AFFIDAVIT OF JASON IWANIKA
Sworn on October 23, 2017

I, JASON IWANIKA, of Calgary, Alberta, SWEAR AND SAY THAT:

1. I am the Joint Interest Representative of ExxonMobil Energy Canada ("ExxonMobil") and therefore have personal knowledge of the matters hereinafter deposed to save where otherwise stated to be based upon information and belief, in which case I verily believe the same to be true.

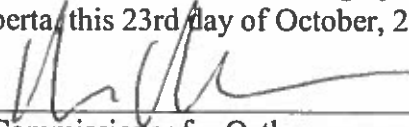

2. I have reviewed the schedules of equipment that were attached as Appendix "12" and Appendix "33" to the 5th Report (the "Report") of the Receiver (the "Equipment List").

3. ExxonMobil is a working interest partner with a joint interest in a number of the oil and gas-producing properties of Debtor entities in these receivership proceedings (collectively, "Lexin"). As such, ExxonMobil owns a joint interest in a number of the items listed in the Equipment List (the "ExxonMobil Joint Equipment"). I have prepared a schedule listing ExxonMobil's interests therein, a true copy of which is attached to this Affidavit as **Exhibit "1"**.

4. ExxonMobil never received notice of any transfer of Lexin's joint interests in any of the ExxonMobil Joint Equipment, either the purported transfers to 597 or to Jixin (as defined and described in the Report), or otherwise.

5. I am also advised by the business records of ExxonMobil and believe that ExxonMobil has a joint interest in some of the seismic assets listed in Appendix "17" to the Report (the "ExxonMobil Joint Seismic"). ExxonMobil is conducting a further review to determine the extent of its ownership of the ExxonMobil Joint Seismic and whether it received notice of any transfer of Lexin's joint interests in any of the ExxonMobil Joint Seismic, either the purported transfer to Finance (as defined and described in the Report), or otherwise.
