 2014. Attached hereto and marked as Exhibit "V" is a copy of the BDO email of November 17, 2014.
36. Under the terms of the Proposal filed by Ebersole Excavating, the "Backer" (as defined in the Proposal) is D&S. Trisura is concerned that the surplus proceeds from the Maynards sale will be used by Ebersole Excavating and D&S to fund a proposal for a company that is no longer operating, simply to absolve the Directors of certain liabilities. This is confirmed in the BDO email of November 17, 2014.

37. On November 12, 2014, BLG obtained Ontario Writ Locator searches on each of the Debtors, Darrell and Sandra. The Ontario Writ Locator searches disclosed that there is a writ of seizure and sale that has been filed in favour of Koppers Inc. as against D&S in the amount of \$32,449.99. Attached hereto and marked as Exhibit "W" are copies of the Ontario Writ Locator searches for each of the Debtors, Darrell and Sandra.
38. On or about November 10, 2014, a representative of Trisura attended at the location of the Humberston Project and noticed that a trailer (which Trisura understands contained documents and information with respect to the Debtors' business operations) was removed from the site. As part of the exercise of responding to various claims under the surety bonding facility, Trisura requires such documentation in order to evaluate the claims that have been filed by various parties.
39. As a consequence of the troubling developments that Trisura has learned of in the last few days, the inability of Trisura to get information and documents from the Debtors and/or JMA Accounting, as its advisor, Trisura has lost confidence in the management of the Debtors.
40. In order to prevent the imminent erosion of Trisura's security and to ensure that there is some ability to safeguard the assets of the Debtors and gather information and report back to the stakeholders and the Court, it is necessary that an interim receiver be appointed over the Property of the Debtors.
41. Trisura is of the view that Grant Thornton Limited ("GTL") would be well-suited to act as interim receiver of the Debtors. In connection therewith, GTL has agreed to accept the appointment, if so appointed by the Court. Attached hereto and marked as Exhibit "X" is a copy of the Consent signed by GTL.
42. At this time, Trisura is seeking the appointment of an interim receiver over the Debtors, but is not seeking the appointment of an interim receiver over the assets, property and undertaking of Darrell or Sandra. Trisura reserves the right to seek such further relief from the Court in that regard if same becomes necessary or appropriate under the circumstances.

43. On November 19, 2014, a representative from Trisura was copied on an email sent to Mr. McIntosh, who is with Maynards, from the email address "ebersole@bellnet.ca" advising that any correspondence concerning this matter should be sent directly to "our lawyer" Bruce Jaeger and that Trisura should not "contact us directly". I presume that this email was from either Darrell or Sandra, but the email does not specify. At this time, neither Trisura nor BLG has been contacted by Mr. Jaeger, who I understand is with the law firm Fluxgold Izsak Jaeger LLP. Accordingly, Trisura and BLG cannot confirm at this time as to whether Mr. Jaeger is in fact acting in connection with this matter. However, I understand that BLG intends to serve a copy of the Application Record for the appointment of the Interim Receiver on Mr. Jaeger. Attached hereto and marked as Exhibit "Y" is a copy of the email dated November 19, 2014, as referenced above.
44. I swear this Affidavit in support of an application for the appointment of an Interim Receiver over the Property of the Debtors and for no other or improper purpose.

(the person(s) listed above being collectively the "Indemnitors" and each an "Indemnitor")

WHEREAS

- (A) one or more of the Indemnitors, in his, its or their own name(s) or as joint venturer(s) with others, may desire, or be required, to procure the execution and delivery by Trisura Guarantee Insurance Company (the "Surety") of Bonds as hereinafter defined or one or more of the Indemnitors may request the Surety to refrain from cancelling or attempting to cancel such Bonds as the Surety may already have executed or procured the execution of;
- (B) each of the Indemnitors understands that the Surety expressly requires the delivery of this Agreement as part of the consideration for the execution by the Surety of such Bonds which may already have been furnished by the Surety in reliance upon a representation that this Agreement would be executed, or which may hereafter be furnished, or for the refraining from cancelling or attempting to cancel said Bonds; and
- (C) each of the Indemnitors hereby represents to the Surety that such Indemnitor has a substantial, material and beneficial interest in the obtaining of Bonds (whether or not such Indemnitor is a principal under any Bond(s) as hereinafter defined) or in the Surety's refraining from cancelling or attempting to cancel Bonds.

NOW THEREFORE, in consideration of the sum of Two Dollars (\$2.00) and other good and valuable consideration paid or furnished by the Surety to each of the Indemnitors (the receipt and sufficiency of which are hereby acknowledged) and of the Surety having executed in the past, presently executing or procuring the execution of Bonds for which application is now pending, or which may be hereafter applied for, or executing in the future one or more Bonds, or of any alteration, renewal, continuation or extension thereof, or of the Surety's refraining from cancelling or attempting to cancel the same, the Indemnitors jointly, severally and for each other do hereby covenant and agree with the Surety as follows:

1. DEFINITIONS

In the present Agreement:

- (a) "Bond" means a contract of suretyship, guarantee or indemnity, an agreement or consent to provide such a contract and the continuation, extension, alteration, amendment, increase, decrease, renewal or substitution of such a contract, agreement or consent, in respect of the Indemnitor(s) (or any or all of them, if more than one, or any affiliate(s) and/or partner(s) of any of them, or any other principal for which the same is requested by an Indemnitor), whether issued by the Surety, any successor of the Surety, or any beneficiary as defined by section 8 below, and whether issued before, on or after the date of this Agreement;
- (b) "Bonded Contract" means a Contract in respect of which any Bond(s) is or may at any time hereafter be issued;
- (c) "Bonding Facility" means any past, present or future agreement or arrangement between the Surety and the Indemnitors or any of them providing for the issuance of any Bond(s);
- (d) "Contract" includes all documents comprising the contract documents including but not limited to general and special conditions, specifications and drawings, and every change, addition, substitution, successor or new contract;
- (e) "Contract Equipment and Material" includes all Equipment and Material which are now or may hereafter be in, about or upon the site of work contemplated by any Bonded Contract or Unbonded Contract, including supplies and materials now or hereafter purchased for or chargeable to any such contract which may be in progress of construction, or in storage elsewhere, or in transportation to any such site;
- (f) "Equipment and Material" includes machinery, equipment, plant, tools, supplies, inventory and materials;
- (g) "Event of Default" is defined in clause 15(d);
- (h) "execute" and "execution" include procure and procurement for execution;
- (i) "hereof", "herein", "herein" and similar expressions mean and refer to this Agreement and not to any particular section, subsection, clause or subclause;
- (j) "Other Contract Assets" means all assets other than Equipment and Materials which are, or may hereafter be, used or useful for the performance or completion by any Indemnitor of any Contract (whether a Bonded Contract or an Unbonded Contract), whether or not such assets are specific to any such Contract, and including without limitation licences, intellectual property rights, computer hardware, software and data, and storage media;
- (k) "person" means and includes individuals, partnerships, joint ventures, trusts, corporations and associations;
- (l) "principal" means, in relation to any Bond or Bonded Contract, each and all of the principal(s) named therein or a party thereto;
- (m) "Unbonded Contract" means a Contract to which any Indemnitor is a party and in respect of which, as at the time in question, there is no Bond in force, whether or not any Bond(s) have previously been issued in respect thereof, and whether or not any bond has been issued in respect thereof by any other surety;
- (n) the singular form includes the plural and the plural includes the singular, and the word "Indemnitors" or any pronoun referring thereto, whether singular or plural, is to be construed as referring to the undersigned person(s), though they be or include one or more individuals, partnerships, associations or corporations;
- (o) the neuter pronoun shall be read as masculine or feminine, as circumstances require; and
- (p) the division of this Agreement into sections, subsections, clauses and subclauses, and the insertion of headings, are for convenience of reference only and shall not affect the interpretation or construction hereof.

2. INDEMNITY

Each of the Indemnitors shall indemnify and keep indemnified the Surety, against any and all losses, charges, expenses, costs, claims, demands and liabilities (hereinafter called "Indemnity Losses") of whatsoever kind or nature (including, but not limited to, the fees and disbursements of adjusters, consultants and counsel and the establishment or increase of a reserve to cover any possible Indemnity Loss) which the Surety may sustain or incur:

- (a) by reason of having executed or procured the execution of any Bond(s) (or an allegation that the Surety should have done so); or
- (b) by reason of the failure of the Indemnitors to perform or comply with this Agreement or any Bonding Facility; or
- (c) in enforcing any of the covenants and conditions hereof.

3. PERFORMANCE AND FEES

The Indemnitors covenant to perform all the conditions of each Bond, Bonded Contract and Unbonded Contract, and any and all alterations, modifications, renewals, continuations and extensions thereof.

- (b) Without limiting the generality of the foregoing, the Indemnitors shall pay to the Surety:

- (i) all fees related to Bonds;
- (ii) any annual fee, setup fee or prequalification fee related to any Bonding Facility; and
- (iii) any other expenses incurred by the Surety in relation to the establishment and maintenance of a Bonding Facility for the Indemnitors or any of them.

4. APPLICATION OF THIS AGREEMENT

- (a) This Agreement shall apply to all Bonds executed by or on behalf of the Surety, and any Bonding Facility relating thereto, on behalf of:

- (i) any Indemnitor(s);
- (ii) any present or future affiliate(s) or partner(s) of any Indemnitor; or
- (iii) any other principal at the request of an Indemnitor;

In each case in its own name or as joint venturer with others, from time to time, whether prior to or subsequent to the execution and delivery hereof, and over an indefinite period of years, until this Agreement shall be terminated in accordance with the terms hereof, and the Indemnitors agree that notice of the execution of such Bonds need not be communicated to them. For greater certainty, and without limiting the generality of any other provision hereof, this Agreement shall also apply to any other matter arising out of or connected with any such Bond (including any Bond applied for but not issued) or any Bonded Contract or Unbonded Contract relating to any such party.

- (b) This Agreement shall bind:

- (i) any present or future affiliate or partner of any of the Indemnitors; and
- (ii) any participant in any joint venture or other form of common enterprise of which the Indemnitor was a member (or was to become a member) at the time a Bond was furnished;

and the Indemnitors shall, upon the request of the Surety, cause any such affiliate, partner or participant to execute and deliver to the Surety an adhesion, in such form and terms as may be required by the Surety, agreeing to be bound by this Agreement.

5. AUTHORITY TO EXECUTE BONDS

Requests to the Surety to execute any Bond(s) may be made by any of the Indemnitors or (where an Indemnitor is not an individual) any officer, employee or partner of any of the Indemnitors, or by any agent or broker reasonably believed by the Surety to be representing any of the Indemnitors. Such requests, whether made in writing (mailed, delivered or telecopied), by telegraph, by personal interview or by telephone, shall be regarded as sufficient and ample authority for the Surety to execute any such Bond(s).

6. ABSOLUTE RIGHT TO DECLINE TO ISSUE BONDS

- (a) The Surety, at its option and in its sole discretion, may decline to execute, or provide any Bond(s) applied for without incurring any liability whatever to the Indemnitors or any of them or affecting the liability of the Indemnitors or any of them hereunder to the Surety.

- (b) Each of the Indemnitors acknowledges that:

- (i) the Surety is under no obligation to issue any Bond(s);
- (ii) such Indemnitor is not relying and will not rely on any agreement, assurance, understanding, warranty, representation, condition precedent, collateral agreement or other commitment of any kind whatsoever (including without limitation any letter setting out terms and conditions for a Bonding Facility) purporting to be made or entered into by or on behalf of the Surety obliging the Surety to issue any Bond(s);
- (iii) issuance of any Bond(s) shall not entitle the Surety from declining to issue any other Bond(s) or constitute a waiver of the Surety's absolute right to decline to issue any Bond(s); and
- (iv) if the Surety issues a bid bond, agreement to bond (or "surety's consent") or similar undertaking and the applicant is successful in bidding the project, the Surety may nevertheless decline to issue the performance bond, the payment bond, or any other bond required by the awarding entity, without incurring any liability to the Indemnitors, who hereby agree that such a bid bond, agreement or undertaking is a Bond to which this Agreement applies.

7. PARTIAL INVALIDITY OF EXECUTION

- (a) If any of the persons named herein as an Indemnitor fails to execute this Agreement or if the execution hereof by any of the Indemnitors shall be defective or invalid for any reason, such failure, defect or invalidity shall not in any manner diminish or otherwise affect the obligation or liability hereunder of any other of the Indemnitors.
- (b) Failure of the principal to sign any Bond shall not relieve the Indemnitors of liability under this Agreement.

8. PROTECTION OF OTHER SURETIES

If the Surety issues any Bond with a co-surety, reinsures any portion of a Bond with any other company, or procures the issuance of any Bond by any other company (whether or not the Surety issues, or retains any portion of, such Bond), the Indemnitors agree with any and all such co-sureties, reinsurers or issuing companies (hereinafter collectively referred to as the "Beneficiaries") that the benefits hereof shall extend to and protect each of the Beneficiaries. The Surety hereby declares that it is the trustee of all of the rights of the Beneficiaries under the foregoing covenant.

9. DEFENCE - RESERVE - DEPOSIT

- (a) If the Indemnitors desire that a claim or demand against the Surety shall be resisted and litigated, the Indemnitors shall:

- (i) give notice to the Surety to this effect; and
- (ii) if requested, at any time, by the Surety, deposit with the Surety cash (or collateral satisfactory to the Surety) in an amount sufficient to cover the expenses and fees of defence; and
- (iii) if requested, at any time, by the Surety, deposit with the Surety cash (or collateral satisfactory to the Surety) in an amount sufficient to cover the claim or demand and interest thereon to the probable date of disposition.

- 3 -

- (b) If for any reason the Surety deems it necessary to establish or to increase a reserve (the amount of which shall be in the sole discretion of the Surety, as from time to time revised) to cover any possible Indemnity Loss (including, for greater certainty, the costs of investigating and defending any claim or demand and interest on the amount thereof at the rate or rates claimed on or applicable to such claim or demand, to the probable date of its resolution), the Indemnitors shall deposit with the Surety immediately upon demand (and make such further deposits as may be required of) cash or collateral satisfactory to the Surety in an amount equal to such reserve or such increase. The Indemnitors acknowledge that the failure of the Indemnitors to deposit with the Surety, immediately upon demand, the sum demanded by the Surety shall cause irreparable harm to the Surety for which the Surety has no adequate remedy at law, and that the Surety shall be entitled to injunctive relief (including specific performance of the obligation to make such deposit with the Surety), and hereby waive any claims or defences to the contrary.
- (c) The Surety may:
- hold any deposit made under this section 9 in such form as the Surety may in its absolute discretion decide, and shall have no obligation to invest, or provide any income or return on, any such deposit; and
 - in its sole discretion, use all or any part of such deposit, and of any income earned thereon, in payment, settlement or compromise of any Indemnity Loss.
- (d) The Indemnitors shall be entitled to the return of any unused portion of the deposit, and the income (if any) earned on the balance of the deposit outstanding from time to time (to the extent such income has not been used in payment or compromise of an Indemnity Loss), upon termination of the liability of the Surety on the Bonds and the performance by the Indemnitors of all obligations to the Surety under the terms hereof. The Surety's calculation of the income, if any, attributable to any such deposit shall be final and binding on the Indemnitors.
10. SETTLEMENT OF CLAIMS
- (a) The Surety shall have the sole right to pay, settle or compromise, without any prior obligation to notify the Indemnitors, any charge, expense, cost, claim, demand, suit, judgment or liability under any Bond(s), and any such payment, settlement or compromise shall be binding upon the Indemnitors and included as an Indemnity Loss.
- (b) In the event of any such payment, settlement or compromise by the Surety, an itemized statement thereof sworn to by any officer of the Surety, or the voucher(s), cancelled cheque(s) or other evidence of such payment, settlement or compromise, shall be prima facie evidence of the fact and amount of the liability of the Indemnitors under this Agreement in respect of such payment, settlement or compromise.
- (c) In the event of any payment by the Surety, the Indemnitors agree that in any accounting between the Surety and the Indemnitors, the Surety shall be entitled to charge for any and all disbursements made by it in and about the matters contemplated by this Agreement.
11. ADVANCES BY SURETY
- The Surety, at its sole election and discretion, is authorized and empowered, but not obligated, to advance or loan to a principal any money which the Surety may see fit to advance to such principal, and to guarantee re-payment of such loans made by others, and all moneys so advanced or loaned, as well as all costs, counsel fees and expenses incurred by the Surety in connection with such advances or loans, unless repaid with legal interest by the principal, shall be included as Indemnity Losses.
12. ACKNOWLEDGEMENT OF CONTINUING LIABILITY
- (a) Each of the Indemnitors acknowledges that this Agreement shall remain in full force and effect, even if such Indemnitor never had or no longer has any interest in the principal, as long as this Agreement has not been terminated by such Indemnitor in accordance herewith; without limiting the generality of the foregoing, the rights of the Surety under this Agreement and any other agreement with any of the Indemnitors shall be cumulative, and this Agreement shall not be construed as having merged with or been cancelled, limited or superseded by any other agreement, whether or not in the same form as this Agreement, unless such other agreement is in writing, expressly states that this Agreement is terminated thereby, and is signed by an officer of the Surety.
- (b) The Indemnitors shall continue to remain bound under this Agreement, notwithstanding the occurrence at any time or from time to time, with or without notice to or knowledge of the Indemnitors, and whether by prior agreement or otherwise, of any or all of the following events, which are in addition to any other rights of the Surety, and which shall not in any way release, limit or abridge any right or remedy which the Surety may have under this Agreement, and this Agreement shall remain in full force and effect after such event:
- the acceptance by the Surety of payment for any Bond(s);
 - the acceptance or release by the Surety of other agreements of indemnity, collateral security or guarantees, from any or all of the Indemnitors or from others;
 - the Surety's assent to any act of the principal;
 - a suit or a settlement deriving from this Agreement;
 - any waiver, extension, or indulgence granted by the Surety to any of the Indemnitors or to others; or
 - any failure or refusal by the Surety to pursue any remedy or take proceedings against any person or property.
13. INFORMATION TO BE PROVIDED TO SURETY
- (a) Each of the Indemnitors shall:
- forward immediately to the Surety every letter, document, advice, statement of claim or writ received by him from or on behalf of any person who asserts or threatens; and
 - whenever requested by the Surety, aid in securing information and evidence and the attendance of any witness for, and co-operate fully with the Surety in the defence of, any claim or demand arising out of or in connection with any Bond(s).
- (b) The Indemnitors shall furnish to the Surety fully, accurately and promptly all such information as it may request from time to time concerning:
- the financial condition of the Indemnitors;
 - the status of any Bonded Contract(s), Unbonded Contract(s) or other obligations of the Indemnitors and the condition of the performance thereof;
 - the payment of obligations incurred in connection with any Bonded Contract(s), Unbonded Contract(s) or other obligations; and
 - all such other information as the Surety may from time to time reasonably request.
- (c) The Surety and any representative, agent or advisor authorized in writing by the Surety may at reasonable times and places and from time to time, examine and copy the books, records and accounts of the Indemnitors.
- (d) Any of the Indemnitors who are individuals shall notify the Surety of any change in their respective marital circumstances which might affect their ownership of any assets or confer on their respective spouses any right, actual or potential, to claim an interest in any of their respective assets.
- (e) Each of the Indemnitors shall notify the Surety immediately of any change in his or its name.
- (f) If any of the Indemnitors merges, amalgamates, consolidates, reorganizes, forms a partnership or joins with, or sells, transfers or leases all or substantially all of its undertaking, property and assets to, any other person, firm, corporation, trust, partnership or venture (hereinafter called a "Successor") and, where an Indemnitor is a partnership, if there is any change in the constitution of the

- 4 -

partnership, including (but not limited to) the death, retirement, or addition of a member or members, or subsequent incorporation (the partnership so reconstituted or incorporated being included in the term "Successor"), then:

- (i) such Indemnitor shall immediately notify each of the other Indemnitors and the Surety; and
- (ii) whether or not such notice is given, this Agreement shall extend and apply to any Bonds theretofore issued (to the extent that such Bonds relate to the Successor) and any Bonds thereafter issued in respect of the Successor as principal.

14. CONSENT TO CHANGES

The Surety is authorized and empowered, without notice to or knowledge of the Indemnitors, notice being hereby expressly waived:

- (a) to correct any mistakes herein or in any Bond(s);
- (b) to assent or refuse to assent to any change whatsoever in any Bond(s), any Bonded Contract(s) and any Bonding Facility, including but not limited to any change in the time for the completion of any Bonded Contract(s) and for payments or advances thereunder and/or in the general conditions, plans or specifications which accompany said Bonded Contract(s) and any increase or decrease in the limit of any Bonding Facility; and
- (c) to assent to or to take any assignment or assignments, to execute or consent to the execution of any continuations, extensions, renewals, enlargements, modifications, change or alterations of any Bond(s) or Bonding Facility or Bonding Facilities, and to execute any substitute or substitutes therefor, with the same or different conditions, provisions and obligees and with the same or larger or smaller penalties;

and the Indemnitors shall remain bound under the terms hereof even though any such correction, assent or refusal by the Surety does or may substantially increase the liability of the Indemnitors.

15. CONTRACT ASSETS

(a) The Indemnitors shall obtain, maintain and make available all Equipment and Material and Other Contract Assets necessary for the performance of all Bonded Contract(s) and Unbonded Contracts.

(b) Each of the Indemnitors hereby assigns and transfers to the Surety, as collateral, to secure the obligations herein of the Indemnitors and all other indebtedness or liabilities of the Indemnitors to the Surety, whether heretofore or hereafter incurred, all the right, title and interest of the Indemnitors in and to:

- (i) every:
 - (A) Contract, whether a Bonded Contract or an Unbonded Contract, and whether or not any Event of Default has occurred with regard to any of the Indemnitors in respect of such Contract, including all retained percentages, holdbacks, progress payments, deferred payments, earned money, compensation for extra work, proceeds of damage claims, insurance policies and claims thereunder, and all other funds and properties whatever (whether or not similar to the foregoing) that may be due or become due under any Contract(s) or that may be due, become due, awarded or allowed in connection with or under circumstances growing out of any Contract(s) or work done thereunder;
 - (B) subcontract let or that may be let in connection therewith;
 - (C) claim which the Indemnitors may have or acquire against any person furnishing or agreeing to furnish any labour, Equipment and Material or Other Contract Assets in connection with any such Contract or any such subcontract; and
 - (D) bond securing any such subcontract or claim;

 - (iii) all Equipment and Material; and
 - (iv) all Other Contract Assets.
- (c) Such assignment shall be effective as of the date of execution and delivery of:
- (i) this Agreement, as to each Bonded Contract covered by any Bond(s) heretofore issued (but nothing herein shall limit the Surety's right to claim under any prior assignment) and as to any Unbonded Contract in force at such date;
 - (ii) each Bond hereafter issued, as to each Bonded Contract covered by such Bond; or
 - (iii) each Unbonded Contract entered into after the date hereof, as to such Unbonded Contract.
- (d) The Surety shall take proceedings to enforce such assignment only in the event (an "Event of Default") of:
- (i) any breach or alleged breach of any of the covenants and agreements herein contained, or of any term or condition of any Bonding Facility; or
 - (ii) any abandonment, forfeiture or breach of, or failure, refusal or inability to perform, any Bonded Contract or any liability under a Bond; or
 - (iii) any failure, refusal or inability of a principal to pay bills or other indebtedness incurred in, or in connection with, the performance of any Bonded Contract or Unbonded Contract; or
 - (iv) any assignment by any of the Indemnitors for the benefit of creditors, or the appointment, or any application for the appointment, of a receiver or trustee for any of the Indemnitors, whether insolvent or not; or
 - (v) any proceeding or the exercise of any right which deprives any of the Indemnitors of the use of any of the Contract Equipment and Material or any Other Contract Assets; or
 - (vi) any change or threat of change in the character, identity, control, management, beneficial ownership or existence of a principal; or
 - (vii) any other occurrence, condition or circumstance (whether or not similar to any of the foregoing) which in the sole opinion of the Surety may expose the Surety to loss, cost or expense.

(e) Each of the Indemnitors hereby authorizes and empowers the Surety, if an Event of Default has occurred and is continuing, to:

- (i) in its sole discretion, take possession of the work under any Bonded contract and to complete such contract, or cause the same to be completed, or to consent to the completion thereof, and to take any other action which the Surety may deem appropriate to obtain the discharge of the Surety's obligations as surety including, but not limited to, a monetary settlement with the obligee, and all losses, charges, expenses and costs incurred by the Surety in so doing shall be included as Indemnity Losses;
- (ii) execute in the name of any Indemnitor any instruments deemed necessary or desirable by the Surety to provide absolute title to the Surety of any funds, property and rights as are hereby assigned, transferred or conveyed, and the Surety and such person(s) as the Surety may designate for this purpose are hereby authorized to take immediate possession of such funds, property and rights;
- (iii) instruct any obligee(s) under any Bonds, and/or any owners under any Unbonded Contracts, to withhold further payment to any Indemnitor or other person who is a party to the relevant Contract(s);
- (iv) collect any cheque, draft, warrant or other instrument made or issued in payment of any monies due on any Bonded Contract(s); and
- (v) endorse in the name of an Indemnitor as payee and to cash any such instruments and to retain or disburse the proceeds thereof.

16. TRUST FUNDS

(a) Each Indemnitor agrees and hereby expressly declines that all funds due or to become due under any Bonded Contract, are, whether in the possession of the Indemnitor or another, trust funds for the benefit of and payment to all persons to whom the Indemnitor incurs, in the performance of such Bonded Contract, obligations for which the Surety would be liable under such Bond. If the Surety assumes or discharges any such obligation, it shall be entitled to assert the claim of such person to the trust funds.

- 5 -

- (b) Each Indemnitor shall, upon demand by the Surety and in implementation of any trust hereby created, open an account or accounts with a bank or similar depository designated by the Indemnitor and approved by the Surety, which account or accounts shall be designated as a trust account or accounts for the deposit of such trust funds, and shall deposit therein all monies received pursuant to said Bonded Contract or contracts. Withdrawals from such accounts shall be by cheque or similar instrument signed by the Indemnitor and countersigned by a representative of the Surety.
- (c) Said trust or trusts shall terminate on the payment by the Indemnitor of all the contractual obligations for the payment of which the trust or trusts are hereby created or upon the expiration of twenty years from the date hereof, whichever shall first occur.

17. POWER OF ATTORNEY

Each of the Indemnitors hereby irrevocably nominates, constitutes, appoints and designates the Surety, or any person or persons designated by the Surety, as its attorney to exercise all of its rights assigned, transferred or set over to the Surety by this Agreement, and in its name to execute and deliver (and without limiting the generality of the foregoing, to complete any blanks and insert dates in) any and all additional or other assignments, instruments or documents deemed necessary or desirable by the Surety:

- (a) to vest in the Surety or its designees absolute title to any and all monies, property and rights hereby assigned; and
- (b) to provide the protections and rights to the Surety contemplated by all the provisions hereof.

Each of the Indemnitors hereby expressly declares that such power of attorney may be exercised during any subsequent legal incapacity on the part of such Indemnitor.

18. DISCLOSURE AND REGISTRATION

The Indemnitors consent to:

- (a) the service hereof at any time upon any person, firm or corporation (but nothing herein shall be construed as permitting the Surety to take enforcement proceedings contrary to subparagraph above); and
- (b) the registration hereof (or of a notice or other instrument in respect hereof) under any scheme or system of registration for any purpose.

19. ACTIONS TO ENFORCE THIS AGREEMENT

In the event of any claim or demand being made by the Surety against the Indemnitors, whether or not proceedings have been commenced against one or more of the Indemnitors, the Surety is hereby expressly authorized to:

- (i) bring separate suits on this Agreement as causes of action against any or all of the Indemnitors, and the bringing of a suit or the recovery of judgment upon any cause of action shall not prejudice nor bar the bringing of other suits upon other causes of action, whether theretofore or thereafter arising; and
- (ii) settle or compromise any claim based upon this Agreement with any one or more of the Indemnitors individually without reference to the others, and such settlement or compromise shall not affect the liability of any of the Indemnitors, and each of the Indemnitors hereby expressly waives the right to be discharged and released by reason of the release of one or more of the other Indemnitors, and consents to any settlement or composition that may hereafter be made.
- (b) Any settlement or agreement concluded with an Indemnitor following a claim against him by the Surety under this Agreement shall not create a new agreement nor extinguish the Indemnitor's obligations under this Agreement, and this Agreement shall remain in full force and effect in case of default on the part of an Indemnitor to fulfil the terms of such settlement or agreement with the Surety.

20. COSTS AND INTEREST

- (a) In the event the Surety commences proceedings to enforce the terms hereof, the Surety shall be entitled to recover (but without duplication) its solicitor and own client costs (on a full indemnity basis), judicial and extra-judicial costs and the fees and disbursements of its solicitors and counsel in connection with such proceedings.
- (b) Any and all amounts which the Surety is entitled to be paid under this Agreement shall bear interest at a rate of 10% per year, calculated monthly from the date on which demand for payment therefor is made (or deemed to have been made) to the date of payment; the Surety's claim for such interest shall not merge in any judgment against any of the Indemnitors, and any such judgment shall bear interest at such rate until payment.

21. WAIVER OF NOTICE AND OTHER RIGHTS

- (a) Each of the Indemnitors hereby waives notice of the execution of any Bond and of any act, fact or information concerning or affecting the rights or liabilities of the Surety or the rights or liabilities of the Indemnitors, including without limitation the release of any other Indemnitor, the adhesion hereto of any additional Indemnitor, and any change in the terms of any Bonding Facility.
- (b) The Indemnitors waive the benefit of division between themselves and of discussion of any principal.

22. SUBORDINATION OF INDEMNITORS

None of the Indemnitors shall enforce any rights of contribution or indemnity against any Indemnitor or its property and undertaking until such Indemnitor's obligations to the Surety under this Agreement have been satisfied in full.

23. EXCLUSION OF LIABILITY

None of the Indemnitors shall have any claim against the Surety, for indemnity or otherwise, in respect of any alleged error or omission on the part of the Surety in issuing or failing to issue any Bond.

24. DISCHARGE FROM SURETYSHIP

- (a) The Indemnitors shall, at any time upon the request of the Surety, procure the discharge of the Surety from any Bond and from all liability by reason thereof.
- (b) The Surety may, at any time, take such action as it deems necessary or proper to obtain its release from any and all liability under any Bond.

25. TERMINATION

- (a) An Indemnitor may give thirty (30) days' prior written notice of termination to the Surety by registered mail to the Surety at its head office, specifying the effective date of such termination. No such notice of termination shall be deemed to have been received by the Surety, and such thirty (30) day period shall not commence, unless and until such notice is actually delivered to the Surety and the Surety has given a written acknowledgement of such delivery. Any such notice shall not operate to modify, bar, limit, affect, impair or discharge the liability of the Indemnitor(s) so terminating or the remaining Indemnitors (if any), upon or by reason of any and all such Bonds executed:
 - (i) before the effective date of termination; or
 - (ii) executed after the effective date of termination:
 - (A) upon the award of a contract on a bid, proposal or tender with respect to which the Surety has executed a bid bond, agreement to bond (or "surety's contract") or similar undertaking prior to such date; or
 - (B) which the Surety has become obligated, prior to such date, to execute.

- 6 -

- (b) Such a notice of termination shall operate only with respect to the Indemnitor(s) giving it. This Agreement shall remain in full force and effect, with respect to the other Indemnitor(s), without obligation for the Surety to notify such other(s) of the termination by one or more of the Indemnitors.
- (c) It shall be the responsibility of the terminating party to ascertain the correct address for the time being of the head office of the Surety. Such address is always a matter of public record. The head office of the Surety is now at 70 York Street, Suite 1100, Toronto ON, M5J 1S9.

26. ADDITIONAL INDEMNITORS

Any person may, by completing, executing and delivering to the Surety an Adhesion in the form annexed to this Agreement, become bound as an Indemnitor hereunder as if such person had been an original signatory hereto.

27. DEMANDS BY SURETY

Any demand by the Surety on any of the Indemnitors may be hand delivered, telecopied, telexed or sent by registered mail to such party at the address shown above, or to such other address as such party may have notified to the Surety in writing (including any address shown in an Adhesion), and shall be conclusively deemed to have been received:

- (a) if hand delivered, telecopied or telexed:

- (b) if mailed, on the second Business Day after mailing.

28. GOVERNING LAW AND JURISDICTION

This Agreement is made under, and shall be interpreted in accordance with, the laws of the province named on the first page hereof and the laws of Canada applicable in such province; each of the Indemnitors hereby expressly submits to the non-exclusive jurisdiction of the Courts of such province.

29. SEVERABILITY

If any provision or provisions hereof are held to be void or unenforceable under the laws governing its construction or enforcement, this Agreement shall not be void or unenforceable thereby but shall continue in effect and be enforced as though such provision or provisions were omitted.

30. ENUREMENT

This Agreement is binding jointly and severally upon the Indemnitors, their heirs, executors, personal representatives, successors and assigns. This Agreement shall enure to and benefit any successor to the Surety (including without limitation any person to whom the Surety may in future transfer all or any substantial part of its business assets).

31. RIGHTS AND REMEDIES OF SURETY

The rights, powers and remedies afforded to the Surety by the terms hereof may not be waived or modified orally and no written change or modification shall be effective until signed by an authorized officer of the Surety. No agent or broker is authorized to sign any such change or modification on behalf of the Surety. All rights and remedies of the Surety under this Agreement shall be cumulative, and the exercise of or failure to exercise any right or remedy at any time shall not be an election of remedy or a waiver of any other right or remedy or of the same right or remedy as at any other time. The Surety is not required to exhaust its remedies or rights against the principal or to await receipt of any dividends from the legal representatives of the principal before asserting its rights under this Agreement against the Indemnitors, and may assert such rights against one or more of the Indemnitors without asserting them against all or other Indemnitors. The rights, powers and remedies conferred upon the Surety by this Agreement are in addition to any other rights the Surety may have or acquire against the Indemnitors or others, whether arising by the terms of any other agreement, by operation of law or otherwise.

32. CHOICE OF LANGUAGE

The parties hereto have requested that the present Agreement be drafted in the English language. Les parties aux présentes ont requis que la présente entente soit rédigée dans la langue anglaise.

33. ENTIRE AGREEMENT

EACH OF THE INDEMNITORS REPRESENTS TO THE SURETY THAT SUCH INDEMNITOR HAS CAREFULLY READ THE ENTIRE AGREEMENT AND THAT THERE ARE NO OTHER AGREEMENTS OR UNDERSTANDINGS WHICH IN ANY WAY LESSEN OR MODIFY THE OBLIGATIONS SET FORTH HEREIN.

34. CONSENT TO SURETY'S OBTAINING INFORMATION

Each of the Indemnitors:

- (a) authorizes the Surety to obtain any credit or other information concerning the affairs and operations of each of the Indemnitors (including any "personal information", as defined by the *Personal Information Protection and Electronic Documents Act* (Canada) and other applicable personal information laws) and any transaction between or among any of the Indemnitors from any banks, depositories, sureties, obligees of the Bonds, materialmen, supply houses, credit reporting agencies, brokers or other persons (collectively, "Sources");
- (b) expressly instructs all such Sources to furnish such information to the Surety (and for greater certainty, instructs any broker(s) to release to the Surety any information relating to any Bond(s) or Bonding Facility(s); and
- (c) consents to the collection, use and disclosure by the Surety of any personal information about such Indemnitor for the purposes of the entering into, administration and enforcement of this Agreement and any Bond(s).

IN WITNESS WHEREOF the Indemnitors have executed and delivered these presents as their respective deeds, each who is an individual having hereunto set his or her hand (and having, by so signing, adopted the word ("text") hereon as his or her personal seal), and each which is a partnership, joint venture, trust, corporation or unincorporated association having caused this Agreement to be duly executed by its duly authorized representative or representatives, as of the date shown on the first page hereof, which date each of the Indemnitors hereby affirms as the effective date of this Agreement, regardless of the date on which such Indemnitor in fact executed this Agreement.

- (1) remedy the default, or;
- (2) complete the Contract in accordance with its terms and conditions or;

LABOUR & MATERIAL PAYMENT BOND

(Trustee Form)

No. TCS0021331

Bond Amount \$2,201,101.00

EBERSOLE EXCAVATING INC. as Principal, hereinafter called the Principal, and TRISURA GUARANTEE INSURANCE COMPANY a corporation created and existing under the laws of CANADA and duly authorized to transact the business of Suretyship in CANADA as Surety, hereinafter called the Surety, are held and firmly bound unto REGIONAL MUNICIPALITY OF NIAGARA as Obligor, hereinafter called the Obligor, in the amount of TWO MILLION TWO HUNDRED AND ONE THOUSAND ONE HUNDRED AND ONE DOLLARS—XX/100 dollars (\$2,201,101.00) lawful money of Canada, for the payment of which sum the Principal and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

WHEREAS, the Principal has entered into a written contract with the Obligor, dated the 21ST day of NOVEMBER, in the year 2012 for:

HUMBERSTON LANDFILL SITE LANDFILL GAS COLLECTION AND CONTROL SYSTEMS

In accordance with the Contract Documents submitted, and which are by reference made part hereof and are hereinafter referred to as the Contract.

The Condition of this obligation is such that, if the Principal shall make payment to all Claimants for all labour and material used or reasonably required for use in the performance of the Contract, then this obligation shall be null and void; otherwise it shall remain in full force and effect, subject, however, to the following conditions:

1. A Claimant for the purpose of this Bond is defined as one having a direct contract with the Principal for labour, material, or both, used or reasonably required for use in the performance of the Contract, labour and material being construed to include that part of water, gas, power, light, heat, oil, gasoline, telephone service or rental equipment directly applicable to the Contract provided that a person, firm or corporation who rents equipment to the Principal to be used in the performance of the Contract under a contract which provides that all or any part of the rent is to be applied towards the purchase price thereof, shall only be a Claimant to the extent of the prevailing industrial rental value of such equipment for the period during which the equipment was used in the performance of the Contract. The prevailing industrial rental value of equipment shall be determined, insofar as it is practical to do so, by the prevailing rates in the equipment marketplace in which the work is taking place.
2. The Principal and the Surety, hereby jointly and severally agree with the Obligor, as Trustee, that every Claimant who has not been paid as provided for under the terms of its contract with the Principal, before the expiration of a period of ninety (90) days after the date on which the last of such Claimant's work or labour was done or performed or materials were furnished by such Claimant, may as a beneficiary of the trust herein provided for, sue on this Bond, prosecute the suit to final judgment for such sum or sums as may be justly due to such Claimant under the terms of its contract with the Principal and have execution thereon. Provided that the Obligor is not obliged to do or take any act, action or proceeding against the Surety on behalf of the Claimants, or any of them, to enforce the provisions of this Bond. If any act, action or proceeding is taken either in the name of the Obligor or by joining the Obligor as a party to such proceeding, then such act, action or proceeding, shall be taken on the understanding and basis that the Claimants, or any of them, who take such act, action or proceeding shall indemnify and save harmless the Obligor against all costs, charges and expenses or liabilities incurred thereon and any loss or damage resulting to the Obligor by reason thereof. Provided still further that, subject to the foregoing terms and conditions, the Claimants, or any of them may use the name of the Obligor to sue on and enforce the provisions of this Bond.
3. It is a condition precedent to the liability of the Surety under this Bond that such Claimant shall have given written notice as hereinafter set forth to each of the Principal, the Surety and the Obligor, stating with substantial accuracy the amount claimed, and that such Claimant shall have brought suit or action in accordance with this Bond, as set out in sub-clauses 3 (b) and 3 (c) below. Accordingly, no suit or action shall be commenced hereunder by any Claimant:
 - a) unless such notice shall be served by mailing the same by registered mail to the Principal, the Surety and the Obligor, at any place where an office is regularly maintained for the transaction of business by such persons or served in any manner in which legal process may be served in the Province or Territory in which the subject matter of the Contract is located. Such notice shall be given.
 - i) in respect of any claim for the amount or any portion thereof, required to be held back from the Claimant by the Principal, under either the terms of the Claimant's contract with the Principal, or under the lien Legislation applicable to the Claimant's contract with the Principal, whichever is the greater, within one hundred and twenty (120) days after such Claimant should have been paid in full under the Claimant's contract with the Principal;
 - ii) in respect of any claim other than for the holdback, or portion thereof, referred to above, within one hundred and twenty (120) days after the date upon which such Claimant did, or performed, the last of the work or labour or furnished the last of the materials for which such claim is made under the Claimant's contract with the Principal;
 - b) after the expiration of one (1) year following the date on which the Principal ceased work on the Contract, including work performed under the guarantees provided in the Contract;

- c) other than in a Court of competent jurisdiction in the Province or Territory in which the work described in the Contract is to be installed or delivered as the case may be and not elsewhere, and the parties hereto agree to submit to the jurisdiction of such Court.
4. The Surety agrees not to take advantage of Article 2365 of the Civil Code of the Province of Quebec in the event that, by an act or an omission of a Claimant, the Surety can no longer be subrogated in the rights, hypothec and privileges of said Claimant.
 5. Any material change in the contract between the Principal and the Obligor shall not prejudice the rights or interest of any Claimant under this Bond, who is not instrumental in bringing about or has not caused such change.
 6. The amount of this Bond shall be reduced by, and to the extent of any payment or payments made in good faith, and in accordance with the provisions hereof, inclusive of the payment by the Surety of claims made under the applicable lien legislation or legislation relating to legal hypothecs, whether or not such claim is presented under and against this Bond.
 7. The Surety shall not be liable for a greater sum than the Bond Amount.

IN WITNESS WHEREOF, the Principal and the Surety have Signed and Sealed this Bond dated the 22ND day of NOVEMBER, in the year 2012.

REPORT OF TRUSTEE ON PROPOSAL

**TO THE CREDITORS OF
EBERSOLE EXCAVATING INC.**

Ebersole Excavating Inc. (the "Company") filed a Notice of Intention to Make a Proposal ("NOI") under the *Bankruptcy and Insolvency Act* on the 19th day of June, 2014 with the Official Receiver, and BDO Canada Limited agreed to act as Trustee in the administration of the Proposal.

The Company filed a Proposal with the Official Receiver on the 18th day of July, 2014.

We enclose herewith the following documents:

- Formal notice of meeting of creditors;
- Copy of the Proposal;
- Condensed statement of assets and liabilities;
- Listing of creditors;
- A proof of claim form and general proxy; and
- A voting letter in the event you wish to vote in advance of the meeting.

A creditors' meeting will be held to consider the Proposal on the 8th day of August, 2014, at 10:00 a.m. at the office of BDO Canada Limited, 1 City Centre Drive, Suite 1040, Mississauga, Ontario.

In order to be eligible to vote, either at or before the meeting, the Trustee must receive before the meeting a properly executed proof of claim, together with your Statement of Account, attached thereto as Schedule "A". Also, if you intend to have an individual represent you at the upcoming meeting, you must properly complete the Proxy form attached to the Proof of Claim, and therein name the individual representing you. All companies must name a proxy. For your convenience, you may vote in advance of the meeting by returning to us the attached voting letter.

The following information is provided to assist the creditors in evaluating the Company's affairs and the Proposal. Please note that we have not audited or reviewed the Company's books and records and, as a result, we are not able to express an opinion concerning the accuracy of the information contained herein. The following information originated from the Company's books and records that were made available to us, as well as from our discussions with management.

BACKGROUND

The Company is privately owned corporation which provides site preparation services including, excavating, grading, sewer and water systems and septic systems across southern and southwestern Ontario. The Company is located in Stevensville, Ontario and was originally incorporated in February 1996.

The Company's financial difficulties are a result of:

- A large project taken on for The Regional Municipality of Niagara (the "Region") for the improvement and expansion of an existing municipal landfill site (the "Project"). Management asserts the Region groundlessly, among other things, delayed responding to requests for information, delayed approval of work performed, lengthy change orders and suspended work resulting in cash flows problems for the Company. As a result the Company was unable to pay its trades resulting in lien rights being asserted and the consequential non-payment of a large receivable from the Region; and
- Financial mismanagement by former employees and project managers resulting in large levels of debt.

The Project delay, together with the increasing costs, resulted in considerable strain on the Company's cash flows to the point where the Company finds itself unable to maintain its day-to-day operations and debt obligations. Accordingly, the Company has filed a Proposal under the *Bankruptcy and Insolvency Act* in order to settle these obligations.

SUMMARY OF PROPOSAL

Under the terms of the Proposal, the funds paid under the Proposal will be utilized as follows:

- The Administrative Fees and Expenses will be paid in priority to all creditors' claims;
- The amount owing to Canada Revenue Agency ("CRA") (not including penalties and interest) that could be subject to a demand under subsection 224(1.2) of the *Income Tax Act* or under any substantially similar provision of provincial legislation, that were outstanding at the Date of Filing, shall be paid in full within six months after the Court Approval Date;
- Secured Creditors shall be paid in accordance with the existing arrangements between the Company and those Secured Creditors, or as may be arranged between the Company and the Secured Creditors. Accordingly, Secured Creditors will not participate in the Proposal;
- The claims of Lien Claimants and Trust Creditors (as defined under the Proposal), if any, shall be addressed outside of the Proposal and shall be governed by the *Construction Lien Act* R.S.O. 1990, c.30 or, where applicable, comparable legislation in other provinces ("CLA");
- Preferred Creditors will be paid in full in priority to Ordinary Creditors. Based on available information, the Trustee is not aware of any amount owing under this category;
- Ordinary Creditors will receive, in full and final settlement of their proven claims, one of the following:
 - (i) Ordinary Creditors with proven claims less than or equal to \$1,000 shall receive payment in full within 60 days after the Court Approval Date in priority to all claims of all other Ordinary Creditors. Ordinary Creditors with proven claims exceeding \$1,000 may elect to accept \$1,000 in full satisfaction of their proven claims by completing and returning the Election Form attached to the Proposal;
 - (ii) Ordinary Creditors not electing to accept the amount offered under paragraph (i) in full satisfaction of their claim shall receive a redeemable promissory note equal to 20 percent of their proven claim. The promissory note shall be non-interest bearing and payable in five (5) equal annual installments, beginning on the twelve (12) month anniversary date of the Court Approval Date.

The promissory notes shall be distributed by the Trustee to the proven creditors. The delivery of the promissory notes by the Company to the

Trustee shall constitute performance by the Company of its obligations pursuant to the Proposal.

- All payments to creditors are subject to a levy payable to the Superintendent of Bankruptcy pursuant to section 147 of the *Bankruptcy and Insolvency Act*, calculated at 5 percent.
- Under the Proposal, all creditors would agree not to pursue any assessments or claims against the Company's directors for liabilities of the Company that arose on or before the Date of Filing where the directors can be held personally liable.

If the statutory majority of creditors and the Court approve the Proposal, the Proposal will become legally binding on the Company and all Ordinary and Preferred Creditors. If the creditors reject the Company's Proposal, the Company will be deemed to have filed an assignment in bankruptcy.

Readers are cautioned that the foregoing summary is meant only as a simplified overview. The Proposal contains terms and conditions which are not set out above. In the event of any conflict between the summary and the Proposal, the terms of the Proposal will prevail. Creditors are therefore urged to read the Proposal in its entirety and, if necessary, to consult with their professional advisors.

IDENTIFICATION AND EVALUATION OF ASSETS

The assets of the Company are subject to encumbrances of three primary secured creditors. As of the date of this report, the Trustee has not received the requisite security documents necessary for obtaining a legal opinion on the validity and enforceability of the respective security agreements. The Trustee has requested security documents from BMO and the Ebersole's. The Trustee intends to retain independent legal counsel to provide legal opinions on the validity and enforceability of the security held by BMO, the Ebersoles, and to the extent claims are filed under the surety bond, Trisura. For the purpose of this report the Trustee will assume the respective securities granted are valid and enforceable as against a trustee in bankruptcy. The Trustee will report further to the creditors at the first meeting of creditors:

- Bank of Montreal ("BMO") holds a General Security Agreement over all of the Company's assets and property. BMO enjoys a first priority position with respect to the assets and property of the Company, save and except for priority claims of statutory priority claimants, trust claimants, and potential holders of purchase money security interests. BMO is owed approximately \$450,000;
- Trisura Guarantee Insurance Company ("Trisura") holds a General Security Agreement over all of the Company's assets and property. Trisura is the bonding company which provided a surety bond as a guarantee of the Company's performance on the Project. Trisura enjoys a second priority position with respect to the assets and property of the Company with respect to any claims made under

the bond, save and except for priority claims of statutory priority claimants, trust claimants, and potential holders of purchase money security interests. The Company's indebtedness to Trisura is undetermined at this time; and

- Sandra and Darrell Ebersole (collectively the "Ebersole's") holds a General Security Agreement over all of the Company's assets and property. The Ebersole's enjoy a third priority position with respect to the assets and property of the Company, save and except for priority claims of statutory priority claimants, trust claimants, and potential holders of purchase money security interests. The Ebersole's have registered their security interest under the PPSA in the amount of \$2,538,317.

Further, in the event of a bankruptcy, Canada Revenue Agency ("CRA") would maintain a priority position for its deemed trust claim (being monies withheld from employees wages for income tax, Employment Insurance premiums and Canada Pension Plan premiums but not remitted). The proven deemed trust claim would take a priority over the validly secured claims of BMO, Trisura and the Ebersole's. The quantum of the deemed trust portion of CRA's claim is unknown.

In addition, various creditors have interests in specific assets which they have financed/leased to the Company.

Based on the above mentioned secured and priority claims, the Trustee believes that the Company's assets are fully encumbered and believes the secured creditors would suffer a shortfall in the event of a bankruptcy. Additionally, in the event of bankruptcy, employees would be entitled to a priority, over current assets (cash, accounts receivable and inventory), for employees' wages, vacation pay, termination and severance pay under the Wage Earners Protection Program ("WEPP"). The super-priority for employees' wages is for a maximum amount of \$2,000 per employee. The amount of the super-priority under WEPP is unknown at this time.

The Trustee has identified the following assets of the Company, which, as discussed above, are fully encumbered:

Machinery and equipment ("Equipment")

The reported book value of the Equipment is approximately \$453,935 as at June 19, 2014. The Equipment consists of certain work vehicles, machinery, equipment and tools. The Trustee retained Canam Appraiz ("Canam") to provide an appraisal of the Company's Equipment and Inventory. Canam opined the equipment is in poor to fair condition with obvious signs of wear. The vehicles have very high mileage and some are in such poor condition that they hold scrap value only.

Inventory

Canam opined the forced liquidation value of the Inventory to be \$15,000 - \$20,000 before related liquidation/disposition costs.

Accounts receivable

The book value of the Company's accounts receivable was approximately \$1,588,500 as at June 19, 2014, of which approximately \$1,073,500 represents a contingent damages claim against The Regional Municipality of Niagara (the "Damages Claim"). Further, management estimates certain creditors may assert trust claims under the CLA of approximately \$508,000. The Trustee reviewed the accounts receivable with senior management and estimates that accounts receivable has a realizable value of approximately \$96,000 in a bankruptcy scenario. The realizable value reflects the following:

- Certain aged receivables will be deemed uncollectible;
- In a bankruptcy scenario, a trustee in bankruptcy will not be in a position to complete projects for customers;
- Creditors will likely exercise the available remedies under the *Construction Lien Act*, including the registration of liens against projects. As a result, customers will not remit outstanding accounts receivable to the Trustee until their respective lien issues are resolved;
- The Damages Claim is currently a contingent claim and will likely require litigation to settle; and
- Customers will likely claim a right of set-off against amount owing for: i) damages resulting from the Company's failure to honour any obligations under service/support agreements; and ii) provision for potential warranty claims.

The Company is investigating retaining legal counsel, on a contingency basis, to assist with negotiating the completion of the Project - expansion and improvements to the Humberstone Landfill in the Region of Niagara. The Project is currently stalled. The trades are owed approximately \$507,910 and have begun asserting construction lien and trust claims. Further, management advises that an outstanding receivable, of approximately \$514,000 ("Niagara Receivable"), is being held contingent upon settlement with the trades. The Company's cash flow is insufficient to pay the legal fees associated with the completion of the Project. Accordingly, the Company is proposing that a percentage of the Niagara Receivable collected is paid to their legal counsel for the assistance provided in, among other things, settling with trades, negotiating with the Region of Niagara and arranging for the completion of the Project. The Company is proposing to pay the legal fees in priority to the lien/trust claimants.

The Niagara Receivable is included in the book value of the Company's accounts receivable reported above.

Work-in-progress

The book value of the Company's work-in-progress was approximately \$660,000. The Trustee estimates that work-in-progress has no realizable value in a bankruptcy scenario as any unfinished projects will not be completed.

Notes to the Schedule of Estimated Realization
As of July 18, 2014

1. ACCOUNTS RECEIVABLE

The estimated realization rates for accounts receivable are based on discussions with management regarding customer payment history as well as factors which will affect account collectibility in a bankruptcy scenario.

The Company's books and records report aged accounts receivables of approximately \$1,685,969 as at June 19, 2014. Management advises approximately \$514,000 relates to the Project and Niagara Receivable, defined below. In the event of bankruptcy, the Project will not be completed and as such the Niagara Receivable will not be collectible. Further, an additional \$1,075M has been booked as a contingent "Damages Claim" that the Company is proposing to be litigated against the Niagara Region as a result of the issues that arose during the Project. At this time the Trustee is unable to opine on the timing or success of any Damages Claim. Further, any settlement would be subject to the security interests of various secured creditors of the Company.

2. INVENTORY

	Estimated book value	Estimated realization in a bankruptcy
Inventory	\$ 1,100,000	\$ 15,000
Work in progress	660,000	
	<u>\$ 1,760,000</u>	<u>\$ 15,000</u>

The liquidation value of the inventory is based on an asset appraisal prepared at the Trustee's request by Canam-Apprais Inc. and is before related liquidation/disposition costs. Work in progress is assumed to have no realizable value in a bankruptcy scenario.

3. MACHINERY & EQUIPMENT

	Estimated book value	Estimated realization in a bankruptcy
Machinery & equipment	\$ 453,936	\$ 650,000

The liquidation value of machinery & equipment is based on discussions with management and an equipment appraisor. The liquidation value is before related liquidation/disposition costs and does not include an amounts for capital assets leased through third parties.

4. LEGAL FEES

The Company is investigating retaining legal counsel, on a contingency basis, to assist with negotiating the completion of the Humberstone Landfill contract (the "Project") in the Region of Niagara ("Niagara"). The Project is currently stalled. The trades are approximately \$507,910 in arrears and have began asserting construction lien and trust claims. Further, there is an outstanding receivable, of approximately \$514,000 ("Niagara Receivable"), which is being held contingent upon settlement with the trades. Company's cash flow is insufficient to pay the legal fees associated with the completion of the Project. Accordingly, the Company is proposing that a percentage of the Niagara Receivable collected is paid to the legal counsel retained in priority to the lien/trust claimants.

5. FUNDS AVAILABLE FOR LIEN/TRUST CLAIMANTS

Under the Proposal scenario, after professional and legal fees, it is estimated that approximately \$356,500 will be available for the Project's existing lien/trust claimant arrears identified above from the collection of the Niagara Receivable. Shortfall to the lien/trust claimants will become an unsecured claim in the Proposal administration and they may participate in any dividend distribution available to the ordinary creditors. It is estimated lien/trade claimants will recover 76%-100% under the Proposal.

Under the Bankruptcy scenario, management advises the Project will not be completed and the Niagara Receivable will not be collectible. Accordingly, there will be no funds available from the Company for payment towards the lien/trust claims.

If the Proposal is rejected, the Company will automatically be deemed bankrupt. The assets are listed on the Company's Statement of Affairs are fully encumbered, and the Trustee estimates the secured creditors would suffer a shortfall in the event of bankruptcy. The anticipated recovery for the bankrupt estate would be NIL. Thus, there is no reasonable expectation of a distribution to any Ordinary Creditors.

The Proposal provides an estimated recovery between 20 - 100 percent for Ordinary Creditors.

Based on all of the information that has come to the Trustee's attention to date, the Trustee recommends that Ordinary Creditors accept the Company's Proposal as it provides for a greater recovery than what could be reasonably expected in a bankruptcy scenario.

We trust that the foregoing adequately explains the current and ongoing circumstances of the Company. If any questions or concerns arise, please contact Nathan Wong at (905) 615-8787 ext. 6213.

Dated at Mississauga, Ontario this 23rd day of July, 2014.

2. GENERAL INTENT

The purpose of this Proposal is to affect a restructuring of the business and affairs of the Company in the expectation that all creditors will derive a greater benefit than would result from a forced liquidation of its assets.

This Proposal restructures the affairs of the Company and amends the terms of any and all agreements between the Company and the creditors existing as at the Date of Filing and provides the essential terms upon which all such claims will be fully

and finally resolved and settled. During the term of the Proposal, and provided that an event of default has not occurred and is continuing hereunder, all creditors will be stayed from commencing or continuing any proceeding or remedy against the Company or any of its property or assets in respect of a claim including without limitation, any proceeding or remedy to recover payment of any monies owing to creditors, to recover or enforce any judgment against the Company in respect of a claim or to commence any formal proceedings against it other than as provided for under this Proposal or the Act.

This Proposal, as of the Court Approval Date, shall be binding on the Company and all creditors.

3. PROTECTION OF TRUST FUNDS

The Company shall, from the Date of Filing onward, maintain a separate trust account for the Project and administer the trust account in accordance with the provisions of the CLA. Trust Creditors will be entitled to share in the distribution of the Trust Fund. Trust Creditors will be governed by the CLA.

4. CANADA REVENUE AGENCY

All amounts owing to Canada Revenue Agency that could be subject to a demand under subsection 224(1.2) of the *Income Tax Act* or under any substantially similar provision of provincial legislation, that were outstanding at the Date of Filing, shall be paid in full within six months after the Court Approval Date.

5. SECURED CREDITORS, LIEN CLAIMANTS, AND TRUST CREDITORS

The claim of Secured Creditors shall, subject to the provisions of the Act, be paid in accordance with the arrangements between the Company and holder of such claims which were in effect on the Date of Filing or such other terms as may be mutually agreed between them following the Date of Filing.

The claims of the Lien Claimants and Trust Creditors, if any, will be governed by the CLA.

6. PREFERRED CREDITORS

The claims of Preferred Creditors, if any, shall be paid in full, without interest, in priority to the claims of Ordinary Creditors in accordance with the Act.

7. ORDINARY CREDITORS

The claims of Ordinary Creditors shall be paid as follows:

- (i) Ordinary Creditors with proven claims less than or equal to \$1,000 shall receive payment in full within 60 days after the Court Approval Date in priority to all claims of all other Ordinary Creditors. Ordinary Creditors with proven claims exceeding \$1,000 have the option to accept \$1,000 in full satisfaction of their proven claims;

- (ii) Ordinary Creditors not electing to accept the amount offered under paragraph 6(i) in full satisfaction of their claim shall receive a redeemable promissory note equal to 20 percent of their proven claim. The promissory note shall be non-interest bearing and payable in five (5) equal annual installments, beginning on the twelve (12) month anniversary date of the Court Approval Date. Promissory notes shall be issued in the form attached as Appendix "I".

The promissory notes shall be distributed by the Trustee to the proven creditors. The delivery of the promissory notes by the Company to the Trustee shall constitute performance by the Company of its obligations pursuant to the Proposal.

8. TRUST CREDITORS

Trust Creditors will be entitled to share in the distribution of the Trust Fund. Such funds shall be divided pro rata amongst all Trust Creditors. Any shortfall in Trust Creditors claims are considered an Ordinary Claim which shall be addressed under paragraph 6 of this Proposal.

9. CLAIMS AGAINST DIRECTORS OF THE COMPANY

The creditors hereby agree not to pursue any assessments against the Company's directors for claims against directors of the Company that arose prior to the Date of Filing and that relate to the obligations of the Company where the directors are by law liable in their capacity as directors as for the payment of such obligation.

A Trust Creditor that elects to receive a pro rata share of the Trust Fund shall also release the Company and every director, officer, employee or agent of the Company, and any other person, from any claims for breach of trust, or otherwise, under the CLA.

10. PAYMENTS UNDER THE PROPOSAL

The Backer shall pay the following amounts to the Trustee:

- (i) An amount equal to the Administrative Fees and Expenses as allowed under paragraph 14 of this Proposal. Such amount shall be paid to the Trustee upon the filing of this Proposal, or as requested by the Trustee from time to time;
- (ii) An amount equal to Canada Revenue Agency's claim under paragraph 4 of this Proposal. Such amount shall be paid to the Trustee in six equal monthly payments, commencing on the first day of the month following the Court Approval Date; and
- (iii) An amount equal to the dividends required under paragraphs 6 and 7(i) of this Proposal. Such amounts shall be paid to the Trustee pursuant to the terms of the Proposal.

11. TIME LIMIT FOR FILING CLAIMS

As soon as reasonably possible after the acceptance of this Proposal by the requisite majority of creditors, the Trustee shall give notice pursuant to Section 149(1) of the Act to every person with a claim of which the Trustee has notice or knowledge but whose claim has not been proved that if such person does not prove its claim within a period of thirty (30) days after the mailing of the notice, the Trustee will proceed to declare a final dividend without regard to such person's claim; the dividend referred to in said notice shall be deemed a final dividend and any person so notified who does not prove its claim within the said thirty (30) days shall be barred from making a claim in this Proposal or sharing in any dividend hereunder, subject to any exceptions set out in Sections 149(2), (3) and (4) of the Act.

12. DISTRIBUTIONS UNDER THE PROPOSAL

All distributions under the Proposal, whether by cash or promissory note, shall be issued by the Trustee and notwithstanding any other provisions therefore, any distributions made by the Trustee in respect of any claims pursuant to the terms hereof shall be made net of the Superintendent's Levy required to be made, pursuant to Section 147 and 60(4) of the Act.

The Company shall issue promissory notes to the creditors, as described under paragraph 7(ii) of this Proposal. All promissory notes shall be issued within 90 days after the Court Approval Date, subject to necessary regulatory and shareholder approvals.

Distributions to creditors will be made in the following order of priority:

- (i) Firstly, to Canada Revenue Agency for the amount of their proven claim under paragraph 4 of this Proposal;
- (ii) Secondly, to Preferred Creditors for the amount of their proven claims under paragraph 6 of this Proposal; and
- (iii) Thirdly, to Ordinary Creditors for their proven claims under paragraph 7(i) of this Proposal on a pro rata basis in proportion to their respective claims.

13. INSPECTORS

The creditors may appoint one or more, but not more than five, inspectors under this proposal whose powers shall be restricted to advising the Trustee in matters that may be referred to them by the Trustee.

14. ADMINISTRATIVE FEES AND EXPENSES

All the fees, expenses and disbursements of the Trustee in and incidental to the proceedings arising out of the Proposal, including the Trustee's legal fees and disbursements, shall be paid in priority to all claims and shall be a first charge thereon.

The Trustee may take interim draws from funds paid to it by the Company and/or Backer for its administrative fees and expenses as necessary, based on actual time and charges at normal billing rates plus applicable taxes. All draws are subject to final taxation by the Court.

Amounts stated with respect to professional fees in this Proposal or any documents relating to it including the reports of the Trustee and the Statement of Estimated Realization, are estimates only, and will not restrict the Trustee or the Trustee's legal counsel from invoicing, taxing, and being paid all of their reasonable fees and charges based upon actual time at normal billable rates.

15. BDO CANADA LIMITED

BDO Canada Limited shall be the Trustee under this Proposal and upon issuance of all payments and promissory notes provided for in this Proposal, the Trustee shall be entitled to be discharged from its obligations under the terms of this Proposal. The Trustee is acting in its capacity as Trustee under this Proposal and not in its personal capacity and shall not be responsible or liable for any obligations of the Company or Backer.

2. GENERAL INTENT

The purpose of this Proposal is to affect a restructuring of the business and affairs of the Company in the expectation that all creditors will derive a greater benefit than would result from a forced liquidation of its assets.

This Proposal restructures the affairs of the Company and amends the terms of any and all agreements between the Company and the creditors existing as at the Date of Filing and provides the essential terms upon which all such claims will be fully

and finally resolved and settled. During the term of the Proposal, and provided that an event of default has not occurred and is continuing hereunder, all creditors will be stayed from commencing or continuing any proceeding or remedy against the Company or any of its property or assets in respect of a claim including without limitation, any proceeding or remedy to recover payment of any monies owing to creditors, to recover or enforce any judgment against the Company in respect of a claim or to commence any formal proceedings against it other than as provided for under this Proposal or the Act.

This Proposal, as of the Court Approval Date, shall be binding on the Company and all creditors.

3. PROTECTION OF TRUST FUNDS

The Company shall, from the Date of Filing onward, maintain a separate trust account for the Project and administer the trust account in accordance with the provisions of the CLA. Trust Creditors will be entitled to share in the distribution of the Trust Fund. Trust Creditors will be governed by the CLA.

4. CANADA REVENUE AGENCY

All amounts owing to Canada Revenue Agency that could be subject to a demand under subsection 224(1.2) of the *Income Tax Act* or under any substantially similar provision of provincial legislation, that were outstanding at the Date of Filing, shall be paid in full within six months after the Court Approval Date.

5. SECURED CREDITORS, LIEN CLAIMANTS, AND TRUST CREDITORS

The claim of Secured Creditors shall, subject to the provisions of the Act, be paid in accordance with the arrangements between the Company and holder of such claims which were in effect on the Date of Filing or such other terms as may be mutually agreed between them following the Date of Filing.

The claims of the Lien Claimants and Trust Creditors, if any, will be governed by the CLA.

6. PREFERRED CREDITORS

The claims of Preferred Creditors, if any, shall be paid in full, without interest, in priority to the claims of Ordinary Creditors in accordance with the Act.

7. ORDINARY CREDITORS

The claims of Ordinary Creditors shall be paid as follows:

- (i) Ordinary Creditors with proven claims less than or equal to \$1,000 shall receive payment in full within 60 days after the Court Approval Date in priority to all claims of all other Ordinary Creditors. Ordinary Creditors with proven claims exceeding \$1,000 have the option to accept \$1,000 in full satisfaction of their proven claims;

- (ii) Ordinary Creditors not electing to accept the amount offered under paragraph 6(i) in full satisfaction of their claim shall receive a redeemable promissory note equal to 20 percent of their proven claim. The promissory note shall be non-interest bearing and payable in five (5) equal annual installments, beginning on the twelve (12) month anniversary date of the Court Approval Date. Promissory notes shall be issued in the form attached as Appendix "I".

The promissory notes shall be distributed by the Trustee to the proven creditors. The delivery of the promissory notes by the Company to the Trustee shall constitute performance by the Company of its obligations pursuant to the Proposal.

8. TRUST CREDITORS

Trust Creditors will be entitled to share in the distribution of the Trust Fund. Such funds shall be divided pro rata amongst all Trust Creditors. Any shortfall in Trust Creditors claims are considered an Ordinary Claim which shall be addressed under paragraph 6 of this Proposal.

9. CLAIMS AGAINST DIRECTORS OF THE COMPANY

The creditors hereby agree not to pursue any assessments against the Company's directors for claims against directors of the Company that arose prior to the Date of Filing and that relate to the obligations of the Company where the directors are by law liable in their capacity as directors as for the payment of such obligation.

A Trust Creditor that elects to receive a pro rata share of the Trust Fund shall also release the Company and every director, officer, employee or agent of the Company, and any other person, from any claims for breach of trust, or otherwise, under the CLA.

10. PAYMENTS UNDER THE PROPOSAL

The Backer shall pay the following amounts to the Trustee:

- (i) An amount equal to the Administrative Fees and Expenses as allowed under paragraph 14 of this Proposal. Such amount shall be paid to the Trustee upon the filing of this Proposal, or as requested by the Trustee from time to time;
- (ii) An amount equal to Canada Revenue Agency's claim under paragraph 4 of this Proposal. Such amount shall be paid to the Trustee in six equal monthly payments, commencing on the first day of the month following the Court Approval Date; and

11. TIME LIMIT FOR FILING CLAIMS

As soon as reasonably possible after the acceptance of this Proposal by the requisite majority of creditors, the Trustee shall give notice pursuant to Section 149(1) of the Act to every person with a claim of which the Trustee has notice or knowledge but whose claim has not been proved that if such person does not prove its claim within a period of thirty (30) days after the mailing of the notice, the Trustee will proceed to declare a final dividend without regard to such person's claim; the dividend referred to in said notice shall be deemed a final dividend and any person so notified who does not prove its claim within the said thirty (30) days shall be barred from making a claim in this Proposal or sharing in any dividend hereunder, subject to any exceptions set out in Sections 149(2), (3) and (4) of the Act.

12. DISTRIBUTIONS UNDER THE PROPOSAL

All distributions under the Proposal, whether by cash or promissory note, shall be issued by the Trustee and notwithstanding any other provisions therefore, any distributions made by the Trustee in respect of any claims pursuant to the terms hereof shall be made net of the Superintendent's Levy required to be made, pursuant to Section 147 and 60(4) of the Act.

The Company shall issue promissory notes to the creditors, as described under paragraph 7(ii) of this Proposal. All promissory notes shall be issued within 90 days after the Court Approval Date, subject to necessary regulatory and shareholder approvals.

Distributions to creditors will be made in the following order of priority:

- (i) Firstly, to Canada Revenue Agency for the amount of their proven claim under paragraph 4 of this Proposal;
- (ii) Secondly, to Preferred Creditors for the amount of their proven claims under paragraph 6 of this Proposal; and
- (iii) Thirdly, to Ordinary Creditors for their proven claims under paragraph 7(i) of this Proposal on a pro rata basis in proportion to their respective claims.

13. INSPECTORS

The creditors may appoint one or more, but not more than five, inspectors under this proposal whose powers shall be restricted to advising the Trustee in matters that may be referred to them by the Trustee.

14. ADMINISTRATIVE FEES AND EXPENSES

All the fees, expenses and disbursements of the Trustee in and incidental to the proceedings arising out of the Proposal, including the Trustee's legal fees and disbursements, shall be paid in priority to all claims and shall be a first charge thereon.

The Trustee may take interim draws from funds paid to it by the Company and/or Backer for its administrative fees and expenses as necessary, based on actual time and charges at normal billing rates plus applicable taxes. All draws are subject to final taxation by the Court.

Amounts stated with respect to professional fees in this Proposal or any documents relating to it including the reports of the Trustee and the Statement of Estimated Realization, are estimates only, and will not restrict the Trustee or the Trustee's legal counsel from invoicing, taxing, and being paid all of their reasonable fees and charges based upon actual time at normal billable rates.

15. BDO CANADA LIMITED

BDO Canada Limited shall be the Trustee under this Proposal and upon issuance of all payments and promissory notes provided for in this Proposal, the Trustee shall be entitled to be discharged from its obligations under the terms of this Proposal. The Trustee is acting in its capacity as Trustee under this Proposal and not in its personal capacity and shall not be responsible or liable for any obligations of the Company or Backer.

RE: Principal: Ebersole Excavating Inc. ("Ebersole")
 Obligor: Regional Municipality of Niagara ("Niagara")
 Project: Humberston Landfill Site, Landfill Gas Collection and Control Systems
 (the "Project")
 Bond No.: TCS0021331 (the "Bond")

To Whom It May Concern,

As you are likely aware, Ebersole has filed Notice of Intention to File a Proposal pursuant to the *Bankruptcy and Insolvency Act*. Trisura has received several notices of claim from payment bond claimants with respect to the Project and expects to receive a claim from Niagara pursuant to the performance bond for the Project.

Please be advised that pursuant to an Indemnity Agreement dated March 4, 2008, you as indemnitors (the "Indemnitors") agreed, amongst other things, to:

"indemnify and keep indemnified the Surety, against any and all losses, charges, expenses, costs, claims, demands and liabilities (hereinafter called "Indemnity Losses") of whatsoever kind of nature (including, but not limited to, the fees and disbursements of adjusters, consultants and counsel and the establishment or increase of a reserve to cover any possible Indemnity Loss)

which the Surety may sustain or incur: (a) by reason of having executed or procured the execution of any Bond(s) (or an allegations that the Surety should have done so); or (b) by reason of the failure of the Indemnitors to perform or comply with this Agreement or any Bonding Facility; or (c) in enforcing any of the covenants and conditions hereof."

Based on amounts we have incurred to date and on the reserves we have established based on our best estimate of potential losses at this time, Trisura has incurred Indemnity Losses and set reserves totaling \$403,000. Trisura therefore requests that you immediately, and no later than July 13, 2014, deposit with Trisura cash or collateral in the amount of \$403,000, in accordance with the terms and conditions of the Indemnity Agreement. If Trisura incurs Indemnity Losses of greater than \$403,000 it will be making a further request.

Please note that Trisura will be looking to the Indemnitors for full reimbursement of any and all Indemnity Losses that it incurs. Trisura reserves all of its rights and entitlements pursuant to the Bond, the Indemnity Agreement, at law and in equity.

Yours truly,

**Re: The Indebtedness of Ebersole Excavating Inc. ("Ebersole") to Trisura
Guarantee Insurance Company ("Trisura")**

We are the lawyers for Trisura.

We refer to certain performance and labour and material bonds (collectively, the "**Bonds**") issued by Trisura whereby the principals under the Bonds are Ebersole and D & S Railway Construction Inc. ("**D&S**"). Pursuant to an Indemnity Agreement dated March 4, 2008 (the "**Indemnity Agreement**") in favour of Trisura by Ebersole, D&S, Darrell Ebersole and Sandra Ebersole (collectively, the "**Indemnitors**"), the Indemnitors have agreed to indemnify Trisura against any and all losses, charges, expenses, costs, claims, demands and liabilities of whatsoever kind or nature which Trisura may sustain or incur by reason of, *inter alia*, having executed or procured the execution of the Bonds. Further, as security for the payment and performance of the obligations under the Indemnity Agreement, Ebersole granted a security interest in its assets to Trisura.

Events of default have occurred under the Indemnity Agreement, including but not limited to the following:

- (a) Pursuant to section 15(d)(i) of the Indemnity Agreement, numerous covenants and agreements contained within the Indemnity Agreement have been breached;
- (b) Pursuant to section 15(d)(ii) of the Indemnity Agreement, the principals are unable to perform various Bonded Contracts (as such term is defined in the Indemnity Agreement) and various liabilities under the Bonds;
- (c) Pursuant to section 15(d)(iii) of the Indemnity Agreement, the principals have failed or are unable to pay bills and other indebtedness incurred in, or in connection with, the performance of various Bonded Contracts and Unbonded Contracts (as such terms are defined in the Indemnity Agreement); and
- (d) Pursuant to section 15(d)(vii) of the Indemnity Agreement, circumstances which have arisen which, in the sole opinion of Trisura, may expose Trisura to loss, cost or expense, including but not limited to the filing of a writ of execution against D&S by Koppers Inc., as creditor, effective October 1, 2014.

Trisura previously demanded payment from the Indemnitors on June 30, 2014, which demand the Indemnitors have failed to respond to. According to Trisura's records, as of November 19, 2014, Ebersole is or will be indebted to Trisura in the approximate amount of \$1,800,000, on account of the claim against the Performance Bond made by the Regional Municipality of Niagara and on account of claims made against the Payment Bond made by various parties, plus all additional losses, interest, fees, taxes, costs and expenses to which Trisura is entitled under the Indemnity Agreement with Ebersole (the "**Indebtedness**"). Pursuant to section 15(b) of the Indemnity Agreement, the Indebtedness is secured by certain security in favour of Trisura.

Trisura hereby demands the immediate payment by Ebersole of the Indebtedness in full. Payment of the Indebtedness is to be made to Trisura forthwith. If payment is not made forthwith, Trisura intends to take such steps as are necessary or appropriate to obtain payment thereof, including, without limitation, the enforcement of the security held by Trisura. In this regard, we enclose herewith a Notice of Intention to Enforce Security pursuant to section 244(1) of the *Bankruptcy and Insolvency Act*.

Events of default have occurred under the Indemnity Agreement, including but not limited to the following:

- (a) Pursuant to section 15(d)(i) of the Indemnity Agreement, numerous covenants and agreements contained within the Indemnity Agreement have been breached;
- (b) Pursuant to section 15(d)(ii) of the Indemnity Agreement, the principals are unable to perform various Bonded Contracts (as such term is defined in the Indemnity Agreement) and various liabilities under the Bonds;
- (c) Pursuant to section 15(d)(iii) of the Indemnity Agreement, the principals have failed or are unable to pay bills and other indebtedness incurred in, or in connection with, the performance of various Bonded Contracts and Unbonded Contracts (as such terms are defined in the Indemnity Agreement); and
- (d) Pursuant to section 15(d)(vii) of the Indemnity Agreement, circumstances which have arisen which, in the sole opinion of Trisura, may expose Trisura to loss, cost or expense, including but not limited to the filing of a writ of execution against D&S by Koppers Inc., as creditor, effective October 1, 2014.

Trisura previously demanded payment from the Indemnitors on June 30, 2014, which demand the Indemnitors have failed to respond to. According to Trisura's records, as of November 19, 2014, Mr. Ebersole is or will be indebted to Trisura in the approximate amount of \$1,800,000, on account of the claim against the Performance Bond made by the Regional Municipality of Niagara and on account of claims made against the Payment Bond made by various parties, plus all additional losses, interest, fees, taxes, costs and expenses to which Trisura is entitled under the Indemnity Agreement with Mr. Ebersole (the "**Indebtedness**"). Pursuant to section 15(b) of the Indemnity Agreement, the Indebtedness is secured by certain security in favour of Trisura.

Trisura hereby demands the immediate payment by Mr. Ebersole of the Indebtedness in full. Payment of the Indebtedness is to be made to Trisura forthwith. If payment is not made forthwith, Trisura intends to take such steps as are necessary or appropriate to obtain payment thereof, including, without limitation, the enforcement of the security held by Trisura. In this regard, we enclose herewith a Notice of Intention to Enforce Security pursuant to section 244(1) of the *Bankruptcy and Insolvency Act*.

**Re: The Indebtedness of Sandra Ebersole ("Ms. Ebersole") to Trisura
Guarantee Insurance Company ("Trisura")**

We are the lawyers for Trisura.

We refer to certain performance and labour and material bonds (collectively, the "**Bonds**") issued by Trisura whereby the principals under the Bonds are Ebersole Excavating Inc. ("**Ebersole**") and D & S Railway Construction Inc. ("**D&S**"). Pursuant to an Indemnity Agreement dated March 4, 2008 (the "**Indemnity Agreement**") in favour of Trisura by Ebersole, D&S, Darrell Ebersole and Ms. Ebersole (collectively, the "**Indemnitors**"), the Indemnitors have agreed to indemnify Trisura against any and all losses, charges, expenses, costs, claims, demands and liabilities of whatsoever kind or nature which Trisura may sustain or incur by reason of, *inter alia*, having executed or procured the execution of the Bonds. Further, as security for the payment and performance of the obligations under the Indemnity Agreement, Ms. Ebersole granted a security interest in her assets to Trisura.

Events of default have occurred under the Indemnity Agreement, including but not limited to the following:

- (a) Pursuant to section 15(d)(i) of the Indemnity Agreement, numerous covenants and agreements contained within the Indemnity Agreement have been breached;
- (b) Pursuant to section 15(d)(ii) of the Indemnity Agreement, the principals are unable to perform various Bonded Contracts (as such term is defined in the Indemnity Agreement) and various liabilities under the Bonds;
- (c) Pursuant to section 15(d)(iii) of the Indemnity Agreement, the principals have failed or are unable to pay bills and other indebtedness incurred in, or in connection with, the performance of various Bonded Contracts and Unbonded Contracts (as such terms are defined in the Indemnity Agreement); and
- (d) Pursuant to section 15(d)(vii) of the Indemnity Agreement, circumstances which have arisen which, in the sole opinion of Trisura, may expose Trisura to loss, cost or expense, including but not limited to the filing of a writ of execution against D&S by Koppers Inc., as creditor, effective October 1, 2014.

Trisura previously demanded payment from the Indemnitors on June 30, 2014, which demand the Indemnitors have failed to respond to. According to Trisura's records, as of November 19, 2014, Ms. Ebersole is or will be indebted to Trisura in the approximate amount of \$1,800,000, on account of the claim against the Performance Bond made by the Regional Municipality of Niagara and on account of claims made against the Payment Bond made by various parties, plus all additional losses, interest, fees, taxes, costs and expenses to which Trisura is entitled under the Indemnity Agreement with Ms. Ebersole (the "**Indebtedness**"). Pursuant to section 15(b) of the Indemnity Agreement, the Indebtedness is secured by certain security in favour of Trisura.

Trisura hereby demands the immediate payment by Ms. Ebersole of the Indebtedness in full. Payment of the Indebtedness is to be made to Trisura forthwith. If payment is not made forthwith, Trisura intends to take such steps as are necessary or appropriate to obtain payment thereof, including, without limitation, the enforcement of the security held by Trisura. In this regard, we enclose herewith a Notice of Intention to Enforce Security pursuant to section 244(1) of the *Bankruptcy and Insolvency Act*.

Dear Sirs:

Re: Ebersole Excavating Inc. and D&S Railway Construction Inc.

We are the lawyers for Trisura Guarantee Insurance Company ("Trisura").

Trisura has issued certain performance and labour and material bonds (collectively, the "Bonds") whereby the principal under the Bonds is Ebersole Excavating Inc. ("Ebersole Excavating") and D&S Railway Construction Railway Inc. ("D&S"). Pursuant to an Indemnity Agreement dated March 4, 2008 each of Ebersole Excavating, D&S, Darrell Ebersole and Sandra Ebersole agreed to indemnify Trisura against any and all losses, charges, expenses, costs, claims and demands and liabilities (hereinafter called the "Indemnity Losses") of whatsoever nature or kind which Trisura may sustain or incur by reason of, *inter alia*, having executed or procured the execution of the Bonds.

As security for the obligations of the Indemnitors under the Indemnity Agreement, each of the Indemnitors granted a security interest to Trisura in certain property, including but not limited to, its equipment, machinery, plant, tools, supplies, inventory and materials. Accordingly, Trisura is a secured creditor of each of the Indemnitors. Trisura has made registrations against each of the Indemnitors pursuant to the provisions of the *Personal Property Security Act* (Ontario) ("PPSA").

In the summer of 2014, Trisura was advised by John MacDonald of JMA Accounting Professional Corporation, who has been acting as an advisor to one or more of the Indemnitors, that Ebersole Excavating and/or D&S were considering a possible sale of certain assets. However, at no time was Trisura ever advised that Ebersole Excavating and/or D&S had in fact concluded a transaction for the sale of certain assets to a third party. However, in the afternoon of November 12, 2014, Trisura learned that certain of the assets of Ebersole Excavating and D&S were sold to Maynards and that part of the proceeds of the sale were used to retire the obligations owing by each of Ebersole Excavating and D&S to Bank of Montreal. Needless to say this information came as a complete surprise to Trisura.

As a secured creditor of each of Ebersole Excavating and D&S, the security interest held by Trisura in the property of each of Ebersole Excavating and D&S (as provided for in the Indemnity Agreement) continues to attach to the property acquired by Maynards and a sale of such property by either Ebersole Excavating and/or D&S does not discharge Trisura's security pursuant to the provisions of the PPSA.

In addition, Ebersole Excavating filed a Notice of Intention to Make a Proposal ("NOI") pursuant to the provisions of the *Bankruptcy and Insolvency Act* (the "BIA") on June 19, 2014 and BDO Canada Limited was appointed as the proposal trustee under the NOI. Trisura understands that the proposal has now been accepted by the creditors and has been approved by the Court. Section 65.13 of the BIA provides that an insolvent person that has filed an NOI or a proposal under the BIA may not sell or otherwise dispose of assets outside of the ordinary course of business unless authorized to do so by the Court. I can only surmise that any sale of assets that was concluded with Maynards was done without compliance with the provisions of the BIA. Also, any sale of tangible personal property in Ontario must comply with the provisions of the *Bulk Sales Act* (the "BSA").

At this time, I am writing to advise you of the concerns of Trisura in light of this information that was recently discovered. As a secured creditor of the various Indemnitors, Trisura is entitled to a copy of the Asset Purchase Agreement (or any other relevant documentation pertaining to a transaction whereby Maynards acquired assets from any of the Indemnitors). In connection therewith, section 7 of the BSA provides that a creditor may demand particulars of a sale in bulk. Accordingly, I am requesting that you immediately provide the undersigned with particulars of the sale of assets that we understand has occurred to Maynards, as well as any documentation arising from same. We request that this information be provided to the undersigned by no later than the close of business on November 17, 2014.

As noted above, Trisura has had various discussions with Mr. MacDonald from time to time with respect to Ebersole Excavating and D&S. In fact, representatives from Trisura had a conference call with Mr. MacDonald as recently as the morning of November 13, 2014. Trisura has attempted to obtain information from Mr. MacDonald about Ebersole Excavating and D&S and he has been less than forthcoming about the status of matters. At no time prior to the conference call between representatives of Trisura and Mr. MacDonald of November 13, 2014 did Mr. MacDonald disclose to Trisura that a transaction with Maynards was being pursued, that the transaction with Maynards had in fact closed and that there was an auction scheduled for the assets that Maynards has purported to acquire. Mr. MacDonald did advise Trisura on the November 13, 2014 conference call that an auction was going to take place. Trisura has now

independently confirmed that Maynards has a public auction scheduled for December 4, 2014 in respect of the sale of the equipment of Ebersole Excavating and D&S. I am therefore addressing this letter to Mr. MacDonald's attention as well and I would request that he provide the undersigned with the information and documentation I have requested herein from Maynards (which includes particulars of the sale to Maynards and a copy of the Asset Purchase Agreement or any other definitive documents that pertain to the transaction) by the close of business on November 17, 2014.

In addition, I am also requesting that Mr. MacDonald provide the undersigned with the following:

- 1) confirmation that beyond the sale of assets to Maynards, that there have been no other sale(s), dispositions or transfers of the Indemnitors property;
- 2) a detailed listing of all of the assets of the Indemnitors that was not purchased by Maynards;
- 3) an accounting of the use of the funds received from the Maynards transaction, as well as information on the surplus remaining and who is holding the surplus funds at this time; and
- 4) details with respect to any payments made by Ebersole Excavating and/or D&S (which is referred as the "Backer" in the Proposal filed by Ebersole Excavating dated July 18, 2014).

Trisura is currently reviewing this matter in light of the information that was only discovered in the afternoon of November 12, 2014. Accordingly, Trisura reserves the right to seek such urgent relief from the Court as it deems necessary or appropriate in the circumstances in order to protect the interests of Trisura.

I look forward to hearing from each of you by the close of business on November 17, 2014.

Yours very truly,

Roger Jaipargas

Hello Peter,

As you know, we are the lawyers for Trisura Guarantee Insurance Company ("Trisura").

Attached herewith is a letter dated November 14, 2014 that was delivered to each of Maynards and John MacDonald (the "BLG Letter"). As you will see from the BLG Letter, Trisura recently learned of a transaction whereby Ebersole Excavating Inc. ("Ebersole Excavating") and/or D&S Railway Construction Inc. ("D&S") sold certain of its assets and property to Maynards. Peter, as you may recall I had discussions with you on each of November 11 and 12, 2014 in order to obtain background and information on the Ebersole Excavating proposal proceedings wherein BDO Canada Limited ("BDO") is acting as proposal trustee as I only got involved in this matter this week. At that time, I understood from our discussions that it was your understanding that the obligations owing to Bank of Montreal ("BMO") were still outstanding. During both of our discussions of November 11 and 12, 2014, there was no mention of any sale of assets by Ebersole to Maynards. I presume that BDO was not aware of the sale of assets? Please confirm that BDO had no knowledge of the transaction with Maynards, nor was BDO aware of the repayment of the obligations of Ebersole Excavating and D&S to BMO when we spoke on November 11 and 12, 2014. I presume that if you were aware of either of these facts that you would have advised me of same.

I understand from our conference call of November 11, 2014 that Ebersole Excavating is no longer an operating business and it no longer has any employees. I further understand that the proposal that has been put forward to the creditors of Ebersole Excavating has been approved by the creditors and that on October 21, 2014 BDO obtained an order approving the proposal from Registrar Wiebe. You were kind enough to provide me with the copy of the order of Master Wiebe by way of an email dated November 12, 2014.

I find it curious that Ebersole Excavating is continuing with the proposal when the company is no longer operating. I would ask you to please provide me with a copy of any evidence that was filed with the Court in support of the order approving the proposal. I would also ask that you advise me as to what if any disclosure was made to either the creditor's or the Court in advance of the approval of the proposal as to the fact that the company would no longer be operating on a go forward basis. Also, can you please advise me of what, if any, information was specifically drawn to the attention of the creditors and/or the Court in connection with the release of claims against the Directors (and others) of the company pursuant to paragraph 9 of the proposal dated July 18, 2014, especially the provision that calls for the release of claims against Directors', Officer's, employees, agents of Ebersole Excavating in respect of claims for breach of trust.

Over the last few days Trisura has been gathering information as to what has transpired in the last few months with Ebersole Excavating. There are many concerns that our client has with what has transpired to date and it strikes us that there are many questions which remain unanswered, not the least of which is whether it is appropriate for this proposal to be implemented, having regard to the events to date and the current state of affairs of the company.

May I please hear from you on the matters set out herein by the close of business on November 17, 2014. I look forward to hearing from you. Many thanks.

Regards,

Roger

Attention: John MacDonald

Dear Sirs:

Re: Ebersole Excavating Inc. and D&S Railway Construction Inc.

We are the lawyers for Trisura Guarantee Insurance Company ("Trisura").

Trisura has issued certain performance and labour and material bonds (collectively, the "Bonds") whereby the principal under the Bonds is Ebersole Excavating Inc. ("Ebersole Excavating") and D&S Railway Construction Railway Inc. ("D&S"). Pursuant to an Indemnity Agreement dated March 4, 2008 each of Ebersole Excavating, D&S, Darrell Ebersole and Sandra Ebersole agreed to indemnify Trisura against any and all losses, charges, expenses, costs, claims and demands and liabilities (hereinafter called the "Indemnity Losses") of whatsoever nature or kind which Trisura may sustain or incur by reason of, *inter alia*, having executed or procured the execution of the Bonds.

As security for the obligations of the Indemnitors under the Indemnity Agreement, each of the Indemnitors granted a security interest to Trisura in certain property, including but not limited to, its equipment, machinery, plant, tools, supplies, inventory and materials. Accordingly, Trisura is a secured creditor of each of the Indemnitors. Trisura has made registrations against each of the Indemnitors pursuant to the provisions of the *Personal Property Security Act* (Ontario) ("PPSA").

In the summer of 2014, Trisura was advised by John MacDonald of JMA Accounting Professional Corporation, who has been acting as an advisor to one or more of the Indemnitors, that Ebersole Excavating and/or D&S were considering a possible sale of certain assets. However, at no time was Trisura ever advised that Ebersole Excavating and/or D&S had in fact concluded a transaction for the sale of certain assets to a third party. However, in the afternoon of November 12, 2014, Trisura learned that certain of the assets of Ebersole Excavating and D&S were sold to Maynards and that part of the proceeds of the sale were used to retire the obligations owing by each of Ebersole Excavating and D&S to Bank of Montreal. Needless to say this information came as a complete surprise to Trisura.

As a secured creditor of each of Ebersole Excavating and D&S, the security interest held by Trisura in the property of each of Ebersole Excavating and D&S (as provided for in the Indemnity Agreement) continues to attach to the property acquired by Maynards and a sale of such property by either Ebersole Excavating and/or D&S does not discharge Trisura's security pursuant to the provisions of the PPSA.

In addition, Ebersole Excavating filed a Notice of Intention to Make a Proposal ("NOI") pursuant to the provisions of the *Bankruptcy and Insolvency Act* (the "BIA") on June 19, 2014 and BDO Canada Limited was appointed as the proposal trustee under the NOI. Trisura understands that the proposal has now been accepted by the creditors and has been approved by the Court. Section 65.13 of the BIA provides that an insolvent person that has filed an NOI or a proposal under the BIA may not sell or otherwise dispose of assets outside of the ordinary course of business unless authorized to do so by the Court. I can only surmise that any sale of assets that was concluded with Maynards was done without compliance with the provisions of the BIA. Also, any sale of tangible personal property in Ontario must comply with the provisions of the *Bulk Sales Act* (the "BSA").

At this time, I am writing to advise you of the concerns of Trisura in light of this information that was recently discovered. As a secured creditor of the various Indemnitors, Trisura is entitled to a copy of the Asset Purchase Agreement (or any other relevant documentation pertaining to a transaction whereby Maynards acquired assets from any of the Indemnitors). In connection therewith, section 7 of the BSA provides that a creditor may demand particulars of a sale in bulk. Accordingly, I am requesting that you immediately provide the undersigned with particulars of the sale of assets that we understand has occurred to Maynards, as well as any documentation arising from same. We request that this information be provided to the undersigned by no later than the close of business on November 17, 2014.

As noted above, Trisura has had various discussions with Mr. MacDonald from time to time with respect to Ebersole Excavating and D&S. In fact, representatives from Trisura had a conference call with Mr. MacDonald as recently as the morning of November 13, 2014. Trisura has attempted to obtain information from Mr. MacDonald about Ebersole Excavating and D&S and he has been less than forthcoming about the status of matters. At no time prior to the conference call between representatives of Trisura and Mr. MacDonald of November 13, 2014 did Mr. MacDonald disclose to Trisura that a transaction with Maynards was being pursued, that the transaction with Maynards had in fact closed and that there was an auction scheduled for the assets that Maynards has purported to acquire. Mr. MacDonald did advise Trisura on the November 13, 2014 conference call that an auction was going to take place. Trisura has now

independently confirmed that Maynards has a public auction scheduled for December 4, 2014 in respect of the sale of the equipment of Ebersole Excavating and D&S. I am therefore addressing this letter to Mr. MacDonald's attention as well and I would request that he provide the undersigned with the information and documentation I have requested herein from Maynards (which includes particulars of the sale to Maynards and a copy of the Asset Purchase Agreement or any other definitive documents that pertain to the transaction) by the close of business on November 17, 2014.

In addition, I am also requesting that Mr. MacDonald provide the undersigned with the following:

- 1) confirmation that beyond the sale of assets to Maynards, that there have been no other sale(s), dispositions or transfers of the Indemnitors property;
- 2) a detailed listing of all of the assets of the Indemnitors that was not purchased by Maynards;
- 3) an accounting of the use of the funds received from the Maynards transaction, as well as information on the surplus remaining and who is holding the surplus funds at this time; and
- 4) details with respect to any payments made by Ebersole Excavating and/or D&S (which is referred as the "Backer" in the Proposal filed by Ebersole Excavating dated July 18, 2014).

Trisura is currently reviewing this matter in light of the information that was only discovered in the afternoon of November 12, 2014. Accordingly, Trisura reserves the right to seek such urgent relief from the Court as it deems necessary or appropriate in the circumstances in order to protect the interests of Trisura.

I look forward to hearing from each of you by the close of business on November 17, 2014.

Yours very truly,

Roger Jaipargas

Roger, its Mike McIntosh at Maynards Auctioneers responding to your letter here regarding D&S Rail. Obviously this is a complete surprise to us as well. I would like to get a better sense of what is owing to your client and those kinds of things. I've obviously forwarded this letter back to the people that we dealt with. I could share what we bought the equipment for and all those good things. I did not see Trisura's name when I looked at the PPSA, we saw the Bank and we saw Caterpillar. Anyway, I would like to discuss, my cell is the best way to reach me 647-828-8895, thanks.

The company is a Canadian controlled private corporation, incorporated on February 9, 1996 under the provisions of the Ontario Business Corporations Act.

The principal business activities of the company include excavating, grading and landscaping.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles and reflect the following policies:

Revenue Recognition:

The company progress bills and recognizes income from contracts on the percentage of completion basis, determined by relating the actual cost of work performed to the current estimated total cost of respective contracts.

Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the year. Actual results could differ from those estimates.

Differential Reporting

The Company, with the unanimous consent of its shareholders has elected to prepare its financial statements in accordance with Canadian generally accepted accounting principles, using the differential reporting options available to non-publicly accountable enterprises described below:

Income Taxes

The Company has elected to apply the differential reporting measurement option allowed for income taxes and, accordingly, to account for income taxes using the taxes payable method under which the Company reports as an expense of the period only the cost of current taxes for that period, determined in accordance with the rules established by taxation authorities.

Inventory

Inventory is stated at the lower of cost (first-in, first-out) and net realizable value.

Work in Progress

Work in progress is recognized based on the percentage of completion basis.

Ebersole Excavating Inc.**Notes to the Financial Statements****August 31, 2011****Unaudited****2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)****Plant, Vehicles and Equipment**

Building	5%
Fences and Roadways	8%
Equipment Under Capital Lease	30%
Construction Equipment	30%
Computer Equipment	30%
Vehicles	30%

In the year of acquisition, amortization is recorded at one-half the normal rates.

NOTES TO FINANCIAL STATEMENTS (Unaudited)

AUGUST 31, 2012

1. NATURE OF BUSINESS

Ebersole Excavating Inc. is incorporated under the provisions of the Ontario Business Corporations Act and provides excavating, grading and landscaping services.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for private enterprises (ASPE).

(a) Revenue recognition

The company progress bills and recognizes income from contracts on a percentage of completion basis, determined by relating the actual cost of work performed to the current estimated total cost of respective contracts.

(b) Inventories

Inventories are measured at the lower of cost and net realizable value, with cost being determined using the specified identification cost method. Costs include the purchase price, freight and all costs incurred to bring the inventory into use. Net realizable value is the estimated selling price in the ordinary course of business less any applicable variable selling costs. The company periodically estimates the provision for inventory obsolescence and transfers any required or excess provision to the income statement of the year.

(c) Property, plant & equipment

Property, plant and equipment are stated at cost less accumulated amortization. In the year of acquisition, amortization is reduced by one-half. Property, plant and equipment are amortized over their estimated useful lives at the following rates and methods.

Building	5% diminishing balance
Computer equipment	30% diminishing balance
Construction equipment	30% diminishing balance
Fences and roadways	8% diminishing balance
Vehicles	30% diminishing balance
Equipment under capital leases	30% diminishing balance

Property, plant and equipment are reviewed for impairment whenever events or changes in the circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs.

EBERSOLE EXCAVATING INC.**NOTES TO FINANCIAL STATEMENTS**
(Unaudited)**AUGUST 31, 2012****2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continues)****(d) Income taxes**

The company accounts for income taxes using the taxes payable method under which the company reports as an expense in the year, only the cost of current income taxes for that year, determined in accordance with the rules established by taxation authorities.

(e) Leases

Leases are classified as either capital or operating. At the time the company enters into a capital lease, an asset is recorded with its related long term obligation to reflect the acquisition and financing. Rental payments under operating leases are expensed as incurred.

(f) Measurement of financial instruments

The company initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions. The company subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Financial assets measured at amortized cost include accounts receivable, due from government agencies and due from related parties. Financial liabilities measured at amortized cost include bank indebtedness, accounts payable, obligations under capital lease and long term debt. The company has not designated any financial asset or financial liability to be measured at fair value.

(g) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses for the reporting period. Actual results could differ from those estimates. The estimates, however, are reviewed periodically, and, as adjustments become necessary, they are reported in the year they become known. Significant management estimates include allowance for doubtful accounts and provision for inventory obsolescence.

(h) Cash and cash equivalents

Cash and cash equivalents are defined as cash and highly liquid financial instruments. Due to the short term nature of these assets, the fair value of these instruments is not significantly different from their carrying value.

EBERSOLE EXCAVATING INC.**NOTES TO FINANCIAL STATEMENTS
(Unaudited)****AUGUST 31, 2012****3. FIRST TIME ADOPTION OF ACCOUNTING STANDARDS FOR PRIVATE ENTERPRISES**

The financial statements for the year ended August 31, 2012 are the first financial statements that are prepared in accordance with ASPE. The financial statements for the year ended August 31, 2011 were previously prepared in accordance with Canadian generally accepted accounting standards (GAAP) as issued in the Handbook - Accounting XFI version. Under ASPE provisions as set out in Section 1500 First-Time Adoption, the date of transition is the beginning of the fiscal year for comparative information, therefore the date for the company is September 1, 2010 the beginning of the fiscal year ended August 31, 2011.

On adoption of the ASPE, a company is able to selectively elect certain exemptions and choose accounting policies that may differ from the previously presented financial statement information. This can result in adjustments to the opening retained earnings at the transition date, which is the first day of the period for which comparative information is presented. As the company made no changes to the previously presented financial statements, an opening balance sheet at the date of transition has not been presented as it would not provide any further meaningful information. Also, reconciliations are not needed for any changes to the equity or net income in the comparative period.

EBERSOLE EXCAVATING INC.**NOTES TO FINANCIAL STATEMENTS**
(Unaudited)**AUGUST 31, 2012****13. FINANCIAL INSTRUMENTS**

The significant financial risks to which the company is exposed to are interest risk, liquidity risk, and credit risk.

Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The obligations under capital leases bears interest between 3.69% and 7.3%, while the long term debt bears interest between 1.99% and 6.9%. Changes in the prime rate can cause fluctuations in interest payments and cash flows. The company does not use derivative financial instruments to alter the effect of this risk.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting obligations associated with financial liabilities. The company is exposed to liquidity risk arising primarily from the bank indebtedness, obligations under capital lease, long term debt and due to shareholders. The company's ability to meet their obligations depends on the receipt of funds from its operations and other related sources, whether in the form of revenues or advances.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The company's main credit risk relate to its accounts receivable. The company provides credit to its clients in the normal course of operations.

14. ECONOMIC DEPENDENCE

During the year approximately 71% of the company's sales were made to one customer.

15. COMPARATIVE AMOUNTS

The financial statements for the year ended August 31, 2011 were prepared by another accounting firm. The review engagement report was dated March 1, 2012. As a firm, John B. MacDonald Certified General Accountant Professional Corporation, did not in any way review or audit the 2011 financial statements, the review engagement report dated February 26, 2013 does not extend to the 2011 financial statements which are presented for information purposes only.

Certain comparative figures have been reclassified to conform with the current year's financial statement presentation.

REVIEW ENGAGEMENT REPORT

To the Board of Directors
D & S Railway Construction Inc.

I have reviewed the balance sheet of D & S Railway Construction Inc. as at August 31, 2012 and the statements of income and retained earnings and cash flows for the year then ended. My review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly consisted primarily of enquiry, analytical procedures, and discussion related to information supplied to me by the company.

A review does not constitute an audit, and consequently, I do not express an audit opinion on these financial statements.

Based on my review, nothing has come to my attention that causes me to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for private enterprises.

I draw attention to Note 3 to the financial statements which describes that D & S Railway Construction Inc. have adopted the Canadian accounting standards for private enterprises (ASPE) on September 1, 2011 with a transition date of September 1, 2010 and that there were no changes to the previously presented financial statements as a result of the transition to ASPE.

The comparative figures were reported upon by another public accounting firm.

D & S RAILWAY CONSTRUCTION INC.**NOTES TO FINANCIAL STATEMENTS**

(Unaudited)

AUGUST 31, 2012**1. NATURE OF BUSINESS**

D&S Railway Construction Inc. is incorporated under the provisions of the Ontario Business Corporations Act and provides railroad construction and maintenance.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for private enterprises (ASPE).

(a) Revenue recognition

Revenue from railway construction and maintenance are recorded on a percentage of completion basis. Revenue is measured at the fair value of consideration received or receivable.

(b) Inventories

Inventories are measured at the lower of cost and net realizable value, with cost being determined using the specified cost method. Costs include the purchase price, freight and all costs incurred to bring the inventory into use. Net realizable value is the estimated selling price in the ordinary course of business less any applicable variable selling costs. The company periodically estimates the provision for inventory obsolescence and transfers any required or excess provision to the income statement of the year.

(c) Property, plant & equipment

Property, plant and equipment are stated at cost less accumulated amortization. In the year of acquisition, amortization is reduced by one-half. Property, plant and equipment are amortized over their estimated useful lives at the following rates and methods.

Building	5% diminishing balance
Construction equipment	30% diminishing balance
Equipment	20% diminishing balance
Vehicles	30% diminishing balance

Property, plant and equipment are reviewed for impairment whenever events or changes in the circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs.

D & S RAILWAY CONSTRUCTION INC.**NOTES TO FINANCIAL STATEMENTS**
(Unaudited)**AUGUST 31, 2012****2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continues)****(d) Income taxes**

The company accounts for income taxes using the taxes payable method under which the company reports as an expense in the year, only the cost of current income taxes for that year, determined in accordance with the rules established by taxation authorities.

(e) Goodwill

The excess of the purchase price over the estimated fair value of identifiable net assets acquired represents goodwill. Goodwill is not amortized. The carrying value of goodwill is compared to its fair value annually to determine if a permanent impairment in value exists, at which time the impairment is recorded as a charge to earnings. At year end, goodwill was not impaired.

(f) Leases

Leases are classified as either capital or operating. At the time the company enters into a capital lease, an asset is recorded with its related long term obligation to reflect the acquisition and financing. Rental payments under operating leases are expensed as incurred.

(g) Measurement of financial instruments

The company initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions. The company subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Financial assets measured at amortized cost include accounts receivable. Financial liabilities measured at amortized cost include accounts payable, due to government agencies and long term debt. The company has not designated any financial asset or financial liability to be measured at fair value.

(h) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses for the reporting period. Actual results could differ from those estimates. The estimates, however, are reviewed periodically, and, as adjustments become necessary, they are reported in the year they become known. Significant management estimates include allowance for doubtful accounts and provision for inventory obsolescence.

D & S RAILWAY CONSTRUCTION INC.**NOTES TO FINANCIAL STATEMENTS**
(Unaudited)**AUGUST 31, 2012****2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continues)****(i) Cash and cash equivalents**

Cash and cash equivalents are defined as cash and highly liquid financial instruments. Due to the short term nature of these assets, the fair value of these instruments is not significantly different from their carrying value.

3. FIRST TIME ADOPTION OF ACCOUNTING STANDARDS FOR PRIVATE ENTERPRISES

The financial statements for the year ended August 31, 2012 are the first financial statements that are prepared in accordance with ASPE. The financial statements for the year ended August 31, 2011 were previously prepared in accordance with Canadian generally accepted accounting standards (GAAP) as issued in the Handbook - Accounting XPI version. Under ASPE provisions as set out in Section 1500 First-Time Adoption, the date of transition is the beginning of the fiscal year for comparative information, therefore the date for the company is September 1, 2010 the beginning of the fiscal year ended August 31, 2011.

On adoption of the ASPE, a company is able to selectively elect certain exemptions and choose accounting policies that may differ from the previously presented financial statement information. This can result in adjustments to the opening retained earnings at the transition date, which is the first day of the period for which comparative information is presented. As the company made no changes to the previously presented financial statements, an opening balance sheet at the date of transition has not been presented as it would not provide any further meaningful information. Also, reconciliations are not needed for any changes to the equity or net income in the comparative period.

AUGUST 31, 2013**1. NATURE OF BUSINESS**

Ebersole Excavating Inc. is incorporated under the provisions of the Ontario Business Corporations Act and provides excavating, grading and landscaping services.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for private enterprises and have the following accounting policies:

(a) Revenue recognition

The company progress bills and recognizes income from contracts on a percentage of completion basis, determined by relating the actual cost of work performed to the current estimated total cost of respective contracts.

(b) Inventories

Inventories are measured at the lower of cost and net realizable value, with cost being determined using the specified identification cost method. Costs include the purchase price, freight and all costs incurred to bring the inventory into use. Net realizable value is the estimated selling price in the ordinary course of business less any applicable variable selling costs. The company periodically estimates the provision for inventory obsolescence and transfers any required or excess provision to the income statement of the year.

(c) Property, plant & equipment

Property, plant and equipment are stated at cost less accumulated amortization. In the year of acquisition, amortization is reduced by one-half. Property, plant and equipment are amortized over their estimated useful lives at the following rates and methods.

Building	5% diminishing balance
Computer equipment	30% diminishing balance
Construction equipment	30% diminishing balance
Fences and roadways	8% diminishing balance
Vehicles	30% diminishing balance
Equipment under capital leases	30% diminishing balance

Property, plant and equipment are reviewed for impairment whenever events or changes in the circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continues)**(d) Income taxes**

The company accounts for income taxes using the taxes payable method under which the company reports as an expense in the year, only the cost of current income taxes for that year, determined in accordance with the rules established by taxation authorities.

(e) Leases

Leases are classified as either capital or operating. At the time the company enters into a capital lease, an asset is recorded with its related long term obligation to reflect the acquisition and financing. Rental payments under operating leases are expensed as incurred.

(f) Measurement of financial instruments

The company initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions. The company subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Financial assets measured at amortized cost include accounts receivable, due from government agencies and due from related parties. Financial liabilities measured at amortized cost include bank indebtedness, accounts payable, obligations under capital lease and long term debt. The company has not designated any financial asset or financial liability to be measured at fair value.

(g) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses for the reporting period. Actual results could differ from those estimates. The estimates, however, are reviewed periodically, and, as adjustments become necessary, they are reported in the year they become known. Significant management estimates include allowance for doubtful accounts and provision for inventory obsolescence.

EBERSOLE EXCAVATING INC.**NOTES TO FINANCIAL STATEMENTS**

(Unaudited)**AUGUST 31, 2013****13. FINANCIAL INSTRUMENTS**

The significant financial risks to which the company is exposed to are interest risk, liquidity risk, and credit risk.

Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The obligations under capital leases bears interest at 6.9%, while the long term debt bears interest between 1.99% and 6.9%. Changes in the prime rate can cause fluctuations in interest payments and cash flows. The company does not use derivative financial instruments to alter the effect of this risk.

Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting obligations associated with financial liabilities. The company is exposed to liquidity risk arising primarily from the bank indebtedness, obligations under capital lease, long term debt and due to shareholders. The company's ability to meet their obligations depends on the receipt of funds from its operations and other related sources, whether in the form of revenues or advances.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The company's main credit risk relate to its accounts receivable. The company provides credit to its clients in the normal course of operations.

14. ECONOMIC DEPENDENCE

During the year approximately 48% of the company's sales were to three customers.

REVIEW ENGAGEMENT REPORT

To the Board of Directors
D & S Railway Construction Inc.

I have reviewed the balance sheet of D & S Railway Construction Inc. as at August 31, 2013 and the statements of loss and retained earnings and cash flows for the year then ended. My review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly consisted primarily of enquiry, analytical procedures, and discussion related to information supplied to me by the company.

A review does not constitute an audit, and consequently, I do not express an audit opinion on these financial statements.

Based on my review, nothing has come to my attention that causes me to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for private enterprises.

Sent: November-17-14 5:54 PM
To: Jaipargas, Roger
Subject: RE: Ebersole Excavating Inc.

Hi Roger,

Thank you for your email below. The Proposal Trustee was not aware of the sale of Ebersole's assets, nor of any discussions or negotiations it was conducting with Maynard's. Further, it remained our understanding that Ebersole was still indebted to the Bank of Montreal ("BMO"). As we discussed on both November 11 and November 12, I had suggested you contact BMO's counsel, Mr. Anthony van Klink, to discuss your clients concerns and get a better understanding of BMO position. Had the Trustee been aware of the sale I would have certainly disclosed the transaction to you at that time.

The fact that Ebersole had ceased operating was divulged in the assumptions filed with their cash flows, which formed material filed with the Court in support of the Proposal application, and with the Office of the Superintendent in Bankruptcy. Further, your client should be in possession of an email from Ebersole's accountant (Casey Bruyn) reporting that the company had employee's up to May 2014 and that the last payroll was June 6, 2014. Management advises that Ebersole had in fact ceased operating prior to filing its Notice of Intention to Make a Proposal. Regardless, the purpose for the Proposal filing was twofold:

- i. To bring the interested parties together in an attempt to complete the Niagara project; and
- ii. To absolve the director's of any liabilities.

The intention to absolve director's through the proposal filing was reported in the Proposal document circulated to creditors and forms an appendix to the Order Approving Proposal. The Order Approving Proposal was obtained on an application to the Court in which all proven creditors were given advance notice, approximately 2 months, of the Proposal application. During this time the Trustee did not receive any communication or concerns from creditors, nor was the application opposed.

The Trustee reached out to Mr. Detsky on November 7, 2014 to obtain an update on the claims filed and paid out under the bond, for the purpose of participating in any dividend distribution under the Proposal. Prior to that, the last correspondence with Trisura was back on August 15, 2014 with Mr. Detsky in his capacity as inspector in the Proposal administration. If Trisura had any concerns, it was not directed to the Proposal Trustee.

Please let me know if you require anything further.

To: Naumis, Peter

Subject: Ebersole Excavating Inc.

Importance: High

Hello Peter,

As you know, we are the lawyers for Trisura Guarantee Insurance Company ("Trisura").

Attached herewith is a letter dated November 14, 2014 that was delivered to each of Maynards and John MacDonald (the "BLG Letter"). As you will see from the BLG Letter, Trisura recently learned of a transaction whereby Ebersole Excavating Inc. ("Ebersole Excavating") and/or D&S Railway Construction Inc. ("D&S") sold certain of its assets and property to Maynards. Peter, as you may recall I had discussions with you on each of November 11 and 12, 2014 in order to obtain background and information on the Ebersole Excavating proposal proceedings wherein BDO Canada Limited ("BDO") is acting as proposal trustee as I only got involved in this matter this week. At that time, I understood from our discussions that it was your understanding that the obligations owing to Bank of Montreal ("BMO") were still outstanding. During both of our discussions of November 11 and 12, 2014, there was no mention of any sale of assets by Ebersole to Maynards. I presume that BDO was not aware of the sale of assets? Please confirm that BDO had no knowledge of the transaction with Maynards, nor was BDO aware of the repayment of the obligations of Ebersole Excavating and D&S to BMO when we spoke on November 11 and 12, 2014. I presume that if you were aware of either of these facts that you would have advised me of same.

I understand from our conference call of November 11, 2014 that Ebersole Excavating is no longer an operating business and it no longer has any employees. I further understand that the proposal that has been put forward to the creditors of Ebersole Excavating has been approved by the creditors and that on October 21, 2014 BDO obtained an order approving the proposal from Registrar Wiebe. You were kind enough to provide me with the copy of the order of Master Wiebe by way of an email dated November 12, 2014.

I find it curious that Ebersole Excavating is continuing with the proposal when the company is no longer operating. I would ask you to please provide me with a copy of any evidence that was filed with the Court in support of the order approving the proposal. I would also ask that you advise me as to what if any disclosure was made to either the creditor's or the Court in advance of the approval of the proposal as to the fact that the company would no longer be operating on a go forward basis. Also, can you please advise me of what, if any, information was specifically drawn to the attention of the creditors and/or the Court in connection with the release of claims against the Directors (and others) of the company pursuant to paragraph 9 of the proposal dated July 18, 2014, especially the provision that calls for the release of claims against Directors', Officer's, employees, agents of Ebersole Excavating in respect of claims for breach of trust.

Over the last few days Trisura has been gathering information as to what has transpired in the last few months with Ebersole Excavating. There are many concerns that our client has with what has transpired to date and it strikes us that there are many questions which remain unanswered, not the least of which is whether it is appropriate for this proposal to be implemented, having regard to the events to date and the current state of affairs of the company.

May I please hear from you on the matters set out herein by the close of business on November 17, 2014. I look forward to hearing from you. Many thanks.

Regards,

Roger
